

1

00:00:00,000 --> 00:00:01,760

Come on, sir.

2

00:00:01,760 --> 00:00:02,780

Checking in.

3

00:00:02,780 --> 00:00:04,360

Yeah.

4

00:00:04,360 --> 00:00:06,500

You have no idea what you're walking into sometimes.

5

00:00:15,240 --> 00:00:20,140

People may forget, but that building won't never

6

00:00:20,140 --> 00:00:20,880

quit until it's here.

7

00:00:20,880 --> 00:00:22,480

Be patient.

8

00:00:22,480 --> 00:00:25,040

Make sure you don't fall behind and scare.

9

00:00:25,280 --> 00:00:27,180

I mentioned it the other day, anyways.

10

00:00:27,180 --> 00:00:29,000

I'm sure what happens is that there will be changes

11

00:00:29,000 --> 00:00:31,000

That building will never forget.

12

00:00:31,000 --> 00:00:32,000

Hello?

13

00:00:35,000 --> 00:00:36,000

Ah!

14

00:00:36,000 --> 00:00:39,000

It was right behind me.

15

00:00:40,000 --> 00:00:43,000

I don't know what it wants or why it's here.

16

00:00:45,000 --> 00:00:47,000

I just wanted to get out of there.

17

00:00:53,000 --> 00:00:55,000

I was terrified.

18

00:01:29,000 --> 00:01:31,000

I was terrified.

19

00:01:44,000 --> 00:01:46,000

I'm from New York.

20

00:01:47,000 --> 00:01:51,000

And I was traveling out of town for a few days to work on a film festival.

21

00:01:53,000 --> 00:01:58,000

The hotel that I found, it wasn't a normal hotel that I'm accustomed to seeing.

22

00:01:59,000 --> 00:02:02,000

It seemed like a different kind of place.

23

00:02:07,000 --> 00:02:08,000

Welcome, sir.

24

00:02:08,000 --> 00:02:09,000

Hi.

25

00:02:09,000 --> 00:02:10,000

Checking in?

26

00:02:10,000 --> 00:02:11,000

Yeah.

27

00:02:11,000 --> 00:02:12,000

Alex Aronson.

28

00:02:17,000 --> 00:02:20,000

I'm afraid we don't have any single rooms available.

29

00:02:20,000 --> 00:02:22,000

Just a twin room, is that okay, Mr. Aronson?

30

00:02:22,000 --> 00:02:24,000

As long as I don't have a roommate.

31

00:02:24,000 --> 00:02:26,000

Just means you get a bigger room.

32

00:02:26,000 --> 00:02:27,000

Perfect.

33

00:02:27,000 --> 00:02:30,000

He checked me into a room that actually had two beds in it.

34

00:02:30,000 --> 00:02:31,000

There you go.

35

00:02:31,000 --> 00:02:32,000

Room 210.

36

00:02:32,000 --> 00:02:33,000

Thank you very much.

37

00:02:33,000 --> 00:02:34,000

Enjoy your stay.

38

00:02:34,000 --> 00:02:35,000

Thanks.

39

00:02:44,000 --> 00:02:49,000

The hotel definitely felt like it had a past history of some sort.

40

00:02:51,000 --> 00:02:55,000

But I enjoy old buildings and enjoy old architecture.

41

00:02:57,000 --> 00:03:00,000

My dear█'s house is really always a nice place.

42

00:03:03,000 --> 00:03:05,000

What about the US policy?

43

00:03:06,000 --> 00:03:09,000

Where are electrolytic cultivatements at any minute?

44

00:03:09,000 --> 00:03:16,000

The beds were very neatly made.

45

00:03:16,000 --> 00:03:19,000

The linens were very crisp.

46

00:03:19,000 --> 00:03:22,000

And was actually very quiet.

47

00:03:22,000 --> 00:03:40,000

I am a housekeeper at the hotel.

48

00:03:40,000 --> 00:03:48,000

I have to clean the rooms, make sure they're ready for the guests for the night of.

49

00:03:48,000 --> 00:04:03,000

I went into my first bedroom to clean for the day.

50

00:04:03,000 --> 00:04:15,000

The rooms, they all have their own little unique personality. Everyone's different.

51

00:04:15,000 --> 00:04:38,000

This was the only room that has the piano.

52

00:04:38,000 --> 00:04:51,000

I came to the bed. I got down on my knees to pick up trash.

53

00:04:51,000 --> 00:05:00,000

I seen what appeared to be a shadow walk by the door.

54

00:05:00,000 --> 00:05:06,000

But there was nobody there.

55

00:05:06,000 --> 00:05:09,000

It was just me.

56

00:05:09,000 --> 00:05:18,000

So I brushed it off and went on to my next room.

57

00:05:18,000 --> 00:05:28,000

All of a sudden, I could hear the piano keys start playing in the room.

58

00:05:28,000 --> 00:05:33,000

I was like, ding ding ding ding.

59

00:05:33,000 --> 00:05:38,000

As if a kid was playing a little piano.

60

00:05:58,000 --> 00:06:01,000

But there was nobody there.

61

00:06:01,000 --> 00:06:12,000

I didn't know what to think.

62

00:06:12,000 --> 00:06:25,000

But I knew what I heard.

63

00:06:25,000 --> 00:06:27,000

Hello.

64

00:06:27,000 --> 00:06:28,000

Hi.

65

00:06:28,000 --> 00:06:29,000

Are you okay?

66

00:06:29,000 --> 00:06:31,000

I didn't want anybody to think that I was crazy.

67

00:06:31,000 --> 00:06:33,000

Fine. Thanks.

68

00:06:33,000 --> 00:06:45,000

So I just kept on cleaning.

69

00:06:57,000 --> 00:07:09,000

It was my first night at the hotel and I was up late working on my laptop.

70

00:07:09,000 --> 00:07:13,000

It was really silent in the room.

71

00:07:13,000 --> 00:07:20,000

It was kind of just dead air.

72

00:07:20,000 --> 00:07:28,000

I heard loud stomps coming from the room above me.

73

00:07:28,000 --> 00:07:32,000

Bang! Bang!

74

00:07:32,000 --> 00:07:41,000

And it kept getting louder and louder and louder.

75

00:07:41,000 --> 00:07:48,000

I decided to just call the front desk and have them deal with it.

76

00:07:48,000 --> 00:07:51,000

I am the general manager of the hotel.

77

00:07:51,000 --> 00:07:59,000

Part of my job is mostly just to make sure that the guests are happy.

78

00:07:59,000 --> 00:08:03,000

Hello. Front desk.

79

00:08:03,000 --> 00:08:04,000

Hello?

80

00:08:04,000 --> 00:08:06,000

The banging just stopped.

81

00:08:06,000 --> 00:08:08,000

Just dead silence.

82

00:08:08,000 --> 00:08:11,000

Hello? Is anyone there?

83

00:08:11,000 --> 00:08:13,000

Hi. Excuse me.

84

00:08:13,000 --> 00:08:15,000

There's someone in the room above me.

85

00:08:15,000 --> 00:08:17,000

They're making very loud noises.

86

00:08:17,000 --> 00:08:19,000

May I ask what floor you're on, sir?

87

00:08:19,000 --> 00:08:21,000

Uh, a second.

88

00:08:21,000 --> 00:08:27,000

Sir, we have no one staying in the room above you.

89

00:08:27,000 --> 00:08:30,000

The top floor was in serious disrepair.

90

00:08:30,000 --> 00:08:33,000

I mean, people didn't go up there.

91

00:08:33,000 --> 00:08:36,000

Could you just double check for me?

92

00:08:36,000 --> 00:08:40,000

I'm certain it's an occupied, never had guests up there.

93

00:08:40,000 --> 00:08:45,000

The manager told me that there was nobody checked into the room above me.

94

00:08:45,000 --> 00:08:48,000

I don't know if you hear anything again.

95

00:08:48,000 --> 00:08:51,000

Sorry for the inconvenience.

96

00:08:58,000 --> 00:09:06,000

I just tried to reason with myself and kind of just shook it off.

97

00:09:06,000 --> 00:09:16,000

My wife, Justine, works here at the hotel with me.

98

00:09:16,000 --> 00:09:27,000

One night, I was alone on the main floor.

99

00:09:27,000 --> 00:09:34,000

It was so quiet in there, the silence was almost heavy.

100

00:09:41,000 --> 00:09:46,000

I suddenly heard a fuzzy, staticky sound.

101

00:09:46,000 --> 00:09:56,000

I wondered where is that music coming from?

102

00:10:06,000 --> 00:10:09,000

So I decided to see what it was.

103

00:10:10,000 --> 00:10:16,000

The sound was coming from the top floor of the hotel.

104

00:10:16,000 --> 00:10:22,000

And I thought, that's strange, because it wasn't open for customers.

105

00:10:39,000 --> 00:10:49,000

That's when I started to really feel like scared when I was alone up there.

106

00:11:10,000 --> 00:11:16,000

There was nobody in the room.

107

00:11:20,000 --> 00:11:23,000

But it was a radio playing.

108

00:11:23,000 --> 00:11:28,000

How did that radio turn itself on?

109

00:11:39,000 --> 00:11:50,000

Suddenly I heard like a whisper.

110

00:12:10,000 --> 00:12:15,000

Is everything okay?

111

00:12:15,000 --> 00:12:20,000

I didn't want Matt to think I was weird or crazy.

112

00:12:20,000 --> 00:12:25,000

So I was reluctant to talk to him.

113

00:12:39,000 --> 00:12:46,000

Normally I'm a pretty deep sleeper, but for some reason I just couldn't sleep.

114

00:12:46,000 --> 00:12:51,000

It was so cold in the room.

115

00:12:51,000 --> 00:12:59,000

It felt as if I just walked into a walk-in freezer.

116

00:12:59,000 --> 00:13:07,000

I heard something in the bathroom, like somebody was slowly opening the shower curtain.

117

00:13:15,000 --> 00:13:20,000

It sounded like a loud noise.

118

00:13:20,000 --> 00:13:25,000

I was in the bathroom.

119

00:13:28,000 --> 00:13:33,000

It sounded like there was somebody in that bathroom.

120

00:13:44,000 --> 00:13:49,000

I had to see what was going on.

121

00:13:49,000 --> 00:13:54,000

I just tried to stand there as quietly as I could to just listen.

122

00:14:07,000 --> 00:14:12,000

There, right in the middle of the bathroom floor, was my electric razor.

123

00:14:12,000 --> 00:14:15,000

And it was on.

124

00:14:19,000 --> 00:14:24,000

But the razor had no batteries in it.

125

00:14:24,000 --> 00:14:29,000

I just couldn't figure out what was going on.

126

00:14:29,000 --> 00:14:34,000

Someone was in the bathroom.

127

00:14:59,000 --> 00:15:04,000

I had to see who was in the bathroom.

128

00:15:04,000 --> 00:15:09,000

I had to see who was in the bathroom.

129

00:15:26,000 --> 00:15:30,000

There was nobody there.

130

00:15:30,000 --> 00:15:34,000

I was very puzzled and I wasn't sure what to make of it.

131

00:15:34,000 --> 00:15:43,000

Suddenly I noticed that there was a light coming from the closet and now it was open.

132

00:15:54,000 --> 00:15:59,000

The hangers were moving.

133

00:16:00,000 --> 00:16:05,000

I couldn't believe what I was seeing.

134

00:16:13,000 --> 00:16:18,000

I felt a chill run through my body.

135

00:16:18,000 --> 00:16:23,000

There was an imprint of a human body in the bed right in front of me.

136

00:16:38,000 --> 00:16:43,000

I just wanted to get out of there.

137

00:16:43,000 --> 00:16:48,000

Is everything okay, sir?

138

00:16:48,000 --> 00:16:49,000

I gotta go.

139

00:16:49,000 --> 00:16:50,000

Build my car.

140

00:16:50,000 --> 00:16:54,000

I left the hotel and never returned there.

141

00:16:54,000 --> 00:16:56,000

What's going on?

142

00:16:56,000 --> 00:16:58,000

I don't know.

143

00:16:58,000 --> 00:17:00,000

I don't think he's coming back.

144

00:17:00,000 --> 00:17:06,000

It was not uncommon for guests to check out early or leave in the middle of the night.

145

00:17:06,000 --> 00:17:09,000

Complain about noises in the tall floor last night.

146

00:17:10,000 --> 00:17:15,000

I started to wonder what is up with the top floor.

147

00:17:15,000 --> 00:17:18,000

We should clean it up.

148

00:17:18,000 --> 00:17:21,000

Sure.

149

00:17:24,000 --> 00:17:27,000

It was finally time for us to open the top floor.

150

00:17:31,000 --> 00:17:36,000

We were going to immediately see the benefit of having this extra floor finished.

151

00:17:39,000 --> 00:17:43,000

It was a few weeks later.

152

00:17:43,000 --> 00:17:49,000

The top floor was now open for business and we were excited to start checking in guests.

153

00:17:49,000 --> 00:17:54,000

Yeah, it's great.

154

00:18:10,000 --> 00:18:12,000

Hey, checking in?

155

00:18:12,000 --> 00:18:13,000

Yeah.

156

00:18:13,000 --> 00:18:14,000

Welcome.

157

00:18:14,000 --> 00:18:17,000

Can I ask for some ID and a credit card for incidentals?

158

00:18:17,000 --> 00:18:22,000

I was a professional wrestler on the independent circuit.

159

00:18:22,000 --> 00:18:27,000

So I spent a lot of time traveling in and out of a lot of hotels all over the country.

160

00:18:27,000 --> 00:18:29,000

Okay, then.

161

00:18:29,000 --> 00:18:32,000

You'll be in Suite 310.

162

00:18:32,000 --> 00:18:35,000

It's an executive room on our newly refurbished top floor.

163

00:18:35,000 --> 00:18:36,000

Great, thanks.

164

00:18:36,000 --> 00:18:37,000

Cheers.

165

00:18:37,000 --> 00:18:38,000

Enjoy your stay.

166

00:18:39,000 --> 00:18:40,000

Cheers.

167

00:18:57,000 --> 00:19:03,000

It had been a really long day, so I was ready to just crash and call it a night.

168

00:19:09,000 --> 00:19:14,000

I was awoken by a loud knocking at my hotel room door.

169

00:19:14,000 --> 00:19:19,000

Who's there?

170

00:19:19,000 --> 00:19:24,000

Who is it?

171

00:19:24,000 --> 00:19:27,000

I'm sorry.

172

00:19:27,000 --> 00:19:29,000

I'm sorry.

173

00:19:29,000 --> 00:19:30,000

I'm sorry.

174

00:19:30,000 --> 00:19:31,000

I'm sorry.

175

00:19:31,000 --> 00:19:32,000

I'm sorry.

176

00:19:32,000 --> 00:19:33,000

I'm sorry.

177

00:19:33,000 --> 00:19:34,000

I'm sorry.

178

00:19:34,000 --> 00:19:35,000

I'm sorry.

179

00:19:35,000 --> 00:19:36,000

I'm sorry.

180

00:19:36,000 --> 00:19:37,000

I'm sorry.

181

00:19:37,000 --> 00:19:38,000

I'm sorry.

182

00:19:38,000 --> 00:19:46,000

Who is it?

183

00:19:46,000 --> 00:19:55,000

I went and I answered the door.

184

00:19:55,000 --> 00:20:07,000

And nobody was there.

185

00:20:07,000 --> 00:20:12,000

As soon as I sat down on the bed, the knocking on the door happened again.

186

00:20:12,000 --> 00:20:13,000

Who is it?

187

00:20:13,000 --> 00:20:19,000

So I thought, okay, somebody's trying to prank me.

188

00:20:19,000 --> 00:20:36,000

Now I'm a little bit aggravated.

189

00:20:36,000 --> 00:20:38,000

There's no sounds.

190

00:20:38,000 --> 00:20:39,000

There's no laughing.

191

00:20:39,000 --> 00:20:40,000

There's no people.

192

00:20:40,000 --> 00:21:03,000

It's silent.

193

00:21:03,000 --> 00:21:10,000

I completely froze.

194

00:21:10,000 --> 00:21:14,000

In the room was a shadowy figure.

195

00:21:14,000 --> 00:21:25,000

I don't know what it wants or why it's here, but that's terrifying.

196

00:21:33,000 --> 00:21:51,000

I got out of the hotel as quickly as I could.

197

00:21:51,000 --> 00:21:55,000

There was guests leaving way earlier than they were supposed to.

198

00:21:55,000 --> 00:21:58,000

They made my mind wonder, why would they leave so early?

199

00:21:58,000 --> 00:22:15,000

Why would they pay money to stay here and they're just gone?

200

00:22:15,000 --> 00:22:37,000

That day I was on the top floor to get the rooms ready and cleaned up for the next guest.

201

00:22:37,000 --> 00:22:46,000

The big heavy door went creak.

202

00:22:46,000 --> 00:22:50,000

Hello?

203

00:22:50,000 --> 00:22:52,000

I called out.

204

00:22:52,000 --> 00:22:57,000

Anybody there?

205

00:22:57,000 --> 00:23:22,000

But there was nobody there.

206

00:23:22,000 --> 00:23:25,000

Somebody's staying in there.

207

00:23:25,000 --> 00:23:26,000

He didn't even look at me.

208

00:23:26,000 --> 00:23:36,000

He didn't even acknowledge me.

209

00:23:36,000 --> 00:23:41,000

And then he was gone.

210

00:23:41,000 --> 00:23:44,000

I didn't know what to think.

211

00:23:44,000 --> 00:23:46,000

What was going on?

212

00:23:46,000 --> 00:23:48,000

Are you sure he wasn't a guest?

213

00:23:48,000 --> 00:23:49,000

No way.

214

00:23:49,000 --> 00:23:51,000

He definitely wasn't a guest.

215

00:23:51,000 --> 00:23:57,000

He also told me that she was cleaning and saw a man in a brown suit on the top floor.

216

00:23:57,000 --> 00:24:00,000

He wasn't normal.

217

00:24:00,000 --> 00:24:02,000

She was shaken up by the experience.

218

00:24:02,000 --> 00:24:05,000

He...

219

00:24:05,000 --> 00:24:06,000

He was...

220

00:24:06,000 --> 00:24:11,000

He was what?

221

00:24:11,000 --> 00:24:15,000

I think he was dead.

222

00:24:15,000 --> 00:24:17,000

I was still in shock.

223

00:24:17,000 --> 00:24:19,000

The image of this man was imprinted on my mind.

224

00:24:19,000 --> 00:24:20,000

We'll look into it.

225

00:24:20,000 --> 00:24:21,000

All right?

226

00:24:21,000 --> 00:24:30,000

We'll get to the bottom of it.

227

00:24:30,000 --> 00:24:31,000

Hi.

228

00:24:31,000 --> 00:24:39,000

I'm checking in.

229

00:24:39,000 --> 00:24:44,000

I had never believed in ghosts before, but at this point I had to wonder.

230

00:24:44,000 --> 00:25:02,000

I hadn't really given up on the idea that maybe he just was a guest that was lost or just kind of looking around.

231

00:25:02,000 --> 00:25:09,000

My fans say Phil and I have been together for two and a half years.

232

00:25:09,000 --> 00:25:12,000

We definitely fell in love pretty quickly after we first started dating.

233

00:25:12,000 --> 00:25:15,000

And that was the first one to say, I love you, of course.

234

00:25:15,000 --> 00:25:22,000

We were looking for a venue for our wedding and we wanted one with a vintage feel.

235

00:25:22,000 --> 00:25:24,000

Hello, Phil.

236

00:25:24,000 --> 00:25:25,000

Yeah.

237

00:25:25,000 --> 00:25:27,000

I'm Justine, the manager's wife.

238

00:25:27,000 --> 00:25:29,000

Congratulations on your engagement.

239

00:25:29,000 --> 00:25:33,000

I'll call Matt down right away, but in the meantime, if you want to see some of the guest suites,

240

00:25:33,000 --> 00:25:35,000

there's some on the top floor you can see now.

241

00:25:35,000 --> 00:25:41,000

Perfect.

242

00:25:41,000 --> 00:25:44,000

So we left and began looking around the hotel.

243

00:25:44,000 --> 00:25:47,000

Have fun.

244

00:25:47,000 --> 00:25:53,000

It was like kids in a candy store.

245

00:25:53,000 --> 00:25:59,000

It had the vintage look that I love so much and just it fit perfectly.

246

00:25:59,000 --> 00:26:04,000

We kind of both looked at each other like, I think this is it.

247

00:26:05,000 --> 00:26:16,000

I could absolutely see us getting married there.

248

00:26:16,000 --> 00:26:20,000

As we get to the top level, it's kind of like we both stopped for a second.

249

00:26:20,000 --> 00:26:25,000

Like this looks like a whole different part of the hotel.

250

00:26:25,000 --> 00:26:30,000

It had a different feel to it.

251

00:26:30,000 --> 00:26:31,000

You're cold.

252

00:26:31,000 --> 00:26:34,000

I looked at my arms and I had goosebumps going all the way up.

253

00:26:34,000 --> 00:26:36,000

I'll see if I can find a thermostat or something.

254

00:26:36,000 --> 00:26:38,000

Okay.

255

00:27:01,000 --> 00:27:26,000

I went into the largest room at the end of the hall.

256

00:27:26,000 --> 00:27:34,000

Everything was very elegant and oversized.

257

00:27:34,000 --> 00:27:53,000

I absolutely fell in love with that room.

258

00:27:53,000 --> 00:28:02,000

I felt like somebody was just staring at me.

259

00:28:02,000 --> 00:28:13,000

It felt like whoever, whatever was staring at me did not want me there.

260

00:28:23,000 --> 00:28:43,000

There's nobody in that room with me.

261

00:28:43,000 --> 00:28:54,000

Maybe it was in my head because I knew that this was a very old building.

262

00:28:54,000 --> 00:28:58,000

Oh, sorry. I was scared of you.

263

00:28:58,000 --> 00:29:02,000

Oh no, I couldn't find the thermostat but I did find the manager.

264

00:29:02,000 --> 00:29:04,000

Hi, I'm Matt.

265

00:29:04,000 --> 00:29:05,000

So what do you think of the place?

266

00:29:05,000 --> 00:29:07,000

We love it, right?

267

00:29:07,000 --> 00:29:10,000

Yeah, it's perfect.

268

00:29:10,000 --> 00:29:12,000

I think we'll take it. The whole place.

269

00:29:12,000 --> 00:29:15,000

I was a little reluctant after what just happened.

270

00:29:15,000 --> 00:29:19,000

Great.

271

00:29:19,000 --> 00:29:23,000

I was thinking sometimes old buildings make you feel strange things.

272

00:29:23,000 --> 00:29:30,000

Then I'm not going to let a little feeling like that stop me from having our wedding here.

273

00:29:43,000 --> 00:30:00,000

It was late and the restaurant was closed because there was a wedding to set up.

274

00:30:00,000 --> 00:30:15,000

I heard a, like a slow step into the room.

275

00:30:15,000 --> 00:30:20,000

Hello?

276

00:30:20,000 --> 00:30:33,000

I would have sworn someone came in the room.

277

00:30:33,000 --> 00:30:37,000

All of a sudden, the wine glass exploded.

278

00:30:37,000 --> 00:30:43,000

My heart jumped in my chest.

279

00:30:43,000 --> 00:30:47,000

I heard a voice from the bathroom.

280

00:30:47,000 --> 00:31:15,000

Hello?

281

00:31:15,000 --> 00:31:25,000

I help you.

282

00:31:25,000 --> 00:31:29,000

Hello?

283

00:31:29,000 --> 00:31:43,000

There was somebody in the room with me.

284

00:31:43,000 --> 00:31:49,000

All the color drained out of my face.

285

00:31:49,000 --> 00:32:07,000

That's when I realized that there was definitely something to it that the hotels haunted.

286

00:32:07,000 --> 00:32:10,000

Chelsea, Phil, welcome to get your bags here.

287

00:32:10,000 --> 00:32:15,000

This was the day I've been waiting for for 28 years.

288

00:32:15,000 --> 00:32:18,000

Help yourself to some champagne and we'll bring these up to your room for you.

289

00:32:18,000 --> 00:32:22,000

Weddings at the hotel are a very big deal for us.

290

00:32:22,000 --> 00:32:28,000

So when the bride, Chelsea, arrived, everyone was really excited about it.

291

00:32:28,000 --> 00:32:35,000

I was like, oh my God, I'm getting married.

292

00:32:35,000 --> 00:32:38,000

There was a wedding at the hotel that day.

293

00:32:38,000 --> 00:32:41,000

I was too busy to worry about anything.

294

00:32:41,000 --> 00:32:51,000

I just, I had to get stuff done.

295

00:32:51,000 --> 00:32:54,000

I looked up.

296

00:32:54,000 --> 00:32:57,000

It was a picture.

297

00:32:57,000 --> 00:33:00,000

A picture of the man.

298

00:33:00,000 --> 00:33:10,000

It was the same man that I had seen on the top floor.

299

00:33:10,000 --> 00:33:12,000

Who's this?

300

00:33:12,000 --> 00:33:15,000

I wanted to find out more information about the history of the hotel.

301

00:33:15,000 --> 00:33:18,000

Listen, we have a wedding on. Now's not really the time.

302

00:33:18,000 --> 00:33:21,000

This is the man I saw on the top floor.

303

00:33:21,000 --> 00:33:26,000

I found his photo on the wall of the dining room.

304

00:33:26,000 --> 00:33:29,000

I really just couldn't believe it.

305

00:33:29,000 --> 00:33:33,000

All I know is that this hotel used to be the home of a wealthy family in the area.

306

00:33:33,000 --> 00:33:37,000

I'm afraid that's about all I got really.

307

00:33:37,000 --> 00:33:41,000

Don't we have a book on the family somewhere?

308

00:33:41,000 --> 00:33:46,000

So we started to investigate.

309

00:33:46,000 --> 00:33:53,000

The history of the family shocked me.

310

00:33:53,000 --> 00:34:00,000

We learned that there was a curse on the family.

311

00:34:00,000 --> 00:34:19,000

People died here.

312

00:34:19,000 --> 00:34:25,000

The hotel had previously been the home of a wealthy family in the area.

313

00:34:25,000 --> 00:34:31,000

In 1902, Frederick I of the Sons died of heart failure at 28 years old,

314

00:34:31,000 --> 00:34:35,000

which was unexpected and tragic for his father, William.

315

00:34:35,000 --> 00:34:47,000

William was so distraught.

316

00:34:47,000 --> 00:35:02,000

He had locked himself into his room and complained he wasn't feeling very well.

317

00:35:02,000 --> 00:35:10,000

It was a few weeks later, William killed himself in his bedroom on the top floor.

318

00:35:10,000 --> 00:35:14,000

He killed himself?

319

00:35:14,000 --> 00:35:25,000

There must be some kind of air of oppression and depression left over from that.

320

00:35:25,000 --> 00:35:30,000

I was not only going to be marrying the man of my dreams,

321

00:35:30,000 --> 00:35:37,000

but I was doing it in the most perfect venue that I felt was built for us.

322

00:35:37,000 --> 00:35:43,000

Is there a bathroom up here? Downstairs.

323

00:35:43,000 --> 00:35:54,000

Be right back.

324

00:35:54,000 --> 00:36:03,000

I got halfway down the stairs.

325

00:36:03,000 --> 00:36:18,000

It was like somebody was stepping with me behind me.

326

00:36:18,000 --> 00:36:31,000

Suddenly my heart was racing.

327

00:36:31,000 --> 00:36:39,000

I couldn't even see it. I didn't see anything.

328

00:36:39,000 --> 00:36:47,000

It was right behind me.

329

00:36:47,000 --> 00:36:53,000

I had to just get out of there.

330

00:36:53,000 --> 00:37:02,000

There was something chasing me.

331

00:37:02,000 --> 00:37:05,000

I see my friend Sarah come around the corner and I'm yelling,

332

00:37:05,000 --> 00:37:08,000

There's something chasing me. There's something behind me.

333

00:37:08,000 --> 00:37:10,000

It was right there. I could hear it, but I couldn't see it.

334

00:37:10,000 --> 00:37:12,000

Right there. I could hear it.

335

00:37:12,000 --> 00:37:14,000

Sarah, I was chasing.

336

00:37:14,000 --> 00:37:27,000

I saw the look on my best friend's face of just pure terror.

337

00:37:27,000 --> 00:37:38,000

We learned that after William killed himself, the house was inherited by younger brother Charles.

338

00:37:38,000 --> 00:37:42,000

That was the exact same man that I seen on the top floor.

339

00:37:42,000 --> 00:37:49,000

Charles Locke, the third son of William Sr.

340

00:37:49,000 --> 00:37:54,000

Charles thought that there was a curse on the family.

341

00:37:54,000 --> 00:37:57,000

He lived in the house of a recluse.

342

00:37:57,000 --> 00:38:03,000

May 9th, 1949, leaving the following suicide note.

343

00:38:03,000 --> 00:38:07,000

No other family shall set foot in this mansion.

344

00:38:07,000 --> 00:38:11,000

This mansion will forever be ours.

345

00:38:11,000 --> 00:38:25,000

When I am found dead, blame no one but me.

346

00:38:25,000 --> 00:38:29,000

Two suicides in this hotel.

347

00:38:29,000 --> 00:38:37,000

I knew at this point that the guy that I have seen on this hot floor must have been a ghost.

348

00:38:37,000 --> 00:38:48,000

I realized Charles doesn't want us here.

349

00:38:48,000 --> 00:38:58,000

I look up to the ceiling.

350

00:38:58,000 --> 00:39:05,000

We have seen a ghost.

351

00:39:05,000 --> 00:39:21,000

I don't think I've ever ran that fast.

352

00:39:21,000 --> 00:39:38,000

I was terrified.

353

00:39:38,000 --> 00:39:42,000

I knew we were in real danger.

354

00:39:42,000 --> 00:39:50,000

And then...

355

00:39:50,000 --> 00:40:08,000

somebody was stepping into the room.

356

00:40:20,000 --> 00:40:35,000

All of a sudden, it's gone.

357

00:40:35,000 --> 00:40:50,000

Charles, are you in there? What's going on?

358

00:40:50,000 --> 00:40:56,000

I couldn't even talk.

359

00:40:56,000 --> 00:41:03,000

It was just unreal to me.

360

00:41:03,000 --> 00:41:16,000

That was the scariest thing I've ever experienced in my whole life.

361

00:41:16,000 --> 00:41:24,000

I see people leaving, and I could tell that there was a problem.

362

00:41:24,000 --> 00:41:26,000

So I said, is everything okay?

363

00:41:26,000 --> 00:41:37,000

No, my fiance was chased through your hotel by a man in a brown suit.

364

00:41:37,000 --> 00:41:40,000

I couldn't believe it.

365

00:41:40,000 --> 00:41:57,000

It wasn't really until then that I came to believe that this place was really haunted.

366

00:41:57,000 --> 00:42:04,000

I definitely believe that whatever happens inside walls of a building, stay there.

367

00:42:04,000 --> 00:42:17,000

And people may forget, but that building will never forget.

368

00:42:17,000 --> 00:42:25,000

Do your research before you stay any place, because you have no idea what you're walking into sometimes.

369

00:42:25,000 --> 00:42:35,000

We still have guests that will have experiences and leave, because the history of the family remains in the house and on the property.

370

00:42:35,000 --> 00:42:41,000

And will continue to be the history forever.

371

00:42:55,000 --> 00:42:59,000

Thank you for watching.
