00:00:36,120 --> 00:00:34,080

very tall thin mantis-like humanoid

8
00:00:38,490 --> 00:00:36,130

encountered in Chicago's Schiller Park

9
00:00:41,730 --> 00:00:38,500

my boyfriend and I were at Schiller

10
00:00:43,950 --> 00:00:41,740

woods on Sunday December 23rd we

11
00:00:46,020 --> 00:00:43,960

conducting doing his small Wiccan ritual

12
00:00:47,760 --> 00:00:46,030

in the woods when we saw large thin men

13
00:00:50,640 --> 00:00:47,770

appear out of the woods and start

14

00:00:53,340 --> 00:00:50,650

staring us down the man was extremely

15

00:00:56,580 --> 00:00:53,350

tall about 7 to 8 feet tall and very

16

00:00:58,770 --> 00:00:56,590

very thin he was easily half the size of

17

00:01:01,440 --> 00:00:58,780

my boyfriend and his arms hung down

18

00:01:03,540 --> 00:01:01,450

toward his knees at first I was like

19

00:01:05,790 --> 00:01:03,550

holy crap its Slenderman

20

00:01:08,010 --> 00:01:05,800

but I quickly realized that it did not

21

00:01:10,680 --> 00:01:08,020

look like any man I have ever seen

22

00:01:13,620 --> 00:01:10,690

first off his eyes were huge almost

23

00:01:16,320 --> 00:01:13,630

looked like a praying mantises eyes just

24

00:01:18,420 --> 00:01:16,330

jet-black he was wearing coveralls that

25

00:01:20,490 --> 00:01:18,430

were gray in color and he looked like he

26
00:01:21,210 --> 00:01:20,500
was carrying a wand of some sword in his

27
00:01:23,790 --> 00:01:21,220
right hand

28
00:01:26,460 --> 00:01:23,800
my boyfriend and I didn't feel scared

29
00:01:28,770 --> 00:01:26,470
just a little shaken up we stood there

30
00:01:30,660 --> 00:01:28,780
staring at each other for about a minute

31
00:01:33,450 --> 00:01:30,670
before it stepped behind some trees and

32
00:01:35,789 --> 00:01:33,460
disappeared once we lost sight of him

33
00:01:37,410 --> 00:01:35,799
that is when the fear set in and we got

34
00:01:40,469 --> 00:01:37,420
out of those woods as quickly as we

35
00:01:42,420 --> 00:01:40,479
could we were both sober fiallo we had

36
00:01:45,180 --> 00:01:42,430
smoked a little but earlier as part of

37
00:01:48,180 --> 00:01:45,190
the ritual it helps open our Oran allows

38
00:01:50,310 --> 00:01:48,190

us to channel energy better my boyfriend

39

00:01:52,380 --> 00:01:50,320

and I are available to talk about this

40

00:01:54,570 --> 00:01:52,390

and can show you where we were at it's

41

00:01:56,460 --> 00:01:54,580

right off the main trail by this small

42

00:01:59,390 --> 00:01:56,470

traffic circle near the back of the

43

00:02:03,270 --> 00:02:00,870

investigators notes

44

00:02:04,950 --> 00:02:03,280

I spoke with both witnesses via phone

45

00:02:06,690 --> 00:02:04,960

and obtained the location of the

46

00:02:08,880 --> 00:02:06,700

sighting and the details that lead up to

47

00:02:11,340 --> 00:02:08,890

the sighting the reporting witness is a

48

00:02:13,380 --> 00:02:11,350

27 year old female and the second

49

00:02:15,630 --> 00:02:13,390

witness is her 28 year old boyfriend

50

00:02:17,340 --> 00:02:15,640

both witnesses are from nearby River

51
00:02:19,140 --> 00:02:17,350
Grove Illinois and both have been

52
00:02:21,570 --> 00:02:19,150
practicing Wicca for about four years

53
00:02:23,160 --> 00:02:21,580
the witnesses have indicated that they

54
00:02:25,170 --> 00:02:23,170
have both been to Schiller woods on

55
00:02:27,120 --> 00:02:25,180
multiple occasions to do rituals and

56
00:02:29,400 --> 00:02:27,130
have seen other practicing groups there

57
00:02:31,410 --> 00:02:29,410
before when asked why they go there for

58
00:02:33,270 --> 00:02:31,420
ritual the female witness said they can

59
00:02:35,220 --> 00:02:33,280
practice in relative peace with little

60
00:02:37,319 --> 00:02:35,230
to no disturbance from the outside world

61
00:02:39,089 --> 00:02:37,329
when asked about the encounter the

62
00:02:41,339 --> 00:02:39,099
female witness said they were there to

63
00:02:42,930 --> 00:02:41,349

do a Yule ritual for Prosperity they

64

00:02:43,559 --> 00:02:42,940

were almost complete with the ritual

65

00:02:45,300 --> 00:02:43,569

when they both

66

00:02:47,550 --> 00:02:45,310

said she heard a very high-pitched sound

67

00:02:49,500 --> 00:02:47,560

that came out of nowhere when she looked

68

00:02:51,660 --> 00:02:49,510

up she saw that being attempting to hide

69

00:02:53,849 --> 00:02:51,670

behind a row of trees about 15 yards

70

00:02:55,890 --> 00:02:53,859

from them the being she described as

71

00:02:57,899 --> 00:02:55,900

being between 7 to 8 feet tall and

72

00:03:00,390 --> 00:02:57,909

appeared extremely thin and looked like

73

00:03:02,369 --> 00:03:00,400

he was wearing a grey jumpsuit she said

74

00:03:04,379 --> 00:03:02,379

that the beings arms were very long and

75

00:03:06,509 --> 00:03:04,389

hung to just above his knees and looked

76

00:03:08,610 --> 00:03:06,519

like they had claws I asked her to

77

00:03:10,170 --> 00:03:08,620

please describe this and she said they

78

00:03:11,819 --> 00:03:10,180

were long and just looked like they were

79

00:03:14,550 --> 00:03:11,829

tipped with claws or what looked like

80

00:03:16,199 --> 00:03:14,560

claws she went further in describing the

81

00:03:18,209 --> 00:03:16,209

being as being smooth headed no

82

00:03:20,459 --> 00:03:18,219

indication of hair and with eyes that

83

00:03:22,800 --> 00:03:20,469

were insect-like only jet-black and took

84

00:03:24,569 --> 00:03:22,810

up most of its face when asked if the

85

00:03:26,399 --> 00:03:24,579

being tried to move toward them both

86

00:03:28,500 --> 00:03:26,409

indicated that it stayed behind the row

87

00:03:30,479 --> 00:03:28,510

of trees and would only move to conceal

88

00:03:32,129 --> 00:03:30,489

itself from them both witnesses

89

00:03:33,720 --> 00:03:32,139

indicated that they were both in full

90

00:03:35,339 --> 00:03:33,730

view of the being and that the being

91

00:03:35,970 --> 00:03:35,349

must have been aware that they could see

92

00:03:38,159 --> 00:03:35,980

it as well

93

00:03:40,289 --> 00:03:38,169

both witnesses agreed that this went on

94

00:03:42,030 --> 00:03:40,299

for over a full minute before the entity

95

00:03:44,280 --> 00:03:42,040

stepped behind the row of trees and

96

00:03:45,990 --> 00:03:44,290

disappeared from view both witnesses

97

00:03:47,849 --> 00:03:46,000

said that once the being was gone they

98

00:03:50,099 --> 00:03:47,859

felt an overwhelming urgency to leave

99

00:03:51,659 --> 00:03:50,109

the feeling bordered on fear and it was

100

00:03:53,699 --> 00:03:51,669

like someone had unleashed a pent-up

101
00:03:56,069 --> 00:03:53,709
wall of fear that had somehow been held

102
00:03:57,659 --> 00:03:56,079
back during the encounter both witnesses

103
00:03:59,550 --> 00:03:57,669
gathered up their things and quickly

104
00:04:01,890 --> 00:03:59,560
left got in their car and drove away and

105
00:04:03,689 --> 00:04:01,900
out of schiller woods when asked if they

106
00:04:05,219 --> 00:04:03,699
noticed anything out of the ordinary as

107
00:04:08,550 --> 00:04:05,229
they were leaving such as lights in the

108
00:04:10,229 --> 00:04:08,560
sky or unusual mist etc the female

109
00:04:12,929 --> 00:04:10,239
witness said she did notice a lack of

110
00:04:14,789 --> 00:04:12,939
wildlife as they left the female witness

111
00:04:16,680 --> 00:04:14,799
indicated that those particular woods

112
00:04:18,719 --> 00:04:16,690
are teeming with deer and raccoons and

113
00:04:20,460 --> 00:04:18,729

other wildlife and at that time of the

114

00:04:22,830 --> 00:04:20,470

late afternoon early evening they were

115

00:04:24,570 --> 00:04:22,840

out in droves grazing and feeding these

116

00:04:26,550 --> 00:04:24,580

deer are used to people and do not

117

00:04:28,589 --> 00:04:26,560

scatter and less directly approached and

118

00:04:31,110 --> 00:04:28,599

yet on the way out she saw no wildlife

119

00:04:32,969 --> 00:04:31,120

at all no deer anywhere when asked about

120

00:04:35,159 --> 00:04:32,979

the use of marijuana and their rituals

121

00:04:37,260 --> 00:04:35,169

both indicated that they both did smoke

122

00:04:39,180 --> 00:04:37,270

marijuana prior to the ritual as a sort

123

00:04:41,370 --> 00:04:39,190

of ritual aid but that the sighting they

124

00:04:43,260 --> 00:04:41,380

had was not induced by or influenced by

125

00:04:44,939 --> 00:04:43,270

the marijuana both claimed they were

126

00:04:47,249 --> 00:04:44,949

sober and clear-headed during the

127

00:04:49,439 --> 00:04:47,259

encounter both witnesses appeared to be

128

00:04:51,300 --> 00:04:49,449

sincere and both did not seem to be

129

00:04:53,490 --> 00:04:51,310

fabricating any part of the encounter

130

00:04:55,170 --> 00:04:53,500

both witnesses indicated that they will

131

00:04:56,239 --> 00:04:55,180

eventually go back to the woods for

132

00:04:57,949 --> 00:04:56,249

ritual and the

133

00:05:00,709 --> 00:04:57,959

feel that their lives were not in any

134

00:05:02,479 --> 00:05:00,719

danger an investigator with UFO Clearing

135

00:05:04,399 --> 00:05:02,489

House will be making a field visit to

136

00:05:06,439 --> 00:05:04,409

Schiller woods in the upcoming days and

137

00:05:08,569 --> 00:05:06,449

any photos and information from that

138

00:05:15,830 --> 00:05:08,579

field visit will be posted on this page

139

00:05:19,950 --> 00:05:18,240

insectoid being encounter unnerved

140

00:05:22,260 --> 00:05:19,960

witness Wow

141

00:05:25,560 --> 00:05:22,270

I really feel we word writing this email

142

00:05:28,530 --> 00:05:25,570

I am a sensible 59 year old woman

143

00:05:30,690 --> 00:05:28,540

however my daughter grounded in all

144

00:05:32,670 --> 00:05:30,700

things she can see in touch would tell

145

00:05:35,490 --> 00:05:32,680

you I have one of the most open minds

146

00:05:37,260 --> 00:05:35,500

she's ever run across I do have more of

147

00:05:39,960 --> 00:05:37,270

a willingness to approach things with an

148

00:05:42,450 --> 00:05:39,970

open mind because of my own experiences

149

00:05:44,159 --> 00:05:42,460

I found you quite by accident after

150

00:05:46,050 --> 00:05:44,169

getting one of your books through Kindle

151
00:05:47,940 --> 00:05:46,060
unlimited and I thought how wonderful

152
00:05:50,340 --> 00:05:47,950
that people can reach out to you and

153
00:05:53,250 --> 00:05:50,350
tell you about their experiences without

154
00:05:55,980 --> 00:05:53,260
fear of harsh judgment well your goes I

155
00:05:59,250 --> 00:05:55,990
had an experience in 1993 that has

156
00:06:01,110 --> 00:05:59,260
bothered me for 23 years my husband was

157
00:06:03,780 --> 00:06:01,120
involved but didn't see anything even

158
00:06:05,940 --> 00:06:03,790
though he was in the bed next to me the

159
00:06:08,790 --> 00:06:05,950
only person I told was my personal

160
00:06:10,830 --> 00:06:08,800
physician the very next day at the time

161
00:06:12,659 --> 00:06:10,840
we lived in a two-story house on a

162
00:06:14,879 --> 00:06:12,669
dead-end cul-de-sac in Seattle

163
00:06:17,790 --> 00:06:14,889

Washington about five miles from the

164

00:06:21,420 --> 00:06:17,800

SeaTac Airport it was sometime in late

165

00:06:22,680 --> 00:06:21,430

October or early November of 1993 it

166

00:06:25,740 --> 00:06:22,690

occurred in the middle of the night

167

00:06:27,690 --> 00:06:25,750

about 2:00 a.m. my husband and I were

168

00:06:29,969 --> 00:06:27,700

asleep I was on the side of the bed

169

00:06:33,000 --> 00:06:29,979

facing the outer bedroom wall and my

170

00:06:34,680 --> 00:06:33,010

husband was asleep next to me I woke up

171

00:06:37,320 --> 00:06:34,690

and rolled over bringing the bedroom

172

00:06:39,840 --> 00:06:37,330

doorway into my view the whole light was

173

00:06:42,210 --> 00:06:39,850

on outside the bedroom so I had a clear

174

00:06:44,790 --> 00:06:42,220

view of the doorway I saw something

175

00:06:47,250 --> 00:06:44,800

standing in the bedroom doorway it was

176

00:06:50,159 --> 00:06:47,260

very tall and I got the vague outline of

177

00:06:52,560 --> 00:06:50,169

some kind of robe like clothing i sat

178

00:06:54,570 --> 00:06:52,570

straight up in bed grabbed my husband s

179

00:06:56,940 --> 00:06:54,580

arm and shook him shouting there s

180

00:06:58,710 --> 00:06:56,950

something in the doorway my husband

181

00:07:00,510 --> 00:06:58,720

bolted up out of bed and grabbed the

182

00:07:02,400 --> 00:07:00,520

baseball bat he kept next to the

183

00:07:05,040 --> 00:07:02,410

headboard but as soon as I had shouted

184

00:07:07,529 --> 00:07:05,050

out the thing was gone just gone

185

00:07:09,810 --> 00:07:07,539

I was near hysterical and it took a

186

00:07:12,090 --> 00:07:09,820

while for my husband to calm me down I

187

00:07:14,520 --> 00:07:12,100

told him I had seen something in the

188

00:07:16,010 --> 00:07:14,530

doorway he checked the house but of

189

00:07:19,170 --> 00:07:16,020

course there was nothing there

190

00:07:20,969 --> 00:07:19,180

everything was locked up tight I felt

191

00:07:23,490 --> 00:07:20,979

like I was losing my mind

192

00:07:26,250 --> 00:07:23,500

I apologized for scaring him like that

193

00:07:27,750 --> 00:07:26,260

and waking him up yelling I don't really

194

00:07:30,120 --> 00:07:27,760

remember anything about the

195

00:07:32,910 --> 00:07:30,130

that night except that I was very upset

196

00:07:35,700 --> 00:07:32,920

and couldn't get back to sleep I was

197

00:07:38,490 --> 00:07:35,710

very very scared I knew I had seen

198

00:07:40,230 --> 00:07:38,500

something I didn't trust that if I went

199

00:07:43,050 --> 00:07:40,240

back to sleep that it wouldn't come back

200

00:07:45,300 --> 00:07:43,060

the next morning I phoned my doctor and

201
00:07:47,700 --> 00:07:45,310
left a message asking him to phone me

202
00:07:49,440 --> 00:07:47,710
back I told him in the message that I

203
00:07:52,050 --> 00:07:49,450
thought there was something really wrong

204
00:07:53,940 --> 00:07:52,060
with me when he phoned me back I broke

205
00:07:56,820 --> 00:07:53,950
down in tears telling him that I felt

206
00:07:58,380 --> 00:07:56,830
like I was losing my mind I told him

207
00:08:00,060 --> 00:07:58,390
that I know I saw something in my

208
00:08:03,090 --> 00:08:00,070
bedroom doorway in the middle of the

209
00:08:05,010 --> 00:08:03,100
night it was real I had seen it but it

210
00:08:07,620 --> 00:08:05,020
wasn't possible that anything was there

211
00:08:10,170 --> 00:08:07,630
he asked me what I had seen and I told

212
00:08:12,480 --> 00:08:10,180
him it was a thing or a man or something

213
00:08:15,030 --> 00:08:12,490

he said that if a person is under stress

214

00:08:17,670 --> 00:08:15,040

we had started our business earlier that

215

00:08:19,650 --> 00:08:17,680

year it was possible to be dreaming but

216

00:08:22,380 --> 00:08:19,660

you're waking up and you think you see

217

00:08:24,660 --> 00:08:22,390

something he prescribed some medication

218

00:08:27,000 --> 00:08:24,670

for my nerves and told me I should try

219

00:08:28,740 --> 00:08:27,010

to forget that it had happened I was

220

00:08:31,200 --> 00:08:28,750

left with this feeling that I didn't

221

00:08:34,140 --> 00:08:31,210

really know what I had seen it had

222

00:08:36,300 --> 00:08:34,150

happened so fast I tried to forget that

223

00:08:39,600 --> 00:08:36,310

it had happened but of course I never

224

00:08:41,610 --> 00:08:39,610

could a few months later I sat down at

225

00:08:43,740 --> 00:08:41,620

the table with pencil and paper and

226

00:08:45,960 --> 00:08:43,750

tried to go back to that moment when I

227

00:08:48,330 --> 00:08:45,970

saw the thing in the doorway and just

228

00:08:50,790 --> 00:08:48,340

kind of let my mind float and draw what

229

00:08:53,280 --> 00:08:50,800

I had seen what I ended up with was

230

00:08:55,380 --> 00:08:53,290

bizarre and frightened me so badly I

231

00:08:57,690 --> 00:08:55,390

just threw the drawing away and tried to

232

00:09:00,150 --> 00:08:57,700

forget about it I had drawn an

233

00:09:02,250 --> 00:09:00,160

insect-like head with big big eyes a

234

00:09:04,800 --> 00:09:02,260

kind of robe outline in these

235

00:09:07,140 --> 00:09:04,810

insect-like arms and hands coming out of

236

00:09:09,300 --> 00:09:07,150

slits on the side of the rope I can

237

00:09:12,090 --> 00:09:09,310

still close my eyes and see that thing

238

00:09:14,400 --> 00:09:12,100

in the doorway some details really stuck

239

00:09:16,590 --> 00:09:14,410

out at me but others are so vague it's

240

00:09:19,020 --> 00:09:16,600

impossible to really describe them

241

00:09:20,940 --> 00:09:19,030

I remember in detail tune up like things

242

00:09:23,580 --> 00:09:20,950

on its head but have only the vaguest

243

00:09:25,920 --> 00:09:23,590

sense of stalks or antenna coming out of

244

00:09:28,040 --> 00:09:25,930

them and I remember the way the arms

245

00:09:29,600 --> 00:09:28,050

look but can't really remember what

246

00:09:32,360 --> 00:09:29,610

hands looked like or what they were

247

00:09:34,040 --> 00:09:32,370

doing I remember the eyes but only

248

00:09:35,990 --> 00:09:34,050

remember an impression of two slits

249

00:09:38,750 --> 00:09:36,000

where a nose would have been and I don't

250

00:09:40,850 --> 00:09:38,760

remember a mouth I have only the vaguest

251

00:09:43,220 --> 00:09:40,860

sense of a rope or flowing cloth of

252

00:09:45,800 --> 00:09:43,230

sorts but I remember the slits where the

253

00:09:47,420 --> 00:09:45,810

arms came out of it over the years I

254

00:09:49,220 --> 00:09:47,430

have tried to convince myself that

255

00:09:52,009 --> 00:09:49,230

because of the vagueness of some of the

256

00:09:54,920 --> 00:09:52,019

details it must not have been real but

257

00:09:57,680 --> 00:09:54,930

it still bothers me to this day and I am

258

00:09:59,780 --> 00:09:57,690

still sure I saw something I have never

259

00:10:02,000 --> 00:09:59,790

had the nerve or desire to tell anyone

260

00:10:05,060 --> 00:10:02,010

else about the experience and I don't

261

00:10:07,190 --> 00:10:05,070

want anyone to think I am unstable even

262

00:10:09,800 --> 00:10:07,200

if I had wanted to tell someone about it

263

00:10:12,199 --> 00:10:09,810

who would I tell what good would it do

264

00:10:14,090 --> 00:10:12,209

but I read in your book that some people

265

00:10:16,280 --> 00:10:14,100

have described an insect or praying

266

00:10:19,310 --> 00:10:16,290

mantis like being that they have seen I

267

00:10:21,440 --> 00:10:19,320

hadn't heard about that before it sent a

268

00:10:23,660 --> 00:10:21,450

volt of electricity through my body like

269

00:10:26,240 --> 00:10:23,670

an adrenaline rush and I got butterflies

270

00:10:28,670 --> 00:10:26,250

in my stomach everyone knows about

271

00:10:30,949 --> 00:10:28,680

Grey's thanks to the movies never seen

272

00:10:32,930 --> 00:10:30,959

one never want to Dodd but if other

273

00:10:35,030 --> 00:10:32,940

people have seen the big insect thing

274

00:10:37,639 --> 00:10:35,040

maybe there really was something in my

275

00:10:39,500 --> 00:10:37,649

doorway that night if other people have

276

00:10:42,319 --> 00:10:39,510

seen this thing maybe they will feel

277

00:10:45,110 --> 00:10:42,329

better if they know I saw it too even if

278

00:10:48,019 --> 00:10:45,120

only for a few seconds thank you for

279

00:10:56,140 --> 00:10:48,029

listening I'm glad I finally got to tell

280

00:11:02,030 --> 00:10:59,420

mantas man I saw your post this morning

281

00:11:03,769 --> 00:11:02,040

regarding the Mantis sightings I just

282

00:11:05,720 --> 00:11:03,779

wanted to let you know it's kind of a

283

00:11:08,630 --> 00:11:05,730

relief to know about this because when

284

00:11:11,480 --> 00:11:08,640

it first happened with me back in 1987 I

285

00:11:13,370 --> 00:11:11,490

thought maybe I was going crazy I had

286

00:11:15,620 --> 00:11:13,380

contact with these beings at that time

287

00:11:17,840 --> 00:11:15,630

but have rarely spoken of it to anyone

288

00:11:19,730 --> 00:11:17,850

they communicated through some manner

289

00:11:21,290 --> 00:11:19,740

whereby they connected to the inside of

290

00:11:23,930 --> 00:11:21,300

my head through the brain behind

291

00:11:25,519 --> 00:11:23,940

Murphy's when I became aware of it at

292

00:11:28,130 --> 00:11:25,529

first it was like a humming with a

293

00:11:30,320 --> 00:11:28,140

clicking sound interspersed very much

294

00:11:33,260 --> 00:11:30,330

like what crickets might sound like on a

295

00:11:35,329 --> 00:11:33,270

large scale perhaps I was curious and

296

00:11:37,519 --> 00:11:35,339

concerned by this and wondered what the

297

00:11:39,320 --> 00:11:37,529

heck was going on to this day I still

298

00:11:41,540 --> 00:11:39,330

don't know if I intercepted a

299

00:11:44,030 --> 00:11:41,550

communication going on between them like

300

00:11:46,460 --> 00:11:44,040

tuning into a radio station or if it was

301

00:11:48,740 --> 00:11:46,470

deliberate on their part at first I just

302

00:11:50,480 --> 00:11:48,750

heard the humming clicking noises but

303

00:11:53,300 --> 00:11:50,490

then pictures started to emerge from

304

00:11:55,640 --> 00:11:53,310

these sounds I was able to see what they

305

00:11:58,100 --> 00:11:55,650

looked like mantis is the word I used to

306

00:11:59,690 --> 00:11:58,110

describe their forms I also knew from

307

00:12:01,730 --> 00:11:59,700

this communication that they were not on

308

00:12:03,680 --> 00:12:01,740

our plane of existence at that time

309

00:12:05,180 --> 00:12:03,690

anyway and that they were planning to

310

00:12:06,079 --> 00:12:05,190

emerge in our plane for their own

311

00:12:08,240 --> 00:12:06,089

purposes

312

00:12:10,490 --> 00:12:08,250

I got the distinct impression that they

313

00:12:12,199 --> 00:12:10,500

were cold and insect-like logical with

314

00:12:14,030 --> 00:12:12,209

very little in the way of emotion or

315

00:12:16,490 --> 00:12:14,040

compassion which frightened me the most

316

00:12:18,140 --> 00:12:16,500

the other impression I got from this was

317

00:12:20,390 --> 00:12:18,150

that they believed themselves to be our

318

00:12:22,579 --> 00:12:20,400

superiors like we believe about animals

319

00:12:24,680 --> 00:12:22,589

in our world whatever they were deciding

320

00:12:26,630 --> 00:12:24,690

it was based on this belief in other

321

00:12:29,840 --> 00:12:26,640

words for our own good or the greater

322

00:12:31,400 --> 00:12:29,850

picture I hope this makes sense from

323

00:12:33,380 --> 00:12:31,410

that time to this I never thought I

324

00:12:35,810 --> 00:12:33,390

would be hearing about this or reading

325

00:12:38,180 --> 00:12:35,820

about it in a public forum I put it out

326

00:12:40,400 --> 00:12:38,190

of my mind for the most part filed away

327

00:12:47,430 --> 00:12:40,410

under weird and expendable things that

328

00:12:52,830 --> 00:12:50,490

and beings praying mantis Oh Lord it was

329

00:12:54,720 --> 00:12:52,840

my wedding anniversary so my significant

330

00:12:56,970 --> 00:12:54,730

other and I went to a bed-and-breakfast

331

00:12:58,890 --> 00:12:56,980

for a night that night after we went to

332

00:13:00,270 --> 00:12:58,900

sleep I remember being taken to a big

333

00:13:02,310 --> 00:13:00,280

white room where there was a lot of

334

00:13:04,200 --> 00:13:02,320

other people there I was taking the

335

00:13:05,730 --> 00:13:04,210

white hallway with two ant beings on

336

00:13:08,250 --> 00:13:05,740

either side of me until we reach the

337

00:13:10,080 --> 00:13:08,260

door the door opens and I see a tall

338

00:13:12,210 --> 00:13:10,090

seventy eight foot tall praying mantis

339

00:13:14,160 --> 00:13:12,220

insects beam he called me over and

340

00:13:16,050 --> 00:13:14,170

showed me a video of wars and conflict

341

00:13:18,030 --> 00:13:16,060

and asked me if humans are worth saving

342

00:13:19,950 --> 00:13:18,040

then I went to the right of him and

343

00:13:21,990 --> 00:13:19,960

started to bring up on his computer

344

00:13:24,630 --> 00:13:22,000

video of positive aspects of human

345

00:13:26,910 --> 00:13:24,640

behavior the being agreed after that I

346

00:13:29,280 --> 00:13:26,920

found myself back in bed next to my wife

347

00:13:31,140 --> 00:13:29,290

the next day on our way out of Sedona

348

00:13:32,970 --> 00:13:31,150

driving wheel itself and there was a

349

00:13:34,980 --> 00:13:32,980

ship flying slow towards the mountain

350

00:13:40,910 --> 00:13:34,990

end goes behind it after that it

351

00:13:46,489 --> 00:13:43,069

praying mantis humanoid encounter

352

00:13:48,799 --> 00:13:46,499

Greenville South Carolina hi I'm a 42

353

00:13:51,379 --> 00:13:48,809

year old female married with grown kids

354

00:13:53,299 --> 00:13:51,389

and five grandchildren first of all

355

00:13:55,639 --> 00:13:53,309

since this encounter I have never

356

00:13:58,099 --> 00:13:55,649

forgotten it although exactly what

357

00:14:00,470 --> 00:13:58,109

happened is a mystery to me I was around

358

00:14:03,289 --> 00:14:00,480

age three or four we lived in a trailer

359

00:14:05,449 --> 00:14:03,299

park in Greenville South Carolina in mr.

360

00:14:10,220 --> 00:14:05,459

Hickam trailer park this would have been

361

00:14:12,710 --> 00:14:10,230

about 1976 or 1977 all this information

362

00:14:15,259 --> 00:14:12,720

has been confirmed by my mom it was a

363

00:14:18,109 --> 00:14:15,269

warm and sunny day I was playing outside

364

00:14:20,479 --> 00:14:18,119

with my two older brothers I was the

365

00:14:22,400 --> 00:14:20,489

youngest of three it was a day like all

366

00:14:25,519 --> 00:14:22,410

the others we were playing tag or

367

00:14:27,829 --> 00:14:25,529

hide-and-go-seek I went to hide I ran

368

00:14:29,960 --> 00:14:27,839

around the back of her home and suddenly

369

00:14:32,269 --> 00:14:29,970

I ran almost into a humanoid praying

370

00:14:34,249 --> 00:14:32,279

mantis at the time I thought it was a

371

00:14:36,889 --> 00:14:34,259

giant insect I could not really

372

00:14:39,289 --> 00:14:36,899

comprehend what I was seeing I felt like

373

00:14:41,239 --> 00:14:39,299

all the breath was taken from me it was

374

00:14:43,879 --> 00:14:41,249

taller than my dad then it was standing

375

00:14:45,530 --> 00:14:43,889

next to her propane tank years later

376

00:14:48,319 --> 00:14:45,540

when I thought about it I told myself

377

00:14:50,659 --> 00:14:48,329

that maybe there was a gas leak anyway

378

00:14:52,909 --> 00:14:50,669

back to the Mantis I stood there frozen

379

00:14:55,129 --> 00:14:52,919

in broad daylight and the creature was

380

00:14:57,109 --> 00:14:55,139

just staring back at me and then

381

00:14:59,150 --> 00:14:57,119

everything is blank until I come running

382

00:15:01,879 --> 00:14:59,160

back into our trailer screaming that I'm

383

00:15:03,829 --> 00:15:01,889

in pain between my legs my mother is so

384

00:15:06,259 --> 00:15:03,839

concerned that she pulled down my shorts

385

00:15:07,999 --> 00:15:06,269

and underwear to inspect she says

386

00:15:11,090 --> 00:15:08,009

nothing is wrong and I go to sleep

387

00:15:12,919 --> 00:15:11,100

crying this has always been with me it

388

00:15:15,499 --> 00:15:12,929

in this praying mantis stays in the back

389

00:15:17,509 --> 00:15:15,509

of my mind then a few years ago I hear

390

00:15:19,309 --> 00:15:17,519

about this UFO sighting reported by

391

00:15:21,559 --> 00:15:19,319

Highland Illinois Police Department

392

00:15:23,689 --> 00:15:21,569

weird I thought we moved up there when I

393

00:15:26,419 --> 00:15:23,699

was 7 and moved back to South Carolina

394

00:15:28,159 --> 00:15:26,429

when I was 10 years old I was telling my

395

00:15:30,229 --> 00:15:28,169

husband about this thing that happens

396

00:15:32,749 --> 00:15:30,239

when I was a kid we both laughed as I

397

00:15:34,159 --> 00:15:32,759

swore it really did happen so I got

398

00:15:36,859 --> 00:15:34,169

curious in googled the praying mantis

399

00:15:38,809 --> 00:15:36,869

aliens and I remember it felt like I was

400

00:15:40,879 --> 00:15:38,819

punched in the stomach as I sat there

401
00:15:43,549 --> 00:15:40,889
looking at an imagery exactly how I saw

402
00:15:46,129 --> 00:15:43,559
it over 30 years ago I showed it to my

403
00:15:48,109 --> 00:15:46,139
husband and he was in shock I don't know

404
00:15:49,789 --> 00:15:48,119
what happened to me between my encounter

405
00:15:51,979 --> 00:15:49,799
and when I came running and screaming

406
00:15:54,139 --> 00:15:51,989
about burning down there I had a real

407
00:15:55,320 --> 00:15:54,149
fear of monsters after that and a great

408
00:15:57,690 --> 00:15:55,330
deal of night

409
00:16:00,090 --> 00:15:57,700
but nothing like what I saw it was all

410
00:16:02,250 --> 00:16:00,100
about bloody baby dolls inside plastic

411
00:16:04,290 --> 00:16:02,260
bags scooting their plastic bodies

412
00:16:04,830 --> 00:16:04,300
around and down the hallways trying to

413
00:16:07,020 --> 00:16:04,840

get me

414

00:16:08,880 --> 00:16:07,030

also another reoccurring dream was a

415

00:16:10,830 --> 00:16:08,890

farmer type man in overalls with a

416

00:16:13,470 --> 00:16:10,840

pitchfork walking by all my family

417

00:16:15,240 --> 00:16:13,480

members just to get to me at the end of

418

00:16:17,520 --> 00:16:15,250

the dream he would stab me in the chest

419

00:16:19,890 --> 00:16:17,530

this dream started when I lived in

420

00:16:22,020 --> 00:16:19,900

Highland I never was able to give birth

421

00:16:24,840 --> 00:16:22,030

naturally either I had to have

422

00:16:27,810 --> 00:16:24,850

c-sections my father passed away at the

423

00:16:30,750 --> 00:16:27,820

age of 38 from lung cancer I was only 15

424

00:16:32,400 --> 00:16:30,760

it has not been an easy life for me but

425

00:16:34,680 --> 00:16:32,410

I'm a Christian and find comfort in

426

00:16:36,810 --> 00:16:34,690

God's Word I have tried to read more

427

00:16:39,630 --> 00:16:36,820

about this mantis humanoid creature and

428

00:16:41,490 --> 00:16:39,640

have not got a lot of info usually when

429

00:16:43,530 --> 00:16:41,500

I'm reading about it right before bed a

430

00:16:45,840 --> 00:16:43,540

fall asleep very quickly and get nowhere

431

00:16:48,270 --> 00:16:45,850

I'm reaching out because I feel like

432

00:16:50,370 --> 00:16:48,280

this is really happening and not just to

433

00:16:52,950 --> 00:16:50,380

me it doesn't matter to me to get

434

00:16:54,840 --> 00:16:52,960

attention via printing a story I just

435

00:17:02,550 --> 00:16:54,850

want to know if you have heard of others

436

00:17:07,829 --> 00:17:05,490
