7  
00:00:34,880 --> 00:00:31,310  
case number a 0 1 3-1 a tale of two

8  
00:00:36,920 --> 00:00:34,890  
ghosts it was the summer of 1960 it was

9  
00:00:39,290 --> 00:00:36,930  
already hot and humid that July morning

10  
00:00:41,180 --> 00:00:39,300  
mother was making our breakfast when she

11  
00:00:42,889 --> 00:00:41,190  
suddenly paused and tilted her head as

12  
00:00:45,259 --> 00:00:42,899  
if she was listening to someone

13  
00:00:47,240 --> 00:00:45,269

whispering in her right ear my chair was

14

00:00:49,369 --> 00:00:47,250

facing her Ralph sat with his back to

15

00:00:51,829 --> 00:00:49,379

her so I was the only one that saw her

16

00:00:53,930 --> 00:00:51,839

do this she suddenly came out of it and

17

00:00:56,119 --> 00:00:53,940

said butch Ralph this will be your first

18

00:00:57,590 --> 00:00:56,129

time going to join our high school so

19

00:00:59,749 --> 00:00:57,600

when you leave there I want you both to

20

00:01:01,999 --> 00:00:59,759

come straight home don't go home with

21

00:01:04,670 --> 00:01:02,009

anybody don't stop to talk to anybody

22

00:01:05,240 --> 00:01:04,680

stay together and come straight home you

23

00:01:07,160 --> 00:01:05,250

hear me

24

00:01:09,080 --> 00:01:07,170

there's a lot of sick people out there

25

00:01:12,080 --> 00:01:09,090

who like to grab up and hurt little boys

26  
00:01:13,969 --> 00:01:12,090  
like you you hear me okay we coursed I

27  
00:01:15,560 --> 00:01:13,979  
thought it was strange that she was

28  
00:01:17,420 --> 00:01:15,570  
repeating the don't go with nobody

29  
00:01:20,240 --> 00:01:17,430  
lecture again she'd done that two years

30  
00:01:22,340 --> 00:01:20,250  
ago we both knew these rules by now that

31  
00:01:24,560 --> 00:01:22,350  
afternoon as ralph and i were on our way

32  
00:01:27,620 --> 00:01:24,570  
home from day camp at Benjamin Franklin

33  
00:01:29,200 --> 00:01:27,630  
junior high school 55 as we reached near

34  
00:01:32,390 --> 00:01:29,210  
the bottom of the steep hill that was

35  
00:01:34,310 --> 00:01:32,400  
170th Street and st. Paul's place a man

36  
00:01:36,380 --> 00:01:34,320  
suddenly staggered out from between the

37  
00:01:39,050 --> 00:01:36,390  
parked cars down and to the right of us

38  
00:01:41,180 --> 00:01:39,060

he was a young Latino deep brown skinned

39

00:01:43,340 --> 00:01:41,190

black greasy curly hair worn in the

40

00:01:45,740 --> 00:01:43,350

style of the 50s slick on the sides

41

00:01:48,110 --> 00:01:45,750

curly on top coming to kind of the coma

42

00:01:50,210 --> 00:01:48,120

in front he was taller than us of course

43

00:01:52,820 --> 00:01:50,220

maybe five three of a slender build and

44

00:01:55,520 --> 00:01:52,830

in his late teens early 20s but old to

45

00:01:56,840 --> 00:01:55,530

us he was limping badly and I thought he

46

00:01:58,789 --> 00:01:56,850

may have been hit by a car

47

00:02:01,190 --> 00:01:58,799

and had been lying stunned in between

48

00:02:03,109 --> 00:02:01,200

the parked cars as we were watching him

49

00:02:05,030 --> 00:02:03,119

stumble and hold on to the cars making

50

00:02:06,859 --> 00:02:05,040

his way up the hill toward us Ralph

51  
00:02:09,979 --> 00:02:06,869  
leaned over to me and whispered should

52  
00:02:12,020 --> 00:02:09,989  
we help him no I scolded him remember

53  
00:02:14,479 --> 00:02:12,030  
mother said not to go with anyone cause

54  
00:02:16,490 --> 00:02:14,489  
they could take us and hurt us we slowed

55  
00:02:18,470 --> 00:02:16,500  
down and moved toward the fence putting

56  
00:02:20,330 --> 00:02:18,480  
as much distance between the struggling

57  
00:02:22,789 --> 00:02:20,340  
man and us as the sidewalk would allow

58  
00:02:25,009 --> 00:02:22,799  
the man never once looked at us but just

59  
00:02:27,050 --> 00:02:25,019  
seemed to be concentrating on getting up

60  
00:02:29,270 --> 00:02:27,060  
to st. Paul's place in Washington Avenue

61  
00:02:31,309 --> 00:02:29,280  
at the top of the hill he would walk a

62  
00:02:33,199 --> 00:02:31,319  
little and pause and hold on to the cars

63  
00:02:34,210 --> 00:02:33,209

and gather his strength then tried to

64

00:02:36,250 --> 00:02:34,220

walk a little more

65

00:02:38,770 --> 00:02:36,260

and end up stopping again to hold on to

66

00:02:40,870 --> 00:02:38,780

the parked cars for balance again I put

67

00:02:42,910 --> 00:02:40,880

myself between Ralph and the man so I

68

00:02:44,890 --> 00:02:42,920

had a clear view of him all the while we

69

00:02:46,900 --> 00:02:44,900

approached each other he never said

70

00:02:49,480 --> 00:02:46,910

anything but grimace every time he took

71

00:02:51,400 --> 00:02:49,490

a step on his left leg we passed him to

72

00:02:53,470 --> 00:02:51,410

his righty to our left we took one step

73

00:02:55,720 --> 00:02:53,480

but then I said Ralph he really looks

74

00:02:58,480 --> 00:02:55,730

hurt we should help him we turned around

75

00:03:00,670 --> 00:02:58,490

and the man was gone I thought maybe he

76  
00:03:02,440 --> 00:03:00,680  
had fallen between the cars again we

77  
00:03:04,420 --> 00:03:02,450  
turned and started back up the hill

78  
00:03:06,430 --> 00:03:04,430  
putting a distance between the cars and

79  
00:03:08,740 --> 00:03:06,440  
us just in case he wasn't hurt but

80  
00:03:10,090 --> 00:03:08,750  
hiding Ralph walked in the street and I

81  
00:03:11,949 --> 00:03:10,100  
walked on the sidewalk

82  
00:03:14,260 --> 00:03:11,959  
we each looking into the parked cars to

83  
00:03:16,060 --> 00:03:14,270  
see if he was in one he was nowhere to

84  
00:03:17,890 --> 00:03:16,070  
be seen even an athlete could not have

85  
00:03:20,290 --> 00:03:17,900  
made it up that steep hill in the second

86  
00:03:21,880 --> 00:03:20,300  
it took for us to turn around Ralph and

87  
00:03:24,460 --> 00:03:21,890  
I just looked at each other and said

88  
00:03:26,199 --> 00:03:24,470

maybe he was a ghost because we were

89

00:03:27,850 --> 00:03:26,209

thinking about helping this man and

90

00:03:29,830 --> 00:03:27,860

going against the warnings of our mother

91

00:03:31,810 --> 00:03:29,840

we could not tell any of our family

92

00:03:33,850 --> 00:03:31,820

about it but we told our friends that we

93

00:03:35,800 --> 00:03:33,860

saw a ghost but because they booed and

94

00:03:39,160 --> 00:03:35,810

called us crazy we stopped talking about

95

00:03:40,930 --> 00:03:39,170

it in 1982 as ralph and i sat talking

96

00:03:43,000 --> 00:03:40,940

about the weird things we had seen in

97

00:03:45,340 --> 00:03:43,010

our lives he suddenly asked me do you

98

00:03:47,800 --> 00:03:45,350

remember that old man old man

99

00:03:49,270 --> 00:03:47,810

I asked thinking about Aaron he didn't

100

00:03:51,820 --> 00:03:49,280

know about Aaron only mother knew about

101  
00:03:54,130 --> 00:03:51,830  
him yeah he said the old man in the gray

102  
00:03:56,140 --> 00:03:54,140  
suit me and you were walking down from

103  
00:03:57,729 --> 00:03:56,150  
junior high school and he came out of

104  
00:04:00,009 --> 00:03:57,739  
the street carrying those heavy shopping

105  
00:04:02,170 --> 00:04:00,019  
bags and I asked you if we should help

106  
00:04:04,300 --> 00:04:02,180  
him and you said no because mother said

107  
00:04:05,949 --> 00:04:04,310  
not to go with people then when he

108  
00:04:08,110 --> 00:04:05,959  
passed us you said we should help him

109  
00:04:11,410 --> 00:04:08,120  
and when we turned around he was gone an

110  
00:04:13,810 --> 00:04:11,420  
old man is that what you saw I asked

111  
00:04:16,330 --> 00:04:13,820  
yeah why did you think I asked you if we

112  
00:04:18,070 --> 00:04:16,340  
should help him he answered I still

113  
00:04:20,380 --> 00:04:18,080

wonder to this day what it was we had

114

00:04:22,120 --> 00:04:20,390

seen and why was it trying to get us to

115

00:04:24,880 --> 00:04:22,130

go with it and what would have become of

116

00:04:26,680 --> 00:04:24,890

us had we done so but mostly I wonder

117

00:04:29,050 --> 00:04:26,690

what it was that told mother to warn us

118

00:04:30,420 --> 00:04:29,060

again that seconds hesitation had saved

119

00:04:30,840 --> 00:04:30,430

us

120

00:04:34,830 --> 00:04:30,850

you

121

00:04:42,660 --> 00:04:39,790

case number a zero one 3-2 the evil

122

00:04:46,180 --> 00:04:42,670

ghost it was a cold winter's night in

123

00:04:48,190 --> 00:04:46,190

1994 about 3 a.m. and I had just left

124

00:04:49,090 --> 00:04:48,200

the home of my friend Carolyn in the

125

00:04:51,430 --> 00:04:49,100

East Village

126

00:04:54,100 --> 00:04:51,440

I had just rounded the corner of 1st

127

00:04:57,220 --> 00:04:54,110

Street and Avenue a and was starting up

128

00:04:59,260 --> 00:04:57,230

to catch the F train a brisk wind had

129

00:05:01,690 --> 00:04:59,270

swept the streets clean of garbage and

130

00:05:04,510 --> 00:05:01,700

clubbers alike and was hurrying me along

131

00:05:06,700 --> 00:05:04,520

too I had just passed the East Indian

132

00:05:08,770 --> 00:05:06,710

deli and was walking past the parking

133

00:05:11,260 --> 00:05:08,780

lots of the high-rise when I saw the

134

00:05:13,240 --> 00:05:11,270

young man approaching me he was

135

00:05:15,160 --> 00:05:13,250

staggering and really not dressed for

136

00:05:17,980 --> 00:05:15,170

the weather now though earlier his

137

00:05:19,810 --> 00:05:17,990

attire would have been enough I remember

138

00:05:21,460 --> 00:05:19,820

thinking to myself you'll not make it

139

00:05:23,890 --> 00:05:21,470

through this night if you continue going

140

00:05:26,590 --> 00:05:23,900

in the direction you are staggering like

141

00:05:30,220 --> 00:05:26,600

that why not just put a sign on your

142

00:05:32,560 --> 00:05:30,230

neck saying mug me easy prey to my

143

00:05:35,230 --> 00:05:32,570

surprise the youth stagger toward me and

144

00:05:37,450 --> 00:05:35,240

stopped you won't believe this he said

145

00:05:40,150 --> 00:05:37,460

but I have walked all the way down from

146

00:05:42,700 --> 00:05:40,160

Broadway trying to bum subway fare he

147

00:05:45,280 --> 00:05:42,710

slurred no one will give me even a

148

00:05:47,530 --> 00:05:45,290

quarter I looked at a man was startled

149

00:05:49,870 --> 00:05:47,540

how much he looked like the ex-boyfriend

150

00:05:52,420 --> 00:05:49,880

of a mutual friend of Carolyn's and mine

151  
00:05:54,700 --> 00:05:52,430  
it was just that he was at least 10

152  
00:05:55,120 --> 00:05:54,710  
years younger but damn near a twin of

153  
00:05:57,760 --> 00:05:55,130  
him

154  
00:05:59,800 --> 00:05:57,770  
he apologized several times to me for

155  
00:06:01,930 --> 00:05:59,810  
being in the condition he was and said

156  
00:06:04,000 --> 00:06:01,940  
he should have known better but he spent

157  
00:06:06,370 --> 00:06:04,010  
every dime he had on a girl and a good

158  
00:06:09,130 --> 00:06:06,380  
time and that they both ran out at the

159  
00:06:11,260 --> 00:06:09,140  
same time I laughed and gave him a

160  
00:06:13,960 --> 00:06:11,270  
quarter and started to walk for it was

161  
00:06:15,190 --> 00:06:13,970  
cold and he said great all I need now is

162  
00:06:17,020 --> 00:06:15,200  
another dollar

163  
00:06:19,150 --> 00:06:17,030

I had thought all you needed was a

164

00:06:21,580 --> 00:06:19,160

quarter by what he had said earlier and

165

00:06:23,710 --> 00:06:21,590

called him back and said look you need

166

00:06:26,020 --> 00:06:23,720

to get your ass off these cold streets

167

00:06:28,870 --> 00:06:26,030

give me back the quarter and I'll give

168

00:06:30,580 --> 00:06:28,880

you a token wobbling he put out his hand

169

00:06:33,190 --> 00:06:30,590

and I took the quarter from a gnat

170

00:06:35,500 --> 00:06:33,200

pushed the token into his palm Frye was

171

00:06:38,500 --> 00:06:35,510

afraid he would rob it and that was all

172

00:06:41,350 --> 00:06:38,510

I had was two tokens and a quarter now

173

00:06:43,930 --> 00:06:41,360

you need to get on the subway I said and

174

00:06:46,180 --> 00:06:43,940

started to walk toward the station okay

175

00:06:46,570 --> 00:06:46,190

he said but walked in the opposite

176  
00:06:48,999 --> 00:06:46,580  
direction

177  
00:06:51,879 --> 00:06:49,009  
action I turned to call him he was gone

178  
00:06:53,409 --> 00:06:51,889  
I walked up the block and called Carolyn

179  
00:06:55,480 --> 00:06:53,419  
to tell her what happened

180  
00:06:58,240 --> 00:06:55,490  
and about the young twin of Rob I had

181  
00:07:00,219 --> 00:06:58,250  
encountered after a long pause she told

182  
00:07:02,589 --> 00:07:00,229  
me how when rob was a young kid he had

183  
00:07:04,589 --> 00:07:02,599  
been stabbed and died on a subway but

184  
00:07:12,390 --> 00:07:04,599  
was brought back to life in the hospital

185  
00:07:18,550 --> 00:07:16,300  
case number is 0-1 3-3 home sweet

186  
00:07:20,320 --> 00:07:18,560  
haunted home we have experienced several

187  
00:07:23,260 --> 00:07:20,330  
different strange things in our house

188  
00:07:26,650 --> 00:07:23,270

the house isn't scary it was built in

189

00:07:28,750 --> 00:07:26,660

1963 by my wife's grandparents in the

190

00:07:30,790 --> 00:07:28,760

first event my wife took a picture of my

191

00:07:32,590 --> 00:07:30,800

stepdaughter in the living room and two

192

00:07:35,110 --> 00:07:32,600

light anomalies appeared in the picture

193

00:07:36,910 --> 00:07:35,120

one had a palm of a hand in it the other

194

00:07:38,470 --> 00:07:36,920

had the face of my wife's grandmother

195

00:07:40,360 --> 00:07:38,480

and great-grandmother in it

196

00:07:42,220 --> 00:07:40,370

there were also reflections in the back

197

00:07:44,920 --> 00:07:42,230

door window of her grandfather in one

198

00:07:47,140 --> 00:07:44,930

pane and two Yorkie dogs in another her

199

00:07:49,390 --> 00:07:47,150

grandparents had your keys getting that

200

00:07:51,190 --> 00:07:49,400

picture enlarged to investigate further

201

00:07:53,590 --> 00:07:51,200

my wife was standing in a line in a

202

00:07:55,990 --> 00:07:53,600

copier place and guy working there asked

203

00:07:57,790 --> 00:07:56,000

why she needed that picture enlarged she

204

00:07:59,680 --> 00:07:57,800

explained what the picture contained and

205

00:08:01,420 --> 00:07:59,690

the guy behind her in line took two

206

00:08:03,430 --> 00:08:01,430

steps backwards and turned and left

207

00:08:05,530 --> 00:08:03,440

after she gave him a look at the picture

208

00:08:07,660 --> 00:08:05,540

two or three time we had the roll of

209

00:08:09,760 --> 00:08:07,670

toilet paper come completely unrolled in

210

00:08:12,130 --> 00:08:09,770

the front hall bathroom I watched it

211

00:08:14,710 --> 00:08:12,140

happen one time at times we hear loud

212

00:08:16,540 --> 00:08:14,720

bangs as if something had phone but I go

213

00:08:18,790 --> 00:08:16,550

to find out what had fallen and there's

214

00:08:20,650 --> 00:08:18,800

nothing there to make the noise one time

215

00:08:22,780 --> 00:08:20,660

we were watching TV on the living room

216

00:08:25,210 --> 00:08:22,790

sectional and one of the pillows started

217

00:08:26,650 --> 00:08:25,220

moving as if the cat was behind it we

218

00:08:28,570 --> 00:08:26,660

watched it move a couple more times

219

00:08:30,730 --> 00:08:28,580

thinking the cat would come out from

220

00:08:32,560 --> 00:08:30,740

behind it I got up and moved the pillow

221

00:08:35,110 --> 00:08:32,570

and there was no reason for the pillow

222

00:08:37,390 --> 00:08:35,120

to move one evening I was sitting in my

223

00:08:39,610 --> 00:08:37,400

recliner my wife was on the section

224

00:08:41,260 --> 00:08:39,620

closest to me and my stepdaughter was

225

00:08:43,330 --> 00:08:41,270

laying on the other end of the sectional

226

00:08:45,430 --> 00:08:43,340

my granddaughter was sitting on the

227

00:08:47,460 --> 00:08:45,440

coffee table when between my wife and

228

00:08:49,630 --> 00:08:47,470

daughter a voice whispered loudly boys

229

00:08:51,670 --> 00:08:49,640

everyone heard it but there was no

230

00:08:53,650 --> 00:08:51,680

possible explanation for the voice I

231

00:08:55,060 --> 00:08:53,660

would say that every day I will see

232

00:08:57,340 --> 00:08:55,070

something out of the corner of my eye

233

00:08:59,350 --> 00:08:57,350

and I turned to look but no one a thing

234

00:09:01,240 --> 00:08:59,360

is there we aren't afraid of this house

235

00:09:03,640 --> 00:09:01,250

because the only people that have lived

236

00:09:05,530 --> 00:09:03,650

there was my wife's family I understand

237

00:09:07,930 --> 00:09:05,540

that objects can have spirits attached

238

00:09:10,000 --> 00:09:07,940

to them we do have several antiques that

239

00:09:11,740 --> 00:09:10,010

we have acquired over the years maybe

240

00:09:13,690 --> 00:09:11,750

something I've brought there had someone

241

00:09:15,110 --> 00:09:13,700

following along with it we never know

242

00:09:19,420 --> 00:09:15,120

what will happen next

243

00:09:25,000 --> 00:09:22,690
