

ARCANE RADIO

Exploring the Unexplained

Aug. 10th, 2018

Amy Major
**Psychic, Rescue
Medium & Author**

BXP

1
00:00:10,539 --> 00:00:07,570
the oldest and strongest human emotion

2
00:00:13,839 --> 00:00:10,549
is fear and the oldest and strongest

3
00:00:17,259 --> 00:00:13,849
type of fear the trepidation of young

4
00:00:21,230 --> 00:00:17,269
men when we were children our parents

5
00:00:23,990 --> 00:00:21,240
told us that monsters didn't exist

6
00:00:27,439 --> 00:00:24,000
but we were sure that something has

7
00:00:31,179 --> 00:00:27,449
recommended a better in the closet beer

8
00:00:34,910 --> 00:00:31,189
sees even if our eyes are closed

9
00:00:37,939 --> 00:00:34,920
welcome to the realm of your king my

10
00:00:40,790 --> 00:00:37,949
name is Juan stripper join me as I

11
00:00:45,100 --> 00:00:40,800
examine unexplained creatures strange

12
00:00:48,410 --> 00:00:45,110
manifestations and remarkable realities

13
00:00:51,710 --> 00:00:48,420

imagine this next hour as a voyage of

14

00:00:54,590 --> 00:00:51,720

discovered to strange lands seeking not

15

00:00:57,889 --> 00:00:54,600

from new territory but for new knowledge

16

00:01:08,830 --> 00:00:57,899

of the supernatural come on board as we

17

00:01:14,510 --> 00:01:11,359

hey folks good evening and welcome to

18

00:01:16,459 --> 00:01:14,520

another episode of arcane radio I am

19

00:01:18,980 --> 00:01:16,469

your host lon stricter and I thank you

20

00:01:22,279 --> 00:01:18,990

for joining me here on the paranormal

21

00:01:24,889 --> 00:01:22,289

king who radio and network now listeners

22

00:01:27,050 --> 00:01:24,899

can show their support for arcane radio

23

00:01:29,389 --> 00:01:27,060

about coming a patron simply go to

24

00:01:33,349 --> 00:01:29,399

phantasm monsters at fans of monsters

25

00:01:36,410 --> 00:01:33,359

comm and click the pod beam patron

26
00:01:38,330 --> 00:01:36,420
banner for only \$1 per month you can not

27
00:01:41,029 --> 00:01:38,340
only help cover the show's operating

28
00:01:43,130 --> 00:01:41,039
costs but you'll receive a variety of

29
00:01:47,149 --> 00:01:43,140
rewards which are listed on our patron

30
00:01:49,580 --> 00:01:47,159
site I want to thank the new arcane

31
00:01:53,899 --> 00:01:49,590
radio patrons for their support there

32
00:01:57,080 --> 00:01:53,909
Tara 13 Paul Lucas ash Thornton 7 and I

33
00:01:58,819 --> 00:01:57,090
fear not and before I introduce my

34
00:02:03,319 --> 00:01:58,829
guests I'm gonna mention in the counter

35
00:02:07,819 --> 00:02:03,329
recently received this gentleman who

36
00:02:09,710 --> 00:02:07,829
I'll go by WR he said I was camping in

37
00:02:14,569 --> 00:02:09,720
the Shenandoah mountains in Rockingham

38
00:02:16,099 --> 00:02:14,579

County Virginia last October 2017 he

39

00:02:18,830 --> 00:02:16,109
said it was nice fall weather so I

40

00:02:20,750 --> 00:02:18,840
decided to go out for the weekend when I

41

00:02:23,210 --> 00:02:20,760
arrived the local ranger pointed out a

42

00:02:25,370 --> 00:02:23,220
hiking trail for me to follow after a

43

00:02:28,039 --> 00:02:25,380
hike over the mountain there was a nice

44

00:02:31,220 --> 00:02:28,049
area flat ground near a stream that was

45

00:02:32,990 --> 00:02:31,230
perfect for camping I hiked a few miles

46

00:02:33,710 --> 00:02:33,000
to get to the bottom of the trail I set

47

00:02:36,860 --> 00:02:33,720
up camp

48

00:02:39,500 --> 00:02:36,870
ate dinner and crawled into my tent now

49

00:02:41,599 --> 00:02:39,510
around 12:30 a.m. I heard a noise

50

00:02:44,539 --> 00:02:41,609
outside my tent that literally scared

51
00:02:47,960 --> 00:02:44,549
the hell out of me I set up right and

52
00:02:50,150 --> 00:02:47,970
listened to the sounds soon after i l

53
00:02:52,550 --> 00:02:50,160
hear rocks flowing around the outside of

54
00:02:55,250 --> 00:02:52,560
the tent by the direction which the

55
00:02:56,900 --> 00:02:55,260
rocks fell I figure that someone was

56
00:02:59,210 --> 00:02:56,910
throwing rocks downhill from the

57
00:03:02,330 --> 00:02:59,220
mountain but that was over a hundred

58
00:03:04,640 --> 00:03:02,340
yards away I slowly crawled out of the

59
00:03:07,520 --> 00:03:04,650
tent and peered out into the darkness

60
00:03:09,289 --> 00:03:07,530
the area was extremely dark and I could

61
00:03:11,750 --> 00:03:09,299
barely see my own hands in front of my

62
00:03:14,300 --> 00:03:11,760
face then suddenly I heard heavy

63
00:03:17,870 --> 00:03:14,310

footsteps nearby which were getting

64

00:03:21,559 --> 00:03:17,880

closer I scrambled back into the tent

65

00:03:23,509 --> 00:03:21,569

and reached into my pack and order it

66

00:03:25,009 --> 00:03:23,519

I'm a fully appointed a gun at the

67

00:03:27,619 --> 00:03:25,019

ground in the opposite direction the

68

00:03:30,289 --> 00:03:27,629

footsteps and then let off around the

69

00:03:32,500 --> 00:03:30,299

footsteps stopped but I did hear a faint

70

00:03:34,640 --> 00:03:32,510

rustling so I'm going away from me I

71

00:03:36,380 --> 00:03:34,650

quickly reached into the tent and

72

00:03:39,140 --> 00:03:36,390

grabbed my sleeping bag

73

00:03:39,949 --> 00:03:39,150

I found a nearby tree and propped myself

74

00:03:42,619 --> 00:03:39,959

against it

75

00:03:45,229 --> 00:03:42,629

the Magnum still in my hand I dozed on

76
00:03:50,390 --> 00:03:45,239
and off frightened of what had happened

77
00:03:53,149 --> 00:03:50,400
Roy here it started becoming light but

78
00:03:54,710 --> 00:03:53,159
my nerves were still an edge I didn't

79
00:03:56,360 --> 00:03:54,720
wait around long enough to take down the

80
00:03:58,580 --> 00:03:56,370
tent I had at least a two-hour hike

81
00:04:01,399 --> 00:03:58,590
ahead of me and wanted to get out of

82
00:04:03,379 --> 00:04:01,409
there as soon as possible I started my

83
00:04:06,259 --> 00:04:03,389
way up the trail it was rocky and a

84
00:04:08,300 --> 00:04:06,269
sleighting climb in the beginning I was

85
00:04:11,270 --> 00:04:08,310
about an hour up the mountain when I

86
00:04:14,119 --> 00:04:11,280
heard the same strange noises I had

87
00:04:17,060 --> 00:04:14,129
heard the night before I picked up my

88
00:04:19,520 --> 00:04:17,070

pace until I reached the peak as I made

89

00:04:23,150 --> 00:04:19,530

my way to the top I saw that there was

90

00:04:26,149 --> 00:04:23,160

another lower peak on my left around 150

91

00:04:28,939 --> 00:04:26,159

yards away there stood a hairy

92

00:04:31,460 --> 00:04:28,949

human-like figure looking directly at me

93

00:04:33,740 --> 00:04:31,470

I knew that the creature was a Bigfoot

94

00:04:36,320 --> 00:04:33,750

it was massive at least eight foot in

95

00:04:38,810 --> 00:04:36,330

height I was so scared I started to run

96

00:04:40,730 --> 00:04:38,820

at the same time the Beast let out a

97

00:04:41,120 --> 00:04:40,740

terrible scream that echoed in a valley

98

00:04:43,279 --> 00:04:41,130

below

99

00:04:47,060 --> 00:04:43,289

I didn't attempt it didn't attempt to

100

00:04:48,680 --> 00:04:47,070

foul but continued to scream to this day

101
00:04:51,230 --> 00:04:48,690
I could still hear that scream it

102
00:04:53,210 --> 00:04:51,240
sounded like a low growl at first then

103
00:04:56,930 --> 00:04:53,220
continued into a high-pitched shrill

104
00:04:59,450 --> 00:04:56,940
becoming a long sustained howling it

105
00:05:01,850 --> 00:04:59,460
most likely want me to leave his

106
00:05:03,469 --> 00:05:01,860
territory according to what I've read it

107
00:05:07,070 --> 00:05:03,479
was probably hunting at night and was

108
00:05:08,930 --> 00:05:07,080
upset that I had set up camp he told me

109
00:05:11,870 --> 00:05:08,940
he said the first person I had shared

110
00:05:13,909 --> 00:05:11,880
his account with and he doubts that

111
00:05:17,000 --> 00:05:13,919
he'll go into the wilderness again at

112
00:05:19,339 --> 00:05:17,010
night now there have been other

113
00:05:21,320 --> 00:05:19,349

documented incidents with Bigfoot in the

114

00:05:23,870 --> 00:05:21,330

Shenandoah National Park that

115

00:05:28,339 --> 00:05:23,880

backcountry has a decent popular it's a

116

00:05:29,839 --> 00:05:28,349

black bear coyote Bobcat as well this

117

00:05:32,440 --> 00:05:29,849

area isn't really that far from the

118

00:05:35,300 --> 00:05:32,450

George Washington natural forest which

119

00:05:39,590 --> 00:05:35,310

has had some fairly harrowing

120

00:05:41,630 --> 00:05:39,600

counters reported over the years so

121

00:05:44,830 --> 00:05:41,640

we're just glad that WR got out of there

122

00:05:48,290 --> 00:05:44,840

okay so let's get started

123

00:05:51,770 --> 00:05:48,300

tonight's guest Amy major is a set egg

124

00:05:53,270 --> 00:05:51,780

cake rescue medium and author Amy has

125

00:05:56,270 --> 00:05:53,280

been a successful medium and here in the

126

00:05:59,020 --> 00:05:56,280

New England area for 17 years conducting

127

00:06:02,450 --> 00:05:59,030

many spirit investigations and rescues

128

00:06:03,650 --> 00:06:02,460

always interested in her development amy

129

00:06:05,960 --> 00:06:03,660

has studied under some of the best

130

00:06:08,900 --> 00:06:05,970

mediums in the area as well specialized

131

00:06:12,080 --> 00:06:08,910

schools focusing on psychic and median

132

00:06:14,600 --> 00:06:12,090

abilities Amy is a spiritualist an

133

00:06:17,180 --> 00:06:14,610

active member of the Church of spiritual

134

00:06:19,730 --> 00:06:17,190

life in Derry New Hampshire for over 12

135

00:06:22,430 --> 00:06:19,740

years where she provides a mediumship

136

00:06:24,650 --> 00:06:22,440

and gallery readings her first book

137

00:06:27,020 --> 00:06:24,660

toward the light rescuing spirit scrap

138

00:06:29,240 --> 00:06:27,030

Souls and earthbound ghost has gained

139

00:06:31,910 --> 00:06:29,250

popularity throughout the spiritual and

140

00:06:35,090 --> 00:06:31,920

paranormal communities her newest book

141

00:06:38,390 --> 00:06:35,100

is light the way a guide to becoming a

142

00:06:43,760 --> 00:06:38,400

rescue medium Amy's website can be found

143

00:06:46,990 --> 00:06:43,770

at WWAMI major calm so Amy thanks for

144

00:06:49,490 --> 00:06:47,000

joining me thank you for having me

145

00:06:52,220 --> 00:06:49,500

been a while since we talked I think I

146

00:06:57,590 --> 00:06:52,230

had joined the show with Sean and I

147

00:07:00,490 --> 00:06:57,600

maybe three or four years you know 2015

148

00:07:03,290 --> 00:07:00,500

so yeah oh my gosh two years ago yeah oh

149

00:07:05,360 --> 00:07:03,300

so well you decide to write another book

150

00:07:08,030 --> 00:07:05,370

and I tell you it's a great book it's

151

00:07:14,330 --> 00:07:08,040

got a lot in there a lot of stuff that

152

00:07:18,020 --> 00:07:14,340

it's very helpful to rescue mediums and

153

00:07:21,740 --> 00:07:18,030

light workers alike it's it's very much

154

00:07:23,720 --> 00:07:21,750

more detailed than your first book you

155

00:07:28,130 --> 00:07:23,730

can act you can really tell the progress

156

00:07:30,730 --> 00:07:28,140

you made over the years thank you and

157

00:07:35,510 --> 00:07:30,740

towards the light was really kind of a

158

00:07:37,700 --> 00:07:35,520

generalization to explain to those who

159

00:07:40,670 --> 00:07:37,710

don't really know much about earthbound

160

00:07:43,160 --> 00:07:40,680

spirits or spirit rescue and at all and

161

00:07:46,460 --> 00:07:43,170

kind of give a brief synopsis of what's

162

00:07:48,350 --> 00:07:46,470

going on and explain a little things in

163

00:07:49,170 --> 00:07:48,360

in depth to them as why certain things

164

00:07:52,290 --> 00:07:49,180

happen

165

00:07:55,260 --> 00:07:52,300

but like way was intended to be more of

166

00:07:57,750 --> 00:07:55,270

a field guide for those who are mediums

167

00:07:59,820 --> 00:07:57,760

or sensitives or paranormal

168

00:08:04,470 --> 00:07:59,830

investigators that are really looking to

169

00:08:06,480 --> 00:08:04,480

help and advance their work in rescue or

170

00:08:08,790 --> 00:08:06,490

any type of liquid earthbound spirits

171

00:08:11,250 --> 00:08:08,800

and it gives them sort of that

172

00:08:13,650 --> 00:08:11,260

guidelines and outlook on how to

173

00:08:16,050 --> 00:08:13,660

actually become a rescue medium and do

174

00:08:18,510 --> 00:08:16,060

this work out in the field so two

175

00:08:20,880 --> 00:08:18,520

different types of books they depth

176

00:08:23,700 --> 00:08:20,890

definitely have the similarities of

177

00:08:25,680 --> 00:08:23,710

talking about earthbound spirits one is

178

00:08:28,320 --> 00:08:25,690

supposed to more be about education to

179

00:08:30,060 --> 00:08:28,330

the general public whereas the second

180

00:08:31,560 --> 00:08:30,070

book like the day is more like I said

181

00:08:33,180 --> 00:08:31,570

the field guides for those who want to

182

00:08:39,840 --> 00:08:33,190

learn more I can't tell you how many

183

00:08:41,700 --> 00:08:39,850

people would come to me teach me I get

184

00:08:48,420 --> 00:08:41,710

the same thing I really do it's

185

00:08:53,760 --> 00:08:48,430

interesting you know it when people have

186

00:08:58,380 --> 00:08:53,770

problems with earthbounds it it tends to

187

00:08:59,820 --> 00:08:58,390

be the point where you've got to explain

188

00:09:01,200 --> 00:08:59,830

to them what's really going on first of

189

00:09:05,250 --> 00:09:01,210

all because they had no understanding

190

00:09:07,260 --> 00:09:05,260

what it is so the book truly does help

191

00:09:09,900 --> 00:09:07,270

in doing that now can you tell the

192

00:09:11,460 --> 00:09:09,910

listeners a bit more about yourself how

193

00:09:14,700 --> 00:09:11,470

you became interested in rescue

194

00:09:16,650 --> 00:09:14,710

mediumship oh sure

195

00:09:19,560 --> 00:09:16,660

honestly I have people asked me that all

196

00:09:21,900 --> 00:09:19,570

the time and I always tell them I can't

197

00:09:24,690 --> 00:09:21,910

I went in to rescue mediumship kicking

198

00:09:27,720 --> 00:09:24,700

and screaming I didn't want anything to

199

00:09:29,370 --> 00:09:27,730

do with that actually most people are

200

00:09:33,420 --> 00:09:29,380

thrilled to get into this type of work

201
00:09:38,220 --> 00:09:33,430
as for me it was thrown into my lap all

202
00:09:41,100 --> 00:09:38,230
the time even though I pushed it away to

203
00:09:42,630 --> 00:09:41,110
the point where I down being a medium

204
00:09:45,300 --> 00:09:42,640
didn't lie anything to do with it for a

205
00:09:46,860 --> 00:09:45,310
year or two but because I've been doing

206
00:09:49,230 --> 00:09:46,870
this work technically for twenty years

207
00:09:51,390 --> 00:09:49,240
but I stopped for a year or two or you

208
00:09:53,250 --> 00:09:51,400
know another year later after had a baby

209
00:09:54,780 --> 00:09:53,260
and I was like okay I don't want to do

210
00:09:56,610 --> 00:09:54,790
it anymore because all I'm getting are

211
00:09:58,530 --> 00:09:56,620
earthbound spirits I'm not getting any

212
00:09:59,220 --> 00:09:58,540
of the good stuff I don't want to do

213
00:10:01,890 --> 00:09:59,230

this anymore

214

00:10:02,580 --> 00:10:01,900

and I feel like I didn't have a choice

215

00:10:09,300 --> 00:10:02,590

me

216

00:10:10,920 --> 00:10:09,310

surrounded by earthbound spirits and

217

00:10:12,390 --> 00:10:10,930

then everyone that it would be in my

218

00:10:14,460 --> 00:10:12,400

development circle they're like what's

219

00:10:16,680 --> 00:10:14,470

wrong with you why do you keep bringing

220

00:10:19,110 --> 00:10:16,690

all these bad spirits and I'm like I

221

00:10:21,930 --> 00:10:19,120

don't know I'm like a magnet for these

222

00:10:24,960 --> 00:10:21,940

things and no one could explain it to me

223

00:10:26,970 --> 00:10:24,970

so I connected in with my guides and I'm

224

00:10:29,010 --> 00:10:26,980

like what's going on why are they all

225

00:10:31,560 --> 00:10:29,020

these spirits around me and they started

226
00:10:34,320 --> 00:10:31,570
explaining rescue mediumship to me and

227
00:10:37,440 --> 00:10:34,330
they said you came in specifically to be

228
00:10:39,630 --> 00:10:37,450
a rescue medium and not only that but

229
00:10:41,670 --> 00:10:39,640
you came in to educate people or the

230
00:10:44,010 --> 00:10:41,680
general public about rescue mediumship

231
00:10:46,410 --> 00:10:44,020
so the like buckle up you're in for a

232
00:10:49,640 --> 00:10:46,420
ride it's not going to be fun and they

233
00:10:52,560 --> 00:10:49,650
were right it was not fun at all a

234
00:10:55,890 --> 00:10:52,570
training as a rescue medium is much

235
00:10:59,400 --> 00:10:55,900
harder much more intense than training

236
00:11:02,070 --> 00:10:59,410
as a psychic medium or spiritual medium

237
00:11:04,200 --> 00:11:02,080
very different training involved with

238
00:11:07,380 --> 00:11:04,210

that so and many people is like oh why

239

00:11:10,680 --> 00:11:07,390

did you choose rescue my can no I didn't

240

00:11:12,510 --> 00:11:10,690

choose it it shows me so here I am today

241

00:11:14,610 --> 00:11:12,520

now training other people how to do it

242

00:11:16,650 --> 00:11:14,620

and whenever I do train other people I

243

00:11:18,090 --> 00:11:16,660

kind of sit down with them like okay I'm

244

00:11:19,620 --> 00:11:18,100

gonna tell you what it's all about

245

00:11:22,290 --> 00:11:19,630

I'm gonna give you a chance to walk

246

00:11:24,780 --> 00:11:22,300

right now before you get in depth with

247

00:11:27,300 --> 00:11:24,790

this because it's not for every medium

248

00:11:29,940 --> 00:11:27,310

it's for a select few they have a little

249

00:11:32,610 --> 00:11:29,950

bit thicker skin that can handle the

250

00:11:34,950 --> 00:11:32,620

tough fear more I don't want to say

251
00:11:38,490 --> 00:11:34,960
negative but the heavier darker side of

252
00:11:40,500 --> 00:11:38,500
a spiritual world so not many people are

253
00:11:42,690 --> 00:11:40,510
definitely geared towards rescue work

254
00:11:44,180 --> 00:11:42,700
and there's an awful lot of mediums out

255
00:11:46,500 --> 00:11:44,190
there that won't even acknowledge

256
00:11:49,110 --> 00:11:46,510
rescuers they want nothing to do with it

257
00:11:51,570 --> 00:11:49,120
won't even say that it's real they say

258
00:11:54,120 --> 00:11:51,580
our sounds don't exist but there were

259
00:11:55,410 --> 00:11:54,130
faking everything so it's going to be

260
00:11:57,270 --> 00:11:55,420
hard not only because you're dealing

261
00:12:00,030 --> 00:11:57,280
with heavy energy but you're also

262
00:12:02,310 --> 00:12:00,040
dealing with the animosity and the

263
00:12:04,050 --> 00:12:02,320

negative vibes that you're getting from

264

00:12:06,540 --> 00:12:04,060

the psychic and spiritual community too

265

00:12:08,880 --> 00:12:06,550

so it's been a hard ride but I gotta

266

00:12:10,530 --> 00:12:08,890

tell you with Chile with it yeah I

267

00:12:12,900 --> 00:12:10,540

understand exactly what you're talking

268

00:12:15,090 --> 00:12:12,910

about you know now there's one phenomena

269

00:12:16,079 --> 00:12:15,100

that just seemed to happen a lot when

270

00:12:22,110 --> 00:12:16,089

you're involved with peace

271

00:12:24,540 --> 00:12:22,120

who swear that they're attracting energy

272

00:12:26,939 --> 00:12:24,550

and spirit energy and most of these

273

00:12:30,329 --> 00:12:26,949

people are either beacons or someone who

274

00:12:32,699 --> 00:12:30,339

who is actually a physical medium and

275

00:12:35,879 --> 00:12:32,709

these spirits just do seem to attract to

276

00:12:41,309 --> 00:12:35,889

them and it's hard to explain to them

277

00:12:44,220 --> 00:12:41,319

the process or what's going on oh yeah

278

00:12:45,629 --> 00:12:44,230

because it's there are mediums and I

279

00:12:47,639 --> 00:12:45,639

always kind of try to explain this to

280

00:12:49,949 --> 00:12:47,649

people over there just because Sean says

281

00:12:51,869 --> 00:12:49,959

they're a medium or they're a sensitive

282

00:12:54,329 --> 00:12:51,879

does not mean that they all have the

283

00:12:56,189 --> 00:12:54,339

same vibrational frequencies if every

284

00:12:58,259 --> 00:12:56,199

medium is different just like every

285

00:13:00,569 --> 00:12:58,269

artist is different we all have a

286

00:13:03,540 --> 00:13:00,579

special style and our own unique

287

00:13:06,059 --> 00:13:03,550

vibration and within that vibration we

288

00:13:08,189 --> 00:13:06,069

attract different spirits according to

289

00:13:10,980 --> 00:13:08,199

the vibrational frequency that they

290

00:13:12,869 --> 00:13:10,990

connect to and they can see so the

291

00:13:15,239 --> 00:13:12,879

majority of mediums can connect to

292

00:13:17,489 --> 00:13:15,249

various levels of frequencies in between

293

00:13:19,829 --> 00:13:17,499

for us some only connect to those of a

294

00:13:21,869 --> 00:13:19,839

higher vibration and those are the ones

295

00:13:23,309 --> 00:13:21,879

they usually say that the earthbound

296

00:13:25,530 --> 00:13:23,319

spirits don't exist because they've

297

00:13:26,999 --> 00:13:25,540

never connected to them but then I kind

298

00:13:29,970 --> 00:13:27,009

of say well you want everyone to believe

299

00:13:32,400 --> 00:13:29,980

in mediumship but you're not willing to

300

00:13:34,980 --> 00:13:32,410

believe in other things yourself I'm

301
00:13:37,439 --> 00:13:34,990
like to me that doesn't feel right so

302
00:13:40,019 --> 00:13:37,449
like I believe anything is possible it's

303
00:13:40,799 --> 00:13:40,029
like I've never seen both Bigfoot but is

304
00:13:43,259 --> 00:13:40,809
it possible

305
00:13:45,239 --> 00:13:43,269
absolutely other people have so i'ma

306
00:13:46,519 --> 00:13:45,249
leave myself open for anything's

307
00:13:48,809 --> 00:13:46,529
possible

308
00:13:51,689 --> 00:13:48,819
this is what I like about your book

309
00:13:54,360 --> 00:13:51,699
because it has a lot in there that you

310
00:13:56,790 --> 00:13:54,370
don't see in in most feared rescued

311
00:13:58,079 --> 00:13:56,800
titles and in fact I was really

312
00:14:02,189 --> 00:13:58,089
surprised on how much was actually

313
00:14:04,230 --> 00:14:02,199

covered now what's the reason why you

314

00:14:08,040 --> 00:14:04,240

wrote this did you just want to help

315

00:14:10,919 --> 00:14:08,050

others absolutely I keep telling people

316

00:14:13,530 --> 00:14:10,929

when I was developing as a rescue medium

317

00:14:16,319 --> 00:14:13,540

I didn't have anyone to talk to I had

318

00:14:19,230 --> 00:14:16,329

like maybe two other mediums that would

319

00:14:22,139 --> 00:14:19,240

give me information once in a while but

320

00:14:24,720 --> 00:14:22,149

I didn't have any real teachers the

321

00:14:27,329 --> 00:14:24,730

rescue work everything I did came from

322

00:14:29,760 --> 00:14:27,339

the other side and I kind of had to go

323

00:14:32,250 --> 00:14:29,770

and learn by trail and

324

00:14:34,500 --> 00:14:32,260

which was very difficult and I kept

325

00:14:37,590 --> 00:14:34,510

saying I wish I had somebody write a

326

00:14:39,500 --> 00:14:37,600

book and tell me what to do I would go

327

00:14:42,570 --> 00:14:39,510

to the book stores and see nothing

328

00:14:44,100 --> 00:14:42,580

absolutely nothing on spirit rescue or

329

00:14:46,590 --> 00:14:44,110

rescue mediumship or how to help

330

00:14:50,010 --> 00:14:46,600

earthbound spirits they would all just

331

00:14:51,840 --> 00:14:50,020

be stories that some mediums would say

332

00:14:54,150 --> 00:14:51,850

oh my god people how can I learn through

333

00:14:56,040 --> 00:14:54,160

a story I need someone to tell me how to

334

00:14:58,350 --> 00:14:56,050

do this and there was nothing out there

335

00:15:00,000 --> 00:14:58,360

so you know over the years I'm like you

336

00:15:02,400 --> 00:15:00,010

know what I've been doing this long

337

00:15:04,140 --> 00:15:02,410

enough I think I am qualified to get

338

00:15:06,720 --> 00:15:04,150

this information out I want to help

339

00:15:09,120 --> 00:15:06,730

other mediums for other sensitives out

340

00:15:10,170 --> 00:15:09,130

there to have this information so they

341

00:15:12,210 --> 00:15:10,180

don't have to go through what I went

342

00:15:14,550 --> 00:15:12,220

through they can have this field guide

343

00:15:16,650 --> 00:15:14,560

you can have some sort of knowledge to

344

00:15:19,230 --> 00:15:16,660

help them out so they say yes

345

00:15:21,330 --> 00:15:19,240

what I'm doing what I'm hearing what I'm

346

00:15:23,010 --> 00:15:21,340

feeling it's real because she's got it

347

00:15:25,020 --> 00:15:23,020

written right here in the book and I

348

00:15:27,570 --> 00:15:25,030

have something to compare my experiences

349

00:15:30,060 --> 00:15:27,580

to so it's just really to kind of give

350

00:15:34,380 --> 00:15:30,070

people a leg up on their development

351

00:15:36,510 --> 00:15:34,390

something I didn't have now like you

352

00:15:38,360 --> 00:15:36,520

said earlier detection of vibrations

353

00:15:40,380 --> 00:15:38,370

important part of spirit rest you know

354

00:15:44,600 --> 00:15:40,390

can you trying to give a thumbnail

355

00:15:50,600 --> 00:15:44,610

description of how that can be done on

356

00:15:53,520 --> 00:15:50,610

doing what on detecting vibration oh

357

00:15:56,460 --> 00:15:53,530

that's uh that's a hard one because it's

358

00:15:59,370 --> 00:15:56,470

like I'm a clear sentient so when I walk

359

00:16:03,030 --> 00:15:59,380

into a room or when I would go into a

360

00:16:06,540 --> 00:16:03,040

space I'm picking up on all energy and

361

00:16:09,630 --> 00:16:06,550

the way that I pick up on energy is it's

362

00:16:11,760 --> 00:16:09,640

kind of like radar I sense and feel the

363

00:16:14,400 --> 00:16:11,770

vibrational frequencies the difference

364

00:16:17,280 --> 00:16:14,410

of energy when I walk into a room it's

365

00:16:19,800 --> 00:16:17,290

kind of like listening to music you hear

366

00:16:23,730 --> 00:16:19,810

the notes of a bass guitar and it's very

367

00:16:25,620 --> 00:16:23,740

low vibration and you can kind of it's a

368

00:16:28,170 --> 00:16:25,630

it goes a little bit slower it's got a

369

00:16:30,420 --> 00:16:28,180

deeper tone to it well that's how energy

370

00:16:32,130 --> 00:16:30,430

feels to me and then I walk in someone's

371

00:16:34,560 --> 00:16:32,140

playing acoustic guitar or electric

372

00:16:35,820 --> 00:16:34,570

guitar and those notes are higher they

373

00:16:38,340 --> 00:16:35,830

have a higher pitch they have a higher

374

00:16:40,020 --> 00:16:38,350

tone and that's what the energy feels

375

00:16:42,210 --> 00:16:40,030

like to me when I'm kissing connecting

376

00:16:44,150 --> 00:16:42,220

into the other side the vibration feels

377

00:16:48,120 --> 00:16:44,160

much higher

378

00:16:49,440 --> 00:16:48,130

depending on the frequency of what I'm

379

00:16:52,920 --> 00:16:49,450

picking up and feeling

380

00:16:55,050 --> 00:16:52,930

I'll know what their awareness is who

381

00:16:57,120 --> 00:16:55,060

they are what they're looking for based

382

00:16:59,490 --> 00:16:57,130

on moving into their energy and

383

00:17:00,500 --> 00:16:59,500

acquiring the information based on their

384

00:17:02,850 --> 00:17:00,510

frequency

385

00:17:05,819 --> 00:17:02,860

you know you posted something on your

386

00:17:07,710 --> 00:17:05,829

Facebook today that I found very

387

00:17:12,090 --> 00:17:07,720

interesting you were mentioning that you

388

00:17:17,189 --> 00:17:12,100

see blue color when you notice Newark

389

00:17:20,069 --> 00:17:17,199

down it's interesting I'm a clear

390

00:17:22,800 --> 00:17:20,079

sentence oh I see I don't necessarily

391

00:17:25,620 --> 00:17:22,810

see it but it's more I see their sense

392

00:17:29,850 --> 00:17:25,630

it in my mind's eye but I sense

393

00:17:32,310 --> 00:17:29,860

pink and foam green seafoam green which

394

00:17:36,030 --> 00:17:32,320

is I don't know I think it's bizarre but

395

00:17:40,710 --> 00:17:36,040

when I do sensitive colors I know I'm

396

00:17:43,200 --> 00:17:40,720

around spare energy right I I guess

397

00:17:46,950 --> 00:17:43,210

you've heard all kinds of combination of

398

00:17:49,230 --> 00:17:46,960

colors have you yes I mean because when

399

00:17:52,040 --> 00:17:49,240

you're thinking about it in my mind's

400

00:17:54,150 --> 00:17:52,050

eye I see all the colors of the rainbow

401
00:17:57,420 --> 00:17:54,160
in my mind's eye is what we call our

402
00:18:00,780 --> 00:17:57,430
psychic third eye but when I see them

403
00:18:02,550 --> 00:18:00,790
with my physical eye like you know I'm

404
00:18:04,230 --> 00:18:02,560
just open my eyes and look around and

405
00:18:06,480 --> 00:18:04,240
there's a spirit saying in front of me

406
00:18:08,910 --> 00:18:06,490
it's not in my mind it's out physically

407
00:18:11,850 --> 00:18:08,920
in front of me I always see them and

408
00:18:13,950 --> 00:18:11,860
they look blue they kind of look almost

409
00:18:16,560 --> 00:18:13,960
like a projection kind of see-through

410
00:18:19,890 --> 00:18:16,570
but they're all glowing like this very

411
00:18:21,360 --> 00:18:19,900
light or grayish blue color and it's

412
00:18:23,910 --> 00:18:21,370
been happening to me throughout the

413
00:18:26,280 --> 00:18:23,920

years and they're always blue and then

414

00:18:30,360 --> 00:18:26,290

when I see a soul leaving the body it's

415

00:18:32,220 --> 00:18:30,370

always a very dark electric blue so I'm

416

00:18:34,830 --> 00:18:32,230

just kind of asking people like this

417

00:18:37,590 --> 00:18:34,840

antonio's experience any other colors of

418

00:18:39,900 --> 00:18:37,600

spirits not in your mind's eye per se of

419

00:18:42,960 --> 00:18:39,910

through meditation or anything but like

420

00:18:45,330 --> 00:18:42,970

to see them physically because I kind of

421

00:18:46,110 --> 00:18:45,340

wonder I've been wondering asking the

422

00:18:49,710 --> 00:18:46,120

spirit world

423

00:18:51,870 --> 00:18:49,720

what color there's our spirits

424

00:18:53,760 --> 00:18:51,880

technically I think different colors

425

00:18:55,320 --> 00:18:53,770

because I know on the other side they

426

00:18:57,700 --> 00:18:55,330

have different colors based on their

427

00:19:02,740 --> 00:18:57,710

frequency but when we see them out here

428

00:19:04,960 --> 00:19:02,750

what does that represent yeah yeah I

429

00:19:09,790 --> 00:19:04,970

mean that is an interesting question

430

00:19:13,590 --> 00:19:09,800

because I am the only time I haven't

431

00:19:16,600 --> 00:19:13,600

been able to see colors physically or

432

00:19:19,270 --> 00:19:16,610

auras but it's not necessarily a spirit

433

00:19:21,340 --> 00:19:19,280

it's mostly just a physical person and I

434

00:19:25,000 --> 00:19:21,350

have seen the water color but as far as

435

00:19:27,220 --> 00:19:25,010

a spirit or an earthbound eye I don't

436

00:19:30,790 --> 00:19:27,230

remember ever being able to actually

437

00:19:31,300 --> 00:19:30,800

physically see a color like that you

438

00:19:34,630 --> 00:19:31,310

know

439

00:19:37,210 --> 00:19:34,640

oh oh I all mine is done intuitive layer

440

00:19:40,210 --> 00:19:37,220

through my mind's eye but it was an

441

00:19:43,300 --> 00:19:40,220

interesting question and I don't know I

442

00:19:45,070 --> 00:19:43,310

mean that's that's something that I'm

443

00:19:46,030 --> 00:19:45,080

gonna keep an eye on see what others say

444

00:19:50,260 --> 00:19:46,040

about that

445

00:19:52,030 --> 00:19:50,270

I definitely because I think we all need

446

00:19:53,740 --> 00:19:52,040

to start working together and working

447

00:19:56,140 --> 00:19:53,750

with the spirit world I think now that

448

00:19:57,550 --> 00:19:56,150

we're more accustomed to believing or

449

00:19:59,650 --> 00:19:57,560

other people are more accustomed to

450

00:20:00,280 --> 00:19:59,660

believing that we can connect in the

451
00:20:02,170 --> 00:20:00,290
spirit world

452
00:20:03,730 --> 00:20:02,180
well let's go the distance now let's

453
00:20:06,520 --> 00:20:03,740
start asking questions let's start

454
00:20:08,140 --> 00:20:06,530
asking why what's happening why is this

455
00:20:10,540 --> 00:20:08,150
happening what's it like on the other

456
00:20:12,280 --> 00:20:10,550
side what can we learn from this and I

457
00:20:14,050 --> 00:20:12,290
always get the same answer you'll figure

458
00:20:18,010 --> 00:20:14,060
it out when you get here yeah well and

459
00:20:19,450 --> 00:20:18,020
no I just I'm not gonna give up so I'm

460
00:20:22,540 --> 00:20:19,460
gonna keep trying to search for those

461
00:20:24,480 --> 00:20:22,550
answers yes it was difficult to talk to

462
00:20:28,180 --> 00:20:24,490
people about that I mean I don't know

463
00:20:32,020 --> 00:20:28,190

you know I have a few physics I mean a

464

00:20:34,450 --> 00:20:32,030

few slick friends and we talk about

465

00:20:36,430 --> 00:20:34,460

these things and but you know

466

00:20:40,060 --> 00:20:36,440

everybody's different like you said it's

467

00:20:43,260 --> 00:20:40,070

like it's uh I don't know it's kind of

468

00:20:45,910 --> 00:20:43,270

hard to kind of feed off somebody's

469

00:20:48,850 --> 00:20:45,920

technique to see how they do it and you

470

00:20:51,100 --> 00:20:48,860

know to learn I mean it for the most

471

00:20:53,650 --> 00:20:51,110

part it's all natural and you it's

472

00:20:57,370 --> 00:20:53,660

something that you're given and you do

473

00:20:59,050 --> 00:20:57,380

with what you got you know well true but

474

00:21:01,320 --> 00:20:59,060

then there's not some a lot of classes

475

00:21:04,060 --> 00:21:01,330

out there that teaches you how to

476

00:21:06,730 --> 00:21:04,070

connect to the spirit world and of the

477

00:21:08,950 --> 00:21:06,740

messages and what's the structure how to

478

00:21:11,500 --> 00:21:08,960

raise your vibration so there are

479

00:21:13,600 --> 00:21:11,510

certain guides eyes in certain structure

480

00:21:14,830 --> 00:21:13,610

- connecting in with the spirit world

481

00:21:17,200 --> 00:21:14,840

they're not going to tell you what this

482

00:21:19,330 --> 00:21:17,210

is they are what to see but they are

483

00:21:20,800 --> 00:21:19,340

going to tell you what to look for and

484

00:21:24,280 --> 00:21:20,810

the same thing with the rescue community

485

00:21:26,320 --> 00:21:24,290

I'm explaining what can happen and

486

00:21:28,600 --> 00:21:26,330

various things and that's why I try to

487

00:21:31,030 --> 00:21:28,610

keep everything very universal and

488

00:21:33,730 --> 00:21:31,040

trying to stay away from you know

489

00:21:36,280 --> 00:21:33,740

certain religious figures and that they

490

00:21:37,450 --> 00:21:36,290

use whatever is right for you because I

491

00:21:40,390 --> 00:21:37,460

know there's going to be people all over

492

00:21:42,040 --> 00:21:40,400

the world reading this book and using

493

00:21:46,030 --> 00:21:42,050

these techniques and I don't want to

494

00:21:48,160 --> 00:21:46,040

defeat into certain religious doctrines

495

00:21:49,990 --> 00:21:48,170

that say you have to do it this way and

496

00:21:51,910 --> 00:21:50,000

they're like connect to them and that

497

00:21:54,640 --> 00:21:51,920

way it's not going to make any sense so

498

00:21:57,130 --> 00:21:54,650

we all have our own way of doing things

499

00:21:59,440 --> 00:21:57,140

but these are the structures this this

500

00:22:01,990 --> 00:21:59,450

is the guidelines that you can use to

501
00:22:03,940 --> 00:22:02,000
formulate a way of doing it and then and

502
00:22:07,450 --> 00:22:03,950
then allow it to kind of evolve over

503
00:22:09,850 --> 00:22:07,460
time into what works for you now your

504
00:22:12,010 --> 00:22:09,860
spiritualist and you know I've known

505
00:22:13,900 --> 00:22:12,020
people who are members of the churches

506
00:22:17,020 --> 00:22:13,910
spurt you know the spiritual life

507
00:22:19,920 --> 00:22:17,030
churches can you kind of explain a bit

508
00:22:25,240 --> 00:22:19,930
about that and what it's done for you to

509
00:22:27,310 --> 00:22:25,250
to enhance your abilities oh sure but

510
00:22:29,770 --> 00:22:27,320
you the spiritualist churches really are

511
00:22:31,540 --> 00:22:29,780
a way for us to be able to express

512
00:22:33,520 --> 00:22:31,550
ourselves and connect to the spirit

513
00:22:37,000 --> 00:22:33,530

world and also be able to connect the

514

00:22:39,850 --> 00:22:37,010

God in our own personal way we believe

515

00:22:42,340 --> 00:22:39,860

that we all have equal responsibilities

516

00:22:45,220 --> 00:22:42,350

of doing right the world doing good for

517

00:22:48,460 --> 00:22:45,230

each other believing that when people

518

00:22:50,650 --> 00:22:48,470

leave this world through the spirit that

519

00:22:52,930 --> 00:22:50,660

their identity stays the same they don't

520

00:22:54,160 --> 00:22:52,940

necessarily grow wings and become angels

521

00:22:56,500 --> 00:22:54,170

on the other side and everyone's

522

00:22:58,810 --> 00:22:56,510

hunky-dory they take with them their

523

00:23:01,180 --> 00:22:58,820

egos their personalities their likes

524

00:23:02,890 --> 00:23:01,190

their dislikes they're the same person

525

00:23:05,170 --> 00:23:02,900

on the other side they may change over

526

00:23:07,690 --> 00:23:05,180

time but we're still able to connect

527

00:23:09,910 --> 00:23:07,700

with them obtain information so

528

00:23:12,640 --> 00:23:09,920

spiritualism is really kind of a

529

00:23:14,770 --> 00:23:12,650

formation of belief systems that that

530

00:23:18,310 --> 00:23:14,780

are kind of geared towards mediumship

531

00:23:20,230 --> 00:23:18,320

and also energy healing we believe that

532

00:23:22,960 --> 00:23:20,240

we are conduits of energy that could

533

00:23:24,770 --> 00:23:22,970

channel healing energy not only for

534

00:23:27,680 --> 00:23:24,780

ourselves but for others

535

00:23:30,080 --> 00:23:27,690

as well so we do have a normal service

536

00:23:31,880 --> 00:23:30,090

we have a lot of prayers we sing we're

537

00:23:35,870 --> 00:23:31,890

not always the greatest singers but we

538

00:23:37,510 --> 00:23:35,880

try and we do have a lot of poems we

539

00:23:40,640 --> 00:23:37,520

have somebody that gets up and does an

540

00:23:43,040 --> 00:23:40,650

inspirational lecture and at the end a

541

00:23:44,840 --> 00:23:43,050

medium will usually get up and do spirit

542

00:23:46,370 --> 00:23:44,850

messages at the end of every service so

543

00:23:47,930 --> 00:23:46,380

we you also have a hands-on camera in

544

00:23:50,510 --> 00:23:47,940

service as well so it's an amazing

545

00:23:53,120 --> 00:23:50,520

service that we have it's very

546

00:23:54,620 --> 00:23:53,130

interactive it's not where you go and

547

00:23:56,780 --> 00:23:54,630

you just sit there and you listen and

548

00:23:59,060 --> 00:23:56,790

then you leave right and you can sit in

549

00:24:01,310 --> 00:23:59,070

a healing chair you can meditate you can

550

00:24:03,680 --> 00:24:01,320

receive a message from spirit so it's

551
00:24:06,050 --> 00:24:03,690
very active and then we were the

552
00:24:07,700 --> 00:24:06,060
spiritual church is really growing we

553
00:24:09,890 --> 00:24:07,710
have so many throughout the entire

554
00:24:11,750 --> 00:24:09,900
country now and overseas there's

555
00:24:14,570 --> 00:24:11,760
spiritualist churches all over the world

556
00:24:17,000 --> 00:24:14,580
and the funny thing is the difference

557
00:24:18,650 --> 00:24:17,010
between the United States and Europe is

558
00:24:21,260 --> 00:24:18,660
very different when it comes to the

559
00:24:23,900 --> 00:24:21,270
spiritualist churches but you know

560
00:24:25,430 --> 00:24:23,910
equally we all believe in God we all

561
00:24:27,080 --> 00:24:25,440
believe in the connection to the other

562
00:24:29,090 --> 00:24:27,090
side and we all believe that connection

563
00:24:31,220 --> 00:24:29,100

continues and that we all need to stay

564

00:24:35,570 --> 00:24:31,230

connected together here in the physical

565

00:24:39,470 --> 00:24:35,580

world let's talk a bit about psychic and

566

00:24:45,170 --> 00:24:39,480

spiritual protection now okay what

567

00:24:48,620 --> 00:24:45,180

methods do you recommend no I just you

568

00:24:50,920 --> 00:24:48,630

know it's that it really varies by the

569

00:24:54,260 --> 00:24:50,930

type of work you're going to be doing

570

00:24:55,790 --> 00:24:54,270

and I always tell people the higher the

571

00:24:59,410 --> 00:24:55,800

frequency you go

572

00:25:02,150 --> 00:24:59,420

the less protection you need the lower

573

00:25:04,640 --> 00:25:02,160

frequency or vibration you go the more

574

00:25:06,710 --> 00:25:04,650

protection you need so it all depends on

575

00:25:08,960 --> 00:25:06,720

what realm you're going to connect in

576

00:25:10,580 --> 00:25:08,970

with it so if you're thinking about here

577

00:25:12,440 --> 00:25:10,590

in the in the physical world the

578

00:25:14,180 --> 00:25:12,450

physical world can be a very nasty place

579

00:25:15,740 --> 00:25:14,190

sometimes but then it tells to be very

580

00:25:18,950 --> 00:25:15,750

beautiful depending on your environment

581

00:25:21,500 --> 00:25:18,960

I always suggest people if you're going

582

00:25:23,000 --> 00:25:21,510

to do any sort of shielding just put on

583

00:25:24,680 --> 00:25:23,010

a natural shields like a bubble of

584

00:25:26,930 --> 00:25:24,690

energy around your body when you wake up

585

00:25:31,250 --> 00:25:26,940

in the morning and at night just do a

586

00:25:32,960 --> 00:25:31,260

full cleanse of your energy ask for an

587

00:25:34,580 --> 00:25:32,970

extra cleanse from your guides and

588

00:25:36,110 --> 00:25:34,590

angels and thank your guides and angels

589

00:25:38,600 --> 00:25:36,120

for the extra protection that they

590

00:25:41,330 --> 00:25:38,610

provided to you now if you're doing

591

00:25:43,789 --> 00:25:41,340

spiritual work or psychic work or

592

00:25:46,280 --> 00:25:43,799

paranormal work you're gonna need to

593

00:25:48,080 --> 00:25:46,290

probably shield up a little bit more and

594

00:25:50,060 --> 00:25:48,090

I always we're meant to recommend the

595

00:25:52,220 --> 00:25:50,070

people to put some form of energetic

596

00:25:54,919 --> 00:25:52,230

cross through on your bubble usually

597

00:25:57,020 --> 00:25:54,929

through a color or frequency usually a

598

00:26:00,110 --> 00:25:57,030

color needs to be strong like an indigo

599

00:26:02,210 --> 00:26:00,120

blue or red or a silver anything that

600

00:26:04,940 --> 00:26:02,220

that you can imagine like armor around

601
00:26:06,560 --> 00:26:04,950
your bubble because everyone likes to

602
00:26:09,620 --> 00:26:06,570
use the white light and I'm telling

603
00:26:11,990 --> 00:26:09,630
people there's nothing that attracts to

604
00:26:14,450 --> 00:26:12,000
the light more than the dark the dark is

605
00:26:16,010 --> 00:26:14,460
so attracted by the light so the more of

606
00:26:18,110 --> 00:26:16,020
a white light bubble you put on yourself

607
00:26:20,539 --> 00:26:18,120
the more darker energy you're actually

608
00:26:23,480 --> 00:26:20,549
going to attract to you and people don't

609
00:26:25,039 --> 00:26:23,490
actually realize that so sometimes using

610
00:26:27,350 --> 00:26:25,049
white light doesn't always the best

611
00:26:30,049 --> 00:26:27,360
strategy I would recommend something of

612
00:26:32,150 --> 00:26:30,059
more of a protection color use pink if

613
00:26:34,490 --> 00:26:32,160

you want to have love around you use red

614

00:26:36,169 --> 00:26:34,500

if you want to have power you silver if

615

00:26:37,760 --> 00:26:36,179

you want to have protection so there's

616

00:26:40,310 --> 00:26:37,770

many different colors that you can use

617

00:26:42,010 --> 00:26:40,320

around you that's the intent on what

618

00:26:44,480 --> 00:26:42,020

you're trying to portray out to energy

619

00:26:46,039 --> 00:26:44,490

that they're gonna be doing rescue work

620

00:26:48,140 --> 00:26:46,049

and it'll be working on the lowest

621

00:26:50,480 --> 00:26:48,150

frequencies you really need to call in

622

00:26:52,820 --> 00:26:50,490

your protective guides to protective

623

00:26:54,740 --> 00:26:52,830

angels probably your power animals and

624

00:26:57,350 --> 00:26:54,750

use a little extra protection from the

625

00:26:59,720 --> 00:26:57,360

spiritual world on top of grounding your

626

00:27:01,250 --> 00:26:59,730

energy into Earth and bringing in

627

00:27:03,860 --> 00:27:01,260

spiritual protection to your crown

628

00:27:05,419 --> 00:27:03,870

chakra and realigning your energy to a

629

00:27:08,060 --> 00:27:05,429

frequency that's not going to be

630

00:27:09,770 --> 00:27:08,070

affected by the earthbound spirit so

631

00:27:12,409 --> 00:27:09,780

there are many different ways of

632

00:27:13,970 --> 00:27:12,419

protecting yourself like I said the

633

00:27:16,400 --> 00:27:13,980

higher frequency you go you don't have

634

00:27:18,169 --> 00:27:16,410

to do use as much protection and you go

635

00:27:19,820 --> 00:27:18,179

into meditative States and you go to a

636

00:27:21,500 --> 00:27:19,830

high frequency connect to God you

637

00:27:23,930 --> 00:27:21,510

connect your angels there really isn't

638

00:27:25,820 --> 00:27:23,940

any protection music for that because

639

00:27:28,130 --> 00:27:25,830

they're there to help you and protect

640

00:27:29,570 --> 00:27:28,140

you and to love you it's only when you

641

00:27:33,080 --> 00:27:29,580

have to work with the lower frequencies

642

00:27:36,409 --> 00:27:33,090

I would say definitely show that do use

643

00:27:40,640 --> 00:27:36,419

a lot of meditation in other words do

644

00:27:44,000 --> 00:27:40,650

you use do you sound or anything like

645

00:27:47,630 --> 00:27:44,010

that to to get into a meditative state

646

00:27:50,450 --> 00:27:47,640

I usually just play you know some music

647

00:27:51,830 --> 00:27:50,460

I but you know when the kids aren't home

648

00:27:54,110 --> 00:27:51,840

and

649

00:27:56,150 --> 00:27:54,120

nerds school if I get a chance to I'll

650

00:27:58,910 --> 00:27:56,160

just turn on Comcast they have actually

651
00:28:02,150 --> 00:27:58,920
a sound tape but I think it's for free

652
00:28:03,740 --> 00:28:02,160
well not free but it's great and I turn

653
00:28:06,410 --> 00:28:03,750
it on it's nice relaxing meditative

654
00:28:08,990 --> 00:28:06,420
music and I'll just kind of go up and

655
00:28:10,580 --> 00:28:09,000
I'll raise my frequency and I'll go and

656
00:28:12,920 --> 00:28:10,590
I'll connect with my guides and see what

657
00:28:14,660 --> 00:28:12,930
they want me to know if I don't have

658
00:28:16,880 --> 00:28:14,670
that I'll go to youtube they have tons

659
00:28:19,580 --> 00:28:16,890
of meditative music for free they even

660
00:28:21,620 --> 00:28:19,590
listen to or even buy a CD and just

661
00:28:23,600 --> 00:28:21,630
listen to that a lot of people like to

662
00:28:25,400 --> 00:28:23,610
use with their crystal ball or sound

663
00:28:28,700 --> 00:28:25,410

frequency to raise their vibration

664

00:28:30,920 --> 00:28:28,710

that's fine too whatever you think

665

00:28:33,230 --> 00:28:30,930

you're gonna connect you to raise your

666

00:28:36,950 --> 00:28:33,240

frequency usually I just like listening

667

00:28:39,490 --> 00:28:36,960

to music interesting I uh you know

668

00:28:42,530 --> 00:28:39,500

you're talking about power animals I I

669

00:28:47,090 --> 00:28:42,540

started to do some shamanic journeying a

670

00:28:48,980 --> 00:28:47,100

couple years ago and uh it's very very

671

00:28:51,410 --> 00:28:48,990

interesting I found my power animal

672

00:28:57,710 --> 00:28:51,420

which was what I thought she thought it

673

00:28:59,660 --> 00:28:57,720

was an owl and yeah it's one of those

674

00:29:03,350 --> 00:28:59,670

things I've told several people about

675

00:29:05,420 --> 00:29:03,360

this but there was a period in my life

676
00:29:07,270 --> 00:29:05,430
around the time before my wife passed

677
00:29:10,840 --> 00:29:07,280
away and my grandmother passed away

678
00:29:14,720 --> 00:29:10,850
where I just kept seeing these owls and

679
00:29:16,880 --> 00:29:14,730
you know I would see it in my mind's eye

680
00:29:19,880 --> 00:29:16,890
I would see actual owls I would see

681
00:29:23,330 --> 00:29:19,890
references to AI's it was it was going

682
00:29:25,010 --> 00:29:23,340
ons constantly and I was telling

683
00:29:26,780 --> 00:29:25,020
associates about us and you not saw

684
00:29:31,130 --> 00:29:26,790
another out of the I heard another ala

685
00:29:34,460 --> 00:29:31,140
day you know it it's bizarre so I

686
00:29:36,320 --> 00:29:34,470
decided to go ahead and start checking

687
00:29:39,230 --> 00:29:36,330
into shamanic journeying so me had

688
00:29:43,910 --> 00:29:39,240

recommended it to me and you know when I

689

00:29:47,840 --> 00:29:43,920

went into the meditative state I that's

690

00:29:50,480 --> 00:29:47,850

what came up the owl and you know I've

691

00:29:53,030 --> 00:29:50,490

been using that I've been using that

692

00:29:56,690 --> 00:29:53,040

totem since

693

00:30:00,950 --> 00:29:56,700

did you look up the meaning behind the

694

00:30:02,510 --> 00:30:00,960

owl yeah I did yeah it's it's a

695

00:30:04,640 --> 00:30:02,520

protective thing it's more so a

696

00:30:09,620 --> 00:30:04,650

protective thing it's war of them a

697

00:30:12,110 --> 00:30:09,630

female type of animal power animal but

698

00:30:15,440 --> 00:30:12,120

it's you know I've talked in in fact

699

00:30:18,550 --> 00:30:15,450

I've talked to several people a Native

700

00:30:21,020 --> 00:30:18,560

American shamans and such about this and

701
00:30:24,590 --> 00:30:21,030
for the most part their fear for the owl

702
00:30:28,250 --> 00:30:24,600
they they feel it's a important of some

703
00:30:29,720 --> 00:30:28,260
type of evil spirit but I guess it's all

704
00:30:33,260 --> 00:30:29,730
kinds of different ways of looking at

705
00:30:35,660 --> 00:30:33,270
that but I it just seems so close to me

706
00:30:38,380 --> 00:30:35,670
it seems to be part of me more than

707
00:30:42,200 --> 00:30:38,390
anything else so it's kind of the combat

708
00:30:45,020 --> 00:30:42,210
obsession yeah yes beautiful the owl

709
00:30:49,730 --> 00:30:45,030
represents knowledge wisdom rhyme

710
00:30:52,970 --> 00:30:49,740
strength vitality represents being able

711
00:30:55,670 --> 00:30:52,980
to see into deeper situations that night

712
00:30:57,470 --> 00:30:55,680
vision being able to see into people

713
00:31:00,380 --> 00:30:57,480

have seen to situations and understand

714

00:31:04,630 --> 00:31:00,390

the purpose and the wisdom through these

715

00:31:07,100 --> 00:31:04,640

experiences so the owl is a majestic

716

00:31:11,750 --> 00:31:07,110

creature that used to be very honored to

717

00:31:14,540 --> 00:31:11,760

have you know you're a rescue medium and

718

00:31:16,910 --> 00:31:14,550

I don't know how many of my listeners

719

00:31:19,640 --> 00:31:16,920

actually know what a rescue medium is

720

00:31:23,000 --> 00:31:19,650

can you kind of describe some of the

721

00:31:26,020 --> 00:31:23,010

techniques you use or what happens when

722

00:31:30,440 --> 00:31:26,030

you involved in a rescue medium

723

00:31:32,210 --> 00:31:30,450

situation sure most rescue mediums will

724

00:31:34,040 --> 00:31:32,220

never really have to go out to a

725

00:31:36,620 --> 00:31:34,050

paranormal situation unless being it

726

00:31:38,470 --> 00:31:36,630

called out with the paranormal team

727

00:31:42,050 --> 00:31:38,480

they're looking for extra assistance

728

00:31:43,940 --> 00:31:42,060

most of us will actually attract these

729

00:31:45,500 --> 00:31:43,950

spirits when we're driving in a car

730

00:31:48,290 --> 00:31:45,510

we're going to a restaurant going

731

00:31:50,660 --> 00:31:48,300

shopping in the mall or just talk with

732

00:31:53,180 --> 00:31:50,670

people in general we're doing regular

733

00:31:54,740 --> 00:31:53,190

readings and earthbound spirits are

734

00:31:57,020 --> 00:31:54,750

attracted to our unique vibration

735

00:31:59,780 --> 00:31:57,030

because we divided their frequency so we

736

00:32:02,030 --> 00:31:59,790

can see them they can see us when they

737

00:32:04,070 --> 00:32:02,040

do connect in with us we then

738

00:32:05,390 --> 00:32:04,080

communicate with them try to figure out

739

00:32:06,950 --> 00:32:05,400

why are there sound

740

00:32:09,320 --> 00:32:06,960

why haven't they moved

741

00:32:15,100 --> 00:32:09,330

to the full transition we call it a

742

00:32:20,660 --> 00:32:17,750

therefore I would say our rescues not

743

00:32:22,670 --> 00:32:20,670

wanted but if we do connecting with the

744

00:32:25,130 --> 00:32:22,680

spirit they seem rather lost they seem

745

00:32:26,420 --> 00:32:25,140

confused they seem scared we kind of

746

00:32:28,130 --> 00:32:26,430

connect them with them and find out okay

747

00:32:30,530 --> 00:32:28,140

what counseling does this spirit need

748

00:32:32,240 --> 00:32:30,540

what can I do for them what can i what

749

00:32:34,250 --> 00:32:32,250

can we talk about that's going to help

750

00:32:36,100 --> 00:32:34,260

them get things off their chest what's

751
00:32:39,110 --> 00:32:36,110
going to make them feel more at ease

752
00:32:41,120 --> 00:32:39,120
with the transition process sometimes we

753
00:32:42,500 --> 00:32:41,130
just need to say you know I was feel

754
00:32:43,940 --> 00:32:42,510
really bad about the things that I did

755
00:32:45,680 --> 00:32:43,950
and I just needed to let somebody know

756
00:32:49,910 --> 00:32:45,690
that they want to have some sort of

757
00:32:53,270 --> 00:32:49,920
forgiveness I love them before they move

758
00:32:56,000 --> 00:32:53,280
on so we kind of become message bearers

759
00:32:57,950 --> 00:32:56,010
as well and I'm gonna tell the people

760
00:32:59,240 --> 00:32:57,960
that were given reading too and this is

761
00:33:01,790 --> 00:32:59,250
what they want you to know before they

762
00:33:05,060 --> 00:33:01,800
move on and then we help them with the

763
00:33:06,410 --> 00:33:05,070

transition process we then guide them to

764

00:33:08,630 --> 00:33:06,420

help them find their way to the other

765

00:33:11,270 --> 00:33:08,640

side sometimes what we'll do is we'll

766

00:33:13,700 --> 00:33:11,280

open up a spiritual door sometimes we'll

767

00:33:15,350 --> 00:33:13,710

bring in their guides or spiritual

768

00:33:16,790 --> 00:33:15,360

family and friends from the other side

769

00:33:19,280 --> 00:33:16,800

we'll have walk them through the

770

00:33:20,660 --> 00:33:19,290

spiritual door sometimes it's just point

771

00:33:22,310 --> 00:33:20,670

them in the right direction raising

772

00:33:24,560 --> 00:33:22,320

their frequency so they're able to see

773

00:33:27,560 --> 00:33:24,570

the white light on their own so it's

774

00:33:30,290 --> 00:33:27,570

depending on that spirit what they mean

775

00:33:32,570 --> 00:33:30,300

at that time what they're aware of and

776

00:33:35,120 --> 00:33:32,580

if they're ready to go and on we kind of

777

00:33:37,070 --> 00:33:35,130

cater it to that individual spirit and

778

00:33:40,400 --> 00:33:37,080

from there we help them make their final

779

00:33:42,170 --> 00:33:40,410

transition so a rescue medium is really

780

00:33:44,120 --> 00:33:42,180

connecting into spirits that are somehow

781

00:33:46,730 --> 00:33:44,130

stuck in between the states of

782

00:33:48,250 --> 00:33:46,740

transition and we help them continue on

783

00:33:50,420 --> 00:33:48,260

with their journey

784

00:33:53,420 --> 00:33:50,430

well when I'm called into a situation

785

00:33:55,580 --> 00:33:53,430

like this is usually the where there's

786

00:33:58,640 --> 00:33:55,590

an Earthbound that's causing a bit of

787

00:34:02,710 --> 00:33:58,650

problems so most of my work is done

788

00:34:08,150 --> 00:34:02,720

remotely and like you said you basically

789

00:34:10,220 --> 00:34:08,160

summon the the the earthbound are you

790

00:34:13,340 --> 00:34:10,230

sense the earthbound get a good feel

791

00:34:16,640 --> 00:34:13,350

what's going on a lot of times like you

792

00:34:18,020 --> 00:34:16,650

said and I don't know how many people in

793

00:34:19,190 --> 00:34:18,030

the audience understand what an

794

00:34:22,460 --> 00:34:19,200

earthbound actually

795

00:34:24,139 --> 00:34:22,470

but you know there's a lot of reasons

796

00:34:25,909 --> 00:34:24,149

why they kind of stayed behind it's

797

00:34:28,909 --> 00:34:25,919

either like they don't even know they're

798

00:34:30,649 --> 00:34:28,919

dead or something they feel somehow they

799

00:34:33,079 --> 00:34:30,659

must stay behind to watch someone

800

00:34:36,500 --> 00:34:33,089

there's a lot of different reasons

801
00:34:38,720 --> 00:34:36,510
but there's it's a lot of free will

802
00:34:41,809 --> 00:34:38,730
involved with this also pay know if you

803
00:34:43,940 --> 00:34:41,819
cannot convince them to move on they

804
00:34:45,740 --> 00:34:43,950
just are not gonna move they're not

805
00:34:47,930 --> 00:34:45,750
gonna go and you can't force them either

806
00:34:53,569 --> 00:34:47,940
you can you know take away their free

807
00:34:55,069 --> 00:34:53,579
well yeah that's because there's so many

808
00:34:58,190 --> 00:34:55,079
people that go they don't have free will

809
00:35:00,559 --> 00:34:58,200
in the death process like if anything

810
00:35:02,690 --> 00:35:00,569
free will should be the strongest part

811
00:35:04,819 --> 00:35:02,700
of the death process wait no matter

812
00:35:07,700 --> 00:35:04,829
where you want or who you are what

813
00:35:10,010 --> 00:35:07,710

you're doing everybody has very well so

814

00:35:13,069 --> 00:35:10,020

when spirits are making that transition

815

00:35:15,349 --> 00:35:13,079

like you said depending on the situation

816

00:35:17,240 --> 00:35:15,359

we're going to be able to help get them

817

00:35:19,160 --> 00:35:17,250

to change their awareness because quite

818

00:35:21,530 --> 00:35:19,170

often it's the emotions that keep them

819

00:35:23,660 --> 00:35:21,540

back keep them around they kind of

820

00:35:26,450 --> 00:35:23,670

shield them from knowing what the right

821

00:35:29,329 --> 00:35:26,460

thing to do is you know it's it's hard

822

00:35:30,950 --> 00:35:29,339

for some people to realize how strong

823

00:35:36,470 --> 00:35:30,960

the life force is you know when a person

824

00:35:38,630 --> 00:35:36,480

passes away it's you know you know I had

825

00:35:41,510 --> 00:35:38,640

people asked me well you know whatever

826

00:35:44,809 --> 00:35:41,520

this is that's in my home or who's

827

00:35:47,900 --> 00:35:44,819

affecting me it's acting some malevolent

828

00:35:50,059 --> 00:35:47,910

I said well you know a lot of times when

829

00:35:52,309 --> 00:35:50,069

a person passes and that they they were

830

00:35:55,069 --> 00:35:52,319

you know they had a malevolent type of

831

00:35:57,920 --> 00:35:55,079

or an evil type of countenance when they

832

00:36:00,130 --> 00:35:57,930

were alive it's going to transition to

833

00:36:02,809 --> 00:36:00,140

the same thing when they pass away

834

00:36:06,109 --> 00:36:02,819

unless they move on I mean if they don't

835

00:36:08,240 --> 00:36:06,119

move on they're gonna be causing some

836

00:36:10,280 --> 00:36:08,250

problems and for the most part they do

837

00:36:11,990 --> 00:36:10,290

it because a lot of times they just

838

00:36:14,359 --> 00:36:12,000

don't know if they die especially if

839

00:36:19,039 --> 00:36:14,369

they died suddenly or they just don't

840

00:36:21,579 --> 00:36:19,049

understand what's going on oh absolutely

841

00:36:24,230 --> 00:36:21,589

most and the spirits really aren't bad

842

00:36:27,650 --> 00:36:24,240

they can carry a high they can carry a

843

00:36:28,940 --> 00:36:27,660

much denser darker frequency because

844

00:36:30,890 --> 00:36:28,950

they're carrying a lot of really

845

00:36:32,750 --> 00:36:30,900

negative emotions they could have been

846

00:36:34,640 --> 00:36:32,760

in the tragic car accident

847

00:36:36,500 --> 00:36:34,650

have been going through a tragic breakup

848

00:36:38,480 --> 00:36:36,510

they could have been shot when they were

849

00:36:40,490 --> 00:36:38,490

trying to leave a relationship the

850

00:36:42,380 --> 00:36:40,500

situation around their death could have

851
00:36:45,080 --> 00:36:42,390
been very heavy negative therefore

852
00:36:47,030 --> 00:36:45,090
encasing them in that residual imprint

853
00:36:49,220 --> 00:36:47,040
and you're going to think oh my gosh

854
00:36:49,850 --> 00:36:49,230
this spirits really bad when in fact

855
00:36:51,680 --> 00:36:49,860
they're not

856
00:36:53,630 --> 00:36:51,690
you're just sensing all the emotions

857
00:36:55,670 --> 00:36:53,640
around their death and they were somehow

858
00:36:57,950 --> 00:36:55,680
trapped in that vibrational frequency

859
00:37:00,500 --> 00:36:57,960
keeping them from seeing the white light

860
00:37:03,860 --> 00:37:00,510
that's it like you said there are a lot

861
00:37:05,840 --> 00:37:03,870
of nasty spirits that just they were you

862
00:37:07,910 --> 00:37:05,850
know bad people in the physical world

863
00:37:09,830 --> 00:37:07,920

and made their transition their turn

864

00:37:11,540 --> 00:37:09,840

from the white light and they're gonna

865

00:37:13,550 --> 00:37:11,550

continue their spree of negative

866

00:37:15,290 --> 00:37:13,560

behavior in the spirit world and

867

00:37:17,300 --> 00:37:15,300

unfortunately at this world the

868

00:37:20,750 --> 00:37:17,310

frequency the negativity that does

869

00:37:22,940 --> 00:37:20,760

happen in the world it feeds on that so

870

00:37:29,660 --> 00:37:22,950

it's just one energy feeding into

871

00:37:31,760 --> 00:37:29,670

another now affirmation I know a big

872

00:37:35,360 --> 00:37:31,770

part of your work and it's a big part of

873

00:37:38,240 --> 00:37:35,370

my work as well and but how Porton is

874

00:37:40,520 --> 00:37:38,250

that overall I mean should is it fine

875

00:37:44,180 --> 00:37:40,530

for an acolyte to follow up with using

876

00:37:45,920 --> 00:37:44,190

affirmations or prayers only think

877

00:37:46,730 --> 00:37:45,930

affirmation prayer should be used all

878

00:37:48,950 --> 00:37:46,740

the time

879

00:37:50,810 --> 00:37:48,960

affirmations are really there to help

880

00:37:52,700 --> 00:37:50,820

you raise your things and seeing things

881

00:37:56,000 --> 00:37:52,710

better thoughts knowing of yourself but

882

00:37:58,910 --> 00:37:56,010

of the situation prayers are to ask for

883

00:38:00,710 --> 00:37:58,920

help and ask for guidance and sometimes

884

00:38:02,600 --> 00:38:00,720

the prayers there are for the actual

885

00:38:05,030 --> 00:38:02,610

spirits themselves I do a lot of prayers

886

00:38:07,520 --> 00:38:05,040

for spirits that are at a distance the

887

00:38:09,530 --> 00:38:07,530

indirect rescues not initially the

888

00:38:12,110 --> 00:38:09,540

direct rescues but those who you know

889

00:38:13,430 --> 00:38:12,120

maybe in a different country what you're

890

00:38:15,260 --> 00:38:13,440

doing is when you're saying the prayer

891

00:38:17,090 --> 00:38:15,270

for somebody else you're essentially

892

00:38:19,610 --> 00:38:17,100

sending that prayer of energy out to

893

00:38:21,980 --> 00:38:19,620

that person they can either receive it

894

00:38:24,680 --> 00:38:21,990

or they can deny it depending on what

895

00:38:27,020 --> 00:38:24,690

their energy is ready for the prayer is

896

00:38:29,780 --> 00:38:27,030

going to be helping everybody involved

897

00:38:33,200 --> 00:38:29,790

prayer and affirmations both raise your

898

00:38:35,420 --> 00:38:33,210

energy which in turn help restore your

899

00:38:37,040 --> 00:38:35,430

energy neutralize and then take you to a

900

00:38:41,560 --> 00:38:37,050

better place you're able to think more

901
00:38:45,920 --> 00:38:43,760
let's say you get into a specific

902
00:38:50,630 --> 00:38:45,930
situation where you've got to connect

903
00:38:52,310 --> 00:38:50,640
with the spirit how do you do that how

904
00:38:54,380 --> 00:38:52,320
do I connect this pill other times I'm a

905
00:38:55,940 --> 00:38:54,390
spirit then I'm yeah sometimes when I

906
00:38:57,260 --> 00:38:55,950
connect the spirits on the other side

907
00:39:00,560 --> 00:38:57,270
it's just kind of like kind of a thought

908
00:39:04,220 --> 00:39:00,570
from memory or it's kind of like just

909
00:39:05,990 --> 00:39:04,230
having like a daydream and like it comes

910
00:39:07,640 --> 00:39:06,000
very very quickly you're like wait what

911
00:39:09,710 --> 00:39:07,650
was that was that my mind there was that

912
00:39:12,380 --> 00:39:09,720
spirit it can't really tell unless it

913
00:39:15,170 --> 00:39:12,390

gets more intense with the earthbound

914

00:39:17,960 --> 00:39:15,180

spirit it's kind of walking into energy

915

00:39:20,060 --> 00:39:17,970

and it's like right in your face and it

916

00:39:22,310 --> 00:39:20,070

wants your attention and they're all

917

00:39:24,290 --> 00:39:22,320

over me and yeah the clear Sam do you

918

00:39:26,600 --> 00:39:24,300

think it sends and feel spirits sort of

919

00:39:28,820 --> 00:39:26,610

pressing up against me all the time I'm

920

00:39:31,130 --> 00:39:28,830

trying to ignore them it doesn't always

921

00:39:33,650 --> 00:39:31,140

work but once I'm like okay I'm ready to

922

00:39:35,570 --> 00:39:33,660

talk with you what do you want I'll move

923

00:39:36,890 --> 00:39:35,580

into their energy they'll move into my

924

00:39:39,590 --> 00:39:36,900

energy and we'll kind of have an

925

00:39:41,930 --> 00:39:39,600

exchange of telepathy some information

926

00:39:44,000 --> 00:39:41,940

between us and I'll and I'll pick apart

927

00:39:45,950 --> 00:39:44,010

who are they what did they look like

928

00:39:48,440 --> 00:39:45,960

what do they do for a living how did

929

00:39:51,020 --> 00:39:48,450

they die why are they not in transition

930

00:39:53,360 --> 00:39:51,030

what do they need from me so it's all

931

00:39:56,060 --> 00:39:53,370

just an energy transfer between the two

932

00:39:57,590 --> 00:39:56,070

of us but when I first connect to an

933

00:40:03,130 --> 00:39:57,600

earthbound spirit it's usually like a

934

00:40:05,870 --> 00:40:03,140

big weight sitting on top of me yeah

935

00:40:08,450 --> 00:40:05,880

well you know you discussed some a lot

936

00:40:10,010 --> 00:40:08,460

of things in this book yeah like I said

937

00:40:13,970 --> 00:40:10,020

before you don't see in a lot of these

938

00:40:16,190 --> 00:40:13,980

other spirit rescue manuals or guys just

939

00:40:18,710 --> 00:40:16,200

as you've gotten into a lot of different

940

00:40:21,680 --> 00:40:18,720

things and the one thing I I find

941

00:40:25,190 --> 00:40:21,690

interesting is you talk about non-human

942

00:40:28,370 --> 00:40:25,200

entities and I'm just not necessarily

943

00:40:33,290 --> 00:40:28,380

talking about demonic but I'm talking

944

00:40:37,160 --> 00:40:33,300

about a type of entity that seemed to

945

00:40:41,080 --> 00:40:37,170

run into a lot which is a possibility of

946

00:40:44,740 --> 00:40:41,090

a non terrestrial or alien type entity

947

00:40:48,260 --> 00:40:44,750

yeah I do run into that before

948

00:40:50,930 --> 00:40:48,270

yes actually I run into those more when

949

00:40:54,710 --> 00:40:50,940

I'm doing attachment removals there was

950

00:40:57,170 --> 00:40:54,720

um most entities from other

951
00:41:00,200 --> 00:40:57,180
are usually here to use our bodies as

952
00:41:02,329 --> 00:41:00,210
hosts not listening to harm us but to

953
00:41:05,660 --> 00:41:02,339
learn from us and understand our

954
00:41:07,849 --> 00:41:05,670
humanity and understand our world that

955
00:41:10,220 --> 00:41:07,859
they need our body because their

956
00:41:13,130 --> 00:41:10,230
frequency can't sustain itself here in

957
00:41:15,050 --> 00:41:13,140
the physical realm there's many that

958
00:41:18,589 --> 00:41:15,060
come through these portals these holes

959
00:41:21,740 --> 00:41:18,599
these gaps in these realms and they use

960
00:41:23,540 --> 00:41:21,750
us and so you may feel very drained to

961
00:41:25,940 --> 00:41:23,550
me feel tired to me have a certain part

962
00:41:28,309 --> 00:41:25,950
of your body that's always sick it just

963
00:41:31,160 --> 00:41:28,319

means that you may have an attachment of

964

00:41:32,930 --> 00:41:31,170

these entities not necessarily negative

965

00:41:35,180 --> 00:41:32,940

but some other problems and I'm

966

00:41:37,609 --> 00:41:35,190

constantly pulling them out of people

967

00:41:39,020 --> 00:41:37,619

and sending them back to where they came

968

00:41:41,089 --> 00:41:39,030

from and they're kind of like looking at

969

00:41:44,839 --> 00:41:41,099

me like dude I wasn't doing any harm I'm

970

00:41:46,910 --> 00:41:44,849

like well technically you were yeah so I

971

00:41:50,170 --> 00:41:46,920

feel bad because they are but they are

972

00:41:53,120 --> 00:41:50,180

technically using this as a school but

973

00:41:55,309 --> 00:41:53,130

my job is to help raise the frequency at

974

00:41:57,770 --> 00:41:55,319

the global consciousness all right so

975

00:42:00,020 --> 00:41:57,780

when I'm removing these entities from

976
00:42:01,910 --> 00:42:00,030
people and raising the frequency of that

977
00:42:04,660 --> 00:42:01,920
person which in turn like the domino

978
00:42:07,190 --> 00:42:04,670
effect raises the frequency of the area

979
00:42:09,920 --> 00:42:07,200
which then raises the frequency of the

980
00:42:11,690 --> 00:42:09,930
earth and that's our job is to kind of

981
00:42:14,089 --> 00:42:11,700
clean out the negative or the dense

982
00:42:15,319 --> 00:42:14,099
energy send them back away so we can

983
00:42:18,859 --> 00:42:15,329
make the final shift of our

984
00:42:21,020 --> 00:42:18,869
consciousness and you know I don't know

985
00:42:22,910 --> 00:42:21,030
how like you say you've run into a lot

986
00:42:25,370 --> 00:42:22,920
of this it seems to me I've been doing

987
00:42:28,069 --> 00:42:25,380
this now for a good while but it seems

988
00:42:30,680 --> 00:42:28,079

to me that these attachments these

989

00:42:32,210 --> 00:42:30,690

non-human attachments have become much

990

00:42:37,040 --> 00:42:32,220

more frequent than they ever had before

991

00:42:38,990 --> 00:42:37,050

and why that's going on I don't know but

992

00:42:40,849 --> 00:42:39,000

when you get a client and you tell them

993

00:42:45,020 --> 00:42:40,859

that they kind of look anything like

994

00:42:47,630 --> 00:42:45,030

you're crazy I mean I mean a nonhuman

995

00:42:51,319 --> 00:42:47,640

entity I mean it's not especially know I

996

00:42:53,900 --> 00:42:51,329

said you know maybe you come in once you

997

00:42:56,329 --> 00:42:53,910

go through the different levels of

998

00:42:57,680 --> 00:42:56,339

attachments for the listeners as far as

999

00:43:02,180 --> 00:42:57,690

attachment up though we're at the

1000

00:43:04,430 --> 00:43:02,190

position mm-hmm well it's

1001
00:43:06,980 --> 00:43:04,440
we have four different entities and they

1002
00:43:08,630 --> 00:43:06,990
don't have different forms right like

1003
00:43:10,850 --> 00:43:08,640
you said the entity to another realm

1004
00:43:13,100 --> 00:43:10,860
sometimes they look like like we learned

1005
00:43:16,220 --> 00:43:13,110
sometimes they look like little squids

1006
00:43:18,650 --> 00:43:16,230
with tentacles sometimes they'll just

1007
00:43:21,460 --> 00:43:18,660
look like forbs coming out of a person

1008
00:43:25,190 --> 00:43:21,470
so it all depends on the species

1009
00:43:28,030 --> 00:43:25,200
entities that I see I'll also see there

1010
00:43:30,710 --> 00:43:28,040
are some what we call demonic entities

1011
00:43:32,960 --> 00:43:30,720
that's just the word that our society

1012
00:43:34,880 --> 00:43:32,970
has given them from it I've been told

1013
00:43:36,710 --> 00:43:34,890

that these are just entities or beings

1014

00:43:40,700 --> 00:43:36,720

that have been here in the Earth's

1015

00:43:43,700 --> 00:43:40,710

frequency longer than we have and the

1016

00:43:47,480 --> 00:43:43,710

Earth's frequency was much much lower

1017

00:43:49,820 --> 00:43:47,490

than it is now like much lower and so

1018

00:43:51,500 --> 00:43:49,830

these beings these entities resided in

1019

00:43:54,680 --> 00:43:51,510

this frequency for a long period of time

1020

00:43:57,050 --> 00:43:54,690

so they're essentially kind of coming

1021

00:43:59,600 --> 00:43:57,060

into people lowering our frequency

1022

00:44:02,780 --> 00:43:59,610

trying to protect their realm they're

1023

00:44:04,580 --> 00:44:02,790

trying to keep their home and it seems

1024

00:44:06,350 --> 00:44:04,590

like they're being very negative and it

1025

00:44:08,060 --> 00:44:06,360

seems very negative to us but at the

1026

00:44:11,870 --> 00:44:08,070

same time they're being more of a

1027

00:44:14,120 --> 00:44:11,880

predator and we're the prey so it isn't

1028

00:44:16,340 --> 00:44:14,130

necessary that they're that they're evil

1029

00:44:17,630 --> 00:44:16,350

because they're technically is no evil

1030

00:44:19,930 --> 00:44:17,640

you have to think of it they're just

1031

00:44:23,240 --> 00:44:19,940

trying to project their their territory

1032

00:44:25,670 --> 00:44:23,250

and I've had to pull these out of people

1033

00:44:27,500 --> 00:44:25,680

consistently and then what we have what

1034

00:44:29,600 --> 00:44:27,510

we call the earthbound spirits where

1035

00:44:31,780 --> 00:44:29,610

there's usually quite a few in people

1036

00:44:33,950 --> 00:44:31,790

they like to call that the hiding zone

1037

00:44:35,480 --> 00:44:33,960

when they're making when they're not

1038

00:44:37,580 --> 00:44:35,490

trying to do the transition they're

1039

00:44:42,020 --> 00:44:37,590

trying to hide from their guides or

1040

00:44:43,760 --> 00:44:42,030

angels or network obviously so it's just

1041

00:44:46,750 --> 00:44:43,770

that's what the game of hide-and-seek

1042

00:44:49,970 --> 00:44:46,760

for a while until their guides bring

1043

00:44:54,020 --> 00:44:49,980

that host to me and I help the spirit

1044

00:44:57,070 --> 00:44:54,030

transition there are all sorts of

1045

00:45:01,070 --> 00:44:57,080

entities there are actually manifested

1046

00:45:04,910 --> 00:45:01,080

entities there for your own thought

1047

00:45:07,610 --> 00:45:04,920

transfers your emotions your torment

1048

00:45:09,470 --> 00:45:07,620

that's manifested over time can seem

1049

00:45:11,930 --> 00:45:09,480

like its own separate entity whether its

1050

00:45:14,930 --> 00:45:11,940

own your own energy that's changed over

1051
00:45:16,039 --> 00:45:14,940
time due to his denseness and then we

1052
00:45:18,769 --> 00:45:16,049
have what we call to purge

1053
00:45:20,689 --> 00:45:18,779
actions so when you have a very

1054
00:45:22,789 --> 00:45:20,699
traumatic situation that's happened in

1055
00:45:25,419 --> 00:45:22,799
your life that you very deep down into

1056
00:45:27,949 --> 00:45:25,429
your subconscious over time it builds

1057
00:45:30,049 --> 00:45:27,959
because it feeds off of all the negative

1058
00:45:32,269 --> 00:45:30,059
stuff that's happened to you and it what

1059
00:45:35,059 --> 00:45:32,279
we call projects out of your

1060
00:45:39,859 --> 00:45:35,069
subconscious informs of hallucinations

1061
00:45:42,559 --> 00:45:39,869
nightmares energy draining you know

1062
00:45:44,779 --> 00:45:42,569
headaches nausea all these symptoms that

1063
00:45:47,239 --> 00:45:44,789

you're having and people thinking I'm

1064

00:45:49,939 --> 00:45:47,249

attacked by a spirit whether or not it's

1065

00:45:52,669 --> 00:45:49,949

just a projection of their own torment

1066

00:45:55,489 --> 00:45:52,679

or pain that no longer wants to stay

1067

00:45:56,779 --> 00:45:55,499

embedded into their subconscious so you

1068

00:45:58,579 --> 00:45:56,789

never know what you're going to get when

1069

00:46:00,829 --> 00:45:58,589

you're doing the detachment removal

1070

00:46:04,189 --> 00:46:00,839

that's why we like all an investigation

1071

00:46:06,799 --> 00:46:04,199

that needs to take place where you move

1072

00:46:09,589 --> 00:46:06,809

into the energy of the host and kind of

1073

00:46:12,400 --> 00:46:09,599

figure it out in there yeah thought

1074

00:46:14,569 --> 00:46:12,410

forms are the ones that kind of get me

1075

00:46:17,569 --> 00:46:14,579

you know they're hard to explain to

1076

00:46:19,130 --> 00:46:17,579

people basically it's the same thing

1077

00:46:21,919 --> 00:46:19,140

that a poltergeist really is it's

1078

00:46:24,469 --> 00:46:21,929

something that somebody that is there a

1079

00:46:29,839 --> 00:46:24,479

human that's actually a living person

1080

00:46:32,630 --> 00:46:29,849

can project kind of develop through

1081

00:46:36,169 --> 00:46:32,640

their thoughts like you say we hear a

1082

00:46:38,299 --> 00:46:36,179

lot of times about kids who are going

1083

00:46:40,849 --> 00:46:38,309

through puberty for whatever reason they

1084

00:46:45,650 --> 00:46:40,859

they project these thought forms they

1085

00:46:48,499 --> 00:46:45,660

manifest into something bigger and you

1086

00:46:50,479 --> 00:46:48,509

know I've always found and you know it's

1087

00:46:52,669 --> 00:46:50,489

it's when you talk to people about it

1088

00:46:54,890 --> 00:46:52,679

yourself to actually the person or the

1089

00:46:57,140 --> 00:46:54,900

family words happening that it's not

1090

00:46:59,809 --> 00:46:57,150

something they I can necessarily help

1091

00:47:02,929 --> 00:46:59,819

you remove it's gonna it's it's going to

1092

00:47:06,669 --> 00:47:02,939

take me to teach that person how to

1093

00:47:11,630 --> 00:47:06,679

control it to actually stop the activity

1094

00:47:13,640 --> 00:47:11,640

right well it might be beneficial to

1095

00:47:16,579 --> 00:47:13,650

start dissipating the energy a little

1096

00:47:19,939 --> 00:47:16,589

bit at a time whereas you try to get

1097

00:47:23,569 --> 00:47:19,949

down to the reason why they're

1098

00:47:25,099 --> 00:47:23,579

projecting this out sometimes it happens

1099

00:47:27,919 --> 00:47:25,109

a lot they're in puberty but sometimes

1100

00:47:30,430 --> 00:47:27,929

that happens a lot when the the karmic

1101

00:47:32,140 --> 00:47:30,440

connection has reached the

1102

00:47:35,080 --> 00:47:32,150

such as there could have been a past

1103

00:47:37,480 --> 00:47:35,090

life and something traumatic happened at

1104

00:47:39,700 --> 00:47:37,490

like say the age of 15 and now they're

1105

00:47:41,170 --> 00:47:39,710

in this life at the age of 15 the soul

1106

00:47:43,990 --> 00:47:41,180

the karmic connection of the soul

1107

00:47:46,030 --> 00:47:44,000

remembers and it's projecting out this

1108

00:47:47,800 --> 00:47:46,040

negativity because it's afraid of making

1109

00:47:50,950 --> 00:47:47,810

the same mistake of having that karmic

1110

00:47:54,190 --> 00:47:50,960

connection again so we bring these

1111

00:47:57,310 --> 00:47:54,200

thoughts or arms in with us in our souls

1112

00:47:59,290 --> 00:47:57,320

embedded into our karmic shield and then

1113

00:48:01,450 --> 00:47:59,300

our souls are remembering things and

1114

00:48:08,640 --> 00:48:01,460

therefore projecting out from us we

1115

00:48:13,920 --> 00:48:11,740

you know there's a there's a term that

1116

00:48:17,350 --> 00:48:13,930

kind of gets doing around a lot in the

1117

00:48:19,840 --> 00:48:17,360

paranormal world it's residual residual

1118

00:48:22,420 --> 00:48:19,850

energy as opposed to spiritual energy

1119

00:48:27,340 --> 00:48:22,430

why don't you uh how about describing

1120

00:48:29,860 --> 00:48:27,350

the difference Alyssa please oh sure um

1121

00:48:31,690 --> 00:48:29,870

when I kind of talk about residual

1122

00:48:34,210 --> 00:48:31,700

energy I like to tell people think of

1123

00:48:37,900 --> 00:48:34,220

residue it's something that's left

1124

00:48:40,600 --> 00:48:37,910

behind after an event so think about it

1125

00:48:42,340 --> 00:48:40,610

like a snail crawling across a table and

1126

00:48:43,720 --> 00:48:42,350

its leaves are - residue there so you

1127

00:48:45,100 --> 00:48:43,730

know the snail has been there even

1128

00:48:47,950 --> 00:48:45,110

though it's not there anymore it's left

1129

00:48:50,800 --> 00:48:47,960

its energy on the table kind of gross

1130

00:48:54,370 --> 00:48:50,810

but the same thing with energy when

1131

00:48:58,300 --> 00:48:54,380

something traumatic or forceful happens

1132

00:49:01,000 --> 00:48:58,310

in a space it can leave a mark behind in

1133

00:49:04,900 --> 00:49:01,010

the auric field of the earth or in the

1134

00:49:07,510 --> 00:49:04,910

space we all project energy out all the

1135

00:49:09,520 --> 00:49:07,520

time so therefore we have a circulation

1136

00:49:11,680 --> 00:49:09,530

of energy around us at all times

1137

00:49:13,990 --> 00:49:11,690

so when something negative or something

1138

00:49:15,880 --> 00:49:14,000

forceful happens it's feeding to that

1139

00:49:18,970 --> 00:49:15,890

energy like an imprint like a hand slap

1140

00:49:21,640 --> 00:49:18,980

and manatee around you so when you walk

1141

00:49:24,820 --> 00:49:21,650

into a space you can see that projection

1142

00:49:26,560 --> 00:49:24,830

or that energy that created that imprint

1143

00:49:28,240 --> 00:49:26,570

over and over and over again kinda like

1144

00:49:30,430 --> 00:49:28,250

a record player playing over and over

1145

00:49:31,060 --> 00:49:30,440

and over again I'm dating myself here as

1146

00:49:34,060 --> 00:49:31,070

a record player

1147

00:49:36,250 --> 00:49:34,070

but when you see that over and over

1148

00:49:38,770 --> 00:49:36,260

again it's like okay is this the spirit

1149

00:49:41,170 --> 00:49:38,780

is a spiritual energy or this residual

1150

00:49:42,880 --> 00:49:41,180

energy and I would tell people you got

1151

00:49:43,990 --> 00:49:42,890

to get a move into the energy or

1152

00:49:46,840 --> 00:49:44,000

vibration

1153

00:49:48,700 --> 00:49:46,850

and see does it respond to you and

1154

00:49:51,880 --> 00:49:48,710

that's I can always tell the spirit

1155

00:49:53,920 --> 00:49:51,890

energy or residual energy residual won't

1156

00:49:55,600 --> 00:49:53,930

respond to you you're just moving into

1157

00:49:58,330 --> 00:49:55,610

it seeing the scene happen over and over

1158

00:50:00,580 --> 00:49:58,340

and over again there's no true identity

1159

00:50:03,910 --> 00:50:00,590

or intelligence behind it it's just a

1160

00:50:06,370 --> 00:50:03,920

leftover mark of a situation and that's

1161

00:50:09,100 --> 00:50:06,380

why we call it residual it's left behind

1162

00:50:11,680 --> 00:50:09,110

where the spirit energy is an

1163

00:50:14,080 --> 00:50:11,690

intelligence behind it is part of the

1164

00:50:17,430 --> 00:50:14,090

soul to [h__h] behind that will respond to

1165

00:50:21,820 --> 00:50:17,440

you just like anybody else all right

1166

00:50:24,340 --> 00:50:21,830

you know we in what I do or what I you

1167

00:50:27,850 --> 00:50:24,350

know is not only not do spiritual work

1168

00:50:30,640 --> 00:50:27,860

or rescue work even in the cryptid world

1169

00:50:34,480 --> 00:50:30,650

we talk about vortexes are doorways

1170

00:50:37,660 --> 00:50:34,490

gateways opening up spiritual gateways

1171

00:50:39,550 --> 00:50:37,670

are a bit different

1172

00:50:42,910 --> 00:50:39,560

can you explain what a spiritual doorway

1173

00:50:45,670 --> 00:50:42,920

is oh sure

1174

00:50:47,670 --> 00:50:45,680

what was what I know I know it can

1175

00:50:50,140 --> 00:50:47,680

differ around the spiritual community

1176

00:50:52,630 --> 00:50:50,150

that I like to think of as cracks and

1177

00:50:54,450 --> 00:50:52,640

holes or gaps and the different

1178

00:50:58,180 --> 00:50:54,460

frequencies are the different realms and

1179

00:51:01,060 --> 00:50:58,190

what happens is sometimes our frequency

1180

00:51:04,990 --> 00:51:01,070

will shift so quickly that we create

1181

00:51:06,340 --> 00:51:05,000

this crack a hole in the two frequencies

1182

00:51:09,760 --> 00:51:06,350

and the two rounds together therefore

1183

00:51:12,970 --> 00:51:09,770

leaving a gap or a tunnel of energy that

1184

00:51:15,880 --> 00:51:12,980

energy flow in and out of depending on

1185

00:51:19,720 --> 00:51:15,890

the intent of the energy flowing through

1186

00:51:22,330 --> 00:51:19,730

a vortex is the actual movement of

1187

00:51:24,850 --> 00:51:22,340

energy through a spiritual door like a

1188

00:51:26,890 --> 00:51:24,860

tornado going through it's it's the

1189

00:51:28,990 --> 00:51:26,900
movement of moving in a certain

1190

00:51:31,090 --> 00:51:29,000
direction now we have different

1191

00:51:34,150 --> 00:51:31,100
spiritual doors all around the area I

1192

00:51:36,580 --> 00:51:34,160
know people think oh ley lines can

1193

00:51:38,850 --> 00:51:36,590
create spiritual doors they can because

1194

00:51:40,840 --> 00:51:38,860
you have two different frequencies

1195

00:51:44,470 --> 00:51:40,850
overlapping each other therefore

1196

00:51:46,840 --> 00:51:44,480
creating a crack in different realms

1197

00:51:48,910 --> 00:51:46,850
therefore opening that spiritual doors

1198

00:51:51,330 --> 00:51:48,920
and we have quite a few of them you know

1199

00:51:54,460 --> 00:51:51,340
churches have a lot of spiritual doors

1200

00:51:56,500 --> 00:51:54,470
they're necessarily on a more positive

1201
00:51:57,460 --> 00:51:56,510
note because when you're praying all the

1202
00:51:59,589 --> 00:51:57,470
time

1203
00:52:01,570 --> 00:51:59,599
necessarily opening up a doorway to the

1204
00:52:03,099 --> 00:52:01,580
spiritual world if you're going to be in

1205
00:52:06,940 --> 00:52:03,109
a cemetery that's going to have a

1206
00:52:08,320 --> 00:52:06,950
spiritual door if you're in a battle if

1207
00:52:10,570 --> 00:52:08,330
you're at like in a place where there

1208
00:52:11,920 --> 00:52:10,580
was a war where there's lots of death

1209
00:52:15,040 --> 00:52:11,930
more likely there would be a no

1210
00:52:16,870 --> 00:52:15,050
spiritual door open that sometimes can

1211
00:52:19,480 --> 00:52:16,880
be closed sometimes can't be depending

1212
00:52:22,180 --> 00:52:19,490
on the situation and then we also have

1213
00:52:24,280 --> 00:52:22,190

the the spiritual doors that we call

1214

00:52:26,260 --> 00:52:24,290

elementals can open it close depending

1215

00:52:28,720 --> 00:52:26,270

on what's needed for the earth

1216

00:52:30,280 --> 00:52:28,730

so there's spiritual doors then move in

1217

00:52:32,500 --> 00:52:30,290

an upward direction to the higher

1218

00:52:35,349 --> 00:52:32,510

consciousness and then there are special

1219

00:52:37,180 --> 00:52:35,359

doors that move in a lower vibration to

1220

00:52:39,430 --> 00:52:37,190

the lower realms or to the earth now

1221

00:52:41,440 --> 00:52:39,440

depending on what information of what

1222

00:52:48,370 --> 00:52:41,450

energy is needed to come up from that

1223

00:52:51,810 --> 00:52:48,380

space now your title your book is like

1224

00:52:54,220 --> 00:52:51,820

the way the god coming a rescued medium

1225

00:52:56,800 --> 00:52:54,230

now so if someone would come up to you

1226

00:52:58,599 --> 00:52:56,810

and say you know Amy I'd like to become

1227

00:53:02,349 --> 00:52:58,609

a rescue medium I like but you know I'd

1228

00:53:05,109 --> 00:53:02,359

like to develop those abilities I think

1229

00:53:08,320 --> 00:53:05,119

I may have or you know maybe just become

1230

00:53:10,630 --> 00:53:08,330

a rescue medium with maybe very few

1231

00:53:14,230 --> 00:53:10,640

abilities what would you tell them how

1232

00:53:16,329 --> 00:53:14,240

to start first thing I would do is say

1233

00:53:20,170 --> 00:53:16,339

read the Bible because it gave you a

1234

00:53:22,930 --> 00:53:20,180

general overview of what's needed to

1235

00:53:27,220 --> 00:53:22,940

train as a rescue medium I would then

1236

00:53:30,099 --> 00:53:27,230

say I do train rescue mediumship

1237

00:53:32,770 --> 00:53:30,109

students every quarter so once a quarter

1238

00:53:35,260 --> 00:53:32,780

so three or four times a year I train

1239

00:53:38,140 --> 00:53:35,270

peoples and I do open that up for video

1240

00:53:40,839 --> 00:53:38,150

or FaceTime so if you live at a distance

1241

00:53:43,630 --> 00:53:40,849

you can still video chat in and come to

1242

00:53:45,760 --> 00:53:43,640

my classes we then also say maybe

1243

00:53:53,950 --> 00:53:45,770

connecting with a spiritualist Church or

1244

00:53:55,690 --> 00:53:53,960

psychic Center in the area sometimes

1245

00:53:58,150 --> 00:53:55,700

they don't say rescue sometimes they say

1246

00:54:00,010 --> 00:53:58,160

spirit release meant so we'll just ask

1247

00:54:01,660 --> 00:54:00,020

around and say I want to help earthbound

1248

00:54:05,760 --> 00:54:01,670

spirits transition I want to learn how

1249

00:54:09,040 --> 00:54:05,770

to clear energy close vortexes clear out

1250

00:54:11,410 --> 00:54:09,050

attachment removals who do I connect to

1251

00:54:14,230 --> 00:54:11,420

and they may have a resource

1252

00:54:16,569 --> 00:54:14,240

in that space the one thing I would

1253

00:54:20,410 --> 00:54:16,579

suggest not to do is do it on your own

1254

00:54:22,720 --> 00:54:20,420

because like me I had to learn the hard

1255

00:54:25,030 --> 00:54:22,730

way I've had over 150 attachments

1256

00:54:27,099 --> 00:54:25,040

throughout the trying to learn how to do

1257

00:54:29,349 --> 00:54:27,109

everything on my own that's why I came

1258

00:54:33,039 --> 00:54:29,359

as good as I am together that a lot of

1259

00:54:34,420 --> 00:54:33,049

experience always connected with

1260

00:54:37,510 --> 00:54:34,430

somebody who can kind of walk you

1261

00:54:40,390 --> 00:54:37,520

through it that way you don't feel like

1262

00:54:41,740 --> 00:54:40,400

you're losing your mind so much well

1263

00:54:43,660 --> 00:54:41,750

that's one good thing that's one thing

1264

00:54:49,020 --> 00:54:43,670

about the book I really like is you you

1265

00:54:52,120 --> 00:54:49,030

you talk about how to clear yourself as

1266

00:54:54,010 --> 00:54:52,130

well the importance of that and

1267

00:54:59,020 --> 00:54:54,020

importance of grounding yourself and

1268

00:55:00,609 --> 00:54:59,030

protecting yourself you know in this in

1269

00:55:04,420 --> 00:55:00,619

this type of thing you can run into a

1270

00:55:06,400 --> 00:55:04,430

lot of problems psychic attacks are not

1271

00:55:10,900 --> 00:55:06,410

unheard of I've had it happen to me it's

1272

00:55:14,680 --> 00:55:10,910

not fun and I mean they can be mental

1273

00:55:17,920 --> 00:55:14,690

and physical attacks it's it's part of

1274

00:55:22,839 --> 00:55:17,930

what you do but you try to limit it as

1275

00:55:25,120 --> 00:55:22,849

much as possible and it's it's really

1276

00:55:28,480 --> 00:55:25,130

sad that there's people out there that

1277

00:55:31,480 --> 00:55:28,490

do still attack others psychically and

1278

00:55:34,000 --> 00:55:31,490

if there's some sort of threat involved

1279

00:55:36,460 --> 00:55:34,010

with this but unfortunately in the

1280

00:55:40,450 --> 00:55:36,470

psychic community ego can get involved

1281

00:55:42,280 --> 00:55:40,460

if money gets involved or business or

1282

00:55:44,440 --> 00:55:42,290

are you feel threatened by somebody else

1283

00:55:47,609 --> 00:55:44,450

or just don't like the practice of what

1284

00:55:50,770 --> 00:55:47,619

they do and unfortunately spell their

1285

00:55:52,750 --> 00:55:50,780

psychic attack or any sort of energy

1286

00:55:54,910 --> 00:55:52,760

that threatens someone else really

1287

00:55:59,620 --> 00:55:54,920

should never even be considered anymore

1288

00:56:02,349 --> 00:55:59,630

we should be in all this by now I

1289

00:56:05,020 --> 00:56:02,359

absolutely agree with it and it does

1290

00:56:08,010 --> 00:56:05,030

happen I mean I run into situations

1291

00:56:14,650 --> 00:56:08,020

where I believe I've been attacked

1292

00:56:18,299 --> 00:56:14,660

psychically by someone else it's hard to

1293

00:56:21,660 --> 00:56:18,309

prove but you know it does happen and I

1294

00:56:24,670 --> 00:56:21,670

you know like you said it's it's

1295

00:56:25,329 --> 00:56:24,680

something that should be stopped

1296

00:56:28,390 --> 00:56:25,339

completely

1297

00:56:29,019 --> 00:56:28,400

it doesn't help really help anybody you

1298

00:56:34,420 --> 00:56:29,029

know

1299

00:56:35,950 --> 00:56:34,430

you put out there that's right and if

1300

00:56:37,930 --> 00:56:35,960

you think about it this way those who

1301

00:56:39,910 --> 00:56:37,940

are truly out for the spiritual

1302

00:56:41,079 --> 00:56:39,920

experience knows it's an individual

1303

00:56:43,630 --> 00:56:41,089

experience and should never be

1304

00:56:46,839 --> 00:56:43,640

threatened by anybody else when we stop

1305

00:56:49,450 --> 00:56:46,849

trying to compare us of others or live

1306

00:56:52,089 --> 00:56:49,460

up to others expectations we find the

1307

00:56:54,309 --> 00:56:52,099

true meaning of peace and enlightenment

1308

00:56:56,109 --> 00:56:54,319

within ourselves and stop the attachment

1309

00:56:58,690 --> 00:56:56,119

of others you won't have to worry about

1310

00:57:01,719 --> 00:56:58,700

these psychic attacks anymore we realize

1311

00:57:03,640 --> 00:57:01,729

we all have a certain spark and divinity

1312

00:57:05,620 --> 00:57:03,650

inside of each and every one of us so

1313

00:57:08,289 --> 00:57:05,630

there's absolutely no reason whatsoever

1314

00:57:10,539 --> 00:57:08,299

to have to have any ill thoughts against

1315

00:57:14,109 --> 00:57:10,549

anybody else and want to portray any

1316

00:57:16,839 --> 00:57:14,119

event energy towards anyone else anymore

1317

00:57:19,630 --> 00:57:16,849

it's find your inner peace and find your

1318

00:57:22,229 --> 00:57:19,640

individual journey and stop worrying

1319

00:57:25,690 --> 00:57:22,239

about other what other people are doing

1320

00:57:27,999 --> 00:57:25,700

that's actually founded so how can

1321

00:57:29,950 --> 00:57:28,009

people get in contact with Jamie working

1322

00:57:32,859 --> 00:57:29,960

to get your book and if they want to

1323

00:57:36,609 --> 00:57:32,869

take a class or learn from you how can

1324

00:57:39,069 --> 00:57:36,619

they get in contact yeah they can find

1325

00:57:42,789 --> 00:57:39,079

my book through amazon.com or Barnes and

1326

00:57:45,910 --> 00:57:42,799

noble.com they can also go straight to

1327

00:57:48,160 --> 00:57:45,920

my website ami major comm where they

1328

00:57:50,229 --> 00:57:48,170

have my email link my phone number and

1329

00:57:52,509 --> 00:57:50,239

they also have links to my books there

1330

00:57:54,759 --> 00:57:52,519

they could purchase it that way as well

1331

00:57:57,160 --> 00:57:54,769

I have a lot of people all over the

1332

00:57:59,289 --> 00:57:57,170

world emailing me all the time the only

1333

00:58:01,599 --> 00:57:59,299

thing I do ask is that if I don't

1334

00:58:04,630 --> 00:58:01,609

respond right away it's because I'm busy

1335

00:58:06,190 --> 00:58:04,640

and I don't care as I do have an

1336

00:58:09,759 --> 00:58:06,200

assistant Bridget that works with me

1337

00:58:12,009 --> 00:58:09,769

quite a bit because I have people you

1338

00:58:13,959 --> 00:58:12,019

know emailing me to three times a day

1339

00:58:17,079 --> 00:58:13,969

and like I can only get to so many

1340

00:58:19,450 --> 00:58:17,089

emails and do my work at the same time

1341

00:58:21,579 --> 00:58:19,460

but if you do have a question and you

1342

00:58:23,259 --> 00:58:21,589

really are looking for some help not

1343

00:58:24,999 --> 00:58:23,269

necessarily for me to do the works for

1344

00:58:26,769 --> 00:58:25,009

you but if you're just looking for

1345

00:58:29,109 --> 00:58:26,779

guidance or how to become a recipe

1346

00:58:31,359 --> 00:58:29,119

medium or kind of give you some guidance

1347

00:58:34,089 --> 00:58:31,369

on what the next few steps are feel free

1348

00:58:35,739 --> 00:58:34,099

to email me my links on my website and

1349

00:58:38,140 --> 00:58:35,749

you can also visit me on Facebook as

1350

00:58:38,890 --> 00:58:38,150

well just type in a me major rescue

1351
00:58:40,900 --> 00:58:38,900
medium

1352
00:58:43,750 --> 00:58:40,910
yeah actually it's now spirit rescue

1353
00:58:46,840 --> 00:58:43,760
specialist and I'll be able to help you

1354
00:58:49,630 --> 00:58:46,850
back me as well Amy thanks again for

1355
00:58:53,410 --> 00:58:49,640
joining me and let's try to keep in

1356
00:58:55,480 --> 00:58:53,420
contact a bit more often absolutely

1357
00:58:57,640 --> 00:58:55,490
thank you so much for having me yes such

1358
00:58:58,660 --> 00:58:57,650
an awesome show I wish you the best of

1359
00:59:01,450 --> 00:58:58,670
luck with everything

1360
00:59:02,190 --> 00:59:01,460
thank you and have a good evening you

1361
00:59:04,960 --> 00:59:02,200
too

1362
00:59:08,020 --> 00:59:04,970
folks please consider becoming our

1363
00:59:11,320 --> 00:59:08,030

arcane radio patron your support is

1364

00:59:13,720 --> 00:59:11,330

absolutely appreciated now before I go

1365

00:59:17,670 --> 00:59:13,730

allow me to leave this with the

1366

00:59:20,650 --> 00:59:17,680

listeners perhaps a time will come when

1367

00:59:24,880 --> 00:59:20,660

science is able to confirm the existence

1368

00:59:27,520 --> 00:59:24,890

of immaterial forces and realms there's

1369

00:59:30,220 --> 00:59:27,530

been a compelling research in the field

1370

00:59:33,010 --> 00:59:30,230

of parapsychology that points to this

1371

00:59:35,140 --> 00:59:33,020

possibility yet most people in

1372

00:59:38,320 --> 00:59:35,150

mainstream science aren't willing to

1373

00:59:41,140 --> 00:59:38,330

consider the implications we can only

1374

00:59:44,380 --> 00:59:41,150

hope that open-mindedness will

1375

00:59:54,620 --> 00:59:44,390

eventually prevail good night and have a
