

1

00:00:00,000 --> 00:00:02,000

You

2

00:00:21,920 --> 00:00:25,200

It wants to hurt me I don't know why but you don't want me here

3

00:00:30,000 --> 00:00:35,000

We drive you from us whoever you may be the kids at the house right now I

4

00:00:37,040 --> 00:00:42,320

Don't think it's safe for them to be at the house this creature look like it had no good in it whatsoever

5

00:00:43,040 --> 00:00:45,040

It's just something to do with the word wolf

6

00:00:46,320 --> 00:00:50,300

Now everybody's got pies. I feel you watching

7

00:00:51,720 --> 00:00:53,720

Knock something over

8

00:00:55,840 --> 00:00:58,740

My name is Ryan and I'm a paranormal investigative

9

00:01:00,000 --> 00:01:05,720

When I was a kid my experiences with the supernatural terrified me I've been searching for answers ever since

10

00:01:06,240 --> 00:01:09,920

So when I got to Penn State, I realized I wasn't alone in my quest

11

00:01:10,160 --> 00:01:15,120

So I founded the paranormal research society dedicated to helping those who were haunted like I was

12

00:01:15,880 --> 00:01:17,880

We are students

13

00:01:17,880 --> 00:01:19,880

We are seekers

14

00:01:20,560 --> 00:01:22,560

Sometimes we're warriors

15

00:01:22,680 --> 00:01:28,960

Anytime we help someone I feel like I'm one step closer to finding the truth. This is paranormal state

16

00:01:30,000 --> 00:01:32,000

We're

17

00:01:35,120 --> 00:01:38,240

Here in Virginia because we were called by Patrick

18

00:01:38,560 --> 00:01:40,660

It's him and you know his wife

19

00:01:41,240 --> 00:01:47,320

Margaret and then their two daughters who are 11 and 12 years old and they're experiencing a haunting in their cabin home

20

00:01:47,320 --> 00:01:49,880

That they rent here in town from a woman named Laverne

21

00:01:50,440 --> 00:01:54,560

They've seen apparitions of a woman and they've heard footsteps all of that sounds normal

22

00:01:55,120 --> 00:01:57,120

But then he's been scratched

23

00:01:57,320 --> 00:02:04,400

Claude almost like an animalistic sort of way. Okay now Patrick who is the man of the house

24

00:02:04,960 --> 00:02:12,560

He's been subject to these claw marks and scratchings now a step son Joe who's 21 has also had this experience

25

00:02:12,680 --> 00:02:19,240

He's been scratched as well. Yeah. Okay now. I don't know any human spiritual force. That's able to do that. It's typically

26

00:02:19,960 --> 00:02:21,960

something inhuman

27

00:02:22,240 --> 00:02:29,040

Patrick is frightened that his experiences might get worse for him his wife and of course his kids

28

00:02:29,240 --> 00:02:33,600

He ultimately he's afraid that somebody's gonna get seriously hurt or injured or killed

29

00:02:52,400 --> 00:02:54,400

I

30

00:03:00,040 --> 00:03:05,880

Margaret nice to meet you. This is my team nice to meet you. Hey Margaret. Nice to meet you. Let's come on if you don't mind

31

00:03:05,880 --> 00:03:07,880

Sure, go for it. Go for it

32

00:03:17,760 --> 00:03:20,960

Be careful on those steps. Hey sometimes can be tricky

33

00:03:21,480 --> 00:03:23,960

They was actually several occurrences here

34

00:03:24,680 --> 00:03:31,000

One of them one night I was here on this bed laying long ways besides you and I was awake his whole time

35

00:03:31,160 --> 00:03:36,440

Something come up on the bed from the bottom and it had kind of a like a wolf snarling

36

00:03:36,520 --> 00:03:40,600

Sand and I felt the bed like it was like something had grabbed my ankles

37

00:03:41,840 --> 00:03:44,080

Well, they had to be three times size mine

38

00:03:44,440 --> 00:03:50,160

It felt like it had claws or something about that long it grabbed me here and then I felt something move on that

39

00:03:50,520 --> 00:03:55,120

And it got to my chest area and it got my arms right below my shoulders and locked me down

40

00:03:55,240 --> 00:04:02,200

And I finally Margaret actually was asleep on the other side. I tried to speak out and say honey Margaret and I'm awake

41

00:04:02,800 --> 00:04:08,600

I'm knowing what's going on and I can't talk anything else that happens here. This is where I was sitting

42

00:04:08,600 --> 00:04:12,120

I was kind of sitting to say no and I had keyboard

43

00:04:12,520 --> 00:04:15,920

Something just felt like it got me here and just right real sharp

44

00:04:16,040 --> 00:04:19,720

It was really red all around here and there's one hook right there

45

00:04:19,720 --> 00:04:22,680

Well, one's just like a finger hook and there's three others that went up

46

00:04:25,320 --> 00:04:30,320

Okay now that was taken I think about an hour later

47

00:04:37,320 --> 00:04:42,880

Now that's only one of several incidents of scratching now when we first moved in my steps

48

00:04:43,320 --> 00:04:46,840

Joseph had got scratched in the bathroom two different times once in the back

49

00:04:48,000 --> 00:04:53,960

Yeah, and once in the leg it came from behind the knee and up and they was like four or five scratches

50

00:04:53,960 --> 00:04:57,320

Very similar to what got on my arm. Mm-hmm, you know, I

51

00:04:58,400 --> 00:05:00,120

Figured after that

52

00:05:00,120 --> 00:05:04,160

He wants to hurt me. I don't know why but it don't want me here

53

00:05:04,240 --> 00:05:15,040

My youngest daughter she was sitting one of these two places on the couch and

54

00:05:18,440 --> 00:05:20,120

There was a lady standing there

55

00:05:20,120 --> 00:05:25,880

And I mean I can imagine you know what a ten or eleven year olds thinking at this point never been anything to do with this before

56

00:05:25,880 --> 00:05:30,720

And she just disappeared disappeared and they want no lifting up moving back. It was just gone. I

57

00:05:31,720 --> 00:05:38,240

Mean kids are not supposed to be afraid like this. I mean pure pressure at that age school homework

58

00:05:38,240 --> 00:05:40,240

I mean last thing I needs this I

59

00:05:40,720 --> 00:05:43,520

Why the kids I don't understand

60

00:05:49,080 --> 00:05:51,080

Now you guys have been living here for how long

61

00:05:51,640 --> 00:05:54,160

But me here since the first to set chamber

62

00:05:54,560 --> 00:05:59,440

Then what else have you been experiencing here since you've been living here for I mean, what is that six seven months now?

63

00:05:59,720 --> 00:06:03,040

Well, you know, I'm one of those kind of people I have to

64

00:06:03,680 --> 00:06:08,320

See it to believe it. Yeah, I really don't pay much attention to it

65

00:06:08,840 --> 00:06:10,840

Patrick got the scratch on his arm

66

00:06:11,080 --> 00:06:14,400

And I was oh my I was just I

67

00:06:15,400 --> 00:06:17,240

Didn't know what to say after that

68

00:06:17,240 --> 00:06:22,920

So now that we're here at your house. What is your goal out of all of us? What do you want to have happen?

69

00:06:23,600 --> 00:06:26,560

Whatever it is to leave and leave my family alone

70

00:06:27,200 --> 00:06:29,120

They don't need no more

71

00:06:29,120 --> 00:06:31,120

torment and aggravation they need

72

00:06:32,040 --> 00:06:37,640

Peace and quiet and to be able to be kids, you know, and I'll have to deal with anything like that

73

00:06:38,360 --> 00:06:40,360

Everybody's being through enough torment

74

00:06:42,000 --> 00:06:44,160

Can it not just be peaceful for a while?

75

00:06:50,040 --> 00:06:56,040

I mean, I'm free, you know, obviously I've been hurt and if it gets tired of me, what's it gonna do my kids?

76

00:06:57,040 --> 00:06:59,040

or Margaret

77

00:07:00,280 --> 00:07:02,520

So what's your worst nightmare out of all of this

78

00:07:03,560 --> 00:07:08,920

One of us getting hurt maybe to the point of death because I know in my heart it's possible

79

00:07:14,480 --> 00:07:20,080

Me and my stepdad were sitting out at the kitchen table one evening and we heard something in the front yard

80

00:07:20,920 --> 00:07:24,040

We thought, you know kids or somebody walking through the yard, you know

81

00:07:24,240 --> 00:07:30,680

Then whatever that it was walked up to the front door grab the doorknob and the doorknob actually shook like it was trying to turn

82

00:07:30,680 --> 00:07:34,040

The doorknob to come in we walked out the back door and went around and

83

00:07:34,600 --> 00:07:37,340

Something hit me behind my right ear. And I said, well, okay

84

00:07:37,340 --> 00:07:44,320

You know I came in and looked in the mirror and it looked like where you had taken two fingernails and cut into the back of my

85

00:07:44,320 --> 00:07:46,320

ear right in here

86

00:07:46,360 --> 00:07:50,000

So did you and Patrick see anything while you're out there? Yes

87

00:07:50,560 --> 00:07:51,680

and

88

00:07:51,680 --> 00:07:53,680

It almost resembled a wolf

89

00:07:54,040 --> 00:07:58,800

It's kind of like a dog-shaped, but it was huge. Have you ever seen anything like that around here?

90

00:07:58,800 --> 00:08:03,680

No, I didn't know what it was and I was so frightened. I couldn't even speak. I

91

00:08:04,560 --> 00:08:08,040

Mean it just it like took my breath just the fear that came over me

92

00:08:09,800 --> 00:08:12,760

This creature looked like it had no gun in it whatsoever

93

00:08:15,000 --> 00:08:18,880

How was its posture just like a wolf, you know how they got that particular hunch

94

00:08:18,880 --> 00:08:20,560

It's kind of different the dog in her back

95

00:08:20,600 --> 00:08:25,680

They're built a little different and it was staying a hunker down a slight bit in the front looking at me

96

00:08:26,160 --> 00:08:28,480

It is just like something's fixing the pounce

97

00:08:29,040 --> 00:08:33,560

And I remember it's real short fur as you could see the muscle texture through it

98

00:08:37,360 --> 00:08:39,360

Sinister looking

99

00:08:42,400 --> 00:08:45,360

See anything else that I need to adjust

100

00:08:47,040 --> 00:08:49,040

Wow

101

00:08:49,280 --> 00:08:51,280

You're pretty much right on it

102

00:08:53,200 --> 00:08:55,200

Don't think you can get too much closer tonight

103

00:09:02,920 --> 00:09:07,920

We are all alone in the house about commenced at time I will be roaming the

104

00:09:08,280 --> 00:09:10,280

First floor and the basement

105

00:09:10,640 --> 00:09:16,360

Katrina will be upstairs by herself while Surgey Elfie and Josh are in tech

106

00:09:16,600 --> 00:09:21,000

Guys, I am set and ready to go. Hi commenced at time

107

00:09:22,280 --> 00:09:24,280

Commenced at time

108

00:09:28,600 --> 00:09:31,840

Try to talk to you find out who you are

109

00:09:33,480 --> 00:09:40,040

I'm trying to communicate now to whatever force is here that scratches

110

00:09:42,480 --> 00:09:45,480

Make a noise bang on something knock on something

111

00:09:46,680 --> 00:09:54,640

If you're here you obviously have a reason so why don't you share with us with that?

112

00:09:57,040 --> 00:09:59,040

What was that sound

113

00:10:00,800 --> 00:10:05,280

There's a dark force in this house tell me who you are

114

00:10:08,080 --> 00:10:11,480

You have power to scratch somebody then you can tell me who you are

115

00:10:11,480 --> 00:10:13,480

Oh

116

00:10:26,680 --> 00:10:31,160

Can't tell those my eyes playing tricks on me surge but look like something like came towards me for a second

117

00:10:35,880 --> 00:10:37,880

There it is again I

118

00:10:38,880 --> 00:10:43,840

Don't know what it is, but something keeps moving it looks like it's coming towards me, but then it just dissolves

119

00:10:49,560 --> 00:10:51,560

Guys is there anybody upstairs

120

00:10:52,280 --> 00:10:57,720

Nobody's upstairs Katrina. What are you hearing? It just sounds like somebody's moving everything looks quiet on this

121

00:11:00,120 --> 00:11:04,640

Just gonna peek my head out see if there's anything there

122

00:11:07,880 --> 00:11:09,880

I

123

00:11:19,320 --> 00:11:21,320

Katrina yeah, what's up?

124

00:11:22,320 --> 00:11:28,600

This bathroom door when I heard that noise out here when I went to go out. I couldn't open the door
I

125

00:11:29,440 --> 00:11:31,400

Honestly thought you guys were playing a joke on me

126

00:11:31,400 --> 00:11:34,800

I thought like you guys had popped something up on the door and then it opened

127

00:11:35,360 --> 00:11:41,160

But I couldn't even turn the handle and now I'm testing it and it opens with ease like

128

00:11:47,120 --> 00:11:49,960

You're trying to play a joke on me by holding the door shut

129

00:11:57,440 --> 00:11:59,440

Saw it again

130

00:12:00,360 --> 00:12:07,200

If that's you moving around and now's the time to manifest and do something more definitive I

131

00:12:08,240 --> 00:12:10,240

Feel you watching

132

00:12:10,560 --> 00:12:15,600

But do something more than that come on kick something knock something over

133

00:12:15,760 --> 00:12:19,460

That was you that's great, but you got to give me a bigger sign to let me know you're here a

134

00:12:20,400 --> 00:12:22,400

Stuck door is not gonna do it

135

00:12:23,360 --> 00:12:25,360

What was that

136

00:12:28,320 --> 00:12:30,320

Come on knock something over

137

00:12:30,880 --> 00:12:34,640

That was you that's great, but you got to give me a bigger sign to let me know you're here a

138

00:12:35,520 --> 00:12:37,520

Stuck door isn't gonna do it. Oh

139

00:12:38,120 --> 00:12:40,120

What was that? Okay guys?

140

00:12:44,680 --> 00:12:51,480

What's going on the camera just fell white camera the one that was facing the bed in the loft area

141

00:12:53,160 --> 00:12:55,160

Director's log

142

00:12:55,200 --> 00:12:58,480

Katrina's experience in the bathroom and the camera falling are noteworthy

143

00:12:58,640 --> 00:13:04,480

But they're not yet conclusive evidence of a spiritual presence in the cabin mr. Beal. What's up ship? How are you?

144

00:13:05,520 --> 00:13:08,640

Not too bad. So I'm bringing in psychic chip coffee

145

00:13:08,640 --> 00:13:13,360

Well, I hope can give us some credible information that sheds more light on the client's experiences

146

00:13:19,520 --> 00:13:21,520

Immediately on walking in the door I got nauseated

147

00:13:22,400 --> 00:13:24,400

You

148

00:13:30,320 --> 00:13:32,320

You've got

149

00:13:35,760 --> 00:13:39,600

Something here that's female female that's been here a while

150

00:13:39,600 --> 00:13:41,600

Has

151

00:13:49,600 --> 00:13:51,280

Has

152

00:13:51,280 --> 00:13:53,280

Has someone been Claude

153

00:13:54,920 --> 00:13:59,720

Is it exclusive to anybody or is it anybody who comes here is fair game?

154

00:14:00,240 --> 00:14:02,240

Oh

155

00:14:07,720 --> 00:14:09,720

One is the father one is the son

156

00:14:16,640 --> 00:14:21,680

Scratching again, I'm back to the clawing is there something that manifests or is this some sort of spirit

157

00:14:23,520 --> 00:14:25,520

Manifesting as an animal

158

00:14:26,280 --> 00:14:28,280

She's something to do with the word wolf

159

00:14:29,720 --> 00:14:31,720

I'm sorry. What was that?

160

00:14:32,760 --> 00:14:35,260

That's your wolf animal wolf

161

00:14:53,960 --> 00:14:59,040

What I'm picking up is it is focused or directed toward the father they'd have a bone to pick with him

162

00:15:00,600 --> 00:15:04,840

And somehow the people here they've opened this up

163

00:15:05,880 --> 00:15:08,040

With being here, although it's been here

164

00:15:09,320 --> 00:15:11,320

They're sensitive to it. They're aware of it

165

00:15:12,440 --> 00:15:14,840

Others who've lived in the space have been aware of it as well

166

00:15:22,760 --> 00:15:29,160

Did you ever experience anything out of the ordinary while you lived here? Oh, yeah, I heard doors slamming the basement door

167

00:15:29,720 --> 00:15:30,920

Come down

168

00:15:30,920 --> 00:15:32,000

so

169

00:15:32,000 --> 00:15:37,760

What else have you experienced while you lived here? That's the only thing I ever experienced but my stepdaughter seen a woman

170

00:15:37,760 --> 00:15:39,760

It was she had a white dress. Oh

171

00:15:40,440 --> 00:15:42,200

One night she woke up

172

00:15:42,200 --> 00:15:47,560

She had seen it and she was screaming and we went downstairs and she was pointing and said it was sitting next to her bed

173

00:15:47,720 --> 00:15:50,640

So I mean it scared us to death. I mean is she prone to

174

00:15:51,200 --> 00:15:57,440

No, she never one time said anything like that only here only here how many times does she see this woman?

175

00:15:57,560 --> 00:16:03,880

Probably maybe 20 times the whole time we lived here. She saw this woman 20 times. Yeah, yeah, I always scared

176

00:16:04,720 --> 00:16:09,520

Have you seen a change in Patrick since he's moved in here? He's in fear for him and his kids life

177

00:16:10,200 --> 00:16:12,200

Did you see the scratches that he had?

178

00:16:13,520 --> 00:16:14,600

Yeah

179

00:16:14,600 --> 00:16:18,400

You ever see anything like that? No, not why we lived here. No, no

180

00:16:19,240 --> 00:16:24,960

The ghost or whatever it was it was here never touched anybody. It just you know, we just ain't in her stuff

181

00:16:27,440 --> 00:16:29,440

So

182

00:16:40,120 --> 00:16:46,000

You've met Patrick and his family. Yes ma'am and you know, this might sound odd

183

00:16:46,080 --> 00:16:50,560

But they're claiming that they're experiencing unusual activity in your cabin

184

00:16:51,160 --> 00:16:54,080

You don't look so surprised. No. No, no

185

00:16:54,440 --> 00:16:58,400

Not at all. Is this not the first time you've heard it or no

186

00:16:58,400 --> 00:17:01,280

It is as a matter of fact a previous

187

00:17:01,880 --> 00:17:04,880

renter that lived there had told me

188

00:17:05,720 --> 00:17:12,080

The piano played and when she would see a movement. It's not the piano. They still have in the house. Is it? Yes

189

00:17:12,080 --> 00:17:14,600

Oh, it is. Oh, it is your p.m. Uh-huh

190

00:17:15,440 --> 00:17:17,440

Rocky's piano my brother

191

00:17:17,640 --> 00:17:20,920

He has passed away since they I'm sorry about that. Yeah

192

00:17:21,640 --> 00:17:28,360

When did people start reporting that there was activity was it after Rocky died? That's when you start renting the place, right? Yes

193

00:17:29,240 --> 00:17:33,960

he and my mother lived in the cabin when she built it and

194

00:17:34,840 --> 00:17:39,200

Then my mother passed away and then Rocky lived there by himself

195

00:17:39,800 --> 00:17:45,720

So Rocky died while living in the cabin right when he committed suicide

196

00:17:45,800 --> 00:17:49,400

He took an overdose

197

00:17:50,320 --> 00:17:52,320

Okay

198

00:17:52,880 --> 00:17:55,800

Okay, was he suffering from depression?

199

00:17:56,680 --> 00:18:03,720

He after mom died he pretty well just kind of give up on everything really and it wasn't long before

200

00:18:04,320 --> 00:18:09,960

He went enough. I would be interested in say on says and I said, you know, you're really dealing with something

201

00:18:09,960 --> 00:18:11,960

You might not want to deal with

202

00:18:12,080 --> 00:18:14,600

When was he doing this stuff was it after your mom passed?

203

00:18:15,720 --> 00:18:19,200

So just like Sansa's or do you think he was starting to practice some of this stuff?

204

00:18:19,200 --> 00:18:23,480

I think he practiced some and at one time there was a pentagram drawn on

205

00:18:25,120 --> 00:18:28,720

The carpet upstairs in the loft really yeah

206

00:18:30,160 --> 00:18:33,720

Do you know if you ever worship Satan or the devil? Oh, yes

207

00:18:35,280 --> 00:18:42,560

Evil drugs sex parties his voice would change. This is not healthy for anybody spellcasting without a doubt

208

00:18:46,720 --> 00:18:53,160

Surge are the kids at the house right now?

209

00:18:57,120 --> 00:19:02,600

Okay, can you talk to Patrick I'm heading over to the house right now. I don't think it's safe for them to be at the house

210

00:19:15,720 --> 00:19:17,720

So

211

00:19:21,840 --> 00:19:27,120

The kids are gone right yeah, what's up? I had a very interesting conversation with

212

00:19:27,760 --> 00:19:30,520

Laverne this house was built by Laverne's mother

213

00:19:31,520 --> 00:19:34,360

Essentially it was her and Laverne's brother

214

00:19:35,440 --> 00:19:36,480

Rocky

215

00:19:36,480 --> 00:19:43,200

Living here their mom was his world once their mom died Rocky started dabbling in the occult

216

00:19:43,440 --> 00:19:49,280

Do you think he started all this in hopes to like talk to his mom again or I have no doubt that it started there

217

00:19:49,280 --> 00:19:51,280

But I think what happened was Rocky

218

00:19:52,040 --> 00:19:56,240

Started to go spiral down to where he was essentially doing anything

219

00:19:56,680 --> 00:20:01,880

She Laverne believes that you know her brother worship Satan. We're not talking about a seance going on here

220

00:20:01,880 --> 00:20:04,280

We're talking about full blown knock down the door

221

00:20:05,080 --> 00:20:07,080

Opening the doorway in this house

222

00:20:07,800 --> 00:20:12,760

But what's strange about all of this is that the harmful activity only started once Patrick moved in

223

00:20:13,720 --> 00:20:16,560

I think there's more to the story that Patrick hasn't told me

224

00:20:19,120 --> 00:20:25,240

Just hearing I guess you got the pina gram or whatever on the floor is in there, okay, I'm just shocked

225

00:20:26,000 --> 00:20:30,360

There's a hole that's been opened up here in this house. Just a lot of negative stuff

226

00:20:31,160 --> 00:20:32,600

however

227

00:20:32,600 --> 00:20:39,720

Nothing really bad has happened. You come here and you're getting scratched. You're getting attacked. Yes, your son's getting attacked

228

00:20:40,080 --> 00:20:44,680

You're being exposed to some of the more darker elements. It seems to make sense that

229

00:20:45,360 --> 00:20:49,160

You coming to the equation is like the perfect storm for something here

230

00:20:49,880 --> 00:20:53,680

So the question is Patrick. What are you not telling me?

231

00:20:58,000 --> 00:21:01,200

When you were living here, did you ever experience anything?

232

00:21:02,400 --> 00:21:04,800

Unusual anything unexplained

233

00:21:10,480 --> 00:21:15,120

Did you ever get up to inspect the piano when you heard it

234

00:21:17,040 --> 00:21:23,480

And did you ever see the did you see the piano notes, you know press down or did you see anybody sitting there?

235

00:21:33,280 --> 00:21:35,560

So what what did this figure look like

236

00:21:40,720 --> 00:21:46,920

Well since you saw Rocky can you think of any reason why the current tense would be seeing a woman in the house

237

00:21:56,040 --> 00:21:58,040

Wendy Cambridge

238

00:22:09,720 --> 00:22:22,560

Rocky was a cross dresser almost definitely he was yes

239

00:22:22,880 --> 00:22:30,840

So what does that mean exactly that he just I've got a picture. Would you like to see this was a local club where they would have shows

240

00:22:31,880 --> 00:22:33,880

So he taught me into going I

241

00:22:35,120 --> 00:22:37,120

Never been one of those shows

242

00:22:40,720 --> 00:22:47,400

Do you have any photos of Rocky just as him or okay now I've got one hanging as you come in the door of man him

243

00:22:47,640 --> 00:22:49,640

I'd love to see that sure it's right here

244

00:22:51,400 --> 00:22:54,400

That was one of my favorite ones of man him

245

00:22:56,440 --> 00:23:03,000

Now one thing that was Rockies you have something of Rockies. Yeah, this was his pinky ring. Oh

really?

246

00:23:03,720 --> 00:23:05,880

Yeah, miss you sure

247

00:23:09,720 --> 00:23:15,240

This might be a lot to ask for but we've got to borrow it for 24 hours. Well as long as

248

00:23:16,240 --> 00:23:18,240

As long as you bring it back

249

00:23:18,240 --> 00:23:20,240

Give you my word we will

250

00:23:20,360 --> 00:23:26,560

And this last question I meant to ask you this earlier has Patrick told you about the experiences

251

00:23:26,560 --> 00:23:30,200

They've had there he has told me some about the scratches

252

00:23:30,840 --> 00:23:32,840

What do you think that is?

253

00:23:33,880 --> 00:23:37,840

I'm not real sure if it's something that he has brought with him that's clashing

254

00:23:38,480 --> 00:23:41,800

as far as my experience and with

255

00:23:42,520 --> 00:23:44,720

Everybody else is there's never been any harm

256

00:23:46,000 --> 00:23:51,400

But now I even talked to Patrick. I see myself and have you ever practiced any kind of

257

00:23:52,000 --> 00:23:55,320

Black magic have you ever done anything like that?

258

00:23:56,040 --> 00:23:59,200

He said well now everybody's got a place

259

00:23:59,200 --> 00:24:01,200

So

260

00:24:05,280 --> 00:24:10,080

I need to ask you some more questions about your past Patrick. Did you ever dabble in the black arts?

261

00:24:20,400 --> 00:24:22,400

Then I'm tell you something interesting

262

00:24:23,240 --> 00:24:27,880

When I was in fifth grade I believe it was yeah, there's a friend of mine at that time

263

00:24:27,880 --> 00:24:29,880

He got me into werewolves

264

00:24:30,000 --> 00:24:35,400

You know, I'm just a damn little kid in fifth grade didn't know any better what I was fooling with but for some stupid reason

265

00:24:36,080 --> 00:24:39,160

It was one day on the school bus. He got me to pray to the devil

266

00:24:39,920 --> 00:24:42,600

To be a werewolf if I give myself the devil

267

00:24:46,440 --> 00:24:48,280

Director's log

268

00:24:48,280 --> 00:24:55,600

Did an oath Patrick made 25 years ago set the stage for the scratches and wolf-like visitations. He's now experiencing

269

00:24:56,360 --> 00:25:01,440

I've asked Sergei to see if he can learn more about this unusual turn of events from an outside source

270

00:25:03,600 --> 00:25:06,040

You know a lot of people think of werewolves

271

00:25:06,480 --> 00:25:10,400

go under the full moon and your face starts sprouting whiskers and

272

00:25:11,120 --> 00:25:15,720

Really that doesn't follow most of the experiences that are reported

273

00:25:15,720 --> 00:25:20,240

I've had people write me and claim that they are able to

274

00:25:20,640 --> 00:25:26,160

Form this thought image in their minds of a hairy creature and then actually

275

00:25:26,920 --> 00:25:32,720

Project it outwards and it's sort of an energy form that goes out around the person who is thinking of it

276

00:25:32,720 --> 00:25:38,640

So the energy creature gathers enough strength to go off on its own and then you have a little bit of trouble in doing

277

00:25:44,920 --> 00:25:46,440

Some people might think it's silly

278

00:25:46,440 --> 00:25:49,840

But when we talk about spirit boards opening the door and everything come on

279

00:25:49,840 --> 00:25:53,960

Nothing's more dramatic than making a pact with the devil to give your soul away

280

00:25:55,040 --> 00:25:59,360

Now could that be what's going on here? I really don't know. I mean there could be all kinds of things

281

00:25:59,360 --> 00:26:01,760

I mean this house has some negative history to it

282

00:26:01,760 --> 00:26:07,760

So he comes to a place that has an opening and he already has an opening because when he was a child

283

00:26:07,760 --> 00:26:13,520

He made this pact and the devil's coming to knock and collect so he has unpaid debt

284

00:26:13,560 --> 00:26:17,520

And this is a pretty much place to collect it. I'm not saying this is absolutely what it is

285

00:26:17,520 --> 00:26:20,840

But what if if there's something here?

286

00:26:21,360 --> 00:26:24,520

It's taking the shape of a werewolf to torment him

287

00:26:26,640 --> 00:26:31,800

God were to come down to you you take the shape of something familiar something that knows it has significance to you

288

00:26:32,600 --> 00:26:34,600

Well, one of Satan does the same thing

289

00:26:37,040 --> 00:26:39,040

Director's log

290

00:26:39,040 --> 00:26:43,040

Patrick's childhood pact with the devil is certainly a major concern in this haunting

291

00:26:43,520 --> 00:26:48,640

But if we're going to help Patrick and his family then we also need to address the role of the previous tenant Rocky

292

00:26:48,720 --> 00:26:52,480

Who may have opened the door with the Zona cold practices inside this home?

293

00:26:54,160 --> 00:27:00,280

So I'm inviting the clients to join us for dead time and hopes that we can make contact with Rocky or his female personality

294

00:27:00,280 --> 00:27:03,160

Wendy or whatever other spirits may be active here

295

00:27:03,360 --> 00:27:08,080

There's ever a time for this thing to manifest to show itself to do something now is the time to do it

296

00:27:08,680 --> 00:27:11,360

All right, sir. Just let me know in Katrina's position

297

00:27:11,760 --> 00:27:17,760

Chip Josh and I are here Katrina's in the basement and we're all good to go. Okay. We're good to go

298

00:27:17,760 --> 00:27:20,160

So go ahead and commence dead time commencing dead time

299

00:27:27,680 --> 00:27:33,760

We call you now to come closer you have permission to speak you have permission to move

300

00:27:35,400 --> 00:27:37,400

Please communicate with us

301

00:27:39,080 --> 00:27:41,080

Rocky are you here?

302

00:27:41,840 --> 00:27:43,840

If you're here come and talk to us

303

00:27:47,600 --> 00:27:49,600

Rocky I was talking to your sister today

304

00:27:51,600 --> 00:27:53,600

Your sister Laverne

305

00:27:54,200 --> 00:27:57,280

Rocky if you're here your sister is very concerned about you

306

00:27:58,160 --> 00:28:03,600

If you don't believe me if you don't believe that I talked to Laverne and I offer this up as proof

307

00:28:04,240 --> 00:28:06,240

This is one of your rings

308

00:28:06,480 --> 00:28:08,580

Laverne wants you to speak with me

309

00:28:11,520 --> 00:28:15,680

I'm talking to Wendy talking to Rocky if you are here

310

00:28:19,280 --> 00:28:24,880

You need to come forward and show your presence

311

00:28:28,360 --> 00:28:30,760

Did I hit okay, they're moving

312

00:28:30,760 --> 00:28:32,760

Hey

313

00:28:38,760 --> 00:28:40,760

Hey um

314

00:28:44,920 --> 00:28:48,440

I wasn't near them and there's no draft down here, but they're definitely moving

315

00:28:50,120 --> 00:28:52,120

How about Wendy?

316

00:28:53,160 --> 00:28:55,160

Wendy are you here

317

00:28:55,640 --> 00:29:02,680

Rocky this is me and my wife and my children's house now you have to go

318

00:29:03,960 --> 00:29:06,280

You just can't keep doing our family this way

319

00:29:11,720 --> 00:29:13,720

What is that scratching sound?

320

00:29:16,600 --> 00:29:20,360

Whoa I heard something move back here

321

00:29:25,560 --> 00:29:29,800

It'll do it again now as you're moving behind me just go ahead and do it again. I'm not looking it

will

322

00:29:34,760 --> 00:29:36,760

There it is, huh

323

00:29:40,520 --> 00:29:43,960

Well Patrick why don't you keep talking to her because it's obviously responding

324

00:29:45,400 --> 00:29:47,400

If you in mind say it with a little bit more force

325

00:29:49,080 --> 00:29:51,080

Whatever you are

326

00:29:51,480 --> 00:29:56,120

I want you out of my house my family just cannot keep this up

327

00:29:57,320 --> 00:29:59,880

Do you understand what Patrick's saying? He's done with it

328

00:30:01,320 --> 00:30:05,960

He doesn't want any more part of it. No, whatever is in my house

329

00:30:07,320 --> 00:30:14,680

You are hereby commanded by me and my family under the authority of jesus christ exit my home

330

00:30:21,080 --> 00:30:23,080

That's funny Margaret

331

00:30:24,040 --> 00:30:27,720

I just feel like my kids has been through enough. I really do

332

00:30:31,000 --> 00:30:33,080

And it's just it's tearing everybody

333

00:30:33,800 --> 00:30:35,720

all the pieces

334

00:30:35,720 --> 00:30:37,720

If something needs to happen

335

00:30:37,720 --> 00:30:41,000

Or it has a problem with anything as far as my kids go

336

00:30:41,880 --> 00:30:45,560

It needs to let me know come through me first

337

00:30:46,360 --> 00:30:48,360

Show me first

338

00:30:48,360 --> 00:30:50,360

And if it is rocky

339

00:30:50,520 --> 00:30:55,080

I don't hope anything against him that he did that was his life, but this is mine

340

00:30:56,280 --> 00:30:58,280

And this is my family's life

341

00:30:58,840 --> 00:31:00,840

And it needs to stop

342

00:31:01,640 --> 00:31:03,640

You

343

00:31:16,200 --> 00:31:18,200

Have one unheard message

344

00:31:19,480 --> 00:31:25,080

This is Patrick. I found out this morning my wife brought it to my attention that she was attacked

345

00:31:25,080 --> 00:31:27,080

I

346

00:31:48,760 --> 00:31:50,840

We're going to end up having to move you know that

347

00:31:51,560 --> 00:31:53,560

I

348

00:31:54,120 --> 00:31:56,120

Whatever it is, it's gonna quit

349

00:31:57,560 --> 00:32:01,720

Hey guys, yeah, sorry man, are you opening something? No, it's all right

350

00:32:08,920 --> 00:32:12,920

It's not a good thing no she said that

351

00:32:13,240 --> 00:32:15,240

He's not

352

00:32:18,040 --> 00:32:20,040

Directors log

353

00:32:20,200 --> 00:32:24,840

Whatever happened last night. It appears that Margaret is too distraught to share the details

354

00:32:26,440 --> 00:32:32,200

What's clear to me is that the activity in this house is escalated and it's no longer just Patrick who's at risk

355

00:32:33,960 --> 00:32:39,160

Before these attacks spread any further, I'm calling in father bob bailey to prepare for a house deliverance

356

00:32:39,560 --> 00:32:42,120

Together we will go to battle in the morning

357

00:32:43,880 --> 00:32:49,800

Is there anything else I need to know about what's been happening anything with Margaret?

358

00:32:51,480 --> 00:32:55,240

It's the point she's quiet and she wouldn't talk to him. I said Margaret. You all right

359

00:32:55,800 --> 00:32:59,560

She told me this morning said oh my god. I got attacked. I was pissed

360

00:33:00,840 --> 00:33:05,320

And I think what gets me the most is I'm kind of helpless. I don't know what to tell her

361

00:33:05,880 --> 00:33:10,840

And the reason why I'm asking this Patrick's because I think that she might be contributing to this somehow

362

00:33:11,320 --> 00:33:13,320

nasa lee margots being

363

00:33:13,400 --> 00:33:14,440

affected

364

00:33:14,440 --> 00:33:16,440

So this gotta be a reason for that

365

00:33:41,560 --> 00:33:46,760

The biggest activity is upstairs

366

00:33:47,880 --> 00:33:49,880

That room in the basement right is that one there?

367

00:33:50,680 --> 00:33:53,880

So I'm gonna do the major prayers there and then melancholy of this room too

368

00:33:54,280 --> 00:33:57,480

Okay, because if you want to address any of the specific spirits, there's rocky

369

00:33:58,520 --> 00:34:01,800

I've been cases in demonic hauntings where they kind of hold

370

00:34:02,440 --> 00:34:03,880

spirits hostage

371

00:34:03,880 --> 00:34:08,120

Right, especially ones that fell. Yeah. No. Yeah, rocky is definitely a person who

372

00:34:08,840 --> 00:34:15,960

Fell hard if I can get the hold off if I can get the entity out then there stands a chance of crossing him over

373

00:34:20,920 --> 00:34:24,280

In the name of the father and of the son and of the holy spirit amen

374

00:34:27,240 --> 00:34:31,800

Lord I ask the power of your holy spirit to come upon Patrick and Margaret now

375

00:34:32,360 --> 00:34:34,760

In the power of your risen majesty

376

00:34:35,480 --> 00:34:37,480

I ask you now to protect this couple

377

00:34:38,440 --> 00:34:41,240

Anything negative or evil that is surrounding them

378

00:34:41,800 --> 00:34:47,000

Must leave now through the precious blood of our lord and savior

379

00:34:47,560 --> 00:34:49,560

Jesus christ amen

380

00:34:51,400 --> 00:34:56,280

To whatever force is in this house whether it be demonic or spiritual

381

00:34:57,080 --> 00:34:58,920

It will end today

382

00:34:58,920 --> 00:35:03,720

You are hereby ordered to come here into this basement to face judgment

383

00:35:04,200 --> 00:35:10,120

And to listen to this holy man's words the name of the father to the son and of the holy spirit
amen

384

00:35:10,760 --> 00:35:13,880

We drive you from us. Whoever you may be

385

00:35:14,520 --> 00:35:19,800

Unclean spirits in the name and by the power of our lord Jesus christ

386

00:35:21,400 --> 00:35:28,520

In the name of our lord and savior Jesus christ, I command you all demons to let go and to leave now

387

00:35:29,320 --> 00:35:31,320

What is it Margaret?

388

00:35:34,280 --> 00:35:40,600

I feel like I'm just I just I don't know. It's just really weird. Do you want to sit down? Yeah

389

00:35:47,080 --> 00:35:54,360

It feels like smothering sort of you're being smothered. Yeah, just like the air is real real real thick

390

00:35:55,320 --> 00:36:02,360

Were you ever frustrated at some point and asked that they come after you rather than go after someone else?

391

00:36:06,680 --> 00:36:09,560

What you've done is you've opened up a doorway for yourself

392

00:36:11,240 --> 00:36:17,240

Margaret this might be a little intense, but we're gonna try to get this thing to back off. Yeah, you do whatever you need to do

393

00:36:18,200 --> 00:36:20,840

It's a see so they in woody simi spiritus

394

00:36:21,320 --> 00:36:23,320

Homeless in cursio abesari

395

00:36:23,480 --> 00:36:28,200

Omni fantasma omni legio in nomine domini jesus christ

396

00:36:29,560 --> 00:36:31,560

In nomine patrice

397

00:36:32,440 --> 00:36:34,680

The father at the spirit. I just saw this door move

398

00:36:34,680 --> 00:36:36,680

Oh

399

00:36:58,200 --> 00:37:00,360

Father I just saw this door move

400

00:37:05,160 --> 00:37:10,920

You know Ryan could have been a sign of it leaving

401

00:37:17,320 --> 00:37:22,360

Did you notice it got brighter just a tad bit where you were standing dude, I thought it did

402

00:37:26,760 --> 00:37:31,240

Does feel later in here I was about to say you feel lighter in here right now. Yes

403

00:37:31,880 --> 00:37:36,760

I can't get any more symbolic than actual door being open

404

00:37:44,520 --> 00:37:46,520

Directors log

405

00:37:48,360 --> 00:37:53,000

I'm confident that the rights we performed struck a blow against the dark forces in this house

406

00:37:53,880 --> 00:38:03,880

And that rocky who may have unwittingly opened the door to the demonic is now hopefully one step closer to finding his eternal piece

407

00:38:04,360 --> 00:38:06,360

Hey, laverne

408

00:38:07,320 --> 00:38:13,240

Patrick coming in and saying you know, this is my house now rocky that was very symbolic and if rocky was listening

409

00:38:13,800 --> 00:38:16,200

Maybe rocky now has an understanding that okay

410

00:38:17,000 --> 00:38:22,200

This isn't my house anymore. Right and that being said I want to give this back to you. Yes

411

00:38:23,080 --> 00:38:28,280

Well, if he was here, I think us being able to show this just so he knew that I really did talk to you

412

00:38:29,240 --> 00:38:32,520

Could have helped him understand that you know, you loved him

413

00:38:33,320 --> 00:38:39,160

Very much and that you really wanted him gone because you lent something so powerful that had so much significance to him

414

00:38:39,880 --> 00:38:44,680

As kind of like a reinforcement that we were here to do some good to tell him to move on. Yeah

415

00:38:45,400 --> 00:38:47,400

So

416

00:38:50,360 --> 00:38:53,880

The one thing we haven't really resolved yet is the creature that Patrick's been seeing

417

00:38:54,760 --> 00:38:56,760

What's the significance with

418

00:38:57,480 --> 00:38:58,280

this

419

00:38:58,280 --> 00:39:02,440

Wolf-like creature and how does a wolf-like creature play into rocky?

420

00:39:03,240 --> 00:39:09,320

And my only theory or thought on this is that they share a connection with evil Patrick offered to sell his soul to satan and

421

00:39:10,040 --> 00:39:15,400

Rocky definitely opened up a doorway here. So my thought was that they share a common element of

422

00:39:16,600 --> 00:39:19,320

Being close to evil or transformation

423

00:39:20,680 --> 00:39:22,200

Wow

424

00:39:22,200 --> 00:39:25,880

Like he wanted to be aware. He wanted to be aware. He wanted something strong

425

00:39:26,440 --> 00:39:32,120

Rocky wouldn't be a woman. One day it wasn't born. They both wanted to be something that they could never really be

426

00:39:34,120 --> 00:39:35,880

Maybe this thing

427

00:39:35,880 --> 00:39:37,880

Is the part of him that manifested here

428

00:39:38,680 --> 00:39:41,400

And what's crazy enough too is that now this thing that he

429

00:39:42,120 --> 00:39:47,560

Wanted is now attacking. So how do we get rid of this or what advice do we get them? Well

430

00:39:48,520 --> 00:39:51,960

Patrick needs to specifically renounce his pact with the devil

431

00:39:52,840 --> 00:39:59,160

So if we get him to renounce that and end that part to his past this no longer has any significance to Patrick

432

00:39:59,560 --> 00:40:01,560

To us is closing that one door

433

00:40:01,560 --> 00:40:07,720

You have a few holes that you haven't fully healed on yet

434

00:40:08,520 --> 00:40:12,280

And it will take advantage of you. You are a victim. Don't get me wrong

435

00:40:12,520 --> 00:40:16,600

You're just happened to be sitting in the devil's nest and you're very easy to get at

436

00:40:17,960 --> 00:40:20,280

And and that's the problem it's haunting

437

00:40:21,240 --> 00:40:26,920

To realize the deception can be put onto a child that satan didn't care about that

438

00:40:27,000 --> 00:40:30,280

I mean, it's I guess you kind of you know when you get into god

439

00:40:30,360 --> 00:40:33,080

You realize you're really dealing with something way more than you

440

00:40:33,880 --> 00:40:35,160

I let him down

441

00:40:35,160 --> 00:40:40,200

But I was young. I didn't know any better. You know and I've talked to a good pastor of mine that the last church we's had

442

00:40:40,920 --> 00:40:42,920

And I said I want to do something

443

00:40:43,320 --> 00:40:48,600

I believe in god, but I've never had a river baptism and I said I want to do something

444

00:40:50,360 --> 00:40:52,200

Different

445

00:40:52,200 --> 00:40:53,800

You know, I owe god that much

446

00:40:53,800 --> 00:40:57,720

I've I've really you know through my history some of the silly things I've done when I was little

447

00:40:57,720 --> 00:41:01,400

I really think I owe him that I need to just be free with it

448

00:41:13,960 --> 00:41:18,600

Do you reject Satan I do and all his empty promises I do

449

00:41:18,840 --> 00:41:20,840

And

450

00:41:22,600 --> 00:41:30,200

Patrick I bless you in the name of the father and of the son and of the holy spirit amen

451

00:41:34,680 --> 00:41:36,680

God bless you thank you

452

00:41:40,600 --> 00:41:42,600

Final director's log

453

00:41:43,080 --> 00:41:49,320

It seems that even though they never met each other both rocky and patrick shared one thing in common

454

00:41:50,120 --> 00:41:53,160

They were both attracted and affected

455

00:41:53,960 --> 00:41:55,960

By an evil force in their lives

456

00:41:56,360 --> 00:41:59,640

But the only difference is that I think patrick is going to survive

457

00:42:00,920 --> 00:42:02,920

It's time to let this part of you go

458

00:42:03,320 --> 00:42:06,920

So go ahead and as you're burning it let it go within you as well

459

00:42:06,920 --> 00:42:08,920

For

460

00:42:11,960 --> 00:42:13,960

Patrick's sake and his families

461

00:42:14,600 --> 00:42:17,240

I hope that he will be able to do what rocky could not

462

00:42:18,040 --> 00:42:23,000

To defy the evil force that once controlled his life and to change not into a monster

463

00:42:23,480 --> 00:42:29,640

But into a better man. Bye. Thank you. I love you. Yeah, I love you. Take care. Appreciate it. Keep him in check

464

00:42:31,160 --> 00:42:33,880

Always this take care of you. All right, you too

465

00:42:36,920 --> 00:42:38,920

I

466

00:42:47,640 --> 00:42:48,840

Epilogue

467

00:42:48,840 --> 00:42:54,840

Two weeks after we left a group of local school children and earth the time capsule buried in 1975

468

00:42:56,120 --> 00:42:58,360

Inside they found a series of letters

469

00:42:59,000 --> 00:43:02,600

One was written by a 12 year old boy confirmed to be laverne's brother

470

00:43:03,160 --> 00:43:05,640

It was a message of hope for future generations

471

00:43:06,280 --> 00:43:09,240

The letter was signed years truly rocky

472

00:43:12,440 --> 00:43:15,000

For patrick and margaret as well as myself

473

00:43:15,480 --> 00:43:23,160

This nearly impossible coincidence and the calm that has since settled over their home are proof

that rocky has finally moved on
