7  
00:00:32,080 --> 00:00:29,529  
that's of Bigfoots tox Boy Scouts in

8  
00:00:34,630 --> 00:00:32,090  
Mount Hood National Forest I was active

9  
00:00:37,630 --> 00:00:34,640  
in the Boy Scouts of America BSA for a

10  
00:00:39,490 --> 00:00:37,640  
few years up until about age 15 our

11  
00:00:41,590 --> 00:00:39,500  
troop was fairly small and poorly

12  
00:00:44,020 --> 00:00:41,600  
organized with a scout master who was

13  
00:00:46,149 --> 00:00:44,030

uninspired old man known to drink a lot

14

00:00:48,729 --> 00:00:46,159

he often drove us out into some remote

15

00:00:50,319 --> 00:00:48,739

locations of the pnw and in around the

16

00:00:52,660 --> 00:00:50,329

Mount Hood National Forest

17

00:00:54,700 --> 00:00:52,670

we usually ended up being the only troop

18

00:00:56,889 --> 00:00:54,710

attempt sites that were long neglected

19

00:00:58,990 --> 00:00:56,899

and poorly maintained at best we never

20

00:01:01,180 --> 00:00:59,000

attended any of the Scout Jamboree

21

00:01:03,340 --> 00:01:01,190

the one criteria that seemed to matter

22

00:01:05,889 --> 00:01:03,350

to him was the presence of some kind of

23

00:01:08,139 --> 00:01:05,899

single occupancy shelter like an old

24

00:01:09,969 --> 00:01:08,149

mini cabin or some standing structure he

25

00:01:12,490 --> 00:01:09,979

could hole up by himself with his little

26  
00:01:15,279 --> 00:01:12,500  
propane heater folding cod and Canadian

27  
00:01:17,590 --> 00:01:15,289  
mist we usually saw him twice a day for

28  
00:01:19,810 --> 00:01:17,600  
breakfast and dinner the rest of the

29  
00:01:21,550 --> 00:01:19,820  
time we fended for ourselves and the

30  
00:01:23,499 --> 00:01:21,560  
dynamics of our troops sometimes

31  
00:01:25,930 --> 00:01:23,509  
devolved into something along the lines

32  
00:01:28,480 --> 00:01:25,940  
of Lord of the Flies during my time in

33  
00:01:30,609 --> 00:01:28,490  
that troop on two occasions my friend

34  
00:01:34,149 --> 00:01:30,619  
and I came across some very distinct

35  
00:01:36,039 --> 00:01:34,159  
five to bury human very huge prints when

36  
00:01:38,830 --> 00:01:36,049  
grouping was located on the far side of

37  
00:01:41,020 --> 00:01:38,840  
a lake accessible only by canoe which at

38  
00:01:43,090 --> 00:01:41,030

one point we had to drag over Beaver Dam

39

00:01:45,310 --> 00:01:43,100

there was a muddy cove where a creek

40

00:01:47,260 --> 00:01:45,320

drained into the lake we were marveling

41

00:01:49,840 --> 00:01:47,270

at all of fresh the various animal

42

00:01:52,330 --> 00:01:49,850

tracks imprinted in the mud bear deer

43

00:01:54,459 --> 00:01:52,340

Kruger and or Bobcat when we noticed the

44

00:01:57,010 --> 00:01:54,469

improbable bare humanoid prints that

45

00:01:58,959 --> 00:01:57,020

were ridiculously huge we looked at them

46

00:02:00,880 --> 00:01:58,969

very closely and I'll never forget

47

00:02:02,590 --> 00:02:00,890

observing the fine detail within the

48

00:02:05,319 --> 00:02:02,600

prints that were pressed in quite deep

49

00:02:07,510 --> 00:02:05,329

my friend said at the time the creases

50

00:02:09,370 --> 00:02:07,520

inside the prints looked similar to what

51  
00:02:11,680 --> 00:02:09,380  
you'd see on your palms or the bottoms

52  
00:02:13,780 --> 00:02:11,690  
of your own feet both my friend and I

53  
00:02:15,099 --> 00:02:13,790  
were aware of the Bigfoot legends but we

54  
00:02:17,170 --> 00:02:15,109  
never took it seriously

55  
00:02:19,479 --> 00:02:17,180  
shortly after inspecting those

56  
00:02:21,610 --> 00:02:19,489  
footprints we both felt a little spooked

57  
00:02:22,960 --> 00:02:21,620  
and decided to head the canoe and paddle

58  
00:02:24,910 --> 00:02:22,970  
back to our campsite

59  
00:02:26,770 --> 00:02:24,920  
if someone had put in the elaborate

60  
00:02:28,990 --> 00:02:26,780  
effort to prank some Boy Scouts or

61  
00:02:31,150 --> 00:02:29,000  
campers with fake footprints they chose

62  
00:02:33,400 --> 00:02:31,160  
the location almost guaranteed to never

63  
00:02:35,590 --> 00:02:33,410

be noticed that incident along with

64

00:02:38,440 --> 00:02:35,600

another much freakier one in a different

65

00:02:40,240 --> 00:02:38,450

location gravely changed my Mincy as to

66

00:02:42,430 --> 00:02:40,250

the likelihood of these things creatures

67

00:02:44,380 --> 00:02:42,440

being all too real the other freaky

68

00:02:46,480 --> 00:02:44,390

experience also didn't involve a

69

00:02:48,040 --> 00:02:46,490

sighting on my part but it was one of

70

00:02:50,320 --> 00:02:48,050

those you would have had to have been

71

00:02:52,240 --> 00:02:50,330

there situations this very well could

72

00:02:54,640 --> 00:02:52,250

have taken place during the camping

73

00:02:56,530 --> 00:02:54,650

excursion in location as where my friend

74

00:02:58,930 --> 00:02:56,540

I found the prints on the far side of

75

00:03:01,420 --> 00:02:58,940

the lake if not that in there it was

76

00:03:03,580 --> 00:03:01,430

around that same time period it was

77

00:03:05,770 --> 00:03:03,590

after dinner and the Sun was down but

78

00:03:07,660 --> 00:03:05,780

the moon was pretty bright two of the

79

00:03:10,330 --> 00:03:07,670

guys my age went for a night hike

80

00:03:13,090 --> 00:03:10,340

basically just goofing around one of

81

00:03:15,220 --> 00:03:13,100

those two guys Bruce I also considered a

82

00:03:16,660 --> 00:03:15,230

friend he was in my grade and we

83

00:03:20,020 --> 00:03:16,670

attended the same school

84

00:03:21,940 --> 00:03:20,030

Bruce was tall husky guy for his age he

85

00:03:24,640 --> 00:03:21,950

had a mellow disposition and got good

86

00:03:26,680 --> 00:03:24,650

grades in school he was also deaf were

87

00:03:28,660 --> 00:03:26,690

significantly so since he had one of

88

00:03:31,360 --> 00:03:28,670

those old hearing aids that connected to

89

00:03:34,000 --> 00:03:31,370

a control box about the size of a pack

90

00:03:35,770 --> 00:03:34,010

of cigarettes I never saw him use sign

91

00:03:37,540 --> 00:03:35,780

language but he was effective at

92

00:03:40,180 --> 00:03:37,550

communicating with rough words and

93

00:03:42,490 --> 00:03:40,190

gestures anyway Bruce and the other guy

94

00:03:44,320 --> 00:03:42,500

went for their hike apparently intending

95

00:03:46,330 --> 00:03:44,330

to go just down down to the lake and

96

00:03:49,030 --> 00:03:46,340

back they didn't bring anything with

97

00:03:51,040 --> 00:03:49,040

them not even a flashlight I don't think

98

00:03:53,440 --> 00:03:51,050

they were gone for more than 45 minutes

99

00:03:55,690 --> 00:03:53,450

tops when they both came bursting back

100

00:03:58,360 --> 00:03:55,700

into the campsite area in a total state

101  
00:04:00,610 --> 00:03:58,370  
of panic bordering on hysteria the other

102  
00:04:02,770 --> 00:04:00,620  
guy can't recall his name was sobbing

103  
00:04:04,509 --> 00:04:02,780  
and shaking kept frantically looking

104  
00:04:06,670 --> 00:04:04,519  
back in the direction they come come

105  
00:04:09,100 --> 00:04:06,680  
from what really alarmed me was seeing

106  
00:04:11,410 --> 00:04:09,110  
Bruce in tears also he had to create a

107  
00:04:13,570 --> 00:04:11,420  
lot deep woods camping experiencing and

108  
00:04:15,820 --> 00:04:13,580  
was no worse both of them were babbling

109  
00:04:18,219 --> 00:04:15,830  
over the top of each other making quite

110  
00:04:20,380 --> 00:04:18,229  
a commotion it was enough to rouse her

111  
00:04:22,750 --> 00:04:20,390  
all troop leader from his hidey hole to

112  
00:04:24,790 --> 00:04:22,760  
see what was going on we finally got

113  
00:04:27,640 --> 00:04:24,800

some detail out of the guys which was

114

00:04:29,260 --> 00:04:27,650

unsettling to everybody supposedly they

115

00:04:31,180 --> 00:04:29,270

hadn't quite made it to the lake when

116

00:04:32,190 --> 00:04:31,190

Bruce felt someone something was pacing

117

00:04:34,320 --> 00:04:32,200

them

118

00:04:36,870 --> 00:04:34,330

alter their path they said whatever it

119

00:04:38,880 --> 00:04:36,880

was was walking between the trees at

120

00:04:41,010 --> 00:04:38,890

first the other kid didn't pick on up it

121

00:04:43,500 --> 00:04:41,020

and was the muse when Bruce kept trying

122

00:04:45,330 --> 00:04:43,510

to share what he was noticing they kept

123

00:04:47,040 --> 00:04:45,340

walking for a bit until the other kid

124

00:04:49,380 --> 00:04:47,050

became aware of what Bruce had been

125

00:04:51,840 --> 00:04:49,390

trying to explain whatever was pacing

126  
00:04:53,520 --> 00:04:51,850  
them was laying down footfalls massive

127  
00:04:55,800 --> 00:04:53,530  
enough to reverberate through the ground

128  
00:04:57,960 --> 00:04:55,810  
I think what really scared them at first

129  
00:05:00,240 --> 00:04:57,970  
was noticing how the heavy steps were

130  
00:05:02,550 --> 00:05:00,250  
keeping pace with their own as if it was

131  
00:05:04,980 --> 00:05:02,560  
stalking them whenever they stopped it

132  
00:05:06,780 --> 00:05:04,990  
stopped at some point they reached a

133  
00:05:08,940 --> 00:05:06,790  
spot where there was wider spacing

134  
00:05:11,070 --> 00:05:08,950  
between the trees in the moonlight they

135  
00:05:14,160 --> 00:05:11,080  
both saw the silhouette of a huge tall

136  
00:05:15,450 --> 00:05:14,170  
bipedal shape 20 to 30 feet away darting

137  
00:05:18,000 --> 00:05:15,460  
between the tree trunks

138  
00:05:20,100 --> 00:05:18,010

Bruce described it as taller than an NBA

139

00:05:22,560 --> 00:05:20,110

player the way thicker than Andre the

140

00:05:24,480 --> 00:05:22,570

Giant where their stories diverged was

141

00:05:26,520 --> 00:05:24,490

after they both fled in panic

142

00:05:28,560 --> 00:05:26,530

Bruce insisted that it didn't give chase

143

00:05:30,480 --> 00:05:28,570

but his friends swore that he could hear

144

00:05:32,580 --> 00:05:30,490

it crashing through the foliage behind

145

00:05:34,950 --> 00:05:32,590

them most of the way back to camp I

146

00:05:37,320 --> 00:05:34,960

should note that our ragtag Scout Troop

147

00:05:39,270 --> 00:05:37,330

included a couple of guys a bit older

148

00:05:41,190 --> 00:05:39,280

than the average age in our troop who

149

00:05:43,830 --> 00:05:41,200

were full-on bullies and considered

150

00:05:46,140 --> 00:05:43,840

themselves badasses both of those doubts

151  
00:05:48,240 --> 00:05:46,150  
bags who would normally mock anyone for

152  
00:05:50,130 --> 00:05:48,250  
being a pansy were visibly spooked by

153  
00:05:52,140 --> 00:05:50,140  
the drama nervously shining their

154  
00:05:54,570 --> 00:05:52,150  
flashlights around the dark perimeter of

155  
00:05:56,310 --> 00:05:54,580  
our campsite but of course neither of

156  
00:05:58,860 --> 00:05:56,320  
them volunteered to venture out and

157  
00:06:01,080 --> 00:05:58,870  
investigate our old Scoutmaster looked a

158  
00:06:03,390 --> 00:06:01,090  
bit rattled too since this was not the

159  
00:06:05,580 --> 00:06:03,400  
typical drama he usually had to contend

160  
00:06:07,770 --> 00:06:05,590  
with I think seeing Bruce in such a

161  
00:06:10,020 --> 00:06:07,780  
state of fear had an impact on him I'm

162  
00:06:11,880 --> 00:06:10,030  
fairly certain he believed at least

163  
00:06:13,980 --> 00:06:11,890

those two Scouts saw something out of

164

00:06:16,080 --> 00:06:13,990

the ordinary something that's scared to

165

00:06:18,540 --> 00:06:16,090

piss out of them thereby interrupting

166

00:06:20,580 --> 00:06:18,550

his evening date with some goofs after

167

00:06:23,100 --> 00:06:20,590

things finally simmer down before

168

00:06:25,380 --> 00:06:23,110

retreating back to his personal space he

169

00:06:27,930 --> 00:06:25,390

told us to make sure the fire was out in

170

00:06:30,120 --> 00:06:27,940

hit the racks at that older campground

171

00:06:32,640 --> 00:06:30,130

our accommodations recruit structures

172

00:06:34,500 --> 00:06:32,650

like a cross between tiny log cabins and

173

00:06:37,260 --> 00:06:34,510

eared there were no bunks or anything

174

00:06:39,090 --> 00:06:37,270

just a floor of wood planks the roofs

175

00:06:40,719 --> 00:06:39,100

were large squares of all canvas

176

00:06:43,360 --> 00:06:40,729

stretched fastened across the

177

00:06:46,209 --> 00:06:43,370

those your cabin scriptures were drafty

178

00:06:48,429 --> 00:06:46,219

and cold very uncomfortable it was at

179

00:06:49,959 --> 00:06:48,439

least a couple of hours before dawn when

180

00:06:51,760 --> 00:06:49,969

me and a couple of the guys who woke to

181

00:06:54,070 --> 00:06:51,770

the sound feeling of something walking

182

00:06:56,589 --> 00:06:54,080

around the campsite at times getting

183

00:06:58,600 --> 00:06:56,599

really close to the yurts I don't recall

184

00:07:00,850 --> 00:06:58,610

a feeling as being something massive or

185

00:07:02,920 --> 00:07:00,860

heavy but two dogs were absolutely

186

00:07:05,290 --> 00:07:02,930

freaking out howling and whimpering like

187

00:07:07,989 --> 00:07:05,300

their lives were in danger here's where

188

00:07:10,570 --> 00:07:07,999

my memory has some gaps our trip didn't

189

00:07:12,670 --> 00:07:10,580

travel with include dogs my best for

190

00:07:14,649 --> 00:07:12,680

collection is that particular campground

191

00:07:15,279 --> 00:07:14,659

had some guy acting as a seasonal

192

00:07:17,200 --> 00:07:15,289

caretaker

193

00:07:19,450 --> 00:07:17,210

with a key to the gate living in a shack

194

00:07:21,879 --> 00:07:19,460

or an old trailer ways off from our camp

195

00:07:23,829 --> 00:07:21,889

and he might have owned dogs I just

196

00:07:26,499 --> 00:07:23,839

don't remember seeing this person at any

197

00:07:28,329 --> 00:07:26,509

point sure the sounds we heard that

198

00:07:30,489 --> 00:07:28,339

morning could have easily been from any

199

00:07:32,439 --> 00:07:30,499

number of catalogued critters but the

200

00:07:33,070 --> 00:07:32,449

way those dogs sounded was really

201  
00:07:35,529 --> 00:07:33,080  
something

202  
00:07:38,019 --> 00:07:35,539  
I saw a call how scared my friend Bruce

203  
00:07:40,450 --> 00:07:38,029  
was as he frantically tried to explain

204  
00:07:42,429 --> 00:07:40,460  
describe what he'd seen that normally

205  
00:07:44,860 --> 00:07:42,439  
mellow guy looked like he just witnessed

206  
00:07:47,320 --> 00:07:44,870  
something very frightening the guy was

207  
00:07:49,570 --> 00:07:47,330  
literally in tears extremely convinced

208  
00:07:51,639 --> 00:07:49,580  
of what he'd seen for whatever reason

209  
00:07:54,309 --> 00:07:51,649  
Bruce didn't stick around our trip long

210  
00:07:56,800 --> 00:07:54,319  
after that maybe just one more campout

211  
00:07:58,689 --> 00:07:56,810  
at most over the following years I saw

212  
00:08:01,029 --> 00:07:58,699  
him a few times in the school hallways

213  
00:08:11,040 --> 00:08:01,039

but never had a chance to ask him to

214

00:08:16,390 --> 00:08:14,260

Bigfoot along the Chenango River had my

215

00:08:18,120 --> 00:08:16,400

encounter in western Pennsylvania near

216

00:08:22,270 --> 00:08:18,130

the Chenango River in Crawford County

217

00:08:24,190 --> 00:08:22,280

this was in 2008 when I was a teen I was

218

00:08:26,440 --> 00:08:24,200

night fishing in the pond across the

219

00:08:28,870 --> 00:08:26,450

street from my family friends horse farm

220

00:08:30,850 --> 00:08:28,880

I was staying at for the summer the

221

00:08:32,890 --> 00:08:30,860

sight of the pond I was fishing from is

222

00:08:35,260 --> 00:08:32,900

an open field from the lawn to the road

223

00:08:37,420 --> 00:08:35,270

and the opposite side has a thick oak

224

00:08:39,820 --> 00:08:37,430

forest leading up to the shore that is

225

00:08:43,089 --> 00:08:39,830

massive and stretches for a few miles in

226

00:08:45,250 --> 00:08:43,099

width and probably 10 miles long his is

227

00:08:47,440 --> 00:08:45,260

the only house in the area his nearest

228

00:08:49,840 --> 00:08:47,450

neighbor is almost three miles up the

229

00:08:52,540 --> 00:08:49,850

road I had been out for around an hour

230

00:08:55,240 --> 00:08:52,550

and already had for 10 to 15 pounds

231

00:08:57,460 --> 00:08:55,250

catfish on my stringer so was more just

232

00:09:00,040 --> 00:08:57,470

enjoying the quiet and sky more than

233

00:09:02,020 --> 00:09:00,050

anything I started hearing some rustling

234

00:09:04,270 --> 00:09:02,030

a hundred yards or so into the woods

235

00:09:06,280 --> 00:09:04,280

across the pond from me at first I just

236

00:09:08,560 --> 00:09:06,290

thought it was the dog digging something

237

00:09:11,200 --> 00:09:08,570

up until I realized he was still laying

238

00:09:13,240 --> 00:09:11,210

beside me then I started to make out

239

00:09:14,920 --> 00:09:13,250

four human-like figures that kept

240

00:09:17,050 --> 00:09:14,930

walking up near the edge of the tree

241

00:09:18,970 --> 00:09:17,060

line across the pond and then walking

242

00:09:19,660 --> 00:09:18,980

back to where I couldn't make them out

243

00:09:22,060 --> 00:09:19,670

anymore

244

00:09:24,520 --> 00:09:22,070

this went on for around 20 minutes and

245

00:09:26,770 --> 00:09:24,530

was freaking me out because the family

246

00:09:28,930 --> 00:09:26,780

friend lives by himself and I was the

247

00:09:31,240 --> 00:09:28,940

only person there that night besides him

248

00:09:33,940 --> 00:09:31,250

so I knew it wasn't just him messing

249

00:09:35,890 --> 00:09:33,950

with me then I stopped seeing them but

250

00:09:37,420 --> 00:09:35,900

could still hear the occasional noises

251  
00:09:39,790 --> 00:09:37,430  
of something moving in the woods just

252  
00:09:42,460 --> 00:09:39,800  
out of sight for another 20 minutes or

253  
00:09:44,980 --> 00:09:42,470  
so it was almost 1 a.m. at that point

254  
00:09:46,870 --> 00:09:44,990  
and the fish weren't biting anymore but

255  
00:09:49,120 --> 00:09:46,880  
I was too freaked out to take my eyes

256  
00:09:51,760 --> 00:09:49,130  
off the wood line long enough to pack up

257  
00:09:54,460 --> 00:09:51,770  
my tackle box and rod and clean the fish

258  
00:09:56,410 --> 00:09:54,470  
then I saw one of the figures come up to

259  
00:09:58,120 --> 00:09:56,420  
the edge of the wood line again and it

260  
00:10:00,700 --> 00:09:58,130  
heaved a rock that had to have been

261  
00:10:03,340 --> 00:10:00,710  
about 40 pounds or so judging by the

262  
00:10:05,170 --> 00:10:03,350  
splash it made that darn near made it to

263  
00:10:08,200 --> 00:10:05,180

the middle of the pond which is roughly

264

00:10:09,760 --> 00:10:08,210

60 yards wide I was scared to death and

265

00:10:11,920 --> 00:10:09,770

immediately jumped up and started

266

00:10:14,320 --> 00:10:11,930

sprinting the quarter mile back to the

267

00:10:16,930 --> 00:10:14,330

house I left all of my gear there

268

00:10:19,000 --> 00:10:16,940

fishing lines still cast out stringer of

269

00:10:21,880 --> 00:10:19,010

fish still in the pond in front of me

270

00:10:24,400 --> 00:10:21,890

etc my tackle box and gear is still my

271

00:10:26,619 --> 00:10:24,410

most prized possessions to this day but

272

00:10:29,259 --> 00:10:26,629

how deathly afraid I was in the moment

273

00:10:30,910 --> 00:10:29,269

luckily the dog freaked out as much as I

274

00:10:32,920 --> 00:10:30,920

did and beat me back to the house

275

00:10:35,860 --> 00:10:32,930

because I didn't think about him at all

276

00:10:37,629 --> 00:10:35,870

either I ran inside and started to tell

277

00:10:39,879 --> 00:10:37,639

the family friend what happened

278

00:10:42,009 --> 00:10:39,889

he didn't even bat an eye just told me

279

00:10:44,980 --> 00:10:42,019

to grab the spotlight we used for [h\_\_\h]

280

00:10:46,720 --> 00:10:44,990

hunting and he grabbed his rifle it took

281

00:10:49,030 --> 00:10:46,730

maybe five minutes from the time I

282

00:10:51,189 --> 00:10:49,040

booked it in fear till we were back down

283

00:10:53,499 --> 00:10:51,199

at the pond the stringer of fish was

284

00:10:55,749 --> 00:10:53,509

gone and the whole tub of chicken livers

285

00:10:58,689 --> 00:10:55,759

I was using as bait was nowhere in sight

286

00:11:00,850 --> 00:10:58,699

I reeled in my line packed up my tackle

287

00:11:02,829 --> 00:11:00,860

box and we walked around the woods

288

00:11:05,079 --> 00:11:02,839

spotting for around a half hour and

289

00:11:07,210 --> 00:11:05,089

didn't find the stringer of fish or blue

290

00:11:10,030 --> 00:11:07,220

bucket from the chicken livers anywhere

291

00:11:12,040 --> 00:11:10,040

nor any animals or anything we went back

292

00:11:14,079 --> 00:11:12,050

to the house and he told me that he has

293

00:11:16,449 --> 00:11:14,089

had a family of Bigfoot living on his

294

00:11:18,369 --> 00:11:16,459

property for a few years now but didn't

295

00:11:20,920 --> 00:11:18,379

want people to think he was crazy

296

00:11:23,230 --> 00:11:20,930

so never brought it up I had a lot of

297

00:11:25,869 --> 00:11:23,240

experiences on that property that summer

298

00:11:27,639 --> 00:11:25,879

and since but none that intense just a

299

00:11:29,470 --> 00:11:27,649

lot of being followed through the woods

300

00:11:31,660 --> 00:11:29,480

while hunting or collecting mushrooms

301  
00:11:39,870 --> 00:11:31,670  
and berries and hearing them talking in

302  
00:11:44,650 --> 00:11:42,699  
Appalachia and Tennessee Bigfoot I grew

303  
00:11:46,420 --> 00:11:44,660  
up in the southern Appalachians Crab

304  
00:11:49,030 --> 00:11:46,430  
Orchard mountains in Tennessee to be

305  
00:11:51,460 --> 00:11:49,040  
precise my much older brother and his

306  
00:11:53,920 --> 00:11:51,470  
best friend saw Bigfoot in the 60s while

307  
00:11:56,650 --> 00:11:53,930  
camping on the oak Trevor no guessing

308  
00:11:58,900 --> 00:11:56,660  
about it I always believed him a buddy

309  
00:12:01,480 --> 00:11:58,910  
and I were back there in the early 2000s

310  
00:12:04,389 --> 00:12:01,490  
late January we're camping and riding

311  
00:12:06,910 --> 00:12:04,399  
ATVs and it's staying cold around minus

312  
00:12:09,190 --> 00:12:06,920  
8 degrees that night we were back at the

313  
00:12:11,800 --> 00:12:09,200

camp warming around the fire quietly

314

00:12:13,780 --> 00:12:11,810

talking all of a sudden the most ear

315

00:12:15,460 --> 00:12:13,790

piercing bellowing shrieking of the sort

316

00:12:17,829 --> 00:12:15,470

that I have never heard anywhere on this

317

00:12:20,230 --> 00:12:17,839

planet it had the volume of an elephant

318

00:12:22,150 --> 00:12:20,240

it seemed it moved around our campsite

319

00:12:23,170 --> 00:12:22,160

in the dark staying out of the glow of

320

00:12:25,389 --> 00:12:23,180

the campfire

321

00:12:27,699 --> 00:12:25,399

Jerry shined his big flashlight all

322

00:12:30,040 --> 00:12:27,709

around and we didn't see anything but it

323

00:12:31,990 --> 00:12:30,050

screamed at us another three times then

324

00:12:33,880 --> 00:12:32,000

we heard what sounded like a damn loose

325

00:12:35,800 --> 00:12:33,890

running through the woods there aren't

326

00:12:38,290 --> 00:12:35,810

any moose around there let me tell you

327

00:12:40,360 --> 00:12:38,300

Jerry and I kept her weapons handy for a

328

00:12:42,819 --> 00:12:40,370

couple more hours talking about what

329

00:12:45,310 --> 00:12:42,829

just happened I asked him you know what

330

00:12:47,860 --> 00:12:45,320

it had to be don't you and he said the

331

00:12:50,050 --> 00:12:47,870

word Bigfoot but to this day he doesn't

332

00:12:52,000 --> 00:12:50,060

even like to talk about it with me it

333

00:12:54,190 --> 00:12:52,010

changed his perception of what is out in

334

00:12:57,190 --> 00:12:54,200

those woods though before that he was

335

00:12:59,079 --> 00:12:57,200

mister nothing scares me he doesn't even

336

00:13:01,480 --> 00:12:59,089

go out in the boonies anywhere near as

337

00:13:04,240 --> 00:13:01,490

much as he did before that night if I'm

338

00:13:10,520 --> 00:13:04,250

lying I'm died well you know what I'm

339

00:13:16,080 --> 00:13:13,740
