5  
00:00:31,589 --> 00:00:30,310

case number 8012-1 is bigfoot an

6  
00:00:34,709 --> 00:00:31,599

extraterrestrial

7  
00:00:36,549 --> 00:00:34,719

in september 1978 i lived with my father

8  
00:00:38,229 --> 00:00:36,559

on a farm in the vicinity of shawano

9  
00:00:40,150 --> 00:00:38,239

wisconsin which is very near the

10  
00:00:41,670 --> 00:00:40,160

menominee indian reservation

11  
00:00:43,510 --> 00:00:41,680

there had been some buzz within the

12  
00:00:44,069 --> 00:00:43,520

community of an unknown large hairy

13  
00:00:46,310 --> 00:00:44,079

creature

14

00:00:47,190 --> 00:00:46,320

spotted by two deer hunters not far from

15

00:00:49,270 --> 00:00:47,200

our farm

16

00:00:51,270 --> 00:00:49,280

i had heard stories of the manna baywalk

17

00:00:53,350 --> 00:00:51,280

or the giants from stories told by the

18

00:00:54,869 --> 00:00:53,360

menominee but i just considered these

19

00:00:56,950 --> 00:00:54,879

tales to be legends

20

00:00:58,790 --> 00:00:56,960

then one evening my father and i were

21

00:01:00,630 --> 00:00:58,800

coming home from the store and noticed

22

00:01:02,549 --> 00:01:00,640

what appeared to be two hairy creatures

23

00:01:05,189 --> 00:01:02,559

collecting squash from the garden

24

00:01:06,070 --> 00:01:05,199

each creature was at least six foot tall

25

00:01:07,750 --> 00:01:06,080

it was dusk

26  
00:01:09,109 --> 00:01:07,760  
but there was enough light to clearly

27  
00:01:11,190 --> 00:01:09,119  
see what they were doing

28  
00:01:13,190 --> 00:01:11,200  
my father immediately cut the headlights

29  
00:01:15,429 --> 00:01:13,200  
and stopped the car as we just sat there

30  
00:01:17,429 --> 00:01:15,439  
and watched them pick and eat the squash

31  
00:01:19,749 --> 00:01:17,439  
they didn't seem to even notice us even

32  
00:01:21,590 --> 00:01:19,759  
though we were about 100 feet from them

33  
00:01:23,190 --> 00:01:21,600  
after about five minutes one of the

34  
00:01:25,109 --> 00:01:23,200  
creatures looked in our direction

35  
00:01:27,350 --> 00:01:25,119  
and you could see its eyes glow red from

36  
00:01:29,350 --> 00:01:27,360  
the moonlight we started to get scared

37  
00:01:30,789 --> 00:01:29,360  
and decided to make a dash for the house

38  
00:01:33,190 --> 00:01:30,799

and call the police

39

00:01:34,230 --> 00:01:33,200

then suddenly a huge disc shaped objects

40

00:01:36,310 --> 00:01:34,240

appeared above us

41

00:01:38,469 --> 00:01:36,320

and slowly moved towards the east field

42

00:01:39,510 --> 00:01:38,479

which was about 200 hundred yards from

43

00:01:41,749 --> 00:01:39,520

us and landed

44

00:01:42,870 --> 00:01:41,759

i estimate the craft was about 40 feet

45

00:01:45,109 --> 00:01:42,880

in diameter

46

00:01:46,710 --> 00:01:45,119

a large sliding door opened immediately

47

00:01:47,990 --> 00:01:46,720

and a foggy green light glowed from

48

00:01:50,310 --> 00:01:48,000

within the craft

49

00:01:52,389 --> 00:01:50,320

after a few seconds the door closed and

50

00:01:53,190 --> 00:01:52,399

craft slowly rose and shot off towards

51  
00:01:54,870 --> 00:01:53,200  
the north

52  
00:01:56,789 --> 00:01:54,880  
then we noticed that the creatures were

53  
00:01:58,469 --> 00:01:56,799  
gone a few days later

54  
00:02:00,149 --> 00:01:58,479  
our neighbors the canes from down the

55  
00:02:02,230 --> 00:02:00,159  
road came over for dinner

56  
00:02:04,149 --> 00:02:02,240  
after we finished eating my father and

57  
00:02:06,389 --> 00:02:04,159  
mr kane walked outside

58  
00:02:08,469 --> 00:02:06,399  
after an hour or so the neighbors left

59  
00:02:10,790 --> 00:02:08,479  
and i started to clean up the kitchen

60  
00:02:11,830 --> 00:02:10,800  
later that evening i was watching tv in

61  
00:02:14,150 --> 00:02:11,840  
the living room

62  
00:02:15,830 --> 00:02:14,160  
my father walked in turned off the tv

63  
00:02:17,990 --> 00:02:15,840

and sat down beside me

64

00:02:19,750 --> 00:02:18,000

he told me that mr kane and his sister

65

00:02:21,510 --> 00:02:19,760

witnessed one of the craft on the same

66

00:02:23,350 --> 00:02:21,520

night that we had our encounter

67

00:02:25,270 --> 00:02:23,360

as well they witnessed several of the

68

00:02:26,470 --> 00:02:25,280

large hairy creatures meandering in the

69

00:02:28,390 --> 00:02:26,480

nearby woods

70

00:02:30,150 --> 00:02:28,400

mr kane said that he knew something had

71

00:02:31,750 --> 00:02:30,160

been in the woods for several weeks

72

00:02:34,390 --> 00:02:31,760

but never got a good look until the

73

00:02:36,390 --> 00:02:34,400

craft arrived after that night we never

74

00:02:38,869 --> 00:02:36,400

had another encounter or did we hear of

75

00:02:40,390 --> 00:02:38,879

more sightings by any people in the area

76

00:02:42,630 --> 00:02:40,400

do you think that these creatures were

77

00:02:44,710 --> 00:02:42,640

bigfoot aliens are one in the same

78

00:02:46,790 --> 00:02:44,720

i has always seemed strange to me that a

79

00:02:48,869 --> 00:02:46,800

bigfoot body has never been found

80

00:02:50,390 --> 00:02:48,879

is it a possibility that bigfoot is an

81

00:02:52,710 --> 00:02:50,400

extraterrestrial being

82

00:02:54,869 --> 00:02:52,720

please let me know if you post this i

83

00:03:01,750 --> 00:02:54,879

want to read your reader's comments

84

00:03:07,270 --> 00:03:05,670

case number 8012-2 beware the kushtaka

85

00:03:09,589 --> 00:03:07,280

it all starts on a winter night in

86

00:03:11,430 --> 00:03:09,599

juneau alaska about four years back

87

00:03:13,270 --> 00:03:11,440

while i was a senior in high school

88

00:03:15,110 --> 00:03:13,280

a few friends of mine were over at my

89

00:03:16,949 --> 00:03:15,120

house a neighborhood on the side of a

90

00:03:18,710 --> 00:03:16,959

mountain surrounded by a forest

91

00:03:21,190 --> 00:03:18,720

we were bored with our video games and

92

00:03:22,070 --> 00:03:21,200

tv so we all decide to walk a trail in

93

00:03:23,990 --> 00:03:22,080

the woods

94

00:03:25,910 --> 00:03:24,000

this is about 3 am and we weren't

95

00:03:27,750 --> 00:03:25,920

worried about running into bears because

96

00:03:29,350 --> 00:03:27,760

it was their hibernation time

97

00:03:30,869 --> 00:03:29,360

so we gear up for the zero degree

98

00:03:31,990 --> 00:03:30,879

weather and leave for a trail up the

99

00:03:33,750 --> 00:03:32,000

mountain that i had played

100

00:03:35,110 --> 00:03:33,760

at as a kid running through the woods

101  
00:03:37,030 --> 00:03:35,120  
and building forts

102  
00:03:39,270 --> 00:03:37,040  
so of course growing up in it knowing it

103  
00:03:41,270 --> 00:03:39,280  
like my own home i wasn't too worried

104  
00:03:43,190 --> 00:03:41,280  
we crossed the bridge onto the trail and

105  
00:03:43,750 --> 00:03:43,200  
walked about a half mile when my friend

106  
00:03:46,070 --> 00:03:43,760  
stops

107  
00:03:47,750 --> 00:03:46,080  
and says he heard something up ahead i

108  
00:03:48,309 --> 00:03:47,760  
say that it's most likely a tea or

109  
00:03:50,550 --> 00:03:48,319  
something

110  
00:03:51,509 --> 00:03:50,560  
having seen much of alaska's wildlife in

111  
00:03:53,190 --> 00:03:51,519  
east woods

112  
00:03:55,190 --> 00:03:53,200  
so we keep walking and by this point

113  
00:03:55,750 --> 00:03:55,200

he's a little nervous glancing around a

114

00:03:57,670 --> 00:03:55,760

lot

115

00:03:59,830 --> 00:03:57,680

my third friend started to say it was

116

00:04:01,509 --> 00:03:59,840

probably the kashtaka a local legend of

117

00:04:03,350 --> 00:04:01,519

the creature that shape shifts into

118

00:04:05,270 --> 00:04:03,360

something that lures you to your death

119

00:04:07,350 --> 00:04:05,280

he freaks out even more and i tell him

120

00:04:08,869 --> 00:04:07,360

i've spent half my life in these woods

121

00:04:10,229 --> 00:04:08,879

and haven't seen one thing that was

122

00:04:12,229 --> 00:04:10,239

remotely strange

123

00:04:14,309 --> 00:04:12,239

about five minutes later we heard snow

124

00:04:15,750 --> 00:04:14,319

crunch under huge pine tree about 10

125

00:04:17,830 --> 00:04:15,760

yards in front of us

126

00:04:19,430 --> 00:04:17,840

we stop dead in our tracks looking up

127

00:04:21,509 --> 00:04:19,440

the path towards the tree

128

00:04:23,350 --> 00:04:21,519

i shine the flashlight in that direction

129

00:04:24,390 --> 00:04:23,360

and we catch a flash of something new

130

00:04:26,070 --> 00:04:24,400

behind the tree

131

00:04:28,469 --> 00:04:26,080

almost like a bike reflector or

132

00:04:29,270 --> 00:04:28,479

something we started walking slowly away

133

00:04:31,270 --> 00:04:29,280

from the tree

134

00:04:32,310 --> 00:04:31,280

back down the trail not looking away

135

00:04:34,150 --> 00:04:32,320

from the tree

136

00:04:36,230 --> 00:04:34,160

then we see a hand from behind the tree

137

00:04:38,390 --> 00:04:36,240

touch the ground and i stopped dead

138

00:04:40,230 --> 00:04:38,400

frozen with fear not looking away with

139

00:04:42,230 --> 00:04:40,240

my flashlight directly on it

140

00:04:44,150 --> 00:04:42,240

it took a few seconds for my friends to

141

00:04:46,310 --> 00:04:44,160

realize what i was looking at

142

00:04:48,230 --> 00:04:46,320

then they saw it too my friend who had

143

00:04:50,070 --> 00:04:48,240

been scared this whole time goes nuts

144

00:04:51,350 --> 00:04:50,080

and starts putting together words that

145

00:04:53,189 --> 00:04:51,360

made no sense

146

00:04:55,749 --> 00:04:53,199

whatever was behind the trees leaned out

147

00:04:57,749 --> 00:04:55,759

to look at us its eyes reflected like a

148

00:05:00,070 --> 00:04:57,759

dog's from the beam of my flashlight

149

00:05:01,350 --> 00:05:00,080

making its face blurry from the glare

150

00:05:03,909 --> 00:05:01,360

instantly we all run

151  
00:05:05,430 --> 00:05:03,919  
not daring to stop no movement was hurt

152  
00:05:07,749 --> 00:05:05,440  
until we had reached the bridge

153  
00:05:09,350 --> 00:05:07,759  
when one of my friends fell on the ice

154  
00:05:10,710 --> 00:05:09,360  
that's when i heard it bounding up the

155  
00:05:12,629 --> 00:05:10,720  
path towards us

156  
00:05:14,870 --> 00:05:12,639  
i shine my light and there it is running

157  
00:05:17,029 --> 00:05:14,880  
towards us on all fours half screaming

158  
00:05:19,029 --> 00:05:17,039  
half howling it looks almost like a

159  
00:05:19,670 --> 00:05:19,039  
human but seemed to be a lot taller and

160  
00:05:21,510 --> 00:05:19,680  
skinnier

161  
00:05:23,990 --> 00:05:21,520  
very pale in the moonlight and against

162  
00:05:25,909 --> 00:05:24,000  
the snow it was completely naked

163  
00:05:27,749 --> 00:05:25,919

so i run and jump off the low bridge

164

00:05:28,790 --> 00:05:27,759

onto the frozen creek and yell for them

165

00:05:30,310 --> 00:05:28,800

to follow me

166

00:05:32,469 --> 00:05:30,320

we run down the side of the creek

167

00:05:33,909 --> 00:05:32,479

towards my neighborhood i have never run

168

00:05:36,230 --> 00:05:33,919

so fast and so far

169

00:05:37,749 --> 00:05:36,240

but i kept on for fear of what i saw

170

00:05:39,430 --> 00:05:37,759

during the entire run i could hear

171

00:05:40,950 --> 00:05:39,440

whatever was running through the woods

172

00:05:42,390 --> 00:05:40,960

directly to the right of us

173

00:05:44,469 --> 00:05:42,400

all the way until we got to the

174

00:05:46,550 --> 00:05:44,479

streetlight by children's park

175

00:05:48,790 --> 00:05:46,560

to this day my friend and i still bring

176  
00:05:50,710 --> 00:05:48,800  
up crazy theories of what we had seen

177  
00:05:53,189 --> 00:05:50,720  
my other friend the one who had been so

178  
00:05:58,110 --> 00:05:53,199  
terrified had never brought it up again

179  
00:06:03,110 --> 00:05:59,990  
[Music]

180  
00:06:06,150 --> 00:06:03,120  
case number 8012-3

181  
00:06:09,350 --> 00:06:06,160  
skunk encounter i live in florida

182  
00:06:11,510 --> 00:06:09,360  
and i always felt this is home my family

183  
00:06:13,430 --> 00:06:11,520  
is originally from new york city

184  
00:06:16,070 --> 00:06:13,440  
but we've lived here for quite a number

185  
00:06:17,990 --> 00:06:16,080  
of years i was young and was living with

186  
00:06:19,110 --> 00:06:18,000  
somebody in a trailer out in a horse

187  
00:06:21,430 --> 00:06:19,120  
pasture

188  
00:06:22,390 --> 00:06:21,440

there was a campground mayaka near

189

00:06:24,710 --> 00:06:22,400

sarasota

190

00:06:26,710 --> 00:06:24,720

just on the other side of the pasture

191

00:06:27,830 --> 00:06:26,720

and we had made friends with the people

192

00:06:30,070 --> 00:06:27,840

who ran it

193

00:06:32,150 --> 00:06:30,080

it was late summer and a bunch of the

194

00:06:32,790 --> 00:06:32,160

campers got together because they would

195

00:06:35,510 --> 00:06:32,800

be leaving

196

00:06:37,350 --> 00:06:35,520

soon going back home so a bonfire was

197

00:06:39,110 --> 00:06:37,360

being held that evening

198

00:06:41,350 --> 00:06:39,120

there was a trail that led into the

199

00:06:43,270 --> 00:06:41,360

campground from where the trailer was

200

00:06:45,270 --> 00:06:43,280

and everyone had gathered at our trailer

201  
00:06:47,430 --> 00:06:45,280  
for a farewell barbecue

202  
00:06:49,029 --> 00:06:47,440  
then moving down to the campground after

203  
00:06:51,589 --> 00:06:49,039  
for the bonfire

204  
00:06:52,950 --> 00:06:51,599  
after i had cleaned up the barbecue mess

205  
00:06:55,110 --> 00:06:52,960  
it was getting dark

206  
00:06:56,070 --> 00:06:55,120  
so i was pretty much the last one to

207  
00:06:58,230 --> 00:06:56,080  
arrive

208  
00:06:59,350 --> 00:06:58,240  
the fire was started and we all stood

209  
00:07:02,390 --> 00:06:59,360  
around talking

210  
00:07:04,710 --> 00:07:02,400  
it was about 9 30 pm i was standing

211  
00:07:05,510 --> 00:07:04,720  
beside my friend on the outside edge of

212  
00:07:07,350 --> 00:07:05,520  
the fire

213  
00:07:09,749 --> 00:07:07,360

when i happened to look across at the

214

00:07:11,350 --> 00:07:09,759

tree line there is a fence there with

215

00:07:13,589 --> 00:07:11,360

low lying palm scrub

216

00:07:16,070 --> 00:07:13,599

it divides the other half of the pasture

217

00:07:18,390 --> 00:07:16,080

from the campground and back trails

218

00:07:20,870 --> 00:07:18,400

as i looked in that direction i saw two

219

00:07:23,110 --> 00:07:20,880

big red eyes staring back at me

220

00:07:25,110 --> 00:07:23,120

the outline of this thing was pretty big

221

00:07:27,670 --> 00:07:25,120

by the glow of the fire light

222

00:07:29,670 --> 00:07:27,680

the palm scrub is about four foot tall

223

00:07:32,230 --> 00:07:29,680

higher in some spots

224

00:07:34,390 --> 00:07:32,240

not taking my eyes off this thing i

225

00:07:36,710 --> 00:07:34,400

quietly whispered to my friend to look

226

00:07:39,350 --> 00:07:36,720

in that direction and don't scream

227

00:07:41,749 --> 00:07:39,360

she didn't she whispered to her husband

228

00:07:43,189 --> 00:07:41,759

he said softly to the group not to make

229

00:07:45,430 --> 00:07:43,199

any sudden moves

230

00:07:47,189 --> 00:07:45,440

we were talking softly and alerting

231

00:07:49,430 --> 00:07:47,199

everyone in the group about the red

232

00:07:50,550 --> 00:07:49,440

eyes and everyone looked and saw what we

233

00:07:52,629 --> 00:07:50,560

were seeing

234

00:07:54,629 --> 00:07:52,639

there was eight of us all total my

235

00:07:56,869 --> 00:07:54,639

girlfriend's husband returned with a

236

00:07:59,189 --> 00:07:56,879

flashlight and rifle in hand

237

00:08:01,270 --> 00:07:59,199

he handed the flashlight to my friend

238

00:08:02,469 --> 00:08:01,280

and told her to shine it at whatever was

239

00:08:04,309 --> 00:08:02,479

in the scrub

240

00:08:06,230 --> 00:08:04,319

when she did this thing stood up and

241

00:08:08,790 --> 00:08:06,240

made a growling sound

242

00:08:10,869 --> 00:08:08,800

my friend's husband then shot at it and

243

00:08:13,670 --> 00:08:10,879

it screamed like nothing i'd ever heard

244

00:08:16,469 --> 00:08:13,680

before it took off into the brush

245

00:08:18,550 --> 00:08:16,479

everybody except me in the group ran to

246

00:08:19,990 --> 00:08:18,560

get flashlights and whatever to arm

247

00:08:22,230 --> 00:08:20,000

themselves with

248

00:08:23,270 --> 00:08:22,240

my friend and i were told to stay by the

249

00:08:25,350 --> 00:08:23,280

fire

250

00:08:27,110 --> 00:08:25,360

about that time we heard the horses

251  
00:08:28,629 --> 00:08:27,120  
screaming in the pasture and they

252  
00:08:30,869 --> 00:08:28,639  
hurried to the field

253  
00:08:32,389 --> 00:08:30,879  
after a while they all returned they

254  
00:08:34,870 --> 00:08:32,399  
could not find anything

255  
00:08:35,750 --> 00:08:34,880  
and would resume the search at daylight

256  
00:08:37,909 --> 00:08:35,760  
the next day

257  
00:08:39,029 --> 00:08:37,919  
blood was found at the fence area and a

258  
00:08:41,589 --> 00:08:39,039  
horse was dead

259  
00:08:42,630 --> 00:08:41,599  
its neck was broken body badly ripped

260  
00:08:44,710 --> 00:08:42,640  
apart

261  
00:08:47,030 --> 00:08:44,720  
searches were continued for a couple of

262  
00:08:48,070 --> 00:08:47,040  
days and no one spoke about what

263  
00:08:50,389 --> 00:08:48,080

happened

264

00:08:52,150 --> 00:08:50,399

after having several things happen where

265

00:08:54,230 --> 00:08:52,160

i was staying we left

266

00:08:56,470 --> 00:08:54,240

this was not the only time i have

267

00:08:58,949 --> 00:08:56,480

encountered a large red-eyed being

268

00:08:59,750 --> 00:08:58,959

i believe this was in fact a skunk aper

269

00:09:01,829 --> 00:08:59,760

bigfoot

270

00:09:03,269 --> 00:09:01,839

that after being shot at purposely

271

00:09:05,590 --> 00:09:03,279

killed that horse

272

00:09:06,389 --> 00:09:05,600

i have on another occasion encountered

273

00:09:08,230 --> 00:09:06,399

one again

274

00:09:10,070 --> 00:09:08,240

at night which chased me through the

275

00:09:11,269 --> 00:09:10,080

woods while walking home from my

276

00:09:13,670 --> 00:09:11,279

friend's house

277

00:09:15,829 --> 00:09:13,680

i had not known at the time that a body

278

00:09:17,910 --> 00:09:15,839

was found mutilated in that area

279

00:09:19,590 --> 00:09:17,920

and that the arms of that poor soul was

280

00:09:27,910 --> 00:09:19,600

torn from their body

281

00:09:32,949 --> 00:09:31,030

case number a012-4

282

00:09:35,350 --> 00:09:32,959

bigfoot confrontation near mount

283

00:09:36,150 --> 00:09:35,360

rushmore my family had a scary

284

00:09:39,430 --> 00:09:36,160

confrontation

285

00:09:41,829 --> 00:09:39,440

in 1992. we camped near wind cave

286

00:09:42,389 --> 00:09:41,839

national park several times while i was

287

00:09:44,470 --> 00:09:42,399

a boy

288

00:09:46,470 --> 00:09:44,480

but stopped going in that part of south

289

00:09:47,910 --> 00:09:46,480

dakota after our experience with

290

00:09:50,070 --> 00:09:47,920

something unknown

291

00:09:51,910 --> 00:09:50,080

we normally camped in the early summer

292

00:09:54,070 --> 00:09:51,920

but for whatever reason my father

293

00:09:55,750 --> 00:09:54,080

decided we'd go a few weeks before i

294

00:09:58,150 --> 00:09:55,760

went back to school

295

00:10:00,310 --> 00:09:58,160

we always enjoyed going into wind cave

296

00:10:02,230 --> 00:10:00,320

and would spend a full day there

297

00:10:04,310 --> 00:10:02,240

we'd then spend the rest of the week

298

00:10:06,470 --> 00:10:04,320

around the rv campground

299

00:10:08,550 --> 00:10:06,480

this particular year we camped further

300

00:10:09,430 --> 00:10:08,560

away from wind cave in the vicinity of

301  
00:10:12,310 --> 00:10:09,440  
hill city

302  
00:10:14,790 --> 00:10:12,320  
not far from mount rushmore the area was

303  
00:10:15,670 --> 00:10:14,800  
surrounded by thick pine forest and very

304  
00:10:17,750 --> 00:10:15,680  
rugged

305  
00:10:19,350 --> 00:10:17,760  
it was a saturday night and very calm

306  
00:10:21,590 --> 00:10:19,360  
around our campsite

307  
00:10:23,829 --> 00:10:21,600  
many people had left during the day so

308  
00:10:27,190 --> 00:10:23,839  
there were few kids running around

309  
00:10:28,949 --> 00:10:27,200  
around 10 30 pm i decided to go to bed

310  
00:10:30,870 --> 00:10:28,959  
i was bored and my parents were

311  
00:10:33,030 --> 00:10:30,880  
entertaining another couple

312  
00:10:35,030 --> 00:10:33,040  
i laid down and turned the radio on

313  
00:10:37,030 --> 00:10:35,040

while i drifted to sleep

314

00:10:39,509 --> 00:10:37,040

the only thing i remember next is my

315

00:10:40,630 --> 00:10:39,519

mother making lots of noise while inside

316

00:10:42,870 --> 00:10:40,640

the rv

317

00:10:44,870 --> 00:10:42,880

i sat up and watched my father looking

318

00:10:46,790 --> 00:10:44,880

for something in a storage bin

319

00:10:47,910 --> 00:10:46,800

the next thing i noticed was him holding

320

00:10:50,230 --> 00:10:47,920

his pistol

321

00:10:51,350 --> 00:10:50,240

i was wide awake now wondering what was

322

00:10:53,670 --> 00:10:51,360

going on

323

00:10:55,590 --> 00:10:53,680

i started to ask but was quickly told to

324

00:10:57,430 --> 00:10:55,600

be quiet by both of them

325

00:10:59,430 --> 00:10:57,440

they were standing by the door when

326

00:11:00,710 --> 00:10:59,440

suddenly something slammed into the back

327

00:11:02,470 --> 00:11:00,720

of the rv

328

00:11:04,710 --> 00:11:02,480

i thought someone had hit us with a

329

00:11:07,190 --> 00:11:04,720

vehicle the window in the back was

330

00:11:09,190 --> 00:11:07,200

smashed and the curtain was on the floor

331

00:11:10,949 --> 00:11:09,200

i moved towards my parents when again

332

00:11:11,670 --> 00:11:10,959

something slammed into the back of the

333

00:11:13,990 --> 00:11:11,680

rv

334

00:11:15,829 --> 00:11:14,000

at the same time a deep rumbling sound

335

00:11:17,829 --> 00:11:15,839

came from the same direction

336

00:11:18,870 --> 00:11:17,839

i never thought my mother could scream

337

00:11:21,110 --> 00:11:18,880

so loud

338

00:11:22,710 --> 00:11:21,120

my father raised the pistol and fired

339

00:11:24,630 --> 00:11:22,720

through the window opening

340

00:11:27,110 --> 00:11:24,640

we waited quietly for something to

341

00:11:29,829 --> 00:11:27,120

happen whatever it was must have run

342

00:11:31,750 --> 00:11:29,839

off by that time someone was yelling

343

00:11:32,870 --> 00:11:31,760

from outside wanting to know what was

344

00:11:34,310 --> 00:11:32,880

going on

345

00:11:37,190 --> 00:11:34,320

i think it was someone from the

346

00:11:38,949 --> 00:11:37,200

campground my father went outside to

347

00:11:40,870 --> 00:11:38,959

talk to whoever it was

348

00:11:42,310 --> 00:11:40,880

my mother was very scared dan was

349

00:11:44,310 --> 00:11:42,320

visibly shaking

350

00:11:47,350 --> 00:11:44,320

she just grabbed me and squeezed me

351  
00:11:49,750 --> 00:11:47,360  
tight my father came back into the rv

352  
00:11:51,509 --> 00:11:49,760  
and said that we were leaving he grabbed

353  
00:11:54,230 --> 00:11:51,519  
whatever gear was outside

354  
00:11:56,310 --> 00:11:54,240  
threw it in the rv and we were off none

355  
00:11:58,949 --> 00:11:56,320  
of us talked much as we drove home

356  
00:12:00,870 --> 00:11:58,959  
which was about a four hour drive a few

357  
00:12:02,310 --> 00:12:00,880  
days later my mother told me what

358  
00:12:04,389 --> 00:12:02,320  
happened that night

359  
00:12:05,350 --> 00:12:04,399  
my parents were just about ready to go

360  
00:12:08,470 --> 00:12:05,360  
to bed

361  
00:12:09,350 --> 00:12:08,480  
she said it was about 11 45 pm and she

362  
00:12:11,509 --> 00:12:09,360  
was cleaning up

363  
00:12:14,150 --> 00:12:11,519

outside when she noticed something large

364

00:12:15,269 --> 00:12:14,160

on two legs run from behind the rv into

365

00:12:17,350 --> 00:12:15,279

the forest

366

00:12:18,310 --> 00:12:17,360

my father told her that it was probably

367

00:12:20,389 --> 00:12:18,320

a bear

368

00:12:21,509 --> 00:12:20,399

then he saw it duck out and then back

369

00:12:23,190 --> 00:12:21,519

into the woods

370

00:12:25,350 --> 00:12:23,200

there wasn't much light other than that

371

00:12:26,949 --> 00:12:25,360

from a lantern and the back window from

372

00:12:29,670 --> 00:12:26,959

inside the rv

373

00:12:31,110 --> 00:12:29,680

he told her that it was no bear by that

374

00:12:33,269 --> 00:12:31,120

time they were in the rv

375

00:12:34,389 --> 00:12:33,279

and her deep guttural grunts coming from

376

00:12:37,110 --> 00:12:34,399

the creature

377

00:12:38,069 --> 00:12:37,120

my father then slowly opened the door it

378

00:12:40,310 --> 00:12:38,079

was standing no

379

00:12:41,110 --> 00:12:40,320

more than ten feet away looking directly

380

00:12:43,110 --> 00:12:41,120

at him

381

00:12:44,949 --> 00:12:43,120

he quickly slammed the door shut and

382

00:12:46,949 --> 00:12:44,959

went looking for the pistol

383

00:12:48,069 --> 00:12:46,959

my father has never said much about

384

00:12:50,150 --> 00:12:48,079

whatever it was

385

00:12:52,310 --> 00:12:50,160

but from his later descriptions i

386

00:12:54,470 --> 00:12:52,320

believe he confronted a bigfoot

387

00:12:56,550 --> 00:12:54,480

he described it as covered head to toe

388

00:12:58,550 --> 00:12:56,560

with thick dark hair with a wide nose

389

00:12:59,430 --> 00:12:58,560

and piercing yellow eyes that glowed in

390

00:13:01,829 --> 00:12:59,440

the light

391

00:13:04,150 --> 00:13:01,839

he estimated the height at over six feet

392

00:13:06,949 --> 00:13:04,160

and that it weighed over 400 pounds with

393

00:13:08,230 --> 00:13:06,959

huge arms and legs that's basically all

394

00:13:10,550 --> 00:13:08,240

he ever said

395

00:13:13,190 --> 00:13:10,560

he refuses to talk to anyone else about

396

00:13:15,829 --> 00:13:13,200

it we continued camping over the years

397

00:13:17,910 --> 00:13:15,839

but we never went back to that area i

398

00:13:18,870 --> 00:13:17,920

was looking for bigfoot reports from

399

00:13:20,949 --> 00:13:18,880

south dakota

400

00:13:29,110 --> 00:13:20,959

and especially around the mount rushmore

401  
00:13:36,470 --> 00:13:33,430  
case number 8012-5

402  
00:13:38,629 --> 00:13:36,480  
shaver lake california my daughter and i

403  
00:13:40,870 --> 00:13:38,639  
were hiking behind the lake

404  
00:13:42,949 --> 00:13:40,880  
we kept hearing strange whooping sounds

405  
00:13:46,550 --> 00:13:42,959  
that were all around us

406  
00:13:48,790 --> 00:13:46,560  
sometimes far away others very near

407  
00:13:50,310 --> 00:13:48,800  
we also could smell something bad from

408  
00:13:52,389 --> 00:13:50,320  
time to time

409  
00:13:54,790 --> 00:13:52,399  
we came up on a pretty meadow where the

410  
00:13:56,710 --> 00:13:54,800  
odor was exceptionally bad

411  
00:13:58,310 --> 00:13:56,720  
we took a shortcut through an area that

412  
00:14:01,189 --> 00:13:58,320  
had just been cut

413  
00:14:03,269 --> 00:14:01,199

the ground was bare earth i was keeping

414

00:14:05,509 --> 00:14:03,279

my eye on the ground because i like to

415

00:14:08,310 --> 00:14:05,519

watch for animal tracks

416

00:14:09,590 --> 00:14:08,320

it's a habit of mine i saw a huge

417

00:14:12,150 --> 00:14:09,600

footprint

418

00:14:13,829 --> 00:14:12,160

i even have a picture of it with a

419

00:14:15,110 --> 00:14:13,839

smashed spider in the print that it

420

00:14:17,829 --> 00:14:15,120

stepped on

421

00:14:19,670 --> 00:14:17,839

i noticed there were more i actually

422

00:14:22,310 --> 00:14:19,680

followed them up the side of a hill

423

00:14:24,949 --> 00:14:22,320

thinking it had to be bear prince but

424

00:14:27,750 --> 00:14:24,959

each and every print was a foot

425

00:14:28,629 --> 00:14:27,760

not a paw at one point the prints were

426

00:14:31,269 --> 00:14:28,639

sideways

427

00:14:33,430 --> 00:14:31,279

as if looking back down the hill my

428

00:14:35,430 --> 00:14:33,440

daughter pointed out that whatever it is

429

00:14:37,030 --> 00:14:35,440

i'm following it and might be up at the

430

00:14:39,430 --> 00:14:37,040

top watching me

431

00:14:40,389 --> 00:14:39,440

so i ran back down where my daughter was

432

00:14:42,470 --> 00:14:40,399

waiting

433

00:14:44,310 --> 00:14:42,480

there was a stand of trees right on the

434

00:14:45,509 --> 00:14:44,320

edge of the meadow where we followed the

435

00:14:47,189 --> 00:14:45,519

smell to

436

00:14:49,829 --> 00:14:47,199

in the middle of the close circle of

437

00:14:51,670 --> 00:14:49,839

trees was a huge mound of scat

438

00:14:53,110 --> 00:14:51,680

now i'm not talking about bearer

439

00:14:55,590 --> 00:14:53,120

mountain lion

440

00:14:56,870 --> 00:14:55,600

i know what they look like this was

441

00:14:59,430 --> 00:14:56,880

piled at least one

442

00:15:01,430 --> 00:14:59,440

foot high and had the look of a very

443

00:15:04,629 --> 00:15:01,440

huge human feces

444

00:15:06,389 --> 00:15:04,639

but smelled horrible this spooked us

445

00:15:09,670 --> 00:15:06,399

because we were thinking whatever made

446

00:15:12,389 --> 00:15:09,680

that is huge and could still be close by

447

00:15:14,470 --> 00:15:12,399

because it looked fresh all the way back

448

00:15:15,910 --> 00:15:14,480

off that trail we were followed by that

449

00:15:18,949 --> 00:15:15,920

whooping sound

450

00:15:22,310 --> 00:15:18,959

i'm getting goosebumps just telling this

451  
00:15:24,629 --> 00:15:22,320  
so that's it now we are too scared to go

452  
00:15:25,509 --> 00:15:24,639  
hiking back there without any men with

453  
00:15:28,470 --> 00:15:25,519  
us

454  
00:15:29,220 --> 00:15:28,480  
i absolutely believe there is a bigfoot

455  
00:15:33,670 --> 00:15:29,230  
m

456  
00:15:37,110 --> 00:15:36,230
