00:00:31,429 --> 00:00:29,210
Missouri caver encounters underground

8
00:00:33,619 --> 00:00:31,439
reptilian humanoid this is the first

9
00:00:35,900 --> 00:00:33,629
time I am disclosing my experience to

10
00:00:38,569 --> 00:00:35,910
the public my family has been previously

11
00:00:40,310 --> 00:00:38,579
informed of the details at the time I

12
00:00:42,350 --> 00:00:40,320
owned a small business which I had

13
00:00:44,750 --> 00:00:42,360

started after I finished a 12-year stint

14

00:00:46,549 --> 00:00:44,760

in the military I was then living near

15

00:00:48,560 --> 00:00:46,559

Eldridge Missouri and was raised in the

16

00:00:50,780 --> 00:00:48,570

general area and knew the terrain fairly

17

00:00:52,520 --> 00:00:50,790

well I had spent time at the US Army

18

00:00:54,350 --> 00:00:52,530

engineer school in Fort Leonard Wood

19

00:00:56,540 --> 00:00:54,360

Missouri and some of the training

20

00:00:58,580 --> 00:00:56,550

included spelling King when I left the

21

00:01:01,940 --> 00:00:58,590

army I continue to explore caves as

22

00:01:04,340 --> 00:01:01,950

recreation in 1993 I helped form local

23

00:01:06,380 --> 00:01:04,350

group of experienced cavers we would get

24

00:01:07,940 --> 00:01:06,390

together on weekends and explore some of

25

00:01:10,580 --> 00:01:07,950

the cavern systems throughout Missouri

26
00:01:12,499 --> 00:01:10,590
and Arkansas the experience I am about

27
00:01:15,800 --> 00:01:12,509
to describe took place in the summer of

28
00:01:18,109 --> 00:01:15,810
1995 I was on my own that day which was

29
00:01:20,210 --> 00:01:18,119
not uncommon I had decided to check out

30
00:01:22,219 --> 00:01:20,220
a cave in Camden County Missouri which

31
00:01:24,200 --> 00:01:22,229
was part of a fairly large system in the

32
00:01:26,090 --> 00:01:24,210
area from what I could tell this

33
00:01:28,520 --> 00:01:26,100
particular cave had not been explored

34
00:01:30,830 --> 00:01:28,530
for a long period of time the entrance

35
00:01:32,090 --> 00:01:30,840
was very narrow and well-hidden after

36
00:01:34,310 --> 00:01:32,100
squeezing through the opening I

37
00:01:36,289 --> 00:01:34,320
descended another 50 feet or so before

38
00:01:38,539 --> 00:01:36,299

the cave began to open up into a series

39

00:01:40,700 --> 00:01:38,549

of chambers I moved through several of

40

00:01:42,590 --> 00:01:40,710

these chambers taking my time to examine

41

00:01:45,050 --> 00:01:42,600

the area for possible artifacts in

42

00:01:46,670 --> 00:01:45,060

formations I finally reached what I

43

00:01:48,859 --> 00:01:46,680

thought was the end of the cave I

44

00:01:50,600 --> 00:01:48,869

started to hear a rustling sound that

45

00:01:52,609 --> 00:01:50,610

was echoing from a small opening near

46

00:01:54,380 --> 00:01:52,619

the top of the chamber I assumed the

47

00:01:56,480 --> 00:01:54,390

sounds were bats and didn't pay much

48

00:01:58,490 --> 00:01:56,490

attention to it but after a while I

49

00:02:00,350 --> 00:01:58,500

heard motorized sounds and talking I

50

00:02:02,149 --> 00:02:00,360

stood and listened for several minutes

51
00:02:04,520 --> 00:02:02,159
wondering what was on the other side of

52
00:02:05,359 --> 00:02:04,530
this chamber the opening was about ten

53
00:02:07,399 --> 00:02:05,369
feet above me

54
00:02:09,440 --> 00:02:07,409
I'm maneuvering my way up to the opening

55
00:02:11,960 --> 00:02:09,450
which was flat and narrow but big enough

56
00:02:13,670 --> 00:02:11,970
for me to get a decent look into it as I

57
00:02:15,530 --> 00:02:13,680
positioned myself to the front of the

58
00:02:17,840 --> 00:02:15,540
opening I started to see light at the

59
00:02:20,060 --> 00:02:17,850
other end the passageway was only a few

60
00:02:21,830 --> 00:02:20,070
feet long but it was just too narrow for

61
00:02:23,360 --> 00:02:21,840
me to move through as I looked through

62
00:02:25,910 --> 00:02:23,370
the opening there was a very warm

63
00:02:27,890 --> 00:02:25,920

draught of air hitting my face as well

64

00:02:30,319 --> 00:02:27,900

the air had a very accurate vinegar like

65

00:02:32,720 --> 00:02:30,329

odor there was a very large and well-lit

66

00:02:34,310 --> 00:02:32,730

room with limestone walls I noticed a

67

00:02:36,470 --> 00:02:34,320

small vehicle that looked like a golf

68

00:02:38,629 --> 00:02:36,480

cart but was very low to the ground and

69

00:02:39,170 --> 00:02:38,639

without wheels I continued to observe

70

00:02:40,940 --> 00:02:39,180

and

71

00:02:43,099 --> 00:02:40,950

I started to hear voices that were

72

00:02:45,500 --> 00:02:43,109

getting louder and nearer something was

73

00:02:47,300 --> 00:02:45,510

making its way towards the vehicle I had

74

00:02:49,399 --> 00:02:47,310

to rub my eyes because I didn't believe

75

00:02:52,069 --> 00:02:49,409

what I was looking at this creature

76
00:02:54,679 --> 00:02:52,079
because it was not a man stood about 7

77
00:02:56,390 --> 00:02:54,689
foot and had brown scaly skin the face

78
00:02:58,250 --> 00:02:56,400
and head were shaped like a human with

79
00:03:00,170 --> 00:02:58,260
the flat nose but there were no eerie

80
00:03:02,360 --> 00:03:00,180
sir here the top of the head had a

81
00:03:03,559 --> 00:03:02,370
slight scaly rare Ridge that extending

82
00:03:05,420 --> 00:03:03,569
down the back of the neck

83
00:03:07,849 --> 00:03:05,430
from what I could see it had lips and

84
00:03:10,069 --> 00:03:07,859
regular-sized eyes the arms were very

85
00:03:12,830 --> 00:03:10,079
long and muscular with human-like hands

86
00:03:15,080 --> 00:03:12,840
it also had a massive 4 to 5 foot tail

87
00:03:16,940 --> 00:03:15,090
that tampered to a point it was dressed

88
00:03:19,490 --> 00:03:16,950

in a gold metallic outfit with long

89

00:03:21,830 --> 00:03:19,500

pants and shoes it also carried an oval

90

00:03:23,539 --> 00:03:21,840

pack attached to its back I watched as

91

00:03:25,580 --> 00:03:23,549

this thing was looking at something on

92

00:03:27,440 --> 00:03:25,590

the vehicle I had a high speed camera

93

00:03:30,170 --> 00:03:27,450

which I used to document my cave

94

00:03:32,390 --> 00:03:30,180

explorations I was able to obtain a few

95

00:03:34,339 --> 00:03:32,400

distorted images of the beam for some

96

00:03:36,259 --> 00:03:34,349

reason while I was taking photos the

97

00:03:38,690 --> 00:03:36,269

creature stopped and turned looking in

98

00:03:41,149 --> 00:03:38,700

my direction I'm not sure if it hurt me

99

00:03:43,309 --> 00:03:41,159

but it definitely knew of my presence it

100

00:03:45,559 --> 00:03:43,319

then made a terrible hissing sound as it

101
00:03:46,399 --> 00:03:45,569
continued to look in my direction that

102
00:03:48,770 --> 00:03:46,409
was enough for me

103
00:03:50,750 --> 00:03:48,780
I quickly started making a beeline out

104
00:03:52,789 --> 00:03:50,760
of the cave when I reached the entrance

105
00:03:55,009 --> 00:03:52,799
I was shaking and hyperventilating I

106
00:03:57,589 --> 00:03:55,019
finally reached my vehicle and drove

107
00:03:59,539 --> 00:03:57,599
home I continue to explore caves in the

108
00:04:01,819 --> 00:03:59,549
area I have heard stories of people

109
00:04:04,129 --> 00:04:01,829
encountering strange underground beings

110
00:04:06,770 --> 00:04:04,139
but I have never disclosed my experience

111
00:04:08,569 --> 00:04:06,780
a few years after my experience I went

112
00:04:10,610 --> 00:04:08,579
back to the cave but was unable to get

113
00:04:12,800 --> 00:04:10,620

near it since the area is now government

114

00:04:14,960 --> 00:04:12,810

property I can assume that I witnessed

115

00:04:17,300 --> 00:04:14,970

something that I was not supposed to see

116

00:04:19,490 --> 00:04:17,310

it pains me to think what secrets are

117

00:04:21,469 --> 00:04:19,500

being kept from us to those who say that

118

00:04:24,620 --> 00:04:21,479

there are no nonhumans living among us

119

00:04:26,089 --> 00:04:24,630

well think again they are here I do have

120

00:04:28,189 --> 00:04:26,099

the aforementioned evidence of the

121

00:04:35,629 --> 00:04:28,199

experience but I do not wish to release

122

00:04:40,290 --> 00:04:38,609

cloaked reptilian abduction my friend

123

00:04:41,820 --> 00:04:40,300

and I were scoping out a house where

124

00:04:44,399 --> 00:04:41,830

there were occult practices from a

125

00:04:46,739 --> 00:04:44,409

fairly good distance about 100 yards off

126

00:04:48,299 --> 00:04:46,749

there was a field nearby where cows are

127

00:04:50,579 --> 00:04:48,309

kept to feed on the field during the

128

00:04:52,499 --> 00:04:50,589

winter and they were dead quite so was

129

00:04:55,109 --> 00:04:52,509

everything else in the valley not a

130

00:04:57,149 --> 00:04:55,119

single sound except for a demonic roar

131

00:04:58,769 --> 00:04:57,159

that was multi pitched and would come

132

00:05:00,839 --> 00:04:58,779

from about a hundred yards off about

133

00:05:02,790 --> 00:05:00,849

every other minute or so we didn't

134

00:05:04,769 --> 00:05:02,800

really care though because we suspected

135

00:05:06,600 --> 00:05:04,779

we were well camouflaged and it was late

136

00:05:09,119 --> 00:05:06,610

enough at night to evade which we had

137

00:05:11,219 --> 00:05:09,129

already done that night if necessary we

138

00:05:12,540 --> 00:05:11,229

were overlooking an embankment about 15

139

00:05:15,269 --> 00:05:12,550

yards apart from each other

140

00:05:16,679 --> 00:05:15,279

my friend was ahead of me I was looking

141

00:05:18,389 --> 00:05:16,689

at him to get the go-ahead to move

142

00:05:20,939 --> 00:05:18,399

because our presence was already known

143

00:05:23,009 --> 00:05:20,949

there he suddenly froze then started

144

00:05:25,199 --> 00:05:23,019

sprinting in my direction under his

145

00:05:27,809 --> 00:05:25,209

breath he told me to run and run we did

146

00:05:29,339 --> 00:05:27,819

for about one and a half miles along the

147

00:05:31,320 --> 00:05:29,349

way we could hear the multi pitched

148

00:05:33,179 --> 00:05:31,330

voice call to its buddies and they would

149

00:05:35,730 --> 00:05:33,189

call back in their multi pitched voices

150

00:05:38,040 --> 00:05:35,740

when we finally got out and got to have

151
00:05:40,439 --> 00:05:38,050
a cigarette he told me what happened the

152
00:05:43,529 --> 00:05:40,449
house we were checking had company as he

153
00:05:45,420 --> 00:05:43,539
was checking out the house 8.0 28.5 foot

154
00:05:47,369 --> 00:05:45,430
tall cloak being came to the window and

155
00:05:49,409 --> 00:05:47,379
looked directly at him he said he froze

156
00:05:51,689 --> 00:05:49,419
from its tear and then saw it make a go

157
00:05:53,909 --> 00:05:51,699
for the door of the house he made for it

158
00:05:55,679 --> 00:05:53,919
when that happened then we both ran he

159
00:05:58,109 --> 00:05:55,689
said the thing wasn't human and wasn't

160
00:06:00,359 --> 00:05:58,119
very happy we didn't speak an entire

161
00:06:02,309 --> 00:06:00,369
word on the ride back the feeling down

162
00:06:04,949 --> 00:06:02,319
there is death and you have to accept it

163
00:06:07,649 --> 00:06:04,959

to face these guys worst trepidation of

164

00:06:09,749 --> 00:06:07,659

my life no joke when we got back to my

165

00:06:12,029 --> 00:06:09,759

friend's house his eyes started to bleed

166

00:06:14,100 --> 00:06:12,039

they bleed for about the next full day

167

00:06:15,929 --> 00:06:14,110

couldn't really find anything on the

168

00:06:17,669 --> 00:06:15,939

Internet to collaborate this experience

169

00:06:19,769 --> 00:06:17,679

but we did meet another group of two

170

00:06:21,719 --> 00:06:19,779

from the area that had the same exact

171

00:06:24,119 --> 00:06:21,729

thing happened to them eyes bleeding and

172

00:06:25,709 --> 00:06:24,129

all I have suspect evidence to believe

173

00:06:27,659 --> 00:06:25,719

that it was reptilian from the near

174

00:06:29,669 --> 00:06:27,669

abduction instances from the triangles

175

00:06:34,430 --> 00:06:29,679

down there and other personal witness of

176

00:06:42,110 --> 00:06:40,040

I was attacked by her Tilian I awoke one

177

00:06:44,570 --> 00:06:42,120

night in a state of which I can only

178

00:06:46,850 --> 00:06:44,580

explain as a spasm my body was in a

179

00:06:49,400 --> 00:06:46,860

rigid state I could not move a muscle

180

00:06:51,560 --> 00:06:49,410

and felt like something was on top of me

181

00:06:54,110 --> 00:06:51,570

I fought to get movement back in my body

182

00:06:56,780 --> 00:06:54,120

I could not turn my head or move at all

183

00:06:58,130 --> 00:06:56,790

it was like I was having a fight to get

184

00:07:00,620 --> 00:06:58,140

control of my body

185

00:07:03,050 --> 00:07:00,630

after a few panic-stricken moments I

186

00:07:05,570 --> 00:07:03,060

could just barely move my fingers only a

187

00:07:08,120 --> 00:07:05,580

little bit I then found that there was

188

00:07:10,640 --> 00:07:08,130

more than just a spasm I felt dirty and

189

00:07:12,980 --> 00:07:10,650

touched it was a horrible feeling from

190

00:07:15,980 --> 00:07:12,990

deep inside me I could barely move my

191

00:07:18,080 --> 00:07:15,990

toes again very slightly my throat felt

192

00:07:20,540 --> 00:07:18,090

like it was being held I could feel

193

00:07:22,370 --> 00:07:20,550

something was on top of me my hands were

194

00:07:23,660 --> 00:07:22,380

by my side but it felt like they were

195

00:07:26,390 --> 00:07:23,670

around my own throat

196

00:07:28,430 --> 00:07:26,400

holding tightly I was using all my might

197

00:07:30,230 --> 00:07:28,440

to break free from this this Montek

198

00:07:32,720 --> 00:07:30,240

state there could feel something

199

00:07:35,120 --> 00:07:32,730

breathing into my left ear a sound of a

200

00:07:37,280 --> 00:07:35,130

growl like noise right next to my air I

201
00:07:40,070 --> 00:07:37,290
struggled to move my head to the left

202
00:07:42,500 --> 00:07:40,080
like breaking free from a stranglehold I

203
00:07:45,409 --> 00:07:42,510
could barely see the outline of a head a

204
00:07:47,840 --> 00:07:45,419
big long head next to my own face as the

205
00:07:50,570 --> 00:07:47,850
spasm like feeling started to wear off a

206
00:07:52,130 --> 00:07:50,580
tiny bit at a time I could work out that

207
00:07:54,290 --> 00:07:52,140
this thing on top of me looked like a

208
00:07:56,300 --> 00:07:54,300
lizard's not a nude thing it was like a

209
00:07:59,240 --> 00:07:56,310
blending together of all that was around

210
00:08:01,580 --> 00:07:59,250
it or maybe invisible I am NOT very sure

211
00:08:04,220 --> 00:08:01,590
where but I could see it clearly as the

212
00:08:07,400 --> 00:08:04,230
seconds passed on it was reptilian I

213
00:08:09,440 --> 00:08:07,410

crowded it or I think I did my mind and

214

00:08:11,870 --> 00:08:09,450

my body gave all it could to do so I

215

00:08:12,920 --> 00:08:11,880

bared my teeth at it and I could feel it

216

00:08:15,290 --> 00:08:12,930

could read my mind

217

00:08:17,570 --> 00:08:15,300

I was swearing at it and shouting all

218

00:08:20,510 --> 00:08:17,580

sorts of obscenities at it I felt

219

00:08:21,650 --> 00:08:20,520

violated and used the next thing it was

220

00:08:23,450 --> 00:08:21,660

quickly off of me

221

00:08:25,640 --> 00:08:23,460

and was standing to one side of the

222

00:08:27,230 --> 00:08:25,650

bottom of my bunk bed a light came

223

00:08:29,450 --> 00:08:27,240

through the thin gap in the curtains

224

00:08:30,920 --> 00:08:29,460

there were different shades of a golden

225

00:08:33,469 --> 00:08:30,930

light which also had very small

226

00:08:35,120 --> 00:08:33,479

particles inside it like dust or small

227

00:08:37,579 --> 00:08:35,130

stars which moved around like little

228

00:08:40,219 --> 00:08:37,589

bright lights this reptilian creature

229

00:08:42,200 --> 00:08:40,229

was about six feet tall I could sense it

230

00:08:44,960 --> 00:08:42,210

was either proud or happy with itself

231

00:08:45,260 --> 00:08:44,970

maybe both I tried to sit up as best I

232

00:08:47,930 --> 00:08:45,270

could

233

00:08:49,970 --> 00:08:47,940

and through my mind I swore at it again

234

00:08:52,550 --> 00:08:49,980

the creature walked forward and stepped

235

00:08:54,830 --> 00:08:52,560

into the light beam as it did the feet

236

00:08:56,570 --> 00:08:54,840

and legs vanished into the light the

237

00:08:59,030 --> 00:08:56,580

more the creature moved forward towards

238

00:09:01,460 --> 00:08:59,040

the window the more of it vanished after

239

00:09:03,200 --> 00:09:01,470

it was gone I felt relaxed but I could

240

00:09:05,600 --> 00:09:03,210

still feel where I was held around my

241

00:09:08,210 --> 00:09:05,610

throat I felt I was violated by this

242

00:09:10,340 --> 00:09:08,220

horrendous monster I awoke to a bright

243

00:09:12,320 --> 00:09:10,350

sunny day I could hear my mother

244

00:09:14,990 --> 00:09:12,330

downstairs washing up and doing

245

00:09:15,710 --> 00:09:15,000

housework I laid in my bed and didn't

246

00:09:18,050 --> 00:09:15,720

move a muscle

247

00:09:20,510 --> 00:09:18,060

I ran the incident through my mind again

248

00:09:22,640 --> 00:09:20,520

and yes I could still feel where I was

249

00:09:25,310 --> 00:09:22,650

held around my throat I know this

250

00:09:27,740 --> 00:09:25,320

happened my mind heart and soul knows

251

00:09:30,110 --> 00:09:27,750

that this happened for the life of me I

252

00:09:32,180 --> 00:09:30,120

could not run downstairs to explain to

253

00:09:32,900 --> 00:09:32,190

my mother about this who would have

254

00:09:35,090 --> 00:09:32,910

believed it

255

00:09:38,000 --> 00:09:35,100

how would my parents have handled such a

256

00:09:40,460 --> 00:09:38,010

thing I did not know what to do since

257

00:09:42,770 --> 00:09:40,470

that night my stepfather passed away I

258

00:09:45,230 --> 00:09:42,780

asked my mother if she believed in

259

00:09:47,450 --> 00:09:45,240

aliens or UFOs she replied that my

260

00:09:50,420 --> 00:09:47,460

stepfather said once that he saw a UFO

261

00:09:52,910 --> 00:09:50,430

near Brighton while at sea in the 1960s

262

00:09:55,220 --> 00:09:52,920

and he swore that it was a UFO but only

263

00:09:57,590 --> 00:09:55,230

told my mother this I never told my

264

00:09:59,090 --> 00:09:57,600

mother about my experience as I thought

265

00:10:01,850 --> 00:09:59,100

it would be too harrowing for her to

266

00:10:03,950 --> 00:10:01,860

hear what do I do about my experience I

267

00:10:06,170 --> 00:10:03,960

would love to do something about it

268

00:10:08,390 --> 00:10:06,180

it may help somebody as I am being very

269

00:10:10,760 --> 00:10:08,400

honest things like this should be

270

00:10:18,560 --> 00:10:10,770

disclosed an answer has to be found on

271

00:10:24,390 --> 00:10:21,840

reptilian encounter in Taiwan it was

272

00:10:26,310 --> 00:10:24,400

early in the morning I was living in a

273

00:10:29,790 --> 00:10:26,320

small temple with some monks and nuns

274

00:10:32,220 --> 00:10:29,800

near hsinchu city in northern Taiwan the

275

00:10:34,500 --> 00:10:32,230

master told me not to go jogging too

276

00:10:36,870 --> 00:10:34,510

early in the morning but I had to get

277

00:10:39,960 --> 00:10:36,880

back and be ready for morning ceremony

278

00:10:42,600 --> 00:10:39,970

I left the temple at around 4:00 a.m. I

279

00:10:45,360 --> 00:10:42,610

had jogged the same route a few times

280

00:10:47,640 --> 00:10:45,370

already as I ran down the hill to the

281

00:10:49,830 --> 00:10:47,650

valley I could see someone standing on

282

00:10:52,890 --> 00:10:49,840

the side of his small Chinese bridge I

283

00:10:55,860 --> 00:10:52,900

was thinking must be some strange guy I

284

00:10:58,320 --> 00:10:55,870

will go as say good morning to him as I

285

00:11:01,020 --> 00:10:58,330

got closer I thought this is too big to

286

00:11:03,870 --> 00:11:01,030

be a man the roadside is covered in

287

00:11:05,940 --> 00:11:03,880

bamboo on the side I would lose sight as

288

00:11:08,340 --> 00:11:05,950

I turned the bend in the road going down

289

00:11:10,500 --> 00:11:08,350

to the valley as I got within about

290

00:11:13,920 --> 00:11:10,510

thirty feet toward the last bend in the

291

00:11:16,410 --> 00:11:13,930

road my body went into shock I knew this

292

00:11:19,020 --> 00:11:16,420

because my arms and legs turned white is

293

00:11:22,140 --> 00:11:19,030

the blood race to my vital organs so I

294

00:11:25,290 --> 00:11:22,150

had to slow down around fifteen feet I

295

00:11:29,280 --> 00:11:25,300

was thinking oh my god how this can be

296

00:11:32,040 --> 00:11:29,290

this is not human what the so I slowed

297

00:11:34,200 --> 00:11:32,050

right down to a slow walk I was thinking

298

00:11:37,170 --> 00:11:34,210

that I could lose my life at any moment

299

00:11:39,620 --> 00:11:37,180

my amazement took over my fear the

300

00:11:42,810 --> 00:11:39,630

reptilian was about nine feet tall I

301
00:11:45,270 --> 00:11:42,820
remember its legs were powerful its skin

302
00:11:47,670 --> 00:11:45,280
was green and had green scales it also

303
00:11:49,710 --> 00:11:47,680
had wings and head like that of a lizard

304
00:11:52,200 --> 00:11:49,720
or like a dinosaurs but he was

305
00:11:55,020 --> 00:11:52,210
good-looking he looked kind of royal

306
00:11:57,450 --> 00:11:55,030
looking extremely well built and very

307
00:11:59,940 --> 00:11:57,460
powerfully looking his wings made him

308
00:12:01,980 --> 00:11:59,950
look a little angelic as I approached

309
00:12:04,140 --> 00:12:01,990
him he turned his head to look at me

310
00:12:06,270 --> 00:12:04,150
with his small black shining eyes and

311
00:12:08,250 --> 00:12:06,280
then turned his head to look at a pack

312
00:12:11,250 --> 00:12:08,260
of dogs on the over side of the bridge

313
00:12:14,010 --> 00:12:11,260

as if to call them the dog started to

314

00:12:16,710 --> 00:12:14,020

chase me away so I had to run back up

315

00:12:20,280 --> 00:12:16,720

the hill I ran back to the temple to see

316

00:12:23,550 --> 00:12:20,290

my master I said master I saw a dragon

317

00:12:25,920 --> 00:12:23,560

he just turned away a few years after

318

00:12:29,430 --> 00:12:25,930

some other master did confirm what I saw

319

00:12:30,450 --> 00:12:29,440

I admired him I thought he was free not

320

00:12:35,220 --> 00:12:30,460

trapped by

321

00:12:40,780 --> 00:12:38,470

this is lawn Strickler if you like this
