00:00:33,560 --> 00:00:30,529  
case file a 0-0 5-1 an unintended tail I

8  
00:00:37,220 --> 00:00:33,570  
have a true story to share this occurred

9  
00:00:39,530 --> 00:00:37,230  
in 1968 when I was 8 years old my family

10  
00:00:42,140 --> 00:00:39,540  
lived in a large Ida line 8 style home

11  
00:00:44,390 --> 00:00:42,150  
in western Pennsylvania it had been my

12  
00:00:46,880 --> 00:00:44,400  
father's home when he was a boy and had

13  
00:00:49,430 --> 00:00:46,890

been in his family since the 1850s at

14

00:00:52,579 --> 00:00:49,440

the time my paternal grandparents were

15

00:00:54,950 --> 00:00:52,589

living there as well in fact my aunt and

16

00:00:56,600 --> 00:00:54,960

cousins also lived in separate apartment

17

00:00:59,270 --> 00:00:56,610

that had been built on to the original

18

00:01:00,860 --> 00:00:59,280

house we were a very tight-knit family

19

00:01:02,889 --> 00:01:00,870

who were involved with a lot of the

20

00:01:05,719 --> 00:01:02,899

Civic activities in our small community

21

00:01:07,999 --> 00:01:05,729

my grandmother loved to read stories to

22

00:01:10,820 --> 00:01:08,009

me and my cousins though most of the

23

00:01:12,889 --> 00:01:10,830

time it was only myself she had a large

24

00:01:16,100 --> 00:01:12,899

sitting room on the second floor filled

25

00:01:18,170 --> 00:01:16,110

with 19th century antiques she preferred

26  
00:01:19,999 --> 00:01:18,180  
to read by candlelight as she did when

27  
00:01:22,520 --> 00:01:20,009  
she was a girl growing up in the same

28  
00:01:25,160 --> 00:01:22,530  
house the atmosphere in the room was a

29  
00:01:27,050 --> 00:01:25,170  
throwback to a more simple time this

30  
00:01:27,980 --> 00:01:27,060  
particular evening had an ominous

31  
00:01:30,320 --> 00:01:27,990  
feeling to it

32  
00:01:32,539 --> 00:01:30,330  
it was early July and the house was

33  
00:01:34,550 --> 00:01:32,549  
exceptionally warm there had been a

34  
00:01:36,649 --> 00:01:34,560  
series of thunderstorms with pouring

35  
00:01:39,140 --> 00:01:36,659  
rain off and on for several hours I

36  
00:01:41,090 --> 00:01:39,150  
tried to get comfortable in the sitting

37  
00:01:43,069 --> 00:01:41,100  
room while listening to my grandmother

38  
00:01:45,499 --> 00:01:43,079

read but there was little relief

39

00:01:47,660 --> 00:01:45,509

she had just read a short story from

40

00:01:50,780 --> 00:01:47,670

Grimm's fairy tales titled gods food

41

00:01:53,539 --> 00:01:50,790

this is from that story there were once

42

00:01:55,670 --> 00:01:53,549

upon a time two sisters one of whom had

43

00:01:58,190 --> 00:01:55,680

no children and was rich and the other

44

00:02:00,170 --> 00:01:58,200

had five and was a widow and so poor

45

00:02:02,929 --> 00:02:00,180

that she no longer had food enough to

46

00:02:05,359 --> 00:02:02,939

satisfy herself and her children in her

47

00:02:08,240 --> 00:02:05,369

need therefore she went to her sister

48

00:02:10,609 --> 00:02:08,250

and said my children and I are suffering

49

00:02:12,920 --> 00:02:10,619

the greatest hunger you are rich

50

00:02:15,229 --> 00:02:12,930

give me a mouthful of bread the very

51  
00:02:17,870 --> 00:02:15,239  
rich sister was as hard as a stone and

52  
00:02:20,120 --> 00:02:17,880  
said I myself have nothing in the house

53  
00:02:22,970 --> 00:02:20,130  
and drove away the poor creature with

54  
00:02:25,069 --> 00:02:22,980  
harsh words after some time the husband

55  
00:02:27,259 --> 00:02:25,079  
of the rich sister came home and was

56  
00:02:29,360 --> 00:02:27,269  
just going to cut himself a piece of

57  
00:02:32,120 --> 00:02:29,370  
bread but when he made the first cut

58  
00:02:34,250 --> 00:02:32,130  
into the loaf out flowed red blood when

59  
00:02:36,439 --> 00:02:34,260  
the woman saw that she was terrified and

60  
00:02:38,390 --> 00:02:36,449  
told him what had occurred he hurried

61  
00:02:38,900 --> 00:02:38,400  
away to help the widow and her children

62  
00:02:40,820 --> 00:02:38,910  
but

63  
00:02:42,980 --> 00:02:40,830

when he entered a room he found her

64

00:02:44,840 --> 00:02:42,990

praying she had her two youngest

65

00:02:47,360 --> 00:02:44,850

children in her arms and the three

66

00:02:49,880 --> 00:02:47,370

eldest were lying dead he offered her

67

00:02:52,610 --> 00:02:49,890

food but she answered for earthly food

68

00:02:54,770 --> 00:02:52,620

have we no longer any desire God has

69

00:02:56,450 --> 00:02:54,780

already satisfied the hunger of three of

70

00:02:59,480 --> 00:02:56,460

us and he will hearken to our

71

00:03:01,370 --> 00:02:59,490

supplications likewise scarcely had she

72

00:03:03,530 --> 00:03:01,380

uttered these words than the two little

73

00:03:06,080 --> 00:03:03,540

ones drew their last breath whereupon

74

00:03:08,840 --> 00:03:06,090

her heart broke and she sank down dead

75

00:03:10,640 --> 00:03:08,850

after she read the story I told her that

76

00:03:13,190 --> 00:03:10,650

I was going to the kitchen to get a

77

00:03:15,440 --> 00:03:13,200

drink of cold water she looked over at

78

00:03:17,870 --> 00:03:15,450

me and said don't be long you may miss

79

00:03:20,630 --> 00:03:17,880

something I ran down the hallway to the

80

00:03:22,610 --> 00:03:20,640

kitchen and got my drink I started to

81

00:03:24,860 --> 00:03:22,620

walk back towards the sitting room when

82

00:03:27,020 --> 00:03:24,870

I noticed a wispy white cloud rush out

83

00:03:29,240 --> 00:03:27,030

of the sitting-room doorway and into my

84

00:03:31,730 --> 00:03:29,250

grandparents bedroom across the hall I

85

00:03:34,010 --> 00:03:31,740

was startled and immediately overcome

86

00:03:35,870 --> 00:03:34,020

with dread and apprehension I walked

87

00:03:37,550 --> 00:03:35,880

slowly into the sitting room and knew

88

00:03:38,390 --> 00:03:37,560

right away that my grandmother had

89

00:03:41,390 --> 00:03:38,400

passed away

90

00:03:43,340 --> 00:03:41,400

that same night my grandfather who had

91

00:03:45,260 --> 00:03:43,350

been feeling ill and was lying on his

92

00:03:48,050 --> 00:03:45,270

bed at the time my grandmother died

93

00:03:50,540 --> 00:03:48,060

passed away in his sleep a few years

94

00:03:52,699 --> 00:03:50,550

later my fifth-grade teacher gave each

95

00:03:55,190 --> 00:03:52,709

one of my classmates a list of literary

96

00:03:57,230 --> 00:03:55,200

collections in which we were assigned to

97

00:04:00,050 --> 00:03:57,240

pick a few favorite short stories and

98

00:04:02,510 --> 00:04:00,060

give a report to the class Grimm's fairy

99

00:04:04,580 --> 00:04:02,520

tales was part of the list and I had no

100

00:04:06,980 --> 00:04:04,590

intentions on using any of the titles

101  
00:04:10,040 --> 00:04:06,990  
the next day my friend and classmate

102  
00:04:11,870 --> 00:04:10,050  
Linda came to my house after school we

103  
00:04:13,729 --> 00:04:11,880  
were talking about the assignment in

104  
00:04:16,250 --> 00:04:13,739  
discussing which titles we would chose

105  
00:04:18,890 --> 00:04:16,260  
as we read down the list we came to

106  
00:04:21,979 --> 00:04:18,900  
Grimm's fairy tales immediately Linda

107  
00:04:24,409 --> 00:04:21,989  
said nope no Grimm's fairy tales I asked

108  
00:04:26,030 --> 00:04:24,419  
her why she explained that something

109  
00:04:27,860 --> 00:04:26,040  
weird happened to her when she was

110  
00:04:31,040 --> 00:04:27,870  
younger and that Grimm's fairy tales

111  
00:04:34,130 --> 00:04:31,050  
brought back terrible memories Wow I

112  
00:04:36,170 --> 00:04:34,140  
asked what happened Linda started to

113  
00:04:38,510 --> 00:04:36,180

explain the scenario it was a horrifying

114

00:04:39,380 --> 00:04:38,520

but familiar account dot when Linda was

115

00:04:41,420 --> 00:04:39,390

very young

116

00:04:44,180 --> 00:04:41,430

her father would read her and her sister

117

00:04:46,760 --> 00:04:44,190

bedtime stories every night their father

118

00:04:48,620 --> 00:04:46,770

would pick out a new short story the

119

00:04:51,140 --> 00:04:48,630

girls looked forward to it since he

120

00:04:52,790 --> 00:04:51,150

would act out some of the characters one

121

00:04:54,740 --> 00:04:52,800

night he decided to read

122

00:04:56,659 --> 00:04:54,750

food though he had warned them that it

123

00:04:58,760 --> 00:04:56,669

was just a fairy tale and that it

124

00:05:01,279 --> 00:04:58,770

conveyed a message about having goodwill

125

00:05:04,100 --> 00:05:01,289

towards others he quickly read story

126

00:05:05,719 --> 00:05:04,110

then kissed each of them goodnight about

127

00:05:08,360 --> 00:05:05,729

a minute later they heard terrible

128

00:05:10,490 --> 00:05:08,370

thumping and crashing sounds they jumped

129

00:05:12,379 --> 00:05:10,500

out of bed and ran out onto the landing

130

00:05:14,510 --> 00:05:12,389

to discover that their father had fallen

131

00:05:17,180 --> 00:05:14,520

down the stairs and had broken his neck

132

00:05:18,980 --> 00:05:17,190

their mother was hysterical and totally

133

00:05:20,600 --> 00:05:18,990

out of control to the point that she

134

00:05:23,390 --> 00:05:20,610

never recovered from their father's

135

00:05:26,540 --> 00:05:23,400

death she eventually becoming a recluse

136

00:05:28,339 --> 00:05:26,550

I was stunned by Linda's story since

137

00:05:31,189 --> 00:05:28,349

then I have wondered if this particular

138

00:05:32,809 --> 00:05:31,199

tale had caused other tragedies I have

139

00:05:34,550 --> 00:05:32,819

researched for years but have never

140

00:05:37,100 --> 00:05:34,560

found anything similar to our

141

00:05:39,589 --> 00:05:37,110

experiences could these incidents be

142

00:05:41,899 --> 00:05:39,599

related somehow I still live in the

143

00:05:43,969 --> 00:05:41,909

family home with my husband and where we

144

00:05:46,100 --> 00:05:43,979

raised our three children I would

145

00:05:48,080 --> 00:05:46,110

occasionally be visited by the spirits

146

00:05:51,200 --> 00:05:48,090

of my grandparents and they were always

147

00:05:53,180 --> 00:05:51,210

together in fact they still pay me a

148

00:05:55,240 --> 00:05:53,190

visit around the Thanksgiving holiday

149

00:05:58,219 --> 00:05:55,250

which they both truly enjoyed in life

150

00:06:00,409 --> 00:05:58,229

Linda and I are still very close friends

151

00:06:07,850 --> 00:06:00,419

but she misses her father deeply and

152

00:06:15,989 --> 00:06:13,529

case a00 5-2 phantom children my son was

153

00:06:17,820 --> 00:06:15,999

in the basement playing on his box he

154

00:06:20,189 --> 00:06:17,830

heard a noise in a closed corner and

155

00:06:22,080 --> 00:06:20,199

looked over and saw a women he thought

156

00:06:24,570 --> 00:06:22,090

it may have been his mom and called over

157

00:06:26,999 --> 00:06:24,580

to see if she needed help he received no

158

00:06:29,189 --> 00:06:27,009

response he then got up and walked in

159

00:06:30,899 --> 00:06:29,199

the direction that women headed to he

160

00:06:33,300 --> 00:06:30,909

saw a women that seemed to be pretty

161

00:06:35,730 --> 00:06:33,310

solid in appearance he followed her only

162

00:06:37,140 --> 00:06:35,740

to see her vanish it has now been some

163

00:06:39,540 --> 00:06:37,150

time and we have had a few new

164

00:06:41,909 --> 00:06:39,550

occurrences my son and I were in out

165

00:06:44,790 --> 00:06:41,919

laundry room feeding the dogs the dogs

166

00:06:47,640 --> 00:06:44,800

were outside at the time my son said dad

167

00:06:50,189 --> 00:06:47,650

look we observed a heavy leather coat

168

00:06:52,080 --> 00:06:50,199

move on a deer antler hook there was no

169

00:06:53,909 --> 00:06:52,090

wind or either of us were close enough

170

00:06:56,279 --> 00:06:53,919

to make enough air motion to make that

171

00:06:58,559 --> 00:06:56,289

coat move a few evenings ago we were

172

00:07:00,059 --> 00:06:58,569

watching television my wife and

173

00:07:02,670 --> 00:07:00,069

granddaughter had gone to bed a few

174

00:07:04,679 --> 00:07:02,680

hours earlier my son turned around and

175

00:07:06,390 --> 00:07:04,689

said there was a little girl almost the

176  
00:07:07,709 --> 00:07:06,400  
size of my granddaughter sitting in a

177  
00:07:09,749 --> 00:07:07,719  
chair right behind us

178  
00:07:12,059 --> 00:07:09,759  
my son thinking it was his daughter

179  
00:07:14,579 --> 00:07:12,069  
asked what she was doing up the girl

180  
00:07:16,469 --> 00:07:14,589  
said nothing and vanished he said it was

181  
00:07:18,749 --> 00:07:16,479  
his daughter's size but had different

182  
00:07:21,089 --> 00:07:18,759  
appearance I built this house about

183  
00:07:23,429 --> 00:07:21,099  
three years ago there hadn't been a home

184  
00:07:25,499 --> 00:07:23,439  
on this site before we live in the woods

185  
00:07:28,079 --> 00:07:25,509  
with only two other newer homes built

186  
00:07:30,450 --> 00:07:28,089  
around or just before ours was and we

187  
00:07:32,369 --> 00:07:30,460  
were the builders some years ago there

188  
00:07:34,920 --> 00:07:32,379

was an accident on a train track that

189

00:07:37,170 --> 00:07:34,930

borders our property on a corner it's an

190

00:07:39,540 --> 00:07:37,180

old logging train that passes every once

191

00:07:42,029 --> 00:07:39,550

in a while a couple was killed on the

192

00:07:48,450 --> 00:07:42,039

tracks when hit by a train there was no

193

00:07:54,969 --> 00:07:52,659

they say zero-zero 5-3 phone calls from

194

00:07:57,279 --> 00:07:54,979

beyond my wife had something weird

195

00:07:59,409 --> 00:07:57,289

happened to her this week last year her

196

00:08:00,999 --> 00:07:59,419

mother passed away she had a long

197

00:08:02,770 --> 00:08:01,009

illness and had fallen and the

198

00:08:05,140 --> 00:08:02,780

combination of the two proved too much

199

00:08:07,689 --> 00:08:05,150

so she passed away a few days after her

200

00:08:09,340 --> 00:08:07,699

fall my wife went back up a couple of

201

00:08:11,320 --> 00:08:09,350

weeks after the funeral to help her

202

00:08:13,390 --> 00:08:11,330

father with her mother's affairs and on

203

00:08:15,820 --> 00:08:13,400

a Sunday night while my wife was staying

204

00:08:17,590 --> 00:08:15,830

there he passed away in his sleep the

205

00:08:19,540 --> 00:08:17,600

family had not yet gotten over my

206

00:08:21,999 --> 00:08:19,550

mother-in-law passing when stricken with

207

00:08:24,760 --> 00:08:22,009

grief again this all happened last fall

208

00:08:26,950 --> 00:08:24,770

right before Thanksgiving this past week

209

00:08:29,499 --> 00:08:26,960

my wife was at work in a meeting and got

210

00:08:31,719 --> 00:08:29,509

not one but two phone calls from her

211

00:08:34,060 --> 00:08:31,729

father's cell phone number she showed me

212

00:08:36,519 --> 00:08:34,070

the call log on her iPhone two calls

213

00:08:38,469 --> 00:08:36,529

from dad when he had passed away the

214

00:08:40,810 --> 00:08:38,479

phone company was notified and they

215

00:08:42,579 --> 00:08:40,820

canceled the number when my wife got out

216

00:08:44,920 --> 00:08:42,589

of the meeting she called her father's

217

00:08:47,170 --> 00:08:44,930

old number it was now a company number

218

00:08:49,660 --> 00:08:47,180

on a blackberry woman had recently been

219

00:08:51,940 --> 00:08:49,670

given to use as her work phone she was

220

00:08:52,750 --> 00:08:51,950

stunned when she heard the story hi you

221

00:08:54,790 --> 00:08:52,760

don't know me

222

00:08:56,769 --> 00:08:54,800

but this used to be my deceased father's

223

00:08:58,870 --> 00:08:56,779

phone number and I got two calls from

224

00:09:01,420 --> 00:08:58,880

this number today and it of course

225

00:09:03,550 --> 00:09:01,430

wasn't the lady calling my wife she

226

00:09:05,890 --> 00:09:03,560

doesn't know her number and about the

227

00:09:08,440 --> 00:09:05,900

same time of these two calls a relative

228

00:09:09,040 --> 00:09:08,450

calls almost immediately after just to

229

00:09:11,320 --> 00:09:09,050

say hello

230

00:09:13,810 --> 00:09:11,330

that was weird two of her to call right

231

00:09:16,000 --> 00:09:13,820

after the two phantom calls my wife's

232

00:09:17,650 --> 00:09:16,010

father was always having fun and had an

233

00:09:20,170 --> 00:09:17,660

engineering degree and was an air force

234

00:09:22,480 --> 00:09:20,180

officer one relative said they could

235

00:09:24,340 --> 00:09:22,490

just see it now up in heaven my wife's

236

00:09:26,470 --> 00:09:24,350

father telling her mother he figured out

237

00:09:28,720 --> 00:09:26,480

a way to call their daughter by the way

238

00:09:30,220 --> 00:09:28,730

we'd often get calls from him because he

239

00:09:32,860 --> 00:09:30,230

would sit on his phone and hit the

240

00:09:39,280 --> 00:09:32,870

button and not realize he called us May
