

1

00:00:00,000 --> 00:00:07,000

I heard about this house.

2

00:00:07,000 --> 00:00:11,000

It hit everything we were looking for.

3

00:00:11,000 --> 00:00:16,000

It seemed like the deeper I got into the house, the sicker I got.

4

00:00:16,000 --> 00:00:20,000

245. Every night.

5

00:00:20,000 --> 00:00:23,000

It never skipped a night.

6

00:00:23,000 --> 00:00:25,000

Matt? Is that you?

7

00:00:25,000 --> 00:00:29,000

I knew something was hunting me.

8

00:00:30,000 --> 00:00:35,000

Oh God. Something's gonna happen.

9

00:00:35,000 --> 00:00:41,000

We've disturbed something that we should have never disturbed.

10

00:00:42,000 --> 00:00:44,000

Get her!

11

00:00:58,000 --> 00:01:00,000

Coffee's ready.

12

00:01:12,000 --> 00:01:14,000

Honey?

13

00:01:14,000 --> 00:01:16,000

Came right out of the blue.

14

00:01:16,000 --> 00:01:18,000

She was a normal, healthy type lady.

15

00:01:18,000 --> 00:01:20,000

Honey, what's wrong?

16

00:01:32,000 --> 00:01:34,000

It affected my family.

17

00:01:34,000 --> 00:01:36,000

Basically, it shook us to the roots.

18

00:01:38,000 --> 00:01:40,000

Get in, kids.

19

00:01:42,000 --> 00:01:44,000

Thank you.

20

00:01:50,000 --> 00:01:52,000

Dad, what is it?

21

00:01:54,000 --> 00:01:59,000

My mom means everything in the world to me, so it was hard.

22

00:01:59,000 --> 00:02:01,000

Dad?

23

00:02:01,000 --> 00:02:03,000

Listen to me, kids.

24

00:02:03,000 --> 00:02:06,000

We thought, oh God, we're not gonna have a mom.

25

00:02:06,000 --> 00:02:09,000

And it was kind of one of those, like, reality checks to me,

26

00:02:09,000 --> 00:02:12,000

saying that, do I have to grow up without a mom?

27

00:02:31,000 --> 00:02:36,000

When I had my stroke, it was very difficult.

28

00:02:36,000 --> 00:02:44,000

My speech came back, but my thought process was not 100%.

29

00:02:44,000 --> 00:02:47,000

But I knew that it was in me to be a fighter.

30

00:02:49,000 --> 00:02:52,000

And just looking at my kids on a daily basis.

31

00:02:55,000 --> 00:02:57,000

I want to see them grow up.

32

00:02:59,000 --> 00:03:02,000

That was the first time I saw the house.

33

00:03:02,000 --> 00:03:05,000

We originally were staying in a rental unit,

34

00:03:05,000 --> 00:03:09,000

trying to find a bigger, better place to make permanent.

35

00:03:09,000 --> 00:03:11,000

We needed a home.

36

00:03:11,000 --> 00:03:13,000

This was it.

37

00:03:13,000 --> 00:03:15,000

It's a new start, baby.

38

00:03:15,000 --> 00:03:18,000

Today's the first day of our new life.

39

00:03:33,000 --> 00:03:36,000

And it's even got a spooky basement.

40

00:03:40,000 --> 00:03:42,000

I don't know what it was,

41

00:03:42,000 --> 00:03:46,000

but basement had a really kind of a weird feel to it.

42

00:03:46,000 --> 00:03:49,000

I think I've had enough for today.

43

00:04:03,000 --> 00:04:05,000

When I finally got my room set up,

44

00:04:05,000 --> 00:04:07,000

I started putting my stuff away.

45

00:04:08,000 --> 00:04:12,000

I brought out these two bunnies that I was giving for Easter.

46

00:04:12,000 --> 00:04:14,000

And they're really cute,

47

00:04:14,000 --> 00:04:17,000

and they have this little rope connecting them by their paws.

48

00:04:17,000 --> 00:04:24,000

The boy bunny, it was right in the middle of my room.

49

00:04:32,000 --> 00:04:34,000

Why are they torn apart?

50

00:04:42,000 --> 00:04:44,000

I go to the bathroom,

51

00:04:45,000 --> 00:04:48,000

I go straight to my mom.

52

00:04:48,000 --> 00:04:50,000

Mom!

53

00:04:50,000 --> 00:04:52,000

Mom, my bunnies are broken.

54

00:04:52,000 --> 00:04:54,000

She was really upset.

55

00:04:54,000 --> 00:04:56,000

Well, honey, it's probably just from the move.

56

00:04:56,000 --> 00:04:57,000

I more or less told her,

57

00:04:57,000 --> 00:04:59,000

oh, you must have ripped it by accident.

58

00:05:02,000 --> 00:05:04,000

She stomped up those stairs

59

00:05:04,000 --> 00:05:06,000

and was very irritated with me

60

00:05:06,000 --> 00:05:08,000

in the fact that I would not acknowledge

61

00:05:08,000 --> 00:05:11,000

that somebody broke her kissing bunnies.

62

00:05:14,000 --> 00:05:16,000

I'm sorry.

63

00:05:29,000 --> 00:05:31,000

I just want you to get better.

64

00:05:33,000 --> 00:05:35,000

Ever since my stroke,

65

00:05:35,000 --> 00:05:37,000

the doctors had issued me a CPAP,

66

00:05:37,000 --> 00:05:40,000

and this is to help me regulate my breathing.

67

00:05:44,000 --> 00:05:51,000

If I didn't wear my CPAP, doctors were very clear.

68

00:05:51,000 --> 00:05:53,000

Your heart can stop beating,

69

00:05:53,000 --> 00:05:55,000

you can have another stroke.

70

00:05:58,000 --> 00:06:00,000

You have to use it nightly,

71

00:06:00,000 --> 00:06:02,000

or you're taking your own life in your own hands.

72

00:06:15,000 --> 00:06:17,000

I catch a whiff of something.

73

00:06:17,000 --> 00:06:19,000

It's not a normal smell

74

00:06:19,000 --> 00:06:21,000

that you would have in your house.

75

00:06:25,000 --> 00:06:26,000

I mean, I know this.

76

00:06:26,000 --> 00:06:28,000

This is a familiar smell.

77

00:06:31,000 --> 00:06:34,000

The door to the basement is open.

78

00:06:35,000 --> 00:06:38,000

There should be no reason why this door should be open.

79

00:06:38,000 --> 00:06:40,000

And then that's when it registered.

80

00:06:40,000 --> 00:06:42,000

It was a smell of cherry pipe tobacco.

81

00:06:46,000 --> 00:06:48,000

But nobody smokes in our home.

82

00:06:50,000 --> 00:06:52,000

I don't like going to the basement,

83

00:06:52,000 --> 00:06:54,000

so I shut that door.

84

00:06:54,000 --> 00:06:56,000

I made sure to push it, and I heard the click.

85

00:06:56,000 --> 00:06:58,000

I don't want to go to the basement.

86

00:06:58,000 --> 00:07:00,000

I don't want to go to the basement.

87

00:07:00,000 --> 00:07:02,000

I don't want to go to the basement.

88

00:07:02,000 --> 00:07:04,000

I don't want to go to the basement.

89

00:07:04,000 --> 00:07:06,000

I don't want to go to the basement.

90

00:07:06,000 --> 00:07:08,000

I don't want to push it, and I heard the click.

91

00:07:26,000 --> 00:07:28,000

I'm going to go to bed. I'm tired.

92

00:07:28,000 --> 00:07:30,000

I've got an early day.

93

00:07:30,000 --> 00:07:32,000

I'm going to bed.

94

00:07:35,000 --> 00:07:37,000

That door is open again.

95

00:07:45,000 --> 00:07:47,000

I know I shut that door.

96

00:07:48,000 --> 00:07:50,000

You try to rationalize it.

97

00:07:50,000 --> 00:07:52,000

Did the house settle? No.

98

00:07:52,000 --> 00:07:53,000

Didn't feel anything.

99

00:07:53,000 --> 00:07:55,000

Did we have an earthquake? No, we didn't have an earthquake.

100

00:07:55,000 --> 00:07:56,000

That's crazy.

101

00:07:57,000 --> 00:07:59,000

I shut it.

102

00:08:00,000 --> 00:08:01,000

Click.

103

00:08:01,000 --> 00:08:03,000

It's shut.

104

00:08:07,000 --> 00:08:09,000

This door keeps coming open.

105

00:08:12,000 --> 00:08:14,000

It's very odd to me.

106

00:08:15,000 --> 00:08:16,000

Very odd.

107

00:08:27,000 --> 00:08:32,000

Click.

108

00:08:44,000 --> 00:08:48,000

As I looked at my bedroom window and then Amber's bedroom window,

109

00:08:48,000 --> 00:08:51,000

it almost looked like somebody had two fingers

110

00:08:51,000 --> 00:08:54,000

and pushing one of the blinds down and looking through.

111

00:08:54,000 --> 00:08:56,000

My heart just started racing.

112

00:08:56,000 --> 00:08:59,000

Nelson's not home.

113

00:08:59,000 --> 00:09:01,000

Who's in the house?

114

00:09:01,000 --> 00:09:14,000

What is a disabled woman supposed to do if it really is an intruder?

115

00:09:14,000 --> 00:09:21,000

Maybe I should have called Nelson, but I just didn't want to be defeated.

116

00:09:21,000 --> 00:09:37,000

When I got up to Amber's room, I got hit with a wall of cold.

117

00:09:51,000 --> 00:09:57,000

And there is nothing there.

118

00:09:57,000 --> 00:10:05,000

There's nowhere anybody could be.

119

00:10:05,000 --> 00:10:12,000

But yet I could still see the two-finger indentation in the blind.

120

00:10:12,000 --> 00:10:17,000

It just baffled me.

121

00:10:17,000 --> 00:10:20,000

But I'm a rational adult.

122

00:10:20,000 --> 00:10:25,000

Okay, it must have been the light playing on the window or something.

123

00:10:25,000 --> 00:10:41,000

You know, there's nothing there.

124

00:10:41,000 --> 00:10:46,000

In the house, the way I slept was not right.

125

00:10:46,000 --> 00:10:50,000

I would usually sleep through the night.

126

00:10:50,000 --> 00:10:59,000

But in this house, I was waking up at a specific time.

127

00:10:59,000 --> 00:11:12,000

245. Every night, it never skipped a night.

128

00:11:12,000 --> 00:11:15,000

Matt, is that you?

129

00:11:15,000 --> 00:11:22,000

First thought, Matt's trying to play a trick on me.

130

00:11:22,000 --> 00:11:31,000

It's shaking. I don't know what to do.

131

00:11:31,000 --> 00:11:39,000

Oh, God.

132

00:11:39,000 --> 00:11:45,000

The shaking finally stopped out for a few minutes.

133

00:11:45,000 --> 00:11:52,000

But I'm still thinking, is it gonna happen again?

134

00:11:52,000 --> 00:11:56,000

Okay, it's done.

135

00:11:56,000 --> 00:12:04,000

I'm calming down.

136

00:12:04,000 --> 00:12:30,000

And then suddenly...

137

00:12:30,000 --> 00:12:41,000

I jolted up from my bed, grabbed my pillows, grabbed my cover.

138

00:12:41,000 --> 00:12:50,000

I went downstairs in my parents' room.

139

00:13:00,000 --> 00:13:16,000

Next thing I know, there's a little boy giggling.

140

00:13:16,000 --> 00:13:24,000

My heart starts pounding really fast.

141

00:13:24,000 --> 00:13:36,000

Oh, God, something's gonna happen.

142

00:13:36,000 --> 00:13:45,000

Get her!

143

00:13:45,000 --> 00:13:47,000

Something's wrong. You know, this is your child.

144

00:13:47,000 --> 00:13:48,000

What's wrong?

145

00:13:48,000 --> 00:13:49,000

There's somebody in the house.

146

00:13:49,000 --> 00:13:51,000

She's so upset.

147

00:13:51,000 --> 00:13:53,000

He was right here.

148

00:13:53,000 --> 00:13:55,000

Who's in the house?

149

00:13:55,000 --> 00:13:57,000

I don't know. I heard somebody.

150

00:13:57,000 --> 00:13:58,000

She was so scared.

151

00:13:58,000 --> 00:14:01,000

Oh, good look. Okay. All right.

152

00:14:01,000 --> 00:14:02,000

It's okay, Annie.

153

00:14:02,000 --> 00:14:05,000

She was shaking like a little leaf.

154

00:14:05,000 --> 00:14:08,000

Daddy's looking after it.

155

00:14:08,000 --> 00:14:11,000

Nelson's looking around and turning on lights

156

00:14:11,000 --> 00:14:18,000

and trying to figure out, is there somebody there?

157

00:14:18,000 --> 00:14:22,000

What's going on?

158

00:14:22,000 --> 00:14:24,000

There's no one in the house, sweetie.

159

00:14:24,000 --> 00:14:27,000

No, no. I heard something. I swear, I heard something.

160

00:14:27,000 --> 00:14:28,000

Maybe it was a dream.

161

00:14:28,000 --> 00:14:29,000

No, no, no.

162

00:14:29,000 --> 00:14:33,000

She's telling me that something whispered in her ear,

163

00:14:33,000 --> 00:14:34,000

get out.

164

00:14:34,000 --> 00:14:36,000

Calm down, okay? It's gonna be all right.

165

00:14:36,000 --> 00:14:37,000

I just looked at him.

166

00:14:37,000 --> 00:14:39,000

There was something in this house,

167

00:14:39,000 --> 00:14:48,000

and it was trying to get rid of us.

168

00:14:48,000 --> 00:14:56,000

A few nights later, I was gonna go take a bath.

169

00:14:56,000 --> 00:14:58,000

Nelson's like, just call me when you need me.

170

00:14:58,000 --> 00:15:08,000

And he closed the door, and it was just my own little paradise.

171

00:15:08,000 --> 00:15:10,000

The heat, the jasmine smell,

172

00:15:10,000 --> 00:15:18,000

it was just an extremely relaxing situation.

173

00:15:18,000 --> 00:15:34,000

Closed my eyes, and just let go of the day.

174

00:15:34,000 --> 00:15:49,000

When I opened my eyes, it was a whole different scenario.

175

00:15:49,000 --> 00:15:54,000

There was mud in the water.

176

00:15:54,000 --> 00:16:07,000

It was dirty, disgusting, chunky, and it was all around me.

177

00:16:07,000 --> 00:16:12,000

Nothing could stop it.

178

00:16:12,000 --> 00:16:13,000

I screamed for Nelson.

179

00:16:13,000 --> 00:16:16,000

Showcasing the brand new design, direction, and technology,

180

00:16:16,000 --> 00:16:20,000

this model was poised to rise above all the competition in this category.

181

00:16:20,000 --> 00:16:21,000

He wasn't answering.

182

00:16:21,000 --> 00:16:31,000

The door's locked.

183

00:16:31,000 --> 00:16:32,000

Christy!

184

00:16:32,000 --> 00:16:33,000

Christy!

185

00:16:33,000 --> 00:16:34,000

It was terrifying.

186

00:16:34,000 --> 00:16:39,000

It was kind of weird.

187

00:16:39,000 --> 00:16:46,000

Could it be something with the plumbing system?

188

00:16:46,000 --> 00:16:47,000

Come on, I got you.

189

00:16:47,000 --> 00:16:57,000

I'm trying to rationalize how something could get into a closed system.

190

00:16:57,000 --> 00:17:07,000

A week before my birthday, my mom buys me the stance game.

191

00:17:07,000 --> 00:17:16,000

They chose you the moves, you hit the moves, and you move on.

192

00:17:16,000 --> 00:17:27,000

So I'm having fun, I'm dancing, and one of the moves is to turn around.

193

00:17:27,000 --> 00:17:39,000

And right there was a little boy.

194

00:17:39,000 --> 00:17:40,000

Hello?

195

00:17:40,000 --> 00:17:43,000

He had dark hair.

196

00:17:43,000 --> 00:17:46,000

He just looked Native American.

197

00:17:46,000 --> 00:17:49,000

Are you okay?

198

00:17:49,000 --> 00:17:50,000

Mom!

199

00:17:50,000 --> 00:17:51,000

Mom!

200

00:17:51,000 --> 00:17:52,000

It was horrible.

201

00:17:52,000 --> 00:17:53,000

Mom!

202

00:17:53,000 --> 00:18:00,000

Fear just ran right through me.

203

00:18:00,000 --> 00:18:01,000

Amber?

204

00:18:01,000 --> 00:18:08,000

Mom, there's a little boy over there.

205

00:18:08,000 --> 00:18:10,000

What do you mean?

206

00:18:10,000 --> 00:18:12,000

Why are you freaking out?

207

00:18:12,000 --> 00:18:15,000

I just saw this thing for the first time with my own eyes.

208

00:18:15,000 --> 00:18:19,000

A little boy, a little Native American boy.

209

00:18:19,000 --> 00:18:21,000

There's something in this house.

210

00:18:21,000 --> 00:18:23,000

Something like what?

211

00:18:23,000 --> 00:18:24,000

A ghost, mom.

212

00:18:24,000 --> 00:18:26,000

The house is haunted.

213

00:18:26,000 --> 00:18:28,000

Amber, come on.

214

00:18:28,000 --> 00:18:33,000

Why won't any of you believe me?

215

00:18:33,000 --> 00:18:35,000

I kind of threw a fit.

216

00:18:35,000 --> 00:18:50,000

My mom does not believe me.

217

00:18:50,000 --> 00:18:55,000

As soon as your head hit the pillow, you would hear sounds.

218

00:18:55,000 --> 00:19:04,000

It sounded like an audible conversation, but you can't make it out what they're saying.

219

00:19:04,000 --> 00:19:06,000

What's going on?

220

00:19:06,000 --> 00:19:07,000

Hi.

221

00:19:07,000 --> 00:19:08,000

Hi.

222

00:19:08,000 --> 00:19:12,000

He tells me, did you hear that?

223

00:19:12,000 --> 00:19:15,000

What do you hear?

224

00:19:15,000 --> 00:19:18,000

I can't quite make it out.

225

00:19:18,000 --> 00:19:20,000

I figured there has to be a logical explanation.

226

00:19:20,000 --> 00:19:23,000

There must be a radio on in the house.

227

00:19:23,000 --> 00:19:33,000

So I ran around the house trying to figure this out.

228

00:19:33,000 --> 00:19:41,000

The house is quiet.

229

00:19:41,000 --> 00:19:45,000

I hear something.

230

00:19:45,000 --> 00:19:55,000

And then something made me realize I had to go down basement.

231

00:19:55,000 --> 00:20:08,000

I didn't like that basement.

232

00:20:08,000 --> 00:20:12,000

Suddenly I can't breathe.

233

00:20:12,000 --> 00:20:21,000

I was in a spiraling tube going down and just couldn't take that breath.

234

00:20:21,000 --> 00:20:25,000

I mean, you have to breathe to live.

235

00:20:25,000 --> 00:20:32,000

And you're the only one really that knows that you're struggling.

236

00:20:32,000 --> 00:20:36,000

But then I hear something else.

237

00:20:36,000 --> 00:20:45,000

Something that's repetitive over and over again.

238

00:20:45,000 --> 00:20:50,000

So I'm trying to figure out what this is.

239

00:20:50,000 --> 00:20:55,000

No, I'm sorry.

240

00:20:55,000 --> 00:21:05,000

There's absolutely nothing that should be making that noise.

241

00:21:05,000 --> 00:21:08,000

Why did my CPAP shut off?

242

00:21:08,000 --> 00:21:09,000

What happened?

243

00:21:09,000 --> 00:21:11,000

What's happening?

244

00:21:11,000 --> 00:21:16,000

She just all worked up in a frenzy.

245

00:21:16,000 --> 00:21:20,000

I said, what do you mean it quit working?

246

00:21:20,000 --> 00:21:24,000

So I hit the button again and it turned on.

247

00:21:24,000 --> 00:21:27,000

Full blast.

248

00:21:27,000 --> 00:21:30,000

Something must have switched it off.

249

00:21:30,000 --> 00:21:32,000

It's plugged in the wall.

250

00:21:32,000 --> 00:21:35,000

It's getting plenty of electricity.

251

00:21:35,000 --> 00:21:36,000

No power outages.

252

00:21:36,000 --> 00:21:39,000

It makes no sense.

253

00:21:39,000 --> 00:21:41,000

I don't know if I have to turn it off.

254

00:21:41,000 --> 00:21:43,000

It's a machine.

255

00:21:43,000 --> 00:21:45,000

Maybe it's malfunctioning.

256

00:21:45,000 --> 00:21:47,000

You're okay now.

257

00:21:47,000 --> 00:21:51,000

Just trying to get some sleep, okay?

258

00:21:51,000 --> 00:21:54,000

I felt like he thought I was lying.

259

00:21:54,000 --> 00:22:03,000

That it was all in my head.

260

00:22:03,000 --> 00:22:06,000

I'm groggy.

261

00:22:06,000 --> 00:22:13,000

I went to get myself a glass of water.

262

00:22:13,000 --> 00:22:18,000

I thought I heard almost like a chanting.

263

00:22:18,000 --> 00:22:24,000

We couldn't make it out to know for sure.

264

00:22:24,000 --> 00:22:31,000

There's something standing in my dining room.

265

00:22:43,000 --> 00:22:46,000

What's going on?

266

00:22:46,000 --> 00:22:48,000

There's someone in the dining room.

267

00:22:48,000 --> 00:22:49,000

What?

268

00:22:49,000 --> 00:22:55,000

There's someone in the dining room.

269

00:22:55,000 --> 00:22:58,000

Stay here.

270

00:23:13,000 --> 00:23:20,000

There was nothing there.

271

00:23:20,000 --> 00:23:23,000

Absolutely nothing there.

272

00:23:23,000 --> 00:23:25,000

There's nobody there.

273

00:23:25,000 --> 00:23:27,000

Nobody.

274

00:23:27,000 --> 00:23:32,000

I thought everything was hokum.

275

00:23:32,000 --> 00:23:34,000

There is something in this house.

276

00:23:34,000 --> 00:23:37,000

I thought it was a house.

277

00:23:37,000 --> 00:23:39,000

I thought it was a house.

278

00:23:40,000 --> 00:23:43,000

There was nothing in this house.

279

00:23:43,000 --> 00:23:45,000

Come on, Christy.

280

00:23:45,000 --> 00:23:48,000

You're starting to sound hysterical.

281

00:23:48,000 --> 00:23:49,000

You're sick.

282

00:23:49,000 --> 00:23:50,000

Just calm down.

283

00:23:50,000 --> 00:23:59,000

Okay?

284

00:23:59,000 --> 00:24:02,000

I was frustrated now because, yes, I saw it.

285

00:24:02,000 --> 00:24:03,000

No, I'm not lying.

286

00:24:03,000 --> 00:24:07,000

Yes, it's real.

287

00:24:07,000 --> 00:24:10,400

I'm not crazy. My daughter's not crazy.

288

00:24:10,400 --> 00:24:13,000

There's something going on.

289

00:24:13,000 --> 00:24:15,640

Amber?

290

00:24:15,640 --> 00:24:18,400

Amber? Honey?

291

00:24:18,400 --> 00:24:20,000

I'm sorry.

292

00:24:20,000 --> 00:24:22,440

It kind of lifted a weight off my shoulders

293

00:24:22,440 --> 00:24:25,800

because now I finally had someone on my side who's like,

294

00:24:25,800 --> 00:24:27,800

hey, I believe you.

295

00:24:30,800 --> 00:24:32,800

I was angry.

296

00:24:37,000 --> 00:24:39,000

I'm sorry.

297

00:24:46,000 --> 00:24:48,000

We need to move.

298

00:24:50,000 --> 00:24:52,000

We would be financially ruined

299

00:24:52,000 --> 00:24:55,000

if we were to walk away from the house.

300

00:24:55,000 --> 00:24:58,000

I don't think I can call a company and say,

301

00:24:58,000 --> 00:25:00,000

I'm not living in my house any longer

302

00:25:00,000 --> 00:25:02,000

because I believe it to be haunted.

303

00:25:02,000 --> 00:25:05,000

They're gonna say, please send the payment.

304

00:25:08,000 --> 00:25:12,000

Nelson said, maybe you need to go see your mom and dad.

305

00:25:14,000 --> 00:25:16,000

Take Amber.

306

00:25:16,000 --> 00:25:18,000

Matt's got football camp.

307

00:25:18,000 --> 00:25:20,000

I'll stay here with him.

308

00:25:20,000 --> 00:25:24,000

You two go and just have a good time.

309

00:25:24,000 --> 00:25:25,000

Daddy loves you.

310

00:25:25,000 --> 00:25:27,000

So Amber and I went.

311

00:25:37,000 --> 00:25:39,000

It was a nice clean day.

312

00:25:39,000 --> 00:25:41,000

So I went out into the back porch.

313

00:25:41,000 --> 00:25:44,000

I set up the target at the tree

314

00:25:44,000 --> 00:25:47,000

and I just started launching arrows down the range.

315

00:25:51,000 --> 00:25:55,000

One of the shots, it goes over the target way off.

316

00:25:58,000 --> 00:26:00,000

The arrow's on the middle of the snow where.

317

00:26:00,000 --> 00:26:02,000

I thought I had to go get the arrows too

318

00:26:02,000 --> 00:26:04,000

because the arrows are expensive.

319

00:26:05,000 --> 00:26:07,000

I kept walking down.

320

00:26:07,000 --> 00:26:09,000

You could hear anything walking that faria.

321

00:26:09,000 --> 00:26:12,000

In fact, I'm pretty sure I scared off a squirrel and a turkey

322

00:26:12,000 --> 00:26:14,000

when I was walking down there.

323

00:26:28,000 --> 00:26:31,000

And then I heard something else.

324

00:26:31,000 --> 00:26:34,000

It's your crunch, crunch, crunch, real soft.

325

00:26:39,000 --> 00:26:41,000

I could feel my heart racing.

326

00:26:41,000 --> 00:26:44,000

The hair on the back of my neck stood up.

327

00:26:46,000 --> 00:26:48,000

I picked up the arrow.

328

00:26:51,000 --> 00:26:53,000

And then you just hear again, just crunch, crunch, crunch.

329

00:26:53,000 --> 00:26:55,000

And this time it's a little louder and closer.

330

00:27:01,000 --> 00:27:03,000

I knew something was hunting me.

331

00:27:05,000 --> 00:27:07,000

So I started booking it.

332

00:27:17,000 --> 00:27:20,000

I just looked behind me. Nothing was there.

333

00:27:20,000 --> 00:27:22,000

There it goes again, just the crunch, crunch, crunch.

334

00:27:31,000 --> 00:27:33,000

I tried to open the door and the door was locked.

335

00:27:35,000 --> 00:27:37,000

Are you freaking kidding me?

336

00:27:37,000 --> 00:27:39,000

Dad? Dad!

337

00:27:39,000 --> 00:27:41,000

Maybe my dad's in there and he just closed the door

338

00:27:41,000 --> 00:27:43,000

and locked it because he thought no one was out there.

339

00:27:47,000 --> 00:27:49,000

I actually knocked the arrow into my bow.

340

00:27:50,000 --> 00:27:53,000

I'm going to walk slowly and I'm going to walk backward.

341

00:27:56,000 --> 00:27:59,000

It's territorial. If means that's it, it's a predator.

342

00:28:00,000 --> 00:28:03,000

It could be a cougar, or it could be a wolf,

343

00:28:05,000 --> 00:28:07,000

or it could be a human.

344

00:28:08,000 --> 00:28:12,000

So I had my bow in one hand with the arrow still inside the chamber, ready to go.

345

00:28:13,000 --> 00:28:16,000

I'm just frantically pressing the key the first time, got it wrong.

346

00:28:20,000 --> 00:28:23,000

Third time, got it right.

347

00:28:30,000 --> 00:28:33,000

I hit the garage door closer on the inside.

348

00:28:35,000 --> 00:28:38,000

As the garage door is closing, I'm telling myself if anything walks through the bottom of that door,

349

00:28:38,000 --> 00:28:40,000

it's getting hit in the head with the arrow.

350

00:28:54,000 --> 00:28:56,000

I don't want to say anything at that point.

351

00:28:56,000 --> 00:28:59,000

I don't want to say, oh yeah, we might have a mountain lion in the backyard.

352

00:29:00,000 --> 00:29:02,000

I can imagine that going over well with the family.

353

00:29:10,000 --> 00:29:12,000

Lights are out.

354

00:29:17,000 --> 00:29:21,000

Something tells me to look out toward the hallway.

355

00:29:21,000 --> 00:29:24,000

I see a dark mass.

356

00:29:27,000 --> 00:29:30,000

Matt, it's late. You should be in bed. What are you doing?

357

00:29:31,000 --> 00:29:33,000

No reply.

358

00:29:34,000 --> 00:29:36,000

Matt, seriously dude.

359

00:29:37,000 --> 00:29:40,000

And it kind of walked or sleeked past.

360

00:29:41,000 --> 00:29:44,000

That's when I reached into my nightstand.

361

00:29:45,000 --> 00:29:51,000

And I said, you got about two seconds to answer me or I'm going to put two bullets down that hallway.

362

00:29:54,000 --> 00:29:58,000

I got up out of the bed, still had the pistol in my hand.

363

00:30:05,000 --> 00:30:07,000

There is nothing.

364

00:30:09,000 --> 00:30:11,000

Something was going on.

365

00:30:12,000 --> 00:30:14,000

I can't explain it.

366

00:30:21,000 --> 00:30:25,000

So, we're getting close to my favorite time of year and also Matt's.

367

00:30:26,000 --> 00:30:28,000

It's deer season.

368

00:30:36,000 --> 00:30:38,000

I went down to the basement.

369

00:30:38,000 --> 00:30:41,000

And I was looking for all the hunting gear.

370

00:30:50,000 --> 00:30:54,000

The creepy feeling you get down there, it's hard to describe.

371

00:30:56,000 --> 00:30:59,000

It's cold. Desolate kind of almost.

372

00:31:00,000 --> 00:31:02,000

You feel alone down there.

373

00:31:09,000 --> 00:31:15,000

I got the same feeling when I was being followed in the forest.

374

00:31:26,000 --> 00:31:28,000

Dad?

375

00:31:34,000 --> 00:31:37,000

When I turned around, someone was standing there.

376

00:31:39,000 --> 00:31:42,000

It was staring at me.

377

00:31:44,000 --> 00:31:47,000

It was blocking my only exit out.

378

00:31:49,000 --> 00:31:51,000

I dropped my shoulder.

379

00:31:52,000 --> 00:31:54,000

And I started spinning straight toward the thing.

380

00:31:59,000 --> 00:32:04,000

When I got up to the door and it was locked, I went into panic mode.

381

00:32:08,000 --> 00:32:09,000

What's going on?

382

00:32:09,000 --> 00:32:11,000

At that point, I wanted to leave.

383

00:32:11,000 --> 00:32:12,000

I just saw what Amber saw.

384

00:32:12,000 --> 00:32:16,000

I can no longer deny her there is truth in what she's saying.

385

00:32:18,000 --> 00:32:22,000

There is something that I have to open my mind up to.

386

00:32:24,000 --> 00:32:28,000

And it's sending me a very clear message.

387

00:32:29,000 --> 00:32:31,000

It does not want us there.

388

00:32:38,000 --> 00:32:42,000

When Christy came back from her and Amber's old trip to Chicago,

389

00:32:42,000 --> 00:32:45,000

the first person I seen was Amber.

390

00:32:48,000 --> 00:32:51,000

I haven't seen Amber happy like that in a while.

391

00:32:54,000 --> 00:32:56,000

And then I seen Christy.

392

00:32:56,000 --> 00:32:57,000

Where's the stick?

393

00:32:57,000 --> 00:32:58,000

I don't need it.

394

00:32:58,000 --> 00:33:00,000

Oh, I've got my baby back.

395

00:33:01,000 --> 00:33:04,000

She kind of looked like my Christy.

396

00:33:05,000 --> 00:33:07,000

I need to talk to you inside.

397

00:33:14,000 --> 00:33:20,000

When we arrived back home, I felt re-energized.

398

00:33:20,000 --> 00:33:24,000

My husband told me that I looked so much better.

399

00:33:24,000 --> 00:33:28,000

That all changed when we walked back in the house, though.

400

00:33:28,000 --> 00:33:34,000

It was like everything that I worked so hard to re-establish, regenerate,

401

00:33:34,000 --> 00:33:36,000

just got sucked right out of me.

402

00:33:36,000 --> 00:33:37,000

Honey, you okay?

403

00:33:37,000 --> 00:33:38,000

Here, have a seat.

404

00:33:40,000 --> 00:33:44,000

I told Christy about all the crazy things that I had to do.

405

00:33:44,000 --> 00:33:48,000

I told Christy about all the crazy things that I had to do.

406

00:33:48,000 --> 00:33:52,000

I told Christy about all the crazy things that I had to do.

407

00:33:52,000 --> 00:33:56,000

I told Christy about all the crazy things that happened while she was in Chicago.

408

00:33:56,000 --> 00:33:57,000

I'm sorry.

409

00:33:58,000 --> 00:33:59,000

You were right.

410

00:34:00,000 --> 00:34:02,000

Something doesn't want us here.

411

00:34:03,000 --> 00:34:07,000

Now I know it's targeted our whole family.

412

00:34:07,000 --> 00:34:09,000

We have to do something.

413

00:34:09,000 --> 00:34:12,000

I was consumed with anger.

414

00:34:12,000 --> 00:34:14,000

Let's find out how to fight this thing.

415

00:34:15,000 --> 00:34:19,000

Its main objective, obviously, was to tear my family apart,

416

00:34:19,000 --> 00:34:23,000

but in actual reality, it brought us closer.

417

00:34:25,000 --> 00:34:31,000

I jumped on my computer and did hours and hours of research

418

00:34:31,000 --> 00:34:39,000

on paranormal activity, blessings of the home, ghost encounters.

419

00:34:42,000 --> 00:34:47,000

My house had every diagnosis of paranormal terrorism.

420

00:34:48,000 --> 00:34:53,000

I was remembering Amber was telling me that when she saw that little boy,

421

00:34:54,000 --> 00:34:57,000

that he looked Native American.

422

00:34:58,000 --> 00:35:01,000

It was almost like a life-throwning on.

423

00:35:03,000 --> 00:35:07,000

This thing is trying to kill me and take out my family.

424

00:35:18,000 --> 00:35:23,000

I used to drive into town and there was a Native American store.

425

00:35:23,000 --> 00:35:28,000

I needed to go there and find out what to do.

426

00:35:36,000 --> 00:35:40,000

As I opened the door, you can hear Native American music.

427

00:35:43,000 --> 00:35:44,000

Hi.

428

00:35:45,000 --> 00:35:46,000

Hi.

429

00:35:47,000 --> 00:35:53,000

There's just walls of dream catchers and there's an incense smell in the air

430

00:35:53,000 --> 00:35:57,000

and stones in cabinets and arrowheads.

431

00:36:00,000 --> 00:36:01,000

Hi.

432

00:36:01,000 --> 00:36:02,000

How are you?

433

00:36:03,000 --> 00:36:04,000

Okay, thank you.

434

00:36:04,000 --> 00:36:10,000

This really nice lady was right behind the counter and she said hello to me.

435

00:36:11,000 --> 00:36:12,000

Can I help you with anything?

436

00:36:13,000 --> 00:36:16,000

I think she sensed that I needed help.

437

00:36:17,000 --> 00:36:22,000

I don't think I'm crazy, but I think my house is haunted.

438

00:36:23,000 --> 00:36:25,000

Oh, I live in the Lowes Hills.

439

00:36:26,000 --> 00:36:32,000

She told me that she wasn't surprised that there is a lot of activity out that way.

440

00:36:32,000 --> 00:36:35,000

That area is very important to many tribes.

441

00:36:35,000 --> 00:36:38,000

It was a meeting place, a sacred place.

442

00:36:38,000 --> 00:36:42,000

Many people were buried there to begin their journey onto the star path.

443

00:36:43,000 --> 00:36:46,000

It was sacred ground that should have never been developed.

444

00:36:46,000 --> 00:36:51,000

When the tribes were moved off the land, they were promised that nobody would ever build there.

445

00:36:51,000 --> 00:36:56,000

We've disturbed something that we should have never disturbed.

446

00:36:56,000 --> 00:36:58,000

Is there anything I can do?

447

00:36:59,000 --> 00:37:01,000

There might be something that could help.

448

00:37:01,000 --> 00:37:17,000

She gave me four stones that were amber and told me to put them in the four corners of my property.

449

00:37:20,000 --> 00:37:26,000

I need to light the sage and I need to bless every corner, opening, doorway,

450

00:37:26,000 --> 00:37:34,000

and tell these spirits to move on that this is my home and they are not welcome.

451

00:37:46,000 --> 00:37:51,000

I felt empowered to claim what is mine.

452

00:37:51,000 --> 00:37:56,000

I'm not scared of you any longer.

453

00:37:56,000 --> 00:38:00,000

My family is no longer going to fear you.

454

00:38:05,000 --> 00:38:16,000

I wanted to help send a confused family of Indians on their way to a better life.

455

00:38:22,000 --> 00:38:26,000

Something happened, something got accomplished.

456

00:38:29,000 --> 00:38:34,000

It almost felt like it was lighter in there.

457

00:38:36,000 --> 00:38:39,000

Chrissy told me what she did.

458

00:38:41,000 --> 00:38:46,000

I was hoping, hoping that it would work.

459

00:38:46,000 --> 00:38:53,000

Maybe there's a glimmer of hope that we can go back to normal.

460

00:38:56,000 --> 00:39:01,000

Everything was good. It was quiet.

461

00:39:09,000 --> 00:39:14,000

Now we could start putting good memories in the house instead of all the negative.

462

00:39:17,000 --> 00:39:23,000

Christmas is my favorite time of year. My kids' favorite time of year.

463

00:39:25,000 --> 00:39:30,000

So we decorated the tree and it was fun.

464

00:39:33,000 --> 00:39:40,000

It was just a lot of laughter, a lot of bantering between all of us.

465

00:39:47,000 --> 00:39:51,000

It was beautiful.

466

00:39:51,000 --> 00:39:56,000

I was so happy.

467

00:40:15,000 --> 00:40:20,000

Suddenly I panicked. I grabbed my mask.

468

00:40:20,000 --> 00:40:25,000

The air was flowing and the machine is working just fine.

469

00:40:26,000 --> 00:40:30,000

I had to take a good deep breath.

470

00:40:30,000 --> 00:40:35,000

It was scary. I needed just to relax.

471

00:40:35,000 --> 00:40:40,000

You just didn't know what to expect.

472

00:40:56,000 --> 00:40:59,000

So Christmas time came around.

473

00:40:59,000 --> 00:41:04,000

I stopped dead in my tracks.

474

00:41:04,000 --> 00:41:07,000

Mom? Mom!

475

00:41:24,000 --> 00:41:27,000

Mom? Mom!

476

00:41:27,000 --> 00:41:32,000

I'm looking at a blank tree.

477

00:41:32,000 --> 00:41:36,000

Everything was off the tree. Like nothing was put up.

478

00:41:36,000 --> 00:41:37,000

What's the matter?

479

00:41:37,000 --> 00:41:44,000

I'm just staring at it in disbelief because I really don't want to believe that it's happening again.

480

00:41:48,000 --> 00:41:49,000

All I could say was,

481

00:41:49,000 --> 00:41:52,000

They're back.

482

00:41:58,000 --> 00:42:03,000

We're done. Good luck.

483

00:42:13,000 --> 00:42:18,000

They did not want us there. They didn't want anybody else there.

484

00:42:20,000 --> 00:42:22,000

It's sacred to them.

485

00:42:23,000 --> 00:42:28,000

I prayed they would not follow us.

486

00:42:32,000 --> 00:42:35,000

It's yours. You can have it.

487

00:42:41,000 --> 00:42:45,000

They can have that house. They can have everything.

488

00:42:45,000 --> 00:42:53,000

If I live to be a hunter, I'll never go back there. Ever.
