

Abducted by the Vetrolment?!

**Close
Encounters**

BXP

1
00:00:05,790 --> 00:00:04,590
[Music]

2
00:00:10,540 --> 00:00:05,800
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:24,950 --> 00:00:12,900
[Applause]

5
00:00:30,070 --> 00:00:27,429
case number 8002-1

6
00:00:32,389 --> 00:00:30,080
abducted by the veteran normally around

7
00:00:34,229 --> 00:00:32,399
7 pm central time i head outside in my

8
00:00:36,470 --> 00:00:34,239
backyard to get some fresh air

9
00:00:37,910 --> 00:00:36,480
i stepped outside for around 30 minutes

10
00:00:39,750 --> 00:00:37,920
and continued standing in the middle of

11
00:00:41,190 --> 00:00:39,760
the yard just looking around in the sky

12
00:00:43,910 --> 00:00:41,200
with my binoculars

13
00:00:45,270 --> 00:00:43,920

around 7 43 pm central time something

14

00:00:46,869 --> 00:00:45,280

caught my attention

15

00:00:48,310 --> 00:00:46,879

i happened to glance out of the left of

16

00:00:49,990 --> 00:00:48,320

me to see something that looked like a

17

00:00:50,790 --> 00:00:50,000

huge chunk of metal hovering in the air

18

00:00:52,549 --> 00:00:50,800

slowly

19

00:00:55,029 --> 00:00:52,559

i removed the binoculars and stared at

20

00:00:56,869 --> 00:00:55,039

the unknown object for around 10 minutes

21

00:00:58,069 --> 00:00:56,879

the object stayed in one single place in

22

00:01:00,150 --> 00:00:58,079

the sky and never moved

23

00:01:01,990 --> 00:01:00,160

for about an hour you could easily see

24

00:01:04,070 --> 00:01:02,000

this object by the naked eye

25

00:01:05,429 --> 00:01:04,080

this object was completely dull in color

26

00:01:07,670 --> 00:01:05,439

the shape of it was a disc

27

00:01:09,030 --> 00:01:07,680

and it rotated for around an hour the

28

00:01:10,870 --> 00:01:09,040

size of it was my guess

29

00:01:12,870 --> 00:01:10,880

about the size of a football field and

30

00:01:14,469 --> 00:01:12,880

as long as two eighteen wheelers

31

00:01:16,789 --> 00:01:14,479

on the bottom of the craft was silver

32

00:01:18,630 --> 00:01:16,799

with a few which looked like bird marks

33

00:01:19,830 --> 00:01:18,640

either it was burnt marks or rust i

34

00:01:22,390 --> 00:01:19,840

couldn't tell that good

35

00:01:24,390 --> 00:01:22,400

after around 801 pm central time the

36

00:01:26,310 --> 00:01:24,400

obby covered more close to my house and

37

00:01:28,070 --> 00:01:26,320

hovered right in the middle of my yard

38

00:01:29,830 --> 00:01:28,080

the shadow of it completely covered the

39

00:01:31,830 --> 00:01:29,840

yard i couldn't see much underneath the

40

00:01:34,230 --> 00:01:31,840

craft until it stopped rotating

41

00:01:36,230 --> 00:01:34,240

i could count about 35 windows around it

42

00:01:37,910 --> 00:01:36,240

none of which were lit except for two

43

00:01:39,670 --> 00:01:37,920

strangely enough the craft made this

44

00:01:40,630 --> 00:01:39,680

loud humming sound which led to make me

45

00:01:42,630 --> 00:01:40,640

unconscious

46

00:01:44,310 --> 00:01:42,640

i awoke several minutes later staring up

47

00:01:46,149 --> 00:01:44,320

at some kind of blinding ceiling

48

00:01:48,230 --> 00:01:46,159

the room was wide with some controls and

49

00:01:49,749 --> 00:01:48,240

tables and some weird-looking tools

50

00:01:51,109 --> 00:01:49,759

out of the corner of my right eye i

51
00:01:52,550 --> 00:01:51,119
spotted a figure which looked to be

52
00:01:54,789 --> 00:01:52,560
about five feet tall

53
00:01:56,469 --> 00:01:54,799
behind it was another figure and another

54
00:01:58,149 --> 00:01:56,479
i counted three total while they walked

55
00:01:59,670 --> 00:01:58,159
towards me and looked down at me

56
00:02:01,109 --> 00:01:59,680
one of the beings started mumbling

57
00:02:01,910 --> 00:02:01,119
something in the language i couldn't

58
00:02:03,910 --> 00:02:01,920
explain

59
00:02:05,270 --> 00:02:03,920
the being placed its arm behind me as i

60
00:02:07,030 --> 00:02:05,280
stood up on the table while the being

61
00:02:08,630 --> 00:02:07,040
gave me this weird-looking book

62
00:02:10,630 --> 00:02:08,640
the book on it didn't have words on the

63
00:02:12,070 --> 00:02:10,640

cover but inside had different pictures

64

00:02:14,470 --> 00:02:12,080

of human species

65

00:02:15,589 --> 00:02:14,480

male and female the male was populated

66

00:02:17,510 --> 00:02:15,599

four million percent

67

00:02:19,510 --> 00:02:17,520

and the female was populated as five

68

00:02:21,350 --> 00:02:19,520

million three hundred twenty thousand

69

00:02:22,710 --> 00:02:21,360

i didn't have a clue what this meant but

70

00:02:24,470 --> 00:02:22,720

the being turned the page where it

71

00:02:25,190 --> 00:02:24,480

showed a group of researchers looking up

72

00:02:27,110 --> 00:02:25,200

at the sky

73

00:02:28,869 --> 00:02:27,120

staring at another disc shaped craft

74

00:02:29,430 --> 00:02:28,879

similar to the one these beings had me

75

00:02:30,869 --> 00:02:29,440

on

76

00:02:32,390 --> 00:02:30,879

the being spoke to me through mine

77

00:02:33,750 --> 00:02:32,400

telling me that he was a male and the

78

00:02:35,910 --> 00:02:33,760

other two were female

79

00:02:38,229 --> 00:02:35,920

he told me in this correct sentence

80

00:02:39,750 --> 00:02:38,239

human and species are overpopulating

81

00:02:41,430 --> 00:02:39,760

we have been given the right to abduct

82

00:02:42,470 --> 00:02:41,440

humans by order of the government and

83

00:02:44,390 --> 00:02:42,480

your leaders

84

00:02:46,229 --> 00:02:44,400

such a mound can be produced by humans

85

00:02:48,070 --> 00:02:46,239

but our kind is being extinct

86

00:02:50,070 --> 00:02:48,080

our species known as the vet roman

87

00:02:52,550 --> 00:02:50,080

veteran men our dying without the help

88

00:02:54,710 --> 00:02:52,560

of our second species known as the greys

89

00:02:56,550 --> 00:02:54,720

i was confused at time but i understood

90

00:02:58,390 --> 00:02:56,560

everything i didn't know what to think

91

00:02:59,910 --> 00:02:58,400

of it but the male alien led me off the

92

00:03:01,750 --> 00:02:59,920

table and out the craft

93

00:03:03,509 --> 00:03:01,760

i asked him if they did experiments on

94

00:03:05,110 --> 00:03:03,519

myself but he said no

95

00:03:07,270 --> 00:03:05,120

the male alien told me that when they

96

00:03:09,030 --> 00:03:07,280

abducted me he sent two others inside my

97

00:03:10,229 --> 00:03:09,040

house to search around for any kind of

98

00:03:12,149 --> 00:03:10,239

evidence they needed

99

00:03:14,070 --> 00:03:12,159

the only supposed evidence i had was a

100

00:03:15,190 --> 00:03:14,080

few sketchbooks with drawings of aliens

101
00:03:16,869 --> 00:03:15,200
and ufos

102
00:03:18,390 --> 00:03:16,879
since then i haven't seen anything

103
00:03:19,350 --> 00:03:18,400
interesting but i do believe they'll

104
00:03:21,110 --> 00:03:19,360
come back

105
00:03:24,070 --> 00:03:21,120
and i do believe they are our next human

106
00:03:30,229 --> 00:03:27,589
case number a002-2

107
00:03:32,789 --> 00:03:30,239
my abduction dream when my daughter was

108
00:03:34,149 --> 00:03:32,799
only a few days old we went outside as

109
00:03:35,830 --> 00:03:34,159
she slept in her crib

110
00:03:37,350 --> 00:03:35,840
washing the stars with my husband

111
00:03:40,149 --> 00:03:37,360
wondering about life

112
00:03:41,190 --> 00:03:40,159
having a brand new baby and all we went

113
00:03:43,990 --> 00:03:41,200

to bed about 10

114

00:03:46,149 --> 00:03:44,000

30 pm and at midnight i woke up to a

115

00:03:46,710 --> 00:03:46,159

blended sounds of wind chime and humming

116

00:03:48,789 --> 00:03:46,720

noise

117

00:03:50,789 --> 00:03:48,799

to see my whole way was all lit with a

118

00:03:52,710 --> 00:03:50,799

beautiful bluish light with what looked

119

00:03:54,710 --> 00:03:52,720

like powder all through the light

120

00:03:55,910 --> 00:03:54,720

i looked at my husband who was facing

121

00:03:58,229 --> 00:03:55,920

the opposite way

122

00:03:59,750 --> 00:03:58,239

that as i laying and a child facing his

123

00:04:02,070 --> 00:03:59,760

direction as well

124

00:04:04,229 --> 00:04:02,080

i looked at the light hallway when i

125

00:04:05,350 --> 00:04:04,239

seen this fat stumpy dock being appear

126

00:04:07,589 --> 00:04:05,360

with his hand out

127

00:04:09,030 --> 00:04:07,599

i just stood up and i was next to the

128

00:04:10,949 --> 00:04:09,040

baby crib at this point

129

00:04:13,429 --> 00:04:10,959

i then looked at the clock which showed

130

00:04:15,350 --> 00:04:13,439

midnight then i looked back at the being

131

00:04:17,189 --> 00:04:15,360

when a small grey about a half foot

132

00:04:18,949 --> 00:04:17,199

taller than the stumpy being came

133

00:04:20,949 --> 00:04:18,959

through the wall looking at me with his

134

00:04:22,069 --> 00:04:20,959

hand out as if he was insisting for me

135

00:04:24,550 --> 00:04:22,079

to come with it

136

00:04:26,710 --> 00:04:24,560

i took one step looking at them when a

137

00:04:28,150 --> 00:04:26,720

very large being appeared again with its

138

00:04:30,150 --> 00:04:28,160

hand extended to me

139

00:04:32,310 --> 00:04:30,160

i for some reason did take its hand

140

00:04:34,469 --> 00:04:32,320

passing the other two looking at me

141

00:04:36,629 --> 00:04:34,479

and we faced the wall then all of a

142

00:04:38,550 --> 00:04:36,639

sudden entered a beautiful white wall

143

00:04:40,310 --> 00:04:38,560

molded seating spacious craft

144

00:04:41,990 --> 00:04:40,320

in the middle of this craft there was

145

00:04:43,990 --> 00:04:42,000

some kind of box with some oval

146

00:04:46,070 --> 00:04:44,000

ball hovering above the box making a

147

00:04:47,670 --> 00:04:46,080

vibration feeling and hamson

148

00:04:49,670 --> 00:04:47,680

i turned to the wall as the three

149

00:04:51,909 --> 00:04:49,680

watched me standing on the other side of

150

00:04:53,350 --> 00:04:51,919

that glowing oval ball as i was looking

151

00:04:55,350 --> 00:04:53,360

at the wall of the craft

152

00:04:57,350 --> 00:04:55,360

when i tucked the wall tiny swirls

153

00:04:58,310 --> 00:04:57,360

between my fingers turned iridescent

154

00:05:00,390 --> 00:04:58,320

pearl like

155

00:05:02,629 --> 00:05:00,400

i walked to the glowing ball and reeked

156

00:05:03,350 --> 00:05:02,639

out for it when the stumpy being grabbed

157

00:05:05,350 --> 00:05:03,360

my wrist

158

00:05:07,670 --> 00:05:05,360

the small grey alien grabbed his hand

159

00:05:08,710 --> 00:05:07,680

from my wrist which felt like sandpaper

160

00:05:10,710 --> 00:05:08,720

and looked at me

161

00:05:12,070 --> 00:05:10,720

then i just stood there as the inside of

162

00:05:14,469 --> 00:05:12,080

the craft became

163

00:05:15,189 --> 00:05:14,479

brighter and brighter then it stalked

164

00:05:17,270 --> 00:05:15,199

briefly

165

00:05:19,110 --> 00:05:17,280

and they were just starring at me when

166

00:05:19,590 --> 00:05:19,120

the small gray being moved its head a

167

00:05:21,990 --> 00:05:19,600

bit

168

00:05:23,670 --> 00:05:22,000

and said without moving its mouth we do

169

00:05:25,749 --> 00:05:23,680

exist where we can't be seen

170

00:05:27,670 --> 00:05:25,759

then they moved their heads a little and

171

00:05:28,790 --> 00:05:27,680

the fat stumping thing did something to

172

00:05:30,710 --> 00:05:28,800

the glowing ball

173

00:05:33,670 --> 00:05:30,720

and we went down into what looked like

174

00:05:35,430 --> 00:05:33,680

water then you can feel the craft plunge

175

00:05:36,870 --> 00:05:35,440

and you could see bubbles everywhere

176

00:05:39,029 --> 00:05:36,880

still going down a bit

177

00:05:39,990 --> 00:05:39,039

the sides of the craft became more

178

00:05:42,310 --> 00:05:40,000

transparent

179

00:05:44,070 --> 00:05:42,320

and i was now looking up at a coral reef

180

00:05:45,110 --> 00:05:44,080

and fish with the sun's light gleaming

181

00:05:47,590 --> 00:05:45,120

through the water

182

00:05:49,670 --> 00:05:47,600

it was very beautiful then all of a

183

00:05:51,909 --> 00:05:49,680

sudden the craft was going upward

184

00:05:53,270 --> 00:05:51,919

and out of the water traveling back the

185

00:05:55,510 --> 00:05:53,280

inside of the craft

186

00:05:57,270 --> 00:05:55,520

was getting a little darker the tall

187

00:05:59,510 --> 00:05:57,280

insect being took my hand

188

00:06:00,309 --> 00:05:59,520

and before i knew it we were back in my

189

00:06:02,309 --> 00:06:00,319

hallway

190

00:06:04,230 --> 00:06:02,319

i was looking at my husband and i could

191

00:06:05,350 --> 00:06:04,240

see a baby between the crib bus laying

192

00:06:08,550 --> 00:06:05,360

the opposite way

193

00:06:10,469 --> 00:06:08,560

and the clocks at 12 15 am still holding

194

00:06:12,469 --> 00:06:10,479

its hand i looked up and seen

195

00:06:14,550 --> 00:06:12,479

how the being's eyes were huge wrap

196

00:06:15,990 --> 00:06:14,560

around black eyes about as tall as the

197

00:06:18,309 --> 00:06:16,000

ceiling in the hallway

198

00:06:19,270 --> 00:06:18,319

a slit for a mouth the skin had dimpling

199

00:06:21,430 --> 00:06:19,280

around the eyes

200

00:06:23,430 --> 00:06:21,440

and below the cheeks only very thick

201
00:06:25,510 --> 00:06:23,440
bottom short lashes and very tight

202
00:06:27,590 --> 00:06:25,520
bluish green gray skin everywhere

203
00:06:29,350 --> 00:06:27,600
black wrap around eyes four long long

204
00:06:31,350 --> 00:06:29,360
fingers thin build large chest

205
00:06:33,510 --> 00:06:31,360
the feet looked like all one maybe two

206
00:06:35,430 --> 00:06:33,520
bulges hooters but were long feet

207
00:06:36,790 --> 00:06:35,440
the short stumpy thing was about four

208
00:06:39,110 --> 00:06:36,800
feet tall was brown

209
00:06:39,830 --> 00:06:39,120
no neck fat stumps for fingers and feet

210
00:06:42,309 --> 00:06:39,840
with some

211
00:06:44,469 --> 00:06:42,319
what like a young boy's eyes lips and no

212
00:06:46,710 --> 00:06:44,479
no slits and more of a slit mother

213
00:06:48,870 --> 00:06:46,720

the small gray being was the traditional

214

00:06:49,510 --> 00:06:48,880

look of a small grey alien two slits for

215

00:06:51,909 --> 00:06:49,520

a nose

216

00:06:52,870 --> 00:06:51,919

and mouth slander four feet tall i was

217

00:06:54,629 --> 00:06:52,880

not scared

218

00:06:58,550 --> 00:06:54,639

but i would like to have hypnosis on

219

00:07:05,589 --> 00:07:02,550

case number a002-3 possible abduction

220

00:07:06,950 --> 00:07:05,599

missing 12 hours at about 6 30 am i

221

00:07:09,430 --> 00:07:06,960

wrecked my 2005

222

00:07:11,350 --> 00:07:09,440

f-150 picket near a friend's house with

223

00:07:12,870 --> 00:07:11,360

whom i had been staying a few days after

224

00:07:14,950 --> 00:07:12,880

a surgical procedure

225

00:07:15,990 --> 00:07:14,960

i returned to their house for help we

226

00:07:18,230 --> 00:07:16,000

could not find the truck

227

00:07:19,670 --> 00:07:18,240

for some reason she left and i went to

228

00:07:20,469 --> 00:07:19,680

the edge of woods near where i thought

229

00:07:23,270 --> 00:07:20,479

the truck was

230

00:07:23,909 --> 00:07:23,280

and continued to look for about 45 men

231

00:07:25,749 --> 00:07:23,919

suddenly

232

00:07:27,830 --> 00:07:25,759

i heard a very loud buzzing humming

233

00:07:28,870 --> 00:07:27,840

sound turned around to be horrified by a

234

00:07:30,790 --> 00:07:28,880

large bright light

235

00:07:32,790 --> 00:07:30,800

so bright i couldn't look at it i

236

00:07:33,430 --> 00:07:32,800

observed it floating pulsating blinking

237

00:07:35,749 --> 00:07:33,440

light

238

00:07:37,510 --> 00:07:35,759

i was terrified screaming for help and

239

00:07:39,430 --> 00:07:37,520

ran into a bush to hide

240

00:07:41,589 --> 00:07:39,440

after about five to seven minutes i

241

00:07:43,909 --> 00:07:41,599

passed out as the light came towards me

242

00:07:46,150 --> 00:07:43,919

i freaked out so much i guess i passed

243

00:07:49,029 --> 00:07:46,160

out i woke up after daylight

244

00:07:50,869 --> 00:07:49,039

i had no shoes no shorts no underwear

245

00:07:51,830 --> 00:07:50,879

and i was out in a terrible storm all

246

00:07:54,150 --> 00:07:51,840

night apparently

247

00:07:55,909 --> 00:07:54,160

i only vaguely remember that i was wet

248

00:07:58,150 --> 00:07:55,919

and cold and in a totally different

249

00:07:59,990 --> 00:07:58,160

place that i did not recognize i

250

00:08:01,990 --> 00:08:00,000

screamed for help but was apparently

251
00:08:03,589 --> 00:08:02,000
very deep in an unknown woods

252
00:08:06,070 --> 00:08:03,599
i walked through the woods looking for a

253
00:08:07,670 --> 00:08:06,080
way out i suffered severe injuries from

254
00:08:08,550 --> 00:08:07,680
the briars and stuff i walked through

255
00:08:10,550 --> 00:08:08,560
barefoot

256
00:08:12,869 --> 00:08:10,560
about sundown i found a dirt path and

257
00:08:14,309 --> 00:08:12,879
began to follow it at about midnight i

258
00:08:16,550 --> 00:08:14,319
came to a locked iron gate

259
00:08:18,950 --> 00:08:16,560
i went under it since i saw cars driving

260
00:08:20,950 --> 00:08:18,960
by went to one house and no one answered

261
00:08:21,909 --> 00:08:20,960
a lady answered at the second house and

262
00:08:23,909 --> 00:08:21,919
called the police

263
00:08:26,309 --> 00:08:23,919

and they gave me a warm bathroom to wear

264

00:08:28,550 --> 00:08:26,319

since i was very cold and almost naked

265

00:08:30,550 --> 00:08:28,560

the police picked me up since my parents

266

00:08:32,709 --> 00:08:30,560

had filed a missing persons report and

267

00:08:34,790 --> 00:08:32,719

they had been searching for me all day

268

00:08:36,630 --> 00:08:34,800

i did not tell them of this experience

269

00:08:37,589 --> 00:08:36,640

except for saying i had no memory of

270

00:08:39,589 --> 00:08:37,599

what had happened

271

00:08:40,790 --> 00:08:39,599

they assumed i was on drugs and had done

272

00:08:42,709 --> 00:08:40,800

crazy things

273

00:08:44,790 --> 00:08:42,719

i went to the ur and was given fluids

274

00:08:46,550 --> 00:08:44,800

for dehydration and antibiotics for

275

00:08:48,710 --> 00:08:46,560

severe cuts and abrasions

276

00:08:50,949 --> 00:08:48,720

i tested positive for many hard drugs

277

00:08:53,190 --> 00:08:50,959

that i do not remember taking willingly

278

00:08:53,990 --> 00:08:53,200

they think i am surely an addict i did

279

00:08:55,990 --> 00:08:54,000

not tell anyone

280

00:08:57,990 --> 00:08:56,000

about this except my mother who quickly

281

00:08:59,829 --> 00:08:58,000

asked me if i saw any bright lights

282

00:09:01,829 --> 00:08:59,839

since i have told her of other strange

283

00:09:03,750 --> 00:09:01,839

experiences of missing time and bright

284

00:09:05,750 --> 00:09:03,760

lights which always terrifies me

285

00:09:07,590 --> 00:09:05,760

and i do not watch ufo shows for this

286

00:09:07,990 --> 00:09:07,600

reason nor do i talk about this to

287

00:09:10,470 --> 00:09:08,000

anyone

288

00:09:11,670 --> 00:09:10,480

but my mother i am still terrified over

289

00:09:14,070 --> 00:09:11,680

what happened to me

290

00:09:14,790 --> 00:09:14,080

i did ask for a kid and the results were

291

00:09:16,630 --> 00:09:14,800

negative

292

00:09:17,829 --> 00:09:16,640

i still do not know what happened to my

293

00:09:19,590 --> 00:09:17,839

missing clothes

294

00:09:21,670 --> 00:09:19,600

i can relate events up to the brights

295

00:09:23,350 --> 00:09:21,680

lights and after but have no memory of

296

00:09:25,509 --> 00:09:23,360

events in the missing time

297

00:09:27,350 --> 00:09:25,519

all this is documented since the police

298

00:09:29,350 --> 00:09:27,360

have the missing persons report and i

299

00:09:31,350 --> 00:09:29,360

went to the er at baptist hospital

300

00:09:32,949 --> 00:09:31,360

the truck belongs to my parents and has

301
00:09:36,470 --> 00:09:32,959
been reported as stolen

302
00:09:39,030 --> 00:09:36,480
it has not been found yet

303
00:09:39,910 --> 00:09:39,040
this is lon strickler if you like this

304
00:09:41,670 --> 00:09:39,920
program

305
00:09:43,030 --> 00:09:41,680
it would help us if you would give it a

306
00:09:45,910 --> 00:09:43,040
thumbs up

307
00:09:46,389 --> 00:09:45,920
then subscribe and click the bell icon

308
00:09:48,710 --> 00:09:46,399
so you

309
00:09:50,790 --> 00:09:48,720
get notification when we upload new

310
00:09:53,910 --> 00:09:50,800
first person encounters

311
00:09:54,630 --> 00:09:53,920
we have many more to come very soon and

312
00:09:56,790 --> 00:09:54,640
by the way

313
00:09:58,389 --> 00:09:56,800

if you have a suggestion or an
