

1

00:00:00,000 --> 00:00:03,000

We said, is there a friendly spirit here?

2

00:00:03,000 --> 00:00:05,000

It said no.

3

00:00:05,000 --> 00:00:06,000

Hey.

4

00:00:06,000 --> 00:00:08,000

Something bad was happening in the house.

5

00:00:08,000 --> 00:00:11,000

What have we done? What have we done?

6

00:00:11,000 --> 00:00:13,000

It's like a long street.

7

00:00:13,000 --> 00:00:15,000

It's a fire coming out of the back.

8

00:00:15,000 --> 00:00:17,000

This woman thinks she's seeing a UFO.

9

00:00:17,000 --> 00:00:18,000

I mean, you could hear her nervousness.

10

00:00:18,000 --> 00:00:19,000

Yeah, it's not moving.

11

00:00:19,000 --> 00:00:22,000

All of a sudden, everything, electronic in my vehicle, dies.

12

00:00:22,000 --> 00:00:24,000

I'm not sure if it's a real thing.

13

00:00:24,000 --> 00:00:25,000

I'm not sure.

14

00:00:25,000 --> 00:00:26,000

I'm not sure.

15

00:00:26,000 --> 00:00:27,000

I'm not sure.

16

00:00:27,000 --> 00:00:28,000

I'm not sure.

17

00:00:28,000 --> 00:00:30,000

Everything, electronic in my vehicle, dies.

18

00:00:30,000 --> 00:00:31,000

9, 9, 8, 9, 8.

19

00:00:31,000 --> 00:00:32,000

Do you read me?

20

00:00:32,000 --> 00:00:34,000

Any unit who doesn't answer, that's a crisis.

21

00:00:34,000 --> 00:00:35,000

Do you read me?

22

00:00:35,000 --> 00:00:39,000

I really knew that I wasn't alone in that house anymore.

23

00:00:39,000 --> 00:00:42,000

I was scared it was going to hurt one of us.

24

00:00:42,000 --> 00:00:46,000

My hand goes right on my pistol.

25

00:00:46,000 --> 00:00:47,000

It was weird.

26

00:00:47,000 --> 00:00:48,000

Wait a minute.

27

00:00:48,000 --> 00:00:49,000

Oh my god, I'm ready for this.

28

00:00:49,000 --> 00:00:50,000

It was unbelievable.

29

00:00:58,000 --> 00:01:05,000

I remember that night vividly.

30

00:01:05,000 --> 00:01:20,000

It was a December night, and it was unusually warm because I remember not wearing a jacket.

31

00:01:20,000 --> 00:01:24,000

My first call was a domestic between a male and a female.

32

00:01:24,000 --> 00:01:29,000

Usually when it's warmer, we seem to be busy.

33

00:01:29,000 --> 00:01:37,000

I had to fill out a report, and so I had made plans with the other officers to meet up and have a coffee.

34

00:01:37,000 --> 00:01:39,000

I love being a cop.

35

00:01:39,000 --> 00:01:40,000

I believe this is a calling for me.

36

00:01:40,000 --> 00:01:46,000

This is what I was meant to do.

37

00:01:46,000 --> 00:01:49,000

I have been a police officer for 15 years.

38

00:01:49,000 --> 00:01:53,000

When I worked at 911, we dispatched for the greater portion of Trumbull County.

39

00:01:53,000 --> 00:01:57,000

It's a pretty vast area.

40

00:01:57,000 --> 00:02:03,000

We would receive calls for emergency service, and we would also dispatch police units.

41

00:02:03,000 --> 00:02:07,000

I was expecting what we had every other night.

42

00:02:07,000 --> 00:02:09,000

A little bit of traffic related calls.

43

00:02:09,000 --> 00:02:11,000

We were going to have a few bar fights.

44

00:02:11,000 --> 00:02:16,000

The calls that began that night initially caught me off guard.

45

00:02:16,000 --> 00:02:18,000

Dispatch, may I help you?

46

00:02:18,000 --> 00:02:23,000

Do you get any reports of any objects in the air about 15 minutes ago?

47

00:02:23,000 --> 00:02:26,000

I mean, it was very strange.

48

00:02:26,000 --> 00:02:29,000

He was calm, but at the same time you could hear a nervousness.

49

00:02:29,000 --> 00:02:32,000

He wasn't familiar with what he was seeing.

50

00:02:32,000 --> 00:02:37,000

It was like a fighter plane, you know, like a plane coming out the back.

51

00:02:37,000 --> 00:02:40,000

Okay, was it just like moving at a slow rate of speed?

52

00:02:40,000 --> 00:02:44,000

It was rolling, sadly, but it was coming down.

53

00:02:44,000 --> 00:02:45,000

It was coming down?

54

00:02:45,000 --> 00:02:46,000

Yes.

55

00:02:46,000 --> 00:02:47,000

Like straight down or at an angle?

56

00:02:47,000 --> 00:02:49,000

At an angle.

57

00:02:49,000 --> 00:02:50,000

At an angle?

58

00:02:50,000 --> 00:02:51,000

Okay.

59

00:02:51,000 --> 00:02:54,000

It was a real big gun, too, in the back.

60

00:02:54,000 --> 00:02:55,000

Okay.

61

00:02:55,000 --> 00:02:56,000

I'm pleased.

62

00:02:56,000 --> 00:03:01,000

Knowing that our jurisdiction is quite in line with the air base, my first reaction was,

63

00:03:01,000 --> 00:03:05,000

oh my gosh, what if there's something wrong with one of the aircrafts or something in the area?

64

00:03:05,000 --> 00:03:09,000

But the tone in his voice doesn't reflect he's watching a plane crash.

65

00:03:09,000 --> 00:03:10,000

It's quite different.

66

00:03:10,000 --> 00:03:11,000

All right.

67

00:03:11,000 --> 00:03:15,000

I'll tell you what, we'll check with the air base and see if they have any report of anything in the area.

68

00:03:15,000 --> 00:03:16,000

Yeah, okay, thank you.

69

00:03:16,000 --> 00:03:17,000

All right, thank you.

70

00:03:20,000 --> 00:03:26,000

And I tell the other people, okay guys, everybody grab your pens, you know, we're gonna have to get to work here now.

71

00:03:26,000 --> 00:03:31,000

There's something odd's going on because this guy's seeing fire coming out of the back of a plane.

72

00:03:31,000 --> 00:03:34,000

Are we gonna prepare for an airplane crash?

73

00:03:34,000 --> 00:03:35,000

There's a buzz now.

74

00:03:35,000 --> 00:03:37,000

This isn't something you normally hear.

75

00:03:37,000 --> 00:03:43,000

So while I'm taking the first call, I'm alerted that there's another call.

76

00:03:43,000 --> 00:03:45,000

Everybody dispatch, can I help you?

77

00:03:45,000 --> 00:03:49,000

There's a mother and daughter very excited about these lights they were seeing.

78

00:03:52,000 --> 00:03:57,000

She more or less just tells me the same thing the first guy says, I'm seeing lights in the sky.

79

00:03:57,000 --> 00:03:58,000

Right behind our backyard?

80

00:03:58,000 --> 00:04:01,000

They're not hearing any noise and it just hovers.

81

00:04:01,000 --> 00:04:04,000

And that seems to be what really troubled her.

82

00:04:06,000 --> 00:04:09,000

They were very certain they were not looking at a plane.

83

00:04:09,000 --> 00:04:11,000

Thank you so much, bye-bye.

84

00:04:11,000 --> 00:04:14,000

Now you think, okay, this is kind of crazy.

85

00:04:15,000 --> 00:04:19,000

But it's caught the attention of all the other dispatchers and we're all kind of listening to everything.

86

00:04:19,000 --> 00:04:22,000

Torianne, I got a reporter from 33.

87

00:04:22,000 --> 00:04:23,000

Oh, God.

88

00:04:23,000 --> 00:04:25,000

The next call we receive is from the media.

89

00:04:25,000 --> 00:04:27,000

Liberty dispatch, can I help you?

90

00:04:27,000 --> 00:04:29,000

They're scanning all the police traffic.

91

00:04:29,000 --> 00:04:31,000

What the heck am I gonna tell the media?

92

00:04:31,000 --> 00:04:33,000

Hi, Tarek. This is Daisy.

93

00:04:33,000 --> 00:04:34,000

Hi, Daisy Howry.

94

00:04:34,000 --> 00:04:38,000

I hear Liberty police are in an area that I got a call about a little bit ago.

95

00:04:38,000 --> 00:04:41,000

A woman called claimed she saw something, me and I.

96

00:04:41,000 --> 00:04:46,000

The area was like Shampson Drive, there's a vacant field midway through the block.

97

00:04:46,000 --> 00:04:50,000

It was clear to me this woman thinks she's seeing a UFO.

98

00:04:50,000 --> 00:04:52,000

I don't want to acknowledge this.

99

00:04:52,000 --> 00:04:57,000

They're telling me this too, but I mean, it's probably some leather balloon or something.

100

00:04:57,000 --> 00:05:03,000

You know what I mean? They're checking the area, but I really, these UFO calls are getting out of here.

101

00:05:03,000 --> 00:05:05,000

So I kind of gaff it off and make a joke.

102

00:05:05,000 --> 00:05:08,000

If it was, what the hell would they come to Liberty for?

103

00:05:08,000 --> 00:05:10,000

There's no intelligent life in Liberty.

104

00:05:11,000 --> 00:05:17,000

I'm confirming, yeah, we've heard about the lights too, but there's no need to make this a panic.

105

00:05:17,000 --> 00:05:19,000

We're not having more of the worlds here.

106

00:05:19,000 --> 00:05:22,000

Well, if we do run into a UFO, I swear I will call you personally.

107

00:05:22,000 --> 00:05:23,000

Okay?

108

00:05:24,000 --> 00:05:28,000

Right after that, someone announces, oh, Liberty, you have another UFO call.

109

00:05:28,000 --> 00:05:30,000

Oh, gosh, here we go again.

110

00:05:30,000 --> 00:05:31,000

Liberty dispatch.

111

00:05:31,000 --> 00:05:33,000

This is getting kooky.

112

00:05:33,000 --> 00:05:35,000

Okay, so, lights in the sky.

113

00:05:35,000 --> 00:05:38,000

It was like an, almost like an iridescent color.

114

00:05:38,000 --> 00:05:40,000

It was like a blueish-purple.

115

00:05:40,000 --> 00:05:42,000

I know. It was like a long street.

116

00:05:42,000 --> 00:05:46,000

It had fire coming out of its back, but five minutes could have been okay.

117

00:05:46,000 --> 00:05:49,000

I know it wasn't an airplane, but it's coming down to Hampton Drive.

118

00:05:49,000 --> 00:05:51,000

We're checking on it. Thank you.

119

00:05:51,000 --> 00:05:57,000

The thing that's remarkable is this is all going on in a small, quiet street.

120

00:05:57,000 --> 00:06:00,000

Hampton Drive's a nice residential area.

121

00:06:00,000 --> 00:06:02,000

It's not a ton of crackpots.

122

00:06:02,000 --> 00:06:07,000

At this point, there's too many calls just to sit on this and make it my problem,

123

00:06:07,000 --> 00:06:09,000

because I don't pass it along.

124

00:06:09,000 --> 00:06:13,000

That night, Officer Malaro was working with me, Toby.

125

00:06:15,000 --> 00:06:16,000

Who was that?

126

00:06:16,000 --> 00:06:18,000

Two, three times in the last...

127

00:06:18,000 --> 00:06:24,000

Toby and the other officers had kind of assembled for an informal shift briefing.

128

00:06:25,000 --> 00:06:28,000

What are those two? It's every three months. It's like clockwork.

129

00:06:28,000 --> 00:06:32,000

They normally stop for coffee, donut shop, very cliché.

130

00:06:32,000 --> 00:06:37,000

I know it's a cliché. However, it was one of the only places that's open at night.

131

00:06:37,000 --> 00:06:40,000

Toby and I had known each other for years,

132

00:06:40,000 --> 00:06:44,000

and I think he's going to be the one out of the group working that will handle this the best.

133

00:06:46,000 --> 00:06:48,000

I chose to use his cell phone and not the radio,

134

00:06:48,000 --> 00:06:51,000

because this is something not recorded.

135

00:06:51,000 --> 00:06:54,000

If it makes me sound nutty, it's just between Toby and I.

136

00:06:55,000 --> 00:06:57,000

I remember, I had just picked up my coffee,

137

00:06:57,000 --> 00:07:01,000

was putting it to my lips when I received the call from the 911 Center.

138

00:07:02,000 --> 00:07:03,000

Hello.

139

00:07:03,000 --> 00:07:04,000

I've known Royann a long time.

140

00:07:04,000 --> 00:07:05,000

Hey, Royann, what's up?

141

00:07:05,000 --> 00:07:10,000

I could tell usually by the voice whether I need to jump up and run.

142

00:07:10,000 --> 00:07:13,000

This is going to sound really crazy.

143

00:07:13,000 --> 00:07:17,000

In this call, I didn't jump right away. I took my time.

144

00:07:17,000 --> 00:07:18,000

I tell Toby over the phone,

145

00:07:18,000 --> 00:07:20,000

Toby, these people are calling about a UFO.

146

00:07:20,000 --> 00:07:21,000

These are you kidding me?

147

00:07:21,000 --> 00:07:24,000

And it just kind of chuckled about it.

148

00:07:24,000 --> 00:07:27,000

We get calls all the time from people that are drunk and talk skated,

149

00:07:27,000 --> 00:07:30,000

people that don't have anything better to do.

150

00:07:30,000 --> 00:07:34,000

I said, it's all Samson Drive. It's all Fifth Avenue Extension.

151

00:07:34,000 --> 00:07:35,000

It's just that little area.

152

00:07:35,000 --> 00:07:38,000

Tell me you went there. Tell me you saw nothing. We'll be great.

153

00:07:38,000 --> 00:07:40,000

I swear to you, it's not a prank.

154

00:07:40,000 --> 00:07:43,000

I felt like I had to assure him, you know, this isn't a prank.

155

00:07:43,000 --> 00:07:45,000

You need to go and check this out.

156

00:07:45,000 --> 00:07:46,000

Okay.

157

00:07:46,000 --> 00:07:49,000

It wasn't anything that I was in a rush to do.

158

00:07:49,000 --> 00:07:50,000

Let me go take care of this.

159

00:07:50,000 --> 00:07:53,000

And I proceeded to tell the guys that I was sitting with,

160

00:07:53,000 --> 00:07:54,000

let me go get this over with.

161

00:07:54,000 --> 00:07:55,000

Can I have my coffee?

162

00:07:55,000 --> 00:07:57,000

And I'll be back in a couple minutes.

163

00:08:01,000 --> 00:08:04,000

I took my time getting there.

164

00:08:04,000 --> 00:08:08,000

I baited all the traffic. No lights, no sirens, nothing like that.

165

00:08:08,000 --> 00:08:12,000

I was thinking of two things, either people had been drinking

166

00:08:12,000 --> 00:08:15,000

or they were actually seeing some type of aircraft.

167

00:08:15,000 --> 00:08:17,000

It was not a priority call.

168

00:08:17,000 --> 00:08:19,000

I contact the sergeant of the turn.

169

00:08:19,000 --> 00:08:22,000

He's the one who's going to answer for all this later.

170

00:08:22,000 --> 00:08:26,000

I said, Bob, calls are coming in. You've got to hear this.

171

00:08:26,000 --> 00:08:30,000

Four calls in on an unidentified object, Denver Liberty.

172

00:08:30,000 --> 00:08:31,000

Four calls.

173

00:08:31,000 --> 00:08:33,000

Four calls on an unidentified flying object.

174

00:08:33,000 --> 00:08:36,000

Do you want me to call the air base and see if there's anything in the area?

175

00:08:36,000 --> 00:08:37,000

Bob even made a crack.

176

00:08:37,000 --> 00:08:38,000

Fox, there's no...

177

00:08:38,000 --> 00:08:39,000

Fox?

178

00:08:39,000 --> 00:08:42,000

Oh, you mean like generations, the Star Trek thing?

179

00:08:42,000 --> 00:08:43,000

Smartass.

180

00:08:43,000 --> 00:08:46,000

I'll tell them something to see for right here in Liberty.

181

00:08:49,000 --> 00:08:52,000

It probably took me three, four minutes to get into the area.

182

00:08:52,000 --> 00:08:54,000

I had to describe for one, four years.

183

00:08:54,000 --> 00:08:58,000

As I was approaching, I called in to get a little bit more information.

184

00:08:58,000 --> 00:09:00,000

998 to dispatch.

185

00:09:00,000 --> 00:09:01,000

How many are you good?

186

00:09:01,000 --> 00:09:04,000

I'll be in the area in a month, just 30 seconds here.

187

00:09:04,000 --> 00:09:08,000

One particular block, it's going over one area,

188

00:09:08,000 --> 00:09:10,000

and then we'll see in some area.

189

00:09:10,000 --> 00:09:14,000

They just said in the sky, that's all we have in the sky.

190

00:09:14,000 --> 00:09:15,000

The media formed us.

191

00:09:15,000 --> 00:09:18,000

It was a blue-green object, hovering no noise.

192

00:09:18,000 --> 00:09:21,000

It was in the area of 5,000 extensions.

193

00:09:21,000 --> 00:09:23,000

It's just...

194

00:09:24,000 --> 00:09:26,000

As I turned on the Samson Drive,

195

00:09:29,000 --> 00:09:31,000

a gentleman ran over to my car, saying,

196

00:09:31,000 --> 00:09:32,000

please stop, please stop.

197

00:09:32,000 --> 00:09:33,000

Stop!

198

00:09:33,000 --> 00:09:34,000

He seemed frightened, he seemed upset.

199

00:09:34,000 --> 00:09:35,000

Big white light.

200

00:09:35,000 --> 00:09:37,000

I'm thinking that there's something major going on.

201

00:09:52,000 --> 00:09:55,000

The gentleman came over and flagged me down,

202

00:09:55,000 --> 00:09:57,000

and he seemed frightened.

203

00:09:57,000 --> 00:10:00,000

I proceeded to roll down the window and ask him,

204

00:10:00,000 --> 00:10:02,000

sir, what's going on?

205

00:10:02,000 --> 00:10:03,000

What's wrong?

206

00:10:03,000 --> 00:10:04,000

He hesitated.

207

00:10:04,000 --> 00:10:07,000

He was like catching his breath.

208

00:10:07,000 --> 00:10:10,000

He then proceeded to point up in the sky and say,

209

00:10:10,000 --> 00:10:12,000

this huge light was this over my house.

210

00:10:12,000 --> 00:10:15,000

This light, I don't know what it was.

211

00:10:15,000 --> 00:10:19,000

I looked at him kind of out of the corner of my eye and said,

212

00:10:19,000 --> 00:10:20,000

okay.

213

00:10:20,000 --> 00:10:25,000

And then I leaned over to smell his breath to see maybe he had been drinking.

214

00:10:25,000 --> 00:10:26,000

I don't know.

215

00:10:26,000 --> 00:10:28,000

Because he was making a lot of sense.

216

00:10:28,000 --> 00:10:29,000

What?

217

00:10:29,000 --> 00:10:31,000

Down the street.

218

00:10:31,000 --> 00:10:33,000

He was very insistent on what he saw,

219

00:10:33,000 --> 00:10:36,000

and he wanted me to go check it out right away.

220

00:10:36,000 --> 00:10:38,000

He believed it was something that was serious.

221

00:10:38,000 --> 00:10:39,000

All right.

222

00:10:43,000 --> 00:10:46,000

I'm thinking if Toby just goes and sees a helicopter,

223

00:10:46,000 --> 00:10:48,000

this will be put to bed.

224

00:10:48,000 --> 00:10:50,000

That is not what happened.

225

00:10:51,000 --> 00:10:57,000

I couldn't have been more than a couple hundred feet away from where I had stopped the individual.

226

00:10:57,000 --> 00:11:00,000

I could see a light in the distance.

227

00:11:00,000 --> 00:11:04,000

It was a little bit away from me, and it was large.

228

00:11:04,000 --> 00:11:08,000

So I proceeded to let the royawn know, you know what, there is some type of light.

229

00:11:08,000 --> 00:11:10,000

998 to dispatch.

230

00:11:10,000 --> 00:11:12,000

I'm going to go.

231

00:11:12,000 --> 00:11:13,000

See some lights.

232

00:11:13,000 --> 00:11:15,000

It's over one block for me.

233

00:11:15,000 --> 00:11:17,000

I'm going to try to get over there.

234

00:11:17,000 --> 00:11:19,000

I got to go down the street here.

235

00:11:19,000 --> 00:11:21,000

It's a large object, whatever it is.

236

00:11:21,000 --> 00:11:23,000

Oh, now you see a light now too.

237

00:11:23,000 --> 00:11:25,000

Oh, you're kidding me.

238

00:11:25,000 --> 00:11:26,000

Great.

239

00:11:26,000 --> 00:11:27,000

Great.

240

00:11:27,000 --> 00:11:29,000

Now you're in with a whole hysteria of the thing.

241

00:11:29,000 --> 00:11:31,000

I just got a glimpse of it.

242

00:11:31,000 --> 00:11:33,000

I'm on Samson right now.

243

00:11:33,000 --> 00:11:36,000

I can see it heading west of the avenue on the other side.

244

00:11:36,000 --> 00:11:38,000

I can see some lights in that area.

245

00:11:38,000 --> 00:11:39,000

Okay.

246

00:11:39,000 --> 00:11:40,000

Now this is Toby.

247

00:11:40,000 --> 00:11:44,000

This is somebody we know, and he's now seeing it, and he's adding to it.

248

00:11:44,000 --> 00:11:46,000

So, it kind of kicks it up a notch.

249

00:11:46,000 --> 00:11:48,000

It was like a red pulsing light.

250

00:11:48,000 --> 00:11:53,000

It was like to the bottom of the airplane, but it was a little big.

251

00:11:53,000 --> 00:11:55,000

It was fine.

252

00:11:55,000 --> 00:12:01,000

At that point, it comes out of his mouth flying saucer, and this is over the radio, so I thought,

253

00:12:01,000 --> 00:12:04,000

oh, this is going to be where everybody joins in.

254

00:12:04,000 --> 00:12:08,000

And he goes on and tells me, look, I'm trying to get closer to it.

255

00:12:08,000 --> 00:12:10,000

What do you mean you're trying to get closer to it?

256

00:12:10,000 --> 00:12:11,000

What's going on?

257

00:12:11,000 --> 00:12:14,000

I thought maybe it's some type of aircraft.

258

00:12:14,000 --> 00:12:17,000

So, I call the air base.

259

00:12:17,000 --> 00:12:20,000

Yes, sir.

260

00:12:20,000 --> 00:12:23,000

This is Rorya from the Lurky Touch Police Department.

261

00:12:23,000 --> 00:12:30,000

We have reports from flying objects in our jurisdiction above the Samson Drive-thru stabbing extension area.

262

00:12:30,000 --> 00:12:33,000

The gentleman was very cordial, very nonchalant.

263

00:12:33,000 --> 00:12:36,000

I, on the other hand, was sort of embarrassed.

264

00:12:36,000 --> 00:12:39,000

Do you know of anything that should be in our airspace this time, close to the ground?

265

00:12:39,000 --> 00:12:41,000

This is not a prank phone call.

266

00:12:41,000 --> 00:12:43,000

I'll be back to verify.

267

00:12:43,000 --> 00:12:48,000

I wanted an answer, and he was very kind about it, but he was very nonchalant.

268

00:12:48,000 --> 00:12:50,000

And now, I'm just kind of brushed it off.

269

00:12:50,000 --> 00:12:57,000

Look, if the freighter's built that I go 60 miles, I am a little young star, and there it is, up and out there.

270

00:13:00,000 --> 00:13:04,000

I was going to try to get to the light as quickly as possible.

271

00:13:04,000 --> 00:13:06,000

I just wanted to get this over with.

272

00:13:06,000 --> 00:13:11,000

I wanted to say that this is the aircraft that this gentleman saw, and I go finish my coffee.

273

00:13:11,000 --> 00:13:13,000

I went down the street.

274

00:13:13,000 --> 00:13:15,000

I'd probably be another quarter of a mile.

275

00:13:15,000 --> 00:13:22,000

All of a sudden, everything electronic in my vehicle dies.

276

00:13:22,000 --> 00:13:32,000

I'm going, what is going on here?

277

00:13:32,000 --> 00:13:36,000

And I start turning my ignition to try to start the car back up.

278

00:13:36,000 --> 00:13:43,000

I've never encountered anything like this before where a car just stops.

279

00:13:43,000 --> 00:13:46,000

It was a mechanical failure, an electronic failure.

280

00:13:46,000 --> 00:13:48,000

The whole car failed.

281

00:13:52,000 --> 00:13:58,000

I remember bending over and checking my portable radio, trying to click it to see if that was working.

282

00:14:01,000 --> 00:14:05,000

That wasn't working either.

283

00:14:05,000 --> 00:14:11,000

When you have no ability to contact the 911 center, you're out there by yourself.

284

00:14:11,000 --> 00:14:14,000

I called for him over the radio.

285

00:14:14,000 --> 00:14:16,000

998, come in, 998.

286

00:14:16,000 --> 00:14:19,000

Toby typically would always pick right up.

287

00:14:19,000 --> 00:14:21,000

998, come in, 998.

288

00:14:21,000 --> 00:14:25,000

He didn't respond right away, so you call his number again.

289

00:14:25,000 --> 00:14:27,000

998, come in, 998.

290

00:14:27,000 --> 00:14:28,000

No response.

291

00:14:28,000 --> 00:14:30,000

998, do you read me? Come in.

292

00:14:30,000 --> 00:14:34,000

My sergeant at that point, he's listening, and okay, why isn't he answering?

293

00:14:34,000 --> 00:14:36,000

Toby, do you read me?

294

00:14:36,000 --> 00:14:38,000

He didn't respond again.

295

00:14:38,000 --> 00:14:40,000

Any unit who doesn't answer, that's a crisis.

296

00:14:40,000 --> 00:14:43,000

So we start directing the units towards his location.

297

00:14:43,000 --> 00:14:45,000

We've got an officer not responding.

298

00:14:45,000 --> 00:14:48,000

This went from playful and fun, ha ha ha, lights over Liberty.

299

00:14:48,000 --> 00:14:52,000

We've got a little green man, and now it's getting more concerning.

300

00:14:54,000 --> 00:14:58,000

I'm holding onto the steering wheel after I tried to restart the car.

301

00:15:02,000 --> 00:15:06,000

A huge light hits my vehicle.

302

00:15:08,000 --> 00:15:10,000

Huge light.

303

00:15:11,000 --> 00:15:15,000

It's like it encompassed this tree.

304

00:15:16,000 --> 00:15:19,000

I'm going, what is going on here?

305

00:15:19,000 --> 00:15:22,000

I'm thinking myself I need to exit the vehicle.

306

00:15:24,000 --> 00:15:26,000

I open the car door.

307

00:15:31,000 --> 00:15:34,000

My hand goes right on my pistol.

308

00:15:35,000 --> 00:15:42,000

There's a double lot that's wooded, and the object was hovering directly over that wooded lot.

309

00:15:42,000 --> 00:15:44,000

It's huge.

310

00:15:44,000 --> 00:15:46,000

It was unbelievable.

311

00:16:02,000 --> 00:16:07,000

The light was so intense that I had to shield my eye so I could look towards it.

312

00:16:08,000 --> 00:16:16,000

It's almost like you're looking up at the sun on a sunny, bright day, and you get those spots in your eyes.

313

00:16:18,000 --> 00:16:25,000

There was a structure there, but it was so bright, so intense, there was no way of saying exactly what it was.

314

00:16:27,000 --> 00:16:31,000

I would say it was the size of a football field, 100 yards.

315

00:16:31,000 --> 00:16:34,000

It's huge. It was unbelievable.

316

00:16:35,000 --> 00:16:39,000

I'm saying, could this be a helicopter with huge lights on it?

317

00:16:39,000 --> 00:16:41,000

However, there was no sound.

318

00:16:41,000 --> 00:16:43,000

It can't be a helicopter.

319

00:16:43,000 --> 00:16:47,000

It's not any type of aircraft because it's hovering over the tree line.

320

00:16:47,000 --> 00:16:49,000

What can this be?

321

00:16:51,000 --> 00:16:58,000

As I'm standing there, the object begins to move off, and I began to see somewhat of a shape of the object.

322

00:17:05,000 --> 00:17:09,000

The light look in my car is running again.

323

00:17:12,000 --> 00:17:15,000

I could hear my radio kick back on.

324

00:17:16,000 --> 00:17:25,000

I could hear my call sign, 998 being called by Roy Ann, and you could hear concern in her voice as she's trying to get a hold of me.

325

00:17:27,000 --> 00:17:31,000

There was radio feedback, and all of a sudden Toby comes back on.

326

00:17:31,000 --> 00:17:33,000

That'd be good.

327

00:17:33,000 --> 00:17:36,000

Toby had a service for a few minutes. I had to gather my thoughts.

328

00:17:38,000 --> 00:17:44,000

What do you mean you have to collect your thoughts? You had us worried about you. You have to collect your thoughts? We're the ones who worried about you.

329

00:17:44,000 --> 00:17:46,000

Happy gathering.

330

00:17:46,000 --> 00:17:52,000

So, even though I'm happy to hear from them, I'm a little annoyed. We don't need any added drama. What is this? Are you playing around with me?

331

00:17:53,000 --> 00:17:57,000

I just needed a few minutes to collect my thoughts.

332

00:17:57,000 --> 00:18:02,000

I was overwhelmed. What happened to me didn't make a lot of sense.

333

00:18:06,000 --> 00:18:13,000

I'm saying to myself, what the hell? I don't want to put that I saw a freaking UFO over the air, and they think I'm crazy or something.

334

00:18:14,000 --> 00:18:19,000

What I wanted to do is call Roy Ann and let her know what exactly I saw.

335

00:18:19,000 --> 00:18:25,000

I chose to use the phone. I'm not going to use the phone. I'm going to use the phone.

336

00:18:25,000 --> 00:18:31,000

I'm trying to get the information out of the radio so people think I'm nuts.

337

00:18:31,000 --> 00:18:33,000

998.

338

00:18:33,000 --> 00:18:35,000

Toby, go ahead.

339

00:18:35,000 --> 00:18:37,000

I'm okay. I'm back in service.

340

00:18:37,000 --> 00:18:43,000

He calls in, and we have a conversation over the phone, and I said, you know, what's going on?

341

00:18:43,000 --> 00:18:45,000

The UFO. I saw it.

342

00:18:45,000 --> 00:18:47,000

Did you really?

343

00:18:47,000 --> 00:18:51,000

I'm like, okay, Toby. Don't.

344

00:18:51,000 --> 00:18:57,000

I used the word UFO and identified flying object because I had no idea what this was.

345

00:18:57,000 --> 00:19:03,000

This is pretty farfetched. I really wanted to feel better when I told you to go check this. I don't feel any better.

346

00:19:04,000 --> 00:19:13,000

I was not joking one minute about what I saw. I told her, Roy, I'm being honest with you. This is what I saw. I know it's unbelievable.

347

00:19:13,000 --> 00:19:20,000

You could hear her voice come down. So she kept on asking me questions.

348

00:19:20,000 --> 00:19:27,000

What the object looked like. What colors I saw. What it was doing. What direction it was heading in.

349

00:19:27,000 --> 00:19:31,000

And I understand that he's had a huge experience.

350

00:19:31,000 --> 00:19:35,000

But while he's processing that, the radio started buzzing.

351

00:19:35,000 --> 00:19:39,000

I was pretty dispatched by head.

352

00:19:39,000 --> 00:19:46,000

Different officers who were listening over the open channels started commenting on their seeing lights in the sky.

353

00:19:46,000 --> 00:19:51,000

We're watching it right through the empty field.

354

00:19:51,000 --> 00:19:54,000

Five miles away, they're seeing it.

355

00:19:54,000 --> 00:20:00,000

There's some like a whitey spread to pulsating greenish lab. Let me check with Dave for his angle.

356

00:20:00,000 --> 00:20:03,000

And then five miles in another direction.

357

00:20:03,000 --> 00:20:09,000

I don't know if it's changing color. I can see red and it just seems to be hovering right now.

358

00:20:09,000 --> 00:20:12,000

All the way into the northern areas of our county.

359

00:20:12,000 --> 00:20:16,000

Everyone in the county has got a vision on it that I can hear.

360

00:20:17,000 --> 00:20:24,000

I jumped in my car. I activated my lights and sirens. I was blown like it was a priority call.

361

00:20:26,000 --> 00:20:30,000

The object was heading south and it looked like it was going extremely fast.

362

00:20:31,000 --> 00:20:34,000

I'm trying to catch up and cut through side streets.

363

00:20:34,000 --> 00:20:38,000

However, I'm in a residential area.

364

00:20:38,000 --> 00:20:41,000

I was trying to find a direct line.

365

00:20:41,000 --> 00:20:45,000

I was cutting through every street that I could come across.

366

00:20:45,000 --> 00:20:51,000

I shouldn't say how fast I was going. I was exceeding the speed limit.

367

00:20:53,000 --> 00:20:56,000

I could hear other police trying to catch up to it.

368

00:21:00,000 --> 00:21:03,000

We have multiple departments right now that have sightings on it.

369

00:21:03,000 --> 00:21:08,000

You could hear everybody talking about it. Where do you see it? Where is it now? Where it's going?

370

00:21:08,000 --> 00:21:11,000

This is United State. My thing is it's responding.

371

00:21:11,000 --> 00:21:13,000

Yeah, I'm just going to head into New Jersey.

372

00:21:13,000 --> 00:21:17,000

And I was once on a responding calls because everybody was consumed chasing this object.

373

00:21:17,000 --> 00:21:23,000

These are sergeants and seasoned veterans. They were all excited about this.

374

00:21:23,000 --> 00:21:29,000

See it now. I'm here to some other trees. It looked like it might have flickered a little and that because it's moving slightly.

375

00:21:29,000 --> 00:21:31,000

The room was buzzing.

376

00:21:41,000 --> 00:21:46,000

Brookfield had an officer. He'd climbed up an old radio tower.

377

00:21:46,000 --> 00:21:50,000

He was giving really vivid, vivid accounts of the colors of the shapes.

378

00:21:50,000 --> 00:21:54,000

I got four discernible colors. I got red, yellow, green and blue.

379

00:21:54,000 --> 00:21:57,000

All right. This is weird.

380

00:21:57,000 --> 00:22:00,000

Oh my God. Wait a minute.

381

00:22:00,000 --> 00:22:02,000

He was really emphatic.

382

00:22:02,000 --> 00:22:04,000

Oh my God. I hope that's a plane.

383

00:22:06,000 --> 00:22:10,000

Could you please, are you ready for this?

384

00:22:10,000 --> 00:22:17,000

I told Ryan you call the air base and you let them know that we want to know what the hell is going on.

385

00:22:17,000 --> 00:22:19,000

So I called back to the air base.

386

00:22:19,000 --> 00:22:22,000

This is Ryan again from the 911 Center at College of Liberty County.

387

00:22:22,000 --> 00:22:29,000

And I say now we have people that are miles and miles and miles and miles apart. They can see it.

388

00:22:29,000 --> 00:22:31,000

I'm going to call the air base.

389

00:22:31,000 --> 00:22:33,000

I'm going to call the air base.

390

00:22:33,000 --> 00:22:35,000

I'm going to call the air base.

391

00:22:35,000 --> 00:22:40,000

Now we have people that are miles and miles and miles and miles apart. They can see it.

392

00:22:40,000 --> 00:22:42,000

Surely you see something, right?

393

00:22:42,000 --> 00:22:44,000

Walking through the warehouse.

394

00:22:44,000 --> 00:22:48,000

I don't see anything. I don't see anything. I don't see anything here.

395

00:22:49,000 --> 00:22:52,000

I'm thinking I don't understand this.

396

00:22:52,000 --> 00:22:55,000

98,000 out of where of anything that I read.

397

00:22:55,000 --> 00:22:58,000

Negative. You check the radar and decide the negative.

398

00:22:58,000 --> 00:23:02,000

There's nothing on the radar with a 60 mile radius of the Young's Tog area.

399

00:23:03,000 --> 00:23:07,000

I don't understand why they're denying seeing that. Doesn't make sense.

400

00:23:08,000 --> 00:23:11,000

There's multiple jurisdictions.

401

00:23:11,000 --> 00:23:13,000

Multiple police departments.

402

00:23:13,000 --> 00:23:15,000

Multiple citizens seeing this.

403

00:23:15,000 --> 00:23:18,000

And I feel like they're giving us a lot of bull.

404

00:23:18,000 --> 00:23:20,000

I want to know what's going on.

405

00:23:20,000 --> 00:23:22,000

We're in a basement.

406

00:23:22,000 --> 00:23:27,000

All I'm getting is all the excitement of everyone else who can experience this.

407

00:23:27,000 --> 00:23:29,000

I want to see it too.

408

00:23:29,000 --> 00:23:32,000

I got on the phone with another officer. He said, come get you.

409

00:23:34,000 --> 00:23:37,000

I wasn't supposed to be there. He wasn't supposed to take me.

410

00:23:37,000 --> 00:23:40,000

But I'm so wanting to see what everybody else is seeing.

411

00:23:41,000 --> 00:23:45,000

We get on 82 and we could see the lights.

412

00:23:45,000 --> 00:23:51,000

I could see it off in the distance, but there was no way I could get underneath it and get a look at what it was.

413

00:24:00,000 --> 00:24:03,000

We stopped the car.

414

00:24:06,000 --> 00:24:11,000

We get out on the side of the road and he takes a pair of binoculars and he takes the first look.

415

00:24:15,000 --> 00:24:20,000

I see something hanging from the bottom like it's suspended and a red light on it.

416

00:24:20,000 --> 00:24:22,000

That is really weird.

417

00:24:22,000 --> 00:24:26,000

What sticks with me even now was that it was just still.

418

00:24:26,000 --> 00:24:27,000

You see that?

419

00:24:27,000 --> 00:24:30,000

Why am I not hearing it? Why is it not moving?

420

00:24:31,000 --> 00:24:36,000

And then all of a sudden, it just shoots off.

421

00:24:38,000 --> 00:24:40,000

No noise, just...

422

00:24:41,000 --> 00:24:44,000

I'm just thinking to myself, what the heck just happened?

423

00:24:45,000 --> 00:24:49,000

We just kind of looked at each other like, do you did see that, right?

424

00:24:51,000 --> 00:24:54,000

It was intense, just that, oh wow.

425

00:24:54,000 --> 00:24:56,000

I've never seen anything move like that.

426

00:24:58,000 --> 00:25:01,000

I was angry, I wanted to catch it.

427

00:25:01,000 --> 00:25:03,000

I wanted to see what it was.

428

00:25:05,000 --> 00:25:07,000

I just took a minute.

429

00:25:07,000 --> 00:25:13,000

I just wanted to separate myself for a moment from everything and just reflect on what just happened.

430

00:25:14,000 --> 00:25:16,000

I have no idea what it was.

431

00:25:16,000 --> 00:25:18,000

It's nothing that I'd ever seen or experienced.

432

00:25:20,000 --> 00:25:21,000

Hi, Randall.

433

00:25:22,000 --> 00:25:24,000

I get teased endlessly.

434

00:25:24,000 --> 00:25:26,000

I get teased endlessly.

435

00:25:27,000 --> 00:25:30,000

The other officers in this got teased endlessly.

436

00:25:31,000 --> 00:25:36,000

Everybody denied seeing anything or knowing anything about anything going on that night.

437

00:25:39,000 --> 00:25:42,000

But I felt there was nothing wrong with what happened.

438

00:25:42,000 --> 00:25:45,000

This was something that was unexplainable.

439

00:25:45,000 --> 00:25:48,000

This was something that happened in a town that I live in.

440

00:25:50,000 --> 00:25:51,000

It's the truth.

441

00:25:54,000 --> 00:25:56,000

I can't tell you what it was.

442

00:25:57,000 --> 00:25:59,000

I know what it wasn't.

443

00:26:03,000 --> 00:26:06,000

I know planes, I know helicopters, I know weather balloons, I know planets.

444

00:26:06,000 --> 00:26:09,000

God, if this thing was a planet, I would have got a suntan from it.

445

00:26:09,000 --> 00:26:11,000

How close I was to it.

446

00:26:12,000 --> 00:26:14,000

It's one of those things that just baffles you.

447

00:26:15,000 --> 00:26:19,000

In my mind, I want to think that it was something related to that air base.

448

00:26:19,000 --> 00:26:21,000

There's no resolution with anything else.

449

00:26:22,000 --> 00:26:23,000

I like resolution.

450

00:26:23,000 --> 00:26:27,000

I never believed in any type of UFOs and that sort of thing.

451

00:26:27,000 --> 00:26:33,000

I still don't, but I see myself saying to myself, it's possible now.

452

00:26:33,000 --> 00:26:35,000

That's where I'm at with it.

453

00:26:54,000 --> 00:26:57,000

I am originally from Australia.

454

00:26:57,000 --> 00:27:00,000

I moved to the States in June of 2000.

455

00:27:01,000 --> 00:27:07,000

I have a son, Zach, from a previous marriage, and I met Mike through a friend.

456

00:27:07,000 --> 00:27:09,000

I think you can say it was love at first sight.

457

00:27:09,000 --> 00:27:10,000

Yep.

458

00:27:10,000 --> 00:27:13,000

We've now been together for almost seven or eight years.

459

00:27:13,000 --> 00:27:18,000

It was early 2008 that a friend bought up about a Ouija board.

460

00:27:18,000 --> 00:27:21,000

She told me, you know, she contacted different sponsors.

461

00:27:21,000 --> 00:27:25,000

She told me, you know, she contacted different spirits and basically it works.

462

00:27:26,000 --> 00:27:30,000

I was definitely curious and also skeptical.

463

00:27:30,000 --> 00:27:33,000

So we decided to purchase our own board.

464

00:27:37,000 --> 00:27:43,000

I think part of the motivation of getting on the board was being able to get in contact with family.

465

00:27:43,000 --> 00:27:47,000

And we were just like amazed when it started to work for us.

466

00:27:48,000 --> 00:27:50,000

Sometimes we may go on the board maybe two or three times a day.

467

00:27:51,000 --> 00:27:53,000

It kind of sucked you in.

468

00:27:54,000 --> 00:27:59,000

I didn't care for it much because they kind of really got into, like, believing it.

469

00:27:59,000 --> 00:28:01,000

You guys are really messed around.

470

00:28:01,000 --> 00:28:04,000

They would ask you questions like, oh, when will I get pregnant?

471

00:28:04,000 --> 00:28:07,000

They really took everything it said seriously.

472

00:28:09,000 --> 00:28:11,000

I'd read that it can be dangerous.

473

00:28:11,000 --> 00:28:14,000

You don't know what you're calling forward, that sort of thing.

474

00:28:14,000 --> 00:28:19,000

But I think once you find that you're getting these questions answered correctly time and time again,

475

00:28:19,000 --> 00:28:22,000

your skepticism's gone. You truly do believe.

476

00:28:23,000 --> 00:28:27,000

So for about a month we'd been using the board, having a good time with it.

477

00:28:27,000 --> 00:28:28,000

You ready?

478

00:28:28,000 --> 00:28:29,000

Yeah.

479

00:28:29,000 --> 00:28:36,000

Then one day we said, is there any friendly spirit here who would like to come forth and communicate with us?

480

00:28:39,000 --> 00:28:41,000

And it said no.

481

00:28:45,000 --> 00:28:46,000

The room felt different.

482

00:28:46,000 --> 00:28:48,000

Something weird going on.

483

00:28:48,000 --> 00:28:51,000

We both noticed it, like, right away.

484

00:28:51,000 --> 00:28:53,000

And we said, who is this?

485

00:28:53,000 --> 00:28:57,000

Spells out V-O-X.

486

00:28:57,000 --> 00:28:58,000

Vox.

487

00:28:59,000 --> 00:29:01,000

What are we dealing with?

488

00:29:02,000 --> 00:29:05,000

And then all of a sudden, things got really weird.

489

00:29:07,000 --> 00:29:09,000

It was out of control, like...

490

00:29:11,000 --> 00:29:16,000

It was scary. We're barely touching it and it's just moving everywhere.

491

00:29:17,000 --> 00:29:20,000

It's getting all the same, the same stuff over and over and over again.

492

00:29:21,000 --> 00:29:23,000

It was all directed to me.

493

00:29:25,000 --> 00:29:30,000

He loved me, that Mike was lucky that he was able to sleep with me.

494

00:29:31,000 --> 00:29:33,000

I was a porn star.

495

00:29:34,000 --> 00:29:38,000

It was weird, sickening, nerve-wracking.

496

00:29:39,000 --> 00:29:41,000

It was out of my hands, out of my control and it was frightening.

497

00:29:42,000 --> 00:29:47,000

We said goodbye and it's felt out you will never be rid of me.

498

00:29:49,000 --> 00:29:51,000

There's nothing you can do about it.

499

00:29:52,000 --> 00:29:54,000

All of a sudden, it started counting down.

500

00:29:54,000 --> 00:30:01,000

Ten, nine, eight, seven, six, five.

501

00:30:12,000 --> 00:30:15,000

That really freaked me out.

502

00:30:17,000 --> 00:30:18,000

Unlike what have we done.

503

00:30:19,000 --> 00:30:21,000

What have we done.

504

00:30:25,000 --> 00:30:28,040

Come on, get out!

505

00:30:37,000 --> 00:30:38,000

Kill me!

506

00:30:38,000 --> 00:30:40,000

I'm like, what have we done?

507

00:30:40,000 --> 00:30:42,000

What have we done?

508

00:30:46,000 --> 00:30:49,000

We put the board in the closet, put it up high,

509

00:30:49,000 --> 00:30:51,000

and we're not touching it ever again.

510

00:30:55,000 --> 00:30:58,000

Basically, we've forgotten about the board.

511

00:30:58,000 --> 00:31:01,000

Just before Christmas, I found out I was pregnant.

512

00:31:01,000 --> 00:31:05,000

And then in July of 2009, I had Brody.

513

00:31:08,000 --> 00:31:10,000

I was pregnant.

514

00:31:15,000 --> 00:31:19,000

It was spring 2010 when odd things started happening.

515

00:31:20,000 --> 00:31:22,000

I was home alone.

516

00:31:30,000 --> 00:31:32,000

I heard footsteps.

517

00:31:32,000 --> 00:31:35,000

And not only footsteps, but there's a loose floorboard sort of up there.

518

00:31:35,000 --> 00:31:37,000

Zack!

519

00:31:37,000 --> 00:31:39,000

I was home and I didn't notice.

520

00:31:47,000 --> 00:31:49,000

Not even just one footstep.

521

00:31:56,000 --> 00:31:58,000

I'm calling Zack. If you're up here, just let me know.

522

00:31:58,000 --> 00:32:00,000

I just want to know if you're home.

523

00:32:07,000 --> 00:32:10,000

It doesn't feel good there. It feels heavy.

524

00:32:18,000 --> 00:32:21,000

I had the feeling that if I turned my head quick enough,

525

00:32:21,000 --> 00:32:23,000

I'd see someone standing there.

526

00:32:26,000 --> 00:32:28,000

There's somebody here.

527

00:32:37,000 --> 00:32:39,000

I'm going to go get a drink.

528

00:32:48,000 --> 00:32:53,000

Things started really picking up from the November onwards.

529

00:32:56,000 --> 00:32:58,000

It's quiet.

530

00:32:59,000 --> 00:33:01,000

I just met her in a house.

531

00:33:03,000 --> 00:33:05,000

The baby was sleeping.

532

00:33:08,000 --> 00:33:10,000

And I was like,

533

00:33:11,000 --> 00:33:13,000

Right between our heads.

534

00:33:14,000 --> 00:33:16,000

I got goosebumps.

535

00:33:17,000 --> 00:33:19,000

Something out was happening in the house.

536

00:33:21,000 --> 00:33:23,000

It started to become more physical.

537

00:33:25,000 --> 00:33:27,000

I was in the kitchen by myself.

538

00:33:28,000 --> 00:33:31,000

And I felt a tug on the back of my shirt.

539

00:33:34,000 --> 00:33:36,000

There was nobody there.

540

00:33:36,000 --> 00:33:38,000

It was scary.

541

00:33:38,000 --> 00:33:40,000

I almost felt like it was starting to take over the house.

542

00:33:41,000 --> 00:33:43,000

A couple of weeks later,

543

00:33:43,000 --> 00:33:45,000

Mike was making himself something to eat.

544

00:33:45,000 --> 00:33:47,000

And as he walked out of the kitchen,

545

00:33:47,000 --> 00:33:49,000

I looked over and I said,

546

00:33:49,000 --> 00:33:51,000

Oh, what have you got? And as he said, pizza.

547

00:33:57,000 --> 00:33:59,000

I'm thinking it's starting to escalate.

548

00:34:00,000 --> 00:34:02,000

What's it going to do next?

549

00:34:07,000 --> 00:34:09,000

Just before Christmas,

550

00:34:09,000 --> 00:34:12,000

things started to take a turn for the worse.

551

00:34:13,000 --> 00:34:15,000

It was Thanksgiving.

552

00:34:15,000 --> 00:34:17,000

So we had a group of friends over.

553

00:34:18,000 --> 00:34:20,000

Everybody was relaxed, having a good time.

554

00:34:22,000 --> 00:34:24,000

Just sitting around talking.

555

00:34:24,000 --> 00:34:26,000

And then on the other side of the room,

556

00:34:26,000 --> 00:34:28,000

Brody's toys started going off.

557

00:34:28,000 --> 00:34:30,000

And more toys start going off.

558

00:34:36,000 --> 00:34:39,000

So by this stage, we've got toys spontaneously going off,

559

00:34:39,000 --> 00:34:41,000

going off, going on, going off, going on,

560

00:34:41,000 --> 00:34:44,000

lighting up, making noise, singing, music.

561

00:34:46,000 --> 00:34:48,000

And then we had a group of friends over.

562

00:34:48,000 --> 00:34:49,000

And they were all like,

563

00:34:49,000 --> 00:34:51,000

Oh, I'm going to be in the house.

564

00:34:51,000 --> 00:34:52,000

And they were all like,

565

00:34:52,000 --> 00:34:54,000

Oh, I'm going to be in the house.

566

00:34:54,000 --> 00:34:55,000

And they were all like,

567

00:34:55,000 --> 00:34:57,000

Oh, I'm going to be in the house.

568

00:34:58,000 --> 00:35:00,000

Go, Brody, go!

569

00:35:08,000 --> 00:35:11,000

And as rapid as it started, it stopped again.

570

00:35:11,000 --> 00:35:12,000

It was done.

571

00:35:12,000 --> 00:35:14,000

It was kind of like, it was toying with us.

572

00:35:14,000 --> 00:35:17,000

No one really knew what to say,

573

00:35:17,000 --> 00:35:19,000

apart from that's really weird.

574

00:35:20,000 --> 00:35:22,000

They couldn't wait to leave.

575

00:35:24,000 --> 00:35:26,000

That was just the turning point right there.

576

00:35:26,000 --> 00:35:30,000

I really knew that I wasn't alone in that house anymore.

577

00:35:30,000 --> 00:35:34,000

I was scared it was gonna hurt one of us.

578

00:35:34,000 --> 00:35:36,000

But we can't just up and leave.

579

00:35:36,000 --> 00:35:40,000

If we can't break a lease, we can't find somewhere else to rent.

580

00:35:40,000 --> 00:35:45,000

So we figured that just try to deal with the stuff best we could.

581

00:35:47,000 --> 00:35:51,000

When it turned to night, you didn't want to be in the house at all.

582

00:35:57,000 --> 00:36:00,000

You always feel a cold chill coming down the stairs.

583

00:36:02,000 --> 00:36:06,000

A sense of something standing there, watching you from above.

584

00:36:06,000 --> 00:36:28,000

I wouldn't walk with my back against Brody's door.

585

00:36:28,000 --> 00:36:31,200

I would just turn my body towards it.

586

00:36:31,200 --> 00:36:34,600

It was just like a sense of who's outside of his room

587

00:36:34,600 --> 00:36:36,340

just kind of challenging you.

588

00:36:50,340 --> 00:36:52,940

That whole hallway was just terrible at night.

589

00:36:52,940 --> 00:36:58,940

I'm trying to go to sleep, and I can hear whispering in my ears.

590

00:36:58,940 --> 00:37:02,940

I can feel tugging on the sheets.

591

00:37:02,940 --> 00:37:08,940

I'm just trying to ignore it.

592

00:37:08,940 --> 00:37:11,940

Suddenly, I woke up.

593

00:37:11,940 --> 00:37:13,940

My leg felt it was on fire.

594

00:37:13,940 --> 00:37:18,940

I looked down, on my leg was a scratch, six inches long.

595

00:37:22,940 --> 00:37:25,940

We hear blood curdling screams.

596

00:37:25,940 --> 00:37:27,940

I was scared what I was going to see.

597

00:37:27,940 --> 00:37:28,940

It was that horrible.

598

00:37:37,940 --> 00:37:39,940

And he's pointing to the closet.

599

00:37:42,940 --> 00:37:44,940

It was shut when he went to bed.

600

00:37:44,940 --> 00:37:49,940

MUSIC

601

00:37:52,940 --> 00:37:54,940

A couple of days later, it happened again.

602

00:38:00,940 --> 00:38:02,940

The closet doors were open again.

603

00:38:02,940 --> 00:38:05,940

I said, that's it. I'm shutting him. I'm tying him shut.

604

00:38:08,940 --> 00:38:13,940

As I shut the door, I hear, in his room, the closet doors are just shaking.

605

00:38:14,940 --> 00:38:19,940

MUSIC

606

00:38:27,940 --> 00:38:29,940

I was like, there is something in there.

607

00:38:29,940 --> 00:38:31,940

It is rattling those doors.

608

00:38:31,940 --> 00:38:34,940

I wondered this kid is so scared.

609

00:38:38,940 --> 00:38:41,940

That is what Brody was dealing with.

610

00:38:45,940 --> 00:38:49,940

I was scared it was going to do something much, much worse.

611

00:38:51,940 --> 00:38:54,940

You can feel it around you, but how do you fight that?

612

00:38:56,940 --> 00:38:58,940

You can't see it.

613

00:39:05,940 --> 00:39:08,940

It was just an average day, Mike was at work.

614

00:39:08,940 --> 00:39:12,940

And Brody was waking up from his afternoon nap.

615

00:39:12,940 --> 00:39:15,940

And I went up the stairs to get him.

616

00:39:15,940 --> 00:39:16,940

I know, little man.

617

00:39:16,940 --> 00:39:19,940

He was babbling to himself and I went in to pick him up.

618

00:39:19,940 --> 00:39:21,940

I was just turning out of the doorway.

619

00:39:27,940 --> 00:39:31,940

I realised, oh my God, this is it. It's showing itself to me.

620

00:39:33,940 --> 00:39:36,940

It's this black figure.

621

00:39:36,940 --> 00:39:39,940

I moved back out and it was still there.

622

00:39:39,940 --> 00:39:41,940

And glanced back.

623

00:39:43,940 --> 00:39:45,940

And it was gone.

624

00:39:46,940 --> 00:39:48,940

Just knew I had to get out.

625

00:39:48,940 --> 00:39:51,940

Couldn't stand being there a second longer.

626

00:39:53,940 --> 00:39:57,940

I'm pretty much freaking out now, like, who's in this house, you know?

627

00:39:57,940 --> 00:40:00,940

Just felt like you're about to get attacked or something.

628

00:40:00,940 --> 00:40:03,940

I just knew then and there that we just had to take a stand.

629

00:40:03,940 --> 00:40:06,940

We had to take a house back.

630

00:40:07,940 --> 00:40:10,940

We're a little bit skeptical about going to a church

631

00:40:10,940 --> 00:40:13,940

and saying this is what's going on in a house.

632

00:40:13,940 --> 00:40:14,940

Yes, I am.

633

00:40:14,940 --> 00:40:17,940

We were put in contact with Gray Wolf.

634

00:40:17,940 --> 00:40:21,940

She was very frightened with things that had been happening.

635

00:40:25,940 --> 00:40:27,940

My attention was drawn to the stairs.

636

00:40:27,940 --> 00:40:30,940

You can feel every hair stand up on your body.

637

00:40:30,940 --> 00:40:32,940

All of the hair on your arms.

638

00:40:32,940 --> 00:40:35,940

And that's when I asked her, what else is up here

639

00:40:35,940 --> 00:40:37,940

that you haven't told me about?

640

00:40:37,940 --> 00:40:40,940

And she started explaining about the Ouija board.

641

00:40:40,940 --> 00:40:44,940

It was in a closet that was directly connected to the closet in the baby's room.

642

00:40:49,940 --> 00:40:51,940

He told me it was a closet.

643

00:40:51,940 --> 00:40:54,940

I was like, I'm going to get out of here.

644

00:40:54,940 --> 00:40:56,940

I'm going to get out of here.

645

00:40:56,940 --> 00:40:58,940

I'm going to get out of here.

646

00:40:59,940 --> 00:41:02,940

He told me it is attached to you.

647

00:41:02,940 --> 00:41:05,940

It's attached to you through the Ouija board.

648

00:41:05,940 --> 00:41:08,940

That's when I realized it was Vox.

649

00:41:10,940 --> 00:41:13,940

I felt sick, tears welled up.

650

00:41:13,940 --> 00:41:14,940

I felt ashamed.

651

00:41:14,940 --> 00:41:16,940

I felt mad at myself.

652

00:41:16,940 --> 00:41:19,940

He said we need to get rid of the Ouija board.

653

00:41:20,940 --> 00:41:25,940

Water is the one element that doesn't allow spirits to travel.

654

00:41:25,940 --> 00:41:27,940

We had a kiddie pool from Broadies.

655

00:41:27,940 --> 00:41:29,940

We decided to use that.

656

00:41:29,940 --> 00:41:32,940

We wrapped the board in a personal item of mine,

657

00:41:32,940 --> 00:41:34,940

seeing as it was attached to me.

658

00:41:34,940 --> 00:41:37,940

And he said before we put it in there,

659

00:41:37,940 --> 00:41:40,940

you need to be firm and tell it it's got to go.

660

00:41:40,940 --> 00:41:42,940

It was no longer welcome.

661

00:41:43,940 --> 00:41:45,940

We put it into the water, weighed it down,

662

00:41:45,940 --> 00:41:48,940

and then to help keep it submerged,

663

00:41:48,940 --> 00:41:51,940

we had a gallon jug to place on the top.

664

00:41:56,940 --> 00:41:59,940

As soon as Greywall finished, the house felt lighter.

665

00:41:59,940 --> 00:42:01,940

It looked lighter.

666

00:42:03,940 --> 00:42:07,940

The sun just passed, and everything just lit up.

667

00:42:08,940 --> 00:42:10,940

We had a house back.

668

00:42:25,940 --> 00:42:28,940

We made a mistake of messing with Ouija boards.

669

00:42:28,940 --> 00:42:31,940

I know the other side is real.

670

00:42:31,940 --> 00:42:34,940

I wish I could say it was just a bad dream,

671

00:42:34,940 --> 00:42:36,940

but it was my life.
