the oldest and strongest human emotion

2

is fear

3
00:00:14,600 --> 00:00:11,099
the oldest and strongest type of fear is

4
00:00:17,060 --> 00:00:14,610
trepidation of young when we were

5
00:00:20,990 --> 00:00:17,070
children our parents told us that

6
00:00:23,390 --> 00:00:21,000
monsters didn't exist but we were sure

7
00:00:25,000 --> 00:00:23,400
that something has there been little bit

8
00:00:29,740 --> 00:00:25,010
better in the closet

9
00:00:32,720 --> 00:00:29,750
fear seized even if our eyes are closed

10
00:00:36,470 --> 00:00:32,730
welcome to the realm of your king

11
00:00:39,319 --> 00:00:36,480
my name is lon stripper join me as I

12
00:00:43,660 --> 00:00:39,329
examine unexplained creatures strange

13
00:00:46,970 --> 00:00:43,670

manifestations and remarkable realities

14

00:00:50,270 --> 00:00:46,980

imagine this next hour as a voyage of

15

00:00:53,119 --> 00:00:50,280

discovery to strange lands seeking not

16

00:00:56,450 --> 00:00:53,129

for new territory but for new knowledge

17

00:00:59,360 --> 00:00:56,460

of the supernatural come on board as we

18

00:01:04,090 --> 00:00:59,370

begin this adventure together

19

00:01:04,100 --> 00:01:06,600

you

20

00:01:12,040 --> 00:01:08,980

hey folks good evening and welcome to

21

00:01:13,810 --> 00:01:12,050

another episode of arcane radio where we

22

00:01:15,730 --> 00:01:13,820

explore the unexplained here on the

23

00:01:18,340 --> 00:01:15,740

paranormal king radio network

24

00:01:20,710 --> 00:01:18,350

I'm your host lon strict or coming to

25

00:01:22,930 --> 00:01:20,720

you with in a cannon shot of historic

26

00:01:25,090 --> 00:01:22,940

Gettysburg in the Krypton mecca

27

00:01:30,130 --> 00:01:25,100

Pennsylvania thank you for joining me

28

00:01:33,460 --> 00:01:30,140

now tonight I have humanoid and UFO

29

00:01:36,630 --> 00:01:33,470

researcher and author Albert s Rosales

30

00:01:39,219 --> 00:01:36,640

on with me here on arcane radio now

31

00:01:43,240 --> 00:01:39,229

Albert was born in Cuba and migrated to

32

00:01:45,190 --> 00:01:43,250

the United States in 1966 he witnessed

33

00:01:47,650 --> 00:01:45,200

several unusual incidents as a young man

34

00:01:49,450 --> 00:01:47,660

while living in Cuba which continued

35

00:01:52,150 --> 00:01:49,460

through his life in the US

36

00:01:55,060 --> 00:01:52,160

Albert became interested in unusual

37

00:01:57,370 --> 00:01:55,070

phenomena and UFOs at a young age but

38

00:01:59,350 --> 00:01:57,380

soon directed his focus to the crux of

39

00:02:02,320 --> 00:01:59,360

the phenomena the humanoids and

40

00:02:04,030 --> 00:02:02,330

otherworldly entities he began

41

00:02:05,980 --> 00:02:04,040

collecting data on encounters from

42

00:02:09,910 --> 00:02:05,990

worldwide sources in the late eighties

43

00:02:11,590 --> 00:02:09,920

his current database has over 20,000

44

00:02:13,810 --> 00:02:11,600

entries I think it's probably much more

45

00:02:16,750 --> 00:02:13,820

than that now which is updated and

46

00:02:19,810 --> 00:02:16,760

corrected daily Albert has published 16

47

00:02:22,690 --> 00:02:19,820

titles including UFOs over Florida

48

00:02:25,479 --> 00:02:22,700

humanoid and other strange encounters in

49

00:02:27,040 --> 00:02:25,489

the Sunshine State so Albert does a good

50

00:02:29,560 --> 00:02:27,050

night to have you thanks for coming

51
00:02:36,430 --> 00:02:29,570
coming on with me hey thanks for having

52
00:02:38,970 --> 00:02:36,440
me Lud I think I'm ready well I tell you

53
00:02:42,490 --> 00:02:38,980
it's good to have you one night because

54
00:02:45,970 --> 00:02:42,500
this has been a crazy couple of weeks

55
00:02:48,340 --> 00:02:45,980
for me and my team because this stuff

56
00:02:51,880 --> 00:02:48,350
going on in Chicago is kind of ramped up

57
00:02:55,930 --> 00:02:51,890
a bit I heard I and I've been reading

58
00:02:59,199 --> 00:02:55,940
your reports and Benoit what's going on

59
00:03:02,050 --> 00:02:59,209
I don't know if in particular what

60
00:03:06,430 --> 00:03:02,060
happened back on my birthday on the 28th

61
00:03:08,890 --> 00:03:06,440
of October this this woman and you know

62
00:03:12,580 --> 00:03:08,900
I'm trying to keep all her information

63
00:03:14,830 --> 00:03:12,590

out of the pose for a lot of reasons

64

00:03:17,470 --> 00:03:14,840

even though that's what she requested

65

00:03:19,830 --> 00:03:17,480

but right she's had some problems with

66

00:03:24,539 --> 00:03:19,840

some harassment so

67

00:03:26,619 --> 00:03:24,549

anyway basically what happened was she

68

00:03:29,890 --> 00:03:26,629

she's been living in the Rosemont

69

00:03:33,490 --> 00:03:29,900

Illinois area or life which isn't far

70

00:03:36,910 --> 00:03:33,500

from O'Hare International yeah and

71

00:03:42,100 --> 00:03:36,920

usually in the evening she walks to the

72

00:03:44,619 --> 00:03:42,110

local park sits down and just you know

73

00:03:46,150 --> 00:03:44,629

escapes for a little while anyway you

74

00:03:50,050 --> 00:03:46,160

know I'm I don't know she has a

75

00:03:52,270 --> 00:03:50,060

stressful job or such but anyway she she

76
00:03:55,240 --> 00:03:52,280
enjoys taking walks at night and and and

77
00:03:58,300 --> 00:03:55,250
just likes to be lost in her thoughts so

78
00:04:01,750 --> 00:03:58,310
that particular night she couldn't sleep

79
00:04:05,259 --> 00:04:01,760
so she decided to take a walk and sit

80
00:04:07,000 --> 00:04:05,269
for a few minutes in the cold what she

81
00:04:09,430 --> 00:04:07,010
thought would kind of help her sleep so

82
00:04:14,559 --> 00:04:09,440
what she did when where she usually goes

83
00:04:17,610 --> 00:04:14,569
is to the park near her which has a

84
00:04:20,229 --> 00:04:17,620
large gazebo with with benches in and

85
00:04:22,330 --> 00:04:20,239
she sits there now I think it was around

86
00:04:27,580 --> 00:04:22,340
nine o'clock in the evening maybe a

87
00:04:29,950 --> 00:04:27,590
little bit later but anyway she said was

88
00:04:32,589 --> 00:04:29,960

what was unusual at first was when she

89

00:04:34,270 --> 00:04:32,599

sat down she noticed how quiet

90

00:04:37,089 --> 00:04:34,280

everything was I mean there are two

91

00:04:38,860 --> 00:04:37,099

expressways that are nearby but she

92

00:04:43,270 --> 00:04:38,870

could even hear anything coming from the

93

00:04:47,710 --> 00:04:43,280

expressways so you know she was kind of

94

00:04:51,339 --> 00:04:47,720

I guess on the edge anyway a hackles

95

00:04:55,360 --> 00:04:51,349

were up so she said you wasn't there

96

00:05:00,100 --> 00:04:55,370

maybe five minutes and she noticed a

97

00:05:01,450 --> 00:05:00,110

very tall man standing by a building

98

00:05:05,140 --> 00:05:01,460

that's there and I don't want to get in

99

00:05:07,089 --> 00:05:05,150

specifics what the building is but she

100

00:05:11,260 --> 00:05:07,099

said the man was unusually tall and very

101
00:05:14,440 --> 00:05:11,270
thin and he was standing - what looked

102
00:05:19,870 --> 00:05:14,450
like a smaller man who was very frail

103
00:05:23,409 --> 00:05:19,880
and thin now later when I when I

104
00:05:27,129 --> 00:05:23,419
conversed with her by email she stated

105
00:05:33,550 --> 00:05:27,139
that this this little man looked like

106
00:05:40,570 --> 00:05:37,659
she says that she watched them she said

107
00:05:43,300 --> 00:05:40,580
a pair of human women walked up and just

108
00:05:44,040 --> 00:05:43,310
stood there almost as if they were in a

109
00:05:48,190 --> 00:05:44,050
daze

110
00:05:51,400 --> 00:05:48,200
as a tall person did something that just

111
00:05:55,600 --> 00:05:51,410
shook me to the core she said and

112
00:06:03,760 --> 00:05:55,610
suddenly there was a bright blue flash

113
00:06:05,950 --> 00:06:03,770

of light and when it was done all them

114

00:06:10,510 --> 00:06:05,960

had disappeared except for the tall

115

00:06:15,580 --> 00:06:10,520

being well about ten seconds later this

116

00:06:18,040 --> 00:06:15,590

tall being unfurled a pair of wings from

117

00:06:23,879 --> 00:06:18,050

its back she didn't know had wings at

118

00:06:27,070 --> 00:06:23,889

first and took off start flying away

119

00:06:29,860 --> 00:06:27,080

well she was so flabbergasted she just

120

00:06:31,750 --> 00:06:29,870

took off basically running toward zone

121

00:06:40,330 --> 00:06:31,760

she didn't know what she had encountered

122

00:06:42,250 --> 00:06:40,340

now the thing is you know this the

123

00:06:44,950 --> 00:06:42,260

distance we and we trying to figure out

124

00:06:46,659 --> 00:06:44,960

the distance but you know whenever she

125

00:06:50,290 --> 00:06:46,669

was you know sitting if where this took

126
00:06:53,710 --> 00:06:50,300
place we figured it was probably around

127
00:06:57,100 --> 00:06:53,720
a hundred fifty to two hundred foot

128
00:06:59,860 --> 00:06:57,110
which really isn't that far away man

129
00:07:02,590 --> 00:06:59,870
this building had any light on it so

130
00:07:08,469 --> 00:07:02,600
that they could see could see you know

131
00:07:11,440 --> 00:07:08,479
underneath it well anyway she was she

132
00:07:16,510 --> 00:07:11,450
was somewhat shook up she got in contact

133
00:07:19,960 --> 00:07:16,520
the day after with one of the people on

134
00:07:22,870 --> 00:07:19,970
our team Manuel na Barret who's over at

135
00:07:25,779 --> 00:07:22,880
UFO Clearing House he's part of the fans

136
00:07:28,270 --> 00:07:25,789
of monsters 14 research team and

137
00:07:31,510 --> 00:07:28,280
especially the Chicago phantom task

138
00:07:34,960 --> 00:07:31,520

force he's worked on me from the very

139

00:07:36,969 --> 00:07:34,970

beginning of this phenomena anyway he

140

00:07:41,950 --> 00:07:36,979

got a hold of me in Tobias Weiland who's

141

00:07:46,330 --> 00:07:41,960

also on the team and you know he told us

142

00:07:47,110 --> 00:07:46,340

what had happened but she didn't want to

143

00:08:00,090 --> 00:07:47,120

talk

144

00:08:05,050 --> 00:08:02,980

she had an incident that just really

145

00:08:07,990 --> 00:08:05,060

threw her off now we had just got done

146

00:08:10,240 --> 00:08:08,000

telling her the day before that you know

147

00:08:12,550 --> 00:08:10,250

just who would be absolutely quiet about

148

00:08:15,820 --> 00:08:12,560

this no personal information would we

149

00:08:17,770 --> 00:08:15,830

you know outsource nothing I mean we

150

00:08:20,530 --> 00:08:17,780

were you know it all her personal

151

00:08:25,030 --> 00:08:20,540

information and location was gonna be

152

00:08:26,680 --> 00:08:25,040

mum well anyway she was she was at work

153

00:08:30,670 --> 00:08:26,690

I think she was probably in the

154

00:08:33,610 --> 00:08:30,680

cafeteria she was with a friend the

155

00:08:37,149 --> 00:08:33,620

friend went to use the restroom and this

156

00:08:39,219 --> 00:08:37,159

man walked up behind her and asked her

157

00:08:44,350 --> 00:08:39,229

what she had seen

158

00:08:46,690 --> 00:08:44,360

does all the blue and she was taken

159

00:08:48,850 --> 00:08:46,700

aback and she's excuse me she said I

160

00:08:52,620 --> 00:08:48,860

wanted I'm the investigator and I'm

161

00:08:55,329 --> 00:08:52,630

investigating what you saw in the park

162

00:08:58,170 --> 00:08:55,339

and she told him I've already talked to

163

00:09:02,160 --> 00:08:58,180

people well he shouldn't have done that

164

00:09:04,720 --> 00:09:02,170

I'm the person you need to talk to her

165

00:09:08,199 --> 00:09:04,730

well you know she got away from this guy

166

00:09:10,090 --> 00:09:08,209

you know he walked off so I think I

167

00:09:15,040 --> 00:09:10,100

assumed that she got he was you soon as

168

00:09:16,720 --> 00:09:15,050

she got home or later that night she she

169

00:09:19,180 --> 00:09:16,730

emailed all of us and told us what had

170

00:09:21,760 --> 00:09:19,190

happened and one - nope we had talked to

171

00:09:24,400 --> 00:09:21,770

anybody well you know I

172

00:09:28,030 --> 00:09:24,410

we reassured her that we hadn't you know

173

00:09:31,810 --> 00:09:28,040

there was just no way so you know this -

174

00:09:34,720 --> 00:09:31,820

whole scenario is very similar to what

175

00:09:36,610 --> 00:09:34,730

and you can back this up to the the men

176

00:09:39,880 --> 00:09:36,620

and black phenomena even though this

177

00:09:42,990 --> 00:09:39,890

this man a person did not look like the

178

00:09:46,720 --> 00:09:43,000

typical MIB he looked like a normal

179

00:09:50,110 --> 00:09:46,730

human yeah and you know what she didn't

180

00:09:53,290 --> 00:09:50,120

really describe him a whole lot I think

181

00:09:56,650 --> 00:09:53,300

she's kind of scared to do that okay but

182

00:10:00,850 --> 00:09:56,660

I like that I was in an art I did an RV

183

00:10:04,960 --> 00:10:00,860

session with some viewers Sunday night

184

00:10:09,040 --> 00:10:04,970

a Sunday night and some of the

185

00:10:12,130 --> 00:10:09,050

information was coming through and one

186

00:10:18,030 --> 00:10:12,140

of the viewers described the individual

187

00:10:24,010 --> 00:10:18,040

as a fairly tall thin man with a tan

188

00:10:29,980 --> 00:10:24,020

jacket and long greasy hair tall thin

189

00:10:34,540 --> 00:10:29,990

men man with with a tan jacket and long

190

00:10:36,700 --> 00:10:34,550

dark greasy hair what a coincidence you

191

00:10:39,160 --> 00:10:36,710

know he sounds like the may be the guy

192

00:10:42,730 --> 00:10:39,170

that's the creature that she saw in the

193

00:10:45,430 --> 00:10:42,740

in the park possibly yes covering his

194

00:10:48,760 --> 00:10:45,440

wings with a with a jacket

195

00:10:58,090 --> 00:10:48,770

know what I didn't even think I did I

196

00:10:59,710 --> 00:10:58,100

give you and think about that but that's

197

00:11:02,650 --> 00:10:59,720

interesting I hadn't even thought about

198

00:11:05,830 --> 00:11:02,660

that so you know this just goes hand in

199

00:11:09,330 --> 00:11:05,840

hand I suppose with what's been going on

200

00:11:14,140 --> 00:11:09,340

in Chicago now in the last three weeks

201
00:11:18,690 --> 00:11:14,150
we have received four reports within a

202
00:11:21,310 --> 00:11:18,700
square mile of O'Hara international in

203
00:11:24,310 --> 00:11:21,320
Rosemont and Azad last when when I had

204
00:11:26,830 --> 00:11:24,320
another one in Park Park Ridge which is

205
00:11:32,320 --> 00:11:26,840
the next you know the next neighborhood

206
00:11:36,430 --> 00:11:32,330
over but that seems awful strange for

207
00:11:38,650 --> 00:11:36,440
getting all those reports there and none

208
00:11:40,540 --> 00:11:38,660
of these witnesses had any I did they

209
00:11:44,550 --> 00:11:40,550
hadn't any idea what had been going on

210
00:11:48,850 --> 00:11:44,560
anyway you know the incident that note

211
00:11:51,700 --> 00:11:48,860
17 and I also had two sightings within

212
00:11:54,970 --> 00:11:51,710
that time period of a similar type B II

213
00:11:59,320 --> 00:11:54,980

the one was smaller in the area of

214

00:12:03,940 --> 00:11:59,330

Richmond Illinois which is about 30

215

00:12:08,320 --> 00:12:03,950

miles north of there so yeah it's been

216

00:12:10,330 --> 00:12:08,330

pretty bizarre so you know it's great

217

00:12:13,270 --> 00:12:10,340

that I have you only night know what

218

00:12:14,710 --> 00:12:13,280

were your thoughts I don't know I got

219

00:12:16,929 --> 00:12:14,720

like i mentioned to you or

220

00:12:19,929 --> 00:12:16,939

it seems like the activity you know the

221

00:12:22,900 --> 00:12:19,939

winged creatures remo noise well in

222

00:12:24,939 --> 00:12:22,910

Chicago they dropped off now he seems to

223

00:12:28,300 --> 00:12:24,949

be you know picking up again for what

224

00:12:32,170 --> 00:12:28,310

reason who knows but uh I don't know

225

00:12:34,449 --> 00:12:32,180

wrote lawn is like the more we we study

226

00:12:37,900 --> 00:12:34,459

this subject and more we learn the less

227

00:12:40,269 --> 00:12:37,910

actually the less we we learn I mean the

228

00:12:43,689 --> 00:12:40,279

less we know yeah you know this whole

229

00:12:47,350 --> 00:12:43,699

wing humanoid phenomena right I mean you

230

00:12:51,160 --> 00:12:47,360

know as far as humanoids go and you know

231

00:12:53,679 --> 00:12:51,170

possible UFO or alien activity it's not

232

00:12:56,050 --> 00:12:53,689

very well known I mean of course there

233

00:12:58,780 --> 00:12:56,060

have been well-known sightings like when

234

00:13:00,670 --> 00:12:58,790

the malt man and you know and and summer

235

00:13:03,069 --> 00:13:00,680

type of beings but the fact that all

236

00:13:06,819 --> 00:13:03,079

this is going on in one bourbon area

237

00:13:08,559 --> 00:13:06,829

like Chicago and that first of all

238

00:13:11,290 --> 00:13:08,569

nobody nobody knows where they're

239

00:13:13,960 --> 00:13:11,300

hanging out at which I tend to believe

240

00:13:18,970 --> 00:13:13,970

they're interdimensional but by some

241

00:13:22,809 --> 00:13:18,980

degree there are no pet missing reports

242

00:13:26,139 --> 00:13:22,819

which we've been checking on so they're

243

00:13:28,689 --> 00:13:26,149

not eating they're supposedly though I

244

00:13:30,610 --> 00:13:28,699

it wouldn't be any mutilations because I

245

00:13:32,379 --> 00:13:30,620

don't think there will be any like

246

00:13:34,600 --> 00:13:32,389

cattle in that area or anything like

247

00:13:36,910 --> 00:13:34,610

that or the big animal

248

00:13:38,350 --> 00:13:36,920

yeah I've been heard any we haven't

249

00:13:40,809 --> 00:13:38,360

heard anything you know and some of the

250

00:13:44,619 --> 00:13:40,819

areas have been out in the country so we

251
00:13:46,509 --> 00:13:44,629
haven't heard about any mutilations all

252
00:13:50,590 --> 00:13:46,519
the sightings are fleeting they're quick

253
00:13:53,559 --> 00:13:50,600
sightings there's very rarely any time

254
00:13:56,170 --> 00:13:53,569
to get a photograph and most of the

255
00:13:58,059 --> 00:13:56,180
sightings are at night some have red

256
00:14:03,059 --> 00:13:58,069
eyes some don't I don't know if this

257
00:14:09,790 --> 00:14:06,490
you know I don't know you know now the

258
00:14:11,889 --> 00:14:09,800
the other reports in the Rosemont area

259
00:14:14,499 --> 00:14:11,899
they all had red eyes and the autumn

260
00:14:16,150 --> 00:14:14,509
Richmond had red eyes but he seems like

261
00:14:19,329 --> 00:14:16,160
they're different type of beans do you

262
00:14:21,340 --> 00:14:19,339
think or because they're they're

263
00:14:24,790 --> 00:14:21,350

described differently and in some of the

264

00:14:26,679 --> 00:14:24,800

cases that's what I think like all right

265

00:14:28,540 --> 00:14:26,689

well I I think there may be something to

266

00:14:30,790 --> 00:14:28,550

that now I have always beliefs

267

00:14:33,160 --> 00:14:30,800

beginning of this that there are at

268

00:14:37,000 --> 00:14:33,170

least three beings that had been at

269

00:14:38,530 --> 00:14:37,010

least at least around 2017 I've always

270

00:14:41,769 --> 00:14:38,540

thought there have been three different

271

00:14:45,009 --> 00:14:41,779

beings like you said some had the red

272

00:14:48,040 --> 00:14:45,019

eyes some didn't some were discarded

273

00:14:50,680 --> 00:14:48,050

with wings that were similar to the

274

00:14:53,920 --> 00:14:50,690

Mothman or Alec who saw or you know some

275

00:14:56,860 --> 00:14:53,930

type of al man right but most of them

276
00:15:01,000 --> 00:14:56,870
have been the the batwing gargoyle wing

277
00:15:06,100 --> 00:15:01,010
type being with a very thin body almost

278
00:15:10,810 --> 00:15:06,110
emaciated body some of the heads were

279
00:15:13,750 --> 00:15:10,820
described as having like a ray arc

280
00:15:15,850 --> 00:15:13,760
crown on its head that extended back

281
00:15:18,940 --> 00:15:15,860
over the back something most of them

282
00:15:22,720 --> 00:15:18,950
didn't but few did like a ridge so like

283
00:15:25,389 --> 00:15:22,730
a ridge yeah look think of a pterodactyl

284
00:15:27,550 --> 00:15:25,399
without the beak you know that long

285
00:15:31,960 --> 00:15:27,560
ridge on the back of the head like that

286
00:15:36,220 --> 00:15:31,970
oh I don't know what to help people are

287
00:15:38,139 --> 00:15:36,230
saying now you know but I have all

288
00:15:40,000 --> 00:15:38,149

indications that they're definitely

289

00:15:42,670 --> 00:15:40,010

seeing something I mean we've even had

290

00:15:47,139 --> 00:15:42,680

police officers report these things so

291

00:15:51,090 --> 00:15:47,149

you know I don't know and the fact that

292

00:15:53,740 --> 00:15:51,100

did this MIB possibility or this

293

00:15:58,510 --> 00:15:53,750

individual coming up to her out of the

294

00:16:02,019 --> 00:15:58,520

blue you know is is this government is

295

00:16:03,610 --> 00:16:02,029

this something other I don't know but

296

00:16:05,560 --> 00:16:03,620

it's definitely connected since this guy

297

00:16:08,740 --> 00:16:05,570

knew what you know everything up

298

00:16:11,710 --> 00:16:08,750

apparently what she had seen it does

299

00:16:14,230 --> 00:16:11,720

seem that way it really does but I was

300

00:16:17,500 --> 00:16:14,240

hearing from us and I'm quite sure she

301
00:16:20,260 --> 00:16:17,510
didn't tell anybody about it you know he

302
00:16:23,260 --> 00:16:20,270
seems like once in a while I was always

303
00:16:26,439 --> 00:16:23,270
talking to the late researcher here in

304
00:16:29,620 --> 00:16:26,449
Virgilio Sanchez 0:07 where he wrote a

305
00:16:32,680 --> 00:16:29,630
book about coal UFO pets uh-huh and he

306
00:16:37,060 --> 00:16:32,690
mentioned a lot of similar incidents in

307
00:16:40,230 --> 00:16:37,070
Chile starting back in 99 through 2001

308
00:16:41,970 --> 00:16:40,240
and a lot of those reports world winged

309
00:16:45,570 --> 00:16:41,980
creatures

310
00:16:47,760 --> 00:16:45,580
and according to him he had reports

311
00:16:51,060 --> 00:16:47,770
right before the whole everything

312
00:16:54,060 --> 00:16:51,070
started of what appeared to be some kind

313
00:16:57,750 --> 00:16:54,070

of beams a light coming down and in

314

00:17:01,710 --> 00:16:57,760

several parts of the area there in Chile

315

00:17:06,200 --> 00:17:01,720

and it was mostly an area called Kalama

316

00:17:10,100 --> 00:17:06,210

and Chile anyway he thinks that somehow

317

00:17:12,690 --> 00:17:10,110

and these creatures come through a

318

00:17:14,760 --> 00:17:12,700

temporary portal that's open from

319

00:17:17,880 --> 00:17:14,770

another like you mentioned earlier

320

00:17:19,920 --> 00:17:17,890

another dimension and who knows there

321

00:17:21,150 --> 00:17:19,930

are many there's many universes out

322

00:17:24,120 --> 00:17:21,160

there that's my opinion

323

00:17:26,760 --> 00:17:24,130

and they come in tempera you know

324

00:17:28,530 --> 00:17:26,770

temporarily basis I don't know I don't

325

00:17:31,410 --> 00:17:28,540

know if we ever would go to their third

326

00:17:35,040 --> 00:17:31,420

location also but it's like a temporary

327

00:17:37,650 --> 00:17:35,050

break between dimensions and those of

328

00:17:37,980 --> 00:17:37,660

all these creatures or what human always

329

00:17:41,220 --> 00:17:37,990

are

330

00:17:43,680 --> 00:17:41,230

uh sure into our reality right then all

331

00:17:45,690 --> 00:17:43,690

the sudden they go away yeah like the

332

00:17:48,570 --> 00:17:45,700

Mothman well you know it's interesting

333

00:17:54,750 --> 00:17:48,580

you said that because when the sightings

334

00:17:58,950 --> 00:17:54,760

in 2017 began I I noticed on the MUFON

335

00:18:01,710 --> 00:17:58,960

CMS database that there were several

336

00:18:05,040 --> 00:18:01,720

reports of lights bright lights being

337

00:18:09,510 --> 00:18:05,050

seen in Chicago Heights which is just

338

00:18:11,670 --> 00:18:09,520

south of Chicago okay and I you know I I

339

00:18:14,700 --> 00:18:11,680

couldn't I didn't know if there's baby

340

00:18:17,190 --> 00:18:14,710

connected now there were there were some

341

00:18:20,700 --> 00:18:17,200

sightings in South Chicago some suburbs

342

00:18:23,880 --> 00:18:20,710

of Chicago as well as in the Indiana but

343

00:18:28,410 --> 00:18:23,890

I don't know if that was connected or

344

00:18:31,460 --> 00:18:28,420

not now I mean who knows I'm quite sure

345

00:18:35,340 --> 00:18:31,470

if they were coming through some type of

346

00:18:38,400 --> 00:18:35,350

portal I mean somebody may have actually

347

00:18:45,170 --> 00:18:38,410

seen that you know the fact that this

348

00:18:47,970 --> 00:18:45,180

woman saw this bright blue light and

349

00:18:50,160 --> 00:18:47,980

then they disappeared and then I think

350

00:18:53,220 --> 00:18:50,170

took off you know I talked I talked to

351

00:18:55,440 --> 00:18:53,230

David that court about this and David

352

00:18:55,840 --> 00:18:55,450

you know I told David about the blue

353

00:18:59,080 --> 00:18:55,850

light

354

00:19:03,160 --> 00:18:59,090

and I told David about the two women and

355

00:19:06,700 --> 00:19:03,170

the small gray and he told me he said

356

00:19:07,960 --> 00:19:06,710

well first of all the blue light was

357

00:19:11,800 --> 00:19:07,970

definitely a portal

358

00:19:16,120 --> 00:19:11,810

he said because all the portals are all

359

00:19:21,180 --> 00:19:16,130

the the openings that he has witnessed

360

00:19:24,010 --> 00:19:21,190

at his place it's always a blue light

361

00:19:25,900 --> 00:19:24,020

and I didn't know that I didn't even

362

00:19:32,080 --> 00:19:25,910

realize that until he told me that the

363

00:19:35,830 --> 00:19:32,090

other day so he also told me that the

364

00:19:38,850 --> 00:19:35,840

two females he believed were most likely

365

00:19:44,410 --> 00:19:41,950

sure I don't know that the lady

366

00:19:49,450 --> 00:19:44,420

described any clothing or nothing any of

367

00:19:52,330 --> 00:19:49,460

the the creatures didn't know no you

368

00:19:55,780 --> 00:19:52,340

know I think she was so freaked out that

369

00:19:58,180 --> 00:19:55,790

she didn't really okay get into details

370

00:20:00,850 --> 00:19:58,190

you're probably in shock you know she'd

371

00:20:02,860 --> 00:20:00,860

be perfect for a regression it if she

372

00:20:04,720 --> 00:20:02,870

could handle it now I don't know if that

373

00:20:06,400 --> 00:20:04,730

is a possibility

374

00:20:08,920 --> 00:20:06,410

I mean I'm having even trouble getting

375

00:20:11,350 --> 00:20:08,930

to talk to her so let alone her going

376

00:20:13,840 --> 00:20:11,360

and having hypnotic regression done well

377

00:20:16,000 --> 00:20:13,850

he'd be a perfect candidate for it maybe

378

00:20:17,740 --> 00:20:16,010

you know multiple most people that see

379

00:20:19,660 --> 00:20:17,750

something like this they don't even come

380

00:20:21,310 --> 00:20:19,670

forward to telling anybody well that's

381

00:20:23,410 --> 00:20:21,320

true and I think I'm lucky we're lucky

382

00:20:25,000 --> 00:20:23,420

that we've got this you've ever known

383

00:20:27,520 --> 00:20:25,010

this even though it's changed a little

384

00:20:29,680 --> 00:20:27,530

bit now there's more people open to

385

00:20:32,500 --> 00:20:29,690

what's going on and they're talking

386

00:20:34,630 --> 00:20:32,510

about it a lot well what I'm hoping for

387

00:20:38,770 --> 00:20:34,640

is but you know us getting this out

388

00:20:42,220 --> 00:20:38,780

there and people seeing the report and

389

00:20:44,140 --> 00:20:42,230

realize it's just not people seeing wing

390

00:20:46,960 --> 00:20:44,150

beams flying around that there's

391

00:20:48,850 --> 00:20:46,970

something else involved now maybe other

392

00:20:51,340 --> 00:20:48,860

people will start coming forward and

393

00:20:53,200 --> 00:20:51,350

letting us know you know I'm quite sure

394

00:20:56,650 --> 00:20:53,210

there have been other sightings in fact

395

00:20:58,930 --> 00:20:56,660

I'm positive of it it's so remarkable

396

00:21:00,550 --> 00:20:58,940

that people just don't want to say

397

00:21:04,270 --> 00:21:00,560

anything because you know other people

398

00:21:06,130 --> 00:21:04,280

think they're crazy and that happens all

399

00:21:09,490 --> 00:21:06,140

the time I mean I have people that'll

400

00:21:12,610 --> 00:21:09,500

call me about something like this and

401
00:21:14,680 --> 00:21:12,620
you know the first thing they say is

402
00:21:16,960 --> 00:21:14,690
well you're not gonna believe me or I

403
00:21:19,090 --> 00:21:16,970
don't want this getting act cuz my fam

404
00:21:22,240 --> 00:21:19,100
Bill here about it or dis and that

405
00:21:24,669 --> 00:21:22,250
people are people do not handle ridicule

406
00:21:25,899 --> 00:21:24,679
very well especially when it comes to

407
00:21:30,730 --> 00:21:25,909
something like this

408
00:21:32,980 --> 00:21:30,740
true yeah yeah you know let me I want to

409
00:21:34,060 --> 00:21:32,990
mention one of my personal experiences

410
00:21:36,909 --> 00:21:34,070
here in Miami

411
00:21:41,860 --> 00:21:36,919
okay actually in Coral Gables which is a

412
00:21:44,950 --> 00:21:41,870
suburb day county in Miami I was I think

413
00:21:47,499 --> 00:21:44,960

he might be in one of my my summers but

414

00:21:49,869 --> 00:21:47,509

anyway I was leaving my mom's house I

415

00:21:52,360 --> 00:21:49,879

was visiting her and this is you know

416

00:21:54,279 --> 00:21:52,370

daytime and maybe afternoon and I'm

417

00:21:56,710 --> 00:21:54,289

driving out of the parking lot and I

418

00:21:59,769 --> 00:21:56,720

looked behind me and go through the

419

00:22:02,350 --> 00:21:59,779

rearview mirror and see I eight figure a

420

00:22:04,899 --> 00:22:02,360

very tall figure standing in the middle

421

00:22:07,330 --> 00:22:04,909

of the roadway I look I don't know a

422

00:22:10,119 --> 00:22:07,340

strange thing I would he seemed to me he

423

00:22:12,279 --> 00:22:10,129

was wearing all white his hair Peter be

424

00:22:15,220 --> 00:22:12,289

white he was all white and then he was

425

00:22:17,169 --> 00:22:15,230

kind of wider at the top when the his

426
00:22:19,659 --> 00:22:17,179
back you know like really white

427
00:22:25,450 --> 00:22:19,669
shoulders and he was covering some kind

428
00:22:28,899 --> 00:22:25,460
of either a huge jacket or cape and this

429
00:22:30,430 --> 00:22:28,909
guy to me I mean I looked at in and you

430
00:22:31,810 --> 00:22:30,440
know when you when when you see

431
00:22:35,080 --> 00:22:31,820
something like that add up at that

432
00:22:37,180 --> 00:22:35,090
moment you you don't really react you're

433
00:22:38,499 --> 00:22:37,190
like maybe you think about it five

434
00:22:41,919 --> 00:22:38,509
minutes later I go wait a minute what

435
00:22:45,490 --> 00:22:41,929
what the hell was that I saw no and this

436
00:22:47,230 --> 00:22:45,500
person is turn around and I'm like just

437
00:22:50,169 --> 00:22:47,240
looking at him from their own the rear

438
00:22:52,119 --> 00:22:50,179

view mirror the whole time and I you

439

00:22:53,710 --> 00:22:52,129

know I looked but I had a keep an eye on

440

00:22:55,799 --> 00:22:53,720

the road a second because I was leaving

441

00:23:01,690 --> 00:22:55,809

the party line I looked back he was gone

442

00:23:04,629 --> 00:23:01,700

and to me look like a tall totally white

443

00:23:05,860 --> 00:23:04,639

mostly in and I couldn't really tell the

444

00:23:09,999 --> 00:23:05,870

face but he looked like it our white

445

00:23:12,779 --> 00:23:10,009

hair mm-hmm to me this person had had

446

00:23:16,240 --> 00:23:12,789

some kind of wing wings on his back

447

00:23:20,290 --> 00:23:16,250

which we covered this has happened back

448

00:23:22,290 --> 00:23:20,300

in I'm talking about ninety nine maybe

449

00:23:25,050 --> 00:23:22,300

[Music]

450

00:23:26,880 --> 00:23:25,060

ask you this yeah now you and I have

451
00:23:28,680 --> 00:23:26,890
researched this type of phenomena for a

452
00:23:30,660 --> 00:23:28,690
while now you've been involved with all

453
00:23:32,400 --> 00:23:30,670
kinds of humanoids you know I've been

454
00:23:36,390 --> 00:23:32,410
looking into a lot of different things

455
00:23:40,710 --> 00:23:36,400
do you think word sasette susceptible

456
00:23:46,440 --> 00:23:40,720
to actually seeing or being contacted

457
00:23:50,130 --> 00:23:46,450
would be by these type of beings you

458
00:23:53,370 --> 00:23:50,140
know what I don't know maybe we we are

459
00:23:57,120 --> 00:23:53,380
maybe we've been contacted but maybe we

460
00:24:01,740 --> 00:23:57,130
don't remember maybe we if it's not it's

461
00:24:04,500 --> 00:24:01,750
like either I don't know we blanked out

462
00:24:07,350 --> 00:24:04,510
our brains I don't know you had a

463
00:24:09,330 --> 00:24:07,360

Bigfoot encounter years ago well I had

464

00:24:14,090 --> 00:24:09,340

the Bigfoot encounter in 81 and I had

465

00:24:18,120 --> 00:24:14,100

that wing being encounter back in 88 so

466

00:24:19,860 --> 00:24:18,130

maybe you had more that some houses

467

00:24:22,040 --> 00:24:19,870

they've been deleted from your memory

468

00:24:26,910 --> 00:24:22,050

well that may be true I mean you know

469

00:24:32,220 --> 00:24:26,920

you know I had I had way after my wife

470

00:24:35,420 --> 00:24:32,230

passed I had a couple of encounters that

471

00:24:39,660 --> 00:24:35,430

I I just really can't explained though

472

00:24:42,030 --> 00:24:39,670

the one the one encounter I do believe I

473

00:24:44,910 --> 00:24:42,040

may possibly been abducted but I was I

474

00:24:47,910 --> 00:24:44,920

was actually shown a few things it's

475

00:24:50,880 --> 00:24:47,920

written in my my last book that you know

476
00:24:53,130 --> 00:24:50,890
things that were shown to me but you

477
00:24:55,020 --> 00:24:53,140
know yeah you're right I mean I and

478
00:24:56,580 --> 00:24:55,030
that's something I always had to think

479
00:24:57,090 --> 00:24:56,590
about when out when I'm talking to

480
00:25:00,390 --> 00:24:57,100
experi

481
00:25:02,940 --> 00:25:00,400
we we might think of it as a dream yeah

482
00:25:04,830 --> 00:25:02,950
absolutely but it's maybe not really a

483
00:25:09,870 --> 00:25:04,840
dream it was something different who

484
00:25:13,320 --> 00:25:09,880
knows yeah so what else you got for is

485
00:25:16,110 --> 00:25:13,330
Albert well like I mentioned I'm working

486
00:25:19,680 --> 00:25:16,120
on my next installment of humanoid

487
00:25:22,380 --> 00:25:19,690
encounters it's been slow slow going uh

488
00:25:24,570 --> 00:25:22,390

been very busy translating and

489

00:25:29,730 --> 00:25:24,580

collecting cases but this one's gonna be

490

00:25:34,080 --> 00:25:29,740

from 2016 to 2019 I hope to include a

491

00:25:36,190 --> 00:25:34,090

lot of your cases there's been some

492

00:25:40,150 --> 00:25:36,200

interest in cases that I already

493

00:25:43,510 --> 00:25:40,160

summarized Allah for some reason it's

494

00:25:44,080 --> 00:25:43,520

been a lot of activity in like in South

495

00:25:47,890 --> 00:25:44,090

America

496

00:25:49,590 --> 00:25:47,900

yeah Argentina Chile there's one case I

497

00:25:56,770 --> 00:25:49,600

don't know if you heard about it uh

498

00:25:58,150 --> 00:25:56,780

January 2019 this year I mean let me

499

00:26:00,820 --> 00:25:58,160

bring it up here and look him through my

500

00:26:02,860 --> 00:26:00,830

computer they were there was a family

501
00:26:06,549 --> 00:26:02,870
was it was there that was supposed to be

502
00:26:10,270 --> 00:26:06,559
an eclipse and they were driving towards

503
00:26:14,289 --> 00:26:10,280
a location yeah that the cliff January

504
00:26:17,260 --> 00:26:14,299
21st they were in a place called East

505
00:26:18,159 --> 00:26:17,270
Los antiag Oh between Ensenada I'm

506
00:26:21,039 --> 00:26:18,169
pumped

507
00:26:24,730 --> 00:26:21,049
Lara which is Ana when Osiris province

508
00:26:29,380 --> 00:26:24,740
in Argentina and it was a family you

509
00:26:31,750 --> 00:26:29,390
know kids grandfather grandmom the mom

510
00:26:34,030 --> 00:26:31,760
know that and and they were in like a

511
00:26:37,480 --> 00:26:34,040
pretty isolated Road win and if I had

512
00:26:39,730 --> 00:26:37,490
they they saw a very tall figure walking

513
00:26:41,380 --> 00:26:39,740

on the side of the road and what caught

514

00:26:44,860 --> 00:26:41,390

their attention was he seemed to be

515

00:26:48,039 --> 00:26:44,870

wearing some type of a it was human

516

00:26:51,159 --> 00:26:48,049

shaped human-like I mean head was

517

00:26:55,150 --> 00:26:51,169

proportionate it isn't me wearing a very

518

00:26:57,730 --> 00:26:55,160

tight fitting metallic or silvery suit

519

00:27:02,980 --> 00:26:57,740

it looked completely human but he looked

520

00:27:07,120 --> 00:27:02,990

very tall a little bit blond hair blond

521

00:27:09,880 --> 00:27:07,130

platinum hair and he just walk he kept

522

00:27:13,419 --> 00:27:09,890

walking towards the brush on the side of

523

00:27:15,850 --> 00:27:13,429

the road and just ignored them and then

524

00:27:19,030 --> 00:27:15,860

and didn't then stop or anything like

525

00:27:22,659 --> 00:27:19,040

that and then he disappear into the

526

00:27:24,400 --> 00:27:22,669

brush and around the same time there

527

00:27:27,430 --> 00:27:24,410

were reports of in the same area of

528

00:27:29,770 --> 00:27:27,440

people saw some green lights flying

529

00:27:32,680 --> 00:27:29,780

through the area and if somebody even

530

00:27:40,320 --> 00:27:32,690

took us a video with a self one of the

531

00:27:44,490 --> 00:27:40,330

lights after that before that does in

532

00:27:47,440 --> 00:27:44,500

where's this and it chilly there's uh

533

00:27:50,019 --> 00:27:47,450

there was another family there

534

00:27:54,430 --> 00:27:50,029

picnicking in an area that was

535

00:27:57,909 --> 00:27:54,440

the near the ND andes near a dam called

536

00:28:01,450 --> 00:27:57,919

el gesto dam and and the Cordillera

537

00:28:04,779 --> 00:28:01,460

province or chile and there were camping

538

00:28:08,529 --> 00:28:04,789

there and a towards the evening getting

539

00:28:09,729 --> 00:28:08,539

darkness also lights some very strange

540

00:28:11,320 --> 00:28:09,739

like white lights and they were

541

00:28:14,229 --> 00:28:11,330

approached white and yellow lights are

542

00:28:18,690 --> 00:28:14,239

approaching there the area on no no no

543

00:28:24,909 --> 00:28:18,700

nearby trail and suddenly the lights

544

00:28:27,700 --> 00:28:24,919

stopped and next to the lights a so five

545

00:28:30,339 --> 00:28:27,710

or appear to be humanoid type creatures

546

00:28:32,829 --> 00:28:30,349

only appear two of them were there about

547

00:28:36,789 --> 00:28:32,839

very tall but they say at least three

548

00:28:40,570 --> 00:28:36,799

meters tall very thin long legs and long

549

00:28:44,769 --> 00:28:40,580

arms and long necks there was a another

550

00:28:46,989 --> 00:28:44,779

the fourth figure was a medium height

551

00:28:51,489 --> 00:28:46,999

and there were two others that were

552

00:28:54,190 --> 00:28:51,499

smaller and moments later the these two

553

00:28:56,379 --> 00:28:54,200

that the taller beans disappear adding

554

00:28:59,950 --> 00:28:56,389

in human speed they ran away so fast

555

00:29:01,779 --> 00:28:59,960

that it was like a flash now after that

556

00:29:06,159 --> 00:29:01,789

the only the olan the other three

557

00:29:08,849 --> 00:29:06,169

remained and eventually they disappeared

558

00:29:10,629 --> 00:29:08,859

behind a hill along with the lights

559

00:29:12,549 --> 00:29:10,639

interesting case

560

00:29:14,259 --> 00:29:12,559

summarize that you know it's seen

561

00:29:16,509 --> 00:29:14,269

appears to show like different type of

562

00:29:20,379 --> 00:29:16,519

beans like just like what your lady saw

563

00:29:24,310 --> 00:29:20,389

they're not like a note over you know I

564

00:29:28,229 --> 00:29:24,320

I find it really interesting especially

565

00:29:30,879 --> 00:29:28,239

down south american particular with

566

00:29:33,639 --> 00:29:30,889

argentina and chile that the press is

567

00:29:36,339 --> 00:29:33,649

very open to reporting these type of

568

00:29:39,339 --> 00:29:36,349

sightings oh yeah they report as a

569

00:29:40,749 --> 00:29:39,349

matter of fact they you know most of the

570

00:29:44,859 --> 00:29:40,759

press over there was like very open to

571

00:29:46,060 --> 00:29:44,869

it you're right right and so actually

572

00:29:49,299 --> 00:29:46,070

some of the reports are pretty

573

00:29:53,049 --> 00:29:49,309

remarkable yeah i'm especially in

574

00:29:57,009 --> 00:29:53,059

argentina I think I heard some oh man

575

00:29:59,079 --> 00:29:57,019

I've heard some really crazy reports

576
00:30:03,670 --> 00:29:59,089
coming out Argentina especially to do a

577
00:30:06,310 --> 00:30:03,680
humanoids are crashed UFOs

578
00:30:11,740 --> 00:30:06,320
and there does seem to continually be a

579
00:30:14,800 --> 00:30:11,750
lot of this thing reported there was one

580
00:30:20,130 --> 00:30:14,810
and also well this is a 98 in Argentina

581
00:30:22,690 --> 00:30:20,140
again salta province this just came from

582
00:30:25,630 --> 00:30:22,700
researcher Guillermo Jimenez and he was

583
00:30:30,220 --> 00:30:25,640
public it was published in the Scott

584
00:30:32,320 --> 00:30:30,230
Corrales blog right this is a really

585
00:30:36,520 --> 00:30:32,330
weird being that was seen it was near

586
00:30:40,930 --> 00:30:36,530
another damn it was a the owner of a

587
00:30:43,750 --> 00:30:40,940
house that lived nearby also something

588
00:30:47,020 --> 00:30:43,760

walking down the street behind behind

589

00:30:50,560 --> 00:30:47,030

some wire mesh fence it looked like a

590

00:30:53,620 --> 00:30:50,570

creature it was small no no no bigger

591

00:30:56,590 --> 00:30:53,630

than 1.5 meters and the overall

592

00:30:58,510 --> 00:30:56,600

appearance was human and in the sense

593

00:31:00,640 --> 00:30:58,520

that it walked erect and had two arms

594

00:31:03,160 --> 00:31:00,650

and two legs but according to the

595

00:31:05,050 --> 00:31:03,170

witness the body had an extreme bodies

596

00:31:08,200 --> 00:31:05,060

were very thin he said there was like

597

00:31:11,800 --> 00:31:08,210

branches of a plant or a tree and then

598

00:31:14,770 --> 00:31:11,810

the the startled witness so the this

599

00:31:18,580 --> 00:31:14,780

other creature walk pass and without any

600

00:31:21,280 --> 00:31:18,590

noise and and then disappear into the

601
00:31:22,480 --> 00:31:21,290
distance like a you know similar to one

602
00:31:27,670 --> 00:31:22,490
of those stick figures have been

603
00:31:29,980 --> 00:31:27,680
reported yeah interesting yeah I think

604
00:31:31,480 --> 00:31:29,990
between you and Scott Corrales you've

605
00:31:39,430 --> 00:31:31,490
got pretty well got a lot of Mary

606
00:31:41,340 --> 00:31:39,440
covered well I mean like I said again I

607
00:31:44,830 --> 00:31:41,350
mean the press and media is so open to

608
00:31:47,320 --> 00:31:44,840
reporting these accounts as opposed to

609
00:31:50,830 --> 00:31:47,330
here in the United States and you know

610
00:31:54,010 --> 00:31:50,840
when you when you report something like

611
00:31:58,810 --> 00:31:54,020
this in the u.s. you're gonna get a lot

612
00:32:00,610 --> 00:31:58,820
of pushback on it well I just talked

613
00:32:04,720 --> 00:32:00,620

about what happened in Chicago I mean

614

00:32:09,580 --> 00:32:04,730

the the the media in Chicago basically

615

00:32:12,840 --> 00:32:09,590

took it as some type of joke you know it

616

00:32:15,970 --> 00:32:12,850

did get reported then eventually

617

00:32:16,640 --> 00:32:15,980

vice.com actually went and talked to one

618

00:32:20,780 --> 00:32:16,650

of the wit

619

00:32:23,799 --> 00:32:20,790

and then they put out an article that

620

00:32:28,580 --> 00:32:23,809

kind of changed a couple people's minds

621

00:32:30,770 --> 00:32:28,590

but unfortunately it still is kind of

622

00:32:33,710 --> 00:32:30,780

seen as like a joke of course they call

623

00:32:37,040 --> 00:32:33,720

it the Mothman of Chicago which you know

624

00:32:39,080 --> 00:32:37,050

I I never even started that it says put

625

00:32:40,730 --> 00:32:39,090

that right out there now I called this

626

00:32:43,100 --> 00:32:40,740

thing the Phantom I didn't know what the

627

00:32:44,750 --> 00:32:43,110

hell it was and I sure do it wasn't a

628

00:32:47,299 --> 00:32:44,760

Mothman but then you know of course

629

00:32:49,460 --> 00:32:47,309

that's what people were calling it so

630

00:32:54,890 --> 00:32:49,470

they could distinguish it as that fruit

631

00:32:58,299 --> 00:32:54,900

for some type of on the cheap thrill or

632

00:33:04,180 --> 00:32:58,309

whatever but that's what it got names

633

00:33:07,570 --> 00:33:04,190

but anyway I you know these sightings

634

00:33:11,930 --> 00:33:07,580

are starting to begin become more

635

00:33:14,000 --> 00:33:11,940

accepted now I guess it's not like he it

636

00:33:17,600 --> 00:33:14,010

used to be you know one thing I have

637

00:33:19,790 --> 00:33:17,610

noticed with humanoid sightings and I

638

00:33:23,870 --> 00:33:19,800

look it you've been getting them or not

639

00:33:28,010 --> 00:33:23,880

put these white beings these what tall

640

00:33:32,390 --> 00:33:28,020

thin white beings that people call

641

00:33:36,169 --> 00:33:32,400

either a rake or a flesh gate I believe

642

00:33:40,669 --> 00:33:36,179

there's a connection with Wendigos but

643

00:33:42,320 --> 00:33:40,679

it does seem that there have been there

644

00:33:47,060 --> 00:33:42,330

have been a lot more of these sightings

645

00:33:52,310 --> 00:33:47,070

in a lot of various places those yet

646

00:33:56,360 --> 00:33:52,320

well not not directly no I hate it seems

647

00:33:59,000 --> 00:33:56,370

like those those type of reports are

648

00:34:01,880 --> 00:33:59,010

from some reason and you mostly hear

649

00:34:03,770 --> 00:34:01,890

here from the US you don't hear that

650

00:34:05,540 --> 00:34:03,780

much you know that many of the temperate

651
00:34:11,210 --> 00:34:05,550
the reports from South American right

652
00:34:13,790 --> 00:34:11,220
yeah well other places but yeah I have

653
00:34:16,129 --> 00:34:13,800
there's something they have some videos

654
00:34:17,780 --> 00:34:16,139
to us I don't know if these were

655
00:34:20,389 --> 00:34:17,790
probably who knows because nowadays you

656
00:34:22,520 --> 00:34:20,399
can't really trust any videos yeah have

657
00:34:24,950 --> 00:34:22,530
you seen him they're like rake type

658
00:34:27,440 --> 00:34:24,960
creatures somewhere walking around in

659
00:34:29,670 --> 00:34:27,450
the middle of night yeah people catch a

660
00:34:32,910 --> 00:34:29,680
lot of them on these trails answers

661
00:34:34,950 --> 00:34:32,920
these trail cams you know I don't know

662
00:34:40,920 --> 00:34:34,960
what to make of those be honest with you

663
00:34:44,190 --> 00:34:40,930

I've seen I've seen a few of them I've

664

00:34:46,820 --> 00:34:44,200

seen a few of these that are they look

665

00:34:49,650 --> 00:34:46,830

like he may see ated hairy creatures

666

00:34:52,230 --> 00:34:49,660

yeah we're saying her Bigfoot I just

667

00:34:54,720 --> 00:34:52,240

can't quite buy them being in a Bigfoot

668

00:34:59,580 --> 00:34:54,730

because they just it just something

669

00:35:02,220 --> 00:34:59,590

different about them you know and along

670

00:35:04,320 --> 00:35:02,230

those descriptions are similar to the

671

00:35:08,820 --> 00:35:04,330

bigfoot-like creatures that Stan Gordon

672

00:35:10,950 --> 00:35:08,830

had reported way back when with the

673

00:35:12,870 --> 00:35:10,960

connection with the UFOs and such it

674

00:35:15,390 --> 00:35:12,880

kind of seemed to be these thin beings

675

00:35:17,730 --> 00:35:15,400

but they are hairier like Bigfoot so I

676
00:35:19,620 --> 00:35:17,740
don't know if there's UFO connection or

677
00:35:22,620 --> 00:35:19,630
the worldly connection with those are

678
00:35:24,690 --> 00:35:22,630
not well in South America it's there's a

679
00:35:28,620 --> 00:35:24,700
several type of Bigfoot creatures

680
00:35:31,740 --> 00:35:28,630
especially in Argentina again in Brazil

681
00:35:34,770 --> 00:35:31,750
and Argentina I was just recently

682
00:35:40,710 --> 00:35:34,780
translating several cases of creature

683
00:35:44,160 --> 00:35:40,720
they call the lobby song lob i zo and is

684
00:35:47,910 --> 00:35:44,170
basically a werewolf type creature okay

685
00:35:50,730 --> 00:35:47,920
a human-shaped bipedal mostly with a

686
00:35:54,270 --> 00:35:50,740
face that seems to be like a mixture

687
00:35:57,540 --> 00:35:54,280
between human and dog and this lobby

688
00:36:00,990 --> 00:35:57,550

song type creatures been seen a lot in

689

00:36:02,460 --> 00:36:01,000

Argentina and is accepted by the media

690

00:36:04,800 --> 00:36:02,470

as a matter of fact because they

691

00:36:09,420 --> 00:36:04,810

reported like you say in a newspaper a

692

00:36:12,570 --> 00:36:09,430

lot and I was translating a case back in

693

00:36:15,990 --> 00:36:12,580

the curve back in 2000 on 1 August and

694

00:36:18,690 --> 00:36:16,000

the city of piranhas in Argentina and

695

00:36:21,570 --> 00:36:18,700

one of the parks there's a man was

696

00:36:24,090 --> 00:36:21,580

exercising it was late afternoon he was

697

00:36:28,740 --> 00:36:24,100

alone in a certain area of the park when

698

00:36:31,320 --> 00:36:28,750

he caught sight of a very tall man like

699

00:36:33,780 --> 00:36:31,330

figure of looking at him he look and

700

00:36:36,270 --> 00:36:33,790

then he'd realize is this this was a

701

00:36:39,060 --> 00:36:36,280

creature covered with hair very tall

702

00:36:41,310 --> 00:36:39,070

maybe 2 meters maybe a little more and

703

00:36:43,440 --> 00:36:41,320

what really caught his attention was the

704

00:36:48,690 --> 00:36:43,450

facial features were like he

705

00:36:50,790 --> 00:36:48,700

human-dog mixture mm-hmm now the weird

706

00:36:53,640 --> 00:36:50,800

thing is the the creatures only turn

707

00:36:56,460 --> 00:36:53,650

around and took off an incredibly he

708

00:36:58,920 --> 00:36:56,470

made us jump in human jump over three

709

00:37:01,560 --> 00:36:58,930

meters and headed towards the tree then

710

00:37:04,590 --> 00:37:01,570

he jumped up and according to this

711

00:37:05,970 --> 00:37:04,600

witness before that creature reached the

712

00:37:07,010 --> 00:37:05,980

top of the trees the branches it

713

00:37:11,130 --> 00:37:07,020

disappeared

714

00:37:13,860 --> 00:37:11,140

they seemed to yes what a bad grade yes

715

00:37:16,050 --> 00:37:13,870

it disappeared he didn't see it go into

716

00:37:16,710 --> 00:37:16,060

the tree or strike the trees he just

717

00:37:20,430 --> 00:37:16,720

vanished

718

00:37:22,230 --> 00:37:20,440

before he hit so well you know that

719

00:37:24,480 --> 00:37:22,240

that's that's not unusual with these

720

00:37:26,910 --> 00:37:24,490

humanoid sightings yeah I mean these

721

00:37:29,460 --> 00:37:26,920

things suddenly vanishing you know I've

722

00:37:31,830 --> 00:37:29,470

had people tell me about Bigfoot vanish

723

00:37:33,750 --> 00:37:31,840

in front of people's eyes uh yup right

724

00:37:37,850 --> 00:37:33,760

canines you know the whole nine yards

725

00:37:42,150 --> 00:37:37,860

yeah so a flight you know that's why the

726

00:37:44,970 --> 00:37:42,160

portal theory or the other dimensional

727

00:37:48,570 --> 00:37:44,980

theory is it comes into play there is

728

00:37:50,670 --> 00:37:48,580

you know you know well and I think

729

00:37:52,470 --> 00:37:50,680

there's really something to that now you

730

00:37:55,380 --> 00:37:52,480

know I had a question in in the chat

731

00:37:58,470 --> 00:37:55,390

room they were asking me if I still

732

00:38:02,490 --> 00:37:58,480

thought that these winged beings Mothman

733

00:38:05,430 --> 00:38:02,500

or such or summoned beings I think

734

00:38:06,240 --> 00:38:05,440

they really are I think maybe not in all

735

00:38:11,310 --> 00:38:06,250

cases

736

00:38:14,370 --> 00:38:11,320

but I think in beginning I think they

737

00:38:18,390 --> 00:38:14,380

are summoned by some heavy armor some

738

00:38:21,630 --> 00:38:18,400

strong energy of some type III had

739

00:38:23,610 --> 00:38:21,640

believed from the very beginning of the

740

00:38:26,070 --> 00:38:23,620

time I started investigating the Mothman

741

00:38:30,270 --> 00:38:26,080

down at Point Pleasant that that was a

742

00:38:32,370 --> 00:38:30,280

summon being now you know I mean

743

00:38:34,740 --> 00:38:32,380

summoned by somebody everybody's I'm

744

00:38:35,310 --> 00:38:34,750

gonna force either by somebody in the

745

00:38:39,210 --> 00:38:35,320

occult

746

00:38:44,850 --> 00:38:39,220

okay summoned by a very strong spirit

747

00:38:46,410 --> 00:38:44,860

energy you know it's interesting Linda

748

00:38:49,290 --> 00:38:46,420

Godfrey it was just down in Point

749

00:38:53,460 --> 00:38:49,300

Pleasant a couple days ago and she meant

750

00:38:56,690 --> 00:38:53,470

just she was down by the the TNT plant

751
00:38:59,960 --> 00:38:56,700
are the West Virginia ordnance works

752
00:39:02,960 --> 00:38:59,970
you mentioned something about spirit

753
00:39:05,990 --> 00:39:02,970
energy and EVPs down there and I get

754
00:39:08,690 --> 00:39:06,000
that all the time I have heard a lot of

755
00:39:11,960 --> 00:39:08,700
bizarre EVPs coming out of that area

756
00:39:14,780 --> 00:39:11,970
now what kind of you know what kind of

757
00:39:18,410 --> 00:39:14,790
spirits or energies are these I don't

758
00:39:21,980 --> 00:39:18,420
have any idea I I believe it has to do

759
00:39:25,180 --> 00:39:21,990
with the native Shawnee they used to

760
00:39:29,380 --> 00:39:25,190
inhabit that area well that ended not

761
00:39:32,599 --> 00:39:29,390
yeah that's what killed kill mentioned

762
00:39:35,540 --> 00:39:32,609
in an Indian chief that was killed

763
00:39:39,290 --> 00:39:35,550

yeah cornstalk yeah that one and maybe

764

00:39:43,400 --> 00:39:39,300

he was all related to yeah that's Indian

765

00:39:45,680 --> 00:39:43,410

Shaymin the energy or spirits know who

766

00:39:46,250 --> 00:39:45,690

knows well you know to come sir was

767

00:39:48,920 --> 00:39:46,260

killed

768

00:39:51,349 --> 00:39:48,930

at Point Pleasant as well I mean they've

769

00:39:55,000 --> 00:39:51,359

had such a show and he had two very

770

00:39:58,940 --> 00:39:55,010

well-known chiefs died in that area and

771

00:40:01,400 --> 00:39:58,950

there were a lot of there were a lot of

772

00:40:03,349 --> 00:40:01,410

wars there I mean I'm just not talking

773

00:40:07,240 --> 00:40:03,359

with the settlers I'm talking between

774

00:40:13,520 --> 00:40:07,250

tribes so it's got to be a high-energy

775

00:40:15,530 --> 00:40:13,530

there and you know but I I have I for

776

00:40:17,750 --> 00:40:15,540

whatever reason you need and I really

777

00:40:22,280 --> 00:40:17,760

don't have any solid evidence but I

778

00:40:24,290 --> 00:40:22,290

believe that the the Mothman entity from

779

00:40:26,089 --> 00:40:24,300

back in the 60s was a summon being I

780

00:40:29,120 --> 00:40:26,099

believe that was what happened there and

781

00:40:32,210 --> 00:40:29,130

I believe it continued on for the year

782

00:40:34,730 --> 00:40:32,220

and it actually you know we still get

783

00:40:37,760 --> 00:40:34,740

sightings down there all throughout that

784

00:40:40,160 --> 00:40:37,770

part of West Virginia and now of course

785

00:40:42,050 --> 00:40:40,170

with what happened in Chicago you know

786

00:40:44,960 --> 00:40:42,060

this was something we actually looked

787

00:40:48,800 --> 00:40:44,970

into the you know we had a lot of

788

00:40:52,250 --> 00:40:48,810

sightings down in an area called little

789

00:40:57,890 --> 00:40:52,260

village in in Chicago which is uh maybe

790

00:40:59,390 --> 00:40:57,900

like 95% Hispanic and we thought first

791

00:41:03,370 --> 00:40:59,400

thing we thought was well maybe this

792

00:41:09,620 --> 00:41:06,170

because some of the sightings some of

793

00:41:13,790 --> 00:41:09,630

the encounters seem to be like this

794

00:41:16,100 --> 00:41:13,800

thing was watching people or being like

795

00:41:18,470 --> 00:41:16,110

acting like a century of some type

796

00:41:22,720 --> 00:41:18,480

well you mentioned that La Lechuza which

797

00:41:25,940 --> 00:41:22,730

is a Mexican be I mean type of a cryptid

798

00:41:29,870 --> 00:41:25,950

humanoid as for some reason has been

799

00:41:32,510 --> 00:41:29,880

seen a lot in Hispanic community and you

800

00:41:34,970 --> 00:41:32,520

know Texas yeah and a lot of the

801
00:41:38,570 --> 00:41:34,980
witnesses there in Chicago you mentioned

802
00:41:42,440 --> 00:41:38,580
where Hispanic Americans yeah talk about

803
00:41:47,840 --> 00:41:42,450
the kusa yeah the the al man or the

804
00:41:51,350 --> 00:41:47,850
large al being you know yeah I mean we

805
00:41:53,540 --> 00:41:51,360
did get people mention that and I have

806
00:41:57,470 --> 00:41:53,550
had reports over the years down along

807
00:41:59,570 --> 00:41:57,480
the Rio Grande in in Mexico in Texas yes

808
00:42:02,590 --> 00:41:59,580
of this lacunae that seems to be the

809
00:42:07,160 --> 00:42:02,600
predominant area for these these beliefs

810
00:42:11,320 --> 00:42:07,170
so you know I I don't know if some

811
00:42:13,580 --> 00:42:11,330
groups or individuals were possibly

812
00:42:17,840 --> 00:42:13,590
involved with some type of summoning

813
00:42:19,220 --> 00:42:17,850

through the occult in in Chicago but it

814

00:42:21,620 --> 00:42:19,230

you know something we got to look we

815

00:42:23,090 --> 00:42:21,630

look into you know we got a lot of

816

00:42:25,630 --> 00:42:23,100

different theories about what's actually

817

00:42:29,240 --> 00:42:25,640

going on but that was another theory

818

00:42:32,360 --> 00:42:29,250

yeah and if that if that is the case

819

00:42:36,200 --> 00:42:32,370

then where do they come from for a

820

00:42:39,980 --> 00:42:36,210

moment you know another reality I don't

821

00:42:41,990 --> 00:42:39,990

know yeah you know there are all kinds

822

00:42:44,660 --> 00:42:42,000

of theories about X I mean

823

00:42:47,720 --> 00:42:44,670

interdimensional zand parallels and

824

00:42:52,810 --> 00:42:47,730

alternate universe yeah in counties and

825

00:42:57,680 --> 00:42:52,820

you know I do believe that some of these

826

00:43:01,310 --> 00:42:57,690

parallel worlds or realities are not

827

00:43:03,260 --> 00:43:01,320

that far from our reality and in other

828

00:43:03,890 --> 00:43:03,270

words I don't think the veil is that

829

00:43:05,720 --> 00:43:03,900

thick

830

00:43:07,310 --> 00:43:05,730

I think it's thinned out enough to the

831

00:43:09,680 --> 00:43:07,320

point where they can kind of move in and

832

00:43:12,010 --> 00:43:09,690

out much more easily than maybe they

833

00:43:15,230 --> 00:43:12,020

would have done before

834

00:43:17,120 --> 00:43:15,240

who's to say yeah I mean just think

835

00:43:20,270 --> 00:43:17,130

about this let's say we got this earth

836

00:43:23,750 --> 00:43:20,280

plain that humans live on the one we

837

00:43:26,450 --> 00:43:23,760

live one who's to say that there are

838

00:43:29,540 --> 00:43:26,460

other realities that parallel earth

839

00:43:33,020 --> 00:43:29,550

where there are other humans but other

840

00:43:35,450 --> 00:43:33,030

entities are even dinosaurs or something

841

00:43:38,750 --> 00:43:35,460

else living there well you know it seems

842

00:43:41,860 --> 00:43:38,760

to me like you know we had two UFOs and

843

00:43:47,000 --> 00:43:41,870

human owners for like hundreds of years

844

00:43:51,200 --> 00:43:47,010

1,000 but he seems to me like after 1945

845

00:43:53,530 --> 00:43:51,210

when the atomic bomb was exploded

846

00:43:56,030 --> 00:43:53,540

maybe that triggers something because

847

00:43:58,130 --> 00:43:56,040

definitely activity picked up right

848

00:44:01,040 --> 00:43:58,140

after that well you're right maybe that

849

00:44:03,320 --> 00:44:01,050

that kind of opened portals or damaged

850

00:44:05,360 --> 00:44:03,330

other dimensions and and mate I don't

851
00:44:07,640 --> 00:44:05,370
know it kind of unbalanced everything

852
00:44:10,130 --> 00:44:07,650
for some reason well this thing be

853
00:44:13,970 --> 00:44:10,140
theories that you know outcome that I

854
00:44:18,350 --> 00:44:13,980
mean you know after of course not after

855
00:44:21,770 --> 00:44:18,360
the atomic detonations in in Hiroshima

856
00:44:23,690 --> 00:44:21,780
and Nagasaki and Nagasaki as well as the

857
00:44:27,560 --> 00:44:23,700
testing that was done before that and

858
00:44:30,230 --> 00:44:27,570
you write here's to say that's it might

859
00:44:33,140 --> 00:44:30,240
have opened up something you know we're

860
00:44:35,570 --> 00:44:33,150
getting not long after we had the

861
00:44:38,630 --> 00:44:35,580
crashes in Roswell and other parts of

862
00:44:44,450 --> 00:44:38,640
New Mexico definitely weren't that far

863
00:44:47,930 --> 00:44:44,460

from where those were tested at so yeah

864

00:44:49,970 --> 00:44:47,940

there's nothing to that yeah because the

865

00:44:54,230 --> 00:44:49,980

Roswell crash and I think there was more

866

00:44:57,560 --> 00:44:54,240

you know more than one right I mean I'm

867

00:44:59,780 --> 00:44:57,570

not one that I don't think I you know

868

00:45:01,910 --> 00:44:59,790

the alien autopsy films out I never

869

00:45:03,500 --> 00:45:01,920

support of those I don't think they I

870

00:45:05,480 --> 00:45:03,510

think they're missing from a patient if

871

00:45:07,430 --> 00:45:05,490

you ask me but I'm pretty sure there

872

00:45:10,550 --> 00:45:07,440

were a couple crashes there near Roswell

873

00:45:17,410 --> 00:45:10,560

and and you know the the base there

874

00:45:21,650 --> 00:45:17,420

where those the only American nuclear

875

00:45:24,140 --> 00:45:21,660

what I call a nuclear capacity base in

876

00:45:26,750 --> 00:45:24,150

the country at that time yeah it was the

877

00:45:29,180 --> 00:45:26,760

the five or ninth yeah upper wing which

878

00:45:30,920 --> 00:45:29,190

my father was a member of five years

879

00:45:34,970 --> 00:45:30,930

later when he joined during the

880

00:45:36,650 --> 00:45:34,980

real war but uh you know he wasn't a

881

00:45:39,319 --> 00:45:36,660

Roswell they had they had moved out of

882

00:45:41,480 --> 00:45:39,329

there by then but you know I got to talk

883

00:45:43,339 --> 00:45:41,490

you know and I mention this before I've

884

00:45:46,250 --> 00:45:43,349

been able to talk some of the guys used

885

00:45:48,260 --> 00:45:46,260

to be that were in the 5a ninth through

886

00:45:51,740 --> 00:45:48,270

these reunions I used to be with my

887

00:45:54,410 --> 00:45:51,750

father and they were at Roswell some of

888

00:45:58,490 --> 00:45:54,420

them and you know some of the stuff they

889

00:46:01,130 --> 00:45:58,500

told me you know I I believe something

890

00:46:03,200 --> 00:46:01,140

definitely happened now you know it

891

00:46:04,339 --> 00:46:03,210

wasn't a damn weather balloon raining

892

00:46:08,390 --> 00:46:04,349

like yeah but something definitely

893

00:46:11,870 --> 00:46:08,400

happened definitely that's that's my my

894

00:46:13,609 --> 00:46:11,880

belief something yeah I don't know if it

895

00:46:16,040 --> 00:46:13,619

exactly happened the way they you know

896

00:46:18,440 --> 00:46:16,050

afterwards in particular where there

897

00:46:21,200 --> 00:46:18,450

were bodies moved here and moved air you

898

00:46:23,359 --> 00:46:21,210

know everybody you know I guess the

899

00:46:24,530 --> 00:46:23,369

conventional thinking is well the bodies

900

00:46:27,319 --> 00:46:24,540

were eventually moved to

901
00:46:30,109 --> 00:46:27,329
wright-patterson I really don't know if

902
00:46:33,410 --> 00:46:30,119
that's true you know I've heard a lot of

903
00:46:35,270 --> 00:46:33,420
different things but I definitely do

904
00:46:36,680 --> 00:46:35,280
believe that there were bodies and I

905
00:46:40,579 --> 00:46:36,690
definitely believe there were crashes

906
00:46:42,049 --> 00:46:40,589
and subsequent crashes all over the

907
00:46:43,670 --> 00:46:42,059
place be quite honest with you I think

908
00:46:45,620 --> 00:46:43,680
just in I mean in particularly the

909
00:46:47,990 --> 00:46:45,630
Southwest and of course there was a

910
00:46:53,120 --> 00:46:48,000
catch Berg thing up Pennsylvania and a

911
00:46:55,039 --> 00:46:53,130
few others elements but I I think and

912
00:46:58,640 --> 00:46:55,049
the fact that you know you talked about

913
00:47:00,530 --> 00:46:58,650

the atomic blast maybe did open

914

00:47:02,660 --> 00:47:00,540

something up yeah you're right it does

915

00:47:06,140 --> 00:47:02,670

seem there's much more going on after

916

00:47:09,609 --> 00:47:06,150

that happened that we split the atom

917

00:47:13,099 --> 00:47:09,619

there and we just something that I mean

918

00:47:14,690 --> 00:47:13,109

like Oppenheimer says that we have

919

00:47:17,450 --> 00:47:14,700

become destroyer of worlds

920

00:47:20,839 --> 00:47:17,460

yeah maybe that that's what he did we

921

00:47:23,510 --> 00:47:20,849

don't do something yeah another crash

922

00:47:27,319 --> 00:47:23,520

that I like to mention is the Brazil in

923

00:47:30,890 --> 00:47:27,329

the 1996 that Barbarina right yeah that

924

00:47:33,230 --> 00:47:30,900

was that was pretty documented and there

925

00:47:35,059 --> 00:47:33,240

were recoveries alive humanoid

926
00:47:38,780 --> 00:47:35,069
supposedly by the Brazilian military

927
00:47:40,490 --> 00:47:38,790
well you know I think the Wrangell was I

928
00:47:44,600 --> 00:47:40,500
think the u.s. got involved with that

929
00:47:49,730 --> 00:47:44,610
Tim and in fact that thinks a

930
00:47:55,180 --> 00:47:49,740
several of the of the incidents that

931
00:48:00,080 --> 00:47:55,190
occurred in Brazil in particular were

932
00:48:02,600 --> 00:48:00,090
also monitored or actually had US

933
00:48:09,290 --> 00:48:02,610
personnel involved with that you know I

934
00:48:12,740 --> 00:48:09,300
talked to somebody years ago about about

935
00:48:17,060 --> 00:48:12,750
a humanoid encounter that I mean

936
00:48:22,780 --> 00:48:17,070
humanoid encounters in in Argentina that

937
00:48:27,350 --> 00:48:22,790
Salta region right and where they swear

938
00:48:30,260 --> 00:48:27,360

that NASA was there yeah and the same

939

00:48:32,390 --> 00:48:30,270

thing with in Chile yeah beautiful

940

00:48:35,570 --> 00:48:32,400

witnesses this is where be really old

941

00:48:37,160 --> 00:48:35,580

the Rona is booked after that they said

942

00:48:41,450 --> 00:48:37,170

they were some men that came in with

943

00:48:42,680 --> 00:48:41,460

suits and there was NASA emblem and some

944

00:48:47,570 --> 00:48:42,690

of them hmm

945

00:48:50,960 --> 00:48:47,580

and this is what counter yeah it does

946

00:48:54,500 --> 00:48:50,970

surprise me at all mmm-hmm and yeah of

947

00:48:57,410 --> 00:48:54,510

course you know and another thing I've

948

00:49:01,130 --> 00:48:57,420

thought about over the years with of

949

00:49:03,980 --> 00:49:01,140

course Porto Rico being a I mean not

950

00:49:05,570 --> 00:49:03,990

being a territory United States and of

951

00:49:08,380 --> 00:49:05,580

course you've gotten a lot of reports

952

00:49:11,120 --> 00:49:08,390

out of Bordeaux Rico ticularly

953

00:49:13,850 --> 00:49:11,130

chupacabras and some of the bizarre UFO

954

00:49:15,590 --> 00:49:13,860

I mean you know the United States has

955

00:49:17,480 --> 00:49:15,600

been of all of that because it's a u.s.

956

00:49:20,660 --> 00:49:17,490

territory so what are they and aren't

957

00:49:22,850 --> 00:49:20,670

not telling us what's going on Vieques

958

00:49:24,530 --> 00:49:22,860

Islands all the time I mean there's a

959

00:49:27,020 --> 00:49:24,540

lot of weird stuff that goes on out

960

00:49:29,480 --> 00:49:27,030

there too and in fact I have people

961

00:49:31,160 --> 00:49:29,490

telling me for years that there's

962

00:49:31,820 --> 00:49:31,170

definitely underground facility near

963

00:49:35,690 --> 00:49:31,830

Vieques

964

00:49:38,000 --> 00:49:35,700

so there's according to Jorge Martin the

965

00:49:42,770 --> 00:49:38,010

the researcher down there in Puerto Rico

966

00:49:45,500 --> 00:49:42,780

and the whole mountain El Duque yeah

967

00:49:48,890 --> 00:49:45,510

that's the focal point right there they

968

00:49:52,430 --> 00:49:48,900

said had they had yes dozens are reports

969

00:49:53,900 --> 00:49:52,440

of people seeing like openings in the on

970

00:49:57,620 --> 00:49:53,910

the ground on the side of the mountain

971

00:49:58,490 --> 00:49:57,630

and you know Falls going in humanoids is

972

00:50:01,640 --> 00:49:58,500

like an incredible

973

00:50:03,050 --> 00:50:01,650

it's like unbelievable and then at the

974

00:50:05,510 --> 00:50:03,060

same time that a lot of military

975

00:50:09,410 --> 00:50:05,520

activity all right what are they doing

976

00:50:14,330 --> 00:50:09,420

there who knows well you know in my book

977

00:50:17,030 --> 00:50:14,340

my last book I had an extensive chapter

978

00:50:19,460 --> 00:50:17,040

about this woman by the name of Maria

979

00:50:23,030 --> 00:50:19,470

and what her family went through in

980

00:50:25,790 --> 00:50:23,040

Puerto Rico with these these grades and

981

00:50:30,620 --> 00:50:25,800

other alien beings oh yeah I think I

982

00:50:33,680 --> 00:50:30,630

remember yeah it bizarre yes yeah she

983

00:50:36,290 --> 00:50:33,690

you know she but she was actually healed

984

00:50:41,180 --> 00:50:36,300

by these things they actually came into

985

00:50:43,160 --> 00:50:41,190

her house she had advanced cancer and I

986

00:50:45,860 --> 00:50:43,170

think it was pancreatic cancer but then

987

00:50:49,100 --> 00:50:45,870

she later had breast cancer that they

988

00:50:50,900 --> 00:50:49,110

actually came in and healed her because

989

00:50:53,330 --> 00:50:50,910

what she was doing now she they owned

990

00:50:56,960 --> 00:50:53,340

they earned this house just on the edge

991

00:50:57,260 --> 00:50:56,970

of the yeah the range uncle the don't go

992

00:50:59,210 --> 00:50:57,270

there

993

00:51:01,460 --> 00:50:59,220

and she you should fly back at the

994

00:51:04,850 --> 00:51:01,470

United States to see the doctor in New

995

00:51:06,710 --> 00:51:04,860

York so when she had the last time she

996

00:51:09,200 --> 00:51:06,720

had been there they you know they told

997

00:51:12,790 --> 00:51:09,210

her how extensive the tumor had spread

998

00:51:18,320 --> 00:51:12,800

and you know she basically flew back to

999

00:51:20,480 --> 00:51:18,330

Puerto Rico and you know they had given

1000

00:51:23,390 --> 00:51:20,490

her chemo but they didn't they weren't

1001
00:51:24,770 --> 00:51:23,400
really you know they didn't really think

1002
00:51:26,750 --> 00:51:24,780
that she would vents you know would make

1003
00:51:29,620 --> 00:51:26,760
it or live too much longer so she lived

1004
00:51:34,070 --> 00:51:29,630
it she was living in Puerto Rico and

1005
00:51:36,560 --> 00:51:34,080
this had this encounter occurred with

1006
00:51:38,690 --> 00:51:36,570
her and she explains the whole thing in

1007
00:51:40,040 --> 00:51:38,700
the book I mean it's like you know all

1008
00:51:42,830 --> 00:51:40,050
the different lights and stuff her

1009
00:51:46,400 --> 00:51:42,840
husband and got involved with it but

1010
00:51:48,290 --> 00:51:46,410
anyway they they basically they didn't

1011
00:51:50,930 --> 00:51:48,300
abduct her but they came into her

1012
00:51:53,090 --> 00:51:50,940
bedroom that she believes now this is

1013
00:51:56,540 --> 00:51:53,100

what she believes yeah and they actually

1014

00:51:58,340 --> 00:51:56,550

did something to her that where the next

1015

00:52:00,350 --> 00:51:58,350

day she feels so much better she didn't

1016

00:52:01,850 --> 00:52:00,360

know what was going what say she had she

1017

00:52:04,580 --> 00:52:01,860

had a scheduled appointment in the

1018

00:52:06,500 --> 00:52:04,590

United States again she went back up

1019

00:52:09,620 --> 00:52:06,510

there they did x-rays and everything was

1020

00:52:12,290 --> 00:52:09,630

gone Inc well you know is not the first

1021

00:52:16,490 --> 00:52:12,300

time I heard what happened today

1022

00:52:18,860 --> 00:52:16,500

as well yeah you know David had

1023

00:52:22,220 --> 00:52:18,870

crippling arthritis and he was

1024

00:52:25,040 --> 00:52:22,230

absolutely cured yeah there's been many

1025

00:52:27,200 --> 00:52:25,050

many reports you know positive reports

1026

00:52:31,430 --> 00:52:27,210

of healings and stuff like that I yeah

1027

00:52:34,100 --> 00:52:31,440

yeah I had a guy that contacted me you

1028

00:52:37,040 --> 00:52:34,110

know directly he lived in New York City

1029

00:52:38,390 --> 00:52:37,050

at the time and he also had cancer I

1030

00:52:40,790 --> 00:52:38,400

can't remember why because this is a

1031

00:52:42,920 --> 00:52:40,800

long time ago but and what isn't one of

1032

00:52:45,350 --> 00:52:42,930

my books I believe and he was laying in

1033

00:52:47,120 --> 00:52:45,360

bed one night and there was all the

1034

00:52:50,210 --> 00:52:47,130

sudden there were there was a light in

1035

00:52:54,110 --> 00:52:50,220

the room and two men he said he said

1036

00:52:56,270 --> 00:52:54,120

they were tall blond blue clothing to

1037

00:52:59,570 --> 00:52:56,280

possibly Norton you know northern mortix

1038

00:53:02,540 --> 00:52:59,580

yeah and they did some type of procedure

1039

00:53:05,240 --> 00:53:02,550

on him and he said that a week later you

1040

00:53:07,430 --> 00:53:05,250

went to the doctor he and everything

1041

00:53:11,930 --> 00:53:07,440

everything was gone the doctor couldn't

1042

00:53:13,490 --> 00:53:11,940

explain what happened I want to have

1043

00:53:16,240 --> 00:53:13,500

many of these people tell the doctors

1044

00:53:19,040 --> 00:53:16,250

that they were healed by aliens ya know

1045

00:53:22,210 --> 00:53:19,050

what I wonder is white why some people

1046

00:53:25,040 --> 00:53:22,220

are healing others or not I don't know

1047

00:53:29,530 --> 00:53:25,050

wow that seems to be the case some are

1048

00:53:32,540 --> 00:53:29,540

used for experimentations and celery

1049

00:53:33,880 --> 00:53:32,550

that's something you know after hearing

1050

00:53:37,850 --> 00:53:33,890

all these encounters

1051
00:53:41,900 --> 00:53:37,860
over all these years that that that

1052
00:53:44,540 --> 00:53:41,910
stumps me because some people picked up

1053
00:53:49,640 --> 00:53:44,550
taken never return or used for some

1054
00:53:54,170 --> 00:53:49,650
other reason but then others are visited

1055
00:54:00,230 --> 00:53:54,180
healed treated like you know like the

1056
00:54:01,820 --> 00:54:00,240
run yeah it's it's fascinating but you

1057
00:54:03,620 --> 00:54:01,830
know when you hear these people when you

1058
00:54:06,920 --> 00:54:03,630
hear experiencers talk about these

1059
00:54:09,830 --> 00:54:06,930
things yet you know they're telling you

1060
00:54:11,660 --> 00:54:09,840
what they believe and you know it's not

1061
00:54:13,700 --> 00:54:11,670
like that's coming off the top of their

1062
00:54:17,530 --> 00:54:13,710
head this is something that that was

1063
00:54:21,230 --> 00:54:17,540

profound that really affected them and

1064

00:54:22,700 --> 00:54:21,240

affected their life and you know a lot

1065

00:54:24,080 --> 00:54:22,710

not a lot of people when I come out and

1066

00:54:26,000 --> 00:54:24,090

tell you that but they're going to do

1067

00:54:28,190 --> 00:54:26,010

they really some of

1068

00:54:29,780 --> 00:54:28,200

blow it out you know they don't want

1069

00:54:31,460 --> 00:54:29,790

they don't have anything to gain by

1070

00:54:32,570 --> 00:54:31,470

coming up coming out with some cut the

1071

00:54:34,310 --> 00:54:32,580

stories like that

1072

00:54:36,650 --> 00:54:34,320

you know well that's true I mean you

1073

00:54:38,960 --> 00:54:36,660

know I go back to David David didn't

1074

00:54:40,610 --> 00:54:38,970

make it off of this you know he never

1075

00:54:44,060 --> 00:54:40,620

will make anything off of that I mean

1076

00:54:46,790 --> 00:54:44,070

it's something that he he just felt that

1077

00:54:49,700 --> 00:54:46,800

he was obliged to tell the world what

1078

00:54:53,020 --> 00:54:49,710

had happened to him and in the meantime

1079

00:54:55,820 --> 00:54:53,030

we have you know and actually we have I

1080

00:54:59,570 --> 00:54:55,830

have met other people through David that

1081

00:55:03,200 --> 00:54:59,580

had had the same or similar stories but

1082

00:55:06,530 --> 00:55:03,210

you know David credit he allowed it to

1083

00:55:09,850 --> 00:55:06,540

be put out there regardless of the

1084

00:55:12,950 --> 00:55:09,860

ridicule and the criticism he received

1085

00:55:14,810 --> 00:55:12,960

so he's not the only one or there are a

1086

00:55:22,760 --> 00:55:14,820

lot of people that this is happening -

1087

00:55:26,050 --> 00:55:22,770

yeah it really is that point so Albert

1088

00:55:30,140 --> 00:55:26,060

you you say you're writing another book

1089

00:55:34,400 --> 00:55:30,150

yes I know you're going to be retiring

1090

00:55:38,410 --> 00:55:34,410

very soon and do you have any projects

1091

00:55:41,600 --> 00:55:38,420

that you plan to start after you retire

1092

00:55:44,210 --> 00:55:41,610

yes I'm gonna definitely gonna be

1093

00:55:46,340 --> 00:55:44,220

writing a lot more maybe getting in

1094

00:55:50,620 --> 00:55:46,350

Baltimore would you know shows like

1095

00:55:53,660 --> 00:55:50,630

yours or you know maybe visiting

1096

00:55:56,660 --> 00:55:53,670

locations more because I have been so

1097

00:55:58,490 --> 00:55:56,670

busy with my job you know yeah and well

1098

00:56:01,150 --> 00:55:58,500

first of all I'm gonna I'm gonna do some

1099

00:56:03,200 --> 00:56:01,160

traveling you know a couple months then

1100

00:56:06,640 --> 00:56:03,210

then I'll get back into it

1101
00:56:11,600 --> 00:56:06,650
yeah okay you know you're in a location

1102
00:56:14,330 --> 00:56:11,610
well I seem to be a lot going on and you

1103
00:56:17,300 --> 00:56:14,340
know yeah I think being down in Florida

1104
00:56:19,850 --> 00:56:17,310
is down South Florida then in areas near

1105
00:56:23,300 --> 00:56:19,860
you there's a lot to investigate as

1106
00:56:27,860 --> 00:56:23,310
forests yeah definitely and humanoid

1107
00:56:30,050 --> 00:56:27,870
activity well and also disappearances

1108
00:56:33,470 --> 00:56:30,060
we have you know what we call the

1109
00:56:35,600 --> 00:56:33,480
devil's triangle right there yeah and a

1110
00:56:39,290 --> 00:56:35,610
lot of people scoff at it but no it's

1111
00:56:43,010 --> 00:56:39,300
true they're there we we have yearly

1112
00:56:46,520 --> 00:56:43,020
people like let's say a fishing vessel

1113
00:56:49,430 --> 00:56:46,530

not not so big maybe small yacht they go

1114

00:56:53,000 --> 00:56:49,440

out they either disappear or they find

1115

00:56:54,950 --> 00:56:53,010

it the crew missing or the occupant is

1116

00:56:56,870 --> 00:56:54,960

missing and that happens yearly but you

1117

00:56:59,750 --> 00:56:56,880

never hear too much about it maybe it'll

1118

00:57:06,490 --> 00:56:59,760

come out in the paper once you know like

1119

00:57:10,370 --> 00:57:06,500

they say world traveler in God from

1120

00:57:13,580 --> 00:57:10,380

Holland is God found empty the Caribbean

1121

00:57:17,150 --> 00:57:13,590

near the Bahamas and I've been you read

1122

00:57:21,140 --> 00:57:17,160

a lot of stuff like that yeah well I'm

1123

00:57:24,710 --> 00:57:21,150

hoping that you're able to you know be

1124

00:57:26,660 --> 00:57:24,720

able to take some time and enjoy things

1125

00:57:28,940 --> 00:57:26,670

at your retirement but we definitely

1126

00:57:32,890 --> 00:57:28,950

hope that you get more involved with

1127

00:57:36,830 --> 00:57:32,900

what you do best and that's research and

1128

00:57:40,040 --> 00:57:36,840
