00:00:38,930 --> 00:00:36,270

lavalla Spain hello I would like to tell

10
00:00:40,549 --> 00:00:38,940

you about an experience I had in 1954

11
00:00:42,890 --> 00:00:40,559

while working with the u.s. naval

12
00:00:44,630 --> 00:00:42,900

engineers at Zaragoza Air Base near zero

13
00:00:46,970 --> 00:00:44,640

goes to Spain this was to be a

14

00:00:49,549 --> 00:00:46,980

refurbished NATO facility I was a

15

00:00:52,100 --> 00:00:49,559

contractor 24 years old and working my

16

00:00:54,860 --> 00:00:52,110

father's construction firm and hired by

17

00:00:55,970 --> 00:00:54,870

the DoD this was my first time away from

18

00:00:57,950 --> 00:00:55,980

the United States

19

00:00:59,600 --> 00:00:57,960

I had another fellow with me who had

20

00:01:01,700 --> 00:00:59,610

worked for my father for a couple of

21

00:01:04,070 --> 00:01:01,710

years only a few people knew of my

22

00:01:06,020 --> 00:01:04,080

experience my wife who's deceased and

23

00:01:08,510 --> 00:01:06,030

two close friends who have also passed

24

00:01:10,070 --> 00:01:08,520

away I have read some of the stories of

25

00:01:12,200 --> 00:01:10,080

other people you have published I

26

00:01:14,359 --> 00:01:12,210

thought that I could add my story to the

27

00:01:16,580 --> 00:01:14,369

record after I had been in Spain for

28

00:01:18,859 --> 00:01:16,590

several weeks I decided to take in the

29

00:01:21,170 --> 00:01:18,869

surroundings I was told by some of the

30

00:01:22,940 --> 00:01:21,180

locals that the monasterio de Peter Nero

31

00:01:25,789 --> 00:01:22,950

Volos would be an excellent place to

32

00:01:27,890 --> 00:01:25,799

visit the monastery was about 60 miles

33

00:01:30,469 --> 00:01:27,900

away so I decided it would be an

34

00:01:32,149 --> 00:01:30,479

enjoyable day trip when I arrived I met

35

00:01:34,550 --> 00:01:32,159

a young lady who offered to show me

36

00:01:37,130 --> 00:01:34,560

around the complex it was a very hot day

37

00:01:39,529 --> 00:01:37,140

early August so we took numerous breaks

38

00:01:41,510 --> 00:01:39,539

along the way as the afternoon waned in

39

00:01:43,249 --> 00:01:41,520

the early evening approached it was time

40

00:01:45,319 --> 00:01:43,259

for me to head back towards her ago see

41

00:01:47,090 --> 00:01:45,329

the young lady mentioned that there was

42

00:01:49,160 --> 00:01:47,100

an very nice in not far from the

43

00:01:50,779 --> 00:01:49,170

monastery if I wanted to stay the night

44

00:01:53,779 --> 00:01:50,789

then get an early start in the morning

45

00:01:55,969 --> 00:01:53,789

so I decided to stay the night maybe do

46

00:01:58,069 --> 00:01:55,979

some exploring that evening the inn was

47

00:02:00,919 --> 00:01:58,079

very rustic though quite comfortable I

48

00:02:02,959 --> 00:02:00,929

had dinner outside on the back patio it

49

00:02:05,029 --> 00:02:02,969

was an excellent evening though it was

50

00:02:06,109 --> 00:02:05,039

dusk I could still see the terrain not

51
00:02:07,609 --> 00:02:06,119
far from the inn

52
00:02:09,529 --> 00:02:07,619
there was a vineyard and his small

53
00:02:12,170 --> 00:02:09,539
avender meadow behind the inn which led

54
00:02:13,790 --> 00:02:12,180
to a series of rocky outcrops I thought

55
00:02:15,770 --> 00:02:13,800
that I would take a look around but I

56
00:02:17,930 --> 00:02:15,780
first asked the owner if it was okay to

57
00:02:19,760 --> 00:02:17,940
do so I walked through the vineyard and

58
00:02:22,460 --> 00:02:19,770
reached a small pond which had a loud

59
00:02:24,170 --> 00:02:22,470
chorus of frogs by this time it was dark

60
00:02:26,240 --> 00:02:24,180
but there was a fair amount of available

61
00:02:28,100 --> 00:02:26,250
moonlight but I still needed a

62
00:02:30,260 --> 00:02:28,110
flashlight to see where I was going I

63
00:02:31,910 --> 00:02:30,270

walked around the pond and started to

64

00:02:34,160 --> 00:02:31,920

cross a small bridge over a narrow

65

00:02:35,870 --> 00:02:34,170

stream as I walked over the bridge I

66

00:02:38,360 --> 00:02:35,880

noticed something run through the water

67

00:02:39,950 --> 00:02:38,370

about 50 feet upstream there was enough

68

00:02:41,990 --> 00:02:39,960

moonlight to where I could make out in

69

00:02:43,309 --> 00:02:42,000

upright shape this thing was heading

70

00:02:45,890 --> 00:02:43,319

toward the High Rocks

71

00:02:48,110 --> 00:02:45,900

I lost sight of it I stood silent for

72

00:02:50,569 --> 00:02:48,120

about five minutes it was eerie because

73

00:02:52,129 --> 00:02:50,579

the frogs were now quite the only sound

74

00:02:55,039 --> 00:02:52,139

was coming from the direction of the

75

00:02:57,470 --> 00:02:55,049

rocks and the noise was very strange it

76
00:02:59,629 --> 00:02:57,480
sounded like a guttural rakia Cox series

77
00:03:01,819 --> 00:02:59,639
that would pause for a few seconds than

78
00:03:04,970 --> 00:03:01,829
repeat they were also fade in and out

79
00:03:07,309 --> 00:03:04,980
after a few minutes it stopped I had no

80
00:03:09,289 --> 00:03:07,319
idea what it was I crossed the bridge

81
00:03:11,929 --> 00:03:09,299
and started to slowly approach the rocks

82
00:03:13,729 --> 00:03:11,939
as I came to the rock face there was a

83
00:03:14,629 --> 00:03:13,739
fairly well-worn trail on the ground

84
00:03:16,580 --> 00:03:14,639
along the edge

85
00:03:18,920 --> 00:03:16,590
I walked further until I reached an

86
00:03:20,839 --> 00:03:18,930
opening in the rock face I pointed the

87
00:03:22,909 --> 00:03:20,849
flashlight in sight and saw that it was

88
00:03:25,099 --> 00:03:22,919

a grotto about 15 feet deep and high

89

00:03:26,599 --> 00:03:25,109

enough for me to standing the floor of

90

00:03:28,580 --> 00:03:26,609

the grotto was littered with small

91

00:03:31,280 --> 00:03:28,590

animal bones so I figured that there

92

00:03:33,470 --> 00:03:31,290

were predators about most likely Fox I

93

00:03:35,809 --> 00:03:33,480

continued on the trail until I heard the

94

00:03:38,449 --> 00:03:35,819

yak-yak-yak sound again and it was very

95

00:03:40,189 --> 00:03:38,459

close I instantly stopped walking and

96

00:03:42,800 --> 00:03:40,199

started searching around me with the

97

00:03:45,140 --> 00:03:42,810

flashlight just then some gravel landed

98

00:03:47,509 --> 00:03:45,150

on me and a loud yak-yak-yak sound was

99

00:03:49,520 --> 00:03:47,519

coming from above me I quickly looked up

100

00:03:51,439 --> 00:03:49,530

and pointed the flashlight there was a

101
00:03:53,929 --> 00:03:51,449
creature standing on a small ledge about

102
00:03:56,300 --> 00:03:53,939
15 feet away staring at me with yellow

103
00:03:58,129 --> 00:03:56,310
eyes reflecting that it was screaming

104
00:04:00,349 --> 00:03:58,139
yak-yak-yak and could constant rhythm

105
00:04:02,689 --> 00:04:00,359
this was the most ghastly thing I've

106
00:04:04,670 --> 00:04:02,699
ever witnessed it was standing on two

107
00:04:06,710 --> 00:04:04,680
legs and was about four to five feet

108
00:04:08,689 --> 00:04:06,720
tall I've read about resilience

109
00:04:10,999 --> 00:04:08,699
encounters on your blog well I think

110
00:04:13,399 --> 00:04:11,009
this may have been one it was dark in

111
00:04:15,439 --> 00:04:13,409
color and had arms like a human the face

112
00:04:17,810 --> 00:04:15,449
looked like that of a lizard resembling

113
00:04:19,399 --> 00:04:17,820

that of an iguana after a few seconds it

114

00:04:21,499 --> 00:04:19,409

leapt off the ledge onto the trail

115

00:04:23,480 --> 00:04:21,509

swiftly running on two legs in the

116

00:04:25,279 --> 00:04:23,490

opposite direction it was then that I

117

00:04:27,379 --> 00:04:25,289

noticed the long tail as it moved away

118

00:04:29,719 --> 00:04:27,389

from me I quickly made my way back

119

00:04:31,850 --> 00:04:29,729

toward the inn and directly to my room I

120

00:04:34,339 --> 00:04:31,860

laid in bed thinking about this creature

121

00:04:36,260 --> 00:04:34,349

the entire night I was terrified to look

122

00:04:38,360 --> 00:04:36,270

out my window fearing that it followed

123

00:04:40,339 --> 00:04:38,370

me back to the inn early in the morning

124

00:04:42,770 --> 00:04:40,349

I checked out and drove back to Zaragoza

125

00:04:44,899 --> 00:04:42,780

I have no proof to my experience other

126

00:04:53,130 --> 00:04:44,909

than my word but I now believe that this

127

00:04:58,390 --> 00:04:55,810

Ouija board and black-robed reptilians

128

00:05:00,790 --> 00:04:58,400

this story I'm just gonna preface it

129

00:05:02,680 --> 00:05:00,800

with this it's the gospel truth this

130

00:05:04,360 --> 00:05:02,690

happened to me and this is one of the

131

00:05:04,870 --> 00:05:04,370

reasons you should not mess with a Ouija

132

00:05:07,930 --> 00:05:04,880

board

133

00:05:10,750 --> 00:05:07,940

rid of them

134

00:05:13,360 --> 00:05:10,760

anyway story is I'm coming back from

135

00:05:16,180 --> 00:05:13,370

Florida with my wife we stopped in st.

136

00:05:18,610 --> 00:05:16,190

Mary's Ohio we had friends there they

137

00:05:22,270 --> 00:05:18,620

lived in this house this house was four

138

00:05:25,420 --> 00:05:22,280

stories 150 years old stone beautiful

139

00:05:28,060 --> 00:05:25,430

full of antiques a gorgeous place it was

140

00:05:29,950 --> 00:05:28,070

known to be haunted of course so I got

141

00:05:32,980 --> 00:05:29,960

questioning them on the house what the

142

00:05:35,200 --> 00:05:32,990

house was doing and stories came up what

143

00:05:37,120 --> 00:05:35,210

was going on the daughter said there was

144

00:05:39,760 --> 00:05:37,130

lots of noises when she would go to take

145

00:05:42,220 --> 00:05:39,770

a shower on stairways invisible people

146

00:05:44,590 --> 00:05:42,230

on stairways then the Ouija board came

147

00:05:46,450 --> 00:05:44,600

up turns out at one point there was

148

00:05:47,980 --> 00:05:46,460

thirty kids after school that would land

149

00:05:50,470 --> 00:05:47,990

at their house and they would all be

150

00:05:51,040 --> 00:05:50,480

working the Ouija board things just got

151

00:05:53,800 --> 00:05:51,050

crazy

152

00:05:56,950 --> 00:05:53,810

shaking chandeliers the whole deal the

153

00:05:59,710 --> 00:05:56,960

mother says that is it it goes away no

154

00:06:03,040 --> 00:05:59,720

more so it goes away and it never came

155

00:06:05,620 --> 00:06:03,050

back out again so of course I had to say

156

00:06:06,970 --> 00:06:05,630

look I've never seen one work I'd like

157

00:06:09,820 --> 00:06:06,980

to see something happen

158

00:06:12,400 --> 00:06:09,830

could we try she hummed in hogg and she

159

00:06:14,860 --> 00:06:12,410

was like all right she went and got it

160

00:06:17,380 --> 00:06:14,870

i sat down across from the daughter her

161

00:06:19,570 --> 00:06:17,390

name was Renee we put it on our laps and

162

00:06:23,410 --> 00:06:19,580

put our finger on it immediately it

163

00:06:25,930 --> 00:06:23,420

started moving slowly nice pace and like

164

00:06:28,090 --> 00:06:25,940

I said Renee commented about sounds when

165

00:06:29,590 --> 00:06:28,100

she took a shower so I said who in the

166

00:06:32,050 --> 00:06:29,600

house make sounds when Renee is

167

00:06:34,150 --> 00:06:32,060

showering supposedly a ten-year-old boy

168

00:06:37,510 --> 00:06:34,160

came on and he said he liked to watch

169

00:06:39,610 --> 00:06:37,520

Renee undress I can understand if I was

170

00:06:42,700 --> 00:06:39,620

a ten-year-old boy I'd want to watch

171

00:06:45,010 --> 00:06:42,710

Renee undress too so anyway we spoke to

172

00:06:47,800 --> 00:06:45,020

the little boy for a little while all of

173

00:06:48,970 --> 00:06:47,810

a sudden he said I have to go we said

174

00:06:52,150 --> 00:06:48,980

where are you going

175

00:06:55,210 --> 00:06:52,160

he said it's coming we said I hose

176

00:06:57,400 --> 00:06:55,220

coming he said he's coming all of a

177

00:06:58,870 --> 00:06:57,410

sudden the planchette stopped dead we

178

00:07:01,570 --> 00:06:58,880

looked at each other and we were like

179

00:07:04,360 --> 00:07:01,580

what is going on here all of a sudden it

180

00:07:04,690 --> 00:07:04,370

took off like wildfire we had to work to

181

00:07:06,760 --> 00:07:04,700

keep

182

00:07:08,980 --> 00:07:06,770

fingers on it it was almost impossible

183

00:07:11,680 --> 00:07:08,990

to get answers from it because it was

184

00:07:13,450 --> 00:07:11,690

moving so fast and at some point it

185

00:07:15,220 --> 00:07:13,460

would pull away from your fingers and

186

00:07:17,170 --> 00:07:15,230

the minute had lost your fingers it

187

00:07:18,970 --> 00:07:17,180

would stop dead and the minute our

188

00:07:22,090 --> 00:07:18,980

fingers would grab it and offered would

189

00:07:24,310 --> 00:07:22,100

go again and it was just ridiculous my

190

00:07:25,990 --> 00:07:24,320

wife was a real naysayer she was

191

00:07:28,150 --> 00:07:26,000

actually saying a lot of stuff she

192

00:07:29,290 --> 00:07:28,160

shouldn't say we were getting the idea

193

00:07:31,660 --> 00:07:29,300

was getting angry

194

00:07:34,090 --> 00:07:31,670

I said stop speaking at his getting

195

00:07:35,770 --> 00:07:34,100

really ticked off so we said look we

196

00:07:39,040 --> 00:07:35,780

don't want to talk to you anymore

197

00:07:41,410 --> 00:07:39,050

you are not friendly go away we want to

198

00:07:43,660 --> 00:07:41,420

speak to someone else then it would like

199

00:07:45,730 --> 00:07:43,670

it would come back and save his other

200

00:07:47,770 --> 00:07:45,740

people but we knew it was it because of

201
00:07:50,380 --> 00:07:47,780
the way the planchette made it was a

202
00:07:52,990 --> 00:07:50,390
hundred miles an hour so anyway at that

203
00:07:55,570 --> 00:07:53,000
point the mother had said okay you know

204
00:07:57,730 --> 00:07:55,580
what we've seen enough I was like you

205
00:08:00,340 --> 00:07:57,740
know what I've seen it work I am

206
00:08:03,010 --> 00:08:00,350
impressed it works we put the Ouija

207
00:08:05,200 --> 00:08:03,020
board away so that evening we went to

208
00:08:07,900 --> 00:08:05,210
bed we stayed at their house that night

209
00:08:09,790 --> 00:08:07,910
so anyway I woke up in the middle of the

210
00:08:12,190 --> 00:08:09,800
night and it was not as if you woke up

211
00:08:14,380 --> 00:08:12,200
and you were groggy and tired I opened

212
00:08:16,510 --> 00:08:14,390
my eyes and I was wide awake now I

213
00:08:19,060 --> 00:08:16,520

didn't have a clock near but I'm gonna

214

00:08:20,740 --> 00:08:19,070

say I told my wife it was 3 o'clock in

215

00:08:23,320 --> 00:08:20,750

the morning because that's when that

216

00:08:25,720 --> 00:08:23,330

stuff always happens I leaned up on my

217

00:08:27,580 --> 00:08:25,730

elbow and this is gospel truth there was

218

00:08:29,560 --> 00:08:27,590

an eight foot cloaked creature standing

219

00:08:31,840 --> 00:08:29,570

in the corner of the room it was not

220

00:08:34,570 --> 00:08:31,850

facing me it was facing off to the right

221

00:08:37,570 --> 00:08:34,580

I could not see its face it was blocked

222

00:08:39,430 --> 00:08:37,580

by this cloak it had to approximate two

223

00:08:41,320 --> 00:08:39,440

foot tall and type creatures that were

224

00:08:43,780 --> 00:08:41,330

kind of moving in and out of its robes

225

00:08:45,610 --> 00:08:43,790

on the floor they almost had a reptilian

226

00:08:47,740 --> 00:08:45,620

like look to them and they were they did

227

00:08:49,780 --> 00:08:47,750

have black cloth now here's the other

228

00:08:51,580 --> 00:08:49,790

weird part that you really got a picture

229

00:08:53,740 --> 00:08:51,590

as they went through this things robes

230

00:08:55,600 --> 00:08:53,750

they did not move the RO they went

231

00:08:58,000 --> 00:08:55,610

through the robe as if it were waterfall

232

00:09:00,370 --> 00:08:58,010

the Rope just kind of disappeared around

233

00:09:02,590 --> 00:09:00,380

the creatures the creature went through

234

00:09:03,600 --> 00:09:02,600

popped out the other side and continued

235

00:09:06,210 --> 00:09:03,610

its little motion

236

00:09:08,910 --> 00:09:06,220

it looked like death actually - the

237

00:09:11,430 --> 00:09:08,920

sickle I looked at it in disbelief and I

238

00:09:14,040 --> 00:09:11,440

thought dear God what is that and I laid

239

00:09:16,470 --> 00:09:14,050

my head down I stuck my face into my

240

00:09:18,540 --> 00:09:16,480

wife's back and just I said to myself I

241

00:09:20,850 --> 00:09:18,550

am not moving until I see daylight and

242

00:09:22,800 --> 00:09:20,860

the next thing I did see was daylight

243

00:09:25,620 --> 00:09:22,810

and I looked and the thing was gone and

244

00:09:27,750 --> 00:09:25,630

I swear to God that is gospel truth I'm

245

00:09:30,090 --> 00:09:27,760

telling you that is the last time I used

246

00:09:36,389 --> 00:09:30,100

the Ouija board I am never touching one

247

00:09:43,930 --> 00:09:38,920

female reptilian in Philadelphia

248

00:09:46,389 --> 00:09:43,940

playground in 1975 or 1976 I was in 2nd

249

00:09:48,400 --> 00:09:46,399

or 3rd grade my elementary school class

250

00:09:51,310 --> 00:09:48,410

went on a class trip to Smith Memorial

251
00:09:53,199 --> 00:09:51,320
playground in Playhouse we boarded the

252
00:09:55,900 --> 00:09:53,209
buses and headed to the Fairmount Park

253
00:09:58,600 --> 00:09:55,910
section of the city Smith playground has

254
00:10:01,150 --> 00:09:58,610
been around since the 1800s it has the

255
00:10:03,519 --> 00:10:01,160
world's largest wooden slide board our

256
00:10:05,290 --> 00:10:03,529
class arrived for the day's fun sliding

257
00:10:07,329 --> 00:10:05,300
the slide and having fun with other

258
00:10:09,819 --> 00:10:07,339
school kids that were there also on a

259
00:10:12,579 --> 00:10:09,829
class trip myself and some of my

260
00:10:15,160 --> 00:10:12,589
classmates became bored so we decided to

261
00:10:17,110 --> 00:10:15,170
make our own fun we scaled a fence to

262
00:10:19,150 --> 00:10:17,120
another section of the playground that

263
00:10:21,610 --> 00:10:19,160

we came upon a swimming pool area in

264

00:10:23,710 --> 00:10:21,620

this new area we can see that the pool

265

00:10:25,600 --> 00:10:23,720

haven't been used in years there was so

266

00:10:28,329 --> 00:10:25,610

many leaves in the pool that its color

267

00:10:30,430 --> 00:10:28,339

was dark green we began throwing rocks

268

00:10:33,519 --> 00:10:30,440

in the pool until we again became bored

269

00:10:34,990 --> 00:10:33,529

so we scaled another fence this new area

270

00:10:37,240 --> 00:10:35,000

put us out in the park that was a

271

00:10:39,970 --> 00:10:37,250

pathway to a ride as we began to walk

272

00:10:42,310 --> 00:10:39,980

down pathway I heard a female voice from

273

00:10:44,139 --> 00:10:42,320

behind me say stop children when I

274

00:10:46,329 --> 00:10:44,149

looked back there was this green lady

275

00:10:48,340 --> 00:10:46,339

hanging from this tree when she came out

276

00:10:50,949 --> 00:10:48,350

of the tree I can see that she had scaly

277

00:10:52,660 --> 00:10:50,959

skin like a lizard her skin had a design

278

00:10:55,000 --> 00:10:52,670

pattern which covered her from top to

279

00:10:57,819 --> 00:10:55,010

bottom as if her skin was also her

280

00:10:59,800 --> 00:10:57,829

clothes she walked on two feet and she

281

00:11:01,630 --> 00:10:59,810

had a small slit for a mouth dot when

282

00:11:03,730 --> 00:11:01,640

she spoke to us we can hear her in our

283

00:11:06,280 --> 00:11:03,740

heads her mouth never opened her moved

284

00:11:08,889 --> 00:11:06,290

we hot tailed it back over the fences

285

00:11:10,870 --> 00:11:08,899

and I have never been back I cannot

286

00:11:13,480 --> 00:11:10,880

remember all my classmates that was

287

00:11:15,579 --> 00:11:13,490

there after 30 years of questions I

288

00:11:18,010 --> 00:11:15,589

found one classmate that remembered this

289

00:11:20,829 --> 00:11:18,020

incident there were probably five or six

290

00:11:23,199 --> 00:11:20,839

of us also through some research I found

291

00:11:26,710 --> 00:11:23,209

an article from The Times daily Google

292

00:11:28,930 --> 00:11:26,720

News archive dated 10 6 1959 which

293

00:11:30,819 --> 00:11:28,940

describes an incident about a green lady

294

00:11:33,430 --> 00:11:30,829

chasing school children with a knife

295

00:11:35,350 --> 00:11:33,440

this does not fit the description nor

296

00:11:38,199 --> 00:11:35,360

the same green lady that appeared to us

297

00:11:40,900 --> 00:11:38,209

I witnessed something truly amazing and

298

00:11:43,180 --> 00:11:40,910

out of this world I feel very blessed to

299

00:11:45,160 --> 00:11:43,190

have experienced this and truly lucky

300

00:11:47,500 --> 00:11:45,170

that I can finally share my story with

301
00:11:53,150 --> 00:11:47,510
professional people instead of the nah

302
00:11:59,850 --> 00:11:56,249
verb Tilian and Walmart it was fall of

303
00:12:01,619 --> 00:11:59,860
1998 I suddenly found myself separated

304
00:12:02,790 --> 00:12:01,629
from my husband and with two preteen

305
00:12:05,400 --> 00:12:02,800
children to support

306
00:12:07,379 --> 00:12:05,410
living in a small Kansas town there was

307
00:12:09,480 --> 00:12:07,389
very limited employment options

308
00:12:11,220 --> 00:12:09,490
I needed to remain close to home to

309
00:12:13,470 --> 00:12:11,230
attempt to keep a handle on preteen

310
00:12:15,809 --> 00:12:13,480
adolescence and still keep a roof over

311
00:12:17,790 --> 00:12:15,819
our heads it was convenient when I saw

312
00:12:20,369 --> 00:12:17,800
an ad for workers at our local Walmart

313
00:12:24,449 --> 00:12:20,379

the store was converting to a superstore

314

00:12:26,309 --> 00:12:24,459

and needed staff 24/7 so I applied I got

315

00:12:29,220 --> 00:12:26,319

hired on as a department manager

316

00:12:30,809 --> 00:12:29,230

I got dug in I laid out the department

317

00:12:32,670 --> 00:12:30,819

and everything on the shelves on the day

318

00:12:34,920 --> 00:12:32,680

of the opening including the shelves

319

00:12:37,230 --> 00:12:34,930

themselves was put there by my two hens

320

00:12:39,329 --> 00:12:37,240

the new store opened in school had

321

00:12:41,730 --> 00:12:39,339

started so I tried to keep my hours

322

00:12:44,519 --> 00:12:41,740

mostly to accommodate that but weekend

323

00:12:46,530 --> 00:12:44,529

work was mandatory usually I got to work

324

00:12:48,660 --> 00:12:46,540

early there was only light register

325

00:12:49,860 --> 00:12:48,670

staff and I'd be the first department

326

00:12:52,110 --> 00:12:49,870

manager on the floor

327

00:12:53,999 --> 00:12:52,120

it was early days for the new store but

328

00:12:56,400 --> 00:12:54,009

the majority of the setup crew had

329

00:12:58,139 --> 00:12:56,410

departed the job site one morning I

330

00:13:00,240 --> 00:12:58,149

arrived even earlier than usual

331

00:13:02,009 --> 00:13:00,250

I had timed in and was just about to

332

00:13:04,590 --> 00:13:02,019

leave the freight room when a young boy

333

00:13:07,319 --> 00:13:04,600

about the age of my own two kids rushed

334

00:13:09,059 --> 00:13:07,329

past me nearly knocking me over he

335

00:13:11,429 --> 00:13:09,069

started sputtering something about how

336

00:13:14,429 --> 00:13:11,439

his ID had been lost and he had to see

337

00:13:16,379 --> 00:13:14,439

CCTV to see who picked it up the first

338

00:13:18,689 --> 00:13:16,389

thing weird about this is that I didn't

339

00:13:20,939 --> 00:13:18,699

know this kid my kids grew up in this

340

00:13:22,590 --> 00:13:20,949

town and being a small town I thought I

341

00:13:25,049 --> 00:13:22,600

knew all the kids from town and all

342

00:13:28,079 --> 00:13:25,059

parts around the second weird thing was

343

00:13:30,179 --> 00:13:28,089

back in 1998 it would be very unusual

344

00:13:32,400 --> 00:13:30,189

for any small-town preteen to have an

345

00:13:34,110 --> 00:13:32,410

idea of any kind I told him I knew

346

00:13:36,449 --> 00:13:34,120

nothing about it but he could follow me

347

00:13:38,970 --> 00:13:36,459

back to the office to inquire there was

348

00:13:41,069 --> 00:13:38,980

only one lady back in the office she was

349

00:13:43,590 --> 00:13:41,079

a member of the set of team and had been

350

00:13:45,569 --> 00:13:43,600

responsible for hiring me I left him

351
00:13:47,429 --> 00:13:45,579
with her after a short explanation and

352
00:13:51,150 --> 00:13:47,439
went out on the floor to begin my day

353
00:13:53,160 --> 00:13:51,160
but I forgot in my scanner so I turned

354
00:13:55,530 --> 00:13:53,170
heel and went back into the office area

355
00:13:57,329 --> 00:13:55,540
to get one immediately I could hear this

356
00:14:00,090 --> 00:13:57,339
kid becoming very aggressive with my

357
00:14:02,669 --> 00:14:00,100
coworker he was ranting on insisting

358
00:14:05,280 --> 00:14:02,679
that he view the CCTV tape immediately

359
00:14:05,850 --> 00:14:05,290
the human resource officer was trying to

360
00:14:07,740 --> 00:14:05,860
calmly

361
00:14:09,600 --> 00:14:07,750
explain to him that only security staff

362
00:14:12,240 --> 00:14:09,610
and the store manager could view it and

363
00:14:14,370 --> 00:14:12,250

she would pass on his concern worried

364

00:14:16,500 --> 00:14:14,380

about my co-workers safety I crept

365

00:14:19,230 --> 00:14:16,510

closer to the door which remained open

366

00:14:21,150 --> 00:14:19,240

his back was to me but looking past him

367

00:14:24,269 --> 00:14:21,160

I could clearly see her white and

368

00:14:26,790 --> 00:14:24,279

shocked face the boy sensing my presence

369

00:14:29,190 --> 00:14:26,800

swung around and stormed past me and I

370

00:14:32,040 --> 00:14:29,200

assumed flew out of the building did you

371

00:14:34,680 --> 00:14:32,050

see his eyes did you see his eyes she

372

00:14:36,630 --> 00:14:34,690

exclaimed though in fact I had I said

373

00:14:39,540 --> 00:14:36,640

nothing I think I was basically

374

00:14:41,730 --> 00:14:39,550

gobsmacked and as it turned out I never

375

00:14:44,519 --> 00:14:41,740

again spoke to her that was the last

376

00:14:46,590 --> 00:14:44,529

time I saw her when I inquired after her

377

00:14:48,660 --> 00:14:46,600

I was told she was transferred though

378

00:14:50,940 --> 00:14:48,670

others whispered she had been fired by

379

00:14:52,829 --> 00:14:50,950

Home Office the third weird thing was

380

00:14:54,870 --> 00:14:52,839

look into the eye of a snake and you

381

00:14:57,509 --> 00:14:54,880

will know what I saw as the boy fled by

382

00:15:00,180 --> 00:14:57,519

me you are welcome to use this story but

383

00:15:02,180 --> 00:15:00,190

please do not use my name this is a true

384

00:15:08,290 --> 00:15:02,190

story in detail to the best of my memory

385

00:15:13,850 --> 00:15:11,540

this is lawn Strickler if you like this

386

00:15:16,699 --> 00:15:13,860
