

1

00:00:00,000 --> 00:00:09,000

I'm tired. It's like I'm being tested.

2

00:00:09,000 --> 00:00:12,000

Somebody tell me to get out.

3

00:00:12,000 --> 00:00:16,000

I felt something so cold sit on my lap.

4

00:00:16,000 --> 00:00:19,000

I feel like something's like pushing on my brain.

5

00:00:19,000 --> 00:00:21,000

Everybody's gonna get out.

6

00:00:21,000 --> 00:00:23,000

I'm gonna get out.

7

00:00:23,000 --> 00:00:25,000

I'm gonna get out.

8

00:00:25,000 --> 00:00:27,000

I'm gonna get out.

9

00:00:27,000 --> 00:00:29,000

I feel like something's like pushing on my brain.

10

00:00:29,000 --> 00:00:32,000

Everybody's getting headaches. Everybody gets sick.

11

00:00:32,000 --> 00:00:35,000

I'm really nauseated.

12

00:00:35,000 --> 00:00:38,000

An explosion took place right in here.

13

00:00:38,000 --> 00:00:41,000

Some of them just couldn't get out.

14

00:00:41,000 --> 00:00:43,000

Show us that you're here.

15

00:00:43,000 --> 00:00:45,000

Jeez.

16

00:00:45,000 --> 00:00:47,000

Do you think something's here right now?

17

00:00:47,000 --> 00:00:49,000

You all right?

18

00:00:52,000 --> 00:00:56,000

My name is Ryan and I'm a paranormal investigator.

19

00:00:56,000 --> 00:01:00,000

When I was a kid, my experiences with the supernatural terrified me.

20

00:01:00,000 --> 00:01:02,000

I've been searching for answers ever since.

21

00:01:02,000 --> 00:01:06,000

So when I got to Penn State, I realized I wasn't alone in my quest.

22

00:01:06,000 --> 00:01:09,000

So I founded the Paranormal Research Society,

23

00:01:09,000 --> 00:01:12,000

dedicated to helping those who were haunted like I was.

24

00:01:12,000 --> 00:01:14,000

We are students.

25

00:01:14,000 --> 00:01:16,000

We are seekers.

26

00:01:16,000 --> 00:01:18,000

And sometimes we're warriors.

27

00:01:18,000 --> 00:01:23,000

Any time we help someone, I feel like I'm one step closer to finding the truth.

28

00:01:23,000 --> 00:01:26,000

This is Paranormal State.

29

00:01:31,000 --> 00:01:34,000

So we received a call from a woman named Lisa,

30

00:01:34,000 --> 00:01:37,000

who claims to have some really unusual experiences in her home.

31

00:01:37,000 --> 00:01:40,000

She's had doors open and closed,

32

00:01:40,000 --> 00:01:42,000

she feels like she's getting touched,

33

00:01:42,000 --> 00:01:44,000

and they've seen an apparition.

34

00:01:44,000 --> 00:01:49,000

When people enter her house, they feel ill.

35

00:01:49,000 --> 00:01:55,000

They start feeling symptoms of headaches, nausea, dizziness.

36

00:01:55,000 --> 00:01:58,000

Lisa has reported breathing problems.

37

00:01:58,000 --> 00:02:00,000

And it's not just her.

38

00:02:00,000 --> 00:02:02,000

It's her family. It's other people.

39

00:02:02,000 --> 00:02:07,000

She feels that there's something supernatural tormenting her and her family.

40

00:02:07,000 --> 00:02:10,000

But what it is, we gotta get to the bottom of.

41

00:02:10,000 --> 00:02:12,000

Hi.

42

00:02:12,000 --> 00:02:14,000

Nice to meet you.

43

00:02:14,000 --> 00:02:16,000

Nice to meet you.

44

00:02:19,000 --> 00:02:22,000

There's just so much that occurred.

45

00:02:22,000 --> 00:02:24,000

I was sleeping here,

46

00:02:24,000 --> 00:02:27,000

because I won't sleep in my bedroom too afraid, so I always sleep here.

47

00:02:27,000 --> 00:02:31,000

And in this cupboard here, I have like thick gold hangers.

48

00:02:31,000 --> 00:02:33,000

They were jangling so loud.

49

00:02:33,000 --> 00:02:35,000

I fell back to the ground.

50

00:02:35,000 --> 00:02:37,000

I was like,

51

00:02:37,000 --> 00:02:39,000

Yeah, I was jangling so loud.

52

00:02:39,000 --> 00:02:41,000

I fell about to sleep, and it was at 4.10,

53

00:02:41,000 --> 00:02:44,000

the hangers jangled again in the closet.

54

00:02:44,000 --> 00:02:46,000

I had to remove them.

55

00:02:48,000 --> 00:02:50,000

I was on a phone with my mom,

56

00:02:50,000 --> 00:02:54,000

and all of a sudden I felt something so cold sit on my lap

57

00:02:54,000 --> 00:02:56,000

like it was ice cubes placed on my lap.

58

00:02:57,000 --> 00:02:58,000

And I said,

59

00:02:58,000 --> 00:03:00,000

mom, something's sittin' on my lap.

60

00:03:00,000 --> 00:03:02,000

I can literally feel the cold on my legs.

61

00:03:02,000 --> 00:03:04,000

You won't catch me sleepin' here ever.

62

00:03:04,000 --> 00:03:08,000

Brandon, he was laying in bed and I was like, you okay?

63

00:03:08,000 --> 00:03:09,000

He's like, not really.

64

00:03:09,000 --> 00:03:10,000

I said, what's the matter?

65

00:03:10,000 --> 00:03:14,000

He goes, I feel like someone's behind me.

66

00:03:14,000 --> 00:03:17,000

So Brandon, do you like it here?

67

00:03:17,000 --> 00:03:18,000

Mm-hmm, it's okay.

68

00:03:18,000 --> 00:03:23,000

But there's like things in the house that can like make you sick and stuff.

69

00:03:23,000 --> 00:03:26,000

Can you tell me about what happened in your room?

70

00:03:26,000 --> 00:03:33,000

I saw like shadows and hearing my ear like somebody telling me to get out of my room.

71

00:03:33,000 --> 00:03:39,000

After that day, I saw like a shadow on the wall beside our laundry chute.

72

00:03:39,000 --> 00:03:43,000

And then I thought my eyes were pulling a trigger on me or something, but it wasn't.

73

00:03:43,000 --> 00:03:45,000

So are you scared?

74

00:03:45,000 --> 00:03:46,000

Mm-hmm.

75

00:03:48,000 --> 00:03:50,000

I'm worried about my son.

76

00:03:50,000 --> 00:03:55,000

We had to take him to the Children's Hospital because since we moved here, he said nothing but headaches.

77

00:03:55,000 --> 00:03:57,000

We spoke with a neurologist.

78

00:03:57,000 --> 00:03:59,000

They found no abnormalities.

79

00:03:59,000 --> 00:04:01,000

He never had problems with headaches like this.

80

00:04:01,000 --> 00:04:02,000

We moved here.

81

00:04:02,000 --> 00:04:05,000

Everybody's getting headaches. Everybody gets sick.

82

00:04:08,000 --> 00:04:11,000

Can you tell me about your first experience here?

83

00:04:11,000 --> 00:04:16,000

I was in the living room and I look up and there's a man standing over me.

84

00:04:16,000 --> 00:04:19,000

It was black and you can see it was like an outline of a man.

85

00:04:19,000 --> 00:04:22,000

And that's my very first experience in this house.

86

00:04:22,000 --> 00:04:25,000

My mom has really pushed me into getting rid of the house.

87

00:04:25,000 --> 00:04:30,000

She said it's unfair that I put the kids and I through this.

88

00:04:30,000 --> 00:04:33,000

Well, why not sell the house after all these experiences?

89

00:04:33,000 --> 00:04:38,000

If the team can't resolve this, then I'm out of here.

90

00:04:38,000 --> 00:04:41,000

I'm not going to subject my kids or myself to that. No way.

91

00:04:41,000 --> 00:04:43,000

I've dealt with this for three years.

92

00:04:43,000 --> 00:04:45,000

But I just can't. I don't want to live in it anymore.

93

00:04:45,000 --> 00:04:47,000

I don't want to live through it anymore.

94

00:04:54,000 --> 00:04:55,000

A little snow.

95

00:04:55,000 --> 00:04:56,000

Yeah?

96

00:04:56,000 --> 00:04:57,000

How are you?

97

00:04:57,000 --> 00:04:59,000

I'm all right.

98

00:05:00,000 --> 00:05:03,000

Wow, it hits me right away.

99

00:05:03,000 --> 00:05:04,000

What?

100

00:05:04,000 --> 00:05:08,000

I just got hit very strongly in the head and in the gut when I walked into this room.

101

00:05:11,000 --> 00:05:13,000

Something just set in my head, stay out.

102

00:05:16,000 --> 00:05:20,000

It really feels to me like this kid, he gets it from a gut perspective

103

00:05:20,000 --> 00:05:23,000

because he feels very much like he's got some sickness.

104

00:05:24,000 --> 00:05:29,000

Not so much down here.

105

00:05:29,000 --> 00:05:34,000

Although I get a little in the stomach.

106

00:05:41,000 --> 00:05:44,000

I've just got to tell you, I feel nauseous.

107

00:05:44,000 --> 00:05:46,000

A very sick, ill feeling.

108

00:05:46,000 --> 00:05:49,000

Are you picking up on a human or a spirit?

109

00:05:49,000 --> 00:05:51,000

I don't know yet.

110

00:05:51,000 --> 00:05:55,000

But I'm really nauseated.

111

00:05:57,000 --> 00:05:58,000

Director's log.

112

00:05:58,000 --> 00:06:02,000

Chip seems to have picked up on the physical phenomena the family has been experiencing.

113

00:06:02,000 --> 00:06:05,000

But so far, the rest of my team has been unaffected.

114

00:06:05,000 --> 00:06:10,000

I'm hoping tonight's dead time helps shed some light on what's really going on here.

115

00:06:16,000 --> 00:06:19,000

If there's a spiritual force in this house,

116

00:06:19,000 --> 00:06:22,000

I'd like for you to give us a sign of your presence.

117

00:06:22,000 --> 00:06:25,000

A knocking or banging sound.

118

00:06:25,000 --> 00:06:27,000

Very clear.

119

00:06:27,000 --> 00:06:32,000

I'm going to sit out in this room and see if I can feel anything.

120

00:06:32,000 --> 00:06:35,000

We're waiting here for you to do something.

121

00:06:35,000 --> 00:06:38,000

Can you do something to let us know that you're here?

122

00:06:38,000 --> 00:06:43,000

If you're going to make us believe that this house is active, we need to see some sign of that.

123

00:06:43,000 --> 00:06:47,000

Feeling a lot of pressure on my head right now.

124

00:06:47,000 --> 00:06:52,000

Something heavy is pushing on my head.

125

00:06:52,000 --> 00:06:56,000

I'll try sitting in this corner and see if anything changes.

126

00:07:00,000 --> 00:07:05,000

Do something not harmful to anybody in this house.

127

00:07:05,000 --> 00:07:08,000

Do something to show us that you're here.

128

00:07:12,000 --> 00:07:13,000

How are you feeling?

129

00:07:13,000 --> 00:07:15,000

I still feel it in my head.

130

00:07:15,000 --> 00:07:16,000

Really?

131

00:07:16,000 --> 00:07:19,000

I feel like something's pushing on my brain. It's weird.

132

00:07:19,000 --> 00:07:21,000

Well, are you okay?

133

00:07:21,000 --> 00:07:24,000

I'm just going to sit here. I'm not going to talk or anything.

134

00:07:26,000 --> 00:07:32,000

If there are any spirits in this place, make not just some light little bump,

135

00:07:32,000 --> 00:07:34,000

something very loud.

136

00:07:36,000 --> 00:07:37,000

Frustrating.

137

00:07:37,000 --> 00:07:41,000

From a psychic standpoint, I don't feel like there's anything in this house.

138

00:07:41,000 --> 00:07:42,000

I don't...

139

00:07:43,000 --> 00:07:44,000

Was that you?

140

00:07:44,000 --> 00:07:46,000

No, it wasn't.

141

00:07:46,000 --> 00:07:48,000

Okay.

142

00:07:48,000 --> 00:07:51,000

That was you. That was very good. We heard it.

143

00:07:51,000 --> 00:07:52,000

What else you got?

144

00:07:54,000 --> 00:07:56,000

Jeez, what was that?

145

00:07:56,000 --> 00:07:58,000

What was that?

146

00:08:10,000 --> 00:08:14,000

Now, during dead time, there were some loud banging sounds if you want to play that.

147

00:08:21,000 --> 00:08:25,000

Me, Sergio L.P. and Heather, we were standing right here and it sounded like there was a sound like that.

148

00:08:25,000 --> 00:08:28,000

Coming from the bathroom. We couldn't recreate it.

149

00:08:29,000 --> 00:08:34,000

So, one of the biggest reasons why we took this case is because of the sickness.

150

00:08:34,000 --> 00:08:38,000

Did anyone here feel anything unusual or odd?

151

00:08:38,000 --> 00:08:40,000

Raise your hand.

152

00:08:42,000 --> 00:08:44,000

Alright, let's go down the list.

153

00:08:44,000 --> 00:08:45,000

Josh.

154

00:08:45,000 --> 00:08:47,000

Fuzzy and confused.

155

00:08:47,000 --> 00:08:48,000

Katrina.

156

00:08:48,000 --> 00:08:50,000

I had a little bit of nausea.

157

00:08:50,000 --> 00:08:52,000

Alright, Heather.

158

00:08:52,000 --> 00:08:56,000

Yesterday, during dead time, I constantly felt I have your pressure on my head.

159

00:08:56,000 --> 00:08:59,000

And chest pains. I had those.

160

00:08:59,000 --> 00:09:04,000

So, the symptoms that Lisa and her family have experienced in this house,

161

00:09:04,000 --> 00:09:09,000

we collectively as PRS have experienced everything that they've experienced.

162

00:09:11,000 --> 00:09:13,000

Director's log.

163

00:09:13,000 --> 00:09:17,000

I'm becoming concerned that whatever's in this house is now putting my team at risk as well.

164

00:09:17,000 --> 00:09:23,000

But what we still don't know is whether the sickness is related to Lisa's other reported paranormal experiences.

165

00:09:23,000 --> 00:09:27,000

I'm sending my team into the neighborhood to try to find some answers.

166

00:09:29,000 --> 00:09:30,000

So, you live next door to Lisa.

167

00:09:30,000 --> 00:09:31,000

Yes.

168

00:09:31,000 --> 00:09:32,000

How long have you lived here?

169

00:09:32,000 --> 00:09:33,000

15 years.

170

00:09:33,000 --> 00:09:34,000

15 years, okay.

171

00:09:34,000 --> 00:09:38,000

I know Lisa had mentioned that a lot of people tend to feel ill in her home.

172

00:09:38,000 --> 00:09:39,000

Yes.

173

00:09:39,000 --> 00:09:40,000

Have you noticed that in your home?

174

00:09:40,000 --> 00:09:41,000

No.

175

00:09:41,000 --> 00:09:43,000

Did you get sick at Lisa's home?

176

00:09:43,000 --> 00:09:44,000

Yes.

177

00:09:44,000 --> 00:09:48,000

So, what do you think is there?

178

00:09:48,000 --> 00:09:52,000

I don't know what, but there's something.

179

00:09:52,000 --> 00:09:55,000

Have you ever heard of any tragedies that might have happened nearby?

180

00:09:55,000 --> 00:09:56,000

Yes.

181

00:09:56,000 --> 00:10:01,000

There were mines here at one time and there were two explosions in the 30s.

182

00:10:01,000 --> 00:10:04,000

I believe in the first one, there was 13 people killed.

183

00:10:04,000 --> 00:10:07,000

The second one, it was like 200 and some men killed.

184

00:10:07,000 --> 00:10:16,000

There was two really big explosions at Kenloch Mine that I know of for sure.

185

00:10:16,000 --> 00:10:19,000

One in 28 and one in 29.

186

00:10:19,000 --> 00:10:21,000

And where did the explosion take place?

187

00:10:21,000 --> 00:10:24,000

The explosion took place right in here.

188

00:10:24,000 --> 00:10:26,000

That's where the house is.

189

00:10:26,000 --> 00:10:29,000

Do you know if people were trapped or?

190

00:10:29,000 --> 00:10:31,000

There were some trapped.

191

00:10:31,000 --> 00:10:33,000

Some of them just couldn't get out.

192

00:10:33,000 --> 00:10:36,000

I don't think they ever did get them out.

193

00:10:36,000 --> 00:10:42,000

Is there a piece of mineshaft still underneath this house?

194

00:10:42,000 --> 00:10:45,000

The mine would be about 200 feet below us.

195

00:10:45,000 --> 00:10:48,000

Let me ask you this, then. How did these people die?

196

00:10:48,000 --> 00:10:52,000

Most likely they either died from the initial explosion.

197

00:10:52,000 --> 00:10:56,000

They possibly died from suffocation from the intense heat of the explosion.

198

00:10:56,000 --> 00:10:58,000

From suffocation.

199

00:10:58,000 --> 00:10:59,000

Wow.

200

00:10:59,000 --> 00:11:01,000

And were these bodies ever recovered?

201

00:11:01,000 --> 00:11:05,000

Some were lots weren't.

202

00:11:05,000 --> 00:11:08,000

We were talking about symptoms of the miners suffered.

203

00:11:08,000 --> 00:11:11,000

It was black lung, not being able to breathe.

204

00:11:11,000 --> 00:11:13,000

Suffocation or suffocation.

205

00:11:13,000 --> 00:11:17,000

It seems to me that at least it's experiencing the same things.

206

00:11:17,000 --> 00:11:21,000

Wow.

207

00:11:21,000 --> 00:11:25,000

The historical research regarding trapped miners presents an intriguing theory

208

00:11:25,000 --> 00:11:27,000

that could explain the activity.

209

00:11:27,000 --> 00:11:30,000

But it's important that we also consider natural explanations.

210

00:11:30,000 --> 00:11:35,000

So I'm asking Sergey and Josh to test the house for one possible environmental factor,

211

00:11:35,000 --> 00:11:38,000

EMF.

212

00:11:38,000 --> 00:11:41,000

It's twitching.

213

00:11:41,000 --> 00:11:45,000

Dude, it's pulsing. I've never seen that before.

214

00:11:45,000 --> 00:11:47,000

That kind of looks like a discharge.

215

00:11:47,000 --> 00:11:48,000

Yeah.

216

00:11:48,000 --> 00:11:50,000

I'll have to basically put a ground outside.

217

00:11:50,000 --> 00:11:51,000

Okay.

218

00:11:51,000 --> 00:11:54,000

And see if it goes away.

219

00:11:54,000 --> 00:11:58,000

There's something called EMF, or electromagnetic fields.

220

00:11:58,000 --> 00:12:03,000

It's been known to manifest whatever spirit is present,

221

00:12:03,000 --> 00:12:06,000

but it's also been known to occur naturally.

222

00:12:06,000 --> 00:12:12,000

The high amounts of EMF can cause nausea, dizziness, panic attacks.

223

00:12:12,000 --> 00:12:20,000

You guys have a very large amount of EMF surging in your house.

224

00:12:20,000 --> 00:12:24,000

My team's working on the problem right now.

225

00:12:24,000 --> 00:12:27,000

Let's try to get this knocked out quick.

226

00:12:27,000 --> 00:12:32,000

How deep do you have to go?

227

00:12:32,000 --> 00:12:34,000

At a foot, at least.

228

00:12:34,000 --> 00:12:36,000

Noticing anything?

229

00:12:36,000 --> 00:12:37,000

Mm-hmm.

230

00:12:37,000 --> 00:12:39,000

Should I go inside?

231

00:12:39,000 --> 00:12:42,000

No. Nothing.

232

00:12:42,000 --> 00:12:44,000

Negative in the living room.

233

00:12:44,000 --> 00:12:45,000

It's gone, Josh.

234

00:12:45,000 --> 00:12:46,000

It's gone?

235

00:12:46,000 --> 00:12:47,000

Yeah.

236

00:12:47,000 --> 00:12:49,000

Okay.

237

00:12:49,000 --> 00:12:51,000

Director's log.

238

00:12:51,000 --> 00:12:54,000

If high EMF was truly the cause of the sickness,

239

00:12:54,000 --> 00:12:58,000

by eliminating the EMF, the phenomena should subside.

240

00:12:58,000 --> 00:13:02,000

So we're now going to attempt communication with the souls of the miners,

241

00:13:02,000 --> 00:13:08,000

or whatever other spiritual force may be present.

242

00:13:08,000 --> 00:13:10,000

Chip and I will start in the living room.

243

00:13:10,000 --> 00:13:16,000

Heather will be in the basement, and Sergey and Josh will monitor tech.

244

00:13:16,000 --> 00:13:22,000

I'm just going to kind of walk around and ask it to come in.

245

00:13:22,000 --> 00:13:25,000

Are you attached to this house for some reason?

246

00:13:25,000 --> 00:13:28,000

Did you die under this house?

247

00:13:28,000 --> 00:13:31,000

We'd like to hear anything you have to tell us,

248

00:13:31,000 --> 00:13:37,000

or if you can show yourself or make a noise like a knock.

249

00:13:37,000 --> 00:13:39,000

Can you stop?

250

00:13:39,000 --> 00:13:45,000

Can you just stop on the ground and run across in the living room?

251

00:13:45,000 --> 00:13:48,000

Can you make the noise that you made before?

252

00:13:48,000 --> 00:13:52,000

Do something to let us know that you're here.

253

00:13:52,000 --> 00:13:59,000

Are there trapped miners under this house?

254

00:13:59,000 --> 00:14:07,000

This is a great opportunity for you to let us know that you are in this house with us.

255

00:14:07,000 --> 00:14:11,000

Okay, I'm getting really hit a lot in the gut.

256

00:14:11,000 --> 00:14:13,000

Do you think something's here right now?

257

00:14:13,000 --> 00:14:16,000

You all right?

258

00:14:16,000 --> 00:14:18,000

What's hitting you in the gut?

259

00:14:18,000 --> 00:14:20,000

I don't know.

260

00:14:20,000 --> 00:14:24,000

I'm feeling some minor chest problems.

261

00:14:24,000 --> 00:14:27,000

What you thought? You want to try another room?

262

00:14:27,000 --> 00:14:29,000

Yeah.

263

00:14:29,000 --> 00:14:32,000

Has there been any great reported activity back here?

264

00:14:32,000 --> 00:14:35,000

Yeah, at least it won't stay in here.

265

00:14:35,000 --> 00:14:38,000

You feeling anything in this room?

266

00:14:38,000 --> 00:14:41,000

Nausea again.

267

00:14:41,000 --> 00:14:45,000

Okay, if you're here with us, enough of the crap.

268

00:14:45,000 --> 00:14:48,000

You know, we're here for a reason.

269

00:14:48,000 --> 00:14:52,000

So give us something that we can really experience.

270

00:14:52,000 --> 00:14:56,000

Show us that you're here.

271

00:14:56,000 --> 00:14:59,000

Anyone in this room with us?

272

00:14:59,000 --> 00:15:06,000

Anyone in this house with us?

273

00:15:06,000 --> 00:15:10,000

Honestly, from a psychic perspective, I don't feel anything.

274

00:15:10,000 --> 00:15:20,000

I'm not sure that they're not misinterpreting what's in this house.

275

00:15:20,000 --> 00:15:23,000

This house, I'm confused. I don't know what to make of it.

276

00:15:23,000 --> 00:15:26,000

I don't know, Ryan. I want it gone. It's really tough.

277

00:15:26,000 --> 00:15:28,000

It's like I'm being tested. I'm tired.

278

00:15:28,000 --> 00:15:32,000

Three years of this, I'm tired, Ryan. I want it to stop.

279

00:15:32,000 --> 00:15:34,000

Look, I'm also trying to find answers.

280

00:15:34,000 --> 00:15:37,000

What if there are natural explanations to this?

281

00:15:37,000 --> 00:15:39,000

Natural. No, I couldn't accept that.

282

00:15:39,000 --> 00:15:44,000

I thought you would be able to come in here, determine what these are, who they are.

283

00:15:44,000 --> 00:15:50,000

Ryan, I'll be honest with you. If I go off any other path, I'm not going to make it.

284

00:16:04,000 --> 00:16:06,000

Lisa, this is Ryan.

285

00:16:06,000 --> 00:16:11,000

I'm sure that you're calling the paramedics. We're on our way.

286

00:16:11,000 --> 00:16:22,000

Elphie, we just got a call from Lisa. She was in the house and she felt attacked by something.

287

00:16:22,000 --> 00:16:27,000

I'm trying to get there right now. I tried calling her back and she wasn't picking up.

288

00:16:27,000 --> 00:16:30,000

There's the paramedics.

289

00:16:36,000 --> 00:16:48,000

Hey, Katrina. How is Lisa?

290

00:16:48,000 --> 00:16:51,000

Once we got away from the house, she was fine.

291

00:16:51,000 --> 00:16:52,000

Oh, really?

292

00:16:52,000 --> 00:16:57,000

She was sleeping in the living room. She felt a sharp pain in her chest.

293

00:16:57,000 --> 00:17:00,000

At that point, she said, what really scared her was that suddenly she...

294

00:17:00,000 --> 00:17:03,000

Her hands were numb. This was after she started to hyperventilate.

295

00:17:03,000 --> 00:17:07,000

The ambulance came. They tested her out. They decided to treat her.

296

00:17:07,000 --> 00:17:11,000

So I hopped in the ambulance with her and went to the ER.

297

00:17:11,000 --> 00:17:15,000

Last I saw, she was trying to actually leave the hospital.

298

00:17:19,000 --> 00:17:23,000

The doctor found high amounts of carbon monoxide in her lungs.

299

00:17:23,000 --> 00:17:25,000

Look at the hell out. Are you serious?

300

00:17:25,000 --> 00:17:30,000

She drives the car a lot. There's a gas leak in the car. She could be affected from the car.

301

00:17:30,000 --> 00:17:33,000

This is happening to people who've never been in her car.

302

00:17:33,000 --> 00:17:36,000

The bottom line is that something has to be happening here.

303

00:17:43,000 --> 00:17:48,000

See, the flu runs right through here and into the chimney.

304

00:17:48,000 --> 00:17:56,000

And there's a good possibility that we're getting a leak of flue gas in our carbon monoxide detector.

305

00:17:56,000 --> 00:18:00,000

This thing is rising. And the furnace is running right now.

306

00:18:01,000 --> 00:18:06,000

The director's log. The presence of carbon monoxide in Lisa's home was a great concern.

307

00:18:06,000 --> 00:18:09,000

It may have caused the sickness we're all experiencing here.

308

00:18:09,000 --> 00:18:14,000

But it doesn't explain the cold spots, noises, or even the voices the clients have experienced.

309

00:18:14,000 --> 00:18:20,000

Fortunately, my investigators have informed me about a new study from environmental engineer Albert Donaig

310

00:18:20,000 --> 00:18:22,000

that may provide the missing link.

311

00:18:23,000 --> 00:18:28,000

We're doing a case here in western Pennsylvania. They get sick.

312

00:18:28,000 --> 00:18:30,000

Nauseated, headaches, dizziness.

313

00:18:30,000 --> 00:18:35,000

You've just lifted the three most common symptoms of carbon monoxide poisoning.

314

00:18:37,000 --> 00:18:40,000

She's also having strong paranormal experiences.

315

00:18:40,000 --> 00:18:46,000

She feels as if there's something evil here. They can see apparitions. They hear voices say, get out.

316

00:18:46,000 --> 00:18:51,000

And I know that carbon monoxide poisoning may cause paranormal experiences,

317

00:18:51,000 --> 00:18:56,000

making people go so far as to sense things that are not actually there.

318

00:18:58,000 --> 00:19:05,000

I was led to the medical journal from 1921, where a famous eye doctor named Wilmer

319

00:19:05,000 --> 00:19:10,000

wrote of a case where all the members of their family and their servants

320

00:19:10,000 --> 00:19:15,000

felt that they were seeing, hearing, and feeling ghosts in their house.

321

00:19:15,000 --> 00:19:19,000

And it turned out to be due to carbon monoxide poisoning.

322

00:19:19,000 --> 00:19:21,000

It was a leaky furnace.

323

00:19:23,000 --> 00:19:29,000

Once they left the premise that had the carbon monoxide buildup or the poisoning, the phenomena stopped.

324

00:19:29,000 --> 00:19:33,000

That's the case in Dr. Wilmer's report.

325

00:19:41,000 --> 00:19:44,000

Here's what I think is going on.

326

00:19:44,000 --> 00:19:50,000

Now, there are certain things that can happen in a home that can cause paranormal experiences.

327

00:19:50,000 --> 00:19:55,000

It could also be hazardous to your health. So we started testing for carbon monoxide.

328

00:19:55,000 --> 00:19:59,000

We got about a 10 parts per million.

329

00:19:59,000 --> 00:20:06,000

In a residence, you shouldn't have any. And I think that your flu is leaking for the furnace.

330

00:20:07,000 --> 00:20:11,000

We postulated that it might be seeping up from the mines, too.

331

00:20:11,000 --> 00:20:16,000

That's another possibility. It could be finding its way up somehow.

332

00:20:16,000 --> 00:20:22,000

It's also cumulative. So the longer you're here, the more it's building up in your system.

333

00:20:22,000 --> 00:20:25,000

That's why I'm probably most affected.

334

00:20:25,000 --> 00:20:28,000

This, I think, is causing the sickness.

335

00:20:30,000 --> 00:20:35,000

Final Director's Log. Anytime we're called into a home, our goals are always the same.

336

00:20:35,000 --> 00:20:39,000

To uncover the truth and to help the family.

337

00:20:39,000 --> 00:20:42,000

How are you feeling right now about all of this?

338

00:20:42,000 --> 00:20:48,000

I have answers. I'm happy. I'm just ecstatic. We have answers. I mean, we got answers.

339

00:20:48,000 --> 00:20:54,000

In this case, it appears that Lisa's perceived experiences were not caused by ghost spirits,

340

00:20:54,000 --> 00:20:58,000

but were instead the byproduct of carbon monoxide poisoning.

341

00:20:58,000 --> 00:21:01,000

But diagnosing the cause is just the first step.

342

00:21:01,000 --> 00:21:05,000

Lisa and her family urgently need to take care of the problems in her home.

343

00:21:05,000 --> 00:21:09,000

I only hope they take the appropriate action before it's too late.
