

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:09,160 --> 00:00:11,360

Nothing like this ever happened to me before

3

00:00:14,520 --> 00:00:19,380

What I saw was a darkness it was something that was unexplainable

4

00:00:23,120 --> 00:00:28,520

Just felt like something evil some kind of spirit was upstairs in our house

5

00:00:30,320 --> 00:00:32,320

I

6

00:00:32,640 --> 00:00:36,520

There was no doubt in my mind that it was something demonic

7

00:00:37,920 --> 00:00:40,560

Had the power I could make it rain

8

00:00:42,880 --> 00:00:46,240

Kids kids there was panic in the right

9

00:00:48,720 --> 00:00:51,760

I didn't know why this was happening to me

10

00:00:55,080 --> 00:00:57,280

Whatever was there is still inside of me

11

00:01:00,000 --> 00:01:02,000

I

12

00:01:15,520 --> 00:01:21,360

The first time that I saw Don Decker he was an inmate at the Monroe County jail

13

00:01:21,480 --> 00:01:23,480

I

14

00:01:27,560 --> 00:01:35,400

Back in 1983 I went to prison. I got sentenced to one to two years for receiving stolen property. I

15

00:01:42,480 --> 00:01:45,920

Wanted to do my time and get my life back together

16

00:01:51,600 --> 00:01:59,520

Don wasn't like other inmates he was quiet introverted he was not a social be at all

17

00:02:04,320 --> 00:02:11,300

But then my grandfather died and they gave me a weekend pass to go out to the funeral

18

00:02:12,840 --> 00:02:14,840

Donald was released on a furlough

19

00:02:16,000 --> 00:02:18,520

He wasn't thought up to be a threat to society

20

00:02:21,360 --> 00:02:23,360

I

21

00:02:27,000 --> 00:02:29,320

Went to my grandfather's funeral

22

00:02:33,600 --> 00:02:35,600

But I didn't want to be there

23

00:02:40,600 --> 00:02:44,320

My grandfather was a very bad person

24

00:02:48,240 --> 00:02:50,240

He was very very abusive

25

00:02:52,360 --> 00:02:57,040

You heard me when I was growing up and I was glad he was dead

26

00:03:10,160 --> 00:03:14,400

I originally met Don my wife and his mother worked together I

27

00:03:15,480 --> 00:03:18,800

Got a call from him one day telling me that his grandfather had passed away

28

00:03:19,400 --> 00:03:25,720

But his mom wouldn't allow him to come home. I told him it didn't matter he could stay with us however long he wanted to

29

00:03:34,880 --> 00:03:41,280

It was very very grateful there was not a lot of people that would do that for somebody that just came out of jail

30

00:03:41,360 --> 00:03:43,360

He

31

00:03:48,080 --> 00:03:55,440

Realized you made a mistake. He was hanging out with the wrong people, but wanted to straighten his life out. I wanted to try to help him I

32

00:04:03,480 --> 00:04:08,200

Was a little worried about him because I knew he was upset about his grandfather's funeral I

33

00:04:08,600 --> 00:04:15,920

Didn't know all the details at the time, but I knew there was some kind of problem between Donnie and his grandfather

34

00:04:15,920 --> 00:04:17,920

I

35

00:04:37,480 --> 00:04:42,400

Went upstairs to the restroom to wash my hands up and get ready for supper

36

00:04:46,920 --> 00:04:49,920

I got this weird feeling

37

00:04:55,920 --> 00:04:57,920

The atmosphere was totally different

38

00:05:04,560 --> 00:05:06,560

We sat down at the table

39

00:05:10,280 --> 00:05:13,400

Donnie was taken a little longer than we thought normal

40

00:05:15,920 --> 00:05:17,920

I

41

00:05:19,400 --> 00:05:22,680

Turned to get the towel to wipe my hands

42

00:05:24,840 --> 00:05:26,840

And then

43

00:05:27,480 --> 00:05:29,480

All the air went out of the room

44

00:05:31,720 --> 00:05:33,720

It's like being in a vacuum

45

00:05:36,280 --> 00:05:38,280

It's very very cold

46

00:05:45,920 --> 00:05:47,920

I

47

00:05:50,840 --> 00:05:53,160

Felt like something was attacking me

48

00:05:56,920 --> 00:05:58,920

Trying to hurt me I

49

00:06:03,240 --> 00:06:05,240

Looked toward the window

50

00:06:09,080 --> 00:06:14,520

It was a phase look like an old man wearing a crown

51

00:06:15,920 --> 00:06:17,920

I

52

00:06:36,720 --> 00:06:38,720

Look down

53

00:06:40,280 --> 00:06:42,840

And I saw three scratches going down my arm

54

00:06:43,800 --> 00:06:47,840

There was blood at the end big droplets of blood I

55

00:06:51,000 --> 00:06:57,960

Was confused and scared, you know, I didn't know I didn't know why this was happening

56

00:07:02,840 --> 00:07:07,280

My son Larry want to tell him Donnie come on we're waiting for you

57

00:07:12,840 --> 00:07:14,840

I

58

00:07:16,040 --> 00:07:18,040

Didn't want to tell him what happened

59

00:07:23,560 --> 00:07:25,560

There was a hard story to believe

60

00:07:43,840 --> 00:07:45,840

I was very nervous

61

00:07:48,120 --> 00:07:50,120

When Donnie came down

62

00:07:52,080 --> 00:07:56,900

He had a strange look on his face very very white

63

00:07:59,640 --> 00:08:01,640

It looked like he was in pain

64

00:08:03,960 --> 00:08:05,960

The teeth

65

00:08:07,560 --> 00:08:10,920

Next thing I know he's breaching to grab something on the table

66

00:08:13,720 --> 00:08:15,720

I took all of his hand

67

00:08:20,400 --> 00:08:24,040

I saw blood marks on his wrist

68

00:08:28,840 --> 00:08:31,160

I said Donnie what did you do to yourself?

69

00:08:33,360 --> 00:08:36,960

He just looked at me says Bob he says I didn't do it

70

00:08:38,960 --> 00:08:40,960

He said I didn't do it

71

00:08:43,840 --> 00:08:45,840

Bob

72

00:08:46,840 --> 00:08:48,840

There's something up there

73

00:08:49,920 --> 00:08:55,040

He said I swear to God there was a face in the window staring at me

74

00:08:56,360 --> 00:08:58,360

He said it looked like the devil

75

00:09:07,160 --> 00:09:09,960

After dinner we all moved into the living room I

76

00:09:10,960 --> 00:09:12,960

Was worried about Donnie

77

00:09:13,240 --> 00:09:15,240

There's no way did that himself

78

00:09:15,600 --> 00:09:18,440

But I couldn't understand what happened

79

00:09:21,680 --> 00:09:25,240

It started getting cold in the room the temperature changed

80

00:09:29,040 --> 00:09:36,880

It felt like the same cold that was upstairs in the bathroom, but I didn't say anything about it

81

00:09:40,640 --> 00:09:42,640

I

82

00:09:47,480 --> 00:09:52,960

Jeannie she looks up Bob I think we've got a problem

83

00:10:10,960 --> 00:10:16,080

I just didn't understand why it was so cold in that room Bob

84

00:10:18,480 --> 00:10:20,480

Bob I think we've got a problem

85

00:10:29,760 --> 00:10:33,320

Jeannie I said there's something weird going on here

86

00:10:39,960 --> 00:10:43,240

We see water running down the wall

87

00:10:45,480 --> 00:10:47,480

We thought there had to be some kind of leak

88

00:10:48,680 --> 00:10:50,680

But there's no water in that end of the house

89

00:10:52,160 --> 00:10:57,160

There's no water lines in any place but the kitchen in the bathroom, which were in the back of the house. I

90

00:10:58,840 --> 00:11:01,280

Just didn't know where it was coming from

91

00:11:04,240 --> 00:11:06,960

It wasn't water as you know water

92

00:11:10,160 --> 00:11:14,600

You'd rub your fingers on it and it was a sticky tacky feeling

93

00:11:18,320 --> 00:11:20,320

It wasn't water

94

00:11:26,800 --> 00:11:28,800

All of a sudden

95

00:11:30,800 --> 00:11:32,800

We heard this noise

96

00:11:35,080 --> 00:11:37,080

And then

97

00:11:38,080 --> 00:11:41,600

We saw water drops falling out of nowhere

98

00:11:48,000 --> 00:11:50,000

It was like it was raining in the house

99

00:12:00,200 --> 00:12:03,760

They were strange drops and they were moving very fast

100

00:12:08,080 --> 00:12:10,080

Got heavier and heavier

101

00:12:14,120 --> 00:12:16,120

Kids were all shook up

102

00:12:18,640 --> 00:12:21,200

We were all frightened every everybody was frightened

103

00:12:33,320 --> 00:12:35,320

It felt very eerie

104

00:12:38,080 --> 00:12:40,080

I

105

00:12:44,320 --> 00:12:47,360

Jeannie and I were trying to figure out what was going on it I

106

00:12:51,720 --> 00:12:55,680

Was scared to go upstairs because that's where Donnie said he was attacked

107

00:13:08,040 --> 00:13:10,040

You're gonna call Ron

108

00:13:13,480 --> 00:13:15,480

So I decided to call my landlord

109

00:13:19,200 --> 00:13:24,440

Hello, I picked up the phone and it was Bob Kiefer and he said Ron you gotta come down

110

00:13:25,000 --> 00:13:28,080

Okay, I've got a problem down here

111

00:13:28,440 --> 00:13:32,960

He asked me what it was and I did not want to tell him on the phone because I knew he'd think I was crazy

112

00:13:33,600 --> 00:13:38,840

Bob are you sure that I have to come down? Yes, please come over. I told him I says Ron you just

113

00:13:39,240 --> 00:13:41,680

Just have to come in here and see for yourself

114

00:13:44,240 --> 00:13:46,480

My wife and I we got in the car

115

00:13:48,200 --> 00:13:50,680

We had no idea what was happening

116

00:14:03,240 --> 00:14:11,160

We couldn't figure out where in the world all this water was coming from I

117

00:14:12,080 --> 00:14:14,080

Looked around the room

118

00:14:14,880 --> 00:14:17,040

Can't be you know can't be

119

00:14:18,120 --> 00:14:20,120

There has to be leaks on place

120

00:14:21,040 --> 00:14:25,080

We thought maybe the rain had gotten in through the roof

121

00:14:26,360 --> 00:14:29,120

But it hadn't been raining outside for days

122

00:14:33,480 --> 00:14:39,000

So I said Bob let's go upstairs and check things out

123

00:14:44,440 --> 00:14:46,720

I just dreaded going upstairs

124

00:14:49,280 --> 00:14:51,280

Yeah, I was scared

125

00:14:51,280 --> 00:15:02,880

Something was definitely going on I

126

00:15:04,920 --> 00:15:12,440

Didn't think it was coming out of the pipes. I thought it could be the spirit of my grandfather trying to hurt me

127

00:15:13,200 --> 00:15:24,040

It just did not feel good to be upstairs

128

00:15:35,360 --> 00:15:40,120

I had a creepy feeling it was cold and damp

129

00:15:42,520 --> 00:15:44,520

I

130

00:15:46,040 --> 00:15:48,040

Just didn't feel natural

131

00:15:50,800 --> 00:15:52,800

It's right

132

00:16:08,360 --> 00:16:10,360

It's good

133

00:16:12,440 --> 00:16:15,440

Who's that

134

00:16:43,080 --> 00:16:50,800

Just felt like something evil

135

00:16:54,280 --> 00:16:56,280

Some kind of spirit

136

00:16:58,680 --> 00:17:01,000

Was upstairs in our house at that time

137

00:17:12,440 --> 00:17:17,680

There was something up there I could feel it couldn't say it

138

00:17:19,840 --> 00:17:22,400

Something was up there

139

00:17:29,600 --> 00:17:31,600

We came back downstairs

140

00:17:33,640 --> 00:17:38,280

It was still raining drops everywhere

141

00:17:43,440 --> 00:17:47,320

Don was sitting on the couch I looked over at him

142

00:17:52,200 --> 00:17:54,800

It looked like he was a thousand miles away in his head

143

00:18:01,440 --> 00:18:06,000

No response to the TV no response to calling his name

144

00:18:08,520 --> 00:18:10,520

He was there, but he wasn't there

145

00:18:12,760 --> 00:18:14,760

I

146

00:18:15,080 --> 00:18:17,320

Had a strange feeling from it. I

147

00:18:19,160 --> 00:18:21,160

Didn't know what was going on

148

00:18:21,760 --> 00:18:26,100

the feeling like I was falling into a trans

149

00:18:31,400 --> 00:18:34,840

And all at once the strangest thing happened I

150

00:18:36,360 --> 00:18:40,360

Saw water come from the floor and it come up

151

00:18:42,680 --> 00:18:44,680

It

152

00:18:46,520 --> 00:18:53,200

Was in condensation it wasn't a leak it would just materialize

153

00:18:56,400 --> 00:18:59,440

It was just extraordinary just

154

00:19:01,640 --> 00:19:03,640

incomprehensible

155

00:19:07,200 --> 00:19:09,880

Donnie was still in a trance I

156

00:19:10,880 --> 00:19:13,960

Don't really know what was happening

157

00:19:15,600 --> 00:19:19,200

Things were a little blurry and just can't remember

158

00:19:22,400 --> 00:19:30,000

Told Ron I said Ron I think I really want to call the cops I'd feel better if I knew the cops were involved in this

159

00:19:32,280 --> 00:19:35,320

That particular evening I happen to be working to 4 to 12 shift

160

00:19:36,160 --> 00:19:38,160

I

161

00:19:38,920 --> 00:19:43,480

Strasburg police station officer Bojon the individual on the other end of the phone said is Bob

162

00:19:43,840 --> 00:19:45,840

And I immediately knew it was Bob Kiefer

163

00:19:47,120 --> 00:19:50,680

Stroudsworth is a small quiet area kind of uneventful

164

00:19:51,600 --> 00:19:56,400

Bob was a guy I knew from around town a genuinely nice individual. I

165

00:19:57,080 --> 00:19:59,640

Didn't know him as a type that would exaggerate

166

00:20:00,000 --> 00:20:04,800

So when Bob said that he had a problem I listened to I said John

167

00:20:04,800 --> 00:20:08,720

I need you to come to my house. There's some kind of a problem with the water

168

00:20:08,960 --> 00:20:14,760

This is the police station Bob not the water department. I just need you to trust me. I need you to come to my house

169

00:20:15,280 --> 00:20:17,280

right away

170

00:20:19,480 --> 00:20:22,240

You could just hear it in his voice that he was serious and

171

00:20:22,920 --> 00:20:28,640

That he needed me to come to that house because he had a situation at his house that he just couldn't handle on his own

172

00:20:35,240 --> 00:20:44,400

As soon as we heard officer Bojon's patrol car pull up outside we were at the door

173

00:20:50,520 --> 00:20:55,640

When they came in a house John his partner and I moved into the living room

174

00:20:57,960 --> 00:21:03,760

Within seconds of entering that room I had this cold feeling

175

00:21:04,960 --> 00:21:07,400

Bob said this is what I'm talking about

176

00:21:11,320 --> 00:21:13,320

And I got it immediately

177

00:21:17,520 --> 00:21:21,480

Droplets would come from the floor absolutely defined gravity

178

00:21:24,320 --> 00:21:26,320

It was truly amazing

179

00:21:26,840 --> 00:21:28,840

And

180

00:21:33,280 --> 00:21:36,720

We're literally standing several feet apart face to face

181

00:21:39,880 --> 00:21:41,880

When all of a sudden

182

00:21:45,320 --> 00:21:48,520

This drop materializes between us

183

00:21:50,680 --> 00:21:55,080

The drop looked big it looked like it was meant for us to see it

184

00:21:56,360 --> 00:21:58,360

Flies through the living room

185

00:21:59,080 --> 00:22:02,760

Through the dining room and into the darkness of the kitchen and out of sight

186

00:22:13,000 --> 00:22:18,720

I was a cop at the scene and they were looking to me for some help and a sense of direction of what to do I

187

00:22:21,920 --> 00:22:23,920

Had no answers for

188

00:22:26,320 --> 00:22:28,320

I

189

00:22:39,760 --> 00:22:43,760

Something's wrong and it wasn't the house I knew that

190

00:22:46,040 --> 00:22:49,760

When I looked at him I felt suspicious about Donnie

191

00:22:49,760 --> 00:23:00,240

Don had come in that day and all of a sudden it's raining in our house I

192

00:23:04,920 --> 00:23:06,920

Felt very uncomfortable

193

00:23:07,640 --> 00:23:09,640

They were talking about me

194

00:23:09,880 --> 00:23:13,240

But somehow I was involved in doing something

195

00:23:19,760 --> 00:23:22,880

My wife and Jeannie cornered him out in the kitchen

196

00:23:25,640 --> 00:23:29,680

They wanted to know what was going on and they wanted him to tell them

197

00:23:30,280 --> 00:23:34,360

The woman they were really scared they were desperate for Donnie to stop this

198

00:23:35,800 --> 00:23:41,720

They started screaming at him shouting at him Donnie stop it. No, you're doing this Donnie

199

00:23:41,720 --> 00:23:44,240

Will you please just tell us what's going on?

200

00:23:45,000 --> 00:23:50,360

We really wanted an answer they just kept plugging away at him

201

00:23:51,320 --> 00:23:54,160

Know you're doing this. Why are you doing this?

202

00:23:55,440 --> 00:23:57,440

Donnie didn't say a word

203

00:24:04,960 --> 00:24:06,960

Donnie was just very blank

204

00:24:07,400 --> 00:24:10,400

Donnie donnie donnie donnie

205

00:24:12,920 --> 00:24:14,920

Right now

206

00:24:16,620 --> 00:24:19,200

All at once this clattering started

207

00:24:21,000 --> 00:24:23,400

The pots and the pans in addition

208

00:24:25,160 --> 00:24:27,160

We're just shaking

209

00:24:29,000 --> 00:24:31,000

Clang

210

00:24:37,320 --> 00:24:42,040

He just quickly raised up in the air

211

00:25:00,520 --> 00:25:02,520

It's just beyond belief I

212

00:25:04,480 --> 00:25:06,480

Was scared to death

213

00:25:07,520 --> 00:25:12,920

And it's through him in the corner

214

00:25:15,160 --> 00:25:19,440

It just flung him back he'd want five six feet

215

00:25:20,720 --> 00:25:22,720

Bam down on the floor

216

00:25:28,760 --> 00:25:31,440

When I hit the floor that's when I got my feeling back

217

00:25:32,480 --> 00:25:35,080

Before that happened I didn't know I was up in the air

218

00:25:36,080 --> 00:25:41,040

I didn't know what what what it was, you know, I was scared, you know

219

00:25:43,600 --> 00:25:46,120

Then I felt the pain in my arm

220

00:25:49,480 --> 00:25:52,600

And I realized that I've been attacked again

221

00:25:56,880 --> 00:26:02,160

And I saw a king crowned on my arm

222

00:26:05,080 --> 00:26:07,080

Who it was or what it was

223

00:26:17,560 --> 00:26:22,720

I didn't know what was going on. I didn't know what was doing this

224

00:26:27,440 --> 00:26:31,200

There was no shadow of doubt in my mind I

225

00:26:31,800 --> 00:26:35,280

Was in the presence of evil

226

00:26:36,760 --> 00:26:43,560

Whether it was in him or around him, I don't know

227

00:26:45,040 --> 00:26:49,160

But it was definitely a demonic force at work here

228

00:27:01,200 --> 00:27:03,200

I

229

00:27:06,560 --> 00:27:12,160

Thought there was some kind of spirit controlling him some kind of demon on him I

230

00:27:13,600 --> 00:27:15,600

Knew now this was my grandfather

231

00:27:17,200 --> 00:27:19,960

He wanted to hurt me keep on hurting me

232

00:27:23,640 --> 00:27:26,080

We were definitely running out of options

233

00:27:27,360 --> 00:27:29,360

the only thing we could think of was

234

00:27:30,320 --> 00:27:32,320

Getting the Bible out

235

00:27:37,320 --> 00:27:44,120

Felt like they left the key for his kind of hanging there had to go back I want to make sure that they were okay

236

00:27:44,120 --> 00:27:46,120

I

237

00:27:57,600 --> 00:28:01,320

Have never experienced anything that I haven't been able to explain

238

00:28:03,520 --> 00:28:06,080

In my opinion it was nothing to play around with I

239

00:28:09,920 --> 00:28:11,920

Couldn't help but be frightened about this

240

00:28:14,320 --> 00:28:20,360

And as soon as I walked into the living room I sensed a total different atmosphere

241

00:28:22,360 --> 00:28:24,360

There was panic in the room

242

00:28:26,400 --> 00:28:32,840

She was reading 23rd Psalms she thought that might help calm to what was controlling him

243

00:28:36,600 --> 00:28:39,720

The droplets of water instead of going randomly about the room

244

00:28:40,720 --> 00:28:46,440

All concentrate on her and she would be pelted

245

00:28:50,040 --> 00:28:53,360

Absolutely intensified when she read from that Bible

246

00:28:59,440 --> 00:29:05,200

It just heightened my belief has to be the devil

247

00:29:09,720 --> 00:29:11,720

I

248

00:29:11,720 --> 00:29:13,720

Oh

249

00:29:36,080 --> 00:29:38,080

Don's furlough was over

250

00:29:38,320 --> 00:29:42,120

He had to go back to Strasburg jail to finish his sentence

251

00:29:47,400 --> 00:29:53,920

I like Donnie he was a really good kid but I felt a sense of relief when he was gone

252

00:29:56,640 --> 00:30:02,080

After what happened that weekend I left and I never went back I

253

00:30:04,920 --> 00:30:06,920

Never saw him again

254

00:30:09,080 --> 00:30:10,600

I

255

00:30:10,600 --> 00:30:12,600

Still felt scared when I left I

256

00:30:13,960 --> 00:30:19,360

Knew you know, I wasn't gone yet. Whatever was there was still inside of me

257

00:30:27,280 --> 00:30:32,800

When Donald came back to the jail there's a lot of talk with different shifts different officers

258

00:30:34,040 --> 00:30:36,040

There's a lot of fright

259

00:30:38,600 --> 00:30:40,600

Oh

260

00:30:44,880 --> 00:30:47,400

Then they started what was going on at the house

261

00:30:50,200 --> 00:30:52,200

They were all scared

262

00:30:54,160 --> 00:30:56,920

The guards they were scared too

263

00:31:00,120 --> 00:31:04,160

The whole atmosphere about him was just

264

00:31:04,960 --> 00:31:11,800

Just eerie you know, there's something was not normal

265

00:31:18,200 --> 00:31:22,280

I knew now I had to power I

266

00:31:25,600 --> 00:31:27,600

Could control it I

267

00:31:29,080 --> 00:31:31,080

Could make it rain

268

00:31:34,160 --> 00:31:36,160

I

269

00:31:47,560 --> 00:31:51,520

There is an evil presence around him

270

00:31:53,840 --> 00:31:58,720

This was so abnormal that we felt that the supernatural was present

271

00:32:05,160 --> 00:32:07,160

I

272

00:32:19,480 --> 00:32:22,640

Water was over self

273

00:32:34,840 --> 00:32:37,760

Water was going horizontal

274

00:32:40,520 --> 00:32:42,520

Vertical

275

00:32:45,120 --> 00:32:49,160

Climbing up the walls to find laws of gravity

276

00:33:05,000 --> 00:33:07,000

Help

277

00:33:08,600 --> 00:33:10,600

The image is scared

278

00:33:12,080 --> 00:33:14,080

He wanted to get out of there

279

00:33:17,080 --> 00:33:19,080

He screams

280

00:33:19,440 --> 00:33:22,760

He yelled he didn't want to be near me

281

00:33:34,840 --> 00:33:45,000

After that we had to move him and put him in a different cell in a main cell block housing alone

282

00:33:52,680 --> 00:33:55,280

Two guards they came to my cell hey

283

00:33:57,560 --> 00:33:59,560

They didn't believe what happened

284

00:33:59,560 --> 00:34:06,240

I will bet you to ask me see if I could hit the warden out in his office

285

00:34:06,880 --> 00:34:09,040

So I told him I'll try

286

00:34:29,560 --> 00:34:42,800

We just finished with the evening meal and I had a lot of paperwork to do and I started to write some reports

287

00:34:52,240 --> 00:34:55,000

It was like almost like meditation

288

00:35:00,560 --> 00:35:04,000

I felt like I had a certain power

289

00:35:09,360 --> 00:35:11,360

Hey, I went like that

290

00:35:29,560 --> 00:35:31,560

I

291

00:35:40,840 --> 00:35:46,000

Look down and right here on the center of my chest it was all wet

292

00:35:48,040 --> 00:35:51,200

I knew that it was Donald Decker I

293

00:35:54,200 --> 00:35:56,880

Couldn't believe it because I was never anywhere near him

294

00:35:57,720 --> 00:36:00,800

I was in a total different area of the jail

295

00:36:03,160 --> 00:36:06,400

He was behind numerous locked doors

296

00:36:08,440 --> 00:36:10,720

It's just it's humanly impossible

297

00:36:20,400 --> 00:36:22,560

But you could just sense it you can feel it

298

00:36:26,880 --> 00:36:29,160

Don was possessed

299

00:36:36,640 --> 00:36:38,800

Everybody was frightened

300

00:36:40,880 --> 00:36:45,480

He just felt sick to your stomach being around him I

301

00:36:50,480 --> 00:36:52,480

Did not want to look at him I

302

00:36:52,480 --> 00:37:00,320

Really did not want to look in his eyes truthfully. I did not want to be near him. I

303

00:37:02,080 --> 00:37:08,320

Knew that that's something evil was possessing him

304

00:37:10,680 --> 00:37:16,920

And I knew that nobody could fix it except maybe a minister

305

00:37:23,260 --> 00:37:29,000

The only solution is to do an exorcism

306

00:37:29,000 --> 00:37:56,020

We brought Donald Decker to the closet a common area that was outside the cell block

307

00:37:59,100 --> 00:38:01,300

Reverend Blackburn was the jail chaplain

308

00:38:19,880 --> 00:38:24,640

I met the priest he told me he was gonna perform an exorcism

309

00:38:24,640 --> 00:38:26,640

And

310

00:38:27,760 --> 00:38:34,160

Get rid of whatever was around me, you know, I was causing all these bad things I

311

00:38:36,160 --> 00:38:40,760

Basically sat down and sat in a chair and just waited

312

00:38:42,720 --> 00:38:48,880

Waiting to see what was gonna happen when the reverie came out of those doors

313

00:38:49,880 --> 00:38:56,240

Grab my hand and then he started reading from the Bible in the name of our Lord Jesus Christ

314

00:38:57,600 --> 00:39:01,000

Every unclean spirit every devilish power and then

315

00:39:02,040 --> 00:39:04,040

This real strong odor

316

00:39:04,760 --> 00:39:08,800

Came into the room every legion the more and more the priest taugt

317

00:39:09,800 --> 00:39:11,800

Stronger the odor God

318

00:39:12,720 --> 00:39:14,720

Like rotting flesh

319

00:39:19,040 --> 00:39:21,040

The person is the church

320

00:39:25,080 --> 00:39:27,080

Now with Sonia

321

00:39:29,680 --> 00:39:31,680

This started raining

322

00:39:35,760 --> 00:39:39,440

Apart from this mortal being the part leave us all intact

323

00:39:42,640 --> 00:39:44,640

There was an anticipation

324

00:39:45,080 --> 00:39:48,720

Of what is happening

325

00:39:51,320 --> 00:39:53,760

I never saw the liquid

326

00:39:55,680 --> 00:39:57,680

As intense as it was in that room

327

00:40:01,040 --> 00:40:04,520

Water wasn't hitting me it was just attacking him

328

00:40:11,840 --> 00:40:13,840

But it would never hit the Bible

329

00:40:14,640 --> 00:40:20,000

Partly the soul intact bring God the priest was talking very very loudly

330

00:40:21,840 --> 00:40:23,840

Creaming whatever was inside of me

331

00:40:38,480 --> 00:40:40,760

The odor was becoming an intent I

332

00:40:41,760 --> 00:40:43,760

I

333

00:40:44,120 --> 00:40:46,120

Smart

334

00:41:11,640 --> 00:41:13,640

Ah

335

00:41:31,960 --> 00:41:39,160

What I saw back then was evil and it was a darkness it was something that was unexplainable

336

00:41:40,760 --> 00:41:42,760

I

337

00:41:48,640 --> 00:41:50,640

Open up my eyes I

338

00:41:54,600 --> 00:41:56,600

Was hoping it was all over

339

00:42:10,760 --> 00:42:12,760

I

340

00:42:19,960 --> 00:42:22,680

Never happened again. It was all over

341

00:42:26,280 --> 00:42:29,320

I think I survived something that was life-threatening

342

00:42:35,080 --> 00:42:37,960

I think my grandfather caused all this so

343

00:42:38,760 --> 00:42:41,760

Um he hurt me while I was growing up

344

00:42:43,640 --> 00:42:47,640

Try to hurt me after his death so now it's over

345

00:42:50,040 --> 00:42:52,040

You can't touch me anymore
