

1

00:00:00,000 --> 00:00:11,000

If there was ever a place that there would be paranormal activity, it would be Fox Hollow Farm.

2

00:00:11,000 --> 00:00:20,000

If the investigators are white, Herbert Baumreich with a Hamilton County businessman was a serial killer.

3

00:00:20,000 --> 00:00:24,000

I am the biggest skeptic.

4

00:00:24,000 --> 00:00:28,000

But it felt like someone was there.

5

00:00:28,000 --> 00:00:32,000

There's stuff going on that I can't explain.

6

00:00:37,000 --> 00:00:40,000

I had the sensation to run.

7

00:00:40,000 --> 00:00:43,000

I was running for my life.

8

00:00:43,000 --> 00:00:45,000

True fear.

9

00:00:45,000 --> 00:00:47,000

True panic.

10

00:00:47,000 --> 00:00:50,000

I was scared to death.

11

00:00:58,000 --> 00:01:05,000

In 2006, we decided we needed more space.

12

00:01:05,000 --> 00:01:30,000

In 2006, we decided we needed more space.

13

00:01:30,000 --> 00:01:32,000

Everyone loves a good deal.

14

00:01:32,000 --> 00:01:35,000

And on the outward appearance, it was a great deal.

15

00:01:35,000 --> 00:01:38,000

And it was a steal, actually.

16

00:01:49,000 --> 00:01:55,000

I really wanted a change from city life and from having neighbors close by.

17

00:01:55,000 --> 00:01:58,000

Somewhere we could just be ourselves.

18

00:01:58,000 --> 00:02:00,000

My goodness.

19

00:02:00,000 --> 00:02:02,000

Is that the house?

20

00:02:02,000 --> 00:02:06,000

The first time that we saw the house was very impressive.

21

00:02:06,000 --> 00:02:12,000

Just the way that the property is laid out and the architecture of the home, it's just beautiful.

22

00:02:20,000 --> 00:02:23,000

Here we have an 800 square foot room.

23

00:02:23,000 --> 00:02:26,000

Great place for entertaining your guests.

24

00:02:28,000 --> 00:02:31,000

It was breathtaking.

25

00:02:31,000 --> 00:02:36,000

You walk into the home, you walk into the living room, and you want to stay.

26

00:02:36,000 --> 00:02:39,000

Another feature that the house has is a swimming pool.

27

00:02:39,000 --> 00:02:42,000

It's a large swimming pool, 18 by 36 feet.

28

00:02:42,000 --> 00:02:48,000

I was thinking, wow, I can't believe that you could actually buy a home that you have a swimming pool in your basement.

29

00:02:48,000 --> 00:02:50,000

It's like, how cool is that?

30

00:02:50,000 --> 00:02:53,000

So you guys follow me and I'll show you the rest.

31

00:02:53,000 --> 00:02:58,000

The Fox Hello Farm is a beautiful house.

32

00:02:58,000 --> 00:03:01,000

It's in a very desirable location.

33

00:03:01,000 --> 00:03:05,000

It's a desirable property, but no one's living here.

34

00:03:05,000 --> 00:03:10,000

You just start to ask yourself, what's going on?

35

00:03:23,000 --> 00:03:25,000

It's a beautiful house.

36

00:03:25,000 --> 00:03:27,000

It's a beautiful house.

37

00:03:45,000 --> 00:03:50,000

It started to dawn on me that this might be a property

38

00:03:50,000 --> 00:03:56,000

that I had remembered hearing about in the local news some time ago.

39

00:03:56,000 --> 00:03:58,000

Oh, this place.

40

00:03:58,000 --> 00:04:03,000

So I asked the realtor, is this in fact the place where her bowmeister lived?

41

00:04:03,000 --> 00:04:06,000

He said yes. That's why it was such a good deal.

42

00:04:10,000 --> 00:04:18,000

It took years to unravel the mystery, but investigators say they now know who killed nine young men ages 16 to 30.

43

00:04:20,000 --> 00:04:25,000

A small army of investigators blanketed the normally tranquil Fox Hello Farm.

44

00:04:25,000 --> 00:04:30,000

After detectives dug up the remains of seven men buried under the foot of the state.

45

00:04:30,000 --> 00:04:36,000

The feeling of everybody right now is that one person did all these crimes.

46

00:04:36,000 --> 00:04:39,000

And that person is her bowmeister.

47

00:04:41,000 --> 00:04:43,000

Well, let's see the graphs.

48

00:04:51,000 --> 00:04:54,000

This is her bowmeister.

49

00:04:54,000 --> 00:04:59,000

Vicki and I walked away and just talked amongst ourselves for a moment, and I said, could you live here?

50

00:04:59,000 --> 00:05:00,000

Would it bother you?

51

00:05:00,000 --> 00:05:05,000

And initially she said, I don't know.

52

00:05:05,000 --> 00:05:09,000

See, there's the apartment above the fire.

53

00:05:14,000 --> 00:05:19,000

I'm a medical laboratory scientist, so I worked in a hospital all of my career.

54

00:05:21,000 --> 00:05:25,000

Death and dying is part of living. It's part of life.

55

00:05:25,000 --> 00:05:33,000

But when you go into a home where you know people have lost their lives, you just feel kind of different.

56

00:05:44,000 --> 00:05:45,000

Honey?

57

00:05:45,000 --> 00:05:46,000

Oh!

58

00:05:46,000 --> 00:05:47,000

Sorry.

59

00:05:47,000 --> 00:05:49,000

I'll start in here.

60

00:05:49,000 --> 00:05:50,000

Oh!

61

00:05:56,000 --> 00:06:03,000

Rob and I talked about the impact on our family from living in a home, you know, that had once been owned by a serial killer.

62

00:06:03,000 --> 00:06:09,000

A lot of people live in homes where people have passed away, and they may not even know it when they buy the home.

63

00:06:09,000 --> 00:06:12,000

You know, at least we knew this going into it.

64

00:06:19,000 --> 00:06:20,000

Oh!

65

00:06:40,000 --> 00:06:43,000

We have two teenage boys that love to use the pool.

66

00:06:43,000 --> 00:06:48,000

There was a lot of gravel that had been tracked in, and I thought, I really need to vacuum this.

67

00:06:55,000 --> 00:06:57,000

I'm starting to suck up some gravel.

68

00:07:02,000 --> 00:07:04,000

All of a sudden the vacuum turns off.

69

00:07:04,000 --> 00:07:09,000

It's like, oh great, I pulled it, you know, I've unplugged it from the extension cord.

70

00:07:10,000 --> 00:07:13,000

So I plug it back in.

71

00:07:28,000 --> 00:07:30,000

And the vacuum turns off again.

72

00:07:32,000 --> 00:07:34,000

So I stand up, I look.

73

00:07:35,000 --> 00:07:41,000

And this time the cords pulled apart, and it's about 12 inches apart, and they're just laying there.

74

00:07:45,000 --> 00:07:52,000

And I'm thinking to myself, this is really odd because I know that I didn't pull it apart.

75

00:08:04,000 --> 00:08:06,000

And I'm thinking, oh, I'm going to get it out of there.

76

00:08:21,000 --> 00:08:24,000

It just kind of, it startled me.

77

00:08:25,000 --> 00:08:28,000

The hairs on the back of my neck just stood up.

78

00:08:29,000 --> 00:08:36,000

It was definitely a unsettling presence there.

79

00:08:38,000 --> 00:08:43,000

It felt like someone was there, and it felt like someone didn't want me there.

80

00:08:49,000 --> 00:08:53,000

I worked at a car dealership, and Joe had just come to work with us.

81

00:08:53,000 --> 00:09:00,000

I met Rob at the car dealership where we work, and he and I were pretty good buddies.

82

00:09:02,000 --> 00:09:06,000

It was chronically late. He couldn't get to work on time, and I said, why?

83

00:09:06,000 --> 00:09:10,000

Sorry. Traffic just insane.

84

00:09:10,000 --> 00:09:15,000

It was taking me a long time to get to my new job from where I lived. It was 55 minutes away.

85

00:09:15,000 --> 00:09:18,000

So I decided to find a new apartment on the north side of town.

86

00:09:19,000 --> 00:09:26,000

I offered a solution to his commute. I said that we have an apartment at the house that no one's using.

87

00:09:30,000 --> 00:09:35,000

Rob told me briefly about the history. He didn't hide anything from me, but he didn't tell me a lot about it either.

88

00:09:35,000 --> 00:09:42,000

But it didn't really affect me much. All the things that were there at the time during the murders has all since been gutted.

89

00:09:42,000 --> 00:09:45,000

So all the bad things were all gone.

90

00:09:49,000 --> 00:09:57,000

So the day came when I moved in, and we're unloading all the trucks into the apartment, putting boxes down.

91

00:09:59,000 --> 00:10:04,000

I thought it was a beautiful place, and I thought it would be a great fit for my dog Fred and I.

92

00:10:11,000 --> 00:10:13,000

Are we done? We're done, yes.

93

00:10:13,000 --> 00:10:16,000

Once we finally got everything last piece moved in, I was just relieved.

94

00:10:16,000 --> 00:10:18,000

Okay, I'll see you later.

95

00:10:18,000 --> 00:10:19,000

Okay, thanks Rob.

96

00:10:19,000 --> 00:10:26,000

I was very, very tired and sat down and just fell asleep. I was so exhausted.

97

00:10:32,000 --> 00:10:35,000

I don't remember most of my dreams usually, but this one I did.

98

00:10:38,000 --> 00:10:41,000

I had the sensation to run.

99

00:10:42,000 --> 00:10:45,000

I felt like something was chasing me.

100

00:10:45,000 --> 00:10:50,000

I was running from something bad. I was running from a light.

101

00:10:50,000 --> 00:10:52,000

I was running from something bad.

102

00:11:15,000 --> 00:11:19,000

I got up to run and smashed into the door frame.

103

00:11:21,000 --> 00:11:27,000

I just fell to my face, and I just lay there in so much pain.

104

00:11:31,000 --> 00:11:34,000

There were shards of glass everywhere, and I got it into my fingers.

105

00:11:34,000 --> 00:11:36,000

I don't know what I was running from, but I had the sensation to get out of there right away.

106

00:12:05,000 --> 00:12:10,000

Rob? Rob, I'm home.

107

00:12:17,000 --> 00:12:18,000

Rob?

108

00:12:28,000 --> 00:12:29,000

Hey.

109

00:12:29,000 --> 00:12:30,000

You scared the day like...

110

00:12:30,000 --> 00:12:33,000

I was on a ladder painting, and Vicki came home from work,

111

00:12:33,000 --> 00:12:38,000

and I think she was impressed by the amount of painting I had gotten done.

112

00:12:38,000 --> 00:12:41,000

I was looking at the work that he had done, and...

113

00:12:44,000 --> 00:12:46,000

Something sort of caught my eye.

114

00:12:46,000 --> 00:12:48,000

I saw someone standing there.

115

00:12:48,000 --> 00:12:51,000

I realized that this guy's got a red t-shirt on, and I thought,

116

00:12:51,000 --> 00:12:53,000

well, it could be a trespasser.

117

00:12:56,000 --> 00:12:59,000

He had his back to me, and he was slowly walking away.

118

00:13:03,000 --> 00:13:05,000

And then I realized that he was walking away.

119

00:13:05,000 --> 00:13:07,000

I was walking away.

120

00:13:07,000 --> 00:13:09,000

I was walking away.

121

00:13:09,000 --> 00:13:11,000

I was walking away.

122

00:13:11,000 --> 00:13:13,000

I was walking away.

123

00:13:14,000 --> 00:13:16,000

And then I realized...

124

00:13:17,000 --> 00:13:19,000

I couldn't see his legs.

125

00:13:25,000 --> 00:13:28,000

And then suddenly he just disappeared into the tree.

126

00:13:28,000 --> 00:13:32,000

My heart just started beating really hard, because I'm thinking,

127

00:13:32,000 --> 00:13:37,000

oh, my gosh, this person just disappeared right in front of my eyes.

128

00:13:40,000 --> 00:13:42,000

Vicki, what's wrong?

129

00:13:44,000 --> 00:13:46,000

I saw someone.

130

00:13:47,000 --> 00:13:50,000

My first thought was, it's one of these serial killer groupies.

131

00:13:51,000 --> 00:13:56,000

Unfortunately, it's a hazard of living in a house where, you know, a serial killer lived.

132

00:13:59,000 --> 00:14:02,000

We went over to the spot, right where he disappeared,

133

00:14:02,000 --> 00:14:05,000

and, you know, I was looking over Rob's shoulders.

134

00:14:06,000 --> 00:14:09,000

There's nothing there. Absolutely nothing.

135

00:14:10,000 --> 00:14:13,000

Whoever it was, honey, he's gone.

136

00:14:16,000 --> 00:14:18,000

This is all very unfamiliar territory.

137

00:14:18,000 --> 00:14:20,000

I am the biggest skeptic.

138

00:14:20,000 --> 00:14:22,000

You know, I am a scientist.

139

00:14:22,000 --> 00:14:24,000

You have to prove things to me,

140

00:14:24,000 --> 00:14:28,000

but I guarantee you, I saw what I saw.

141

00:14:28,000 --> 00:14:31,000

I had been living there for about a week.

142

00:14:31,000 --> 00:14:34,000

It was probably about 8.45, 9 o'clock at night,

143

00:14:34,000 --> 00:14:36,000

and I was washing a couple of dishes.

144

00:14:36,000 --> 00:14:39,000

All of a sudden, I heard a knock on the door.

145

00:14:39,000 --> 00:14:44,000

I grabbed a towel. I still had my hands wet, and I dried off my hands.

146

00:14:44,000 --> 00:14:46,000

And meanwhile, the door is still knocking.

147

00:14:46,000 --> 00:14:48,000

I was like, what's going on?

148

00:14:48,000 --> 00:14:50,000

I was like, what's going on?

149

00:14:50,000 --> 00:14:52,000

I was like, what's going on?

150

00:14:52,000 --> 00:14:54,000

I was like, what's going on?

151

00:14:54,000 --> 00:14:56,000

I was like, what's going on?

152

00:14:56,000 --> 00:14:58,000

And meanwhile, the door is still knocking.

153

00:14:58,000 --> 00:15:00,000

Be right there.

154

00:15:02,000 --> 00:15:04,000

Just a minute.

155

00:15:10,000 --> 00:15:12,000

I opened the door, opened it wide.

156

00:15:16,000 --> 00:15:18,000

There was no one there.

157

00:15:18,000 --> 00:15:20,000

Hello?

158

00:15:20,000 --> 00:15:23,000

I looked out, did not see anyone at the bottom of the staircase.

159

00:15:23,000 --> 00:15:26,000

I looked over the balcony, did not see anyone there.

160

00:15:27,000 --> 00:15:29,000

Did not know who would have knocked on the door.

161

00:15:35,000 --> 00:15:38,000

I kind of paused to gather myself.

162

00:15:38,000 --> 00:15:41,000

I actually did not feel too comfortable,

163

00:15:41,000 --> 00:15:44,000

and I just felt like there was something watching me.

164

00:15:47,000 --> 00:15:50,000

But I could not see anything.

165

00:15:53,000 --> 00:15:55,000

I was like, what's going on?

166

00:16:15,000 --> 00:16:18,000

Then all of a sudden, something caught my eye.

167

00:16:19,000 --> 00:16:22,000

It was like a light wisp of something.

168

00:16:34,000 --> 00:16:36,000

So I looked back into the bedroom.

169

00:16:36,000 --> 00:16:38,000

I saw nothing.

170

00:16:46,000 --> 00:16:48,000

Did you see something too, boy?

171

00:17:02,000 --> 00:17:04,000

After what Vicki had seen,

172

00:17:04,000 --> 00:17:07,000

I became concerned for everyone's safety.

173

00:17:07,000 --> 00:17:10,000

So we installed a close circuit television system.

174

00:17:12,000 --> 00:17:14,000

We put cameras on the barn facing the house,

175

00:17:14,000 --> 00:17:16,000

one on the back side, one at the front door,

176

00:17:16,000 --> 00:17:18,000

and one at the back door.

177

00:17:19,000 --> 00:17:21,000

The cameras are on all the time,

178

00:17:21,000 --> 00:17:24,000

and we can watch them from the kitchen on a monitor.

179

00:17:31,000 --> 00:17:33,000

Here you go, Freddie.

180

00:17:33,000 --> 00:17:35,000

Let's go.

181

00:17:37,000 --> 00:17:39,000

It was about three weeks after I had moved into the house,

182

00:17:39,000 --> 00:17:41,000

and what I had been doing at night, on clear nights,

183

00:17:41,000 --> 00:17:43,000

I would take my dog, Fred, with me

184

00:17:43,000 --> 00:17:45,000

and walk up and down the driveway.

185

00:17:53,000 --> 00:17:55,000

I heard this noise coming from the woods.

186

00:17:57,000 --> 00:18:00,000

Fred actually stopped, and his ears are perked up.

187

00:18:01,000 --> 00:18:04,000

I looked down at him, and he's making quiet, growling noises.

188

00:18:06,000 --> 00:18:08,000

Fred, come on, buddy.

189

00:18:08,000 --> 00:18:10,000

Let's go back.

190

00:18:17,000 --> 00:18:19,000

Then my dog took off running.

191

00:18:19,000 --> 00:18:22,000

So I looked around to see what he was looking at.

192

00:18:22,000 --> 00:18:24,000

I saw this man.

193

00:18:24,000 --> 00:18:26,000

This man in a red shirt.

194

00:18:28,000 --> 00:18:30,000

Fred!

195

00:18:30,000 --> 00:18:32,000

He's walking into the trees,

196

00:18:32,000 --> 00:18:34,000

and he walked in front of two of them,

197

00:18:34,000 --> 00:18:36,000

and then he just faded away and disappeared.

198

00:18:36,000 --> 00:18:38,000

Fred!

199

00:18:52,000 --> 00:18:55,000

I was fearful to go into the woods where this man was.

200

00:18:55,000 --> 00:18:57,000

I thought, is he a bad person,

201

00:18:57,000 --> 00:18:59,000

or I didn't know what to think.

202

00:19:03,000 --> 00:19:05,000

Fred?

203

00:19:10,000 --> 00:19:12,000

Come on, boy.

204

00:19:12,000 --> 00:19:14,000

You gotta go home.

205

00:19:22,000 --> 00:19:24,000

Fred?

206

00:19:43,000 --> 00:19:46,000

I saw the guy in the red shirt for the second time.

207

00:19:48,000 --> 00:19:50,000

He focused right on this man.

208

00:19:52,000 --> 00:19:54,000

Fred!

209

00:20:17,000 --> 00:20:19,000

He was kind of standing right about there.

210

00:20:19,000 --> 00:20:21,000

Then he turned, and he walked into the woods,

211

00:20:21,000 --> 00:20:23,000

how much striding like this, you know, like with a purpose.

212

00:20:23,000 --> 00:20:25,000

Fred, do you have a T-shirt?

213

00:20:25,000 --> 00:20:28,000

Everything that Joe described was exactly the person that I saw.

214

00:20:28,000 --> 00:20:30,000

Right up in the woods, right about here.

215

00:20:30,000 --> 00:20:32,000

This is where he...

216

00:20:32,000 --> 00:20:35,000

This is where he disappeared.

217

00:20:35,000 --> 00:20:38,000

We realized that we had actually seen the same thing.

218

00:20:43,000 --> 00:20:46,000

There was no evidence that anyone had been there,

219

00:20:46,000 --> 00:20:50,000

and I'm thinking, okay, you know,

220

00:20:52,000 --> 00:20:54,000

what's going on?

221

00:21:16,000 --> 00:21:18,000

Hello?

222

00:21:18,000 --> 00:21:21,000

I woke up with kind of a startling feel,

223

00:21:21,000 --> 00:21:23,000

and I heard this knocking.

224

00:21:23,000 --> 00:21:25,000

Rob, is that you?

225

00:21:42,000 --> 00:21:44,000

Who's there?

226

00:21:44,000 --> 00:21:47,000

I was calling out, what do you want?

227

00:21:47,000 --> 00:21:50,000

And I wasn't hearing any sort of response back.

228

00:21:51,000 --> 00:21:53,000

Who is that?

229

00:21:58,000 --> 00:22:01,000

But it just kept going on and on and on.

230

00:22:01,000 --> 00:22:06,000

Knock, knock, knock, knock, knock, knock, knock, knock.

231

00:22:10,000 --> 00:22:12,000

Who's doing that?

232

00:22:13,000 --> 00:22:15,000

You can feel the vibration,

233

00:22:15,000 --> 00:22:18,000

and you can actually feel the wooden panels vibrating inside the door.

234

00:22:20,000 --> 00:22:22,000

Who's there?

235

00:22:23,000 --> 00:22:25,000

Who is there?

236

00:22:32,000 --> 00:22:34,000

There's no one there.

237

00:22:38,000 --> 00:22:41,000

But then the door knock was still horizontal.

238

00:22:42,000 --> 00:22:46,000

And then it fell and knocked one last time,

239

00:22:46,000 --> 00:22:49,000

and that just scared the hell out of me.

240

00:22:49,000 --> 00:22:51,000

Who's there?

241

00:22:58,000 --> 00:23:02,000

I looked around, all the lights were off on the house.

242

00:23:02,000 --> 00:23:05,000

Rob and Vicki's house, there was no one awake.

243

00:23:06,000 --> 00:23:08,000

I didn't hear any footsteps of anyone running away,

244

00:23:08,000 --> 00:23:11,000

which I would have heard because I didn't hear anything.

245

00:23:12,000 --> 00:23:14,000

Because it was silent that night.

246

00:23:14,000 --> 00:23:16,000

I didn't know what to think.

247

00:23:42,000 --> 00:23:44,000

I don't know.

248

00:24:12,000 --> 00:24:14,000

I couldn't see what was out beyond the lights,

249

00:24:14,000 --> 00:24:17,000

and I just felt like there was something watching me.

250

00:24:24,000 --> 00:24:26,000

I shut the door.

251

00:24:26,000 --> 00:24:28,000

I locked the deadbolt.

252

00:24:28,000 --> 00:24:30,000

Hey, hey Fred.

253

00:24:30,000 --> 00:24:32,000

It's okay, you're okay.

254

00:24:32,000 --> 00:24:35,000

And then the strangest thing happened, my dog Fred.

255

00:24:35,000 --> 00:24:37,000

He starts growling at me.

256

00:24:37,000 --> 00:24:41,000

And I heard what sounded like the doorknob turning.

257

00:24:45,000 --> 00:24:48,000

As the doorknob started to turn, you'd hear...

258

00:24:52,000 --> 00:24:54,000

and you'd hear this spring compressing,

259

00:24:54,000 --> 00:24:57,000

which made this horrific rrrrr sound.

260

00:25:07,000 --> 00:25:10,000

And then it stopped turning.

261

00:25:17,000 --> 00:25:18,000

Bang!

262

00:25:18,000 --> 00:25:21,000

The door flew open and slammed into the wall,

263

00:25:21,000 --> 00:25:24,000

and wood chips went flying all over the apartment.

264

00:25:30,000 --> 00:25:32,000

Who's there?

265

00:25:33,000 --> 00:25:36,000

I saw this man.

266

00:25:44,000 --> 00:25:47,000

He had a complete look of terror in his face.

267

00:25:47,000 --> 00:25:49,000

You could just tell he was running for his life.

268

00:25:49,000 --> 00:25:51,000

He was breathing heavy.

269

00:25:51,000 --> 00:25:54,000

I mean, he was trying to get away from somebody.

270

00:25:56,000 --> 00:25:59,000

I've never seen anything like it in my life.

271

00:26:02,000 --> 00:26:05,000

I don't know if he's trying to get away.

272

00:26:16,000 --> 00:26:19,000

I honestly think that I saw one of her bow-meister's victims

273

00:26:19,000 --> 00:26:22,000

running for their lives.

274

00:26:26,000 --> 00:26:29,000

I think I see the victims because they're trying to get our attention

275

00:26:29,000 --> 00:26:30,300

They're seeking our assistance.

276

00:26:33,740 --> 00:26:37,640

The first person I told was actually Vicky.

277

00:26:37,640 --> 00:26:41,320

We started researching more about the victims,

278

00:26:41,320 --> 00:26:44,820

about everything that was found on the property.

279

00:26:44,820 --> 00:26:46,940

And we started becoming a lot more interested

280

00:26:46,940 --> 00:26:48,400

in the investigation.

281

00:26:52,220 --> 00:26:53,560

We had called the local news station

282

00:26:53,560 --> 00:26:56,040

to get some of the footage of the news stories

283

00:26:56,040 --> 00:26:59,640

that I had remember even seeing back in 1996.

284

00:26:59,640 --> 00:27:03,080

The ones being had been in the woods for 16 months.

285

00:27:03,080 --> 00:27:05,640

The bones discovered in June of 1996

286

00:27:05,640 --> 00:27:08,440

contain the DNA identities of 11 victims.

287

00:27:08,440 --> 00:27:10,880

Only eight are identified.

288

00:27:10,880 --> 00:27:13,600

Investigators say all the victims were young, white,

289

00:27:13,600 --> 00:27:15,960

and had ties in the gay community.

290

00:27:15,960 --> 00:27:18,840

An informant told Indianapolis police that her back.

291

00:27:18,840 --> 00:27:23,240

They started showing photographs of the victims.

292

00:27:23,240 --> 00:27:27,560

And then one particular photograph popped up.

293

00:27:27,560 --> 00:27:28,080

Oh my god.

294

00:27:30,680 --> 00:27:33,160

That was the guy.

295

00:27:33,160 --> 00:27:34,400

What guy?

296

00:27:34,400 --> 00:27:34,900

That guy.

297

00:27:37,960 --> 00:27:38,760

And then I realized.

298

00:27:45,960 --> 00:27:48,000

That's the young person that runs through my apartment.

299

00:27:48,000 --> 00:27:49,160

That is the person.

300

00:27:49,160 --> 00:27:51,280

Without a doubt, that is the person.

301

00:27:51,320 --> 00:27:52,080

Yes, the picky.

302

00:27:52,080 --> 00:27:53,880

That is the guy I saw in my apartment.

303

00:27:53,880 --> 00:27:55,400

We have not reached the end of it.

304

00:27:55,400 --> 00:27:58,320

There still might be some information out there

305

00:27:58,320 --> 00:28:01,600

that might take this investigation a little bit further.

306

00:28:10,440 --> 00:28:15,160

The police found 5,500 bone fragments from the property.

307

00:28:15,160 --> 00:28:18,800

We all know that there's more out there.

308

00:28:18,800 --> 00:28:20,800

Fred, come on, buddy.

309

00:28:20,800 --> 00:28:21,300

Let's go.

310

00:28:25,920 --> 00:28:28,000

Living in a place like that, you're out in the woods

311

00:28:28,000 --> 00:28:29,320

walking around.

312

00:28:29,320 --> 00:28:35,240

And you're near the areas where they found a lot of bones.

313

00:28:35,240 --> 00:28:38,520

You can't help but think about her bowmeister and the victims.

314

00:28:38,680 --> 00:28:41,200

I'm not really sure what made me look to the left,

315

00:28:41,200 --> 00:28:42,760

but I just happened to glance that direction,

316

00:28:42,760 --> 00:28:43,800

and something caught my eye.

317

00:28:49,880 --> 00:28:52,800

It was just laying on the ground like it was meant to find it.

318

00:28:57,000 --> 00:28:59,160

At that point, I think it really was a good idea to look

319

00:28:59,160 --> 00:29:00,160

at the other victims.

320

00:29:00,160 --> 00:29:02,520

I think it was a good idea to look at the other victims.

321

00:29:02,520 --> 00:29:04,800

I think it was a good idea to look at the other victims.

322

00:29:04,800 --> 00:29:06,920

I think it was a good idea to look at the other victims.

323

00:29:07,680 --> 00:29:09,640

At that point, I think it really did start to make sense.

324

00:29:14,720 --> 00:29:16,600

I think we should take the boys.

325

00:29:16,600 --> 00:29:17,400

OK.

326

00:29:17,400 --> 00:29:18,400

You know?

327

00:29:18,400 --> 00:29:19,640

It was a Sunday night.

328

00:29:19,640 --> 00:29:21,520

Vicky and I had just come home from dinner.

329

00:29:21,520 --> 00:29:22,320

Vicky?

330

00:29:22,320 --> 00:29:24,440

You think they like Italian?

331

00:29:24,440 --> 00:29:25,520

I think the boys like to eat.

332

00:29:25,520 --> 00:29:26,520

They eat it.

333

00:29:26,520 --> 00:29:30,360

Found something.

334

00:29:30,360 --> 00:29:33,600

Joe met us in the driveway, and he said, I found something.

335

00:29:36,920 --> 00:29:37,920

I found something.

336

00:29:42,920 --> 00:29:44,840

Where did you find that?

337

00:29:44,840 --> 00:29:46,640

You could tell it was a human bone.

338

00:29:46,640 --> 00:29:48,600

That's a femur.

339

00:29:48,600 --> 00:29:49,600

You sure?

340

00:29:49,600 --> 00:29:51,120

It's definitely human.

341

00:29:51,120 --> 00:29:53,880

I was surprised at how good a condition the bone was in,

342

00:29:53,880 --> 00:29:56,560

and then when Joe told me that he found it just laying

343

00:29:56,560 --> 00:29:59,600

on the ground, I was amazed.

344

00:29:59,600 --> 00:30:03,400

Lying there, Rob, like it was meant to find it.

345

00:30:03,400 --> 00:30:05,960

It was found sort of in the area where

346

00:30:05,960 --> 00:30:08,000

we saw the guy in the red shirt.

347

00:30:08,000 --> 00:30:12,120

And maybe this was what he was leading us to.

348

00:30:12,120 --> 00:30:13,600

I'll report it to the police first thing.

349

00:30:19,600 --> 00:30:22,440

I felt the need to get the person that was actually there,

350

00:30:22,440 --> 00:30:26,120

so I contacted the lead detective on the case.

351

00:30:26,120 --> 00:30:29,200

And he agreed to come out and show us where things had actually

352

00:30:29,200 --> 00:30:29,920

taken place.

353

00:30:30,520 --> 00:30:32,720

The Boundmeister investigation was one of the largest cases

354

00:30:32,720 --> 00:30:34,320

we've ever had.

355

00:30:34,320 --> 00:30:35,920

I remember this place.

356

00:30:35,920 --> 00:30:38,760

It was a big part of my life at that time.

357

00:30:42,840 --> 00:30:45,640

I found the place to be disturbing not only in 96,

358

00:30:45,640 --> 00:30:48,840

but it brought those disturbing feelings back to me.

359

00:30:52,320 --> 00:30:53,320

Yeah.

360

00:30:53,320 --> 00:30:54,320

It was a big place.

361

00:30:54,320 --> 00:30:55,320

It was a big place.

362

00:30:55,320 --> 00:30:56,320

It was a big place.

363

00:30:56,320 --> 00:30:57,320

It was a big place.

364

00:30:57,800 --> 00:30:59,800

Yeah.

365

00:30:59,800 --> 00:31:02,320

In our investigations, he told me

366

00:31:02,320 --> 00:31:05,920

how her Boundmeister had selected his victims from gay bars

367

00:31:05,920 --> 00:31:10,640

downtown that he would offer to bring them up for a swim

368

00:31:10,640 --> 00:31:12,960

in the indoor swimming pool.

369

00:31:12,960 --> 00:31:16,680

As I was looking around, it was like I was back in 96.

370

00:31:20,200 --> 00:31:23,560

Mr. Boundmeister had mannequins around the pool

371

00:31:23,560 --> 00:31:24,600

in various poses.

372

00:31:28,040 --> 00:31:29,480

It just seemed weird.

373

00:31:29,480 --> 00:31:35,000

It seemed like a setup to lure his victims there.

374

00:31:35,000 --> 00:31:37,200

We surmised that Mr. Boundmeister had gained control

375

00:31:37,200 --> 00:31:41,440

over his victims by the use of either alcohol and or drugs,

376

00:31:41,440 --> 00:31:44,320

brought them into the pool, asked them to participate

377

00:31:44,320 --> 00:31:47,760

in auto erotic asphyxia, and then killed

378

00:31:47,760 --> 00:31:49,240

these individuals by strangulation.

379

00:31:58,240 --> 00:32:00,920

His victims probably thought it was cool.

380

00:32:00,920 --> 00:32:02,880

It's kind of like a spa.

381

00:32:02,880 --> 00:32:04,720

In fact, it was a killing ground.

382

00:32:04,720 --> 00:32:05,560

It was a trap.

383

00:32:10,640 --> 00:32:13,840

The end, when everything was coming to light,

384

00:32:13,840 --> 00:32:17,800

Mr. Boundmeister had killed himself with a gunshot wound

385

00:32:17,800 --> 00:32:18,800

to the head.

386

00:32:28,320 --> 00:32:29,800

Oh, my goodness.

387

00:32:29,800 --> 00:32:30,800

All right.

388

00:32:30,800 --> 00:32:32,800

Enjoy it again.

389

00:32:32,800 --> 00:32:34,320

A friend of mine, Jeremy, came over,

390

00:32:34,320 --> 00:32:36,760

and he's been wanting to see the house and get a tour of the house

391

00:32:36,760 --> 00:32:37,760

for quite some time.

392

00:32:41,760 --> 00:32:44,600

This is the first time I had been to visit Joe at his apartment.

393

00:32:44,600 --> 00:32:46,160

It was about 6 o'clock.

394

00:32:46,160 --> 00:32:47,360

It was dark outside.

395

00:32:47,360 --> 00:32:48,440

We're just having fun, you know,

396

00:32:48,440 --> 00:32:49,720

just playing around with the kids.

397

00:32:54,960 --> 00:32:56,680

We were actually picking up the large beetles

398

00:32:56,680 --> 00:32:58,080

that were dead in the bottom of the pool.

399

00:32:58,080 --> 00:32:59,080

Here we go.

400

00:32:59,080 --> 00:33:00,080

We're down here.

401

00:33:00,080 --> 00:33:01,080

Oh, my goodness.

402

00:33:01,080 --> 00:33:02,080

Disgusting.

403

00:33:16,080 --> 00:33:17,080

Where are you?

404

00:33:17,080 --> 00:33:18,080

Yes, right here.

405

00:33:18,080 --> 00:33:19,080

There you go.

406

00:33:19,080 --> 00:33:20,080

I'm not in right here.

407

00:33:20,080 --> 00:33:21,080

It's OK.

408

00:33:21,080 --> 00:33:22,080

I don't know.

409

00:33:22,080 --> 00:33:23,080

Sorry.

410

00:33:23,080 --> 00:33:24,080

Sorry.

411

00:33:24,480 --> 00:33:25,480

Oh.

412

00:33:29,480 --> 00:33:32,480

All of a sudden, I felt this sensation on my neck.

413

00:33:32,880 --> 00:33:33,880

Ah.

414

00:33:50,880 --> 00:33:52,880

I first thought it was one of the boys.

415

00:33:53,280 --> 00:33:56,280

But I saw them in the opposite end of the pool,

416

00:33:56,280 --> 00:33:58,280

and I realized it was not them.

417

00:34:18,280 --> 00:34:20,280

I just felt these little bees.

418

00:34:20,680 --> 00:34:22,680

I just felt these fingers.

419

00:34:22,680 --> 00:34:24,680

And I felt like I was being choked.

420

00:34:28,680 --> 00:34:34,680

I turn and look at him, and he puts his hands up to his neck.

421

00:34:37,680 --> 00:34:40,680

Pure panic just comes over his face.

422

00:34:40,680 --> 00:34:41,680

It was not fake.

423

00:34:41,680 --> 00:34:43,680

It was Joe and I joke around all the time.

424

00:34:43,680 --> 00:34:46,680

He was not joking whatsoever.

425

00:34:46,680 --> 00:34:48,680

Joe, you're not joking.

426

00:34:49,680 --> 00:34:50,680

Joe, you're OK.

427

00:34:50,680 --> 00:34:52,680

Boys, get him out.

428

00:34:52,680 --> 00:34:53,680

Out, out, out.

429

00:34:53,680 --> 00:34:54,680

Come on.

430

00:34:54,680 --> 00:34:55,680

Get him.

431

00:34:55,680 --> 00:34:56,680

Let's go.

432

00:34:56,680 --> 00:34:57,680

He's in here.

433

00:34:57,680 --> 00:34:58,680

Come on.

434

00:34:58,680 --> 00:34:59,680

Get him out.

435

00:34:59,680 --> 00:35:00,680

Come on.

436

00:35:00,680 --> 00:35:03,680

True fear, true panic, he wanted to leave.

437

00:35:19,680 --> 00:35:21,680

There's no question of what I felt.

438

00:35:21,680 --> 00:35:24,680

I mean, I was scared to death.

439

00:35:26,680 --> 00:35:28,680

Joe, you OK in there?

440

00:35:28,680 --> 00:35:29,680

What's going on, man?

441

00:35:29,680 --> 00:35:30,680

Are you OK?

442

00:35:30,680 --> 00:35:32,680

I couldn't help but think of her bowmeister and his victims,

443

00:35:32,680 --> 00:35:36,680

and I had kind of a picture of what the victims were going through

444

00:35:36,680 --> 00:35:38,680

their last full final moments in life,

445

00:35:38,680 --> 00:35:40,680

and that was just rather frightening.

446

00:35:40,680 --> 00:35:50,680

I was in my apartment over by my front door where my computer is.

447

00:36:10,680 --> 00:36:16,680

All of a sudden, I heard a scraping sound, a metallic scraping.

448

00:36:40,680 --> 00:36:56,680

And then I noticed something strange on the wall.

449

00:36:56,680 --> 00:37:09,680

And there's actually these knife marks, multiple knife marks.

450

00:37:09,680 --> 00:37:16,680

They go across the wall.

451

00:37:16,680 --> 00:37:25,680

And now I'm thinking that someone could have been murdered or stabbed in my kitchen right next to the sink.

452

00:37:25,680 --> 00:37:29,680

It's actually quite horrifying because the stuff that's happened in the past,

453

00:37:29,680 --> 00:37:33,680

potentially some of it actually happened in my living quarters,

454

00:37:33,680 --> 00:37:40,680

and there potentially is still someone in here.

455

00:37:40,680 --> 00:37:46,680

We've all seen all these ghost hunter shows and how they go around investigating with voice recorders and so forth.

456

00:37:46,680 --> 00:37:49,680

So I had my telephone, or it has a great voice recorder on it.

457

00:37:49,680 --> 00:37:52,680

I turned that on and I turned off the AC.

458

00:37:52,680 --> 00:37:54,680

I unplugged the refrigerator, the TV.

459

00:37:54,680 --> 00:38:02,680

Everything that could potentially make a noise was off.

460

00:38:04,680 --> 00:38:07,680

Is anyone here with me right now?

461

00:38:07,680 --> 00:38:18,680

I felt extremely silly doing this, but I really wanted to see if anything was there.

462

00:38:33,680 --> 00:38:37,680

And when I was standing there in the kitchen, I asked this question,

463

00:38:37,680 --> 00:38:44,680

Is there anyone here?

464

00:38:44,680 --> 00:38:55,680

There's absolutely no response.

465

00:38:55,680 --> 00:38:59,680

At that point, my dog started growling in the background.

466

00:38:59,680 --> 00:39:09,680

That was a big sign to me.

467

00:39:09,680 --> 00:39:13,680

Is anyone here with us tonight?

468

00:39:13,680 --> 00:39:20,680

Who keeps walking in the kitchen?

469

00:39:20,680 --> 00:39:26,680

All of a sudden I heard a sound.

470

00:39:26,680 --> 00:39:46,680

So I listened to it again and again and again.

471

00:39:46,680 --> 00:39:52,680

And then I hear this voice, which is so clear.

472

00:39:52,680 --> 00:40:02,680

The married one.

473

00:40:02,680 --> 00:40:15,680

The married one.

474

00:40:15,680 --> 00:40:20,680

Without a doubt this voice was not mine.

475

00:40:20,680 --> 00:40:33,680

I've never heard that voice before, so it was no question that something was trying to let me know that they were there.

476

00:40:33,680 --> 00:40:41,680

All the victims were young single men.

477

00:40:41,680 --> 00:40:52,680

The man responsible is a well-respected husband, father and business man.

478

00:40:52,680 --> 00:40:58,680

The man was suspected married business man.

479

00:40:58,680 --> 00:41:12,680

I was convinced that Herb was back.

480

00:41:12,680 --> 00:41:22,680

The crime tape came down today, but investigators wonder what other secrets Herbert Baummeister took with him to the grave.

481

00:41:22,680 --> 00:41:42,680

The man was a real murderer.

482

00:41:42,680 --> 00:41:48,680

Everyone that's owned the property since has really tried to distance themselves from this whole history.

483

00:41:48,680 --> 00:41:53,680

When in fact you'll never get away from it. It's always going to be that place.

484

00:41:53,680 --> 00:41:59,680

If Herb Baummeister spirit came after my boys, I would take action right away and I would leave.

485

00:41:59,680 --> 00:42:04,680

I'm not going to stay somewhere and put the family at risk.

486

00:42:04,680 --> 00:42:09,680

I don't think we'll ever get rid of Herb Baummeister. He's far too strong of a presence.

487

00:42:09,680 --> 00:42:16,680

But if we can keep him out of the apartment and the house from Robin Vicki and the two boys, I'd feel very good about that.
