

1

00:00:00,000 --> 00:00:03,220

There was always a Sul down the way.

2

00:00:03,220 --> 00:00:07,520

■■■ Fenley with

3

00:00:07,520 --> 00:00:10,760

whoever jumped off the back of

4

00:00:10,760 --> 00:00:14,060

my house lands food out.

5

00:00:14,060 --> 00:00:17,100

You are nothing can do

6

00:00:17,100 --> 00:00:17,360

that is there was definitely

7

00:00:17,360 --> 00:00:18,200

Stop!

8

00:00:18,200 --> 00:00:21,040

No, I'm not going nuts.

9

00:00:21,040 --> 00:00:24,440

But I'm seeing something, and what I'm seeing is there.

10

00:00:24,440 --> 00:00:28,200

But it's not.

11

00:00:28,200 --> 00:00:31,200

Something was out there stalking me.

12

00:01:01,200 --> 00:01:16,520

Dine and I were childhood sweethearts.

13

00:01:16,520 --> 00:01:19,840

We grew up out in London, Ohio.

14

00:01:19,840 --> 00:01:24,560

It's like a small, rural town.

15

00:01:24,560 --> 00:01:27,280

We had been married for about six years.

16

00:01:27,280 --> 00:01:31,120

We had a four-year-old daughter called Raven.

17

00:01:31,120 --> 00:01:34,760

For us, it was just a normal life.

18

00:01:34,760 --> 00:01:37,680

I found this little house with the woods in the back,

19

00:01:37,680 --> 00:01:39,280

and I was so excited about it.

20

00:01:42,000 --> 00:01:44,480

During the day, I worked as a welder in a shop.

21

00:01:44,480 --> 00:01:47,000

In the evening hours, I went to night school

22

00:01:47,000 --> 00:01:50,560

to study for a apprentice program.

23

00:01:50,560 --> 00:01:53,640

About 12 hours of the day, she was alone there by herself.

24

00:01:57,280 --> 00:02:04,280

I started to hear things outside.

25

00:02:04,280 --> 00:02:08,280

Little scampering noises.

26

00:02:08,280 --> 00:02:12,280

I would look out to see if I could see anything.

27

00:02:12,280 --> 00:02:15,280

I didn't see anything there.

28

00:02:15,280 --> 00:02:22,280

I thought, well, maybe it's a dog, or maybe it's a deer.

29

00:02:23,280 --> 00:02:28,280

I'm not a nervy person.

30

00:02:28,280 --> 00:02:31,280

I lived out in the country all my life.

31

00:02:53,280 --> 00:02:59,280

This is not right.

32

00:03:10,280 --> 00:03:12,280

I see eyes.

33

00:03:14,280 --> 00:03:18,280

It was like, OK, so there's a dog loose out there.

34

00:03:22,280 --> 00:03:27,280

I'm not a nervous dog.

35

00:03:35,280 --> 00:03:37,280

I no longer thought it was a dog,

36

00:03:37,280 --> 00:03:40,280

because the eyes I was seeing were at eye level.

37

00:03:40,280 --> 00:03:45,280

Something was out there stalking me.

38

00:04:11,280 --> 00:04:16,280

When I came home, she was animated, very upset.

39

00:04:16,280 --> 00:04:20,280

I told Keith something's out there watching us.

40

00:04:20,280 --> 00:04:22,280

I am scared.

41

00:04:24,280 --> 00:04:27,280

I took a fly slide out and it shined around.

42

00:04:27,280 --> 00:04:31,280

I looked for tracks or any sign that anyone could have been around.

43

00:04:31,280 --> 00:04:35,280

And being satisfied that I saw no evidence of that,

44

00:04:35,280 --> 00:04:37,280

I tried to reassure her.

45

00:04:37,280 --> 00:04:39,280

He did not believe me.

46

00:04:39,280 --> 00:04:41,280

Calling me a liar?

47

00:04:41,280 --> 00:04:43,280

And of course, she became defensive of that.

48

00:04:43,280 --> 00:04:45,280

Because I saw it.

49

00:04:45,280 --> 00:04:51,280

I attributed it to a reflection, or maybe just her nerves.

50

00:04:51,280 --> 00:04:53,280

But there's no way it could have been anything.

51

00:04:58,280 --> 00:05:01,280

Good night. Sweet dreams.

52

00:05:09,280 --> 00:05:11,280

Good night.

53

00:05:39,280 --> 00:05:41,280

I see them close.

54

00:05:41,280 --> 00:05:43,280

I mean, they're close to the window.

55

00:05:47,280 --> 00:05:49,280

I'm backed into the living room thinking,

56

00:05:49,280 --> 00:05:52,280

well, you know, OK, I'm out of that window sight.

57

00:06:10,280 --> 00:06:13,280

But then it came to that window also.

58

00:06:18,280 --> 00:06:21,280

And I'm thinking, well, what if I turn out the light?

59

00:06:22,280 --> 00:06:26,280

If I turn out all the lights, then they can't see me,

60

00:06:26,280 --> 00:06:28,280

but maybe I can see them.

61

00:06:33,280 --> 00:06:36,280

I flipped the switch and the living room light went out.

62

00:06:37,280 --> 00:06:40,280

I was even in the score.

63

00:06:41,280 --> 00:06:43,280

I was feeling scared.

64

00:06:44,280 --> 00:06:46,280

I flipped the switch for the dining room.

65

00:07:06,280 --> 00:07:08,280

Is someone standing there?

66

00:07:12,280 --> 00:07:14,280

I was very frightened.

67

00:07:14,280 --> 00:07:17,280

I thought this person could come into my home

68

00:07:17,280 --> 00:07:20,280

and hurt me or hurt my daughter, maybe even kill us.

69

00:07:24,280 --> 00:07:27,280

I dialed the police and I tell them,

70

00:07:27,280 --> 00:07:29,280

there's someone inside my house.

71

00:07:29,280 --> 00:07:31,280

I need to get out of here.

72

00:07:31,280 --> 00:07:33,280

I'm not going to let them in.

73

00:07:33,280 --> 00:07:35,280

There's someone inside my house.

74

00:07:35,280 --> 00:07:37,280

I need somebody to come out.

75

00:07:37,280 --> 00:07:39,280

Hurry.

76

00:07:54,280 --> 00:07:56,280

It moved.

77

00:07:57,280 --> 00:08:01,280

It moved from the dining room closer to the back of the house.

78

00:08:03,280 --> 00:08:05,280

One of the police is going to come.

79

00:08:05,280 --> 00:08:07,280

They're taking forever.

80

00:08:07,280 --> 00:08:09,280

I'm scared.

81

00:08:10,280 --> 00:08:12,280

Someone's out there.

82

00:08:27,280 --> 00:08:28,280

Hello.

83

00:08:28,280 --> 00:08:30,280

So then the police come.

84

00:08:30,280 --> 00:08:31,280

Yes.

85

00:08:31,280 --> 00:08:33,280

We're going to go look around back.

86

00:08:33,280 --> 00:08:35,280

Swims, you need to calm down.

87

00:08:41,280 --> 00:08:43,280

I can see the police officers outside

88

00:08:43,280 --> 00:08:45,280

walking around with flashlights.

89

00:08:52,280 --> 00:08:54,280

But they don't see anything.

90

00:08:55,280 --> 00:08:57,280

And then Keith pulls in.

91

00:08:57,280 --> 00:08:59,280

I'm sorry.

92

00:08:59,280 --> 00:09:02,280

They said, maybe we have a nervous wife here.

93

00:09:02,280 --> 00:09:04,280

And that was my thought as well.

94

00:09:06,280 --> 00:09:08,280

He was very upset with me.

95

00:09:08,280 --> 00:09:10,280

I'm sorry for this.

96

00:09:10,280 --> 00:09:12,280

What do you do?

97

00:09:12,280 --> 00:09:14,280

I was trying to ease their mind.

98

00:09:14,280 --> 00:09:16,280

I wanted her to be happy,

99

00:09:16,280 --> 00:09:19,280

but with no way to prove to them

100

00:09:19,280 --> 00:09:22,280

whether or not anyone was there, what do you do?

101

00:09:22,280 --> 00:09:24,280

Come on, come with me.

102

00:09:24,280 --> 00:09:26,280

And I kept telling him and telling him,

103

00:09:26,280 --> 00:09:29,280

and he just acted like, it'd be all right.

104

00:09:29,280 --> 00:09:31,280

You know, we just, we wanted to move here.

105

00:09:31,280 --> 00:09:34,280

We moved here, we're not going to move again.

106

00:09:34,280 --> 00:09:36,280

There's nothing out there.

107

00:09:36,280 --> 00:09:39,280

You're not the magic, but you're not here.

108

00:09:39,280 --> 00:09:41,280

I'm the one who's here.

109

00:09:41,280 --> 00:09:43,280

You're not here.

110

00:09:53,280 --> 00:09:55,280

It was just before the holiday season.

111

00:09:55,280 --> 00:09:58,280

Late November, early December.

112

00:09:58,280 --> 00:10:01,280

It had snowed for the first time.

113

00:10:01,280 --> 00:10:05,280

I got up before everyone else, and it was before daylight.

114

00:10:05,280 --> 00:10:09,280

And I decided, well, maybe I'll go get some donuts for everyone.

115

00:10:09,280 --> 00:10:14,280

As I started the car,

116

00:10:14,280 --> 00:10:16,280

I was rubbing my eyes.

117

00:10:16,280 --> 00:10:19,280

Little rundown from the week.

118

00:10:19,280 --> 00:10:22,280

I'm looking in the rear-view mirror,

119

00:10:22,280 --> 00:10:24,280

and I rub my eyes again.

120

00:10:24,280 --> 00:10:27,280

That turned my light on.

121

00:10:27,280 --> 00:10:29,280

I was in the middle of the night,

122

00:10:29,280 --> 00:10:31,280

and I was looking at the camera.

123

00:10:31,280 --> 00:10:33,280

I was looking at the camera,

124

00:10:33,280 --> 00:10:35,280

and I was looking at the camera,

125

00:10:35,280 --> 00:10:38,280

and I was looking at the camera.

126

00:10:38,280 --> 00:10:41,280

I was looking at the camera.

127

00:10:45,280 --> 00:10:48,280

It doesn't what happened in a matter of seconds.

128

00:10:48,280 --> 00:10:50,280

Bang, bang, bang.

129

00:10:50,280 --> 00:10:53,280

And I was looking around.

130

00:10:56,280 --> 00:10:59,280

Did I see something, or did I not?

131

00:10:59,280 --> 00:11:02,280

Here I am in the same position

132

00:11:02,280 --> 00:11:05,280

that my wife had been earlier.

133

00:11:06,280 --> 00:11:09,280

I thought, you're seeing things.

134

00:11:15,280 --> 00:11:18,280

I just stopped, froze.

135

00:11:20,280 --> 00:11:23,280

There were tracks going over the roof,

136

00:11:23,280 --> 00:11:25,280

and at that point I knew.

137

00:11:25,280 --> 00:11:28,280

Yes, there was something here.

138

00:11:35,280 --> 00:11:39,280

I called Dennis.

139

00:11:39,280 --> 00:11:41,280

Dennis was an old friend of mine I grew up with,

140

00:11:41,280 --> 00:11:44,280

and we hunted together many times.

141

00:11:44,280 --> 00:11:47,280

And I got a .33 rifle.

142

00:11:47,280 --> 00:11:49,280

He says, what are you doing with that?

143

00:11:49,280 --> 00:11:52,280

You know you can't shoot that around here.

144

00:11:52,280 --> 00:11:54,280

And they have to.

145

00:11:54,280 --> 00:11:56,280

I say, why?

146

00:11:59,280 --> 00:12:02,280

He said, what the hell is this?

147

00:12:02,280 --> 00:12:05,280

He said, what the hell is that?

148

00:12:05,280 --> 00:12:08,280

Whatever jumped off the back of my house

149

00:12:08,280 --> 00:12:12,280

landed 20 feet out in the middle of my yard.

150

00:12:12,280 --> 00:12:15,280

Nothing can do that.

151

00:12:15,280 --> 00:12:18,280

We both stood there with our mouths wide open.

152

00:12:18,280 --> 00:12:20,280

What?

153

00:12:23,280 --> 00:12:26,280

We could tell whatever we were looking at.

154

00:12:26,280 --> 00:12:29,280

It wasn't human.

155

00:12:29,280 --> 00:12:32,280

The tracks were about 14 inches long.

156

00:12:32,280 --> 00:12:34,280

Huge.

157

00:12:34,280 --> 00:12:38,280

And it had like a claw mark at the end.

158

00:12:45,280 --> 00:12:47,280

What do you want to do?

159

00:12:47,280 --> 00:12:49,280

I said, let's go.

160

00:12:54,280 --> 00:12:57,280

For someone who's always been in the woods

161

00:12:57,280 --> 00:12:59,280

and saw the woods of my friends,

162

00:12:59,280 --> 00:13:02,280

suddenly these woods became a threat to me.

163

00:13:10,280 --> 00:13:12,280

Having tracked all of the animals

164

00:13:12,280 --> 00:13:14,280

that had ever led to that area,

165

00:13:14,280 --> 00:13:17,280

I knew for sure I'd never seen these kind of tracks before.

166

00:13:17,280 --> 00:13:20,280

We were looking at something here, walking on two feet.

167

00:13:20,280 --> 00:13:23,280

The tracks were obvious with us.

168

00:13:27,280 --> 00:13:29,280

Stick brush.

169

00:13:29,280 --> 00:13:31,280

And there's trees, sure, but there's stick brush.

170

00:13:31,280 --> 00:13:34,280

You can't see more than three or four feet ahead of you.

171

00:13:34,280 --> 00:13:37,280

This was a concern for us.

172

00:13:39,280 --> 00:13:41,280

We could hear each other going through the brush,

173

00:13:41,280 --> 00:13:44,280

but how do we know who that is?

174

00:13:44,280 --> 00:13:47,280

It could be me, it could be him,

175

00:13:47,280 --> 00:13:50,280

or it could be something else.

176

00:13:58,280 --> 00:14:00,280

It's me!

177

00:14:02,280 --> 00:14:04,280

And when we would stop, we would stop to listen.

178

00:14:04,280 --> 00:14:06,280

It's very important to listen.

179

00:14:09,280 --> 00:14:12,280

We couldn't hear anything other than chirping birds,

180

00:14:12,280 --> 00:14:15,280

a little rustle of leaves through the wind.

181

00:14:16,280 --> 00:14:19,280

It wasn't anything that was unnatural.

182

00:14:19,280 --> 00:14:21,280

We just followed the tracks,

183

00:14:21,280 --> 00:14:23,280

and this went on all through the morning,

184

00:14:23,280 --> 00:14:25,280

some two miles.

185

00:14:37,280 --> 00:14:39,280

The anticipation grows,

186

00:14:39,280 --> 00:14:41,280

and you have a tendency to go faster,

187

00:14:41,280 --> 00:14:43,280

because you want to see what's there.

188

00:14:45,280 --> 00:14:47,280

It's like the breath of the hunt.

189

00:14:47,280 --> 00:14:50,280

You can feel it. It's pumping. It's there.

190

00:15:13,280 --> 00:15:15,280

The heart's pounding right there.

191

00:15:18,280 --> 00:15:20,280

There was a sense of fear,

192

00:15:20,280 --> 00:15:22,280

but mainly a sense of anticipation

193

00:15:22,280 --> 00:15:25,280

of the finality of the event, the encounter.

194

00:15:26,280 --> 00:15:28,280

What are we going to see?

195

00:15:28,280 --> 00:15:30,280

Hey!

196

00:15:46,280 --> 00:15:48,280

Some creatures are smart.

197

00:15:48,280 --> 00:15:50,280

They know your track, and what they will do is

198

00:15:50,280 --> 00:15:52,280

they will lead you out so far, and they'll double back,

199

00:15:52,280 --> 00:15:54,280

and they end up behind you.

200

00:15:54,280 --> 00:15:57,280

While you're following them, they're following you.

201

00:15:58,280 --> 00:15:59,280

Yeah.

202

00:15:59,280 --> 00:16:00,280

Yeah.

203

00:16:00,280 --> 00:16:01,280

Yeah.

204

00:16:01,280 --> 00:16:02,280

Yeah.

205

00:16:02,280 --> 00:16:03,280

Yeah.

206

00:16:03,280 --> 00:16:04,280

Yeah.

207

00:16:04,280 --> 00:16:05,280

Yeah.

208

00:16:05,280 --> 00:16:06,280

Yeah.

209

00:16:06,280 --> 00:16:07,280

Yeah.

210

00:16:07,280 --> 00:16:08,280

Yeah.

211

00:16:08,280 --> 00:16:09,280

Yeah.

212

00:16:09,280 --> 00:16:10,280

Yeah.

213

00:16:10,280 --> 00:16:11,280

Yeah.

214

00:16:11,280 --> 00:16:12,280

Yeah.

215

00:16:12,280 --> 00:16:13,280

Yeah.

216

00:16:13,280 --> 00:16:14,280

Yeah.

217

00:16:14,280 --> 00:16:15,280

Yeah.

218

00:16:15,280 --> 00:16:16,280

Yeah.

219

00:16:16,280 --> 00:16:17,280

Yeah.

220

00:16:17,280 --> 00:16:18,280

Yeah.

221

00:16:18,280 --> 00:16:19,280

Yeah.

222

00:16:19,280 --> 00:16:20,280

Yeah.

223

00:16:20,280 --> 00:16:21,280

Yeah.

224

00:16:21,280 --> 00:16:22,280

Yeah.

225

00:16:22,280 --> 00:16:23,280

Yeah.

226

00:16:23,280 --> 00:16:24,280

Yeah.

227

00:16:24,280 --> 00:16:25,280

Yeah.

228

00:16:25,280 --> 00:16:26,280

Yeah.

229

00:16:26,280 --> 00:16:27,280

Yeah.

230

00:16:27,280 --> 00:16:29,280

Yeah.

231

00:16:29,280 --> 00:16:30,280

Yeah.

232

00:16:30,280 --> 00:16:31,280

Yeah.

233

00:16:31,280 --> 00:16:32,280

Yeah.

234

00:16:32,280 --> 00:16:33,280

Yup.

235

00:16:33,280 --> 00:16:34,280

Yeah.

236

00:16:34,280 --> 00:16:35,280

Yeah.

237

00:16:35,280 --> 00:16:36,280

Yeah.

238

00:16:36,280 --> 00:16:37,280

Yeah.

239

00:16:37,280 --> 00:16:38,280

Yeah.

240

00:16:38,280 --> 00:16:39,280

OK.

241

00:16:39,280 --> 00:16:40,280

Yeah.

242

00:16:40,280 --> 00:16:41,280

Yeah.

243

00:16:41,280 --> 00:16:42,280

Yeah.

244

00:16:42,280 --> 00:16:43,280

Yeah.

245

00:16:43,280 --> 00:16:44,280

Yeah.

246

00:16:44,280 --> 00:16:45,280

Yeah.

247

00:16:45,280 --> 00:16:46,280

Yeah.

248

00:16:46,280 --> 00:16:47,280

Yeah.

249

00:16:47,280 --> 00:16:48,280

Yeah.

250

00:16:48,280 --> 00:16:49,280

Yeah.

251

00:16:49,280 --> 00:16:50,280

Yeah.

252

00:16:50,280 --> 00:16:51,280

Yeah.

253

00:16:51,280 --> 00:16:52,280

Yeah.

254

00:16:52,280 --> 00:16:53,280

Yeah.

255

00:16:53,280 --> 00:16:54,280

Yeah.

256

00:16:54,280 --> 00:16:55,280

Yeah.

257

00:16:55,280 --> 00:16:56,280

Yeah.

258

00:16:56,280 --> 00:16:57,620

at the edge of the woods.

259

00:16:57,620 --> 00:17:06,060

The cabin was about 15, 18 feet wide, by about 20 feet.

260

00:17:06,060 --> 00:17:07,200

Very small dwelling.

261

00:17:07,200 --> 00:17:12,200

We can still see the tracks.

262

00:17:12,200 --> 00:17:23,280

And the tracks led straight to the back door.

263

00:17:24,240 --> 00:17:25,820

The door was shut.

264

00:17:25,820 --> 00:17:27,620

We were dumbfounded.

265

00:17:27,620 --> 00:17:29,820

Animals don't open and shut doors on their own.

266

00:17:32,820 --> 00:17:37,820

Whatever was in the woods with us is now in that house.

267

00:17:37,820 --> 00:17:38,820

Come on out.

268

00:17:38,820 --> 00:17:40,820

Dennis started to beat him inside the house.

269

00:17:40,820 --> 00:17:42,820

Hello?

270

00:17:42,820 --> 00:17:43,820

Come out.

271

00:17:43,820 --> 00:17:44,820

We know you're in there.

272

00:17:44,820 --> 00:17:45,820

Come on.

273

00:17:45,820 --> 00:17:46,820

Come out.

274

00:17:46,820 --> 00:17:47,820

My fear was we got guns.

275

00:17:47,820 --> 00:17:48,820

We're at this house.

276

00:17:48,820 --> 00:17:49,820

We can't do this.

277

00:17:49,860 --> 00:17:53,860

Finding after a few choice words, he agrees to walk away.

278

00:18:01,860 --> 00:18:03,360

We walked out to the road.

279

00:18:03,360 --> 00:18:05,360

I didn't want to walk down the road with the guns.

280

00:18:05,360 --> 00:18:08,360

So I gave my dad a call to come pick us up.

281

00:18:13,360 --> 00:18:15,360

What are you guys doing with the guys?

282

00:18:15,900 --> 00:18:17,900

I told him what had happened.

283

00:18:17,900 --> 00:18:19,900

And he paused a moment.

284

00:18:19,900 --> 00:18:23,900

And he said, I think I know who lives up there.

285

00:18:23,900 --> 00:18:25,900

I think it's the old guy who works down at the tire store.

286

00:18:25,900 --> 00:18:27,900

He's lived there for decades.

287

00:18:27,900 --> 00:18:29,900

No one knows anything about him.

288

00:18:29,900 --> 00:18:32,900

I thought, well, that's odd.

289

00:18:32,900 --> 00:18:35,900

There was this old guy that lived there, yet there was something

290

00:18:35,900 --> 00:18:39,900

that wasn't human that attracted his back door.

291

00:18:40,440 --> 00:18:42,440

And I couldn't make those two pieces fit.

292

00:18:55,440 --> 00:18:59,440

The next week, Dennis showed up, and he's got an old tire.

293

00:19:02,440 --> 00:19:05,440

He said, we're going to get a look at this guy.

294

00:19:05,440 --> 00:19:06,440

Hello, boys.

295

00:19:06,440 --> 00:19:08,440

The manager came out and said, I'm going to get a look at this guy.

296

00:19:08,980 --> 00:19:10,980

The manager came out and said, can I hop in?

297

00:19:10,980 --> 00:19:12,980

I said, yeah, we'd like to get the tire fixed.

298

00:19:14,980 --> 00:19:16,980

We just rolled a tire through.

299

00:19:19,980 --> 00:19:21,980

George, tire.

300

00:19:21,980 --> 00:19:23,980

So at that point, we knew his name.

301

00:19:25,980 --> 00:19:28,980

We couldn't wait for the guy to come out and look at the tire

302

00:19:28,980 --> 00:19:30,980

to get a view of who he was.

303

00:19:38,540 --> 00:19:39,540

Truck.

304

00:19:39,540 --> 00:19:40,540

Truck.

305

00:19:40,540 --> 00:19:41,540

Truck.

306

00:19:41,540 --> 00:19:42,540

Truck.

307

00:19:42,540 --> 00:19:43,540

Truck.

308

00:19:43,540 --> 00:19:44,540

Truck.

309

00:19:44,540 --> 00:19:45,540

Truck.

310

00:19:45,540 --> 00:19:48,540

He was taking Benjamin, very wide view of the tire.

311

00:19:48,540 --> 00:19:51,540

So he hoping Tom walk under the car was just about representative

312

00:19:51,540 --> 00:19:54,540

of the truck he wanted.

313

00:19:54,540 --> 00:19:57,540

It was out of his control to catch the tire corner.

314

00:19:57,540 --> 00:20:00,540

He was wondering if would get up on the tire there.

315

00:20:02,940 --> 00:20:04,380

This is the serious■ thing he said.

316

00:20:04,380 --> 00:20:06,380

He said, get a look at this guy down there.

317

00:20:06,380 --> 00:20:09,380

Very rangy, very long arms.

318

00:20:09,380 --> 00:20:12,380

As soon as he grabbed a tire,

319

00:20:12,380 --> 00:20:15,380

he looked right at us.

320

00:20:15,380 --> 00:20:20,380

We had this immediate connection.

321

00:20:20,380 --> 00:20:23,380

At that moment, we knew this is the guy.

322

00:20:23,380 --> 00:20:26,380

It's him.

323

00:20:26,380 --> 00:20:29,380

But one of the most amazing things was his eyes.

324

00:20:29,380 --> 00:20:32,380

They were a very vivid gold,

325

00:20:32,380 --> 00:20:34,380

and they were intense.

326

00:20:34,380 --> 00:20:37,380

Wow, he had a hold of it.

327

00:20:37,380 --> 00:20:43,380

It was almost like a trance-like thing for a split-second life.

328

00:20:43,380 --> 00:20:47,380

He knew that we were the ones who attract him.

329

00:20:47,380 --> 00:20:53,380

We're trying to see him, but he's back in the shadows.

330

00:20:53,380 --> 00:20:57,380

Okay, boys, that'll be ten dollars.

331

00:20:57,380 --> 00:20:59,380

Thank you.

332

00:21:05,380 --> 00:21:08,380

We heard the tire pop.

333

00:21:08,380 --> 00:21:12,380

Everything got quiet.

334

00:21:23,380 --> 00:21:26,380

He's not gonna let us look at him again.

335

00:21:26,380 --> 00:21:30,380

It's like you've tracked an animal, he's there.

336

00:21:30,380 --> 00:21:34,380

But he's gonna avoid you at all costs.

337

00:21:36,380 --> 00:21:38,380

The manager rolled the tire out.

338

00:21:38,380 --> 00:21:40,380

There you go, boys. Good as new.

339

00:21:40,380 --> 00:21:42,380

Thank you.

340

00:21:42,380 --> 00:21:44,380

And he put it in the truck for us.

341

00:21:44,380 --> 00:21:47,380

Thank you. See you again soon.

342

00:21:47,380 --> 00:21:50,380

We looked at him and we saw him.

343

00:21:52,380 --> 00:21:56,380

There were markings in chalk around the side of the tire.

344

00:21:56,380 --> 00:21:58,380

There was a series of symbols.

345

00:21:58,380 --> 00:22:01,380

There was nothing familiar to us.

346

00:22:01,380 --> 00:22:04,380

It was like he was trying to tell us something.

347

00:22:04,380 --> 00:22:07,380

Of course, we didn't know what.

348

00:22:07,380 --> 00:22:12,380

The mystery was deepening ever more because we had made contact with the guy.

349

00:22:12,380 --> 00:22:14,380

He knew us, we knew him.

350

00:22:14,380 --> 00:22:17,380

Now what do we do?

351

00:22:20,380 --> 00:22:24,380

If I called the police, there was no proof of anything,

352

00:22:24,380 --> 00:22:29,380

except that I had chosen to track somebody to their house with a gun,

353

00:22:29,380 --> 00:22:32,380

which wouldn't make me look particularly good.

354

00:22:34,380 --> 00:22:37,380

I hesitated about telling my wife about this whole thing.

355

00:22:37,380 --> 00:22:42,380

I thought, my God, if I tell her this, I'm gonna have to move right away.

356

00:22:42,380 --> 00:22:45,380

And I didn't really have the financial resources.

357

00:22:46,380 --> 00:22:49,380

I was trying to keep her safe, so I told her, I said,

358

00:22:49,380 --> 00:22:52,380

you know, it might be a good idea when I'm not here,

359

00:22:52,380 --> 00:22:54,380

maybe call your sister over.

360

00:22:54,380 --> 00:22:59,380

He was clearly getting worried that now he thought someone was out there.

361

00:22:59,380 --> 00:23:02,380

I was fearful of my life, I was fearful for Raven.

362

00:23:02,380 --> 00:23:07,380

I was scared for Keith also, even though he's a big man, I was scared.

363

00:23:07,380 --> 00:23:10,380

It became an issue of defuncting.

364

00:23:10,380 --> 00:23:14,380

Could I feel safe in leaving my family there, knowing what I knew at that point?

365

00:23:20,380 --> 00:23:26,380

My friend Dennis called me, and he said, hey, we're going for a ride.

366

00:23:33,380 --> 00:23:37,380

We pulled up in the lane where old George's cabin was.

367

00:23:38,380 --> 00:23:40,380

I know where you're going.

368

00:23:40,380 --> 00:23:43,380

I said, we're not doing this. He said, no, he said he died.

369

00:23:43,380 --> 00:23:45,380

George died.

370

00:23:45,380 --> 00:23:46,380

Are you sure?

371

00:23:46,380 --> 00:23:48,380

Yeah, my dad heard it on the police scanner.

372

00:23:48,380 --> 00:24:02,380

There was a deputy sheriff's car there, and it was a guy we knew.

373

00:24:02,380 --> 00:24:04,380

Good, how are you?

374

00:24:04,380 --> 00:24:06,380

So, what's going on down there?

375

00:24:06,380 --> 00:24:08,380

He said, you guys got to see this.

376

00:24:08,380 --> 00:24:21,380

We couldn't wait to get in there because we had, obviously, for a while, wanted to see who or what was in there.

377

00:24:32,380 --> 00:24:34,380

We looked around.

378

00:24:34,380 --> 00:24:43,380

There was no personal items. There was no food. There was no clothes. Nothing.

379

00:24:46,380 --> 00:24:49,380

This place told us nothing about whoever lived there.

380

00:24:49,380 --> 00:24:53,380

It was a disappointment, yet a source of curiosity.

381

00:24:53,380 --> 00:24:57,380

But then the deputy said, look, you got to see this.

382

00:24:57,380 --> 00:24:59,380

Look at this.

383

00:25:00,380 --> 00:25:05,380

There was an immediate pungent smell that hit us in the face.

384

00:25:05,380 --> 00:25:10,380

It smelled like wet dogs. It's unmistakable.

385

00:25:11,380 --> 00:25:15,380

It was a little bit dark, so my eyes had adjusted a light.

386

00:25:18,380 --> 00:25:28,380

The walls were completely covered with plate steel, held together by metal strips with rivets through it.

387

00:25:29,380 --> 00:25:32,380

The sheriff's deputy pointed and said, look at this.

388

00:25:36,380 --> 00:25:40,380

That 10-foot strand of chain.

389

00:25:47,380 --> 00:25:50,380

Whatever reason, there was something restrained back here.

390

00:25:53,380 --> 00:25:56,380

But who was here? Why was here?

391

00:26:00,380 --> 00:26:03,380

The sheriff's deputy pointed and said, look at this.

392

00:26:09,380 --> 00:26:13,380

But then the deputy shined a light on it everywhere, on the walls.

393

00:26:15,380 --> 00:26:17,380

There were scratches.

394

00:26:21,380 --> 00:26:24,380

Some had rusted over. Others looked fresher.

395

00:26:24,380 --> 00:26:29,380

But you could tell they had been made at different eras.

396

00:26:34,380 --> 00:26:38,380

As we stood there, nobody was saying nothing.

397

00:26:38,380 --> 00:26:41,380

The cop was looking at us. We were looking at each other.

398

00:26:49,380 --> 00:26:52,380

And everybody knew that one word was in that room.

399

00:26:55,380 --> 00:27:01,380

I didn't want to say that word, but all of us were thinking it.

400

00:27:09,380 --> 00:27:11,380

Where was it?

401

00:27:14,380 --> 00:27:17,380

Could it be? But that's impossible.

402

00:27:25,380 --> 00:27:28,380

The police were looking at us.

403

00:27:29,380 --> 00:27:31,380

The police were looking at us.

404

00:27:32,380 --> 00:27:34,380

The police were looking at us.

405

00:27:35,380 --> 00:27:37,380

The police were looking at us.

406

00:27:38,380 --> 00:27:40,380

The police were looking at us.

407

00:27:46,380 --> 00:27:48,380

The police were looking at us.

408

00:27:49,380 --> 00:27:51,380

The police were looking at us.

409

00:27:52,380 --> 00:27:58,380

My family has lived in this area for a couple of centuries.

410

00:27:59,380 --> 00:28:03,380

My son Dave and his wife Kim, after he'd been married for a while,

411

00:28:03,380 --> 00:28:06,380

they decided to move back to Turali.

412

00:28:09,380 --> 00:28:14,380

It was a great time. We were always busy, always something going on.

413

00:28:15,380 --> 00:28:18,380

We had adopted a new son, Jackson.

414

00:28:18,380 --> 00:28:25,380

He was two and a half years old, and now having a young child around this house

415

00:28:25,380 --> 00:28:29,380

was really an exciting and wonderful time.

416

00:28:31,380 --> 00:28:34,380

It's really great having your grandchildren grow up around you,

417

00:28:34,380 --> 00:28:37,380

and it was really a happy time.

418

00:28:40,380 --> 00:28:43,380

In the backyard is an old house.

419

00:28:44,380 --> 00:28:47,380

My aunt lived there until recently.

420

00:28:48,380 --> 00:28:53,380

It was the first time it's been empty since it was built 200 years ago.

421

00:28:56,380 --> 00:29:00,380

I decided one day that I was going to go and clean some things,

422

00:29:00,380 --> 00:29:04,380

move some things around, do a little tidying up.

423

00:29:13,380 --> 00:29:33,380

It was just dark, and it seemed like a completely different place.

424

00:29:35,380 --> 00:29:40,380

It was just a different atmosphere altogether.

425

00:29:43,380 --> 00:29:46,380

I went to the kitchen and started first.

426

00:29:49,380 --> 00:29:52,380

I had to move some things around.

427

00:30:02,380 --> 00:30:07,380

I took my sister's cane, sit it over in the corner.

428

00:30:14,380 --> 00:30:19,380

I heard the sound of the cane hitting the floor.

429

00:30:25,380 --> 00:30:28,380

I couldn't understand why.

430

00:30:31,380 --> 00:30:34,380

So I moved it over to another corner.

431

00:30:43,380 --> 00:30:54,380

There was another more violent sound,

432

00:30:56,380 --> 00:31:02,380

and it was almost to the center of the room, like it had been thrown there.

433

00:31:13,380 --> 00:31:24,380

Later that week, I was doing some work in my workshop.

434

00:31:29,380 --> 00:31:32,380

I was putting a magnet on a mailbox lid.

435

00:31:32,380 --> 00:31:47,380

I finished part of it, and I had to leave it kind of unfinished for the next weekend when I had more time.

436

00:31:54,380 --> 00:31:59,380

When I went back, I noticed that the magnet was missing.

437

00:32:03,380 --> 00:32:15,380

The workshop was locked, so there's no way anyone can just go over there and open up.

438

00:32:16,380 --> 00:32:23,380

Later that week, I was out in the yard cutting grass.

439

00:32:32,380 --> 00:32:54,380

I bent down and I stared, and there, playing in the grass, was a little magnet.

440

00:32:55,380 --> 00:32:57,380

I didn't understand how it got there.

441

00:33:03,380 --> 00:33:09,380

My son Dave asked me to come back out in the yard.

442

00:33:10,380 --> 00:33:12,380

Look over there.

443

00:33:26,380 --> 00:33:29,380

There was a procession of different things.

444

00:33:32,380 --> 00:33:35,380

Different items out of the garage in the yard.

445

00:33:36,380 --> 00:33:40,380

Always between the old farmhouse and the back in my house.

446

00:33:46,380 --> 00:33:51,380

I thought that it might have been somebody playing a prank or something.

447

00:33:52,380 --> 00:33:58,380

I was scared to the point I wanted to find out what it was and who was doing it.

448

00:34:03,380 --> 00:34:05,380

I was so scared.

449

00:34:18,380 --> 00:34:20,380

It was Saturday.

450

00:34:21,380 --> 00:34:23,380

We were out on the front porch and doing some planning.

451

00:34:32,380 --> 00:34:41,380

The stereo came on.

452

00:34:44,380 --> 00:34:48,380

The start was playing by itself. Nobody was in there to turn it on.

453

00:34:49,380 --> 00:34:50,380

Kim and I looked at each other.

454

00:34:51,380 --> 00:34:53,380

Like what in the world is that?

455

00:34:54,380 --> 00:34:55,380

Stay there.

456

00:34:55,380 --> 00:35:01,380

I made sure the doors on the back of the house were still locked.

457

00:35:02,380 --> 00:35:03,380

Then they were.

458

00:35:08,380 --> 00:35:09,380

It was very loud.

459

00:35:26,380 --> 00:35:29,380

The television said it came on.

460

00:35:37,380 --> 00:35:39,380

I could tell it was no explanation for it.

461

00:35:43,380 --> 00:35:45,380

What caused it to turn on?

462

00:35:55,380 --> 00:36:00,380

It was frightening.

463

00:36:01,380 --> 00:36:04,380

Now something like that was going on inside of the house.

464

00:36:05,380 --> 00:36:07,380

Something could potentially happen to my family.

465

00:36:08,380 --> 00:36:10,380

I was downstairs.

466

00:36:15,380 --> 00:36:19,380

And I heard what I thought was somebody upstairs in the house.

467

00:36:19,380 --> 00:36:21,380

I got up out of my chair.

468

00:36:42,380 --> 00:36:44,380

I had to get out of the house.

469

00:36:44,380 --> 00:36:46,380

I got out of my chair.

470

00:36:51,380 --> 00:36:53,380

I walked out into the foyer.

471

00:37:08,380 --> 00:37:10,380

To the front door of the house.

472

00:37:15,380 --> 00:37:17,380

I was looking through the pickets.

473

00:37:18,380 --> 00:37:20,380

I was a little red-headed girl.

474

00:37:21,380 --> 00:37:22,380

She was just looking at me.

475

00:37:32,380 --> 00:37:33,380

I go upstairs.

476

00:37:35,380 --> 00:37:36,380

I couldn't see her.

477

00:37:37,380 --> 00:37:38,380

There was nobody there.

478

00:37:39,380 --> 00:37:41,380

It was like she faded away.

479

00:37:45,380 --> 00:37:47,380

I was looking through the pickets.

480

00:37:51,380 --> 00:37:53,380

After that, I sat in Jackson's room.

481

00:38:00,380 --> 00:38:03,380

I was worried about him and his family, their safety.

482

00:38:05,380 --> 00:38:08,380

There was definitely something inside that house.

483

00:38:15,380 --> 00:38:17,380

It was a late afternoon.

484

00:38:22,380 --> 00:38:23,380

I started hearing thunder.

485

00:38:25,380 --> 00:38:27,380

I could tell a storm was coming our way.

486

00:38:28,380 --> 00:38:32,380

So I got up to look out of the door to see the storm.

487

00:38:44,380 --> 00:38:47,380

I saw a girl standing there staring at me.

488

00:38:52,380 --> 00:38:53,380

Hey!

489

00:38:55,380 --> 00:38:56,380

Hey!

490

00:38:57,380 --> 00:38:59,380

I didn't get any response.

491

00:39:01,380 --> 00:39:02,380

Stop!

492

00:39:03,380 --> 00:39:04,380

Stop!

493

00:39:04,380 --> 00:39:05,380

Stop!

494

00:39:14,380 --> 00:39:15,380

Stop!

495

00:39:25,380 --> 00:39:26,380

Hey!

496

00:39:37,380 --> 00:39:38,380

Stop!

497

00:39:44,380 --> 00:39:45,380

Stop!

498

00:39:50,380 --> 00:39:53,380

She disappeared around the corner of the old farmhouse.

499

00:39:58,380 --> 00:40:00,380

I know I'm not going nuts.

500

00:40:00,380 --> 00:40:01,380

I'm not crazy.

501

00:40:01,380 --> 00:40:04,380

But I'm seeing something and what I'm seeing is there.

502

00:40:07,380 --> 00:40:10,380

But it's not.

503

00:40:14,380 --> 00:40:15,380

I'm not crazy.

504

00:40:20,380 --> 00:40:24,380

The little girls seem to be coming from out of the old farmhouse.

505

00:40:26,380 --> 00:40:30,380

I do not venture back there very often.

506

00:40:32,380 --> 00:40:33,380

But I went back.

507

00:40:35,380 --> 00:40:37,380

I was trying to find out who she was.

508

00:40:44,380 --> 00:41:05,380

I found a picture on the wall of my grandfather's sisters, Lula and Petronia.

509

00:41:07,380 --> 00:41:08,380

Petronia.

510

00:41:09,380 --> 00:41:12,380

Born in 1877 at the old farmhouse.

511

00:41:12,380 --> 00:41:16,380

And she died at the old farmhouse in 1920.

512

00:41:17,380 --> 00:41:19,380

And she had red hair.

513

00:41:24,380 --> 00:41:26,380

She had a very difficult life.

514

00:41:27,380 --> 00:41:30,380

But at the time she was a teenager, she was almost totally blind.

515

00:41:30,380 --> 00:41:37,380

We believe that she has remanifested herself as a child because it was the happiest time of her life.

516

00:41:38,380 --> 00:41:41,380

She could see, she could run and play.

517

00:41:42,380 --> 00:41:43,380

She was just a normal child.

518

00:41:43,380 --> 00:41:50,380

It was a relief somewhat to find out that the little redheaded child was.

519

00:41:50,380 --> 00:41:54,380

And I think Petronia is sort of almost a happy thing actually.

520

00:41:55,380 --> 00:41:58,380

That she would want to live there and that she's happy there.

521

00:41:59,380 --> 00:42:01,380

And I think that's what I'm seeing.

522

00:42:02,380 --> 00:42:04,380

I think that's what I'm seeing.

523

00:42:05,380 --> 00:42:07,380

I think that's what I'm seeing.

524

00:42:07,380 --> 00:42:08,380

I think that's what I'm seeing.

525

00:42:09,380 --> 00:42:10,380

I think that's what I'm seeing.

526

00:42:11,380 --> 00:42:12,380

I think that's what I'm seeing.

527

00:42:13,380 --> 00:42:14,380

I think that's what I'm seeing.

528

00:42:15,380 --> 00:42:16,380

I think that's what I'm seeing.

529

00:42:17,380 --> 00:42:18,380

I think that's what I'm seeing.

530

00:42:19,380 --> 00:42:20,380

I think that's what I'm seeing.

531

00:42:21,380 --> 00:42:22,380

I think that's what I'm seeing.

532

00:42:23,380 --> 00:42:24,380

I think that's what I'm seeing.

533

00:42:25,380 --> 00:42:26,380

I think that's what I'm seeing.

534

00:42:27,380 --> 00:42:28,380

I think that's what I'm seeing.

535

00:42:29,380 --> 00:42:30,380

I think that's what I'm seeing.

536

00:42:31,380 --> 00:42:32,380

I think that's what I'm seeing.

537

00:42:33,380 --> 00:42:34,380

I think that's what I'm seeing.

538

00:42:35,380 --> 00:42:36,380

I think that's what I'm seeing.
