00:00:10,650 --> 00:00:07,679  
the oldest and strongest human emotion

2  
00:00:14,930 --> 00:00:10,660  
is fear and the oldest and strongest

3  
00:00:18,120 --> 00:00:14,940  
type of fear is trepidation of young

4  
00:00:22,050 --> 00:00:18,130  
when we were children our parents told

5  
00:00:24,330 --> 00:00:22,060  
us that monsters didn't exist but we

6  
00:00:27,540 --> 00:00:24,340  
were sure that something is lurking

7  
00:00:31,310 --> 00:00:27,550  
under the bed or in the closet fear

8  
00:00:35,010 --> 00:00:31,320  
seized even if our eyes are closed

9  
00:00:38,040 --> 00:00:35,020  
welcome to the realm of your king my

10  
00:00:40,889 --> 00:00:38,050  
name is Juan stripper join me as I

11  
00:00:45,200 --> 00:00:40,899  
examine unexplained creatures strange

12  
00:00:48,569 --> 00:00:45,210  
manifestations and remarkable realities

13  
00:00:51,810 --> 00:00:48,579

imagine this next hour as a voyage of

14

00:00:54,690 --> 00:00:51,820

discovered to strange lands seeking not

15

00:00:57,990 --> 00:00:54,700

for new territory but for new knowledge

16

00:01:00,910 --> 00:00:58,000

of the supernatural come on board as we

17

00:01:08,450 --> 00:01:00,920

thanks having me long yeah thank for

53

having me always great to be on our teen

54  
00:02:55,800 --> 00:02:52,560  
radio so let's get right into it

55  
00:03:00,900 --> 00:02:55,810  
Tobias what uh what have you been

56  
00:03:05,310 --> 00:03:00,910  
working on aside from the 14 research

57  
00:03:08,460 --> 00:03:05,320  
team so sort of outside of the Lake

58  
00:03:11,460 --> 00:03:08,470  
Michigan Mothman stuff yeah well you

59  
00:03:14,940 --> 00:03:11,470  
know interestingly of Emily and I had an

60  
00:03:17,160 --> 00:03:14,950  
opportunity last weekend to go to Farrar

61  
00:03:18,550 --> 00:03:17,170  
Iowa if you haven't heard of it that's

62  
00:03:22,089 --> 00:03:18,560  
pretty normal it's

63  
00:03:25,440 --> 00:03:22,099

a small unincorporated town just outside

64

00:03:29,290 --> 00:03:25,450

of Des Moines like like that area and

65

00:03:31,900 --> 00:03:29,300

they have this schoolhouse there which I

66

00:03:35,250 --> 00:03:31,910

believe was built in 1922 and it was

67

00:03:38,170 --> 00:03:35,260

actually an inactive schoolhouse until

68

00:03:43,449 --> 00:03:38,180

just after the turn of the millennium so

69

00:03:45,970 --> 00:03:43,459

2001 2002 and in 2006 it was bought by a

70

00:03:50,530 --> 00:03:45,980

couple and and they originally intended

71

00:03:53,800 --> 00:03:50,540

to you know fix it up use it for you

72

00:03:57,520 --> 00:03:53,810

know just as a venue so like weddings

73

00:04:00,370 --> 00:03:57,530

and and receptions things things like

74

00:04:04,830 --> 00:04:00,380

that and you know they almost

75

00:04:07,990 --> 00:04:04,840

immediately had a series of strange

76

00:04:10,710 --> 00:04:08,000

paranormal events I believe one of

77

00:04:15,880 --> 00:04:10,720

them that they really stood out was the

78

00:04:20,560 --> 00:04:15,890

wife was on the the stairs and she felt

79

00:04:24,040 --> 00:04:20,570

some some kind of presence and she you

80

00:04:27,159 --> 00:04:24,050

know she was she was pushed and and it

81

00:04:29,350 --> 00:04:27,169

turns out that and a lot of these

82

00:04:33,120 --> 00:04:29,360

stories I wasn't able to to confirm but

83

00:04:36,760 --> 00:04:33,130

there had been some sort of history of

84

00:04:39,130 --> 00:04:36,770

people reporting paranormal phenomena

85

00:04:41,650 --> 00:04:39,140

throughout sort of the school's history

86

00:04:43,570 --> 00:04:41,660

which I don't think is a huge surprise

87

00:04:48,520 --> 00:04:43,580

to anybody considering you know its its

88

00:04:50,260 --> 00:04:48,530

age and so we were invited there by Fox

89

00:04:54,610 --> 00:04:50,270

Valley Ghost Hunters and and they were

90

00:04:57,700 --> 00:04:54,620

putting on a a combination conference

91

00:05:01,690 --> 00:04:57,710

and investigation and so we got to go

92

00:05:03,909 --> 00:05:01,700

and investigate there Friday and

93

00:05:06,129 --> 00:05:03,919

Saturday and it's a it's a pretty

94

00:05:08,680 --> 00:05:06,139

interesting place originally we were

95

00:05:11,409 --> 00:05:08,690

going to stay overnight both nights but

96

00:05:14,260 --> 00:05:11,419

I'm sure as you guys remember you know

97

00:05:17,650 --> 00:05:14,270

it was well over a hundred degrees with

98

00:05:19,719 --> 00:05:17,660

the the heat index up into you know 110

99

00:05:22,180 --> 00:05:19,729

degrees or something other worse than

100

00:05:23,680 --> 00:05:22,190

our old house on a hot day they that was

101  
00:05:28,149 --> 00:05:23,690  
their old school house too is you know

102  
00:05:30,880 --> 00:05:28,159  
I've even ventilated worse than a normal

103  
00:05:32,390 --> 00:05:30,890  
house honourary and so you know like

104  
00:05:34,550 --> 00:05:32,400  
that that idea didn't lie

105  
00:05:37,340 --> 00:05:34,560  
very long so we ended up getting a hotel

106  
00:05:40,210 --> 00:05:37,350  
but you know we had unlimited access we

107  
00:05:43,310 --> 00:05:40,220  
we stayed pretty late both nights and

108  
00:05:47,540 --> 00:05:43,320  
and you know like like I said even

109  
00:05:49,719 --> 00:05:47,550  
though even having done some some actual

110  
00:05:55,310 --> 00:05:49,729  
digging like we were never able to

111  
00:05:58,249 --> 00:05:55,320  
really confirm any of the reports

112  
00:05:59,930 --> 00:05:58,259  
attached to that place insofar as there

113  
00:06:04,850 --> 00:05:59,940

weren't a lot of witnesses on the record

114

00:06:08,060 --> 00:06:04,860

or even really stories by a lot of

115

00:06:10,370 --> 00:06:08,070

established investigators that had you

116

00:06:12,620 --> 00:06:10,380

know published things at least under

117

00:06:14,390 --> 00:06:12,630

their own credibility and you know

118

00:06:16,250 --> 00:06:14,400

there's probably gonna be a dozen people

119

00:06:18,140 --> 00:06:16,260

after this that come out and say well

120

00:06:20,420 --> 00:06:18,150

you didn't look at this or I wrote this

121

00:06:22,610 --> 00:06:20,430

or and hey awesome that would be great I

122

00:06:24,980 --> 00:06:22,620

would love to read about it but before

123

00:06:27,379 --> 00:06:24,990

we went we weren't able to to find any

124

00:06:28,790 --> 00:06:27,389

of that stuff and and I I didn't really

125

00:06:29,420 --> 00:06:28,800

find a whole lot of it once we were

126

00:06:31,400 --> 00:06:29,430

there either

127

00:06:34,520 --> 00:06:31,410

but we did have some some interesting

128

00:06:39,980 --> 00:06:34,530

results so I don't know how you guys

129

00:06:42,560 --> 00:06:39,990

feel about those ghost boxes or spirit

130

00:06:46,580 --> 00:06:42,570

boxes I had never actually worked with

131

00:06:49,010 --> 00:06:46,590

one before but there were a couple of

132

00:06:52,909 --> 00:06:49,020

guys there Katie and and Doug from

133

00:06:58,129 --> 00:06:52,919

Supernatural lank and they hand make

134

00:07:00,800 --> 00:06:58,139

these these spirit boxes and you know

135

00:07:03,260 --> 00:07:00,810

we're thinking well you know what the

136

00:07:04,790 --> 00:07:03,270

heck right like we're here we're with

137

00:07:06,830 --> 00:07:04,800

these ghost hunting teams they've got

138

00:07:09,260 --> 00:07:06,840

experience using these ghost boxes they

139

00:07:12,770 --> 00:07:09,270

swear by results so you know we we might

140

00:07:16,430 --> 00:07:12,780

as well use them and some of the results

141

00:07:20,270 --> 00:07:16,440

were fairly surprising to me you know I

142

00:07:24,140 --> 00:07:20,280

never have really placed a lot of faith

143

00:07:29,210 --> 00:07:24,150

in any of the sort of technical

144

00:07:31,939 --> 00:07:29,220

mumbo-jumbo that people will will use

145

00:07:33,640 --> 00:07:31,949

you know during paranormal investigation

146

00:07:37,490 --> 00:07:33,650

you know all the stuff that sort of

147

00:07:41,209 --> 00:07:37,500

found its its popularity through reality

148

00:07:42,890 --> 00:07:41,219

television but you know this is this is

149

00:07:44,530 --> 00:07:42,900

something that I I think we might

150

00:07:46,390 --> 00:07:44,540

actually try on on

151

00:07:51,160 --> 00:07:46,400

I'm going forward actually we've we've

152

00:07:53,710 --> 00:07:51,170

placed orders with with Katie for for

153

00:07:55,840 --> 00:07:53,720

him to make us you know yeah two of his

154

00:07:59,560 --> 00:07:55,850

two of his ghost box with ghost boxes

155

00:08:02,140 --> 00:07:59,570

but anyway so I we we did have some some

156

00:08:05,020 --> 00:08:02,150

interesting results you know we were

157

00:08:08,260 --> 00:08:05,030

upstairs in the auditorium on the first

158

00:08:10,510 --> 00:08:08,270

night and we were sitting in a circle

159

00:08:13,560 --> 00:08:10,520

you know lights out and you know people

160

00:08:18,400 --> 00:08:13,570

were asking questions to this box and

161

00:08:22,740 --> 00:08:18,410

you know I I swear that that it was

162

00:08:28,120 --> 00:08:22,750

giving some kind of in intelligent and

163

00:08:29,920 --> 00:08:28,130

intelligible responses and I you know I

164

00:08:32,380 --> 00:08:29,930

I don't know if some of that was was

165

00:08:34,390 --> 00:08:32,390

confirmation bias but you know it really

166

00:08:36,010 --> 00:08:34,400

felt in that moment like we were

167

00:08:38,350 --> 00:08:36,020

communicating with something and so this

168

00:08:41,590 --> 00:08:38,360

thing comes through and you know says

169

00:08:43,530 --> 00:08:41,600

it's it it's name is filip and you know

170

00:08:45,790 --> 00:08:43,540

people sort of surmise that it was a

171

00:08:50,350 --> 00:08:45,800

possibly a student there at one time I

172

00:08:52,300 --> 00:08:50,360

don't really know and and yeah yeah you

173

00:08:59,080 --> 00:08:52,310

know I had a little conversation kind of

174

00:09:02,110 --> 00:08:59,090

and it was it was more than I think you

175

00:09:05,230 --> 00:09:02,120

know we would normally expect to get on

176

00:09:08,170 --> 00:09:05,240

in investigation as far as something

177

00:09:09,790 --> 00:09:08,180

that you know say we could show an

178

00:09:13,150 --> 00:09:09,800

audience something that I could record

179

00:09:14,830 --> 00:09:13,160

and be like hey you know look at this

180

00:09:17,590 --> 00:09:14,840

what do you what do you think about this

181

00:09:18,940 --> 00:09:17,600

alright and there were a few incidents

182

00:09:21,190 --> 00:09:18,950

like that I mean you know Emily and I

183

00:09:23,590 --> 00:09:21,200

had some of the the stuff that that we

184

00:09:26,860 --> 00:09:23,600

would expect personally it's you know

185

00:09:30,130 --> 00:09:26,870

it's just so difficult to relay a

186

00:09:33,760 --> 00:09:30,140

feeling through through video or audio

187

00:09:37,060 --> 00:09:33,770

or anything you know so when we had an

188

00:09:41,490 --> 00:09:37,070

odd feeling or or maybe we would we

189

00:09:44,920 --> 00:09:41,500

would see a shadow person or something

190

00:09:47,640 --> 00:09:44,930

it's difficult to capture that stuff and

191

00:09:52,690 --> 00:09:47,650

so I just thought it was interesting how

192

00:09:54,820 --> 00:09:52,700

the the Ghost Box sort of you know

193

00:09:57,100 --> 00:09:54,830

brought a little more life be you know

194

00:09:58,150 --> 00:09:57,110

be because they had you know other

195

00:10:00,670 --> 00:09:58,160

people had brought

196

00:10:03,100 --> 00:10:00,680

like you know the EMF detectors and

197

00:10:06,970 --> 00:10:03,110

stuff like that and I you know you're

198

00:10:10,689 --> 00:10:06,980

wandering around in an old building you

199

00:10:13,150 --> 00:10:10,699

know I I i could see how there would be

200

00:10:15,939 --> 00:10:13,160

a lot of false positives on something

201  
00:10:19,240 --> 00:10:15,949  
like that i I really do I mean with with

202  
00:10:20,949 --> 00:10:19,250  
with old wiring and just everything else

203  
00:10:24,280 --> 00:10:20,959  
I mean heck honestly like there are

204  
00:10:25,780 --> 00:10:24,290  
natural EMF fields that that can occur

205  
00:10:27,910 --> 00:10:25,790  
and there's just a lot of different

206  
00:10:31,030 --> 00:10:27,920  
things that could go wrong which

207  
00:10:33,460 --> 00:10:31,040  
personally I think is probably why they

208  
00:10:37,090 --> 00:10:33,470  
gained so much popularity because it's

209  
00:10:39,189 --> 00:10:37,100  
so easy to find in EMF field pretty much

210  
00:10:41,050 --> 00:10:39,199  
anywhere you are that you know you're

211  
00:10:43,590 --> 00:10:41,060  
gonna get a lot of that confirmation

212  
00:10:46,509 --> 00:10:43,600  
bias by it especially in an older older

213  
00:10:50,610 --> 00:10:46,519

location that's got wiring oh yeah

214

00:10:54,040 --> 00:10:50,620

absolutely you know like we were in the

215

00:10:55,920 --> 00:10:54,050

Al ringling mansion a few years ago and

216

00:10:58,929 --> 00:10:55,930

you know we had some some interesting

217

00:11:01,389 --> 00:10:58,939

electrical you know phenomena there and

218

00:11:04,120 --> 00:11:01,399

I don't know that it wasn't related to

219

00:11:05,889 --> 00:11:04,130

some sort of natural event I mean there

220

00:11:08,290 --> 00:11:05,899

was there was a lightning storm

221

00:11:10,449 --> 00:11:08,300

happening you know like that house is

222

00:11:12,490 --> 00:11:10,459

it's old as hell it's it's got a bunch

223

00:11:14,740 --> 00:11:12,500

of like uninsulated wiring in it I mean

224

00:11:17,679 --> 00:11:14,750

who knows and I'm sure this this school

225

00:11:20,439 --> 00:11:17,689

was was no better because it clearly

226

00:11:24,939 --> 00:11:20,449

hadn't been renovated I it didn't take

227

00:11:28,050 --> 00:11:24,949

them very long after the initial event

228

00:11:30,610 --> 00:11:28,060

experienced by the the wife on that

229

00:11:32,139 --> 00:11:30,620

staircase for them to decide that they

230

00:11:35,079 --> 00:11:32,149

were gonna use this for you know

231

00:11:37,990 --> 00:11:35,089

paranormal events and investigations and

232

00:11:41,819 --> 00:11:38,000

things um but you know honestly more

233

00:11:45,999 --> 00:11:41,829

interestingly than that initial

234

00:11:47,889 --> 00:11:46,009

auditorium session and in the actual

235

00:11:50,610 --> 00:11:47,899

investigation that evening it went on

236

00:11:52,780 --> 00:11:50,620

for a while there there were some other

237

00:11:55,119 --> 00:11:52,790

interesting results but I think probably

238

00:11:57,990 --> 00:11:55,129

the most fascinating thing for me was on

239

00:12:04,569 --> 00:11:58,000

Saturday there's this this creepy old

240

00:12:07,120 --> 00:12:04,579

boiler room and and we are down in there

241

00:12:10,629 --> 00:12:07,130

and you know Katie's got his his ghost

242

00:12:11,090 --> 00:12:10,639

box and we're we're asking questions and

243

00:12:14,060 --> 00:12:11,100

it was enough

244

00:12:17,810 --> 00:12:14,070

the situation with this piece of

245

00:12:20,860 --> 00:12:17,820

equipment where you know I swear where

246

00:12:25,670 --> 00:12:20,870

we're getting some kind of intelligible

247

00:12:29,380 --> 00:12:25,680

response and and it was creepy you know

248

00:12:32,270 --> 00:12:29,390

I don't get creeped out a lot on

249

00:12:36,710 --> 00:12:32,280

investigations you know I I always have

250

00:12:38,750 --> 00:12:36,720

that sort of autonomous you know sort of

251  
00:12:40,490 --> 00:12:38,760  
startled response that you really like

252  
00:12:41,810 --> 00:12:40,500  
you can just never get rid of it's it's

253  
00:12:43,430 --> 00:12:41,820  
automatic there's nothing you can do

254  
00:12:45,650 --> 00:12:43,440  
about it but as far as I really getting

255  
00:12:48,820 --> 00:12:45,660  
creeped out with it that never happens

256  
00:12:51,680 --> 00:12:48,830  
but you know I was creeped out here

257  
00:12:53,480 --> 00:12:51,690  
started asking questions and getting

258  
00:12:55,670 --> 00:12:53,490  
responses through this box from

259  
00:12:58,460 --> 00:12:55,680  
something that and I you know in

260  
00:13:01,460 --> 00:12:58,470  
hindsight outside of that moment it

261  
00:13:03,620 --> 00:13:01,470  
honestly sounds a little silly but but

262  
00:13:07,310 --> 00:13:03,630  
bear with me here we start getting

263  
00:13:11,330 --> 00:13:07,320

responses from this thing that is

264

00:13:13,460 --> 00:13:11,340

telling us that the master is is coming

265

00:13:16,880 --> 00:13:13,470

and you know and people are asking who

266

00:13:18,740 --> 00:13:16,890

is the master and in this that and the

267

00:13:21,560 --> 00:13:18,750

other and and we're just getting all

268

00:13:24,860 --> 00:13:21,570

kinds of strange responses and it seems

269

00:13:27,410 --> 00:13:24,870

very you know very much like it's

270

00:13:30,890 --> 00:13:27,420

avoiding that that question and just

271

00:13:34,010 --> 00:13:30,900

sort of tying with everybody and and it

272

00:13:36,190 --> 00:13:34,020

was just creepy you know I I don't know

273

00:13:39,290 --> 00:13:36,200

how else to put it and I don't think

274

00:13:41,600 --> 00:13:39,300

probably I'm doing it a lot of justice

275

00:13:43,580 --> 00:13:41,610

by by just talking about it it really

276

00:13:45,560 --> 00:13:43,590

it's one of those things where we've

277

00:13:49,490 --> 00:13:45,570

we've got this footage that you know

278

00:13:51,170 --> 00:13:49,500

because we were recording and so like

279

00:13:53,930 --> 00:13:51,180

we've got this footage that will get

280

00:13:55,430 --> 00:13:53,940

edited and everything and we'll put it

281

00:13:58,610 --> 00:13:55,440

together and probably put it up on

282

00:14:00,620 --> 00:13:58,620

patreon or something and but yeah you

283

00:14:02,660 --> 00:14:00,630

know it was it was it was it was

284

00:14:05,600 --> 00:14:02,670

something else so that was a lot of fun

285

00:14:08,600 --> 00:14:05,610

you know we try to get out into the

286

00:14:11,060 --> 00:14:08,610

field as as much as possible but you

287

00:14:12,860 --> 00:14:11,070

know it it can be tough and you know so

288

00:14:14,450 --> 00:14:12,870

it was it was nice to be able to to

289

00:14:16,550 --> 00:14:14,460

travel a little bit

290

00:14:22,790 --> 00:14:16,560

get out somewhere we'd never been before

291

00:14:24,620 --> 00:14:22,800

and and you know it experienced you know

292

00:14:30,050 --> 00:14:24,630

pretty convincing

293

00:14:31,400 --> 00:14:30,060

of paranormal activity those ghost boxes

294

00:14:33,290 --> 00:14:31,410

you know I'm I'm really really

295

00:14:35,810 --> 00:14:33,300

interested in I'm Irene I want to get

296

00:14:37,250 --> 00:14:35,820

one for myself I you know someone has

297

00:14:39,560 --> 00:14:37,260

said to me before well you know how do

298

00:14:41,960 --> 00:14:39,570

you know it's it's ghosts and I replied

299

00:14:43,940 --> 00:14:41,970

well you don't you didn't write it yes

300

00:14:46,040 --> 00:14:43,950

but they were like well you're just

301  
00:14:47,810 --> 00:14:46,050  
doing that with your mind I'm like okay

302  
00:14:50,840 --> 00:14:47,820  
that's still really really interesting

303  
00:14:53,600 --> 00:14:50,850  
to me you know oh yeah I mean that was

304  
00:14:55,640 --> 00:14:53,610  
you know I actually had a conversation

305  
00:14:58,130 --> 00:14:55,650  
with a couple of guys there I mean

306  
00:15:02,240 --> 00:14:58,140  
basically about exactly what you're

307  
00:15:04,700 --> 00:15:02,250  
talking about him and it's that yeah I

308  
00:15:08,330 --> 00:15:04,710  
mean you you you don't know with with

309  
00:15:10,960 --> 00:15:08,340  
what you are communicating and even if

310  
00:15:14,090 --> 00:15:10,970  
somehow yeah I mean like through some

311  
00:15:18,860 --> 00:15:14,100  
unknown psychic mechanism you know like

312  
00:15:22,430 --> 00:15:18,870  
you are are subconsciously influencing

313  
00:15:24,710 --> 00:15:22,440

this device I mean that's pretty amazing

314

00:15:28,270 --> 00:15:24,720

exactly yeah to me it's it's no less

315

00:15:31,280 --> 00:15:28,280

fascinating and no less worthy of

316

00:15:32,840 --> 00:15:31,290

experimenting with because if you get

317

00:15:34,640 --> 00:15:32,850

different results depending on these you

318

00:15:35,900 --> 00:15:34,650

know in these haunted group locations

319

00:15:37,220 --> 00:15:35,910

and you would somewhere else

320

00:15:39,260 --> 00:15:37,230

well that that should tell you something

321

00:15:42,410 --> 00:15:39,270

as well they're they're very interesting

322

00:15:45,080 --> 00:15:42,420

tools I think oh yeah I mean I'm very

323

00:15:49,640 --> 00:15:45,090

much looking forward to getting ours you

324

00:15:51,080 --> 00:15:49,650

know we've we talked to Jay pachow chin

325

00:15:54,530 --> 00:15:51,090

you know pretty pretty frequently he's a

326

00:15:57,170 --> 00:15:54,540

he's a good friend and you know we we

327

00:15:59,210 --> 00:15:57,180

want to get those out to the Kettle

328

00:16:02,480 --> 00:15:59,220

Moraine forest actually because that

329

00:16:07,100 --> 00:16:02,490

place I think we could get some

330

00:16:11,330 --> 00:16:07,110

interesting results there I mean because

331

00:16:16,010 --> 00:16:11,340

it's not I mean that cattle brain to me

332

00:16:18,350 --> 00:16:16,020

isn't great evidence for Bigfoot as an

333

00:16:19,880 --> 00:16:18,360

undiscovered ape and I I'm sure it

334

00:16:22,370 --> 00:16:19,890

probably has a lot to say about this

335

00:16:27,130 --> 00:16:22,380

yeah yeah it's it's it's way weirder

336

00:16:28,370 --> 00:16:27,140

it's so much weirder and with all of the

337

00:16:30,320 --> 00:16:28,380

associated

338

00:16:34,940 --> 00:16:30,330

you know high strangeness phenomena

339

00:16:38,030 --> 00:16:34,950

present if you know these ghost boxes do

340

00:16:40,730 --> 00:16:38,040

represent some

341

00:16:44,449 --> 00:16:40,740

you know medium that can be influenced

342

00:16:48,230 --> 00:16:44,459

by you know otherworldly consciousness

343

00:16:50,240 --> 00:16:48,240

in in some way then you know I I would

344

00:16:52,460 --> 00:16:50,250

think that the Kettle Moraine State

345

00:16:56,000 --> 00:16:52,470

Forest would probably be a pretty good

346

00:16:58,579 --> 00:16:56,010

place to to test that yeah I'm always

347

00:17:00,889 --> 00:16:58,589

dubious about this electronic equipment

348

00:17:02,439 --> 00:17:00,899

and all the new stuff that comes out as

349

00:17:05,900 --> 00:17:02,449

for it being used in paranormal

350

00:17:08,090 --> 00:17:05,910

investigations you know now first we had

351

00:17:11,569 --> 00:17:08,100

way out of the spirit box has been out

352

00:17:13,909 --> 00:17:11,579

for a while now but you know you got the

353

00:17:16,579 --> 00:17:13,919

oculus and then you got a lot of

354

00:17:19,490 --> 00:17:16,589

renditions on this this Ghost Box thing

355

00:17:23,000 --> 00:17:19,500

or what they call Frank's box originally

356

00:17:24,530 --> 00:17:23,010

right I don't know you know I've gotten

357

00:17:28,309 --> 00:17:24,540

a lot of arguments with people about

358

00:17:30,140 --> 00:17:28,319

that and you know I I don't

359

00:17:32,419 --> 00:17:30,150

I personally don't hold a lot of

360

00:17:37,340 --> 00:17:32,429

credibility to it but you know who knows

361

00:17:41,539 --> 00:17:37,350

oh sure I mean I sort of the the way I

362

00:17:44,539 --> 00:17:41,549

look at it is you know there there's not

363

00:17:46,640 --> 00:17:44,549

anything necessarily special about it I

364

00:17:52,310 --> 00:17:46,650

guess that that makes it work better

365

00:17:59,000 --> 00:17:52,320

than any other divin Ettore method I I

366

00:18:02,480 --> 00:17:59,010

just think that it is you know the type

367

00:18:06,320 --> 00:18:02,490

of method of divination that would allow

368

00:18:08,360 --> 00:18:06,330

for the results thereof to be easily

369

00:18:11,750 --> 00:18:08,370

translatable to somebody else I mean I

370

00:18:14,720 --> 00:18:11,760

can I can cast runes you know and and

371

00:18:17,090 --> 00:18:14,730

get a pretty clear message from that but

372

00:18:18,680 --> 00:18:17,100

it's so open to interpretation that if

373

00:18:20,720 --> 00:18:18,690

you you know even if I have a camera

374

00:18:22,400 --> 00:18:20,730

pointing at it people will go well I

375

00:18:24,500 --> 00:18:22,410

mean you can see anything you want in

376

00:18:27,950 --> 00:18:24,510

there which is a pretty fair assessment

377

00:18:30,620 --> 00:18:27,960

if I managed to capture you know

378

00:18:33,440 --> 00:18:30,630

something on a ghost box answering a

379

00:18:37,480 --> 00:18:33,450

question or something I again I don't

380

00:18:41,060 --> 00:18:37,490

think there's any necessarily intrinsic

381

00:18:44,419 --> 00:18:41,070

capability of that over some other type

382

00:18:47,210 --> 00:18:44,429

of or you know of device or method but

383

00:18:50,030 --> 00:18:47,220

it it just gets it in a way where I I

384

00:18:51,650 --> 00:18:50,040

would be able to at least try to show it

385

00:18:52,700 --> 00:18:51,660

to people but you know

386

00:18:55,190 --> 00:18:52,710

I honestly don't have a lot of

387

00:19:01,280 --> 00:18:55,200

experience with it at this point so I

388

00:19:04,160 --> 00:19:01,290

had one cool weekend yeah yeah that's

389

00:19:06,860 --> 00:19:04,170

one good thing so Tim what you've you've

390

00:19:09,140 --> 00:19:06,870

been personally working on ah this heats

391

00:19:12,110 --> 00:19:09,150

been yes putting a damper I know it's

392

00:19:13,400 --> 00:19:12,120

it's a [h\_\_h] it really is it's I have

393

00:19:17,030 --> 00:19:13,410

not been good not much I did get out

394

00:19:21,460 --> 00:19:17,040

last week and there's a really cool

395

00:19:23,990 --> 00:19:21,470

cemetery in Columbia Pennsylvania it's I

396

00:19:26,660 --> 00:19:24,000

mean it's completely private at this

397

00:19:28,250 --> 00:19:26,670

point and it's taken care of by you know

398

00:19:30,680 --> 00:19:28,260

individuals a group of individuals and

399

00:19:33,200 --> 00:19:30,690

so forth but was able to gain access to

400

00:19:34,910 --> 00:19:33,210

the cemetery and I did a book signing

401  
00:19:36,410 --> 00:19:34,920  
there last week so I didn't get a chance

402  
00:19:38,630 --> 00:19:36,420  
to check it out too much although I did

403  
00:19:40,730 --> 00:19:38,640  
have some interesting things and a guy

404  
00:19:43,880 --> 00:19:40,740  
that was with me got a pretty

405  
00:19:45,260 --> 00:19:43,890  
interesting recording his cell phone was

406  
00:19:46,970 --> 00:19:45,270  
recording he didn't even know it was

407  
00:19:49,850 --> 00:19:46,980  
turned on and he came home with the

408  
00:19:50,870 --> 00:19:49,860  
recording of you know it's just a second

409  
00:19:54,380 --> 00:19:50,880  
or two but it's just a pretty

410  
00:19:57,200 --> 00:19:54,390  
interesting little clip that he got but

411  
00:20:01,520 --> 00:19:57,210  
I wrote to the people and I asked if I

412  
00:20:02,960 --> 00:20:01,530  
could get access to that again and so

413  
00:20:05,900 --> 00:20:02,970

they gave me access I'm going back this

414

00:20:08,270 --> 00:20:05,910

weekend good yeah real excited for that

415

00:20:11,650 --> 00:20:08,280

so I can be there at night so on the

416

00:20:14,450 --> 00:20:11,660

Bigfoot front or whatever is out there

417

00:20:16,930 --> 00:20:14,460

running around through the woods what's

418

00:20:20,390 --> 00:20:16,940

been going on with you in your area Oh

419

00:20:22,100 --> 00:20:20,400

slow year you know that last summer was

420

00:20:25,280 --> 00:20:22,110

I was getting calls every month one

421

00:20:26,930 --> 00:20:25,290

month I think last summer either either

422

00:20:28,760 --> 00:20:26,940

the end of the spring or early part of

423

00:20:31,400 --> 00:20:28,770

summer I got three calls from York

424

00:20:33,580 --> 00:20:31,410

County in one month which is you know

425

00:20:36,440 --> 00:20:33,590

that's pretty good for for Bigfoot calls

426

00:20:39,860 --> 00:20:36,450

this year just it's been just kind of

427

00:20:43,130 --> 00:20:39,870

dead I got a call back in January and

428

00:20:45,020 --> 00:20:43,140

then there was a the woman you turn me

429

00:20:50,260 --> 00:20:45,030

on to in America and Maryland just over

430

00:20:55,070 --> 00:20:50,270

the line the in kind of wing goes there

431

00:20:57,410 --> 00:20:55,080

so that was what has there been a follow

432

00:21:00,350 --> 00:20:57,420

up with that she said it's been quiet

433

00:21:03,440 --> 00:21:00,360

she said it's been real quiet best that

434

00:21:04,780 --> 00:21:03,450

was her name right right she so has been

435

00:21:06,940 --> 00:21:04,790

real quiet there

436

00:21:08,980 --> 00:21:06,950

nothing to report cuz I was gonna go out

437

00:21:11,860 --> 00:21:08,990

one night you know she said I was

438

00:21:15,240 --> 00:21:11,870

welcome to come out at any time I was

439

00:21:17,410 --> 00:21:15,250

gonna go out and you know just you know

440

00:21:19,510 --> 00:21:17,420

spend the night there not not the whole

441

00:21:21,220 --> 00:21:19,520

night but you know the late evening and

442

00:21:22,480 --> 00:21:21,230

and she said really there's just been

443

00:21:23,950 --> 00:21:22,490

nothing and she talked to her neighbor

444

00:21:25,990 --> 00:21:23,960

her neighbor was having you know

445

00:21:28,210 --> 00:21:26,000

frequent semi frequent encounters and so

446

00:21:30,160 --> 00:21:28,220

forth with with odd stuff and he said

447

00:21:31,720 --> 00:21:30,170

it's been quiet so I said well maybe

448

00:21:34,570 --> 00:21:31,730

I'll just put it off until you know

449

00:21:37,840 --> 00:21:34,580

after the seats done and and I'll come

450

00:21:39,730 --> 00:21:37,850

out again so um the most interesting

451  
00:21:41,380 --> 00:21:39,740  
thing about that and did we talk about

452  
00:21:43,660 --> 00:21:41,390  
that before one here I don't know if we

453  
00:21:48,340 --> 00:21:43,670  
did or not I don't know lay it on me man

454  
00:21:49,780 --> 00:21:48,350  
so I went out there and she works with

455  
00:21:51,220 --> 00:21:49,790  
the public I'm not sure how much

456  
00:21:52,360 --> 00:21:51,230  
information you know she would want us

457  
00:21:55,390 --> 00:21:52,370  
to give out but she worked with the

458  
00:21:57,310 --> 00:21:55,400  
public locally mm-hmm and she had talked

459  
00:21:59,890 --> 00:21:57,320  
to all her neighbors and just gotten all

460  
00:22:01,960 --> 00:21:59,900  
these stories it was like a little you

461  
00:22:05,710 --> 00:22:01,970  
know mini town hall she put on for me

462  
00:22:07,150 --> 00:22:05,720  
when when I came out there and she had

463  
00:22:08,290 --> 00:22:07,160

you know her neighbors over and they're

464

00:22:10,540 --> 00:22:08,300

talking about all these different things

465

00:22:11,290 --> 00:22:10,550

they experienced she her husband saw

466

00:22:13,060 --> 00:22:11,300

something

467

00:22:15,010 --> 00:22:13,070

now she originally saw what she

468

00:22:16,690 --> 00:22:15,020

described as a big black wolf that's

469

00:22:19,090 --> 00:22:16,700

what she saw she didn't see Bigfoot and

470

00:22:21,730 --> 00:22:19,100

it was quadrupedal whatever she saw but

471

00:22:24,370 --> 00:22:21,740

she said it was absolutely huge and then

472

00:22:26,920 --> 00:22:24,380

but then her husband saw something big

473

00:22:28,600 --> 00:22:26,930

up right walk past their balcony and he

474

00:22:30,910 --> 00:22:28,610

showed me you know exactly the window he

475

00:22:34,510 --> 00:22:30,920

looked out and saw it and just saw

476

00:22:36,190 --> 00:22:34,520

something hairy move and their balcony

477

00:22:38,710 --> 00:22:36,200

sits any eight feet off the ground

478

00:22:41,710 --> 00:22:38,720

anyway so whatever he saw above that had

479

00:22:43,630 --> 00:22:41,720

to be taller than that mhm

480

00:22:44,860 --> 00:22:43,640

very credible very credible and then

481

00:22:46,210 --> 00:22:44,870

like I said she brought her neighbors

482

00:22:48,610 --> 00:22:46,220

over and they're telling me stories and

483

00:22:50,260 --> 00:22:48,620

and all their stories were Bigfoot so

484

00:22:52,780 --> 00:22:50,270

she is the only one who saw this black

485

00:22:54,220 --> 00:22:52,790

wolf thing whatever that is and yeah you

486

00:22:56,350 --> 00:22:54,230

know you could guess is because a dog

487

00:22:58,330 --> 00:22:56,360

man is it just a big black dog I don't

488

00:22:59,950 --> 00:22:58,340

know exactly what it was I think she

489

00:23:02,590 --> 00:22:59,960

said werewolf but she did say it was a

490

00:23:05,340 --> 00:23:02,600

quadrupedal yeah that she said to me she

491

00:23:08,770 --> 00:23:05,350

said the werewolf thing is what kind of

492

00:23:13,210 --> 00:23:08,780

struck me when she was talking about it

493

00:23:16,720 --> 00:23:13,220

and now she I guess I'll say it she

494

00:23:18,590 --> 00:23:16,730

works she has her own beauty shop and

495

00:23:21,830 --> 00:23:18,600

she has a lot of people coming in

496

00:23:24,020 --> 00:23:21,840

and yes he is a great witness she is

497

00:23:25,430 --> 00:23:24,030

fearless about talking to people about

498

00:23:29,029 --> 00:23:25,440

asking him if they'd seen anything she's

499

00:23:30,590 --> 00:23:29,039

just super nice lady - yeah yeah well I

500

00:23:32,480 --> 00:23:30,600

think I think there's a lot of

501  
00:23:34,760 --> 00:23:32,490  
possibilities there maybe when the

502  
00:23:36,860 --> 00:23:34,770  
weather does you know going into the

503  
00:23:39,710 --> 00:23:36,870  
fall things might it might be good to

504  
00:23:42,289 --> 00:23:39,720  
because you know you know the these

505  
00:23:47,270 --> 00:23:42,299  
upright canine sightings do seem to pick

506  
00:23:50,020 --> 00:23:47,280  
up in the fall late summer overall now

507  
00:23:52,970 --> 00:23:50,030  
as far as what other parts of PA

508  
00:23:57,049 --> 00:23:52,980  
Pennsylvania you know I don't know I

509  
00:24:02,390 --> 00:23:57,059  
mean it kind of has been somewhat slow

510  
00:24:06,049 --> 00:24:02,400  
I have Shawn looking into a case up in

511  
00:24:08,419 --> 00:24:06,059  
Centre County again because that area

512  
00:24:11,090 --> 00:24:08,429  
around Rothrock State Park I don't know

513  
00:24:14,180 --> 00:24:11,100

what it is but we've had a couple of

514

00:24:17,240 --> 00:24:14,190

upright keen on sightings and a couple

515

00:24:21,770 --> 00:24:17,250

of Bigfoot sightings now this involved

516

00:24:26,120 --> 00:24:21,780

two residents that have lived on there

517

00:24:29,720 --> 00:24:26,130

this property for a long time and they

518

00:24:33,049 --> 00:24:29,730

live right outside of the State Park but

519

00:24:36,950 --> 00:24:33,059

they have been hearing very loud and

520

00:24:41,779 --> 00:24:36,960

deep growling sound near their home at

521

00:24:44,870 --> 00:24:41,789

night and they had one night where they

522

00:24:46,730 --> 00:24:44,880

were in bed and heard what basically

523

00:24:51,770 --> 00:24:46,740

sound like he described his tree

524

00:24:54,680 --> 00:24:51,780

knocking so I don't know what's going on

525

00:24:56,450 --> 00:24:54,690

there so Shawn doesn't live that far

526

00:24:59,899 --> 00:24:56,460

from there so he's supposed to be

527

00:25:02,450 --> 00:24:59,909

supposed to get hold of them I may have

528

00:25:04,760 --> 00:25:02,460

to follow up with them so they needed to

529

00:25:07,970 --> 00:25:04,770

talk to him but that sounds interesting

530

00:25:12,890 --> 00:25:07,980

of course if butch was wasn't on the men

531

00:25:17,180 --> 00:25:12,900

he'll be up there so but Troy was up

532

00:25:19,510 --> 00:25:17,190

there while butch was incapacitated and

533

00:25:23,000 --> 00:25:19,520

he was up there following another case

534

00:25:26,299 --> 00:25:23,010

or in in Roth Rock State Park of an

535

00:25:28,250 --> 00:25:26,309

upright canine and you know we're still

536

00:25:30,649 --> 00:25:28,260

working on that so there's a lot going

537

00:25:32,360 --> 00:25:30,659

on there

538

00:25:35,540 --> 00:25:32,370

of course I've been talking

539

00:25:39,500 --> 00:25:35,550

Stan Gordon and he's been getting them

540

00:25:42,890 --> 00:25:39,510

uh he's been getting a lot of reports in

541

00:25:45,350 --> 00:25:42,900

western Pennsylvania yeah so uh was it

542

00:25:47,570 --> 00:25:45,360

him or Altman or was it Shawn somebody

543

00:25:49,400 --> 00:25:47,580

was talking about a recent Bigfoot

544

00:25:53,299 --> 00:25:49,410

reports that rolled in from out there

545

00:25:56,360 --> 00:25:53,309

yeah Altman's been working out in what

546

00:26:01,580 --> 00:25:56,370

him and stand both that Armstrong County

547

00:26:05,060 --> 00:26:01,590

area has been pretty heavily reported

548

00:26:09,020 --> 00:26:05,070

for several years now and I had gotten a

549

00:26:12,080 --> 00:26:09,030

report from about five years ago where

550

00:26:14,690 --> 00:26:12,090

this aggressive big what they think was

551  
00:26:19,010 --> 00:26:14,700  
a Bigfoot was throwing rocks at people

552  
00:26:21,710 --> 00:26:19,020  
fishing on the Allegheny River and I've

553  
00:26:26,570 --> 00:26:21,720  
heard that story before because now this

554  
00:26:30,260 --> 00:26:26,580  
area was what they called North Buffalo

555  
00:26:34,100 --> 00:26:30,270  
which is just west going towards

556  
00:26:39,680 --> 00:26:34,110  
Pittsburgh from some of the other areas

557  
00:26:45,830 --> 00:26:39,690  
from which we've gotten reports get kid

558  
00:26:47,150 --> 00:26:45,840  
a tanning area and Ford City so I mean

559  
00:26:51,919 --> 00:26:47,160  
it's an area that's hot

560  
00:26:53,180 --> 00:26:51,929  
it's it always has been yeah yeah

561  
00:26:54,470 --> 00:26:53,190  
between all the sayings they get out

562  
00:27:00,980 --> 00:26:54,480  
there and all the festivals they have

563  
00:27:02,000 --> 00:27:00,990

I'm slightly jealous wasn't so bad last

564

00:27:03,830 --> 00:27:02,010

year when I was getting a ton of

565

00:27:07,730 --> 00:27:03,840

sightings here I was like oh you were

566

00:27:09,200 --> 00:27:07,740

busy yeah it's just really slowed down

567

00:27:11,299 --> 00:27:09,210

now it could just be the Heat's keeping

568

00:27:12,860 --> 00:27:11,309

people up from outside you know and Bob

569

00:27:15,169 --> 00:27:12,870

if you're not outside you're not gonna

570

00:27:17,750 --> 00:27:15,179

see stuff that's it I mean I think the

571

00:27:19,940 --> 00:27:17,760

heat has been a hindrance because of

572

00:27:21,590 --> 00:27:19,950

course people that you know go out on

573

00:27:26,930 --> 00:27:21,600

alleys and stuff they're not going out

574

00:27:31,940 --> 00:27:26,940

in this heat right so I don't know Soto

575

00:27:37,250 --> 00:27:31,950

Tobias have you gotten anything further

576  
00:27:41,270 --> 00:27:37,260  
as far as wind reports yeah you know I I

577  
00:27:44,120 --> 00:27:41,280  
do receive those still occasionally Oh

578  
00:27:45,860 --> 00:27:44,130  
first I should correct what I said

579  
00:27:49,040 --> 00:27:45,870  
earlier I knew I was going to do this

580  
00:27:52,130 --> 00:27:49,050  
I heard that that lady's ghost story so

581  
00:27:54,170 --> 00:27:52,140  
she was actually on the stairs and she

582  
00:27:56,300 --> 00:27:54,180  
lost her balance and she felt phantom

583  
00:27:58,970 --> 00:27:56,310  
hands catch her and that was yeah that

584  
00:28:01,280 --> 00:27:58,980  
was her big yeah yeah

585  
00:28:04,820 --> 00:28:01,290  
which is a much more more interesting

586  
00:28:06,980 --> 00:28:04,830  
story um anyway as far as winged

587  
00:28:10,330 --> 00:28:06,990  
creature reports you know I I don't even

588  
00:28:12,980 --> 00:28:10,340

know that we covered all of the entering

589

00:28:16,700 --> 00:28:12,990

interesting stuff that's that's happened

590

00:28:22,010 --> 00:28:16,710

in Woodstock yeah what you want you talk

591

00:28:24,290 --> 00:28:22,020

about that because that is wild I was

592

00:28:27,200 --> 00:28:24,300

talking well I was talking to that

593

00:28:31,880 --> 00:28:27,210

producer today about that hmm the one I

594

00:28:35,150 --> 00:28:31,890

let have you getting ahold of and I told

595

00:28:36,770 --> 00:28:35,160

her about the Woodstock sightings where

596

00:28:39,230 --> 00:28:36,780

people were describing something that

597

00:28:41,840 --> 00:28:39,240

looked like a sasquatch with wing mates

598

00:28:45,350 --> 00:28:41,850

right yeah but go ahead talk about that

599

00:28:49,310 --> 00:28:45,360

oh sure yeah I mean so you know February

600

00:28:52,130 --> 00:28:49,320

22nd 2019 so this is only a few months

601  
00:28:55,160 --> 00:28:52,140  
ago you know a guy is coming home from

602  
00:28:59,630 --> 00:28:55,170  
Walgreens which by the way I love this

603  
00:29:01,790 --> 00:28:59,640  
story narrative Lee because of those

604  
00:29:03,860 --> 00:29:01,800  
mundane details I mean if you can just

605  
00:29:06,050 --> 00:29:03,870  
picture having to run out to the

606  
00:29:08,270 --> 00:29:06,060  
drugstore some night and then you're

607  
00:29:11,660 --> 00:29:08,280  
driving home from Walgreens and the last

608  
00:29:15,380 --> 00:29:11,670  
thing you expect to see is this you know

609  
00:29:18,260 --> 00:29:15,390  
eight to nine foot tall hairy humanoid

610  
00:29:21,740 --> 00:29:18,270  
with with with leathery bat like

611  
00:29:23,480 --> 00:29:21,750  
gargoyle wings you know and so yeah I

612  
00:29:28,220 --> 00:29:23,490  
mean literally disguises running errands

613  
00:29:32,870 --> 00:29:28,230

and he happens to live in the vicinity

614

00:29:35,210 --> 00:29:32,880

of the do field conservation area in in

615

00:29:37,310 --> 00:29:35,220

Woodstock Illinois which is you know

616

00:29:42,530 --> 00:29:37,320

it's a pretty expansive area you know

617

00:29:44,450 --> 00:29:42,540

thousands of acres of of just wetlands

618

00:29:47,840 --> 00:29:44,460

basically you know I've been out there

619

00:29:49,280 --> 00:29:47,850

and and there's a good amount of tree

620

00:29:51,680 --> 00:29:49,290

cover and stuff but I mean that's what

621

00:29:52,550 --> 00:29:51,690

swamps are they're just you know they're

622

00:29:55,280 --> 00:29:52,560

there

623

00:29:57,080 --> 00:29:55,290

muddy ground with with a few feet of

624

00:29:58,410 --> 00:29:57,090

water and a bunch of trees and that's

625

00:30:00,720 --> 00:29:58,420

most of the

626

00:30:02,880 --> 00:30:00,730

the midwest at least like wisconsin and

627

00:30:06,840 --> 00:30:02,890

in Illinois and Missouri were just a big

628

00:30:13,140 --> 00:30:06,850

swamp and well we're a big swamp that

629

00:30:16,410 --> 00:30:13,150

freezes sometimes and so you know he is

630

00:30:19,730 --> 00:30:16,420

driving home and it's it's dark out and

631

00:30:24,590 --> 00:30:19,740

in his his headlights he sees this thing

632

00:30:28,290 --> 00:30:24,600

you know cross from the area of do field

633

00:30:30,000 --> 00:30:28,300

pond the the conservation area across

634

00:30:31,890 --> 00:30:30,010

the street in front of him and he says

635

00:30:34,260 --> 00:30:31,900

it looks like what I just described you

636

00:30:38,060 --> 00:30:34,270

know it's like his 8 foot tall

637

00:30:41,430 --> 00:30:38,070

you know hairy humanoid with with

638

00:30:44,580 --> 00:30:41,440

leathery you know membranous bat-like

639

00:30:47,340 --> 00:30:44,590

wings and you know he sees it for a few

640

00:30:49,080 --> 00:30:47,350

seconds but really it's it's dark enough

641

00:30:51,270 --> 00:30:49,090

out where and it happens you know

642

00:30:55,520 --> 00:30:51,280

relatively quickly so he doesn't really

643

00:30:59,400 --> 00:30:55,530

see it outside of the area of

644

00:31:03,570 --> 00:30:59,410

illumination from his headlights but you

645

00:31:06,420 --> 00:31:03,580

know he's shocked to say the absolute

646

00:31:09,300 --> 00:31:06,430

least you know I'll know you spoke to him

647

00:31:12,000 --> 00:31:09,310

one and and and I talked to him too and

648

00:31:15,300 --> 00:31:12,010

you know I'll tell you it was it took

649

00:31:17,460 --> 00:31:15,310

some convincing to get Emily and I down

650

00:31:20,540 --> 00:31:17,470

there and it's it's not that we didn't

651  
00:31:23,730 --> 00:31:20,550  
want to go you know this guy was scared

652  
00:31:28,350 --> 00:31:23,740  
not just of what he had seen you know

653  
00:31:31,650 --> 00:31:28,360  
but sort of as a sane rational person

654  
00:31:34,200 --> 00:31:31,660  
like he knew what this kind of story

655  
00:31:37,110 --> 00:31:34,210  
could mean for his life and for his

656  
00:31:41,220 --> 00:31:37,120  
family and so he definitely didn't want

657  
00:31:43,140 --> 00:31:41,230  
that to get out and so you know I had to

658  
00:31:45,360 --> 00:31:43,150  
tell him a little bit of what we're

659  
00:31:47,280 --> 00:31:45,370  
about and and you know talked to his

660  
00:31:49,200 --> 00:31:47,290  
wife and explained to her a little bit

661  
00:31:52,620 --> 00:31:49,210  
of what Emily and I are about and how we

662  
00:31:57,030 --> 00:31:52,630  
do things and and and and they agreed to

663  
00:31:58,590 --> 00:31:57,040

let us come down and and we they were

664

00:32:00,090 --> 00:31:58,600

nice enough to take us out to the

665

00:32:04,020 --> 00:32:00,100

sighting areas we walked around do

666

00:32:08,220 --> 00:32:04,030

filled pond and it's it's an interesting

667

00:32:11,860 --> 00:32:08,230

area like a lot of Illinois outside of

668

00:32:14,680 --> 00:32:11,870

Chicago it is a fairly natural

669

00:32:16,299 --> 00:32:14,690

area you know it's it's it's it's God

670

00:32:19,270 --> 00:32:16,309

houses and stuff but you don't have to

671

00:32:21,430 --> 00:32:19,280

go very far before it just feels and and

672

00:32:25,840 --> 00:32:21,440

and wetlands and Forests and and that's

673

00:32:28,060 --> 00:32:25,850

it in anyway so they they took us around

674

00:32:31,540 --> 00:32:28,070

and and we were looking at things and I

675

00:32:34,030 --> 00:32:31,550

found one particularly interesting

676  
00:32:35,560 --> 00:32:34,040  
footprint and you know it's it's on the

677  
00:32:38,560 --> 00:32:35,570  
the website because we went back and

678  
00:32:40,810 --> 00:32:38,570  
updated the original article on there

679  
00:32:44,260 --> 00:32:40,820  
and and I'm not talking about the one

680  
00:32:46,900 --> 00:32:44,270  
that he had sent you know with his uh or

681  
00:32:48,370 --> 00:32:46,910  
that they had sent it at some point like

682  
00:32:51,180 --> 00:32:48,380  
either with or immediately following

683  
00:32:53,500 --> 00:32:51,190  
that initial report like this was a a

684  
00:32:59,460 --> 00:32:53,510  
different photograph so there it's just

685  
00:33:04,210 --> 00:32:59,470  
one footprint and it looks like an

686  
00:33:06,790 --> 00:33:04,220  
elongated you know human print in in ice

687  
00:33:08,530 --> 00:33:06,800  
and it was in ice so the absolute best

688  
00:33:09,640 --> 00:33:08,540

we could do was just take a picture of

689

00:33:11,230 --> 00:33:09,650

it you know you're not gonna need to

690

00:33:14,169 --> 00:33:11,240

cast out of advice or anything

691

00:33:16,030 --> 00:33:14,179

unfortunately not under those weather

692

00:33:19,480 --> 00:33:16,040

conditions either it was cold and

693

00:33:22,090 --> 00:33:19,490

raining and and everybody was a trooper

694

00:33:25,180 --> 00:33:22,100

for for us being out there honestly and

695

00:33:27,970 --> 00:33:25,190

so we we take some pictures of it and I

696

00:33:31,000 --> 00:33:27,980

went ahead and did my best to outline it

697

00:33:34,600 --> 00:33:31,010

you know just using basic like Microsoft

698

00:33:37,900 --> 00:33:34,610

Paint level technology and yeah I mean I

699

00:33:41,860 --> 00:33:37,910

I'll be damned if it didn't look like it

700

00:33:43,630 --> 00:33:41,870

had you know articulated toes on this

701  
00:33:45,790 --> 00:33:43,640  
footprint and the only thing that came

702  
00:33:49,180 --> 00:33:45,800  
to mind you know because I have to try

703  
00:33:50,710 --> 00:33:49,190  
to skeptically assess everything we find

704  
00:33:54,000 --> 00:33:50,720  
the only thing that came to mind for

705  
00:33:56,799 --> 00:33:54,010  
this was you know because it had been

706  
00:33:58,930 --> 00:33:56,809  
relatively warm off and on you know like

707  
00:34:01,210 --> 00:33:58,940  
we were there in in early March which

708  
00:34:04,840 --> 00:34:01,220  
was just a couple of weeks after the

709  
00:34:09,180 --> 00:34:04,850  
deciding took place and you know

710  
00:34:11,950 --> 00:34:09,190  
February and March in in in this area

711  
00:34:14,080 --> 00:34:11,960  
the the weather is pretty pretty

712  
00:34:16,540 --> 00:34:14,090  
swinging and and so there had been some

713  
00:34:19,270 --> 00:34:16,550

relatively warm days in and so the only

714

00:34:21,159 --> 00:34:19,280

thing I could think of is maybe somebody

715

00:34:23,800 --> 00:34:21,169

had been wearing those running shoes

716

00:34:25,000 --> 00:34:23,810

that you know that have the individual

717

00:34:27,760 --> 00:34:25,010

toes

718

00:34:30,100 --> 00:34:27,770

and yeah and had left this print there

719

00:34:33,280 --> 00:34:30,110

and then maybe like the Sun had melted

720

00:34:35,830 --> 00:34:33,290

it and made it miss shapen so it was

721

00:34:40,000 --> 00:34:35,840

extra long and weird and and whatever

722

00:34:42,149 --> 00:34:40,010

and I mean I can't I don't know that

723

00:34:45,610 --> 00:34:42,159

that didn't happen what I can say this

724

00:34:49,149 --> 00:34:45,620

there weren't any other prints around it

725

00:34:53,590 --> 00:34:49,159

it was there by itself and so I I don't

726

00:34:55,300 --> 00:34:53,600

know why if that was the case in all of

727

00:34:57,730 --> 00:34:55,310

the terrain that was exactly the same

728

00:35:00,160 --> 00:34:57,740

all around it there weren't any other

729

00:35:05,950 --> 00:35:00,170

similar prints left now I think we all

730

00:35:09,610 --> 00:35:05,960

know a relatively common place it is you

731

00:35:13,150 --> 00:35:09,620

know say for a Bigfoot researcher to

732

00:35:14,770 --> 00:35:13,160

find three prints in the middle of the

733

00:35:16,950 --> 00:35:14,780

woods that start seemingly at an

734

00:35:20,310 --> 00:35:16,960

arbitrary place and then go nowhere and

735

00:35:23,500 --> 00:35:20,320

it's it's it's a strange phenomenon and

736

00:35:26,320 --> 00:35:23,510

in you know I I don't know that that

737

00:35:30,490 --> 00:35:26,330

wasn't the case here frankly because I'm

738

00:35:36,100 --> 00:35:30,500

sort of at loss to explain it with with

739

00:35:39,250 --> 00:35:36,110

any any mundane sort of explanation

740

00:35:44,230 --> 00:35:39,260

you know um but you know it didn't stop

741

00:35:47,490 --> 00:35:44,240

there as far as as Woodstock sightings

742

00:35:51,010 --> 00:35:47,500

you know um wasn't too long after that

743

00:35:53,920 --> 00:35:51,020

initial one and this was I mean this was

744

00:35:55,540 --> 00:35:53,930

a big deal to me because this this this

745

00:35:59,440 --> 00:35:55,550

next one actually represented the first

746

00:36:02,140 --> 00:35:59,450

time that I had any kind of you know

747

00:36:03,460 --> 00:36:02,150

real physical proof of something weird

748

00:36:05,380 --> 00:36:03,470

happening that then that I could

749

00:36:07,150 --> 00:36:05,390

literally hold on to and so we had this

750

00:36:11,320 --> 00:36:07,160

guy who cou contacted us said he was

751

00:36:13,150 --> 00:36:11,330

outside of the jewel-osco in in in

752

00:36:15,250 --> 00:36:13,160

Woodstock there which is literally right

753

00:36:18,520 --> 00:36:15,260

across the street from do field pond

754

00:36:22,330 --> 00:36:18,530

it's right in that area and he said he

755

00:36:23,890 --> 00:36:22,340

was outside this this drugstore second

756

00:36:25,510 --> 00:36:23,900

drugstore which is actually close to the

757

00:36:26,560 --> 00:36:25,520

lagering - it's just weird and you'd

758

00:36:29,830 --> 00:36:26,570

think that they would be in competition

759

00:36:33,750 --> 00:36:29,840

but anyway so he's he's standing outside

760

00:36:37,660 --> 00:36:33,760

of this to Alaska and he's looking

761

00:36:40,359 --> 00:36:37,670

towards this towards the mick

762

00:36:41,559 --> 00:36:40,369

Henry County Fairgrounds and he's you

763

00:36:43,150 --> 00:36:41,569

know he sees this thing that he

764

00:36:47,530 --> 00:36:43,160

describes is basically what the first

765

00:36:50,680 --> 00:36:47,540

witness saw and only difference being he

766

00:36:53,260 --> 00:36:50,690

says that the thing he saw had had

767

00:36:56,020 --> 00:36:53,270

bright green eyes and he said that the

768

00:36:58,059 --> 00:36:56,030

the thing charged the fence and I mean

769

00:37:01,210 --> 00:36:58,069

he was scared he was so scared that he

770

00:37:04,089 --> 00:37:01,220

called 911 and I know he called 911

771

00:37:07,809 --> 00:37:04,099

because I submitted a FOIA request to

772

00:37:09,789 --> 00:37:07,819

the McHenry County Sheriff's Department

773

00:37:14,589 --> 00:37:09,799

who were really helpful by the way and

774

00:37:16,510 --> 00:37:14,599

they sent me the incident detail report

775

00:37:19,839 --> 00:37:16,520

showing that he called on one one

776

00:37:22,450 --> 00:37:19,849

showing that an officer responded the

777

00:37:25,180 --> 00:37:22,460

officer you know conducted a brief

778

00:37:30,250 --> 00:37:25,190

investigation did not find a monster but

779

00:37:32,770 --> 00:37:30,260

the fact remains this guy was so

780

00:37:34,599 --> 00:37:32,780

disturbed by what he saw that he called

781

00:37:36,760 --> 00:37:34,609

9-1-1 and that's not something people

782

00:37:40,630 --> 00:37:36,770

generally do you know very lightly

783

00:37:43,089 --> 00:37:40,640

especially these days so I was I was

784

00:37:45,220 --> 00:37:43,099

pretty impressed by that you know and of

785

00:37:45,430 --> 00:37:45,230

course that's up on the the website as

786

00:37:50,500 --> 00:37:45,440

well

787

00:37:52,270 --> 00:37:50,510

I actually went ahead and redacted some

788

00:37:55,120 --> 00:37:52,280

of the information it's literally only

789

00:37:57,849 --> 00:37:55,130

people's names that I've taken out you

790

00:38:00,339 --> 00:37:57,859

know if somebody really wanted to track

791

00:38:03,220 --> 00:38:00,349

this down and harass these people they

792

00:38:05,079 --> 00:38:03,230

probably could do I think they do I

793

00:38:08,170 --> 00:38:05,089

think that anybody should of course not

794

00:38:10,720 --> 00:38:08,180

if you're a friend of mine thinking

795

00:38:12,309 --> 00:38:10,730

about doing that think again you know

796

00:38:16,030 --> 00:38:12,319

maybe consider it if you want to still

797

00:38:19,480 --> 00:38:16,040

be my friend because I I think that

798

00:38:23,020 --> 00:38:19,490

people deserve privacy you know so but I

799

00:38:25,359 --> 00:38:23,030

also have a responsibility to present

800

00:38:28,359 --> 00:38:25,369

you know any evidence that I find so I'm

801  
00:38:29,950 --> 00:38:28,369  
try and you know get the the best of

802  
00:38:33,520 --> 00:38:29,960  
both worlds so we've got a slightly

803  
00:38:37,809 --> 00:38:33,530  
redacted version of the actual incident

804  
00:38:41,890 --> 00:38:37,819  
detail report sent to us and then sort

805  
00:38:44,470 --> 00:38:41,900  
of a tangentially related incident

806  
00:38:47,170 --> 00:38:44,480  
happened in early March I was contacted

807  
00:38:49,809 --> 00:38:47,180  
by a woman who said that she was woken

808  
00:38:50,740 --> 00:38:49,819  
up by like a sinister and monster like

809  
00:38:54,380 --> 00:38:50,750  
growl

810  
00:38:57,109 --> 00:38:54,390  
outside of her home and so you know

811  
00:39:00,440 --> 00:38:57,119  
initially of course like anybody you

812  
00:39:03,380 --> 00:39:00,450  
know I just considered that maybe it was

813  
00:39:05,299 --> 00:39:03,390

some kind of wild animal or something

814

00:39:07,460 --> 00:39:05,309

she was home by herself her husband was

815

00:39:10,010 --> 00:39:07,470

away on business while all this happened

816

00:39:12,559 --> 00:39:10,020

you know but actually after you know

817

00:39:14,780 --> 00:39:12,569

talking to her and getting getting sort

818

00:39:16,430 --> 00:39:14,790

of the the whole story you she didn't

819

00:39:19,339 --> 00:39:16,440

find any physical evidence she she never

820

00:39:21,920 --> 00:39:19,349

really went out and looked for any but

821

00:39:25,040 --> 00:39:21,930

you know after having her described that

822

00:39:29,150 --> 00:39:25,050

growling I mean I don't think that she

823

00:39:32,059 --> 00:39:29,160

would have reached out to me just just

824

00:39:34,630 --> 00:39:32,069

over you know a couple of coyotes

825

00:39:40,040 --> 00:39:34,640

fighting over a rabbit or something I

826

00:39:43,339 --> 00:39:40,050

the way she described it was more sort

827

00:39:45,710 --> 00:39:43,349

of demonic you know like she and I you

828

00:39:48,049 --> 00:39:45,720

know I I know you guys know this but for

829

00:39:51,740 --> 00:39:48,059

everybody listening witnesses will often

830

00:39:53,809 --> 00:39:51,750

really struggle to describe their

831

00:39:56,390 --> 00:39:53,819

encounters with you know seemingly

832

00:40:00,890 --> 00:39:56,400

impossible phenomena to the point where

833

00:40:04,520 --> 00:40:00,900

the often the best they can do is try to

834

00:40:09,589 --> 00:40:04,530

put things in I just add context by it

835

00:40:13,819 --> 00:40:09,599

by by you know using any popular culture

836

00:40:16,250 --> 00:40:13,829

or or anything and so she basically was

837

00:40:18,740 --> 00:40:16,260

comparing it to you know sound of a

838

00:40:24,500 --> 00:40:18,750

monster or demon you know growling from

839

00:40:28,160 --> 00:40:24,510

a movie for instance and so again you

840

00:40:31,190 --> 00:40:28,170

know that I don't know that it's related

841

00:40:33,200 --> 00:40:31,200

to these these sightings but I felt like

842

00:40:36,579 --> 00:40:33,210

it was important enough especially

843

00:40:38,960 --> 00:40:36,589

considering how the Hemant Lee she

844

00:40:42,470 --> 00:40:38,970

defended the idea that it wasn't

845

00:40:44,450 --> 00:40:42,480

something normal and and how you know

846

00:40:47,270 --> 00:40:44,460

how much she struggled to really

847

00:40:50,809 --> 00:40:47,280

describe it I mean if it was something

848

00:40:53,240 --> 00:40:50,819

like a dog or coyote or something

849

00:40:56,299 --> 00:40:53,250

I feel like we would have figured that

850

00:41:00,950 --> 00:40:56,309

out pretty quickly but that wasn't the

851  
00:41:02,860 --> 00:41:00,960  
case so I mean who knows you know in the

852  
00:41:06,160 --> 00:41:02,870  
local media got a hold of the story

853  
00:41:09,220 --> 00:41:06,170  
oh yeah and I mean they didn't

854  
00:41:12,010 --> 00:41:09,230  
particularly help any no you know this

855  
00:41:13,600 --> 00:41:12,020  
is what I fear them the most when we get

856  
00:41:16,330 --> 00:41:13,610  
these sightings then particularly what

857  
00:41:18,940 --> 00:41:16,340  
happened in Chicago mm-hmm

858  
00:41:20,680 --> 00:41:18,950  
most of the time the media is not that

859  
00:41:23,460 --> 00:41:20,690  
helpful and when they do try to do a

860  
00:41:26,020 --> 00:41:23,470  
story the COS you know they trotted

861  
00:41:31,200 --> 00:41:26,030  
sensationalize it to a point where it

862  
00:41:34,060 --> 00:41:31,210  
you know is it's all ridicule and though

863  
00:41:36,670 --> 00:41:34,070

they're there you know the in this case

864

00:41:39,340 --> 00:41:36,680

of Chicago we were lucky enough to have

865

00:41:43,120 --> 00:41:39,350

vice.com to a do an interview with a

866

00:41:45,670 --> 00:41:43,130

witness and it was well done and it

867

00:41:48,430 --> 00:41:45,680

really did you know it really did kind

868

00:41:52,420 --> 00:41:48,440

of put things out there in the context

869

00:41:54,010 --> 00:41:52,430

it should have been put out so but yeah

870

00:41:57,160 --> 00:41:54,020

that's always a problem when you get

871

00:42:00,130 --> 00:41:57,170

media involved it really is and I drew

872

00:42:01,660 --> 00:42:00,140

you know I kind of cringe when I start

873

00:42:05,650 --> 00:42:01,670

getting questions from people from the

874

00:42:09,610 --> 00:42:05,660

media oh yeah yeah why I think I told

875

00:42:11,920 --> 00:42:09,620

you guys about this at the time you know

876

00:42:15,070 --> 00:42:11,930

I I had this journalist from whatever

877

00:42:17,350 --> 00:42:15,080

paper down there contact me you know and

878

00:42:20,290 --> 00:42:17,360

and she was she said something like you

879

00:42:22,750 --> 00:42:20,300

know oh hey you know can you put us in

880

00:42:24,790 --> 00:42:22,760

contact with these these witnesses or

881

00:42:27,190 --> 00:42:24,800

let us come with on an investigation or

882

00:42:28,990 --> 00:42:27,200

something and you know and then she

883

00:42:30,400 --> 00:42:29,000

really tried to sell it by saying like

884

00:42:33,580 --> 00:42:30,410

you know I really think our our our

885

00:42:35,440 --> 00:42:33,590

readers would enjoy seeing that you know

886

00:42:38,560 --> 00:42:35,450

I'm just like they're already enjoying

887

00:42:42,780 --> 00:42:38,570

seeing it by going to my website so yeah

888

00:42:44,740 --> 00:42:42,790

yeah you know I don't need some

889

00:42:47,470 --> 00:42:44,750

journalists coming in here trying to

890

00:42:50,890 --> 00:42:47,480

sensationalize everything with no regard

891

00:42:53,530 --> 00:42:50,900

for what effect that has on people's

892

00:42:56,050 --> 00:42:53,540

lives like it's it's just wrong and and

893

00:42:58,210 --> 00:42:56,060

in ultimately I had to tell her to to

894

00:43:00,010 --> 00:42:58,220

kick rocks cuz you know I wasn't gonna

895

00:43:03,010 --> 00:43:00,020

have it but yeah yeah you're absolutely

896

00:43:05,530 --> 00:43:03,020

right it's it is a mess yeah I've got a

897

00:43:08,470 --> 00:43:05,540

local journalist too pretty you know

898

00:43:09,790 --> 00:43:08,480

interested and keeps calling me as you

899

00:43:11,800 --> 00:43:09,800

know I want to I want to go with it on

900

00:43:12,970 --> 00:43:11,810

out with a on a Bigfoot investigation

901  
00:43:14,080 --> 00:43:12,980  
with you I want you to show me you know

902  
00:43:15,030 --> 00:43:14,090  
show me what you do and this and that

903  
00:43:17,310 --> 00:43:15,040  
and

904  
00:43:18,750 --> 00:43:17,320  
said I said well the problem is that a I

905  
00:43:23,610 --> 00:43:18,760  
don't know when they're coming it's not

906  
00:43:25,380 --> 00:43:23,620  
like I can warn you as there be a lot of

907  
00:43:26,820 --> 00:43:25,390  
these people you know you you have to

908  
00:43:29,340 --> 00:43:26,830  
drag this information out of them

909  
00:43:31,860 --> 00:43:29,350  
they're they're not happy this happened

910  
00:43:33,600 --> 00:43:31,870  
you know if it's and if it's on their

911  
00:43:35,100 --> 00:43:33,610  
property they don't want it publicized

912  
00:43:37,290 --> 00:43:35,110  
in any way they don't want people coming

913  
00:43:39,420 --> 00:43:37,300

on their property looking for Bigfoot so

914

00:43:43,620 --> 00:43:39,430

it's it's a really delicate situation

915

00:43:46,530 --> 00:43:43,630

and I'm with LAN I do not think media in

916

00:43:47,610 --> 00:43:46,540

most cases helps at all you wouldn't

917

00:43:50,220 --> 00:43:47,620

happen to it wouldn't happen to be

918

00:43:53,000 --> 00:43:50,230

somebody from York would it it is yeah

919

00:43:59,400 --> 00:43:56,270

cuz I've got I've got it somebody I

920

00:44:01,110 --> 00:43:59,410

think he's more freelancing anything but

921

00:44:03,990 --> 00:44:01,120

he's always [h\_\_h] the hell out of me

922

00:44:06,030 --> 00:44:04,000

and you know I do kind of get a little

923

00:44:09,330 --> 00:44:06,040

frustrated from the media sometimes but

924

00:44:12,210 --> 00:44:09,340

you know it's good in one respect but in

925

00:44:14,490 --> 00:44:12,220

most respect it's not yeah the problem

926

00:44:16,260 --> 00:44:14,500

is once it it doesn't matter what we say

927

00:44:18,480 --> 00:44:16,270

because they can clip out and take

928

00:44:22,020 --> 00:44:18,490

things out of context and they don't

929

00:44:24,300 --> 00:44:22,030

have any real you know what we do we do

930

00:44:25,800 --> 00:44:24,310

this daily you know I I know LAN you do

931

00:44:27,750 --> 00:44:25,810

it - I know - bias you do this daily

932

00:44:29,610 --> 00:44:27,760

this is our lives and it's something

933

00:44:32,130 --> 00:44:29,620

we're very passionate about to them it's

934

00:44:33,930 --> 00:44:32,140

a passing story and so if they don't get

935

00:44:35,790 --> 00:44:33,940

it quite right they don't care you know

936

00:44:38,310 --> 00:44:35,800

it's just another day for them you know

937

00:44:40,920 --> 00:44:38,320

oh yeah yeah I mean part of the reason

938

00:44:45,150 --> 00:44:40,930

that we started the singular 40 in

939

00:44:48,830 --> 00:44:45,160

society was because of the almost total

940

00:44:52,650 --> 00:44:48,840

lack of credible media sources for this

941

00:44:57,900 --> 00:44:52,660

information I mean you have a handful of

942

00:45:00,750 --> 00:44:57,910

really solid you know blogs and and and

943

00:45:03,960 --> 00:45:00,760

and and websites and stuff but if you're

944

00:45:07,980 --> 00:45:03,970

talking about people just reporting the

945

00:45:10,410 --> 00:45:07,990

news it's garbage you know it's it's all

946

00:45:12,780 --> 00:45:10,420

garbage and I was like well who's who's

947

00:45:15,060 --> 00:45:12,790

reporting the the paranormal news like

948

00:45:18,570 --> 00:45:15,070

like who's who's putting the like the

949

00:45:20,640 --> 00:45:18,580

journalist had on and in in in covering

950

00:45:22,500 --> 00:45:20,650

paranormal news like people cover

951  
00:45:25,470 --> 00:45:22,510  
science news you know like something

952  
00:45:28,850 --> 00:45:25,480  
somebody needs to do that so yeah it's

953  
00:45:36,270 --> 00:45:31,920  
so I don't know is there anything else

954  
00:45:38,180 --> 00:45:36,280  
you want to cover all Tim I mean that

955  
00:45:42,750 --> 00:45:38,190  
you wanted to mention

956  
00:45:44,580 --> 00:45:42,760  
um well I talked to witnesses every week

957  
00:45:47,340 --> 00:45:44,590  
on strange familiars people want to tune

958  
00:45:48,840 --> 00:45:47,350  
into that writing up new book with

959  
00:45:51,150 --> 00:45:48,850  
Joshua kuchen it's called where the

960  
00:45:53,370 --> 00:45:51,160  
footprints end and we are digging into

961  
00:45:56,310 --> 00:45:53,380  
all of the really really weird stuff

962  
00:45:57,900 --> 00:45:56,320  
like disappearing trackways and single

963  
00:46:00,180 --> 00:45:57,910

footprints people fine you know that's

964

00:46:01,040 --> 00:46:00,190

phenomena it just drives me crazy you

965

00:46:03,990 --> 00:46:01,050

know

966

00:46:06,840 --> 00:46:04,000

JC Johnson and I were pretty tight and

967

00:46:08,550 --> 00:46:06,850

he used to tell me about all these these

968

00:46:10,860 --> 00:46:08,560

trails he would follow they just

969

00:46:13,260 --> 00:46:10,870

complete the end mm-hmm you know we're

970

00:46:15,750 --> 00:46:13,270

talking about Sasquatch with wings and

971

00:46:19,950 --> 00:46:15,760

you know Linda Godfrey has been talking

972

00:46:21,780 --> 00:46:19,960

about this bats ask back Squatch or

973

00:46:23,910 --> 00:46:21,790

whatever it is that you know from

974

00:46:26,580 --> 00:46:23,920

lacrosse oil and other areas of

975

00:46:30,720 --> 00:46:26,590

Wisconsin for years I don't know if it's

976

00:46:33,630 --> 00:46:30,730

related to that but go ahead I'd agree

977

00:46:36,330 --> 00:46:33,640

oh no it's just it's I mean even locally

978

00:46:38,460 --> 00:46:36,340

some these very you know somewhat

979

00:46:41,430 --> 00:46:38,470

locally famous cases I should say from

980

00:46:43,020 --> 00:46:41,440

the seventies if you dig in you know the

981

00:46:44,670 --> 00:46:43,030

there was one in Delta where there was

982

00:46:47,430 --> 00:46:44,680

it was a two mile track way they found

983

00:46:49,650 --> 00:46:47,440

pretty incredible track way across the

984

00:46:51,480 --> 00:46:49,660

barbed wire fence if they got hair of it

985

00:46:53,160 --> 00:46:51,490

they found a rabbit that was killed

986

00:46:56,700 --> 00:46:53,170

along the way they think that that

987

00:46:58,010 --> 00:46:56,710

whatever it was killed a rabbit and just

988

00:46:59,880 --> 00:46:58,020

ended in the middle of the field

989

00:47:02,580 --> 00:46:59,890

footprints just right up in the middle

990

00:47:04,350 --> 00:47:02,590

of the field so you know if it's

991

00:47:06,810 --> 00:47:04,360

happened locally it happens everywhere

992

00:47:08,190 --> 00:47:06,820

it's it's it's very very strange but

993

00:47:10,320 --> 00:47:08,200

there's all kinds of phenomenon

994

00:47:12,540 --> 00:47:10,330

associated with it that is really really

995

00:47:14,490 --> 00:47:12,550

bizarre you know and and this is the

996

00:47:16,260 --> 00:47:14,500

stuff that you know stands documented

997

00:47:19,170 --> 00:47:16,270

for however many decades you know

998

00:47:20,850 --> 00:47:19,180

Bigfoot holding glowing orbs and people

999

00:47:22,860 --> 00:47:20,860

saying them you know literally blink out

1000

00:47:24,480 --> 00:47:22,870

of sight and of course the whole

1001  
00:47:26,190 --> 00:47:24,490  
predator thing people are reporting they

1002  
00:47:28,530 --> 00:47:26,200  
say they you know they'll kind of phase

1003  
00:47:31,950 --> 00:47:28,540  
out like the in like the camouflage

1004  
00:47:34,020 --> 00:47:31,960  
creature from the predator and just all

1005  
00:47:36,420 --> 00:47:34,030  
kinds of bizarreness associated with

1006  
00:47:38,280 --> 00:47:36,430  
with these creatures including you know

1007  
00:47:40,320 --> 00:47:38,290  
all kinds of unexplained lights and so

1008  
00:47:40,920 --> 00:47:40,330  
forth so it's two volumes Josh and I

1009  
00:47:42,330 --> 00:47:40,930  
writing

1010  
00:47:46,410 --> 00:47:42,340  
there's there's no shortage of material

1011  
00:47:48,150 --> 00:47:46,420  
out there there well you know the one

1012  
00:47:51,150 --> 00:47:48,160  
thing that's fascinated me over the

1013  
00:47:53,760 --> 00:47:51,160

years is the increasing sightings of

1014

00:47:55,950 --> 00:47:53,770

Bigfoot or whatever along the

1015

00:47:59,070 --> 00:47:55,960

Susquehanna River especially on the west

1016

00:48:00,750 --> 00:47:59,080

side there do stay the whole way down

1017

00:48:03,030 --> 00:48:00,760

into Maryland it seems like there's a

1018

00:48:06,240 --> 00:48:03,040

lot of sightings and a lot of evidence

1019

00:48:08,120 --> 00:48:06,250

has been coming forth over the years

1020

00:48:10,620 --> 00:48:08,130

I mean you've reported a lot of it

1021

00:48:14,790 --> 00:48:10,630

you've got it you've got a research area

1022

00:48:17,970 --> 00:48:14,800

that's right along the river and it does

1023

00:48:19,650 --> 00:48:17,980

seem to be a phenomena that you know hot

1024

00:48:23,490 --> 00:48:19,660

or cold but it does happen

1025

00:48:26,190 --> 00:48:23,500

mm-hmm yeah oh yeah yeah in fact the you

1026  
00:48:27,930 --> 00:48:26,200  
know I write about in wood knocks vol 3

1027  
00:48:30,780 --> 00:48:27,940  
that the series that David Webley put

1028  
00:48:32,220 --> 00:48:30,790  
out I write about Delta just eight

1029  
00:48:34,200 --> 00:48:32,230  
square miles down in Delta and the

1030  
00:48:38,430 --> 00:48:34,210  
incredible number of sightings that are

1031  
00:48:39,870 --> 00:48:38,440  
in that area and the kind of wingo stuff

1032  
00:48:41,820 --> 00:48:39,880  
is really right across the river from

1033  
00:48:44,190 --> 00:48:41,830  
that and just a little bit south I mean

1034  
00:48:46,170 --> 00:48:44,200  
so what's going on there you know it's

1035  
00:48:47,940 --> 00:48:46,180  
it's really not far from that and you

1036  
00:48:49,980 --> 00:48:47,950  
know there's another area that doesn't

1037  
00:48:52,410 --> 00:48:49,990  
treat me that I've been hearing things

1038  
00:48:56,280 --> 00:48:52,420

about this area for a long time is

1039

00:49:00,240 --> 00:48:56,290

maecius State Forest oh yeah oh yeah

1040

00:49:02,880 --> 00:49:00,250

whatever reason the the past I'd say

1041

00:49:05,130 --> 00:49:02,890

decade I have been getting sighting

1042

00:49:09,210 --> 00:49:05,140

reports out of there for Bigfoot in

1043

00:49:12,810 --> 00:49:09,220

upright canines and you know I have

1044

00:49:14,370 --> 00:49:12,820

already had several reports because

1045

00:49:15,540 --> 00:49:14,380

there's a major highway goes right

1046

00:49:18,120 --> 00:49:15,550

through the State Forest

1047

00:49:20,880 --> 00:49:18,130

right near to Caledonia which is route

1048

00:49:23,610 --> 00:49:20,890

30 with Lincoln Lincoln Highway right

1049

00:49:26,370 --> 00:49:23,620

and I have had people telling me for

1050

00:49:28,350 --> 00:49:26,380

years that they would literally see

1051  
00:49:32,880 --> 00:49:28,360  
Bigfoot coming out of the woods picking

1052  
00:49:34,350 --> 00:49:32,890  
up dead deer roadkill sling low they're

1053  
00:49:37,140 --> 00:49:34,360  
shorter than taking it back into the

1054  
00:49:38,610 --> 00:49:37,150  
woods I I know of at least three

1055  
00:49:42,360 --> 00:49:38,620  
sightings like that

1056  
00:49:44,460 --> 00:49:42,370  
it was rate behind Caledonia in in

1057  
00:49:46,260 --> 00:49:44,470  
Michaud there where I first became

1058  
00:49:49,080 --> 00:49:46,270  
convinced there's something to these

1059  
00:49:51,570 --> 00:49:49,090  
tree structures before us I saw this one

1060  
00:49:53,460 --> 00:49:51,580  
I was like yeah maybe maybe not and I

1061  
00:49:55,020 --> 00:49:53,470  
was on the side right you did see one

1062  
00:49:57,120 --> 00:49:55,030  
vignette that's right

1063  
00:50:00,180 --> 00:49:57,130

I saw a huge one in yeah tree structure

1064

00:50:02,850 --> 00:50:00,190

I'm talking about in there on the side

1065

00:50:04,560 --> 00:50:02,860

of a mountain and it had to be made with

1066

00:50:06,390 --> 00:50:04,570

hands there was a living tree that was

1067

00:50:08,370 --> 00:50:06,400

bent into this and and parts of it

1068

00:50:10,620 --> 00:50:08,380

wedged together and I'm looking at this

1069

00:50:13,200 --> 00:50:10,630

thing I'm like you know if people did

1070

00:50:14,970 --> 00:50:13,210

this they needed a ladder so who's

1071

00:50:17,640 --> 00:50:14,980

bringing the ladder up on the side of a

1072

00:50:19,950 --> 00:50:17,650

mountain you know off of a trail it's

1073

00:50:21,090 --> 00:50:19,960

just it was bizarre that's the first one

1074

00:50:22,500 --> 00:50:21,100

that really caught my eye and thought

1075

00:50:24,930 --> 00:50:22,510

and I made me think well I think there's

1076  
00:50:29,580 --> 00:50:24,940  
something to these tree structure things

1077  
00:50:31,560 --> 00:50:29,590  
it's a Machaut is a really creepy place

1078  
00:50:33,510 --> 00:50:31,570  
when you start getting to the weird

1079  
00:50:34,800 --> 00:50:33,520  
reports I believe I've just been saying

1080  
00:50:36,810 --> 00:50:34,810  
the whole forest is haunted with the

1081  
00:50:39,740 --> 00:50:36,820  
number of reports that are coming out

1082  
00:50:42,810 --> 00:50:39,750  
they're new and old I shared that one

1083  
00:50:44,910 --> 00:50:42,820  
upright canine with you that I received

1084  
00:50:46,200 --> 00:50:44,920  
recently it was an old report but it was

1085  
00:50:50,100 --> 00:50:46,210  
the first time she ever talked about it

1086  
00:50:52,950 --> 00:50:50,110  
and she was so emotionally affected by

1087  
00:50:56,610 --> 00:50:52,960  
it that she was crying on the phone with

1088  
00:50:59,310 --> 00:50:56,620

me when she was talking about it yeah

1089

00:51:01,080 --> 00:50:59,320

though the upright canine cuz Butch and

1090

00:51:06,150 --> 00:51:01,090

I got one too

1091

00:51:10,470 --> 00:51:06,160

in the area just above Caledonia going

1092

00:51:13,350 --> 00:51:10,480

into those cabin areas that you're going

1093

00:51:15,330 --> 00:51:13,360

up to Laurel Lake mm-hmm yeah I mean

1094

00:51:20,040 --> 00:51:15,340

that I've had a lot of weird settings

1095

00:51:22,740 --> 00:51:20,050

along that road I don't know you know

1096

00:51:25,620 --> 00:51:22,750

ameesha is kind of a strange I mean it

1097

00:51:29,670 --> 00:51:25,630

basically extends from Matt how he

1098

00:51:32,850 --> 00:51:29,680

Springs south unto the Maryland line

1099

00:51:34,680 --> 00:51:32,860

basically yeah it goes area I mean yeah

1100

00:51:37,020 --> 00:51:34,690

it goes I guess almost in the Columbia

1101

00:51:39,990 --> 00:51:37,030

County or is it in but anyway yes it's

1102

00:51:42,840 --> 00:51:40,000

just a huge horse yeah yeah you know

1103

00:51:47,190 --> 00:51:42,850

I've received I received weird sightings

1104

00:51:51,600 --> 00:51:47,200

up along you know Mount Holly Springs up

1105

00:51:52,320 --> 00:51:51,610

in that area big spring down south in

1106

00:51:54,780 --> 00:51:52,330

Neuville

1107

00:51:58,170 --> 00:51:54,790

in there that's Cumberland County and

1108

00:52:02,400 --> 00:51:58,180

you know in the springtime those

1109

00:52:06,480 --> 00:52:02,410

limestone creeks are populated by a lot

1110

00:52:08,770 --> 00:52:06,490

of flat fishermen and they see a lot of

1111

00:52:13,820 --> 00:52:08,780

things in their yellow breeches area

1112

00:52:16,550 --> 00:52:13,830

so yeah that that whole state forest is

1113

00:52:19,310 --> 00:52:16,560

really strange you know I got chased out

1114

00:52:23,780 --> 00:52:19,320

by something there many years ago about

1115

00:52:26,300 --> 00:52:23,790

25 years ago I was up at the reservoir

1116

00:52:30,170 --> 00:52:26,310

in Caledonia I don't know if you know

1117

00:52:32,900 --> 00:52:30,180

where that's at yeah you know and I was

1118

00:52:36,500 --> 00:52:32,910

actually fishing because I used to fish

1119

00:52:37,220 --> 00:52:36,510

along the kind of coat cheek for many

1120

00:52:38,420 --> 00:52:37,230

many years

1121

00:52:39,890 --> 00:52:38,430

you know I used to do a lot of fly

1122

00:52:42,410 --> 00:52:39,900

fishing in there so I was up there

1123

00:52:44,540 --> 00:52:42,420

fishing and something came barreling

1124

00:52:47,000 --> 00:52:44,550

through those weeds and they're high

1125

00:52:48,890 --> 00:52:47,010

weeds they're the middle of day came

1126  
00:52:50,930 --> 00:52:48,900  
barreling through that sound like a damn

1127  
00:52:53,690 --> 00:52:50,940  
rhinoceros coming through there I got

1128  
00:52:56,480 --> 00:52:53,700  
out because I wasn't gonna sit there and

1129  
00:53:00,350 --> 00:52:56,490  
be worried what it was it was I know

1130  
00:53:03,440 --> 00:53:00,360  
when a bear so who knows what it is yeah

1131  
00:53:05,300 --> 00:53:03,450  
I've taken three different reports of

1132  
00:53:06,800 --> 00:53:05,310  
three different people and they've all

1133  
00:53:08,300 --> 00:53:06,810  
they've all met me out there and took me

1134  
00:53:10,490 --> 00:53:08,310  
to where it happened so it's been really

1135  
00:53:12,620 --> 00:53:10,500  
neat and it's kind of like one on the

1136  
00:53:15,650 --> 00:53:12,630  
north end up at White Rock so it's just

1137  
00:53:17,840 --> 00:53:15,660  
north of Michelle and in Cumberland

1138  
00:53:20,090 --> 00:53:17,850

County there but it's rate yeah I mean

1139

00:53:22,310 --> 00:53:20,100

the woods connect to Michelle from that

1140

00:53:25,580 --> 00:53:22,320

alone that was a lonely Appalachian

1141

00:53:27,140 --> 00:53:25,590

Trail somebody in the middle of my show

1142

00:53:30,350 --> 00:53:27,150

and then someone down the south side

1143

00:53:32,150 --> 00:53:30,360

even south of Caledonia and they were

1144

00:53:34,010 --> 00:53:32,160

all very very similar stories involved

1145

00:53:35,780 --> 00:53:34,020

being screamed at by something none of

1146

00:53:37,700 --> 00:53:35,790

them saw anything but they it scared

1147

00:53:40,880 --> 00:53:37,710

them all so much that that you know it

1148

00:53:43,250 --> 00:53:40,890

left an impression you know for good on

1149

00:53:44,630 --> 00:53:43,260

them you know well and that's right

1150

00:53:47,000 --> 00:53:44,640

that's one thing I didn't mention that

1151

00:53:47,930 --> 00:53:47,010

the Appalachian Trail goes right through

1152

00:53:51,110 --> 00:53:47,940

meet you

1153

00:53:53,960 --> 00:53:51,120

mm-hmm and you know that whole area of

1154

00:53:56,930 --> 00:53:53,970

Pennsylvania up into Harrisburg around

1155

00:53:59,810 --> 00:53:56,940

there at Camp Hill and such where the

1156

00:54:01,790 --> 00:53:59,820

Appalachian Trail goes through I've had

1157

00:54:04,250 --> 00:54:01,800

a lot of weird incidents over the year

1158

00:54:06,140 --> 00:54:04,260

especially up around Camp Hill yeah

1159

00:54:07,550 --> 00:54:06,150

that's you know people that don't know

1160

00:54:12,620 --> 00:54:07,560

that's what the area we they call the

1161

00:54:15,590 --> 00:54:12,630

West Shore and they're actually bit some

1162

00:54:18,920 --> 00:54:15,600

deaths on that on that Appalachian Trail

1163

00:54:20,630 --> 00:54:18,930

in that area yes there have there's been

1164

00:54:22,160 --> 00:54:20,640

some yeah there's a lot of stuff that's

1165

00:54:24,380 --> 00:54:22,170

you know maybe not paranormal

1166

00:54:26,690 --> 00:54:24,390

but you wonder it well it's like you

1167

00:54:28,490 --> 00:54:26,700

were telling me about you uncovered that

1168

00:54:30,650 --> 00:54:28,500

story about the guy who was wrapped in

1169

00:54:32,780 --> 00:54:30,660

chains and dumped in the kid Oris yeah

1170

00:54:35,000 --> 00:54:32,790

right by the furnace there so yeah it's

1171

00:54:36,920 --> 00:54:35,010

not a paranormal thing but you know when

1172

00:54:38,240 --> 00:54:36,930

a lot of these other weird kind of

1173

00:54:40,040 --> 00:54:38,250

events start happening in the same

1174

00:54:42,170 --> 00:54:40,050

places you go like okay is is there

1175

00:54:44,210 --> 00:54:42,180

something to this because a lot they

1176

00:54:46,280 --> 00:54:44,220

found a lot of bodies up around the

1177

00:54:50,300 --> 00:54:46,290

odorous furnace in the 70s yeah and

1178

00:54:53,090 --> 00:54:50,310

there's been a lot of really bed you

1179

00:54:58,250 --> 00:54:53,100

know human crime on the 80 coming

1180

00:55:01,070 --> 00:54:58,260

through that area you're right so you're

1181

00:55:01,730 --> 00:55:01,080

writing a book to Tobias what you tell

1182

00:55:07,150 --> 00:55:01,740

people about it

1183

00:55:10,090 --> 00:55:07,160

oh yeah sure so I decided I to try to

1184

00:55:12,830 --> 00:55:10,100

explain my experience I guess

1185

00:55:16,940 --> 00:55:12,840

investigating the Lake Michigan Mothman

1186

00:55:21,710 --> 00:55:16,950

sightings and and Ill wanted to explain

1187

00:55:24,110 --> 00:55:21,720

it to people in a way that would help

1188

00:55:26,180 --> 00:55:24,120

them make sense of it you know not

1189

00:55:28,940 --> 00:55:26,190

necessarily in a way that is gonna

1190

00:55:30,440 --> 00:55:28,950

convince them of my opinion although I

1191

00:55:32,210 --> 00:55:30,450

like to think my opinion is pretty

1192

00:55:36,860 --> 00:55:32,220

reasonable so hopefully you know maybe

1193

00:55:39,560 --> 00:55:36,870

it will but more in a way where it'll

1194

00:55:43,360 --> 00:55:39,570

just help organize the information we

1195

00:55:46,730 --> 00:55:43,370

have and give them all of all of the

1196

00:55:50,060 --> 00:55:46,740

relevant details that you know I I can

1197

00:55:52,190 --> 00:55:50,070

give them four for each sighting you

1198

00:55:54,920 --> 00:55:52,200

know because it's it's difficult I I

1199

00:55:58,040 --> 00:55:54,930

meet people all the time who have strong

1200

00:56:01,010 --> 00:55:58,050

opinions on this you know

1201

00:56:02,630 --> 00:56:01,020

Lake Michigan Mothman case you know they

1202

00:56:05,810 --> 00:56:02,640

got really strong opinions on it and

1203

00:56:09,920 --> 00:56:05,820

they don't know you know like they they

1204

00:56:11,660 --> 00:56:09,930

might know a third of the cases you know

1205

00:56:15,350 --> 00:56:11,670

we've we've we've covered like they

1206

00:56:18,320 --> 00:56:15,360

might be familiar with 30% maybe maybe

1207

00:56:21,290 --> 00:56:18,330

you know or maybe they just know the

1208

00:56:25,520 --> 00:56:21,300

2017 sightings and you know but if you

1209

00:56:28,850 --> 00:56:25,530

don't know the historical sightings if

1210

00:56:32,210 --> 00:56:28,860

if if you don't you know understand what

1211

00:56:35,690 --> 00:56:32,220

other external phenomena might have been

1212

00:56:37,760 --> 00:56:35,700

influencing things in Chicago in 2017

1213

00:56:41,420 --> 00:56:37,770

if you don't know you know what's been

1214

00:56:45,500 --> 00:56:41,430

happening in in you know since late 2018

1215

00:56:47,960 --> 00:56:45,510

early 2019 if you don't know about all

1216

00:56:51,589 --> 00:56:47,970

of the associated high strangeness cases

1217

00:56:54,289 --> 00:56:51,599

that we've received in those areas then

1218

00:56:56,660 --> 00:56:54,299

you know frankly you don't you just

1219

00:56:58,970 --> 00:56:56,670

don't know this case and and and that's

1220

00:57:02,200 --> 00:56:58,980

what I want to try to bring to people

1221

00:57:05,720 --> 00:57:02,210

you know I I know people hate this so I

1222

00:57:08,780 --> 00:57:05,730

apologize in advance if you if arcane

1223

00:57:13,880 --> 00:57:08,790

radio gets me flack for it but the fact

1224

00:57:16,970 --> 00:57:13,890

is if you compare the phenomena that we

1225

00:57:18,890 --> 00:57:16,980

have been investigating you line it up

1226  
00:57:21,289 --> 00:57:18,900  
with the Associated high strangeness and

1227  
00:57:22,880 --> 00:57:21,299  
and and everything else involved and you

1228  
00:57:27,530 --> 00:57:22,890  
compare it to what people were talking

1229  
00:57:32,000 --> 00:57:27,540  
about you know from from 1966 1967 in

1230  
00:57:34,190 --> 00:57:32,010  
West Virginia you know I I think it

1231  
00:57:38,000 --> 00:57:34,200  
would be difficult to make the argument

1232  
00:57:39,890 --> 00:57:38,010  
that they are more different than they

1233  
00:57:43,760 --> 00:57:39,900  
are similar because they seem pretty

1234  
00:57:45,349 --> 00:57:43,770  
similar to me yeah I think you're you're

1235  
00:57:46,609 --> 00:57:45,359  
being a little generous device I think a

1236  
00:57:49,789 --> 00:57:46,619  
lot of these people who are commenting

1237  
00:57:52,010 --> 00:57:49,799  
are really not familiar at all they're

1238  
00:57:56,870 --> 00:57:52,020

familiar with someone else's opinion on

1239

00:58:00,140 --> 00:57:56,880

cases I don't know honestly yeah you're

1240

00:58:02,599 --> 00:58:00,150

right I just I I'm nothing if not

1241

00:58:03,890 --> 00:58:02,609

diplomatic but yeah I mean you're being

1242

00:58:05,990 --> 00:58:03,900

generous and that's fine that's that's

1243

00:58:10,490 --> 00:58:06,000

probably you know that's the kind way to

1244

00:58:13,089 --> 00:58:10,500

be right just so they don't they don't

1245

00:58:18,650 --> 00:58:13,099

read what we write about it but yeah

1246

00:58:21,710 --> 00:58:18,660

between ourselves it's a little private

1247

00:58:23,599 --> 00:58:21,720

but yeah so I thought if I could get

1248

00:58:28,099 --> 00:58:23,609

this this book out and just sort of lay

1249

00:58:31,280 --> 00:58:28,109

everything out then you know anybody who

1250

00:58:33,230 --> 00:58:31,290

wants to have any opinion on this

1251

00:58:36,410 --> 00:58:33,240

investigation and talk to me about it

1252

00:58:39,559 --> 00:58:36,420

you know instead of endlessly and

1253

00:58:41,000 --> 00:58:39,569

repeatedly answering the same questions

1254

00:58:45,440 --> 00:58:41,010

I can just say did you read the book

1255

00:58:48,630 --> 00:58:45,450

because sirs in there so yeah we just

1256

00:58:55,920 --> 00:58:52,019

- well it's it's gonna have some the

1257

00:58:59,370 --> 00:58:55,930

later stuff as far as the wings humanoid

1258

00:59:02,609 --> 00:58:59,380

settings but I'm gonna be doing a flying

1259

00:59:04,259 --> 00:59:02,619

cryptid book which after my surgery I'm

1260

00:59:05,460 --> 00:59:04,269

probably gonna start getting serious

1261

00:59:09,329 --> 00:59:05,470

into it

1262

00:59:12,509 --> 00:59:09,339

- already warned to publish here we're

1263

00:59:14,190 --> 00:59:12,519

gonna work on that so all three of us

1264

00:59:17,009 --> 00:59:14,200

have got projects going on which is

1265

00:59:21,599 --> 00:59:17,019

great I mean I don't think there are

1266

00:59:24,000 --> 00:59:21,609

many many teams that have at least three

1267

00:59:28,859 --> 00:59:24,010

people writing books about things that

1268

00:59:33,329 --> 00:59:28,869

they're experiencing yeah probably not

1269

00:59:34,920 --> 00:59:33,339

yeah this is a I'm very very proud and

1270

00:59:36,900 --> 00:59:34,930

happy to be part of this group I think

1271

00:59:38,640 --> 00:59:36,910

you you put the other a good group of

1272

00:59:44,519 --> 00:59:38,650

people me excluded I'm not even

1273

00:59:46,980 --> 00:59:44,529

including myself well we all try I mean

1274

00:59:48,599 --> 00:59:46,990

I guess so in the intro we're

1275

00:59:53,519 --> 00:59:48,609

well-rounded group we've got a lot of

1276

00:59:56,370 --> 00:59:53,529

years experience and in this we don't

1277

00:59:58,980 --> 00:59:56,380

kind of rely on the other people outside

1278

01:00:03,089 --> 00:59:58,990

of our group to give us information

1279

01:00:05,549 --> 01:00:03,099

about things we do it ourselves and we

1280

01:00:07,980 --> 01:00:05,559

stick up for our witnesses which is

1281

01:00:11,579 --> 01:00:07,990

something we heard a lot of gruff about

1282

01:00:13,769 --> 01:00:11,589

during the Chicago sightings as far as

1283

01:00:16,440 --> 01:00:13,779

sharing witness information which I just

1284

01:00:20,339 --> 01:00:16,450

will not do amen amen

1285

01:00:22,710 --> 01:00:20,349

that's that's I won't do it either it's

1286

01:00:24,390 --> 01:00:22,720

just we've had the discussion before

1287

01:00:26,460 --> 01:00:24,400

it's just ya hard enough to get people

1288

01:00:28,109 --> 01:00:26,470

to talk and this is sensitive stuff it's

1289

01:00:29,819 --> 01:00:28,119

really sensitive stuff and it's

1290

01:00:31,049 --> 01:00:29,829

upsetting like I said that that one

1291

01:00:33,180 --> 01:00:31,059

witness to call me recently she was

1292

01:00:34,980 --> 01:00:33,190

crying and she in no way wanted to be

1293

01:00:37,589 --> 01:00:34,990

identified at all you know she doesn't

1294

01:00:40,380 --> 01:00:37,599

want even a hint of it on her and I

1295

01:00:41,999 --> 01:00:40,390

understand you know so hey I took the

1296

01:00:44,730 --> 01:00:42,009

report if people don't want to believe

1297

01:00:47,339 --> 01:00:44,740

it you know what can I do but you know I

1298

01:00:50,220 --> 01:00:47,349

report it as I receive it sure well I

1299

01:00:55,759 --> 01:00:50,230

mean you know I I find it so predatory

1300

01:01:00,450 --> 01:00:55,769

and it's it's it's almost it's it's

1301  
01:01:01,950 --> 01:01:00,460  
narcissistic if not sociopathic in some

1302  
01:01:04,829 --> 01:01:01,960  
people's

1303  
01:01:07,440 --> 01:01:04,839  
complete disregard for the fact that

1304  
01:01:09,630 --> 01:01:07,450  
there is a human life behind this story

1305  
01:01:12,690 --> 01:01:09,640  
because for a lot of people it's what

1306  
01:01:16,410 --> 01:01:12,700  
can this story do for me

1307  
01:01:18,780 --> 01:01:16,420  
and so ya know I'm not gonna let any I'm

1308  
01:01:21,329 --> 01:01:18,790  
not going to facilitate somebody taking

1309  
01:01:23,030 --> 01:01:21,339  
advantage of someone for celebrity like

1310  
01:01:27,120 --> 01:01:23,040  
that's never gonna happen

1311  
01:01:29,190 --> 01:01:27,130  
hmm amen yeah so guys I thank you for

1312  
01:01:31,770 --> 01:01:29,200  
joining me tonight we're going to do

1313  
01:01:33,630 --> 01:01:31,780

this again when butch gets himself

1314

01:01:36,720 --> 01:01:33,640

straight now maybe we get Shawn to come

1315

01:01:38,849 --> 01:01:36,730

on as well we can we can get into a lot

1316

01:01:40,950 --> 01:01:38,859

of different things but you know I I I

1317

01:01:44,130 --> 01:01:40,960

do believe things are gonna pick up

1318

01:01:47,990 --> 01:01:44,140

going later into the summer into the

1319

01:01:52,140 --> 01:01:48,000

fall so let's hope the weather

1320

01:01:54,180 --> 01:01:52,150

cooperates with us right on yeah okay

1321

01:01:54,900 --> 01:01:54,190

the Chicago winged humanoid incidents in

1335  
01:02:34,050 --> 01:02:31,390  
2017 by following up a witness report

01:02:37,230 --> 01:02:34,060  
verification and offering her insight

1337  
01:02:40,500 --> 01:02:37,240  
and advice she also lectured on the

1338  
01:02:43,440 --> 01:02:40,510

Chicago phenomena during her exclusive
