

1

00:00:00,000 --> 00:00:10,000

Would you ever think that rebuilding a home would cause such devastation?

2

00:00:10,000 --> 00:00:13,500

I saw what appeared to be a man.

3

00:00:13,500 --> 00:00:16,000

They were coming from inside the walls.

4

00:00:16,000 --> 00:00:20,000

There was a lot of pressure going on. I gotta get out of here.

5

00:00:20,000 --> 00:00:22,000

They conjured up demons.

6

00:00:22,000 --> 00:00:25,000

All this time they had been lurking down there.

7

00:00:27,000 --> 00:00:29,000

They're gonna keep hurting me.

8

00:00:31,000 --> 00:00:34,000

Stay away from me!

9

00:00:34,000 --> 00:00:37,000

It's like the final conflict. For me.

10

00:00:48,000 --> 00:00:51,000

Good evening. A burning building turns into a death trap.

11

00:00:51,000 --> 00:00:56,000

The blaze in a four-story apartment house trapped the firefighters on the top floor.

12

00:00:56,000 --> 00:00:58,000

All six were forced to jump.

13

00:01:00,000 --> 00:01:07,000

I'm sad to tell the people of this great city that we have lost two of our bravest today.

14

00:01:07,000 --> 00:01:10,000

My husband, Kurt, was a New York City firefighter.

15

00:01:10,000 --> 00:01:12,000

I never thought that he wouldn't come home.

16

00:01:13,000 --> 00:01:17,000

We just loved being a family. We just had a kind of a plan.

17

00:01:17,000 --> 00:01:24,000

This is the way I saw my parents do it, and it just is a natural flow of things.

18

00:01:24,000 --> 00:01:26,000

Never thinking.

19

00:01:26,000 --> 00:01:28,000

That, uh...

20

00:01:30,000 --> 00:01:32,000

Then it all fell apart so quickly.

21

00:01:32,000 --> 00:01:40,000

They were faced with the horrifying choice of either jumping from the fourth floor window or being burnt to death.

22

00:01:40,000 --> 00:01:48,000

Lieutenant Curtis Myron of Battalion 26 and firefighter John Holt.

23

00:01:50,000 --> 00:01:59,000

The first thing I thought of was, how do I tell these children

24

00:01:59,000 --> 00:02:02,000

that they'll never see their father again?

25

00:02:03,000 --> 00:02:09,000

They were inconsolable. How can I get them through this? They don't have a father.

26

00:02:09,000 --> 00:02:14,000

I mean, I don't think you ever really could be prepared, but it definitely hit me really hard.

27

00:02:14,000 --> 00:02:20,000

I just remember sitting crying our eyes out. I'll never forget that day.

28

00:02:22,000 --> 00:02:28,000

This was a very high-profile tragedy. There were those towers and cameras all over the block.

29

00:02:29,000 --> 00:02:33,000

No, I have nothing to say. Just leave us alone.

30

00:02:33,000 --> 00:02:38,000

The power-officer from hell. It was terrible. There was no compassion.

31

00:02:41,000 --> 00:02:46,000

It was just constant. You know, they wanted pictures. They wanted interviews. They wanted to talk to us.

32

00:02:46,000 --> 00:02:48,000

And we just wanted to be left alone.

33

00:02:48,000 --> 00:02:55,000

I said, maybe we should try to find some sort of small place that we could maybe escape from this.

34

00:02:55,000 --> 00:03:00,000

Away from the city, away from the cameras, and hopefully to find some peace.

35

00:03:04,000 --> 00:03:06,000

We stumbled across a house.

36

00:03:06,000 --> 00:03:13,000

The attraction was that it was a big piece of property in Acre-Land, which was actually unheard of on Long Island.

37

00:03:13,000 --> 00:03:23,000

I began to see that this may be a way to give them a new life, to wean them from their daddy's place that he built.

38

00:03:26,000 --> 00:03:32,000

When we were finally able to move into the house, you know, we brought bags of stuff.

39

00:03:32,000 --> 00:03:36,000

We were all very anxious to kind of just get in and get everything where it needed to be.

40

00:03:36,000 --> 00:03:39,000

I felt like it was going to be the start of something really good.

41

00:03:39,000 --> 00:03:42,000

I was going to get a lot of help in building this new home.

42

00:03:42,000 --> 00:03:45,000

My husband's firemen buddies, all chipped in.

43

00:03:45,000 --> 00:03:49,000

One in particular was a fireman, my husband's friend, Tom.

44

00:03:50,000 --> 00:03:52,000

We have a strong brotherhood of firefighters.

45

00:03:52,000 --> 00:03:57,000

There were a lot of members of the fire department that wanted to help Jeanette.

46

00:03:57,000 --> 00:04:01,000

Listen, Jen, just a couple of more weeks and we're done, huh?

47

00:04:01,000 --> 00:04:03,000

A couple more weeks.

48

00:04:05,000 --> 00:04:10,000

I was determined to make these children have hope and feel better.

49

00:04:10,000 --> 00:04:18,000

In your wildest dreams, would you ever think that rebuilding a home would cause such devastation to a family?

50

00:04:19,000 --> 00:04:22,000

While the house was being built, it was all open.

51

00:04:22,000 --> 00:04:25,000

I was worried about vandalism. I was worried about tools being left up.

52

00:04:25,000 --> 00:04:29,000

We put up seven security cameras every corner of the house.

53

00:04:35,000 --> 00:04:38,000

The fee from the cameras was patched through to the computer.

54

00:04:39,000 --> 00:04:42,000

So the first night doing this, it was a new toy for me.

55

00:04:42,000 --> 00:04:45,000

So I tuned in.

56

00:04:46,000 --> 00:04:50,000

Now they were in black and white, we really couldn't see much.

57

00:05:01,000 --> 00:05:07,000

But right in the middle of frame, I saw what appeared to be a man.

58

00:05:07,000 --> 00:05:10,000

It just made no sense.

59

00:05:10,000 --> 00:05:15,000

Maybe there's something on the lens or maybe there's something wrong with the camera.

60

00:05:15,000 --> 00:05:20,000

I really didn't know what I was looking at.

61

00:05:28,000 --> 00:05:36,000

Pretty soon after we moved in, I was laying in my room and I was feeling really restless.

62

00:05:37,000 --> 00:05:40,000

And I had a very uneasy feeling.

63

00:05:41,000 --> 00:05:47,000

I remember hearing these sounds.

64

00:05:47,000 --> 00:05:52,000

They were coming from inside the room.

65

00:05:52,000 --> 00:05:56,000

I remember hearing these sounds.

66

00:05:56,000 --> 00:06:00,000

They were coming from inside the room.

67

00:06:00,000 --> 00:06:04,000

I remember hearing these sounds.

68

00:06:04,000 --> 00:06:08,000

I remember hearing these sounds.

69

00:06:08,000 --> 00:06:13,000

They were coming from inside the walls, like thumps or knocking.

70

00:06:23,000 --> 00:06:25,000

Hello.

71

00:06:25,000 --> 00:06:29,000

It was like someone was knocking on the door like knock back.

72

00:06:30,000 --> 00:06:33,000

Hello.

73

00:06:46,000 --> 00:06:50,000

The second time I heard it, it was notice me, notice me, notice me.

74

00:06:59,000 --> 00:07:04,000

They were coming from inside the walls.

75

00:07:30,000 --> 00:07:33,000

I'd make like a little fortress.

76

00:07:33,000 --> 00:07:40,000

It didn't feel safe, but it felt good enough that I could just sleep and wake up and it wouldn't be there in the morning.

77

00:07:43,000 --> 00:07:45,000

What's up?

78

00:07:45,000 --> 00:07:47,000

You two girls look terrible.

79

00:07:47,000 --> 00:07:52,000

I asked her the next morning if she was walking around at night or if she was thumping or doing something.

80

00:07:52,000 --> 00:07:55,000

I heard it too. It was banging.

81

00:07:55,000 --> 00:08:01,000

I honestly had not heard anything and they were telling me something was banging on the walls.

82

00:08:01,000 --> 00:08:03,000

They couldn't describe it.

83

00:08:03,000 --> 00:08:06,000

Girls, it's just a new house.

84

00:08:06,000 --> 00:08:10,000

I didn't let her know that I was really as scared as I was.

85

00:08:10,000 --> 00:08:26,000

When I just said, you know, maybe it's the house settling or maybe it's the plumbing and the heating and the pipes, it's new to us.

86

00:08:26,000 --> 00:08:30,000

We have to learn the sounds of the house.

87

00:08:40,000 --> 00:08:44,000

I just need to reassure them and calm them down.

88

00:08:44,000 --> 00:09:12,320

I just need to reassure them and calm them down and just give them some sort of peace

89

00:09:12,320 --> 00:09:16,480

of mind that it's nothing to be afraid of.

90

00:09:20,400 --> 00:09:26,320

It was a unique basement to say the least. There was a lot of debris down there.

91

00:09:34,880 --> 00:09:40,320

The backyard was huge and to me it was personally just like a playground. It was

92

00:09:40,480 --> 00:09:48,320

like my heaven. I thought it was really cool that we had this whole backyard full of all these

93

00:09:49,200 --> 00:09:50,720

trees and symbols.

94

00:09:56,160 --> 00:09:57,760

There were bones in my backyard.

95

00:10:04,000 --> 00:10:09,120

Me and my sister found this really exciting. We were going to use the symbols that we had found

96

00:10:09,200 --> 00:10:12,160

and we were going to draw maps to help us find things.

97

00:10:14,560 --> 00:10:18,480

Well I tried to help Jinnah as much as I can. They already had enough to deal with

98

00:10:18,480 --> 00:10:23,840

with the loss of their husband and father and I had a couple of guys that worked for me and

99

00:10:23,840 --> 00:10:28,960

cleaned out a lot of the stuff from the previous owners and that's when some things were discovered

100

00:10:28,960 --> 00:10:30,960

down in the basement.

101

00:10:39,360 --> 00:10:47,520

I drew her a map to get to her doll.

102

00:10:50,160 --> 00:10:57,360

Hey no, go right. All she had to do was follow the directions on the map when she would be able

103

00:10:57,360 --> 00:11:00,160

to figure out where her doll was and then if she got it she won't.

104

00:11:01,120 --> 00:11:02,160

Go forward.

105

00:11:08,720 --> 00:11:09,200

The health?

106

00:11:11,360 --> 00:11:13,600

Jinnah, I think you should come down here.

107

00:11:20,240 --> 00:11:25,760

Hi guys. What's up? What's the matter? I just saw the looks on their faces.

108

00:11:26,720 --> 00:11:30,560

Jen, we found this under some junk that was on the floor.

109

00:11:36,080 --> 00:11:39,120

The whole thing was exposed. I saw it for the first time.

110

00:11:43,280 --> 00:11:44,720

I don't want the girls to see this.

111

00:11:51,840 --> 00:11:55,440

Just get rid of it. Cover it up.

112

00:11:56,560 --> 00:12:01,040

Yeah, we'll concrete the whole thing, Jen. The girls will never even know it was here.

113

00:12:01,040 --> 00:12:05,280

Hey, nobody has to see it. You paint over something, you don't see it anymore.

114

00:12:06,320 --> 00:12:07,760

It's gone. So you think.

115

00:12:11,360 --> 00:12:15,680

There was no reason to say anything to my mom because there were stars on the ground. I

116

00:12:15,680 --> 00:12:17,440

didn't think my mom would really care.

117

00:12:26,320 --> 00:12:32,960

My mom had left me alone in the house. She had given me instructions when she laughed that she

118

00:12:32,960 --> 00:12:39,440

wanted me to clean up. And I just remember feeling like I wasn't alone.

119

00:12:56,720 --> 00:13:00,640

I looked back behind me a couple of times and there was nobody there.

120

00:13:02,800 --> 00:13:08,080

Mom? I couldn't shake this feeling of having somebody watching me and it was really starting to

121

00:13:08,080 --> 00:13:09,440

bother me.

122

00:13:25,920 --> 00:13:49,680

When I came home and walked in the front door, I saw every cabinet, every drawer,

123

00:13:50,480 --> 00:13:55,920

the place looked like it had been ransacked. Everything was open and I didn't see Angela.

124

00:13:57,680 --> 00:14:05,200

Angela? I thought that Angela had a tantrum. Angela. Some kind of fit. I'm

125

00:14:05,200 --> 00:14:06,480

earth for you thinking.

126

00:14:08,320 --> 00:14:13,680

Angela. When I approached her and I saw the look on her face and her eyes. It wasn't me.

127

00:14:15,520 --> 00:14:19,360

There's something in the house. I knew that it was not her.

128

00:14:19,360 --> 00:14:20,160

I just knew it.

129

00:14:23,520 --> 00:14:26,720

Was someone trying to hers? Was someone physically here?

130

00:14:33,680 --> 00:14:37,040

When I went down there, I definitely was uncomfortable.

131

00:14:49,360 --> 00:15:06,000

Hey guys. Tom? Oh, hey Jen. Wanted to show me something? They pulled out these pieces of paper

132

00:15:06,000 --> 00:15:07,040

bound together.

133

00:15:19,920 --> 00:15:31,760

I saw 1927. Okay. I know this is when they built the house. The pages seem to be written by the

134

00:15:31,760 --> 00:15:36,480

young girl that was the daughter of someone in this house. I saw the name Christina.

135

00:15:39,520 --> 00:15:45,440

I realized that she was only a few years older than my own daughter. As I read through the pages,

136

00:15:45,440 --> 00:15:53,280

it was an incredibly dark story. She would talk about her father. There were sacrifices. He hurt

137

00:15:53,280 --> 00:15:59,040

me again. Or he hurts the animals. They're bleeding and I believe like they believe.

138

00:15:59,760 --> 00:16:02,400

These people were sick. This is what went on in this house.

139

00:16:09,760 --> 00:16:14,880

But it's mine now. It's going to be fresh and new. No one needs to know and it's over and it's done

140

00:16:14,880 --> 00:16:22,080

with. Oh, hey Jen. Thanks again. I can do it.

141

00:16:24,240 --> 00:16:29,920

Okay, you take care now. Okay. We'll see you soon. Okay. All right boys, let's go.

142

00:16:33,360 --> 00:16:34,080

Thanks everyone.

143

00:16:44,880 --> 00:17:11,280

I thought maybe at first it was the oil burner backfired or something that kind of pressure.

144

00:17:12,000 --> 00:17:19,200

It sounded like almost a shot. I felt that it was coming from the cellar, the basement,

145

00:17:19,200 --> 00:17:26,640

because you would feel that impact mostly in the floor and vibrating almost up through the ceiling.

146

00:17:30,720 --> 00:17:36,640

I knew that I had to go see or at least try to find out what it was.

147

00:17:36,880 --> 00:17:40,480

You couldn't just ignore it.

148

00:17:44,000 --> 00:17:54,000

I went to the cellar door and I started to head down.

149

00:18:06,640 --> 00:18:24,000

Okay.

150

00:18:28,000 --> 00:18:31,840

I felt something evil. I was so frightened.

151

00:18:32,320 --> 00:18:38,640

I did not feel at that point in the wall that there was something when we're plumbing or anything

152

00:18:38,640 --> 00:18:49,200

backfiring. You had a feeling that it was something that was not of this world.

153

00:19:32,320 --> 00:19:49,200

I remember it was very faint and you would think let's try really, really hard to listen and

154

00:19:49,200 --> 00:19:54,960

hear what they're saying. It was a conversation back and forth between two people, very low,

155

00:19:54,960 --> 00:20:01,200

almost secretive. Like they didn't want you to hear what they were saying.

156

00:20:01,840 --> 00:20:05,200

Okay.

157

00:20:09,840 --> 00:20:15,200

Mom? Mom, is that you?

158

00:20:17,600 --> 00:20:21,200

I get this very uneasy feeling that I'm being watched.

159

00:20:32,400 --> 00:20:35,600

I would hear them, you know, use our names.

160

00:20:38,960 --> 00:20:44,240

They started using my sister's name. I heard him tell me that he was...

161

00:20:51,120 --> 00:20:55,200

Sorry.

162

00:20:56,080 --> 00:21:04,400

I'm still getting this creepy feeling that someone's really watching,

163

00:21:04,400 --> 00:21:08,560

focusing, and I look through the frosted glass of the shower door.

164

00:21:08,720 --> 00:21:20,320

I heard this blood curdle.

165

00:21:20,320 --> 00:21:28,960

Mom! At the top of her lungs, over and over again. Mom! Mom! I never heard anything like that in my life.

166

00:21:29,440 --> 00:21:40,560

I remember being more scared, not knowing how to protect her or if I was even going to be able to

167

00:21:41,280 --> 00:21:43,040

get there before they did.

168

00:21:46,320 --> 00:21:49,840

He was going to hurt me. There was no doubt in my mind he was going to hurt me.

169

00:21:59,120 --> 00:22:08,640

No! No! No!

170

00:22:18,640 --> 00:22:22,640

It looked like she was having a seizure. She was that frightened.

171

00:22:29,280 --> 00:22:32,640

It was right there. There was a shower right there.

172

00:22:32,640 --> 00:22:34,640

There's nobody here. There's nobody.

173

00:22:34,640 --> 00:22:35,840

He said I would.

174

00:22:35,840 --> 00:22:37,840

Come on. No. Come on.

175

00:22:37,840 --> 00:22:39,840

Come on. Okay, come on.

176

00:22:39,840 --> 00:22:41,840

Shhh. Shhh. Come on.

177

00:22:41,840 --> 00:22:47,840

I can't just keep on doing it.

178

00:22:55,840 --> 00:22:58,320

You could hear this chanting.

179

00:23:01,760 --> 00:23:05,040

Sounds like a group of people performing a ritual.

180

00:23:07,120 --> 00:23:09,840

It was very scary. You felt trapped.

181

00:23:11,840 --> 00:23:29,840

I said, you just call daddy. Just call daddy. And that's what we did.

182

00:23:29,840 --> 00:23:33,840

Daddy! Daddy!

183

00:23:33,840 --> 00:23:35,840

Daddy! Daddy!

184

00:23:37,840 --> 00:23:43,840

This is a time more than anything that I needed my dad. That I needed him to be there.

185

00:23:43,840 --> 00:23:47,840

And I knew that if he was there, everything would just be fine.

186

00:23:47,840 --> 00:23:57,840

How do you make your baby feel better? How do you protect your children? How can you fight what you can't see?

187

00:23:59,840 --> 00:24:07,840

My husband has a friend, Tony. We talked quite often. They were very close.

188

00:24:07,840 --> 00:24:11,840

If anyone would believe me, it would be Tony.

189

00:24:11,840 --> 00:24:17,840

I remember getting a call from Jeanette after she built the house and there was weird stuff going on.

190

00:24:17,840 --> 00:24:23,840

Her husband, Kurt, was one of my very dear friends. He was a good man.

191

00:24:23,840 --> 00:24:28,840

I explained to him about this circle with this star and trying to explain to him these journals.

192

00:24:28,840 --> 00:24:32,840

So that's when he agreed to go downstairs and have a look at things.

193

00:24:32,840 --> 00:24:38,840

I took him to the door. I said, I'll wait here. I just refused to go down.

194

00:24:38,840 --> 00:24:46,840

I'll go down and see what's down there. She was very frightened at the basement for some reason.

195

00:24:46,840 --> 00:24:52,840

There's very few things I fear besides my father and my dentist. But he just felt like he was being watched.

196

00:24:52,840 --> 00:24:57,840

There was a lot of pressure down there like, I gotta get out of here.

197

00:25:22,840 --> 00:25:26,840

Something will drag my attention to this door.

198

00:25:33,840 --> 00:25:35,840

It's behind the door down here, Jeanette.

199

00:25:37,840 --> 00:25:40,840

It could be wind. It could be something down there.

200

00:25:53,840 --> 00:25:54,840

Shot.

201

00:25:56,840 --> 00:25:59,840

I said, well, time for me to go.

202

00:25:59,840 --> 00:26:07,840

I worked for 24 years as a correction officer and I fear very little. But that basement made me scared.

203

00:26:09,840 --> 00:26:15,840

From that point on, we all felt it was a good idea that we had one person stand guard while one of us showered.

204

00:26:16,840 --> 00:26:21,840

Why didn't I leave the house?

205

00:26:21,840 --> 00:26:29,840

I've invested everything in this house. Time, money, energy, emotions, everything we had.

206

00:26:29,840 --> 00:26:36,840

Define them and they built that with such pride. And I felt like I would be letting them down.

207

00:26:37,840 --> 00:26:45,840

I knew that unless I could find a solution quickly, that we were going to have to leave this house and move out.

208

00:26:56,840 --> 00:27:01,840

The priest knows what to do. The church knows what to do. This is where you find your refuge.

209

00:27:02,840 --> 00:27:10,840

Really, to my surprise, he was in total agreement. The priest came up with how to handle it, how to get rid of it through your faith.

210

00:27:14,840 --> 00:27:16,840

And you must use holy water.

211

00:27:20,840 --> 00:27:21,840

This isn't going to be enough.

212

00:27:21,840 --> 00:27:31,840

He gave me gallons of holy water.

213

00:27:41,840 --> 00:27:46,840

I spent so much time in my room by myself that I wanted to breathe.

214

00:27:52,840 --> 00:28:01,840

I loved being outside on the swing because it took me away from the house.

215

00:28:04,840 --> 00:28:09,840

She became more and more withdrawn. She spent more time alone.

216

00:28:11,840 --> 00:28:17,840

When we five, ten minutes or so, I would look out and just check on her. And it wasn't fully lit back there.

217

00:28:17,840 --> 00:28:22,840

So I decided to look at the cameras in the backyard.

218

00:28:34,840 --> 00:28:39,840

I wasn't going really high. I wasn't going really fast. I just kind of kept a really steady, consistent pace.

219

00:28:41,840 --> 00:28:46,840

Everything seemed to be alright. And she was swinging back and forth, back and forth.

220

00:28:48,840 --> 00:29:13,560

Then I found the power to

221

00:29:13,560 --> 00:29:15,560

I saw these figures.

222

00:29:15,560 --> 00:29:16,560

Oh, Angela.

223

00:29:16,560 --> 00:29:19,560

All of a sudden, I felt this really heavy push.

224

00:29:19,560 --> 00:29:20,560

Ah!

225

00:29:20,560 --> 00:29:21,560

Mom!

226

00:29:21,560 --> 00:29:23,560

I hit the ground really hard.

227

00:29:23,560 --> 00:29:26,560

I remember hearing this horrible pop.

228

00:29:26,560 --> 00:29:28,560

And I knew I broke something.

229

00:29:28,560 --> 00:29:30,560

Somebody help me!

230

00:29:30,560 --> 00:29:31,560

Mom!

231

00:29:31,560 --> 00:29:32,560

Mom!

232

00:29:32,560 --> 00:29:34,560

I'm so sorry.

233

00:29:34,560 --> 00:29:36,560

I'm so sorry.

234

00:29:36,560 --> 00:29:37,560

I'm so sorry.

235

00:29:37,560 --> 00:29:38,560

I'm so sorry.

236

00:29:38,560 --> 00:29:39,560

I'm so sorry.

237

00:29:39,560 --> 00:29:40,560

I'm so sorry.

238

00:29:40,560 --> 00:29:41,560

I'm so sorry.

239

00:29:41,560 --> 00:29:42,560

I'm so sorry.

240

00:29:42,560 --> 00:29:43,560

Help!

241

00:29:45,560 --> 00:29:46,560

Help!

242

00:29:46,560 --> 00:29:47,560

Help!

243

00:29:47,560 --> 00:29:48,560

Help!

244

00:29:48,560 --> 00:29:49,560

Help!

245

00:29:49,560 --> 00:29:50,560

Help!

246

00:29:50,560 --> 00:29:52,560

And here she was crying.

247

00:29:52,560 --> 00:29:55,560

Mom, they hurt me.

248

00:29:55,560 --> 00:29:58,560

They're going to keep hurting me.

249

00:29:58,560 --> 00:30:00,560

We have to leave.

250

00:30:00,560 --> 00:30:04,560

Our ankle was broken in so many places.

251

00:30:04,560 --> 00:30:06,560

Went outside with that holy water.

252

00:30:06,560 --> 00:30:07,560

You're so sorry.

253

00:30:07,560 --> 00:30:10,560

Thank you, all of our out-of-use society bitches.

254

00:30:10,560 --> 00:30:13,560

Take me, but this is not going to happen again.

255

00:30:24,560 --> 00:30:30,560

In the middle, did I realize that the war was about to begin.

256

00:30:30,560 --> 00:30:33,560

Battling for my daughter's life.

257

00:30:40,560 --> 00:30:50,560

Because I broke my foot, I spent a lot more time alone in my room than I even had before this.

258

00:30:50,560 --> 00:30:51,560

Bye, Ange.

259

00:30:51,560 --> 00:30:54,560

I'm just going to pick up your men.

260

00:30:54,560 --> 00:30:59,560

If I had to leave them alone, or had to go somewhere, it was only during the day.

261

00:30:59,560 --> 00:31:03,560

She was incapacitated, so she knew I was there to run errands.

262

00:31:03,560 --> 00:31:04,560

She was safe.

263

00:31:04,560 --> 00:31:06,560

She had everything she needed.

264

00:31:06,560 --> 00:31:08,560

She could reach me by phone.

265

00:31:25,560 --> 00:31:31,560

It was definitely better during the day, but when the sun went down, the house definitely seemed to come more alive.

266

00:31:36,560 --> 00:32:05,560

I started to hear the sound of my closet door shaking back and forth.

267

00:32:05,560 --> 00:32:14,560

Very softly at first, it started to look to me like there was almost somebody standing on the inside of my door trying to come out.

268

00:32:18,560 --> 00:32:21,560

It's like a train wreck when you can't look away.

269

00:32:26,560 --> 00:32:31,560

I saw a black figure that kind of stepped out of my mirror.

270

00:32:31,560 --> 00:32:32,560

Stay away from me!

271

00:32:32,560 --> 00:32:33,560

What could I do?

272

00:32:33,560 --> 00:32:34,560

I couldn't run.

273

00:32:34,560 --> 00:32:35,560

I hear one make it to the door.

274

00:32:35,560 --> 00:32:36,560

Where can I go?

275

00:32:36,560 --> 00:32:40,560

And the only thing that came to mind was to jump underneath my bed.

276

00:32:43,560 --> 00:32:45,560

It smelled like death.

277

00:33:05,560 --> 00:33:10,560

I grabbed the house phone and I brought it with me underneath the bed, and I called my mom.

278

00:33:17,560 --> 00:33:18,560

Hi, honey.

279

00:33:19,560 --> 00:33:20,560

What's the matter?

280

00:33:20,560 --> 00:33:21,560

Mom!

281

00:33:21,560 --> 00:33:22,560

I'm scared to death!

282

00:33:22,560 --> 00:33:23,560

No, I know!

283

00:33:23,560 --> 00:33:24,560

Please help!

284

00:33:24,560 --> 00:33:27,560

You could tell she was frightened beyond belief.

285

00:33:27,560 --> 00:33:29,560

She was so terrified.

286

00:33:29,560 --> 00:33:31,560

I just left everything.

287

00:33:31,560 --> 00:33:33,560

I'm going to be very sick.

288

00:33:34,560 --> 00:33:37,560

And I'm running to the car.

289

00:33:38,560 --> 00:33:43,560

She's trying to tell me that I need to pray and it's going to take her at least 45 minutes to get here.

290

00:33:43,560 --> 00:33:46,560

And I'm thinking to myself, I don't know if I have 45 minutes.

291

00:33:46,560 --> 00:33:47,560

Please come here, please!

292

00:33:47,560 --> 00:33:50,560

I really felt the key that's going to hurt me.

293

00:33:51,560 --> 00:33:52,560

Stay with me!

294

00:33:52,560 --> 00:33:53,560

Just say your prayers!

295

00:33:53,560 --> 00:33:54,560

Mom, really?

296

00:33:54,560 --> 00:33:55,560

Where is it?

297

00:33:55,560 --> 00:33:56,560

Where is it?

298

00:33:56,560 --> 00:33:58,560

I'm going to be open in a minute!

299

00:33:58,560 --> 00:34:00,560

Mom, I'm really, really scared!

300

00:34:00,560 --> 00:34:01,560

Dad!

301

00:34:03,560 --> 00:34:04,560

Mom!

302

00:34:04,560 --> 00:34:05,560

Mommy, he's coming closer!

303

00:34:05,560 --> 00:34:06,560

He's coming!

304

00:34:06,560 --> 00:34:07,560

He's coming!

305

00:34:07,560 --> 00:34:08,560

Mom, what are we doing?

306

00:34:08,560 --> 00:34:09,560

Are you okay?

307

00:34:24,560 --> 00:34:25,560

I think it's a bug!

308

00:34:25,560 --> 00:34:26,560

I don't know what it means!

309

00:34:26,560 --> 00:34:30,560

This growl was like nothing I've ever heard before.

310

00:34:30,560 --> 00:34:32,560

Angela! Angela!

311

00:34:33,560 --> 00:34:41,560

To actually hear it is showing itself, that's what's in my house right now with my children.

312

00:34:56,560 --> 00:35:00,560

I opened the door, nothing I could...

313

00:35:00,560 --> 00:35:01,560

Angela!

314

00:35:01,560 --> 00:35:02,560

Angela!

315

00:35:03,560 --> 00:35:04,560

I heard...

316

00:35:04,560 --> 00:35:05,560

Angela!

317

00:35:05,560 --> 00:35:09,560

I went up slowly and I kept calling her.

318

00:35:09,560 --> 00:35:13,560

Please God, let me not let this not be what I think it is.

319

00:35:15,560 --> 00:35:21,560

And I just pictured her ripped apart by this creature.

320

00:35:22,560 --> 00:35:26,560

I walked in the bedroom door and I didn't see anything.

321

00:35:26,560 --> 00:35:33,560

I heard it was weeping, very faint.

322

00:35:33,560 --> 00:35:35,560

She was so weak.

323

00:35:36,560 --> 00:35:38,560

And I said, I'm here.

324

00:35:40,560 --> 00:35:44,560

And I had to pull her out because she couldn't move.

325

00:35:47,560 --> 00:35:50,560

She was just begging me.

326

00:35:51,560 --> 00:35:53,560

To please make it go away.

327

00:35:53,560 --> 00:35:55,560

It was terrible.

328

00:35:55,560 --> 00:35:57,560

How do you make it go away?

329

00:35:57,560 --> 00:35:59,560

The priest doesn't know.

330

00:35:59,560 --> 00:36:02,560

The holy water is not cutting it anymore.

331

00:36:08,560 --> 00:36:09,560

I worked too hard.

332

00:36:09,560 --> 00:36:11,560

This was for my children.

333

00:36:12,560 --> 00:36:16,560

The money, the time, the energy, they deserve to be happy.

334

00:36:16,560 --> 00:36:18,560

We deserve a life.

335

00:36:19,560 --> 00:36:21,560

This is not right.

336

00:36:21,560 --> 00:36:23,560

We have had enough tragedy.

337

00:36:23,560 --> 00:36:25,560

We've had enough heartache.

338

00:36:27,560 --> 00:36:34,560

That night, I took my kids to my mom's because I did not want them staying in that house anymore.

339

00:36:42,560 --> 00:36:44,560

We were at our wit's end.

340

00:36:44,560 --> 00:36:46,560

We call this paranormal investigator.

341

00:36:46,560 --> 00:36:48,560

They'll hopefully know what to do.

342

00:36:48,560 --> 00:36:50,560

I'm sorry to call so late.

343

00:36:50,560 --> 00:36:52,560

I didn't know where else to turn.

344

00:36:52,560 --> 00:36:56,560

I made the phone call to Liz, the paranormal investigator.

345

00:36:56,560 --> 00:36:59,560

This was like three, four o'clock in the morning.

346

00:36:59,560 --> 00:37:02,560

Jeanette, I spoke with that night for about an hour.

347

00:37:02,560 --> 00:37:04,560

I wanted to help her.

348

00:37:04,560 --> 00:37:10,560

Nobody deserves to live in fear the way Jeanette and the girls did.

349

00:37:10,560 --> 00:37:17,560

They had so much tragedy in their life with their dad and her husband.

350

00:37:17,560 --> 00:37:20,560

And then this thing creeps in and takes over.

351

00:37:23,560 --> 00:37:27,560

I thought the only solution at this point was to do a cleansing and a blessing on the home.

352

00:37:28,560 --> 00:37:31,560

So I called Don Joly Psychic Medium.

353

00:37:35,560 --> 00:37:39,560

It was like a heavy cloud on that whole piece of property.

354

00:37:40,560 --> 00:37:49,560

When Don walked through the door, I could sense she knew instantly where to go, who was there.

355

00:37:50,560 --> 00:37:57,560

She explained that there were cults that conjured up evil spirits called the Pond Demons.

356

00:37:57,560 --> 00:38:01,560

All this time, they had been lurking down there.

357

00:38:02,560 --> 00:38:08,560

The demolition disturbed all the energy and made an opening.

358

00:38:08,560 --> 00:38:10,560

This was theirs.

359

00:38:10,560 --> 00:38:13,560

No one could be on that property but them.

360

00:38:13,560 --> 00:38:15,560

It's released something.

361

00:38:16,560 --> 00:38:18,560

Something terrible.

362

00:38:30,560 --> 00:38:33,560

The idea is to put salt around the perimeter of the house.

363

00:38:33,560 --> 00:38:40,560

It's like a force field. One can't come over, one can't come out.

364

00:38:51,560 --> 00:38:53,560

Don started burning the stage.

365

00:38:55,560 --> 00:38:58,560

It had to end one way or the other.

366

00:38:58,560 --> 00:39:01,560

It was like the final conflict for me.

367

00:39:03,560 --> 00:39:09,560

The tree rust went down into the basement and Don had the sage. It was filling the air.

368

00:39:13,560 --> 00:39:16,560

It was a fight as we were going more and more into the house.

369

00:39:16,560 --> 00:39:19,560

The basement was the center of all the activity.

370

00:39:20,560 --> 00:39:23,560

And it was so intense down there.

371

00:39:24,560 --> 00:39:27,560

The air protection against the wickedness of the...

372

00:39:27,560 --> 00:39:34,560

I just did what I had to do but I have to tell you, I was so frightened.

373

00:39:45,560 --> 00:39:48,560

It was like a battle. I heard chanting, I heard screaming.

374

00:39:53,560 --> 00:39:55,560

I was like, oh, please.

375

00:39:57,560 --> 00:39:59,560

I was like, oh, please.

376

00:40:01,560 --> 00:40:03,560

I was like, oh, please.

377

00:40:05,560 --> 00:40:08,560

The house is the hell, the stage is the home.

378

00:40:08,560 --> 00:40:10,560

The evil spirit.

379

00:40:11,560 --> 00:40:13,560

Come out from this place.

380

00:40:13,560 --> 00:40:15,560

Make a man you can believe.

381

00:40:15,560 --> 00:40:17,560

Jesus.

382

00:40:23,560 --> 00:40:25,560

Jesus.

383

00:40:44,560 --> 00:40:46,560

It burst into flames.

384

00:40:47,560 --> 00:40:51,560

Then as quick as that happened, it stopped.

385

00:40:54,560 --> 00:40:59,560

That part of the house was wicked. It really was.

386

00:41:13,560 --> 00:41:15,560

The blessing actually worked.

387

00:41:19,560 --> 00:41:21,560

We still live in the house.

388

00:41:21,560 --> 00:41:22,560

Good morning.

389

00:41:22,560 --> 00:41:24,560

Is it okay to go outside and play?

390

00:41:24,560 --> 00:41:26,560

Of course it is. Let's all go.

391

00:41:26,560 --> 00:41:27,560

Okay.

392

00:41:28,560 --> 00:41:32,560

It was done. It was over. Everything was going to be fine.

393

00:41:32,560 --> 00:41:35,560

Now I really do like living there.

394

00:41:35,560 --> 00:41:37,560

My house is full of life.

395

00:41:38,560 --> 00:41:40,560

It was a battle one.

396

00:41:40,560 --> 00:41:44,560

It's not an easy thing to just make that decision to stay or to go.

397

00:41:44,560 --> 00:41:48,560

And we are still there but we've learned and we've grown.

398

00:41:48,560 --> 00:41:51,560

It changes you. It changes you forever.

399

00:42:18,560 --> 00:42:20,560

You
