

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:12,840 --> 00:00:17,140

Believe that something comes to get you when you pass away

3

00:00:19,080 --> 00:00:23,700

It was evil. I know that I saw the angel of death

4

00:00:26,340 --> 00:00:28,340

It's gonna take me

5

00:00:28,680 --> 00:00:30,680

What is that

6

00:00:32,820 --> 00:00:36,360

She needs to go this was dead

7

00:00:39,660 --> 00:00:41,660

Paying him back

8

00:00:58,660 --> 00:01:00,660

I

9

00:01:02,180 --> 00:01:04,900

Always heard that medical professionals make the worst patients

10

00:01:06,540 --> 00:01:09,060

That's true because I've made the worst patient

11

00:01:11,780 --> 00:01:13,780

I'm an emergency medical technician

12

00:01:18,540 --> 00:01:21,780

I had recently had gastric bypass surgery

13

00:01:24,860 --> 00:01:26,860

And something has gone really wrong

14

00:01:28,820 --> 00:01:31,320

I went through the hospital door

15

00:01:33,380 --> 00:01:36,160

Being an EMT normally I would walk through

16

00:01:37,740 --> 00:01:40,500

But this time I was on a cart going in feet first

17

00:01:47,300 --> 00:01:49,300

This time I was the patient

18

00:01:54,060 --> 00:01:56,060

I was admitted to ICU

19

00:01:58,380 --> 00:02:00,860

And they started running a lot of tests I

20

00:02:03,300 --> 00:02:05,300

Knew that it was serious

21

00:02:06,940 --> 00:02:08,940

So I was very scared

22

00:02:17,820 --> 00:02:21,100

Going in to see him for the first time was very upsetting

23

00:02:21,780 --> 00:02:25,660

Here's my strong husband who's normally the caregiver

24

00:02:26,660 --> 00:02:28,660

Laying their helpless

25

00:02:33,820 --> 00:02:36,060

Doctor said well these kidneys have shot down

26

00:02:39,940 --> 00:02:44,940

Being married to an EMT I know that somebody's kidneys failing is not a good thing

27

00:02:50,700 --> 00:02:54,180

The thought of losing Mike at the time was more than I could bear

28

00:02:56,020 --> 00:02:59,700

Our kids were young there were things he needed to do with these kids

29

00:03:10,500 --> 00:03:15,340

On Memorial Day my stepfather Darrell had a massive stroke

30

00:03:17,820 --> 00:03:22,060

When we arrived at the hospital they immediately started working on him

31

00:03:26,340 --> 00:03:32,580

They had already said he probably would not make it through the night

32

00:03:39,140 --> 00:03:41,740

My daughter Tanya arrived at the ICU

33

00:03:46,540 --> 00:03:50,500

All I could do was hug her we didn't know whether he was dead or alive at that point

34

00:03:55,660 --> 00:04:00,140

Nobody should be hooked up to that Mitch machinery just to breathe just to live

35

00:04:04,380 --> 00:04:08,140

My job at the hospital as an IT technician is

36

00:04:08,900 --> 00:04:11,500

Crucial to the patient and the patient's care

37

00:04:15,060 --> 00:04:18,700

The patient's life could be in jeopardy if you don't get it right the first time

38

00:04:19,020 --> 00:04:27,060

If a patient is on their deathbed in their family around I try to

39

00:04:27,860 --> 00:04:34,060

Just give them their space the computer can wait. Yeah, it's not a good time. I'll come back and do it tomorrow

40

00:04:41,220 --> 00:04:44,540

I work by myself at night quite often

41

00:04:48,900 --> 00:04:54,660

I'm not scared of the night shifts. I'm there to help the doctors. I'm there to help the nurses

42

00:04:59,780 --> 00:05:04,100

With my office being in the basement close to the morgue I

43

00:05:06,340 --> 00:05:08,880

Do see the bodies in the gurneys

44

00:05:09,400 --> 00:05:19,160

Generally the door shut but every once in a while you catch a glimpse of what's going on in the morgue and

45

00:05:20,400 --> 00:05:23,320

It's not it can be kind of frightful

46

00:05:27,240 --> 00:05:30,160

This is like the biggest stroke a person can have

47

00:05:30,160 --> 00:05:41,080

The doctors put a whole right here in his throat and installed a trache

48

00:05:44,200 --> 00:05:48,840

He looked dead I don't even think the doctors expected for him to come back

49

00:06:00,600 --> 00:06:06,000

He was looking around the room like you're aware of my type thing you're awake

50

00:06:07,560 --> 00:06:11,760

You just look into somebody's eyes and you can see fear

51

00:06:14,000 --> 00:06:16,000

His eyes were as big as saucers

52

00:06:18,360 --> 00:06:20,360

He was just angry

53

00:06:23,400 --> 00:06:26,440

He was finding something in his own world

54

00:06:27,440 --> 00:06:33,240

Because in my world there was nothing in that room

55

00:06:37,440 --> 00:06:44,680

My stepfather was not always a very kind person in life. He did some bad things I

56

00:06:46,920 --> 00:06:50,400

Felt like this was death

57

00:06:53,200 --> 00:06:55,200

Paying him back

58

00:06:56,840 --> 00:06:58,840

I

59

00:07:03,080 --> 00:07:07,520

Got called in to come change a computer in the operating rooms

60

00:07:08,840 --> 00:07:12,840

During the day you can't really get in there. There's people being operated on

61

00:07:17,360 --> 00:07:23,480

Met up with security everything had been shut down bare minimal lighting

62

00:07:27,440 --> 00:07:31,160

Well, I'm looking at the computer and trying to figure out the problem

63

00:07:46,120 --> 00:07:48,120

Something just caught my attention

64

00:07:50,440 --> 00:07:53,880

Hello, I don't know what that was anyone there

65

00:07:57,440 --> 00:08:02,040

I'm just trying to get my job done and get it done right

66

00:08:17,960 --> 00:08:19,960

As I'm working I

67

00:08:20,760 --> 00:08:23,040

Hear the beep the beep the beep

68

00:08:23,160 --> 00:08:27,920

That sounds not coming from the computer. Where's it coming from?

69

00:08:41,600 --> 00:08:46,640

You can see the heart monitor going to do to do to do with a with a heartbeat I

70

00:08:47,520 --> 00:08:54,440

Can tell you these heart monitors they don't go off without a body attached to it

71

00:08:56,960 --> 00:09:02,080

You've got to have a flesh and blood body attached to these electrodes

72

00:09:04,880 --> 00:09:06,880

Something's wrong

73

00:09:12,000 --> 00:09:14,000

He wasn't I see you

74

00:09:16,640 --> 00:09:20,080

Just out of the clear blue he says, you know, hey, I ain't having

75

00:09:32,040 --> 00:09:36,600

And I looked around and there was nobody in the room but me and him

76

00:09:47,640 --> 00:09:49,640

That's when I realized

77

00:09:50,840 --> 00:09:58,840

Aunt Evie and Uncle Bob was his aunt and uncle that had been dead for many years

78

00:10:02,160 --> 00:10:04,160

I never even knew the people

79

00:10:08,720 --> 00:10:10,720

I knew something's wrong

80

00:10:11,720 --> 00:10:17,160

And I'm pushing buttons there's got to be a logical explanation for this

81

00:10:21,120 --> 00:10:27,280

And then it just stops I hear clanking I

82

00:10:29,920 --> 00:10:36,440

Looked up I realized you know, it was the surgical tools next to the operating table

83

00:10:40,720 --> 00:10:42,720

I

84

00:11:03,360 --> 00:11:06,400

Have never been so spooked in my life

85

00:11:10,840 --> 00:11:12,840

I

86

00:11:14,360 --> 00:11:18,160

Every shadow every light were creeping me out from that point on

87

00:11:24,400 --> 00:11:26,880

I didn't really want to be there I

88

00:11:30,360 --> 00:11:32,880

Wanted to hurry up and get my work done and go home

89

00:11:40,720 --> 00:11:42,720

I

90

00:12:04,560 --> 00:12:06,560

Looked up

91

00:12:08,440 --> 00:12:10,440

Misty mass

92

00:12:11,360 --> 00:12:13,360

What is that

93

00:12:26,320 --> 00:12:28,320

What is that?

94

00:12:31,200 --> 00:12:33,880

Second a half shot up into the ceiling

95

00:12:38,200 --> 00:12:40,200

I was laying in bed

96

00:12:40,720 --> 00:12:42,720

And a lot of pain

97

00:12:44,040 --> 00:12:46,360

And I kind of caught something out of the corner of my eye

98

00:12:50,840 --> 00:12:55,000

It was kind of a shadow dark type thing

99

00:12:57,160 --> 00:13:00,360

Kind of like you would think a ghost but not white it was it was a black

100

00:13:03,120 --> 00:13:07,040

It was going somewhere like it was looking for something

101

00:13:10,720 --> 00:13:18,200

My mom is ran ragged wore down I told my mom I'd go in

102

00:13:26,040 --> 00:13:29,120

I heard this little

103

00:13:33,760 --> 00:13:35,760

Had no idea where it was coming from

104

00:13:37,480 --> 00:13:39,480

Had no idea

105

00:13:39,760 --> 00:13:41,760

Who was doing it

106

00:13:47,120 --> 00:13:51,160

They're I can hear him kind of mumbling a little bit

107

00:13:53,400 --> 00:13:55,400

Darryl

108

00:13:59,560 --> 00:14:01,560

Are you okay Darryl

109

00:14:01,560 --> 00:14:03,560

Yeah, no

110

00:14:04,440 --> 00:14:06,640

I am not ready to go. No

111

00:14:08,080 --> 00:14:11,440

And all I can think was who is he talking to?

112

00:14:13,200 --> 00:14:16,560

He's screaming around the bed like this and stop that get away from me

113

00:14:19,680 --> 00:14:25,120

He was speaking to something or someone that was in that room with us

114

00:14:26,200 --> 00:14:28,200

Look on his face

115

00:14:28,560 --> 00:14:30,560

Something was there for him

116

00:14:32,560 --> 00:14:34,560

And he was torturing

117

00:14:43,440 --> 00:14:47,000

Just all of a sudden it was get me a bat

118

00:14:53,560 --> 00:14:59,840

The arm kept doing this as if he was hitting it something or are

119

00:15:00,840 --> 00:15:02,840

Swatting it away

120

00:15:03,840 --> 00:15:08,080

He was fighting with it he was struggling with it trying to get it away from him

121

00:15:13,040 --> 00:15:15,040

The machine couldn't keep up with him

122

00:15:19,840 --> 00:15:23,920

It was like something was physically sitting on top of his chest

123

00:15:30,680 --> 00:15:40,440

What was there in that room was in that room and it was for him and I wasn't about to have a part of it

124

00:15:43,080 --> 00:15:45,280

It was evil that's what it seemed like

125

00:15:54,080 --> 00:15:56,080

I got out of the operating room

126

00:15:56,640 --> 00:16:02,320

And I turned the corner and I'm going down the very dark and desolate hallway

127

00:16:09,520 --> 00:16:13,400

This weird feeling came over me I

128

00:16:17,120 --> 00:16:21,840

Just stopped just an eerie weird feeling

129

00:16:21,840 --> 00:16:25,200

Right behind me

130

00:16:33,840 --> 00:16:35,840

I was extremely terrified

131

00:16:43,200 --> 00:16:45,200

I turned around

132

00:16:45,200 --> 00:16:47,200

And

133

00:16:50,240 --> 00:16:57,240

That black mist that black shape is coming back up at me

134

00:17:01,640 --> 00:17:03,640

It was chasing me down the hallway

135

00:17:03,640 --> 00:17:05,640

I

136

00:17:11,640 --> 00:17:14,480

Turn in the corner my cell phone goes off

137

00:17:17,120 --> 00:17:19,120

I take my phone out

138

00:17:27,480 --> 00:17:29,480

I look up

139

00:17:29,480 --> 00:17:36,400

And the more doors open why is the door open?

140

00:17:39,760 --> 00:17:41,760

There was a body on the table

141

00:17:45,320 --> 00:17:53,200

Standing right behind was a woman she was staring at her own dead body

142

00:17:53,200 --> 00:17:55,200

I

143

00:17:58,280 --> 00:18:02,040

Knew I had just seen a ghost

144

00:18:11,720 --> 00:18:14,240

I didn't feel like sticking around

145

00:18:23,720 --> 00:18:25,720

Ran very quickly

146

00:18:28,840 --> 00:18:31,440

I can't believe what I just saw I

147

00:18:33,800 --> 00:18:37,320

Stopped at the end of the ramp. I'm winded

148

00:18:40,320 --> 00:18:44,920

That was the scariest thing I've ever ever seen

149

00:18:47,680 --> 00:18:51,040

You talk about stuff of this nature in a hospital

150

00:18:52,040 --> 00:18:55,560

The first thing they're gonna do is take you up to the mental ward

151

00:19:03,880 --> 00:19:10,440

I've been working at the hospital in the psychiatric wing for oh my god about nine years total I

152

00:19:12,280 --> 00:19:14,280

Enjoyed my job

153

00:19:14,360 --> 00:19:17,160

The patients did like me we've got a long very well together

154

00:19:18,160 --> 00:19:20,880

After a while it's kind of like they come to become family

155

00:19:24,280 --> 00:19:28,360

Time I get to work it's like about 6 35 in the morning

156

00:19:29,440 --> 00:19:34,880

One of my favorite patients at the hospital was mark. How's it going? Good down here early this morning. I

157

00:19:36,200 --> 00:19:41,000

Came down early. I was in the gold punch in he asked me for a cigarette. You got a cigarette run

158

00:19:41,560 --> 00:19:43,560

Sure. Why don't we go out to the porch?

159

00:19:47,960 --> 00:19:49,960

That came Marcus here it

160

00:19:50,520 --> 00:19:53,480

You know when I was a kid we used to fish in that stream all the time

161

00:19:55,240 --> 00:19:57,240

It's beautiful

162

00:19:58,240 --> 00:20:03,040

And I looked at my watch and I seen it was about eight to seven I got a punch in

163

00:20:07,320 --> 00:20:10,920

So I reached out I'd have my cigarette on the ground

164

00:20:14,000 --> 00:20:16,600

And that's when this thing came upon me

165

00:20:17,480 --> 00:20:19,480

I

166

00:20:19,960 --> 00:20:21,960

This thing had to be about seven feet tall

167

00:20:26,040 --> 00:20:30,920

This black mist is hitting so fast I couldn't breathe

168

00:20:33,440 --> 00:20:35,440

Damn it. I'm dying

169

00:20:35,760 --> 00:20:52,080

It was if somebody had a vice around your heart I felt myself going

170

00:20:57,240 --> 00:20:59,240

I was dying

171

00:20:59,760 --> 00:21:01,760

I

172

00:21:03,560 --> 00:21:12,760

Started to pass I was able to breathe and as it finally passed I turned to look at mark

173

00:21:16,720 --> 00:21:18,720

Mark was gone

174

00:21:19,200 --> 00:21:21,600

It was like there one minute gone the next

175

00:21:24,280 --> 00:21:28,160

The only thing that I found that was left there was the cigarette that he had

176

00:21:29,240 --> 00:21:31,240

I

177

00:21:31,920 --> 00:21:37,120

Thought maybe mark might have taken off to get somebody because that's how the person he was

178

00:21:41,280 --> 00:21:43,280

So I went in and

179

00:21:43,800 --> 00:21:46,480

Next thing you know one of the night shift came downstairs

180

00:21:47,200 --> 00:21:52,120

One of the patients, you know apparently passed away. Yeah, sure. I can help with that

181

00:21:59,560 --> 00:22:01,560

Hey run, can you assign this for me?

182

00:22:01,920 --> 00:22:07,560

Yeah, sure. The doctor asked me if I would sign the verification ID of the patient

183

00:22:08,120 --> 00:22:10,120

You can see in plainly

184

00:22:10,960 --> 00:22:14,920

Estimated time of death was 6 30 that morning. I

185

00:22:16,280 --> 00:22:22,160

Signed my name and so the doctor said me well, you have to look at the body. You have to see the body wrong

186

00:22:30,240 --> 00:22:32,240

It was mark

187

00:22:34,280 --> 00:22:36,640

It can't be I can't be

188

00:22:38,000 --> 00:22:40,320

Mark died of a massive heart attack

189

00:22:40,520 --> 00:22:45,480

He just died at 6 30 and I was outside with him

190

00:22:46,000 --> 00:22:49,080

You know at about 10 of having a cigarette

191

00:22:51,400 --> 00:22:55,320

Less than 10 minutes ago we were outside and having a cigarette on the back porch

192

00:22:55,440 --> 00:22:57,440

I

193

00:22:57,720 --> 00:23:01,600

Know I wasn't talking to myself. I know I was with him. He was physically there

194

00:23:13,320 --> 00:23:16,360

It's impossible for somebody to be two places at one time I

195

00:23:19,680 --> 00:23:23,960

Went up to the coffee shop, you know to unwind and got my thoughts

196

00:23:25,440 --> 00:23:27,440

I

197

00:23:30,280 --> 00:23:36,960

The priest was coming down and I said father do you have a minute? Of course come on

198

00:23:39,240 --> 00:23:42,320

Well, I'm gonna tell you I said you're gonna find it very hard to believe

199

00:23:43,200 --> 00:23:45,520

Tell me what's going on. That's what I wanted to know

200

00:23:45,840 --> 00:23:50,840

I just had a cigarette with him downstairs. So I told him that happened to cigarette on the porch with mark

201

00:23:51,760 --> 00:23:57,000

He said when mark died I felt part of Mark's heart attack

202

00:23:58,760 --> 00:24:00,760

You felt his pain

203

00:24:01,920 --> 00:24:09,360

He said it's a rare occurrence, but when you came in touch with that's what we call in a Catholic religion the angel of death

204

00:24:12,720 --> 00:24:17,380

Ron you you've experienced death and it was coming for mark

205

00:24:21,320 --> 00:24:22,520

I

206

00:24:22,520 --> 00:24:29,000

Believe that the person who I was talking to on the porch was mark spirit when this miss came

207

00:24:29,960 --> 00:24:32,400

It was coming for mark not for me

208

00:24:40,880 --> 00:24:44,520

After a while my stepfather Darrell he gave up

209

00:24:46,640 --> 00:24:48,640

The body started deteriorating

210

00:24:51,560 --> 00:24:55,400

Said the doctor ordered the hospice nurse to come in

211

00:24:59,120 --> 00:25:02,380

I'm a hospice nurse have been for seven years

212

00:25:03,960 --> 00:25:05,960

My job can be difficult

213

00:25:07,520 --> 00:25:12,880

Because you have to care for the patient that's passing away as well as the families and their

needs

214

00:25:15,800 --> 00:25:19,480

Priscilla hi, I'm Vicky

215

00:25:21,800 --> 00:25:27,960

Remember walking into the room the very first time and that was Darrell and he was laying on this bed and he was sick

216

00:25:31,480 --> 00:25:33,480

You can go and get some rest

217

00:25:34,040 --> 00:25:43,320

Great I did not tell Vicky anything that had been happening there because I was afraid that she would either leave or have me locked up

218

00:25:46,840 --> 00:25:49,660

The first thing she needed to do was go get some rest

219

00:25:51,240 --> 00:25:53,240

It was my time now

220

00:25:58,560 --> 00:26:01,080

It was just mr. Darrell and myself

221

00:26:05,480 --> 00:26:08,760

It looks like he was wrestling with something I

222

00:26:11,160 --> 00:26:17,120

Thought that maybe he just was one of those kind of guys that it's not gonna go down easy

223

00:26:21,480 --> 00:26:23,480

Oh

224

00:26:31,640 --> 00:26:35,080

He's gonna fight it until he can't fight anymore

225

00:26:41,400 --> 00:26:43,720

I was sitting there reading a book

226

00:26:44,680 --> 00:26:46,680

I

227

00:26:49,560 --> 00:26:53,080

Felt this chill sort of come into the room

228

00:26:59,640 --> 00:27:02,040

And he just kept getting colder

229

00:27:07,160 --> 00:27:09,640

I don't think the thermostat had been lured or anything

230

00:27:13,960 --> 00:27:16,600

But the atmosphere had changed in the room

231

00:27:31,000 --> 00:27:34,840

The hairs on the back of my neck and on my arm sort of stand up

232

00:27:39,000 --> 00:27:43,080

And you can feel like someone has walked into the room

233

00:27:44,440 --> 00:27:46,440

I

234

00:27:48,040 --> 00:27:50,600

My eye was distracted to this shadow

235

00:27:54,680 --> 00:27:58,680

I'm feeling something in the room that I can't see

236

00:28:02,840 --> 00:28:04,840

But I can feel it

237

00:28:07,080 --> 00:28:09,080

I'm in a room

238

00:28:10,200 --> 00:28:12,200

With my dying patient alone

239

00:28:14,360 --> 00:28:18,040

And something has entered into the room

240

00:28:21,480 --> 00:28:23,720

I pulled my chair over to the side of his bed

241

00:28:27,720 --> 00:28:29,720

I take his hand

242

00:28:30,840 --> 00:28:34,360

And I pray for him I pray for his family

243

00:28:34,600 --> 00:28:45,080

He was wrestling with something

244

00:28:48,920 --> 00:28:51,320

I'm trying to get something off of him

245

00:29:01,240 --> 00:29:03,240

I'm thinking that he's in pain

246

00:29:04,520 --> 00:29:09,080

So I gave him another dose of pain medicine

247

00:29:10,120 --> 00:29:14,520

Which was almost like twice of what you would normally give somebody

248

00:29:20,760 --> 00:29:27,160

Instead of him calming down he got more of this moving of the head and the hands

249

00:29:29,000 --> 00:29:32,680

This was unlike anything that I had experienced before

250

00:29:34,760 --> 00:29:36,760

I can't believe it

251

00:29:37,720 --> 00:29:39,720

The Lord has shepherded this shadow

252

00:29:39,720 --> 00:29:41,720

I got out my bible

253

00:29:44,360 --> 00:29:48,760

And I felt like that was something that could help me and Darryl at that time

254

00:29:49,400 --> 00:29:51,400

He makes me laugh

255

00:29:55,400 --> 00:29:59,240

I can't say whether it was a demon or a ghost

256

00:29:59,800 --> 00:30:03,800

Even though I walked through the bow and the shadow

257

00:30:04,600 --> 00:30:07,400

But I do know that it was something there

258

00:30:11,640 --> 00:30:13,640

That I could not see

259

00:30:17,160 --> 00:30:19,160

And it was there for him

260

00:30:29,240 --> 00:30:31,240

I

261

00:30:36,120 --> 00:30:38,120

Vicki

262

00:30:44,840 --> 00:30:49,000

Are you okay? I knew that we needed to have a chat

263

00:30:51,960 --> 00:30:53,960

We need to talk

264

00:30:54,200 --> 00:31:00,040

She is a hospice nurse she deals with death every day

265

00:31:01,640 --> 00:31:04,520

But she did make the remark to me that

266

00:31:05,400 --> 00:31:11,400

The torment that he was enduring by something in that room was like nothing she had seen

267

00:31:14,360 --> 00:31:17,640

Priscilla was relieved to have someone else to say

268

00:31:18,440 --> 00:31:22,440

Yes, I saw it. Yes. I felt it. Yes. I know it's there

269

00:31:24,280 --> 00:31:26,280

I

270

00:31:29,320 --> 00:31:34,520

Was still in intensive care and and still in a considerable amount of discomfort

271

00:31:36,920 --> 00:31:43,000

It was nighttime I had had my mask on and and had the IVs

272

00:31:47,960 --> 00:31:49,960

And all of a sudden

273

00:31:50,920 --> 00:31:53,640

I saw a shadow

274

00:31:55,960 --> 00:31:58,200

And it had form and it was a physical

275

00:32:01,240 --> 00:32:05,960

It was actually walking into my room I felt like I couldn't breathe

276

00:32:08,920 --> 00:32:11,560

I was pushing everything I had to call anybody

277

00:32:13,640 --> 00:32:16,760

The only thing that came through the door was the dark black figure

278

00:32:19,960 --> 00:32:24,280

The only thing that was running through my mind is it's gonna take me

279

00:32:26,440 --> 00:32:29,880

I was getting closer and closer and I was starting to kind of get fuzzy

280

00:32:33,000 --> 00:32:35,000

I kind of caught out of the corner of my eye

281

00:32:37,240 --> 00:32:39,240

A figure

282

00:32:41,000 --> 00:32:43,000

There was a little girl

283

00:32:45,320 --> 00:32:47,320

I didn't know why she was there

284

00:32:50,840 --> 00:32:53,320

I was gasping for breath

285

00:32:56,040 --> 00:32:58,040

I was scared scared to death

286

00:32:58,040 --> 00:33:00,040

Yeah

287

00:33:17,560 --> 00:33:19,960

I was gasping for air trying to catch my breath

288

00:33:22,040 --> 00:33:24,040

I looked at the little girl

289

00:33:25,480 --> 00:33:27,480

I wasn't scared

290

00:33:28,600 --> 00:33:32,760

The figure left the thing was gone

291

00:33:38,600 --> 00:33:40,600

I hit myself in the chest

292

00:33:46,920 --> 00:33:51,240

And out of my mouth came a big blood clot

293

00:33:51,240 --> 00:33:53,240

I was like, what?

294

00:33:57,240 --> 00:34:02,440

Probably as close as I'll ever come to passing away

295

00:34:13,320 --> 00:34:17,880

I don't know if she was there to watch over me or to make sure that I was calm

296

00:34:18,280 --> 00:34:25,880

She just looked at me and smiled and she said now do you understand?

297

00:34:29,080 --> 00:34:31,080

And I said understand what

298

00:34:33,800 --> 00:34:35,800

She was gone

299

00:34:35,800 --> 00:34:54,360

As a EMT I know the difference between hallucinations and real and this was real

300

00:35:06,040 --> 00:35:08,040

I

301

00:35:09,880 --> 00:35:15,640

Do believe something was there and it was there for him

302

00:35:18,360 --> 00:35:20,920

And it had to take him the way it did

303

00:35:23,880 --> 00:35:25,880

Hmm, thank you

304

00:35:26,360 --> 00:35:35,720

And all of a sudden I seen that little girl again

305

00:35:39,560 --> 00:35:41,720

Back in my room standing next to my bed

306

00:35:44,280 --> 00:35:46,280

Are you lost?

307

00:35:47,720 --> 00:35:49,720

What are you doing here?

308

00:35:51,080 --> 00:35:55,800

When I walked into the room that morning, I thought he was talking to himself. Is everything okay?

309

00:35:56,840 --> 00:35:58,840

Are you talking to honey?

310

00:35:59,240 --> 00:36:01,240

I'm talking to the little girl

311

00:36:01,800 --> 00:36:03,800

Um, what little girl?

312

00:36:04,120 --> 00:36:06,120

No little girl in here

313

00:36:06,200 --> 00:36:08,600

I looked over at the chair and she was no longer there

314

00:36:09,400 --> 00:36:13,560

There's a little girl in here. Do you see a little girl?

315

00:36:16,760 --> 00:36:20,040

As far as I could see the only thing on that chair was my purse

316

00:36:20,680 --> 00:36:22,680

Maybe check out in the hallway

317

00:36:23,000 --> 00:36:24,520

What?

318

00:36:24,520 --> 00:36:26,520

You know she's gotta be out here somewhere

319

00:36:27,800 --> 00:36:29,800

Okay

320

00:36:34,440 --> 00:36:40,920

No, no, there's no little girl. She disappeared. I didn't see her walk out of the room. So she evidently just vanished

321

00:36:43,320 --> 00:36:50,120

He was not doped up. He was not slurring his words. He was very lucid. Let's worry about you. How are you?

322

00:36:50,600 --> 00:36:52,600

A lot better. Yeah a lot better

323

00:36:53,560 --> 00:36:59,080

We talked a little bit about the little girl. I didn't know why she was there, but she was there for a reason

324

00:37:08,200 --> 00:37:11,560

The next morning when I walked in and I saw the look on his face

325

00:37:14,120 --> 00:37:17,320

The eyes were wide and he was to the left

326

00:37:18,520 --> 00:37:22,440

He was to the left where the door was and he had never looked at that door

327

00:37:23,160 --> 00:37:25,160

I

328

00:37:27,000 --> 00:37:32,280

Started to wonder if something come through the door to tell him it was time

329

00:37:39,240 --> 00:37:41,240

I grazed his face

330

00:37:42,440 --> 00:37:44,440

And he was ice cold

331

00:37:45,320 --> 00:37:47,320

That's when I realized he was dead

332

00:37:49,320 --> 00:37:51,960

Deaths showed up something showed up

333

00:37:53,480 --> 00:37:55,480

All of a sudden was like it's time

334

00:38:05,240 --> 00:38:13,320

The torture and the pain and every emotion that you could possibly feel was over

335

00:38:16,360 --> 00:38:19,240

The weight was lifted you could exhale

336

00:38:19,480 --> 00:38:21,480

For the first time you could exhale

337

00:38:24,280 --> 00:38:27,320

I've been doing hospice for seven years

338

00:38:27,960 --> 00:38:31,240

And I believe that someone comes to get you

339

00:38:31,800 --> 00:38:35,000

Something comes to get you when you pass away

340

00:38:37,160 --> 00:38:42,120

I'm not afraid of it like I was that day when I was with Darryl

341

00:38:49,400 --> 00:38:51,400

I

342

00:38:51,720 --> 00:38:57,560

A lot of times I walk away from a death and I go get in my car and I cry like a baby

343

00:39:01,880 --> 00:39:03,880

Because I can't take it with me

344

00:39:06,520 --> 00:39:12,200

Hey there, thanks for everything eventually my kidneys actually started again

345

00:39:14,520 --> 00:39:17,560

And I was able to to go home

346

00:39:19,320 --> 00:39:23,720

I was more than glad to have my husband back

347

00:39:28,920 --> 00:39:35,000

I was glad to be anywhere other than the hospital and we talked about everything that had happened

348

00:39:38,680 --> 00:39:40,680

Jeannie

349

00:39:41,240 --> 00:39:43,240

It's the girl

350

00:39:45,240 --> 00:39:47,240

She needs to go

351

00:39:47,800 --> 00:39:54,120

It was at that moment I understood that's when I realized who she was

352

00:40:03,240 --> 00:40:05,240

Jeannie it's the girl

353

00:40:08,440 --> 00:40:10,040

It was at that moment

354

00:40:10,040 --> 00:40:14,120

I realized that this was a girl that I'd taken care of five years before

355

00:40:14,760 --> 00:40:16,760

On a 911 call that I had answered

356

00:40:19,480 --> 00:40:22,360

She was unconscious not breathing

357

00:40:25,800 --> 00:40:29,480

I did everything I could to save her

358

00:40:32,360 --> 00:40:34,360

She had passed away

359

00:40:34,680 --> 00:40:38,360

That was her really that was her in the room

360

00:40:39,880 --> 00:40:45,320

The girl in the hospital room was the same girl that I had taken care of four years before

361

00:40:46,920 --> 00:40:48,920

That little girl that I seen

362

00:40:50,920 --> 00:40:53,880

Was somebody that was there to

363

00:40:56,680 --> 00:40:58,840

Make everything better for me

364

00:40:58,840 --> 00:41:00,840

I

365

00:41:03,640 --> 00:41:05,640

Kind of like a guardian angel

366

00:41:10,840 --> 00:41:15,080

Every nurse has a story that is unexplainable

367

00:41:16,200 --> 00:41:19,480

Something that they've witnessed something that they've seen something that they felt

368

00:41:23,640 --> 00:41:28,440

I know that I saw the angel of death in front of me

369

00:41:28,840 --> 00:41:30,840

I

370

00:41:31,160 --> 00:41:35,640

Now I'll swear on a stack of bibles. I'll take a lie detector. I know it. I know it exists

371

00:41:38,040 --> 00:41:40,040

It's out there

372

00:41:42,200 --> 00:41:46,360

We keep this stuff to ourselves because we're risking a lot

373

00:41:48,280 --> 00:41:54,200

People aren't going to pick a hospital where there you know people are talking about seeing all kinds of weird things happening

374

00:41:59,800 --> 00:42:05,560

Eventually everybody will see that black figure. I know it's gonna happen

375

00:42:06,920 --> 00:42:08,920

But it doesn't scare me like it used to

376

00:42:10,920 --> 00:42:13,880

Hopefully somebody will be there again to help me through
