7  
00:00:34,170 --> 00:00:31,560  
case number a 0 0 8 - 1 alien encounter

8  
00:00:36,600 --> 00:00:34,180  
in Connecticut I had an incident this

9  
00:00:39,450 --> 00:00:36,610  
past weekend that has me wondering what

10  
00:00:42,450 --> 00:00:39,460  
is Vector fiction this past Monday night

11  
00:00:45,930 --> 00:00:42,460  
I was driving home from work around 9:45

12  
00:00:49,470 --> 00:00:45,940  
p.m. I live in a very rural areas south

13  
00:00:52,229 --> 00:00:49,480

of Falls village CT and I was only two

14

00:00:54,270 --> 00:00:52,239

miles from my residence the roads were

15

00:00:56,549 --> 00:00:54,280

still slick from the heavy snow we had

16

00:00:58,860 --> 00:00:56,559

received so I was driving very

17

00:01:01,529 --> 00:00:58,870

deliberately all at once

18

00:01:04,829 --> 00:01:01,539

a deer jumped from behind a snowbank and

19

00:01:07,020 --> 00:01:04,839

bolted in front of my car I slammed on

20

00:01:09,600 --> 00:01:07,030

the brakes but still skidded into the

21

00:01:11,910 --> 00:01:09,610

back of the deer I didn't see where the

22

00:01:14,550 --> 00:01:11,920

deer went but I was now stuck in the

23

00:01:17,130 --> 00:01:14,560

snowbank I got out of the car and

24

00:01:20,130 --> 00:01:17,140

noticed that my driver's side headlight

25

00:01:22,469 --> 00:01:20,140

was smashed as well I tried to push the

26

00:01:25,680 --> 00:01:22,479

car out the snowbank but it was not

27

00:01:28,830 --> 00:01:25,690

budgeting so I had no choice other than to

28

00:01:30,719 --> 00:01:28,840

call for a tow truck about 15 minutes

29

00:01:33,120 --> 00:01:30,729

after I called for help

30

00:01:35,910 --> 00:01:33,130

one of my neighbors was on his way home

31

00:01:38,160 --> 00:01:35,920

and stopped asked if he could help I

32

00:01:40,410 --> 00:01:38,170

told him I had called for a tow truck

33

00:01:42,900 --> 00:01:40,420

but I didn't know how long it'd be

34

00:01:45,660 --> 00:01:42,910

before it showed up he said that he

35

00:01:47,639 --> 00:01:45,670

would go home grab some chains in return

36

00:01:50,430 --> 00:01:47,649

with his four-wheel drive pickup in

37

00:01:53,550 --> 00:01:50,440

order to pull me out I thanked him and

38

00:01:56,130 --> 00:01:53,560

he left not long after my neighbor left

39

00:01:58,529 --> 00:01:56,140

I noticed lights coming toward me on the

40

00:02:01,440 --> 00:01:58,539

road the lights were large and very

41

00:02:04,139 --> 00:02:01,450

bright so I figured that it was the tow

42

00:02:05,669 --> 00:02:04,149

truck as the light slowly proceeded

43

00:02:07,740 --> 00:02:05,679

towards me several more lights

44

00:02:11,100 --> 00:02:07,750

illuminated above and below the others

45

00:02:13,589 --> 00:02:11,110

the vehicle or whatever it was stopped

46

00:02:16,199 --> 00:02:13,599

about 50 yards from me and remained

47

00:02:18,390 --> 00:02:16,209

there for several minutes then all of a

48

00:02:20,160 --> 00:02:18,400

sudden I witnessed a brightly lit being

49

00:02:22,920 --> 00:02:20,170

floating through the woods across from

50

00:02:25,199 --> 00:02:22,930

me it reminded me of those bright white

51  
00:02:28,050 --> 00:02:25,209  
aliens from the cocoon movie though I

52  
00:02:29,880 --> 00:02:28,060  
didn't see any facial features this

53  
00:02:32,610 --> 00:02:29,890  
being quickly floated through the trees

54  
00:02:35,220 --> 00:02:32,620  
then out onto the road it started to

55  
00:02:37,330 --> 00:02:35,230  
come towards me but I was petrified I

56  
00:02:39,820 --> 00:02:37,340  
just could not move

57  
00:02:42,220 --> 00:02:39,830  
it didn't have arms or legs but there

58  
00:02:44,680 --> 00:02:42,230  
was definitely a head and something on

59  
00:02:47,290 --> 00:02:44,690  
the end that resembled a fishtail it

60  
00:02:50,410 --> 00:02:47,300  
stopped directly in front of me and

61  
00:02:52,839 --> 00:02:50,420  
hovered no more than ten feet away there

62  
00:02:54,190 --> 00:02:52,849  
were no eyes or mouth but I did feel

63  
00:02:57,309 --> 00:02:54,200

warmth coming from it

64

00:02:59,080 --> 00:02:57,319

it was very calming and comforting then

65

00:03:01,780 --> 00:02:59,090

it suddenly whisked towards the lights

66

00:03:03,940 --> 00:03:01,790

after a few minutes the bright light

67

00:03:07,390 --> 00:03:03,950

started to fade until it was completely

68

00:03:10,270 --> 00:03:07,400

gone my neighbors soon returned as well

69

00:03:12,699 --> 00:03:10,280

as the tow truck operator I asked them

70

00:03:15,069 --> 00:03:12,709

both if they had noticed any vehicle

71

00:03:18,009 --> 00:03:15,079

with intense bright lights but they both

72

00:03:20,259 --> 00:03:18,019

looked at me like I was crazy after they

73

00:03:22,930 --> 00:03:20,269

pulled me from the snowbank I drove home

74

00:03:25,270 --> 00:03:22,940

quickly took a bath and headed for bed I

75

00:03:28,539 --> 00:03:25,280

was still feeling a calming sensation

76

00:03:31,990 --> 00:03:28,549

and desperately wanted to go to sleep I

77

00:03:35,199 --> 00:03:32,000

was off work on Tuesday so I decided to

78

00:03:37,210 --> 00:03:35,209

go and have my headlight fixed as I

79

00:03:39,850 --> 00:03:37,220

approached the area where I had been

80

00:03:41,830 --> 00:03:39,860

stuck the night before I noticed that

81

00:03:43,750 --> 00:03:41,840

the area where the lights were was

82

00:03:46,210 --> 00:03:43,760

completely barren of snow and the

83

00:03:49,330 --> 00:03:46,220

roadway was dry did I have an alien

84

00:03:52,300 --> 00:03:49,340

close encounter to be honest with you I

85

00:03:55,150 --> 00:03:52,310

don't believe in UFOs aliens or any of

86

00:03:57,940 --> 00:03:55,160

that weird stuff but I am having second

87

00:04:00,670 --> 00:03:57,950

thought as to what I witnessed was it

88

00:04:03,400 --> 00:04:00,680

simply a spirit of some kind I have had

89

00:04:11,400 --> 00:04:03,410

dealings with ghosts and spirits since I

90

00:04:19,380 --> 00:04:15,870

case number a 0:08 - UFO and alien

91

00:04:23,370 --> 00:04:19,390

encounter Fairview pas on October 16

92

00:04:26,190 --> 00:04:23,380

2012 at around 11:15 p.m. I was driving

93

00:04:28,470 --> 00:04:26,200

home from work northbound on RT 20 West

94

00:04:30,630 --> 00:04:28,480

Ridge Road near Fairview pas when I

95

00:04:32,310 --> 00:04:30,640

noticed bright green lights descending

96

00:04:33,060 --> 00:04:32,320

into the woods behind a veterinary

97

00:04:35,430 --> 00:04:33,070

hospital

98

00:04:37,830 --> 00:04:35,440

I immediately slowed and pulled into the

99

00:04:39,930 --> 00:04:37,840

lot behind the hospital I could see

100

00:04:42,330 --> 00:04:39,940

several green lights in the woods and a

101  
00:04:45,030 --> 00:04:42,340  
few red and white lights I got out of

102  
00:04:47,400 --> 00:04:45,040  
the car to get a better view as I stood

103  
00:04:49,590 --> 00:04:47,410  
in front of my car I started to hear a

104  
00:04:52,290 --> 00:04:49,600  
distinct chopping sound coming from the

105  
00:04:54,060 --> 00:04:52,300  
woods as well as cracking noises it

106  
00:04:56,850 --> 00:04:54,070  
actually sounded like several people

107  
00:04:58,980 --> 00:04:56,860  
were cutting down trees the lights and

108  
00:05:00,900 --> 00:04:58,990  
the activity were about 50 yards in

109  
00:05:03,360 --> 00:05:00,910  
front of me but I couldn't see any

110  
00:05:05,880 --> 00:05:03,370  
movement I stood there for about ten

111  
00:05:08,250 --> 00:05:05,890  
minutes as the sounds continued I was

112  
00:05:10,740 --> 00:05:08,260  
tired so I decided to leave for home I

113  
00:05:12,570 --> 00:05:10,750

figured that there were workers clearing

114

00:05:15,090 --> 00:05:12,580

land though this was near a residential

115

00:05:18,060 --> 00:05:15,100

location and working at night was a bit

116

00:05:19,920 --> 00:05:18,070

unusual as I made my way back into the

117

00:05:22,620 --> 00:05:19,930

car I noticed movement in an adjacent

118

00:05:24,390 --> 00:05:22,630

parking lot the lot was lit enough to

119

00:05:26,700 --> 00:05:24,400

where I could see two figures moving

120

00:05:28,530 --> 00:05:26,710

away from me towards the woods they

121

00:05:31,290 --> 00:05:28,540

looked like characters from a cartoon

122

00:05:33,990 --> 00:05:31,300

the figures were about five foot tall

123

00:05:36,840 --> 00:05:34,000

and very thin I couldn't see their faces

124

00:05:39,090 --> 00:05:36,850

but the heads had a peanut shape they

125

00:05:41,790 --> 00:05:39,100

move swiftly but only their legs were

126  
00:05:44,520 --> 00:05:41,800  
moving every other parts of their bodies

127  
00:05:47,520 --> 00:05:44,530  
was rigid there was also a white sash

128  
00:05:49,500 --> 00:05:47,530  
tied across the waist on both figures as

129  
00:05:51,630 --> 00:05:49,510  
I watched the figures go into the woods

130  
00:05:52,290 --> 00:05:51,640  
a whirling sound starting to come from

131  
00:05:55,080 --> 00:05:52,300  
the woods

132  
00:05:57,060 --> 00:05:55,090  
suddenly five huge green lights ascended

133  
00:05:59,580 --> 00:05:57,070  
from the woods hovered for a second or

134  
00:06:02,370 --> 00:05:59,590  
two then vanished I think that the

135  
00:06:05,820 --> 00:06:02,380  
lights stretched out for about 150 feet

136  
00:06:07,409 --> 00:06:05,830  
it was a very large craft the next day I

137  
00:06:09,330 --> 00:06:07,419  
walked through the woods where this

138  
00:06:11,640 --> 00:06:09,340

incident occurred and noticed a few

139

00:06:13,620 --> 00:06:11,650

small trees in a particular area were

140

00:06:15,420 --> 00:06:13,630

cracked near the ground there was

141

00:06:17,820 --> 00:06:15,430

nothing else out of the ordinary I

142

00:06:20,190 --> 00:06:17,830

decided not to mention what I witnessed

143

00:06:23,279 --> 00:06:20,200

and see if anyone had reported it to the

144

00:06:25,470 --> 00:06:23,289

local media as of today I have not seen

145

00:06:28,050 --> 00:06:25,480

any mention of this landing or the

146

00:06:30,090 --> 00:06:28,060

I live in Fairview pas and have not

147

00:06:32,940 --> 00:06:30,100

heard any mention from any resident I

148

00:06:35,070 --> 00:06:32,950

rather not have my particular disclosed

149

00:06:37,830 --> 00:06:35,080

at least until another similar report

150

00:06:39,960 --> 00:06:37,840

has made public this is a small town and

151  
00:06:42,510 --> 00:06:39,970  
everybody is in everyone else's business

152  
00:06:44,070 --> 00:06:42,520  
if you know what I mean would you be

153  
00:06:52,510 --> 00:06:44,080  
kind enough to let me know of any

154  
00:06:58,730 --> 00:06:55,850  
case number a00 8-3

155  
00:07:00,440 --> 00:06:58,740  
the thing on my bed I remember the date

156  
00:07:02,870 --> 00:07:00,450  
because at first I thought it was an

157  
00:07:04,880 --> 00:07:02,880  
April Fool's I was on the second floor

158  
00:07:07,070 --> 00:07:04,890  
of my house and was getting ready to go

159  
00:07:08,870 --> 00:07:07,080  
to bed I had just moved towards my

160  
00:07:11,540 --> 00:07:08,880  
curtains which had been open until this

161  
00:07:13,400 --> 00:07:11,550  
point I saw an odd light outside I

162  
00:07:15,740 --> 00:07:13,410  
originally thought it had been because I

163  
00:07:18,110 --> 00:07:15,750

had my bedroom light on but I turned the

164

00:07:19,700 --> 00:07:18,120

light off and it was still there my room

165

00:07:21,650 --> 00:07:19,710

looked out onto a building site of a

166

00:07:23,150 --> 00:07:21,660

nursing home the light was slightly

167

00:07:25,220 --> 00:07:23,160

covered by the corner of the building

168

00:07:27,470 --> 00:07:25,230

site which is when the light came round

169

00:07:29,300 --> 00:07:27,480

the corner at first I thought it was a

170

00:07:31,520 --> 00:07:29,310

pixie or mythical character because I

171

00:07:33,590 --> 00:07:31,530

didn't recognize it it looked rather

172

00:07:35,630 --> 00:07:33,600

small from the tall window I was looking

173

00:07:37,580 --> 00:07:35,640

through the thing was looking around as

174

00:07:39,380 --> 00:07:37,590

if it had lost something and I thought I

175

00:07:42,230 --> 00:07:39,390

was dreaming so I knocked on the window

176

00:07:44,090 --> 00:07:42,240

ever so quietly yet it looked up at me

177

00:07:46,610 --> 00:07:44,100

we stood looking at each other for many

178

00:07:48,650 --> 00:07:46,620

moments with these huge eyes I then

179

00:07:50,240 --> 00:07:48,660

stepped back from the window to see if I

180

00:07:52,340 --> 00:07:50,250

walk back if it was still there

181

00:07:54,470 --> 00:07:52,350

I must have stepped back from the window

182

00:07:56,750 --> 00:07:54,480

for about a minute to refresh my mindset

183

00:07:58,970 --> 00:07:56,760

when I looked back outside it wasn't

184

00:08:00,890 --> 00:07:58,980

there anymore so relieved I shut my

185

00:08:03,440 --> 00:08:00,900

curtains and turned back to my room man

186

00:08:05,030 --> 00:08:03,450

it was on my bed my bed was positioned

187

00:08:07,670 --> 00:08:05,040

in the middle of the room and my door

188

00:08:10,220 --> 00:08:07,680

was shut I didn't see how it got into my

189

00:08:12,230 --> 00:08:10,230

room but it was standing on my bed it

190

00:08:14,870 --> 00:08:12,240

didn't meet my hips in height but had a

191

00:08:16,670 --> 00:08:14,880

very large head and skinny body it was

192

00:08:18,020 --> 00:08:16,680

whilst I was staring at it that it

193

00:08:20,150 --> 00:08:18,030

pointed at me and then back to

194

00:08:22,580 --> 00:08:20,160

himself/herself that was when it came

195

00:08:24,980 --> 00:08:22,590

over to me but it was walking weirdly as

196

00:08:26,390 --> 00:08:24,990

if it had injured itself I was sitting

197

00:08:28,490 --> 00:08:26,400

down at this point as I was feeling

198

00:08:30,440 --> 00:08:28,500

faint I don't know whether it was the

199

00:08:31,940 --> 00:08:30,450

aliens doing more the fact I was seeing

200

00:08:34,760 --> 00:08:31,950

something that shouldn't have been real

201  
00:08:36,320 --> 00:08:34,770  
it touched me over my heart it was so

202  
00:08:38,540 --> 00:08:36,330  
cold I couldn't physically feel the

203  
00:08:40,400 --> 00:08:38,550  
being but I could feel the energy the

204  
00:08:42,290 --> 00:08:40,410  
coldness and then it walked up the wall

205  
00:08:44,600 --> 00:08:42,300  
and through the open window which had

206  
00:08:46,190 --> 00:08:44,610  
been closed before I ran to the window

207  
00:08:48,110 --> 00:08:46,200  
to see two beings walking in the

208  
00:08:49,670 --> 00:08:48,120  
opposite direction and I sought the fork

209  
00:08:51,440 --> 00:08:49,680  
walked through the short hedge and

210  
00:08:55,560 --> 00:08:51,450  
disappeared just before crossing the

211  
00:08:59,750 --> 00:08:55,570  
road completely disappear into thin area

212  
00:09:04,080 --> 00:09:03,510  
he say zero-zero 8-4 it's okay you're

213  
00:09:05,970 --> 00:09:04,090

safe

214

00:09:07,980 --> 00:09:05,980

hello there I was listening to a story

215

00:09:09,870 --> 00:09:07,990

you published about the thing on my bed

216

00:09:12,300 --> 00:09:09,880

and I had a similar encounter around

217

00:09:14,220 --> 00:09:12,310

Mayor Jun a few years ago I haven't told

218

00:09:16,080 --> 00:09:14,230

very many people because I don't want to

219

00:09:18,240 --> 00:09:16,090

seem crazy and the recollection of it

220

00:09:19,950 --> 00:09:18,250

frightens me to this day I live in a

221

00:09:21,960 --> 00:09:19,960

suite on New York which is a some would

222

00:09:24,090 --> 00:09:21,970

quite college town on Lake Ontario I

223

00:09:26,400 --> 00:09:24,100

remember it like it was yesterday and my

224

00:09:27,930 --> 00:09:26,410

heart sinks just thinking about it I was

225

00:09:29,790 --> 00:09:27,940

at my friend's house by the river

226

00:09:31,950 --> 00:09:29,800

looking off towards the east enjoying a

227

00:09:34,020 --> 00:09:31,960

cigar by a small bonfire we had started

228

00:09:35,640 --> 00:09:34,030

in his backyard it was a really clear

229

00:09:37,140 --> 00:09:35,650

warm night and being out in the country

230

00:09:39,960 --> 00:09:37,150

a bit there was not much light pollution

231

00:09:41,880 --> 00:09:39,970

so you could really see the stars around

232

00:09:43,410 --> 00:09:41,890

nine-ish I noticed what appeared to be a

233

00:09:45,360 --> 00:09:43,420

fireball with the tail in the sky

234

00:09:47,700 --> 00:09:45,370

however this was no ordinary fireball

235

00:09:49,860 --> 00:09:47,710

comet or meteor this fireball seemed

236

00:09:51,780 --> 00:09:49,870

alive it was bright green in color and

237

00:09:53,340 --> 00:09:51,790

was moving in an erratic pattern it did

238

00:09:55,140 --> 00:09:53,350

a few loops and hopped heading from

239

00:09:56,880 --> 00:09:55,150

north we have a nuclear plant on the

240

00:09:58,920 --> 00:09:56,890

lake and that seemed to be where it was

241

00:10:01,110 --> 00:09:58,930

coming from to sell before disappearing

242

00:10:03,300 --> 00:10:01,120

in the treeline across the river the

243

00:10:05,700 --> 00:10:03,310

sighting only lasted about 10 seconds i

244

00:10:07,620 --> 00:10:05,710

sat there in awe for about five minutes

245

00:10:09,390 --> 00:10:07,630

sadly my friend was inside and had

246

00:10:11,280 --> 00:10:09,400

missed it but he saw the look on my face

247

00:10:13,050 --> 00:10:11,290

and when I told him what I saw he

248

00:10:14,640 --> 00:10:13,060

believed it I thought that would be the

249

00:10:16,310 --> 00:10:14,650

end of it however little did I know I

250

00:10:18,900 --> 00:10:16,320

would get a much closer encounter

251  
00:10:20,940 --> 00:10:18,910  
fast-forward about two weeks once again

252  
00:10:22,830 --> 00:10:20,950  
it was nighttime I was at my parents

253  
00:10:25,440 --> 00:10:22,840  
house about a mile and a half away from

254  
00:10:27,480 --> 00:10:25,450  
my friend's house where I had decided it

255  
00:10:29,460 --> 00:10:27,490  
was once again nighttime I was in bed

256  
00:10:31,800 --> 00:10:29,470  
and it had to be about four or five in

257  
00:10:33,660 --> 00:10:31,810  
the morning I felt saw a green flash of

258  
00:10:35,040 --> 00:10:33,670  
light through my closed eyelids almost

259  
00:10:36,900 --> 00:10:35,050  
like someone had taken a bright

260  
00:10:38,670 --> 00:10:36,910  
flashlight and put a green filter on it

261  
00:10:41,370 --> 00:10:38,680  
and was shining it directly into my

262  
00:10:43,140 --> 00:10:41,380  
eyelids I tried to open my eyes but it

263  
00:10:45,420 --> 00:10:43,150

felt like they were glued shut I also

264

00:10:47,280 --> 00:10:45,430

felt pressure on all of my linens as if

265

00:10:49,620 --> 00:10:47,290

I was being held down by some sort of

266

00:10:51,750 --> 00:10:49,630

force after a few seconds of panic my

267

00:10:54,150 --> 00:10:51,760

eyes finally opened to my dimly moonlit

268

00:10:56,010 --> 00:10:54,160

room and I wish they hadn't I was on my

269

00:10:58,290 --> 00:10:56,020

twin sized mattress which was on my

270

00:11:00,630 --> 00:10:58,300

bedroom floor my bedroom is about 10 X

271

00:11:02,580 --> 00:11:00,640

12 and these beans were there I thought

272

00:11:04,620 --> 00:11:02,590

I was dreaming so I blinked a few times

273

00:11:06,750 --> 00:11:04,630

and was able to tilt my head a little to

274

00:11:07,170 --> 00:11:06,760

the left to dry the beans were still

275

00:11:09,210 --> 00:11:07,180

there

276  
00:11:10,410 --> 00:11:09,220  
these beans were gray in appearance and

277  
00:11:11,640 --> 00:11:10,420  
were short little things probably

278  
00:11:13,050 --> 00:11:11,650  
knee-high at most

279  
00:11:14,970 --> 00:11:13,060  
they did not appear to be wearing

280  
00:11:17,220 --> 00:11:14,980  
clothes they were just light gray and

281  
00:11:19,650 --> 00:11:17,230  
had very smooth skin they had large

282  
00:11:22,170 --> 00:11:19,660  
black eyes thin limbs were bold and had

283  
00:11:23,700 --> 00:11:22,180  
oversized heads with small police all of

284  
00:11:25,860 --> 00:11:23,710  
them seem to be hunched over in

285  
00:11:27,870 --> 00:11:25,870  
appearance and we're all identical their

286  
00:11:29,640 --> 00:11:27,880  
faces showed no menace they were more or

287  
00:11:30,840 --> 00:11:29,650  
less vacantly staring at me while

288  
00:11:33,090 --> 00:11:30,850

occasionally looking at one another

289

00:11:34,950 --> 00:11:33,100

seemingly non-verbally communicating

290

00:11:37,110 --> 00:11:34,960

back and forth there was one on each of

291

00:11:38,790 --> 00:11:37,120

my limbs when holding my head when

292

00:11:40,890 --> 00:11:38,800

standing by my door seemingly as a

293

00:11:42,750 --> 00:11:40,900

lookout when standing bedside to my

294

00:11:44,370 --> 00:11:42,760

right and one in front of the closet off

295

00:11:46,950 --> 00:11:44,380

to the right for a total of eight I

296

00:11:48,660 --> 00:11:46,960

tried to move to struggle anything but

297

00:11:50,970 --> 00:11:48,670

it was as if their hands had a numbing

298

00:11:53,280 --> 00:11:50,980

effect to my body my brain said fight

299

00:11:55,170 --> 00:11:53,290

struggle do something however despite my

300

00:11:57,390 --> 00:11:55,180

best effort I could do nothing but lay

301

00:11:58,950 --> 00:11:57,400

there at their mercy it seems as if by

302

00:12:01,350 --> 00:11:58,960

holding me they were able to block my

303

00:12:03,570 --> 00:12:01,360

brain signals to move I was finally able

304

00:12:05,790 --> 00:12:03,580

to whisper please stop go away leave me

305

00:12:07,950 --> 00:12:05,800

alone the one standing off to my right

306

00:12:09,750 --> 00:12:07,960

seemed to sense my fear or understand me

307

00:12:11,730 --> 00:12:09,760

because he reached over and stroked my

308

00:12:14,010 --> 00:12:11,740

face and spoken his sort of whispering

309

00:12:16,620 --> 00:12:14,020

raspy elderly man's voice saying it's

310

00:12:18,420 --> 00:12:16,630

okay you are safe after saying this one

311

00:12:19,890 --> 00:12:18,430

by one the grey beans hopped off me and

312

00:12:21,720 --> 00:12:19,900

scampered over to where the one being

313

00:12:23,340 --> 00:12:21,730

was standing by my closet and each

314

00:12:25,680 --> 00:12:23,350

seemed to teleport in a quiet quick

315

00:12:27,840 --> 00:12:25,690

flash no light will the one who spoke to

316

00:12:30,150 --> 00:12:27,850

me kept his hand on me stroking my head

317

00:12:32,370 --> 00:12:30,160

as if to reassure my safety but keep me

318

00:12:34,020 --> 00:12:32,380

paralyzed still the one standing by the

319

00:12:36,150 --> 00:12:34,030

door who I assumed to be the lookout

320

00:12:37,710 --> 00:12:36,160

then went to the spot by my closet and

321

00:12:39,870 --> 00:12:37,720

it too vanished along with the one

322

00:12:42,090 --> 00:12:39,880

standing next to my closet the one

323

00:12:44,430 --> 00:12:42,100

standing bedside said one last time rest

324

00:12:46,350 --> 00:12:44,440

you safe then patted me sort of trotted

325

00:12:48,810 --> 00:12:46,360

over to my closet like the rest looked

326

00:12:50,520 --> 00:12:48,820

back at me knotted then vanished I sort

327

00:12:52,410 --> 00:12:50,530

of passed out then we'll back up in a

328

00:12:54,450 --> 00:12:52,420

rush with full function of my body in a

329

00:12:56,310 --> 00:12:54,460

cold sweat I flew over to my light

330

00:12:58,140 --> 00:12:56,320

switch and turned on the lights and just

331

00:13:00,660 --> 00:12:58,150

sat there who if I did what had happened

332

00:13:02,760 --> 00:13:00,670

I just sat there shaking my head it had

333

00:13:04,710 --> 00:13:02,770

to be a dream I thought I looked down at

334

00:13:06,120 --> 00:13:04,720

my arms and legs and was horrified I

335

00:13:08,310 --> 00:13:06,130

could see faint red marks where the

336

00:13:10,079 --> 00:13:08,320

beans had been holding me my room had

337

00:13:11,670 --> 00:13:10,089

this weird smell about it and there was

338

00:13:14,130 --> 00:13:11,680

a small seemingly bleached yellowish

339

00:13:16,079 --> 00:13:14,140

spot about the size of an M&M on my blue

340

00:13:18,510 --> 00:13:16,089

carpet where I saw the beans teleport

341

00:13:20,340 --> 00:13:18,520

from by my closet area that spot had not

342

00:13:22,410 --> 00:13:20,350

been there before to this day I still

343

00:13:24,329 --> 00:13:22,420

get a nervous feeling when I go to sleep

344

00:13:24,780 --> 00:13:24,339

and usually cover that area up with the

345

00:13:26,340 --> 00:13:24,790

blanket

346

00:13:28,800 --> 00:13:26,350

something in hopes that these visitors

347

00:13:30,390 --> 00:13:28,810

don't come back a part of me also sort

348

00:13:32,460 --> 00:13:30,400

of wishes they would come back in a less

349

00:13:38,790 --> 00:13:32,470

intrusive way so I could find out what

350

00:13:44,160 --> 00:13:41,850
