[Applause]

5
00:00:30,870 --> 00:00:28,500
case number a 0-0 3-1 Sasquatch

6
00:00:32,850 --> 00:00:30,880
incidents in North Georgia I don't like

7
00:00:34,950 --> 00:00:32,860
the term researcher so I would say I'm a

8
00:00:36,690 --> 00:00:34,960
Bigfoot enthusiast who has read a ton of

9
00:00:38,790 --> 00:00:36,700
books on the topic seen every

10
00:00:40,799 --> 00:00:38,800
documentary listen to many Sasquatch

11
00:00:43,410 --> 00:00:40,809
podcasts and have backpacked into what I

12
00:00:45,110 --> 00:00:43,420
consider a very active area haven't seen

13
00:00:47,490 --> 00:00:45,120

a creature but I had two unbelievable

14

00:00:49,560 --> 00:00:47,500

experiences this year the first

15

00:00:51,900 --> 00:00:49,570

experience happened at a campground I

16

00:00:54,060 --> 00:00:51,910

was awakened at around 4:00 a.m. by a

17

00:00:55,860 --> 00:00:54,070

pack of howling coyotes about three

18

00:00:57,299 --> 00:00:55,870

seconds after the coyotes started

19

00:00:59,250 --> 00:00:57,309

howling all of a sudden this roaring

20

00:01:01,350 --> 00:00:59,260

Yahoo type of scream that sounded like

21

00:01:03,810 --> 00:01:01,360

it was coming from all sides completely

22

00:01:05,490 --> 00:01:03,820

drowned out the Coyotes it was so loud

23

00:01:07,110 --> 00:01:05,500

and powerful that I could feel the

24

00:01:09,300 --> 00:01:07,120

vibrations coming up through the ground

25

00:01:11,460 --> 00:01:09,310

through my sleeping bag clearly nothing

26

00:01:13,320 --> 00:01:11,470

I've ever heard before I've heard other

27

00:01:15,300 --> 00:01:13,330

people describe a loud roaring Yahoo

28

00:01:16,800 --> 00:01:15,310

sound with these creatures coupled with

29

00:01:18,510 --> 00:01:16,810

the fact that I have studied this

30

00:01:21,390 --> 00:01:18,520

mystery for so long I knew right away

31

00:01:23,130 --> 00:01:21,400

that had to be a Bigfoot this Yahoo roar

32

00:01:24,810 --> 00:01:23,140

was so loud that the creature couldn't

33

00:01:26,670 --> 00:01:24,820

have been more than a hundred yards for

34

00:01:28,709 --> 00:01:26,680

me which is a little strange in itself

35

00:01:30,779 --> 00:01:28,719

because one side of the campground is a

36

00:01:32,670 --> 00:01:30,789

pretty busy road but nonetheless the

37

00:01:34,770 --> 00:01:32,680

area in general of this campground is

38

00:01:36,569 --> 00:01:34,780

surrounded by forests the second

39

00:01:39,090 --> 00:01:36,579

experience happened thirty days later

40

00:01:41,669 --> 00:01:39,100

once again not far from where the first

41

00:01:43,440 --> 00:01:41,679

experience had occurred this time I was

42

00:01:45,090 --> 00:01:43,450

staying at a second campground that was

43

00:01:47,700 --> 00:01:45,100

much more secluded and deeper in the

44

00:01:49,950 --> 00:01:47,710

forest in North Georgia it was around 6

45

00:01:51,660 --> 00:01:49,960

p.m. I and other campers were standing

46

00:01:53,340 --> 00:01:51,670

around talking about some of the hiking

47

00:01:55,260 --> 00:01:53,350

we had done earlier that day other

48

00:01:56,399 --> 00:01:55,270

people were out and about getting their

49

00:01:58,770 --> 00:01:56,409

campfire started

50

00:02:00,690 --> 00:01:58,780

also there was a campground host who was

51
00:02:02,910 --> 00:02:00,700
walking around introducing himself with

52
00:02:05,550 --> 00:02:02,920
a clipboard making sure people had paid

53
00:02:07,410 --> 00:02:05,560
and also joined in the conversations it

54
00:02:09,270 --> 00:02:07,420
was at this time that all of a sudden

55
00:02:10,889 --> 00:02:09,280
roughly 50 yards uphill on a ridge

56
00:02:13,260 --> 00:02:10,899
overlooking the campground that tree

57
00:02:14,880 --> 00:02:13,270
comes crashing down moments after the

58
00:02:16,710 --> 00:02:14,890
tree had hit the ground I and all the

59
00:02:18,960 --> 00:02:16,720
others that were standing around talking

60
00:02:21,030 --> 00:02:18,970
heard what can only be described as a

61
00:02:22,380 --> 00:02:21,040
loud guttural grunt the kind of grunt

62
00:02:25,020 --> 00:02:22,390
you would hear out of a silverback

63
00:02:26,610 --> 00:02:25,030

gorilla all of us were startled and were

64

00:02:28,290 --> 00:02:26,620

asking each other what the heck crashed

65

00:02:30,480 --> 00:02:28,300

that tree and then made that deep

66

00:02:32,070 --> 00:02:30,490

guttural grunt sound one of the other

67

00:02:34,350 --> 00:02:32,080

campers even mentioned that it was

68

00:02:36,180 --> 00:02:34,360

probably a Bigfoot the other campers

69

00:02:38,050 --> 00:02:36,190

laughed but I didn't think it was too

70

00:02:40,089 --> 00:02:38,060

funny because if one of those

71

00:02:41,940 --> 00:02:40,099

was nearby who he possibly could be

72

00:02:43,990 --> 00:02:41,950

looking at a very dangerous situation

73

00:02:46,300 --> 00:02:44,000

thankfully nothing happened after that

74

00:02:48,640 --> 00:02:46,310

but here is where the story gets really

75

00:02:50,949 --> 00:02:48,650

weird at the back of this campground is

76

00:02:52,650 --> 00:02:50,959

a dirt road this road can be used for

77

00:02:55,150 --> 00:02:52,660

hiking or travel during hunting season

78

00:02:56,949 --> 00:02:55,160

one of my favorite things to do when I'm

79

00:02:59,229 --> 00:02:56,959

backpacking or camping is to wake up

80

00:03:01,720 --> 00:02:59,239

early get a fire going and have me a

81

00:03:04,030 --> 00:03:01,730

nice hot cup of coffee I got up that

82

00:03:06,339 --> 00:03:04,040

morning around 6:00 a.m. got my fire

83

00:03:08,020 --> 00:03:06,349

going and fresh coffee made as I'm

84

00:03:09,910 --> 00:03:08,030

sipping on my coffee out of the dirt

85

00:03:12,190 --> 00:03:09,920

road at the back of the campground comes

86

00:03:13,840 --> 00:03:12,200

this white SUV completely blacked out

87

00:03:16,270 --> 00:03:13,850

with a big huge sticker of a paddy

88

00:03:17,890 --> 00:03:16,280

silhouette stuck to the back window me

89

00:03:19,479 --> 00:03:17,900

being the believer in the existence of

90

00:03:21,820 --> 00:03:19,489

these creatures have a few similar

91

00:03:23,410 --> 00:03:21,830

stickers on my back window so I took

92

00:03:26,289 --> 00:03:23,420

what I was seeing is a friendly visit

93

00:03:28,420 --> 00:03:26,299

from a fellow Bigfoot enthusiast I took

94

00:03:30,220 --> 00:03:28,430

it upon myself to casually walk up and

95

00:03:31,839 --> 00:03:30,230

say hello and see if there was anything

96

00:03:34,000 --> 00:03:31,849

we could talk about regarding any

97

00:03:36,009 --> 00:03:34,010

creature activity in the area as I

98

00:03:38,410 --> 00:03:36,019

approached the driver of the SUV rolled

99

00:03:40,690 --> 00:03:38,420

his window down about half way and I

100

00:03:42,880 --> 00:03:40,700

immediately noticed something odd first

101
00:03:45,009 --> 00:03:42,890
there were two guys in the SUV and they

102
00:03:47,259 --> 00:03:45,019
were both dressed in full tacked to

103
00:03:49,150 --> 00:03:47,269
ar-15s on a gun rack at the back of the

104
00:03:50,530 --> 00:03:49,160
Interior with both gentlemen having

105
00:03:52,569 --> 00:03:50,540
military-style boots

106
00:03:54,729 --> 00:03:52,579
pistols at the ankles black beanies and

107
00:03:56,530 --> 00:03:54,739
sunglasses I mean these guys were

108
00:03:58,420 --> 00:03:56,540
completely decked out like a law

109
00:04:00,729 --> 00:03:58,430
enforcement would be but there was no

110
00:04:01,569 --> 00:04:00,739
badge just complete tactical dress from

111
00:04:03,370 --> 00:04:01,579
head to toe

112
00:04:05,620 --> 00:04:03,380
I then playfully asked are you guys

113
00:04:07,930 --> 00:04:05,630

looking for Bigfoot the driver of the

114

00:04:10,120 --> 00:04:07,940

SUV then said to me why do you ask

115

00:04:11,920 --> 00:04:10,130

I replied I see the Bigfoot sticker at

116

00:04:13,539 --> 00:04:11,930

the back of your vehicle I have a couple

117

00:04:16,120 --> 00:04:13,549

of those on the back window of my car

118

00:04:18,190 --> 00:04:16,130

also the reply I received is very

119

00:04:19,900 --> 00:04:18,200

strange the driver just looked at me

120

00:04:21,849 --> 00:04:19,910

without saying anything and then the

121

00:04:23,650 --> 00:04:21,859

passenger guy in a very stuttering kind

122

00:04:25,990 --> 00:04:23,660

of manner said it's just a practical

123

00:04:27,940 --> 00:04:26,000

joke sticker from my girlfriend after

124

00:04:29,650 --> 00:04:27,950

that response the driver then stepped on

125

00:04:31,870 --> 00:04:29,660

the gas and out of the campground they

126

00:04:33,490 --> 00:04:31,880

went I just find it odd that there is a

127

00:04:35,469 --> 00:04:33,500

perfectly healthy tree pushed over

128

00:04:37,180 --> 00:04:35,479

followed by a gorilla like grunt and

129

00:04:39,100 --> 00:04:37,190

then these two tactical possible

130

00:04:41,529 --> 00:04:39,110

military guys show up the next morning

131

00:04:43,690 --> 00:04:41,539

out of nowhere driving a blacked-out SUV

132

00:04:46,029 --> 00:04:43,700

with an oversized Sasquatch sticker on

133

00:04:49,640 --> 00:04:46,039

the back window very very odd in my

134

00:04:55,939 --> 00:04:53,060

case number a zero zero three two kerbin

135

00:04:58,219 --> 00:04:55,949

Bigfoot in Chico California I found you

136

00:05:00,740 --> 00:04:58,229

through a Google search I also contacted

137

00:05:02,900 --> 00:05:00,750

someone local but they never got back to

138

00:05:05,900 --> 00:05:02,910

me maybe you can explain what I

139

00:05:07,400 --> 00:05:05,910

witnessed on Sunday December 16th my

140

00:05:10,010 --> 00:05:07,410

wife and I were driving through a

141

00:05:12,200 --> 00:05:10,020

residential area in Chico it was around

142

00:05:14,510 --> 00:05:12,210

11 p.m. and we had been visiting a

143

00:05:16,700 --> 00:05:14,520

friend for the holidays I'm not very

144

00:05:19,010 --> 00:05:16,710

familiar with the area but at the time

145

00:05:21,499 --> 00:05:19,020

we were on Vallum brosef Avenue on the

146

00:05:23,210 --> 00:05:21,509

left there is a wooded park we had just

147

00:05:25,189 --> 00:05:23,220

driven under the Golden State highway

148

00:05:27,050 --> 00:05:25,199

overpass when suddenly a large dark

149

00:05:29,390 --> 00:05:27,060

man-like creature leaped out from the

150

00:05:31,400 --> 00:05:29,400

woods onto the road I quickly stopped

151
00:05:33,770 --> 00:05:31,410
the car as my tires screeched on the

152
00:05:35,750 --> 00:05:33,780
roadway this creature was massive and

153
00:05:38,270 --> 00:05:35,760
had dark hair all over its body

154
00:05:40,820 --> 00:05:38,280
I don't know how wide the road is but it

155
00:05:42,439 --> 00:05:40,830
was across in three large leaps as it

156
00:05:44,990 --> 00:05:42,449
reached the north side of the road it

157
00:05:46,939 --> 00:05:45,000
turned and looked directly at us my wife

158
00:05:49,370 --> 00:05:46,949
was terrified and crouched down in her

159
00:05:51,589 --> 00:05:49,380
seat I caught a brief golden coloured

160
00:05:53,390 --> 00:05:51,599
reflection from its eyes I hit the

161
00:05:56,330 --> 00:05:53,400
accelerator and quickly continued

162
00:05:57,830 --> 00:05:56,340
driving I had driven about 100 yards or

163
00:05:59,900 --> 00:05:57,840

so when I noticed that either this

164

00:06:01,640 --> 00:05:59,910

creature was keeping pace with me or

165

00:06:03,710 --> 00:06:01,650

that I passed another similar creature

166

00:06:06,140 --> 00:06:03,720

on my left side crouched down by the

167

00:06:07,969 --> 00:06:06,150

road I still think that this was another

168

00:06:09,649 --> 00:06:07,979

creature because it looked smaller in

169

00:06:12,020 --> 00:06:09,659

size than the creature I witnessed

170

00:06:14,450 --> 00:06:12,030

previously by this time I was very

171

00:06:16,279 --> 00:06:14,460

concerned and scared I was hoping that

172

00:06:18,050 --> 00:06:16,289

there would be no traffic lights until

173

00:06:20,570 --> 00:06:18,060

we reached the turnoff to get onto the

174

00:06:22,339 --> 00:06:20,580

highway I live about 80 mile north of

175

00:06:24,379 --> 00:06:22,349

Chico in an area where there have been a

176

00:06:26,360 --> 00:06:24,389

few Bigfoot reports but I have never

177

00:06:28,790 --> 00:06:26,370

heard of any in Chico let alone in a

178

00:06:30,860 --> 00:06:28,800

residential location I talked to my

179

00:06:32,659 --> 00:06:30,870

friend in Chico and he said that there

180

00:06:35,689 --> 00:06:32,669

was a sighting in his area back in the

181

00:06:37,279 --> 00:06:35,699

1990's but nothing recent most of the

182

00:06:39,680 --> 00:06:37,289

sightings in his County Butte County

183

00:06:42,290 --> 00:06:39,690

have been in an area 30 miles southeast

184

00:06:45,020 --> 00:06:42,300

of Chico near Lake Oroville I checked

185

00:06:47,420 --> 00:06:45,030

out the BFRO website and verified what

186

00:06:49,250 --> 00:06:47,430

my friend said I know that we witnessed

187

00:06:50,420 --> 00:06:49,260

something that night and I think that

188

00:06:52,490 --> 00:06:50,430

there were more than one of these

189

00:06:57,239 --> 00:06:52,500

creatures roaming around I would

190

00:07:03,389 --> 00:07:00,839

base number a zero zero 3-3 Sask which

191

00:07:06,209 --> 00:07:03,399

or something else was out rabbit hunting

192

00:07:09,179 --> 00:07:06,219

between the hours of 2130 CDT to about

193

00:07:11,579 --> 00:07:09,189

23 15 CDT on a farm outside of Maude

194

00:07:13,799 --> 00:07:11,589

Oklahoma it was a clear and cold night

195

00:07:15,929 --> 00:07:13,809

with a quarter moon out I was armed with

196

00:07:19,409 --> 00:07:15,939

an a pump-action tactical shotgun and a

197

00:07:22,049 --> 00:07:19,419

Kimber five inches 45 Cal pistol along

198

00:07:24,749 --> 00:07:22,059

with about 100 rounds of 45 and 45

199

00:07:26,699 --> 00:07:24,759

shotgun rounds both weapons are equipped

200

00:07:30,119 --> 00:07:26,709

with high-end white lights upon

201
00:07:32,369 --> 00:07:30,129
returning to my home about 23 15 CDT I

202
00:07:34,589 --> 00:07:32,379
walked up on my patio which is about 5

203
00:07:36,269 --> 00:07:34,599
feet off the ground when I saw a large

204
00:07:38,819 --> 00:07:36,279
human-like figure that was bigger than

205
00:07:40,709 --> 00:07:38,829
any man I ever saw I used the surefire

206
00:07:43,049 --> 00:07:40,719
white light on my shotgun to see better

207
00:07:45,839 --> 00:07:43,059
do the light fog I could only see about

208
00:07:47,639 --> 00:07:45,849
25 feet with the light the creature was

209
00:07:49,769 --> 00:07:47,649
out in the open enough to see an outline

210
00:07:52,139 --> 00:07:49,779
of the figure I had seen all my animals

211
00:07:53,879 --> 00:07:52,149
act unusual prior a feeling of being

212
00:07:56,099 --> 00:07:53,889
watched at hours of darkness on more

213
00:07:58,559 --> 00:07:56,109

than once the figure was watching me and

214

00:08:00,569 --> 00:07:58,569

made eye contact it was very large and

215

00:08:03,089 --> 00:08:00,579

close to seven to eight feet tall was

216

00:08:05,339 --> 00:08:03,099

very stocky built would guess over 400

217

00:08:07,619 --> 00:08:05,349

pounds the figure seemed in white that I

218

00:08:10,219 --> 00:08:07,629

pointed my shotgun at it seemed to have

219

00:08:12,479 --> 00:08:10,229

no fear of near my animals my dog

220

00:08:15,179 --> 00:08:12,489

military-trained cowered down and would

221

00:08:17,279 --> 00:08:15,189

not respond to commands I did contact a

222

00:08:20,249 --> 00:08:17,289

Bigfoot team that showed up within 72

223

00:08:23,039 --> 00:08:20,259

hours of this no evidence was found no

224

00:08:25,499 --> 00:08:23,049

footprints hair nothing I did experience

225

00:08:27,659 --> 00:08:25,509

some lapse in memory thereafter I am a

226

00:08:29,639 --> 00:08:27,669

retired Special Forces sniper with ten

227

00:08:32,219 --> 00:08:29,649

years experience and three tours in Iraq

228

00:08:34,170 --> 00:08:32,229

including the Iraq invasion with the 3rd

229

00:08:36,569 --> 00:08:34,180

Infantry Division on the front lines I

230

00:08:38,819 --> 00:08:36,579

have no knowledge after all I seen and

231

00:08:40,619 --> 00:08:38,829

done to describe this figure I do need

232

00:08:42,509 --> 00:08:40,629

to be kept out of any public report

233

00:08:43,799 --> 00:08:42,519

because of my background and security

234

00:08:46,049 --> 00:08:43,809

clearance with the military

235

00:08:48,540 --> 00:08:46,059

I just want answers and will provide

236

00:08:49,920 --> 00:08:48,550

full cooperation in person the biggest

237

00:08:52,019 --> 00:08:49,930

thing that bothers me is the lack of

238

00:08:54,869 --> 00:08:52,029

fear from the figure and my fear back I

239

00:08:58,160 --> 00:08:54,879

fear very little in life just want to

240

00:09:04,610 --> 00:09:01,550

case a 0 0 of 3-4 Gami or island

241

00:09:07,220 --> 00:09:04,620

sasquatch in 1973 I had one of my

242

00:09:09,170 --> 00:09:07,230

dearest experiences it was on gammy our

243

00:09:11,480 --> 00:09:09,180

island located in how sound near

244

00:09:13,670 --> 00:09:11,490

Vancouver British Columbia on the south

245

00:09:16,160 --> 00:09:13,680

end of Gambia or three bays when called

246

00:09:17,930 --> 00:09:16,170

Center Bay my parents said I had tied up

247

00:09:20,269 --> 00:09:17,940

to appear on a weekday when no one else

248

00:09:21,920 --> 00:09:20,279

was around during the afternoon I had

249

00:09:24,170 --> 00:09:21,930

gone up to an old house that was in

250

00:09:25,790 --> 00:09:24,180

ruins as I was checking out the back of

251
00:09:28,129 --> 00:09:25,800
the house I heard three wounds from the

252
00:09:30,350 --> 00:09:28,139
bush right behind me thinking it was my

253
00:09:32,360 --> 00:09:30,360
dad playing jokes on me or bear I walked

254
00:09:34,670 --> 00:09:32,370
away whatever it was could have reached

255
00:09:36,350 --> 00:09:34,680
out and grabbed my shoulder when dark

256
00:09:38,540 --> 00:09:36,360
came I couldn't see more than a few feet

257
00:09:40,280 --> 00:09:38,550
in front of me I heard something on the

258
00:09:42,710 --> 00:09:40,290
shore the same lose that I heard earlier

259
00:09:44,810 --> 00:09:42,720
in the day I called dad out to the back

260
00:09:46,910 --> 00:09:44,820
of the boat for several minutes we heard

261
00:09:49,250 --> 00:09:46,920
something splashing in the water having

262
00:09:51,079 --> 00:09:49,260
a great time in doing so a few years

263
00:09:53,780 --> 00:09:51,089

later I posted this encounter on a

264

00:09:55,340 --> 00:09:53,790

Bigfoot email subscription list similar

265

00:09:56,720 --> 00:09:55,350

encounters happened on either Mount

266

00:09:58,819 --> 00:09:56,730

Shasta Mount Vernon

267

00:10:00,949 --> 00:09:58,829

apparently it's a sasquatch his way of

268

00:10:02,630 --> 00:10:00,959

letting people know it is around since

269

00:10:04,819 --> 00:10:02,640

that night on gammy our Island I've

270

00:10:06,889 --> 00:10:04,829

heard several species of wildlife from

271

00:10:09,259 --> 00:10:06,899

Kruger to wolf to black bear to deer elk

272

00:10:10,970 --> 00:10:09,269

moose and caribou what I heard that

273

00:10:16,100 --> 00:10:10,980

night was none of the above but was

274

00:10:19,040 --> 00:10:16,110

distinctly ape-like Braham this is lawn

275

00:10:20,630 --> 00:10:19,050

Strickler if you like this program it

276

00:10:23,329 --> 00:10:20,640

would help us if you would give it a

279

00:10:33,079 --> 00:10:30,000

we upload new first-person encounters we

280

00:10:35,720 --> 00:10:33,089

have many more to come very soon and by
