00:00:05,710 --> 00:00:04,590
[Music]

2
00:00:10,540 --> 00:00:05,720
[Applause]

3
00:00:12,360 --> 00:00:10,550
[Music]

4
00:00:17,740 --> 00:00:12,370
[Applause]

5
00:00:21,050 --> 00:00:19,939
please like and comment below and

6
00:00:26,660 --> 00:00:21,060
subscribe and share for more

7
00:00:34,020 --> 00:00:30,990
case number a zero zero nine - one stop

8
00:00:35,970 --> 00:00:34,030
sign encounter about two years ago I had

9
00:00:37,979 --> 00:00:35,980
an experience which I will recount to

10
00:00:40,229 --> 00:00:37,989
you I have been speaking of this more

11
00:00:42,510 --> 00:00:40,239
but it took some time to reconcile I

12
00:00:45,000 --> 00:00:42,520
believe it would have been early March I

13
00:00:47,130 --> 00:00:45,010

am an interior scaper which means I take

14

00:00:49,590 --> 00:00:47,140

care of plants and offices and estates

15

00:00:51,210 --> 00:00:49,600

at the time I have the contract to

16

00:00:53,130 --> 00:00:51,220

maintain the plant material in the

17

00:00:55,590 --> 00:00:53,140

executive offices at electronic data

18

00:00:57,210 --> 00:00:55,600

systems in Plano Texas because I

19

00:01:01,079 --> 00:00:57,220

maintained the plants for the highest

20

00:01:02,520 --> 00:01:01,089

level employees co-ceo etc I would do my

21

00:01:03,960 --> 00:01:02,530

work pretty much in the middle of the

22

00:01:06,539 --> 00:01:03,970

night by escort of their security

23

00:01:09,660 --> 00:01:06,549

personnel I had the contract to do this

24

00:01:11,550 --> 00:01:09,670

work for them since 1998 once a week I

25

00:01:13,320 --> 00:01:11,560

would leave my home where I live in a

26

00:01:15,600 --> 00:01:13,330

country setting and travel about

27

00:01:16,020 --> 00:01:15,610

forty-five minutes into Plano to do this

28

00:01:19,109 --> 00:01:16,030

work

29

00:01:21,630 --> 00:01:19,119

on this morning it was about 2:30 a.m. I

30

00:01:23,700 --> 00:01:21,640

had loaded my van with my work materials

31

00:01:25,920 --> 00:01:23,710

and started out on a very cold and

32

00:01:27,330 --> 00:01:25,930

unpleasant morning it had been raining

33

00:01:29,610 --> 00:01:27,340

and the wind was blowing

34

00:01:31,470 --> 00:01:29,620

I had my windshield wipers on because

35

00:01:33,510 --> 00:01:31,480

the wind was blowing water off the trees

36

00:01:35,700 --> 00:01:33,520

though it wasn't raining at the moment I

37

00:01:38,190 --> 00:01:35,710

turned on the residential street to make

38

00:01:40,080 --> 00:01:38,200

my way out into the main roads as I

39

00:01:42,480 --> 00:01:40,090

approached the first stop sign my

40

00:01:45,150 --> 00:01:42,490

headlights illuminated a being this is

41

00:01:46,650 --> 00:01:45,160

how I describe it first I must comment

42

00:01:49,140 --> 00:01:46,660

that I was immediately struck by a

43

00:01:51,450 --> 00:01:49,150

terrible fear I believe my neck hair

44

00:01:53,340 --> 00:01:51,460

stood on end and I realized later that I

45

00:01:56,040 --> 00:01:53,350

had popped out in a complete sweat I

46

00:01:58,320 --> 00:01:56,050

never sweat and it was very cold but my

47

00:02:00,660 --> 00:01:58,330

shirt had huge armpit rings by the time

48

00:02:02,310 --> 00:02:00,670

I reached the toll road so I instantly

49

00:02:04,260 --> 00:02:02,320

knew that I was seeing something very

50

00:02:06,390 --> 00:02:04,270

out of the ordinary at the first second

51
00:02:08,580 --> 00:02:06,400
I would say this being was about five

52
00:02:10,710 --> 00:02:08,590
feet tall it crossed the road on the

53
00:02:12,660 --> 00:02:10,720
cross street in front of me I had

54
00:02:14,759 --> 00:02:12,670
probably 10 or so seconds as my van

55
00:02:16,470 --> 00:02:14,769
approached the stop sign and I had my

56
00:02:19,500 --> 00:02:16,480
foot on the brake pedal already when I

57
00:02:22,080 --> 00:02:19,510
saw it I was traveling slowly anyway it

58
00:02:24,420 --> 00:02:22,090
was a glossy white color and I could not

59
00:02:26,250 --> 00:02:24,430
discern any clothing it was the same

60
00:02:28,440 --> 00:02:26,260
glossy white from its head to its feet

61
00:02:30,479 --> 00:02:28,450
it did not turn its head to look at me

62
00:02:33,059 --> 00:02:30,489
so I do not know what the eyes looked

63
00:02:35,280 --> 00:02:33,069

like it moved in a very strange fashion

64

00:02:35,760 --> 00:02:35,290

it did not seem to have any bandit in

65

00:02:38,340 --> 00:02:35,770

the air

66

00:02:40,170 --> 00:02:38,350

and shuffled rather than walked the arms

67

00:02:42,090 --> 00:02:40,180

were very long much longer than a

68

00:02:44,280 --> 00:02:42,100

person's and they hung down much past

69

00:02:46,380 --> 00:02:44,290

where one would expect knees and also

70

00:02:49,230 --> 00:02:46,390

had no bend where one would expect almos

71

00:02:51,450 --> 00:02:49,240

I believe the hands were large the head

72

00:02:53,880 --> 00:02:51,460

was not very big nothing like once he's

73

00:02:55,650 --> 00:02:53,890

looking up pictures of grace there was

74

00:02:58,500 --> 00:02:55,660

nothing threatening in its manner but I

75

00:03:00,120 --> 00:02:58,510

was terrified nonetheless I must say it

76
00:03:01,500 --> 00:03:00,130
took every ounce of courage for me to

77
00:03:03,240 --> 00:03:01,510
turn my head to the left in the

78
00:03:05,820 --> 00:03:03,250
direction it had gone when I came to a

79
00:03:07,680 --> 00:03:05,830
stop at the stop sign I saw nothing

80
00:03:09,720 --> 00:03:07,690
there and I floored it and got the hell

81
00:03:11,490 --> 00:03:09,730
out of there nothing strange or unusual

82
00:03:14,160 --> 00:03:11,500
happened on the rest of the trip

83
00:03:15,840 --> 00:03:14,170
although I was really scared and nothing

84
00:03:17,670 --> 00:03:15,850
has happened in all the time since then

85
00:03:19,830 --> 00:03:17,680
I wish I had known that there would be

86
00:03:21,540 --> 00:03:19,840
no consequences from seeing it and I

87
00:03:24,420 --> 00:03:21,550
could have saved myself a lot of anxiety

88
00:03:25,800 --> 00:03:24,430

I would love to see it again if I could

89

00:03:28,080 --> 00:03:25,810

know for sure that again there would be

90

00:03:29,520 --> 00:03:28,090

no consequences and I could look at it

91

00:03:31,530 --> 00:03:29,530

from behind an army of people who

92

00:03:32,100 --> 00:03:31,540

probably believed me to be deluded or a

93

00:03:34,620 --> 00:03:32,110

liar

94

00:03:36,630 --> 00:03:34,630

obviously I have no idea what it is

95

00:03:39,180 --> 00:03:36,640

except to say that I know it is not

96

00:03:40,980 --> 00:03:39,190

human I guess it could be an alien from

97

00:03:43,590 --> 00:03:40,990

space or a creature from another

98

00:03:45,720 --> 00:03:43,600

dimension seeing it had a big effect on

99

00:03:47,760 --> 00:03:45,730

me I have never been in the least bit

100

00:03:50,070 --> 00:03:47,770

afraid outside in the night I breed and

101
00:03:52,170 --> 00:03:50,080
raise horses and I have spent many many

102
00:03:53,850 --> 00:03:52,180
nights out in the barn by myself waiting

103
00:03:56,850 --> 00:03:53,860
for a mare to foal but I was very

104
00:03:59,220 --> 00:03:56,860
nervous outside after that I also began

105
00:04:01,080 --> 00:03:59,230
to dread going to that account it was

106
00:04:03,690 --> 00:04:01,090
eons before I could go by that stop sign

107
00:04:06,270 --> 00:04:03,700
without feeling that fear I have had

108
00:04:08,610 --> 00:04:06,280
some unusual experiences in my life but

109
00:04:10,530 --> 00:04:08,620
nothing like this I do not know what to

110
00:04:11,970 --> 00:04:10,540
make of this experience other than to

111
00:04:14,250 --> 00:04:11,980
acknowledge that there is much more to

112
00:04:16,140 --> 00:04:14,260
this world than we know I come from a

113
00:04:17,789 --> 00:04:16,150

well-educated family of engineers and

114

00:04:19,349 --> 00:04:17,799

economists and they would have preferred

115

00:04:21,630 --> 00:04:19,359

no family member of theirs have an

116

00:04:29,689 --> 00:04:21,640

experience like this which puts on in a

117

00:04:36,210 --> 00:04:34,080

face number a 0 0 9 - to her grey alien

118

00:04:38,879 --> 00:04:36,220

statues I thought I would share my own

119

00:04:40,680 --> 00:04:38,889

story this did not personally happen to

120

00:04:42,689 --> 00:04:40,690

me for all I know it could be totally

121

00:04:45,900 --> 00:04:42,699

made up but it was so crazy it just

122

00:04:47,820 --> 00:04:45,910

might be real back in mid 2011 I was

123

00:04:49,740 --> 00:04:47,830

working a temporary job as a data

124

00:04:52,469 --> 00:04:49,750

collector at White Sands Missile Range

125

00:04:54,600 --> 00:04:52,479

in New Mexico I am a former military

126
00:04:56,700 --> 00:04:54,610
service member and my qualifications

127
00:04:58,740 --> 00:04:56,710
landed me the job anyway

128
00:05:00,510 --> 00:04:58,750
my job was fairly simple I would

129
00:05:02,550 --> 00:05:00,520
document technical data on new

130
00:05:04,710 --> 00:05:02,560
communications equipment being field

131
00:05:07,560 --> 00:05:04,720
tested by the Army's operational tests

132
00:05:09,180 --> 00:05:07,570
command OTC one of the technicians that

133
00:05:11,610 --> 00:05:09,190
worked with me was also a field

134
00:05:14,040 --> 00:05:11,620
technician for Dirac for dish we would

135
00:05:16,350 --> 00:05:14,050
work long hours alongside the OTC staff

136
00:05:18,060 --> 00:05:16,360
and became good friends working long

137
00:05:20,040 --> 00:05:18,070
hours out in the middle of nowhere

138
00:05:22,800 --> 00:05:20,050

storytelling became a good way to kill

139

00:05:25,350 --> 00:05:22,810

time one particular occasion he shared a

140

00:05:26,909 --> 00:05:25,360

very strange story he recounted working

141

00:05:29,249 --> 00:05:26,919

with the satellite provider out of

142

00:05:32,129 --> 00:05:29,259

deeming New Mexico's small town west of

143

00:05:34,170 --> 00:05:32,139

El Paso Texas one day a call came in

144

00:05:36,510 --> 00:05:34,180

about a service installation within his

145

00:05:38,310 --> 00:05:36,520

area of responsibility he was assigned

146

00:05:40,740 --> 00:05:38,320

to partner and they both drove out to

147

00:05:42,270 --> 00:05:40,750

the property to install the service the

148

00:05:44,580 --> 00:05:42,280

property was a ranch house in the

149

00:05:46,680 --> 00:05:44,590

outskirts of the Luna County line a good

150

00:05:48,779 --> 00:05:46,690

driving distance from deeming New Mexico

151

00:05:50,550 --> 00:05:48,789

when they arrived at the property they

152

00:05:52,710 --> 00:05:50,560

called the owner to inform her that they

153

00:05:54,899 --> 00:05:52,720

were at the entrance to her gate a few

154

00:05:57,180 --> 00:05:54,909

minutes later the owner an older woman

155

00:05:58,950 --> 00:05:57,190

in her 70s or 80s drove up to open the

156

00:06:01,080 --> 00:05:58,960

gate for them they introduced themselves

157

00:06:03,960 --> 00:06:01,090

and proceeded to follow her back to her

158

00:06:05,670 --> 00:06:03,970

home along the way he said he noticed a

159

00:06:06,390 --> 00:06:05,680

lot of strange sculptures lining the

160

00:06:08,249 --> 00:06:06,400

dirt road

161

00:06:10,409 --> 00:06:08,259

the sculptures were made of sheet metal

162

00:06:13,140 --> 00:06:10,419

aluminum and wood he said they looked

163

00:06:15,570 --> 00:06:13,150

like huge windchimes windmills and other

164

00:06:18,029 --> 00:06:15,580

odd forms what struck him was the size

165

00:06:20,520 --> 00:06:18,039

and complexity upon arriving to the

166

00:06:22,560 --> 00:06:20,530

house they got to work everything seemed

167

00:06:24,600 --> 00:06:22,570

normal about the property aside from his

168

00:06:26,580 --> 00:06:24,610

sculptures after an hour or two of

169

00:06:29,040 --> 00:06:26,590

working out in the hot New Mexican heat

170

00:06:31,200 --> 00:06:29,050

he and his partner took a break the old

171

00:06:33,330 --> 00:06:31,210

woman came outside and gave them some

172

00:06:35,040 --> 00:06:33,340

water and was very friendly the old

173

00:06:35,760 --> 00:06:35,050

woman was very excited about her new

174

00:06:37,320 --> 00:06:35,770

service

175

00:06:39,450 --> 00:06:37,330

she told the men her husband had passed

176
00:06:41,709 --> 00:06:39,460
away a few years back and she could use

177
00:06:44,029 --> 00:06:41,719
the entertainment since she lived by her

178
00:06:45,860 --> 00:06:44,039
after installing the dish on the roof

179
00:06:47,809 --> 00:06:45,870
the techs asked permission to enter the

180
00:06:50,059 --> 00:06:47,819
house to set up the receiver and run the

181
00:06:52,610 --> 00:06:50,069
wires the old woman was a bit hesitant

182
00:06:54,920 --> 00:06:52,620
but agreed to let them in the house once

183
00:06:57,080 --> 00:06:54,930
inside the home my friend said both of

184
00:06:59,179 --> 00:06:57,090
them became startled inside the home

185
00:07:02,149 --> 00:06:59,189
were dozens of concrete alien statues

186
00:07:04,520 --> 00:07:02,159
yes aliens grazed to be exact

187
00:07:07,429 --> 00:07:04,530
they were lifelike had limbs fingers

188
00:07:10,429 --> 00:07:07,439

eyes mouths he could see wrinkles scars

189

00:07:12,050 --> 00:07:10,439

too precise to be molds for copies they

190

00:07:14,719 --> 00:07:12,060

were everywhere in the hallway in the

191

00:07:16,730 --> 00:07:14,729

kitchen no two were the same they were

192

00:07:19,040 --> 00:07:16,740

different sizes some taller than others

193

00:07:21,649 --> 00:07:19,050

there was no reason to rhyme to them

194

00:07:23,480 --> 00:07:21,659

some were staring at the wall some were

195

00:07:25,580 --> 00:07:23,490

in the way just strange

196

00:07:28,070 --> 00:07:25,590

he remembered thinking who the hell put

197

00:07:29,029 --> 00:07:28,080

all these statues here surely the old

198

00:07:31,640 --> 00:07:29,039

woman couldn't have done that

199

00:07:33,110 --> 00:07:31,650

nonetheless the men got to work and

200

00:07:35,300 --> 00:07:33,120

decided to keep their thoughts to

201

00:07:37,189 --> 00:07:35,310

themselves a short time later

202

00:07:39,860 --> 00:07:37,199

the woman broke the ice by talking about

203

00:07:41,959 --> 00:07:39,870

the concrete statues she stated her

204

00:07:45,379 --> 00:07:41,969

husband was engineer with US Air Force

205

00:07:47,899 --> 00:07:45,389

in Roswell New Mexico in mid 1947 an

206

00:07:49,579 --> 00:07:47,909

alien craft crashed at a ranch there she

207

00:07:52,249 --> 00:07:49,589

said her husband not only worked at the

208

00:07:54,019 --> 00:07:52,259

alien crash site but had proof he said

209

00:07:56,209 --> 00:07:54,029

the old woman shared her late husband's

210

00:07:57,920 --> 00:07:56,219

personal photo album it contained

211

00:08:00,890 --> 00:07:57,930

typical photos you would expect to see

212

00:08:02,329 --> 00:08:00,900

wedding pictures family portraits but it

213

00:08:04,189 --> 00:08:02,339

turned strange when they saw old

214

00:08:06,170 --> 00:08:04,199

pictures of alien remains and of the

215

00:08:09,469 --> 00:08:06,180

wreckage almost evidence like with

216

00:08:11,570 --> 00:08:09,479

measurements csi-type stuff he could not

217

00:08:14,149 --> 00:08:11,580

believe it he surely thought this lady

218

00:08:16,429 --> 00:08:14,159

was insane or clearly pranking them the

219

00:08:18,290 --> 00:08:16,439

woman went on to explain that government

220

00:08:20,179 --> 00:08:18,300

officials and engineers were able to

221

00:08:22,490 --> 00:08:20,189

decipher messages and symbols etched

222

00:08:24,679 --> 00:08:22,500

into the spaceship her husband became

223

00:08:26,540 --> 00:08:24,689

obsessed with them she said her husband

224

00:08:28,519 --> 00:08:26,550

along with others were able to decipher

225

00:08:31,129 --> 00:08:28,529

that the origins of humanity were at the

226

00:08:32,779 --> 00:08:31,139

edge of the moon whatever that meant she

227

00:08:34,399 --> 00:08:32,789

went on to say that was the reason

228

00:08:36,860 --> 00:08:34,409

behind the space race with the Soviet

229

00:08:38,659 --> 00:08:36,870

Union that NASA's missions were some

230

00:08:40,310 --> 00:08:38,669

sort of cover-up the real reason

231

00:08:42,110 --> 00:08:40,320

Americans went to the moon was to

232

00:08:44,480 --> 00:08:42,120

validate the evidence they had found in

233

00:08:46,400 --> 00:08:44,490

Roswell New Mexico she explained that

234

00:08:48,110 --> 00:08:46,410

after her husband retired he was

235

00:08:50,150 --> 00:08:48,120

convinced that the origins of humanity

236

00:08:51,330 --> 00:08:50,160

were not at the edge of the moon but at

237

00:08:54,240 --> 00:08:51,340

the edge of Luna count

238

00:08:56,010 --> 00:08:54,250

Luna means moon in Spanish her husband

239

00:08:57,720 --> 00:08:56,020

and her bought a few acres of land at

240

00:08:59,550 --> 00:08:57,730

the edge of the county line and he

241

00:09:01,470 --> 00:08:59,560

continued to search for answers and

242

00:09:03,810 --> 00:09:01,480

build those strange sculptures until his

243

00:09:06,060 --> 00:09:03,820

death the old woman said that after her

244

00:09:08,010 --> 00:09:06,070

husband passed she became depressed and

245

00:09:10,320 --> 00:09:08,020

very ill and could not continue her

246

00:09:12,960 --> 00:09:10,330

husband's work it was at that time that

247

00:09:15,390 --> 00:09:12,970

the gray started manifesting at first it

248

00:09:17,610 --> 00:09:15,400

was one than two sometimes they would go

249

00:09:19,320 --> 00:09:17,620

weeks without appearing but over the

250

00:09:21,720 --> 00:09:19,330

months and eventually years they

251
00:09:23,400 --> 00:09:21,730
starting manifesting in the dozens she

252
00:09:25,140 --> 00:09:23,410
used the term manifest meaning they

253
00:09:27,060 --> 00:09:25,150
would just materialize in and out of

254
00:09:29,070 --> 00:09:27,070
space and time she said they were

255
00:09:31,230 --> 00:09:29,080
nocturnal beings and hated the daylight

256
00:09:33,329 --> 00:09:31,240
during the night they would manifest and

257
00:09:35,550 --> 00:09:33,339
keep her company using telepathy to

258
00:09:37,170 --> 00:09:35,560
communicate with her she said they cured

259
00:09:39,540 --> 00:09:37,180
her illness and depression and became

260
00:09:41,519 --> 00:09:39,550
very fond of her she would spend long

261
00:09:43,440 --> 00:09:41,529
hours at night talking about humanity

262
00:09:45,780 --> 00:09:43,450
and our imperfection and our destructive

263
00:09:47,490 --> 00:09:45,790

nature she went on to explain that

264

00:09:49,200 --> 00:09:47,500

because they were nocturnal during the

265

00:09:51,060 --> 00:09:49,210

day they would sleep or hibernate by

266

00:09:53,190 --> 00:09:51,070

turning to stone as a way to protect

267

00:09:55,680 --> 00:09:53,200

their bodies from the sunlight that is

268

00:09:57,510 --> 00:09:55,690

why she needed satellite service because

269

00:09:59,820 --> 00:09:57,520

during the day she had nobody to keep

270

00:10:01,740 --> 00:09:59,830

her company and she would get bored my

271

00:10:03,780 --> 00:10:01,750

friend remembered experiencing strange

272

00:10:06,060 --> 00:10:03,790

feelings of being watched by the statues

273

00:10:08,520 --> 00:10:06,070

and experiencing the so-called funhouse

274

00:10:10,980 --> 00:10:08,530

effect becoming disoriented at times

275

00:10:13,500 --> 00:10:10,990

they completed the work showed the old

276

00:10:15,300 --> 00:10:13,510

woman her new satellite service she was

277

00:10:17,640 --> 00:10:15,310

elated she thanked them for their

278

00:10:20,400 --> 00:10:17,650

service and just like that it was over

279

00:10:22,140 --> 00:10:20,410

the drive back to deeming was quite who

280

00:10:23,730 --> 00:10:22,150

would believe them did they see what

281

00:10:25,890 --> 00:10:23,740

they thought they did was it an

282

00:10:27,600 --> 00:10:25,900

elaborate hoax by an old woman they

283

00:10:29,400 --> 00:10:27,610

ended up sharing the story with those

284

00:10:31,590 --> 00:10:29,410

who were crazy enough to listen to it

285

00:10:39,740 --> 00:10:31,600

when he shared his story with me I was

286

00:10:48,290 --> 00:10:44,630

case number a00 9-3 Tombstone Arizona

287

00:10:50,330 --> 00:10:48,300

the town too tough to die my wife and I

288

00:10:52,790 --> 00:10:50,340

were down from Oregon for my sister's

289

00:10:56,690 --> 00:10:52,800

wedding in Tuscon Arizona on Saturday

290

00:10:59,210 --> 00:10:56,700

the 16th of October 2010 Sunday the 17th

291

00:11:01,100 --> 00:10:59,220

we drove out to tombstone where they

292

00:11:03,680 --> 00:11:01,110

just by chance for us were having

293

00:11:06,530 --> 00:11:03,690

Helldorado days which was a lot of fun

294

00:11:09,140 --> 00:11:06,540

as we were leaving tombstone we stopped

295

00:11:11,630 --> 00:11:09,150

at Boot Hill Cemetery just at the north

296

00:11:14,150 --> 00:11:11,640

end of town after walking through the

297

00:11:16,730 --> 00:11:14,160

cemetery my wife and I were about to get

298

00:11:19,280 --> 00:11:16,740

into the car I looked out over the road

299

00:11:21,680 --> 00:11:19,290

highway 80 toward the west to take in

300

00:11:23,840 --> 00:11:21,690

the scenery out over the desert that's

301
00:11:26,900 --> 00:11:23,850
when I noticed something just hanging

302
00:11:29,780 --> 00:11:26,910
there maybe a mile or 1.5 miles high and

303
00:11:32,330 --> 00:11:29,790
about three miles total distance at

304
00:11:34,430 --> 00:11:32,340
Hubbard and did not appear to move it

305
00:11:37,130 --> 00:11:34,440
was a little difficult to see with the

306
00:11:39,290 --> 00:11:37,140
Sun facing me at about 2:00 o'clock with

307
00:11:41,990 --> 00:11:39,300
the object to the left at 9 or 10

308
00:11:44,450 --> 00:11:42,000
o'clock at first I considered it could

309
00:11:46,790 --> 00:11:44,460
be a hot air balloon but I quickly ruled

310
00:11:49,040 --> 00:11:46,800
that out I thought the Sun could be

311
00:11:50,870 --> 00:11:49,050
reflecting off of something but that

312
00:11:53,390 --> 00:11:50,880
would mean there had to be something

313
00:11:55,579 --> 00:11:53,400

there to reflect off of with the naked

314

00:11:57,290 --> 00:11:55,589

eye I could see the dark area on the

315

00:12:00,170 --> 00:11:57,300

left hand the bright white vertical

316

00:12:02,450 --> 00:12:00,180

boomerang shape on the right I grabbed

317

00:12:05,810 --> 00:12:02,460

my camera and took about four pictures

318

00:12:07,880 --> 00:12:05,820

the one I posted is the best image these

319

00:12:10,790 --> 00:12:07,890

images were able to provide much more

320

00:12:13,160 --> 00:12:10,800

detail than I could see otherwise my

321

00:12:16,250 --> 00:12:13,170

wife also could see the object as well

322

00:12:18,620 --> 00:12:16,260

with no nearby roads leading out to the

323

00:12:20,930 --> 00:12:18,630

object and not knowing what it was we

324

00:12:23,660 --> 00:12:20,940

decided to leave after watching it for

325

00:12:26,060 --> 00:12:23,670

about ten minutes during that time it

326

00:12:32,040 --> 00:12:26,070

did not appear to move if anything it

327

00:12:37,630 --> 00:12:35,290

this is lawn Strickler if you like this

328

00:12:40,480 --> 00:12:37,640

program it would help us if you would

329

00:12:42,970 --> 00:12:40,490

give it a thumbs up then subscribe and

330

00:12:45,340 --> 00:12:42,980

click the bell icon so you get

331

00:12:48,069 --> 00:12:45,350

notification when we upload new first

332

00:12:51,280 --> 00:12:48,079

person encounters we have many more to

333

00:12:53,980 --> 00:12:51,290

come very soon and by the way if you
