

1

00:00:00,000 --> 00:00:02,000

I

2

00:00:09,960 --> 00:00:12,520

Noticed something that struck me as odd

3

00:00:15,840 --> 00:00:17,840

There was something very wrong

4

00:00:30,200 --> 00:00:36,040

I thought I was in hell his life was in jeopardy we have to stop right now

5

00:00:39,440 --> 00:00:41,440

What the hell was this in our house?

6

00:01:00,000 --> 00:01:02,000

I

7

00:01:18,080 --> 00:01:24,240

Was ex-stabbing I found out that I was pregnant I had been married before and had tried before and

8

00:01:24,680 --> 00:01:26,680

Was not able to I

9

00:01:26,920 --> 00:01:30,560

Guess it just took the right person and it worked

10

00:01:32,280 --> 00:01:36,680

We were together for about a little less than a year when Deb found out she was pregnant

11

00:01:36,920 --> 00:01:40,680

We were super excited. It's probably one of the best times of my life

12

00:01:41,480 --> 00:01:43,480

Everything's looking just fine

13

00:01:44,160 --> 00:01:47,480

The image on the ultrasound made it so real

14

00:01:49,920 --> 00:01:54,120

All I can remember is Tony trying to figure out whether it was a boy or a girl

15

00:01:56,680 --> 00:01:58,680

Don't

16

00:02:04,240 --> 00:02:07,200

Finding out that we were pregnant we needed to find a bigger home

17

00:02:09,720 --> 00:02:14,160

We found a house it was a hundred and twenty eight years old when we moved in

18

00:02:15,080 --> 00:02:18,760

The house seemed to ideal for for raising our family

19

00:02:20,680 --> 00:02:25,240

Hey, this was where we were gonna begin the grown-up part of our life

20

00:02:26,680 --> 00:02:32,640

Had a room we can turn into a nice nursery when the baby was born. I do a lot of drawing on the side and

21

00:02:33,720 --> 00:02:36,760

Deb's one of the most creative women I know I

22

00:02:38,880 --> 00:02:42,280

Remember a lot of laughing when we were working on the nursery

23

00:02:45,200 --> 00:02:47,200

It was really special

24

00:02:47,200 --> 00:02:49,200

I

25

00:02:56,240 --> 00:02:59,960

Always name was Sasha just a gentlest dog I've ever seen

26

00:03:01,280 --> 00:03:06,840

When we moved into the house she for some reason had a really hard time with the nursery

27

00:03:07,680 --> 00:03:19,440

It was so unlike her because she was such a good nature dog and for some reason she'd stand in the doorway that room and just growl

28

00:03:28,720 --> 00:03:34,960

I thought perhaps the people lived here before maybe they had pets, you know, it's it's picking up the scent of a cat

29

00:03:37,200 --> 00:03:39,200

I

30

00:03:48,040 --> 00:03:53,680

Whole idea of a family was just great to me. It's you know, it's like God smiling on you

31

00:03:54,960 --> 00:03:57,560

They can remember coming home with this

32

00:03:58,040 --> 00:04:04,040

You know this little baby and it's not like they give you an instruction manual when you walk out of the hospital

33

00:04:04,560 --> 00:04:07,080

You look at each other and say okay now what do we do?

34

00:04:07,080 --> 00:04:09,080

We

35

00:04:30,200 --> 00:04:33,480

Notice that our son was having a hard time sleeping

36

00:04:34,400 --> 00:04:38,440

Every night we were up every hour

37

00:04:43,840 --> 00:04:50,600

Everybody tells you well is a newborn baby, you know, this happens a lot, but it just seemed to happen more often than it should I thought

38

00:05:04,440 --> 00:05:07,100

I can remember a time when we were sitting on the couch

39

00:05:07,920 --> 00:05:12,400

We were the most tired people in the face of the earth and all I could think of is what am I doing wrong?

40

00:05:20,640 --> 00:05:24,000

The lights flickered and then went real damn

41

00:05:26,960 --> 00:05:30,360

Usually if there's one electrical problem it cuts out completely

42

00:05:30,800 --> 00:05:33,320

Then you lose other things in the room the television

43

00:05:34,600 --> 00:05:36,600

That wasn't the case

44

00:05:54,120 --> 00:05:57,560

I was missing something big because this isn't how it's supposed to work

45

00:06:01,200 --> 00:06:03,200

I

46

00:06:15,440 --> 00:06:21,560

One particular morning I come downstairs while the corner of my eye notice something was different

47

00:06:23,480 --> 00:06:27,120

It's perfectly straight but completely turned upside down

48

00:06:27,720 --> 00:06:33,560

Did I do something to make Deb mad and she's just given me a little message

49

00:06:54,240 --> 00:06:56,240

At the base of the stairs

50

00:06:57,320 --> 00:06:59,320

I felt a coldness as

51

00:07:02,000 --> 00:07:04,480

I got to the top of the stairs

52

00:07:08,600 --> 00:07:17,200

The rush of air past me almost almost as if a child is running up the stairs next to you

53

00:07:27,760 --> 00:07:36,280

Deb was at work and I happen to have the day off so I thought I'm gonna have the house nice and clean for her when she gets home

54

00:07:42,600 --> 00:07:46,320

The vacuum started to shut off

55

00:07:46,320 --> 00:07:48,320

I

56

00:07:56,360 --> 00:07:58,360

Tried to start it again with a button

57

00:08:03,880 --> 00:08:09,080

I noticed the cord was unplugged it wasn't cuz I had pulled it or two tighter and think

58

00:08:09,680 --> 00:08:11,880

Because I still had plenty of slack in the cord

59

00:08:12,760 --> 00:08:15,520

Couldn't figure that so I plugged it back in

60

00:08:16,320 --> 00:08:18,320

I

61

00:08:22,680 --> 00:08:24,680

Start a vacuuming

62

00:08:26,800 --> 00:08:28,800

And it shuts off again I

63

00:08:32,640 --> 00:08:37,520

Hear music you know I couldn't figure out what it was at first

64

00:08:37,520 --> 00:08:39,520

I

65

00:08:45,080 --> 00:08:49,240

See the baby's mobile over the crib just kind of turning real slow

66

00:08:53,280 --> 00:08:55,880

It wasn't playing the whole time I was in their back and

67

00:08:59,920 --> 00:09:01,920

It just kept picking up speed

68

00:09:04,000 --> 00:09:06,000

All the little teddy bears were like

69

00:09:08,520 --> 00:09:12,200

I just had a cold chill just go all the way down my spine

70

00:09:15,720 --> 00:09:18,360

From that point on he did not sleep in that crib

71

00:09:28,320 --> 00:09:31,360

My sister Karen was my confidant

72

00:09:32,520 --> 00:09:37,080

She had had her first child about a year and a half before Taylor was born

73

00:09:37,520 --> 00:09:45,680

Her being a new mom and me already having a child she would vent a little bit and tell me

74

00:09:46,080 --> 00:09:48,080

Just in the beginning how tough it was

75

00:09:49,400 --> 00:09:52,360

She knew we were just utterly exhausted I

76

00:09:53,440 --> 00:09:58,480

Offered to come over because she was not getting much sleep and neither was Tony

77

00:09:59,760 --> 00:10:01,760

She suggested

78

00:10:02,160 --> 00:10:08,740

Why don't I come and visit with you for a week and see if I can help and I thought oh my god, that's amazing

79

00:10:24,320 --> 00:10:28,280

After we came home from Tony's parents house we were gonna settle in watch movies

80

00:10:28,520 --> 00:10:30,520

Make us a few sandwiches

81

00:10:40,280 --> 00:10:44,440

I'd gone upstairs to take the baby's bag and put it away

82

00:10:58,280 --> 00:11:00,960

Notice something that struck me as odd

83

00:11:02,360 --> 00:11:07,120

Here's these teddy bears just sitting in the center of the floor. You know look like they've been arranged that way

84

00:11:13,240 --> 00:11:18,520

Hey, why'd you put the bears on the floor like that and I looked at myself. What are you talking about?

85

00:11:19,560 --> 00:11:24,840

Well, all the bears are on the floor and again, I looked at him. I said what do you mean? You know?

86

00:11:29,240 --> 00:11:34,320

Let's go see I stormed off and went upstairs and sure enough

87

00:11:40,160 --> 00:11:42,640

All the animals sitting on the floor

88

00:11:46,160 --> 00:11:48,160

Organized

89

00:11:50,800 --> 00:11:56,200

Why didn't do it and he's a well then who did we were looking at each other saying

90

00:11:56,960 --> 00:11:58,960

Okay, well, how did they get there?

91

00:12:21,040 --> 00:12:23,040

I looked back up the stairs and

92

00:12:23,920 --> 00:12:26,800

The light in the nursery was back on the light is on

93

00:12:32,040 --> 00:12:34,040

One bear

94

00:12:37,800 --> 00:12:42,120

Was in the center of the room I got the chills

95

00:12:42,120 --> 00:12:54,840

Okay, it's got to be something supernatural because there's no other explanation

96

00:13:13,120 --> 00:13:17,020

It was just too bizarre for me I couldn't take it

97

00:13:19,440 --> 00:13:23,240

Deb was kind of all they'd be so cool if we had a ghost I

98

00:13:24,840 --> 00:13:27,100

Was hoping that maybe that would be the last

99

00:13:28,160 --> 00:13:32,720

Last thing I would actually witness in the house, but

100

00:13:33,960 --> 00:13:35,960

It was just the beginning

101

00:13:36,680 --> 00:13:38,680

I

102

00:14:02,040 --> 00:14:05,440

Was in the living room strap and tailor into the car seat

103

00:14:06,080 --> 00:14:10,240

We decided to go ahead and pack the baby up and go over to my parents house

104

00:14:10,720 --> 00:14:12,720

Just just to get away for a while

105

00:14:27,400 --> 00:14:30,120

I felt like a really sharp pain to my back

106

00:14:36,840 --> 00:14:38,840

I

107

00:14:39,200 --> 00:14:41,200

Almost dropped to my knees

108

00:14:43,120 --> 00:14:47,120

It was scratched is probably five inches long in the center of his back

109

00:15:06,000 --> 00:15:08,380

This was uncharted territory for for us

110

00:15:09,160 --> 00:15:14,080

We were put in touch with a psychic one that was fairly local

111

00:15:15,640 --> 00:15:18,200

This is my husband Tony and our son Taylor I

112

00:15:22,280 --> 00:15:24,600

Didn't want people to think I was crazy to

113

00:15:25,480 --> 00:15:29,440

Invite a psychic in was just to me almost like a circus show I

114

00:15:29,520 --> 00:15:34,320

Feel it's a little girl

115

00:15:35,360 --> 00:15:39,120

We invited Barbara over so that she could give us some insight on

116

00:15:40,720 --> 00:15:42,720

What to expect and how to handle it

117

00:15:52,560 --> 00:15:54,560

Hello

118

00:15:55,480 --> 00:15:58,240

My name is Barbara what's yours?

119

00:15:59,720 --> 00:16:06,120

It just felt a little silly, you know asking something that you can't even see you don't know for sure is there or not

120

00:16:06,360 --> 00:16:08,360

asking it questions

121

00:16:08,920 --> 00:16:11,160

Why I'm gonna take some photos if that's alright

122

00:16:29,680 --> 00:16:43,920

It was very hard to breathe for her and she labored she's standing over there

123

00:16:47,560 --> 00:16:49,000

She says

124

00:16:49,000 --> 00:16:54,240

She says there are too many people here. She can't talk to us. Are you being serious?

125

00:16:55,120 --> 00:17:00,760

She was so happy that this thing communicated with her that it was almost

126

00:17:01,560 --> 00:17:03,560

Fearful me because I didn't know what to expect

127

00:17:04,760 --> 00:17:07,160

This is her corner Barbara said

128

00:17:07,880 --> 00:17:09,880

This is her corner

129

00:17:09,880 --> 00:17:17,280

She is happy here. She feels safe at home. I thought oh, she's close. She's wanting to be close and this is her room

130

00:17:17,280 --> 00:17:20,640

She's she's comfortable here, and I'm getting the name

131

00:17:25,240 --> 00:17:27,240

Sally

132

00:17:28,240 --> 00:17:30,240

And I'm getting the name Sally

133

00:17:34,840 --> 00:17:42,680

You should buy Sally some things of her own and give her a part of this room make her feel loved

134

00:17:46,120 --> 00:17:47,720

Sally

135

00:17:47,720 --> 00:17:49,720

Would you like me to buy you a doll?

136

00:17:49,840 --> 00:17:54,640

Just for you I had already planned I'm gonna get her a baby doll it was very exciting

137

00:17:54,640 --> 00:17:59,280

It was like learning about somebody you really care about but never remember

138

00:17:59,960 --> 00:18:05,920

She is like any other little child. She needs to be reprimanded if she does something wrong

139

00:18:09,560 --> 00:18:15,480

Barbara told us to treat Sally as if she was physically there with us scold her

140

00:18:16,360 --> 00:18:18,360

And give her consequences

141

00:18:18,360 --> 00:18:21,640

Thank you so much Barbara. I'll let you know how it all goes

142

00:18:24,200 --> 00:18:26,200

Bye-bye

143

00:18:26,960 --> 00:18:29,120

I had this helpless baby

144

00:18:30,120 --> 00:18:32,120

It's my job to protect him and

145

00:18:33,760 --> 00:18:36,200

How can I protect him from something I can't even see

146

00:18:37,160 --> 00:18:41,800

It didn't seem natural the way Deb wanted to invite this little entity to be

147

00:18:42,520 --> 00:18:44,520

almost part of the family

148

00:18:46,160 --> 00:18:51,880

It broke my heart to think of this little spirit alone and lost in her home. I

149

00:18:53,720 --> 00:18:56,800

Wanted to be there for her Sally I

150

00:18:59,200 --> 00:19:05,920

Want you to know that I'm here to help you what she needed was someone to look out for her and I thought that could be me I

151

00:19:06,520 --> 00:19:17,560

Didn't realize that what seemed to be such a benign loving caring good start

152

00:19:19,360 --> 00:19:21,360

Could turn so bad

153

00:19:35,920 --> 00:19:37,920

I

154

00:19:56,280 --> 00:20:02,160

Was working third shift I was getting off at seven in the morning

155

00:20:02,480 --> 00:20:09,480

That particular morning I was pouring glass orange juice just to have something drink before I went to bed

156

00:20:16,200 --> 00:20:18,200

I am seeing

157

00:20:24,800 --> 00:20:28,960

As soon as the glass hit she was gone I'll never forget it

158

00:20:28,960 --> 00:20:30,960

I

159

00:20:31,920 --> 00:20:37,920

Won't Tony just bursting in the room. What's wrong out of breath and panicking. I

160

00:20:38,640 --> 00:20:41,680

Was on the verge of hyperventilating. I saw

161

00:20:42,400 --> 00:20:46,120

All he said was I saw her I saw her saw who?

162

00:20:47,200 --> 00:20:49,200

Sally

163

00:20:50,880 --> 00:20:56,720

The first thought in my head was why did you get to see her I was so jealous

164

00:20:58,960 --> 00:21:00,960

I

165

00:21:01,800 --> 00:21:07,960

Draw a lot portrait so her rational thinking she said here you can't tell me what yourself draw it

166

00:21:08,520 --> 00:21:12,280

For about ten minutes. I sit there and just sketched what I saw I

167

00:21:13,520 --> 00:21:16,580

Don't think that Tony realized how much I

168

00:21:17,480 --> 00:21:19,480

Wanted to be in his shoes

169

00:21:19,480 --> 00:21:25,120

How much I wanted to be the one to see her and I thought maybe next time

170

00:21:29,680 --> 00:21:31,680

I

171

00:21:35,880 --> 00:21:39,320

Was in high hopes to give her things to call her own

172

00:21:40,960 --> 00:21:43,560

So she would feel a part of the family

173

00:21:58,960 --> 00:22:00,960

I

174

00:22:10,640 --> 00:22:14,040

Got her a little baby boy doll that was just like Taylor

175

00:22:23,920 --> 00:22:26,080

I was wanting to ask her questions

176

00:22:28,960 --> 00:22:30,960

And

177

00:22:43,480 --> 00:22:47,720

I waited and waited

178

00:22:51,040 --> 00:22:54,200

And I would check every day every time I passed the room I would check

179

00:22:58,960 --> 00:23:00,960

And

180

00:23:08,080 --> 00:23:10,080

The crib was the baby

181

00:23:12,680 --> 00:23:14,960

Little Taylor baby doll Sally

182

00:23:17,360 --> 00:23:21,200

Are you here with me now she was just here

183

00:23:22,200 --> 00:23:33,240

When I saw that she had answered the question that I had posed to her on that paper I

184

00:23:33,840 --> 00:23:41,320

Mean a big smile came across my face and I said thank you. Thank you for writing back to me. You did so good

185

00:23:51,800 --> 00:24:00,160

It was perfectly intact just the way I had wrapped it originally

186

00:24:05,040 --> 00:24:10,400

There was nothing in the box, but it also had not been opened from the outside

187

00:24:21,960 --> 00:24:24,680

My mother had known about things that were happening in the house

188

00:24:24,680 --> 00:24:27,800

I don't think she quite wanted to accept it. She just wanted to

189

00:24:28,720 --> 00:24:30,720

Distance herself from it

190

00:24:35,760 --> 00:24:38,000

Really let out a screen

191

00:24:44,320 --> 00:24:48,280

I saw the oil lamp lift up off the end of the table

192

00:24:48,880 --> 00:24:52,560

It just shot at my mother just like it come out of a cannon

193

00:24:53,240 --> 00:24:56,040

It stopped just like it hit a wall. You okay?

194

00:24:56,960 --> 00:25:00,400

Something was warning her don't mess with me. I can hurt you

195

00:25:01,120 --> 00:25:04,640

It scared the hell out of me. We're dealing with something way beyond a little girl

196

00:25:10,480 --> 00:25:14,120

This vicious little demon is trying to hurt us

197

00:25:14,760 --> 00:25:21,160

We can't go on like don't call her that what I was going through was really starting to create a conflict between me and Deb now

198

00:25:25,520 --> 00:25:29,880

I disagreed with Tony almost on every point when it came to dealing with

199

00:25:30,960 --> 00:25:34,760

Sally and spirit this thing has you under some kind of spell

200

00:25:34,760 --> 00:25:37,320

I'm getting the brunt of it and to Deb

201

00:25:37,320 --> 00:25:42,720

It's still this little girl that couldn't cause any harm like that. We have to get out of here
Deborah

202

00:25:44,160 --> 00:25:50,320

Can't just leave over a few little things. This is our home. Are you blind? Are you not seeing
this?

203

00:25:50,360 --> 00:25:53,680

I'm scared to death. Why aren't you scared? I?

204

00:26:04,200 --> 00:26:06,200

Just couldn't understand it

205

00:26:14,120 --> 00:26:16,120

I

206

00:26:44,720 --> 00:26:50,440

I start hearing a faint scratching behind the bed

207

00:26:52,760 --> 00:26:54,760

It was like

208

00:26:58,120 --> 00:27:00,640

Almost like you had an animal digging to get out of the wall

209

00:27:14,520 --> 00:27:19,520

She was reaching for me

210

00:27:23,720 --> 00:27:25,720

She grabbed my wrist

211

00:27:28,680 --> 00:27:31,200

And I literally thought I was gonna have a heart attack

212

00:27:34,000 --> 00:27:36,000

On your having a nightmare

213

00:27:44,640 --> 00:27:46,640

When I woke up in the morning

214

00:27:51,440 --> 00:27:56,000

Look I had exactly where that thing can grab me finger marks

215

00:27:58,000 --> 00:28:00,000

Burnt on my arm

216

00:28:01,000 --> 00:28:05,000

Sally did this she grabbed me she isn't what you think she is

217

00:28:05,000 --> 00:28:11,320

I felt like for the first time it's shown its true colors. Maybe she was just trying to contact us or tell us something

218

00:28:12,200 --> 00:28:16,200

That had to have been the first time that I questioned

219

00:28:19,120 --> 00:28:23,920

Something's wrong. We're in real danger here. It's tired of messing with me

220

00:28:26,600 --> 00:28:28,600

It's gonna show me what it is

221

00:28:31,960 --> 00:28:33,960

We want we needed help

222

00:28:41,440 --> 00:28:51,360

At the time in 1994 sightings was probably one of the first paranormal shows to ever air

223

00:28:53,720 --> 00:28:59,080

We'd heard about this family in Kansas that was having some paranormal problems

224

00:28:59,600 --> 00:29:03,400

It was interesting so we decided to look into it

225

00:29:03,800 --> 00:29:05,800

You

226

00:29:10,080 --> 00:29:13,320

See that what?

227

00:29:17,960 --> 00:29:23,320

Deborah I'm Craig Armstrong. We spoke over the phone. We'd watched several shows where they you know

228

00:29:23,880 --> 00:29:28,480

Helped other people and we thought that they could help us. Okay guys bring everything in please

229

00:29:29,200 --> 00:29:36,640

When I got there is when it became real clear to me that we were in for something that we weren't prepared for

230

00:29:41,480 --> 00:29:48,080

Now Deborah I know that you and Tony have both had contact with Sally we set up her interview in

the kitchen

231

00:29:48,280 --> 00:29:52,320

Have you seen her my husband's the only one to have actually seen Sally?

232

00:29:52,400 --> 00:29:55,840

she had a single rose that was on the

233

00:29:56,600 --> 00:30:00,040

Kitchen window seal he did a drawing of her

234

00:30:05,320 --> 00:30:11,520

And had a really good first interview with her and cut

235

00:30:12,240 --> 00:30:15,960

Right there. That's great. Thank you so much. Deborah. That's very very helpful

236

00:30:16,960 --> 00:30:19,320

I think mark what we should do now is

237

00:30:19,960 --> 00:30:22,440

Talk to Tony. Let's set up in the living room and

238

00:30:23,080 --> 00:30:25,800

We'll get his look at this rose

239

00:30:27,760 --> 00:30:30,200

I'm sure we would have noticed that when you were sitting yeah

240

00:30:30,480 --> 00:30:36,720

It was burnt in such a way that none of us could understand how it was possible. That's so weird

241

00:30:37,240 --> 00:30:42,680

It's almost as if someone took the rose and just you know lit a torch

242

00:30:43,160 --> 00:30:46,480

And just kind of went and just burned all the edges off

243

00:30:47,480 --> 00:30:52,320

When we roll back the tape stop

244

00:30:59,040 --> 00:31:01,920

That rose was not burned at all

245

00:31:01,920 --> 00:31:17,480

Between the interview time and in the time she noticed it

246

00:31:18,800 --> 00:31:20,800

Something occurred

247

00:31:23,680 --> 00:31:31,880

Okay, Tony in your own time we also wanted to get Tony in the chair because he was getting fit

248

00:31:31,920 --> 00:31:35,160

Physically impacted by what was going on in the house

249

00:31:37,720 --> 00:31:39,560

Small child

250

00:31:39,560 --> 00:31:44,640

Little girl around seven or eight years old. I felt real nervous. I just got off the night shift

251

00:31:44,640 --> 00:31:51,400

I didn't want to be in the crazy guy in town, you know, so I asked to be you know and sell wet and

252

00:31:52,800 --> 00:31:56,280

It was really early in the morning. So the interview is going really well

253

00:31:56,400 --> 00:31:57,680

I

254

00:31:57,680 --> 00:32:00,280

Was holding a thermal vision camera

255

00:32:01,200 --> 00:32:05,720

It gives me a really good picture of what's going on temperature-wise in the room

256

00:32:09,600 --> 00:32:12,880

Go ahead I feel something on my hand

257

00:32:13,520 --> 00:32:16,880

When I close the fridge door, I'm feeling it

258

00:32:17,920 --> 00:32:26,240

Intense cold sensation running through my car. I'll put it my chest. She's here. She's here. She's here. She's here

259

00:32:32,560 --> 00:32:35,320

It's heading straight for Tony

260

00:32:38,720 --> 00:32:40,720

Bam

261

00:32:42,880 --> 00:32:44,880

I

262

00:32:52,240 --> 00:32:57,000

See I went through my chest and down my other arm now. Oh god

263

00:33:01,560 --> 00:33:03,560

Tony what's going on?

264

00:33:06,600 --> 00:33:11,960

It just feels like stuff a frozen arm going right through you gotta get this

265

00:33:12,880 --> 00:33:14,880

Oh

266

00:33:29,320 --> 00:33:31,320

Just huge claw marks

267

00:33:33,640 --> 00:33:39,880

Because we were there because we were covering the story

268

00:33:43,720 --> 00:33:46,200

His life was in jeopardy

269

00:33:47,760 --> 00:33:51,720

All right, we got to stop we have to stop right now for your sake Tony. We're gonna stop all right

270

00:34:03,200 --> 00:34:06,280

It was an extreme experience for everybody involved

271

00:34:08,320 --> 00:34:12,080

You two take care of yourselves without a doubt I knew it was not

272

00:34:13,640 --> 00:34:15,640

A little girl ghost

273

00:34:27,640 --> 00:34:29,800

You know I was actually the one there

274

00:34:32,240 --> 00:34:36,080

Visibly seeing the pain in his eyes and the scratches on his body

275

00:34:37,080 --> 00:34:43,480

Let's get out of here. Yeah, I said to my bosses. I think we should not go back. I think we should

stop

276

00:34:43,480 --> 00:35:05,800

After the sighting screwed left

277

00:35:09,040 --> 00:35:11,040

It seemed almost that things

278

00:35:12,040 --> 00:35:14,040

Intensified

279

00:35:14,040 --> 00:35:16,040

I

280

00:35:39,840 --> 00:35:41,840

Had no idea that it was

281

00:35:42,840 --> 00:35:48,240

Ripping my husband apart emotionally physically

282

00:35:57,400 --> 00:36:00,280

How long he must have felt and

283

00:36:04,360 --> 00:36:08,480

Are you realize more and more how just off I was

284

00:36:12,040 --> 00:36:14,040

Our

285

00:36:16,040 --> 00:36:18,040

Family was in danger I

286

00:36:18,560 --> 00:36:23,440

Had to open my eyes and accept the fact that I couldn't be wrong all this time. I

287

00:36:24,240 --> 00:36:30,120

Was gonna research everything the library had I wanted to find out the history of the house

288

00:36:30,120 --> 00:36:32,120

I

289

00:36:39,840 --> 00:36:41,840

Finished my night shift at work

290

00:36:46,000 --> 00:36:48,000

I was very tired

291

00:36:53,160 --> 00:36:55,320

I really want to get some good rest

292

00:37:00,880 --> 00:37:02,880

Page by page and phone records

293

00:37:06,040 --> 00:37:08,040

Every newspaper I could find

294

00:37:08,880 --> 00:37:15,640

Church records the deed records the city records who built it who lived in it how it changed hands

295

00:37:17,400 --> 00:37:24,000

Pulling out films out of the drawers for the microfiche. I was going through everything I could possibly get a hold of

296

00:37:30,120 --> 00:37:32,120

I

297

00:37:53,800 --> 00:37:56,040

Literally thought something was gonna come through the wall

298

00:38:00,120 --> 00:38:02,120

I

299

00:38:04,000 --> 00:38:06,000

Start hearing all this whispering

300

00:38:09,960 --> 00:38:18,240

Several people on each side right in my ear I was petrified

301

00:38:22,640 --> 00:38:25,280

No one named Sally had ever lived at this house

302

00:38:27,880 --> 00:38:29,880

Much less died there

303

00:38:30,960 --> 00:38:32,960

I

304

00:38:33,360 --> 00:38:35,360

What the hell was this in our house

305

00:38:39,240 --> 00:38:41,240

Drawers were opening

306

00:38:42,440 --> 00:38:44,440

Shutting

307

00:38:47,640 --> 00:38:49,640

Start awaiting

308

00:38:54,600 --> 00:38:56,600

I thought I was in hell

309

00:39:00,600 --> 00:39:04,760

What did I give control to I defended her I

310

00:39:06,040 --> 00:39:12,180

Love her I was wrong Sally was a facade for something much darker

311

00:39:12,180 --> 00:39:14,180

I

312

00:39:28,660 --> 00:39:31,740

Start seeing these dust particles at the end of the bed

313

00:39:36,220 --> 00:39:40,200

It looked like a little swarm of bees almost taking shape

314

00:39:42,180 --> 00:39:44,180

I

315

00:40:12,180 --> 00:40:14,180

I

316

00:40:42,180 --> 00:40:44,180

I

317

00:41:06,540 --> 00:41:09,340

Didn't realize how alone he was

318

00:41:12,180 --> 00:41:14,180

I

319

00:41:16,940 --> 00:41:20,140

Didn't realize how much of an apology I owed him

320

00:41:29,220 --> 00:41:36,780

It meant to do harm and we'd better get out of there or we weren't going to get out

321

00:41:38,660 --> 00:41:40,900

This was not the spirit of a little girl

322

00:41:42,620 --> 00:41:47,060

This was uglier this was demonic

323

00:41:53,020 --> 00:41:59,180

All the things that I had bought Sally are given Sally we boxed them up and we moved into the attic

324

00:42:03,180 --> 00:42:05,180

And that's where they stayed

325

00:42:05,180 --> 00:42:07,180

I

326

00:42:10,940 --> 00:42:14,100

Swear to God it just totally played us against each other

327

00:42:14,700 --> 00:42:18,740

It took on the form of a little girl. I think just to try to win damn over I

328

00:42:20,060 --> 00:42:24,300

Realized the woven pulled over my eyes that I was not seeing things

329

00:42:25,100 --> 00:42:27,100

for what they were

330

00:42:27,740 --> 00:42:30,540

Everything just completely stopped the moment we left

331

00:42:35,180 --> 00:42:37,180

I
