00:00:35,010 --> 00:00:32,339
case a 0 1 1 - 1 the McDonagh mine train

8
00:00:37,110 --> 00:00:35,020
explosion a friend referred me to your

9
00:00:39,630 --> 00:00:37,120
articles about strange occurrences in

10
00:00:41,310 --> 00:00:39,640
West Virginia the Mothman encounters

11
00:00:44,190 --> 00:00:41,320
stirred memories of an incident that

12
00:00:46,110 --> 00:00:44,200
took place when I was a girl the strange

13
00:00:50,040 --> 00:00:46,120

incident took place near Powell ttan

14

00:00:53,070 --> 00:00:50,050

West Virginia in December 1934 I was 8

15

00:00:55,830 --> 00:00:53,080

years old at the time my father worked

16

00:00:57,690 --> 00:00:55,840

for Elkhorn tiny coal and McDonagh he

17

00:00:59,819 --> 00:00:57,700

and the other miners would take a train

18

00:01:02,100 --> 00:00:59,829

to the mine each day the day before

19

00:01:04,020 --> 00:01:02,110

Christmas Eve my father mentioned an

20

00:01:05,760 --> 00:01:04,030

unusual sighting he and the others on

21

00:01:07,560 --> 00:01:05,770

the train had while traveling back to

22

00:01:10,139 --> 00:01:07,570

Powell ttan from the mine that evening

23

00:01:12,450 --> 00:01:10,149

as they looked out toward the east they

24

00:01:15,210 --> 00:01:12,460

noticed a very large bird flying above

25

00:01:17,580 --> 00:01:15,220

the trees my father was a very simple

26
00:01:19,859 --> 00:01:17,590
man and did not believe in any nonsense

27
00:01:22,499 --> 00:01:19,869
but this large bird really caught his

28
00:01:25,770 --> 00:01:22,509
attention he described it as a freakish

29
00:01:27,870 --> 00:01:25,780
sized owl very dark in color the sky was

30
00:01:30,359 --> 00:01:27,880
getting dark but they could still make

31
00:01:32,370 --> 00:01:30,369
out the large form he said it also

32
00:01:34,830 --> 00:01:32,380
looked at the train as it flew over the

33
00:01:37,499 --> 00:01:34,840
trees nobody on the train could figure

34
00:01:39,480 --> 00:01:37,509
out what it was the mere fact that my

35
00:01:41,699 --> 00:01:39,490
father even mentioned it suggested that

36
00:01:43,980 --> 00:01:41,709
it must have been an unusual sight

37
00:01:45,870 --> 00:01:43,990
my father was scheduled off from work

38
00:01:49,260 --> 00:01:45,880

for three days during the Christmas

39

00:01:50,340 --> 00:01:49,270

holiday on December 27th he was getting

40

00:01:53,010 --> 00:01:50,350

ready for work

41

00:01:54,839 --> 00:01:53,020

but said he felt poorly my mother was

42

00:01:57,359 --> 00:01:54,849

concerned because he had a high fever

43

00:02:00,449 --> 00:01:57,369

and awful chills she insisted he stay

44

00:02:02,669 --> 00:02:00,459

home and telephoned the doctor my father

45

00:02:04,919 --> 00:02:02,679

was reluctant on staying home and put up

46

00:02:07,320 --> 00:02:04,929

a good argument but my mother was not

47

00:02:09,960 --> 00:02:07,330

going to back down she put him to bed

48

00:02:12,690 --> 00:02:09,970

and waited for the doctor well we waited

49

00:02:14,730 --> 00:02:12,700

for hours until the telephone rang the

50

00:02:16,620 --> 00:02:14,740

operator told my mother that the doctor

51
00:02:19,830 --> 00:02:16,630
was at McDon there had been a horrible

52
00:02:22,050 --> 00:02:19,840
train explosion she could not talk but

53
00:02:23,160 --> 00:02:22,060
said that the doctor's wife asked her to

54
00:02:25,410 --> 00:02:23,170
contact us

55
00:02:26,850 --> 00:02:25,420
my mother was pale when she told my

56
00:02:29,309 --> 00:02:26,860
father what had happened

57
00:02:31,500 --> 00:02:29,319
I remember they both started praying and

58
00:02:33,750 --> 00:02:31,510
crying for years both of them thought

59
00:02:36,000 --> 00:02:33,760
the large bird was an angel sent by God

60
00:02:37,920 --> 00:02:36,010
as a warning and that my father's life

61
00:02:40,679 --> 00:02:37,930
was saved for a reason

62
00:02:42,449 --> 00:02:40,689
my father never went back to the mine it

63
00:02:44,819 --> 00:02:42,459

turned out that he had contracted polio

64

00:02:47,550 --> 00:02:44,829

though he was very lucky since he

65

00:02:49,199 --> 00:02:47,560

survived it with only a slight limp we

66

00:02:51,330 --> 00:02:49,209

soon moved away to a small town in

67

00:02:53,250 --> 00:02:51,340

Kentucky where my father found the

68

00:02:55,410 --> 00:02:53,260

calling and become a Pentecostal

69

00:02:57,780 --> 00:02:55,420

preacher he told his story of survival

70

00:03:00,390 --> 00:02:57,790

to anyone who would listen until the day

71

00:03:02,339 --> 00:03:00,400

he died I happen to read your stories

72

00:03:04,979 --> 00:03:02,349

while looking on the internet with my

73

00:03:08,009 --> 00:03:04,989

great-grandson I always assumed my

74

00:03:10,830 --> 00:03:08,019

father saw something more divine that is

75

00:03:19,100 --> 00:03:10,840

what he always believed I am not so sure

76

00:03:26,040 --> 00:03:22,890

case a 0 1 1 - 2 are the Mothman

77

00:03:27,750 --> 00:03:26,050

Prophecies real my name is Megan I am

78

00:03:29,790 --> 00:03:27,760

forwarding a summary of an experience

79

00:03:32,220 --> 00:03:29,800

that I and a friend had in August 2010

80

00:03:33,750 --> 00:03:32,230

my friend and associate Kyra and I

81

00:03:35,850 --> 00:03:33,760

traveled from Columbus Ohio to

82

00:03:38,100 --> 00:03:35,860

Ravenswood West Virginia on business

83

00:03:40,650 --> 00:03:38,110

while we were there I wanted to make a

84

00:03:42,690 --> 00:03:40,660

side trip to Gallipolis Ohio in order to

85

00:03:44,490 --> 00:03:42,700

visit relatives I had not seen for quite

86

00:03:47,160 --> 00:03:44,500

a while after our meeting and

87

00:03:48,990 --> 00:03:47,170

presentation we drove on to Ohio route 7

88

00:03:51,780 --> 00:03:49,000

and traveled south along the Ohio River

89

00:03:54,630 --> 00:03:51,790

towards kallipolis we had a nice though

90

00:03:56,820 --> 00:03:54,640

brief visit with my relatives around 6

91

00:03:58,920 --> 00:03:56,830

p.m. we left their home and drove a few

92

00:04:01,920 --> 00:03:58,930

miles north on route 7 to check into a

93

00:04:04,170 --> 00:04:01,930

hotel near the local airport around 7:30

94

00:04:06,060 --> 00:04:04,180

p.m. we decided to get dinner and found

95

00:04:08,640 --> 00:04:06,070

a quiet restaurant so we could eat and

96

00:04:10,140 --> 00:04:08,650

work after we finished Kyra needed to go

97

00:04:12,479 --> 00:04:10,150

to the store and pick up a few items

98

00:04:14,400 --> 00:04:12,489

that she forgot to pack we headed to a

99

00:04:16,620 --> 00:04:14,410

Walmart that was nearby the restaurant

100

00:04:18,210 --> 00:04:16,630

after we finished shopping we were

101

00:04:19,470 --> 00:04:18,220

walking to the car when I noticed a

102

00:04:21,930 --> 00:04:19,480

woman running through the parking lot

103

00:04:23,550 --> 00:04:21,940

when she reached her car she looked back

104

00:04:25,800 --> 00:04:23,560

in the direction of the store then

105

00:04:27,480 --> 00:04:25,810

hurriedly got into the car I quickly

106

00:04:29,130 --> 00:04:27,490

looked in the same direction and saw

107

00:04:31,110 --> 00:04:29,140

what looked like a large bird flying

108

00:04:32,909 --> 00:04:31,120

above the roof of the store it was

109

00:04:34,590 --> 00:04:32,919

difficult to see but when it swooped

110

00:04:36,540 --> 00:04:34,600

downward the parking lot lights would

111

00:04:38,430 --> 00:04:36,550

shine off of it it looked like it was

112

00:04:40,890 --> 00:04:38,440

either oily or had shiny leather like

113

00:04:43,230 --> 00:04:40,900

skin whatever it was it had a wide

114

00:04:45,690 --> 00:04:43,240

wingspan I would guess it reached eight

115

00:04:47,400 --> 00:04:45,700

to ten foot across it circled above the

116

00:04:48,180 --> 00:04:47,410

store for about a minute then just

117

00:04:50,159 --> 00:04:48,190

disappeared

118

00:04:52,110 --> 00:04:50,169

we were both somewhat shocked at what we

119

00:04:54,930 --> 00:04:52,120

witnessed but figured that it was just a

120

00:04:57,150 --> 00:04:54,940

huge bird since it was dark I figured we

121

00:04:59,100 --> 00:04:57,160

had misjudged what it really was we

122

00:05:00,960 --> 00:04:59,110

drove back to the hotel and decided to

123

00:05:02,820 --> 00:05:00,970

call it a night so he could get an early

124

00:05:05,010 --> 00:05:02,830

start on the drive home in the morning I

125

00:05:07,529 --> 00:05:05,020

got ready for bed but thought I would

126
00:05:10,140 --> 00:05:07,539
watch some television first by this time

127
00:05:11,790 --> 00:05:10,150
it was around 10:00 p.m. or so I must

128
00:05:13,710 --> 00:05:11,800
have dozed off fairly quickly because

129
00:05:15,960 --> 00:05:13,720
the next thing I remember is frantic

130
00:05:18,450 --> 00:05:15,970
knocking on my door I stumbled out of

131
00:05:20,969 --> 00:05:18,460
bed and checked who it was it was Kyra

132
00:05:23,490 --> 00:05:20,979
and she was obviously upset she rushed

133
00:05:25,290 --> 00:05:23,500
into my room and said it is here I said

134
00:05:27,659 --> 00:05:25,300
what are you talking about a little bit

135
00:05:29,040 --> 00:05:27,669
perturbed that she woke me up she said

136
00:05:30,719 --> 00:05:29,050
that she was laying on the bed reading

137
00:05:32,939 --> 00:05:30,729
when she heard something in the hallway

138
00:05:34,320 --> 00:05:32,949

she got out of bed walked to the door

139

00:05:36,809 --> 00:05:34,330

and listened to what she thought was

140

00:05:38,939 --> 00:05:36,819

scratching sounds after a few minutes

141

00:05:41,309 --> 00:05:38,949

the sound stopped so she went back to

142

00:05:43,350 --> 00:05:41,319

bed not long after she laid down she

143

00:05:45,749 --> 00:05:43,360

heard more scratching sounds but from

144

00:05:47,459 --> 00:05:45,759

outside her window again she got up and

145

00:05:50,040 --> 00:05:47,469

peeked through the curtains this time

146

00:05:51,540 --> 00:05:50,050

something looked back at her our rooms

147

00:05:53,790 --> 00:05:51,550

were on the second floor in the back

148

00:05:55,679 --> 00:05:53,800

section of the hotel and both looked out

149

00:05:58,320 --> 00:05:55,689

onto a small parking lot in a large

150

00:06:00,779 --> 00:05:58,330

field beyond that she could see what she

151
00:06:02,279 --> 00:06:00,789
described as a bald ugly man with wings

152
00:06:04,079 --> 00:06:02,289
who was looking directly at her with

153
00:06:06,600 --> 00:06:04,089
large bulging eyes that lit up bright

154
00:06:08,850 --> 00:06:06,610
red it was there for only a few seconds

155
00:06:10,559 --> 00:06:08,860
it then spread its wings while running

156
00:06:12,450 --> 00:06:10,569
at the same time towards the end of the

157
00:06:14,790 --> 00:06:12,460
parking lot and lifted off the ground

158
00:06:17,639 --> 00:06:14,800
like a bird you are kidding right I

159
00:06:19,739 --> 00:06:17,649
muttered to her make I swear to God that

160
00:06:21,929 --> 00:06:19,749
thing is out there and it knows we saw

161
00:06:23,790 --> 00:06:21,939
it I knew the only way I was going to

162
00:06:26,070 --> 00:06:23,800
get some sleep was to allow Chiron to

163
00:06:28,019 --> 00:06:26,080

stay in my room the next morning we woke

164

00:06:30,239 --> 00:06:28,029

early checked out and drove back to

165

00:06:31,950 --> 00:06:30,249

Columbus Kyra did not mention the

166

00:06:34,409 --> 00:06:31,960

incident from the previous night during

167

00:06:35,850 --> 00:06:34,419

the ride in fact she has still never

168

00:06:37,980 --> 00:06:35,860

said anything else about it

169

00:06:40,350 --> 00:06:37,990

we continue to be good friends and have

170

00:06:42,659 --> 00:06:40,360

a very good working relationship but I

171

00:06:44,730 --> 00:06:42,669

got curious I had never heard about the

172

00:06:46,949 --> 00:06:44,740

Mothman or any of the tales associated

173

00:06:49,559 --> 00:06:46,959

with it I grew up in Texas and had only

174

00:06:51,360 --> 00:06:49,569

lived in Ohio for a few years I moved

175

00:06:53,879 --> 00:06:51,370

into my mom's house after she had passed

176
00:06:56,010 --> 00:06:53,889
away her relatives lived throughout Ohio

177
00:06:58,230 --> 00:06:56,020
but I had never been told any of the

178
00:07:00,329 --> 00:06:58,240
stories this is the reason I am writing

179
00:07:02,879 --> 00:07:00,339
to you we were near Point Pleasant West

180
00:07:04,199 --> 00:07:02,889
Virginia when we had this encounter do

181
00:07:06,570 --> 00:07:04,209
you think that it is possible that this

182
00:07:08,369 --> 00:07:06,580
was a Mothman I read some of your posts

183
00:07:10,110 --> 00:07:08,379
recently and I am starting to believe

184
00:07:12,570 --> 00:07:10,120
that Kyra actually saw something

185
00:07:14,399 --> 00:07:12,580
supernatural in light of the prophecies

186
00:07:16,559 --> 00:07:14,409
of danger that this thing is supposed to

187
00:07:19,049 --> 00:07:16,569
warn people about Kyra has had some bad

188
00:07:21,209 --> 00:07:19,059

luck and tragedy since that day her

189

00:07:23,249 --> 00:07:21,219

husband suddenly left her she had a fire

190

00:07:24,989 --> 00:07:23,259

in her house and she severely injured

191

00:07:27,389 --> 00:07:24,999

her leg in a fall could this be

192

00:07:29,699 --> 00:07:27,399

connected I personally do not believe in

193

00:07:31,199 --> 00:07:29,709

predictions either good or bad but I

194

00:07:34,480 --> 00:07:31,209

will admit that these have been strange

195

00:07:39,210 --> 00:07:34,490

times since we witnessed whatever it was

196

00:07:46,180 --> 00:07:43,660

they say 0 1 1 - 3 possible mothman I

197

00:07:48,900 --> 00:07:46,190

was driving back to my home in Grove

198

00:07:52,390 --> 00:07:48,910

City Ohio at about 9 p.m. on February

199

00:07:55,240 --> 00:07:52,400

22nd 2019 when I saw something very

200

00:07:57,940 --> 00:07:55,250

strange I had just made a turn off route

201
00:08:00,130 --> 00:07:57,950
104 on to Bora Road and was driving

202
00:08:02,740 --> 00:08:00,140
around a sharp turn when I saw something

203
00:08:04,900 --> 00:08:02,750
brown on the side of the road I first

204
00:08:07,300 --> 00:08:04,910
assumed it was a deer since I have seen

205
00:08:10,120 --> 00:08:07,310
several on this road before but as I got

206
00:08:12,250 --> 00:08:10,130
closer it was too big to be a deer the

207
00:08:14,320 --> 00:08:12,260
best I can describe this objected that

208
00:08:17,170 --> 00:08:14,330
it looked like a big piece of brown shag

209
00:08:20,140 --> 00:08:17,180
carpet about 6 to 7 feet tall and about

210
00:08:22,300 --> 00:08:20,150
10 feet wide as I came close to passing

211
00:08:24,220 --> 00:08:22,310
this object on the side of the road it

212
00:08:26,890 --> 00:08:24,230
folded up like the rug was being folded

213
00:08:28,780 --> 00:08:26,900

in half I flinched and swerved out of

214

00:08:30,550 --> 00:08:28,790

the way because as it folded I thought

215

00:08:33,400 --> 00:08:30,560

it was lunging toward me and coming

216

00:08:35,950 --> 00:08:33,410

after me I just sped up and kept driving

217

00:08:38,170 --> 00:08:35,960

home I did not tell anyone what I had

218

00:08:40,270 --> 00:08:38,180

seen for a few days because I was so

219

00:08:42,730 --> 00:08:40,280

baffled and did not want to believe that

220

00:08:44,440 --> 00:08:42,740

I saw what I did after replaying the

221

00:08:47,020 --> 00:08:44,450

sighting over and over in my head

222

00:08:48,760 --> 00:08:47,030

I decided to tell my wife and we started

223

00:08:51,310 --> 00:08:48,770

looking on the internet things that

224

00:08:52,750 --> 00:08:51,320

might match what I saw the closest thing

225

00:08:55,570 --> 00:08:52,760

we could come up with is the Mothman

226

00:08:57,790 --> 00:08:55,580

except I did not see any glowing eyes

227

00:08:59,710 --> 00:08:57,800

but if the eyes were reflective I would

228

00:09:01,870 --> 00:08:59,720

probably not have seen them because the

229

00:09:04,510 --> 00:09:01,880

creature was facing the road and not my

230

00:09:05,770 --> 00:09:04,520

headlights anyway this was the strangest

231

00:09:08,230 --> 00:09:05,780

thing I have ever seen

232

00:09:12,920 --> 00:09:08,240

Brian pee

233

00:09:19,350 --> 00:09:16,620

case a 0 1 1 - for ominous winged

234

00:09:21,600 --> 00:09:19,360

humanoid observed in Ontario Canada I do

235

00:09:23,790 --> 00:09:21,610

not want to sound crazy but a few years

236

00:09:26,190 --> 00:09:23,800

back I believe I had a sighting and just

237

00:09:27,930 --> 00:09:26,200

recently in 2016 I had a strange

238

00:09:30,540 --> 00:09:27,940

encounter which this one could have been

239

00:09:32,069 --> 00:09:30,550

my imagination if nothing else I am just

240

00:09:33,930 --> 00:09:32,079

quite curious and have been over the

241

00:09:36,840 --> 00:09:33,940

years since the initial sighting which

242

00:09:38,880 --> 00:09:36,850

would have been around 2007 to 2008 I

243

00:09:40,769 --> 00:09:38,890

could pinpoint the date closer if I

244

00:09:42,810 --> 00:09:40,779

thought about it I had just fallen

245

00:09:44,730 --> 00:09:42,820

asleep one night and awoke to see a dark

246

00:09:46,740 --> 00:09:44,740

figure with wings perched on top of the

247

00:09:48,300 --> 00:09:46,750

neighbor's roof watching me his eyes

248

00:09:50,670 --> 00:09:48,310

were red I believe they were like a

249

00:09:52,440 --> 00:09:50,680

cat's eyes with its night vision it was

250

00:09:54,269 --> 00:09:52,450

not like a now like some have mentioned

251
00:09:56,220 --> 00:09:54,279
but it was a shiny black creature with

252
00:09:58,139 --> 00:09:56,230
large wings and almost shiny skin or

253
00:10:00,540 --> 00:09:58,149
coating this creature looked to have

254
00:10:02,430 --> 00:10:00,550
very muscular arms and legs this

255
00:10:04,319 --> 00:10:02,440
creature had a very nice face of a man

256
00:10:06,210 --> 00:10:04,329
which left me wondering afterward if it

257
00:10:07,860 --> 00:10:06,220
was a good thing or a bad thing it

258
00:10:09,660 --> 00:10:07,870
scared me to the point I moved away from

259
00:10:12,120 --> 00:10:09,670
the window and did not want to look

260
00:10:13,829 --> 00:10:12,130
staying awake all night I called some

261
00:10:15,960 --> 00:10:13,839
friends the next day explaining what I

262
00:10:18,150 --> 00:10:15,970
saw but believing it to be some sort of

263
00:10:20,220 --> 00:10:18,160

angel or dark creature that did not mean

264

00:10:22,590 --> 00:10:20,230

well less than a year later I was

265

00:10:24,030 --> 00:10:22,600

diagnosed with cancer I went into her

266

00:10:26,670 --> 00:10:24,040

mission and after many years thought I

267

00:10:28,440 --> 00:10:26,680

had beat the cancer the second so-called

268

00:10:30,240 --> 00:10:28,450

sighting of something strange in black

269

00:10:31,800 --> 00:10:30,250

that seemed to affect the lighting on a

270

00:10:33,870 --> 00:10:31,810

street lamp blinking off and on

271

00:10:35,670 --> 00:10:33,880

radically happened but I did not see

272

00:10:38,010 --> 00:10:35,680

clearly enough to recognize if it was

273

00:10:39,540 --> 00:10:38,020

the same strange dark figure months

274

00:10:42,180 --> 00:10:39,550

later I was diagnosed with cancer

275

00:10:44,400 --> 00:10:42,190

metastases that is terminal I am NOT

276

00:10:46,260 --> 00:10:44,410

saying the cancer diagnosis was related

277

00:10:48,120 --> 00:10:46,270

to these sightings but just a strange

278

00:10:50,190 --> 00:10:48,130

coincidence there have been other

279

00:10:52,050 --> 00:10:50,200

strange things with energies around over

280

00:10:54,449 --> 00:10:52,060

the years but I do not want to assume

281

00:10:56,430 --> 00:10:54,459

anything unlike many other sightings I

282

00:10:59,189 --> 00:10:56,440

do not live in Chicago I live in

283

00:11:00,960 --> 00:10:59,199

Mississauga Ontario Canada just wanted

284

00:11:03,300 --> 00:11:00,970

to reach out and try to understand this

285

00:11:05,790 --> 00:11:03,310

so hoping you can shed some light on any

286

00:11:08,340 --> 00:11:05,800

of these ordeals if possible kindest

287

00:11:12,220 --> 00:11:08,350

regards BD

288

00:11:19,940 --> 00:11:16,880

case a 0 1 1 - 5 that wingman hit by

289

00:11:21,800 --> 00:11:19,950

delivery truck I am 32 years old and had

290

00:11:24,530 --> 00:11:21,810

never seen anything supernatural or

291

00:11:26,780 --> 00:11:24,540

alien in my life until last summer I had

292

00:11:28,880 --> 00:11:26,790

always been and still am very much a

293

00:11:30,800 --> 00:11:28,890

skeptic and to this day I try to

294

00:11:32,440 --> 00:11:30,810

convince myself that what I saw was

295

00:11:35,930 --> 00:11:32,450

actually a really big Hulk or something

296

00:11:38,830 --> 00:11:35,940

but I know I am lying to myself it was

297

00:11:41,960 --> 00:11:38,840

around 3:45 a.m. I am driving west on

298

00:11:43,940 --> 00:11:41,970

322 towards Chester land Ohio I am

299

00:11:46,520 --> 00:11:43,950

driving a Freightliner box truck with a

300

00:11:48,350 --> 00:11:46,530

load of newspapers in the summertime at

301
00:11:50,300 --> 00:11:48,360
night there is always a layer of fog

302
00:11:52,100 --> 00:11:50,310
hanging down around the ground and the

303
00:11:54,740 --> 00:11:52,110
moon was bright and the stars were out

304
00:11:56,840 --> 00:11:54,750
going about 50 miles per hour through

305
00:11:58,310 --> 00:11:56,850
the hills I see this dark figure in the

306
00:12:00,830 --> 00:11:58,320
moonlight that was coming right at me

307
00:12:02,930 --> 00:12:00,840
that looked huge so I slammed the brakes

308
00:12:04,790 --> 00:12:02,940
and actually ducked down instinctively

309
00:12:07,190 --> 00:12:04,800
because I was driving right towards it

310
00:12:09,080 --> 00:12:07,200
at windshield level I heard a big thud

311
00:12:11,090 --> 00:12:09,090
as the figure had gone over the cab and

312
00:12:13,340 --> 00:12:11,100
smacked right into the flat aluminum box

313
00:12:15,650 --> 00:12:13,350

right behind the cab but probably 40

314

00:12:17,690 --> 00:12:15,660

miles per hour I kept my foot on the

315

00:12:20,240 --> 00:12:17,700

brake and came to a stop on the side of

316

00:12:22,430 --> 00:12:20,250

the road probably about 75 yards from

317

00:12:24,200 --> 00:12:22,440

where the impact happened wondering if

318

00:12:26,000 --> 00:12:24,210

it had smashed in the top of the box and

319

00:12:28,640 --> 00:12:26,010

thinking maybe I could see what it was I

320

00:12:30,710 --> 00:12:28,650

hit I got out looked around the box was

321

00:12:32,750 --> 00:12:30,720

not smashed in so I walked around to the

322

00:12:34,610 --> 00:12:32,760

back of the truck and that is when I saw

323

00:12:35,000 --> 00:12:34,620

it in the moonlight almost as clear as

324

00:12:37,490 --> 00:12:35,010

day

325

00:12:39,500 --> 00:12:37,500

this thing's was huge I thought for sure

326

00:12:41,450 --> 00:12:39,510

it was dead but all of a sudden it

327

00:12:44,420 --> 00:12:41,460

rolled over and that is when I saw its

328

00:12:46,550 --> 00:12:44,430

bat-like wings not bird shaped it rolled

329

00:12:48,920 --> 00:12:46,560

over and stood up on two legs and was at

330

00:12:51,050 --> 00:12:48,930

least 6 feet tall the thing looked right

331

00:12:53,390 --> 00:12:51,060

at me with its red orange eyes and I was

332

00:12:55,520 --> 00:12:53,400

literally frozen in fear I could not

333

00:12:58,280 --> 00:12:55,530

move at all then it spread its huge

334

00:13:00,050 --> 00:12:58,290

wings out jumped up and flew off I ran

335

00:13:01,880 --> 00:13:00,060

back to the truck and took off towards

336

00:13:03,680 --> 00:13:01,890

Chester land as fast as I could dance

337

00:13:05,810 --> 00:13:03,690

spent the rest of the night on edge and

338

00:13:08,240 --> 00:13:05,820

trying to rationalize what I just saw

339

00:13:10,220 --> 00:13:08,250

the closest thing I could describe it to

340

00:13:11,960 --> 00:13:10,230

is the Jeepers Creepers monster but I

341

00:13:14,510 --> 00:13:11,970

was not that close to it that I could

342

00:13:16,610 --> 00:13:14,520

see facial features and much detail just

343

00:13:19,070 --> 00:13:16,620

the six foot tall batwing man with

344

00:13:20,960 --> 00:13:19,080

orange red eyes I do that route for work

345

00:13:23,920 --> 00:13:20,970

every week and every time I go through

346

00:13:30,400 --> 00:13:23,930

that stretch on 322 I get uneasy

347

00:13:35,960 --> 00:13:33,620

this is lawn Strickler if you like this
