subscribe and share for more

7  
00:00:32,040 --> 00:00:29,460  
vietnam war chilean cave encounter in

8  
00:00:34,410 --> 00:00:32,050  
1970 i was serving as a corporal in the

9  
00:00:36,420 --> 00:00:34,420  
u.s. army deployed to South Vietnam in

10  
00:00:39,030 --> 00:00:36,430  
region about 30 miles south of the DMZ

11  
00:00:41,220 --> 00:00:39,040  
at the time I was second-in-command of

12  
00:00:43,530 --> 00:00:41,230  
his squad of soldiers we had set up a

13  
00:00:45,960 --> 00:00:43,540

bivouac in a jungle area that had a few

14

00:00:47,579 --> 00:00:45,970

steep hills that evening my section was

15

00:00:49,860 --> 00:00:47,589

ordered to patrol one of the small

16

00:00:51,509 --> 00:00:49,870

valleys who has to be encampments we

17

00:00:53,639 --> 00:00:51,519

moved out led by our sergeant

18

00:00:55,740 --> 00:00:53,649

not long after entering one of the small

19

00:00:58,560 --> 00:00:55,750

valleys we detected movement ahead of us

20

00:01:00,360 --> 00:00:58,570

it seemed to be scattered activity so we

21

00:01:03,209 --> 00:01:00,370

doubted it was VC but we weren't

22

00:01:05,100 --> 00:01:03,219

positive we hunker down for about 15

23

00:01:06,810 --> 00:01:05,110

minutes getting occasional glimpses of

24

00:01:08,639 --> 00:01:06,820

something moving within the trees and

25

00:01:10,800 --> 00:01:08,649

brush there wasn't enough light to

26

00:01:12,150 --> 00:01:10,810

detect what we were observing even

27

00:01:14,760 --> 00:01:12,160

though the moonlight was bright that

28

00:01:16,650 --> 00:01:14,770

night after a while the activity halted

29

00:01:19,020 --> 00:01:16,660

so we continued to move slowly through

30

00:01:20,609 --> 00:01:19,030

the valley as we approached a sheer wall

31

00:01:22,469 --> 00:01:20,619

on the hill it looked like someone or

32

00:01:24,149 --> 00:01:22,479

something had stacked large stones and

33

00:01:26,070 --> 00:01:24,159

boulders in the paths in front of us

34

00:01:27,570 --> 00:01:26,080

there was also an opening in the

35

00:01:29,729 --> 00:01:27,580

hillside that looked like a cave

36

00:01:31,770 --> 00:01:29,739

entrance approximately five foot high

37

00:01:33,960 --> 00:01:31,780

and three foot wide narrowing at the top

38

00:01:35,370 --> 00:01:33,970

when observing the passageway it

39

00:01:37,380 --> 00:01:35,380

appeared to have been cut away by

40

00:01:39,570 --> 00:01:37,390

machinery the edges were smooth with

41

00:01:41,370 --> 00:01:39,580

small even spaced grooves we were

42

00:01:43,499 --> 00:01:41,380

puzzled by this because we had never

43

00:01:44,639 --> 00:01:43,509

seen enemy caves like this just

44

00:01:46,949 --> 00:01:44,649

underground tunnels

45

00:01:49,740 --> 00:01:46,959

the sergeant suggested that it may be a

46

00:01:51,479 --> 00:01:49,750

VC supply depot so we started to assess

47

00:01:53,969 --> 00:01:51,489

how we were going to investigate the

48

00:01:56,430 --> 00:01:53,979

cave about this time things got very

49

00:01:57,919 --> 00:01:56,440

strange we began to notice the putrid

50

00:02:00,570 --> 00:01:57,929

odor emanating from the cave entrance

51  
00:02:02,999 --> 00:02:00,580  
the only thing I can compare to was

52  
00:02:04,619 --> 00:02:03,009  
rotting eggs and human decay it was so

53  
00:02:07,080 --> 00:02:04,629  
of all ting that a few of the soldiers

54  
00:02:08,969 --> 00:02:07,090  
were becoming ill and started to back

55  
00:02:11,190 --> 00:02:08,979  
away into the jungle including the

56  
00:02:12,930 --> 00:02:11,200  
sergeant I was directing a light into

57  
00:02:15,150 --> 00:02:12,940  
the entrance in order to observe

58  
00:02:17,369 --> 00:02:15,160  
anything but there was a haze that was

59  
00:02:20,339 --> 00:02:17,379  
impossible to see through we had no idea

60  
00:02:21,660 --> 00:02:20,349  
what was before us the entire squad took

61  
00:02:24,320 --> 00:02:21,670  
a position in the heavy brush

62  
00:02:27,240 --> 00:02:24,330  
approximately 150 feet from the entrance

63  
00:02:29,699 --> 00:02:27,250

far enough not to be detected but close

64

00:02:31,380 --> 00:02:29,709

enough to observe the cave entrance we

65

00:02:33,540 --> 00:02:31,390

quietly remained there for what seemed

66

00:02:35,580 --> 00:02:33,550

like forever the jungle was strangely

67

00:02:37,200 --> 00:02:35,590

calm though we heard rumbling sounds

68

00:02:39,330 --> 00:02:37,210

coming from the distance

69

00:02:41,370 --> 00:02:39,340

it was really eerie the sergeant was

70

00:02:43,890 --> 00:02:41,380

sitting near me talking to himself it

71

00:02:45,990 --> 00:02:43,900

was obvious that he was frightened I was

72

00:02:48,420 --> 00:02:46,000

looking at the rest of the squad he had

73

00:02:50,400 --> 00:02:48,430

wide eyes and scanning the area no one

74

00:02:53,280 --> 00:02:50,410

was going to doze off during this patrol

75

00:02:55,680 --> 00:02:53,290

after several hours dawn was approaching

76

00:02:57,990 --> 00:02:55,690

and it started to lighten up I checked

77

00:03:00,540 --> 00:02:58,000

my watch it was just before zero five

78

00:03:02,910 --> 00:03:00,550

zero zero hours just then we noticed

79

00:03:05,070 --> 00:03:02,920

movement in front of the cave a beam I

80

00:03:06,810 --> 00:03:05,080

first thought it was a man moved through

81

00:03:08,640 --> 00:03:06,820

the entrance into the clearing in front

82

00:03:10,680 --> 00:03:08,650

of the cave as it stood up from the

83

00:03:12,870 --> 00:03:10,690

crouch it stood at least seven foot high

84

00:03:15,180 --> 00:03:12,880

and started to look in our direction at

85

00:03:17,370 --> 00:03:15,190

that time another similar looking

86

00:03:19,200 --> 00:03:17,380

creature was moving out of the cave they

87

00:03:21,300 --> 00:03:19,210

were making hellish kissing sounds and

88

00:03:23,250 --> 00:03:21,310

looking directly at us the only way I

89

00:03:25,530 --> 00:03:23,260

can describe these beings is that they

90

00:03:27,980 --> 00:03:25,540

look like a pride lizards the scaly

91

00:03:30,690 --> 00:03:27,990

shiny skin was very dark almost black

92

00:03:33,000 --> 00:03:30,700

snake-like faces with forward set eyes

93

00:03:35,520 --> 00:03:33,010

that were very large they had arms and

94

00:03:37,440 --> 00:03:35,530

legs like a human but with scaly skin I

95

00:03:39,360 --> 00:03:37,450

didn't notice a tail though they were

96

00:03:41,250 --> 00:03:39,370

long one piece dark green ropes along

97

00:03:43,530 --> 00:03:41,260

with a dark cap light covering on their

98

00:03:45,690 --> 00:03:43,540

heads I never noticed if they had

99

00:03:47,760 --> 00:03:45,700

anything on their feet no one gave the

100

00:03:49,920 --> 00:03:47,770

order it seemed like the entire squad

101  
00:03:51,840 --> 00:03:49,930  
opened fire at once every piece of

102  
00:03:53,850 --> 00:03:51,850  
vegetation between us and then was

103  
00:03:56,160 --> 00:03:53,860  
quickly sheared away I yelled out a

104  
00:03:57,660 --> 00:03:56,170  
cease fire order at the same time I was

105  
00:03:59,820 --> 00:03:57,670  
looking in the direction of the cave

106  
00:04:01,890 --> 00:03:59,830  
there was nothing there we immediately

107  
00:04:03,840 --> 00:04:01,900  
checked our flank in case these things

108  
00:04:06,240 --> 00:04:03,850  
circled around us but there was nothing

109  
00:04:08,160 --> 00:04:06,250  
as we approached the cave ready to

110  
00:04:09,990 --> 00:04:08,170  
resume action if needed it became

111  
00:04:12,330 --> 00:04:10,000  
apparent that the beings had escaped

112  
00:04:14,670 --> 00:04:12,340  
most likely back into the cave

113  
00:04:16,650 --> 00:04:14,680

it was soon decided to set charges and

114

00:04:18,390 --> 00:04:16,660

closed the cave entrance when we

115

00:04:20,580 --> 00:04:18,400

returned to camp we all seemed to be in

116

00:04:22,440 --> 00:04:20,590

a daze there was little discussion of

117

00:04:24,630 --> 00:04:22,450

the incident and we were never debriefed

118

00:04:27,480 --> 00:04:24,640

so I know the sergeant never filed a

119

00:04:30,170 --> 00:04:27,490

report then again if he did it was kept

120

00:04:33,719 --> 00:04:30,180

quiet by the brass

121

00:04:40,209 --> 00:04:36,669

black scaled reptilian humanoid seen

122

00:04:43,600 --> 00:04:40,219

near Canberra Australia hi there I live

123

00:04:45,249 --> 00:04:43,610

in the capital of Australia Canberra my

124

00:04:47,469 --> 00:04:45,259

friend witnessed something pretty

125

00:04:50,949 --> 00:04:47,479

intense and I was on the phone whilst it

126  
00:04:52,989 --> 00:04:50,959  
happened so I heard it and heard him he

127  
00:04:55,119 --> 00:04:52,999  
is never prone to displays of hysteria

128  
00:04:57,159 --> 00:04:55,129  
but was totally freaked out by his

129  
00:05:00,100 --> 00:04:57,169  
encounter he was walking by the

130  
00:05:02,019 --> 00:05:00,110  
stormwater drains about 100 metres from

131  
00:05:02,980 --> 00:05:02,029  
his house when he caught sight of a

132  
00:05:06,040 --> 00:05:02,990  
child-sized

133  
00:05:08,499 --> 00:05:06,050  
3 foot tall or so black scaled reptilian

134  
00:05:10,749 --> 00:05:08,509  
humanoid creature he described it as

135  
00:05:12,760 --> 00:05:10,759  
having long fingers and bright cat eyes

136  
00:05:14,350 --> 00:05:12,770  
when they caught the light that followed

137  
00:05:17,139 --> 00:05:14,360  
him home and climbed over the fence

138  
00:05:19,269 --> 00:05:17,149

after him it was studying him and not

139

00:05:22,089 --> 00:05:19,279

behaving particularly aggressive or

140

00:05:24,850 --> 00:05:22,099

hostile it walked on four and two legs

141

00:05:26,859 --> 00:05:24,860

he shouted away with an umbrella very

142

00:05:28,749 --> 00:05:26,869

British of him I know which is when I

143

00:05:31,029 --> 00:05:28,759

heard it make a high-pitched hiss growl

144

00:05:33,369 --> 00:05:31,039

and take off we wish to make an

145

00:05:35,679 --> 00:05:33,379

expedition to locate and take film of

146

00:05:38,290 --> 00:05:35,689

the adults but we do need help

147

00:05:41,459 --> 00:05:38,300

a bunch of ill-prepared retards we are

148

00:05:47,049 --> 00:05:41,469

not but questions remain armed or not

149

00:05:49,839 --> 00:05:47,059

night-vision torches EMF provisions maps

150

00:05:50,769 --> 00:05:49,849

of tunnels inform someone in case of

151

00:05:53,079 --> 00:05:50,779

getting lost

152

00:05:55,179 --> 00:05:53,089

fluorescent chalk markers for trail

153

00:05:57,399 --> 00:05:55,189

signs with black lights for picking them

154

00:06:00,819 --> 00:05:57,409

up but we need to know about them

155

00:06:02,920 --> 00:06:00,829

details anyone in Canberra who can add a

156

00:06:05,649 --> 00:06:02,930

professional touch to our survival rate

157

00:06:07,959 --> 00:06:05,659

any advice on the subject would be very

158

00:06:12,239 --> 00:06:07,969

much appreciated and have we forgotten

159

00:06:16,269 --> 00:06:12,249

anything in our equipment thanks jack

160

00:06:21,219 --> 00:06:19,339

Austrian cave encounter I am writing to

161

00:06:23,749 --> 00:06:21,229

you from where I live in London Austria

162

00:06:25,519 --> 00:06:23,759

recently I came across your story about

163

00:06:27,320 --> 00:06:25,529

the man who had an encounter with an

164

00:06:30,079 --> 00:06:27,330

alien type creature in a cave in the

165

00:06:31,939 --> 00:06:30,089

United States the story is similar to my

166

00:06:34,159 --> 00:06:31,949

encounter in an obscure cave here in

167

00:06:36,589 --> 00:06:34,169

Upper Austria this area is known for

168

00:06:39,290 --> 00:06:36,599

salt mining ensel's camera 'get the salt

169

00:06:41,329 --> 00:06:39,300

mines of the former Habsburg Empire I am

170

00:06:43,519 --> 00:06:41,339

a trained and certified geologist I

171

00:06:45,439 --> 00:06:43,529

studied at the University of Salzburg

172

00:06:48,290 --> 00:06:45,449

and in the United States at the

173

00:06:50,419 --> 00:06:48,300

University of wisconsin-madison I have

174

00:06:52,369 --> 00:06:50,429

explored and documented cave systems

175

00:06:55,999 --> 00:06:52,379

throughout Austria Czech Republic and

176  
00:06:57,469 --> 00:06:56,009  
Poland since 1988 in May 2011 I was in a

177  
00:07:00,230 --> 00:06:57,479  
narrow cave that a colleague had

178  
00:07:02,359 --> 00:07:00,240  
recently found this was approximately 2

179  
00:07:04,219 --> 00:07:02,369  
km north of Arbitron on the opposite

180  
00:07:05,959 --> 00:07:04,229  
side of the descending mountain range in

181  
00:07:08,419 --> 00:07:05,969  
the foothills near the east bank of howl

182  
00:07:10,369 --> 00:07:08,429  
sitter sea or lake as I moved through

183  
00:07:12,199 --> 00:07:10,379  
the difficult passageway I started to

184  
00:07:13,070 --> 00:07:12,209  
hear voices emanating from the darkness

185  
00:07:15,320 --> 00:07:13,080  
ahead of me

186  
00:07:17,509 --> 00:07:15,330  
I stopped to collect a few sample from

187  
00:07:20,540 --> 00:07:17,519  
the cave wall chipping it with my pick I

188  
00:07:22,850 --> 00:07:20,550

moved deeper maybe 50 meters until I

189

00:07:25,249 --> 00:07:22,860

noticed the voices again I am familiar

190

00:07:27,379 --> 00:07:25,259

with echoes and Doppler effect sounds in

191

00:07:29,509 --> 00:07:27,389

caves but this was totally different

192

00:07:32,179 --> 00:07:29,519

I stood quietly for several minutes

193

00:07:34,189 --> 00:07:32,189

until the voices stopped again I moved

194

00:07:37,129 --> 00:07:34,199

through the cave almost crawling at this

195

00:07:38,929 --> 00:07:37,139

point after another 40 meters I ascended

196

00:07:41,029 --> 00:07:38,939

into a chamber that was big enough to

197

00:07:43,009 --> 00:07:41,039

accommodate several people there were

198

00:07:44,899 --> 00:07:43,019

two wide openings on the opposite side

199

00:07:47,419 --> 00:07:44,909

of the chamber each looked like it has

200

00:07:50,179 --> 00:07:47,429

been excavated by machine there was also

201  
00:07:52,009 --> 00:07:50,189  
an obvious rotting odor as I examined

202  
00:07:53,959 --> 00:07:52,019  
the chamber I noticed an odd read I read

203  
00:07:56,269 --> 00:07:53,969  
essence as I passed the light over the

204  
00:07:58,459 --> 00:07:56,279  
rock floor when I knelt down to collect

205  
00:08:00,679 --> 00:07:58,469  
a sample I again heard voices coming

206  
00:08:02,809 --> 00:08:00,689  
from one of the passageways at this

207  
00:08:04,459 --> 00:08:02,819  
point I was terrified and started to

208  
00:08:07,040 --> 00:08:04,469  
hurry back through the narrow cave after

209  
00:08:09,079 --> 00:08:07,050  
I squeezed back several meters I was

210  
00:08:11,209 --> 00:08:09,089  
able to turn my head just enough to look

211  
00:08:13,009 --> 00:08:11,219  
back into the dark chamber a yellow

212  
00:08:14,540 --> 00:08:13,019  
light slowly made its way into the

213  
00:08:16,489 --> 00:08:14,550

chamber from the left opening in the

214

00:08:18,799 --> 00:08:16,499

chamber then there were several yellow

215

00:08:20,239 --> 00:08:18,809

lights following the first as the lights

216

00:08:22,219 --> 00:08:20,249

moved through the opening into the

217

00:08:23,959 --> 00:08:22,229

chamber then back through the opening on

218

00:08:26,509 --> 00:08:23,969

the right I was able to see the beams

219

00:08:28,020 --> 00:08:26,519

the sight sent fear throughout my body

220

00:08:30,300 --> 00:08:28,030

I was actually pair

221

00:08:31,980 --> 00:08:30,310

the creatures were humanoid in stature

222

00:08:34,140 --> 00:08:31,990

but these were not human

223

00:08:36,360 --> 00:08:34,150

each varied in height but all looked the

224

00:08:38,459 --> 00:08:36,370

same muscular lizards that walked

225

00:08:40,469 --> 00:08:38,469

upright like humans there is not a

226

00:08:43,260 --> 00:08:40,479

better term I can use to identify these

227

00:08:45,360 --> 00:08:43,270

beings these creatures wore dark-colored

228

00:08:47,430 --> 00:08:45,370

full-body uniforms that extended and

229

00:08:49,530 --> 00:08:47,440

covered the feet I couldn't tell the

230

00:08:51,930 --> 00:08:49,540

exact color of the skin but each had a

231

00:08:54,030 --> 00:08:51,940

pronounced muzzle the long tails were

232

00:08:56,490 --> 00:08:54,040

very prominent and swiftly swayed back

233

00:08:58,830 --> 00:08:56,500

and forth as they moved forward the arms

234

00:09:01,080 --> 00:08:58,840

and legs were massive I could detect the

235

00:09:03,210 --> 00:09:01,090

musculature through the uniforms there

236

00:09:04,110 --> 00:09:03,220

were voices also as if they were talking

237

00:09:06,630 --> 00:09:04,120

to each other

238

00:09:08,790 --> 00:09:06,640

the voices actually sounded human though

239

00:09:10,620 --> 00:09:08,800

I could not detect the language there

240

00:09:12,510 --> 00:09:10,630

were possibly 20 or more of these

241

00:09:14,070 --> 00:09:12,520

creatures as they walked single file

242

00:09:16,410 --> 00:09:14,080

through the chamber and into the other

243

00:09:18,630 --> 00:09:16,420

opening when I conceived it was safe to

244

00:09:20,880 --> 00:09:18,640

move I quickly withdrew from the cave I

245

00:09:22,500 --> 00:09:20,890

think I may have been in shock because I

246

00:09:24,480 --> 00:09:22,510

barely remember anything that happened

247

00:09:27,000 --> 00:09:24,490

from that point until I reached my

248

00:09:28,950 --> 00:09:27,010

office I decided to keep a private

249

00:09:30,720 --> 00:09:28,960

journal regarding my encounter but I

250

00:09:33,240 --> 00:09:30,730

have not discussed it with anyone else

251  
00:09:35,040 --> 00:09:33,250  
my colleague who originally found the

252  
00:09:37,020 --> 00:09:35,050  
cave told me that he has explored the

253  
00:09:38,790 --> 00:09:37,030  
cave since my encounter but never

254  
00:09:41,010 --> 00:09:38,800  
mentions anything about the chamber

255  
00:09:43,560 --> 00:09:41,020  
other passageways or bizarre beings at

256  
00:09:45,060 --> 00:09:43,570  
this point in time I am starting to

257  
00:09:47,280 --> 00:09:45,070  
doubt that I witnessed these creatures

258  
00:09:49,410 --> 00:09:47,290  
is it possible that I hallucinate

259  
00:09:51,360 --> 00:09:49,420  
AddThis encounter or possibly

260  
00:09:53,250 --> 00:09:51,370  
experienced something from the past or

261  
00:09:55,950 --> 00:09:53,260  
the future I am a trained professional

262  
00:09:58,620 --> 00:09:55,960  
who deals with reality but my beliefs

263  
00:10:00,720 --> 00:09:58,630

have been seriously shaken I appreciate

264

00:10:03,120 --> 00:10:00,730

your introspect in thoughts as well as

265

00:10:09,520 --> 00:10:03,130

observation by your readers Thank You

266

00:10:14,950 --> 00:10:11,920

the underground reptilian encounter

267

00:10:17,890 --> 00:10:14,960

Carthage Missouri this past Sunday the

268

00:10:20,410 --> 00:10:17,900

7th a friend and I were writing two ATVs

269

00:10:22,720 --> 00:10:20,420

in a place called the underground it is

270

00:10:25,270 --> 00:10:22,730

a public and private storage facility in

271

00:10:27,550 --> 00:10:25,280

Carthage Missouri what makes this place

272

00:10:29,410 --> 00:10:27,560

such a desirable storage facility is

273

00:10:31,990 --> 00:10:29,420

that it is all underground hence the

274

00:10:34,180 --> 00:10:32,000

name they are constantly expanding this

275

00:10:36,160 --> 00:10:34,190

place and there are miles and miles of

276

00:10:37,000 --> 00:10:36,170

carved out caves in there and it goes

277

00:10:39,280 --> 00:10:37,010

pretty deep

278

00:10:40,960 --> 00:10:39,290

this facility stores thousands and

279

00:10:43,780 --> 00:10:40,970

thousands of food containers all

280

00:10:45,640 --> 00:10:43,790

dehydrated for the Navy I have seen the

281

00:10:48,310 --> 00:10:45,650

men it is public knowledge around here

282

00:10:51,880 --> 00:10:48,320

it is also a fallout shelter able to

283

00:10:53,350 --> 00:10:51,890

hold some 40,000 to 50,000 people I tell

284

00:10:55,840 --> 00:10:53,360

you this to give some sense of the

285

00:10:58,120 --> 00:10:55,850

vastness of the place I worked there as

286

00:11:00,940 --> 00:10:58,130

a subcontractor some nine years ago I

287

00:11:04,420 --> 00:11:00,950

helped build the office spaces up on top

288

00:11:06,340 --> 00:11:04,430

I started to explore them about once a

289

00:11:09,520 --> 00:11:06,350

month and did so all the way until this

290

00:11:12,250 --> 00:11:09,530

past Sunday however I never went as far

291

00:11:15,190 --> 00:11:12,260

or as deep before either it was fun to

292

00:11:17,829 --> 00:11:15,200

take the ATVs and cruise underground no

293

00:11:20,200 --> 00:11:17,839

rain or weather problems ever we were a

294

00:11:21,730 --> 00:11:20,210

procs eight miles in and I'd say maybe

295

00:11:23,530 --> 00:11:21,740

500 feet deep

296

00:11:25,510 --> 00:11:23,540

when we took a turn down an area that

297

00:11:28,030 --> 00:11:25,520

was marked naval authoritative zone I

298

00:11:30,220 --> 00:11:28,040

remember making a comment about the Navy

299

00:11:32,680 --> 00:11:30,230

getting a ship down there and said that

300

00:11:35,020 --> 00:11:32,690

was an easy posting the walls became

301  
00:11:37,240 --> 00:11:35,030  
more defined as in polished or finished

302  
00:11:39,280 --> 00:11:37,250  
and this was striking because this was

303  
00:11:42,070 --> 00:11:39,290  
supposed to be a newly blasted area

304  
00:11:44,079 --> 00:11:42,080  
totally backward I would think still

305  
00:11:46,720 --> 00:11:44,089  
thinking nothing was wrong we kept going

306  
00:11:48,640 --> 00:11:46,730  
actually increasing speed because the

307  
00:11:51,550 --> 00:11:48,650  
floor was paved now and we could go

308  
00:11:53,829 --> 00:11:51,560  
faster we came up on an unusual painted

309  
00:11:56,200 --> 00:11:53,839  
pattern on the floor and I thought cool

310  
00:11:58,690 --> 00:11:56,210  
graffiti kids have been down here we're

311  
00:12:00,610 --> 00:11:58,700  
safe and won't get into any trouble the

312  
00:12:03,190 --> 00:12:00,620  
road dipped down and then it took a

313  
00:12:05,290 --> 00:12:03,200

90-degree turn to the left we had no

314

00:12:07,900 --> 00:12:05,300

warning and we were going too fast I

315

00:12:10,180 --> 00:12:07,910

knew we were going to hit the wall but

316

00:12:12,520 --> 00:12:10,190

we didn't we passed through some kind of

317

00:12:15,040 --> 00:12:12,530

projection of the cave sighting although

318

00:12:17,620 --> 00:12:15,050

I don't know how it was done it was real

319

00:12:20,470 --> 00:12:17,630

looking we passed into a whole new road

320

00:12:23,110 --> 00:12:20,480

system this one was large and much older

321

00:12:25,630 --> 00:12:23,120

than where we came from we started to

322

00:12:28,390 --> 00:12:25,640

smell an odor musty damp growing

323

00:12:31,000 --> 00:12:28,400

stronger as we went deeper on smell the

324

00:12:33,130 --> 00:12:31,010

lighting decreased as well probably 60%

325

00:12:35,470 --> 00:12:33,140

less than the other areas we turned on

326

00:12:37,870 --> 00:12:35,480

our headlights we continued on at about

327

00:12:40,150 --> 00:12:37,880

five to seven miles an hour for about

328

00:12:42,270 --> 00:12:40,160

five min and we noticed it was getting

329

00:12:44,949 --> 00:12:42,280

cooler which was to me very strange

330

00:12:47,829 --> 00:12:44,959

since once inside a cave a certain

331

00:12:49,810 --> 00:12:47,839

distance the temps is the same we made a

332

00:12:51,610 --> 00:12:49,820

right turn and started to come up on

333

00:12:54,430 --> 00:12:51,620

what I thought was a rest area on the

334

00:12:56,199 --> 00:12:54,440

side about 40 feet away I thought it

335

00:12:58,690 --> 00:12:56,209

looked like a pair of fountains until

336

00:13:01,360 --> 00:12:58,700

they moved we both stopped immediately

337

00:13:03,760 --> 00:13:01,370

we were approximately 30 feet away now

338

00:13:06,010 --> 00:13:03,770

and what we saw were two creatures one

339

00:13:08,650 --> 00:13:06,020

was very tall at least seven feet maybe

340

00:13:10,540 --> 00:13:08,660

more and very powerfully built reddish

341

00:13:13,360 --> 00:13:10,550

in color and the other was smaller about

342

00:13:16,030 --> 00:13:13,370

six feet but it was not red in color but

343

00:13:18,130 --> 00:13:16,040

pale like an albino and it was not as

344

00:13:20,699 --> 00:13:18,140

powerfully built as the other they

345

00:13:23,829 --> 00:13:20,709

looked like reptiles living walking

346

00:13:27,070 --> 00:13:23,839

intelligent beings not human not warm

347

00:13:30,160 --> 00:13:27,080

blooded reptiles I know it sounds crazy

348

00:13:32,350 --> 00:13:30,170

but it is true they said nothing but I

349

00:13:35,199 --> 00:13:32,360

did get a strong sense from the big one

350

00:13:37,510 --> 00:13:35,209

a malevolent evil presence of some kind

351  
00:13:40,960 --> 00:13:37,520  
my friend screamed and we turned around

352  
00:13:43,060 --> 00:13:40,970  
a power turn we started to go back out

353  
00:13:45,370 --> 00:13:43,070  
when my friend said the big one was

354  
00:13:46,210 --> 00:13:45,380  
after us I looked back and it was

355  
00:13:48,430 --> 00:13:46,220  
following us

356  
00:13:50,170 --> 00:13:48,440  
I had the overwhelming feeling that if

357  
00:13:52,449 --> 00:13:50,180  
it caught us that harm would come to us

358  
00:13:54,490 --> 00:13:52,459  
we passed through the wall projection

359  
00:13:56,590 --> 00:13:54,500  
and I looked back and saw the thing

360  
00:13:59,500 --> 00:13:56,600  
raised its arm and it had a weapon of

361  
00:14:01,870 --> 00:13:59,510  
some sorts that fired and hit the ATV my

362  
00:14:04,870 --> 00:14:01,880  
friend was on the engine died and he

363  
00:14:06,940 --> 00:14:04,880

stopped I told him to jump on and he did

364

00:14:10,420 --> 00:14:06,950

I gunned at 10:00 then my friend said

365

00:14:12,550 --> 00:14:10,430

stop I slowed down and he said look I

366

00:14:14,949 --> 00:14:12,560

looked back and the thing had stopped at

367

00:14:16,840 --> 00:14:14,959

the graffiti on the cave floor rode the

368

00:14:19,360 --> 00:14:16,850

ATV was on its side of the graffiti

369

00:14:22,270 --> 00:14:19,370

symbol it was obvious the thing would

370

00:14:24,190 --> 00:14:22,280

not cross the marking I slowed more we

371

00:14:26,920 --> 00:14:24,200

were now about 75 feet away

372

00:14:28,689 --> 00:14:26,930

I stopped in the three of us me my

373

00:14:30,610 --> 00:14:28,699

friend and the creature reptile man

374

00:14:33,699 --> 00:14:30,620

thing just looked at each other for

375

00:14:36,530 --> 00:14:33,709

about 15 scenes and let me tell you that

376

00:14:38,780 --> 00:14:36,540

is a long time then I started to

377

00:14:41,269 --> 00:14:38,790

it stayed there waiting and not moving

378

00:14:43,070 --> 00:14:41,279

until we were out of sight as soon as we

379

00:14:45,110 --> 00:14:43,080

cleared the cave I got on my cell phone

380

00:14:47,150 --> 00:14:45,120

and called the Sheriff's Department

381

00:14:49,250 --> 00:14:47,160

I was told that they would not come out

382

00:14:52,040 --> 00:14:49,260

and that underground security would

383

00:14:53,120 --> 00:14:52,050

handle it then they hung up by law they

384

00:14:55,130 --> 00:14:53,130

are not to do that

385

00:14:57,470 --> 00:14:55,140

we can hang up on anyone but a

386

00:14:59,660 --> 00:14:57,480

government office be it city or federal

387

00:15:01,850 --> 00:14:59,670

cannot hang up on you anyway

388

00:15:03,710 --> 00:15:01,860

I was shocked and scared and we took off

389

00:15:04,699 --> 00:15:03,720

across the outside of the underground

390

00:15:07,220 --> 00:15:04,709

over to my truck

391

00:15:09,949 --> 00:15:07,230

and sure enough underground security was

392

00:15:12,350 --> 00:15:09,959

waiting for us we were told to leave not

393

00:15:14,810 --> 00:15:12,360

to tell anybody about this that if I

394

00:15:17,480 --> 00:15:14,820

come back the Navy would press charges I

395

00:15:20,120 --> 00:15:17,490

was also told that I had 10 min to leave

396

00:15:22,340 --> 00:15:20,130

where I would be taken in what can I say

397

00:15:24,800 --> 00:15:22,350

we left it has been three days since

398

00:15:27,860 --> 00:15:24,810

this has happened and I am still shaken

399

00:15:30,980 --> 00:15:27,870

I am a powerful person six foot four

400

00:15:33,500 --> 00:15:30,990

inches and 265 pounds and I have never

401

00:15:36,139 --> 00:15:33,510

in my life been afraid for my life until

402

00:15:39,710 --> 00:15:36,149

this past Sunday I lost my one of my two

403

00:15:42,170 --> 00:15:39,720

ATVs as far as I know it is still down

404

00:15:43,850 --> 00:15:42,180

there my friend will not talk about it

405

00:15:46,310 --> 00:15:43,860

and I have not heard anything from

406

00:15:48,050 --> 00:15:46,320

anyone about it I did call the sheriff

407

00:15:48,440 --> 00:15:48,060

and they said they never got a call from

408

00:15:51,470 --> 00:15:48,450

me

409

00:15:53,840 --> 00:15:51,480

well that is my story I have never had

410

00:15:56,540 --> 00:15:53,850

anything strange happen in my life and I

411

00:15:58,519 --> 00:15:56,550

am very very concerned about this I can

412

00:16:01,010 --> 00:15:58,529

tell you this I had an urge to kill the

413

00:16:02,990 --> 00:16:01,020

things I saw down there I don't know if

414

00:16:05,060 --> 00:16:03,000

that is a natural reaction as most

415

00:16:07,370 --> 00:16:05,070

people have a natural revulsion towards

416

00:16:09,980 --> 00:16:07,380

reptiles or because of my faith and the

417

00:16:12,560 --> 00:16:09,990

feeling of evil I had or what all I know

418

00:16:14,870 --> 00:16:12,570

is that they are real and I wish I could

419

00:16:17,300 --> 00:16:14,880

do something anything to combat or help

420

00:16:18,889 --> 00:16:17,310

against these things take care all and

421

00:16:26,370 --> 00:16:18,899

thank you again for letting me write

422

00:16:31,960 --> 00:16:29,380

frightening being hi my name is

423

00:16:34,000 --> 00:16:31,970

Stephanie and upon reading online about

424

00:16:36,130 --> 00:16:34,010

reptilian beings visiting people I

425

00:16:38,940 --> 00:16:36,140

summoned up my courage to speak out

426  
00:16:41,950 --> 00:16:38,950  
about my experience seven years ago in

427  
00:16:44,260 --> 00:16:41,960  
2005 I lived in Colchester England with

428  
00:16:46,600 --> 00:16:44,270  
my long-term partner and was working at

429  
00:16:48,700 --> 00:16:46,610  
a local cafe where a meet and worked

430  
00:16:50,650 --> 00:16:48,710  
with people who first introduced me to

431  
00:16:53,380 --> 00:16:50,660  
the beliefs surrounding the Illuminati

432  
00:16:55,540 --> 00:16:53,390  
when I fell pregnant we decided to move

433  
00:16:58,270 --> 00:16:55,550  
to Australia where strange things

434  
00:17:00,700 --> 00:16:58,280  
started to happen in my sleep the first

435  
00:17:02,200 --> 00:17:00,710  
one I remember is waking up not being

436  
00:17:04,240 --> 00:17:02,210  
able to move a talk

437  
00:17:05,770 --> 00:17:04,250  
it was extremely frightening and

438  
00:17:07,750 --> 00:17:05,780

although it happened on several

439

00:17:09,970 --> 00:17:07,760

occasions I was hesitant to tell my

440

00:17:12,460 --> 00:17:09,980

partner anchors he thought I was crazy

441

00:17:14,560 --> 00:17:12,470

on the contrary I felt I mentally and

442

00:17:16,510 --> 00:17:14,570

spiritually strong which helped me fight

443

00:17:19,300 --> 00:17:16,520

to overcome the forces that were

444

00:17:21,370 --> 00:17:19,310

controlling me every time I also used to

445

00:17:24,160 --> 00:17:21,380

see tiny green lights in the corners of

446

00:17:25,900 --> 00:17:24,170

my room during the night one night I was

447

00:17:28,330 --> 00:17:25,910

woken to find what I can only describe

448

00:17:31,000 --> 00:17:28,340

as a reptile-like creature that being

449

00:17:33,070 --> 00:17:31,010

standing over me on two legs it had a

450

00:17:35,410 --> 00:17:33,080

frail around his neck that was an ax

451  
00:17:38,080 --> 00:17:35,420  
threatened like extension very muscular

452  
00:17:40,360 --> 00:17:38,090  
in detail he was making a hissing noise

453  
00:17:42,220 --> 00:17:40,370  
I felt that was certainly not friendly

454  
00:17:44,800 --> 00:17:42,230  
looking almost through me when our eyes

455  
00:17:47,080 --> 00:17:44,810  
meet and his previous experiences I was

456  
00:17:49,810 --> 00:17:47,090  
not able to move or speak and felt

457  
00:17:52,120 --> 00:17:49,820  
paralyzed yet wide awake in absolute

458  
00:17:55,150 --> 00:17:52,130  
terror I shut my eyes and opened them

459  
00:17:57,880 --> 00:17:55,160  
and it was gone I was beside myself and

460  
00:18:00,430 --> 00:17:57,890  
was in fear of his return it wasn't the

461  
00:18:02,620 --> 00:18:00,440  
last time I awoke to him he also came to

462  
00:18:04,390 --> 00:18:02,630  
me in the dream in my dream I was

463  
00:18:06,730 --> 00:18:04,400

sitting at my friend's square table

464

00:18:09,490 --> 00:18:06,740

talking with her and I knew he was there

465

00:18:11,560 --> 00:18:09,500

in my dream I remember as my friend was

466

00:18:14,050 --> 00:18:11,570

talking I was being coaxed away and

467

00:18:16,420 --> 00:18:14,060

taken by him it felt like an out-of-body

468

00:18:19,150 --> 00:18:16,430

experience as I could see myself in my

469

00:18:21,460 --> 00:18:19,160

dream at the table with her I knew I was

470

00:18:23,800 --> 00:18:21,470

being taker I managed with all of my

471

00:18:26,080 --> 00:18:23,810

spirit to fight the strength he had on

472

00:18:28,630 --> 00:18:26,090

me and I remember feeling like I wasn't

473

00:18:30,580 --> 00:18:28,640

ready to go and that he'd be back when I

474

00:18:32,920 --> 00:18:30,590

was because after that it didn't return

475

00:18:34,900 --> 00:18:32,930

and hasn't after I had my baby I

476

00:18:36,910 --> 00:18:34,910

remember seeing lights the same green

477

00:18:39,190 --> 00:18:36,920

ones I saw in my room in her cot at

478

00:18:41,139 --> 00:18:39,200

night when she woke for feeding

479

00:18:43,419 --> 00:18:41,149

I don't know why this happened to me or

480

00:18:45,940 --> 00:18:43,429

why I got a frill neck but I know I'm

481

00:18:51,880 --> 00:18:45,950

not alone and I know I'm not crazy

482

00:18:57,470 --> 00:18:55,130

this is lawn Strickler if you like this

483

00:19:00,320 --> 00:18:57,480

program it would help us if you would

484

00:19:02,810 --> 00:19:00,330

give it a thumbs up then subscribe and

485

00:19:05,180 --> 00:19:02,820

click the bell icon so you get

486

00:19:07,909 --> 00:19:05,190

notification when we upload new first

487

00:19:11,120 --> 00:19:07,919

person encounters we have many more to

488

00:19:13,850 --> 00:19:11,130

come very soon and by the way if you
