

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:05,000 --> 00:00:08,460

Was at this top step right here, and I actually got pushed down the stairs

3

00:00:08,960 --> 00:00:14,060

Brandon moved into this house. It was like a hurricane. I don't know what this is

4

00:00:14,060 --> 00:00:18,900

I believe there's something bad in this house, and I believe it is a demon

5

00:00:21,400 --> 00:00:28,520

What's that there's something hovering out there you got our tension are you hiding that was you can you do it again?

6

00:00:29,280 --> 00:00:37,240

We're dealing with someone who purposefully conjured something in your home. It's parting words were just you wait

7

00:00:40,040 --> 00:00:42,040

My name is Ryan Buell

8

00:00:43,600 --> 00:00:46,240

As a child I was plagued by the paranormal

9

00:00:48,520 --> 00:00:53,200

So in college I founded a group known as the paranormal research society

10

00:00:53,400 --> 00:01:00,120

Now my team and I help those who are haunted like I was

11

00:01:04,240 --> 00:01:07,120

This is paranormal state

12

00:01:17,000 --> 00:01:19,560

So we were here in the Poconos, Pennsylvania

13

00:01:19,560 --> 00:01:23,760

I know some details, but once you go in to fill us in they experienced everything from

14

00:01:24,120 --> 00:01:28,280

doors opening up doors closing seeing lights in the woods

15

00:01:28,960 --> 00:01:34,740

One of the clients Brandon says he's been pushed and he fell down the stairs none of the major activity started until

16

00:01:35,080 --> 00:01:37,760

Brandon moved in and Holly's ex moved out

17

00:01:38,320 --> 00:01:42,280

September 3rd of this year after Brandon moved in it was

18

00:01:42,960 --> 00:01:48,380

Like a flipping switch the activity really ramped up since then so just to give this straight

19

00:01:48,380 --> 00:01:55,100

Where Holly is the daughter and Sandra is the mom Brandon is dating Holly. Yeah

20

00:01:55,640 --> 00:02:00,580

Okay, essentially they were experiencing a haunting for how long before Brandon moved in

21

00:02:01,020 --> 00:02:06,060

Four years four years. Yes. Nothing seemed threatening until Brandon moves in

22

00:02:07,060 --> 00:02:09,060

There suddenly hearing a lot more

23

00:02:09,580 --> 00:02:15,720

Brandon's seen things. He's been pushed. He's been punched. He has possibly been diagnosed as

24

00:02:16,720 --> 00:02:20,960

Schizophrenic, I don't know what I can tell you is we have two witnesses

25

00:02:21,560 --> 00:02:23,560

that seem credible and

26

00:02:23,600 --> 00:02:28,680

That have had experiences in this house. It seems like there's a bit of a threat

27

00:02:29,120 --> 00:02:32,900

They are frightened. So let's just see what we can do to help them

28

00:02:45,720 --> 00:02:47,720

You

29

00:02:58,920 --> 00:03:01,120

Brandon yeah, that's fine. You do line

30

00:03:01,720 --> 00:03:07,160

This is my team. What's your name? Sandy Sandy nice to meet you. Oh, I'm nice to meet you

31

00:03:07,680 --> 00:03:09,680

what I'd like to do is

32

00:03:09,840 --> 00:03:16,160

Go around the house and just do a quick brief rundown of any major area that's had experiences

33

00:03:16,160 --> 00:03:18,340

I can give you a walk. They're gonna walk through. Okay, cool

34

00:03:22,640 --> 00:03:27,480

There's a few things first one Holly's mom was in this room and Holly was upstairs

35

00:03:27,480 --> 00:03:29,720

Which is there are rooms right above the kitchen here

36

00:03:29,720 --> 00:03:34,440

They heard a really vicious like growling noise coming from the living room that scared both of them

37

00:03:34,440 --> 00:03:39,520

I always found a sleep so out of here. It's what didn't bother me. You're saying in here in the living room

38

00:03:39,680 --> 00:03:46,000

They heard a growl come from here from out there Holly's mom said something about it. Holly was like, well, I heard it too

39

00:03:46,000 --> 00:03:48,000

But I thought it was my imagination

40

00:03:48,040 --> 00:03:50,040

Okay

41

00:03:50,040 --> 00:03:52,040

Next these stairs

42

00:03:52,880 --> 00:03:54,040

First time it happened

43

00:03:54,040 --> 00:03:59,560

I was at this top step right here and I actually got pushed down the stairs and I could feel the hands on my back

44

00:03:59,560 --> 00:04:00,920

push me

45

00:04:00,920 --> 00:04:04,760

Hit my head off the stair and then blacked out. I was out for like a half hour

46

00:04:05,200 --> 00:04:10,080

Second time I was coming down and I got to the third step and I felt the hand push me again

47

00:04:10,080 --> 00:04:13,000

And only this time Holly's mom was right here and Holly was right here

48

00:04:13,000 --> 00:04:15,320

So they were there the witness at that time. Okay

49

00:04:18,680 --> 00:04:22,360

What's happening here just the other night I was laying on the bed

50

00:04:23,320 --> 00:04:29,920

Holly was sitting on the bed and all of us felt the bed just shift and that's why I started getting scared in here

51

00:04:30,120 --> 00:04:34,600

There's times we'll sit over here watch TV and we look straight out this window

52

00:04:34,760 --> 00:04:38,920

It's like a lantern and you can see it going up and down like it's swinging

53

00:04:38,920 --> 00:04:44,920

It gets right click next to our house and then it'd be gone and me Holly and her mom have seen it

54

00:04:44,920 --> 00:04:46,920

If you were to come over here and look out the window

55

00:04:47,840 --> 00:04:50,440

If you look out that way, that's where you see the lantern

56

00:04:50,440 --> 00:05:03,920

When did you guys first have an experience?

57

00:05:04,560 --> 00:05:07,200

started about the winter of 2006 and

58

00:05:08,360 --> 00:05:11,560

Notice that there was this light that was coming towards our property

59

00:05:11,560 --> 00:05:17,920

So I was wondering who would be out really late wandering through the snow when it kept happening.
I

60

00:05:18,920 --> 00:05:23,680

Actually went out on the property and look to see if there's any footprints nothing was there to me

61

00:05:23,680 --> 00:05:26,600

It was this is a person. This has got to be a person

62

00:05:26,640 --> 00:05:31,080

So I would go and look to see there's no footsteps. What about your ex? Did you guys talk a lot?

63

00:05:31,320 --> 00:05:36,120

We used to be like best friends and then we moved up here and he changed

64

00:05:36,760 --> 00:05:42,000

Drastically it got real dark when he moved up here in April. I said I wanted a divorce

65

00:05:42,360 --> 00:05:48,480

So when he left is when Brandon moved in gotcha now the minute Brandon moved into this house

66

00:05:48,720 --> 00:05:53,200

It was like a hurricane and everything started to happen all the time

67

00:05:53,960 --> 00:05:57,520

Why is he going after Brandon? Why didn't he go after my ex?

68

00:06:03,240 --> 00:06:09,360

So what was your first experience nothing really happened to about a week after I moved in I

69

00:06:09,840 --> 00:06:16,640

Had bad back problem from when I worked security. Are you in disability because of your back? No, I'm on disability

70

00:06:17,680 --> 00:06:19,680

Because of my ADHD

71

00:06:19,960 --> 00:06:24,720

My bipolar and they just recently diagnosed me with schizophrenia

72

00:06:25,600 --> 00:06:28,720

Because when I was a young kid I used to hear voices

73

00:06:29,760 --> 00:06:31,520

Calling my name and stuff

74

00:06:31,520 --> 00:06:36,120

But now after all this I think those voices I heard was actually someone trying to talk to me

75

00:06:36,120 --> 00:06:40,960

So are you officially diagnosed or did they just say we think you have schizophrenia?

76

00:06:41,680 --> 00:06:42,880

My

77

00:06:42,880 --> 00:06:48,840

Counselor I was going through told me he thought I was a high schizophrenia, but they didn't officially tell me okay

78

00:06:48,840 --> 00:06:50,680

I've diagnosed you with this already

79

00:06:50,680 --> 00:06:56,120

Was there anything else traumatic that happened to you right after I turned 19 a good friend of mine?

80

00:06:56,520 --> 00:06:59,080

He had passed away. He was actually stabbed in the back

81

00:07:00,440 --> 00:07:04,400

So that was this year. Yeah, and after that happened

82

00:07:04,880 --> 00:07:06,880

The voices started coming back

83

00:07:07,360 --> 00:07:12,120

Okay, why do you think you were pushed down the stairs? I believe there's

84

00:07:13,040 --> 00:07:18,400

Something bad in this house and I believe it as a demon or some sort of evil spirit

85

00:07:22,640 --> 00:07:27,600

Directors log I'm sending Josh and Alfie into the woods to investigate the mysterious lights

86

00:07:27,880 --> 00:07:32,360

Well, I'll be using a new piece of equipment to seek out any anomalies inside the house

87

00:07:35,400 --> 00:07:37,400

Go ahead and commence dead time

88

00:07:38,720 --> 00:07:40,320

Commencing dead time

89

00:07:40,320 --> 00:07:41,920

it is

90

00:07:41,920 --> 00:07:45,200

to 11 a.m. If you're here

91

00:07:46,880 --> 00:07:48,880

Give me a sign of your presence

92

00:07:53,760 --> 00:07:57,320

We're gonna walk out of these woods and it's gonna be 20 years later

93

00:07:58,840 --> 00:08:01,160

Did you hear that sound like a kid?

94

00:08:05,360 --> 00:08:10,040

I can't see you but if you look into this eye, maybe I can

95

00:08:11,320 --> 00:08:15,960

You must have a message so why don't you tell me what that message is?

96

00:08:17,720 --> 00:08:20,040

Why are you scaring the people here in this house?

97

00:08:21,720 --> 00:08:23,720

Why do you want to scare Brandon?

98

00:08:25,400 --> 00:08:28,040

Well, I thought maybe I saw a shadow go by

99

00:08:29,280 --> 00:08:31,280

Are you hiding?

100

00:08:32,040 --> 00:08:35,920

We know harm or disrespect we just want to know what's going on

101

00:08:40,080 --> 00:08:42,080

Yeah, it looked like a

102

00:08:43,040 --> 00:08:46,280

Just a light from the sky twinkling down. I

103

00:08:47,400 --> 00:08:50,280

Mean for a moment there it did look like it was flickering

104

00:08:52,600 --> 00:08:54,600

If you're here

105

00:08:55,440 --> 00:08:57,440

Give me a sign of your presence

106

00:08:57,440 --> 00:08:59,440

I

107

00:09:00,040 --> 00:09:06,800

Earth is that heard some sort of sound out in the hallway this thing is creepy

108

00:09:09,920 --> 00:09:11,920

You show yourself

109

00:09:12,040 --> 00:09:16,080

I'm seeing this that's what I saw there's something like

110

00:09:16,960 --> 00:09:18,960

levitating above the bed

111

00:09:19,480 --> 00:09:22,120

What do you think of the family that's in this home?

112

00:09:22,880 --> 00:09:27,280

We want to know if you're not happy with Brandon being here

113

00:09:30,760 --> 00:09:36,440

Did you hear something could you tell where it originated from no, okay?

114

00:09:38,840 --> 00:09:46,400

You got our attention if this family has done something to wrong you please let us know I

115

00:09:48,160 --> 00:09:51,040

Thought I heard like a banging of that was it

116

00:09:51,640 --> 00:09:53,640

Yeah

117

00:09:57,000 --> 00:10:03,440

Well, what was that what did you hear something moved from behind me over here?

118

00:10:08,040 --> 00:10:10,040

That was you can do it again

119

00:10:12,200 --> 00:10:14,200

Moving out there

120

00:10:21,040 --> 00:10:27,000

To see that that might be a reflection Ryan get closer to it. It's moving without me doing anything

121

00:10:27,440 --> 00:10:32,440

Yeah, it was very interesting sound. I know you probably picked it up game from somewhere over here

122

00:10:34,360 --> 00:10:36,360

I don't know what it was

123

00:10:37,360 --> 00:10:39,360

I

124

00:10:39,360 --> 00:10:41,360

Don't know what it was

125

00:10:42,360 --> 00:10:44,360

I

126

00:10:44,360 --> 00:10:46,360

Don't know what it was

127

00:10:46,360 --> 00:10:47,860

I

128

00:10:47,860 --> 00:10:49,860

Don't know what it was

129

00:10:49,860 --> 00:10:53,860

Let's go ahead and it did time. All right, let's go

130

00:11:00,740 --> 00:11:06,820

You see that light before that light out in the distance

131

00:11:11,880 --> 00:11:14,040

There is this war I saw move

132

00:11:14,980 --> 00:11:16,180

Why is that?

133

00:11:16,180 --> 00:11:18,020

This is Ryan Poole

134

00:11:18,020 --> 00:11:24,820

There's a light out there and I swore I saw it move from as I've been standing here watching it move from point

135

00:11:25,180 --> 00:11:27,180

Hey to point B

136

00:11:29,100 --> 00:11:31,620

There's something hovering out there

137

00:11:32,280 --> 00:11:34,280

So

138

00:11:42,920 --> 00:11:47,680

We go to the lights you saw the first set of lights on the west side all I know is

139

00:11:48,480 --> 00:11:51,840

At first I was like now that can't be it but as I kept watching it

140

00:11:52,280 --> 00:11:53,220

All right

141

00:11:53,220 --> 00:11:59,480

The movement of these lights and what we saw kind of fits in with what Holly told me is that it doesn't sort of go

142

00:11:59,660 --> 00:12:05,560

Zigzag it slowly kind of wanders a little bit and it gets closer and closer and closer

143

00:12:06,300 --> 00:12:11,420

Elphi and Josh we sent them out. Yeah now as you guys are walking. I'm assuming this is the light that you saw

144

00:12:11,420 --> 00:12:17,300

Yeah, you guys were walking towards as we got actually closer to this this one is actually three different lights

145

00:12:17,300 --> 00:12:19,820

We counted for all the houses that were closer

146

00:12:20,260 --> 00:12:26,020

Obviously that that plays into the the myth of this the sort of Ignace Fattu's will of the wisps

147

00:12:26,220 --> 00:12:28,940

You keep following this and you never find the end

148

00:12:29,500 --> 00:12:36,540

Maybe there's an explanation, but it does exactly what they say it did so, I mean there's something going on out there

149

00:12:37,540 --> 00:12:41,980

Directors log based on what PRS and the two women of the house have experienced here

150

00:12:41,980 --> 00:12:45,820

I'm wondering if the previous diagnosis of Brandon is schizophrenic is accurate

151

00:12:46,140 --> 00:12:48,140

So I'm bringing in consulting

152

00:12:48,260 --> 00:12:56,620

Psychologist Adam said look to determine whether Brandon's history of paranormal experiences may in fact have been mistakenly identified as mental illness

153

00:12:57,040 --> 00:12:59,800

My name is Adam Brandon. How you doing good good?

154

00:12:59,800 --> 00:13:02,760

I'm a psychologist and I was asked to ask you some questions

155

00:13:02,760 --> 00:13:10,120

Have you draw some pictures and and to answer some true and false questions later on in this interview?

156

00:13:11,120 --> 00:13:13,800

And while Adam completes Brandon's assessment

157

00:13:13,800 --> 00:13:20,100

I've asked psychic in longtime PRS colleague Michelle Belanger to walk blindfolded through the home and give me her impressions

158

00:13:20,100 --> 00:13:22,100

Hey Michelle, hey Ryan. How you doing?

159

00:13:22,720 --> 00:13:28,800

There is a sense of invitation a concerted

160

00:13:30,360 --> 00:13:35,660

Process to make this space more inviting

161

00:13:36,420 --> 00:13:41,840

To activity someone did something to bring activity in here

162

00:13:42,000 --> 00:13:44,360

He's doing something to the space

163

00:13:45,240 --> 00:13:47,240

To invite things in

164

00:13:47,840 --> 00:13:49,840

What really feels like he went around?

165

00:13:50,500 --> 00:13:52,500

dismantling all the doors and

166

00:13:53,540 --> 00:13:55,620

Breaking down the veil letting stuff in

167

00:14:00,460 --> 00:14:03,420

You believe that whatever's going on here was conjured

168

00:14:04,500 --> 00:14:11,540

Yes, where did it come from? There's a sense of at least one person who very intentionally

169

00:14:12,280 --> 00:14:20,000

Opened the door sinned the walls broke the barriers to encourage things to come in

170

00:14:20,400 --> 00:14:23,440

To invite them to have a field day to play

171

00:14:35,160 --> 00:14:37,160

Interesting fellow as always

172

00:14:37,480 --> 00:14:39,480

When you look at the projective results

173

00:14:40,340 --> 00:14:47,580

He's okay. The previous diagnosis of psychosis or schizophrenia. You look at his MMPI results

174

00:14:48,620 --> 00:14:50,620

not there in my

175

00:14:51,420 --> 00:14:55,700

Professional opinion this young man at this time is definitely not schizophrenic

176

00:14:56,060 --> 00:15:02,600

Does he have some problems? Yes. He's trying to deal with things around him that he doesn't understand

177

00:15:02,780 --> 00:15:06,740

He's having a tough time doing it. He just indicates that

178

00:15:07,160 --> 00:15:14,800

The only thing he needs now is help and that's why he contacted you now it kind of throws the ball back into your court

179

00:15:21,280 --> 00:15:27,160

Michelle does not believe that what we're dealing with is something that's already been here

180

00:15:27,840 --> 00:15:33,160

She'll believes that somebody specifically brought something here and with a purpose

181

00:15:33,620 --> 00:15:40,540

In other words that someone conjured something up, you know Alfie Michelle are just kind of perusing the books and

182

00:15:41,020 --> 00:15:43,160

There's one in here in particular. I

183

00:15:43,700 --> 00:15:45,700

Just want to know who this belonged to

184

00:15:46,940 --> 00:15:49,920

Ceremonial magic, but you think this was your former

185

00:15:50,620 --> 00:15:55,340

Boyfriend it most likely it was when I would ever ask him about any of these books

186

00:15:55,820 --> 00:16:00,740

Because he's had several of them. He would tell me that well. This is not a real book

187

00:16:00,740 --> 00:16:07,080

This is something that we study and you know, this is not a beginner's book. This is an advanced book

188

00:16:07,080 --> 00:16:09,080

This is something that someone would pick up

189

00:16:09,440 --> 00:16:11,440

Who really knows their stuff?

190

00:16:11,960 --> 00:16:13,960

We're dealing with someone who purposefully

191

00:16:14,960 --> 00:16:20,800

Conjured something in your home now. I have to ask has anyone here

192

00:16:21,280 --> 00:16:24,480

You know in this house ever practiced any sort of

193

00:16:25,320 --> 00:16:30,720

Magic or a cold no, I can tell you I have never done any type of

194

00:16:30,760 --> 00:16:32,760

Ceremonial magic. I have never

195

00:16:33,680 --> 00:16:40,360

Participated at any type of black magic. We'll have to ask this too has Brandon done anything even on a lower

196

00:16:40,960 --> 00:16:48,640

Not advanced level. No, let's also look at this coincidence your ex leaves in the same day Brandon moves in

197

00:16:50,000 --> 00:16:51,840

It's not

198

00:16:51,840 --> 00:16:56,720

Unusual if for someone to practice stuff to then do something before they leave

199

00:16:56,940 --> 00:17:03,340

If you honestly are not aware of things in your ex-boyfriend he's done then that means he was doing it in secret somebody

200

00:17:03,860 --> 00:17:06,400

In this house has done something

201

00:17:07,220 --> 00:17:09,220

geared to torment y'all

202

00:17:09,580 --> 00:17:12,420

Well, his parting words were just you wait

203

00:17:13,180 --> 00:17:15,700

That's what he told her. He said he'll wait forever

204

00:17:16,900 --> 00:17:18,900

And he said I'll be back in this house

205

00:17:27,540 --> 00:17:35,660

If you honestly are not aware of things your ex-boyfriend he's done then that means he was doing it in secret seems possible that somebody

206

00:17:36,140 --> 00:17:38,620

In this house has done something

207

00:17:39,500 --> 00:17:41,500

geared to torment y'all

208

00:17:41,860 --> 00:17:44,720

Well, his parting words were just you wait

209

00:17:45,460 --> 00:17:48,040

That's what he told her. He said he'll wait forever

210

00:17:49,220 --> 00:17:51,220

And he said I'll be back in this house

211

00:17:52,420 --> 00:17:55,860

Michelle something very interesting. It's to bring the walls down

212

00:17:56,320 --> 00:17:57,840

to hurt

213

00:17:57,840 --> 00:18:01,160

It's possible that something was conjured and it's getting stronger

214

00:18:01,880 --> 00:18:04,600

We haven't gone through the storm fully yet

215

00:18:05,480 --> 00:18:07,360

biggest thing is we need to try to see if

216

00:18:07,920 --> 00:18:14,160

Michelle can try to dismantle whatever's going on here if someone is able to conjure this stuff.
It's also possible to fight it

217

00:18:17,400 --> 00:18:22,040

Directors log now that I have a strong lead on the source of this family's problem

218

00:18:22,220 --> 00:18:27,060

I've asked Brandon to join Holly Sandra and I as we talk about the way forward

219

00:18:27,380 --> 00:18:33,620

So I believe there's two things going on here. I think there's something magical out there. I can't explain. That's really interesting

220

00:18:33,620 --> 00:18:38,780

I saw a light from over there. We have it on video for a good

221

00:18:39,300 --> 00:18:40,700

40 minutes

222

00:18:40,700 --> 00:18:44,060

Nevertheless the lights remain a mystery that we cannot solve

223

00:18:45,320 --> 00:18:46,540

There are

224

00:18:46,560 --> 00:18:50,320

Mysterious lights that appear all over the world that even scientists can't explain

225

00:18:50,320 --> 00:18:56,800

It's called the Ignis Fatus and there's all these different legends about it such as trying to mislead people

226

00:18:57,200 --> 00:19:01,600

But I believe that's separate from what may be going on inside this house

227

00:19:01,600 --> 00:19:03,760

But then there's something negative going on here

228

00:19:04,320 --> 00:19:10,400

Save to say even though we can't 100% prove it that there's some sort of witchcraft or magic

229

00:19:11,440 --> 00:19:13,440

practiced in this house

230

00:19:13,660 --> 00:19:17,780

The ceremonial magic books that were laying around were highly advanced

231

00:19:18,420 --> 00:19:25,420

It seems based off y'all's testimony that the most likely source of that is a person you're in a former relationship with

232

00:19:25,420 --> 00:19:28,740

I don't think this thing is focusing on you Brandon

233

00:19:28,740 --> 00:19:32,980

I think you just happened to be here the day you moved in is the day your former

234

00:19:33,300 --> 00:19:39,380

Boyfriend left and you moved in that same day if he was into the black arts

235

00:19:39,440 --> 00:19:47,600

Then what's to say out of spite just to say I wish harm on all of them as he walks out the door

236

00:19:49,080 --> 00:19:51,080

You have so much

237

00:19:51,240 --> 00:19:57,800

Material left from your ex-boyfriend. He hasn't left this house yet symbolically metaphorically. I know

238

00:19:58,320 --> 00:20:05,000

I'm trying to get rid of everything that has to do with him. My suggestion is that sooner rather than later

239

00:20:05,860 --> 00:20:10,980

Pack up everything. That's his move it somewhere outside of the property

240

00:20:12,380 --> 00:20:16,140

Symbolically it means the last remnants of him are gone

241

00:20:16,740 --> 00:20:24,140

Okay, now Michelle is going to do a blessing here tonight as well as put up walls

242

00:20:24,860 --> 00:20:29,580

Ceremoniously something keeps coming in and invading the house and things have been brought up here

243

00:20:29,800 --> 00:20:37,220

She's gonna try to remove that stuff and put up shields so that way it limits the effector hopefully makes it go away

244

00:20:37,560 --> 00:20:43,080

Mm-hmm, and you know, we'll give you your house back. I just want to thank you. My pleasure, man

245

00:20:45,040 --> 00:20:47,920

Then I want to thank you my pleasure

246

00:20:49,400 --> 00:20:53,600

Final director's log as a precaution against further activity

247

00:20:53,600 --> 00:20:57,240

I'm having Michelle replaced the psychic barriers that may have been torn down

248

00:20:57,700 --> 00:21:00,860

Both inside the home and in the surrounding forest

249

00:21:01,340 --> 00:21:07,460

With these four walls that were taken down and make you walls again to protect all who are within

250

00:21:08,540 --> 00:21:10,540

from all that is without I

251

00:21:13,340 --> 00:21:16,460

Ask all you spirits out here

252

00:21:17,260 --> 00:21:19,420

To respect the boundaries of this house

253

00:21:20,180 --> 00:21:24,980

The four walls and roof that shelter the people here and come only when invited

254

00:21:24,980 --> 00:21:29,960

Leave when asked and share this space
