

1

00:00:00,000 --> 00:00:09,000

...

2

00:00:09,000 --> 00:00:22,000

...

3

00:00:22,000 --> 00:00:24,000

Switching over to non-vision.

4

00:00:24,000 --> 00:00:26,000

Make sure to check your K2 meter.

5

00:00:26,000 --> 00:00:28,000

It's working.

6

00:00:28,000 --> 00:00:36,000

...

7

00:00:36,000 --> 00:00:38,000

I'm picking something up.

8

00:00:40,000 --> 00:00:42,000

What is it?

9

00:00:42,000 --> 00:00:47,000

...

10

00:00:47,000 --> 00:00:49,000

...

11

00:00:49,000 --> 00:00:51,000

What the hell is going on?

12

00:00:51,000 --> 00:00:52,000

What am I doing?

13

00:00:52,000 --> 00:00:56,000

...

14

00:00:56,000 --> 00:00:58,000

I'm bleeding!

15

00:00:58,000 --> 00:01:06,000

...

16

00:01:06,000 --> 00:01:16,000

...

17

00:01:16,000 --> 00:01:26,000

...

18

00:01:26,000 --> 00:01:28,000

...

19

00:01:28,000 --> 00:01:29,000

...

20

00:01:29,000 --> 00:01:32,000

After I graduated, I went into the military.

21

00:01:32,000 --> 00:01:34,000

I was part of Desert Shield, Desert Storm.

22

00:01:34,000 --> 00:01:37,000

I did about six months in Saudi Arabia and Iraq.

23

00:01:37,000 --> 00:01:40,000

...

24

00:01:40,000 --> 00:01:42,000

After I left the military, I started working at

25

00:01:42,000 --> 00:01:45,000

the South Pittsburgh Municipal Hospital in Tennessee.

26

00:01:45,000 --> 00:01:48,000

...

27

00:01:48,000 --> 00:01:52,000

The only downside to the job was I had to work the night shift.

28

00:01:52,000 --> 00:01:55,000

From 11 p.m. at night to 7 a.m. in the morning,

29

00:01:55,000 --> 00:01:57,000

the graveyard shift.

30

00:01:57,000 --> 00:01:59,000

...

31

00:01:59,000 --> 00:02:00,000

Hey, Cheryl.

32

00:02:00,000 --> 00:02:01,000

How's your night going?

33

00:02:01,000 --> 00:02:02,000

Good.

34

00:02:02,000 --> 00:02:03,000

Let's go.

35

00:02:03,000 --> 00:02:06,000

South Pittsburgh Municipal Hospital was built

36

00:02:06,000 --> 00:02:09,000

in the late 50s, I think around 1959.

37

00:02:09,000 --> 00:02:12,000

I worked in the clinical lab, which is on the second floor.

38

00:02:12,000 --> 00:02:17,000

...

39

00:02:17,000 --> 00:02:18,000

I worked with blood.

40

00:02:18,000 --> 00:02:21,000

And part of my job was to collect the blood samples

41

00:02:21,000 --> 00:02:23,000

and do the testing.

42

00:02:23,000 --> 00:02:27,000

...

43

00:02:27,000 --> 00:02:30,000

Put the blood in the centrifuge, it spins it down,

44

00:02:30,000 --> 00:02:33,000

and then I started up the analyzers.

45

00:02:33,000 --> 00:02:38,000

...

46

00:02:38,000 --> 00:02:48,000

...

47

00:02:48,000 --> 00:02:50,000

...

48

00:02:50,000 --> 00:02:52,000

And they're sitting in the middle of the floor.

49

00:02:52,000 --> 00:02:54,000

It's a test tube.

50

00:02:54,000 --> 00:02:55,000

...

51

00:02:55,000 --> 00:02:59,000

I can't explain how it could have fallen off the refrigerator.

52

00:02:59,000 --> 00:03:01,000

It's almost like someone had picked it up

53

00:03:01,000 --> 00:03:04,000

and just carelessly dropped it on the floor.

54

00:03:04,000 --> 00:03:07,000

...

55

00:03:07,000 --> 00:03:10,000

So my first thought was, okay, somebody is pulling a prank on me.

56

00:03:10,000 --> 00:03:13,000

...

57

00:03:13,000 --> 00:03:15,000

...

58

00:03:15,000 --> 00:03:17,000

I worked with this guy named Kevin, he worked over in X-ray,

59

00:03:17,000 --> 00:03:18,000

and he was a prankster.

60

00:03:18,000 --> 00:03:20,000

Is that you?

61

00:03:20,000 --> 00:03:21,000

What are you talking about?

62

00:03:21,000 --> 00:03:24,000

I said, look, and I pointed the test tubes into the floor

63

00:03:24,000 --> 00:03:25,000

and he says, what about it?

64

00:03:25,000 --> 00:03:27,000

And I said, did you do that?

65

00:03:27,000 --> 00:03:29,000

You think I did it?

66

00:03:29,000 --> 00:03:31,000

And I said, I didn't do that.

67

00:03:31,000 --> 00:03:34,000

And he kind of gave me a look like...

68

00:03:34,000 --> 00:03:37,000

Come on, you all are messing with me, man.

69

00:03:37,000 --> 00:03:39,000

I mean, get some sleep.

70

00:03:39,000 --> 00:03:41,000

And there was no one in there but me.

71

00:03:41,000 --> 00:03:49,000

...

72

00:03:49,000 --> 00:03:53,000

...

73

00:03:53,000 --> 00:04:01,000

...

74

00:04:01,000 --> 00:04:11,000

...

75

00:04:11,000 --> 00:04:14,000

...

76

00:04:14,000 --> 00:04:21,000

...

77

00:04:21,000 --> 00:04:28,000

...

78

00:04:28,000 --> 00:04:36,000

...

79

00:04:36,000 --> 00:04:39,000

...

80

00:04:39,000 --> 00:04:46,000

...

81

00:04:46,000 --> 00:04:53,000

...

82

00:04:53,000 --> 00:04:59,000

...

83

00:04:59,000 --> 00:05:05,000

...

84

00:05:05,000 --> 00:05:11,000

...

85

00:05:11,000 --> 00:05:17,000

...

86

00:05:17,000 --> 00:05:23,000

...

87

00:05:23,000 --> 00:05:27,000

...

88

00:05:27,000 --> 00:05:30,000

...

89

00:05:30,000 --> 00:05:35,000

...

90

00:05:35,000 --> 00:05:39,000

...

91

00:05:39,000 --> 00:05:45,000

...

92

00:05:45,000 --> 00:05:51,000

...

93

00:05:51,000 --> 00:05:57,000

...

94

00:05:57,000 --> 00:06:03,000

...

95

00:06:03,000 --> 00:06:06,000

...

96

00:06:06,000 --> 00:06:13,000

...

97

00:06:14,000 --> 00:06:21,000

...

98

00:06:21,000 --> 00:06:25,000

...

99

00:06:25,000 --> 00:06:34,000

...

100

00:06:34,000 --> 00:06:39,000

...

101

00:06:39,000 --> 00:06:42,000

...

102

00:06:42,000 --> 00:06:44,000

He said, hi, my name's Tony.

103

00:06:44,000 --> 00:06:45,000

You're the new guy?

104

00:06:45,000 --> 00:06:47,000

Yeah.

105

00:06:47,000 --> 00:06:48,000

Don.

106

00:06:48,000 --> 00:06:51,000

Nice to meet you.

107

00:06:51,000 --> 00:06:52,000

Yeah, uh...

108

00:06:52,000 --> 00:06:53,000

I didn't mention it.

109

00:06:53,000 --> 00:06:55,000

I just said, hey, good to meet you,

110

00:06:55,000 --> 00:06:58,000

because what am I gonna tell him?

111

00:06:58,000 --> 00:07:00,000

I was nervous.

112

00:07:00,000 --> 00:07:02,000

Something on?

113

00:07:02,000 --> 00:07:03,000

No.

114

00:07:03,000 --> 00:07:06,000

Saw something.

115

00:07:06,000 --> 00:07:08,000

Either something I can't explain or I'm just,

116

00:07:08,000 --> 00:07:10,000

you know, completely crazy.

117

00:07:13,000 --> 00:07:18,000

I honestly don't remember having so many samples in one week.

118

00:07:18,000 --> 00:07:20,000

I can only imagine.

119

00:07:20,000 --> 00:07:23,000

One particular night I was kind of hanging out with this guy,

120

00:07:23,000 --> 00:07:25,000

Matthew, closer to the nurses' station.

121

00:07:25,000 --> 00:07:28,000

Think of it as going up to Lake Barkley.

122

00:07:28,000 --> 00:07:30,000

Oh, yeah. Pretty nice spot.

123

00:07:30,000 --> 00:07:32,000

It's good fishing.

124

00:07:32,000 --> 00:07:33,000

Great.

125

00:07:33,000 --> 00:07:35,000

There's nothing we can do.

126

00:07:35,000 --> 00:07:37,000

It almost sounded like a cat meowing,

127

00:07:37,000 --> 00:07:39,000

but it was like, whew!

128

00:07:39,000 --> 00:07:40,000

Yeah!

129

00:07:40,000 --> 00:07:42,000

Yeah!

130

00:07:51,000 --> 00:07:53,000

And then we got to listen, and it wasn't a cat,

131

00:07:53,000 --> 00:07:55,000

it was a baby.

132

00:07:57,000 --> 00:07:59,000

You hear that?

133

00:07:59,000 --> 00:08:01,000

It was more than one baby.

134

00:08:01,000 --> 00:08:04,000

It sounded like a room full of babies screaming.

135

00:08:04,000 --> 00:08:06,000

Baby, come on!

136

00:08:06,000 --> 00:08:08,000

Baby!

137

00:08:09,000 --> 00:08:12,000

Hold on, hold on, listen.

138

00:08:12,000 --> 00:08:15,000

Then you could hear it coming through that door.

139

00:08:17,000 --> 00:08:19,000

I tried to handle it in the office.

140

00:08:25,000 --> 00:08:27,000

But the door was locked.

141

00:08:27,000 --> 00:08:28,000

Stop.

142

00:08:28,000 --> 00:08:30,000

At the time I was working there,

143

00:08:30,000 --> 00:08:32,000

they didn't deliver babies at that hospital,

144

00:08:32,000 --> 00:08:34,000

but Kevin said that used to be maternity.

145

00:08:34,000 --> 00:08:36,000

Back in the day, I said,

146

00:08:36,000 --> 00:08:38,000

the nursery was.

147

00:08:39,000 --> 00:08:41,000

I really need a vacation.

148

00:08:41,000 --> 00:08:43,000

I hear that one.

149

00:08:57,000 --> 00:09:00,000

I've got this test I'm having to do.

150

00:09:00,000 --> 00:09:03,000

I had to put patient sample in the kit.

151

00:09:04,000 --> 00:09:06,000

And you had to watch to make sure

152

00:09:06,000 --> 00:09:09,000

that the sample absorbed into the kit.

153

00:09:33,000 --> 00:09:36,000

Out of the corner of my eyes, I saw a little bit of movement.

154

00:09:41,000 --> 00:09:44,000

I could see two shadows on the wall.

155

00:09:44,000 --> 00:09:49,000

My shadow and then right nearer to my shadow was another shadow.

156

00:09:57,000 --> 00:09:59,000

There's nobody in the lab.

157

00:10:04,000 --> 00:10:06,000

I can't explain this.

158

00:10:06,000 --> 00:10:08,000

I don't know how to explain this.

159

00:10:08,000 --> 00:10:11,000

I was really anxious to get out of there.

160

00:10:14,000 --> 00:10:16,000

That night scared me.

161

00:10:22,000 --> 00:10:24,000

After that night,

162

00:10:24,000 --> 00:10:27,000

I got an opportunity to go somewhere else and I took it.

163

00:10:33,000 --> 00:10:35,000

I was like,

164

00:10:35,000 --> 00:10:37,000

what's happening to me?

165

00:10:37,000 --> 00:10:39,000

I was like,

166

00:10:39,000 --> 00:10:41,000

what's happening to me?

167

00:10:41,000 --> 00:10:43,000

Oh my god, I believe...

168

00:11:03,000 --> 00:11:06,000

My father and I bought the Old South Pittsburgh Hospital.

169

00:11:07,000 --> 00:11:09,000

The hospital had been abandoned for several years.

170

00:11:09,000 --> 00:11:11,000

It had fallen into a state of disrepair

171

00:11:11,000 --> 00:11:14,000

and he was able to get it for a really good price.

172

00:11:17,000 --> 00:11:20,000

He decided to turn it into a storage facility.

173

00:11:22,000 --> 00:11:25,000

I became the general manager, caretaker of the property.

174

00:11:30,000 --> 00:11:32,000

The first time I ever walked into the building,

175

00:11:32,000 --> 00:11:34,000

it was very creepy.

176

00:12:02,000 --> 00:12:04,000

There was lots of beds all over the place.

177

00:12:04,000 --> 00:12:06,000

There was wheelchairs everywhere.

178

00:12:06,000 --> 00:12:08,000

Lots of trash everywhere.

179

00:12:21,000 --> 00:12:23,000

The place had a strange feeling about it.

180

00:12:23,000 --> 00:12:26,000

And I just have to keep telling myself this is just a building.

181

00:12:26,000 --> 00:12:28,000

That's all it is.

182

00:12:28,000 --> 00:12:30,000

It's just an old building.

183

00:12:30,000 --> 00:12:32,000

I couldn't wait any longer to tell myself

184

00:12:32,000 --> 00:12:37,000

that this building and being a real village

185

00:12:37,000 --> 00:12:39,000

are once and for all my memories.

186

00:12:50,000 --> 00:12:51,940

And ,

187

00:12:52,000 --> 00:12:55,000

the fourth thing I did was I didn't have any contacts

188

00:12:55,000 --> 00:13:00,200

I worked really, really hard for a couple of weeks in the building to get all the debris

189

00:13:00,200 --> 00:13:03,200

out, equipment moved.

190

00:13:03,200 --> 00:13:05,200

Watch this up there.

191

00:13:05,200 --> 00:13:06,200

Can you manage?

192

00:13:06,200 --> 00:13:07,200

Yeah.

193

00:13:07,200 --> 00:13:11,840

One afternoon, Charles and I, who's one of our workers, we were downstairs going through

194

00:13:11,840 --> 00:13:13,680

all these boxes that we had found.

195

00:13:13,680 --> 00:13:15,680

Besides, your dad did.

196

00:13:15,680 --> 00:13:17,680

He's doing really well, actually.

197

00:13:17,680 --> 00:13:19,680

That's a good deal.

198

00:13:19,680 --> 00:13:24,400

We're busy working away, and all of a sudden...

199

00:13:24,400 --> 00:13:30,600

We hear this phone ringing.

200

00:13:30,600 --> 00:13:32,600

But then it hits me.

201

00:13:32,600 --> 00:13:34,760

There's no phones there.

202

00:13:34,760 --> 00:13:36,440

There's none in the building.

203

00:13:36,440 --> 00:13:37,440

They're all gone.

204

00:13:37,440 --> 00:13:50,440

And I'm like, where is this coming from?

205

00:13:50,440 --> 00:14:03,680

It's just the old wires that are hanging out of the wall.

206

00:14:03,680 --> 00:14:08,280

I have no explanation where that phone was ringing at, because they had all been turned

207

00:14:08,280 --> 00:14:09,720

off and disconnected.

208

00:14:09,720 --> 00:14:13,000

Let's get back.

209

00:14:13,000 --> 00:14:20,080

I actually need to be honest about it.

210

00:14:20,080 --> 00:14:34,560

It scared the hell out of me.

211

00:14:34,560 --> 00:14:40,200

If you're there all by yourself and working by yourself, it's very easy to get spooked

212

00:14:40,200 --> 00:14:46,160

in that building.

213

00:14:46,160 --> 00:14:47,480

All of a sudden, I hear this sound.

214

00:14:47,480 --> 00:14:50,760

It's like a whoosh sound.

215

00:14:50,760 --> 00:15:10,180

So I stop what I'm doing, and I walk around the corner.

216

00:15:10,180 --> 00:15:16,620

And I happen to look up, and it was where a curtain used to be.

217

00:15:16,620 --> 00:15:19,420

The hooks were moving.

218

00:15:19,420 --> 00:15:20,420

They're swinging.

219

00:15:20,420 --> 00:15:26,100

They're just back and forth.

220

00:15:26,100 --> 00:15:27,460

There's no wind.

221

00:15:27,460 --> 00:15:36,980

No windows are open.

222

00:15:36,980 --> 00:15:45,220

I can't explain this.

223

00:15:45,220 --> 00:15:49,500

I could not make sense out of what was going on.

224

00:15:49,500 --> 00:16:00,580

But I was so busy and consumed in doing what I was doing that I just kept working.

225

00:16:00,580 --> 00:16:02,220

It started to get really cold.

226

00:16:02,220 --> 00:16:14,380

The temperature dropped, and as I'm walking around the corner, I stopped dead in my tracks.

227

00:16:14,380 --> 00:16:23,820

I noticed there's a puddle of water in the floor, and I look up.

228

00:16:23,820 --> 00:16:25,020

There's no busted pops.

229

00:16:25,020 --> 00:16:30,100

It's not raining outside, so I'm thinking, okay, where did this come from?

230

00:16:30,100 --> 00:16:37,580

As I get closer, I see something.

231

00:16:37,580 --> 00:16:39,780

Small wet footprints.

232

00:16:39,780 --> 00:16:41,700

These footprints were tiny.

233

00:16:41,700 --> 00:16:47,540

They look like the footprints of a really small child.

234

00:16:47,540 --> 00:16:54,220

I had to get out of the building.

235

00:16:54,220 --> 00:16:57,060

It scared the daylights out of me.

236

00:16:57,060 --> 00:16:58,580

I just wanted to out.

237

00:16:58,580 --> 00:17:04,100

I just ran down the hallway, down the stairs.

238

00:17:04,100 --> 00:17:13,460

I was running so fast that I almost fell in the hallway, and all of a sudden, I hear

239

00:17:13,460 --> 00:17:19,900

these phones ringing again.

240

00:17:19,900 --> 00:17:26,900

Like every phone in the hospital was going off at the same time.

241

00:17:26,900 --> 00:17:45,900

My head was just slammed back against the wall, so hard that it almost knocked me out.

242

00:17:45,900 --> 00:18:05,300

I realized then that I needed to get some help.

243

00:18:05,300 --> 00:18:25,620

One evening, my phone rang.

244

00:18:25,620 --> 00:18:30,300

She explained that her name was Stacy, and that she ran a hospital in South Pittsburgh,

245

00:18:30,300 --> 00:18:31,700

Tennessee.

246

00:18:31,700 --> 00:18:37,500

There was something that had absolutely shaken her to her core.

247

00:18:37,500 --> 00:18:41,340

She needed help.

248

00:18:41,340 --> 00:18:46,740

It is absolutely essential to do background research and to know what you are walking

249

00:18:46,740 --> 00:18:51,060

into.

250

00:18:51,060 --> 00:18:57,260

I type in South Pittsburgh Municipal Hospital, and all of a sudden, all these stories start

251

00:18:57,260 --> 00:18:59,220

popping up.

252

00:18:59,220 --> 00:19:05,100

Patients that had died there, how babies were not taken care of.

253

00:19:05,100 --> 00:19:08,060

There was a high mortality rate.

254

00:19:08,060 --> 00:19:16,220

There's so many different layers and stories to the hospital that I was blown away.

255

00:19:16,220 --> 00:19:20,700

If I was going to find out what was going on, I needed to see it with my own eyes.

256

00:19:20,700 --> 00:19:27,700

We were going to have to put a team together.

257

00:19:27,700 --> 00:19:34,700

Rowling, tape ID, day one, South Pittsburgh Municipal Hospital investigation.

258

00:19:34,700 --> 00:19:40,700

There's the rest of the team there.

259

00:19:40,700 --> 00:19:45,020

We're going to spend two nights here and set up our equipment and see if we can capture

260

00:19:45,020 --> 00:19:48,020

some of the things and see what's going on.

261

00:19:48,020 --> 00:19:51,020

How are you feeling there, Jim?

262

00:19:51,020 --> 00:19:52,020

I'm all nervous.

263

00:19:52,020 --> 00:19:53,020

It's going to be all right.

264

00:19:53,020 --> 00:19:54,020

I'll be right beside you.

265

00:19:54,020 --> 00:19:58,020

All right, Alex, let's go and meet the rest of the team here.

266

00:19:58,020 --> 00:20:00,020

What's going on?

267

00:20:00,020 --> 00:20:06,020

I've been with Shannon's paranormal group for about two and a half years now.

268

00:20:06,020 --> 00:20:10,020

You know, I'm one of those that always has a camera in my hand.

269

00:20:10,020 --> 00:20:15,020

All right, it's about 8.15, and we're here at the South Pittsburgh Hospital.

270

00:20:15,020 --> 00:20:18,020

I want to catch what's fixing to happen.

271

00:20:18,020 --> 00:20:20,020

This is the rest of the team behind me.

272

00:20:20,020 --> 00:20:22,020

Let's see how they're doing.

273

00:20:22,020 --> 00:20:24,020

Doing these investigations do give me a rush.

274

00:20:24,020 --> 00:20:27,020

This is Jennifer. She's new. Say hi, Jen.

275

00:20:27,020 --> 00:20:28,020

Hi.

276

00:20:28,020 --> 00:20:34,020

I had never in my life been on an investigation, and this was my very first one.

277

00:20:34,020 --> 00:20:37,020

That's Robin over there. She's a medium.

278

00:20:37,020 --> 00:20:44,020

I am a medium, but I'm also the historian and an investigator.

279

00:20:44,020 --> 00:20:46,020

Shannon didn't tell me anything about the place.

280

00:20:46,020 --> 00:20:49,020

She wanted me to experience everything firsthand.

281

00:20:49,020 --> 00:20:52,020

I was excited about it.

282

00:20:52,020 --> 00:20:55,020

Over here is a big shine.

283

00:20:55,020 --> 00:20:58,020

Here's our tech guy. How's it going, Shane?

284

00:20:58,020 --> 00:21:00,020

Okay.

285

00:21:00,020 --> 00:21:01,020

I'm the tech guy.

286

00:21:01,020 --> 00:21:03,020

I make sure everything we capture is recorded and everything.

287

00:21:03,020 --> 00:21:07,020

Make sure the camera is working properly and recorders are working properly.

288

00:21:07,020 --> 00:21:10,020

The hospital seemed very intriguing to me.

289

00:21:10,020 --> 00:21:14,020

I couldn't wait to get in there and see what we could find out.

290

00:21:14,020 --> 00:21:17,020

And last but not least, is our fearless leader, Shannon.

291

00:21:17,020 --> 00:21:20,020

Cody, can you stop that? Give us a hand.

292

00:21:20,020 --> 00:21:21,020

Come on.

293

00:21:21,020 --> 00:21:22,020

All right.

294

00:21:26,020 --> 00:21:31,020

I met the paranormal group just outside of the hospital.

295

00:21:31,020 --> 00:21:34,020

They wanted me to come in and show them around the building,

296

00:21:34,020 --> 00:21:39,020

but I told them no, that I was not going back in there until I knew what was going on.

297

00:21:39,020 --> 00:21:42,020

All right.

298

00:21:53,020 --> 00:21:55,020

We're setting up base camp.

299

00:21:55,020 --> 00:21:57,020

We're about to do a good job.

300

00:21:57,020 --> 00:21:59,020

See what they're up to?

301

00:21:59,020 --> 00:22:00,020

Okay.

302

00:22:00,020 --> 00:22:03,020

I'm just showing Shannon up to generate so we can have some lights working.

303

00:22:03,020 --> 00:22:09,020

We set up base camp at the nurses station on the second floor of the hospital.

304

00:22:12,020 --> 00:22:14,020

Hey, Robin, you getting in the zone?

305

00:22:14,020 --> 00:22:16,020

Not now, Cody.

306

00:22:16,020 --> 00:22:18,020

I need quiet.

307

00:22:18,020 --> 00:22:20,020

Sorry, Robin.

308

00:22:20,020 --> 00:22:22,020

Look at this place.

309

00:22:22,020 --> 00:22:23,020

So dirty.

310

00:22:23,020 --> 00:22:25,020

But I don't have to clean it up.

311

00:22:25,020 --> 00:22:28,020

And then through here is Jen.

312

00:22:28,020 --> 00:22:31,020

Jen's working on a little bit of a rest area.

313

00:22:31,020 --> 00:22:33,020

Hi, Jen.

314

00:22:33,020 --> 00:22:37,020

We had sleeping bags, water, flashlights, spare batteries,

315

00:22:37,020 --> 00:22:39,020

and we were here for the whole nine yards.

316

00:22:39,020 --> 00:22:43,020

Remember, make mine extra comfy and far away from shines.

317

00:22:43,020 --> 00:22:46,020

Got any of those mints you can leave on the pillow?

318

00:22:46,020 --> 00:22:48,020

I'll see what I can do.

319

00:22:48,020 --> 00:22:49,020

Thanks, Jen.

320

00:22:49,020 --> 00:22:54,020

We had six cameras, and I set them up at different vantage points throughout the whole hospital.

321

00:22:54,020 --> 00:22:58,020

Third floor of the basement, different corridors.

322

00:23:01,020 --> 00:23:04,020

I see you, the emergency room.

323

00:23:10,020 --> 00:23:13,020

I just wanted to make sure I had the whole building covered with cameras.

324

00:23:13,020 --> 00:23:15,020

Guys, go the lights.

325

00:23:18,020 --> 00:23:20,020

Switching over to non-vision.

326

00:23:20,020 --> 00:23:23,020

Make sure to check your K2 meter.

327

00:23:23,020 --> 00:23:24,020

It's working.

328

00:23:24,020 --> 00:23:27,020

A K2 meter essentially,

329

00:23:27,020 --> 00:23:29,020

is a very small, very small,

330

00:23:29,020 --> 00:23:31,020

and it's not a big problem.

331

00:23:31,020 --> 00:23:33,020

I'm not sure if it's a big problem,

332

00:23:33,020 --> 00:23:35,020

but I'm sure it's a big problem.

333

00:23:35,020 --> 00:23:37,020

I'm sure it's a big problem.

334

00:23:37,020 --> 00:23:39,020

I'm sure it's a big problem.

335

00:23:39,020 --> 00:23:40,020

It's working.

336

00:23:40,020 --> 00:23:42,020

A K2 meter essentially,

337

00:23:42,020 --> 00:23:47,020

looks for alterations in the electromagnetic field.

338

00:23:47,020 --> 00:23:51,020

Any changes in the EMF field could signify the presence of a spirit.

339

00:23:51,020 --> 00:23:54,020

Everybody, check the cameras.

340

00:23:54,020 --> 00:23:56,020

The last thing Shannon said was,

341

00:23:56,020 --> 00:23:59,020

stay together and keep your radios on.

342

00:24:04,020 --> 00:24:07,020

We began our initial sweep of the hospital.

343

00:24:09,020 --> 00:24:11,020

We left base camp,

344

00:24:11,020 --> 00:24:14,020

and we started to move across the second floor.

345

00:24:22,020 --> 00:24:24,020

Everyone feeling okay?

346

00:24:24,020 --> 00:24:25,020

Yeah.

347

00:24:25,020 --> 00:24:28,020

The hallways seem to go on forever.

348

00:24:28,020 --> 00:24:30,020

Everyone feeling okay?

349

00:24:30,020 --> 00:24:32,020

Yeah.

350

00:24:51,020 --> 00:24:54,020

The hallways seem to go on forever.

351

00:24:59,020 --> 00:25:01,020

I'm just gonna take it.

352

00:25:03,020 --> 00:25:05,020

Take it something up.

353

00:25:06,020 --> 00:25:07,020

What is it?

354

00:25:07,020 --> 00:25:09,020

I looked down at the K2 meter I was holding.

355

00:25:09,020 --> 00:25:11,020

There was lights going off on it.

356

00:25:14,020 --> 00:25:16,020

What is it, man?

357

00:25:21,020 --> 00:25:22,020

It's gone.

358

00:25:23,020 --> 00:25:25,020

Okay. Let's keep going, guys.

359

00:25:25,020 --> 00:25:27,020

Nice and slowly.

360

00:25:28,020 --> 00:25:29,020

Okay.

361

00:25:35,020 --> 00:25:37,020

Just watch your step a little bit.

362

00:25:38,020 --> 00:25:39,020

Oh, wow.

363

00:25:45,020 --> 00:25:47,020

God, it's 11-17.

364

00:25:48,020 --> 00:25:51,020

We in something that looks like a bag.

365

00:25:54,020 --> 00:25:56,020

Robert, come a little bit over here, will you?

366

00:25:58,020 --> 00:25:59,020

Thank you.

367

00:25:59,020 --> 00:26:00,020

Okay.

368

00:26:14,020 --> 00:26:15,020

What's that?

369

00:26:19,020 --> 00:26:20,020

Just bugs.

370

00:26:28,020 --> 00:26:30,020

I'm gonna go get it.

371

00:26:34,020 --> 00:26:36,020

My heart started racing.

372

00:26:37,020 --> 00:26:40,020

Robin, what are you feeling?

373

00:26:42,020 --> 00:26:44,020

It was a very nervous feeling.

374

00:26:44,020 --> 00:26:46,020

Guys, watch your back.

375

00:26:46,020 --> 00:26:49,020

I felt like something bad was about to happen.

376

00:26:49,020 --> 00:26:51,020

I can feel a presence here.

377

00:26:51,020 --> 00:26:53,020

What kind of presence?

378

00:26:54,020 --> 00:26:57,020

I'm not sure, but I'm definitely sensing something.

379

00:26:57,020 --> 00:26:59,020

It was just so overwhelming,

380

00:26:59,020 --> 00:27:01,020

and I was a little bit shaky,

381

00:27:01,020 --> 00:27:04,020

and that honestly had never happened to me anywhere else.

382

00:27:16,020 --> 00:27:19,020

Most of the time we're using the infrared lights.

383

00:27:19,020 --> 00:27:20,020

Night vision.

384

00:27:21,020 --> 00:27:24,020

I want you guys to turn off your flashlights

385

00:27:24,020 --> 00:27:26,020

and walk as quietly as possible.

386

00:27:26,020 --> 00:27:27,020

You got that?

387

00:27:27,020 --> 00:27:28,020

Yeah.

388

00:27:28,020 --> 00:27:30,020

Okay, stick together.

389

00:27:31,020 --> 00:27:33,020

So it's very dark.

390

00:27:33,020 --> 00:27:35,020

You're not knowing what you're seeing,

391

00:27:35,020 --> 00:27:37,020

what you're walking into.

392

00:27:50,020 --> 00:27:51,020

I'm sorry.

393

00:28:01,020 --> 00:28:02,020

Everybody in the piece?

394

00:28:02,020 --> 00:28:03,020

Just stay close.

395

00:28:03,020 --> 00:28:04,020

Jennifer, you okay?

396

00:28:04,020 --> 00:28:06,020

Yeah, yeah, it's okay.

397

00:28:21,020 --> 00:28:23,020

Shannon started choking.

398

00:28:23,020 --> 00:28:25,020

It was like she was having trouble breathing.

399

00:28:33,020 --> 00:28:36,020

I was worried there was something seriously wrong.

400

00:28:50,020 --> 00:28:52,020

I was worried.

401

00:28:57,020 --> 00:28:59,020

All of a sudden, it was gone,

402

00:28:59,020 --> 00:29:01,020

and I could breathe again.

403

00:29:01,020 --> 00:29:02,020

I'm ready.

404

00:29:11,020 --> 00:29:12,020

Robin?

405

00:29:12,020 --> 00:29:15,020

I realized that I didn't see Robin.

406

00:29:15,020 --> 00:29:16,020

Where's Robin?

407

00:29:18,020 --> 00:29:19,020

I don't know.

408

00:29:20,020 --> 00:29:22,020

Have you guys seen her?

409

00:29:22,020 --> 00:29:24,020

Have you guys seen Robin?

410

00:29:24,020 --> 00:29:26,020

I was so focused on Shannon,

411

00:29:26,020 --> 00:29:28,020

I didn't realize that Robin was missing.

412

00:29:30,020 --> 00:29:31,020

Robin?

413

00:29:50,020 --> 00:29:52,020

Shannon is choking.

414

00:29:52,020 --> 00:29:54,020

So I ran back to base camp to get her some water

415

00:29:54,020 --> 00:29:56,020

to see if that would help.

416

00:30:03,020 --> 00:30:05,020

I'm just kind of rumbling through everybody's stuff,

417

00:30:05,020 --> 00:30:07,020

trying to find a bottle of water.

418

00:30:20,020 --> 00:30:23,020

Suddenly, I hear this hissing sound behind my head.

419

00:30:50,020 --> 00:30:52,020

Robin, that should be going off on her own.

420

00:30:52,020 --> 00:30:54,020

Yeah, she's crazy chipped, man.

421

00:30:54,020 --> 00:30:56,020

A real free spirit.

422

00:30:56,020 --> 00:30:57,020

What?

423

00:30:57,020 --> 00:30:58,020

What is it?

424

00:30:58,020 --> 00:31:00,020

Did you hear that?

425

00:31:01,020 --> 00:31:04,020

Suddenly, I heard this dull creaking sound.

426

00:31:20,020 --> 00:31:22,020

I couldn't believe what I was seeing.

427

00:31:23,020 --> 00:31:25,020

The door just started to move on its own.

428

00:31:28,020 --> 00:31:29,020

Shannon,

429

00:31:30,020 --> 00:31:32,020

you gotta get down to the basement right now.

430

00:31:33,020 --> 00:31:35,020

You gotta see this.

431

00:31:50,020 --> 00:31:51,020

Shannon.

432

00:31:57,020 --> 00:32:00,020

We were in shock that this was happening.

433

00:32:01,020 --> 00:32:04,020

The door opening and closing repeatedly.

434

00:32:07,020 --> 00:32:09,020

How's it doing that?

435

00:32:11,020 --> 00:32:12,020

Is there a draft somewhere?

436

00:32:12,020 --> 00:32:13,020

Or a window?

437

00:32:16,020 --> 00:32:17,020

There's no windows.

438

00:32:18,020 --> 00:32:20,020

We're in the basement.

439

00:32:26,020 --> 00:32:27,020

Stop.

440

00:32:38,020 --> 00:32:40,020

All of a sudden, boom!

441

00:32:43,020 --> 00:32:46,020

These doors are just open and closing and slamming.

442

00:32:47,020 --> 00:32:48,020

I'm sorry.

443

00:32:59,020 --> 00:33:01,020

I think I hear a noise.

444

00:33:10,020 --> 00:33:12,020

I'm scared down here.

445

00:33:12,020 --> 00:33:14,020

I'm sure it'll be back.

446

00:33:21,020 --> 00:33:23,020

Okay, it's, uh,

447

00:33:23,020 --> 00:33:26,020

it's, uh, 21 minutes after midnight

448

00:33:26,020 --> 00:33:29,020

and, uh, down here in the basement.

449

00:33:29,020 --> 00:33:31,020

I could hear this motor.

450

00:33:31,020 --> 00:33:34,020

I could hear cables, you know, grinding.

451

00:33:39,020 --> 00:33:44,020

It's weird because, you know, there's no power in this place.

452

00:33:49,020 --> 00:33:51,020

I'm not sure if I can hear it.

453

00:33:53,020 --> 00:33:54,020

I don't know.

454

00:33:55,020 --> 00:33:56,020

I don't know.

455

00:33:56,020 --> 00:33:58,020

There's no power in this place.

456

00:33:59,020 --> 00:34:01,020

It's from the elevator.

457

00:34:12,020 --> 00:34:13,020

Cody?

458

00:34:15,020 --> 00:34:16,020

Cody?

459

00:34:23,020 --> 00:34:25,020

Are you okay?

460

00:34:26,020 --> 00:34:28,020

How's your arm, Pamela?

461

00:34:28,020 --> 00:34:29,020

I just feel ill.

462

00:34:29,020 --> 00:34:31,020

I feel like I'm spitted.

463

00:34:31,020 --> 00:34:32,020

Stay.

464

00:34:33,020 --> 00:34:35,020

Shannon said she was starting to feel very light-headed.

465

00:34:35,020 --> 00:34:37,020

She had to sit down.

466

00:34:51,020 --> 00:34:52,020

I'm supposed to stick together, man.

467

00:34:52,020 --> 00:34:53,020

Quit screwing around.

468

00:34:53,020 --> 00:34:54,020

It's alright.

469

00:34:54,020 --> 00:34:56,020

It's checking out a noise that I heard.

470

00:34:56,020 --> 00:34:58,020

Won't happen again.

471

00:35:08,020 --> 00:35:11,020

I saw a figure standing behind Robin.

472

00:35:11,020 --> 00:35:13,020

I was absolutely terrified.

473

00:35:24,020 --> 00:35:26,020

Yeah!

474

00:35:29,020 --> 00:35:31,020

Come on, guys!

475

00:35:37,020 --> 00:35:39,020

Come on. Let's go.

476

00:35:39,020 --> 00:35:41,020

Come on, guys. Let's go. Let's go.

477

00:35:41,020 --> 00:35:43,020

Let's go. Let's go.

478

00:35:43,020 --> 00:35:45,020

What the hell was that?

479

00:35:45,020 --> 00:35:47,020

Oh, my goodness.

480

00:35:51,020 --> 00:35:53,020

Robin, are you okay?

481

00:35:53,020 --> 00:35:55,020

I just want to tell you.

482

00:35:55,020 --> 00:35:56,020

I think I need to lie down.

483

00:35:56,020 --> 00:35:57,020

Okay.

484

00:35:57,020 --> 00:35:58,020

Okay.

485

00:35:58,020 --> 00:36:00,020

Robin didn't look well at all.

486

00:36:00,020 --> 00:36:01,020

She was pale.

487

00:36:01,020 --> 00:36:03,020

She was sweaty and shaky.

488

00:36:09,020 --> 00:36:10,020

I'm sorry.

489

00:36:10,020 --> 00:36:11,020

I'm sorry.

490

00:36:11,020 --> 00:36:13,020

I'm sorry.

491

00:36:24,020 --> 00:36:26,020

I felt physically drained.

492

00:36:26,020 --> 00:36:27,020

I was in pain.

493

00:36:27,020 --> 00:36:29,020

I felt horrible.

494

00:36:33,020 --> 00:36:34,020

Look at me.

495

00:36:34,020 --> 00:36:36,020

I'm going to be right in the other room.

496

00:36:36,020 --> 00:36:37,020

Okay?

497

00:36:37,020 --> 00:36:38,020

Okay.

498

00:36:38,020 --> 00:36:39,020

Alright.

499

00:36:39,020 --> 00:36:41,020

Okay, just breathe in.

500

00:36:41,020 --> 00:36:42,020

Okay.

501

00:36:43,020 --> 00:36:44,020

I'm so tired.

502

00:36:44,020 --> 00:36:45,020

Okay.

503

00:36:47,020 --> 00:36:49,020

We're right by Robin.

504

00:36:58,020 --> 00:37:00,020

We talked about what we should do next.

505

00:37:00,020 --> 00:37:03,020

I really don't think we should stay here any longer.

506

00:37:03,020 --> 00:37:04,020

What?

507

00:37:04,020 --> 00:37:06,020

We can't leave yet. It's just getting good.

508

00:37:06,020 --> 00:37:08,020

It actually made me more excited.

509

00:37:08,020 --> 00:37:10,020

You know, it actually made me want to stay.

510

00:37:10,020 --> 00:37:12,020

What do you think, Shin?

511

00:37:12,020 --> 00:37:14,020

We should have just left then.

512

00:37:14,020 --> 00:37:16,020

We should have packed everything up.

513

00:37:16,020 --> 00:37:17,020

We should have gotten in the car.

514

00:37:17,020 --> 00:37:19,020

And we just should have left.

515

00:37:20,020 --> 00:37:22,020

I think we should stay.

516

00:37:33,020 --> 00:37:36,020

I felt what felt like two hands

517

00:37:36,020 --> 00:37:38,020

kind of go into my back

518

00:37:38,020 --> 00:37:42,020

and just squeeze just as hard as it could.

519

00:38:06,020 --> 00:38:08,020

I'm trying to get into Robin.

520

00:38:12,020 --> 00:38:13,020

So I'm banging on the door

521

00:38:13,020 --> 00:38:15,020

and I'm trying to get into Robin.

522

00:38:22,020 --> 00:38:23,020

Robin?

523

00:38:23,020 --> 00:38:24,020

Oh my God.

524

00:38:25,020 --> 00:38:26,020

Robin, what's going on?

525

00:38:26,020 --> 00:38:27,020

What's going on?

526

00:38:27,020 --> 00:38:28,020

Are you okay?

527

00:38:28,020 --> 00:38:29,020

Let's go.

528

00:38:29,020 --> 00:38:31,020

There was something really, really wrong with Robin.

529

00:38:31,020 --> 00:38:32,020

I'm not sure.

530

00:38:32,020 --> 00:38:33,020

I'm not sure.

531

00:38:33,020 --> 00:38:34,020

I'm not sure.

532

00:38:34,020 --> 00:38:36,020

There was something really, really wrong with Robin.

533

00:38:36,020 --> 00:38:38,020

It frightened me to see Robin like that.

534

00:38:38,020 --> 00:38:40,020

I just didn't know what happened to her.

535

00:38:40,020 --> 00:38:42,020

Come on, come on.

536

00:38:42,020 --> 00:38:43,020

Let's go.

537

00:38:43,020 --> 00:38:44,020

Alright, come on.

538

00:38:44,020 --> 00:38:45,020

Come on.

539

00:38:51,020 --> 00:38:53,020

Okay, this way, guys.

540

00:38:53,020 --> 00:38:55,020

What's up, guys?

541

00:38:55,020 --> 00:38:56,020

Come on away.

542

00:38:56,020 --> 00:38:57,020

Come on, come on.

543

00:38:59,020 --> 00:39:00,020

I scooped her up

544

00:39:00,020 --> 00:39:02,020

and put her in one of the old wheelchairs.

545

00:39:05,020 --> 00:39:07,020

Come on, come on.

546

00:39:07,020 --> 00:39:08,020

Come on, come on.

547

00:39:08,020 --> 00:39:09,020

Come on, come on.

548

00:39:09,020 --> 00:39:10,020

I'm bleeding.

549

00:39:10,020 --> 00:39:11,020

Oh my God.

550

00:39:11,020 --> 00:39:12,020

What?

551

00:39:12,020 --> 00:39:13,020

Oh my God.

552

00:39:13,020 --> 00:39:14,020

Oh my God.

553

00:39:14,020 --> 00:39:16,020

That's a lot of blood.

554

00:39:20,020 --> 00:39:22,020

All of a sudden, I just hear

555

00:39:22,020 --> 00:39:26,020

this absolute terrible blood curdling scream.

556

00:39:26,020 --> 00:39:30,020

There was this piercing scream

557

00:39:30,020 --> 00:39:32,020

that just echoed around the room.

558

00:39:34,020 --> 00:39:36,020

We rushed her down the hallways.

559

00:39:52,020 --> 00:39:54,020

Come on, come on.

560

00:39:54,020 --> 00:39:56,020

Come on, come on.

561

00:39:58,020 --> 00:39:59,020

Come on.

562

00:39:59,020 --> 00:40:00,020

Watch it, watch it.

563

00:40:00,020 --> 00:40:01,020

There's a water.

564

00:40:01,020 --> 00:40:02,020

Go.

565

00:40:15,020 --> 00:40:19,020

It was absolutely a huge relief

566

00:40:19,020 --> 00:40:21,020

once we got out of that hospital.

567

00:40:21,020 --> 00:40:22,020

Come on, girl.

568

00:40:31,020 --> 00:40:34,020

We took Robin to the nearest hospital.

569

00:40:39,020 --> 00:40:41,020

The doctor pulled me to the side

570

00:40:41,020 --> 00:40:43,020

and he asked me repeatedly

571

00:40:43,020 --> 00:40:45,020

had Robin been in a car wreck?

572

00:40:45,020 --> 00:40:46,020

No.

573

00:40:47,020 --> 00:40:48,020

Well, I think she's suffering

574

00:40:48,020 --> 00:40:50,020

from some form of internal trauma.

575

00:40:50,020 --> 00:40:52,020

The doctor said that her internal organs

576

00:40:52,020 --> 00:40:53,020

had been crushed.

577

00:40:53,020 --> 00:40:55,020

We were just blown away by that.

578

00:40:55,020 --> 00:40:57,020

She's got these massive internal injuries

579

00:40:57,020 --> 00:40:59,020

and she hasn't been in any kind of accident.

580

00:41:02,020 --> 00:41:04,020

They needed to contact her family

581

00:41:04,020 --> 00:41:05,020

because there was a chance

582

00:41:05,020 --> 00:41:06,020

that Robin might not pull through.

583

00:41:21,020 --> 00:41:24,020

The doctors couldn't figure it out.

584

00:41:24,020 --> 00:41:26,020

They had three different cardiologists

585

00:41:26,020 --> 00:41:28,020

come in trying to understand

586

00:41:28,020 --> 00:41:30,020

why all the arteries in my abdomen

587

00:41:30,020 --> 00:41:32,020

had collapsed just suddenly

588

00:41:32,020 --> 00:41:34,020

with no trauma and no illness.

589

00:41:34,020 --> 00:41:36,020

It shouldn't have happened.

590

00:41:38,020 --> 00:41:41,020

Robin's recovery was an absolute miracle.

591

00:41:41,020 --> 00:41:44,020

The bleeding had just miraculously stopped

592

00:41:44,020 --> 00:41:48,020

and from there, there was a huge relief.

593

00:41:51,020 --> 00:41:57,020

I used to think of that hospital

594

00:41:57,020 --> 00:41:59,020

as being evil,

595

00:41:59,020 --> 00:42:02,020

but knowing what I know now about it,

596

00:42:02,020 --> 00:42:04,020

I don't really feel that way anymore.

597

00:42:11,020 --> 00:42:14,020

There's impressions of grief

598

00:42:14,020 --> 00:42:20,020

and such pain and sorrow and death.

599

00:42:27,020 --> 00:42:30,020

And anytime that's going to happen in a spot,

600

00:42:30,020 --> 00:42:32,020

it's going to leave an impression.
