7  
00:00:31,250 --> 00:00:29,090  
large batwing cryptid encountered in

8  
00:00:34,610 --> 00:00:31,260  
Barrington Illinois this happened on

9  
00:00:37,310 --> 00:00:34,620  
September 27 2019 and I am still so

10  
00:00:39,800 --> 00:00:37,320  
confused I was driving home from work on

11  
00:00:42,380 --> 00:00:39,810  
a bright sunny day I get about a mile

12  
00:00:44,150 --> 00:00:42,390  
from my house I live in a wooded area on

13  
00:00:47,180 --> 00:00:44,160

northern Illinois about an hour outside

14  
00:00:49,490 --> 00:00:47,190  
of Chicago as I'm making my way down an

15  
00:00:51,650 --> 00:00:49,500  
unoccupied Street this creature runs in

16  
00:00:54,200 --> 00:00:51,660  
front of my car about two car lengths in

17  
00:00:56,450 --> 00:00:54,210  
front of my car it was definitely a bat

18  
00:00:58,819 --> 00:00:56,460  
creature of some sort I could clearly

19  
00:01:00,830 --> 00:00:58,829  
make out the shape of bat wings but it

20  
00:01:03,380 --> 00:01:00,840  
wasn't flying it was running like a

21  
00:01:05,270 --> 00:01:03,390  
gorilla it would extend its wings out in

22  
00:01:07,580 --> 00:01:05,280  
front of itself and push itself forward

23  
00:01:10,249 --> 00:01:07,590  
just like a gorilla does when it runs at

24  
00:01:12,710 --> 00:01:10,259  
full force this thing was also so black

25  
00:01:15,320 --> 00:01:12,720  
that looked almost flat and it was huge

26

00:01:18,080 --> 00:01:15,330

it was at least half the size of my dog

27

00:01:20,420 --> 00:01:18,090

who is a 70 pound pitbull boxer mix I

28

00:01:22,850 --> 00:01:20,430

tried to search for giant bats in the

29

00:01:24,889 --> 00:01:22,860

area and I found some sightings of giant

30

00:01:27,109 --> 00:01:24,899

bats flying over Chicago over the last

31

00:01:28,969 --> 00:01:27,119

two years I've also found some

32

00:01:30,800 --> 00:01:28,979

references to the Mothman and the Jersey

33

00:01:33,260 --> 00:01:30,810

Devil but I don't think this thing was

34

00:01:34,999 --> 00:01:33,270

as big as a man and none of the stories

35

00:01:37,820 --> 00:01:35,009

I've read mention these giant bats

36

00:01:39,949 --> 00:01:37,830

running however I did learn that vampire

37

00:01:42,770 --> 00:01:39,959

bats are the only species of bats that

38

00:01:44,809 --> 00:01:42,780

run and based on videos of vampire bats

39

00:01:47,630 --> 00:01:44,819

running this creature moves in a very

40

00:01:50,270 --> 00:01:47,640

similar manner so now I'm nervous about

41

00:01:57,130 --> 00:01:50,280

letting my dog out alone any theories

42

00:02:01,520 --> 00:01:59,930

cryptid wing being observed by phantoms

43

00:02:02,870 --> 00:02:01,530

and monsters for tea and research

44

00:02:06,680 --> 00:02:02,880

investigator O'Hare International

45

00:02:09,889 --> 00:02:06,690

Airport Chicago I was driving to work on

46

00:02:12,380 --> 00:02:09,899

March 3rd 2020 taking my usual route on

47

00:02:15,380 --> 00:02:12,390

Mannheim Road and I'm talking to my wife

48

00:02:16,970 --> 00:02:15,390

on the phone so I'm talking and I'm

49

00:02:19,460 --> 00:02:16,980

coming up to the intersection of

50

00:02:21,410 --> 00:02:19,470

Mannheim road and Zemke Boulevard on the

51  
00:02:23,960 --> 00:02:21,420  
right side of it is an old Enterprise

52  
00:02:25,850 --> 00:02:23,970  
rent-a-car lot that used to be there but

53  
00:02:28,370 --> 00:02:25,860  
they moved it to the other side of the

54  
00:02:30,710 --> 00:02:28,380  
airport the building is still there and

55  
00:02:32,900 --> 00:02:30,720  
everything I'm talking as I pull up to

56  
00:02:35,330 --> 00:02:32,910  
the red light and I saw what looked like

57  
00:02:37,220 --> 00:02:35,340  
a large wing being coming in like it was

58  
00:02:39,680 --> 00:02:37,230  
either landing behind the building or

59  
00:02:41,750 --> 00:02:39,690  
landing basically on top of it the

60  
00:02:44,030 --> 00:02:41,760  
reason I say it was landing is because

61  
00:02:46,070 --> 00:02:44,040  
it was coming down and it looked like it

62  
00:02:47,990 --> 00:02:46,080  
had its chest out with its wings flared

63  
00:02:49,750 --> 00:02:48,000

up like it was trying to slow down

64

00:02:52,340 --> 00:02:49,760

enough to come in for a landing I

65

00:02:55,880 --> 00:02:52,350

remember yelling out to my wife what the

66

00:02:58,729 --> 00:02:55,890

hell is that she's like what what what I

67

00:03:00,890 --> 00:02:58,739

told her what I was seeing she said it

68

00:03:03,350 --> 00:03:00,900

could be a goose and I said this is way

69

00:03:06,410 --> 00:03:03,360

larger than a goose I've seen geese

70

00:03:09,110 --> 00:03:06,420

right now I see geese all over the place

71

00:03:11,870 --> 00:03:09,120

here there are geese everywhere they're

72

00:03:14,660 --> 00:03:11,880

migrating the street at the traffic stop

73

00:03:16,729 --> 00:03:14,670

is five lanes and it was rush hour so

74

00:03:18,830 --> 00:03:16,739

slamming on the brakes and trying to get

75

00:03:21,380 --> 00:03:18,840

a good look was an invitation to get

76

00:03:23,630 --> 00:03:21,390

into a wreck I found a place to turn

77

00:03:25,880 --> 00:03:23,640

around and went back drove around a few

78

00:03:28,699 --> 00:03:25,890

places I couldn't get onto their

79

00:03:30,860 --> 00:03:28,709

property because it's sealed off it's an

80

00:03:33,380 --> 00:03:30,870

old building and I guess they're using

81

00:03:35,300 --> 00:03:33,390

it for storage now at least one of the

82

00:03:37,250 --> 00:03:35,310

garages is used for storage of

83

00:03:39,140 --> 00:03:37,260

compressors or something because there

84

00:03:41,300 --> 00:03:39,150

was an open garage and I could see

85

00:03:43,910 --> 00:03:41,310

inside and there were mobile compressors

86

00:03:46,069 --> 00:03:43,920

last thing I needed was to have airport

87

00:03:49,039 --> 00:03:46,079

security all over me for trespassing

88

00:03:50,840 --> 00:03:49,049

so I drove around and at one point there

89

00:03:53,990 --> 00:03:50,850

was an opening where I could go in I

90

00:03:56,420 --> 00:03:54,000

went in took a few pictures and quickly

91

00:03:59,390 --> 00:03:56,430

got out trying to find this thing and I

92

00:04:00,710 --> 00:03:59,400

wasn't able to find it honestly this did

93

00:04:03,170 --> 00:04:00,720

not look like a goose

94

00:04:05,420 --> 00:04:03,180

it was brownish grayish more on the

95

00:04:07,910 --> 00:04:05,430

brownish side and it didn't look as big

96

00:04:09,350 --> 00:04:07,920

it's not like some of the reports we've

97

00:04:11,270 --> 00:04:09,360

taken since we started a

98

00:04:13,520 --> 00:04:11,280

Vesta gating this thing was in six or

99

00:04:16,640 --> 00:04:13,530

seven feet tall it was maybe at best

100

00:04:19,370 --> 00:04:16,650

four feet tall the wings were membranous

101  
00:04:21,440 --> 00:04:19,380  
the only way I can describe them the

102  
00:04:23,390 --> 00:04:21,450  
only thing I could compare them to they

103  
00:04:25,880 --> 00:04:23,400  
kind of looked like a nymphs wings I

104  
00:04:28,310 --> 00:04:25,890  
never got a really good look at the head

105  
00:04:31,640 --> 00:04:28,320  
the sighting itself only lasted one

106  
00:04:33,800 --> 00:04:31,650  
maybe two seconds I know it only lasted

107  
00:04:36,230 --> 00:04:33,810  
two seconds but you're able to get a lot

108  
00:04:37,970 --> 00:04:36,240  
of information in that two seconds I can

109  
00:04:40,160 --> 00:04:37,980  
honestly tell you that it had no

110  
00:04:42,320 --> 00:04:40,170  
feathers it looked like it had no

111  
00:04:44,930 --> 00:04:42,330  
feathers on it just membranous wings

112  
00:04:47,510 --> 00:04:44,940  
it was far larger than what a Canadian

113  
00:04:49,340 --> 00:04:47,520

goose is its legs were tucked up beneath

114

00:04:51,770 --> 00:04:49,350

it because it looked like it was coming

115

00:04:52,310 --> 00:04:51,780

into land either on top of or behind the

116

00:04:54,770 --> 00:04:52,320

building

117

00:04:57,230 --> 00:04:54,780

what I saw was basically the chest and

118

00:04:58,909 --> 00:04:57,240

the wings what I got a good look at was

119

00:05:01,310 --> 00:04:58,919

the wings they were completely out

120

00:05:03,470 --> 00:05:01,320

spread that looked like it was trying to

121

00:05:04,340 --> 00:05:03,480

spread itself out so it could slow down

122

00:05:06,650 --> 00:05:04,350

for a landing

123

00:05:10,639 --> 00:05:06,660

Manuel Navarrete

124

00:05:16,979 --> 00:05:13,529

crow man seen hovering above Chicago

125

00:05:18,929 --> 00:05:16,989

Washington Park high-rise hello a friend

126

00:05:21,299 --> 00:05:18,939

shared an NPR article about the

127

00:05:23,429 --> 00:05:21,309

mothman's sightings in Chicago and I was

128

00:05:27,059 --> 00:05:23,439

shocked when I came upon your website

129

00:05:28,919 --> 00:05:27,069

and research on November 1st 2015 around

130

00:05:30,719 --> 00:05:28,929

10:00 a.m. I was chatting on the phone

131

00:05:33,749 --> 00:05:30,729

with a good friend minding my business

132

00:05:36,089 --> 00:05:33,759

making plans for brunch when I glanced

133

00:05:38,759 --> 00:05:36,099

out my bedroom window and immediately

134

00:05:41,039 --> 00:05:38,769

noticed something out of place a very

135

00:05:42,899 --> 00:05:41,049

large crowd man hovering over a high-rise

136

00:05:44,129 --> 00:05:42,909

apartment building about a block away

137

00:05:47,519 --> 00:05:44,139

from my house

138

00:05:49,469 --> 00:05:47,529

a man jet black from head to toe upright

139

00:05:51,719 --> 00:05:49,479

hovering in the air about 5 feet above

140

00:05:54,989 --> 00:05:51,729

the Midway Plaisance senior apartments

141

00:05:57,569 --> 00:05:54,999

on East 60th Street for reference this

142

00:05:59,429 --> 00:05:57,579

is a 17 story high-rise apartment

143

00:06:01,499 --> 00:05:59,439

building directly across the street from

144

00:06:04,469 --> 00:06:01,509

Washington Park on the south side of

145

00:06:07,469 --> 00:06:04,479

Chicago miles from downtown and not a

146

00:06:09,869 --> 00:06:07,479

lot of high-rises in the area so I'm on

147

00:06:11,699 --> 00:06:09,879

the phone with my friend but I go silent

148

00:06:13,649 --> 00:06:11,709

as I'm watching this thing hovering and

149

00:06:15,689 --> 00:06:13,659

kind of spinning around slowly over the

150

00:06:18,209 --> 00:06:15,699

building and my friend on the phone

151  
00:06:20,789 --> 00:06:18,219  
starts asking me if I'm still there I

152  
00:06:23,729 --> 00:06:20,799  
start describing to her what I'm looking

153  
00:06:25,829 --> 00:06:23,739  
at and of course she thinks I'm crazy by

154  
00:06:28,049 --> 00:06:25,839  
the time I get off the phone to try and

155  
00:06:30,089 --> 00:06:28,059  
take a picture the thing starts to float

156  
00:06:33,059 --> 00:06:30,099  
away and move westbound behind some

157  
00:06:35,009 --> 00:06:33,069  
trees where I lost sight of it I call my

158  
00:06:37,079 --> 00:06:35,019  
friend back and she is trying to

159  
00:06:39,600 --> 00:06:37,089  
rationalize that I saw some sort of

160  
00:06:41,909 --> 00:06:39,610  
life-sized leftover Halloween decoration

161  
00:06:44,939 --> 00:06:41,919  
flying 20 stories in the air like a

162  
00:06:46,649 --> 00:06:44,949  
balloon I can't say exactly what I saw

163  
00:06:48,989 --> 00:06:46,659

as it was unlike anything I have ever

164

00:06:51,479 --> 00:06:48,999

seen or could even imagine but it was

165

00:06:53,819 --> 00:06:51,489

alive and wasn't any damn balloon the

166

00:06:56,159 --> 00:06:53,829

whole sighting only lasted about 60

167

00:06:58,259 --> 00:06:56,169

seconds but I got a good look at it from

168

00:07:00,569 --> 00:06:58,269

my third-floor window before it flew

169

00:07:02,819 --> 00:07:00,579

away the thing had wings tucked behind

170

00:07:05,339 --> 00:07:02,829

it but didn't need them to hover or move

171

00:07:07,109 --> 00:07:05,349

around I wouldn't say it flew at all

172

00:07:09,809 --> 00:07:07,119

it literally hovered in a standing

173

00:07:12,479 --> 00:07:09,819

position it was jet black from head to

174

00:07:14,789 --> 00:07:12,489

toe front to back it had to be about

175

00:07:17,819 --> 00:07:14,799

eight feet tall and I could clearly make

176  
00:07:20,399 --> 00:07:17,829  
out a head arms legs and wings folded

177  
00:07:22,709 --> 00:07:20,409  
behind it there wasn't a single cloud in

178  
00:07:23,040 --> 00:07:22,719  
the sky and the sky was a crisp bright

179  
00:07:25,680 --> 00:07:23,050  
blue

180  
00:07:27,689 --> 00:07:25,690  
it was so sunny that it's jet black body

181  
00:07:29,850 --> 00:07:27,699  
look Tyra destin'd with shades of blue

182  
00:07:32,969 --> 00:07:29,860  
and purple reflecting off of it in the

183  
00:07:35,670 --> 00:07:32,979  
sunlight as it did a slow 360-degree

184  
00:07:37,890 --> 00:07:35,680  
turn from the arid Essen color and wings

185  
00:07:40,110 --> 00:07:37,900  
I can best describe this thing as a crow

186  
00:07:42,330 --> 00:07:40,120  
man it almost looked like how the

187  
00:07:44,550 --> 00:07:42,340  
feathers of a crow looks iridescent from

188  
00:07:46,800 --> 00:07:44,560

where I was standing at the time I

189

00:07:49,110 --> 00:07:46,810

googled crow man sightings in Chicago

190

00:07:51,390 --> 00:07:49,120

and couldn't find any other sightings on

191

00:07:54,540 --> 00:07:51,400

the Internet to justify what I saw or

192

00:07:56,670 --> 00:07:54,550

help anyone believe me I only told about

193

00:07:58,830 --> 00:07:56,680

three to four close friends and family

194

00:08:01,320 --> 00:07:58,840

members and they just kind of joked

195

00:08:04,409 --> 00:08:01,330

filed it away mentally and we all moved

196

00:08:06,360 --> 00:08:04,419

on well fast forward to about a week ago

197

00:08:08,490 --> 00:08:06,370

and one of the friends I had told my

198

00:08:10,709 --> 00:08:08,500

sighting to sends me this NPR article

199

00:08:12,180 --> 00:08:10,719

where I came across your collection of

200

00:08:14,219 --> 00:08:12,190

other reported sightings

201  
00:08:17,240 --> 00:08:14,229  
each sounding eerily similar to what I

202  
00:08:20,129 --> 00:08:17,250  
saw now I'm a busy college-educated

203  
00:08:22,290 --> 00:08:20,139  
momprenneur raising two little ones with

204  
00:08:25,020 --> 00:08:22,300  
a demanding career and a side business

205  
00:08:26,939 --> 00:08:25,030  
and don't have time for any visits from

206  
00:08:29,189 --> 00:08:26,949  
the men in black the government or a

207  
00:08:31,559 --> 00:08:29,199  
creepy mothman's seeking revenge for

208  
00:08:34,079 --> 00:08:31,569  
snitching on him but how is this not

209  
00:08:36,569 --> 00:08:34,089  
national news or a Public Safety Alert I

210  
00:08:38,519 --> 00:08:36,579  
literally started crying when I clicked

211  
00:08:40,380 --> 00:08:38,529  
on the map in that article and read a

212  
00:08:43,199 --> 00:08:40,390  
reported sighting from Washington Park

213  
00:08:45,329 --> 00:08:43,209

in 2011 just a few hundred feet away

214

00:08:47,850 --> 00:08:45,339

from the high-rise building where I saw

215

00:08:51,600 --> 00:08:47,860

it in 2015 for reference

216

00:08:53,850 --> 00:08:51,610

Washington Park is 372 acres and this

217

00:08:56,069 --> 00:08:53,860

particular area is pretty close to the

218

00:08:59,220 --> 00:08:56,079

large pond on the southeast side of the

219

00:09:01,650 --> 00:08:59,230

park by 60th and Cottage Grove wish I

220

00:09:03,750 --> 00:09:01,660

had more to share but honestly I was too

221

00:09:06,329 --> 00:09:03,760

terrified to run outside after this

222

00:09:08,910 --> 00:09:06,339

thing to take a picture it had wings and

223

00:09:11,069 --> 00:09:08,920

didn't need them to fly I wish I could

224

00:09:13,139 --> 00:09:11,079

go back to minding my business but

225

00:09:15,360 --> 00:09:13,149

really hope you can expose what is going

226

00:09:21,860 --> 00:09:15,370

on here let me know if you have any

227

00:09:27,600 --> 00:09:24,960

owl like wing being encountered in Alsip

228

00:09:30,660 --> 00:09:27,610

Illinois I recently came across your

229

00:09:32,639 --> 00:09:30,670

article on the Chicago Owlman I along

230

00:09:35,310 --> 00:09:32,649

with another witness have seen this

231

00:09:39,120 --> 00:09:35,320

creature or one similar this was

232

00:09:41,550 --> 00:09:39,130

somewhere between 2001 to 2004 we were

233

00:09:43,829 --> 00:09:41,560

quite young at the time this was in

234

00:09:46,769 --> 00:09:43,839

Alsip Illinois right by the intersection

235

00:09:48,930 --> 00:09:46,779

of 128 place in Cicero

236

00:09:51,150 --> 00:09:48,940

I even have screenshots of when I

237

00:09:53,280 --> 00:09:51,160

casually brought up the encounter again

238

00:09:55,530 --> 00:09:53,290

in 2015 to the other witness to

239

00:09:57,900 --> 00:09:55,540

corroborate we both remember the

240

00:10:00,059 --> 00:09:57,910

encounter vividly I had only a

241

00:10:03,240 --> 00:10:00,069

silhouetted view but I can best describe

242

00:10:04,410 --> 00:10:03,250

the creature as large about the size of

243

00:10:06,629 --> 00:10:04,420

a large human man

244

00:10:08,939 --> 00:10:06,639

massive wings that it held up in a

245

00:10:11,340 --> 00:10:08,949

defensive preflight posture out from its

246

00:10:13,889 --> 00:10:11,350

sides and a human-like head that seemed

247

00:10:16,290 --> 00:10:13,899

to have no distinguishable features say

248

00:10:18,870 --> 00:10:16,300

for two very large almost glowing yellow

249

00:10:20,759 --> 00:10:18,880

owl like eyes the creatures sifted

250

00:10:22,230 --> 00:10:20,769

through the hedge bushes and came up to

251  
00:10:25,139 --> 00:10:22,240  
the bay window of the room we were

252  
00:10:27,360 --> 00:10:25,149  
occupying making loud noises it slam

253  
00:10:29,819 --> 00:10:27,370  
pressed its body up against the window

254  
00:10:32,040 --> 00:10:29,829  
its eyes staring right at us in the room

255  
00:10:34,350 --> 00:10:32,050  
this creature nearly took up the bay

256  
00:10:36,809 --> 00:10:34,360  
windows whole space and it stayed there

257  
00:10:39,389 --> 00:10:36,819  
once it hit the window unlike an owl who

258  
00:10:42,300 --> 00:10:39,399  
accidentally flew into it it was no

259  
00:10:44,220 --> 00:10:42,310  
regular owl much too large as the

260  
00:10:47,100 --> 00:10:44,230  
silhouette was massive in the eyes were

261  
00:10:49,410 --> 00:10:47,110  
the size of baseballs being young my

262  
00:10:51,689 --> 00:10:49,420  
friend and I quickly vacated the room in

263  
00:10:53,759 --> 00:10:51,699

terror and alerted my sleeping father

264

00:10:56,009 --> 00:10:53,769

who immediately searched the perimeter

265

00:10:58,230 --> 00:10:56,019

of the house yet nothing was found I

266

00:11:00,509 --> 00:10:58,240

nearly tared up reading your witness

267

00:11:02,939 --> 00:11:00,519

accounts on the website as it struck

268

00:11:05,100 --> 00:11:02,949

very close to home for me as the image

269

00:11:07,949 --> 00:11:05,110

is still burned into my mind to this day

270

00:11:11,069 --> 00:11:07,959

if you need any more information don't

271

00:11:13,170 --> 00:11:11,079

hesitate to contact me at any time my

272

00:11:15,030 --> 00:11:13,180

experience has been a huge point of

273

00:11:16,860 --> 00:11:15,040

interest in my mind ever since it

274

00:11:18,540 --> 00:11:16,870

happened and I would love nothing more

275

00:11:22,040 --> 00:11:18,550

than to assist you in your investigation

276

00:11:26,160 --> 00:11:22,050

in any way la

277

00:11:31,210 --> 00:11:28,630

red-eyed winged humanoid stairs down

278

00:11:33,160 --> 00:11:31,220

witness in Park Ridge Illinois I was

279

00:11:35,200 --> 00:11:33,170

driving home north on Talcott Road at

280

00:11:37,600 --> 00:11:35,210

about 9:30 p.m. on the evening of

281

00:11:39,310 --> 00:11:37,610

Wednesday October 30th as I was

282

00:11:41,290 --> 00:11:39,320

approaching the intersection with poor

283

00:11:43,870 --> 00:11:41,300

luck place I saw something walk across

284

00:11:45,610 --> 00:11:43,880

the road at first I thought it was a

285

00:11:48,190 --> 00:11:45,620

deer as we get them every now and again

286

00:11:49,720 --> 00:11:48,200

that changed when this thing stopped in

287

00:11:51,990 --> 00:11:49,730

the middle of the road and faced me

288

00:11:54,490 --> 00:11:52,000

head-on I panicked and came to a stop

289

00:11:56,140 --> 00:11:54,500

that is when this thing spread out with

290

00:11:58,030 --> 00:11:56,150

what looked like enormous wings and

291

00:11:59,950 --> 00:11:58,040

screached at me before bounding towards

292

00:12:02,320 --> 00:11:59,960

the woods this thing looked like a

293

00:12:04,720 --> 00:12:02,330

7-foot tall man thin and with two very

294

00:12:06,520 --> 00:12:04,730

large red eyes that were illuminated my

295

00:12:08,650 --> 00:12:06,530

headlights were on this thing and it was

296

00:12:10,870 --> 00:12:08,660

solid black it looked like it had skin

297

00:12:12,550 --> 00:12:10,880

and not feathers the wings look like

298

00:12:14,770 --> 00:12:12,560

they were attached to its back

299

00:12:16,750 --> 00:12:14,780

I was scared half out of my wits and

300

00:12:18,640 --> 00:12:16,760

there was no way in hell I was going to

301

00:12:20,800 --> 00:12:18,650

get out of my car and go after it into

302

00:12:22,690 --> 00:12:20,810

the woods I slammed my foot on the

303

00:12:25,060 --> 00:12:22,700

accelerator and took off her home where

304

00:12:31,700 --> 00:12:25,070

I told my husband about it it was his

305

00:12:37,260 --> 00:12:34,920
