

A woman with long dark hair is lying in bed, looking up with a wide-eyed, fearful expression. The scene is dimly lit with a blueish tint. Several green, alien-like heads with large, dark, circular eyes are floating in the air around her. The overall atmosphere is one of suspense and horror.

00:00:36,869 --> 00:00:34,439

ARC being encounters I have never tried

8  
00:00:39,180 --> 00:00:36,879

to contact someone before about this but

9  
00:00:41,310 --> 00:00:39,190

here it goes it's not a traditional

10  
00:00:43,049 --> 00:00:41,320

alien story but I am interested in

11  
00:00:45,540 --> 00:00:43,059

seeing if anyone else has seen what I

12  
00:00:48,149 --> 00:00:45,550

did when I was seven or eight years old

13  
00:00:50,490 --> 00:00:48,159

I lived on Oahu in Hawaii in the Salt

14

00:00:52,770 --> 00:00:50,500

Lake City area which is located next to

15

00:00:54,960 --> 00:00:52,780

the base on that island we lived in a

16

00:00:57,299 --> 00:00:54,970

very populated area in a 12 level

17

00:00:59,130 --> 00:00:57,309

apartment building it was a two-bedroom

18

00:01:01,410 --> 00:00:59,140

my parents room was on the other side of

19

00:01:03,090 --> 00:01:01,420

the apartment one night I had a bad

20

00:01:05,700 --> 00:01:03,100

dream and got up in the middle of the

21

00:01:07,649 --> 00:01:05,710

night to sleep in my parents bed only my

22

00:01:09,929 --> 00:01:07,659

dad was there I don't remember where my

23

00:01:11,580 --> 00:01:09,939

mother was at some point in the earlier

24

00:01:13,920 --> 00:01:11,590

morning hours I had to go to the

25

00:01:16,289 --> 00:01:13,930

bathroom I wasn't scared I was just

26

00:01:18,330 --> 00:01:16,299

sleepy the bathroom was a joint to the

27

00:01:20,340 --> 00:01:18,340

bedroom as I walked out of the bathroom

28

00:01:22,440 --> 00:01:20,350

toward the bed something in the corner

29

00:01:24,240 --> 00:01:22,450

of my eye caught my attention and I

30

00:01:26,850 --> 00:01:24,250

looked up and saw a figure in a dark

31

00:01:29,399 --> 00:01:26,860

cloak walking past the doorway it saw me

32

00:01:31,170 --> 00:01:29,409

at the same time we both were startled

33

00:01:33,690 --> 00:01:31,180

and just stared at each other for a

34

00:01:36,120 --> 00:01:33,700

moment I was scared out of my mind I

35

00:01:37,950 --> 00:01:36,130

couldn't move her scream one thing that

36

00:01:40,590 --> 00:01:37,960

was impressed on me was how little it

37

00:01:42,570 --> 00:01:40,600

was it was my height it was wearing a

38

00:01:45,090 --> 00:01:42,580

dark cloak that covered its head and was

39

00:01:46,950 --> 00:01:45,100

clasped at the neck inside the cloak was

40

00:01:49,410 --> 00:01:46,960

pitch-black so much that it seemed

41

00:01:51,690 --> 00:01:49,420

unnatural and two large oval slanted the

42

00:01:53,969 --> 00:01:51,700

typical red glowing eyes was all I could

43

00:01:56,670 --> 00:01:53,979

see we stared at each other for a moment

44

00:01:58,710 --> 00:01:56,680

then it jumped out of view I had no idea

45

00:02:01,080 --> 00:01:58,720

what I saw nor what to do I was

46

00:02:03,480 --> 00:02:01,090

completely freaked out and my dad was

47

00:02:05,250 --> 00:02:03,490

lying there asleep so I did what most

48

00:02:06,899 --> 00:02:05,260

children do when they are scared I laid

49

00:02:09,630 --> 00:02:06,909

down on the bed and pulled the covers

50

00:02:11,610 --> 00:02:09,640

over my head it seemed like I might be

51  
00:02:13,440 --> 00:02:11,620  
imagining it as it happened but I felt

52  
00:02:15,660 --> 00:02:13,450  
someone pushing down on the bed in a

53  
00:02:17,729 --> 00:02:15,670  
circle around me and then last pushing

54  
00:02:19,920 --> 00:02:17,739  
on my pillow I remembered everything

55  
00:02:22,500 --> 00:02:19,930  
very clearly but didn't tell anyone for

56  
00:02:24,390 --> 00:02:22,510  
a very long time it never crossed my

57  
00:02:26,580 --> 00:02:24,400  
mind that it was an alien until much

58  
00:02:28,530 --> 00:02:26,590  
later I thought it was some kind of

59  
00:02:30,899 --> 00:02:28,540  
demon there are a lot of stories about

60  
00:02:33,270 --> 00:02:30,909  
evil little people in Hawaii and I

61  
00:02:35,250 --> 00:02:33,280  
figured that was what I saw but I met a

62  
00:02:37,110 --> 00:02:35,260  
lady who heard my story and told me

63  
00:02:39,030 --> 00:02:37,120

about the greys and the fact that I

64

00:02:41,099 --> 00:02:39,040

surprised and shocked it is what I can't

65

00:02:43,580 --> 00:02:41,109

get over she said that it was probably

66

00:02:45,720 --> 00:02:43,590

expecting me to still be in my bed

67

00:02:49,960 --> 00:02:45,730

that it was there for my father

68

00:02:55,540 --> 00:02:53,290

was there really a close encounter this

69

00:02:58,600 --> 00:02:55,550

all happened last week on Thursday and

70

00:03:01,720 --> 00:02:58,610

Friday the first week in June 2013 in

71

00:03:04,510 --> 00:03:01,730

the evening the sixth and seventh around

72

00:03:07,420 --> 00:03:04,520

11 to 12 o'clock at night both nights in

73

00:03:09,400 --> 00:03:07,430

hebronville Texas Thursday evening I

74

00:03:11,830 --> 00:03:09,410

went to a friend's house to do a couple

75

00:03:14,410 --> 00:03:11,840

loads of laundry she only lives a few

76

00:03:17,170 --> 00:03:14,420

houses down so I waited till the kids

77

00:03:19,720 --> 00:03:17,180

were asleep to go my oldest was still

78

00:03:22,180 --> 00:03:19,730

awake and I asked him to keep watch as

79

00:03:24,160 --> 00:03:22,190

the man of the house I had to do the

80

00:03:26,860 --> 00:03:24,170

same as a kid with my siblings quite

81

00:03:29,320 --> 00:03:26,870

often I figure he's 10 so he's old

82

00:03:33,370 --> 00:03:29,330

enough husband was at work doing the

83

00:03:35,860 --> 00:03:33,380

night shift I left around 10:45 p.m. as

84

00:03:36,340 --> 00:03:35,870

I was leaving I felt scared to leave

85

00:03:39,070 --> 00:03:36,350

them

86

00:03:40,960 --> 00:03:39,080

I felt something wasn't right but

87

00:03:43,270 --> 00:03:40,970

thought I wasn't going to be far and

88

00:03:45,130 --> 00:03:43,280

would come back to check on them so I

89

00:03:47,890 --> 00:03:45,140

put the clothes in the washer and went

90

00:03:50,190 --> 00:03:47,900

back home immediately my oldest son was

91

00:03:52,900 --> 00:03:50,200

in the living room playing with our cat

92

00:03:53,949 --> 00:03:52,910

everything seemed fine and I figured I

93

00:03:56,860 --> 00:03:53,959

was being silly

94

00:03:59,620 --> 00:03:56,870

so I went back I stayed till around

95

00:04:00,070 --> 00:03:59,630

midnight I got home everything seemed

96

00:04:03,790 --> 00:04:00,080

fine

97

00:04:06,310 --> 00:04:03,800

my son was asleep on the couch I went to

98

00:04:08,229 --> 00:04:06,320

bed and that was that the next day my

99

00:04:10,900 --> 00:04:08,239

son tells me he saw something the night

100

00:04:12,640 --> 00:04:10,910

before while I was out he said he was

101  
00:04:14,560 --> 00:04:12,650  
playing with the cat when he noticed

102  
00:04:17,680 --> 00:04:14,570  
something peeking into our living room

103  
00:04:20,560 --> 00:04:17,690  
window he said it was an alien tall

104  
00:04:23,320 --> 00:04:20,570  
skinny with dark grey green skin funny

105  
00:04:24,970 --> 00:04:23,330  
shaped heads when it left our window he

106  
00:04:26,020 --> 00:04:24,980  
said he crawled over to the window and

107  
00:04:28,000 --> 00:04:26,030  
peeped out

108  
00:04:31,030 --> 00:04:28,010  
he said the beings were walking around

109  
00:04:33,640 --> 00:04:31,040  
peeking into people's windows one stood

110  
00:04:36,370 --> 00:04:33,650  
watch while the other did this my son

111  
00:04:39,400 --> 00:04:36,380  
said he was scared but didn't give any

112  
00:04:41,950 --> 00:04:39,410  
more details so that evening I stayed up

113  
00:04:44,830 --> 00:04:41,960

all night to keep watch I would go

114

00:04:47,650 --> 00:04:44,840

outside and check the area I checked on

115

00:04:50,490 --> 00:04:47,660

the kids all night I was exhausted by

116

00:04:53,590 --> 00:04:50,500

4:30 a.m. nothing out of the ordinary

117

00:04:56,050 --> 00:04:53,600

happened the next day which was Saturday

118

00:04:59,440 --> 00:04:56,060

I came over to my friend's house again

119

00:05:01,810 --> 00:04:59,450

the kids and hubby went out of town so I

120

00:05:03,670 --> 00:05:01,820

bring up the story my son told me and my

121

00:05:06,010 --> 00:05:03,680

friend tells me she had an

122

00:05:08,529 --> 00:05:06,020

counter the night before I get all

123

00:05:10,960 --> 00:05:08,539

excited she tells me it was between

124

00:05:12,969 --> 00:05:10,970

11:00 and 12:00 at night she was

125

00:05:16,330 --> 00:05:12,979

sleeping on her couch in the living room

126

00:05:18,969 --> 00:05:16,340

it's a small two-bedroom house from the

127

00:05:21,370 --> 00:05:18,979

couch you can see the back door she was

128

00:05:23,469 --> 00:05:21,380

having trouble getting to sleep during

129

00:05:25,330 --> 00:05:23,479

this time she says she heard the handle

130

00:05:27,730 --> 00:05:25,340

to the back door turned like someone was

131

00:05:29,620 --> 00:05:27,740

trying to get in they turned the knob

132

00:05:32,680 --> 00:05:29,630

and she could hear them push the door

133

00:05:35,529 --> 00:05:32,690

then she noticed the lock moving it was

134

00:05:37,629 --> 00:05:35,539

opening at this time she got scared and

135

00:05:40,390 --> 00:05:37,639

remembers blacking out right when she

136

00:05:43,089 --> 00:05:40,400

was feeling panic later she remembers

137

00:05:45,730 --> 00:05:43,099

three beings in the house she described

138

00:05:48,129 --> 00:05:45,740

them exactly as my son did when I told

139

00:05:50,830 --> 00:05:48,139

her my son's story I didn't really give

140

00:05:53,529 --> 00:05:50,840

details about their appearance but she

141

00:05:56,499 --> 00:05:53,539

was able to describe the same thing this

142

00:05:58,779 --> 00:05:56,509

for me confirmed my son wasn't lying my

143

00:06:01,600 --> 00:05:58,789

friend and son had no contact at all

144

00:06:03,430 --> 00:06:01,610

during their experiences she described

145

00:06:06,159 --> 00:06:03,440

them as slimy looking with dark green

146

00:06:08,950 --> 00:06:06,169

skin like an avocado they were tall and

147

00:06:10,899 --> 00:06:08,960

thin she said she just laid on the couch

148

00:06:11,770 --> 00:06:10,909

in a groggy state as they walked around

149

00:06:13,719 --> 00:06:11,780

her house

150

00:06:16,330 --> 00:06:13,729

those were bits and pieces she

151  
00:06:18,550 --> 00:06:16,340  
remembered the next day Sunday I was

152  
00:06:21,399 --> 00:06:18,560  
talking to my son about what he saw and

153  
00:06:23,529 --> 00:06:21,409  
I told him my friend's story he made a

154  
00:06:26,110 --> 00:06:23,539  
face and said he made the whole thing up

155  
00:06:28,779 --> 00:06:26,120  
now I would believe that if my friend

156  
00:06:30,760 --> 00:06:28,789  
hadn't told me her story the fact that

157  
00:06:33,520 --> 00:06:30,770  
they both described the same thing tells

158  
00:06:36,159 --> 00:06:33,530  
me it truly happened I am confused now

159  
00:06:38,499 --> 00:06:36,169  
but no my friend wouldn't lie she isn't

160  
00:06:41,350 --> 00:06:38,509  
into aliens in UFOs or anything like

161  
00:06:44,409 --> 00:06:41,360  
that so she has no need to make anything

162  
00:06:48,279 --> 00:06:44,419  
up I find both stories fascinating I

163  
00:06:52,720 --> 00:06:48,289

hope you can make sense of it M

164

00:06:59,050 --> 00:06:56,120

aliens in our house it was between 4:00

165

00:07:01,580 --> 00:06:59,060

a.m. and 4:10 a.m. on September 23rd

166

00:07:04,190 --> 00:07:01,590

2017 when I woke up and went to the

167

00:07:06,260 --> 00:07:04,200

restroom I frequent the restroom many

168

00:07:08,030 --> 00:07:06,270

times each night because of a medical

169

00:07:09,110 --> 00:07:08,040

problem that causes me to be a very

170

00:07:11,780 --> 00:07:09,120

light sleeper

171

00:07:14,330 --> 00:07:11,790

I live with my two disabled parents and

172

00:07:14,720 --> 00:07:14,340

since noise is easily wake and disturb

173

00:07:16,940 --> 00:07:14,730

them

174

00:07:18,350 --> 00:07:16,950

I have become very adapt to visiting the

175

00:07:20,680 --> 00:07:18,360

restroom in the middle of the night

176

00:07:23,900 --> 00:07:20,690

while being is very quiet as possible

177

00:07:25,940 --> 00:07:23,910

the restroom is located down a 30-foot

178

00:07:28,100 --> 00:07:25,950

hallway and the hallway goes straight

179

00:07:30,830 --> 00:07:28,110

from my bedroom door directly to the

180

00:07:32,870 --> 00:07:30,840

restroom door on one side of the hallway

181

00:07:34,790 --> 00:07:32,880

there are two other bedrooms and on the

182

00:07:37,160 --> 00:07:34,800

other side of the hallway is the living

183

00:07:39,500 --> 00:07:37,170

room in the kitchen the living room has

184

00:07:41,570 --> 00:07:39,510

a doorway accessing the kitchen as well

185

00:07:44,660 --> 00:07:41,580

as a doorway accessing the hallway right

186

00:07:47,090 --> 00:07:44,670

outside my bedroom door all the lights

187

00:07:48,920 --> 00:07:47,100

in the house were turned off except for

188

00:07:51,020 --> 00:07:48,930

a small night light in the kitchen which

189

00:07:53,690 --> 00:07:51,030

remains on all night for our cat to eat

190

00:07:55,520 --> 00:07:53,700

with I did not notice anything different

191

00:07:58,310 --> 00:07:55,530

when I was walking to the restroom

192

00:08:00,230 --> 00:07:58,320

except one thing I thought I had felt a

193

00:08:02,120 --> 00:08:00,240

slight electrical type charge in the

194

00:08:04,130 --> 00:08:02,130

atmosphere that made the house feel a

195

00:08:07,010 --> 00:08:04,140

little different it did not feel like

196

00:08:09,260 --> 00:08:07,020

our house usually feels I was in the

197

00:08:11,330 --> 00:08:09,270

restroom for maybe three or four minutes

198

00:08:14,030 --> 00:08:11,340

before I was ready to go back to my

199

00:08:16,010 --> 00:08:14,040

bedroom I turned off the restroom light

200

00:08:17,900 --> 00:08:16,020

and as I was getting ready to turn the

201  
00:08:20,450 --> 00:08:17,910  
doorknob to exit the restroom when I

202  
00:08:22,490 --> 00:08:20,460  
heard sounds that I miss identified at

203  
00:08:24,530 --> 00:08:22,500  
first I thought I was hearing my cat's

204  
00:08:26,480 --> 00:08:24,540  
claws clicking on the kitchen floor as

205  
00:08:28,280 --> 00:08:26,490  
he was walking across it which is a

206  
00:08:30,200 --> 00:08:28,290  
usual sound in the middle of the night

207  
00:08:33,830 --> 00:08:30,210  
because he eats his meals every night

208  
00:08:35,780 --> 00:08:33,840  
between 3 a.m. and 5 a.m. I quietly

209  
00:08:38,390 --> 00:08:35,790  
turned the doorknob and exited the

210  
00:08:40,460 --> 00:08:38,400  
restroom I was then standing in the

211  
00:08:43,520 --> 00:08:40,470  
hallway closing the restroom door behind

212  
00:08:45,530 --> 00:08:43,530  
me very quietly like I always do the

213  
00:08:47,330 --> 00:08:45,540

sound i misidentified seemed to be

214

00:08:49,400 --> 00:08:47,340

getting closer but I didn't think

215

00:08:52,010 --> 00:08:49,410

anything about it I took one step

216

00:08:54,470 --> 00:08:52,020

forward toward my bedroom and I looked

217

00:08:57,110 --> 00:08:54,480

to my right I thought I was going to be

218

00:08:59,480 --> 00:08:57,120

looking at my cat in the kitchen I saw

219

00:09:01,910 --> 00:08:59,490

an alien about 6 feet away turning to

220

00:09:03,890 --> 00:09:01,920

look at me from the kitchen I froze in

221

00:09:05,030 --> 00:09:03,900

mid-stride and I looked at it for about

222

00:09:07,639 --> 00:09:05,040

five seconds

223

00:09:10,340 --> 00:09:07,649

while it was staring back at me it was a

224

00:09:12,499 --> 00:09:10,350

short gray alien between 3 and 4 feet

225

00:09:15,560 --> 00:09:12,509

tall with a large head that had big

226

00:09:18,079 --> 00:09:15,570

black slanted eyes no ears a stubby nose

227

00:09:20,870 --> 00:09:18,089

in a small mouth its arms were long in

228

00:09:22,939 --> 00:09:20,880

proportion to its body it was being

229

00:09:25,460 --> 00:09:22,949

backlit by the night light and appeared

230

00:09:27,860 --> 00:09:25,470

to be an off-white grayish color while I

231

00:09:29,870 --> 00:09:27,870

was looking at the alien it began making

232

00:09:32,240 --> 00:09:29,880

soft clicking noises with its small

233

00:09:34,699 --> 00:09:32,250

mouth I was standing there trying to

234

00:09:37,309 --> 00:09:34,709

figure out what to do I began feeling

235

00:09:39,170 --> 00:09:37,319

more electricity in the air and I was

236

00:09:41,689 --> 00:09:39,180

trying to figure out if what I was

237

00:09:44,150 --> 00:09:41,699

looking at was real a feeling of ease

238

00:09:45,889 --> 00:09:44,160

came over me and inside my head I heard

239

00:09:48,590 --> 00:09:45,899

a voice say to me that there was no

240

00:09:50,660 --> 00:09:48,600

danger this might not be real being

241

00:09:52,939 --> 00:09:50,670

confused and scared I wanted to believe

242

00:09:53,720 --> 00:09:52,949

the voice in my head because I wanted to

243

00:09:56,210 --> 00:09:53,730

get away

244

00:09:58,519 --> 00:09:56,220

I raised my right hand to see what would

245

00:10:01,160 --> 00:09:58,529

happen and the alien raised its right

246

00:10:03,470 --> 00:10:01,170

hand back at me I started walking down

247

00:10:05,480 --> 00:10:03,480

the hallway toward my bedroom and I

248

00:10:08,180 --> 00:10:05,490

couldn't stop thinking about going back

249

00:10:10,579 --> 00:10:08,190

to sleep I got half way down the hallway

250

00:10:12,170 --> 00:10:10,589

to my bedroom door and I remember

251  
00:10:14,930 --> 00:10:12,180  
thinking what if there's more than one

252  
00:10:17,150 --> 00:10:14,940  
of those in the house I stopped in front

253  
00:10:19,730 --> 00:10:17,160  
of my bedroom door so I could open it as

254  
00:10:21,290 --> 00:10:19,740  
I was reaching out to grab the knob on

255  
00:10:24,620 --> 00:10:21,300  
the door I looked into the living room

256  
00:10:26,689 --> 00:10:24,630  
about four feet away from me standing in

257  
00:10:28,939 --> 00:10:26,699  
the doorway to the kitchen was a tall

258  
00:10:31,550 --> 00:10:28,949  
alien that was facing towards me and was

259  
00:10:34,040 --> 00:10:31,560  
looking directly at me it was basically

260  
00:10:36,620 --> 00:10:34,050  
like the short gray alien except its

261  
00:10:39,559 --> 00:10:36,630  
torso was much longer making it about 6

262  
00:10:41,930 --> 00:10:39,569  
to 6 and a half feet tall I heard a calm

263  
00:10:44,000 --> 00:10:41,940

and soft voice in my head saying it's

264

00:10:46,699 --> 00:10:44,010

okay just go back to sleep now

265

00:10:49,699 --> 00:10:46,709

I raised my right hand and moved it like

266

00:10:52,040 --> 00:10:49,709

I was waving the alien raised its right

267

00:10:54,530 --> 00:10:52,050

hand and waved back just like the short

268

00:10:56,689 --> 00:10:54,540

alien had done by this time I was

269

00:10:57,590 --> 00:10:56,699

feeling a strong buzzing sensation all

270

00:10:59,900 --> 00:10:57,600

over my body

271

00:11:01,819 --> 00:10:59,910

I remember hearing some more soft

272

00:11:04,550 --> 00:11:01,829

clicking sounds coming from the tall

273

00:11:06,499 --> 00:11:04,560

alien I was overcome with an impulse I

274

00:11:09,170 --> 00:11:06,509

couldn't resist that made me reach out

275

00:11:11,569 --> 00:11:09,180

and open my bedroom door I walked into

276

00:11:14,360 --> 00:11:11,579

my bedroom and closed the door behind me

277

00:11:21,519 --> 00:11:14,370

I got into bed and fell asleep as though

278

00:11:27,410 --> 00:11:24,769

Thanksgiving close encounter I was awake

279

00:11:28,640 --> 00:11:27,420

at 4:00 a.m. to find myself unable to

280

00:11:31,010 --> 00:11:28,650

move in my bed

281

00:11:33,530 --> 00:11:31,020

there was a curved screen floating above

282

00:11:36,110 --> 00:11:33,540

my head the screen appeared to have no

283

00:11:39,019 --> 00:11:36,120

mass as there was no edges of the screen

284

00:11:41,690 --> 00:11:39,029

the screen was translucent and I could

285

00:11:44,390 --> 00:11:41,700

see through it small images would blink

286

00:11:46,430 --> 00:11:44,400

on the screen every half a second each

287

00:11:48,440 --> 00:11:46,440

time the image appeared it would be the

288

00:11:51,620 --> 00:11:48,450

same image displayed on the screen a

289

00:11:53,810 --> 00:11:51,630

hundred images at the same time I didn't

290

00:11:54,650 --> 00:11:53,820

recognize any of the symbols as being

291

00:11:57,050 --> 00:11:54,660

known to me

292

00:11:59,900 --> 00:11:57,060

I then peered through the screen and saw

293

00:12:02,030 --> 00:11:59,910

two dark figures they were standing in

294

00:12:02,660 --> 00:12:02,040

opposite corners of my room at the foot

295

00:12:05,420 --> 00:12:02,670

of my bed

296

00:12:07,519 --> 00:12:05,430

the Viggers were no more than four foot

297

00:12:10,460 --> 00:12:07,529

tall and were covered in a shroud of

298

00:12:13,810 --> 00:12:10,470

shifting darkness shadow I felt a sense

299

00:12:16,579 --> 00:12:13,820

of fear come over me it was dire fear I

300

00:12:19,130 --> 00:12:16,589

remember looking over at my dog who was

301  
00:12:21,320 --> 00:12:19,140  
sleeping on my bed with me and feeling

302  
00:12:23,300 --> 00:12:21,330  
upset that the dog was still sleeping

303  
00:12:25,910 --> 00:12:23,310  
and not barking at the intruders who

304  
00:12:28,430 --> 00:12:25,920  
tried to help me I then yelled at the

305  
00:12:31,190 --> 00:12:28,440  
two intruders and told them hell no I'm

306  
00:12:32,240 --> 00:12:31,200  
not allowing it and I told them they had

307  
00:12:35,270 --> 00:12:32,250  
to leave immediately

308  
00:12:37,700 --> 00:12:35,280  
I couldn't make out any facial features

309  
00:12:39,950 --> 00:12:37,710  
but could see one of the intruders turn

310  
00:12:41,990 --> 00:12:39,960  
its head to the other one as if it was

311  
00:12:44,090 --> 00:12:42,000  
in shock of the fact that I had ordered

312  
00:12:46,340 --> 00:12:44,100  
them to leave the blackness shroud

313  
00:12:49,130 --> 00:12:46,350

around them appeared to move rapidly or

314

00:12:51,860 --> 00:12:49,140

shimmer as much as black fog can shimmer

315

00:12:54,200 --> 00:12:51,870

and then they were gone immediately I

316

00:12:56,870 --> 00:12:54,210

had control of my body and could move

317

00:12:58,610 --> 00:12:56,880

again I jumped up and turned the lights

318

00:13:01,040 --> 00:12:58,620

on and searched the room for the

319

00:13:03,500 --> 00:13:01,050

entities I didn't find anything

320

00:13:06,380 --> 00:13:03,510

I was visibly shaken by the experience

321

00:13:08,930 --> 00:13:06,390

and it took me a few minutes to calm

322

00:13:11,300 --> 00:13:08,940

down and stop my body from shaking I

323

00:13:15,140 --> 00:13:11,310

looked at the clock when I jumped out of

324

00:13:17,630 --> 00:13:15,150

bed and it said 4:30 a.m. I remember

325

00:13:19,790 --> 00:13:17,640

being upset because I had to get up at 8

326

00:13:22,300 --> 00:13:19,800

a.m. to get the turkey ready to go in

327

00:13:26,269 --> 00:13:22,310

the oven for Thanksgiving

328

00:13:32,489 --> 00:13:29,610

he'll buy alien visitor I went to sleep

329

00:13:34,230 --> 00:13:32,499

Friday night with a bad migraine I woke

330

00:13:36,420 --> 00:13:34,240

up from a dream that night early

331

00:13:38,489 --> 00:13:36,430

Saturday morning and felt like there was

332

00:13:40,559 --> 00:13:38,499

something in my room my daughter was

333

00:13:41,879 --> 00:13:40,569

sleeping in my bed with me and I hit us

334

00:13:43,650 --> 00:13:41,889

both under the blanket

335

00:13:46,619 --> 00:13:43,660

she stayed asleep the whole night

336

00:13:48,509 --> 00:13:46,629

including during this visitation I was

337

00:13:50,489 --> 00:13:48,519

under the blanket when I suddenly felt a

338

00:13:53,460 --> 00:13:50,499

finger press down on my forehead between

339

00:13:56,429 --> 00:13:53,470

my eyes it wasn't a small finger It was

340

00:13:59,189 --> 00:13:56,439

as if my dad a large man was pressing

341

00:14:00,929 --> 00:13:59,199

his finger between my eyes I started to

342

00:14:03,179 --> 00:14:00,939

panic and reluctantly came out of the

343

00:14:05,460 --> 00:14:03,189

blanket to grab my cell phone beside my

344

00:14:06,960 --> 00:14:05,470

bed and call my mom when there's

345

00:14:08,970 --> 00:14:06,970

something scary in your room at night

346

00:14:12,299 --> 00:14:08,980

and you're half asleep what's your first

347

00:14:14,549 --> 00:14:12,309

reaction shout mom when I peeked out of

348

00:14:16,590 --> 00:14:14,559

my blanket I saw something in front of

349

00:14:18,239 --> 00:14:16,600

me I could tell that there was something

350

00:14:20,670 --> 00:14:18,249

in front of me but it looked like a

351  
00:14:22,259 --> 00:14:20,680  
mirage I could see through it but I

352  
00:14:25,199 --> 00:14:22,269  
could tell there was something there I

353  
00:14:26,970 --> 00:14:25,209  
started panicking even more I told

354  
00:14:28,739 --> 00:14:26,980  
myself that I was seeing things and

355  
00:14:31,079 --> 00:14:28,749  
reached my hand out to prove that there

356  
00:14:33,090 --> 00:14:31,089  
was nothing there I was wrong and I

357  
00:14:34,829 --> 00:14:33,100  
grabbed onto what felt like a thin arm

358  
00:14:37,230 --> 00:14:34,839  
that really freaked me out

359  
00:14:39,150 --> 00:14:37,240  
so I started frantically grabbing for my

360  
00:14:41,759 --> 00:14:39,160  
phone but it was dead and wouldn't turn

361  
00:14:44,519 --> 00:14:41,769  
back on it was on the charger so this

362  
00:14:46,769 --> 00:14:44,529  
made no sense at all suddenly I was back

363  
00:14:48,900 --> 00:14:46,779

into a dream state and a character from

364

00:14:51,239 --> 00:14:48,910

a TV show that I enjoy was standing in

365

00:14:53,280 --> 00:14:51,249

front of my trying to calm me down but I

366

00:14:55,319 --> 00:14:53,290

felt like it was a being just appearing

367

00:14:57,119 --> 00:14:55,329

as something I am comfortable with then

368

00:14:58,499 --> 00:14:57,129

I was back asleep and having a dream

369

00:15:00,929 --> 00:14:58,509

that my daughter and I were on a beach

370

00:15:02,879 --> 00:15:00,939

and I looked down into a tide pool on

371

00:15:05,220 --> 00:15:02,889

the beach and saw some red and blue

372

00:15:07,619 --> 00:15:05,230

tiger's eye stones so I picked them up

373

00:15:09,600 --> 00:15:07,629

and put them in my pocket when I woke up

374

00:15:12,569 --> 00:15:09,610

again I checked my phone and it was

375

00:15:15,150 --> 00:15:12,579

turned on and the time was 4 a.m. my

376

00:15:17,910 --> 00:15:15,160

migraine was completely gone the next

377

00:15:19,889 --> 00:15:17,920

day I felt a bit off maybe a little

378

00:15:22,410 --> 00:15:19,899

traumatized but the truth is that it was

379

00:15:24,239 --> 00:15:22,420

not scary I didn't feel threatened or

380

00:15:26,790 --> 00:15:24,249

hurt it just frightened me to wake up

381

00:15:28,949 --> 00:15:26,800

from a dream to that happening I'm not

382

00:15:31,259 --> 00:15:28,959

sure how to explain it but as soon as

383

00:15:33,150 --> 00:15:31,269

the finger touched my forehead I saw in

384

00:15:35,999 --> 00:15:33,160

my mind's eye that it was a long gray

385

00:15:37,570 --> 00:15:36,009

finger so I believe it was a gray that

386

00:15:41,380 --> 00:15:37,580

visited me

387

00:15:46,940 --> 00:15:44,660
