

1

00:00:00,000 --> 00:00:02,000

1

2

00:00:17,720 --> 00:00:21,360

Heard a little girl say mama mama mama

3

00:00:23,880 --> 00:00:28,040

I caught something on the corner of my eye look like a little girl running at the steps

4

00:00:29,040 --> 00:00:35,680

Is she just there at you it just stood there. I mean it was almost human. I think somebody might have been murdered

5

00:00:37,320 --> 00:00:43,560

She was healed right in this area right here as she was dying she got on her hands and started saying

6

00:00:44,240 --> 00:00:46,600

mama mama mama

7

00:00:49,040 --> 00:00:53,200

Somebody's in that house. My name is Ryan and I'm a paranormal investigator

8

00:00:54,200 --> 00:01:00,160

When I was a kid my experiences with the supernatural terrified me I've been searching for answers ever since

9

00:01:00,640 --> 00:01:04,320

So when I got to Penn State, I realized I wasn't alone in my quest

10

00:01:04,560 --> 00:01:09,520

So I founded the paranormal research society dedicated to helping those who were haunted like I was

11

00:01:10,280 --> 00:01:12,280

We are students

12

00:01:12,280 --> 00:01:14,280

We are seekers

13

00:01:14,960 --> 00:01:16,960

Sometimes we're warriors

14

00:01:17,040 --> 00:01:21,040

Each time we help someone I feel like I'm one step closer to finding the truth

15

00:01:21,520 --> 00:01:23,520

This is paranormal

16

00:01:27,760 --> 00:01:32,640

Okay, one large natural pizza and an order of wings awesome. Thank you so much

17

00:01:33,800 --> 00:01:36,240

So y'all want to talk about the case?

18

00:01:39,400 --> 00:01:42,800

This case involves a man named Jeffrey who's inherited the property

19

00:01:42,800 --> 00:01:48,800

He chose a location for his new house tore down the old house built a house upon moving in

20

00:01:49,160 --> 00:01:55,000

They started experiencing the supernatural his daughter Sierra has seen the apparition of a little girl

21

00:01:55,520 --> 00:02:02,560

Seen eyes stare at her from outside the house looking at the grandmother Jeffrey's mom has seen an apparition as well

22

00:02:02,840 --> 00:02:07,080

The daughter is especially frightened and Jeff wants answers for her

23

00:02:07,800 --> 00:02:14,120

So our jobs as paranormal investigators are to find out if there's something there and if there is paranormal activity

24

00:02:14,120 --> 00:02:16,120

Why a little girl?

25

00:02:19,580 --> 00:02:21,580

You

26

00:02:43,640 --> 00:02:45,920

He's good he won't bite you

27

00:02:46,840 --> 00:02:52,800

Are you Jeff good? I'm Ryan. Hey, you know you. Yeah. Hi. This is my daughter Sierra. Oh, nice to meet you, Sierra. I'm Ryan

28

00:02:54,840 --> 00:03:00,880

We started two years ago tore down an old house built this one directly right on top of where it was

29

00:03:02,560 --> 00:03:08,280

Moved in December 14th of 07 so almost a year here in a few days, right and

30

00:03:09,280 --> 00:03:12,340

Pretty much started noticing stuff right away everything

31

00:03:13,360 --> 00:03:15,360

Pretty much started upstairs didn't it?

32

00:03:15,920 --> 00:03:17,480

Pretty much

33

00:03:17,480 --> 00:03:22,360

Sierra's bedroom is this one right here. So what have you experienced in here, Sierra?

34

00:03:22,360 --> 00:03:27,400

I was sleeping and it felt like something was shaking me trying to wake me up and

35

00:03:28,360 --> 00:03:35,120

Thought I saw something in the window kind of a figure form and look like a little girl which window that window

36

00:03:37,640 --> 00:03:40,760

A couple of little girls that stayed all night with my youngest daughter

37

00:03:40,760 --> 00:03:45,880

They were up here played in the loft and two of them came downstairs and asked my wife

38

00:03:45,880 --> 00:03:49,560

Where's the other little girl that we can't find her my wife said that we're the only ones here

39

00:03:49,560 --> 00:03:52,960

And they said well we saw another little girl upstairs a minute ago at the top of the steps I

40

00:03:54,400 --> 00:04:01,200

Also my mom saw the little girl standing in this window about early September. I believe it was

41

00:04:02,040 --> 00:04:05,400

She's got to the point where she don't come up here by herself much anymore

42

00:04:06,840 --> 00:04:08,840

Okay

43

00:04:09,840 --> 00:04:13,000

So Jeff tell me about the first experience you had in the house

44

00:04:13,200 --> 00:04:17,080

The one thing that I remember happening is I was laying in bed is about two o'clock in the morning

45

00:04:17,080 --> 00:04:21,200

And I heard a little girl say mama, but it wasn't loud

46

00:04:21,200 --> 00:04:25,680

It was only like mama like they're about that level and then I heard it again

47

00:04:25,680 --> 00:04:28,920

it said mama mama again like they're at there and

48

00:04:30,240 --> 00:04:31,600

Then that was it

49

00:04:31,600 --> 00:04:36,280

The girls kept hearing noises upstairs pecking on the windows pops and cracks things like that

50

00:04:36,320 --> 00:04:38,840

And I just told them that you know it was a new house

51

00:04:38,840 --> 00:04:41,440

It had to settle and that satisfied them for a while

52

00:04:42,560 --> 00:04:44,560

You know until the shadows showed up

53

00:04:45,440 --> 00:04:49,000

I was sitting on the couch and I caught something on the corner of my eye

54

00:04:49,000 --> 00:04:55,440

And it looked like a little girl running at the steps like almost skipping like oh wow last night before you over here

55

00:04:55,440 --> 00:04:57,440

I felt like she was with this but oh really?

56

00:04:58,040 --> 00:05:00,240

What did you do? I was freaked out

57

00:05:00,240 --> 00:05:07,400

I just didn't feel comfortable and so I went in my dad's truck. I just sat in there until you got home because I was afraid

58

00:05:08,840 --> 00:05:12,520

That was kind of disturbing for me because you know you don't want to see your kids

59

00:05:13,160 --> 00:05:15,600

Scared you know out of their mind. You know just I'm talking about

60

00:05:16,360 --> 00:05:19,920

she was crying got up next to me just like protect me daddy and

61

00:05:20,960 --> 00:05:25,360

That really bothered me Jeff. What would you like for us to do here?

62

00:05:26,360 --> 00:05:32,240

To make my kids feel easier in their house if this is a little girl help her find her way home

63

00:05:35,720 --> 00:05:38,440

So where was the girl stent the how tall was she?

64

00:05:38,440 --> 00:05:42,280

Make your hand up a little bit higher. She's flat against it and this hand was at the canstige

65

00:05:42,440 --> 00:05:48,800

This so she was standing in like like this. Mm-hmm. What exactly did she look like? She had a round face

66

00:05:49,120 --> 00:05:56,520

Her hair was down by shoulder length. It was some I guess between the blonde and a brown maybe it was just kind of dark

67

00:05:57,560 --> 00:05:59,560

She had

68

00:05:59,560 --> 00:06:01,560

very old old

69

00:06:01,560 --> 00:06:03,560

clothes on

70

00:06:05,200 --> 00:06:08,320

Like the collar and your neck and lace and

71

00:06:10,480 --> 00:06:14,320

Victorian I guess I don't know does she have any markings on her face

72

00:06:15,080 --> 00:06:20,600

I can't find that she may have freckles and I don't know if I could see a draw it, you know

73

00:06:23,920 --> 00:06:27,680

I'm going to try to remember as best you can every minute detail

74

00:06:30,000 --> 00:06:32,000

Around face

75

00:06:33,720 --> 00:06:40,520

The subject of course is a female we're talking about about what age do you think it's somewhere between age of 10 maybe 13?

76

00:06:44,320 --> 00:06:46,320

I

77

00:06:53,720 --> 00:06:56,160

Let her eyebrows with a very full take

78

00:07:05,120 --> 00:07:07,400

Yeah, that's it yes

79

00:07:14,320 --> 00:07:16,320

You

80

00:07:23,560 --> 00:07:25,560

Okay, Linda

81

00:07:25,880 --> 00:07:30,440

This is what you saw in the window that this dispense close to that gear what I can remember ever

82

00:07:30,440 --> 00:07:46,160

So Michelle hey, how you doing good always taking me to new interesting and out of the way places

83

00:08:01,400 --> 00:08:06,520

Up the stairs sounds all coming from

84

00:08:10,120 --> 00:08:13,000

Outside when there shouldn't be

85

00:08:15,640 --> 00:08:21,520

But not so far outside just a little offset from the rest of the house I

86

00:08:21,880 --> 00:08:34,800

Don't want to say melodramatic, but I think somebody might have been murdered at least a hundred years ago, maybe who who was murdered a

87

00:08:36,920 --> 00:08:43,120

Little girl, maybe I get more images of what I would think is the murderer who is

88

00:08:44,440 --> 00:08:46,440

Big raw-boned

89

00:08:46,480 --> 00:08:51,200

Coveralls work shirt young mold I can't see the face

90

00:08:51,200 --> 00:08:57,680

I see I think whiskers or something covering the face maybe a hat maybe a like a bandana even I don't know

91

00:08:58,120 --> 00:09:02,700

But something obscuring the face so it's harder to see the person's face and get any kind of features

92

00:09:03,480 --> 00:09:05,480

Well, why would he kill her?

93

00:09:06,040 --> 00:09:08,040

It feels dirty

94

00:09:17,320 --> 00:09:19,320

I

95

00:09:20,880 --> 00:09:24,800

Don't want to say melodramatic, but I think somebody might have been murdered

96

00:09:25,920 --> 00:09:29,240

At least a hundred years ago, maybe who who was murdered a

97

00:09:30,400 --> 00:09:32,400

Little girl, maybe what was the motive?

98

00:09:33,040 --> 00:09:35,040

Well, why would he kill her?

99

00:09:35,760 --> 00:09:37,760

It feels dirty

100

00:09:37,920 --> 00:09:39,520

Really?

101

00:09:39,520 --> 00:09:41,520

if I follow

102

00:09:41,520 --> 00:09:48,320

If I follow the trail of images he he hit her or he dismembered her or he did something to hide her away

103

00:10:11,520 --> 00:10:18,320

Nanny Wormack the nine-year-old daughter of mr. and mrs. Logan Wormack

104

00:10:20,040 --> 00:10:26,560

This time brutally raped and murdered us in a quarter mile from her home Elmer Hill charged with assaulting and murdering 13-year-old

105

00:10:26,680 --> 00:10:31,040

Mamiya Wormack near Russell Springs was taken from the local jail about midnight

106

00:10:31,520 --> 00:10:38,000

By an armed mob and after confessing the crime was hanged to a tree about 20 miles away

107

00:10:38,000 --> 00:10:44,760

I met her on the road coming from school and tied a bandana around her neck and strangled her and took her

108

00:10:45,120 --> 00:10:48,760

Out in the woods and killed her he attempted to choke her with her scarf

109

00:10:49,040 --> 00:10:52,720

But as he started to walk away and any raised up and called mama three times

110

00:10:52,960 --> 00:10:57,920

It was then that hill picked up a tree limb and struck the child debt. You say mama three times.
Yeah

111

00:10:58,080 --> 00:11:04,080

That's it is interesting to know that Josie Hill Wormack Nanny's mother thought she heard her little girl calling mama

112

00:11:04,080 --> 00:11:06,640

And it was this that made them begin looking for it. Wow

113

00:11:08,640 --> 00:11:10,640

I

114

00:11:10,880 --> 00:11:16,880

Through here was the path the little girl walked walk right up through there and it come right around the fur where she lived

115

00:11:17,440 --> 00:11:20,080

She was healed right in this area right here

116

00:11:21,440 --> 00:11:25,920

But her body was found right here and my fence lines right there on the other side of that tree

117

00:11:28,560 --> 00:11:32,320

This is where they found her she was murdered up there in the old path

118

00:11:32,880 --> 00:11:36,320

Right and they was a great big tree that stood right up there

119

00:11:37,280 --> 00:11:40,400

And he brought her down behind that tree and hit her body

120

00:11:43,840 --> 00:11:53,440

There was a town rumor about um a girl who had died jibbier about the sierra. No well, we did some digging and um

121

00:11:54,720 --> 00:11:59,280

We were able to find some information about the nanny wormack murder

122

00:11:59,920 --> 00:12:04,400

And uh, I went and I tracked the area where she was allegedly killed

123

00:12:05,120 --> 00:12:10,160

Um, it was a couple miles away. Okay, but you know everything you guys have been saying

124

00:12:11,040 --> 00:12:16,000

Suggests that of a little girl. Yeah, right. I mean you were pretty confident that you were seeing a little girl

125

00:12:17,040 --> 00:12:24,000

The other thing that's interesting when she died the mom claimed that while she was uh, I guess in the house

126

00:12:24,720 --> 00:12:28,640

She heard a voice say mama mama mama three times

127

00:12:29,600 --> 00:12:32,000

So she called out to her husband and the husband was

128

00:12:32,800 --> 00:12:35,280

You know, I didn't hear anything and they thought it was the daughter

129

00:12:35,280 --> 00:12:37,280

Which is why they went to go search for her quickly

130

00:12:37,760 --> 00:12:42,720

Allegedly as she was dying elmer thought he had killed her and then as he was walking away

131

00:12:42,880 --> 00:12:47,280

She got on her hands and she started saying mama mama mama

132

00:12:53,200 --> 00:12:55,200

That's kind of creepy

133

00:12:58,400 --> 00:13:00,400

Directors log

134

00:13:01,360 --> 00:13:04,080

I'm inviting sierra to join us for tonight's dead time

135

00:13:05,440 --> 00:13:08,640

If nanny wormack is truly the spirit that's haunting this family

136

00:13:09,040 --> 00:13:12,480

Then i'm hoping sierra's presence will encourage her to reveal herself

137

00:13:13,440 --> 00:13:15,940

Okay, you want to start recording your camera? Yeah

138

00:13:22,800 --> 00:13:26,960

If there's a little girl here, can you hear us? Can you let us know that you can hear us?

139

00:13:30,640 --> 00:13:32,640

Did you used to live here?

140

00:13:38,640 --> 00:13:40,640

Is nanny here with us?

141

00:13:42,640 --> 00:13:44,640

Nanny are you here with us?

142

00:13:49,440 --> 00:13:51,840

If you're here nanny, can you please knock on a wall?

143

00:13:52,240 --> 00:13:55,840

Was that knocking noise attacked? Did you hear that?

144

00:14:04,240 --> 00:14:06,240

Was it you in the window?

145

00:14:11,360 --> 00:14:13,360

I heard it very faintly

146

00:14:13,360 --> 00:14:15,360

I don't know what you're talking about

147

00:14:15,360 --> 00:14:17,360

I don't know what you're talking about

148

00:14:17,360 --> 00:14:19,360

I don't know what you're talking about

149

00:14:19,360 --> 00:14:21,360

Oh, I was just wondering

150

00:14:21,840 --> 00:14:23,840

What was that?

151

00:14:38,240 --> 00:14:40,240

I don't know what that was

152

00:14:40,240 --> 00:14:42,240

Where's that coming from?

153

00:14:42,240 --> 00:14:44,240

What was that?

154

00:14:44,240 --> 00:14:46,240

Guys, is that you?

155

00:14:48,960 --> 00:14:50,960

Negative on that

156

00:14:51,520 --> 00:14:53,520

Who's here in the house with us right now?

157

00:15:04,240 --> 00:15:06,240

Did you hear something?

158

00:15:06,240 --> 00:15:08,240

What did you hear?

159

00:15:16,800 --> 00:15:18,800

Did you guys just giggle?

160

00:15:18,800 --> 00:15:20,800

No

161

00:15:21,920 --> 00:15:23,920

She was with us

162

00:15:40,880 --> 00:15:42,880

Did you guys just giggle?

163

00:15:42,880 --> 00:15:44,880

No

164

00:15:45,200 --> 00:15:47,200

I don't know

165

00:15:50,000 --> 00:15:52,000

Director's log

166

00:15:52,000 --> 00:15:56,000

Was the spirit of a little girl communicating with us last night?

167

00:15:56,000 --> 00:15:58,000

I can't say for sure

168

00:16:02,000 --> 00:16:06,000

This morning we contacted two descendants of the Womack family

169

00:16:06,000 --> 00:16:08,000

Hey ladies, thanks

170

00:16:08,000 --> 00:16:12,000

I'm meeting with them to see what new information they can add to our investigation

171

00:16:12,000 --> 00:16:14,000

Are you related to the Womacks?

172

00:16:14,320 --> 00:16:16,320

My mother was a Womack

173

00:16:16,320 --> 00:16:18,320

Really?

174

00:16:18,320 --> 00:16:20,320

There was a teenage girl who was murdered

175

00:16:20,320 --> 00:16:22,320

Her last name was Womack

176

00:16:22,320 --> 00:16:24,320

Nanny

177

00:16:24,320 --> 00:16:26,320

She wasn't a teenager though

178

00:16:26,320 --> 00:16:28,320

She was eight years old

179

00:16:28,320 --> 00:16:30,320

She was a sister of my grandfather

180

00:16:30,320 --> 00:16:32,320

Do you know where she's buried?

181

00:16:32,320 --> 00:16:34,320

Yes, we do

182

00:16:34,320 --> 00:16:36,320

In a Womack cemetery

183

00:16:36,320 --> 00:16:38,320

Can you show me where?

184

00:16:44,960 --> 00:16:46,960

Here

185

00:16:47,200 --> 00:16:49,200

This is her, Nanny?

186

00:16:49,200 --> 00:16:51,200

1908

187

00:16:57,200 --> 00:16:59,200

Did your grandfather ever talk about, you know,

188

00:17:00,080 --> 00:17:02,080

memories of her?

189

00:17:02,080 --> 00:17:04,080

Did you ever see a photo of Nanny?

190

00:17:04,080 --> 00:17:06,080

Yes

191

00:17:06,080 --> 00:17:08,080

Betty has a photo

192

00:17:08,080 --> 00:17:10,080

Oh you do?

193

00:17:10,080 --> 00:17:12,080

I have one with me if you'd like to see it

194

00:17:12,160 --> 00:17:14,160

I'd love to see one

195

00:17:14,160 --> 00:17:18,660

This is her and this is her mom and dad and this is Sharon's grandfather

196

00:17:18,660 --> 00:17:22,660

That's my grandmother and then this is the two older brothers

197

00:17:22,660 --> 00:17:24,660

So this is your grandfather who's right here?

198

00:17:24,660 --> 00:17:26,660

That's right here

199

00:17:26,660 --> 00:17:28,660

And then this is little Nanny there

200

00:17:32,660 --> 00:17:34,660

Wow

201

00:17:35,240 --> 00:17:42,240

The photograph of Nanny Womack bears similarities to the sketch drawn from Linda's description

202

00:17:42,240 --> 00:17:46,740

The next step is to see whether Linda can pick Nanny's photo out of the lineup

203

00:17:46,740 --> 00:17:48,740

We'll have some photos that we found

204

00:17:48,740 --> 00:17:50,740

If you can just show me which one looks the most

205

00:17:50,740 --> 00:17:52,740

Like the girl you saw

206

00:17:52,740 --> 00:17:54,740

Here

207

00:18:05,240 --> 00:18:11,240

Didn't any of these girls stand out as the one that you saw in the window?

208

00:18:11,240 --> 00:18:13,240

This one right here at the face

209

00:18:13,240 --> 00:18:15,240

In the dress

210

00:18:15,240 --> 00:18:17,240

Yes

211

00:18:17,240 --> 00:18:19,240

And this

212

00:18:19,240 --> 00:18:22,240

This is, I don't know if you've ever heard this name before

213

00:18:22,240 --> 00:18:24,240

But this is Nanny Womack

214

00:18:24,240 --> 00:18:27,240

She was murdered in this area in December 1908

215

00:18:31,240 --> 00:18:33,240

You're kidding me

216

00:18:33,820 --> 00:18:35,820

No ma'am

217

00:18:42,820 --> 00:18:44,820

The strange thing is that Nanny was murdered

218

00:18:44,820 --> 00:18:46,820

But it was a couple of miles away from here

219

00:18:46,820 --> 00:18:48,820

So why would she be coming to this house?

220

00:18:48,820 --> 00:18:50,820

I mean if you think about it how old is Sierra?

221

00:18:50,820 --> 00:18:51,820

She's 14

222

00:18:51,820 --> 00:18:53,820

She just turned 15

223

00:18:53,820 --> 00:18:55,820

Like two weeks ago

224

00:18:55,820 --> 00:18:59,820

So maybe Sierra and Nanny Womack are connecting

225

00:18:59,820 --> 00:19:01,820

Which is interesting because Sierra said that to me

226

00:19:01,820 --> 00:19:05,400

I asked her, well if it is a little girl why do you think she's coming here?

227

00:19:05,400 --> 00:19:07,400

And she was like well maybe you know

228

00:19:07,400 --> 00:19:09,400

I'm like a role model for her

229

00:19:09,400 --> 00:19:11,400

Maybe I'm a big sister

230

00:19:11,400 --> 00:19:13,400

Maybe

231

00:19:13,400 --> 00:19:15,400

I love Nanny, it would now be

232

00:19:15,400 --> 00:19:17,400

She'd be very old

233

00:19:17,400 --> 00:19:19,400

Wait a second

234

00:19:19,400 --> 00:19:21,400

She was murdered in 1908

235

00:19:21,400 --> 00:19:23,400

In December, it's December 2008

236

00:19:23,400 --> 00:19:25,400

Oh shoot, what was the date of her murder?

237

00:19:25,400 --> 00:19:27,400

It took place on December 8th, 1908

238

00:19:27,400 --> 00:19:29,400

December 8th

239

00:19:29,980 --> 00:19:34,980

So we are within four days of her hundred year anniversary

240

00:19:34,980 --> 00:19:36,980

That's, wow

241

00:19:36,980 --> 00:19:38,980

Really?

242

00:19:42,980 --> 00:19:44,980

Final director's log

243

00:19:46,980 --> 00:19:49,980

On the eve of the centennial anniversary of Nanny Womack's death

244

00:19:49,980 --> 00:19:53,480

I'm inviting Sierra and Jeff to join me at her grave site

245

00:19:53,480 --> 00:19:55,480

It's right here, this is Nanny right here

246

00:19:55,480 --> 00:19:57,480

It's a short grave

247

00:19:57,560 --> 00:19:59,560

Some of her siblings are buried here

248

00:19:59,560 --> 00:20:01,560

Her brother and sister are over there

249

00:20:01,560 --> 00:20:04,560

This is the Womack family plot

250

00:20:06,560 --> 00:20:08,560

For me I feel a lot better

251

00:20:08,560 --> 00:20:10,560

Knowing a name with what's been going on

252

00:20:10,560 --> 00:20:12,560

I'm glad we got this far

253

00:20:12,560 --> 00:20:14,560

I really am

254

00:20:14,560 --> 00:20:16,560

You don't know how better it makes me feel

255

00:20:16,560 --> 00:20:18,560

And I hope it brings some

256

00:20:18,560 --> 00:20:20,560

Better feelings for her

257

00:20:22,560 --> 00:20:24,560

Do you feel?

258

00:20:24,560 --> 00:20:26,560

Yeah

259

00:20:26,640 --> 00:20:28,640

I feel like we're in a game with a...

260

00:20:28,640 --> 00:20:30,640

Yeah

261

00:20:30,640 --> 00:20:32,640

With what's been going on

262

00:20:32,640 --> 00:20:34,640

Although Nanny suffered a brutal fate

263

00:20:34,640 --> 00:20:36,640

Maybe now her spirit can rest

264

00:20:36,640 --> 00:20:39,640

Knowing that her call for mama has finally been heard

265

00:20:56,560 --> 00:20:58,640

You
