

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:18,240 --> 00:00:22,960

Could see it lurking watching me I can't breathe

3

00:00:24,760 --> 00:00:26,760

She's on a breaking point

4

00:00:27,300 --> 00:00:29,300

But the ground

5

00:00:29,600 --> 00:00:32,060

That's not supposed to happen

6

00:00:33,860 --> 00:00:36,340

He's been around her for a very long time

7

00:00:37,140 --> 00:00:40,100

The name Jesus Christ right Scott get out

8

00:00:40,780 --> 00:00:45,740

Go to hell. See the one. Yes. You stick son of a bitch

9

00:00:49,340 --> 00:00:52,260

My name is Ryan and I'm a paranormal investigator

10

00:00:53,460 --> 00:00:59,180

When I was a kid my experiences with the supernatural terrified me I've been searching for answers ever since

11

00:00:59,700 --> 00:01:03,380

So when I got to Penn State, I realized I wasn't alone in my quest

12

00:01:03,620 --> 00:01:08,580

So I founded the paranormal research society dedicated to helping those who were haunted like I was

13

00:01:09,340 --> 00:01:11,340

We are students

14

00:01:11,340 --> 00:01:13,340

We are seekers

15

00:01:13,980 --> 00:01:15,980

Sometimes we're warriors

16

00:01:15,980 --> 00:01:22,420

Anytime we help someone I feel like I'm one step closer to finding the truth. This is paranormal state

17

00:01:22,660 --> 00:01:24,660

I

18

00:01:26,540 --> 00:01:28,540

Guys we are in Alabama

19

00:01:28,940 --> 00:01:36,300

For an interesting case now we were actually contacted by the Alabama paranormal society

20

00:01:36,420 --> 00:01:42,740

They have documented evidence of something unexplained happening in this house where a woman named Vicki is

21

00:01:43,540 --> 00:01:46,620

Living and something is harassing her

22

00:01:47,580 --> 00:01:52,860

There's growling sounds in the attic and some sort of shadow man

23

00:01:53,940 --> 00:01:58,340

She's been hit across the face. She's been punched in the back

24

00:01:59,220 --> 00:02:01,460

What's harassing her? Let's find that out

25

00:02:02,260 --> 00:02:04,500

Document it if we can but also help get rid of it

26

00:02:17,620 --> 00:02:19,620

Hello, come in come in

27

00:02:22,620 --> 00:02:25,100

I had an experience that before yesterday I

28

00:02:26,380 --> 00:02:33,740

Was sitting here just casually talking and in the middle of a sentence me just poked me right there and

29

00:02:35,260 --> 00:02:39,780

Some people that were here raised my shirt and there was a red spot and they took a picture of it

30

00:02:39,980 --> 00:02:48,300

What about this shadow I was sitting in my chair over there and as I was looking I could see it

31

00:02:48,740 --> 00:02:54,140

It was like this it just kept standing there for a while lurking watching me

32

00:02:56,900 --> 00:02:58,900

This is my bedroom I

33

00:02:58,900 --> 00:03:03,380

Don't come in here a lot by myself. I haven't slept in here in three and a half to four weeks

34

00:03:03,620 --> 00:03:09,700

Some nights I'd be laying there and the sounds that I hear it's like listen to me. Tell me how loud it gets

35

00:03:12,620 --> 00:03:19,820

My daughter had contacted Alabama and they were asking you know, why are you bothering the lady and it just like this

36

00:03:20,780 --> 00:03:23,860

Just as hard as it could like real hard like how dare you

37

00:03:25,580 --> 00:03:31,820

This is my kitchen I don't hardly come in here. I was standing here washing dishes and I got punch

38

00:03:32,780 --> 00:03:35,740

Now that I was you know trying to get my breath again

39

00:03:37,780 --> 00:03:43,780

So you don't go into your master bedroom no you don't go into the bathroom and

40

00:03:44,420 --> 00:03:48,740

You don't go into the kitchen not much. You're like a prisoner in your own home

41

00:03:53,340 --> 00:03:56,780

When did you move into this house about nine or ten months ago

42

00:03:57,060 --> 00:04:02,540

You didn't really experience anything until you opened up the attic right I needed to store some stuff

43

00:04:03,140 --> 00:04:08,020

So I climb up there and when I turn around the presence was just in the corner

44

00:04:08,420 --> 00:04:12,340

At that point I thought there's trouble. You know, I have a problem here

45

00:04:12,780 --> 00:04:16,540

It's been about seven eight weeks when I started getting a little scared

46

00:04:17,300 --> 00:04:20,940

Noises that would terrify me. I mean like a mirror would fall off the wall

47

00:04:21,460 --> 00:04:24,300

Sometimes they would be so loud you would think a dresser fell over

48

00:04:24,340 --> 00:04:29,660

I got over the flashlight, but there was nothing there and that pretty much caused me to stop sleeping

49

00:04:30,780 --> 00:04:32,780

Have you ever had any?

50

00:04:33,620 --> 00:04:39,260

Severe trauma to yourself. Yes, what happened? I had two brain aneurysms in 1999

51

00:04:40,060 --> 00:04:44,220

It just came over me. I got real dizzy and I blacked out

52

00:04:44,620 --> 00:04:49,700

When I came to one of the teams told me that I hadn't passed for a little while. You died. Yes

53

00:04:50,300 --> 00:04:54,740

Yeah, so see if I could handle this Ryan, I would

54

00:04:55,780 --> 00:04:58,660

But the growling that's what really scares me

55

00:04:59,980 --> 00:05:06,140

Because it's so frequent. It's just flooding me. Mm-hmm. I got you

56

00:05:06,140 --> 00:05:08,140

I

57

00:05:12,300 --> 00:05:14,780

Becky yeah, I'm sorry

58

00:05:15,780 --> 00:05:17,380

It's just

59

00:05:17,380 --> 00:05:22,700

Ryan when I see it, I can't breathe. All I want to do is run through the wall. I

60

00:05:23,380 --> 00:05:25,380

Don't want anybody to feel it

61

00:05:25,780 --> 00:05:29,460

But I do wish you could feel it to understand how terrifying it is

62

00:05:30,260 --> 00:05:34,060

Do you think this thing is going to hurt you or it has hurt me Ryan?

63

00:05:34,300 --> 00:05:39,980

Something worse. Yeah, if it can punch me and poke me then it could

64

00:05:50,980 --> 00:05:54,220

So y'all investigated Vicki's home a couple times

65

00:05:55,100 --> 00:06:00,820

So you believe Vicki's house is haunted the claims that she gave me we definitely experienced everything one of them

66

00:06:00,820 --> 00:06:05,540

We were able to catch them on the EVP's one which definitely piqued her interest was a growling noise

67

00:06:05,660 --> 00:06:08,180

This is one that actually hit real hard with the homeowner

68

00:06:08,180 --> 00:06:11,220

We actually played this one for her and it brought tears to her eyes

69

00:06:19,660 --> 00:06:22,060

Yeah, we'll keep that again. Yeah, it was big

70

00:06:22,260 --> 00:06:24,260

I

71

00:06:28,340 --> 00:06:34,060

Wasn't windy that night and was coming from right in front of me so in the room it was coming from in the room

72

00:06:43,580 --> 00:06:50,620

Did you ever notice anything at her previous house the pushing the brushing her screaming get off me get away from me

73

00:06:50,780 --> 00:06:52,780

It started then

74

00:06:53,060 --> 00:06:55,500

With mom's mind she don't remember that stuff

75

00:06:55,500 --> 00:07:00,620

She's trying to focus on here now because what's getting so bad, but I've been trying to tell her mom it started over there

76

00:07:00,620 --> 00:07:04,220

I would love to say she wasn't it because the aneurysm

77

00:07:04,860 --> 00:07:10,300

But it ain't like that. Do you think maybe it's targeting your mom because he knows that she's fragile? Uh-huh

78

00:07:10,940 --> 00:07:17,700

It's breaking her down. It's taking everything away. It's secluded her from everybody. She's my mom and I'm trying to love her

79

00:07:17,700 --> 00:07:19,700

But hugging her is like a stranger

80

00:07:20,980 --> 00:07:22,980

She can't handle it

81

00:07:23,220 --> 00:07:25,220

She's at a breaking point

82

00:07:26,820 --> 00:07:31,260

What do you she's losing weight she's not eating she's not sleeping

83

00:07:32,020 --> 00:07:40,780

She had double aneurysm dr. Sibling leak it's over she gets it in the head. It's over. What am I gonna do if something locks her down or something?

84

00:07:41,620 --> 00:07:43,620

I

85

00:07:43,940 --> 00:07:47,340

Directors log after conducting research on Vicki's home

86

00:07:47,340 --> 00:07:51,540

We couldn't find any unusual history that suggests that it's attached to the property

87

00:07:51,860 --> 00:07:57,100

This means it's likely attached to Vicki herself, but due to her fragile medical condition

88

00:07:57,100 --> 00:07:59,860

We don't feel it's safe for her to take part in tonight's dead time

89

00:08:00,780 --> 00:08:03,660

We believe strongly that the spirit is

90

00:08:04,700 --> 00:08:06,940

abusive I want to start off

91

00:08:07,620 --> 00:08:13,060

By giving it every opportunity to try to be the bully before we start being the bullies back

92

00:08:13,460 --> 00:08:17,820

So the girls will go out first. We'll stay in tech and we'll go from there. Okay?

93

00:08:27,220 --> 00:08:29,220

All right, good luck girls

94

00:08:30,660 --> 00:08:33,660

Could you breathe on us or touch us like you do to Vicki?

95

00:08:34,020 --> 00:08:36,020

I

96

00:08:36,340 --> 00:08:40,740

Want you to come forward and give us a definitive sign that you are here

97

00:08:44,860 --> 00:08:51,060

Did you hear that I heard that too this is like a droning sound yeah very high pitch

98

00:08:54,540 --> 00:08:57,420

Are y'all hearing like a vibrating sound yeah, yes

99

00:08:58,140 --> 00:09:01,380

Okay, guys, we're gonna try to go out there and see what we can do

100

00:09:02,380 --> 00:09:10,020

To whatever force is in this house. We want you to come forward now and talk to us

101

00:09:16,020 --> 00:09:18,020

You're just doomed

102

00:09:18,620 --> 00:09:20,340

Yeah

103

00:09:20,340 --> 00:09:22,340

It's possible sucking up energy

104

00:09:25,260 --> 00:09:28,980

That was you who did in the light do the same thing and bring it back up

105

00:09:29,980 --> 00:09:31,980

Where are you hiding

106

00:09:33,260 --> 00:09:36,660

Why are you hiding? Who's that you hear that? I

107

00:09:38,180 --> 00:09:40,940

Heard some over here. Yeah me too. Yeah

108

00:09:43,540 --> 00:09:47,700

Is that it's coming from the attic yeah

109

00:09:49,180 --> 00:09:51,180

Yeah, we go look good

110

00:09:55,740 --> 00:09:57,740

Whoa, okay

111

00:09:59,100 --> 00:10:01,100

Huh

112

00:10:01,340 --> 00:10:03,340

There I go

113

00:10:03,340 --> 00:10:05,340

Be careful

114

00:10:06,820 --> 00:10:12,980

You just stay here forever you're afraid to go to hell I don't feel right

115

00:10:15,220 --> 00:10:21,420

Whoever's up here we will find you I feel really really to see right now

116

00:10:24,380 --> 00:10:27,140

Well, what's that you're there I just heard that too

117

00:10:29,860 --> 00:10:33,640

Guys guys there's something moving up here

118

00:10:44,460 --> 00:10:48,280

Guys guys there's something moving up here

119

00:10:51,660 --> 00:10:54,540

Feedback no that's coming from up here

120

00:10:59,620 --> 00:11:01,620

Oh

121

00:11:01,980 --> 00:11:08,740

What is that I think I know what it is Ryan what on top of the roof there's kind of like a vent that spins

122

00:11:11,100 --> 00:11:14,700

What's crazy man we should have been here in this shit all night long

123

00:11:15,060 --> 00:11:19,380

The only thing stopping it is that this thin little board here. You know what I mean? Yeah

124

00:11:19,380 --> 00:11:21,380

I

125

00:11:28,060 --> 00:11:32,060

Don't know if everyone's seen this but while we were here Vicky has been attacked

126

00:11:33,620 --> 00:11:38,580

What did she say happened she was on the phone talking to someone and we'd have her

127

00:11:39,540 --> 00:11:41,540

reactions, that's your balance

128

00:11:41,700 --> 00:11:43,700

I

129

00:11:46,500 --> 00:11:51,900

Wow man, what was she talking about when this happened she was talking about her father

130

00:11:53,060 --> 00:11:56,420

Was she aware there were cameras set up in the kitchen? No

131

00:12:03,180 --> 00:12:10,760

So tell me about your dad when did he die it's been about 15 years now from a gunshot yeah from a gunshot

132

00:12:11,980 --> 00:12:13,980

he was cleaning a gun and

133

00:12:14,740 --> 00:12:19,700

The gun went off he had blowed out that big in his back loaded all over my mother

134

00:12:21,780 --> 00:12:23,980

So do you have a good relationship?

135

00:12:24,860 --> 00:12:27,540

He's not a real nice person. That's all I'm gonna say

136

00:12:28,540 --> 00:12:31,360

Out of respect. I won't say bad things

137

00:12:32,180 --> 00:12:34,180

But it was hard

138

00:12:35,180 --> 00:12:37,180

Your grandfather was a bad man

139

00:12:38,060 --> 00:12:43,860

How so abusive? I mean to the point of kicking my grandmother down a flight upstairs. It was one of those

140

00:12:45,100 --> 00:12:48,900

He was great out in the community. He was buried in full uniform. He was the fire chief

141

00:12:49,260 --> 00:12:54,380

He'd come home and he'd go to drink and he was an alcoholic robot. He got a drink in and it was on

142

00:12:55,620 --> 00:12:58,540

When he died I was in my bed crying

143

00:12:59,580 --> 00:13:03,380

He walked through the door and looked at me and said quit crying

144

00:13:04,180 --> 00:13:09,500

Run downstairs like a bad-ass mom. I seen granddaddy last night and my grandmother dropped a coffee cup

145

00:13:10,780 --> 00:13:12,220

He's there

146

00:13:12,220 --> 00:13:15,700

But don't tell her that why my mom don't want to think it's him

147

00:13:17,300 --> 00:13:21,900

Directors log our research confirms that Vicki's father died of gunshot wounds

148

00:13:22,140 --> 00:13:28,140

Although it's unclear whether it was an accident or a suicide. Yeah, it's weird because this one says suicide

149

00:13:28,900 --> 00:13:33,620

And this one it said go buy a gunshot wound death is still under investigation

150

00:13:34,780 --> 00:13:38,860

Regardless victims and sudden and violent deaths have been known to stick around

151

00:13:39,380 --> 00:13:46,740

So I've called in psychic and medium ship coffee who's been told nothing about the case and has been blindfolded to test his abilities

152

00:13:47,340 --> 00:13:51,500

So chip is that you Ryan? That's to me. I'll be your guide

153

00:13:53,620 --> 00:13:59,020

What chips doing his walkthrough I thought it might be beneficial for you to be hearing what he's saying

154

00:14:01,380 --> 00:14:03,380

Whoa so

155

00:14:04,180 --> 00:14:12,380

I'm overwhelmed with anger. I feel like I want to yell out loud like really angry raised voice

156

00:14:14,860 --> 00:14:16,860

Mail

157

00:14:17,260 --> 00:14:19,260

And why is this man here?

158

00:14:20,140 --> 00:14:26,900

It's a feeling of ownership almost it's a feeling of having a grip on someone and a

159

00:14:27,540 --> 00:14:29,540

Level of refusal to let it go

160

00:14:29,540 --> 00:14:34,380

Then a lot of really sad

161

00:14:35,580 --> 00:14:42,940

Emotions that follow is there a woman who lives in this house who has shoulder length or longer brown hair?

162

00:14:43,700 --> 00:14:48,460

There's the sadness. What's the tie with the people who live here in something to do with?

163

00:14:49,380 --> 00:14:51,380

man in uniform

164

00:14:54,980 --> 00:14:56,980

You guys didn't know

165

00:14:57,860 --> 00:15:00,780

Sorry that tell me the truth. We swear

166

00:15:03,540 --> 00:15:08,180

He smells of booze he's an alcoholic yes

167

00:15:10,300 --> 00:15:12,380

What's the last thing he remembers when he was alive?

168

00:15:15,380 --> 00:15:17,380

Taking my last breath

169

00:15:18,940 --> 00:15:23,620

Here you may have like an entrance way of like a portal

170

00:15:24,340 --> 00:15:27,060

He's been around her for a very long time

171

00:15:27,900 --> 00:15:33,300

This is not new she hasn't really experienced anything paranormal until she

172

00:15:34,380 --> 00:15:36,380

Came here about she has

173

00:15:37,540 --> 00:15:39,540

Yes, she has

174

00:15:40,220 --> 00:15:42,220

Just talk myself out of it

175

00:15:43,780 --> 00:15:45,780

Is he sorry for what he did

176

00:15:46,660 --> 00:15:48,660

Yeah

177

00:15:49,020 --> 00:15:53,660

This side of my face is really hurting like he punched you mm-hmm

178

00:16:00,820 --> 00:16:04,020

So what's the attachment here? Why is he here then it's her?

179

00:16:06,140 --> 00:16:09,260

Touching I'm worried that

180

00:16:09,260 --> 00:16:11,260

At

181

00:16:11,260 --> 00:16:13,260

Ryan yeah

182

00:16:19,660 --> 00:16:25,500

This man is unconscionable is he the one responsible for what's going on here? Yes

183

00:16:32,820 --> 00:16:36,100

Is he the one responsible for what's going on here? Yes

184

00:16:39,860 --> 00:16:45,020

I used to beg mother to kill him and I would say I did it because I was a kid she would do it

185

00:16:48,140 --> 00:16:50,140

Hey, big he chipped coffee

186

00:16:52,140 --> 00:16:54,140

Do you think you know who this is I?

187

00:16:54,500 --> 00:16:57,500

Hope that didn't but yeah, I do who do you think it is?

188

00:17:00,340 --> 00:17:04,620

I just couldn't accept it. It's just kind of repressed here. Yeah

189

00:17:09,420 --> 00:17:16,340

Director's log if the bullying spirit is that of Vicki's father then we're left to speculate not only why he came back

190

00:17:16,580 --> 00:17:18,580

But how?

191

00:17:19,980 --> 00:17:26,620

Something triggered that allowed him to manifest one theory we were playing around with is whether or not

192

00:17:27,500 --> 00:17:29,220

her dying

193

00:17:29,220 --> 00:17:34,020

Maybe opened her up a bit more or maybe she brought something back

194

00:17:34,180 --> 00:17:36,380

Do you know if that sounds like it's possible?

195

00:17:36,380 --> 00:17:38,380

Oh, absolutely

196

00:17:38,700 --> 00:17:41,900

What happens is that you cross over and you open a door?

197

00:17:42,780 --> 00:17:48,460

Coming back could have caused the sort of a membrane where it didn't close completely almost like a curtain

198

00:17:48,460 --> 00:17:49,960

you know and

199

00:17:49,960 --> 00:17:55,420

Something put a care hole into that little psychic membrane that protects one side from the other side

200

00:18:01,260 --> 00:18:03,260

Now Vicki the

201

00:18:04,260 --> 00:18:06,760

Experiences you've been having it's possible

202

00:18:07,260 --> 00:18:12,600

That some of it might be due to the aneurysm you had and that might have opened up a doorway

203

00:18:13,580 --> 00:18:18,420

You might now just every once in a while suddenly see more spurts of paranormal activity

204

00:18:18,820 --> 00:18:24,580

If this is your father haunting this place if we look at his life and how he died

205

00:18:25,260 --> 00:18:32,780

Suddenly tragically he didn't resolve some issues and he's still here and maybe he's clinging to some fear of being judged

206

00:18:33,260 --> 00:18:36,700

I think you said this the best behind every bully

207

00:18:37,700 --> 00:18:39,700

Is a coward is a coward?

208

00:18:40,260 --> 00:18:43,020

He's gonna bully you until you start to fight back

209

00:18:44,660 --> 00:18:48,980

Our suggestion is that we go around you tell to back off and to leave

210

00:18:50,100 --> 00:18:52,100

And say it with conviction

211

00:18:52,700 --> 00:18:54,700

You all ready? Yeah, absolutely

212

00:18:54,820 --> 00:18:59,720

Why don't you start by inviting your father to come into this room because you want to tell him something?

213

00:19:00,240 --> 00:19:03,920

Daddy if you're around here, I want you to come in here if you're in this room

214

00:19:03,920 --> 00:19:09,480

I want you to come out so I can talk to you. You're not gonna sneak around anymore like a dark shadow

215

00:19:10,280 --> 00:19:13,960

I've had enough of that and I hope that you can go to heaven

216

00:19:13,960 --> 00:19:19,160

I hope that you can't but if you can't you can't stay here period leave this house

217

00:19:19,160 --> 00:19:22,200

You have no other choice we cast you out

218

00:19:22,760 --> 00:19:28,580

In the name of Jesus Christ, we cast you out praise God. Oh, he's reacting

219

00:19:29,760 --> 00:19:33,520

Can't sneak around anymore. Can you I'm not by myself anymore?

220

00:19:34,160 --> 00:19:39,880

I'm no longer afraid of you. I'm at a point now daddy that I'm mad. I'm him yell at me

221

00:19:40,000 --> 00:19:47,440

Leave me alone. You have to leave now go now. Good. You know more dark shadows. That's it

222

00:19:47,600 --> 00:19:54,280

You should be ashamed. I am your daughter. I am your daughter you sick son of a bitch

223

00:19:55,080 --> 00:19:57,520

That's not supposed to happen

224

00:19:58,120 --> 00:20:01,780

In the name of Jesus Christ, you must leave this place

225

00:20:01,780 --> 00:20:06,720

I want you to pass over but if you go to hell go to hell

226

00:20:07,080 --> 00:20:09,600

Don't you ever come in this room again?

227

00:20:09,600 --> 00:20:11,600

You hear me

228

00:20:24,160 --> 00:20:28,480

Thank you Jesus praise you father. Thank you father

229

00:20:28,480 --> 00:20:39,840

I wouldn't fool with you. I wouldn't fool with you

230

00:20:41,560 --> 00:20:43,560

Final directors log

231

00:20:43,640 --> 00:20:48,360

It's possible that Vicki's aneurysm open the door for encounters with her dad's spirit

232

00:20:48,760 --> 00:20:55,280

But standing up to it once and for all may help shut that door. I'm done with you daddy. That's it no more

233

00:20:56,280 --> 00:21:00,640

He can't affect you anymore. No, okay. I can't lady

234

00:21:02,840 --> 00:21:10,680

And as for Vicki I hope that she can feel her second chance at life as a blessing and leave the dark memories behind

235

00:21:25,280 --> 00:21:27,280

You
