dog men encounter Clearfield County

8  
00:00:38,860 --> 00:00:36,770

Pennsylvania I apologize for the delay

9  
00:00:41,440 --> 00:00:38,870

in regards to the info concerning the

10  
00:00:43,540 --> 00:00:41,450

dogma of Clearfield County this is going

11  
00:00:45,310 --> 00:00:43,550

way back for me but I read your article

12  
00:00:49,150 --> 00:00:45,320

and thought perhaps it just might help

13  
00:00:51,549 --> 00:00:49,160

you out a bit around 1976-77 and the

14

00:00:54,220 --> 00:00:51,559

Madera area of Clearfield County this

15

00:00:56,470 --> 00:00:54,230

would have put me at 6 or 7 years old we

16

00:00:58,630 --> 00:00:56,480

live just above the town of Madera it

17

00:01:01,119 --> 00:00:58,640

was very remote few homes in that area

18

00:01:03,040 --> 00:01:01,129

and very wooded my dad would often

19

00:01:05,170 --> 00:01:03,050

patrol with the local officers from the

20

00:01:07,060 --> 00:01:05,180

game Commission I am pointing this out

21

00:01:09,490 --> 00:01:07,070

due to the fact of how he reacted when

22

00:01:10,870 --> 00:01:09,500

we saw this thing he was a big guy and

23

00:01:12,850 --> 00:01:10,880

very little scared him

24

00:01:14,830 --> 00:01:12,860

we often shook our heads when he would

25

00:01:17,230 --> 00:01:14,840

go outside at night to scare off a bear

26

00:01:19,420 --> 00:01:17,240

with only a pitchfork he knew wildlife

27

00:01:21,130 --> 00:01:19,430

knew what their habits were knew if they

28

00:01:23,980 --> 00:01:21,140

were going to be a problem on the farm

29

00:01:26,469 --> 00:01:23,990

etc on this night we were woken by a

30

00:01:28,450 --> 00:01:26,479

loud commotion near our front porch we

31

00:01:30,010 --> 00:01:28,460

had outside cats that hung around the

32

00:01:31,930 --> 00:01:30,020

porch and they would scatter when a

33

00:01:33,700 --> 00:01:31,940

raccoon or other animal would approach

34

00:01:35,920 --> 00:01:33,710

the front of the house when they

35

00:01:38,109 --> 00:01:35,930

scattered it was quite loud hence the

36

00:01:40,120 --> 00:01:38,119

noise that woke us I remember hearing

37

00:01:42,040 --> 00:01:40,130

dad giving his typical angry sigh

38

00:01:44,590 --> 00:01:42,050

because he had to get up and see what

39

00:01:46,540 --> 00:01:44,600

was out there he had gone downstairs the

40

00:01:48,910 --> 00:01:46,550

house was quiet we were all waiting to

41

00:01:51,219 --> 00:01:48,920

hear the door shut instead we heard dad

42

00:01:52,059 --> 00:01:51,229

let out a bellow this had us all running

43

00:01:54,400 --> 00:01:52,069

for the stairs

44

00:01:57,070 --> 00:01:54,410

he was standing back from the door gun

45

00:01:59,440 --> 00:01:57,080

in hand and his face was well I guess

46

00:02:01,749 --> 00:01:59,450

you would say scared as I've said

47

00:02:03,760 --> 00:02:01,759

nothing seemed to scare dad so seeing

48

00:02:06,430 --> 00:02:03,770

that look on his face made us all stand

49

00:02:08,800 --> 00:02:06,440

there uncertain outside standing in

50

00:02:11,080 --> 00:02:08,810

profile looking right back at us and no

51  
00:02:13,360 --> 00:02:11,090  
fear this thing showed no fear at all in

52  
00:02:13,960 --> 00:02:13,370  
fact I remember thinking that it was

53  
00:02:16,180 --> 00:02:13,970  
angry

54  
00:02:18,520 --> 00:02:16,190  
it just looked mean it was a canine

55  
00:02:20,380 --> 00:02:18,530  
certainly not a dog it looked like a

56  
00:02:22,510 --> 00:02:20,390  
hyena from the front shoulders to the

57  
00:02:24,610 --> 00:02:22,520  
head the back end was way smaller than

58  
00:02:27,040 --> 00:02:24,620  
the front shoulders in head I do not

59  
00:02:29,530 --> 00:02:27,050  
remember seeing a tail the fur was odd

60  
00:02:32,110 --> 00:02:29,540  
sparse and shaggy looking it just didn't

61  
00:02:33,699 --> 00:02:32,120  
look like fur it's hard to explain the

62  
00:02:36,220 --> 00:02:33,709  
snout was not long and narrow

63  
00:02:38,680 --> 00:02:36,230

it was stubby but big the whole body was

64

00:02:40,750 --> 00:02:38,690

huge from its back end to its head it

65

00:02:43,300 --> 00:02:40,760

was almost the width of our porch this

66

00:02:43,869 --> 00:02:43,310

would put it at least 7 feet long it was

67

00:02:45,910 --> 00:02:43,879

huge

68

00:02:48,100 --> 00:02:45,920

it stood looking in at us then looked

69

00:02:50,710 --> 00:02:48,110

towards our barn back at us again then

70

00:02:53,440 --> 00:02:50,720

just simply and very slowly walked a few

71

00:02:55,330 --> 00:02:53,450

steps then it took off it was so fast

72

00:02:58,150 --> 00:02:55,340

literally it was like seeing a blur of

73

00:03:00,460 --> 00:02:58,160

color than it was gone we all just stood

74

00:03:03,220 --> 00:03:00,470

there then mom asked dad what it was and

75

00:03:05,020 --> 00:03:03,230

dad yelled for us all to get upstairs he

76

00:03:07,270 --> 00:03:05,030

stayed up all that night never went

77

00:03:09,760 --> 00:03:07,280

outside to check the animals never even

78

00:03:10,570 --> 00:03:09,770

opened the door oddly enough we never

79

00:03:13,449 --> 00:03:10,580

talked about it

80

00:03:15,160 --> 00:03:13,459

nobody ever mentioned it again I wish I

81

00:03:17,530 --> 00:03:15,170

had more information to give you however

82

00:03:20,229 --> 00:03:17,540

this does give you a possible timestamp

83

00:03:22,180 --> 00:03:20,239

I spent most of my life up there in that

84

00:03:24,520 --> 00:03:22,190

area and it was a unique area for sure

85

00:03:26,650 --> 00:03:24,530

many things happened up there that were

86

00:03:29,410 --> 00:03:26,660

unexplained and I was glad to move away

87

00:03:31,240 --> 00:03:29,420

when I was 33 I do still live in the

88

00:03:33,460 --> 00:03:31,250

Clearfield area but no more thick

89

00:03:41,190 --> 00:03:33,470

forests hope this helps a bit

90

00:03:46,870 --> 00:03:44,530

dog Minh by my bed when I was about four

91

00:03:49,360 --> 00:03:46,880

or five years old I was lying in my bed

92

00:03:51,130 --> 00:03:49,370

and I remember clearly a very large dog

93

00:03:53,350 --> 00:03:51,140

Minh I guess you would call it walking

94

00:03:55,750 --> 00:03:53,360

into my room it was standing over me

95

00:03:57,820 --> 00:03:55,760

beside my bed and picking up my arm and

96

00:03:59,830 --> 00:03:57,830

putting it in its mouth and then nothing

97

00:04:02,710 --> 00:03:59,840

this never seemed like a dream I

98

00:04:04,720 --> 00:04:02,720

remember it so clearly I remember my mom

99

00:04:06,670 --> 00:04:04,730

and her boyfriend were still awake we

100

00:04:08,470 --> 00:04:06,680

lived in a trailer and their room was at

101  
00:04:10,420 --> 00:04:08,480  
the end of the hall and mine was the

102  
00:04:12,220 --> 00:04:10,430  
last door on the right so I could hear

103  
00:04:14,170 --> 00:04:12,230  
them talking and I could see the light

104  
00:04:15,910 --> 00:04:14,180  
from their bedside lamp glowing off the

105  
00:04:18,460 --> 00:04:15,920  
hallway well right outside my bedroom

106  
00:04:20,560 --> 00:04:18,470  
door when I got older I assumed it had

107  
00:04:22,330 --> 00:04:20,570  
to have been a dream until I heard of

108  
00:04:24,610 --> 00:04:22,340  
dog Minh and saw drawings that looked

109  
00:04:26,800 --> 00:04:24,620  
just like what I saw that night it was

110  
00:04:27,700 --> 00:04:26,810  
like an abnormally tall large man with a

111  
00:04:29,860 --> 00:04:27,710  
dog's head

112  
00:04:31,720 --> 00:04:29,870  
the closest thing I've ever found and

113  
00:04:34,120 --> 00:04:31,730

the picture that made me believe this is

114

00:04:36,310 --> 00:04:34,130

a memory not a dream is a painting of

115

00:04:38,710 --> 00:04:36,320

dog Minh wearing long robes and satchels

116

00:04:40,930 --> 00:04:38,720

carrying large baskets with a castle in

117

00:04:42,640 --> 00:04:40,940

the background every other depiction

118

00:04:44,920 --> 00:04:42,650

looks like a werewolf but it looked

119

00:04:46,870 --> 00:04:44,930

nothing like a wolf it looked like a man

120

00:04:48,880 --> 00:04:46,880

was a domesticated dogs head like a

121

00:04:51,340 --> 00:04:48,890

cross between a beagle and away marine

122

00:04:53,260 --> 00:04:51,350

ER I remember clearly trying to scream

123

00:04:55,180 --> 00:04:53,270

but nothing coming out and then him

124

00:04:57,010 --> 00:04:55,190

lifting my arm to his mouth and putting

125

00:04:59,469 --> 00:04:57,020

my forearm and his teeth but no pain

126

00:05:02,050 --> 00:04:59,479

it's like that is when I blacked out I'd

127

00:05:10,350 --> 00:05:02,060

love to go under hypnosis and see if I

128

00:05:15,730 --> 00:05:12,939

dog Minh of hawk Hollow Preserve

129

00:05:18,459 --> 00:05:15,740

Illinois here's a personal story that

130

00:05:20,619 --> 00:05:18,469

was fairly recent we were driving home

131

00:05:22,959 --> 00:05:20,629

from my parents place and Streamwood

132

00:05:25,540 --> 00:05:22,969

Illinois and went through Bartlett like

133

00:05:27,279 --> 00:05:25,550

we typically do on Bartlett Road

134

00:05:29,409 --> 00:05:27,289

approaching Schick road there's a

135

00:05:29,890 --> 00:05:29,419

prairie Forest Preserve named Hawk

136

00:05:32,879 --> 00:05:29,900

Hollow

137

00:05:34,989 --> 00:05:32,889

that general area is supposedly haunted

138

00:05:38,230 --> 00:05:34,999

especially the park old schoolyard

139

00:05:40,360 --> 00:05:38,240

nearby now I've known this and have

140

00:05:42,339 --> 00:05:40,370

prayed against this entity specifically

141

00:05:45,429 --> 00:05:42,349

doglike spirit with a human or

142

00:05:47,829 --> 00:05:45,439

human-like face I have never seen it but

143

00:05:50,499 --> 00:05:47,839

the area has had many reports of general

144

00:05:53,230 --> 00:05:50,509

paranormal action and this dog thing is

145

00:05:54,939 --> 00:05:53,240

mentioned I always keep a lookout when

146

00:05:57,070 --> 00:05:54,949

we drive through there because deer

147

00:05:59,800 --> 00:05:57,080

might jump out and because you never

148

00:06:02,409 --> 00:05:59,810

know what you'll see so my wife was

149

00:06:04,869 --> 00:06:02,419

driving and I was looking around for

150

00:06:06,279 --> 00:06:04,879

anything weird and also because I like

151

00:06:09,339 --> 00:06:06,289

spotting wildlife

152

00:06:12,100 --> 00:06:09,349

it was dark around 8:30 p.m. this past

153

00:06:14,529 --> 00:06:12,110

December I happen to look down for a

154

00:06:17,439 --> 00:06:14,539

second I think I happened to drop my

155

00:06:20,050 --> 00:06:17,449

phone or something and my wife asks did

156

00:06:22,540 --> 00:06:20,060

you see that I knew what it was before

157

00:06:24,639 --> 00:06:22,550

she said anything else she knew nothing

158

00:06:27,100 --> 00:06:24,649

of my knowledge of the things going on

159

00:06:29,379 --> 00:06:27,110

in that area and I hadn't disclosed my

160

00:06:32,260 --> 00:06:29,389

prayers against any evil residing there

161

00:06:35,619 --> 00:06:32,270

I replied did you see something weird

162

00:06:38,529 --> 00:06:35,629

she said I think so it looked like a

163

00:06:41,739 --> 00:06:38,539

shadow that ran across the road did it

164

00:06:43,689 --> 00:06:41,749

look like a dog I asked she said it did

165

00:06:46,209 --> 00:06:43,699

and was wondering how I knew since I

166

00:06:49,089 --> 00:06:46,219

didn't see it she said it wasn't a solid

167

00:06:51,429 --> 00:06:49,099

animal like a coyote which we see now in

168

00:06:54,429 --> 00:06:51,439

them she said it was transparent and

169

00:06:56,920 --> 00:06:54,439

doglike but drawn out or thin I then

170

00:06:58,480 --> 00:06:56,930

told her a bit about that area it's

171

00:07:01,300 --> 00:06:58,490

funny that it happened to run across

172

00:07:03,369 --> 00:07:01,310

when I wasn't watching I think it's

173

00:07:05,829 --> 00:07:03,379

likely aware of God intervening through

174

00:07:07,839 --> 00:07:05,839

my prayer and it's not very happy with

175

00:07:10,510 --> 00:07:07,849

me that's fine with me

176

00:07:13,770 --> 00:07:10,520

I know it's up to no good and I'm not

177

00:07:18,850 --> 00:07:13,780

afraid of a Doran's brethren am

178

00:07:24,110 --> 00:07:21,260

huge dog men quadrupeds seen multiple

179

00:07:25,670 --> 00:07:24,120

times in Southeast Tennessee I need help

180

00:07:27,710 --> 00:07:25,680

figuring out what is happening in my

181

00:07:30,380 --> 00:07:27,720

neighborhood I live in a very secluded

182

00:07:32,210 --> 00:07:30,390

small town in Southeast Tennessee it's

183

00:07:34,370 --> 00:07:32,220

really peaceful during the day but it

184

00:07:36,440 --> 00:07:34,380

gets a somewhat strange at night there's

185

00:07:38,720 --> 00:07:36,450

a few houses on my road but for the most

186

00:07:40,190 --> 00:07:38,730

part it's only trees there were few

187

00:07:42,110 --> 00:07:40,200

occurring events that are all pretty

188

00:07:44,000 --> 00:07:42,120

spooky but the main one is what my

189

00:07:46,190 --> 00:07:44,010

friends and I called the dog Minh for

190

00:07:48,590 --> 00:07:46,200

lack of a better name I've only seen it

191

00:07:50,930 --> 00:07:48,600

twice in my life I've lived in this part

192

00:07:52,700 --> 00:07:50,940

of town for three years the dog Minh has

193

00:07:55,730 --> 00:07:52,710

a body shaped like that of a scrawny

194

00:07:57,830 --> 00:07:55,740

human it's bones are very visible it has

195

00:08:00,200 --> 00:07:57,840

fur but only in patches over its body

196

00:08:02,180 --> 00:08:00,210

sort of like a dog with mange

197

00:08:04,160 --> 00:08:02,190

though it has the bodily proportions of

198

00:08:06,920 --> 00:08:04,170

a person it has the head of a dog and

199

00:08:10,010 --> 00:08:06,930

can run extremely fast also it's

200

00:08:12,080 --> 00:08:10,020

freaking huge it is quadruple to preface

201  
00:08:14,900 --> 00:08:12,090  
my room is at the front of the house our

202  
00:08:16,490 --> 00:08:14,910  
front yard is the size of a field I had

203  
00:08:19,160 --> 00:08:16,500  
the biggest window in the house in my

204  
00:08:21,230 --> 00:08:19,170  
bedroom and it faces the front yard I do

205  
00:08:23,420 --> 00:08:21,240  
not have blinds over my window and my

206  
00:08:25,070 --> 00:08:23,430  
bed is in front of it the first time I

207  
00:08:27,409 --> 00:08:25,080  
saw the dog Minh it was late at night

208  
00:08:29,900 --> 00:08:27,419  
and I was sitting in bed I saw it

209  
00:08:31,880 --> 00:08:29,910  
running through my yard shortly after my

210  
00:08:34,580 --> 00:08:31,890  
cat who was an indoor/outdoor cat at the

211  
00:08:36,469 --> 00:08:34,590  
time came inside growling the cat was

212  
00:08:39,110 --> 00:08:36,479  
found dead across the creek near my yard

213  
00:08:41,300 --> 00:08:39,120

is alive he had no visible injuries and

214

00:08:43,670 --> 00:08:41,310

was very young and healthy we still

215

00:08:45,800 --> 00:08:43,680

don't know how he died the second time I

216

00:08:48,230 --> 00:08:45,810

saw it was earlier this evening my

217

00:08:50,300 --> 00:08:48,240

friend and I were sitting on my porch we

218

00:08:52,100 --> 00:08:50,310

noticed a very large moving mass on the

219

00:08:54,440 --> 00:08:52,110

base of the mountain which we live right

220

00:08:54,800 --> 00:08:54,450

in front of we decided to get a closer

221

00:08:57,170 --> 00:08:54,810

look

222

00:08:59,150 --> 00:08:57,180

my friend stayed behind to watch as my

223

00:09:01,190 --> 00:08:59,160

grandfather and I drove down the road to

224

00:09:03,650 --> 00:09:01,200

the base of the mountain I didn't want

225

00:09:05,750 --> 00:09:03,660

to drive there alone as we got near we

226

00:09:08,060 --> 00:09:05,760

stopped in front of the mass it was a

227

00:09:09,590 --> 00:09:08,070

tree something then sprinted out from

228

00:09:11,930 --> 00:09:09,600

behind it and into the woods to the

229

00:09:14,120 --> 00:09:11,940

right of us there's absolutely no doubt

230

00:09:16,520 --> 00:09:14,130

in my mind it was the dog Minh if you

231

00:09:18,440 --> 00:09:16,530

have any ideas as to what this is or how

232

00:09:19,790 --> 00:09:18,450

I can go about finding out more about it

233

00:09:23,570 --> 00:09:19,800

I'd love to hear it

234

00:09:27,300 --> 00:09:23,580
