

1

00:00:00,000 --> 00:00:07,000

I heard that the area had a sketchy history.

2

00:00:07,000 --> 00:00:12,000

It was like the Wild Wild West in that neighborhood.

3

00:00:12,000 --> 00:00:16,000

I knew I wasn't alone.

4

00:00:16,000 --> 00:00:18,000

Vignale?

5

00:00:18,000 --> 00:00:24,000

What had started out is a few small noises.

6

00:00:25,000 --> 00:00:30,000

What had started out is a few small noises.

7

00:00:30,000 --> 00:00:35,000

It had become a much bigger thing.

8

00:00:35,000 --> 00:00:45,000

There was something there that didn't have good intentions.

9

00:00:45,000 --> 00:00:48,000

My heart stopped.

10

00:00:54,000 --> 00:00:57,000

I love you.

11

00:01:24,000 --> 00:01:31,000

My property was a bargain.

12

00:01:31,000 --> 00:01:34,000

Obviously not tended to by the previous owner.

13

00:01:34,000 --> 00:01:37,000

And nobody knew it was on the market.

14

00:01:37,000 --> 00:01:40,000

The location was perfect.

15

00:01:40,000 --> 00:01:43,000

It was very close to my tattoo shop.

16

00:01:43,000 --> 00:01:46,000

It was a great find.

17

00:01:54,000 --> 00:02:01,000

I knew that in the 60s and 70s,

18

00:02:01,000 --> 00:02:04,000

the neighborhood had become inhabited biker gangs,

19

00:02:04,000 --> 00:02:07,000

such as the Hells Angels and the Satan Slaves.

20

00:02:07,000 --> 00:02:12,000

The biker history did not put me off buying that property.

21

00:02:12,000 --> 00:02:17,000

I got tattooed down the street at a Hells Angel-owned tattoo shop

22

00:02:17,000 --> 00:02:19,000

when I was 20.

23

00:02:19,000 --> 00:02:22,000

I love that history.

24

00:02:24,000 --> 00:02:27,000

I love that history.

25

00:02:27,000 --> 00:02:29,000

I love that history.

26

00:02:29,000 --> 00:02:34,000

One of the best things about the property was that it had a guest house.

27

00:02:34,000 --> 00:02:42,000

It would be perfect as possible income rental

28

00:02:42,000 --> 00:02:46,000

or maybe a guest room and an art studio for myself.

29

00:02:46,000 --> 00:02:51,000

But I knew it was going to take a lot of work to get it livable.

30

00:02:54,000 --> 00:02:58,040

Quickly.

31

00:03:05,000 --> 00:03:09,000

So the standard is that in our city

32

00:03:09,000 --> 00:03:12,000

info rabbi is one of the best dart docks

33

00:03:12,000 --> 00:03:14,000

we've ever developed.

34

00:03:14,000 --> 00:03:16,000

So I had to buy that patent.

35

00:03:16,000 --> 00:03:19,000

And I applied it on Sundays.

36

00:03:19,000 --> 00:03:22,000

It was arth AMD COUNTY.

37

00:03:22,000 --> 00:03:32,000

I was rolling up the really gross carpet.

38

00:03:32,000 --> 00:03:39,000

It was crunchy and stinky.

39

00:03:39,000 --> 00:03:49,640

The cool thing was that there was really nice hardwood floors underneath.

40

00:03:49,640 --> 00:03:57,640

And that's when I saw that there was this gigantic hole in the floor.

41

00:03:57,640 --> 00:04:02,640

The wood was literally ripped out of the house.

42

00:04:02,640 --> 00:04:05,640

It was really bizarre.

43

00:04:05,640 --> 00:04:16,640

I can't imagine a reason that you would need to do that.

44

00:04:16,640 --> 00:04:22,640

I also noticed that the window had a crack in it.

45

00:04:22,640 --> 00:04:28,640

When I looked closer, I saw that there was a little hole.

46

00:04:28,640 --> 00:04:35,640

I put tape on the cracks of the windows to sort of seal it up, keep it from falling apart further.

47

00:04:35,640 --> 00:04:41,640

And it was just added onto my list of to be done later.

48

00:04:41,640 --> 00:04:49,640

The first month I bought the house, I did get a lot of the work done.

49

00:04:49,640 --> 00:05:10,640

It really started to feel like home.

50

00:05:10,640 --> 00:05:14,640

Greg and I have known each other for 24 years.

51

00:05:14,640 --> 00:05:17,640

We ran around in the same punk circle.

52

00:05:17,640 --> 00:05:23,640

So we have a lot of common interests as far as bands we like to go see.

53

00:05:23,640 --> 00:05:27,640

I met Danielle and really admired her as an artist right away.

54

00:05:27,640 --> 00:05:30,640

I mean, is it hot and beautiful here or is that just you?

55

00:05:30,640 --> 00:05:39,640

I was extremely happy when I was able to say I can pull up to this house on a daily basis and live here.

56

00:05:39,640 --> 00:05:45,640

Danielle, you in there?

57

00:05:45,640 --> 00:05:47,640

Yeah, I'm back.

58

00:05:47,640 --> 00:05:54,640

Being that the guest house was only feet away from the main house, it's very easy just to walk on over and use the facilities.

59

00:06:09,640 --> 00:06:25,640

There was nobody in the guest house. It was very, very quiet.

60

00:06:25,640 --> 00:06:31,640

I felt a stare that you know someone is watching you.

61

00:06:31,640 --> 00:06:41,640

I got goosebumps.

62

00:06:41,640 --> 00:06:47,640

The feeling was overwhelming.

63

00:06:47,640 --> 00:06:54,640

There was no one there in the bathroom with me.

64

00:06:54,640 --> 00:06:58,640

It sounded like the sigh of a person.

65

00:06:58,640 --> 00:07:02,640

I actually felt the breath on my neck.

66

00:07:02,640 --> 00:07:14,640

I knew I wasn't alone.

67

00:07:14,640 --> 00:07:15,640

Hey, babe.

68

00:07:15,640 --> 00:07:18,640

Hey.

69

00:07:18,640 --> 00:07:19,640

What's up?

70

00:07:19,640 --> 00:07:23,640

I had never seen him that shaken up before.

71

00:07:23,640 --> 00:07:26,640

Pardon me, I thought he was being a wuss.

72

00:07:26,640 --> 00:07:30,640

Do you need a hug?

73

00:07:30,640 --> 00:07:35,640

I felt that there was something going on with the guest house.

74

00:07:35,640 --> 00:07:38,640

I didn't think too much about it.

75

00:07:38,640 --> 00:07:51,640

Maybe he's just a little sensitive.

76

00:07:51,640 --> 00:07:55,640

Oh, my God.

77

00:07:55,640 --> 00:08:01,640

My great friend, Hannah, decides to move to California.

78

00:08:01,640 --> 00:08:08,640

Danielle was so amazing. She had a job waiting for me that I could walk into.

79

00:08:08,640 --> 00:08:11,640

I wouldn't want to rent my guest house to just anybody.

80

00:08:11,640 --> 00:08:16,640

Hannah was the perfect fit because then I could make some rental income

81

00:08:16,640 --> 00:08:29,640

and it was like having your sister live with you.

82

00:08:29,640 --> 00:08:31,640

Living room?

83

00:08:31,640 --> 00:08:34,640

I was really excited to be moving in there.

84

00:08:34,640 --> 00:08:36,640

It's in this beautiful neighborhood.

85

00:08:36,640 --> 00:08:39,640

It's close to work and it's just the perfect size.

86

00:08:39,640 --> 00:08:41,640

Oh, my gosh.

87

00:08:41,640 --> 00:08:45,640

I put in a lot of work on that house and with Hannah staying there,

88

00:08:45,640 --> 00:08:50,640

I was very excited.

89

00:08:50,640 --> 00:08:54,640

I never mentioned to Hannah about the whole...

90

00:08:54,640 --> 00:08:55,640

Oh, yeah.

91

00:08:55,640 --> 00:09:00,640

I had covered it and stacked it with stuff because it became my storage room.

92

00:09:00,640 --> 00:09:05,640

That's just boxes and stuff.

93

00:09:05,640 --> 00:09:21,640

I really wanted the space to feel like home

94

00:09:21,640 --> 00:09:25,640

and be somewhere where I'd feel creative and inspired.

95

00:09:25,640 --> 00:09:27,640

Oh, wow.

96

00:09:27,640 --> 00:09:32,640

There was a vinyl record that had a really cool look to it.

97

00:09:32,640 --> 00:09:37,640

It had an awesome picture on the label.

98

00:09:37,640 --> 00:09:40,640

So we decided to hang the record in the bedroom,

99

00:09:40,640 --> 00:09:43,640

sort of at eye level just near the bed in the corner.

100

00:09:43,640 --> 00:09:45,640

I like it.

101

00:09:45,640 --> 00:09:48,640

Thank you so much.

102

00:09:48,640 --> 00:09:49,640

I'll see you later.

103

00:09:49,640 --> 00:09:50,640

Bye.

104

00:09:50,640 --> 00:09:52,640

Okay, bye.

105

00:09:52,640 --> 00:09:59,640

I noticed that the record was twisted around the wrong way.

106

00:09:59,640 --> 00:10:05,640

I thought it was weird, but I just went to readjust it and then went to bed.

107

00:10:22,640 --> 00:10:38,640

It was about three in the morning and I heard a loud knock.

108

00:10:52,640 --> 00:11:05,640

Then I heard it again.

109

00:11:05,640 --> 00:11:11,640

It sounded like it was coming from under the floor.

110

00:11:11,640 --> 00:11:30,640

And I heard the TV make this static popping noise and the screen flickered.

111

00:11:30,640 --> 00:11:46,640

It was really weird.

112

00:11:46,640 --> 00:11:51,640

It was just this huge surge of sound.

113

00:11:51,640 --> 00:11:57,640

How is this even possible?

114

00:12:00,640 --> 00:12:26,640

It just didn't make any sense.

115

00:12:26,640 --> 00:12:41,640

At some point I was able to drift back off to sleep again.

116

00:12:41,640 --> 00:12:50,640

It was like someone had taken that vinyl and physically turned it all the way around upside down.

117

00:12:50,640 --> 00:13:19,640

It just left me with a really uncomfortable feeling.

118

00:13:19,640 --> 00:13:27,640

A few weeks later I came home in the middle of the afternoon.

119

00:13:27,640 --> 00:13:34,640

I was immediately struck by how cold it was in the house.

120

00:13:34,640 --> 00:13:36,640

I could see my breath.

121

00:13:36,640 --> 00:13:41,640

I checked the air conditioner and the air conditioner wasn't on.

122

00:13:41,640 --> 00:13:43,640

So I went and I grabbed a jacket.

123

00:13:43,640 --> 00:14:06,640

I started putting on extra layers, which is just crazy for California, especially that time of year.

124

00:14:06,640 --> 00:14:11,640

I suddenly felt a strange feeling.

125

00:14:11,640 --> 00:14:26,640

As I looked up, I saw the curtain below inwards as though somebody had just walked right past it and into the room.

126

00:14:26,640 --> 00:14:35,640

At first I thought it could have been a draft, but there aren't any open windows in the house.

127

00:14:35,640 --> 00:14:59,640

All of the cupboards were wide open and all of the doors were open.

128

00:14:59,640 --> 00:15:04,640

It sounded like a voice.

129

00:15:04,640 --> 00:15:21,640

It felt like it was coming closer and closer.

130

00:15:21,640 --> 00:15:34,640

I suddenly felt like somebody was whispering right next to my ear.

131

00:15:34,640 --> 00:15:38,640

Hey, Hannah. Hey, you want to go see a band tonight?

132

00:15:38,640 --> 00:15:42,640

Hey.

133

00:15:42,640 --> 00:15:44,640

Did you just whisper something?

134

00:15:44,640 --> 00:15:46,640

No.

135

00:15:46,640 --> 00:16:08,640

And being someone who's skeptical myself, I was hesitant at first to talk to other people about it because I didn't want them to think I was crazy.

136

00:16:08,640 --> 00:16:37,640

I was rushing around, getting ready for work.

137

00:16:37,640 --> 00:16:42,640

I started to get the feeling that there was someone watching me.

138

00:16:42,640 --> 00:16:56,640

So I wiped the steam off of the frosted glass.

139

00:16:56,640 --> 00:17:07,640

I saw something out of the corner of my eye.

140

00:17:07,640 --> 00:17:09,640

Danielle?

141

00:17:09,640 --> 00:17:17,640

I was pretty freaked out.

142

00:17:17,640 --> 00:17:22,640

Finally I was hit with a jolt of icy cold water.

143

00:17:22,640 --> 00:17:32,640

I had to physically turn the water back off.

144

00:17:32,640 --> 00:17:41,640

I felt so creeped out in there.

145

00:17:41,640 --> 00:17:54,640

It stopped me right in my tracks.

146

00:17:54,640 --> 00:17:56,640

But there was nothing there.

147

00:17:56,640 --> 00:17:59,640

I was terrified.

148

00:17:59,640 --> 00:18:10,640

I felt like I was going crazy.

149

00:18:10,640 --> 00:18:20,640

I was at that point where I felt like it was more than I wanted to handle and deal with on my own.

150

00:18:20,640 --> 00:18:22,640

There's something wrong with that guest house.

151

00:18:22,640 --> 00:18:25,640

So I told Danielle everything.

152

00:18:25,640 --> 00:18:28,640

Maybe you've just been working too much.

153

00:18:28,640 --> 00:18:36,640

Hannah is a workaholic. She'll do 12-hour days and when she comes home, she's drawing for her next day.

154

00:18:36,640 --> 00:18:40,640

I'm going to go stay with my mom for a few weeks.

155

00:18:40,640 --> 00:18:44,640

Yeah, sure. Take as much time as you need.

156

00:18:44,640 --> 00:18:50,640

I decided I needed to take a break and just clear my head and get out of the environment for a little bit.

157

00:18:50,640 --> 00:19:01,640

Hey, do you mind if I have some friends stay in the guest house while you're away?

158

00:19:01,640 --> 00:19:07,640

I invited Roy and his wife, Kazi, to stay at my guest house for the weekend.

159

00:19:07,640 --> 00:19:12,640

Roy's a drummer, currently in a band, Stone Sour.

160

00:19:12,640 --> 00:19:17,640

Danielle's done a lot of my tattoos. She's done this whole entire arm.

161

00:19:17,640 --> 00:19:22,640

It took about five years, something like that, on and off. She's amazing.

162

00:19:22,640 --> 00:19:24,640

Holy cow, I love it.

163

00:19:24,640 --> 00:19:28,640

Wow, what a beautiful, peaceful vibe. Awesome.

164

00:19:28,640 --> 00:19:30,640

Dig it.

165

00:19:30,640 --> 00:19:32,640

Cheers to all of us.

166

00:19:32,640 --> 00:19:37,640

To the story, I'm on cloud nine. I stand up. I'm going to hand it out. It sticks in the air.

167

00:19:38,640 --> 00:19:40,640

How's it going?

168

00:19:53,640 --> 00:19:57,640

Later that night, my wife, Kazi, and I were sleeping in bed.

169

00:19:57,640 --> 00:20:03,640

It was pin drop, silent. I mean, so quiet.

170

00:20:03,640 --> 00:20:07,640

It's awesome. Best sleep. Yeah, out.

171

00:20:33,640 --> 00:20:37,640

I woke up, like, what the hell? I just felt like a pair of eyes were watching me.

172

00:20:37,640 --> 00:20:43,640

When a bed shakes like that, I mean, I think that would wake anybody up.

173

00:20:43,640 --> 00:20:48,640

Though my wife, she's just a little bit more like a little girl.

174

00:20:48,640 --> 00:20:53,640

I'm not going to lie to you. I'm going to sleep.

175

00:20:53,640 --> 00:20:55,640

I'm going to sleep.

176

00:20:55,640 --> 00:20:57,640

I'm going to sleep.

177

00:20:57,640 --> 00:21:02,640

When a bed shakes like that, I mean, I think that would wake anybody up.

178

00:21:02,640 --> 00:21:05,640

Though my wife, she slept through it.

179

00:21:09,640 --> 00:21:14,640

And then I heard footsteps, kind of like a...

180

00:21:28,640 --> 00:21:31,640

It was like someone was in front of the bed, just went,

181

00:21:39,640 --> 00:21:43,640

For a second, I thought it was some, like, an earthquake tremor.

182

00:21:47,640 --> 00:21:52,640

Another shove. I knew this definitely was not an earthquake.

183

00:21:53,640 --> 00:21:56,640

That was scary.

184

00:22:10,640 --> 00:22:14,640

A little more pain, more polish. Maybe a new roof.

185

00:22:14,640 --> 00:22:18,640

Yeah. Coming together.

186

00:22:18,640 --> 00:22:20,640

Sleep well?

187

00:22:23,640 --> 00:22:27,640

Roy's face was kind of shocked.

188

00:22:27,640 --> 00:22:29,640

Can I get some coffee?

189

00:22:29,640 --> 00:22:32,640

Roy's definitely not easily shaken.

190

00:22:32,640 --> 00:22:35,640

Being on stage, you have that kind of confidence, you know,

191

00:22:35,640 --> 00:22:40,640

and he looked like a man that had seen something or felt something.

192

00:22:40,640 --> 00:22:43,640

There was no other logical explanation.

193

00:22:43,640 --> 00:22:45,640

What happened?

194

00:22:45,640 --> 00:22:49,640

I knew it was definitely a supernatural experience.

195

00:22:50,640 --> 00:22:53,640

I've never been so scared in my life.

196

00:22:53,640 --> 00:22:58,640

Hannah, Greg and Roy now have all experienced things in the guesthouse.

197

00:23:02,640 --> 00:23:05,640

I wanted friends and family to be able to stay with me

198

00:23:05,640 --> 00:23:10,640

and feel comfortable and not have trouble sleeping or being scared in the night.

199

00:23:20,640 --> 00:23:25,640

A few days later, I noticed that the guesthouse door was open.

200

00:23:32,640 --> 00:23:34,640

When I walked by the bathroom window,

201

00:23:34,640 --> 00:23:38,640

I noticed that there was finger marks across the window.

202

00:23:38,640 --> 00:23:43,640

That's strange because nobody's in there.

203

00:23:43,640 --> 00:23:45,640

Greg?

204

00:23:50,640 --> 00:23:53,640

So I thought in my head,

205

00:23:53,640 --> 00:23:57,640

maybe somebody had strayed onto my property.

206

00:24:02,640 --> 00:24:04,640

Greg?

207

00:24:13,640 --> 00:24:15,640

I was creeping around.

208

00:24:15,640 --> 00:24:19,640

I didn't want to make any noise in case it was an intruder.

209

00:24:34,640 --> 00:24:37,640

But nobody was there.

210

00:24:44,640 --> 00:24:46,640

I was just so scared.

211

00:24:49,640 --> 00:24:53,640

All of a sudden, I felt like a hand grabbed my hair.

212

00:25:05,640 --> 00:25:07,640

But there was nothing there.

213

00:25:08,640 --> 00:25:12,640

And I started feeling very dizzy, nauseous,

214

00:25:12,640 --> 00:25:15,640

and I felt like I was going to vomit.

215

00:25:23,640 --> 00:25:26,640

As soon as I ran out of the guesthouse, I fell fine.

216

00:25:26,640 --> 00:25:30,640

I have never experienced anything like this before.

217

00:25:30,640 --> 00:25:34,640

And I was starting to believe that my house was haunted.

218

00:25:37,640 --> 00:25:39,640

I was so scared.

219

00:25:46,640 --> 00:25:48,640

Hey.

220

00:25:48,640 --> 00:25:50,640

Hey.

221

00:25:50,640 --> 00:25:51,640

But what happened?

222

00:25:51,640 --> 00:25:53,640

Look, it's fine.

223

00:25:53,640 --> 00:25:55,640

I just needed a break.

224

00:25:55,640 --> 00:25:57,640

I can handle it.

225

00:25:57,640 --> 00:26:00,640

I had decided that I was just going to put everything out of my mind

226

00:26:00,640 --> 00:26:03,640

and get on with stuff.

227

00:26:07,640 --> 00:26:09,640

I was just so scared.

228

00:26:37,640 --> 00:26:41,640

I heard a loud bang, and it jolts me awake.

229

00:26:43,640 --> 00:26:47,640

I was sitting there, trying to convince myself

230

00:26:47,640 --> 00:26:50,640

that it wasn't anything to be afraid of.

231

00:26:59,640 --> 00:27:03,640

I really distinctly heard the sound of footsteps.

232

00:27:03,640 --> 00:27:06,640

They stopped right at the foot of the bed.

233

00:27:13,640 --> 00:27:16,640

I felt the bed start to move.

234

00:27:20,640 --> 00:27:23,640

I felt the bed start to move.

235

00:27:24,640 --> 00:27:27,640

I felt the bed start to move.

236

00:27:27,640 --> 00:27:30,640

I felt the bed start to move.

237

00:27:30,640 --> 00:27:33,640

I felt the bed start to move.

238

00:27:37,640 --> 00:27:40,640

It became more intense.

239

00:27:55,640 --> 00:27:58,640

The figure had grabbed me.

240

00:28:00,640 --> 00:28:03,640

It was so intense.

241

00:28:14,640 --> 00:28:17,640

It was such a strong pull.

242

00:28:25,640 --> 00:28:29,640

What had started out is a few small noises

243

00:28:29,640 --> 00:28:33,640

that had become a much bigger thing.

244

00:28:36,640 --> 00:28:39,640

I knew that there was something there

245

00:28:39,640 --> 00:28:42,640

that didn't have good intentions towards me.

246

00:28:42,640 --> 00:28:45,640

I knew that there was something there.

247

00:28:57,640 --> 00:29:00,640

Hey. Why are you sleeping in the car?

248

00:29:00,640 --> 00:29:02,640

Something wasn't right.

249

00:29:02,640 --> 00:29:04,640

She didn't look like she felt well.

250

00:29:04,640 --> 00:29:07,640

I can't stay in that house anymore.

251

00:29:07,640 --> 00:29:10,640

I just... I felt like I was going crazy.

252

00:29:11,640 --> 00:29:13,640

Something happened to me in there too.

253

00:29:13,640 --> 00:29:14,640

I'm sorry.

254

00:29:14,640 --> 00:29:17,640

I felt bad because Hannah and I are like sisters

255

00:29:17,640 --> 00:29:20,640

and I was really worried about her.

256

00:29:20,640 --> 00:29:22,640

It's okay. Here.

257

00:29:22,640 --> 00:29:25,640

I didn't want her to be experiencing anything negative,

258

00:29:25,640 --> 00:29:29,640

but it was nice to know it wasn't just me.

259

00:29:31,640 --> 00:29:32,640

What's going on?

260

00:29:33,640 --> 00:29:35,640

I need to get some answers.

261

00:29:36,640 --> 00:29:40,640

I knew of a medium locally in the area.

262

00:29:40,640 --> 00:29:43,640

We were put in touch with him through a friend of mine,

263

00:29:43,640 --> 00:29:45,640

and his name was Mark.

264

00:29:50,640 --> 00:29:53,640

I've worked as a psychic medium for over 20 years,

265

00:29:53,640 --> 00:29:56,640

and I do the work because I want to help people.

266

00:30:00,640 --> 00:30:02,640

Even though I'm a psychic,

267

00:30:02,640 --> 00:30:04,640

I'm skeptical.

268

00:30:08,640 --> 00:30:11,640

I want to be someone who can provide evidence.

269

00:30:11,640 --> 00:30:13,640

I really didn't know what to think

270

00:30:13,640 --> 00:30:18,640

because I don't know if psychics are real.

271

00:30:18,640 --> 00:30:21,640

You want us to fill you in on what's been going on?

272

00:30:21,640 --> 00:30:23,640

Actually, no. Not at all.

273

00:30:23,640 --> 00:30:25,640

I don't want anyone's opinions.

274

00:30:25,640 --> 00:30:27,640

I want to go in without any preconceptions

275

00:30:27,640 --> 00:30:29,640

as to what I experience.

276

00:30:29,640 --> 00:30:33,640

The first thing I do when I get there is I clear my head.

277

00:30:33,640 --> 00:30:35,640

Sometimes there's nothing.

278

00:30:37,640 --> 00:30:39,640

Sometimes there's something.

279

00:30:54,640 --> 00:30:56,640

I realized that there were bikers

280

00:30:56,640 --> 00:30:58,640

in spirit watching me.

281

00:31:03,640 --> 00:31:07,640

I could sense their anger with me for being there.

282

00:31:18,640 --> 00:31:20,640

I was apprehensive.

283

00:31:20,640 --> 00:31:23,640

I recognized that I was doing something wrong.

284

00:31:23,640 --> 00:31:26,640

I recognized that I was dealing with something

285

00:31:26,640 --> 00:31:29,640

really significant at Danielle's property.

286

00:31:33,640 --> 00:31:36,640

Immediately, I was drawn to the guest house.

287

00:31:53,640 --> 00:31:55,640

I felt the presence of a young woman.

288

00:31:58,640 --> 00:32:00,640

She's so scared.

289

00:32:00,640 --> 00:32:03,640

He was genuinely affected by something in the guest house.

290

00:32:09,640 --> 00:32:11,640

I felt the presence of a young woman.

291

00:32:14,640 --> 00:32:16,640

She's so scared.

292

00:32:16,640 --> 00:32:19,640

He was genuinely affected by something in the guest house.

293

00:32:24,640 --> 00:32:27,640

This girl was trapped in the guest house.

294

00:32:31,640 --> 00:32:33,640

It was almost like this movie that was playing again,

295

00:32:33,640 --> 00:32:35,640

right in front of me.

296

00:32:45,640 --> 00:32:47,640

There was a biker.

297

00:32:50,640 --> 00:32:52,640

He was a stork.

298

00:32:53,640 --> 00:32:56,640

He was a stone cold killer, and I could see that in him.

299

00:33:10,640 --> 00:33:12,640

He drugged her.

300

00:33:12,640 --> 00:33:15,640

I couldn't really believe everything that Mark was saying.

301

00:33:15,640 --> 00:33:17,640

It was very shocking.

302

00:33:23,640 --> 00:33:25,640

No!

303

00:33:31,640 --> 00:33:33,640

It was like a punch in the guts,

304

00:33:33,640 --> 00:33:37,640

realizing that this may have been this threatening presence

305

00:33:37,640 --> 00:33:42,640

that I felt was standing at the foot of my bed and coming for me.

306

00:33:50,640 --> 00:33:52,640

Bam, bam, bam.

307

00:33:52,640 --> 00:33:55,640

I had a gunfire going off in my ears, and my head just blackened.

308

00:34:22,640 --> 00:34:26,640

I thought back to that hole in the guest house window.

309

00:34:26,640 --> 00:34:29,640

Maybe it had something to do with what Mark was saying.

310

00:34:52,640 --> 00:34:54,640

I could hear her last breath.

311

00:34:56,640 --> 00:34:58,640

That blew my mind.

312

00:34:58,640 --> 00:35:01,640

Oh my God, that's exactly what I heard that day.

313

00:35:01,640 --> 00:35:03,640

I could hear her last breath.

314

00:35:07,640 --> 00:35:09,640

That blew my mind.

315

00:35:09,640 --> 00:35:12,640

Oh my God, that's exactly what I heard that day.

316

00:35:31,640 --> 00:35:34,640

It was powerful. It was horrible.

317

00:35:52,640 --> 00:35:55,640

When I shared about the young woman's murder,

318

00:35:55,640 --> 00:35:58,640

Hannah seemed to take it really kind of hard.

319

00:35:58,640 --> 00:36:04,640

Maybe these things that I had experienced in the house weren't random.

320

00:36:06,640 --> 00:36:11,640

Maybe they were echos of a story relating to this woman,

321

00:36:11,640 --> 00:36:14,640

and she's still living it.

322

00:36:22,640 --> 00:36:27,640

I wanted to leave, but something still felt very strange to me.

323

00:36:28,640 --> 00:36:32,640

I was thinking about the location, and I had to go and see what was there.

324

00:36:40,640 --> 00:36:43,640

As I got closer and closer to that area,

325

00:36:45,640 --> 00:36:49,640

it felt like that something really bad had happened there.

326

00:36:49,640 --> 00:36:51,640

I could smell cigarettes.

327

00:36:57,640 --> 00:37:01,640

The biker was literally in my face, almost nose to nose.

328

00:37:03,640 --> 00:37:06,640

That's when I felt the burn of the cigarette on my arm.

329

00:37:07,640 --> 00:37:09,640

And it was shocking.

330

00:37:09,640 --> 00:37:13,640

I mean, I'm not used to having them reach out and do something to me, and that happened.

331

00:37:13,640 --> 00:37:15,640

I was shocked.

332

00:37:15,640 --> 00:37:20,640

I was in shock that there's this hole, and I wanted to know what it was.

333

00:37:26,640 --> 00:37:29,640

I was feeling a death just to overwhelm me.

334

00:37:30,640 --> 00:37:32,640

I was shocked.

335

00:37:32,640 --> 00:37:34,640

I was shocked.

336

00:37:34,640 --> 00:37:36,640

I was shocked.

337

00:37:36,640 --> 00:37:38,640

I was shocked.

338

00:37:38,640 --> 00:37:40,640

I was shocked.

339

00:37:40,640 --> 00:37:42,640

I was shocked.

340

00:37:42,640 --> 00:37:44,640

I was just overwhelmed.

341

00:37:45,640 --> 00:37:49,640

That was where they put her away like trash.

342

00:38:02,640 --> 00:38:09,640

It started to make a lot of things make more sense to me, the way I had seen the current move.

343

00:38:12,640 --> 00:38:16,640

I knew that there was something under the floor.

344

00:38:16,640 --> 00:38:20,640

I knew that the neighborhood had a sketchy history.

345

00:38:20,640 --> 00:38:24,640

I just didn't know that it had happened on my property.

346

00:38:31,640 --> 00:38:36,640

I had to regain control of my living situation

347

00:38:36,640 --> 00:38:39,640

so that I could sleep through the nights

348

00:38:39,640 --> 00:38:44,640

and not be feeling afraid in my own home.

349

00:38:51,640 --> 00:38:53,640

I was sad that Hannah was leaving

350

00:38:53,640 --> 00:38:55,640

and I really didn't want her to leave.

351

00:39:09,640 --> 00:39:13,640

I was so sad that I couldn't sleep.

352

00:39:13,640 --> 00:39:17,640

I was so sad that I couldn't sleep.

353

00:39:17,640 --> 00:39:21,640

I was so sad that I couldn't sleep.

354

00:39:21,640 --> 00:39:25,640

I was so sad that I couldn't sleep.

355

00:39:25,640 --> 00:39:29,640

I was so sad that I couldn't sleep.

356

00:39:39,640 --> 00:39:43,640

Something woke me up.

357

00:39:43,640 --> 00:39:47,640

A man was standing right by my bed.

358

00:39:51,640 --> 00:39:55,640

My heart stopped.

359

00:40:09,640 --> 00:40:13,640

I was so sad that I couldn't sleep.

360

00:40:31,640 --> 00:40:35,640

When I looked back, the person was gone.

361

00:40:39,640 --> 00:40:43,640

Danielle's a strong woman. She's not easily intimidated.

362

00:40:43,640 --> 00:40:45,640

She was frightened that evening.

363

00:40:45,640 --> 00:40:49,640

She saw something that scared the hell out of her.

364

00:40:49,640 --> 00:40:51,640

Where are you now, huh?

365

00:40:51,640 --> 00:40:54,640

You're picking on a woman, huh? You a coward?

366

00:40:54,640 --> 00:40:57,640

I was really angry. Bring it on, you know what I mean?

367

00:40:57,640 --> 00:40:59,640

That didn't sit well with Danielle.

368

00:40:59,640 --> 00:41:01,640

Stop it.

369

00:41:01,640 --> 00:41:03,640

Why? Nothing's gonna happen.

370

00:41:03,640 --> 00:41:05,640

I can't just grab my face.

371

00:41:09,640 --> 00:41:12,640

No.

372

00:41:17,640 --> 00:41:20,640

Greg was white as a ghost.

373

00:41:20,640 --> 00:41:24,640

How the hell can I protect Danielle from something

374

00:41:24,640 --> 00:41:28,640

that I can't see or something I can't control?

375

00:41:28,640 --> 00:41:30,640

I couldn't live like this anymore.

376

00:41:30,640 --> 00:41:33,640

I had to get to the bottom of this.

377

00:41:34,640 --> 00:41:37,640

Honey, what are you doing?

378

00:41:37,640 --> 00:41:39,640

They've come back to bed.

379

00:41:39,640 --> 00:41:42,640

I have to find her.

380

00:41:42,640 --> 00:41:45,640

If that woman was killed in my house,

381

00:41:45,640 --> 00:41:49,640

does she want me to find her body so that the truth can be told?

382

00:42:03,640 --> 00:42:07,640

As I sit here today, there's still a hole in my guest house floor.

383

00:42:16,640 --> 00:42:20,640

I love my house, and I'm not planning to go anywhere.

384

00:42:24,640 --> 00:42:26,640

I know something's in there.

385

00:42:26,640 --> 00:42:29,640

I just haven't found it yet.

386

00:42:33,640 --> 00:42:37,640

I am not gonna give up.
