7
00:00:32,080 --> 00:00:29,560
small crawling humanoids attack Navajo

8
00:00:34,120 --> 00:00:32,090
reservation residents my story took

9
00:00:36,220 --> 00:00:34,130
place several years ago when we lived on

10
00:00:38,560 --> 00:00:36,230
the Navajo reservation in Arizona

11
00:00:40,870 --> 00:00:38,570
my entire family had gotten together for

12
00:00:42,670 --> 00:00:40,880
my mom's birthday and spent the night at

13
00:00:45,370 --> 00:00:42,680

my grandmother's house out in the sticks

14

00:00:47,470 --> 00:00:45,380

in the middle of nowhere at about 10:30

15

00:00:48,610 --> 00:00:47,480

p.m. her dogs started barking and

16

00:00:50,650 --> 00:00:48,620

howling like crazy

17

00:00:53,020 --> 00:00:50,660

no one got up to check because it was

18

00:00:54,760 --> 00:00:53,030

pitch black outside but I could tell

19

00:00:57,670 --> 00:00:54,770

that the dogs were running back and

20

00:00:59,500 --> 00:00:57,680

forth jazzing something I got curious so

21

00:01:01,210 --> 00:00:59,510

I turned the outside light on and

22

00:01:03,700 --> 00:01:01,220

stepped out the front door to see what

23

00:01:05,530 --> 00:01:03,710

was going on then suddenly something

24

00:01:07,630 --> 00:01:05,540

jumped from the tree onto the side of my

25

00:01:10,149 --> 00:01:07,640

grandmother's house and started crawling

26
00:01:11,980 --> 00:01:10,159
like spider-man all around the house it

27
00:01:14,410 --> 00:01:11,990
was hard to make out but it looked like

28
00:01:16,480 --> 00:01:14,420
a small man crawling like a lizard the

29
00:01:19,000 --> 00:01:16,490
house was made of stucco but it moved

30
00:01:22,120 --> 00:01:19,010
around easily this thing was fast too

31
00:01:24,219 --> 00:01:22,130
the dogs were going nuts I ran into the

32
00:01:26,320 --> 00:01:24,229
house screaming everyone was terrified

33
00:01:28,720 --> 00:01:26,330
and I remember crawling underneath the

34
00:01:30,430 --> 00:01:28,730
bed the noises were horrible and it

35
00:01:32,650 --> 00:01:30,440
sounded like there were more than one I

36
00:01:35,050 --> 00:01:32,660
heard squeaking sounds that got real

37
00:01:36,580 --> 00:01:35,060
loud at times they would jump on top of

38
00:01:38,980 --> 00:01:36,590

the roof and could be heard walking

39

00:01:40,780 --> 00:01:38,990

around I don't remember how long it

40

00:01:43,510 --> 00:01:40,790

lasted but I was under the bed the

41

00:01:45,880 --> 00:01:43,520

entire night when Dawn came we all went

42

00:01:47,620 --> 00:01:45,890

outside to check out the house there

43

00:01:50,170 --> 00:01:47,630

were a few bits of stucco knocked off

44

00:01:52,150 --> 00:01:50,180

but not as bad I thought it would be the

45

00:01:55,060 --> 00:01:52,160

dogs were in the tool shed and too tired

46

00:01:57,280 --> 00:01:55,070

to move then my uncle got a ladder so he

47

00:01:59,470 --> 00:01:57,290

and I climbed to the roof what we saw

48

00:02:01,330 --> 00:01:59,480

was really shocking there were hundreds

49

00:02:03,670 --> 00:02:01,340

of white handprints going around the

50

00:02:05,830 --> 00:02:03,680

flat roof right up to the edge the

51
00:02:07,960 --> 00:02:05,840
handprints were small in size but were

52
00:02:10,089 --> 00:02:07,970
human it looked like the hands had been

53
00:02:12,759 --> 00:02:10,099
dipped in white paint I looked closer

54
00:02:15,160 --> 00:02:12,769
but it wasn't paint it was almost like a

55
00:02:16,750 --> 00:02:15,170
thick chalk my uncle told me not to

56
00:02:19,570 --> 00:02:16,760
mention it to anyone in the family

57
00:02:21,580 --> 00:02:19,580
especially my grandmother she had said

58
00:02:24,009 --> 00:02:21,590
all her life that skinwalkers were after

59
00:02:25,869 --> 00:02:24,019
her I didn't believe her but after that

60
00:02:28,150 --> 00:02:25,879
night I began to wonder if she was

61
00:02:30,309 --> 00:02:28,160
telling the truth I later asked my uncle

62
00:02:31,960 --> 00:02:30,319
what he thought it was he didn't

63
00:02:34,089 --> 00:02:31,970

hesitate and said it was definitely

64

00:02:36,069 --> 00:02:34,099

witches he said our family had been

65

00:02:37,140 --> 00:02:36,079

cursed during the old days before the

66

00:02:38,940 --> 00:02:37,150

treaty's

67

00:02:40,740 --> 00:02:38,950

said someone in the family was a known

68

00:02:42,410 --> 00:02:40,750

witch and when they were killed the

69

00:02:45,179 --> 00:02:42,420

elders had placed a curse on the family

70

00:02:47,190 --> 00:02:45,189

my uncle then laughed and said that no

71

00:02:49,140 --> 00:02:47,200

one outside of the family remembers any

72

00:02:51,600 --> 00:02:49,150

of that and it's probably a rumor anyway

73

00:02:52,949 --> 00:02:51,610

well it scared me enough that I believe

74

00:02:55,800 --> 00:02:52,959

that there may be something to that

75

00:02:57,449 --> 00:02:55,810

story after that incident I never spent

76
00:03:04,640 --> 00:02:57,459
another night at my grandmother's place

77
00:03:10,230 --> 00:03:07,680
pale white crawling humanoid encounter

78
00:03:12,720 --> 00:03:10,240
near Tampa I was walking late one night

79
00:03:15,000 --> 00:03:12,730
with my German Shepherd when I smelled

80
00:03:17,309 --> 00:03:15,010
an overwhelming stench of roadkill I

81
00:03:19,380 --> 00:03:17,319
looked over into the woods near my home

82
00:03:21,990 --> 00:03:19,390
and saw a naked pale white man like

83
00:03:24,059 --> 00:03:22,000
thing crawling in the woods it was on

84
00:03:25,380 --> 00:03:24,069
its hands feet and knees about three

85
00:03:28,050 --> 00:03:25,390
inches above the ground

86
00:03:29,850 --> 00:03:28,060
I changed hands with my flashlight which

87
00:03:31,920 --> 00:03:29,860
my dog's leash prevented me from

88
00:03:34,170 --> 00:03:31,930

immediately shining it in that direction

89

00:03:36,150 --> 00:03:34,180

in the two seconds it took to change

90

00:03:38,820 --> 00:03:36,160

hands and shine the light on this thing

91

00:03:41,310 --> 00:03:38,830

it had moved 20 feet to near a tree it

92

00:03:43,170 --> 00:03:41,320

was trying to hide behind it saw my

93

00:03:45,270 --> 00:03:43,180

light as it was swinging towards it and

94

00:03:48,360 --> 00:03:45,280

quickly crunched into a cannonball like

95

00:03:50,699 --> 00:03:48,370

posture and balanced on its toes AB G

96

00:03:52,170 --> 00:03:50,709

balls of its feet hiding its face and

97

00:03:54,660 --> 00:03:52,180

held perfectly still

98

00:03:56,670 --> 00:03:54,670

I got a overwhelming feeling that if I

99

00:03:58,650 --> 00:03:56,680

kept shining the light on it that it

100

00:04:01,590 --> 00:03:58,660

would look up at me with glowing eyes in

101
00:04:04,229 --> 00:04:01,600
a weird face so I continued on with my

102
00:04:06,750 --> 00:04:04,239
walk I thought maybe it was a teenager

103
00:04:08,819 --> 00:04:06,760
doing a mind but there was no one taking

104
00:04:11,009 --> 00:04:08,829
a picture and this thing had a hardly

105
00:04:13,530 --> 00:04:11,019
pronounced spine and was absolutely

106
00:04:15,300 --> 00:04:13,540
hairless I went home and looked on the

107
00:04:17,520 --> 00:04:15,310
internet to see if this is something

108
00:04:20,400 --> 00:04:17,530
kids are doing now painting themselves

109
00:04:22,590 --> 00:04:20,410
white shaving all hair off rolling

110
00:04:25,380 --> 00:04:22,600
around in roadkill and crawling around

111
00:04:27,240 --> 00:04:25,390
late at night in woods well I found a

112
00:04:29,070 --> 00:04:27,250
picture on YouTube of a rake that a

113
00:04:31,560 --> 00:04:29,080

hunters camera had taken that looked

114

00:04:34,050 --> 00:04:31,570

remarkable like this thing I have no

115

00:04:36,870 --> 00:04:34,060

idea what it was perhaps of underground

116

00:04:38,670 --> 00:04:36,880

dweller or Guler god knows what i live

117

00:04:41,880 --> 00:04:38,680

in a country suburb of tampa florida

118

00:04:49,510 --> 00:04:41,890

called Lithia if you have any idea what

119

00:04:55,270 --> 00:04:52,540

Indiana rate crawler encounter this

120

00:04:57,370 --> 00:04:55,280

happened a couple years ago I'm posting

121

00:04:59,409 --> 00:04:57,380

this now because I only just found out

122

00:05:02,260 --> 00:04:59,419

that anything called the crawler exists

123

00:05:04,570 --> 00:05:02,270

I am skeptical of most things but when

124

00:05:07,330 --> 00:05:04,580

recounting these events I usually refer

125

00:05:09,010 --> 00:05:07,340

to it as my Bigfoot story because it was

126

00:05:12,100 --> 00:05:09,020

always the closest thing that came to

127

00:05:14,710 --> 00:05:12,110

mind anyways this was a couple years ago

128

00:05:16,689 --> 00:05:14,720

in southern Indiana near Evansville it

129

00:05:19,420 --> 00:05:16,699

was 2:00 in the morning and my friend

130

00:05:21,339 --> 00:05:19,430

and I decided to go for a joyride this

131

00:05:24,339 --> 00:05:21,349

would have been in the fall maybe near

132

00:05:26,230 --> 00:05:24,349

September October I can pin the date to

133

00:05:28,480 --> 00:05:26,240

that time of year because I live around

134

00:05:31,390 --> 00:05:28,490

a bunch of fields and the corn stalks

135

00:05:34,059 --> 00:05:31,400

were really high I'd say approaching 10

136

00:05:36,370 --> 00:05:34,069

feet we were just driving around when I

137

00:05:38,409 --> 00:05:36,380

decided to turn on this old country road

138

00:05:40,779 --> 00:05:38,419

because it led to the local animal

139

00:05:42,790 --> 00:05:40,789

shelter I had never seen the shelter

140

00:05:45,399 --> 00:05:42,800

before and I wanted to see what it

141

00:05:48,339 --> 00:05:45,409

looked like yes this is the kind of

142

00:05:51,040 --> 00:05:48,349

stuff I like to do on joyrides both me

143

00:05:52,990 --> 00:05:51,050

and my friend were completely sober the

144

00:05:54,790 --> 00:05:53,000

road ended up being much longer and

145

00:05:56,740 --> 00:05:54,800

roundabout than I anticipated

146

00:05:59,529 --> 00:05:56,750

and we basically drove through a bunch

147

00:06:02,409 --> 00:05:59,539

of farmland we were listening to music

148

00:06:04,570 --> 00:06:02,419

and I was driving pretty slow we got to

149

00:06:06,520 --> 00:06:04,580

a long road surrounded by corn stalks

150

00:06:08,950 --> 00:06:06,530

when I heard my friend yell out holy

151
00:06:10,719 --> 00:06:08,960
crap I put on my brakes and asked him

152
00:06:13,570 --> 00:06:10,729
what was up and he looked over to my

153
00:06:14,050 --> 00:06:13,580
left I'll describe what I saw as well as

154
00:06:16,600 --> 00:06:14,060
I can

155
00:06:19,330 --> 00:06:16,610
hovering above the top of the stalks was

156
00:06:21,969 --> 00:06:19,340
the top half of a very very thin body I

157
00:06:23,709 --> 00:06:21,979
remember it had wide shoulders and what

158
00:06:26,529 --> 00:06:23,719
appeared in the moonlight to be a long

159
00:06:29,320 --> 00:06:26,539
sushi haircut like an emo haircut I

160
00:06:31,600 --> 00:06:29,330
guess it seemed to have very loose long

161
00:06:34,390 --> 00:06:31,610
arms and odd shaped head and neck and

162
00:06:36,370 --> 00:06:34,400
was very pale in the moonlight both me

163
00:06:38,620 --> 00:06:36,380

and my friend were freaked out and I

164

00:06:40,779 --> 00:06:38,630

knew it was not a scarecrow the huge

165

00:06:43,059 --> 00:06:40,789

farms around here don't have those or a

166

00:06:46,240 --> 00:06:43,069

person the stalks were much too tall

167

00:06:48,610 --> 00:06:46,250

like I said I always called it a Bigfoot

168

00:06:51,580 --> 00:06:48,620

but I did not see any hair on this thing

169

00:06:53,320 --> 00:06:51,590

except a swoopy mass on its head I don't

170

00:06:55,510 --> 00:06:53,330

know if this is a good indicator of a

171

00:06:59,020 --> 00:06:55,520

crawler but I saw some areas near me on

172

00:07:03,910 --> 00:06:59,030

the map and had to post about what I saw

173

00:07:09,350 --> 00:07:06,650

glowing white crawler humanoid observed

174

00:07:11,540 --> 00:07:09,360

at Lake Kootenai British Columbia to

175

00:07:13,520 --> 00:07:11,550

give you some background my family owns

176

00:07:15,770 --> 00:07:13,530

a trailer home which sits on a cliff

177

00:07:17,630 --> 00:07:15,780

overlooking Lake Kootenai in the south

178

00:07:20,420 --> 00:07:17,640

of the Canadian province of British

179

00:07:22,790 --> 00:07:20,430

Columbia this trailer was used as a sort

180

00:07:25,070 --> 00:07:22,800

of a summer getaway destination as my

181

00:07:27,620 --> 00:07:25,080

parents and I visit for about a week or

182

00:07:29,870 --> 00:07:27,630

more each summer the trailer itself is

183

00:07:32,420 --> 00:07:29,880

quite old it was turned into a home by

184

00:07:34,580 --> 00:07:32,430

the previous owners in the 70s but it's

185

00:07:36,740 --> 00:07:34,590

despite its age it is still a very

186

00:07:39,170 --> 00:07:36,750

enjoyable place to experience the

187

00:07:41,240 --> 00:07:39,180

warmest months the trailer sits in the

188

00:07:43,310 --> 00:07:41,250

middle of a cedar pine forest with a

189

00:07:45,320 --> 00:07:43,320

small clearing on the side facing away

190

00:07:47,630 --> 00:07:45,330

from the water to park vehicles as well

191

00:07:50,990 --> 00:07:47,640

as a driveway connecting to the road

192

00:07:53,420 --> 00:07:51,000

which is about 110 feet away the nearest

193

00:07:56,090 --> 00:07:53,430

town is roughly a 15 minute drive and

194

00:07:58,280 --> 00:07:56,100

there are no neighbors I sleep at the

195

00:08:00,170 --> 00:07:58,290

opposite end of the trailer which I call

196

00:08:01,940 --> 00:08:00,180

the cabin as there is an additional

197

00:08:04,250 --> 00:08:01,950

dining room and porch built onto the

198

00:08:06,980 --> 00:08:04,260

trailer with their bed at the front end

199

00:08:09,230 --> 00:08:06,990

and mine at the very back there are two

200

00:08:11,120 --> 00:08:09,240

windows next to where I sleep with one

201
00:08:12,590 --> 00:08:11,130
facing parallel to the lake and the

202
00:08:15,500 --> 00:08:12,600
other towards the previously-mentioned

203
00:08:17,540 --> 00:08:15,510
parking area due to the positioning of

204
00:08:19,460 --> 00:08:17,550
our cabin in a mountain valley around

205
00:08:22,670 --> 00:08:19,470
9:00 p.m. in the summer it gets very

206
00:08:25,070 --> 00:08:22,680
dark very quickly since we sometimes are

207
00:08:27,050 --> 00:08:25,080
outside after this time there's a bright

208
00:08:29,360 --> 00:08:27,060
lamp mounted on the front end of the

209
00:08:32,210 --> 00:08:29,370
trailer which completely illuminates the

210
00:08:34,940 --> 00:08:32,220
porch area facing the lake and partially

211
00:08:36,800 --> 00:08:34,950
lights the parking area this creates an

212
00:08:39,590 --> 00:08:36,810
orange glow that can get spooky

213
00:08:42,140 --> 00:08:39,600

especially when raining around 11:00

214

00:08:44,600 --> 00:08:42,150

p.m. one night I was still awake sitting

215

00:08:46,340 --> 00:08:44,610

in bed and reading I keep the blinds of

216

00:08:48,380 --> 00:08:46,350

the window facing away from the lake

217

00:08:50,660 --> 00:08:48,390

open as to provide a little light for

218

00:08:53,750 --> 00:08:50,670

reading without having to turn on any

219

00:08:57,080 --> 00:08:53,760

inside lamps the light momentarily gets

220

00:08:58,910 --> 00:08:57,090

dimmer so I glanced outside what I saw

221

00:09:00,680 --> 00:08:58,920

was a large almost glowing white

222

00:09:03,410 --> 00:09:00,690

creature which was moving through the

223

00:09:06,080 --> 00:09:03,420

semi lit area casting a shadow over my

224

00:09:08,450 --> 00:09:06,090

window it had very long and spine Lee

225

00:09:11,300 --> 00:09:08,460

limbs and I could see contours that look

226

00:09:13,490 --> 00:09:11,310

like a Macy ated ribs on its side it was

227

00:09:15,060 --> 00:09:13,500

hard to estimate a height because it was

228

00:09:17,790 --> 00:09:15,070

moving bent over in

229

00:09:19,620 --> 00:09:17,800

I can only describe as a crawl just

230

00:09:21,690 --> 00:09:19,630

looking at it instilled so much fear

231

00:09:24,450 --> 00:09:21,700

that I couldn't look away despite how

232

00:09:26,520 --> 00:09:24,460

much I wanted to the creature moved at a

233

00:09:29,310 --> 00:09:26,530

fast walking pace from the front of the

234

00:09:31,200 --> 00:09:29,320

cabin and into the tree line at the time

235

00:09:33,690 --> 00:09:31,210

I wanted to believe that it was some

236

00:09:36,600 --> 00:09:33,700

form of very sick hairless bear as we

237

00:09:38,700 --> 00:09:36,610

frequently saw bears in the area looking

238

00:09:41,940 --> 00:09:38,710

back the limbs were just too long to be

239

00:09:43,560 --> 00:09:41,950

a bear and too skinny also I would think

240

00:09:46,170 --> 00:09:43,570

a bear with mange would still have some

241

00:09:48,630 --> 00:09:46,180

hair discolored skin but this creature

242

00:09:50,550 --> 00:09:48,640

didn't it appeared entirely to be a

243

00:09:53,190 --> 00:09:50,560

white color and the light from the lamp

244

00:09:55,890 --> 00:09:53,200

reflected off its side making it glow a

245

00:09:57,510 --> 00:09:55,900

little I wish I could provide any form

246

00:10:00,809 --> 00:09:57,520

of evidence that what I saw really

247

00:10:05,040 --> 00:10:00,819

happened mo

248

00:10:10,030 --> 00:10:07,630

terrified by tall pale humanoid crawler

249

00:10:11,800 --> 00:10:10,040

in Maryland this event took place over a

250

00:10:14,080 --> 00:10:11,810

year ago but I hadn't really thought to

251

00:10:16,240 --> 00:10:14,090

post about it until now I don't want to

252

00:10:18,220 --> 00:10:16,250

reveal myself but I live in Maryland and

253

00:10:20,710 --> 00:10:18,230

I was with my now former girlfriend of

254

00:10:23,020 --> 00:10:20,720

her house it was a rural area surrounded

255

00:10:24,340 --> 00:10:23,030

by woods in all directions it was night

256

00:10:26,860 --> 00:10:24,350

and we were going to visit her

257

00:10:28,450 --> 00:10:26,870

grandparents house a short drive away we

258

00:10:30,190 --> 00:10:28,460

got into her car and while she was

259

00:10:32,050 --> 00:10:30,200

fiddling with her phone in the auxillary

260

00:10:34,540 --> 00:10:32,060

court I saw something in the brush

261

00:10:36,310 --> 00:10:34,550

illuminated by the headlights it was

262

00:10:38,410 --> 00:10:36,320

tall pale gray thin with a gaunt face

263

00:10:39,940 --> 00:10:38,420

and stretched limbs I don't think it

264

00:10:41,440 --> 00:10:39,950

stood to the standard eight feet of a

265

00:10:43,510 --> 00:10:41,450

crawler but my lack of depth perception

266

00:10:45,910 --> 00:10:43,520

makes it hard to accurately perceive

267

00:10:48,580 --> 00:10:45,920

distance in height all it did was watch

268

00:10:50,320 --> 00:10:48,590

it seemingly hollow eyes fixed to me it

269

00:10:51,970 --> 00:10:50,330

was gone before I could point it out to

270

00:10:54,100 --> 00:10:51,980

my girlfriend and I didn't have the

271

00:10:56,170 --> 00:10:54,110

bravery or stupidity to investigate I

272

00:10:58,210 --> 00:10:56,180

wish I had concrete evidence of what I

273

00:11:04,519 --> 00:10:58,220

saw but all I have is my word and a

274

00:11:09,889 --> 00:11:07,579
