

1

00:00:00,000 --> 00:00:13,360

This guy told us that back in the 60s, there had been this winged entity.

2

00:00:13,360 --> 00:00:16,760

I suddenly began just getting this very strange feeling.

3

00:00:16,760 --> 00:00:18,360

Is anyone there?

4

00:00:18,360 --> 00:00:23,960

How was I supposed to protect us against something?

5

00:00:23,960 --> 00:00:26,240

I don't even know what it is.

6

00:00:27,240 --> 00:00:30,240

Could it throw like a knife?

7

00:00:34,240 --> 00:00:36,240

I'm done. This is the end.

8

00:00:39,240 --> 00:00:41,240

What we thought couldn't get worse just got worse.

9

00:00:56,240 --> 00:01:20,240

Listen to this. Whether your passion is history, folklore, or the great outdoors.

10

00:01:20,240 --> 00:01:25,240

Crystal and I both worked at a gaming store. It was your stereotypical love at first sight.

11

00:01:25,240 --> 00:01:30,240

Come visit a unique heritage and a warm welcome await you.

12

00:01:30,240 --> 00:01:36,240

We both love to travel and just kind of taking day trips and discovering new places.

13

00:01:36,240 --> 00:01:42,240

We had a weekend off and we decided to go to a little town called Point Pleasant.

14

00:01:42,240 --> 00:01:45,240

Where history and rivers meet.

15

00:01:45,240 --> 00:01:58,240

Right across from the hotel, there was a small shop called The Point.

16

00:02:03,240 --> 00:02:06,240

And they sold souvenirs and Native American trinkets.

17

00:02:06,240 --> 00:02:19,240

Jeff, look at this. Looks real.

18

00:02:19,240 --> 00:02:21,240

Yeah.

19

00:02:33,240 --> 00:02:38,240

The wall was just plastered with newspaper clippings and pictures.

20

00:02:42,240 --> 00:02:47,240

What really grabbed our attention was this really horrible tragedy that happened in Point Pleasant in the 60s.

21

00:02:47,240 --> 00:02:49,240

It was a collapse of the Silver Bridge.

22

00:03:05,240 --> 00:03:09,240

Can I help you? Sorry.

23

00:03:09,240 --> 00:03:11,240

What happened here?

24

00:03:11,240 --> 00:03:14,240

Oh, no, that's a weird story.

25

00:03:18,240 --> 00:03:29,240

The store owner told us that roughly a year before the bridge collapsed, there had been this winged entity that had shown up in Point Pleasant.

26

00:03:29,240 --> 00:03:32,240

Everybody was seeing this thing.

27

00:03:32,240 --> 00:03:41,240

They made the headlines. This journalist here gave it a name. He called it the Mothman.

28

00:03:41,240 --> 00:03:51,240

A lot of people when they saw the Mothman felt this instant fear and dread like something awful was about to happen.

29

00:03:55,240 --> 00:04:00,240

People began to see this creature as a harbinger of doom or an angel of death.

30

00:04:04,240 --> 00:04:06,240

What are these?

31

00:04:06,240 --> 00:04:11,240

Those are bunkers. They used to store munitions there during World War II.

32

00:04:11,240 --> 00:04:16,240

There's pictures of these concrete igloos covered with grass and shrubs.

33

00:04:16,240 --> 00:04:21,240

That's where the Mothman was first seen in the 60s. It was his domain.

34

00:04:21,240 --> 00:04:23,240

Can you get to the bunkers now?

35

00:04:23,240 --> 00:04:26,240

Oh, sure. It's a nature reserve. You should go see it.

36

00:04:26,240 --> 00:04:28,240

Shall we?

37

00:04:28,240 --> 00:04:31,240

So, he drew us a little map, told us how to get there.

38

00:04:32,240 --> 00:04:34,240

Here you go. Really simple.

39

00:04:34,240 --> 00:04:37,240

We decided to hop in the car and go check it out.

40

00:04:38,240 --> 00:04:40,240

Well, hey guys!

41

00:04:40,240 --> 00:04:43,240

You really want to creep yourself out?

42

00:04:43,240 --> 00:04:46,240

As we were leaving, the guy told us to try some recordings in the bunker.

43

00:04:46,240 --> 00:04:48,240

Recordings?

44

00:04:48,240 --> 00:04:51,240

People have recorded some strange noises.

45

00:04:51,240 --> 00:04:55,240

People sometimes capture these disembodied voices on tape.

46

00:04:55,240 --> 00:04:57,240

Especially when you ask questions.

47

00:04:57,240 --> 00:04:58,240

Really?

48

00:04:58,240 --> 00:05:01,240

It wasn't really something we were interested in. We pretty much discounted it.

49

00:05:01,240 --> 00:05:04,240

Just, you know, part of the whole folklore of the area.

50

00:05:04,240 --> 00:05:06,240

Thanks anyway. Bye.

51

00:05:06,240 --> 00:05:10,240

So, I mean it was in the back of our minds, but we just decided to go ahead and take all.

52

00:05:22,240 --> 00:05:24,240

That's supposed to be it.

53

00:05:28,240 --> 00:05:31,240

It's kind of spooky as soon as you get there.

54

00:05:31,240 --> 00:05:34,240

It was almost like you were expecting something to jump out at you.

55

00:05:58,240 --> 00:06:00,240

Stop it!

56

00:06:00,240 --> 00:06:01,240

You scared?

57

00:06:01,240 --> 00:06:02,240

No.

58

00:06:02,240 --> 00:06:03,240

Come on.

59

00:06:03,240 --> 00:06:05,240

Of course not.

60

00:06:29,240 --> 00:06:33,240

After about, you know, five, ten minutes we got to this little clearing.

61

00:06:36,240 --> 00:06:42,240

All you could see was this huge steel door that we realized was the first bunker.

62

00:06:58,240 --> 00:07:00,240

Wow.

63

00:07:18,240 --> 00:07:22,240

As soon as we stepped in, I mean it was just a complete transition.

64

00:07:22,240 --> 00:07:26,240

Just the whole atmosphere in itself was just strange.

65

00:07:28,240 --> 00:07:30,240

It was just a whole new world.

66

00:07:30,240 --> 00:07:32,240

It was just a whole new world.

67

00:07:32,240 --> 00:07:34,240

It was just a whole new world.

68

00:07:34,240 --> 00:07:36,240

It was just a whole new world.

69

00:07:36,240 --> 00:07:38,240

It was just a whole new world.

70

00:07:38,240 --> 00:07:40,240

It was just a whole new world.

71

00:07:40,240 --> 00:07:44,240

And then I remembered what the guy at the store had told me about the recording.

72

00:07:44,240 --> 00:07:47,240

So, I thought, you know, hey, what could it hurt?

73

00:07:47,240 --> 00:07:52,240

I went ahead and hit record and asked a couple of questions.

74

00:07:52,240 --> 00:07:54,240

Is anyone there?

75

00:07:54,240 --> 00:07:56,240

Is anyone listening?

76

00:07:58,240 --> 00:08:01,240

Is there anything you want to tell us?

77

00:08:06,240 --> 00:08:08,240

What is your name?

78

00:08:12,240 --> 00:08:18,240

As Jeff was asking the questions, I suddenly began just getting this very strange feeling.

79

00:08:18,240 --> 00:08:20,240

Hello?

80

00:08:20,240 --> 00:08:22,240

Jeff!

81

00:08:22,240 --> 00:08:25,240

Can you hear me?

82

00:08:25,240 --> 00:08:27,240

We're waiting.

83

00:08:27,240 --> 00:08:30,240

Jeff, this is enough.

84

00:08:36,240 --> 00:08:38,240

What was that?

85

00:08:39,240 --> 00:08:41,240

Jeff, I don't like it here.

86

00:08:41,240 --> 00:08:43,240

So, I said, come on, Jeff.

87

00:08:43,240 --> 00:08:45,240

Let's go.

88

00:08:45,240 --> 00:08:47,240

Maybe a bird.

89

00:08:47,240 --> 00:08:52,240

We really just chalked this feeling down to being a strange environment.

90

00:08:52,240 --> 00:08:55,240

We didn't really think much past that.

91

00:09:18,240 --> 00:09:20,240

Wait.

92

00:09:20,240 --> 00:09:22,240

Let's listen to this.

93

00:09:22,240 --> 00:09:29,240

We decided to go ahead and just, you know, for the fun of it, listen to the recordings that we had done in the bunker.

94

00:09:29,240 --> 00:09:33,240

We're only going to be here a few more minutes.

95

00:09:33,240 --> 00:09:35,240

Cool. Cool sound effects.

96

00:09:35,240 --> 00:09:37,240

If you'd like to make a noise.

97

00:09:37,240 --> 00:09:39,240

How'd that go?

98

00:09:39,240 --> 00:09:42,240

You say a word.

99

00:09:42,240 --> 00:09:45,240

You say a word.

100

00:09:45,240 --> 00:09:48,240

You say a word.

101

00:09:48,240 --> 00:09:51,240

Suddenly we heard a voice.

102

00:09:51,240 --> 00:09:53,240

They put it again.

103

00:09:53,240 --> 00:09:55,240

You say a word.

104

00:09:55,240 --> 00:10:01,240

This really deep, guttural, raspy, I'm here.

105

00:10:01,240 --> 00:10:03,240

You say a word.

106

00:10:03,240 --> 00:10:05,240

You say a word.

107

00:10:05,240 --> 00:10:09,240

This really deep, guttural, raspy, I'm here.

108

00:10:09,240 --> 00:10:19,240

When we got home, I felt so much better.

109

00:10:19,240 --> 00:10:23,240

We were four hours away from Point Pleasant and the voice that we captured.

110

00:10:29,240 --> 00:10:33,240

Our house was small, but, you know, quaint, homey.

111

00:10:33,240 --> 00:10:35,240

We really liked it.

112

00:10:35,240 --> 00:10:39,240

It was pretty isolated, but it just felt safe.

113

00:10:39,240 --> 00:10:48,240

Sound of phone ringing.

114

00:10:48,240 --> 00:10:53,240

Later that day, my phone rang.

115

00:10:53,240 --> 00:10:56,240

I looked at the call ID and it said that it was blocked.

116

00:10:56,240 --> 00:10:59,240

Hello?

117

00:10:59,240 --> 00:11:00,240

Hello?

118

00:11:00,240 --> 00:11:09,240

And it was just complete silence.

119

00:11:09,240 --> 00:11:18,240

A minute later, it rang again.

120

00:11:18,240 --> 00:11:21,240

Same block number.

121

00:11:21,240 --> 00:11:24,240

Hello?

122

00:11:24,240 --> 00:11:29,240

Nothing.

123

00:11:30,240 --> 00:11:46,240

But then it rang a third time.

124

00:11:46,240 --> 00:11:49,240

Hello?

125

00:11:49,240 --> 00:11:52,240

Hello?

126

00:11:52,240 --> 00:11:57,240

But this time, there's beeping.

127

00:11:57,240 --> 00:12:03,240

Hello?

128

00:12:03,240 --> 00:12:21,240

I was thinking this is getting kind of weird, but maybe it's just like a fax machine or something like that calling my phone.

129

00:12:21,240 --> 00:12:23,240

We decided to go for dinner that night.

130

00:12:23,240 --> 00:12:27,240

We just needed to go out and just relax.

131

00:12:27,240 --> 00:12:37,240

I went to the bathroom to fix my makeup, and as I grabbed the doorknob, it was just burning hot.

132

00:12:37,240 --> 00:12:39,240

Jeff?

133

00:12:39,240 --> 00:12:41,240

The doorknob!

134

00:12:41,240 --> 00:12:43,240

He burned my hand.

135

00:12:43,240 --> 00:12:47,240

The last thing I thought was there's a fire on the other side of the door.

136

00:13:14,240 --> 00:13:18,240

I smoke?

137

00:13:18,240 --> 00:13:21,240

Nothing.

138

00:13:21,240 --> 00:13:29,240

There was no fire, no shorted wires, nothing. It didn't make sense.

139

00:13:33,240 --> 00:13:35,240

Jeff?

140

00:13:37,240 --> 00:13:39,240

Look.

141

00:13:43,240 --> 00:14:06,240

I saw these huge long fingered hand prints.

142

00:14:06,240 --> 00:14:11,240

The fingers were far larger than a human's hand could ever be.

143

00:14:11,240 --> 00:14:18,240

Neither of us could believe what we were seeing.

144

00:14:18,240 --> 00:14:24,240

When he touched it, it was just like this really strange substance. It was like ashy of a soot-like.

145

00:14:24,240 --> 00:14:26,240

You heard of his tricking me, right?

146

00:14:26,240 --> 00:14:28,240

I thought this is a joke. You've got to be messing with me.

147

00:14:28,240 --> 00:14:31,240

Seriously, it's not me. I just saw this, just right now.

148

00:14:31,240 --> 00:14:32,240

Crystal, come on.

149

00:14:32,240 --> 00:14:33,240

Jeff!

150

00:14:33,240 --> 00:14:36,240

She was emphatic to the point where it developed into an argument.

151

00:14:36,240 --> 00:14:37,240

It's your makeup, right?

152

00:14:37,240 --> 00:14:38,240

You think I could do this?

153

00:14:38,240 --> 00:14:39,240

It's your eye shadow.

154

00:14:39,240 --> 00:14:40,240

Hey, it's not me.

155

00:14:40,240 --> 00:14:42,240

I rolled out it being a joke.

156

00:14:42,240 --> 00:14:47,240

Any other possibility that I'm left with is pretty terrifying.

157

00:14:47,240 --> 00:14:50,240

Someone must be in this house.

158

00:14:50,240 --> 00:14:52,240

I had to get to the bottom of it.

159

00:15:40,240 --> 00:15:58,240

We decided to just leave the house, distance ourselves from the situation.

160

00:15:58,240 --> 00:16:06,240

We thought we'd be able to clear our heads and maybe think of a rational reason for this to have happened.

161

00:16:06,240 --> 00:16:09,240

We both agree. Let's just look things over again.

162

00:16:09,240 --> 00:16:11,240

We're going to work this out.

163

00:16:18,240 --> 00:16:22,240

If we walk up the walkway, everything's as it should be.

164

00:16:22,240 --> 00:16:24,240

I'm sorry.

165

00:16:37,240 --> 00:16:43,240

Suddenly, there's this piercing shriek. It was all like anything I'd ever heard.

166

00:16:44,240 --> 00:16:46,240

I've never been there before.

167

00:16:46,240 --> 00:16:48,240

I was always in the dark.

168

00:17:01,240 --> 00:17:03,240

I thought there was somebody in there messing with me.

169

00:17:03,240 --> 00:17:04,240

You know, they're scaring Crystal.

170

00:17:04,240 --> 00:17:07,240

I'm going to go in and put a stop to it.

171

00:17:07,240 --> 00:17:08,240

I'm going inside.

172

00:17:08,240 --> 00:17:09,240

No, don't go.

173

00:17:09,240 --> 00:17:10,240

I have to.

174

00:17:10,240 --> 00:17:11,240

Crystal wants to leave.

175

00:17:11,240 --> 00:17:12,240

No, we gotta get out of here.

176

00:17:12,240 --> 00:17:14,240

I hit the lights.

177

00:17:14,240 --> 00:17:15,240

There's nothing.

178

00:17:15,240 --> 00:17:16,240

What the hell?

179

00:17:42,240 --> 00:17:55,240

What could make this noise?

180

00:17:55,240 --> 00:18:09,240

What possibly could this be?

181

00:18:09,240 --> 00:18:11,240

I was just scared, period.

182

00:18:11,240 --> 00:18:27,240

Something really strange was happening.

183

00:18:27,240 --> 00:18:29,240

It's just me.

184

00:18:29,240 --> 00:18:30,240

You scared me.

185

00:18:30,240 --> 00:18:33,240

It's okay.

186

00:18:33,240 --> 00:18:34,240

Anyone there?

187

00:18:34,240 --> 00:18:36,240

No.

188

00:18:40,240 --> 00:18:43,240

The power's back on.

189

00:18:59,240 --> 00:19:02,240

I just got really creeped out.

190

00:19:02,240 --> 00:19:04,240

You can say a word.

191

00:19:04,240 --> 00:19:11,240

I've never had any problems in the house before.

192

00:19:11,240 --> 00:19:18,240

Then we captured this voice, and now all this loud shrieking and hand prints.

193

00:19:18,240 --> 00:19:33,240

I started wondering if the two were connected.

194

00:19:33,240 --> 00:19:37,240

I was on my way home from work one night, 9.30, 10.00, pretty late.

195

00:19:37,240 --> 00:19:49,240

The things that had been happening were obviously in the back of my mind.

196

00:19:49,240 --> 00:19:57,240

All of a sudden I lost the power in the vehicle.

197

00:19:57,240 --> 00:20:14,240

I was just dead in the road.

198

00:20:14,240 --> 00:20:16,240

I don't know what to do.

199

00:20:16,240 --> 00:20:17,240

I don't have cell service.

200

00:20:17,240 --> 00:20:19,240

I can't call anybody.

201

00:20:19,240 --> 00:20:47,240

I'm just in the middle of nowhere, really.

202

00:20:47,240 --> 00:20:50,240

I started to feel uneasy.

203

00:20:50,240 --> 00:20:51,240

There's something wrong.

204

00:20:51,240 --> 00:21:03,240

I don't know what it is, but something's definitely a mess.

205

00:21:03,240 --> 00:21:13,240

I was sitting at home waiting for Jeff to come home from work, and my phone rang.

206

00:21:13,240 --> 00:21:18,240

I just felt a sense of dread as soon as I saw that it was a blocked number.

207

00:21:18,240 --> 00:21:22,240

Hello?

208

00:21:22,240 --> 00:21:28,240

Hello?

209

00:21:28,240 --> 00:21:33,240

And there was just these garbled voices.

210

00:21:33,240 --> 00:21:47,240

I just wanted Jeff to come home so badly.

211

00:21:47,240 --> 00:21:49,240

About 10 minutes later, I tried again.

212

00:21:49,240 --> 00:21:53,240

It fires right up.

213

00:21:53,240 --> 00:21:55,240

I was just like nothing was ever wrong.

214

00:21:55,240 --> 00:22:04,240

Everything was normal.

215

00:22:04,240 --> 00:22:10,240

A couple miles up the road, I see what looks to be a hitchhiker.

216

00:22:10,240 --> 00:22:11,240

It's really desolate.

217

00:22:11,240 --> 00:22:18,240

He's never going to get picked up.

218

00:22:18,240 --> 00:22:19,240

I got a little bit closer.

219

00:22:19,240 --> 00:22:29,240

I realized this guy's wearing this long robe.

220

00:22:29,240 --> 00:22:38,240

I had no idea what was going on.

221

00:22:38,240 --> 00:22:55,240

I've never seen anybody move that quickly.

222

00:22:55,240 --> 00:23:10,240

I was so freaked out, I just put my foot down.

223

00:23:10,240 --> 00:23:16,240

My phone rang.

224

00:23:16,240 --> 00:23:20,240

What was Jeff, thankfully?

225

00:23:20,240 --> 00:23:26,240

I just sounded terrified.

226

00:23:26,240 --> 00:23:29,240

It wasn't a hitchhiker.

227

00:23:29,240 --> 00:23:30,240

It couldn't have been.

228

00:23:30,240 --> 00:23:32,240

It was too fast.

229

00:23:32,240 --> 00:23:42,240

I've seen animals that move like that, but not people.

230

00:23:42,240 --> 00:23:44,240

It was just horrible.

231

00:23:44,240 --> 00:23:47,240

You're supposed to feel safe and secure at home.

232

00:23:47,240 --> 00:23:54,240

And instead, it just felt like you were imprisoned.

233

00:23:54,240 --> 00:24:20,240

I thought I heard something.

234

00:24:20,240 --> 00:24:27,240

I was like, what's going on?

235

00:24:27,240 --> 00:24:36,240

I was like, what's going on?

236

00:24:36,240 --> 00:24:46,240

I was like, what's going on?

237

00:24:46,240 --> 00:24:56,240

I was like, what's going on?

238

00:24:56,240 --> 00:25:22,240

I see the silhouette back and forth.

239

00:25:22,240 --> 00:25:41,240

What's going on?

240

00:25:41,240 --> 00:25:44,240

There was something here in this room.

241

00:25:44,240 --> 00:25:46,240

I thought he was dreaming.

242

00:25:46,240 --> 00:25:51,240

Maybe he just saw a shadow of something.

243

00:25:51,240 --> 00:25:53,240

Did I fabricate this in my mind?

244

00:25:53,240 --> 00:25:55,240

It was standing right here.

245

00:25:55,240 --> 00:25:57,240

Did I see it as I thought I did?

246

00:25:57,240 --> 00:26:01,240

Was it actually there?

247

00:26:21,240 --> 00:26:26,240

When I heard that sound, I knew that it was the cabinet opening.

248

00:26:26,240 --> 00:26:31,240

I've heard it a million times.

249

00:26:52,240 --> 00:26:55,240

The cabinet has a little lip on the edge.

250

00:26:55,240 --> 00:27:01,240

There was just no way that this glass would have fell off on its own.

251

00:27:01,240 --> 00:27:12,240

It was like something was trying to make sure we knew that it was right there with us in our home.

252

00:27:12,240 --> 00:27:16,240

After the glass came out of the cabinet and just shattered everywhere,

253

00:27:16,240 --> 00:27:19,240

things got really quiet for a week or two.

254

00:27:19,240 --> 00:27:22,240

We thought, hey, maybe this is over now.

255

00:27:22,240 --> 00:27:25,240

Maybe whatever was happening is done.

256

00:27:25,240 --> 00:27:29,240

We looked back and wondered if we had worked ourselves up.

257

00:27:29,240 --> 00:27:32,240

You know, the power of suggestion.

258

00:27:32,240 --> 00:27:36,240

Maybe the shelf had come loose and the glass just busted.

259

00:27:36,240 --> 00:27:39,240

Maybe the guy by the road was a hitchhiker.

260

00:27:39,240 --> 00:27:46,240

Maybe what I had seen in the bedroom was just a figment of my imagination.

261

00:27:49,240 --> 00:27:54,240

I was like, what the hell?

262

00:28:12,240 --> 00:28:14,240

What the hell?

263

00:28:20,240 --> 00:28:24,240

Our spoons are in the kitchen where they belong.

264

00:28:24,240 --> 00:28:30,240

I have no idea how one gets from the kitchen to the bedroom bent at a 90-degree angle.

265

00:28:49,240 --> 00:28:52,240

Now things are being thrown, objects are being moved.

266

00:28:52,240 --> 00:28:54,240

It just went to a whole other level.

267

00:28:54,240 --> 00:28:58,240

If it can do this to spoons, what else could it do?

268

00:28:58,240 --> 00:29:00,240

Could it throw like a knife?

269

00:29:19,240 --> 00:29:21,240

It totally unnerved me.

270

00:29:21,240 --> 00:29:25,240

How was I supposed to protect us against something I don't even know what it is,

271

00:29:25,240 --> 00:29:27,240

let alone how to fight back?

272

00:29:37,240 --> 00:29:43,240

We at this point realized whatever is continuing to plague us started in point pleasant.

273

00:29:43,240 --> 00:29:46,240

We didn't even want to admit to each other that it could be Mothman

274

00:29:46,240 --> 00:29:49,240

because it just sounded silly, I mean Mothman.

275

00:29:49,240 --> 00:29:52,240

But we didn't know what else it could be.

276

00:29:54,240 --> 00:29:57,240

351,000 results.

277

00:29:58,240 --> 00:30:02,240

We had to do something before it escalated even further.

278

00:30:03,240 --> 00:30:06,240

We researched as much as we could online.

279

00:30:06,240 --> 00:30:10,240

We had to do something before it escalated even further.

280

00:30:11,240 --> 00:30:13,240

We researched as much as we could online.

281

00:30:13,240 --> 00:30:16,240

We read as many books as we could find.

282

00:30:19,240 --> 00:30:24,240

When we'd read about all of the experiences the other eyewitnesses had encountered,

283

00:30:24,240 --> 00:30:28,240

we were blown away at how remarkably similar they were to ours.

284

00:30:34,240 --> 00:30:36,240

We weren't by ourselves.

285

00:30:36,240 --> 00:30:39,240

This had happened before. People had made it through these types of situations.

286

00:30:39,240 --> 00:30:41,240

So there was still hope for us.

287

00:30:42,240 --> 00:30:44,240

We started to connect the dots.

288

00:30:44,240 --> 00:30:47,240

Could something have followed us home from the TNT area?

289

00:30:47,240 --> 00:30:50,240

Could that be where this nightmare began?

290

00:30:52,240 --> 00:30:54,240

Listen to this.

291

00:30:55,240 --> 00:30:58,240

It had wings like an angel.

292

00:31:00,240 --> 00:31:05,240

If they do it, it says that she was attacked by the Mothman in 1966.

293

00:31:10,240 --> 00:31:12,240

She reported it to the police.

294

00:31:16,240 --> 00:31:18,240

This thing was tangible.

295

00:31:18,240 --> 00:31:21,240

I couldn't believe what I was really seeing.

296

00:31:21,240 --> 00:31:23,240

I just know it was real.

297

00:31:23,240 --> 00:31:26,240

All of a sudden this thing was running right beside the car.

298

00:31:28,240 --> 00:31:33,240

I was hitting my brother's leg, telling him to hurry, hurry up, get us out of here.

299

00:31:33,240 --> 00:31:37,240

It just followed right along with us like it was no problem whatsoever.

300

00:31:37,240 --> 00:31:41,240

So my brother did a hard turn into the TNT loading dock.

301

00:31:41,240 --> 00:31:44,240

We were trapped, so we slammed us brakes.

302

00:31:46,240 --> 00:31:50,240

And blinked by, that thing jumped right on the hood of our car.

303

00:31:50,240 --> 00:31:52,240

We were sitting there frozen.

304

00:31:52,240 --> 00:31:55,240

We were afraid if we made the lease move.

305

00:31:55,240 --> 00:31:58,240

It'll come through the windshield or something.

306

00:31:58,240 --> 00:32:01,240

How do you know it wasn't just a man?

307

00:32:02,240 --> 00:32:04,240

Because it had wings.

308

00:32:08,240 --> 00:32:12,240

It jumped off the car, running maybe ten feet.

309

00:32:13,240 --> 00:32:16,240

It opened up the biggest wings.

310

00:32:16,240 --> 00:32:18,240

But like you would never see.

311

00:32:19,240 --> 00:32:21,240

It just flew into the dark.

312

00:32:21,240 --> 00:32:23,240

You sure about this, are you?

313

00:32:23,240 --> 00:32:25,240

I know what I saw.

314

00:32:28,240 --> 00:32:31,240

We knew then that we needed to go back to Point Pleasant.

315

00:32:31,240 --> 00:32:34,240

Back to the bunker where we captured the boys.

316

00:32:34,240 --> 00:32:37,240

We just wanted to go and confront it to tell it,

317

00:32:37,240 --> 00:32:40,240

you need to stop, you need to leave us alone.

318

00:32:43,240 --> 00:32:48,240

We needed to communicate with whatever this is to make it all go away.

319

00:32:55,240 --> 00:32:57,240

It was the last place we wanted to go.

320

00:32:57,240 --> 00:33:01,240

We knew what resided here, we knew what it was capable of.

321

00:33:05,240 --> 00:33:10,240

The closer we got to the bunker, the more apprehensive I felt.

322

00:33:22,240 --> 00:33:27,240

It was just overwhelming, feeling a dread.

323

00:33:34,240 --> 00:33:36,240

I'm sorry.

324

00:33:45,240 --> 00:33:47,240

You can't go in.

325

00:33:48,240 --> 00:33:50,240

Okay.

326

00:33:51,240 --> 00:33:53,240

Let me stay here.

327

00:34:05,240 --> 00:34:09,240

My throat was tightening up, my chest felt tight.

328

00:34:14,240 --> 00:34:16,240

What do you want from us?

329

00:34:19,240 --> 00:34:21,240

Everything starts to come rushing back.

330

00:34:21,240 --> 00:34:24,240

Everything that it did to make me feel helpless.

331

00:34:24,240 --> 00:34:26,240

You need to stop!

332

00:34:31,240 --> 00:34:33,240

Leave us alone.

333

00:34:34,240 --> 00:34:36,240

I was so scared.

334

00:34:36,240 --> 00:34:41,240

Whatever this was was so strong, and he was standing there taunting it.

335

00:34:43,240 --> 00:34:45,240

This is over!

336

00:34:46,240 --> 00:34:51,240

All of a sudden, I felt like the air was just completely closing in on me.

337

00:34:51,240 --> 00:34:53,240

Don't ever leave!

338

00:34:53,240 --> 00:34:57,240

It was just the most oppressive thing I've ever felt in my life.

339

00:34:57,240 --> 00:35:00,240

I just knew that something was going to happen.

340

00:35:05,240 --> 00:35:07,240

I fly backwards.

341

00:35:07,240 --> 00:35:09,240

A good six or seven feet.

342

00:35:09,240 --> 00:35:11,240

He only said one word.

343

00:35:11,240 --> 00:35:13,240

Run!

344

00:35:24,240 --> 00:35:26,240

Run!

345

00:35:31,240 --> 00:35:35,240

It just felt like whatever was in there was coming after us.

346

00:35:42,240 --> 00:35:46,240

My foot caught something, and I was just thinking that's it.

347

00:35:46,240 --> 00:35:48,240

I'm done. This is the end.

348

00:35:49,240 --> 00:35:51,240

Hey guys, you okay? Yes!

349

00:35:51,240 --> 00:35:53,240

Let's go! Let's go!

350

00:36:02,240 --> 00:36:05,240

We still had our hopes up that this was the turning point.

351

00:36:05,240 --> 00:36:08,240

That we could now regain control of our lives.

352

00:36:12,240 --> 00:36:16,240

The following day, I was waiting for Jeff to come home from work.

353

00:36:16,240 --> 00:36:21,240

I was kind of anxious for him to hurry up because he didn't really like being by myself at that point.

354

00:36:22,240 --> 00:36:25,240

I decided to just jump in the shower.

355

00:36:41,240 --> 00:36:43,240

I was just washing my hair.

356

00:36:45,240 --> 00:36:48,240

I see a hand up against the shower curtain.

357

00:36:48,240 --> 00:36:51,240

Jeff? I know you were back already.

358

00:36:55,240 --> 00:36:57,240

Okay, very funny.

359

00:37:02,240 --> 00:37:04,240

You want to come in?

360

00:37:04,240 --> 00:37:06,240

Jeff?

361

00:37:10,240 --> 00:37:12,240

There's no one there.

362

00:37:13,240 --> 00:37:15,240

Jeff?

363

00:37:15,240 --> 00:37:17,240

Jeff, are you home?

364

00:37:17,240 --> 00:37:19,240

Jeff?

365

00:37:25,240 --> 00:37:32,240

Just knowing that I had a thin layer of plastic between my hand and whatever this thing is, it was so terrifying.

366

00:37:34,240 --> 00:37:36,240

Jeff?

367

00:37:44,240 --> 00:37:48,240

I was driving home a long highway 219, listening to the radio.

368

00:38:04,240 --> 00:38:18,240

As we round this bend, I see this thing.

369

00:38:28,240 --> 00:38:30,240

It was like seeing the devil himself.

370

00:38:35,240 --> 00:38:39,240

Once it disappeared into the tree line, I just take off.

371

00:38:45,240 --> 00:38:47,240

I was a total shock.

372

00:38:47,240 --> 00:38:51,240

I just saw this thing that every sane individual would tell you doesn't exist.

373

00:39:05,240 --> 00:39:08,240

What we thought couldn't get worse just got worse.

374

00:39:27,240 --> 00:39:29,240

My phone rings.

375

00:39:30,240 --> 00:39:32,240

I answered it.

376

00:39:32,240 --> 00:39:34,240

Hello?

377

00:39:43,240 --> 00:39:45,240

I'm going to eat your light.

378

00:39:46,240 --> 00:39:49,240

It was that voice but so much more intense.

379

00:39:49,240 --> 00:39:50,240

Jeff?

380

00:39:50,240 --> 00:39:52,240

It just felt like pure evil.

381

00:39:53,240 --> 00:39:55,240

Jeff?

382

00:39:57,240 --> 00:39:58,240

Jeff?

383

00:39:58,240 --> 00:40:05,240

It's now gotten to where it's threatening us and it's just very unsettling and scary.

384

00:40:11,240 --> 00:40:16,240

All I could do was just try to push it out of my head and try to not even think about it.

385

00:40:16,240 --> 00:40:18,240

Jeff?

386

00:40:27,240 --> 00:40:30,240

Something just whizzed right past my face.

387

00:40:37,240 --> 00:40:41,240

This goopy sticky substance. I have no idea what it was.

388

00:40:42,240 --> 00:40:44,240

Jeff?

389

00:40:46,240 --> 00:40:47,240

Jeff?

390

00:40:47,240 --> 00:40:49,240

Jeff!

391

00:40:49,240 --> 00:40:51,240

What's going on?

392

00:40:51,240 --> 00:40:53,240

I don't know. There's something coming at me.

393

00:40:53,240 --> 00:40:58,240

All of a sudden I just felt this whack and it hit me right in the back.

394

00:40:58,240 --> 00:41:00,240

Jeff?

395

00:41:00,240 --> 00:41:01,240

What's going on?

396

00:41:01,240 --> 00:41:02,240

Jeff?

397

00:41:02,240 --> 00:41:04,240

I don't understand. Where is this coming from?

398

00:41:04,240 --> 00:41:05,240

I have no idea.

399

00:41:06,240 --> 00:41:07,240

What?

400

00:41:07,240 --> 00:41:08,240

Stop!

401

00:41:08,240 --> 00:41:11,240

Out of nowhere. Whack, whack, whack. I just panicked.

402

00:41:12,240 --> 00:41:16,240

The scariest thing was not knowing where it was coming from.

403

00:41:32,240 --> 00:41:34,240

I can't!

404

00:41:34,240 --> 00:41:35,240

Jeff!

405

00:41:35,240 --> 00:41:37,240

She was literally at a breaking point.

406

00:41:38,240 --> 00:41:44,240

I'm standing right there completely helpless. I'm unable to protect her or stop whatever this is.

407

00:41:55,240 --> 00:41:59,240

This stuff was everywhere. It just made me sick to my stomach.

408

00:42:00,240 --> 00:42:03,240

There's no ruptured pipes.

409

00:42:03,240 --> 00:42:06,240

Wind is closed and locked. There was no explanation.

410

00:42:09,240 --> 00:42:11,240

We gotta move out of here.

411

00:42:18,240 --> 00:42:22,240

We decided to move home. We just wanted to put everything behind us.

412

00:42:23,240 --> 00:42:29,240

I was really sad. It was our first home. There were so many memories there.

413

00:42:30,240 --> 00:42:34,240

It felt like this thing came into our home and succeeded in scaring us out.

414

00:42:38,240 --> 00:42:41,240

Before we left, we actually said out loud,

415

00:42:41,240 --> 00:42:45,240

Whatever you are, stay here. Don't follow us.

416

00:42:45,240 --> 00:42:48,240

You have no control over us anymore.

417

00:42:48,240 --> 00:42:50,240

You cannot come.
