

1

00:00:00,000 --> 00:00:07,000

It just made sense to move into my grandmother's house.

2

00:00:07,000 --> 00:00:12,000

She wanted to recreate for our daughter the happy memories she had in this house.

3

00:00:12,000 --> 00:00:16,000

I was stunned to see Amelia sitting up in bed.

4

00:00:16,000 --> 00:00:18,000

Who was she talking to?

5

00:00:18,000 --> 00:00:22,000

I know I heard somebody, but there's nobody there.

6

00:00:22,000 --> 00:00:24,000

Something was wrong.

7

00:00:24,000 --> 00:00:26,000

I was just shocked.

8

00:00:26,000 --> 00:00:31,000

Something was wrong in our house.

9

00:00:37,000 --> 00:00:41,000

I could feel awful, searing hatred.

10

00:00:41,000 --> 00:00:43,000

Who's there?

11

00:00:44,000 --> 00:00:47,000

Something paranormal was in our house.

12

00:00:47,000 --> 00:00:53,000

But I never would have thought a member of my own family would be trying to harm me.

13

00:00:53,000 --> 00:00:55,000

Chris, Chris, she's back!

14

00:00:56,000 --> 00:00:58,000

I'm back!

15

00:01:14,000 --> 00:01:17,000

I grew up in a small city.

16

00:01:17,000 --> 00:01:21,000

About 20 minutes east of LA, called Whittier.

17

00:01:21,000 --> 00:01:25,000

I spent a lot of my time with my grandmother.

18

00:01:25,000 --> 00:01:27,000

She lived down the street from us.

19

00:01:27,000 --> 00:01:28,000

Hi, Grandma!

20

00:01:28,000 --> 00:01:30,000

I'd come in and she'd say,

21

00:01:30,000 --> 00:01:33,000

How are you, sugar pie?

22

00:01:33,000 --> 00:01:34,000

What you up to?

23

00:01:34,000 --> 00:01:36,000

Not much.

24

00:01:36,000 --> 00:01:37,000

What are we making today?

25

00:01:37,000 --> 00:01:39,000

Your favorite pie.

26

00:01:43,000 --> 00:01:46,000

I loved my grandmother dearly.

27

00:01:46,000 --> 00:01:49,000

She was wonderful to me.

28

00:01:49,000 --> 00:01:52,000

Very caring and nurturing.

29

00:01:52,000 --> 00:01:56,000

Very warm and loving and inviting.

30

00:01:58,000 --> 00:02:00,000

What do you think?

31

00:02:00,000 --> 00:02:02,000

Sorry, Grandma.

32

00:02:02,000 --> 00:02:03,000

Gotta go.

33

00:02:03,000 --> 00:02:05,000

Don't you want some pie?

34

00:02:05,000 --> 00:02:09,000

I met Chris in July of 2008.

35

00:02:09,000 --> 00:02:12,000

Chris loved life.

36

00:02:12,000 --> 00:02:16,000

He had no fear about him and such strong confidence.

37

00:02:16,000 --> 00:02:18,000

Bye, Grandma!

38

00:02:23,000 --> 00:02:26,000

The common cliché, it was just love at first sight.

39

00:02:26,000 --> 00:02:29,000

The minute I laid eyes on her, I knew she was the one.

40

00:02:32,000 --> 00:02:36,000

Chris and I got very serious very quickly.

41

00:02:40,000 --> 00:02:43,000

But my happiness was cut short.

42

00:02:48,000 --> 00:02:51,000

My grandma had a stroke.

43

00:02:53,000 --> 00:02:57,000

And our family decided that she needed around the clock care

44

00:02:57,000 --> 00:02:59,000

that we couldn't provide.

45

00:02:59,000 --> 00:03:03,000

So she had to go to a hospice facility.

46

00:03:04,000 --> 00:03:07,000

Chris and I spent as much time as we could

47

00:03:07,000 --> 00:03:11,000

visiting her and trying to keep her spirits up.

48

00:03:12,000 --> 00:03:14,000

What can I do for you, Grandma?

49

00:03:14,000 --> 00:03:19,000

There was a day that she was really down and depressed.

50

00:03:20,000 --> 00:03:23,000

And she asked for her favorite blanket.

51

00:03:23,000 --> 00:03:25,000

The one Grandpa got me.

52

00:03:25,000 --> 00:03:27,000

It's on my bed.

53

00:03:28,000 --> 00:03:30,000

I'll go be it. Will you stay with Grandma?

54

00:03:31,000 --> 00:03:33,000

Before Chris left, I told him...

55

00:03:33,000 --> 00:03:36,000

Oh, just go in through the back door. It's always open.

56

00:03:36,000 --> 00:03:40,000

Chris works security, so he gave me a puzzled look.

57

00:03:40,000 --> 00:03:43,000

And I said, she comes from the generation where

58

00:03:43,000 --> 00:03:46,000

you leave your doors and your windows unlocked and open.

59

00:03:49,000 --> 00:03:52,000

I said, I'll go in through the back door.

60

00:03:56,000 --> 00:03:59,000

Sure enough, the door was open like they said.

61

00:04:06,000 --> 00:04:09,000

It was a creepy, dark house.

62

00:04:10,000 --> 00:04:13,000

There's all kinds of antiques and sort

63

00:04:13,000 --> 00:04:15,000

that she had collected over the years.

64

00:04:19,000 --> 00:04:21,000

Damn it.

65

00:04:26,000 --> 00:04:29,000

All of a sudden, I got this really strange feeling.

66

00:04:29,000 --> 00:04:32,000

Almost like somebody's following me.

67

00:04:39,000 --> 00:04:41,000

I don't see anything, so I shrug it off

68

00:04:41,000 --> 00:04:43,000

and think, oh, it's just my imagination.

69

00:04:43,000 --> 00:04:46,000

I'm not sure if I'm going to be able to get through this.

70

00:04:46,000 --> 00:04:50,000

I'm just sitting, so I shrug it off and think, oh, it's just my imagination.

71

00:04:50,000 --> 00:04:52,000

Snap out of it.

72

00:05:02,000 --> 00:05:04,000

I go into her bedroom...

73

00:05:07,000 --> 00:05:10,000

and see her blanket sitting there.

74

00:05:10,000 --> 00:05:13,000

I still feel this heaviness about me.

75

00:05:18,000 --> 00:05:20,000

I'm a big guy.

76

00:05:20,000 --> 00:05:23,000

I've been in the security field for about nine, ten years,

77

00:05:23,000 --> 00:05:26,000

so there's not too many things that are going to creep me out.

78

00:05:26,000 --> 00:05:29,000

But this house had me creeped out.

79

00:05:32,000 --> 00:05:34,000

When I got back to the hospital, I guess obviously

80

00:05:34,000 --> 00:05:36,000

I looked like something was bothering me.

81

00:05:36,000 --> 00:05:38,000

What's the matter? What happened?

82

00:05:38,000 --> 00:05:41,000

Nothing. I don't know. It just seemed like there was somebody in the house.

83

00:05:41,000 --> 00:05:43,000

But obviously there was nobody there.

84

00:05:43,000 --> 00:05:45,000

Oh, Mr. Security.

85

00:05:45,000 --> 00:05:49,000

I thought Chris was just reading too much into it.

86

00:05:49,000 --> 00:05:51,000

You're my hero.

87

00:06:03,000 --> 00:06:05,000

My grandmother passed away.

88

00:06:05,000 --> 00:06:08,000

I was completely devastated.

89

00:06:08,000 --> 00:06:14,000

This was someone who I had spent so much of my life with,

90

00:06:14,000 --> 00:06:21,000

someone who raised me and my best friend, and now she's gone.

91

00:06:21,000 --> 00:06:24,000

Chris and I got married.

92

00:06:28,000 --> 00:06:32,000

We had a baby girl, and we named her Amelia.

93

00:06:36,000 --> 00:06:38,000

It just made sense to me.

94

00:06:38,000 --> 00:06:40,000

I was just a little girl.

95

00:06:40,000 --> 00:06:42,000

I was a little girl.

96

00:06:42,000 --> 00:06:44,000

I was a little girl.

97

00:06:44,000 --> 00:06:46,000

I was a little girl.

98

00:06:46,000 --> 00:06:48,000

I was a little girl.

99

00:06:49,000 --> 00:06:54,000

It just made sense for us to move into my grandmother's old house.

100

00:06:57,000 --> 00:06:59,000

The price was right.

101

00:06:59,000 --> 00:07:01,000

The house was a perfect size.

102

00:07:01,000 --> 00:07:03,000

It had a backyard.

103

00:07:03,000 --> 00:07:06,000

It was everything we were looking for,

104

00:07:06,000 --> 00:07:11,000

and it added bonus to me to be in the warmth and the comfort of my grandmother's home.

105

00:07:12,000 --> 00:07:16,000

I knew it would have made my grandma so happy.

106

00:07:16,000 --> 00:07:20,000

It made me feel closer to my grandmother.

107

00:07:23,000 --> 00:07:27,000

Almost as if still a part of her was with me.

108

00:07:41,000 --> 00:07:44,000

There was a lot of unpacking to do,

109

00:07:44,000 --> 00:07:47,000

getting rid of old stuff that was in the house.

110

00:07:47,000 --> 00:07:49,000

Oh, wait.

111

00:07:49,000 --> 00:07:51,000

It's my guardian angel.

112

00:07:51,000 --> 00:07:53,000

We didn't get to all of it.

113

00:07:53,000 --> 00:07:57,000

We just kind of took a couple of boxes of paperwork, shoved him in the den closet.

114

00:07:57,000 --> 00:07:59,000

It's nothing that's that important.

115

00:08:02,000 --> 00:08:06,000

We hung pictures in our hallway of family members.

116

00:08:06,000 --> 00:08:10,000

We hung pictures in our hallway of family members.

117

00:08:10,000 --> 00:08:14,000

His family, my family, past generations.

118

00:08:18,000 --> 00:08:21,000

Momentos of people that had passed on

119

00:08:21,000 --> 00:08:24,000

that we can see every time we walk through the hallway.

120

00:08:24,000 --> 00:08:26,000

It's great.

121

00:08:26,000 --> 00:08:28,000

See what your man did for you.

122

00:08:31,000 --> 00:08:34,000

Rocky, I'm afraid this joke may get seeking a whole mess of truth.

123

00:08:34,000 --> 00:08:36,000

Amelia had her own room.

124

00:08:36,000 --> 00:08:37,000

Rocky laughed.

125

00:08:37,000 --> 00:08:39,000

I'll just put this rock on his sheet.

126

00:08:39,000 --> 00:08:44,000

It was amazing to think that my daughter was the third generation

127

00:08:44,000 --> 00:08:46,000

of my family to live in this house.

128

00:08:49,000 --> 00:08:51,000

It gave me such a warm feeling.

129

00:09:00,000 --> 00:09:04,000

It brought back memories of me when I was a little girl

130

00:09:04,000 --> 00:09:06,000

with my grandmother in the house.

131

00:09:10,000 --> 00:09:13,000

A few days later, we had put Amelia to bed.

132

00:09:18,000 --> 00:09:23,000

I glanced over at the monitor, and I was stunned to see Amelia sitting up in bed.

133

00:09:39,000 --> 00:09:41,000

I'd waved over to her.

134

00:09:42,000 --> 00:09:46,000

She was having a conversation with someone.

135

00:09:54,000 --> 00:09:56,000

Chris, look at this.

136

00:10:01,000 --> 00:10:02,000

Who was she talking to?

137

00:10:02,000 --> 00:10:04,000

She was looking in a specific direction

138

00:10:04,000 --> 00:10:08,000

as if somebody was sitting there next to the bed that she was talking to.

139

00:10:08,000 --> 00:10:15,000

Here's our child sitting up in bed having a full conversation with nothing.

140

00:10:16,000 --> 00:10:18,000

And then I hear another voice.

141

00:10:20,000 --> 00:10:25,000

Almost like a really faint, but you can hear it, woman's voice.

142

00:10:25,000 --> 00:10:27,000

It's a collared joint handkerchief.

143

00:10:34,000 --> 00:10:36,000

I'm kind of like weirded out.

144

00:10:36,000 --> 00:10:38,000

Like, what the hell's going on in here?

145

00:10:38,000 --> 00:10:40,000

Am I just hearing things?

146

00:10:40,000 --> 00:10:41,000

Who is that?

147

00:10:41,000 --> 00:10:44,000

I start to freak out and wonder, who's in a room?

148

00:10:44,000 --> 00:10:46,000

Did somebody break in?

149

00:10:56,000 --> 00:11:03,000

I go over and I start checking the windows to make sure that they're locked and make sure nobody's in there.

150

00:11:11,000 --> 00:11:13,000

Are you talking to, sweetie?

151

00:11:13,000 --> 00:11:14,000

No.

152

00:11:16,000 --> 00:11:18,000

Who's your friend?

153

00:11:19,000 --> 00:11:21,000

She shut down.

154

00:11:21,000 --> 00:11:23,000

Didn't want to talk about it.

155

00:11:23,000 --> 00:11:27,000

For her to want to keep a secret was very unusual.

156

00:11:30,000 --> 00:11:31,000

Okay.

157

00:11:43,000 --> 00:11:48,000

I didn't know what to think, but I started to watch the monitor like a hawk.

158

00:11:50,000 --> 00:11:51,000

Come on.

159

00:11:51,000 --> 00:11:52,000

Good night.

160

00:12:08,000 --> 00:12:10,000

One night, Chris had gone to work.

161

00:12:10,000 --> 00:12:14,000

I went to take my contacts out, get ready for bed.

162

00:12:21,000 --> 00:12:30,000

I heard a very small, very light knock on the bathroom door.

163

00:12:30,000 --> 00:12:36,000

I thought, meh, I tried to brush it off.

164

00:12:43,000 --> 00:12:47,000

It sounded like a fist had pounded the door.

165

00:12:48,000 --> 00:12:52,000

Very forceful bang, very loud.

166

00:12:56,000 --> 00:13:00,000

I'm home alone with my young child.

167

00:13:00,000 --> 00:13:02,000

I needed to check on her.

168

00:13:10,000 --> 00:13:13,000

I reached out, kind of shaking.

169

00:13:17,000 --> 00:13:20,000

I felt blind.

170

00:13:20,000 --> 00:13:22,000

Everything was blurry.

171

00:13:25,000 --> 00:13:27,000

There's no one outside the door.

172

00:13:48,000 --> 00:13:51,000

My daughter was looking very happy and peaceful in her bed.

173

00:13:58,000 --> 00:14:02,000

I heard what sounded like footsteps on the roof.

174

00:14:06,000 --> 00:14:12,000

The thing that really scared me was that somebody could be trying to break into our house.

175

00:14:18,000 --> 00:14:20,000

That's what I thought.

176

00:14:33,000 --> 00:14:36,000

What would anybody want with us in our house?

177

00:14:37,000 --> 00:14:39,000

I called my husband immediately.

178

00:14:40,000 --> 00:14:43,000

I was talking probably a mile a minute.

179

00:14:43,000 --> 00:14:45,000

Come home right now.

180

00:14:45,000 --> 00:14:48,000

Okay, I'll be home as soon as I can. Just sit tight.

181

00:14:56,000 --> 00:15:01,000

When I get home, I grab my flashlight and it's so heavy I can double it up as a weapon if I need to.

182

00:15:03,000 --> 00:15:06,000

Stay here. I'm gonna go check outside.

183

00:15:07,000 --> 00:15:12,000

I walked down the run behind our bedroom and don't see anything.

184

00:15:13,000 --> 00:15:15,000

It was dead quiet.

185

00:15:17,000 --> 00:15:24,000

But we're just east of LA, so there's always that possibility that we could have a break in or anything of that nature.

186

00:15:27,000 --> 00:15:29,000

But there was nothing out there.

187

00:15:29,000 --> 00:15:33,000

So I kind of just said, you know, hey honey, just reassured her.

188

00:15:34,000 --> 00:15:37,000

Maybe she's hearing new creaks and cracks of an old house.

189

00:15:41,000 --> 00:15:46,000

I wasn't sure what it was, but there was something threatening about the house.

190

00:15:47,000 --> 00:15:49,000

This was not a house.

191

00:15:50,000 --> 00:15:53,000

It was a house that was a little bit more than a house.

192

00:15:53,000 --> 00:15:58,000

I wasn't sure what it was, but there was something threatening about the house.

193

00:15:58,000 --> 00:16:03,000

This was not the safe place that I remembered from my childhood.

194

00:16:11,000 --> 00:16:16,000

I decided we should maybe do something as a family, so I thought, okay, let's have a barbecue out back.

195

00:16:17,000 --> 00:16:22,000

It was nice to have family time again.

196

00:16:24,000 --> 00:16:32,000

Chris is working a lot, and it was wonderful to have him home, and Amelia was having fun playing with her toys.

197

00:16:33,000 --> 00:16:36,000

It seemed like a perfect evening.

198

00:16:47,000 --> 00:16:49,000

Holy crap, what was that?

199

00:16:50,000 --> 00:16:56,000

I saw this figure, like a black shadowy figure, like passed by the kitchen, and then it was gone.

200

00:16:57,000 --> 00:16:58,000

You didn't see that?

201

00:16:58,000 --> 00:17:01,000

His face got really serious.

202

00:17:02,000 --> 00:17:04,000

You guys stay there, I'm just gonna go inside for a second.

203

00:17:06,000 --> 00:17:10,000

I went into my room and grabbed my gun from the safe. I knew it was fully loaded.

204

00:17:11,000 --> 00:17:17,000

My heart's racing because, you know, at any given moment I can turn the corner and kind of see somebody.

205

00:17:23,000 --> 00:17:25,000

Amelia, come here.

206

00:17:34,000 --> 00:17:37,000

I feel like somebody's on my heels.

207

00:17:40,000 --> 00:17:42,000

Like a heavy weight on me.

208

00:17:49,000 --> 00:17:52,000

I heard a creaking noise coming from the kitchen.

209

00:17:55,000 --> 00:17:57,000

What was that?

210

00:18:11,000 --> 00:18:13,000

Who's there?

211

00:18:17,000 --> 00:18:23,000

I saw something, at least the figure of somebody. I couldn't shake the feeling there was somebody there.

212

00:18:24,000 --> 00:18:26,000

Is everything okay?

213

00:18:26,000 --> 00:18:30,000

Yeah, it's nothing. I thought I saw something, but it's nothing.

214

00:18:31,000 --> 00:18:36,000

I wasn't convinced. I know that if he thinks he saw something, and he went,

215

00:18:36,000 --> 00:18:42,000

to investigate it, there's a reason behind it. He saw something, and he just wasn't telling me.

216

00:18:46,000 --> 00:18:49,000

Later that evening, Chris had gone to work.

217

00:19:01,000 --> 00:19:05,000

I was trying to find a way to get to the kitchen,

218

00:19:06,000 --> 00:19:10,000

to just relax and finish up some housework.

219

00:19:25,000 --> 00:19:31,000

I hear tapping on the window, as if fingernails were tapping.

220

00:19:37,000 --> 00:19:40,000

Nothing there. Absolutely nothing.

221

00:19:52,000 --> 00:19:57,000

I hear this scratching on the outside of the house.

222

00:20:06,000 --> 00:20:09,000

The hair on my arms stood up.

223

00:20:17,000 --> 00:20:22,000

It sounded like the living room door slammed shut.

224

00:20:24,000 --> 00:20:28,000

I stood there, really not wanting to go see what it was.

225

00:20:37,000 --> 00:20:43,000

Another bang, the kitchen door, the den door, and then another, and another, and then another.

226

00:20:54,000 --> 00:20:58,000

They didn't actually close, they just made the noise.

227

00:20:58,000 --> 00:21:03,000

I felt so vulnerable.

228

00:21:11,000 --> 00:21:15,000

I had a terrible feeling. Somebody was following me.

229

00:21:28,000 --> 00:21:31,000

I felt something grip my shoulder.

230

00:21:31,000 --> 00:21:35,000

I felt something grip my shoulder.

231

00:21:39,000 --> 00:21:43,000

After what I had just experienced,

232

00:21:43,000 --> 00:21:47,000

I knew something was happening.

233

00:21:47,000 --> 00:21:51,000

I felt something grip my shoulder.

234

00:21:51,000 --> 00:21:55,000

I felt something grip my shoulder.

235

00:21:55,000 --> 00:21:58,000

I felt something grip my shoulder.

236

00:21:59,000 --> 00:22:02,000

I knew something was happening.

237

00:22:02,000 --> 00:22:05,000

Something paranormal was in our house.

238

00:22:07,000 --> 00:22:12,000

There was definitely something or someone connected to this house.

239

00:22:12,000 --> 00:22:19,000

I was searching for any kind of reason as to what was happening to us.

240

00:22:19,000 --> 00:22:25,000

I started to think, could it be somehow connected to my grandmother?

241

00:22:25,000 --> 00:22:30,000

I was searching for any kind of reason as to what was happening to us.

242

00:22:30,000 --> 00:22:36,000

I started to think, could it be somehow connected to my grandmother?

243

00:22:42,000 --> 00:22:44,000

Is grandma still here?

244

00:22:44,000 --> 00:22:48,000

Maybe we had done something to upset her.

245

00:22:48,000 --> 00:22:50,000

What do you mean here?

246

00:22:50,000 --> 00:22:53,000

This was her house for so long.

247

00:22:54,000 --> 00:22:57,000

What the? Stay there.

248

00:23:05,000 --> 00:23:08,000

Amanda, you have to come see this.

249

00:23:13,000 --> 00:23:16,000

I couldn't believe what I was looking at.

250

00:23:18,000 --> 00:23:24,000

This one picture came off the wall and landed in a very unnatural way.

251

00:23:24,000 --> 00:23:29,000

We were both completely at a loss.

252

00:23:29,000 --> 00:23:31,000

The nail's still good.

253

00:23:31,000 --> 00:23:35,000

The picture would have had to have been lifted off to come off the nail.

254

00:23:35,000 --> 00:23:39,000

I was utterly confused as to what was going on and what was happening.

255

00:23:42,000 --> 00:23:45,000

I started to wonder, maybe we should have moved somewhere else.

256

00:23:45,000 --> 00:23:50,000

Maybe we should have moved somewhere to start fresh that neither one of us had any memories from.

257

00:23:51,000 --> 00:23:53,000

Hey, Chris.

258

00:23:53,000 --> 00:23:55,000

Oh, hey, Kevin.

259

00:23:59,000 --> 00:24:03,000

My boss asked me, hey, you know, what's going on?

260

00:24:03,000 --> 00:24:06,000

I told him, you know, I have some weird things going on in the house.

261

00:24:06,000 --> 00:24:09,000

A lot of things that I can't explain.

262

00:24:09,000 --> 00:24:11,000

Neither of us can.

263

00:24:11,000 --> 00:24:13,000

Like what?

264

00:24:13,000 --> 00:24:18,000

Like fingernail scratching at the window, footsteps down the hall.

265

00:24:18,000 --> 00:24:21,000

And he said, you know, well, maybe I can help you with that.

266

00:24:22,000 --> 00:24:25,000

My wife, Lisa, she's a psychic.

267

00:24:26,000 --> 00:24:31,000

I was dumbfounded because I didn't really so much as buy into, you know,

268

00:24:31,000 --> 00:24:34,000

psychics and mediums and things of that nature.

269

00:24:37,000 --> 00:24:40,000

Amanda, she's frightened.

270

00:24:41,000 --> 00:24:44,000

We were desperate at this point. We didn't know what else to do.

271

00:24:44,000 --> 00:24:47,000

So we decided, let's give it a shot.

272

00:24:47,000 --> 00:24:49,000

Okay.

273

00:24:59,000 --> 00:25:01,000

I'm a psychic medium.

274

00:25:01,000 --> 00:25:04,000

I specialize in exorcisms and cleansings.

275

00:25:04,000 --> 00:25:08,000

I've been gifted since about four years of age.

276

00:25:08,000 --> 00:25:11,000

Hi, Amanda. I'm Lisa.

277

00:25:11,000 --> 00:25:16,000

I didn't know what a psychic was except for the silly things you see on TV.

278

00:25:16,000 --> 00:25:23,000

And I didn't really know what to think, but I knew we needed something.

279

00:25:25,000 --> 00:25:28,000

They were a very sweet young couple.

280

00:25:28,000 --> 00:25:31,000

I could tell immediately they were very stressed.

281

00:25:31,000 --> 00:25:34,000

They really needed help and I really wanted to help them.

282

00:25:38,000 --> 00:25:40,000

I was very worried.

283

00:25:44,000 --> 00:25:48,000

She moved through the house as if she was taking photographs with her eyes

284

00:25:48,000 --> 00:25:50,000

and just kind of making observations.

285

00:26:00,000 --> 00:26:04,000

As I walked around the home, a pulse in my hand began to start.

286

00:26:05,000 --> 00:26:09,000

It got stronger and stronger and it was leading me around.

287

00:26:09,000 --> 00:26:12,000

I got this very strong sense of history.

288

00:26:13,000 --> 00:26:15,000

Have you been living here long?

289

00:26:16,000 --> 00:26:18,000

No, just a few months.

290

00:26:19,000 --> 00:26:24,000

That's strange. I feel a very strong family connection.

291

00:26:27,000 --> 00:26:29,000

This is my grandmother's house.

292

00:26:30,000 --> 00:26:34,000

It was really odd because we hadn't given her any information.

293

00:26:37,000 --> 00:26:39,000

I was heading towards Amelia's room.

294

00:26:44,000 --> 00:26:47,000

My hand started having a pulse. It's like a Geiger counter.

295

00:26:49,000 --> 00:26:51,000

I was drawn to her little bed.

296

00:26:55,000 --> 00:26:58,000

And I pointed to a spot on the ground.

297

00:26:59,000 --> 00:27:01,000

Did she talk to someone there?

298

00:27:02,000 --> 00:27:03,000

I froze for a second.

299

00:27:04,000 --> 00:27:05,000

Yes.

300

00:27:06,000 --> 00:27:12,000

I remembered Amelia sitting up in bed, having a conversation with someone we couldn't see.

301

00:27:19,000 --> 00:27:21,000

All of a sudden I could hear her talking.

302

00:27:24,000 --> 00:27:25,000

I can hear her now.

303

00:27:29,000 --> 00:27:31,000

The presence was in the room with us.

304

00:27:42,000 --> 00:27:43,000

I could hear her talking.

305

00:27:51,000 --> 00:27:54,000

The presence was in the room with us.

306

00:28:00,000 --> 00:28:02,000

She's very kind.

307

00:28:05,000 --> 00:28:06,000

I like her presence.

308

00:28:07,000 --> 00:28:12,000

You could feel this good presence and it was a very gentle, very kind, very nurturing voice.

309

00:28:15,000 --> 00:28:22,000

And then Lisa said that the spirit in this room was of a positive force.

310

00:28:22,000 --> 00:28:24,000

It was actually protecting my daughter.

311

00:28:29,000 --> 00:28:33,000

When she turned to leave the room, I heard Lisa say something.

312

00:28:42,000 --> 00:28:44,000

My heart stopped.

313

00:28:45,000 --> 00:28:46,000

What did you say?

314

00:28:51,000 --> 00:28:52,000

Sugar pie?

315

00:28:54,000 --> 00:28:55,000

It got very emotional.

316

00:28:57,000 --> 00:28:58,000

It's my grandma.

317

00:28:59,000 --> 00:29:00,000

That's what she called me.

318

00:29:03,000 --> 00:29:11,000

It was a wonderful feeling inside to think that this woman was now protecting my child.

319

00:29:13,000 --> 00:29:15,000

But it was very confusing.

320

00:29:16,000 --> 00:29:18,000

We had a guardian angel presence.

321

00:29:18,000 --> 00:29:22,000

But on the other hand, these terrible things had happened.

322

00:29:25,000 --> 00:29:27,000

The next room I went to was the den.

323

00:29:29,000 --> 00:29:32,000

You could feel this dark, horrible feeling.

324

00:29:32,000 --> 00:29:33,000

It was overwhelming.

325

00:29:38,000 --> 00:29:40,000

I was jolted and pushed back.

326

00:29:42,000 --> 00:29:46,000

I heard this very aggressive voice yelling and screaming.

327

00:29:51,000 --> 00:29:53,000

I could feel that she was trapped.

328

00:29:53,000 --> 00:29:54,000

I could hear it.

329

00:29:54,000 --> 00:29:56,000

Angry, scratching.

330

00:29:57,000 --> 00:30:01,000

I could see her dig her nails in and scratch and claw at the side of a box.

331

00:30:05,000 --> 00:30:09,000

She wanted out so desperately, she was literally in a hell.

332

00:30:09,000 --> 00:30:10,000

Lisa, Lisa!

333

00:30:12,000 --> 00:30:14,000

I looked at my hands and I swear they were bleeding.

334

00:30:17,000 --> 00:30:18,000

Scratching.

335

00:30:25,000 --> 00:30:29,000

She wanted me to feel the pain that she was going through.

336

00:30:29,000 --> 00:30:30,000

What's going on? Lisa!

337

00:30:31,000 --> 00:30:36,000

I could feel a presence literally physically there.

338

00:30:38,000 --> 00:30:43,000

Lisa turned around and said, you have human remains here.

339

00:30:47,000 --> 00:30:50,000

Right behind my hand on this wall, there's a box of human remains.

340

00:30:50,000 --> 00:30:51,000

Here we go.

341

00:30:52,000 --> 00:30:53,000

My jaw dropped.

342

00:30:56,000 --> 00:30:58,000

I couldn't believe what I was hearing.

343

00:31:00,000 --> 00:31:04,000

I opened up the closet door and we have all sorts of boxes stored in there.

344

00:31:07,000 --> 00:31:08,000

No.

345

00:31:08,000 --> 00:31:10,000

She tells me keep looking, keep going.

346

00:31:13,000 --> 00:31:14,000

No.

347

00:31:14,000 --> 00:31:16,000

That's that one. That one.

348

00:31:17,000 --> 00:31:18,000

It's in there.

349

00:31:21,000 --> 00:31:22,000

Let me see, it's in there.

350

00:31:30,000 --> 00:31:31,000

Oh my God.

351

00:31:31,000 --> 00:31:34,000

As soon as Chris took out the box, I realized what it was.

352

00:31:38,000 --> 00:31:39,000

I was so shocked.

353

00:31:40,000 --> 00:31:41,000

I was so shocked.

354

00:31:41,000 --> 00:31:42,000

I was so shocked.

355

00:31:45,000 --> 00:31:46,000

Great Aunt Elmerie.

356

00:31:47,000 --> 00:31:49,000

Elmerie? Who's that?

357

00:31:50,000 --> 00:31:54,000

Inside this box was an urn of ashes.

358

00:32:00,000 --> 00:32:05,000

I looked over at my wife and she looked back at me and, you know, she understood.

359

00:32:05,000 --> 00:32:08,000

Like she understood what Lisa was talking about.

360

00:32:09,000 --> 00:32:14,000

Not everybody knew that my grandma had a twin sister.

361

00:32:16,000 --> 00:32:23,000

She lived out in Las Vegas, so I only saw her maybe once or twice a year.

362

00:32:23,000 --> 00:32:26,000

She had very long fingernails.

363

00:32:27,000 --> 00:32:32,000

She was a very stern person, very difficult.

364

00:32:32,000 --> 00:32:35,000

Everything had to be her way or no way.

365

00:32:39,000 --> 00:32:49,000

When my uncle passed away, my grandmother had to bring her sister back home to take care of her there.

366

00:32:51,000 --> 00:32:58,000

The whole time she was there, she made my grandma miserable and would be very nasty.

367

00:32:58,000 --> 00:33:00,000

I'll make chicken soup.

368

00:33:01,000 --> 00:33:02,000

I don't want it.

369

00:33:03,000 --> 00:33:04,000

I've made something.

370

00:33:05,000 --> 00:33:07,000

I don't want it.

371

00:33:08,000 --> 00:33:14,000

It was very upsetting seeing my grandmother being treated in such a mean way.

372

00:33:14,000 --> 00:33:15,000

Get out of here.

373

00:33:19,000 --> 00:33:23,000

A few months after that, my great aunt passed away.

374

00:33:26,000 --> 00:33:35,000

I never would have thought in a million years that a member of my own family would be trying to harm me.

375

00:33:38,000 --> 00:33:48,000

I tried to explain to them the gravity of the situation.

376

00:33:48,000 --> 00:33:51,000

You need to get rid of these ashes to protect this family.

377

00:33:52,000 --> 00:33:55,000

Her great aunt blamed them for her being in that box.

378

00:33:56,000 --> 00:34:02,000

She's just begging to be out and no one's listening, so her only recourse is aggression.

379

00:34:02,000 --> 00:34:06,000

She'd do anything to get out of that box, anything.

380

00:34:09,000 --> 00:34:09,640

If you ■■

blamed them for her being in that box.

387

00:34:41,240 --> 00:34:43,080

If these remains were not removed,

388

00:34:43,120 --> 00:34:45,280

this family would never survive living there.

389

00:34:55,160 --> 00:34:57,660

Me and Amanda had talked about what to do with the ashes.

390

00:34:57,660 --> 00:35:01,860

I had figured that we'd just leave them in the garage overnight,

391

00:35:01,900 --> 00:35:04,500

and then we would just figure out what to do with them in the morning.

392

00:35:09,340 --> 00:35:11,380

Later that evening, Chris had gone to work,

393

00:35:11,420 --> 00:35:14,420

and I was sitting on our bed watching the little TV.

394

00:35:14,460 --> 00:35:16,420

Bunny, are you ready?

395

00:35:16,460 --> 00:35:17,780

Bunny, are you ready?

396

00:35:17,820 --> 00:35:19,420

Bunny, are you ready?

397

00:35:19,460 --> 00:35:20,860

Bunny, are you ready?

398

00:35:20,900 --> 00:35:22,420

Bunny, are you ready?

399

00:35:22,460 --> 00:35:23,900

Bunny, are you ready?

400

00:35:23,940 --> 00:35:25,420

Bunny, are you ready?

401

00:35:25,460 --> 00:35:27,300

Bunny, are you ready?

402

00:35:27,300 --> 00:35:29,260

Are you ready to meet that new challenger?

403

00:35:29,300 --> 00:35:30,860

Oh, yeah, I'm really happy.

404

00:35:30,900 --> 00:35:32,260

Okay, Bunny.

405

00:35:34,900 --> 00:35:37,500

Let's bring in that new mystery challenger.

406

00:35:38,420 --> 00:35:39,540

Well, come on.

407

00:35:40,460 --> 00:35:42,540

And your name is Bunny.

408

00:35:42,580 --> 00:35:43,460

Sable.

409

00:35:43,500 --> 00:35:44,700

Oh, Sable.

410

00:35:44,740 --> 00:35:49,340

I hear fingernails tapping on our window.

411

00:35:49,380 --> 00:35:52,540

They were tap, tap, tap.

412

00:35:52,580 --> 00:35:54,460

Sable's from Harlem.

413

00:35:54,500 --> 00:35:56,540

Instagram wonderful.

414

00:35:56,540 --> 00:35:58,100

Oh, I can hear it.

415

00:35:58,140 --> 00:35:59,700

Oh, Sable.

416

00:35:59,740 --> 00:36:01,140

So, get out of here.

417

00:36:01,180 --> 00:36:02,700

Oh, I can hear it.

418

00:36:02,740 --> 00:36:03,700

I can hear it.

419

00:36:03,740 --> 00:36:04,700

I can hear it.

420

00:36:04,740 --> 00:36:05,700

I can hear it.

421

00:36:05,740 --> 00:36:08,940

You can see that she is very serious.

422

00:36:08,980 --> 00:36:11,700

All right, Sable, you know how our game is going.

423

00:36:11,740 --> 00:36:13,700

Yes, I'll watch the video.

424

00:36:13,740 --> 00:36:14,940

I understand.

425

00:36:26,540 --> 00:36:28,540

And it looked out the window.

426

00:36:28,580 --> 00:36:29,980

Absolutely nothing.

427

00:36:37,500 --> 00:36:40,580

I was completely petrified.

428

00:36:44,100 --> 00:36:47,900

I knew that my great aunt would be so angry.

429

00:36:47,940 --> 00:36:49,340

I was so angry.

430

00:36:49,380 --> 00:36:50,740

I was so angry.

431

00:36:50,780 --> 00:36:52,100

I was so angry.

432

00:36:52,140 --> 00:36:53,300

I was so angry.

433

00:36:53,340 --> 00:36:54,500

I was so angry.

434

00:36:54,540 --> 00:36:55,740

I was so angry.

435

00:36:55,740 --> 00:36:58,340

My great aunt was back.

436

00:36:58,380 --> 00:36:59,780

Come on, come on.

437

00:36:59,820 --> 00:37:02,100

He's still saying it's not him.

438

00:37:02,140 --> 00:37:03,700

Yeah, I got him back to the car.

439

00:37:03,740 --> 00:37:04,900

Oh, my God.

440

00:37:09,980 --> 00:37:10,780

Hey, babe.

441

00:37:10,820 --> 00:37:13,140

Chris, Chris, she's back!

442

00:37:13,180 --> 00:37:14,540

What?

443

00:37:14,580 --> 00:37:16,540

Chris, come home, please.

444

00:37:16,580 --> 00:37:20,540

Okay, I'll be there as soon as I can.

445

00:37:20,580 --> 00:37:21,900

Amanda.

446

00:37:21,940 --> 00:37:22,940

Amanda.

447

00:37:22,980 --> 00:37:24,380

All of a sudden, the phone drops call.

448

00:37:24,380 --> 00:37:25,380

Chris?

449

00:37:28,220 --> 00:37:29,820

And the phone went dead.

450

00:37:49,060 --> 00:37:51,740

I was terrified.

451

00:37:51,780 --> 00:37:53,540

Completely terrified.

452

00:37:55,380 --> 00:38:00,380

I could feel the most evil, terrible feeling.

453

00:38:05,380 --> 00:38:06,380

I hear this...

454

00:38:09,940 --> 00:38:13,380

The door had shut, almost as if somebody closed it.

455

00:38:24,380 --> 00:38:25,380

No!

456

00:38:30,380 --> 00:38:32,380

Amelia!

457

00:38:32,380 --> 00:38:33,380

No!

458

00:38:35,380 --> 00:38:36,380

The door wouldn't open.

459

00:38:37,740 --> 00:38:40,740

Trying to pull on the door and hit the door and kick the door.

460

00:38:48,380 --> 00:38:53,380

I could hear these heavy, thudding footsteps on the roof

461

00:38:53,380 --> 00:38:57,380

as if the spirit was trying to cave in my roof.

462

00:39:01,380 --> 00:39:02,380

Mommy!

463

00:39:02,380 --> 00:39:03,380

Mommy!

464

00:39:03,380 --> 00:39:04,380

Mommy, I'm here!

465

00:39:04,380 --> 00:39:09,380

My daughter starts to cry, and I can't get out.

466

00:39:09,380 --> 00:39:10,380

I can't get to her.

467

00:39:10,380 --> 00:39:11,380

Mommy!

468

00:39:11,380 --> 00:39:12,380

Mommy!

469

00:39:12,380 --> 00:39:13,380

Look.

470

00:39:24,380 --> 00:39:25,380

Amelia!

471

00:39:26,380 --> 00:39:27,380

Mommy!

472

00:39:29,380 --> 00:39:30,380

Amelia!

473

00:39:33,380 --> 00:39:34,380

Mommy!

474

00:39:35,380 --> 00:39:38,380

I hear what sounds like footsteps.

475

00:39:41,380 --> 00:39:42,380

Mommy!

476

00:39:46,380 --> 00:39:49,380

Something was coming at me.

477

00:39:53,380 --> 00:39:55,380

I hear what sounds like footsteps.

478

00:39:57,380 --> 00:39:59,380

Something was coming at me.

479

00:40:09,380 --> 00:40:11,380

I hear what sounds like footsteps.

480

00:40:12,380 --> 00:40:15,380

Something was coming at me.

481

00:40:24,380 --> 00:40:26,380

I look like Amelia!

482

00:40:29,380 --> 00:40:31,380

I was petrified for Amelia.

483

00:40:36,380 --> 00:40:38,380

Mommy! Mommy!

484

00:40:38,380 --> 00:40:40,380

Leave my daughter alone!

485

00:40:40,380 --> 00:40:42,380

Stop messing with my family!

486

00:40:42,380 --> 00:40:44,380

I'm just yelling at the top of my lungs.

487

00:40:44,380 --> 00:40:46,380

Leave my family alone.

488

00:40:46,380 --> 00:40:48,380

If you want to pick on somebody...

489

00:40:48,380 --> 00:40:49,380

Pick on me!

490

00:40:49,380 --> 00:40:50,380

I'm right here!

491

00:40:50,380 --> 00:40:52,380

We had to do something.

492

00:40:53,380 --> 00:40:55,380

We had to get rid of these ashes.

493

00:40:55,380 --> 00:40:56,380

They had to go.

494

00:40:58,380 --> 00:41:00,380

As far away from our house as possible.

495

00:41:03,380 --> 00:41:06,380

I knew what I wanted to do with my great aunt's ashes.

496

00:41:06,380 --> 00:41:10,380

I had a good idea of where I wanted to scatter her.

497

00:41:15,380 --> 00:41:19,380

She was always very happy, at the casino.

498

00:41:19,380 --> 00:41:22,380

It was definitely a place that she loved to be.

499

00:41:23,380 --> 00:41:25,380

She loved to be.

500

00:41:25,380 --> 00:41:27,380

She loved to be.

501

00:41:27,380 --> 00:41:29,380

We just wanted this thing out of our house

502

00:41:29,380 --> 00:41:31,380

and wanted to move on with our lives.

503

00:41:48,380 --> 00:41:52,380

As her ashes were flying in the wind,

504

00:41:52,380 --> 00:41:55,380

you could feel the sense of relief.

505

00:41:55,380 --> 00:41:57,380

You could feel this...

506

00:41:58,380 --> 00:41:59,380

sort of...

507

00:42:05,380 --> 00:42:07,380

Did you hear that?

508

00:42:07,380 --> 00:42:08,380

Yeah.

509

00:42:08,380 --> 00:42:09,380

I did.

510

00:42:15,380 --> 00:42:19,380

I knew that now she would be at peace and be happy.

511

00:42:22,380 --> 00:42:24,380

I knew that.

512

00:42:28,380 --> 00:42:30,380

When we arrived back home,

513

00:42:30,380 --> 00:42:34,380

there was such a sense of peace and calm in our house.

514

00:42:34,380 --> 00:42:38,380

Our house was no longer tormented by this negativity.

515

00:42:41,380 --> 00:42:45,380

My grandma had always looked out for me when I was little.

516

00:42:45,380 --> 00:42:48,380

And now it's a great feeling

517

00:42:48,380 --> 00:42:52,380

knowing that my grandmother is also taking care of my daughter.

518

00:42:52,380 --> 00:42:55,380

And my great aunt was now at peace.
