case a 0-0 4-1

8  
00:00:36,369 --> 00:00:34,550  
my alien protector it was 1994 or 1995 I

9  
00:00:38,410 --> 00:00:36,379  
am not too clear on the date because I

10  
00:00:40,569 --> 00:00:38,420  
was four or five years old at the time I

11  
00:00:41,770 --> 00:00:40,579  
know it was late summer because it had

12  
00:00:44,530 --> 00:00:41,780  
to have been to be warm enough in

13  
00:00:46,750 --> 00:00:44,540

Wisconsin to swim in a pool mom dad and

14

00:00:48,490 --> 00:00:46,760

my two brothers one was my twin and the

15

00:00:51,040 --> 00:00:48,500

other was a year younger and has autism

16

00:00:53,110 --> 00:00:51,050

we went up there to Madison to visit my

17

00:00:55,600 --> 00:00:53,120

uncle's and other relatives it was a

18

00:00:58,270 --> 00:00:55,610

long drive since we live in Arkansas we

19

00:01:00,399 --> 00:00:58,280

drove up there anyway after a long day I

20

00:01:01,810 --> 00:01:00,409

guess I ended up falling asleep so I was

21

00:01:04,149 --> 00:01:01,820

put in this Pappas and chair with a

22

00:01:05,859 --> 00:01:04,159

blanket in a guest room my mother tells

23

00:01:07,719 --> 00:01:05,869

me we all slept in the same room I

24

00:01:09,399 --> 00:01:07,729

didn't hear any other noise from anyone

25

00:01:11,200 --> 00:01:09,409

in the house but people must have been

26  
00:01:13,270 --> 00:01:11,210  
awake because no one else was in the

27  
00:01:14,649 --> 00:01:13,280  
room with me it was like I was shielded

28  
00:01:16,929 --> 00:01:14,659  
from everyone else in that room or

29  
00:01:18,910 --> 00:01:16,939  
something as I woke up I seemed to be

30  
00:01:21,460 --> 00:01:18,920  
situated about five feet in front of the

31  
00:01:23,800 --> 00:01:21,470  
window in the chair I am not sure but it

32  
00:01:25,780 --> 00:01:23,810  
seemed very quiet and dark I remember

33  
00:01:27,429 --> 00:01:25,790  
feeling scared at first as I woke up and

34  
00:01:29,770 --> 00:01:27,439  
when I looked at the window because I

35  
00:01:31,690 --> 00:01:29,780  
saw light coming from it there right at

36  
00:01:33,820 --> 00:01:31,700  
the window was an entity with its hands

37  
00:01:35,860 --> 00:01:33,830  
on the windowsill staring directly at me

38  
00:01:37,960 --> 00:01:35,870

as soon as I looked at its face I

39

00:01:40,510 --> 00:01:37,970

immediately felt calm unafraid and

40

00:01:42,460 --> 00:01:40,520

actually curious it too looked

41

00:01:43,870 --> 00:01:42,470

interested in me you know how when you

42

00:01:46,149 --> 00:01:43,880

have the flash on a camera and you take

43

00:01:47,770 --> 00:01:46,159

a picture to close how the light from

44

00:01:49,090 --> 00:01:47,780

the flash is so bright you can't really

45

00:01:51,399 --> 00:01:49,100

see the detail of someone or something

46

00:01:54,430 --> 00:01:51,409

that's what the light on its body looked

47

00:01:56,800 --> 00:01:54,440

like a white light but also around its

48

00:01:59,020 --> 00:01:56,810

body was this golden aura almost

49

00:02:01,330 --> 00:01:59,030

metallic looking it seemed to tilt its

50

00:02:03,490 --> 00:02:01,340

head sideways slightly I remember its

51  
00:02:05,380 --> 00:02:03,500  
eyes were small black but it seemed to

52  
00:02:07,030 --> 00:02:05,390  
have a reassuring look I felt like

53  
00:02:08,979 --> 00:02:07,040  
everything was going to be okay

54  
00:02:11,530 --> 00:02:08,989  
it was like it was comforting me somehow

55  
00:02:13,930 --> 00:02:11,540  
and then after that I must have lost

56  
00:02:16,330 --> 00:02:13,940  
consciousness it was an odd atmosphere

57  
00:02:18,729 --> 00:02:16,340  
in the room for sure I cannot explain it

58  
00:02:20,740 --> 00:02:18,739  
I know there are grey aliens reptilians

59  
00:02:22,720 --> 00:02:20,750  
and other aliens but I have never heard

60  
00:02:24,250 --> 00:02:22,730  
of this particular type I have

61  
00:02:25,929 --> 00:02:24,260  
researched everywhere and have come up

62  
00:02:27,880 --> 00:02:25,939  
with nothing from what I could tell

63  
00:02:29,619 --> 00:02:27,890

though it seemed to observe children as

64

00:02:40,610 --> 00:02:29,629

if it was guarding me or protecting me

65

00:02:46,020 --> 00:02:43,589

case a 0 0 for 2

66

00:02:47,790 --> 00:02:46,030

close encounter in Nick I was sleeping

67

00:02:49,770 --> 00:02:47,800

soundly when I began to wake up due to

68

00:02:51,630 --> 00:02:49,780

sounds from the kitchen I was flat on my

69

00:02:53,940 --> 00:02:51,640

back with two pillows under my head I

70

00:02:55,979 --> 00:02:53,950

normally am asleep on my side when a

71

00:02:57,960 --> 00:02:55,989

series of distinct sounds began to wake

72

00:03:00,000 --> 00:02:57,970

me up the sound was coming from our

73

00:03:01,500 --> 00:03:00,010

kitchen my first thought was my son

74

00:03:03,390 --> 00:03:01,510

might have gotten out of bed for the

75

00:03:05,520 --> 00:03:03,400

first time and was opening and closing

76

00:03:07,380 --> 00:03:05,530

drawers I decided to get up out of bed

77

00:03:09,120 --> 00:03:07,390

but I was immediately and totally

78

00:03:11,369 --> 00:03:09,130

paralyzed by a buzzing feeling at the

79

00:03:13,140 --> 00:03:11,379

base of my brain immediately my mind

80

00:03:14,610 --> 00:03:13,150

focused away from the noises to what I

81

00:03:16,470 --> 00:03:14,620

thought I was having which was a

82

00:03:18,690 --> 00:03:16,480

Strucker brain hemorrhage or some sort

83

00:03:20,550 --> 00:03:18,700

of serious problem I could not open my

84

00:03:22,860 --> 00:03:20,560

eyes I could not move my legs or any

85

00:03:25,979 --> 00:03:22,870

part of my body the buzzing did not hurt

86

00:03:28,410 --> 00:03:25,989

my mind was 100% totally awake yet I was

87

00:03:30,930 --> 00:03:28,420

unable to move my body I attempted at

88

00:03:33,180 --> 00:03:30,940

first to move my feet then legs then my

89

00:03:35,069 --> 00:03:33,190

arms and get up but I absolutely could

90

00:03:37,830 --> 00:03:35,079

not it was like a weight on my body

91

00:03:40,650 --> 00:03:37,840

there was no pain I could not speak I

92

00:03:43,110 --> 00:03:40,660

decided to try to open my eyes I could

93

00:03:45,330 --> 00:03:43,120

not I concentrated on opening just one

94

00:03:47,099 --> 00:03:45,340

eye which was my right eye it took every

95

00:03:49,349 --> 00:03:47,109

bit of trying to get the eyelid to open

96

00:03:51,180 --> 00:03:49,359

as it started to open I noticed a

97

00:03:53,160 --> 00:03:51,190

creature with its arms extended over me

98

00:03:55,379 --> 00:03:53,170

at my knees its hands were glowing

99

00:03:57,990 --> 00:03:55,389

yellow greenish immediately I knew it

100

00:04:00,390 --> 00:03:58,000

was not my son this has to be an alien I

101  
00:04:02,550 --> 00:04:00,400  
was completely amazed I struggled to

102  
00:04:04,289 --> 00:04:02,560  
keep my eye open suddenly this thing

103  
00:04:06,599 --> 00:04:04,299  
moved out of the room directly through

104  
00:04:08,490 --> 00:04:06,609  
the wall it moved fast and was silent

105  
00:04:10,710 --> 00:04:08,500  
the fact that it went through the wall

106  
00:04:12,990 --> 00:04:10,720  
was overwhelming the paralysis quickly

107  
00:04:15,030 --> 00:04:13,000  
went away physically I felt fine yet

108  
00:04:17,190 --> 00:04:15,040  
amazed at the event and experience I had

109  
00:04:19,349 --> 00:04:17,200  
I went into my son's room to check on

110  
00:04:20,969 --> 00:04:19,359  
him he seemed fine I walked to the

111  
00:04:23,310 --> 00:04:20,979  
kitchen and around then returned to the

112  
00:04:25,050 --> 00:04:23,320  
bedroom and went back to bed I chose not

113  
00:04:27,450 --> 00:04:25,060

to wake my wife who had been next to me

114

00:04:29,670 --> 00:04:27,460

the whole time I kept this experience to

115

00:04:30,540 --> 00:04:29,680

myself briefly but seriously mentioning

116

00:04:32,610 --> 00:04:30,550

at the next day

117

00:04:34,740 --> 00:04:32,620

three days later I became really afraid

118

00:04:36,390 --> 00:04:34,750

and since that time I have just tried to

119

00:04:39,490 --> 00:04:36,400

deal with not knowing what this thing

120

00:04:45,150 --> 00:04:39,500

was and what it maybe had done to me

121

00:04:51,400 --> 00:04:48,730

case a zero zero for three strange

122

00:04:53,440 --> 00:04:51,410

encounters I was asleep on the second

123

00:04:54,430 --> 00:04:53,450

story of the house facing the backyard I

124

00:04:56,500 --> 00:04:54,440

was asleep

125

00:04:58,870 --> 00:04:56,510

but felt like I was under water all

126  
00:04:59,680 --> 00:04:58,880  
sounds were muffled I felt total peace

127  
00:05:02,650 --> 00:04:59,690  
and contentment

128  
00:05:05,050 --> 00:05:02,660  
I felt warm and safe I opened my eyes

129  
00:05:07,750 --> 00:05:05,060  
and saw a small slightly glowing alien

130  
00:05:10,570 --> 00:05:07,760  
he I say he because I felt the alien was

131  
00:05:13,240 --> 00:05:10,580  
male was pulling a long red thin firm

132  
00:05:15,130 --> 00:05:13,250  
strand out of my left elbow his graceful

133  
00:05:17,440 --> 00:05:15,140  
fingers were extra long and thin

134  
00:05:18,970 --> 00:05:17,450  
grasping and pulling he was pulling out

135  
00:05:21,280 --> 00:05:18,980  
the strands smoothly in a rhythm that

136  
00:05:23,440 --> 00:05:21,290  
was methodical and gentle he was not

137  
00:05:26,140 --> 00:05:23,450  
touching me in any way only pulling out

138  
00:05:28,720 --> 00:05:26,150

the strand I gazed slowly into his face

139

00:05:31,210 --> 00:05:28,730

his face was at the same level as mine

140

00:05:32,740 --> 00:05:31,220

as I lay on my back in my bed there was

141

00:05:34,420 --> 00:05:32,750

light from the moon shining through the

142

00:05:36,790 --> 00:05:34,430

leaves of the branches in the backyard

143

00:05:38,620 --> 00:05:36,800

through my window my bed was located

144

00:05:41,050 --> 00:05:38,630

right under the picture window which had

145

00:05:42,670 --> 00:05:41,060

no drapes or blinds the backyard was

146

00:05:44,920 --> 00:05:42,680

massive with tall old-growth trees

147

00:05:47,170 --> 00:05:44,930

planted in rows so there was a canopy

148

00:05:49,000 --> 00:05:47,180

over the backyard each night I went to

149

00:05:51,280 --> 00:05:49,010

sleep looking up through those treetops

150

00:05:53,830 --> 00:05:51,290

he glowed in the moonlight slightly I

151  
00:05:56,200 --> 00:05:53,840  
don't recall any smell and the sound was

152  
00:05:58,480 --> 00:05:56,210  
muffled as if I were underwater his

153  
00:06:00,969 --> 00:05:58,490  
large dark eyes were large and without

154  
00:06:02,710 --> 00:06:00,979  
pupils but I was not afraid it was as if

155  
00:06:05,409 --> 00:06:02,720  
I had seen him before and knew him I

156  
00:06:07,659 --> 00:06:05,419  
knew that he would not hurt me I didn't

157  
00:06:10,120 --> 00:06:07,669  
notice any nose or mouth or ears but he

158  
00:06:12,370 --> 00:06:10,130  
was without clothing or any hair all of

159  
00:06:15,010 --> 00:06:12,380  
a sudden I began to feel confused maybe

160  
00:06:16,780 --> 00:06:15,020  
a little afraid I broke my gaze from his

161  
00:06:18,460 --> 00:06:16,790  
and began looking at those long fingers

162  
00:06:20,650 --> 00:06:18,470  
against steadily pulling pulling pulling

163  
00:06:23,140 --> 00:06:20,660

the long red strand out of me from my

164

00:06:25,030 --> 00:06:23,150

left elbow then the strand broke I

165

00:06:26,890 --> 00:06:25,040

looked back to his face with a question

166

00:06:28,630 --> 00:06:26,900

to ask him at the same time he turned

167

00:06:31,000 --> 00:06:28,640

his face to the Strand he turned his

168

00:06:33,430 --> 00:06:31,010

face back to me I felt worried and

169

00:06:36,219 --> 00:06:33,440

confused I wanted to ask him something

170

00:06:37,810 --> 00:06:36,229

but I can't remember what before I could

171

00:06:40,630 --> 00:06:37,820

make a sound he just stared at me and

172

00:06:42,250 --> 00:06:40,640

was gone as if he were never there I sat

173

00:06:44,380 --> 00:06:42,260

up in the bed and looked up to the moon

174

00:06:46,330 --> 00:06:44,390

through the canopy then I remembered the

175

00:06:48,280 --> 00:06:46,340

Strand and went slowly into the bathroom

176  
00:06:50,500 --> 00:06:48,290  
to check my elbow the strand was red the

177  
00:06:52,900 --> 00:06:50,510  
colour of blood but I wasn't bleeding

178  
00:06:55,690 --> 00:06:52,910  
there was no cutter scar I could see on

179  
00:06:57,150 --> 00:06:55,700  
my elbow I went slowly back to bed and I

180  
00:06:59,880 --> 00:06:57,160  
thought of the face of the alien

181  
00:07:02,490 --> 00:06:59,890  
and I cry myself to sleep I felt so

182  
00:07:04,200 --> 00:07:02,500  
lonely so abandoned so sad as if someone

183  
00:07:06,630 --> 00:07:04,210  
I truly loved had passed away

184  
00:07:08,250 --> 00:07:06,640  
someone who adored me too even as I

185  
00:07:08,760 --> 00:07:08,260  
commit this experience to the written

186  
00:07:11,250 --> 00:07:08,770  
word

187  
00:07:13,170 --> 00:07:11,260  
I am weeping I still feel that sadness

188  
00:07:20,170 --> 00:07:13,180

of missing a man feeling so alone

189

00:07:27,020 --> 00:07:24,680

case a 0-0 4-4 my cosmic teacher my

190

00:07:29,180 --> 00:07:27,030

cosmic teacher I kept this a secret for

191

00:07:30,499 --> 00:07:29,190

a long time as a young child going

192

00:07:32,570 --> 00:07:30,509

through a tough time being bullied

193

00:07:34,640 --> 00:07:32,580

called names and such some children go

194

00:07:36,499 --> 00:07:34,650

through but mine was worse when I went

195

00:07:38,300 --> 00:07:36,509

bad in my dreams I saw a being that was

196

00:07:40,279 --> 00:07:38,310

taller than a normal human but I wasn't

197

00:07:42,320 --> 00:07:40,289

scared when it approached me it didn't

198

00:07:44,360 --> 00:07:42,330

move at legs when it got closer it was

199

00:07:45,890 --> 00:07:44,370

wearing robes with symbols in big masks

200

00:07:47,869 --> 00:07:45,900

there were symbols where the cheeks

201  
00:07:49,610 --> 00:07:47,879  
should be the symbols depicted what I

202  
00:07:51,559 --> 00:07:49,620  
only assumed were humans on the left and

203  
00:07:53,779 --> 00:07:51,569  
earth on right of the mask it spoke to

204  
00:07:55,850 --> 00:07:53,789  
me and said child do not be afraid my

205  
00:07:57,619 --> 00:07:55,860  
intentions are peaceful the voice was

206  
00:07:59,869 --> 00:07:57,629  
that of a female and it echoed inside my

207  
00:08:01,760 --> 00:07:59,879  
dream I didn't bother to say anything I

208  
00:08:03,920 --> 00:08:01,770  
just stared at symbols curious of what

209  
00:08:05,059 --> 00:08:03,930  
they meant it said child you do not fear

210  
00:08:07,189 --> 00:08:05,069  
me why is that

211  
00:08:09,619 --> 00:08:07,199  
I answered by saying this isn't my first

212  
00:08:11,270 --> 00:08:09,629  
time seeing strange things it tilted its

213  
00:08:12,350 --> 00:08:11,280

head then it said child do you want to

214

00:08:14,300 --> 00:08:12,360

learn and see the truth that your

215

00:08:15,890 --> 00:08:14,310

leaders had hidden from you after she

216

00:08:17,600 --> 00:08:15,900

said that I was thinking then I said yes

217

00:08:19,459 --> 00:08:17,610

I want to see the truth and arm revealed

218

00:08:21,290 --> 00:08:19,469

itself under the robes in place against

219

00:08:23,089 --> 00:08:21,300

my forehead a rush full of unknown

220

00:08:24,589 --> 00:08:23,099

energy went to my head and that's when I

221

00:08:26,629 --> 00:08:24,599

saw everything that our leaders has hid

222

00:08:28,459 --> 00:08:26,639

from us I then woke up having a worst

223

00:08:30,050 --> 00:08:28,469

possible headache after finishing

224

00:08:32,600 --> 00:08:30,060

another day of suffering I laid down in

225

00:08:34,250 --> 00:08:32,610

my bed and fell asleep I found myself in

226

00:08:36,290 --> 00:08:34,260

a different area when I saw her standing

227

00:08:37,819 --> 00:08:36,300

alone she turned her head towards my

228

00:08:40,579 --> 00:08:37,829

direction are you ready to learn child

229

00:08:42,260 --> 00:08:40,589

she said after those few days she taught

230

00:08:43,880 --> 00:08:42,270

me her language in different aspects of

231

00:08:45,769 --> 00:08:43,890

life they were different than our

232

00:08:47,420 --> 00:08:45,779

understanding of them before she left me

233

00:08:49,430 --> 00:08:47,430

she told me child the path that all of

234

00:08:51,470 --> 00:08:49,440

humanity is going is not only going the

235

00:08:53,300 --> 00:08:51,480

end of your species but others as well

236

00:08:55,130 --> 00:08:53,310

you must spread the message I am giving

237

00:08:56,990 --> 00:08:55,140

you she said we have watch her species

238

00:08:59,210 --> 00:08:57,000

live for a long time and see no

239

00:09:00,560 --> 00:08:59,220

improvements your species will die like

240

00:09:02,360 --> 00:09:00,570

the others in the galaxy that have

241

00:09:04,310 --> 00:09:02,370

failed if you do not change then your

242

00:09:06,350 --> 00:09:04,320

species will be one of them she then

243

00:09:08,210 --> 00:09:06,360

said I'm not your teacher anymore it is

244

00:09:09,769 --> 00:09:08,220

your turn to be the teacher and humanity

245

00:09:11,840 --> 00:09:09,779

is your student child I smiled and

246

00:09:13,460 --> 00:09:11,850

nodded she looked at me and said child I

247

00:09:15,050 --> 00:09:13,470

will be leaving you but you must spread

248

00:09:16,699 --> 00:09:15,060

the message I have given you I nodded

249

00:09:18,439 --> 00:09:16,709

sad that she was leaving me after the

250

00:09:20,540 --> 00:09:18,449

things she taught me she told me

251  
00:09:22,550 --> 00:09:20,550  
forgiveness was key so that day forward

252  
00:09:24,170 --> 00:09:22,560  
I kept it a secret for a long time and I

253  
00:09:26,300 --> 00:09:24,180  
must do it now because war might break

254  
00:09:31,300 --> 00:09:26,310  
loose maybe I'll find my peace for

255  
00:09:36,699 --> 00:09:34,360
