

1

00:00:00,000 --> 00:00:10,000

Sometimes there's things that change your whole perspective on life.

2

00:00:10,000 --> 00:00:15,000

Did you see that?

3

00:00:15,000 --> 00:00:19,000

It was incredible. We couldn't believe our eyes.

4

00:01:00,000 --> 00:01:03,000

Where are you now?

5

00:01:30,000 --> 00:01:57,000

I was extremely nervous about telling our story to a stranger.

6

00:01:57,000 --> 00:02:10,000

Can we trust this person to do the right thing?

7

00:02:10,000 --> 00:02:16,000

So my office is just on the left over here, so we can step inside.

8

00:02:16,000 --> 00:02:29,000

My colleague had referred this couple to me and had told them that they were ideal candidates for the experience of hypnotic regression.

9

00:02:29,000 --> 00:02:32,000

Please, take a seat.

10

00:02:32,000 --> 00:02:43,000

There's no question that people are able to remember things under hypnosis that they had been unable to remember using conscious attempts to retrieve memory.

11

00:02:43,000 --> 00:02:50,000

We are going to use what is called the forensic model. This is the way hypnosis is used in legal proceedings.

12

00:02:50,000 --> 00:02:59,000

I think I had a lot of doubt and skepticism about hypnosis in general.

13

00:02:59,000 --> 00:03:17,000

When I first met the Hesses, they struck me as normal, educated, young, professional people. Articulate, intelligent, but I could see that they were apprehensive about what we were about to do.

14

00:03:17,000 --> 00:03:26,000

My understanding is that we have to focus on a period of time for hours that you have little recall of. Is that right?

15

00:03:26,000 --> 00:03:29,000

Yes. That's correct.

16

00:03:29,000 --> 00:03:35,000

We were missing at least four hours of our lives.

17

00:03:35,000 --> 00:03:43,000

I was nervous about the unknown. I'm not sure I wanted to know.

18

00:03:56,000 --> 00:04:03,000

Don, hurry up, honey. We gotta go.

19

00:04:03,000 --> 00:04:07,000

Don and I first met in college.

20

00:04:07,000 --> 00:04:09,000

I was a sophomore and he was a junior.

21

00:04:09,000 --> 00:04:10,000

Five minutes, okay?

22

00:04:10,000 --> 00:04:12,000

I said okay.

23

00:04:12,000 --> 00:04:19,000

I was attracted to his athleticism, but he just had these warm, caring eyes.

24

00:04:19,000 --> 00:04:20,000

Wash out.

25

00:04:20,000 --> 00:04:27,000

We would just have little smirks, little flirty smiles, and it was sweet.

26

00:04:27,000 --> 00:04:34,000

After we had gotten married, we had our two children, Steven and Bethany.

27

00:04:34,000 --> 00:04:36,000

Steve, are you sure you got the steves?

28

00:04:36,000 --> 00:04:39,000

Yeah, yeah, I'm sure, honey. We got everything. Relax.

29

00:04:39,000 --> 00:04:45,000

Work has been getting hectic a while, and I know it was time that maybe, Don and I carved out some time for ourselves.

30

00:04:45,000 --> 00:04:51,000

I came up with the idea of spending a weekend alone out in the desert doing a little camp in.

31

00:04:51,000 --> 00:04:56,000

And I thought about taking Don out to the Mavi Reserve to spend a nice weekend out in the desert.

32

00:04:56,000 --> 00:04:59,000

You guys don't need anything else? You're good?

33

00:04:59,000 --> 00:05:08,000

I did this really as a favor to Steve. I wanted to make him happy, and I wanted a quiet getaway.

34

00:05:08,000 --> 00:05:12,000

Have a good time. Don't worry about a thing. We've got a cover.

35

00:05:12,000 --> 00:05:14,000

Thanks, Dad. See you in a couple of days.

36

00:05:14,000 --> 00:05:16,000

Bye, Steve.

37

00:05:16,000 --> 00:05:24,000

I arranged to borrow my dad's camper for the weekend, and I used that for our hotel on wheels.

38

00:05:31,000 --> 00:05:36,000

We did hit the road, feeling good about things.

39

00:05:36,000 --> 00:05:44,000

It was really great to get away. It had been a long time since we had that real quiet together time, so we were excited.

40

00:05:52,000 --> 00:05:57,000

I made the plans to go up to Midhills Campground. Stayed there many times.

41

00:05:57,000 --> 00:06:02,000

I learned and loved the peacefulness and tranquility that's out there.

42

00:06:02,000 --> 00:06:05,000

There's no other place in the world like that.

43

00:06:07,000 --> 00:06:11,000

Let's see what's going on here.

44

00:06:11,000 --> 00:06:14,000

We arrived to the campsite.

45

00:06:22,000 --> 00:06:24,000

Hey, is the camp open?

46

00:06:24,000 --> 00:06:27,000

We're open, but we're full to bursting here.

47

00:06:27,000 --> 00:06:28,000

Full?

48

00:06:28,000 --> 00:06:30,000

We don't have another spot.

49

00:06:30,000 --> 00:06:31,000

You're kidding.

50

00:06:31,000 --> 00:06:34,000

I couldn't believe it. This never happened up there before.

51

00:06:35,000 --> 00:06:38,000

I'm now faced with a little bit of a dilemma.

52

00:06:38,000 --> 00:06:45,000

I had to come up with a better plan, which was probably going to be more remote, and see if I could sell it to Don.

53

00:06:45,000 --> 00:06:46,000

That's weird.

54

00:06:46,000 --> 00:06:48,000

Now what?

55

00:06:48,000 --> 00:06:56,000

You know what? Actually, I know the perfect place. It's just a little ways further on.

56

00:07:04,000 --> 00:07:07,000

The road, that was getting tougher and tougher.

57

00:07:10,000 --> 00:07:13,000

Steve, I don't want to keep going.

58

00:07:13,000 --> 00:07:14,000

It's not much further.

59

00:07:14,000 --> 00:07:21,000

I was worried about getting stuck in the sand and not having a way back.

60

00:07:21,000 --> 00:07:27,000

I didn't like being out there where no one could see us or hear us.

61

00:07:27,000 --> 00:07:32,000

She was getting a little bit nervous as we got deeper and deeper into the canyon.

62

00:07:34,000 --> 00:07:36,000

It was a little bit of a mess.

63

00:07:44,000 --> 00:07:50,000

About an hour and a half of a bumpy ride down the canyon, we finally arrived.

64

00:07:53,000 --> 00:07:57,000

It really was pretty perfect, and I felt safe.

65

00:07:57,000 --> 00:08:03,000

You were right. This is beautiful.

66

00:08:04,000 --> 00:08:06,000

It's a beautiful place.

67

00:08:20,000 --> 00:08:23,000

Got the fire going and get the stakes grilling.

68

00:08:23,000 --> 00:08:29,000

He started prepping for dinner, and it was dusk, and it was so relaxing.

69

00:08:34,000 --> 00:08:39,000

Suddenly, out of the corner of my eye, I saw this white light above the horizon.

70

00:08:45,000 --> 00:08:50,000

As soon as I looked at it again, it disappeared just as quickly behind the mountain.

71

00:08:53,000 --> 00:08:58,000

I looked back a couple of different times and glanced up there to see if it would reappear, but it did not.

72

00:09:04,000 --> 00:09:07,000

How's it going? Good.

73

00:09:10,000 --> 00:09:13,000

What's that for? Just because.

74

00:09:18,000 --> 00:09:24,000

As we got done with our dinner, we were sitting there and looked at some of the stars above and some of the planets.

75

00:09:24,000 --> 00:09:27,000

It was very nice, very clear. You could see them all.

76

00:09:27,000 --> 00:09:36,000

Suddenly, I saw all these bright lights.

77

00:09:36,000 --> 00:09:40,000

What are those ones? They look like they're moving.

78

00:09:40,000 --> 00:09:43,000

Yeah, I don't think those are stars.

79

00:09:46,000 --> 00:09:50,000

All of a sudden, the desert became eerily quiet.

80

00:09:51,000 --> 00:09:56,000

Just dead silence.

81

00:09:56,000 --> 00:10:03,000

Everything was quiet. No crickets, no birds, deafening silence.

82

00:10:03,000 --> 00:10:06,000

Oh, God, Steve, look.

83

00:10:11,000 --> 00:10:17,000

The lights, they seem to be blinking in some kind of pattern.

84

00:10:18,000 --> 00:10:21,000

We couldn't believe our eyes.

85

00:10:21,000 --> 00:10:24,000

How would we just weather blue?

86

00:10:24,000 --> 00:10:26,000

Are you sure?

87

00:10:36,000 --> 00:10:38,000

Did you just see that?

88

00:10:38,000 --> 00:10:44,000

All of a sudden, the lights seemed to move and they kind of formed big M formation in the sky, just like this.

89

00:10:45,000 --> 00:10:49,000

They seem to be doing something very precise.

90

00:10:51,000 --> 00:10:54,000

That is definitely not a weather balloon.

91

00:10:58,000 --> 00:11:00,000

My God.

92

00:11:14,000 --> 00:11:21,000

I'm watching these lights fall down from the sky.

93

00:11:21,000 --> 00:11:27,000

Just glide, not a rapid fall, but just glide like they were parachuting.

94

00:11:27,000 --> 00:11:31,000

There were hundreds and hundreds of them.

95

00:11:31,000 --> 00:11:34,000

I'm just going to go and see what they're doing.

96

00:11:34,000 --> 00:11:37,000

I'm going to go and see what they're doing.

97

00:11:37,000 --> 00:11:40,000

I'm going to go and see what they're doing.

98

00:11:41,000 --> 00:11:44,000

There were hundreds and hundreds of them.

99

00:11:46,000 --> 00:11:54,000

The Russians, we thought it was a military invasion, apparently being right out of the sky.

100

00:11:54,000 --> 00:12:04,000

They were quite off in the distance still, but we almost seen these red lights, like military night vision gear.

101

00:12:07,000 --> 00:12:09,000

What is that?

102

00:12:11,000 --> 00:12:19,000

All of a sudden, we see them advancing towards us at a fairly rapid rate.

103

00:12:19,000 --> 00:12:21,000

What's happening?

104

00:12:21,000 --> 00:12:23,000

Oh my God.

105

00:12:25,000 --> 00:12:28,000

They're almost transfixed, watching.

106

00:12:28,000 --> 00:12:31,000

John, get back in the truck.

107

00:12:36,000 --> 00:12:38,000

What are those things?

108

00:12:38,000 --> 00:12:40,000

I could see them coming closer.

109

00:12:40,000 --> 00:12:44,000

Sea brems around and grabs his rifle.

110

00:12:44,000 --> 00:12:47,000

We had to protect ourselves.

111

00:13:00,000 --> 00:13:02,000

All of a sudden, I heard this thump, thump, thump.

112

00:13:02,000 --> 00:13:06,000

It sounded like something was running across the top of the camper.

113

00:13:09,000 --> 00:13:11,000

What is that?

114

00:13:18,000 --> 00:13:20,000

I don't know where they're going to be.

115

00:13:33,000 --> 00:13:35,000

No!

116

00:13:36,000 --> 00:13:39,000

What's out there?

117

00:13:43,000 --> 00:13:50,000

They appeared to be very nimpish, elfish-looking creatures.

118

00:13:51,000 --> 00:13:56,000

They were so alien-like.

119

00:14:06,000 --> 00:14:08,000

Help!

120

00:14:08,000 --> 00:14:12,000

We were completely surrounded, and there was no way we could get out.

121

00:14:12,000 --> 00:14:14,000

We were trapped.

122

00:14:22,000 --> 00:14:26,000

Steve, he wanted to communicate with them.

123

00:14:30,000 --> 00:14:32,000

What's happening?

124

00:14:33,000 --> 00:14:35,000

No, Steve. Please.

125

00:14:35,000 --> 00:14:37,000

Please, no.

126

00:14:37,000 --> 00:14:39,000

I leaned forward like this.

127

00:14:40,000 --> 00:14:42,000

And all of a sudden,

128

00:14:43,000 --> 00:14:47,000

I felt the shock,

129

00:14:47,000 --> 00:14:49,000

propelled me back.

130

00:14:52,000 --> 00:14:54,000

It's okay, it's okay.

131

00:15:02,000 --> 00:15:05,000

I could hear a low, hydraulic hum.

132

00:15:23,000 --> 00:15:26,000

The sound was getting louder and louder.

133

00:15:27,000 --> 00:15:31,000

The noise, tentified vibrations.

134

00:15:32,000 --> 00:15:39,000

All of a sudden, everything was quiet.

135

00:15:40,000 --> 00:15:42,000

We felt like it was over.

136

00:15:42,000 --> 00:15:44,000

I think they're gone now.

137

00:16:03,000 --> 00:16:05,000

Look at that.

138

00:16:15,000 --> 00:16:19,000

The camper shook violently like an earthquake tremor.

139

00:16:20,000 --> 00:16:25,000

That drilling sound, it felt like it was right under us.

140

00:16:33,000 --> 00:16:37,000

All of a sudden, this mist is rolled into the camper.

141

00:16:47,000 --> 00:16:49,000

Mist hits us.

142

00:16:50,000 --> 00:16:52,000

We were both helpless.

143

00:16:53,000 --> 00:16:56,000

Couldn't breathe. Couldn't move.

144

00:17:03,000 --> 00:17:05,000

We thought we were done for.

145

00:17:05,000 --> 00:17:07,000

No way out.

146

00:17:07,000 --> 00:17:09,000

I thought we're gonna die.

147

00:17:33,000 --> 00:17:36,000

I remember waking up very clearly.

148

00:17:36,000 --> 00:17:38,000

Steve was holding me.

149

00:17:38,000 --> 00:17:40,000

You wake up.

150

00:17:40,000 --> 00:17:42,000

Both woke up at the exact same time.

151

00:17:42,000 --> 00:17:45,000

We're like, what has happened to us?

152

00:17:47,000 --> 00:17:50,000

We didn't know how much time had passed.

153

00:17:50,000 --> 00:17:52,000

What day it was.

154

00:17:56,000 --> 00:17:59,000

The question was what had just happened.

155

00:17:59,000 --> 00:18:01,000

All night long, we went mad.

156

00:18:01,000 --> 00:18:03,000

Did we dream this?

157

00:18:03,000 --> 00:18:05,000

Was it some kind of fantasy?

158

00:18:06,000 --> 00:18:10,000

Steve went into the cab of the truck and turned on the radio.

159

00:18:10,000 --> 00:18:14,000

And we were expecting to hear that the world had been invaded.

160

00:18:16,000 --> 00:18:19,000

Nothing seemed to be different.

161

00:18:21,000 --> 00:18:23,000

The world was as it should be.

162

00:18:24,000 --> 00:18:26,000

Come here.

163

00:18:27,000 --> 00:18:29,000

Come here.

164

00:18:30,000 --> 00:18:36,000

I noticed there were two small red dots on the side of her neck.

165

00:18:36,000 --> 00:18:38,000

That were very strange looking.

166

00:18:39,000 --> 00:18:42,000

They look like two distinct small puncture wounds.

167

00:18:43,000 --> 00:18:45,000

It doesn't matter.

168

00:18:56,000 --> 00:18:59,000

I just wanted to get back to the children.

169

00:18:59,000 --> 00:19:01,000

Instantly.

170

00:19:17,000 --> 00:19:20,000

If what happened happened to us,

171

00:19:20,000 --> 00:19:24,000

I would think there'd be a strong possibility that someone would have saw something.

172

00:19:27,000 --> 00:19:29,000

No, no, no, no.

173

00:19:31,000 --> 00:19:36,000

Before we got back on the main road, we did encounter an older couple.

174

00:19:36,000 --> 00:19:42,000

Asked them if they had seen or experienced anything unusual last night.

175

00:19:43,000 --> 00:19:44,000

Excuse me.

176

00:19:45,000 --> 00:19:47,000

Did you guys stay here last night?

177

00:19:47,000 --> 00:19:49,000

Yeah, we did.

178

00:19:49,000 --> 00:19:52,000

Did you see anything in the sky?

179

00:19:52,000 --> 00:19:54,000

No, we turned in pretty early last night.

180

00:19:54,000 --> 00:19:56,000

We didn't see or hear anything.

181

00:19:57,000 --> 00:19:59,000

Okay, well, thanks for your time, sir.

182

00:20:00,000 --> 00:20:03,000

I couldn't bring myself to tell this couple what happened to us.

183

00:20:03,000 --> 00:20:08,000

I was still searching for my own answers, why and if it did actually happen.

184

00:20:09,000 --> 00:20:11,000

So I didn't share it with them.

185

00:20:12,000 --> 00:20:16,000

It made me question my sanity for one.

186

00:20:17,000 --> 00:20:19,000

Did this even happen?

187

00:20:25,000 --> 00:20:31,000

The next thought in our mind is, you know, who do we tell?

188

00:20:31,000 --> 00:20:33,000

Who would believe us?

189

00:20:33,000 --> 00:20:36,000

Do we even share this with anybody else?

190

00:20:36,000 --> 00:20:41,000

On the way home, we were in shock.

191

00:20:41,000 --> 00:20:43,000

There was a lot of self-doubt.

192

00:20:43,000 --> 00:20:45,000

There was a lot of questioning.

193

00:20:45,000 --> 00:20:47,000

There was a lot of internal struggle.

194

00:20:54,000 --> 00:21:06,000

One of the biggest thoughts I've had after we got back from the desert was the missing time period.

195

00:21:06,000 --> 00:21:10,000

I wondered but couldn't recall what had happened.

196

00:21:11,000 --> 00:21:14,000

But I had a feeling it wasn't a good thing.

197

00:21:16,000 --> 00:21:17,000

You okay?

198

00:21:19,000 --> 00:21:23,000

By the time we got home, we tried to put on a happy face.

199

00:21:25,000 --> 00:21:30,000

I know I was in still shock and disbelief that this happened to us.

200

00:21:31,000 --> 00:21:40,000

And before I was going to share it with anybody, I at least wanted to get a grip on it in my own mind.

201

00:21:41,000 --> 00:21:43,000

Let's just try and keep it together, okay?

202

00:21:44,000 --> 00:21:48,000

Let's just try and act normal. We can't tell anyone about this.

203

00:21:49,000 --> 00:21:53,000

I was so grateful to see those kids.

204

00:21:53,000 --> 00:21:57,000

You know, Stevie came running and I lifted up and hugged him.

205

00:22:00,000 --> 00:22:02,000

It was a very emotional experience.

206

00:22:19,000 --> 00:22:24,000

Over the next few days, we just tried to get on with our lives.

207

00:22:26,000 --> 00:22:35,000

I would tuck the kids in, go to the windows and just search the skies.

208

00:22:36,000 --> 00:22:41,000

Make sure everything was normal.

209

00:22:41,000 --> 00:22:48,000

I was so grateful to be home, but I was worried that it wasn't over.

210

00:23:41,000 --> 00:24:10,000

I woke up abruptly and I hear a little Steven.

211

00:24:11,000 --> 00:24:16,000

Steven, Steven, Steven, Steven.

212

00:24:30,000 --> 00:24:32,000

Steve? Steve?

213

00:24:34,000 --> 00:24:36,000

What are you doing down here?

214

00:24:36,000 --> 00:24:38,000

Are you okay?

215

00:24:38,000 --> 00:24:40,000

Please don't let them get me.

216

00:24:41,000 --> 00:24:46,000

He said, don't let those guys get me. And I said, what guys, honey?

217

00:24:46,000 --> 00:24:49,000

Little guys, little guys.

218

00:24:55,000 --> 00:24:59,000

Okay, nobody's here. Okay. It's just a dream.

219

00:24:59,000 --> 00:25:03,000

I now knew not one of us is safe.

220

00:25:04,000 --> 00:25:07,000

I know it's not safe, but it's not.

221

00:25:25,000 --> 00:25:31,000

People who came out and talked about UFO experiences, the ridicule,

222

00:25:31,000 --> 00:25:33,840

the labels and the things that came with it.

223

00:25:33,840 --> 00:25:37,240

It was extremely, extremely difficult for me to talk about it.

224

00:25:37,240 --> 00:25:38,080

There you go.

225

00:25:38,080 --> 00:25:38,920

Thanks, man.

226

00:25:38,920 --> 00:25:43,440

Plumber Inn is my best friend as I went through college.

227

00:25:43,440 --> 00:25:46,200

We became extremely close.

228

00:25:46,200 --> 00:25:47,800

So what's up?

229

00:25:47,800 --> 00:25:51,880

There's something I need off my chest.

230

00:25:51,880 --> 00:25:53,400

OK.

231

00:25:53,400 --> 00:25:55,840

You were running away with the cheerleader.

232

00:25:55,840 --> 00:25:58,640

No.

233

00:25:58,640 --> 00:26:02,640

Do you remember a couple of weekends ago, Don and I went off

234

00:26:02,640 --> 00:26:06,400

just a little camping trip, just a little getaway type thing?

235

00:26:06,400 --> 00:26:09,880

Well, something happened out there.

236

00:26:09,880 --> 00:26:12,520

I'm not telling anyone about this yet.

237

00:26:12,520 --> 00:26:16,080

You know how difficult it was for me to share it with him.

238

00:26:16,080 --> 00:26:17,280

But yet I trusted him.

239

00:26:17,280 --> 00:26:22,560

I know he would never do anything contrary to our trust.

240

00:26:29,640 --> 00:26:30,640

Ron Silver.

241

00:26:30,640 --> 00:26:31,640

Ron, it's Paul.

242

00:26:31,640 --> 00:26:32,640

Hey, Paul.

243

00:26:32,640 --> 00:26:33,640

How are you?

244

00:26:33,640 --> 00:26:34,640

I'm fine, thanks.

245

00:26:34,640 --> 00:26:38,640

Paul was sort of sworn to secrecy about a story that he had heard

246

00:26:38,640 --> 00:26:42,640

from his best friend, Steve Hess.

247

00:26:42,640 --> 00:26:46,640

But he thought I was in a unique position to help these people.

248

00:26:46,640 --> 00:26:49,640

So I told him about a book I was working on.

249

00:26:49,640 --> 00:26:52,640

It was about soldiers that came back from Vietnam

250

00:26:52,640 --> 00:26:54,640

with post-traumatic stress.

251

00:26:54,640 --> 00:26:58,640

And I think it jarred Paul's memory and clicked.

252

00:26:58,640 --> 00:27:03,640

I had some contacts at the time that worked with people that had trauma.

253

00:27:03,640 --> 00:27:08,640

So these were top flight people that he thought could do a lot of good for the Hess.

254

00:27:08,640 --> 00:27:12,640

You have to touch base with them and let me know what works.

255

00:27:12,640 --> 00:27:14,640

All right, take care.

256

00:27:14,640 --> 00:27:15,640

Bye.

257

00:27:20,640 --> 00:27:21,640

Mr. Hess.

258

00:27:21,640 --> 00:27:23,640

Paul, in his concern,

259

00:27:23,640 --> 00:27:29,640

in his concern for me, recognized that they had to help us deal with our situation.

260

00:27:29,640 --> 00:27:31,640

Is my wife Dawn?

261

00:27:31,640 --> 00:27:33,640

Hi, Dawn. Nice to meet you.

262

00:27:33,640 --> 00:27:38,640

When I first met the Hesses, my first impression was that they were quiet people.

263

00:27:38,640 --> 00:27:42,640

I want to reassure both of you that I won't do anything without your approval.

264

00:27:42,640 --> 00:27:45,640

Steve was a, you know, a fellow with a great job.

265

00:27:45,640 --> 00:27:47,640

You know, I had a career going.

266

00:27:47,640 --> 00:27:50,640

Dawn, who was also a college graduate, had two young children.

267

00:27:50,640 --> 00:27:54,640

So, I mean, these are people more interested in building a life,

268

00:27:54,640 --> 00:27:58,640

paying off their mortgage, sending their kids to college

269

00:27:58,640 --> 00:28:02,640

than anything that had to do with aliens or UFOs.

270

00:28:02,640 --> 00:28:07,640

Why don't we start with you just telling me everything that you both remember from that night?

271

00:28:07,640 --> 00:28:09,640

The whole night?

272

00:28:09,640 --> 00:28:11,640

Yes, please.

273

00:28:11,640 --> 00:28:16,640

The sense that I got from them was that they were not just reluctant to talk,

274

00:28:16,640 --> 00:28:20,640

but that they were scarred.

275

00:28:20,640 --> 00:28:25,640

I thought it was important to make certain that the Hesses were credible in every way.

276

00:28:25,640 --> 00:28:30,640

One of the first things I wanted to do was to put them in touch with a contact of mine,

277

00:28:30,640 --> 00:28:34,640

a very well-respected psychiatrist and medical doctor.

278

00:28:34,640 --> 00:28:37,640

He specializes in regression therapy.

279

00:28:37,640 --> 00:28:40,640

His name is Dr. Annexter.

280

00:28:46,640 --> 00:28:51,640

Please, take a seat.

281

00:28:51,640 --> 00:28:53,640

Thank you.

282

00:28:53,640 --> 00:28:55,640

Steve.

283

00:28:55,640 --> 00:29:00,640

Okay, so, uh, my understanding is that we have to focus on a period of time

284

00:29:00,640 --> 00:29:03,640

of four hours that you have little recall of.

285

00:29:03,640 --> 00:29:05,640

Is that right?

286

00:29:05,640 --> 00:29:07,640

Yes, that's correct.

287

00:29:07,640 --> 00:29:11,640

There was a specific period of time that you were able to do that.

288

00:29:11,640 --> 00:29:13,640

That's correct.

289

00:29:13,640 --> 00:29:20,640

There was a specific period of time that they were unable to remember.

290

00:29:20,640 --> 00:29:24,640

That was the reason they had come all the way across the country.

291

00:29:24,640 --> 00:29:27,640

So I decided to go after that.

292

00:29:27,640 --> 00:29:29,640

Who would like to go first?

293

00:29:29,640 --> 00:29:34,640

I felt the proper way to conduct these hypnotic investigations

294

00:29:34,640 --> 00:29:40,640

was to hypnotize them and interview them individually.

295

00:29:40,640 --> 00:29:42,640

It's gonna be fine.

296

00:29:42,640 --> 00:29:44,640

I promise.

297

00:29:44,640 --> 00:29:46,640

Okay.

298

00:29:52,640 --> 00:29:56,640

You can, uh, start the video recording. Thanks.

299

00:30:03,640 --> 00:30:05,640

Hey.

300

00:30:05,640 --> 00:30:07,640

Think we're ready?

301

00:30:07,640 --> 00:30:09,640

Okay.

302

00:30:09,640 --> 00:30:11,640

Make yourself as confident as you can.

303

00:30:11,640 --> 00:30:17,640

We'd like to begin our work for today by focusing on a period of time

304

00:30:17,640 --> 00:30:25,640

that previously you've described as being blank.

305

00:30:25,640 --> 00:30:30,640

Take a deep breath and think back on the whole story now.

306

00:30:30,640 --> 00:30:34,640

Permit yourself now to drift back in time.

307

00:30:34,640 --> 00:30:37,640

Don't you mind go blank?

308

00:30:37,640 --> 00:30:40,640

Permitting yourself to luxury.

309

00:30:40,640 --> 00:30:46,640

I'm allowing all of your muscle groups to go completely loose and limp.

310

00:30:46,640 --> 00:30:48,640

I was kind of a fly on the wall.

311

00:30:48,640 --> 00:30:51,640

I was listening. I was observing.

312

00:30:51,640 --> 00:30:56,640

I want you to count backwards from ten.

313

00:30:56,640 --> 00:30:58,640

Ten.

314

00:30:58,640 --> 00:30:59,640

Ten.

315

00:30:59,640 --> 00:31:00,640

Nine.

316

00:31:00,640 --> 00:31:01,640

Nine.

317

00:31:01,640 --> 00:31:02,640

Eight.

318

00:31:02,640 --> 00:31:03,640

Seven.

319

00:31:04,640 --> 00:31:05,640

Six.

320

00:31:05,640 --> 00:31:07,640

Five.

321

00:31:07,640 --> 00:31:09,640

Four.

322

00:31:09,640 --> 00:31:11,640

Three.

323

00:31:11,640 --> 00:31:13,640

Two.

324

00:31:13,640 --> 00:31:16,640

One.

325

00:31:16,640 --> 00:31:26,640

I want you to focus on the time just before the missing time.

326

00:31:26,640 --> 00:31:29,640

Where are you now?

327

00:31:30,640 --> 00:31:35,640

They're sucking us up into the sky.

328

00:31:35,640 --> 00:31:45,640

The most just clearing, such a thrilling noise, is gone.

329

00:31:45,640 --> 00:31:50,640

It seemed like the sky around us was like,

330

00:31:50,640 --> 00:31:52,640

so it was lights.

331

00:31:52,640 --> 00:32:01,640

Like, our whole platform of Earth was up in the sky.

332

00:32:01,640 --> 00:32:12,640

Tell me what you remember now.

333

00:32:12,640 --> 00:32:17,640

Just tell it we're on the way.

334

00:32:17,640 --> 00:32:29,640

Once we're just a landing table.

335

00:32:29,640 --> 00:32:35,640

Both of them said they became aware of being in the craft.

336

00:32:35,640 --> 00:32:45,640

They were on an examination table and prevented from moving.

337

00:32:45,640 --> 00:32:49,640

Steve, let the memory come back.

338

00:32:49,640 --> 00:32:52,640

At this point, where do you think you were?

339

00:32:52,640 --> 00:32:55,640

Inside out the ship.

340

00:32:55,640 --> 00:33:01,640

Steve described being taken to a room in the craft.

341

00:33:01,640 --> 00:33:03,640

Ten.

342

00:33:03,640 --> 00:33:07,640

Seven.

343

00:33:07,640 --> 00:33:10,640

Light in my path, remember?

344

00:33:10,640 --> 00:33:13,640

What can you see?

345

00:33:13,640 --> 00:33:18,640

Bright lights.

346

00:33:18,640 --> 00:33:23,640

Do you have the sense you're being watched at this moment?

347

00:33:23,640 --> 00:33:25,640

See like an apple.

348

00:33:43,640 --> 00:34:01,640

Steve struggled. You could see him struggling in the chair.

349

00:34:14,640 --> 00:34:25,640

Steve was just disturbed.

350

00:34:25,640 --> 00:34:33,640

It was like his mind was being torn apart.

351

00:34:33,640 --> 00:34:42,640

It was a physical and mental collapse.

352

00:34:42,640 --> 00:34:44,640

Steve looked like he was fighting someone.

353

00:34:44,640 --> 00:34:46,640

Like, literally he was fighting for his life.

354

00:34:46,640 --> 00:34:52,640

Struggling every moment of the way to get back to dawn.

355

00:34:52,640 --> 00:34:59,640

When Dorma's under hypnosis, she could remember being put on this operating table.

356

00:34:59,640 --> 00:35:04,640

Do you have any memory of being examined by them?

357

00:35:12,640 --> 00:35:17,640

Steve was just standing there.

358

00:35:17,640 --> 00:35:22,640

Steve was just standing there.

359

00:35:22,640 --> 00:35:27,640

Steve was just standing there.

360

00:35:27,640 --> 00:35:32,640

Steve was just standing there.

361

00:35:32,640 --> 00:35:41,640

She remembered the faces of these aliens looming over the table.

362

00:35:41,640 --> 00:35:51,640

Steve was just standing there.

363

00:35:51,640 --> 00:36:01,640

Steve was just standing there.

364

00:36:01,640 --> 00:36:03,640

That was one.

365

00:36:03,640 --> 00:36:07,640

Please stop, please stop, please.

366

00:36:07,640 --> 00:36:09,640

She's putting on the mirror.

367

00:36:09,640 --> 00:36:11,640

Please.

368

00:36:11,640 --> 00:36:23,640

Please stop.

369

00:36:23,640 --> 00:36:25,640

Please stop.

370

00:36:25,640 --> 00:36:33,640

She started pulling at her neck.

371

00:36:33,640 --> 00:36:36,640

You know what?

372

00:36:38,640 --> 00:36:43,640

They're piercing my neck.

373

00:36:43,640 --> 00:36:52,640

Steve was just standing there.

374

00:36:52,640 --> 00:36:57,640

I can feel it's just kind of fuzzy and floating around.

375

00:36:57,640 --> 00:37:03,640

It almost feels like I've been drugged.

376

00:37:03,640 --> 00:37:13,640

Steve was just standing there.

377

00:37:13,640 --> 00:37:23,640

Steve was just standing there.

378

00:37:23,640 --> 00:37:25,640

Stop.

379

00:37:25,640 --> 00:37:28,640

Please, please stop.

380

00:37:28,640 --> 00:37:33,640

Please stop.

381

00:37:33,640 --> 00:37:43,640

Steve was just standing there.

382

00:37:43,640 --> 00:37:52,640

As you're ready, just let your eyes blink and slowly come to the lettering envelope.

383

00:37:52,640 --> 00:37:56,840

Take a deep breath and stretch.

384

00:37:56,840 --> 00:37:58,840

Come back here with us.

385

00:38:03,840 --> 00:38:06,240

We didn't see or talk to each other

386

00:38:06,240 --> 00:38:08,440

since we separated in the morning.

387

00:38:08,440 --> 00:38:09,440

Are you OK?

388

00:38:12,840 --> 00:38:14,840

Yeah.

389

00:38:14,840 --> 00:38:19,840

So we hadn't talked, and he was concerned about me.

390

00:38:20,040 --> 00:38:22,040

So he just held my hand and said,

391

00:38:22,040 --> 00:38:23,040

you know, are you OK?

392

00:38:23,040 --> 00:38:26,040

And I said, yeah, OK.

393

00:38:26,040 --> 00:38:28,040

I said, are you OK?

394

00:38:28,040 --> 00:38:30,040

He said, I think so.

395

00:38:32,040 --> 00:38:35,040

OK, do you have any questions for us?

396

00:38:35,040 --> 00:38:37,040

You think I'm crazy?

397

00:38:38,040 --> 00:38:40,040

No, I don't.

398

00:38:41,040 --> 00:38:44,040

I have no doubt that you believe

399

00:38:44,040 --> 00:38:46,040

what you told me happened to you.

400

00:38:46,040 --> 00:38:48,040

I don't.

401

00:38:49,040 --> 00:38:52,040

I saw no evidence of falsification.

402

00:38:52,040 --> 00:38:55,040

I had no sense I was being manipulated

403

00:38:55,040 --> 00:38:59,040

or played in any way by these people.

404

00:38:59,040 --> 00:39:04,040

Dr. Anikster was convinced that we did have a close encounter,

405

00:39:04,040 --> 00:39:08,040

and that what we described as happening did happen.

406

00:39:08,040 --> 00:39:13,040

We were grateful to fill some of that void of missing time.

407

00:39:13,040 --> 00:39:15,040

We've validated what we thought we already knew

408

00:39:16,040 --> 00:39:21,040

that other things happened that we didn't remember.

409

00:39:21,040 --> 00:39:25,040

Is there anything you haven't told me?

410

00:39:32,040 --> 00:39:34,040

I'm pregnant.

411

00:39:46,040 --> 00:39:52,040

She said this was not a time in her cycle

412

00:39:52,040 --> 00:39:57,040

that she would have anticipated being able to conceive.

413

00:39:57,040 --> 00:40:00,040

I'm worried something's going to be wrong.

414

00:40:01,040 --> 00:40:05,040

I was pregnant, but my concern was

415

00:40:05,040 --> 00:40:08,040

that I was not going to be able to conceive.

416

00:40:08,040 --> 00:40:11,040

I was not going to be able to conceive.

417

00:40:11,040 --> 00:40:15,040

I was pregnant, but my concern was

418

00:40:15,040 --> 00:40:19,040

we didn't know if this was just our baby.

419

00:40:20,040 --> 00:40:26,040

We were definitely worried during that pregnancy

420

00:40:26,040 --> 00:40:30,040

that a baby wouldn't be completely ours.

421

00:40:30,040 --> 00:40:33,040

Perhaps they had had some kind of a...

422

00:40:33,040 --> 00:40:36,040

some kind of a hand in it.

423

00:40:55,040 --> 00:40:59,040

We gave birth to a healthy baby girl in the summer.

424

00:40:59,040 --> 00:41:02,040

Her name is Amber Lee.

425

00:41:07,040 --> 00:41:10,040

A little, tiny pink face came out

426

00:41:10,040 --> 00:41:14,040

and her sweet little tiny human eyes.

427

00:41:14,040 --> 00:41:16,040

I was so relieved.

428

00:41:16,040 --> 00:41:18,040

I know we all...

429

00:41:18,040 --> 00:41:21,040

we all took a deep breath.

430

00:41:21,040 --> 00:41:24,040

Then we're so grateful.

431

00:41:24,040 --> 00:41:28,040

She was a perfect baby.

432

00:41:30,040 --> 00:41:34,040

The sweetest, gentlest little soul

433

00:41:34,040 --> 00:41:37,040

and I could look into her eyes.

434

00:41:40,040 --> 00:41:44,040

And that baby brought me such peace.

435

00:41:49,040 --> 00:41:52,040

It's taken 25-plus years to really feel calm

436

00:41:52,040 --> 00:41:55,040

and comfortable about talking about it.

437

00:41:55,040 --> 00:41:58,040

And coming to terms with it,

438

00:41:58,040 --> 00:42:08,040

I never had doubts about the events.

439

00:42:08,040 --> 00:42:12,040

If we think that we live in this world

440

00:42:12,040 --> 00:42:14,040

and universe by ourselves,

441

00:42:14,040 --> 00:42:17,040

I think we're badly misguided

442

00:42:17,040 --> 00:42:19,040

because I don't think that's the case.

443

00:42:19,040 --> 00:42:22,040

And there's something bigger

444

00:42:22,040 --> 00:42:25,040

that's out there.
