

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:08,360 --> 00:00:10,360

Don't know what we saw that night

3

00:00:11,720 --> 00:00:15,480

But whatever it was in front of me was real

4

00:00:20,120 --> 00:00:23,480

We are literally hostages in this house I

5

00:00:23,480 --> 00:00:31,600

Don't have my gun, but what are we gonna do? I'm thinking I can't protect my family

6

00:00:37,080 --> 00:00:39,080

Take this I

7

00:00:43,040 --> 00:00:45,040

Was petrified

8

00:00:54,360 --> 00:01:00,520

Werewolf a mythological or folkloric human with the ability to morph into a wolf-like creature

9

00:01:00,520 --> 00:01:06,560

The reports of its appearance are remarkably consistent body of a bear, but the head was a wolf head

10

00:01:07,760 --> 00:01:12,760

With a large muzzle I was carried out of my mind was not something I've ever seen before

11

00:01:24,400 --> 00:01:31,680

When we moved to Palmyra, it was a very difficult time in our life Eric had gotten

12

00:01:31,840 --> 00:01:35,320

Injured at the job that he'd worked at you need your pillow, honey

13

00:01:35,320 --> 00:01:38,800

I worked for a local paper mill for over 20 years

14

00:01:38,800 --> 00:01:44,800

I was working on a piece of machinery and I ended up blowing some discs in my back and

15

00:01:45,680 --> 00:01:51,980

From that I was unable to do work anymore. Chelsea could Eric is pillow stop and Shelley. Okay?

16

00:01:54,480 --> 00:01:59,480

Palmyra was definitely not my first choice of a town to be it

17

00:01:59,480 --> 00:02:04,480

But I had taken a new job so I could be closer to home to take care of him and

18

00:02:05,560 --> 00:02:09,240

It was it was a life change for us

19

00:02:09,240 --> 00:02:11,240

I

20

00:02:18,720 --> 00:02:24,080

Found the farm in a local paper and it talked about the fields and all the property

21

00:02:25,280 --> 00:02:30,120

The farm was beautiful. It was older, but there was plenty of room

22

00:02:31,360 --> 00:02:36,240

It definitely felt secluded it was surrounded by woods entirely

23

00:02:36,320 --> 00:02:42,960

The woods were very very dense so what do you think?

24

00:02:45,080 --> 00:02:53,360

Chelsea was living with us my daughter. She was 17 at the time school was just finishing and we had about two weeks left and

25

00:02:54,120 --> 00:03:00,960

We still had all the exams going on so you know having to move all of my things was just was difficult

26

00:03:01,400 --> 00:03:08,080

Hey mister Eric comes from a long line of hunters and

27

00:03:08,720 --> 00:03:14,440

The guns have always been a bone of contention between us. Where do you think you're going with those?

28

00:03:18,840 --> 00:03:25,880

My family is always hunted and I've hunted pretty much everything that they allow us to hunt the state of Maine

29

00:03:27,960 --> 00:03:29,960

And I love it

30

00:03:31,320 --> 00:03:35,360

Eric has a fairly extensive collection of guns. I

31

00:03:37,120 --> 00:03:41,440

Don't like them in the house. I was just afraid with having children in the house

32

00:03:41,440 --> 00:03:45,920

And I didn't want them there. Shelly decided that the guns could be out in the barn

33

00:03:48,480 --> 00:03:54,120

My son Shawn came over and we decided to build a strong box

34

00:03:55,280 --> 00:03:59,720

It was just made out of wood. It was more like a like kind of like a bootbox with a lock on it

35

00:03:59,720 --> 00:04:01,720

You know kind of crude

36

00:04:01,800 --> 00:04:07,680

It ended up being a lot heavier than we then we imagined, you know having to lift it up and dad was disabled

37

00:04:07,680 --> 00:04:09,680

So I was worried about him dad. I

38

00:04:10,640 --> 00:04:12,640

Got this

39

00:04:17,000 --> 00:04:21,120

So Shawn put the box up into the loft area

40

00:04:24,440 --> 00:04:28,800

We didn't want anybody stumbling on to it and being able to get in and take my guns

41

00:04:29,720 --> 00:04:31,720

I

42

00:04:46,280 --> 00:04:50,040

My wife shell and I would sit on the porch each night and have coffee

43

00:04:50,320 --> 00:04:55,120

It became a ritual every every evening would try to do that if it wasn't too cold out

44

00:04:55,920 --> 00:05:00,240

It was really important to keep our sanity and keep things together at that point

45

00:05:10,880 --> 00:05:12,880

What is that

46

00:05:15,920 --> 00:05:20,800

One of the nights that we were sitting out there we noticed something I have no idea

47

00:05:26,040 --> 00:05:36,320

We saw some strange lights down in the trees

48

00:05:40,080 --> 00:05:44,840

And it wasn't a flash of a light it was like a pulsating light

49

00:05:44,840 --> 00:05:49,760

It would get really strong and it would come on and then it would go off

50

00:05:50,720 --> 00:05:52,720

And then it would go back on again

51

00:05:53,400 --> 00:05:59,760

Is that we had never seen this type of light before it seemed to change

52

00:06:01,720 --> 00:06:06,680

My son Shawn came over to the house look and he could see the lights

53

00:06:07,400 --> 00:06:12,000

That first I think it was just a flashlight size way off in the distant in the corner of the field

54

00:06:13,280 --> 00:06:17,880

But it seemed like the more we noticed that the more it started changing and moving around

55

00:06:19,280 --> 00:06:21,280

Poacher maybe

56

00:06:21,920 --> 00:06:23,920

Well

57

00:06:28,120 --> 00:06:30,120

Only one way to find out

58

00:06:37,520 --> 00:06:46,720

This wasn't an airplane the helicopter this wasn't from a vehicle behind there because it was all dense woods I

59

00:06:47,720 --> 00:06:51,880

Absolutely a hundred percent felt it was unnatural

60

00:06:57,200 --> 00:07:01,680

As we approached the woods you couldn't see the light anymore

61

00:07:03,440 --> 00:07:08,800

Which was very odd, but we definitely needed to get out and find out what it was

62

00:07:08,800 --> 00:07:10,800

The

63

00:07:16,320 --> 00:07:25,040

Woods out back have a lot of shadows and the limbs hang way down so it's pretty creepy

64

00:07:25,040 --> 00:07:43,600

Once in a while we'd stop on a branch and we both just freeze and you could hear that just echo

65

00:07:47,040 --> 00:07:49,540

And then nothing moved or nothing ran

66

00:07:55,440 --> 00:08:00,240

Are you serious dad decided that we should split up so that if there was a poacher there

67

00:08:00,240 --> 00:08:03,480

I could sneak up on him so we could surprise him trust me

68

00:08:12,600 --> 00:08:14,600

Now I was on my own

69

00:08:17,160 --> 00:08:20,680

And I remember I remember that feeling

70

00:08:25,760 --> 00:08:29,120

I could feel things I could smell I could think and

71

00:08:30,560 --> 00:08:33,320

the feeling that came over me was

72

00:08:34,640 --> 00:08:38,400

Something beyond any fear that I've had hunting before

73

00:08:43,040 --> 00:08:45,040

He was weird

74

00:08:55,040 --> 00:09:03,480

Something was out there

75

00:09:03,480 --> 00:09:25,320

Something was to the left of me

76

00:09:25,320 --> 00:09:35,120

But then it disappeared and there was nothing nothing anywhere

77

00:09:45,640 --> 00:09:48,640

Everything was still and you could have heard a pin drop

78

00:09:48,640 --> 00:09:57,760

We heard absolutely nothing once we had you know decided there wasn't a threat we turned the lights back on and looked for tracks

79

00:10:00,000 --> 00:10:05,600

We couldn't find any signs of anybody being in there there were no tracks there were no

80

00:10:06,320 --> 00:10:08,820

Any indication anybody had been in there?

81

00:10:10,320 --> 00:10:12,320

I thought maybe I was mad

82

00:10:19,040 --> 00:10:24,520

Hey, hey

83

00:10:29,320 --> 00:10:34,480

Chelsea's boyfriend Nathan would often come spend weekends with us. I was dating Chelsea at the time

84

00:10:34,480 --> 00:10:37,080

We'd been together for about six months. I

85

00:10:38,160 --> 00:10:43,280

Signed up for the army. We're going I was just trying to spend as much time with her as possible

86

00:10:44,240 --> 00:10:46,240

Come on guys

87

00:10:46,600 --> 00:10:51,480

We decided to go for a walk just to see if the woods had anything to offer

88

00:10:59,160 --> 00:11:03,400

We had just come out of winter and main winners are usually very bleak and gray

89

00:11:03,520 --> 00:11:07,040

So we were enjoying the sunlight. It was just gorgeous outside

90

00:11:08,040 --> 00:11:13,120

The woods were great we could take the dogs out and we just kind of let them loose. Hey, go boy

91

00:11:15,560 --> 00:11:17,560

Of course they went straight for the trees

92

00:11:20,880 --> 00:11:27,080

Jasper dogs were we're running out ahead of us. It seemed like they caught the scent of something

93

00:11:37,600 --> 00:11:42,680

The dogs stopped and that's when we came up on something strange

94

00:11:48,000 --> 00:11:53,160

We got a little bit closer and that's that's where we found a hole

95

00:11:58,400 --> 00:12:01,080

We kept the dogs away we didn't want the dogs to fall in

96

00:12:02,080 --> 00:12:06,400

Hey, Jasper, can we break? Nathan don't please

97

00:12:09,640 --> 00:12:15,760

It was just odd how round this hole was it seemed as though it had been dug with care

98

00:12:17,560 --> 00:12:22,240

It looked like it had been done by hand either by a human or an animal Nate, let's go. I

99

00:12:23,200 --> 00:12:25,200

Felt like it was time to go

100

00:12:25,520 --> 00:12:27,520

Now I just had a bad feeling

101

00:12:27,720 --> 00:12:29,720

Oh

102

00:12:30,040 --> 00:12:32,040

Please ladies, let's go

103

00:12:39,840 --> 00:12:41,840

Nate

104

00:12:46,200 --> 00:12:51,880

Nate please let's go. Yeah, okay. Come on guys. Let's go

105

00:12:57,960 --> 00:13:09,200

It was Memorial holiday weekend stuffy in here any

106

00:13:13,720 --> 00:13:18,940

Chelsea had gone upstairs and gone to bed. She'd had a very long day. Okay, leave tight

107

00:13:20,360 --> 00:13:22,360

Nate mom

108

00:13:22,920 --> 00:13:30,800

It was fairly cold outside not very foggy, but it was misty

109

00:13:35,000 --> 00:13:37,680

This particular night it was really quiet

110

00:13:39,200 --> 00:13:42,360

You couldn't hear a lot of the animals that you'd normally hear

111

00:13:43,080 --> 00:13:45,080

No deer tonight

112

00:13:45,080 --> 00:13:50,600

Really? No sheep no horses no cows. There wasn't anything like that

113

00:13:52,360 --> 00:13:57,920

And so I actually got up I grabbed my flashlight and I started looking in the field

114

00:14:00,920 --> 00:14:02,920

It was very quiet out there

115

00:14:06,360 --> 00:14:08,360

Unusually quiet

116

00:14:17,200 --> 00:14:20,760

Bob called earlier. I told him you'd give him a call tomorrow

117

00:14:21,520 --> 00:14:26,240

After Shelley had put the light down I got this feeling

118

00:14:33,360 --> 00:14:41,480

I didn't know what it was you could call it a hunter's instinct. I knew that there was danger

119

00:14:51,760 --> 00:14:53,560

I

120

00:14:53,560 --> 00:14:55,560

Felt it and I felt it strong

121

00:14:58,520 --> 00:15:04,320

He grabbed me by my shirt he just kept saying we need to go in the house now and I said why

122

00:15:06,280 --> 00:15:08,280

Don't just grab me like that

123

00:15:09,280 --> 00:15:16,000

What's the matter I could tell that he had some fear and he had no reason he had nothing to show me why I

124

00:15:16,120 --> 00:15:20,880

Just knew that I had to get Shelley in the house get her to safety. What's gotten to you?

125

00:15:26,560 --> 00:15:29,360

In all the sudden I could hear wrestling

126

00:15:32,440 --> 00:15:34,440

There

127

00:15:42,080 --> 00:15:45,480

There was three sets of eyes looking back at us

128

00:15:47,000 --> 00:15:49,000

Florescent almost

129

00:15:52,320 --> 00:15:57,400

There was another one I said Shelley look over there shine the light

130

00:15:59,520 --> 00:16:03,580

And there was another one that made five

131

00:16:06,360 --> 00:16:10,640

It appeared that they were mad and wanted to come at us

132

00:16:16,000 --> 00:16:18,000

Go

133

00:16:33,720 --> 00:16:41,320

What are those things what the hell are they I don't know the first thing she does is put the light against the screen

134

00:16:41,440 --> 00:16:49,520

So I had to take a hold of her again and get her to move back away, but I wanted to look at that

135

00:16:50,040 --> 00:16:52,040

Shelley don't I

136

00:16:52,160 --> 00:16:55,480

Wanted this to make sense. I wanted to know what I was looking at

137

00:16:55,840 --> 00:17:02,520

It was surreal. It was like you were having a dream a nightmare. I need my guns. Oh, don't start Eric

138

00:17:02,520 --> 00:17:05,440

That's why people keep guns in the house. I

139

00:17:06,920 --> 00:17:09,280

Had never seen anything that looked like this

140

00:17:09,520 --> 00:17:14,580

It was clearly not a bear, but it was huge and dangerous looking

141

00:17:16,800 --> 00:17:18,800

What are we gonna do I'm thinking

142

00:17:20,160 --> 00:17:23,240

He felt very helpless because he didn't have a weapon I

143

00:17:25,360 --> 00:17:31,620

Didn't know that we were safe in the house. I know if I had those guns we'd be safer. I knew that

144

00:17:32,400 --> 00:17:34,400

I didn't go check on Chelsea

145

00:17:35,200 --> 00:17:37,200

I

146

00:17:38,960 --> 00:17:42,760

Gonna get my guns forget about it don't go outside

147

00:17:45,360 --> 00:17:50,120

Please Eric we didn't know what they were we didn't know what they were capable of

148

00:17:51,160 --> 00:17:53,360

Why would either one of us go back outside?

149

00:17:57,000 --> 00:18:00,400

So I I said okay and she went up

150

00:18:04,400 --> 00:18:06,400

I

151

00:18:07,920 --> 00:18:09,920

My daughter was upstairs sleeping

152

00:18:14,720 --> 00:18:18,760

I need to make sure she was safe and that we could see what was going on outside

153

00:18:26,240 --> 00:18:32,400

I shook her and shook her and shook her and course she was irritable and what what what my mom was like get up

154

00:18:32,400 --> 00:18:36,840

You have to see this come on you have to see what these things are she almost looked troubled

155

00:18:36,840 --> 00:18:40,240

She was anxious. She's very anxious to show me something out of the window

156

00:18:51,280 --> 00:18:54,880

You see them cool I

157

00:18:57,400 --> 00:19:00,700

Mean of course I was interested I was I was still

158

00:19:01,260 --> 00:19:05,780

Sleeping, you know, I mean I still have to sleep so I didn't really make too much of it

159

00:19:06,780 --> 00:19:08,780

Don't you think you want to stay up?

160

00:19:09,340 --> 00:19:11,760

And I'm like let me know what happens in the morning

161

00:19:13,100 --> 00:19:15,620

And she laid back down in her bed

162

00:19:17,340 --> 00:19:23,140

I'm not sure it really registered properly what what she was looking at

163

00:19:31,020 --> 00:19:33,660

They were all still there all five of them

164

00:19:35,580 --> 00:19:37,580

They were in a crouched position

165

00:19:43,420 --> 00:19:51,100

That one of them stood right up on their hind feet and looked right up at me they were massive I

166

00:19:52,100 --> 00:19:54,500

Was shocked it was beyond

167

00:19:56,540 --> 00:20:00,100

It was almost too much for your brain to process

168

00:20:01,060 --> 00:20:03,320

It was it was astonishing I

169

00:20:07,460 --> 00:20:12,500

Was downstairs on my own I had a bunch of things going on in my head

170

00:20:13,780 --> 00:20:21,780

Here we are in a dangerous situation and I can't do what I'm supposed to do and that's protect my family I

171

00:20:21,900 --> 00:20:31,540

Looked out the window and I could see that they were off a little bit in the distance and I thought could we leave

172

00:20:34,340 --> 00:20:42,260

If I could get in the vehicle perhaps I could get it backed up to the house and I could get Shelly and Chelsea out of Homsway

173

00:20:42,860 --> 00:20:52,860

So I had to make a decision I

174

00:21:03,500 --> 00:21:08,860

Went around and tried to shut all the windows did I worry if they were in the house?

175

00:21:09,260 --> 00:21:11,260

Absolutely

176

00:21:16,260 --> 00:21:23,820

Jasper Briggs it started to dawn on me that I hadn't heard the dogs bark. I hadn't seen the dogs

177

00:21:25,220 --> 00:21:27,220

Something was going on

178

00:21:39,220 --> 00:21:45,780

I got outside onto the porch and from what I could see some of them they were down over the hill

179

00:21:46,780 --> 00:21:52,620

And now I had 25 30 feet to be able to get in the car to back it up to the house

180

00:22:03,820 --> 00:22:05,300

I

181

00:22:05,340 --> 00:22:08,140

Wasn't able to go very fast because of my injury

182

00:22:10,020 --> 00:22:13,540

And I was scared really scared

183

00:22:17,300 --> 00:22:21,700

That 20 feet was gonna be the longest 20 feet that I ever walked

184

00:22:35,700 --> 00:22:37,700

Rakes I

185

00:22:40,500 --> 00:22:46,500

Started going from room to room calling both dogs names very strange for them not to come

186

00:23:05,300 --> 00:23:07,300

I

187

00:23:11,060 --> 00:23:15,060

Felt the vibration I heard the scurrying I

188

00:23:17,860 --> 00:23:19,860

Didn't know what the source was

189

00:23:35,300 --> 00:23:37,300

I

190

00:24:06,260 --> 00:24:11,300

These hunting dogs they were hiding they knew something was not right and they were scared

191

00:24:13,140 --> 00:24:15,420

So that was a big concern for me too I

192

00:24:22,980 --> 00:24:24,980

Kept my eye right on them all the time

193

00:24:27,620 --> 00:24:30,380

Even though I I was hurting pretty bad

194

00:24:35,300 --> 00:24:37,300

I

195

00:24:42,020 --> 00:24:47,980

Finally get on the other side of of the vehicles and I was fumbling trying to get into the door

196

00:24:57,580 --> 00:24:59,580

Everything lit up

197

00:25:05,300 --> 00:25:12,260

I felt very exposed

198

00:25:35,620 --> 00:25:42,620

I felt very exposed it scared the out of me and I and I felt very vulnerable

199

00:25:42,620 --> 00:26:04,700

All of a sudden there's one

200

00:26:04,700 --> 00:26:06,700

Rated

201

00:26:09,980 --> 00:26:17,100

And I looked at him he looked at me I thought for sure he was gonna come out

202

00:26:29,100 --> 00:26:31,100

Then he bolted

203

00:26:32,060 --> 00:26:36,940

I knew using the vehicle wasn't gonna be an option

204

00:26:47,660 --> 00:26:52,300

Eric I had absolutely no idea that Eric had gone outside

205

00:26:53,260 --> 00:27:02,140

Did not feel safe had absolutely no idea where he was in the house

206

00:27:06,540 --> 00:27:08,540

Eric

207

00:27:08,540 --> 00:27:10,540

You

208

00:27:19,020 --> 00:27:25,100

Went outside I remember telling them how stupid it was what were you thinking?

209

00:27:25,500 --> 00:27:28,860

I thought I could get to the truck and I said that isn't even the point

210

00:27:29,260 --> 00:27:35,180

The point is you shouldn't have opened up the door in the first place and we're in here and if something happens to you

211

00:27:35,180 --> 00:27:37,740

What would I do then and Chelsea we're screwed

212

00:27:39,500 --> 00:27:41,500

I'm sorry

213

00:27:44,460 --> 00:27:46,460

We talked about what we were gonna do next

214

00:27:47,180 --> 00:27:53,580

We you know we have to do something these things are dangerous. Let's call 911 and let someone else drive in

215

00:27:57,980 --> 00:28:01,740

Police it would have even sounded unreal to me

216

00:28:02,620 --> 00:28:04,620

Hello, yes

217

00:28:04,940 --> 00:28:10,940

There are some things trying to get into our house. I had a feeling that the police officer wouldn't take us serious

218

00:28:10,940 --> 00:28:14,220

No, they're not bears. He asked me if it was a moose. No

219

00:28:15,260 --> 00:28:20,060

He asked me if it was a dog. No, there's something else. I don't know what they are

220

00:28:20,300 --> 00:28:25,820

They're really really big. They're like seven to eight feet tall. No, you're not listening to me

221

00:28:26,860 --> 00:28:31,260

Well, what would you like us to do and he said make sure your windows are closed

222

00:28:31,980 --> 00:28:36,460

In lock your doors. These creatures can come through my wall if they want to get in

223

00:28:38,780 --> 00:28:42,140

No, you're not listening to me the police officer

224

00:28:42,460 --> 00:28:47,180

He was thinking that we were mistaken and that they were uh a harmless animal

225

00:28:47,340 --> 00:28:51,660

Please you've got to send someone out. Look he he couldn't have been more wrong

226

00:28:54,780 --> 00:28:56,780

Hello

227

00:28:57,100 --> 00:28:59,100

Hello

228

00:29:01,820 --> 00:29:10,220

The minute the phone call was disconnected I knew I knew that nobody was gonna come help us

229

00:29:10,380 --> 00:29:13,180

We were on our own now any plans that we made

230

00:29:13,900 --> 00:29:16,540

To protect ourselves was gonna be our ideas

231

00:29:19,340 --> 00:29:26,780

I could feel it and Eric knew it too. We are literally hostages in this house. We cannot leave this property

232

00:29:27,660 --> 00:29:31,180

I knew at this point that Eric was scared

233

00:29:32,540 --> 00:29:36,060

And if he was scared there was a good reason to be worried

234

00:29:41,260 --> 00:29:45,740

Shelly had gone back upstairs and I was downstairs by myself

235

00:29:51,980 --> 00:29:55,100

The the whole situation just really frustrated me

236

00:29:55,100 --> 00:29:58,460

It just seemed to be a nightmare that didn't end

237

00:30:00,780 --> 00:30:05,580

Here we are in a situation where we don't even have anything to protect ourselves

238

00:30:05,820 --> 00:30:10,460

And and I and I was extremely frustrated and I was upset

239

00:30:14,060 --> 00:30:16,060

But then I uh

240

00:30:16,780 --> 00:30:21,980

Then I realized these things stay away from the light

241

00:30:22,940 --> 00:30:27,500

I don't know if they can't be in it. I don't know if it hurts their eyes. I don't know what the reason is

242

00:30:27,980 --> 00:30:32,380

But all of a sudden we've got something that we can use if we need to

243

00:30:34,300 --> 00:30:36,300

Maybe we can keep these things away from us

244

00:30:36,620 --> 00:30:44,220

So I made a decision that even though I I was hurting pretty bad I was gonna at least attempt to get out to that bond

245

00:30:45,740 --> 00:30:47,740

And see if I could get one of the guns

246

00:30:53,740 --> 00:30:55,740

I

247

00:30:57,740 --> 00:30:59,740

I

248

00:31:01,740 --> 00:31:03,740

I

249

00:31:06,620 --> 00:31:08,620

I

250

00:31:12,300 --> 00:31:18,780

Felt it'd be best to keep this from Shelly because I think that it would have been more stressful to her to know

251

00:31:19,420 --> 00:31:21,420

And I didn't want that

252

00:31:28,140 --> 00:31:32,940

I knew that as soon as I got out there I would have to trip that garage light

253

00:31:37,180 --> 00:31:46,700

I was walking very slowly. I was in a lot of pain at that time and and I just wanted the light to come on

254

00:32:00,460 --> 00:32:02,460

All the eyes were looking at me

255

00:32:03,020 --> 00:32:05,020

I

256

00:32:05,500 --> 00:32:07,500

Had of them were going off to my left

257

00:32:11,260 --> 00:32:13,260

Out of them were going off to my right

258

00:32:16,700 --> 00:32:19,100

And they looked like they were gonna pounce

259

00:32:33,420 --> 00:32:35,420

I

260

00:32:39,980 --> 00:32:48,780

Realized that this is a hunting mode. This is a way they would take down an animal and and I realized I was that animal

261

00:32:50,700 --> 00:32:54,220

I knew at that point I better get out of there and I better get out of there now

262

00:32:55,260 --> 00:33:01,260

But there was a danger that when I moved out of the sense of that light would go out and I'd lose my protection

263

00:33:01,660 --> 00:33:07,020

So the amount of time I had to get to the porch was very very short

264

00:33:23,020 --> 00:33:25,180

All of a sudden I heard them coming

265

00:33:25,580 --> 00:33:27,580

I

266

00:33:30,460 --> 00:33:33,580

I'm thinking to myself and I'm not daring to speak I'm thinking

267

00:33:35,260 --> 00:33:37,740

Oh my gosh, they're right outside our house

268

00:33:41,660 --> 00:33:45,980

It wasn't that I thought that these creatures could turn doorknobs so much as just

269

00:33:46,380 --> 00:33:50,220

Bash through a door just push right through it kick it. However, they wanted to get in

270

00:33:50,860 --> 00:33:52,540

Eric

271

00:33:52,540 --> 00:33:54,540

They would get into the house

272

00:33:55,180 --> 00:33:57,180

See you

273

00:34:14,700 --> 00:34:17,980

His face had a mixture of fear

274

00:34:20,140 --> 00:34:22,140

And um the anxiety

275

00:34:22,860 --> 00:34:27,980

The hair was up on the back of his neck and he was trying to keep it together

276

00:34:30,620 --> 00:34:37,580

But what do you do what does anyone do I I don't think anyone can honestly answer that until they're in that situation

277

00:34:44,780 --> 00:34:46,780

Our options had run out

278

00:34:48,140 --> 00:34:50,140

We weren't going to be able to

279

00:34:50,860 --> 00:34:52,860

Get in the truck

280

00:34:53,100 --> 00:34:55,820

We weren't going to be able to get the guns up in the barn

281

00:34:56,860 --> 00:34:58,860

The police weren't coming

282

00:34:59,100 --> 00:35:01,100

There wasn't anything else that we could do

283

00:35:04,300 --> 00:35:06,300

What are we going to do

284

00:35:07,660 --> 00:35:13,180

I I don't know of anything that's any stronger bond than that of a dad protecting his family

285

00:35:13,980 --> 00:35:14,940

Uh

286

00:35:14,940 --> 00:35:18,300

Protecting my wife protecting my daughter chelts

287

00:35:18,620 --> 00:35:21,420

Was my number one concern during the whole night

288

00:35:22,140 --> 00:35:24,140

And whatever I had to do

289

00:35:25,100 --> 00:35:27,100

I would do it

290

00:35:37,820 --> 00:35:44,540

I briskly went to chelsea's bedroom and I said look you need to get up and you have to get up now

291

00:35:49,260 --> 00:35:51,260

Chelsea get that light

292

00:35:54,140 --> 00:35:56,380

We felt like we needed to lock ourselves in

293

00:35:56,700 --> 00:35:58,140

Here take this

294

00:35:58,140 --> 00:36:04,940

And we definitely felt like we were hostages in our own home and that these creatures had us captive

295

00:36:09,820 --> 00:36:14,940

Our only friend at that point becomes daylight hopefully and that's not even a hundred percent

296

00:36:18,780 --> 00:36:27,260

But we didn't have a choice. I mean we just laid on top of our bed and uh waited for the daybreak to come

297

00:36:28,460 --> 00:36:30,460

It's okay. We're gonna be fine

298

00:36:43,660 --> 00:36:46,940

Then we just sat there for the longest time

299

00:36:48,460 --> 00:36:50,460

And

300

00:36:51,980 --> 00:36:58,060

Was very quiet and and that itself was was sort of disturbing

301

00:37:09,420 --> 00:37:11,420

And then

302

00:37:13,740 --> 00:37:16,240

We could clearly hear something outside

303

00:37:19,180 --> 00:37:25,260

We realized they were just outside of the wall

304

00:37:30,140 --> 00:37:32,140

Oh my god

305

00:37:35,100 --> 00:37:39,580

And the only thing between us and them was a window

306

00:37:43,980 --> 00:37:45,980

I was petrified

307

00:37:48,940 --> 00:38:00,140

And I could hear

308

00:38:03,500 --> 00:38:06,540

Like a real guttural low sound a growl

309

00:38:09,260 --> 00:38:14,780

When I squeezed her hand there was a tremble she was very scared

310

00:38:15,660 --> 00:38:18,140

It's okay everything's gonna be fine

311

00:38:19,340 --> 00:38:24,380

I just tried to reassure her that we were gonna be okay and that Chelsea would be okay and we'd get through

312

00:38:27,020 --> 00:38:34,940

But if if I was being honest, there was definitely the thought of that the end could come tonight

313

00:38:44,780 --> 00:38:46,780

So

314

00:39:14,780 --> 00:39:16,780

Oh

315

00:39:44,780 --> 00:39:46,780

Oh

316

00:39:46,780 --> 00:39:48,780

Oh

317

00:40:12,380 --> 00:40:14,380

It was such a relief when light came

318

00:40:15,340 --> 00:40:17,340

It was it was like

319

00:40:20,140 --> 00:40:23,820

Letting go of a breath that you've been holding literally the entire night

320

00:40:28,300 --> 00:40:30,300

They were gone

321

00:40:30,300 --> 00:40:32,300

I

322

00:40:43,900 --> 00:40:47,980

Sean knows that I wouldn't lie to him. He knows I wouldn't fabricate a story

323

00:40:49,260 --> 00:40:53,500

And he heard the way I was explaining it to him. He realized that I was upset

324

00:40:54,700 --> 00:40:56,460

All right

325

00:40:56,460 --> 00:41:00,060

Hey, and he offered you know to come over

326

00:41:01,260 --> 00:41:05,100

So we walked around and started looking for tracks looking for

327

00:41:06,220 --> 00:41:09,740

Anything we could find that we could tell what these things were

328

00:41:10,780 --> 00:41:12,780

And we found a number of tracks

329

00:41:14,220 --> 00:41:20,460

Obviously they weren't a full-legged creature. They they didn't have to be on full legs. These are huge claws

330

00:41:21,660 --> 00:41:25,740

Look at the size of that. They could stand right up and walk on two feet

331

00:41:25,740 --> 00:41:31,100

There was a lot of telltale evidence

332

00:41:37,500 --> 00:41:39,500

Clearly they were hunting in a

333

00:41:40,220 --> 00:41:42,220

Methodical way they were stalking

334

00:41:43,180 --> 00:41:44,300

and

335

00:41:44,300 --> 00:41:45,980

Then you're dealing with

336

00:41:45,980 --> 00:41:49,100

What just happened last night? What was that?

337

00:41:50,540 --> 00:41:53,820

I I just hadn't seen anything like it. I I I have no idea

338

00:41:56,380 --> 00:42:01,580

Several people reported seeing mysterious lights that some say pre-sea creature sightings

339

00:42:02,140 --> 00:42:07,820

A map of those locality overlaps almost exactly with hot spots of man-wolf sightings

340

00:42:08,860 --> 00:42:12,460

Can the folklore be true? Do werewolves really exist?

341

00:42:17,980 --> 00:42:21,420

I have no idea I I can't answer that for you

342

00:42:21,980 --> 00:42:23,980

I

343

00:42:24,620 --> 00:42:29,260

Don't know what we saw and if I was to say I would be guessing

344

00:42:30,620 --> 00:42:32,620

But it was huge

345

00:42:33,100 --> 00:42:35,100

It was powerful

346

00:42:35,260 --> 00:42:37,260

And there's no doubt in my mind

347

00:42:37,900 --> 00:42:40,220

If they had wanted to it could have killed us

348

00:42:42,140 --> 00:42:45,740

I wonder if we disturbed something we touched something we weren't supposed to

349

00:42:46,700 --> 00:42:48,700

Maybe we discovered something perhaps

350

00:42:49,180 --> 00:42:51,180

Maybe they were warning us

351

00:42:53,980 --> 00:42:55,980

Stay away
