

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:09,680 --> 00:00:12,800

Mean living in house with something there

3

00:00:16,920 --> 00:00:18,920

And I don't know what's coming next

4

00:00:21,200 --> 00:00:24,640

This thing was evil this thing was out to do some damage to somebody

5

00:00:25,120 --> 00:00:27,120

Oh

6

00:00:28,720 --> 00:00:35,360

All I could think to myself is we got it guys what is that it may well be the best be heard normal video I've ever seen

7

00:00:39,800 --> 00:00:42,120

We can prove some things in Bill's house

8

00:00:54,640 --> 00:00:56,640

I

9

00:01:21,600 --> 00:01:23,760

Just always had a curiosity about things

10

00:01:24,760 --> 00:01:27,320

All my jobs as an adult have been technical

11

00:01:28,200 --> 00:01:30,200

engineering on a nuclear submarine

12

00:01:31,000 --> 00:01:37,440

Aerospace program for 15 to 20 years as a pilot and even as a robotics engineer for a few years

13

00:01:40,640 --> 00:01:43,600

Back in 2002 went through a divorce

14

00:01:44,200 --> 00:01:46,200

Like it was time for a change

15

00:01:46,240 --> 00:01:52,560

So I moved a few hundred miles back to Texas had family here. I thought that would be a good place to settle down

16

00:01:55,600 --> 00:01:57,600

Actually

17

00:01:59,200 --> 00:02:04,920

Bill and I grew up in Southwest Missouri little town called Joplin and he was the big brother

18

00:02:07,560 --> 00:02:15,560

With the new home getting settled in having my brother close by I finally felt like I was home again and getting a new start

19

00:02:17,600 --> 00:02:18,680

So

20

00:02:18,680 --> 00:02:22,940

No, I have to go explain to my next client why they don't need a reverse osmosis system

21

00:02:22,960 --> 00:02:29,400

Bill and I end up working in the same water treatment system in home sales and what you're required is going to demonstrate the product

22

00:02:29,960 --> 00:02:32,080

The customers on how it cleaned their water

23

00:02:33,720 --> 00:02:39,040

Hey guys guys, I have one more appointment for you just came in. Can you do it for me?

24

00:02:41,080 --> 00:02:42,800

Please

25

00:02:42,800 --> 00:02:44,800

Okay, sure. I'll do it

26

00:02:45,040 --> 00:02:49,480

I've only been on the job a couple of months and I got an appointment one Saturday afternoon

27

00:02:50,240 --> 00:02:56,160

To go to a home. She's a real stickler for timekeeping. She needs a demo at 5 p.m.

28

00:02:57,160 --> 00:03:00,720

Don't be late. I'm always on time for a sale

29

00:03:06,520 --> 00:03:09,320

I showed up at exactly the right time

30

00:03:15,680 --> 00:03:17,680

I

31

00:03:19,560 --> 00:03:24,480

Thought I heard some screaming this green me became louder and louder

32

00:03:28,640 --> 00:03:30,640

Well, I'm there to do a job

33

00:03:32,000 --> 00:03:34,000

So I'm not on the door

34

00:03:41,960 --> 00:03:43,960

Hello

35

00:03:44,800 --> 00:03:46,800

I

36

00:04:01,120 --> 00:04:05,240

Was hovering over them walking around screaming these words

37

00:04:14,960 --> 00:04:20,520

At that time the weird factor got too high and I left I

38

00:04:25,960 --> 00:04:30,640

Called the office and I said I know what's going on with that woman's crazy and

39

00:04:31,840 --> 00:04:34,400

Don't reschedule me for this because I will not come back

40

00:04:45,800 --> 00:04:49,080

Later that evening I was relaxing watching TV

41

00:04:51,160 --> 00:04:53,160

There was nothing else in the house I live alone

42

00:05:08,560 --> 00:05:14,240

All I saw was a dark shape I thought maybe a bird a bat

43

00:05:15,080 --> 00:05:17,580

Something I've gotten into the house maybe through the fireplace

44

00:05:42,360 --> 00:05:44,360

I couldn't find anything

45

00:05:45,480 --> 00:05:48,640

But I couldn't get the feeling out of my mind that I saw something

46

00:05:53,840 --> 00:05:55,840

Later that evening I went to bed

47

00:06:14,920 --> 00:06:16,920

I

48

00:06:21,240 --> 00:06:24,760

Know this has something running across the end of my bed

49

00:06:30,960 --> 00:06:35,560

I thought well, whatever it was must have gotten off the bed. There's some animal right around my house

50

00:06:35,560 --> 00:06:38,880

I gotta find it. Well the bedroom door is closed. I know that had to be in there

51

00:06:38,880 --> 00:06:40,880

I

52

00:06:43,920 --> 00:06:48,000

Looked through the clothes and the shoes thinking maybe a rat

53

00:06:56,760 --> 00:06:58,760

There was nothing there I

54

00:06:59,840 --> 00:07:01,840

Just seen something fly off earlier

55

00:07:02,400 --> 00:07:06,480

Now I've got something right at the end of my bed and now I'm starting to wonder

56

00:07:07,280 --> 00:07:09,280

What's going on?

57

00:07:16,480 --> 00:07:18,480

Later off I drifted to sleep

58

00:07:18,480 --> 00:07:20,480

I

59

00:07:33,520 --> 00:07:36,320

Was by the bed shaking violently

60

00:07:39,600 --> 00:07:43,400

I was being taken from one side to the other just toss back and forth

61

00:07:48,720 --> 00:07:50,720

I

62

00:07:52,400 --> 00:07:54,400

Dead silence nothing I

63

00:07:57,760 --> 00:08:00,360

Thought maybe was having a little earthquake or something

64

00:08:03,680 --> 00:08:08,000

But there was nothing there to indicate what caused that I

65

00:08:13,480 --> 00:08:18,320

Tried to move the bed and the best not gonna move. I mean, it's huge. It's heavy

66

00:08:18,680 --> 00:08:20,680

I

67

00:08:21,000 --> 00:08:24,000

Tried to find the logical explanation for what happened

68

00:08:29,680 --> 00:08:31,680

I couldn't find any

69

00:08:35,280 --> 00:08:42,200

For the rest of the evening I said trying to make sense out of what happened and going back through my mind of what might have costed

70

00:08:42,320 --> 00:08:44,320

I

71

00:08:45,960 --> 00:08:48,400

Went up far for my joining farming her base

72

00:08:52,240 --> 00:08:54,240

Maybe it was a sonic bone

73

00:09:00,040 --> 00:09:05,400

There's drilling for gas wells in the neighborhood maybe some drilling operation

74

00:09:06,240 --> 00:09:08,480

It's earthquake activity

75

00:09:12,200 --> 00:09:15,600

I was looking at every possible aspect of what it could be

76

00:09:19,400 --> 00:09:22,200

I was on a computer trying to figure out what was going on

77

00:09:25,720 --> 00:09:27,720

And the internet went dead

78

00:09:32,000 --> 00:09:38,160

I tried to figure out how to get it back on I could not get it to come back on

79

00:09:43,040 --> 00:09:45,400

So I called the phone company technician

80

00:09:49,840 --> 00:09:53,240

Yeah, hi there I'm calling because my internet's just gone down

81

00:09:57,720 --> 00:09:59,720

Great

82

00:09:59,720 --> 00:10:01,720

A

83

00:10:10,800 --> 00:10:12,800

Voice came in over the phone

84

00:10:14,480 --> 00:10:16,840

Deep raspy breathy

85

00:10:20,120 --> 00:10:22,280

I can understand or tell you what it was

86

00:10:25,720 --> 00:10:27,720

And it was so threatening sounding

87

00:10:29,720 --> 00:10:31,720

I

88

00:10:32,520 --> 00:10:34,520

On up

89

00:10:48,160 --> 00:10:50,160

Hello

90

00:10:51,120 --> 00:10:55,880

He called me back because he had my phone number. Did you hear what I heard?

91

00:10:59,720 --> 00:11:03,340

And I said have you ever heard that before he said no

92

00:11:03,920 --> 00:11:10,480

And he said the phone lines either connected or not connected and if we can hear it we should be able to hear each other

93

00:11:10,960 --> 00:11:12,960

So I cannot explain that

94

00:11:22,640 --> 00:11:24,640

Literally couldn't sleep

95

00:11:29,720 --> 00:11:35,960

I heard a noise coming out from under the bed

96

00:11:52,360 --> 00:11:54,920

What felt like a hand grabbing my ankle

97

00:11:59,720 --> 00:12:01,720

I

98

00:12:19,640 --> 00:12:23,480

Am not dreaming it's actually happening to me

99

00:12:30,720 --> 00:12:32,720

I

100

00:12:41,080 --> 00:12:43,080

Later I just sat down to eat

101

00:12:47,600 --> 00:12:49,600

Turn the TV on

102

00:12:59,720 --> 00:13:01,720

Waiting at your house

103

00:13:10,680 --> 00:13:14,160

I could flying off like somebody thrown it at me for force

104

00:13:16,400 --> 00:13:18,400

Their lights went out

105

00:13:20,960 --> 00:13:23,080

I went into the closet to find a flashlight

106

00:13:29,720 --> 00:13:39,120

This box lifted off of the shelf

107

00:13:42,520 --> 00:13:46,640

And slam back down on the shelf right in front of my face I

108

00:13:49,440 --> 00:13:54,940

Had no answers for how that could happen and now I don't know what to think

109

00:14:00,040 --> 00:14:06,280

I call my brother and told him about what was going on and he came over come on

110

00:14:08,560 --> 00:14:12,120

My initial reaction to Bill's stories about the closet in the bed shaking were

111

00:14:13,760 --> 00:14:17,280

Maybe he's dreaming just get in there and tell me what happens

112

00:14:18,400 --> 00:14:20,400

So I decided to walk into the closet

113

00:14:26,080 --> 00:14:28,080

Okay, now turn off the light Bob

114

00:14:30,480 --> 00:14:32,480

I

115

00:14:36,680 --> 00:14:39,080

Was pitched dark you can't see your hand in front of your face

116

00:14:49,040 --> 00:14:51,040

So I'm kind of reaching out with my hands

117

00:15:00,720 --> 00:15:02,720

Something fell against my leg

118

00:15:10,600 --> 00:15:13,560

And suddenly it feels like something hits me in a face

119

00:15:17,600 --> 00:15:19,960

Well, what happened?

120

00:15:21,240 --> 00:15:27,280

Part of our family makeup is that we're very calm people. We don't get spooked really easily

121

00:15:27,920 --> 00:15:31,640

You need to tidy up that closet. That's what happened

122

00:15:33,200 --> 00:15:41,200

There was nothing that I saw happened in that closet the warrant me run out screaming like a little girl and say Bill your house is haunted

123

00:15:41,200 --> 00:15:45,240

Or you've got something happening here. It just wasn't enough

124

00:15:51,080 --> 00:15:54,400

I was now out of my element I needed help

125

00:15:58,240 --> 00:16:00,400

Contacted an old friend of mine Michael

126

00:16:02,480 --> 00:16:07,840

Hey Mike, I would call him and updating on what was going on in the house

127

00:16:08,440 --> 00:16:12,560

How's it going up there in the wilderness? I've been a sound engineer for about eight years

128

00:16:12,960 --> 00:16:15,680

I produce internet radio and video broadcasts

129

00:16:16,440 --> 00:16:22,880

You don't say I've known Bill for several years. He's a very rational person if you want a straight story

130

00:16:23,200 --> 00:16:25,840

You can go to Bill. How's it with you?

131

00:16:28,000 --> 00:16:30,000

Oh

132

00:16:30,400 --> 00:16:33,800

Bill are you there? It was like the phone line went dead Mike

133

00:16:34,640 --> 00:16:38,800

Bill, I'm sitting there going Bill. Are you there Bill? Can you hear me?

134

00:16:44,560 --> 00:16:48,360

And then all of a sudden you hear a third voice something I've never heard before

135

00:16:52,560 --> 00:16:54,560

My stomach turned

136

00:16:54,560 --> 00:16:56,560

How could I have done that?

137

00:16:56,800 --> 00:17:02,000

That same voice came back the voice that was immediately recognizable as

138

00:17:03,040 --> 00:17:05,040

threatening

139

00:17:05,360 --> 00:17:07,360

In the language I've never heard

140

00:17:10,640 --> 00:17:13,200

It's something you think you would hear back maybe in biblical times

141

00:17:16,640 --> 00:17:19,140

First thing I did I said I'm gonna fire up my equipment. I want to get this

142

00:17:25,280 --> 00:17:27,280

I

143

00:17:34,240 --> 00:17:36,240

Can see the voice recording

144

00:17:36,400 --> 00:17:41,200

So I'm waiting I'm listening I'm watching I get probably about a minute or two worth of audio

145

00:17:42,880 --> 00:17:46,880

I've got something captured on here. This is going to be great because I've got this

146

00:17:50,240 --> 00:17:52,240

The threatening nature of it

147

00:17:52,320 --> 00:17:55,520

You don't know what it's really doing or saying we're trying to do

148

00:18:09,920 --> 00:18:14,720

It was over with and bill was back there on the line Michael

149

00:18:15,520 --> 00:18:19,040

It's me. It's me. I was screaming for you to get off the phone

150

00:18:19,840 --> 00:18:24,640

I said here's the great thing about it. I recorded it bill. I got it. Hang on. I'm gonna play it back to you

151

00:18:26,240 --> 00:18:28,240

I hit play

152

00:18:40,560 --> 00:18:43,060

There's nothing there is no audio

153

00:18:49,360 --> 00:18:51,360

Listen to it

154

00:18:52,800 --> 00:18:54,800

Okay, this shouldn't be happening

155

00:18:55,520 --> 00:19:00,000

Now this is physically impossible to happen. I have recorded over a thousand shows by then

156

00:19:00,240 --> 00:19:03,200

I know how the software works. I know what it does when it records

157

00:19:04,160 --> 00:19:08,640

This shouldn't have happened. This can't happen the way it happened here. I'm gonna do it again.
Hang on

158

00:19:09,840 --> 00:19:11,840

Ready here

159

00:19:15,120 --> 00:19:16,880

It was gone

160

00:19:16,880 --> 00:19:21,280

This is a dead file that there's nothing on it till you start talking. It's impossible

161

00:19:22,480 --> 00:19:27,680

There's no explanation for that. There's no reason in the world that shouldn't have played back

162

00:19:32,080 --> 00:19:34,080

I'm living in a house with

163

00:19:35,040 --> 00:19:38,640

Something there that can do whatever a demo wants

164

00:19:39,520 --> 00:19:41,520

And I can't stop it

165

00:19:41,520 --> 00:19:43,520

And I don't know what's coming next

166

00:19:47,600 --> 00:19:49,600

I

167

00:19:51,760 --> 00:19:57,600

Still call Cindy and I over one evening to have dinner feels a very good cook. I'll be over invite you for steak

168

00:19:57,920 --> 00:19:59,920

Take him up on it

169

00:20:03,920 --> 00:20:06,400

After dinner we went into the den to watch a movie

170

00:20:08,160 --> 00:20:10,800

I think bill invited us over so that he wouldn't be alone

171

00:20:11,200 --> 00:20:17,120

I think he was afraid, you know, maybe it was his imagination at times

172

00:20:32,560 --> 00:20:35,920

I saw a small figure what what's happened

173

00:20:36,400 --> 00:20:38,400

I

174

00:20:38,960 --> 00:20:40,960

Brother tells me what happened

175

00:20:44,160 --> 00:20:48,320

Just come sit over here bills convinced me to sit down his chair

176

00:20:52,640 --> 00:20:55,280

He was adamant that I keep my head looking at the tv

177

00:21:03,280 --> 00:21:05,280

I saw these things

178

00:21:06,720 --> 00:21:09,520

You saw it didn't you I don't want to believe this is happening

179

00:21:26,640 --> 00:21:28,640

What what's happened

180

00:21:32,080 --> 00:21:34,080

You saw it didn't you saw something

181

00:21:34,320 --> 00:21:37,920

Then Bob got up and he said Cindy you come sit down

182

00:21:38,880 --> 00:21:45,040

Keep looking at the tv and he told me the same thing just look at the tv but watch out of the corner of your eye

183

00:22:01,360 --> 00:22:03,360

I had never seen anything like that before

184

00:22:04,160 --> 00:22:07,680

You saw it didn't you what is it? Where did they come from?

185

00:22:14,080 --> 00:22:16,080

Where do they go

186

00:22:35,040 --> 00:22:37,040

We couldn't find anything

187

00:22:41,520 --> 00:22:44,480

What did you guys see we all described it

188

00:22:45,600 --> 00:22:47,360

essentially the same

189

00:22:47,360 --> 00:22:49,360

I mean describe it to me

190

00:22:49,520 --> 00:22:54,480

It just looked like a small human figure. I saw the 18 to 24 inch

191

00:22:55,280 --> 00:22:59,680

Things I could see its arms and legs. I could see its movements and they were fast

192

00:23:00,640 --> 00:23:04,080

And we all three saw that same bunch back little things

193

00:23:06,400 --> 00:23:08,400

When I saw these things

194

00:23:09,120 --> 00:23:12,080

I believed that they were the cause

195

00:23:13,200 --> 00:23:15,760

Of everything that happened to me up to that point

196

00:23:17,840 --> 00:23:24,720

Now finally somebody had witnessed something with me now I had validation

197

00:23:25,280 --> 00:23:29,760

Is there definitely something going on in this house?

198

00:23:31,840 --> 00:23:37,840

It's scary they're in your house, but you have no clue who they are what they are what they want or why they're there

199

00:23:43,840 --> 00:23:46,640

Bill why don't you come back with Cindy and me you can't stay here

200

00:23:47,120 --> 00:23:50,800

My brother offered to let me go down with him to sleep for the night

201

00:23:51,360 --> 00:23:55,760

And I almost accepted but I thought if I did two things are gonna happen

202

00:23:56,160 --> 00:23:59,280

One is I'm gonna let these things have the run of my house

203

00:24:00,080 --> 00:24:02,080

And the other thing is if I leave

204

00:24:02,800 --> 00:24:05,520

Then I'm gonna show weakness and I have to fight this

205

00:24:06,400 --> 00:24:08,400

All right. Well, thanks for coming guys

206

00:24:08,800 --> 00:24:09,600

Good night

207

00:24:09,600 --> 00:24:12,560

As I left I hated the idea of leaving him alone in that house

208

00:24:15,120 --> 00:24:20,160

But that's who he is and he's not gonna leave he's gonna take it on and he's gonna fight it to the end

209

00:24:21,120 --> 00:24:29,120

That is the night that I decided that I was finally gonna have to look at the paranormal

210

00:24:32,320 --> 00:24:34,320

I spent all night on the computer

211

00:24:36,720 --> 00:24:43,760

I was looking for normal explanations as to why these things were happening and after that night normal didn't fit anymore

212

00:24:47,120 --> 00:24:49,120

Normal is the reason I'm here

213

00:24:50,160 --> 00:24:52,160

I found a paranormal team of investigators

214

00:24:52,480 --> 00:24:55,520

It would actually come into your home and do an investigation

215

00:24:56,080 --> 00:24:58,080

Seemed to be very scientific which I liked

216

00:24:59,440 --> 00:25:00,240

Hello?

217

00:25:00,240 --> 00:25:02,240

Hi there. This is Brian Hall

218

00:25:02,240 --> 00:25:03,040

I'm Brian Hall

219

00:25:03,040 --> 00:25:04,240

I'm Brian Hall

220

00:25:04,240 --> 00:25:06,240

I'm Brian Hall

221

00:25:06,240 --> 00:25:08,240

I'm Brian Hall

222

00:25:08,240 --> 00:25:10,240

I'm Brian Hall

223

00:25:10,240 --> 00:25:12,240

I'm Brian Hall

224

00:25:12,240 --> 00:25:14,240

I'm Brian Hall

225

00:25:14,240 --> 00:25:16,240

I'm Brian Hall

226

00:25:16,240 --> 00:25:18,240

I'm Brian Hall

227

00:25:18,320 --> 00:25:20,320

We're here over there. This is Brian Hall

228

00:25:22,320 --> 00:25:28,640

We hear people all the time saying they have paranormal activity in the house. We'll find out exactly what's going on

229

00:25:31,280 --> 00:25:36,320

One of the things that impressed me about Brian and his team the most was they didn't come in looking for ghosts

230

00:25:39,440 --> 00:25:40,480

Mr. Vale

231

00:25:40,480 --> 00:25:43,600

They came in looking for answers. I've seen them in here

232

00:25:44,560 --> 00:25:49,120

We would check to see if there was natural possibilities for things that he sings happening

233

00:25:50,640 --> 00:25:58,800

Last time you got your ac checked a couple of months ago. I'm a facilities engineer. I take care of big high rises things like that

234

00:25:59,600 --> 00:26:04,560

Cold spots. Are they always in the same places? I don't know. They always move around. I want to make sure that this is real

235

00:26:05,040 --> 00:26:10,800

It's happening. It's not air pressure. It's not creaking of doors or you know loose boards in the floor

236

00:26:11,760 --> 00:26:17,200

If they say there's banging we'll check to see if something's outside banging on the side of the house

237

00:26:17,760 --> 00:26:19,760

We would look for branches

238

00:26:19,760 --> 00:26:21,760

Bires hanging outside

239

00:26:21,760 --> 00:26:23,760

Animals

240

00:26:25,760 --> 00:26:29,760

They went through and eliminated as much as they could

241

00:26:34,800 --> 00:26:36,800

We flooded the house with equipment

242

00:26:41,600 --> 00:26:45,840

We focused on bill's bedroom because that's where a lot of the activity was occurring

243

00:26:47,280 --> 00:26:50,000

I went and set up three infrared cameras

244

00:26:51,040 --> 00:26:53,040

Brian brought in the audio equipment

245

00:26:54,880 --> 00:26:56,880

Sean windows secured

246

00:26:58,480 --> 00:27:01,520

Yep bill air conditioning's up. Yep

247

00:27:03,200 --> 00:27:05,200

All right gentlemen, let's roll our gear

248

00:27:07,040 --> 00:27:09,840

We both set up laser grids and precise areas

249

00:27:11,760 --> 00:27:18,480

It's a device that emits laser beams all over the room that way if anything moves it'll break the beams

250

00:27:19,440 --> 00:27:22,560

You'll see the green dots move with the shape

251

00:27:26,000 --> 00:27:29,360

We use that because maybe we won't be able to see it would just make it high

252

00:27:31,200 --> 00:27:37,040

We closed the door isolated the bedroom so that whatever might be in there might show itself

253

00:27:40,800 --> 00:27:43,780

Oh

254

00:28:10,800 --> 00:28:12,840

Sean?

255

00:28:12,840 --> 00:28:16,880

Sean, we need to stir things up, man.

256

00:28:16,880 --> 00:28:20,000

After probably an hour or so, we decided

257

00:28:20,000 --> 00:28:23,360

to send Sean, our investigator, in the room

258

00:28:23,360 --> 00:28:28,040

to do an EVP session and ask some questions.

259

00:28:28,040 --> 00:28:31,200

They was looking for EVPs or electronic voice

260

00:28:31,200 --> 00:28:34,560

phenomena, which is they can ask a question

261

00:28:34,560 --> 00:28:36,320

and try to get recordings of something.

262

00:28:36,320 --> 00:28:39,320

Sean, you in here?

263

00:28:47,320 --> 00:28:51,320

I'm just going to take off my shoes

264

00:28:51,320 --> 00:28:53,320

and get a little more comfortable.

265

00:28:53,320 --> 00:29:08,320

Sean went into the room, laid down by himself with the door shut.

266

00:29:08,320 --> 00:29:22,320

Is there anybody in here with me?

267

00:29:22,320 --> 00:29:27,320

If you're in here, let me know you're here.

268

00:29:38,320 --> 00:29:53,320

Nothing was happening.

269

00:29:53,320 --> 00:30:00,320

I was about to get up and leave.

270

00:30:00,320 --> 00:30:05,320

Oh my God. Holy f***.

271

00:30:05,320 --> 00:30:10,320

This laser just moved out of nowhere.

272

00:30:10,320 --> 00:30:12,320

Something's happened.

273

00:30:12,320 --> 00:30:14,320

I was frightened.

274

00:30:14,320 --> 00:30:16,320

It moved. I definitely got something.

275

00:30:16,320 --> 00:30:17,320

What?

276

00:30:17,320 --> 00:30:19,320

Grab the cameras. Grab the cameras.

277

00:30:19,320 --> 00:30:21,320

Look.

278

00:30:21,320 --> 00:30:24,320

I know I got... I'm not sure.

279

00:30:24,320 --> 00:30:27,320

This camera's dead. This one's dead, too.

280

00:30:27,320 --> 00:30:30,320

The batteries were completely drained.

281

00:30:30,320 --> 00:30:33,320

It doesn't make any sense.

282

00:30:33,320 --> 00:30:35,320

Okay, okay. I got some juice. I got some juice.

283

00:30:35,320 --> 00:30:37,320

You can get over here.

284

00:30:37,320 --> 00:30:40,320

One camera actually filmed it.

285

00:30:40,320 --> 00:30:42,320

We had no idea what was going to see.

286

00:30:42,320 --> 00:30:44,320

And when we played that tape back,

287

00:30:44,320 --> 00:30:48,320

even the most experienced people there were shot.

288

00:30:48,320 --> 00:30:49,320

Ready?

289

00:30:49,320 --> 00:30:50,320

Yeah.

290

00:30:50,320 --> 00:31:05,320

A mist started forming across the laser.

291

00:31:05,320 --> 00:31:06,320

What the...

292

00:31:06,320 --> 00:31:10,320

And it started almost swirling like an abortax.

293

00:31:10,320 --> 00:31:14,320

I was shocked.

294

00:31:14,320 --> 00:31:16,320

I didn't see that.

295

00:31:16,320 --> 00:31:23,320

I saw nothing.

296

00:31:23,320 --> 00:31:26,320

Holy f***.

297

00:31:27,320 --> 00:31:29,320

The laser beam actually moved.

298

00:31:29,320 --> 00:31:32,320

What is that? Do you see that?

299

00:31:32,320 --> 00:31:35,320

Out of nowhere. It just completely moved.

300

00:31:35,320 --> 00:31:43,320

I'm just going to rewind it one more time.

301

00:31:43,320 --> 00:31:44,320

Holy f***.

302

00:31:44,320 --> 00:31:46,320

There's sound here.

303

00:31:46,320 --> 00:31:47,320

Turn it off. Turn it off.

304

00:31:47,320 --> 00:32:03,320

I was reviewing the audio.

305

00:32:03,320 --> 00:32:09,320

It said, put it back. He's coming.

306

00:32:09,320 --> 00:32:13,320

Then there was a sound of the laser actually hitting the floor.

307

00:32:13,320 --> 00:32:15,320

Holy f***.

308

00:32:17,320 --> 00:32:20,320

All I could think to myself is, we got it, guys.

309

00:32:20,320 --> 00:32:25,320

We can prove something is in Bill's house.

310

00:32:25,320 --> 00:32:27,320

We probably played it six times

311

00:32:27,320 --> 00:32:31,320

because we couldn't believe what we were seeing.

312

00:32:31,320 --> 00:32:33,320

I felt shock and disbelief,

313

00:32:33,320 --> 00:32:38,320

but also excitement that we had actually captured that one tape.

314

00:32:43,320 --> 00:32:45,320

Holy f***, guys.

315

00:32:59,320 --> 00:33:03,320

At the end of the night, they back up and they leave.

316

00:33:03,320 --> 00:33:08,320

I can't believe you're actually going to stay.

317

00:33:08,320 --> 00:33:11,320

Good luck, Bill.

318

00:33:11,320 --> 00:33:15,320

My personality is, I address my problems.

319

00:33:15,320 --> 00:33:18,320

If it's my fight, I'll fight it.

320

00:33:18,320 --> 00:33:21,320

So I have to go in the bedroom and figure out how it is.

321

00:33:21,320 --> 00:33:25,320

I'm going to shut the lights off and go to sleep.

322

00:33:25,320 --> 00:33:28,320

What happens next will change my life.

323

00:33:41,320 --> 00:33:44,320

I'm going to go to sleep.

324

00:33:44,320 --> 00:33:46,320

I'm going to sleep.

325

00:33:46,320 --> 00:33:48,320

I'm going to sleep.

326

00:33:48,320 --> 00:33:50,320

I'm going to sleep.

327

00:33:50,320 --> 00:33:52,320

I'm going to sleep.

328

00:33:52,320 --> 00:33:54,320

I'm going to sleep.

329

00:33:54,320 --> 00:33:56,320

I'm going to sleep.

330

00:33:56,320 --> 00:33:58,320

I'm going to sleep.

331

00:33:58,320 --> 00:34:00,320

I'm going to sleep.

332

00:34:00,320 --> 00:34:02,320

I'm going to sleep.

333

00:34:02,320 --> 00:34:04,320

I'm going to sleep.

334

00:34:04,320 --> 00:34:06,320

I'm going to sleep.

335

00:34:06,320 --> 00:34:08,320

I'm going to sleep.

336

00:34:08,320 --> 00:34:10,320

I'm going to sleep.

337

00:34:10,320 --> 00:34:12,320

I'm going to sleep.

338

00:34:12,320 --> 00:34:14,320

I'm going to sleep.

339

00:34:14,320 --> 00:34:18,320

Holy f***, it's the second death.

340

00:34:24,320 --> 00:34:29,320

Something slammed into the side of the house.

341

00:34:29,320 --> 00:34:32,320

And it was so devastatingly loud,

342

00:34:32,320 --> 00:34:35,320

I ran immediately outside.

343

00:34:41,320 --> 00:34:44,320

I'm actually looking on the roof

344

00:34:44,320 --> 00:34:48,320

and checking the side of the wall for what surely must be damaged.

345

00:34:56,320 --> 00:34:59,320

After I searched the backyard and didn't find anything,

346

00:34:59,320 --> 00:35:01,320

I came back in the house.

347

00:35:10,320 --> 00:35:13,320

I hear this loud crash.

348

00:35:13,320 --> 00:35:16,320

This sounds like it's coming from my dining room.

349

00:35:19,320 --> 00:35:21,320

There's no damage.

350

00:35:23,320 --> 00:35:25,320

There's another crash.

351

00:35:34,320 --> 00:35:36,320

I get it.

352

00:35:36,320 --> 00:35:38,320

Crash.

353

00:35:40,320 --> 00:35:43,320

I check for damage. There's no damage.

354

00:35:43,320 --> 00:35:46,320

And the second I get there,

355

00:35:53,320 --> 00:35:55,320

my car alarm goes off.

356

00:35:57,320 --> 00:35:59,320

I lost it.

357

00:35:59,320 --> 00:36:01,320

You haven't scared me!

358

00:36:03,320 --> 00:36:05,320

Enough is enough.

359

00:36:05,320 --> 00:36:08,320

You have run me around the last time.

360

00:36:08,320 --> 00:36:11,320

And we're going to have the final battle here.

361

00:36:11,320 --> 00:36:13,320

Say yourself off!

362

00:36:13,320 --> 00:36:15,320

Say it to the hell!

363

00:36:15,320 --> 00:36:17,320

Either I'm going to send you to hell

364

00:36:17,320 --> 00:36:19,320

or you're going to send me to hell.

365

00:36:19,320 --> 00:36:21,320

But it's over tonight.

366

00:36:21,320 --> 00:36:23,320

Where are you?

367

00:36:32,320 --> 00:36:34,320

My bedroom, there's a crash.

368

00:36:39,320 --> 00:36:42,320

It was like hell.

369

00:36:44,320 --> 00:36:46,320

Crash.

370

00:36:46,320 --> 00:36:48,320

Hell.

371

00:36:48,320 --> 00:36:50,320

It's screaming.

372

00:36:59,320 --> 00:37:02,320

It just went dead silent.

373

00:37:09,320 --> 00:37:13,320

I remember thinking, it's unusually quiet.

374

00:37:28,320 --> 00:37:32,320

I heard a noise coming out from under the bed.

375

00:37:32,320 --> 00:37:35,320

I heard a noise coming out from under the bed.

376

00:37:35,320 --> 00:37:38,320

I heard a noise coming out from under the bed.

377

00:38:05,320 --> 00:38:10,320

At the foot of my bed stood a six foot tall creature

378

00:38:10,320 --> 00:38:13,320

that was completely black.

379

00:38:17,320 --> 00:38:20,320

It was abject fear.

380

00:38:20,320 --> 00:38:23,320

A fear like into your soul.

381

00:38:29,320 --> 00:38:31,320

Is this the end?

382

00:38:35,320 --> 00:38:37,320

No.

383

00:38:42,320 --> 00:38:44,320

It was gone.

384

00:38:50,320 --> 00:38:53,320

I wondered why at this particular time

385

00:38:53,320 --> 00:38:56,320

did this dark evil figure show up.

386

00:38:56,320 --> 00:39:00,320

The conclusion that I've come to is that

387

00:39:00,320 --> 00:39:04,320

this dark figure was the main power over

388

00:39:04,320 --> 00:39:06,320

all the other entities in the house,

389

00:39:06,320 --> 00:39:09,320

and they did that dark figure's bidding.

390

00:39:13,320 --> 00:39:15,320

The end of the battle's close.

391

00:39:15,320 --> 00:39:18,320

He's the general, and he's the general.

392

00:39:18,320 --> 00:39:20,320

He's the general.

393

00:39:20,320 --> 00:39:22,320

He's the general.

394

00:39:22,320 --> 00:39:24,320

He's the general.

395

00:39:24,320 --> 00:39:27,320

He's the general, and he's going to be present

396

00:39:27,320 --> 00:39:29,320

for the final battle.

397

00:39:32,320 --> 00:39:35,320

I had to ask myself,

398

00:39:35,320 --> 00:39:38,320

why has it started happening to me?

399

00:39:41,320 --> 00:39:44,320

And I started reading, and there were words

400

00:39:44,320 --> 00:39:48,320

like, leave those people in the name of Jesus Christ.

401

00:39:54,320 --> 00:39:58,320

And it hit me that what I had apparently

402

00:39:58,320 --> 00:40:02,320

walked up on was an exorcism.

403

00:40:07,320 --> 00:40:10,320

And seeing this woman,

404

00:40:10,320 --> 00:40:13,320

and that look she gave me,

405

00:40:15,320 --> 00:40:17,320

she planned that.

406

00:40:18,320 --> 00:40:20,320

I have one more appointment for you.

407

00:40:20,320 --> 00:40:21,320

Just came in.

408

00:40:21,320 --> 00:40:22,320

Okay, sure. I'll do it.

409

00:40:22,320 --> 00:40:25,320

And she called to make the appointment

410

00:40:25,320 --> 00:40:27,320

to get somebody else there.

411

00:40:27,320 --> 00:40:29,320

She's a real stickler for timekeeping.

412

00:40:29,320 --> 00:40:32,320

She needs a demo at 5 p.m.

413

00:40:33,320 --> 00:40:36,320

And she planned my arrival

414

00:40:36,320 --> 00:40:38,320

to the end of her exorcism.

415

00:40:38,320 --> 00:40:41,320

Holy Jesus Christ,

416

00:40:41,320 --> 00:40:43,320

get out.

417

00:40:44,320 --> 00:40:46,320

Leave these people.

418

00:40:48,320 --> 00:40:50,320

No!

419

00:41:00,320 --> 00:41:03,320

In the name of Jesus Christ,

420

00:41:03,320 --> 00:41:05,320

leave these people.

421

00:41:06,320 --> 00:41:08,320

No!

422

00:41:08,320 --> 00:41:10,320

No!

423

00:41:16,320 --> 00:41:18,320

She slammed the door,

424

00:41:18,320 --> 00:41:20,320

and I walked away.

425

00:41:21,320 --> 00:41:23,320

But I didn't leave alone.

426

00:41:32,320 --> 00:41:34,320

It's the only thing

427

00:41:34,320 --> 00:41:36,320

that I can think of that caused it.

428

00:41:39,320 --> 00:41:42,320

And I paid for that

429

00:41:42,320 --> 00:41:44,320

for years.

430

00:42:08,320 --> 00:42:11,320

I'm still looking for answers.

431

00:42:11,320 --> 00:42:14,320

My choices are actually pretty limited.

432

00:42:14,320 --> 00:42:17,320

I can sell the house,

433

00:42:17,320 --> 00:42:19,320

or I can deal with it.

434

00:42:20,320 --> 00:42:23,320

I'm not gonna live with the burden

435

00:42:23,320 --> 00:42:27,320

that I sold that house to a family of kids,

436

00:42:27,320 --> 00:42:30,320

knowing for a while what could happen to them.

437

00:42:30,320 --> 00:42:32,320

I'm not gonna live with the burden

438

00:42:32,320 --> 00:42:35,320

that I sold that house to a family of kids,

439

00:42:35,320 --> 00:42:38,320

knowing for a while what could happen to them.
