7
00:00:31,810 --> 00:00:29,770
flying race shaped cryptid Virginia I

8
00:00:33,730 --> 00:00:31,820
like to take my dog out on late-night

9
00:00:36,250 --> 00:00:33,740
walks around 10:00 or 11:00

10
00:00:38,440 --> 00:00:36,260
sometimes even later it's nice for me

11
00:00:41,110 --> 00:00:38,450
because I love the night and nice for my

12
00:00:43,660 --> 00:00:41,120
dog because it's not too hot for him he

13
00:00:45,760 --> 00:00:43,670

has thick black fur we sometimes see

14

00:00:47,890 --> 00:00:45,770

creepy stuff at night like roadkill or

15

00:00:50,260 --> 00:00:47,900

strange animals but usually the

16

00:00:52,600 --> 00:00:50,270

neighborhood is very peaceful one night

17

00:00:54,850 --> 00:00:52,610

however was a bit different I was

18

00:00:56,740 --> 00:00:54,860

walking the dog up a hill and I noticed

19

00:00:58,509 --> 00:00:56,750

that he perked up quite a bit and was

20

00:01:00,700 --> 00:00:58,519

quietly whooping and panting in the

21

00:01:02,799 --> 00:01:00,710

direction of the house about 40 feet up

22

00:01:05,200 --> 00:01:02,809

the street I looked up and saw this

23

00:01:07,630 --> 00:01:05,210

strange large hazy white thing rapidly

24

00:01:10,360 --> 00:01:07,640

circling around the house it was white

25

00:01:12,399 --> 00:01:10,370

and was flapping I think but not in a

26

00:01:14,470 --> 00:01:12,409

way that a bird would the creepy thing

27

00:01:16,990 --> 00:01:14,480

about this is how hazy the memory has

28

00:01:18,760 --> 00:01:17,000

become I know it wasn't a dream because

29

00:01:21,070 --> 00:01:18,770

I clearly remembered the rest of the

30

00:01:23,920 --> 00:01:21,080

walk and coming back home very confused

31

00:01:26,230 --> 00:01:23,930

and scared anyway my dog is pulling me

32

00:01:28,450 --> 00:01:26,240

towards whatever it is as it circles the

33

00:01:30,819 --> 00:01:28,460

house about 10 and 15 times and

34

00:01:33,670 --> 00:01:30,829

disappears behind the house somehow I

35

00:01:36,130 --> 00:01:33,680

don't remember I'm not sure when I say

36

00:01:38,200 --> 00:01:36,140

this thing was big I mean it it was

37

00:01:40,569 --> 00:01:38,210

definitely about a meter tall vertically

38

00:01:42,639 --> 00:01:40,579

and maybe less than a foot wide it

39

00:01:45,310 --> 00:01:42,649

seemed to be flapping but with its wing

40

00:01:47,350 --> 00:01:45,320

facing the ground so it's on its side it

41

00:01:49,090 --> 00:01:47,360

definitely wasn't a back because it

42

00:01:51,880 --> 00:01:49,100

repeatedly circled the house in these

43

00:01:54,130 --> 00:01:51,890

white swoops the best answer I can give

44

00:01:56,260 --> 00:01:54,140

as a disabled albino mega-bad that

45

00:01:58,899 --> 00:01:56,270

decided it would cruise around a random

46

00:02:00,940 --> 00:01:58,909

suburban house and then disappear what

47

00:02:03,459 --> 00:02:00,950

did smee is how hazy he looked like it

48

00:02:05,649 --> 00:02:03,469

didn't have a definite form as if it was

49

00:02:07,959 --> 00:02:05,659

blurred at the edges and off grainy

50

00:02:09,810 --> 00:02:07,969

white it was swooping around and around

51
00:02:12,730 --> 00:02:09,820
in the dark what could it have been

52
00:02:15,370 --> 00:02:12,740
added so it's looking like it might be a

53
00:02:17,290 --> 00:02:15,380
white ray the sea dwelling kind cryptid

54
00:02:20,260 --> 00:02:17,300
which is really weird but it definitely

55
00:02:22,870 --> 00:02:20,270
fits the bill or a kite like my brother

56
00:02:24,640 --> 00:02:22,880
kept repeating who knows I'm going to

57
00:02:27,310 --> 00:02:24,650
walk the dog now so I'll be on the

58
00:02:29,080 --> 00:02:27,320
lookout a bit more information I'm in

59
00:02:30,650 --> 00:02:29,090
the general area where the cryptid has

60
00:02:34,220 --> 00:02:30,660
been sighted

61
00:02:38,979 --> 00:02:35,610
[Music]

62
00:02:41,350 --> 00:02:38,989
new flying manta ray sighting Lynchburg

63
00:02:43,720 --> 00:02:41,360

Virginia I was taking a picture of the

64

00:02:45,400 --> 00:02:43,730

pretty night farmland at night the dark

65

00:02:47,470 --> 00:02:45,410

mountains in the blue sky with the

66

00:02:49,690 --> 00:02:47,480

lights of the farmhouses lit up here and

67

00:02:51,729 --> 00:02:49,700

there it was a beautiful scenic shot

68

00:02:53,740 --> 00:02:51,739

when I looked back on the back of the

69

00:02:55,720 --> 00:02:53,750

camera to see what I've gone and if I

70

00:02:57,729 --> 00:02:55,730

wanted to try another angle there was a

71

00:03:00,009 --> 00:02:57,739

pink drape hanging down close in the air

72

00:03:01,750 --> 00:03:00,019

because I have hundreds of pictures over

73

00:03:03,940 --> 00:03:01,760

the past three years in this entire

74

00:03:06,040 --> 00:03:03,950

viewing area I was amazed but not

75

00:03:07,690 --> 00:03:06,050

surprised when something was there but

76

00:03:10,030 --> 00:03:07,700

the object was something I hadn't

77

00:03:12,280 --> 00:03:10,040

exactly gotten before I have however

78

00:03:13,300 --> 00:03:12,290

gotten three other cloaking shields in

79

00:03:15,610 --> 00:03:13,310

the last two months

80

00:03:17,380 --> 00:03:15,620

one was a huge triangle of light over

81

00:03:18,970 --> 00:03:17,390

the mountain and the other two looked

82

00:03:21,130 --> 00:03:18,980

like a thick bed she doubled over

83

00:03:23,080 --> 00:03:21,140

hanging in the air you can see the fold

84

00:03:25,300 --> 00:03:23,090

with the back on one side is off from

85

00:03:27,850 --> 00:03:25,310

the front I showed that to the local

86

00:03:30,070 --> 00:03:27,860

mutant guy I didn't see the object with

87

00:03:32,350 --> 00:03:30,080

my eyes so by the time I saw it on the

88

00:03:34,960 --> 00:03:32,360

camera it wasn't there I don't know how

89

00:03:36,550 --> 00:03:34,970

or where it disappeared however I then

90

00:03:38,620 --> 00:03:36,560

took pictures of the night view in the

91

00:03:40,240 --> 00:03:38,630

opposite direction and got the neighbors

92

00:03:42,729 --> 00:03:40,250

double lighted tool emphasis in their

93

00:03:44,500 --> 00:03:42,739

drive DHE first came out perfect and

94

00:03:46,960 --> 00:03:44,510

then the next I got a very strange

95

00:03:48,699 --> 00:03:46,970

contortion of lighting it formed a thin

96

00:03:50,620 --> 00:03:48,709

see-through substance in the form of a

97

00:03:53,080 --> 00:03:50,630

tent and the top folded over like a

98

00:03:55,120 --> 00:03:53,090

four-fold envelope both of these images

99

00:03:57,759 --> 00:03:55,130

can be seen on the local sky watchers

100

00:03:59,830 --> 00:03:57,769

Facebook site there are about 18 people

101
00:04:02,560 --> 00:03:59,840
who join together to share the stuff we

102
00:04:04,240 --> 00:04:02,570
see several of us have cameras and we

103
00:04:06,280 --> 00:04:04,250
are getting a lot of the same stuff as

104
00:04:08,650 --> 00:04:06,290
far as various bright lighted balls in a

105
00:04:12,290 --> 00:04:08,660
lot of colors some time alone other

106
00:04:16,069 --> 00:04:12,300
times joined with one two five others

107
00:04:22,770 --> 00:04:19,560
flying ray shaped cryptid Atascocita

108
00:04:24,740 --> 00:04:22,780
Texas my husband and I were grilling out

109
00:04:27,600 --> 00:04:24,750
in her backyard one Sunday afternoon

110
00:04:30,360 --> 00:04:27,610
approximately 5:00 p.m. a month ago when

111
00:04:32,939 --> 00:04:30,370
a pacific blue in color stingray looking

112
00:04:36,210 --> 00:04:32,949
bird flew over our home must have been

113
00:04:37,980 --> 00:04:36,220

1.5 to 2 feet in length and width we

114

00:04:39,510 --> 00:04:37,990

were actually sitting and conversing

115

00:04:41,730 --> 00:04:39,520

when it caught our attention

116

00:04:45,390 --> 00:04:41,740

it looked down at us and continued

117

00:04:46,920 --> 00:04:45,400

flying we live in a TAS casita Texas we

118

00:04:49,350 --> 00:04:46,930

were in shock as we've never seen

119

00:04:51,330 --> 00:04:49,360

anything like it before we both looked

120

00:04:52,770 --> 00:04:51,340

at each other and a couple seconds later

121

00:04:55,260 --> 00:04:52,780

asked what the heck was that

122

00:05:01,770 --> 00:04:55,270

it disappeared into trees and they have

123

00:05:08,320 --> 00:05:04,749

unknown flying entity in San Marcos the

124

00:05:11,559 --> 00:05:08,330

encounter occurred on July 6 2005 at

125

00:05:13,480 --> 00:05:11,569

about 11:30 p.m. I had a long day in San

126
00:05:15,369 --> 00:05:13,490
Diego then afterward going to the beach

127
00:05:17,950 --> 00:05:15,379
at Del Mar for some surf fishing I

128
00:05:20,589 --> 00:05:17,960
arrived at my home in San Marcos about

129
00:05:23,529 --> 00:05:20,599
11 p.m. after cleaning my fish and

130
00:05:25,420 --> 00:05:23,539
showering I was very tired I went out to

131
00:05:27,760 --> 00:05:25,430
my car port for a smoke and a look at

132
00:05:29,469 --> 00:05:27,770
the night sky I looked North thinking

133
00:05:30,730 --> 00:05:29,479
about a recent UFO sighting and

134
00:05:33,369 --> 00:05:30,740
wondering what it's all about

135
00:05:35,740 --> 00:05:33,379
in the distance at a couple hundred feet

136
00:05:37,990 --> 00:05:35,750
I saw a faintly visible moving object

137
00:05:40,119 --> 00:05:38,000
that flitted from side to side whatever

138
00:05:42,399 --> 00:05:40,129

it was it reflected light from the

139

00:05:44,679 --> 00:05:42,409

streetlights its side-to-side movement

140

00:05:47,260 --> 00:05:44,689

was so quick I couldn't tell if it was

141

00:05:49,149 --> 00:05:47,270

one object or two the object then zipped

142

00:05:51,879 --> 00:05:49,159

directly over my neighbor's house across

143

00:05:53,920 --> 00:05:51,889

the street by this time I was certain

144

00:05:56,230 --> 00:05:53,930

I'd never seen anything like it it

145

00:05:58,869 --> 00:05:56,240

continued to move side to side in a

146

00:06:00,760 --> 00:05:58,879

space of approximately 50 feet it then

147

00:06:03,129 --> 00:06:00,770

stopped and I observed it more clearly

148

00:06:05,679 --> 00:06:03,139

it may have had big eyes and winglike

149

00:06:06,279 --> 00:06:05,689

appendages and was probably 2 to 3 feet

150

00:06:08,350 --> 00:06:06,289

in width

151

00:06:10,179 --> 00:06:08,360

it remained still and I could see

152

00:06:12,399 --> 00:06:10,189

wavering reflections from its wings

153

00:06:14,200 --> 00:06:12,409

which were not beating like a birds but

154

00:06:14,920 --> 00:06:14,210

showed shimmering reflections from the

155

00:06:17,350 --> 00:06:14,930

streetlights

156

00:06:19,719 --> 00:06:17,360

I felt the hair on my head rise all the

157

00:06:21,909 --> 00:06:19,729

way down my back to my ankles it

158

00:06:24,399 --> 00:06:21,919

appeared to be looking at me as I smoked

159

00:06:26,889 --> 00:06:24,409

my cigarette I felt threatened and said

160

00:06:29,139 --> 00:06:26,899

out loud I see you then it went from

161

00:06:31,540 --> 00:06:29,149

stationary to out of sight right over my

162

00:06:33,579 --> 00:06:31,550

head in an instant I came out from under

163

00:06:36,159 --> 00:06:33,589

my covered carport and turned to follow

164

00:06:38,619 --> 00:06:36,169

its movement immediately had zipped into

165

00:06:40,809 --> 00:06:38,629

view directly above my head obviously

166

00:06:42,850 --> 00:06:40,819

studying me I could see really weird

167

00:06:45,159 --> 00:06:42,860

large and intensely dark eyes

168

00:06:47,829 --> 00:06:45,169

it seemed surprised by my looking right

169

00:06:50,290 --> 00:06:47,839

at it it didn't like being seen my

170

00:06:52,809 --> 00:06:50,300

apprehension rose even higher it turned

171

00:06:55,209 --> 00:06:52,819

away and disappeared like a shot it had

172

00:06:56,889 --> 00:06:55,219

a bird-like shape but was thicker my

173

00:06:58,779 --> 00:06:56,899

impression was of reflections of the

174

00:07:01,360 --> 00:06:58,789

street lights on wing-like appendages

175

00:07:03,459 --> 00:07:01,370

and big dark eyes it wasn't a bird

176

00:07:06,309 --> 00:07:03,469

batter any familiar nocturnal creature

177

00:07:08,320 --> 00:07:06,319

its movements did not seem explicable in

178

00:07:10,629 --> 00:07:08,330

comparison to any creature that flies by

179

00:07:12,369 --> 00:07:10,639

beating its wings the hills and

180

00:07:13,180 --> 00:07:12,379

mountains are so rugged and inaccessible

181

00:07:15,010 --> 00:07:13,190

near my house

182

00:07:17,530 --> 00:07:15,020

that anything could remain hidden and

183

00:07:19,600 --> 00:07:17,540

make nighttime forays it will I read

184

00:07:25,399 --> 00:07:19,610

about Thunderbirds but I'm not sure if

185

00:07:31,469 --> 00:07:28,129

another flying ray shaped cryptid

186

00:07:34,499 --> 00:07:31,479

Palmdale California hello my name is

187

00:07:36,449 --> 00:07:34,509

Michelle from Palmdale California my

188

00:07:38,489 --> 00:07:36,459

friend and I witnessed an unusual

189

00:07:41,399 --> 00:07:38,499

creature last night the tediz both

190

00:07:44,070 --> 00:07:41,409

confused and creped out it was around

191

00:07:46,559 --> 00:07:44,080

3:30 to 4:00 a.m. we were hanging

192

00:07:48,389 --> 00:07:46,569

outside on my friend's driveway and we

193

00:07:50,459 --> 00:07:48,399

saw this big bright white creature

194

00:07:52,469 --> 00:07:50,469

swooped from his neighbor's roof and

195

00:07:55,109 --> 00:07:52,479

with great speed flew in a tree and

196

00:07:56,999 --> 00:07:55,119

disappeared it happened so fast we

197

00:07:58,799 --> 00:07:57,009

didn't get the chance to really get a

198

00:08:01,769 --> 00:07:58,809

good look to the strange creatures

199

00:08:04,439 --> 00:08:01,779

details but from what we saw shocked us

200

00:08:06,719 --> 00:08:04,449

both it caught our attention on how fast

201
00:08:09,570 --> 00:08:06,729
it shot into the tree and how bright

202
00:08:10,859 --> 00:08:09,580
wide it looked we both can swear that it

203
00:08:13,290 --> 00:08:10,869
didn't have wings

204
00:08:15,089 --> 00:08:13,300
I tried researching a bright white bird

205
00:08:17,399 --> 00:08:15,099
seen at night and the nearest

206
00:08:20,339 --> 00:08:17,409
possibility for what I saw was a flying

207
00:08:22,439 --> 00:08:20,349
ray shaped cryptid but the only thing I

208
00:08:24,329 --> 00:08:22,449
have some doubt is because its speed was

209
00:08:27,029 --> 00:08:24,339
so fast that it looked like a bullet

210
00:08:28,619 --> 00:08:27,039
shooting into the tree I wish I could

211
00:08:31,529 --> 00:08:28,629
know what it was because I could

212
00:08:33,839 --> 00:08:31,539
honestly say it was abnormal a creature

213
00:08:35,279 --> 00:08:33,849

that seems out of this world I'll never

214

00:08:37,829 --> 00:08:35,289

forget it

215

00:08:42,259 --> 00:08:37,839

it's a mystery I hope one day can be

216

00:08:47,819 --> 00:08:45,479
