

1

00:00:00,000 --> 00:00:02,000

Hey, Chris.

2

00:00:02,000 --> 00:00:05,000

Everything was highly classified back then.

3

00:00:05,000 --> 00:00:10,000

Tourism, chemical attacks, the Cold War, atomic bombs.

4

00:00:10,000 --> 00:00:12,000

Whoa!

5

00:00:12,000 --> 00:00:14,000

Whoa!

6

00:00:14,000 --> 00:00:16,000

Whoa!

7

00:00:16,000 --> 00:00:20,000

What I was seeing was nothing I'd been trained to deal with.

8

00:00:20,000 --> 00:00:22,000

Over there.

9

00:00:22,000 --> 00:00:31,000

What is it?

10

00:00:31,000 --> 00:00:33,000

Get out of here!

11

00:00:33,000 --> 00:00:36,000

So fast, it was scary.

12

00:00:36,000 --> 00:00:39,000

Go, go, go, go!

13

00:00:39,000 --> 00:00:43,000

Is this a warning?

14

00:00:43,000 --> 00:00:47,000

Is this a weapon?

15

00:00:47,000 --> 00:00:53,000

This was definitely technology far, far above ours.

16

00:01:17,000 --> 00:01:24,000

In 1980, I was reassigned from the Pentagon to RAF Fentwater's.

17

00:01:24,000 --> 00:01:29,000

I was a Lieutenant Colonel and had been in the Air Force about 18 years.

18

00:01:29,000 --> 00:01:31,000

This was the peak of the Cold War.

19

00:01:31,000 --> 00:01:34,000

Tensions were high between the Americans and the Russians.

20

00:01:34,000 --> 00:01:36,000

Merry Christmas, Sergeant.

21

00:01:36,000 --> 00:01:38,000

I'm going to go to the US.

22

00:01:38,000 --> 00:01:40,000

I'm going to go to the US.

23

00:01:40,000 --> 00:01:42,000

I'm going to go to the US.

24

00:01:42,000 --> 00:01:44,000

I'm going to go to the US.

25

00:01:44,000 --> 00:01:46,000

I'm going to go between the Americans and the Russians.

26

00:01:46,000 --> 00:01:47,000

Merry Christmas, Sergeant.

27

00:01:47,000 --> 00:01:48,000

Merry Christmas, Colonel.

28

00:01:48,000 --> 00:01:53,000

This was a nuclear, alert base.

29

00:02:00,000 --> 00:02:03,000

Very, very tight security.

30

00:02:03,000 --> 00:02:07,000

Armed guards around it all the time.

31

00:02:07,000 --> 00:02:13,000

The base had nuclear weapons in it, atomic bombs.

32

00:02:13,000 --> 00:02:15,960

I was a tower supervisor.

33

00:02:15,960 --> 00:02:20,360

I had been in the military 16 years.

34

00:02:20,360 --> 00:02:24,040

My responsibility was to ensure the aircraft landed

35

00:02:24,040 --> 00:02:25,600

and took off safely.

36

00:02:25,600 --> 00:02:32,680

The Christmas time, every home takes on a space.

37

00:02:32,680 --> 00:02:33,680

Merry Christmas.

38

00:02:33,680 --> 00:02:34,680

Merry Christmas.

39

00:02:34,680 --> 00:02:36,520

That's certainly true with the White House,

40

00:02:36,520 --> 00:02:38,480

where so many families and marriages can't be...

41

00:02:38,480 --> 00:02:39,480

Anything new?

42

00:02:39,480 --> 00:02:41,880

It's quite out there.

43

00:02:41,880 --> 00:02:45,760

We were not expecting any traffic at all that night.

44

00:02:45,760 --> 00:02:48,320

And what a year it's been.

45

00:02:48,320 --> 00:02:50,560

I mean, you'd sit there and looked at the stars.

46

00:02:50,560 --> 00:02:52,160

You know, there was nothing.

47

00:02:52,160 --> 00:02:54,200

A tragedy and a real achievement.

48

00:02:54,200 --> 00:02:55,200

Nothing at all.

49

00:02:55,200 --> 00:03:10,400

It was my first assignment.

50

00:03:10,400 --> 00:03:13,520

It was the first time I was away from home.

51

00:03:13,520 --> 00:03:16,760

It was definitely a challenge, not only being in a different country,

52

00:03:16,760 --> 00:03:24,080

but also trying to learn a new job.

53

00:03:24,080 --> 00:03:27,320

Around two o'clock in the morning, my supervisor,

54

00:03:27,320 --> 00:03:30,360

he radioed and wanted to meet up with me.

55

00:03:30,360 --> 00:03:31,760

One of the things that we required to do

56

00:03:31,760 --> 00:03:48,400

was we had to periodically check the East Gate.

57

00:03:48,400 --> 00:03:51,880

Do you see what I see?

58

00:03:51,880 --> 00:03:54,920

And I sat up a little bit more and I looked out.

59

00:03:54,920 --> 00:03:55,920

See what?

60

00:03:55,920 --> 00:03:58,920

What do you think it is?

61

00:03:58,920 --> 00:04:08,920

I don't know.

62

00:04:08,920 --> 00:04:10,600

There he goes.

63

00:04:10,600 --> 00:04:19,120

Is this anything that you'd seen before?

64

00:04:19,120 --> 00:04:22,720

We couldn't identify what it was, and we needed to call it in.

65

00:04:22,720 --> 00:04:26,080

This is Burroughs at East Gate.

66

00:04:26,080 --> 00:04:27,080

Over.

67

00:04:28,080 --> 00:04:31,080

Come in, Burroughs, at East Gate, over.

68

00:04:31,080 --> 00:04:32,960

Denison, over.

69

00:04:32,960 --> 00:04:36,480

My job was to make sure that that base perimeter was secure.

70

00:04:36,480 --> 00:04:38,480

Sir, we have a situation on here.

71

00:04:38,480 --> 00:04:39,480

There's something strange.

72

00:04:39,480 --> 00:04:41,480

You should take a look.

73

00:04:41,480 --> 00:04:42,480

Over.

74

00:04:42,480 --> 00:04:47,880

I had been in the service for about seven years.

75

00:04:47,880 --> 00:04:50,480

Every response I ever had up to that point in time,

76

00:04:50,480 --> 00:04:55,000

the security controller would tell me what was going on.

77

00:04:55,000 --> 00:04:56,880

This time it was different.

78

00:04:56,880 --> 00:05:02,480

This time he wouldn't tell me.

79

00:05:02,480 --> 00:05:07,680

So I jumped into my vehicle, hit the blue lights,

80

00:05:07,680 --> 00:05:09,680

and off I went toward the East Gate.

81

00:05:20,680 --> 00:05:21,680

What's going on here?

82

00:05:21,680 --> 00:05:24,680

There's something going on in that forest.

83

00:05:27,680 --> 00:05:42,680

The whole canopy of the forest is got like a white bubble of light over it.

84

00:05:47,680 --> 00:05:51,680

I couldn't distinguish exactly what it was, but it was very odd.

85

00:05:51,680 --> 00:05:55,680

My first thoughts of it was a downed aircraft,

86

00:05:55,680 --> 00:05:57,680

and it wasn't one of ours.

87

00:06:00,680 --> 00:06:02,680

I was thinking it was a security threat.

88

00:06:10,680 --> 00:06:15,680

I was trying to find a rational explanation of what's going on and what I was seeing.

89

00:06:25,680 --> 00:06:32,680

We started walking out into the forest.

90

00:06:32,680 --> 00:06:41,680

And when I looked out there, there was no lights.

91

00:06:41,680 --> 00:06:43,680

They were gone.

92

00:06:43,680 --> 00:06:46,680

And the forest was pitch black.

93

00:07:04,680 --> 00:07:07,680

Sergeant Penis in the base. Over.

94

00:07:07,680 --> 00:07:10,680

Sergeant Peniston to base, over.

95

00:07:10,680 --> 00:07:14,680

Almost immediately we started having trouble with our radios.

96

00:07:14,680 --> 00:07:17,680

Sergeant Peniston to base, over.

97

00:07:17,680 --> 00:07:22,680

I wasn't getting no response at all back from the control center.

98

00:07:22,680 --> 00:07:24,680

It's dead.

99

00:07:28,680 --> 00:07:31,680

Something was interfering with our communications.

100

00:07:31,680 --> 00:07:34,680

Something was interfering with our communications.

101

00:07:56,680 --> 00:07:59,680

All of a sudden everything was different.

102

00:08:01,680 --> 00:08:04,680

There was like an electric charge in here.

103

00:08:05,680 --> 00:08:07,680

Like static electricity.

104

00:08:08,680 --> 00:08:10,680

It felt like your hair was standing up.

105

00:08:26,680 --> 00:08:29,680

There was a loud pitch squealing sound.

106

00:08:32,680 --> 00:08:34,680

Then we could hear farm animals.

107

00:08:35,680 --> 00:08:37,680

These animals were startled.

108

00:08:41,680 --> 00:08:45,680

Whatever was out there, that told me that they were trying to get away from it.

109

00:08:45,680 --> 00:08:47,680

Something hit the ground.

110

00:09:16,680 --> 00:09:18,680

I went into defensive mode.

111

00:09:21,680 --> 00:09:23,680

It's a threat. It's an unknown threat.

112

00:09:27,680 --> 00:09:29,680

I had no clue of what this thing was.

113

00:09:31,680 --> 00:09:34,680

Normal was stable. It's radioactive.

114

00:09:35,680 --> 00:09:37,680

I was thinking the worst.

115

00:09:45,680 --> 00:09:48,680

I thought it was going to explode.

116

00:10:15,680 --> 00:10:17,680

I was thinking the worst.

117

00:10:22,680 --> 00:10:25,680

My job wasn't to worry about myself.

118

00:10:26,680 --> 00:10:28,680

It was to go ahead and find out what it was.

119

00:10:29,680 --> 00:10:31,680

I don't know if it was hostile.

120

00:10:46,680 --> 00:10:49,680

What I saw, I had no reference point to.

121

00:10:51,680 --> 00:10:53,680

There was no way to identify what it was.

122

00:10:57,680 --> 00:11:00,680

I was privy to prototypes from other assignments.

123

00:11:02,680 --> 00:11:05,680

This was unlike any aircraft I've ever seen before.

124

00:11:16,680 --> 00:11:18,680

It was so unique.

125

00:11:21,680 --> 00:11:23,680

So one of a kind.

126

00:11:27,680 --> 00:11:29,680

I was completely in awe.

127

00:11:46,680 --> 00:11:48,680

It was not an aircraft.

128

00:11:49,680 --> 00:11:51,680

It was not a helicopter.

129

00:11:53,680 --> 00:11:55,680

I'd never seen anything like that.

130

00:11:58,680 --> 00:12:00,680

I...

131

00:12:01,680 --> 00:12:03,680

...tried to compose myself a little bit.

132

00:12:04,680 --> 00:12:07,680

And it was 360 of the craft, walking around.

133

00:12:10,680 --> 00:12:12,680

It looked like black glass.

134

00:12:13,680 --> 00:12:15,680

It was just over six foot tall.

135

00:12:18,680 --> 00:12:24,680

I'm looking for exhaust ports, intake ports, crew compartment.

136

00:12:28,680 --> 00:12:30,680

There's nothing.

137

00:12:33,680 --> 00:12:38,680

This was definitely technology far, far above ours.

138

00:12:43,680 --> 00:12:45,680

Take a look at this.

139

00:12:46,680 --> 00:12:49,680

And then I can see that there's something on the far side.

140

00:13:00,680 --> 00:13:02,680

Symbols.

141

00:13:03,680 --> 00:13:05,680

They're like nothing like I've seen before.

142

00:13:09,680 --> 00:13:11,680

What is he doing?

143

00:13:12,680 --> 00:13:14,680

What do you think it means?

144

00:13:14,680 --> 00:13:17,680

I mean, it was clearly something very significant.

145

00:13:22,680 --> 00:13:26,680

So that's when I started to record each of them down in my notebook.

146

00:13:29,680 --> 00:13:32,680

I wrote down the symbols. I drew them as well as I could.

147

00:13:36,680 --> 00:13:38,680

There was this large symbol.

148

00:13:39,680 --> 00:13:45,680

I was curious in a way, but I was in awe too.

149

00:13:56,680 --> 00:13:59,680

When I touched it, it felt warm.

150

00:14:03,680 --> 00:14:05,680

I was thinking radioactivity.

151

00:14:08,680 --> 00:14:10,680

I felt like I pressed a button.

152

00:14:12,680 --> 00:14:15,680

And I activated a technology that I couldn't understand.

153

00:14:20,680 --> 00:14:22,680

I was scared.

154

00:14:23,680 --> 00:14:25,680

I was scared that it was going to blow up.

155

00:14:39,680 --> 00:14:41,680

This is it.

156

00:14:42,680 --> 00:14:44,680

Blimey white light.

157

00:14:47,680 --> 00:14:49,680

This is it.

158

00:15:04,680 --> 00:15:06,680

It was like a blink of night.

159

00:15:06,680 --> 00:15:08,680

It went from being there to gone just like that snap.

160

00:15:09,680 --> 00:15:11,680

Holy cow.

161

00:15:18,680 --> 00:15:20,680

No way, man.

162

00:15:20,680 --> 00:15:24,680

Immediately after it left, I wrote down two words in my notebook.

163

00:15:29,680 --> 00:15:31,680

Speed, impossible.

164

00:15:38,680 --> 00:15:40,680

I was like, what the hell is this?

165

00:15:52,680 --> 00:15:56,680

Things started going through your mind like, holy s***, how are we going to explain this?

166

00:16:03,680 --> 00:16:07,680

I was told to go ahead and report in with the shift commander's office.

167

00:16:09,680 --> 00:16:12,680

Reality is setting in.

168

00:16:14,680 --> 00:16:18,680

If you report a UFO incident in the air force, that's the end of your career.

169

00:16:23,680 --> 00:16:24,680

What happened?

170

00:16:27,680 --> 00:16:28,680

What was her?

171

00:16:29,680 --> 00:16:31,680

I decided I would keep it in military terms.

172

00:16:33,680 --> 00:16:34,680

It was a craft.

173

00:16:34,680 --> 00:16:36,680

Hell I know no origin.

174

00:16:41,680 --> 00:16:44,680

The odd thing was after telling him about the craft, he didn't even flinch.

175

00:16:47,680 --> 00:16:48,680

Is that all, sir?

176

00:16:49,680 --> 00:16:50,680

That's all.

177

00:16:50,680 --> 00:16:53,680

Even stranger is why didn't he ask for statements.

178

00:17:05,680 --> 00:17:08,680

I was a staff sergeant, US Air Force.

179

00:17:09,680 --> 00:17:12,680

I was one of the main instructors in chemical warfare defense.

180

00:17:18,680 --> 00:17:20,680

Automatically I jumped to the alert stage.

181

00:17:24,680 --> 00:17:27,680

Here's a lieutenant security policeman in front of me.

182

00:17:28,680 --> 00:17:29,680

What's next going on here?

183

00:17:30,680 --> 00:17:31,680

Colonel's asked me to talk to you.

184

00:17:31,680 --> 00:17:34,680

And he said, well, this is classified.

185

00:17:34,680 --> 00:17:39,680

I want you to understand that what we're going to be talking about is not to be told to anybody.

186

00:17:39,680 --> 00:17:40,680

Do you understand?

187

00:17:41,680 --> 00:17:44,680

And he proceeded to tell me about an unusual thing.

188

00:17:44,680 --> 00:17:47,680

A UFO had been rumored to hit the base.

189

00:17:49,680 --> 00:17:53,680

He wanted me to go out and do an independent investigation.

190

00:18:01,680 --> 00:18:03,680

There were three indentations.

191

00:18:03,680 --> 00:18:05,680

There were three indentations.

192

00:18:10,680 --> 00:18:12,680

All pressed in the same height.

193

00:18:13,680 --> 00:18:15,680

The first one was a gun.

194

00:18:16,680 --> 00:18:18,680

The second one was a gun.

195

00:18:19,680 --> 00:18:21,680

The third one was a gun.

196

00:18:22,680 --> 00:18:24,680

The third one was a gun.

197

00:18:25,680 --> 00:18:27,680

The third one was a gun.

198

00:18:28,680 --> 00:18:30,680

The third one was a gun.

199

00:18:30,680 --> 00:18:32,680

All pressed in the same height.

200

00:18:33,680 --> 00:18:35,680

Same depth.

201

00:18:36,680 --> 00:18:37,680

Same width.

202

00:18:38,680 --> 00:18:40,680

It looked like a tripod.

203

00:18:40,680 --> 00:18:41,680

Look at this.

204

00:18:54,680 --> 00:18:57,680

The trees had been scorched.

205

00:19:01,680 --> 00:19:07,680

By something that was either hot or burning,

206

00:19:12,680 --> 00:19:14,680

it didn't make sense to me.

207

00:19:18,680 --> 00:19:21,680

I began to believe that something had happened.

208

00:19:31,680 --> 00:19:33,680

It was starting to get dark.

209

00:19:34,680 --> 00:19:37,680

So I had to pick up the night vision goggles.

210

00:19:42,680 --> 00:19:44,680

What I'm seeing is green.

211

00:19:57,680 --> 00:19:58,680

Look.

212

00:19:58,680 --> 00:20:00,680

But out of the corner of my eye,

213

00:20:00,680 --> 00:20:04,680

I spotted something out there over there.

214

00:20:11,680 --> 00:20:13,680

And all of a sudden,

215

00:20:15,680 --> 00:20:17,680

light is coming toward us.

216

00:20:28,680 --> 00:20:30,680

This light was...

217

00:20:31,680 --> 00:20:33,680

I don't even know how to describe it.

218

00:20:40,680 --> 00:20:43,680

It appeared to be an eyeball.

219

00:20:47,680 --> 00:20:49,680

It was a gun.

220

00:20:50,680 --> 00:20:52,680

It was a gun.

221

00:20:53,680 --> 00:20:55,680

It was a gun.

222

00:20:56,680 --> 00:20:58,680

It was a gun.

223

00:21:00,680 --> 00:21:02,680

Real bright.

224

00:21:05,680 --> 00:21:07,680

And then it would get dimmed.

225

00:21:10,680 --> 00:21:13,680

It looked like it was just blinking.

226

00:21:17,680 --> 00:21:19,680

Then it stopped.

227

00:21:26,680 --> 00:21:28,680

It was a gun.

228

00:21:32,680 --> 00:21:34,680

It didn't have time to think.

229

00:21:50,680 --> 00:21:53,680

The party was for all the officers.

230

00:21:54,680 --> 00:21:57,680

It was just a nice time for everybody to get together.

231

00:22:09,680 --> 00:22:14,680

The senior police officer on duty came in carrying an M16.

232

00:22:15,680 --> 00:22:17,680

I mean, he stood out like a sore thumb.

233

00:22:18,680 --> 00:22:19,680

What's back?

234

00:22:19,680 --> 00:22:21,680

What's back?

235

00:22:21,680 --> 00:22:23,680

The UFO's back.

236

00:22:24,680 --> 00:22:26,680

Oh, come on.

237

00:22:26,680 --> 00:22:28,680

I'm serious.

238

00:22:38,680 --> 00:22:40,680

The party was in full swing.

239

00:22:41,680 --> 00:22:43,680

And Colonel said...

240

00:22:43,680 --> 00:22:46,680

It was more in further review.

241

00:22:46,680 --> 00:22:48,680

And I said, yes, sir. I think it does.

242

00:22:49,680 --> 00:22:51,680

You're right.

243

00:22:52,680 --> 00:22:55,680

I really wanted to prove there wasn't anything out there.

244

00:22:57,680 --> 00:23:00,680

We're going to put this whole thing to rest once and for all.

245

00:23:00,680 --> 00:23:03,680

I'm going to put this whole thing to rest once and for all.

246

00:23:18,680 --> 00:23:20,680

Lo and behold, there's four or five vehicles

247

00:23:20,680 --> 00:23:22,680

and probably 25 people in the forest.

248

00:23:25,680 --> 00:23:27,680

I almost went into shock.

249

00:23:27,680 --> 00:23:29,680

The whole situation was getting out of control.

250

00:23:29,680 --> 00:23:32,680

Okay, everybody needs to move back roadside now.

251

00:23:33,680 --> 00:23:35,680

This is a classified zone. Do you hear me?

252

00:23:42,680 --> 00:23:45,680

I was kind of surprised. What's John Burrow's doing here?

253

00:23:45,680 --> 00:23:48,680

I was out in the forest with the team trying to figure out what's going on.

254

00:23:52,680 --> 00:23:55,680

It was very shocking that senior leadership

255

00:23:55,680 --> 00:23:58,680

had taken this much interest in the incident.

256

00:23:59,680 --> 00:24:01,680

I was surprised.

257

00:24:10,680 --> 00:24:13,680

When we got into the forest, it was very quiet.

258

00:24:14,680 --> 00:24:16,680

It was eerie quiet.

259

00:24:21,680 --> 00:24:26,680

They took me up to a site which was 150, 200 feet or more from the vehicle.

260

00:24:29,680 --> 00:24:31,680

I looked at the indentations.

261

00:24:32,680 --> 00:24:35,680

They were all exactly the same.

262

00:24:36,680 --> 00:24:38,680

Nice neat triangle.

263

00:24:41,680 --> 00:24:44,680

Okay, Sergeant Neville, let's get some readings with the Geiger counter.

264

00:24:46,680 --> 00:24:48,680

I looked at the indentations.

265

00:24:49,680 --> 00:24:51,680

They were all exactly the same.

266

00:24:52,680 --> 00:24:54,680

Nice neat triangle.

267

00:24:55,680 --> 00:24:58,680

Okay, Sergeant Neville, let's get some readings with the Geiger counter.

268

00:25:00,680 --> 00:25:05,680

The Geiger counter was necessary to prove that there was no radiation or anything.

269

00:25:06,680 --> 00:25:09,680

That's clearly established that there's nothing out here.

270

00:25:12,680 --> 00:25:15,680

He started taking readings and he went around the whole triangle.

271

00:25:22,680 --> 00:25:24,680

I'm getting residuals.

272

00:25:25,680 --> 00:25:27,680

Okay, bring it into the center. See what kind of reading you get there.

273

00:25:29,680 --> 00:25:32,680

The moment he put the Geiger counter down into the hole.

274

00:25:40,680 --> 00:25:42,680

The needle really started getting active.

275

00:25:44,680 --> 00:25:46,680

It jumped to 7 to 10.

276

00:25:47,680 --> 00:25:50,680

Right, lean on over to this tree here to see what it says.

277

00:25:59,680 --> 00:26:02,680

We've pegged out, sir. It's off the scale.

278

00:26:05,680 --> 00:26:10,680

Whatever had been there had either been carrying nuclear material or had some type of radioactivity on it.

279

00:26:29,680 --> 00:26:47,680

There's no way what I detected on that meter that it was abnormal. It was abnormal.

280

00:26:50,680 --> 00:26:53,680

I saw the evidence that something happened in the forest.

281

00:26:54,680 --> 00:26:56,680

Something certainly landed there and made an impact.

282

00:26:57,680 --> 00:27:00,680

Okay, Sergeant, grab your camera. Get some photographs.

283

00:27:05,680 --> 00:27:07,680

At that time I turned on my little tape recorder.

284

00:27:10,680 --> 00:27:16,680

There's a round of radio on the tree about 3 1/4 in diameter.

285

00:27:18,680 --> 00:27:20,680

Mark this sample one.

286

00:27:21,680 --> 00:27:23,680

I haven't cut it off and include some of that sap and all.

287

00:27:26,680 --> 00:27:36,680

It's between indentation 2 and 3 on a pine tree about 5 feet away about 3 1/2 feet off the ground.

288

00:27:37,680 --> 00:27:40,680

Okay, we are now at the initial impact point.

289

00:27:42,680 --> 00:27:47,680

The indentation looked like something twisted as it got, you know, as it sat down on it.

290

00:27:47,680 --> 00:27:51,680

It looked like something that sat it down and twisted it from side to side.

291

00:27:53,680 --> 00:27:55,680

It's very strange.

292

00:27:57,680 --> 00:27:59,680

I'm going to go back to the ground.

293

00:28:11,680 --> 00:28:16,680

The animals, they went crazy.

294

00:28:18,680 --> 00:28:21,680

The birds in the forest, they were spooked by something.

295

00:28:21,680 --> 00:28:26,680

Now I'm starting to get alarmed.

296

00:28:45,680 --> 00:28:50,680

The animals that made all the noise and light birds suddenly just got silent.

297

00:28:52,680 --> 00:28:56,680

All the binary animals have gotten quiet now.

298

00:28:59,680 --> 00:29:01,680

Hey, this is Erie.

299

00:29:11,680 --> 00:29:13,680

And suddenly, without any notice...

300

00:29:17,680 --> 00:29:20,680

The light, they weren't working properly.

301

00:29:21,680 --> 00:29:23,680

They were just being shot.

302

00:29:31,680 --> 00:29:33,680

Total darkness.

303

00:29:45,680 --> 00:29:47,680

Suddenly, the police lieutenant said,

304

00:29:47,680 --> 00:29:50,680

Sir, over there.

305

00:30:01,680 --> 00:30:03,680

There's a bright glowing object.

306

00:30:11,680 --> 00:30:13,680

It had a dark center.

307

00:30:14,680 --> 00:30:16,680

It was like a black pupil of an eye.

308

00:30:25,680 --> 00:30:27,680

It appeared to be on fire.

309

00:30:29,680 --> 00:30:31,680

What is this?

310

00:30:32,680 --> 00:30:35,680

There is no doubt about it. This is weird.

311

00:30:37,680 --> 00:30:39,680

This is a little strange.

312

00:30:40,680 --> 00:30:43,680

It appears to be making a little bit this way.

313

00:30:45,680 --> 00:30:47,680

It's coming this way.

314

00:30:49,680 --> 00:30:51,680

It's definitely coming this way.

315

00:30:55,680 --> 00:30:57,680

It came toward us.

316

00:31:01,680 --> 00:31:03,680

We were running.

317

00:31:10,680 --> 00:31:13,680

It exploded into five white objects like that.

318

00:31:18,680 --> 00:31:20,680

Get down! Get down! Get down!

319

00:31:21,680 --> 00:31:23,680

Something was coming straight at us.

320

00:31:28,680 --> 00:31:30,680

And then it was off.

321

00:31:32,680 --> 00:31:34,680

Straight back up into the sky.

322

00:31:40,680 --> 00:31:42,680

Suddenly, I could see...

323

00:31:44,680 --> 00:31:46,680

two objects to the north...

324

00:31:47,680 --> 00:31:49,680

and one to the south.

325

00:31:49,680 --> 00:31:51,680

They were elliptical,

326

00:31:51,680 --> 00:31:53,680

moving at high speed,

327

00:31:53,680 --> 00:31:55,680

in sync.

328

00:31:56,680 --> 00:31:58,680

They had to be going supersonic.

329

00:32:02,680 --> 00:32:04,680

Good grief. Is this a weapon?

330

00:32:05,680 --> 00:32:07,680

It's a weapon.

331

00:32:10,680 --> 00:32:12,680

It's a weapon.

332

00:32:29,680 --> 00:32:31,680

The real question was, what was it?

333

00:32:31,680 --> 00:32:33,680

Who was controlling it?

334

00:32:33,680 --> 00:32:35,680

And was it a threat or a danger?

335

00:32:40,680 --> 00:32:43,680

I was sitting back with my feet propped up on the console.

336

00:32:47,680 --> 00:32:49,680

And I was looking up at the bright two radar.

337

00:33:03,680 --> 00:33:05,680

What the heck is this coming?

338

00:33:10,680 --> 00:33:13,680

This thing was traveling so fast...

339

00:33:14,680 --> 00:33:17,680

that instead of getting individual blips...

340

00:33:18,680 --> 00:33:20,680

we were getting a straight line.

341

00:33:21,680 --> 00:33:23,680

Things moving too fast.

342

00:33:24,680 --> 00:33:27,680

This thing was so fast, it was scary.

343

00:33:28,680 --> 00:33:31,680

Call Eastern Radar and see if they got an impact.

344

00:33:31,680 --> 00:33:33,680

See if they're tracking this thing.

345

00:33:39,680 --> 00:33:41,680

I could no longer see it visually.

346

00:33:55,680 --> 00:33:57,680

And then...

347

00:33:58,680 --> 00:34:00,680

it appeared.

348

00:34:00,680 --> 00:34:02,680

And it was right next to the window.

349

00:34:05,680 --> 00:34:07,680

Slowing down.

350

00:34:10,680 --> 00:34:12,680

It was huge.

351

00:34:16,680 --> 00:34:18,680

I was totally astonished.

352

00:34:19,680 --> 00:34:21,680

I was so shocked.

353

00:34:22,680 --> 00:34:24,680

I was so shocked.

354

00:34:25,680 --> 00:34:27,680

I was so shocked.

355

00:34:27,680 --> 00:34:29,680

I was totally astonished.

356

00:34:33,680 --> 00:34:36,680

They just hung there in the air.

357

00:34:42,680 --> 00:34:44,680

And then all of a sudden...

358

00:34:45,680 --> 00:34:47,680

just dead silence.

359

00:34:50,680 --> 00:34:52,680

No noise.

360

00:34:52,680 --> 00:34:54,680

No exhaust.

361

00:34:54,680 --> 00:34:56,680

Not a shrill.

362

00:34:57,680 --> 00:34:59,680

Nothing.

363

00:35:27,680 --> 00:35:29,680

I'm so shocked.

364

00:35:29,680 --> 00:35:31,680

I'm so shocked.

365

00:35:31,680 --> 00:35:33,680

I'm so shocked.

366

00:35:33,680 --> 00:35:35,680

I'm so shocked.

367

00:35:35,680 --> 00:35:37,680

I'm so shocked.

368

00:35:37,680 --> 00:35:39,680

I'm so shocked.

369

00:35:39,680 --> 00:35:41,680

I'm so shocked.

370

00:35:41,680 --> 00:35:43,680

I'm so shocked.

371

00:35:43,680 --> 00:35:45,680

I'm so shocked.

372

00:35:45,680 --> 00:35:47,680

I'm so shocked.

373

00:35:47,680 --> 00:35:49,680

I'm so shocked.

374

00:35:49,680 --> 00:35:51,680

I'm so shocked.

375

00:35:51,680 --> 00:35:53,680

I'm so shocked.

376

00:35:53,680 --> 00:35:55,680

I'm so shocked.

377

00:35:55,680 --> 00:35:57,680

I'm so shocked.

378

00:36:01,680 --> 00:36:03,680

And then it stopped.

379

00:36:05,680 --> 00:36:07,680

Near the weapon storage area.

380

00:36:11,680 --> 00:36:13,680

It was where we stored the nukes.

381

00:36:25,680 --> 00:36:28,680

Now we've got an object over over base.

382

00:36:29,680 --> 00:36:32,680

We'll have to send degrees off the horizon.

383

00:36:33,680 --> 00:36:35,680

This is unreal.

384

00:36:35,680 --> 00:36:37,680

I'm so shocked.

385

00:36:53,680 --> 00:36:55,680

And suddenly it sent down a beam.

386

00:36:55,680 --> 00:36:57,680

What's that?

387

00:36:57,680 --> 00:36:59,680

I don't know.

388

00:36:59,680 --> 00:37:01,680

What is that?

389

00:37:03,680 --> 00:37:05,680

I heard chatter on the radio.

390

00:37:07,680 --> 00:37:09,680

Saying there were beams of light

391

00:37:09,680 --> 00:37:11,680

and the vicinity of the weapon storage area.

392

00:37:11,680 --> 00:37:13,680

I think up now I can see where it goes.

393

00:37:13,680 --> 00:37:15,680

Everything we had was over there.

394

00:37:15,680 --> 00:37:17,680

And that light was right over there.

395

00:37:17,680 --> 00:37:19,680

And it was right over there.

396

00:37:19,680 --> 00:37:21,680

And it was right over there.

397

00:37:21,680 --> 00:37:23,680

And it was right over there.

398

00:37:23,680 --> 00:37:25,680

And that light was right over it.

399

00:37:27,680 --> 00:37:29,680

Oh, please, God.

400

00:37:39,680 --> 00:37:41,680

We were a favor for all.

401

00:37:41,680 --> 00:37:43,680

Target.

402

00:37:53,680 --> 00:37:55,680

Target.

403

00:38:23,680 --> 00:38:25,680

Target.

404

00:38:25,680 --> 00:38:27,680

Target.

405

00:38:27,680 --> 00:38:29,680

Target.

406

00:38:51,680 --> 00:38:53,680

I mean, it was...

407

00:38:53,680 --> 00:38:55,680

blink of an eye.

408

00:38:55,680 --> 00:38:57,680

It's gone.

409

00:39:09,680 --> 00:39:11,680

I was literally in shock.

410

00:39:11,680 --> 00:39:13,680

Oh, thank God.

411

00:39:13,680 --> 00:39:16,680

It could have ignited a major conflict or a war.

412

00:39:21,680 --> 00:39:23,680

I don't know what I saw.

413

00:39:25,680 --> 00:39:29,680

I know what I saw, but I don't know what it was that I saw.

414

00:39:41,680 --> 00:39:45,680

It could have struck the weapons storage area.

415

00:39:45,680 --> 00:39:49,680

And, you know, it could have done anything it wanted to.

416

00:39:51,680 --> 00:39:53,680

We have nuclear weapons there.

417

00:39:55,680 --> 00:39:58,680

You know, that's the big boom.

418

00:39:58,680 --> 00:40:00,680

And the last one I'd ever hear.

419

00:40:25,680 --> 00:40:28,680

The whole time this thing was evolving,

420

00:40:28,680 --> 00:40:32,680

I had concern that this has serious security implications.

421

00:40:32,680 --> 00:40:35,680

It could have been misunderstood as something that

422

00:40:35,680 --> 00:40:37,680

Soviets were doing, for instance.

423

00:40:37,680 --> 00:40:40,680

But I wasn't in a position to do much of anything.

424

00:40:40,680 --> 00:40:42,680

Nobody wanted to up-channel it.

425

00:40:42,680 --> 00:40:44,680

Nobody wanted to admit what happened.

426

00:40:55,680 --> 00:40:59,680

There's no doubt in my mind that was an unidentified flying object

427

00:40:59,680 --> 00:41:01,680

under intelligent control.

428

00:41:01,680 --> 00:41:04,680

I feel that the craft that night was there for a specific reason.

429

00:41:32,680 --> 00:41:36,680

It was a probe that was unmanned.

430

00:41:36,680 --> 00:41:39,680

It was there to gather information.

431

00:41:39,680 --> 00:41:42,680

That's the feeling I have about it.

432

00:41:43,680 --> 00:41:47,680

It's led me on a quest to try and find out what happened.

433

00:41:47,680 --> 00:41:51,680

I want to know what we encountered and what happened to us.

434

00:42:02,680 --> 00:42:07,680

I didn't really speak about it while I was still in the military.

435

00:42:07,680 --> 00:42:11,680

I had a career and a family to consider.

436

00:42:13,680 --> 00:42:19,680

I'm not really proud of my actions for covering it up.

437

00:42:20,680 --> 00:42:25,680

But I'm not going to deny something that I know that happened to me.

438

00:42:25,680 --> 00:42:27,680

Not anymore.

439

00:42:28,680 --> 00:42:38,680

I guess I was just afraid of being considered one of those kooks out there that see UFOs.

440

00:42:40,680 --> 00:42:44,680

But those kooks are real. Real people.

441

00:42:57,680 --> 00:43:00,680

you
