[Applause]

3
00:00:21,570 --> 00:00:19,470

welcome to the best the first-person

4
00:00:24,779 --> 00:00:21,580

episodes for phantoms and monsters

icon so you'll be notified of all future

7
00:00:36,240 --> 00:00:34,050

personal conflict with Arab Chilean I

8
00:00:37,890 --> 00:00:36,250

encountered a reptilian hybrid a few

9
00:00:40,320 --> 00:00:37,900

years ago while attending college in

10
00:00:42,240 --> 00:00:40,330

Oregon this individual was extremely

11
00:00:44,640 --> 00:00:42,250

manipulative with words and dangerous

12
00:00:46,410 --> 00:00:44,650

with its deeds once I told him that he

13
00:00:48,710 --> 00:00:46,420

was a cold-blooded bastard after he

14

00:00:51,600 --> 00:00:48,720

humiliated a friend he became very angry

15

00:00:53,340 --> 00:00:51,610

staring at me with a hideous glare he

16

00:00:55,500 --> 00:00:53,350

said I would suffer for my disrespect

17

00:00:57,660 --> 00:00:55,510

that night while studying in my dorm

18

00:01:00,180 --> 00:00:57,670

room I was alarmed by shadowy figures

19

00:01:02,400 --> 00:01:00,190

starting to manifest I am sensitive to

20

00:01:04,530 --> 00:01:02,410

energy so I immediately started to raise

21

00:01:07,320 --> 00:01:04,540

the vibration in the room it quickly

22

00:01:09,149 --> 00:01:07,330

dissipated that startled me so I was at

23

00:01:10,920 --> 00:01:09,159

full alert later that night at

24

00:01:12,810 --> 00:01:10,930

approximately 2:00 a.m. I awoke from

25

00:01:14,820 --> 00:01:12,820

what I thought was a dream but alarmed

26

00:01:17,310 --> 00:01:14,830

by a grotesque reptilian form on top of

27

00:01:19,260 --> 00:01:17,320

my body attempting to choke me it

28

00:01:21,030 --> 00:01:19,270

screached and wailed like it was taking

29

00:01:23,040 --> 00:01:21,040

great delight in my fear in pain I

30

00:01:25,500 --> 00:01:23,050

struggled and finally threw the fiend

31

00:01:27,149 --> 00:01:25,510

off me as a coward on the floor glaring

32

00:01:29,520 --> 00:01:27,159

at me I immediately knew it was the

33

00:01:31,710 --> 00:01:29,530

individual I had insulted earlier it

34

00:01:33,569 --> 00:01:31,720

thrust itself at me I reached for my

35

00:01:36,030 --> 00:01:33,579

pants on my desk chair in order to

36

00:01:37,830 --> 00:01:36,040

retrieve my pocket knife it was choking

37

00:01:40,380 --> 00:01:37,840

me as I pulled the weapon from my pants

38

00:01:42,389 --> 00:01:40,390

pocket and toil to open the blade I was

39

00:01:44,399 --> 00:01:42,399

able to push it off long enough to slash

40

00:01:46,709 --> 00:01:44,409

it across its left arm and upper chest

41

00:01:48,810 --> 00:01:46,719

with a howl of rage it ran to the wall

42

00:01:50,399 --> 00:01:48,820

and disappeared through it I turned the

43

00:01:52,499 --> 00:01:50,409

light on to fully illuminate the room

44

00:01:54,899 --> 00:01:52,509

and notice blood on the knife bed sheets

45

00:01:57,240 --> 00:01:54,909

and floor I checked myself to make sure

46

00:01:58,859 --> 00:01:57,250

it wasn't my blood I was awake the rest

47

00:02:01,349 --> 00:01:58,869

of the night and ready to strike if I

48

00:02:03,480 --> 00:02:01,359

needed to defend myself I was exhausted

49

00:02:05,940 --> 00:02:03,490

in the morning but made my way to class

50

00:02:08,160 --> 00:02:05,950

I noticed the individual coming out of

51
00:02:10,020 --> 00:02:08,170
his dorm room he had a bandage on his

52
00:02:12,210 --> 00:02:10,030
left arm in the same spot where I had

53
00:02:14,670 --> 00:02:12,220
cut the reptilian he noticed me and

54
00:02:16,350 --> 00:02:14,680
walked directly to me nose to nose he

55
00:02:18,810 --> 00:02:16,360
glared at me with those evil reptilian

56
00:02:21,240 --> 00:02:18,820
eyes watch your back because this isn't

57
00:02:23,880 --> 00:02:21,250
over he murmured I walked past him and

58
00:02:25,770 --> 00:02:23,890
made my way to class later that day the

59
00:02:27,960 --> 00:02:25,780
dorm staff and housing administrators

60
00:02:29,610 --> 00:02:27,970
wanted to talk to me while I talked to

61
00:02:31,800 --> 00:02:29,620
one of the dorm staff regarding this

62
00:02:33,930 --> 00:02:31,810
individual the administrator blurted out

63
00:02:36,210 --> 00:02:33,940

don't provoke him it's important that

64

00:02:38,130 --> 00:02:36,220

you not cause trouble for him the dorm

65

00:02:40,589 --> 00:02:38,140

staff was obviously terrified of this

66

00:02:41,890 --> 00:02:40,599

guy and behaved like his minions this

67

00:02:43,360 --> 00:02:41,900

was startling

68

00:02:45,670 --> 00:02:43,370

that same night I felt weary of a

69

00:02:47,410 --> 00:02:45,680

presence watching me that sense of drive

70

00:02:49,569 --> 00:02:47,420

continued for several weeks until I

71

00:02:52,360 --> 00:02:49,579

moved off campus to avoid this hostile

72

00:02:54,220 --> 00:02:52,370

individual however I often noticed him

73

00:02:56,530 --> 00:02:54,230

and his acquaintances blatantly watching

74

00:02:58,479 --> 00:02:56,540

me when I'm on campus and in town I know

75

00:03:00,429 --> 00:02:58,489

that I wasn't the only person affected

76

00:03:02,920 --> 00:03:00,439

by this guy but no one ever dared to

77

00:03:04,809 --> 00:03:02,930

discuss it many strange things happened

78

00:03:07,059 --> 00:03:04,819

as well including the sudden death of

79

00:03:08,500 --> 00:03:07,069

two students in that same dorm no

80

00:03:10,599 --> 00:03:08,510

details of those deaths were ever

81

00:03:13,030 --> 00:03:10,609

disclosed just that they died because of

82

00:03:14,170 --> 00:03:13,040

medical reasons I know others are out

83

00:03:16,300 --> 00:03:14,180

there who are aware of the reptilians

84

00:03:18,460 --> 00:03:16,310

and that there are ways that humanity

85

00:03:20,229 --> 00:03:18,470

can use to defend itself against them I

86

00:03:22,119 --> 00:03:20,239

have been fortunate to meet several

87

00:03:24,190 --> 00:03:22,129

people who safeguarded themselves and

88

00:03:25,660 --> 00:03:24,200

family these terrible beings are a

89

00:03:33,710 --> 00:03:25,670

scourge that we will continue to

90

00:03:38,309 --> 00:03:36,750

Sanja Qin Valley or chewing I am writing

91

00:03:40,650 --> 00:03:38,319

this statement on an incident that

92

00:03:43,260 --> 00:03:40,660

occurred on 10 July 2016 at

93

00:03:43,860 --> 00:03:43,270

approximately 6:00 p.m. this is not a

94

00:03:45,960 --> 00:03:43,870

hoax

95

00:03:48,330 --> 00:03:45,970

I am NOT looking for publicity or any

96

00:03:50,490 --> 00:03:48,340

such attention I am not sure if what I

97

00:03:52,199 --> 00:03:50,500

saw was a legitimate sighting and I am

98

00:03:54,180 --> 00:03:52,209

more looking for answers to help me

99

00:03:57,360 --> 00:03:54,190

understand if what I saw was an actual

100

00:03:59,640 --> 00:03:57,370

alien beam so my friend her son and I

101
00:04:02,070 --> 00:03:59,650
drove from San Diego to San Francisco

102
00:04:03,990 --> 00:04:02,080
for leisure on Friday to Sunday on our

103
00:04:06,750 --> 00:04:04,000
way back we were driving on the i-5

104
00:04:08,520 --> 00:04:06,760
freeway southbound towards San Diego we

105
00:04:11,340 --> 00:04:08,530
were approximately 10 minutes south of

106
00:04:13,860 --> 00:04:11,350
Los Pinos the scenery outside was barren

107
00:04:15,990 --> 00:04:13,870
no buildings structures or people just

108
00:04:17,849 --> 00:04:16,000
dry grassy hills and dirt roads on the

109
00:04:19,979 --> 00:04:17,859
sides of the freeway I was actually

110
00:04:22,140 --> 00:04:19,989
trying to get some rest when my friend

111
00:04:23,700 --> 00:04:22,150
the driver said what is that and point

112
00:04:25,800 --> 00:04:23,710
it to the right side of the road I

113
00:04:27,750 --> 00:04:25,810

immediately looked over and saw a tall

114

00:04:29,670 --> 00:04:27,760

figure about 6 feet tall in a thick

115

00:04:32,159 --> 00:04:29,680

black monk death looking robe with a big

116

00:04:34,170 --> 00:04:32,169

hood now this was very unusual to me

117

00:04:36,630 --> 00:04:34,180

since it was about 90 degrees outside

118

00:04:38,520 --> 00:04:36,640

and in the middle of nowhere why would

119

00:04:40,380 --> 00:04:38,530

somebody be walking around dressed in a

120

00:04:42,779 --> 00:04:40,390

thick black hooded robe in the seat so

121

00:04:45,210 --> 00:04:42,789

as we passed it I had to get a good look

122

00:04:46,620 --> 00:04:45,220

at this person's face so when I looked

123

00:04:48,719 --> 00:04:46,630

at it and looked back at me

124

00:04:51,000 --> 00:04:48,729

and what I saw chilled me to the bone in

125

00:04:53,100 --> 00:04:51,010

this dark heavy hooded robe was a being

126
00:04:55,260 --> 00:04:53,110
that looked nothing like a human it had

127
00:04:57,240 --> 00:04:55,270
brownish green scales with a short snout

128
00:04:59,130 --> 00:04:57,250
and its eyes were large and blackish

129
00:05:00,000 --> 00:04:59,140
that glisten in the Sun it was

130
00:05:02,700 --> 00:05:00,010
unmistakable

131
00:05:04,350 --> 00:05:02,710
even at about 100 feet away it looked

132
00:05:06,420 --> 00:05:04,360
right at me with no expression

133
00:05:08,430 --> 00:05:06,430
it wasn't carrying anything more had any

134
00:05:10,320 --> 00:05:08,440
equipment with it and was walking slow

135
00:05:11,969 --> 00:05:10,330
and awkward as if it were looking for

136
00:05:14,129 --> 00:05:11,979
something I was scared to death

137
00:05:15,930 --> 00:05:14,139
especially when it looked right at me I

138
00:05:18,270 --> 00:05:15,940

thought maybe we should pull over and

139

00:05:20,790 --> 00:05:18,280

confront this thing but honestly I was

140

00:05:22,409 --> 00:05:20,800

frozen and we kept driving I had asked

141

00:05:24,420 --> 00:05:22,419

my friend if she had seen what I had

142

00:05:26,340 --> 00:05:24,430

seen and her 12 year old son in the back

143

00:05:28,920 --> 00:05:26,350

of the car and they verified the same

144

00:05:30,870 --> 00:05:28,930

thing again I'm just looking to see if

145

00:05:32,370 --> 00:05:30,880

what I saw could be our Chilean and if

146

00:05:34,770 --> 00:05:32,380

that is what other people report seeing

147

00:05:36,480 --> 00:05:34,780

I really wish I would have pulled over

148

00:05:38,190 --> 00:05:36,490

and went back to get some evidence or a

149

00:05:40,620 --> 00:05:38,200

picture but after reading some articles

150

00:05:42,420 --> 00:05:40,630

on our Chileans I feel I made a wise

151
00:05:44,339 --> 00:05:42,430
choice I read that there may be

152
00:05:45,660 --> 00:05:44,349
entrances to their habitats in rural

153
00:05:47,700 --> 00:05:45,670
areas that may be on

154
00:05:49,440 --> 00:05:47,710
scener hidden from humans that may

155
00:05:51,420 --> 00:05:49,450
indicate that there may be entrance by

156
00:05:53,970 --> 00:05:51,430
los pinos off the i-5 freeway going

157
00:05:55,920 --> 00:05:53,980
south I am not sure if other vehicles

158
00:05:58,170 --> 00:05:55,930
traveling down the road with us witness

159
00:06:00,300 --> 00:05:58,180
deciding but it did happen and I am

160
00:06:02,670 --> 00:06:00,310
willing to swear an oath on it I also

161
00:06:04,410 --> 00:06:02,680
had unusual experiences that happened

162
00:06:06,630 --> 00:06:04,420
when I was a child that I believe was

163
00:06:08,700 --> 00:06:06,640

contact with gray aliens which is foggy

164

00:06:10,710 --> 00:06:08,710

but I have some clear recollection and

165

00:06:12,810 --> 00:06:10,720

memories of some incidences where I may

166

00:06:14,520 --> 00:06:12,820

have been abducted my mother can vouch

167

00:06:17,340 --> 00:06:14,530

for that and has some insight on that

168

00:06:19,020 --> 00:06:17,350

but that is another subject this is the

169

00:06:21,390 --> 00:06:19,030

first time I have seen it being like

170

00:06:23,460 --> 00:06:21,400

this again I am reporting this to

171

00:06:25,170 --> 00:06:23,470

hopefully gain some help to determine if

172

00:06:27,480 --> 00:06:25,180

what I saw yesterday could have been the

173

00:06:28,860 --> 00:06:27,490

real deal and I respectfully ask for

174

00:06:30,840 --> 00:06:28,870

discretion in this matter

175

00:06:37,369 --> 00:06:30,850

thank you for your time and I hope you

176

00:06:42,719 --> 00:06:39,929

abduct heed discloses reptilian

177

00:06:45,749 --> 00:06:42,729

encounter in December I was working away

178

00:06:48,570 --> 00:06:45,759

from home on a 24 jobsite operation in

179

00:06:50,760 --> 00:06:48,580

Indiana I resided in an apartment 20

180

00:06:53,369 --> 00:06:50,770

miles from the job site in of adjacent

181

00:06:55,709 --> 00:06:53,379

small town one night I went home at the

182

00:06:58,469 --> 00:06:55,719

not hour for my shift and instead of a

183

00:07:01,290 --> 00:06:58,479

7:00 p.m. to 7:00 a.m. shift I worked

184

00:07:04,139 --> 00:07:01,300

till 3:00 a.m. I went back to my place

185

00:07:06,389 --> 00:07:04,149

and was in bed an hour or so later the

186

00:07:08,909 --> 00:07:06,399

next thing I know I woke up some time

187

00:07:11,010 --> 00:07:08,919

just before the Sun started rising after

188

00:07:13,469 --> 00:07:11,020

having an extremely intense dream a

189

00:07:15,510 --> 00:07:13,479

dream that I was somehow abducted from

190

00:07:18,299 --> 00:07:15,520

my rented second-floor apartment and

191

00:07:20,850 --> 00:07:18,309

taken aboard an alien craft everything

192

00:07:23,459 --> 00:07:20,860

in my memory is very foggy but there are

193

00:07:25,290 --> 00:07:23,469

specifics that are quite vivid unlike

194

00:07:27,359 --> 00:07:25,300

the abduction scenarios that I have

195

00:07:30,299 --> 00:07:27,369

heard of I was brought aboard a ship I

196

00:07:33,119 --> 00:07:30,309

have no idea how I got there but felt at

197

00:07:34,049 --> 00:07:33,129

peace and calm I wasn't forced into some

198

00:07:36,869 --> 00:07:34,059

examination

199

00:07:38,790 --> 00:07:36,879

nothing was forced upon me their faces

200

00:07:41,489 --> 00:07:38,800

are distorted and how I saw them at the

201
00:07:43,259 --> 00:07:41,499
time and in my memory of the four to

202
00:07:45,119 --> 00:07:43,269
five aliens that might have been there

203
00:07:47,999 --> 00:07:45,129
in the room with me I can only remember

204
00:07:50,189 --> 00:07:48,009
the face of one of them a reptilian type

205
00:07:52,079 --> 00:07:50,199
or a race trying to disguise their

206
00:07:54,540 --> 00:07:52,089
appearance to me by looking reptilian

207
00:07:57,629 --> 00:07:54,550
but the one that I remember was looking

208
00:08:00,029 --> 00:07:57,639
intensely at me it was big probably six

209
00:08:01,980 --> 00:08:00,039
and a half feet tall muscular with a

210
00:08:04,619 --> 00:08:01,990
bodysuit over his chest that looked like

211
00:08:07,230 --> 00:08:04,629
metal and like some superheroes costume

212
00:08:09,629 --> 00:08:07,240
the suit outlined the strong pectorals

213
00:08:11,850 --> 00:08:09,639

and muscles of its abdomen that looked

214

00:08:14,279 --> 00:08:11,860

very strong as if it could pick me up

215

00:08:16,139 --> 00:08:14,289

and throw me a hundred yards it was a

216

00:08:18,089 --> 00:08:16,149

light shade of green on the front and

217

00:08:20,790 --> 00:08:18,099

the color darkened as it went to his

218

00:08:23,850 --> 00:08:20,800

backside its outfit was of a yellowish

219

00:08:25,859 --> 00:08:23,860

color it was intense no emotions on its

220

00:08:27,929 --> 00:08:25,869

face but I could feel that being

221

00:08:29,779 --> 00:08:27,939

slightly hesitant towards the decision

222

00:08:32,069 --> 00:08:29,789

by the others to give me this mission

223

00:08:34,019 --> 00:08:32,079

obviously by now I have done enough

224

00:08:35,969 --> 00:08:34,029

research to look at photos and drawings

225

00:08:38,279 --> 00:08:35,979

and read up a little bit on different

226

00:08:40,620 --> 00:08:38,289

alien beings that are supposedly out

227

00:08:42,990 --> 00:08:40,630

there they spoke at length to me about

228

00:08:45,540 --> 00:08:43,000

some very important things much of which

229

00:08:47,400 --> 00:08:45,550

I cannot recall I am a pretty fervent

230

00:08:49,230 --> 00:08:47,410

mediator and they asked me to do a

231

00:08:51,239 --> 00:08:49,240

standing mediation for them

232

00:08:53,579 --> 00:08:51,249

which a few seconds into it they seemed

233

00:08:55,980 --> 00:08:53,589

pleased by what I could do and the

234

00:08:57,889 --> 00:08:55,990

process of our discussion I was asked to

235

00:09:00,449 --> 00:08:57,899

help them fully given a choice

236

00:09:02,340 --> 00:09:00,459

apparently I agreed to their mission and

237

00:09:04,769 --> 00:09:02,350

then they showed me to a stainless steel

238

00:09:06,749 --> 00:09:04,779

type of tub and showed me this small

239

00:09:09,299 --> 00:09:06,759

yellow and blue submarine looking device

240

00:09:11,189 --> 00:09:09,309

it was about an inch tall and three

241

00:09:13,769 --> 00:09:11,199

inches long and with a push of a button

242

00:09:15,660 --> 00:09:13,779

a thin long spiraling wire came whirling

243

00:09:17,639 --> 00:09:15,670

a foot or more out of the tip of it on

244

00:09:20,249 --> 00:09:17,649

the tip of the long wire was a

245

00:09:22,829 --> 00:09:20,259

scary-looking triangular shaped barb I

246

00:09:24,569 --> 00:09:22,839

was more amazed than shocked then told

247

00:09:26,819 --> 00:09:24,579

to get into the tub that was full of

248

00:09:28,739 --> 00:09:26,829

some gelatinous mixture though up to

249

00:09:30,590 --> 00:09:28,749

that point I had been calm I was

250

00:09:33,059 --> 00:09:30,600

beginning to get rather nervous I

251

00:09:34,829 --> 00:09:33,069

reluctantly got into the tub and they

252

00:09:37,650 --> 00:09:34,839

put the little machine into the Kentucky

253

00:09:40,379 --> 00:09:37,660

jelly type substance and it's slowly but

254

00:09:42,480 --> 00:09:40,389

relentlessly came at me once it was

255

00:09:44,579 --> 00:09:42,490

close enough to me I tried to push it

256

00:09:45,090 --> 00:09:44,589

away with my hands but it just kept

257

00:09:47,549 --> 00:09:45,100

coming

258

00:09:50,100 --> 00:09:47,559

I had an undeniable feeling that it was

259

00:09:52,410 --> 00:09:50,110

trying to get to my Johnson once the

260

00:09:54,989 --> 00:09:52,420

thing was closed I have a blackout in my

261

00:09:57,119 --> 00:09:54,999

memory the next thing that I remember is

262

00:09:59,669 --> 00:09:57,129

that I am out of the tub away from it

263

00:10:01,919 --> 00:09:59,679

and back to being calm they are telling

264

00:10:03,480 --> 00:10:01,929

me to ready myself to go back and that

265

00:10:06,059 --> 00:10:03,490

they will erase my memory of the

266

00:10:07,739 --> 00:10:06,069

incident I was confused as to why they

267

00:10:10,530 --> 00:10:07,749

wouldn't want me to remember everything

268

00:10:12,600 --> 00:10:10,540

that I was supposed to do they told me

269

00:10:14,639 --> 00:10:12,610

to look for a sign in the sky then they

270

00:10:16,619 --> 00:10:14,649

gave me the idea that memories of this

271

00:10:18,929 --> 00:10:16,629

event should eventually come back and

272

00:10:21,419 --> 00:10:18,939

even more info would possibly come back

273

00:10:24,449 --> 00:10:21,429

with time the next thing I know I am

274

00:10:26,549 --> 00:10:24,459

back in my apartment I woke up slowly

275

00:10:29,039 --> 00:10:26,559

I wasn't startled or even thinking about

276

00:10:31,410 --> 00:10:29,049

the dream though I knew I had dreamed I

277

00:10:34,079 --> 00:10:31,420

then had a cigarette and went to the

278

00:10:35,910 --> 00:10:34,089

bathroom to urinate while standing there

279

00:10:38,189 --> 00:10:35,920

in the bathroom light I noticed

280

00:10:40,230 --> 00:10:38,199

something peculiar on my Johnson but

281

00:10:42,569 --> 00:10:40,240

thought it to be a regular old vein or

282

00:10:45,090 --> 00:10:42,579

something but when I touched it it felt

283

00:10:47,730 --> 00:10:45,100

hard like a thin steel cable about a 1

284

00:10:50,549 --> 00:10:47,740

millimeter thick it seemed to be about 2

285

00:10:52,829 --> 00:10:50,559

inches long I was to investigate further

286

00:10:54,840 --> 00:10:52,839

in the coming days and find out that it

287

00:10:57,749 --> 00:10:54,850

is much longer even going under my

288

00:10:59,340 --> 00:10:57,759

pelvis bone I was perplexed by it but

289

00:11:01,230 --> 00:10:59,350

thought that I was not going to do

290

00:11:03,000 --> 00:11:01,240

anything about it at the moment so I

291

00:11:05,610 --> 00:11:03,010

might as well try to sleep

292

00:11:07,740 --> 00:11:05,620

deal with it later I'd keep an eye on it

293

00:11:09,810 --> 00:11:07,750

as I wasn't at home and didn't want to

294

00:11:12,900 --> 00:11:09,820

go to any doctors around that area I

295

00:11:16,080 --> 00:11:12,910

went back to bed as I felt exhausted

296

00:11:18,750 --> 00:11:16,090

upon falling asleep I had a dream a very

297

00:11:20,430 --> 00:11:18,760

vivid color dream and the past I have

298

00:11:23,250 --> 00:11:20,440

had a good handful of vivid dreams

299

00:11:26,310 --> 00:11:23,260

dreams of my wife before we met the

300

00:11:28,980 --> 00:11:26,320

death of a cousin etc and this dream was

301
00:11:31,200 --> 00:11:28,990
of that caliber and detail to me I won't

302
00:11:32,850 --> 00:11:31,210
bore you with the details but let's just

303
00:11:34,680 --> 00:11:32,860
say that the government and the feds

304
00:11:36,570 --> 00:11:34,690
were after me and it might have been

305
00:11:39,000 --> 00:11:36,580
tied to me having this mechanism looked

306
00:11:42,090 --> 00:11:39,010
at by a doctor or untrustworthy person I

307
00:11:44,220 --> 00:11:42,100
have a wife and a family I cannot put

308
00:11:46,530 --> 00:11:44,230
them in jeopardy over this but it

309
00:11:48,360 --> 00:11:46,540
doesn't end there when I woke in a cold

310
00:11:50,940 --> 00:11:48,370
sweat from the dream of being tracked

311
00:11:53,580 --> 00:11:50,950
and chazz down I kept hearing this noise

312
00:11:55,740 --> 00:11:53,590
outside my apartment door I actually

313
00:11:58,200 --> 00:11:55,750

heard the noise earlier when I had been

314

00:11:59,580 --> 00:11:58,210

up before but was so tired then that

315

00:12:02,670 --> 00:11:59,590

nothing could have stopped me from

316

00:12:03,240 --> 00:12:02,680

sleeping but now as I tried to go back

317

00:12:06,210 --> 00:12:03,250

to sleep

318

00:12:07,980 --> 00:12:06,220

the noise was irritating so I opened the

319

00:12:10,050 --> 00:12:07,990

door to my apartment to see the two

320

00:12:12,780 --> 00:12:10,060

large windows at the top of the stairs

321

00:12:14,460 --> 00:12:12,790

were totally pulled open this is on what

322

00:12:16,980 --> 00:12:14,470

must have been the coldest windiest

323

00:12:20,010 --> 00:12:16,990

night during the winter I found it very

324

00:12:22,650 --> 00:12:20,020

odd but made no particular connection to

325

00:12:24,570 --> 00:12:22,660

anything by now the alien dream I had

326

00:12:27,150 --> 00:12:24,580

prior was not even something I was

327

00:12:29,430 --> 00:12:27,160

thinking about like any old dream one

328

00:12:31,290 --> 00:12:29,440

might have so here is where the last

329

00:12:34,170 --> 00:12:31,300

string from this life-changing night

330

00:12:36,210 --> 00:12:34,180

gets tied that next night at work when I

331

00:12:38,310 --> 00:12:36,220

plugged my computer in and went to my

332

00:12:40,110 --> 00:12:38,320

yahoo home page there was a headline

333

00:12:42,720 --> 00:12:40,120

that immediately stood out at me I

334

00:12:44,730 --> 00:12:42,730

clicked on it it happened to be the

335

00:12:47,040 --> 00:12:44,740

Norway spiral clip that had just

336

00:12:49,470 --> 00:12:47,050

happened on December 10th while I

337

00:12:51,360 --> 00:12:49,480

watched this clip I was suddenly frozen

338

00:12:53,580 --> 00:12:51,370

with shock flushed with fear and

339

00:12:55,550 --> 00:12:53,590

remembered that I was to see a sign in

340

00:12:58,140 --> 00:12:55,560

the sky seeing that at that time

341

00:12:59,850 --> 00:12:58,150

unexplained incident suddenly had me

342

00:13:01,920 --> 00:12:59,860

remembering the odd implant in my

343

00:13:03,660 --> 00:13:01,930

Johnson and the upstairs windows that

344

00:13:05,610 --> 00:13:03,670

were oddly flung open in the middle of

345

00:13:08,250 --> 00:13:05,620

the night along with the crazy dream

346

00:13:10,350 --> 00:13:08,260

abduction I had experienced so there is

347

00:13:12,180 --> 00:13:10,360

the story of that night there is

348

00:13:14,310 --> 00:13:12,190

actually much more to the story

349

00:13:16,319 --> 00:13:14,320

but I'd like to at least make contact

350

00:13:17,020 --> 00:13:16,329

with you before I go more into

351

00:13:22,140 --> 00:13:17,030

more detail

352

00:13:27,580 --> 00:13:24,850

reptilian men and black close encounter

353

00:13:30,220 --> 00:13:27,590

I experienced a situation back in the

354

00:13:32,740 --> 00:13:30,230

70s when I was a lot younger and I was

355

00:13:35,020 --> 00:13:32,750

with an older man a friend and some

356

00:13:37,330 --> 00:13:35,030

other people I knew his son and daughter

357

00:13:39,760 --> 00:13:37,340

and we took a little trip up to the

358

00:13:41,980 --> 00:13:39,770

Portland area and at that time I didn't

359

00:13:44,140 --> 00:13:41,990

know what I was going to experience and

360

00:13:46,840 --> 00:13:44,150

we stopped off at the back of some rest

361

00:13:49,210 --> 00:13:46,850

building up in that area I'm not sure

362

00:13:51,400 --> 00:13:49,220

exactly where but what happened was we

363

00:13:53,980 --> 00:13:51,410

all got out of the car and we walked up

364

00:13:55,900 --> 00:13:53,990

the back end of this large building we

365

00:13:57,880 --> 00:13:55,910

went into the rear end of this place and

366

00:14:00,070 --> 00:13:57,890

saw rows and rows of these metal little

367

00:14:03,100 --> 00:14:00,080

chairs for people to sit on and there

368

00:14:05,890 --> 00:14:03,110

was about 100 people in front of us it

369

00:14:09,340 --> 00:14:05,900

was a long building inside it was at

370

00:14:11,410 --> 00:14:09,350

night so anyway and we sat down looked

371

00:14:13,900 --> 00:14:11,420

around we didn't know who was in front

372

00:14:16,630 --> 00:14:13,910

of us and I noticed like eight or nine

373

00:14:19,240 --> 00:14:16,640

guys like you know in suits and like a

374

00:14:21,310 --> 00:14:19,250

grey jacket and grey pants like address

375

00:14:24,310 --> 00:14:21,320

type suit and pants and they were all

376

00:14:27,460 --> 00:14:24,320

dressed in the same color all the same I

377

00:14:30,820 --> 00:14:27,470

asked what was this I didn't know what

378

00:14:33,880 --> 00:14:30,830

was going on are these FBI guys or what

379

00:14:35,500 --> 00:14:33,890

so I sat for a little bit I didn't want

380

00:14:38,200 --> 00:14:35,510

to take too much time

381

00:14:40,390 --> 00:14:38,210

it was almost well so I proceeded to go

382

00:14:42,520 --> 00:14:40,400

by myself and leave the three people I

383

00:14:44,830 --> 00:14:42,530

was with and walked on up to right where

384

00:14:47,410 --> 00:14:44,840

those few fellows were all standing I

385

00:14:49,360 --> 00:14:47,420

stood next to the n1 on the left side

386

00:14:51,670 --> 00:14:49,370

and there was a whole row of them all

387

00:14:53,410 --> 00:14:51,680

together on the right so they were all

388

00:14:55,960 --> 00:14:53,420

together and I stood there for a little

389

00:14:58,210 --> 00:14:55,970

bit and I just had this odd feeling and

390

00:15:00,670 --> 00:14:58,220

out of my side vision or peripheral

391

00:15:02,830 --> 00:15:00,680

vision or side vision whatever there was

392

00:15:05,650 --> 00:15:02,840

just something odd about this guy I was

393

00:15:07,270 --> 00:15:05,660

standing next to and then the colour I

394

00:15:09,610 --> 00:15:07,280

could tell there was something wrong

395

00:15:11,890 --> 00:15:09,620

with the color of his skin on his face I

396

00:15:14,230 --> 00:15:11,900

thought maybe this guy has been in a

397

00:15:16,150 --> 00:15:14,240

fire or something there was something

398

00:15:18,700 --> 00:15:16,160

wrong with this situation and I kept

399

00:15:21,550 --> 00:15:18,710

looking forward I kept looking straight

400

00:15:24,520 --> 00:15:21,560

ahead and plus these guys were all

401
00:15:26,800 --> 00:15:24,530
really tall unusually tall so I

402
00:15:27,750 --> 00:15:26,810
eventually I decided to go ahead and

403
00:15:30,480 --> 00:15:27,760
turn my head and

404
00:15:32,070 --> 00:15:30,490
at this person and to my shock I noticed

405
00:15:36,030 --> 00:15:32,080
the side of his neck had this gray color

406
00:15:38,850 --> 00:15:36,040
it wasn't natural skin color it wasn't

407
00:15:41,910 --> 00:15:38,860
green he had like small scales on his

408
00:15:43,710 --> 00:15:41,920
skin and it was just really odd I turned

409
00:15:46,050 --> 00:15:43,720
to look up at his face because he was a

410
00:15:48,510 --> 00:15:46,060
lot taller than me about seven feet tall

411
00:15:51,210 --> 00:15:48,520
and I was looking at him at the lower

412
00:15:53,250 --> 00:15:51,220
part of his neck I looked up at his face

413
00:15:55,290 --> 00:15:53,260

or the side of his head and he was

414

00:15:57,300 --> 00:15:55,300

looking straight ahead and not looking

415

00:15:59,520 --> 00:15:57,310

at me at first then as he started to

416

00:16:02,010 --> 00:15:59,530

turn his head it would move in segments

417

00:16:04,020 --> 00:16:02,020

little movements at a time and each time

418

00:16:06,480 --> 00:16:04,030

his face would move it would become

419

00:16:10,170 --> 00:16:06,490

invisible his face so it would almost

420

00:16:12,560 --> 00:16:10,180

become translucent it was odd only his

421

00:16:15,390 --> 00:16:12,570

head of course he was wearing clothes

422

00:16:16,830 --> 00:16:15,400

anyway suddenly he tilted his head and

423

00:16:19,260 --> 00:16:16,840

looked at me with a look that he wasn't

424

00:16:21,510 --> 00:16:19,270

too happy with me you know looking at

425

00:16:23,580 --> 00:16:21,520

him directly I'm looking into a face

426

00:16:25,410 --> 00:16:23,590

like what they call her of Tilian but

427

00:16:27,660 --> 00:16:25,420

not a green skin one dot from what I

428

00:16:30,150 --> 00:16:27,670

know about men and black what I see on

429

00:16:32,970 --> 00:16:30,160

TV they never look like a reptilian like

430

00:16:35,760 --> 00:16:32,980

creature you know this one never spoke

431

00:16:35,940 --> 00:16:35,770

to me I was scared to death after I saw

432

00:16:41,010 --> 00:16:35,950

it

433

00:16:43,560 --> 00:16:41,020

you know and I thought I was standing

434

00:16:46,320 --> 00:16:43,570

too close to it and I didn't want it to

435

00:16:48,600 --> 00:16:46,330

I was standing right next to a tenant

436

00:16:51,330 --> 00:16:48,610

was bigger than me when I looked at it

437

00:16:53,970 --> 00:16:51,340

it had gold eyes big red gold eyes and

438

00:16:56,250 --> 00:16:53,980

it had an unusual face the mouth nose

439

00:16:59,280 --> 00:16:56,260

the front of its face was really unusual

440

00:17:01,950 --> 00:16:59,290

it was more of a reptile like thing and

441

00:17:04,710 --> 00:17:01,960

the nose was really something it was

442

00:17:06,420 --> 00:17:04,720

real flat kind of looking just really

443

00:17:08,819 --> 00:17:06,430

bizarre and its eyes were big and they

444

00:17:11,520 --> 00:17:08,829

were gold beautiful gold but with a

445

00:17:14,310 --> 00:17:11,530

vertical slit they I have the pupil like

446

00:17:16,710 --> 00:17:14,320

a cat or an alligator I just started

447

00:17:18,870 --> 00:17:16,720

walking ahead of it I just didn't want

448

00:17:21,090 --> 00:17:18,880

it standing next to me any longer and

449

00:17:23,520 --> 00:17:21,100

eventually I just went back to the

450

00:17:25,710 --> 00:17:23,530

people I was with and I asked can you

451

00:17:27,569 --> 00:17:25,720

see those guys up there can you see

452

00:17:30,510 --> 00:17:27,579

those guys in the suits and they all

453

00:17:33,780 --> 00:17:30,520

said yes they could I wasn't imagining

454

00:17:38,169 --> 00:17:33,790

it they kept saying yes they could see

455

00:17:43,730 --> 00:17:41,390

this is lawn Strickler if you like this

456

00:17:46,580 --> 00:17:43,740

program it would help us if you would
