these are my issues saberily when they need me not doing a right one we could find some,

74

00:26:30,780 --> 00:26:34,280

it's a concern right there.

75

00:26:34,680 --> 00:26:37,340

Then we try to get a better beginning getting out with the data

76

00:26:37,340 --> 00:26:42,560

and going for the video playing with the awareness in that location.

77

00:26:46,900 --> 00:26:49,000

We have to work that out.

78

00:26:50,280 --> 00:26:54,620

There's a lot happening going for us in the informationello region.

79

00:26:54,620 --> 00:27:24,620
