00:00:15,960 --> 00:00:11,440  
is fear the oldest and strongest type of

3  
00:00:18,600 --> 00:00:15,970  
fear is trepidation of young when we

4  
00:00:22,529 --> 00:00:18,610  
were children our parents told us that

5  
00:00:25,200 --> 00:00:22,539  
monsters didn't exist but we were sure

6  
00:00:26,540 --> 00:00:25,210  
that something has recommended a better

7  
00:00:31,279 --> 00:00:26,550  
in the closet

8  
00:00:35,010 --> 00:00:31,289  
beer sees even if our eyes are closed

9  
00:00:38,040 --> 00:00:35,020  
welcome to the realm of your cane my

10  
00:00:40,889 --> 00:00:38,050  
name is lawn stripper join me as I

11  
00:00:45,200 --> 00:00:40,899  
examine unexplained creatures strange

12  
00:00:48,540 --> 00:00:45,210  
manifestations and remarkable realities

13  
00:00:51,810 --> 00:00:48,550

imagine this next hour as a voyage of

14

00:00:54,690 --> 00:00:51,820

discovered to strange lands seeking not

15

00:00:57,990 --> 00:00:54,700

for new territory but for new knowledge

16

00:01:00,910 --> 00:00:58,000

of the supernatural come on board as we

17

00:01:06,100 --> 00:01:00,920

begin this adventure together

18

00:01:11,680 --> 00:01:09,010

a first good evening and welcome to

19

00:01:13,330 --> 00:01:11,690

another episode of arcane rio where we

20

00:01:15,190 --> 00:01:13,340

explore the unexplained here on the

21

00:01:17,680 --> 00:01:15,200

paranormal king radio network

22

00:01:20,290 --> 00:01:17,690

I'm your host lawn Strickler coming to

23

00:01:21,760 --> 00:01:20,300

you with in a cannon shot of historic

24

00:01:24,370 --> 00:01:21,770

Gettysburg in the cryptid mecca of

25

00:01:27,250 --> 00:01:24,380

Pennsylvania I thank you for joining me

26

00:01:30,360 --> 00:01:27,260

now tonight's scheduled guest

27

00:01:34,030 --> 00:01:30,370

Ronnie LeBlanc couldn't make it tonight

28

00:01:37,630 --> 00:01:34,040

unfortunately he he got stuck at JFK in

29

00:01:40,980 --> 00:01:37,640

New York City while doing a promo for

30

00:01:43,150 --> 00:01:40,990

his upcoming show expedition Bigfoot and

31

00:01:45,730 --> 00:01:43,160

I don't know what happened but his

32

00:01:47,890 --> 00:01:45,740

flight got canceled and as of now he's

33

00:01:49,870 --> 00:01:47,900

still sitting there I don't think he's

34

00:01:53,469 --> 00:01:49,880

gonna get back to Boston till about 9:30

35

00:01:56,230 --> 00:01:53,479

so we had to postpone his appearance

36

00:01:59,020 --> 00:01:56,240

this evening but I promise you we will

37

00:02:01,930 --> 00:01:59,030

definitely get him back on the show but

38

00:02:06,880 --> 00:02:01,940

instead we have my friend colleague

39

00:02:09,609 --> 00:02:06,890

butch Witkowski so hey butch thanks for

40

00:02:10,690 --> 00:02:09,619

coming on man Oh anytime you know that

41

00:02:16,630 --> 00:02:10,700

yeah I do

42

00:02:20,949 --> 00:02:16,640

you're my good old standby you know

43

00:02:23,800 --> 00:02:20,959

folks like many you probably know the

44

00:02:26,920 --> 00:02:23,810

the Phantom's of Boston 14 research team

45

00:02:28,870 --> 00:02:26,930

has been gathering many more these

46

00:02:31,960 --> 00:02:28,880

winged humanoid reports throughout the

47

00:02:35,410 --> 00:02:31,970

Chicagoland area including a new

48

00:02:43,360 --> 00:02:35,420

sighting at O'Hare International Airport

49

00:02:46,960 --> 00:02:43,370

at the neap on cargo area so you know

50

00:02:48,580 --> 00:02:46,970

currently we have solar reports which I

51  
00:02:51,370 --> 00:02:48,590  
believe is current the current numbers

52  
00:02:54,580 --> 00:02:51,380  
for that need to be followed up with

53  
00:02:57,220 --> 00:02:54,590  
interviews now as soon as we do so the

54  
00:02:59,440 --> 00:02:57,230  
information will be posted on the fans

55  
00:03:04,210 --> 00:02:59,450  
of monsters blog at fans of monsters

56  
00:03:06,729 --> 00:03:04,220  
calm so I mean I don't know what why

57  
00:03:09,310 --> 00:03:06,739  
we're getting all this butch but it just

58  
00:03:11,380 --> 00:03:09,320  
seems all of a sudden this thing has

59  
00:03:14,670 --> 00:03:11,390  
picked up again in past month and a half

60  
00:03:17,350 --> 00:03:14,680  
and it's getting a little weird

61  
00:03:19,480 --> 00:03:17,360  
well yeah I especially the guys

62  
00:03:23,740 --> 00:03:19,490  
description of the thing is a demon

63  
00:03:25,870 --> 00:03:23,750

you know I you know I did that just you

64

00:03:30,760 --> 00:03:25,880

know sometimes it's hard for me to wrap

65

00:03:34,870 --> 00:03:30,770

my head around some descriptions but now

66

00:03:37,540 --> 00:03:34,880

we as far as the bipedal z-- you know

67

00:03:39,760 --> 00:03:37,550

are we'll be down now for the winner and

68

00:03:41,140 --> 00:03:39,770

I did a lot of that too nobody's really

69

00:03:42,400 --> 00:03:41,150

out there and it's not walking around

70

00:03:45,910 --> 00:03:42,410

because there's woods are full of

71

00:03:48,100 --> 00:03:45,920

hunters and everything right now but we

72

00:03:53,830 --> 00:03:48,110

should pick up with them again probably

73

00:03:55,450 --> 00:03:53,840

in march/april again but well you know

74

00:03:56,650 --> 00:03:55,460

it's kind of funny how things are

75

00:04:00,340 --> 00:03:56,660

running this year because some things

76

00:04:02,890 --> 00:04:00,350

are up some things are down like for

77

00:04:06,100 --> 00:04:02,900

November there were only 400 UFO reports

78

00:04:09,330 --> 00:04:06,110

for the whole the whole country was you

79

00:04:11,950 --> 00:04:09,340

telling me that that is awful or

80

00:04:15,100 --> 00:04:11,960

somewhere only I think for Pennsylvania

81

00:04:18,600 --> 00:04:15,110

there were eight that's that's crazy

82

00:04:21,340 --> 00:04:18,610

yeah I mean you know you know California

83

00:04:23,980 --> 00:04:21,350

California and Texas make up over 400 a

84

00:04:26,080 --> 00:04:23,990

month but that's when that was for the

85

00:04:30,130 --> 00:04:26,090

whole county and and a lot of the

86

00:04:33,190 --> 00:04:30,140

sightings not many cryptic cryptid

87

00:04:36,160 --> 00:04:33,200

sightings some were just you know you

88

00:04:37,150 --> 00:04:36,170

know there's misinformation or and I'm

89

00:04:38,470 --> 00:04:37,160

not saying I'm not saying they're

90

00:04:42,900 --> 00:04:38,480

disinformation but I'm sure they're

91

00:04:48,550 --> 00:04:42,910

misinformation or or a misidentification

92

00:04:50,890 --> 00:04:48,560

but there are a lot of weird paranormal

93

00:04:55,590 --> 00:04:50,900

stuff going on especially down south a

94

00:04:58,450 --> 00:04:55,600

couple of stuff I picked up one and it's

95

00:05:02,980 --> 00:04:58,460

it's just like this whole year has been

96

00:05:04,210 --> 00:05:02,990

just weird not following normally what

97

00:05:05,830 --> 00:05:04,220

we're used to where you know you're

98

00:05:08,350 --> 00:05:05,840

getting one or two or three or maybe

99

00:05:10,690 --> 00:05:08,360

more reports a day or every couple days

100

00:05:12,580 --> 00:05:10,700

and they're they encompass everything

101  
00:05:15,970 --> 00:05:12,590  
you know they encompass the bipedal they

102  
00:05:17,800 --> 00:05:15,980  
encompass cryptids Bigfoot strange

103  
00:05:20,350 --> 00:05:17,810  
things in the sky strange paranormal

104  
00:05:22,350 --> 00:05:20,360  
happenings the winged creatures and

105  
00:05:26,970 --> 00:05:22,360  
stuff like that are the only ones that

106  
00:05:31,920 --> 00:05:26,980  
seemed to have stayed right up to par

107  
00:05:33,050 --> 00:05:31,930  
yeah and you know because of some of the

108  
00:05:35,680 --> 00:05:33,060  
numbers

109  
00:05:38,150 --> 00:05:35,690  
sightings especially down in the south

110  
00:05:40,940 --> 00:05:38,160  
I've been getting a fair amount of

111  
00:05:45,440 --> 00:05:40,950  
Bigfoot sightings down in Mississippi

112  
00:05:49,550 --> 00:05:45,450  
down along the Gulf Coast so I I decided

113  
00:05:52,490 --> 00:05:49,560

that we really started we really needed

114

00:05:56,450 --> 00:05:52,500

to start getting more reliable

115

00:06:00,290 --> 00:05:56,460

investigators on the ground so the fans

116

00:06:04,460 --> 00:06:00,300

of monsters 14 research team is

117

00:06:06,980 --> 00:06:04,470

expanding we did expand one more

118

00:06:09,560 --> 00:06:06,990

individual here in Pennsylvania we have

119

00:06:13,520 --> 00:06:09,570

another one who we are talking to in

120

00:06:16,159 --> 00:06:13,530

Northeast Pennsylvania we added the

121

00:06:20,659 --> 00:06:16,169

gentleman down in central Mississippi by

122

00:06:23,050 --> 00:06:20,669

the name of Marcus Ellis and Jack Harry

123

00:06:27,170 --> 00:06:23,060

it was pretty well known among

124

00:06:30,050 --> 00:06:27,180

cryptozoologist and who's from Denver or

125

00:06:34,070 --> 00:06:30,060

lives in Denver he he has agreed to join

126

00:06:37,610 --> 00:06:34,080

us and our friend Manuel Nava Rhett is

127

00:06:40,340 --> 00:06:37,620

now part of the team as well so we

128

00:06:43,870 --> 00:06:40,350

pretty well got you know Chicago covered

129

00:06:48,590 --> 00:06:43,880

you know we had Tobias and and Vance and

130

00:06:50,960 --> 00:06:48,600

now we have Manuel up there so we have

131

00:06:52,550 --> 00:06:50,970

that area pretty well covered but then

132

00:06:55,370 --> 00:06:52,560

again you know I don't know how many

133

00:06:57,800 --> 00:06:55,380

more people we're gonna bring in you

134

00:07:01,370 --> 00:06:57,810

know I have we also had Danielle Claire

135

00:07:03,520 --> 00:07:01,380

who's down in Central Florida but she

136

00:07:07,370 --> 00:07:03,530

can cover a few other areas down there

137

00:07:12,050 --> 00:07:07,380

so we might get another researcher down

138

00:07:14,570 --> 00:07:12,060

south and probably I'm trying to get

139

00:07:16,760 --> 00:07:14,580

some people down in Texas and I got

140

00:07:20,000 --> 00:07:16,770

somebody I'm looking for they're looking

141

00:07:22,640 --> 00:07:20,010

at in the Four Corners area as well

142

00:07:26,029 --> 00:07:22,650

since you know a friend JC there's no

143

00:07:28,610 --> 00:07:26,039

longer with us so you know there's a lot

144

00:07:31,370 --> 00:07:28,620

been going on down there again I've been

145

00:07:35,420 --> 00:07:31,380

getting a lot of reports off of the

146

00:07:42,710 --> 00:07:35,430

reservation in fact I got a really

147

00:07:45,290 --> 00:07:42,720

bizarre boneyard report and in pine

148

00:07:46,230 --> 00:07:45,300

Springs in Arizona which is on the

149

00:07:49,200 --> 00:07:46,240

resident

150

00:07:52,379 --> 00:07:49,210

Danae Inaba reservation just the other

151  
00:07:54,990 --> 00:07:52,389  
day and we're trying to fungi try to

152  
00:07:58,379 --> 00:07:55,000  
follow up on that so yeah things are

153  
00:07:59,610 --> 00:07:58,389  
pretty busy but like this thing with the

154  
00:08:05,059 --> 00:07:59,620  
UFOs that's bizarre

155  
00:08:07,740 --> 00:08:05,069  
that is very bizarre yeah that's low I

156  
00:08:10,770 --> 00:08:07,750  
just can't even remember a year where we

157  
00:08:12,990 --> 00:08:10,780  
had that low in a month I'm sure there

158  
00:08:15,480 --> 00:08:13,000  
was but I just can't remember any I mean

159  
00:08:22,469 --> 00:08:15,490  
that's that's extremely low but there

160  
00:08:25,680 --> 00:08:22,479  
are we have you know some different

161  
00:08:32,639 --> 00:08:25,690  
types of things that we want to try this

162  
00:08:36,329 --> 00:08:32,649  
year when we go out a lot of these I was

163  
00:08:38,310 --> 00:08:36,339

I did up I did a mapping of the bipedal

164

00:08:41,209 --> 00:08:38,320

sightings and they're in the

165

00:08:44,850 --> 00:08:41,219

relationship to their distance to caves

166

00:08:46,320 --> 00:08:44,860

or a band abandoned towns and then feel

167

00:08:49,380 --> 00:08:46,330

Pennsylvania were loaded with that stuff

168

00:08:52,710 --> 00:08:49,390

oh yeah a lot of ran yeah and you know

169

00:08:53,699 --> 00:08:52,720

out of the 50 59 reports and couple of

170

00:08:55,949 --> 00:08:53,709

those are you know some of those are

171

00:08:58,319 --> 00:08:55,959

historic but out of all the reports

172

00:09:01,440 --> 00:08:58,329

there's like seven or eight that are

173

00:09:05,579 --> 00:09:01,450

within a quarter of a mile or less of a

174

00:09:07,620 --> 00:09:05,589

cave or an abandoned town so that'll be

175

00:09:10,560 --> 00:09:07,630

road trip time mm-hmm

176

00:09:12,360 --> 00:09:10,570

now a couple of places I had to write to

177

00:09:15,720 --> 00:09:12,370

because I got a list of the owners of

178

00:09:17,490 --> 00:09:15,730

the properties of course most of them

179

00:09:19,139 --> 00:09:17,500

said hey you're welcome to go look

180

00:09:21,030 --> 00:09:19,149

whatever you're looking for and but

181

00:09:23,130 --> 00:09:21,040

there were four that you know they they

182

00:09:25,530 --> 00:09:23,140

want to sign I have to sign a release in

183

00:09:29,460 --> 00:09:25,540

case I get lost or you know something

184

00:09:31,170 --> 00:09:29,470

eats me while I'm in there so I mean I

185

00:09:34,860 --> 00:09:31,180

think that's going to be the next shot

186

00:09:38,400 --> 00:09:34,870

at this we're still going to go along

187

00:09:40,170 --> 00:09:38,410

with setting up the cameras the

188

00:09:41,670 --> 00:09:40,180

thermal-imaging cameras are gonna I'm

189

00:09:49,199 --> 00:09:41,680

still think it's going to be my best bet

190

00:09:50,880 --> 00:09:49,209

and you know it's you got to watch that

191

00:09:52,290 --> 00:09:50,890

stuff because you know they're a little

192

00:09:54,120 --> 00:09:52,300

too expensive to leave sitting out in

193

00:09:55,620 --> 00:09:54,130

the woods and walk away from ya know

194

00:09:58,829 --> 00:09:55,630

unless unless they're really well

195

00:09:59,940 --> 00:09:58,839

concealed so I mean that's where we're

196

00:10:04,620 --> 00:09:59,950

going to be gone for come

197

00:10:06,530 --> 00:10:04,630

spring there's a case in western

198

00:10:09,180 --> 00:10:06,540

Pennsylvania that started out as an

199

00:10:12,930 --> 00:10:09,190

archaeological dig from Penn State

200

00:10:14,460 --> 00:10:12,940

University and just a bunch of weird

201  
00:10:22,100 --> 00:10:14,470  
things happened while the folks were up

202  
00:10:26,790 --> 00:10:22,110  
there Rosetta was just the other side of

203  
00:10:31,680 --> 00:10:26,800  
Clearfield oh and it was actually Indian

204  
00:10:33,870 --> 00:10:31,690  
an Indian dig site one of the I forget

205  
00:10:36,120 --> 00:10:33,880  
what tribe got ahold of Penn State and

206  
00:10:39,390 --> 00:10:36,130  
you know they sent a team up but there

207  
00:10:42,090 --> 00:10:39,400  
were weird things happening like lights

208  
00:10:43,650 --> 00:10:42,100  
in the woods that shouldn't have been

209  
00:10:47,430 --> 00:10:43,660  
there's no homes or anything around

210  
00:10:48,980 --> 00:10:47,440  
where the dig site was some of the stuff

211  
00:10:55,430 --> 00:10:48,990  
they dug up shouldn't have been there

212  
00:10:57,960 --> 00:10:55,440  
like that particular area of the state

213  
00:11:00,600 --> 00:10:57,970

was not involved in the French and

214

00:11:02,610 --> 00:11:00,610

Indian Wars I mean they were mostly in

215

00:11:06,120 --> 00:11:02,620

the south and southwest and west a

216

00:11:07,230 --> 00:11:06,130

pencil Pino in Pennsylvania and you know

217

00:11:08,610 --> 00:11:07,240

they found some stuff that shouldn't

218

00:11:12,660 --> 00:11:08,620

have been there like you know some

219

00:11:16,740 --> 00:11:12,670

buttons and you know parts of a rifle of

220

00:11:19,710 --> 00:11:16,750

some type but but they did find they did

221

00:11:22,350 --> 00:11:19,720

find bodies you know bones which they

222

00:11:25,770 --> 00:11:22,360

documented and I I believe if I remember

223

00:11:27,780 --> 00:11:25,780

right they were turned over to the to

224

00:11:29,940 --> 00:11:27,790

the reservation but they were gonna take

225

00:11:34,620 --> 00:11:29,950

him back to which I believe it would

226

00:11:36,150 --> 00:11:34,630

have been Iroquois so you know there's

227

00:11:39,960 --> 00:11:36,160

all kind of things happening just weird

228

00:11:41,520 --> 00:11:39,970

stuff yeah it's it's like it's like it's

229

00:11:45,300 --> 00:11:41,530

gonna be one of those years coming up

230

00:11:49,260 --> 00:11:45,310

you know like you know we got we got

231

00:11:52,260 --> 00:11:49,270

stuff in southern Pennsylvania and down

232

00:11:54,660 --> 00:11:52,270

around New York County a gentleman that

233

00:11:56,010 --> 00:11:54,670

I investigated us a sight for matter

234

00:12:00,840 --> 00:11:56,020

package right down the road from where

235

00:12:04,410 --> 00:12:00,850

you live of years ago he's having the

236

00:12:06,270 --> 00:12:04,420

same issues again we're not during the

237

00:12:08,880 --> 00:12:06,280

corn season one the corns up and growing

238

00:12:10,410 --> 00:12:08,890

but after right after the corn season it

239

00:12:11,820 --> 00:12:10,420

just seems like he has he's bouncing

240

00:12:13,530 --> 00:12:11,830

white lights all over the cornfield

241

00:12:15,180 --> 00:12:13,540

across from this farm and

242

00:12:17,629 --> 00:12:15,190

not his field his field is in the back

243

00:12:25,400 --> 00:12:17,639

of his farm this one's across the road

244

00:12:33,540 --> 00:12:25,410

and rugs down here yeah I'm scaling yeah

245

00:12:36,389 --> 00:12:33,550

interesting and it just it has any its I

246

00:12:38,999 --> 00:12:36,399

was down there twice and I did get to

247

00:12:41,759 --> 00:12:39,009

see him once but I don't know what's on

248

00:12:43,430 --> 00:12:41,769

the other side of the cornfield so you

249

00:12:45,960 --> 00:12:43,440

know it could be lights from a vehicle

250

00:12:47,550 --> 00:12:45,970

it just doesn't seem like that though

251  
00:12:50,309 --> 00:12:47,560  
because it's not they're not going in a

252  
00:12:52,079 --> 00:12:50,319  
straight line or you know they're kind

253  
00:12:55,740 --> 00:12:52,089  
of like bouncing you might like you

254  
00:12:57,569 --> 00:12:55,750  
throw a ball and so I want I want to

255  
00:12:59,280 --> 00:12:57,579  
look at that a little bit harder I want

256  
00:13:01,139 --> 00:12:59,290  
to get back into Lancaster County and

257  
00:13:08,730 --> 00:13:01,149  
see if my friends are still at the

258  
00:13:13,889 --> 00:13:08,740  
chicken coop excuse me and so a lot of

259  
00:13:18,319 --> 00:13:13,899  
things going on well we've got a couple

260  
00:13:23,180 --> 00:13:18,329  
questions in the in the chatroom

261  
00:13:26,009 --> 00:13:23,190  
let's see somebody asked about JC

262  
00:13:28,259 --> 00:13:26,019  
Johnson who's doing his continuing his

263  
00:13:29,970 --> 00:13:28,269

work now well that's just good I don't

264

00:13:32,220 --> 00:13:29,980

know of anybody continued he's working I

265

00:13:34,800 --> 00:13:32,230

know I know jack harry has been doing

266

00:13:37,110 --> 00:13:34,810

some of it when he gets a chance to get

267

00:13:38,430 --> 00:13:37,120

down there but then again JC was up in

268

00:13:42,780 --> 00:13:38,440

northern Minnesota

269

00:13:45,360 --> 00:13:42,790

when he passed and I don't know if Ron

270

00:13:48,840 --> 00:13:45,370

Shaw was continuing his work up there or

271

00:13:50,730 --> 00:13:48,850

not so that's kind of you know that's

272

00:13:53,819 --> 00:13:50,740

kind of an open question I really don't

273

00:13:55,530 --> 00:13:53,829

know right now I'm really trying to I'm

274

00:13:57,210 --> 00:13:55,540

trying to get a gauge on what's been

275

00:13:59,519 --> 00:13:57,220

going on down in the southeast but

276  
00:14:01,319 --> 00:13:59,529  
especially down the four corners because

277  
00:14:04,920 --> 00:14:01,329  
like I said I have been getting reports

278  
00:14:07,110 --> 00:14:04,930  
and I've had people calling me and and

279  
00:14:09,870 --> 00:14:07,120  
giving me ideas and some things have

280  
00:14:12,420 --> 00:14:09,880  
been going on so yeah you know I don't

281  
00:14:15,240 --> 00:14:12,430  
know I don't know I don't I guess you

282  
00:14:17,189 --> 00:14:15,250  
don't know of anybody deep butch no not

283  
00:14:18,749 --> 00:14:17,199  
in that area but I'll tell you what some

284  
00:14:22,410 --> 00:14:18,759  
of the best reports came out of that

285  
00:14:24,059 --> 00:14:22,420  
area oh yeah oh yeah oh yeah there's a

286  
00:14:25,679 --> 00:14:24,069  
lot going on down there you know that's

287  
00:14:26,759 --> 00:14:25,689  
why I think we need somebody

288  
00:14:30,239 --> 00:14:26,769

who

289

00:14:32,579 --> 00:14:30,249

can move around maybe not as well as JC

290

00:14:35,579 --> 00:14:32,589

did because he had you know he had

291

00:14:37,350 --> 00:14:35,589

family there but Ill you know somebody

292

00:14:39,809 --> 00:14:37,360

who's actually in the area maybe get

293

00:14:43,350 --> 00:14:39,819

around so what we're looking into a Jack

294

00:14:45,869 --> 00:14:43,360

Jack Harry is helping me find somebody

295

00:14:49,229 --> 00:14:45,879

whom those in that area so we'll see

296

00:14:51,179 --> 00:14:49,239

what happens what happened what happened

297

00:14:53,729 --> 00:14:51,189

to his what happened to his partner the

298

00:14:56,720 --> 00:14:53,739

Indian guy the indigenous guy yeah I

299

00:14:59,789 --> 00:14:56,730

don't know I haven't heard from I

300

00:15:05,189 --> 00:14:59,799

haven't heard from him since JC passed

301

00:15:06,900 --> 00:15:05,199

uh I'll guess he's still around I don't

302

00:15:12,590 --> 00:15:06,910

know I don't know I mean that was a

303

00:15:21,660 --> 00:15:19,129

JC's father-in-law so yeah well anyway

304

00:15:25,229 --> 00:15:21,670

here's another question had the Michigan

305

00:15:28,590 --> 00:15:25,239

reports died down well I suppose you're

306

00:15:31,619 --> 00:15:28,600

asking about upright sent and possibly

307

00:15:33,119 --> 00:15:31,629

Bigfoot I I haven't received a whole lot

308

00:15:36,419 --> 00:15:33,129

of Michigan now I know there have been

309

00:15:39,689 --> 00:15:36,429

there were a few wing humanoids humanoid

310

00:15:42,809 --> 00:15:39,699

sightings in Michigan I know Tobias

311

00:15:45,689 --> 00:15:42,819

looked into a few of those well he I

312

00:15:48,929 --> 00:15:45,699

think he reported some of those in his

313

00:15:55,109 --> 00:15:48,939

new book which is the Lake Michigan

314

00:15:57,509 --> 00:15:55,119

Mothman which just came out so I I don't

315

00:16:00,389 --> 00:15:57,519

I don't I don't know much coming out of

316

00:16:03,960 --> 00:16:00,399

Michigan do you butch no not in that

317

00:16:06,299 --> 00:16:03,970

area huh yeah yeah everything and we're

318

00:16:10,199 --> 00:16:06,309

getting is it's outta Illinois Indiana

319

00:16:13,230 --> 00:16:10,209

and and Wisconsin when the other side of

320

00:16:14,699 --> 00:16:13,240

the lake I mean more recently so you

321

00:16:17,609 --> 00:16:14,709

know of course if I get some I will

322

00:16:20,639 --> 00:16:17,619

definitely put it up there and Ross

323

00:16:24,659 --> 00:16:20,649

wants to know if we put any stock into

324

00:16:26,069 --> 00:16:24,669

the crystal skull theory is an

325

00:16:26,850 --> 00:16:26,079

interesting one what do you think about

326

00:16:30,479 --> 00:16:26,860

that butch

327

00:16:32,579 --> 00:16:30,489

well you know there's been a lot of

328

00:16:37,919 --> 00:16:32,589

strange happenings around the crystal

329

00:16:40,350 --> 00:16:37,929

skulls the ones that always intrigued me

330

00:16:42,180 --> 00:16:40,360

about the crystal skulls were the ones

331

00:16:46,170 --> 00:16:42,190

you know around the turn of the century

332

00:16:49,410 --> 00:16:46,180

and you know the things that followed

333

00:16:54,540 --> 00:16:49,420

them some things good something's bad

334

00:16:57,050 --> 00:16:54,550

some things just disastrous but and and

335

00:16:59,730 --> 00:16:57,060

and I don't remember which museum it is

336

00:17:02,340 --> 00:16:59,740

that says they have the original Crystal

337

00:17:04,500 --> 00:17:02,350

Skull now you know you can buy the

338

00:17:07,319 --> 00:17:04,510

crystal skulls off a bottle of vodka oh

339

00:17:09,210 --> 00:17:07,329

yeah yeah I mean so I mean there's a lot

340

00:17:13,020 --> 00:17:09,220

of crystal skulls on you pretty much buy

341

00:17:14,730 --> 00:17:13,030

them anywhere but I would really like to

342

00:17:16,289 --> 00:17:14,740

find more information out on the

343

00:17:19,159 --> 00:17:16,299

original the one that was originally

344

00:17:21,659 --> 00:17:19,169

found and I just can't ever find what

345

00:17:25,380 --> 00:17:21,669

museum it went into or if it's even in

346

00:17:28,140 --> 00:17:25,390

that museum anymore well no I mean there

347

00:17:32,640 --> 00:17:28,150

there was the original one that was

348

00:17:34,200 --> 00:17:32,650

found by and his name escapes me now but

349

00:17:38,900 --> 00:17:34,210

his daughter had found it because she

350

00:17:42,030 --> 00:17:38,910

was with him and that was back and then

351

00:17:44,190 --> 00:17:42,040

early part of the last century of anyway

352

00:17:46,860 --> 00:17:44,200

I don't even know where that one's that

353

00:17:49,650 --> 00:17:46,870

I I don't know it got lost or it's in a

354

00:17:53,190 --> 00:17:49,660

museum somewhere it's part of somebody's

355

00:17:58,470 --> 00:17:53,200

collection or where it's at but the you

356

00:18:00,600 --> 00:17:58,480

know these crystal skulls you know one

357

00:18:03,450 --> 00:18:00,610

pops up every once in a while but you

358

00:18:06,210 --> 00:18:03,460

know you got a Wonder book well you know

359

00:18:08,340 --> 00:18:06,220

are these things original or you know

360

00:18:10,320 --> 00:18:08,350

are they reproductions or what what's

361

00:18:13,200 --> 00:18:10,330

going on you know they're there's a lot

362

00:18:18,390 --> 00:18:13,210

of reproductions of this these artifacts

363

00:18:23,520 --> 00:18:18,400

down in South America and you know this

364

00:18:25,409 --> 00:18:23,530

this whole crystal skull thing is just I

365

00:18:28,919 --> 00:18:25,419

don't know eight it's just kind of hard

366

00:18:30,570 --> 00:18:28,929

to to figure out maybe I need to get

367

00:18:33,289 --> 00:18:30,580

somebody on the show to talk about it

368

00:18:35,700 --> 00:18:33,299

sometime well yeah I mean the

369

00:18:38,909 --> 00:18:35,710

information was very scant to begin with

370

00:18:42,390 --> 00:18:38,919

on the Crystal Skull and and you know

371

00:18:44,820 --> 00:18:42,400

it's been copied and recopied and it's

372

00:18:49,290 --> 00:18:44,830

been in movies and everything else or

373

00:18:51,990 --> 00:18:49,300

eons but the original stories of the

374

00:18:53,260 --> 00:18:52,000

Crystal Skull were they were intriguing

375

00:18:55,060 --> 00:18:53,270

because

376

00:19:00,370 --> 00:18:55,070

you know it depended on if the skull

377

00:19:02,200 --> 00:19:00,380

basically like you or not you know if it

378

00:19:05,850 --> 00:19:02,210

you know good things could happen to you

379

00:19:08,890 --> 00:19:05,860

if you were in touch with the skull and

380

00:19:10,420 --> 00:19:08,900

then on the other hand really bad things

381

00:19:13,000 --> 00:19:10,430

could happen to you the skull didn't

382

00:19:16,810 --> 00:19:13,010

like you they say but you know it makes

383

00:19:19,510 --> 00:19:16,820

you wonder how many artifacts from down

384

00:19:21,940 --> 00:19:19,520

south or overseas you know especially in

385

00:19:24,340 --> 00:19:21,950

the South you know Southeast Asia and

386

00:19:25,960 --> 00:19:24,350

and you know they're finding stuff every

387

00:19:28,900 --> 00:19:25,970

and pretty much every month now they're

388

00:19:32,650 --> 00:19:28,910

finding a new city down in South America

389

00:19:37,360 --> 00:19:32,660

yeah Incas and stuff like that but you

390

00:19:39,070 --> 00:19:37,370

know and you know there was a read an

391

00:19:41,200 --> 00:19:39,080

article and a long column we've got a

392

00:19:44,650 --> 00:19:41,210

long time ago where there was uh one of

393

00:19:47,770 --> 00:19:44,660

the it was originally an Inca city but

394

00:19:48,930 --> 00:19:47,780

it was taken over by another tribe that

395

00:19:55,080 --> 00:19:48,940

didn't last long either

396

00:19:58,090 --> 00:19:55,090

but they had a jade snake large Jade and

397

00:19:59,170 --> 00:19:58,100

they said the worst was and you know it

398

00:20:01,210 --> 00:19:59,180

was worth millions and millions and

399

00:20:04,030 --> 00:20:01,220

millions of dollars and it was in a

400

00:20:06,100 --> 00:20:04,040

museum in South America for many many

401  
00:20:11,980 --> 00:20:06,110  
many years I mean was it was found it

402  
00:20:15,130 --> 00:20:11,990  
was found back in the late 1800s and guy

403  
00:20:16,930 --> 00:20:15,140  
who was doing a book on it and went

404  
00:20:18,400 --> 00:20:16,940  
review it and take some pictures that

405  
00:20:22,510 --> 00:20:18,410  
ain't there anymore it hasn't been there

406  
00:20:24,790 --> 00:20:22,520  
for a long time so again he often wonder

407  
00:20:26,770 --> 00:20:24,800  
you know how much these collectors pay

408  
00:20:28,180 --> 00:20:26,780  
for stuff like that and you know they're

409  
00:20:29,920 --> 00:20:28,190  
never going to share it because if they

410  
00:20:34,720 --> 00:20:29,930  
shared they'll you know it's been stolen

411  
00:20:38,410 --> 00:20:34,730  
or whatever yeah what that make I you

412  
00:20:40,630 --> 00:20:38,420  
know I used to talk a lot about the well

413  
00:20:42,820 --> 00:20:40,640

you know I used to talk a lot about this

414

00:20:46,090 --> 00:20:42,830

with with Lloyd Pye when he was still

415

00:20:51,190 --> 00:20:46,100

around yeah of course he's the he he was

416

00:20:55,350 --> 00:20:51,200

involved with the the Starchild skull

417

00:21:00,340 --> 00:20:55,360

Wainwright does so many other things and

418

00:21:03,730 --> 00:21:00,350

he had had me talked to Brian Forster at

419

00:21:06,400 --> 00:21:03,740

one point a Brien Foerster has been down

420

00:21:12,640 --> 00:21:10,210

looking at these these elongated skulls

421

00:21:16,270 --> 00:21:12,650

and some of the in trying to figure out

422

00:21:20,110 --> 00:21:16,280

what all that's about for for a long

423

00:21:22,140 --> 00:21:20,120

time now I mean you know so I'm I had to

424

00:21:27,730 --> 00:21:22,150

try to get him on the show at some point

425

00:21:32,590 --> 00:21:27,740

he he seems to be the expert in this now

426  
00:21:35,910 --> 00:21:32,600  
and but you know they they seem to be

427  
00:21:38,670 --> 00:21:35,920  
coming up of all kinds of different

428  
00:21:47,760 --> 00:21:38,680  
archaeological finds as far as you know

429  
00:21:53,940 --> 00:21:51,370  
anthropological finds these mummies and

430  
00:21:57,460 --> 00:21:53,950  
such so you know it's pretty remarkable

431  
00:21:59,890 --> 00:21:57,470  
these mummies they find in the in these

432  
00:22:02,830 --> 00:21:59,900  
in the mountains of these for the most

433  
00:22:04,900 --> 00:22:02,840  
part they're children but they look like

434  
00:22:08,140 --> 00:22:04,910  
they died yesterday I mean it's Channel

435  
00:22:12,310 --> 00:22:08,150  
yeah well yeah the weather and the

436  
00:22:14,290 --> 00:22:12,320  
dryness and the cold I do you know who

437  
00:22:16,000 --> 00:22:14,300  
took over the star child investigation

438  
00:22:20,020 --> 00:22:16,010

from when they after Lloyd died yeah

439

00:22:24,490 --> 00:22:20,030

when he passed away it was the found it

440

00:22:27,340 --> 00:22:24,500

was actually a foundation who who took

441

00:22:31,720 --> 00:22:27,350

it over and it was part of what Lloyd

442

00:22:34,150 --> 00:22:31,730

had started and the gentleman we

443

00:22:37,480 --> 00:22:34,160

actually had the gentleman on our radio

444

00:22:39,220 --> 00:22:37,490

on the radio show I don't know if it

445

00:22:41,650 --> 00:22:39,230

would be with beyond the edge or when

446

00:22:45,340 --> 00:22:41,660

women with arcane but I had talked it we

447

00:22:48,820 --> 00:22:45,350

had talked to him and I mean they were

448

00:22:50,290 --> 00:22:48,830

continuing the research but I'll be

449

00:22:53,410 --> 00:22:50,300

honest with you I haven't heard a lot

450

00:22:58,380 --> 00:22:53,420

about it recently yeah so I don't know

451  
00:23:03,580 --> 00:22:58,390  
if you know I don't know to what extent

452  
00:23:06,060 --> 00:23:03,590  
that is going to you know when Lloyd was

453  
00:23:10,300 --> 00:23:06,070  
alive he was I mean he was out there

454  
00:23:13,450 --> 00:23:10,310  
looking for funding everywhere yeah and

455  
00:23:14,800 --> 00:23:13,460  
you know when he got sick he just you

456  
00:23:17,620 --> 00:23:14,810  
know just couldn't do it anymore so he

457  
00:23:20,050 --> 00:23:17,630  
had a he had this you know I guess he

458  
00:23:22,360 --> 00:23:20,060  
had started this foundation and then

459  
00:23:24,460 --> 00:23:22,370  
took it over so maybe that's something I

460  
00:23:26,680 --> 00:23:24,470  
need to look into and see maybe I get

461  
00:23:28,750 --> 00:23:26,690  
somebody on there talk about that at

462  
00:23:32,950 --> 00:23:28,760  
this point well you're giving me good

463  
00:23:34,900 --> 00:23:32,960

ideas man forget them but that you know

464

00:23:37,030 --> 00:23:34,910

that that really is that's that's that

465

00:23:39,790 --> 00:23:37,040

whole that's really great research that

466

00:23:40,750 --> 00:23:39,800

he was doing I mean there I know there

467

00:23:42,490 --> 00:23:40,760

were a number of people who tried to

468

00:23:45,940 --> 00:23:42,500

shoot it down but they lost and he won

469

00:23:48,700 --> 00:23:45,950

so that's a good thing

470

00:23:51,670 --> 00:23:48,710

there's way too many hoaxes out there

471

00:23:56,970 --> 00:23:51,680

now so I like I like when they get this

472

00:24:01,750 --> 00:23:56,980

proven or shot down but his his work

473

00:24:02,260 --> 00:24:01,760

just you know well you know here's a

474

00:24:03,790 --> 00:24:02,270

stir

475

00:24:06,910 --> 00:24:03,800

you know noise story is pretty

476

00:24:10,390 --> 00:24:06,920

interesting he was actually he actually

477

00:24:13,890 --> 00:24:10,400

starting out hunting for Bigfoot and and

478

00:24:17,020 --> 00:24:13,900

he was um he was an anthropologist

479

00:24:19,900 --> 00:24:17,030

basically and was into some archeology

480

00:24:23,800 --> 00:24:19,910

so you know he was actually scientists

481

00:24:27,580 --> 00:24:23,810

but you know when when this this skull

482

00:24:30,600 --> 00:24:27,590

was found down in Mexico he he really

483

00:24:34,890 --> 00:24:30,610

took upon that took it upon himself to

484

00:24:37,840 --> 00:24:34,900

find out what this thing really was so

485

00:24:40,540 --> 00:24:37,850

yeah and that's what he did he was he

486

00:24:45,160 --> 00:24:40,550

was out he was actually writing books to

487

00:24:47,740 --> 00:24:45,170

fund it and as well he was he was out

488

00:24:55,150 --> 00:24:47,750

there looking for research funds until

489

00:25:01,960 --> 00:24:55,160

the day died quite frankly yeah it just

490

00:25:05,500 --> 00:25:01,970

seems like those guys like he was a good

491

00:25:07,480 --> 00:25:05,510

guy he really was I mean we had we we

492

00:25:09,490 --> 00:25:07,490

would spend hours talking on the phone I

493

00:25:13,330 --> 00:25:09,500

mean even he was a great guy to talk to

494

00:25:16,720 --> 00:25:13,340

it and I I hate him on the show at least

495

00:25:19,870 --> 00:25:16,730

three or four times so yeah you know he

496

00:25:21,970 --> 00:25:19,880

was he was he was pretty good and I do

497

00:25:25,150 --> 00:25:21,980

miss him because we talked about a lot

498

00:25:28,600 --> 00:25:25,160

of different things he he actually was a

499

00:25:31,249 --> 00:25:28,610

real big proponent of the panspermia

500

00:25:33,450 --> 00:25:31,259

theory as well

501

00:25:35,239 --> 00:25:33,460

you know he had a lot of different

502

00:25:43,109 --> 00:25:35,249

theories on a lot of different things

503

00:25:47,099 --> 00:25:43,119

mm-hmm well you know I've been watching

504

00:25:48,960 --> 00:25:47,109

cattle mutilations to only guns you know

505

00:25:53,310 --> 00:25:48,970

there's a couple of those have popped up

506

00:25:55,469 --> 00:25:53,320

lately yeah I know I know her colleague

507

00:25:58,710 --> 00:25:55,479

out in western Pennsylvania said he had

508

00:26:00,539 --> 00:25:58,720

one but he couldn't he couldn't get any

509

00:26:03,060 --> 00:26:00,549

follow-up out there I wonder what that

510

00:26:04,919 --> 00:26:03,070

was all about you know it's very rare we

511

00:26:07,109 --> 00:26:04,929

get one in the state of Pennsylvania but

512

00:26:09,029 --> 00:26:07,119

um there's uh you know there's never

513

00:26:14,009 --> 00:26:09,039

been one recorded in Pennsylvania is

514

00:26:16,619 --> 00:26:14,019

that right yep I know there was when I

515

00:26:18,629 --> 00:26:16,629

started doing human mutilations and so

516

00:26:22,129 --> 00:26:18,639

which came from Kavanaugh relations got

517

00:26:26,310 --> 00:26:22,139

me into human mutilations and a

518

00:26:28,289 --> 00:26:26,320

researcher said that the first cattle

519

00:26:29,909 --> 00:26:28,299

mutilations were in Pennsylvania but

520

00:26:32,849 --> 00:26:29,919

there weren't really cattle mutilations

521

00:26:35,159 --> 00:26:32,859

they were pig mutilations and they gave

522

00:26:38,249 --> 00:26:35,169

enough information that we actually

523

00:26:45,839 --> 00:26:38,259

found the pig farm is everything yep and

524

00:26:47,940 --> 00:26:45,849

a 300 mutilated pigs was greeted from

525

00:26:52,739 --> 00:26:47,950

the farmer to me as like what the hell

526

00:26:54,149 --> 00:26:52,749

are you talking about you know so I

527

00:26:55,499 --> 00:26:54,159

after I told the story just look at me

528

00:26:56,580 --> 00:26:55,509

shook his head he says well you want to

529

00:26:57,839 --> 00:26:56,590

go over look at the pig he said they're

530

00:26:59,460 --> 00:26:57,849

over there I would like that all right

531

00:27:02,219 --> 00:26:59,470

I'm out of here

532

00:27:05,369 --> 00:27:02,229

but no I couldn't find one recorded

533

00:27:07,739 --> 00:27:05,379

calculation in Pennsylvania and and now

534

00:27:11,519 --> 00:27:07,749

the there's one or two that are popped

535

00:27:14,310 --> 00:27:11,529

up in the state but again there's either

536

00:27:17,339 --> 00:27:14,320

no location or nobody went to view the

537

00:27:20,129 --> 00:27:17,349

carcass no samples were taken you know I

538

00:27:22,349 --> 00:27:20,139

mean all of the silly stuff that we do

539

00:27:25,229 --> 00:27:22,359

to get that information started wasn't

540

00:27:27,749 --> 00:27:25,239

done so you know I take it from the

541

00:27:29,940 --> 00:27:27,759

category of a possible cab mutilation I

542

00:27:32,190 --> 00:27:29,950

put it in on the other side of the

543

00:27:36,719 --> 00:27:32,200

ledger that says like just a great story

544

00:27:40,140 --> 00:27:36,729

you know but and and it's not like

545

00:27:43,299 --> 00:27:40,150

people don't know who to call you know

546

00:27:45,460 --> 00:27:43,309

well I mean if we just take enough time

547

00:27:49,480 --> 00:27:45,470

to look forward to find us I mean we're

548

00:27:51,700 --> 00:27:49,490

out there everywhere now yeah so I mean

549

00:27:54,610 --> 00:27:51,710

then if they if they need help they knew

550

00:27:57,430 --> 00:27:54,620

who to call yeah I mean it ain't like

551  
00:27:59,049 --> 00:27:57,440  
you know I moved off the planet I moved

552  
00:28:04,270 --> 00:27:59,059  
to I moved to another County I didn't

553  
00:28:07,840 --> 00:28:04,280  
move all right you know and we all been

554  
00:28:11,590 --> 00:28:07,850  
on the move lately like we're gonna stay

555  
00:28:13,630 --> 00:28:11,600  
it anyway so you know I had somebody

556  
00:28:17,260 --> 00:28:13,640  
asked me the other day about Todd sees

557  
00:28:19,299 --> 00:28:17,270  
in the case and going on there why don't

558  
00:28:22,240 --> 00:28:19,309  
you give us an update you have any new

559  
00:28:25,690 --> 00:28:22,250  
or hurrying oh we're still we're still

560  
00:28:29,919 --> 00:28:25,700  
stuck on you know the information we got

561  
00:28:33,730 --> 00:28:29,929  
from the state trooper you know I'm

562  
00:28:36,700 --> 00:28:33,740  
trying to find some connecting issue

563  
00:28:38,200 --> 00:28:36,710

with what his troopers reported to him

564

00:28:41,830 --> 00:28:38,210

when they get back to the barracks

565

00:28:43,690 --> 00:28:41,840

and you know anything seen in that

566

00:28:48,730 --> 00:28:43,700

particular area at that particular time

567

00:28:50,770 --> 00:28:48,740

and then you know still trying to locate

568

00:28:54,280 --> 00:28:50,780

some family members that seem to like

569

00:28:55,600 --> 00:28:54,290

fell off the planet you know and but

570

00:28:58,330 --> 00:28:55,610

that's the way this whole case has been

571

00:29:00,940 --> 00:28:58,340

you know we go we go for a year or two

572

00:29:02,320 --> 00:29:00,950

and we don't get anything and then all

573

00:29:04,210 --> 00:29:02,330

of a sudden you know somebody sends an

574

00:29:06,910 --> 00:29:04,220

email or somebody contacts me by phone

575

00:29:08,740 --> 00:29:06,920

or in or something like that and then

576

00:29:11,080 --> 00:29:08,750

you know we're off and running again so

577

00:29:12,250 --> 00:29:11,090

it's just the way it is I mean that case

578

00:29:15,970 --> 00:29:12,260

has always been like that

579

00:29:19,030 --> 00:29:15,980

mm-hmm you know we'll go for you know a

580

00:29:20,560 --> 00:29:19,040

long time but not a thing and then all

581

00:29:23,140 --> 00:29:20,570

of a sudden there's there's more

582

00:29:25,270 --> 00:29:23,150

information to follow up on or or or

583

00:29:27,370 --> 00:29:25,280

here's here's something that we didn't

584

00:29:29,620 --> 00:29:27,380

even know of or some person that might

585

00:29:32,169 --> 00:29:29,630

have been at the scene you know when

586

00:29:34,080 --> 00:29:32,179

when he was found you know it that's

587

00:29:36,850 --> 00:29:34,090

that stuff that's the part that that

588

00:29:38,640 --> 00:29:36,860

this case is just it makes you crazy

589

00:29:40,930 --> 00:29:38,650

because and I look at this case

590

00:29:44,080 --> 00:29:40,940

religiously every month I go through

591

00:29:45,460 --> 00:29:44,090

this case oh I mean you know and I'm you

592

00:29:48,430 --> 00:29:45,470

know trying to see if there's anything

593

00:29:51,130 --> 00:29:48,440

that I missed or for God or trying to

594

00:29:53,340 --> 00:29:51,140

make a connection with and I keep coming

595

00:29:55,680 --> 00:29:53,350

up just where I'm at right now

596

00:29:57,029 --> 00:29:55,690

and then you know then I'll get like an

597

00:30:00,180 --> 00:29:57,039

email with some information that I

598

00:30:01,710 --> 00:30:00,190

didn't have any idea about but that

599

00:30:03,090 --> 00:30:01,720

that's the way this case has been it's

600

00:30:06,629 --> 00:30:03,100

always going to be that way too until

601  
00:30:08,029 --> 00:30:06,639  
the you know till we come up with an

602  
00:30:11,940 --> 00:30:08,039  
answer

603  
00:30:13,470 --> 00:30:11,950  
yeah and it could be a lot of things you

604  
00:30:16,200 --> 00:30:13,480  
know what else when I wrote the last

605  
00:30:19,860 --> 00:30:16,210  
book you know yeah I put a lot of stuff

606  
00:30:21,600 --> 00:30:19,870  
in there about what you know I found and

607  
00:30:27,330 --> 00:30:21,610  
what I you know what we've been Greek

608  
00:30:30,539 --> 00:30:27,340  
finding since then and you know there

609  
00:30:34,049 --> 00:30:30,549  
there are so many so many questions

610  
00:30:39,629 --> 00:30:34,059  
about this thing that just I won't say

611  
00:30:42,210 --> 00:30:39,639  
they haunt me but uh yeah I gotta say I

612  
00:30:44,639 --> 00:30:42,220  
from the you know I'd say that we

613  
00:30:47,879 --> 00:30:44,649

started looking at together after about

614

00:30:49,740 --> 00:30:47,889

a year and a half or two years and we've

615

00:30:53,940 --> 00:30:49,750

been working on this together now since

616

00:30:55,049 --> 00:30:53,950

what 2013 I know you've been doing it

617

00:31:01,019 --> 00:30:55,059

longer than that

618

00:31:04,379 --> 00:31:01,029

but yeah I I'm still convinced that this

619

00:31:07,320 --> 00:31:04,389

was an actual abduction I really am I

620

00:31:09,600 --> 00:31:07,330

mean there's just too much there in my

621

00:31:11,519 --> 00:31:09,610

opinion not on how you feel about I

622

00:31:15,379 --> 00:31:11,529

think I know how you feel but I think

623

00:31:17,690 --> 00:31:15,389

that there are just too many unanswered

624

00:31:21,450 --> 00:31:17,700

questions and there are just too many

625

00:31:25,470 --> 00:31:21,460

false facts that have false leads I have

626

00:31:29,009 --> 00:31:25,480

been added to the story - - in an

627

00:31:32,299 --> 00:31:29,019

attempt to cover up the truth which

628

00:31:37,009 --> 00:31:32,309

which you know I agree I mean you know

629

00:31:42,139 --> 00:31:40,019

like you know what you're saying about

630

00:31:45,690 --> 00:31:42,149

the hugging abduction gone bad or

631

00:31:48,840 --> 00:31:45,700

somebody had it in foreign or they're

632

00:31:50,970 --> 00:31:48,850

just a lot of things misinformation it

633

00:31:53,460 --> 00:31:50,980

was fed to us by people that were in the

634

00:31:54,810 --> 00:31:53,470

know marner Police Fire Department I

635

00:31:55,169 --> 00:31:54,820

mean everybody that was there and lied

636

00:31:58,320 --> 00:31:55,179

to us

637

00:32:01,320 --> 00:31:58,330

mm-hmm only the only thing on that pair

638

00:32:03,539 --> 00:32:01,330

every time I get done and I start to get

639

00:32:05,730 --> 00:32:03,549

a headache i pat myself on the back and

640

00:32:06,780 --> 00:32:05,740

I'm so thankful that in the very very

641

00:32:09,150 --> 00:32:06,790

beginning

642

00:32:10,800 --> 00:32:09,160

I made sure that everything I got from

643

00:32:16,700 --> 00:32:10,810

whoever I talked to or whatever

644

00:32:19,980 --> 00:32:16,710

information I got was in writing yeah

645

00:32:21,840 --> 00:32:19,990

email letters photograph I mean

646

00:32:23,550 --> 00:32:21,850

everything I got there's nothing like

647

00:32:24,690 --> 00:32:23,560

coroner can't back out of what he said

648

00:32:29,010 --> 00:32:24,700

to me cuz I got it on his letterhead

649

00:32:32,760 --> 00:32:29,020

sure you know just you know phone calls

650

00:32:39,480 --> 00:32:32,770

were documented you know that stuff was

651  
00:32:43,080 --> 00:32:39,490  
wrong all right on the money and so I

652  
00:32:46,620 --> 00:32:43,090  
just want to it's just a couple little

653  
00:32:51,450 --> 00:32:46,630  
things that bothered me a lot especially

654  
00:32:54,900 --> 00:32:51,460  
the one with the trooper and and then

655  
00:32:56,790 --> 00:32:54,910  
we've talked and and you know he he give

656  
00:32:59,670 --> 00:32:56,800  
us a burning a pretty good rendition of

657  
00:33:02,690 --> 00:32:59,680  
what his troopers came and told him that

658  
00:33:04,920 --> 00:33:02,700  
the day that had taught the spirit but I

659  
00:33:06,960 --> 00:33:04,930  
got to make some more connections there

660  
00:33:08,910 --> 00:33:06,970  
because I'm trying to find out if there

661  
00:33:10,560 --> 00:33:08,920  
was if it did happen the way they said

662  
00:33:15,000 --> 00:33:10,570  
it happened there's gonna be a paper

663  
00:33:19,050 --> 00:33:15,010

trail and right now I can't get that

664

00:33:20,910 --> 00:33:19,060

paper trail so I'm kind of I I gave him

665

00:33:22,170 --> 00:33:20,920

another month you know to think about it

666

00:33:25,830 --> 00:33:22,180

and if he doesn't then I'm gonna file a

667

00:33:28,920 --> 00:33:25,840

FOIA request and see if it actually

668

00:33:30,450 --> 00:33:28,930

happened the way or if that transpired

669

00:33:34,350 --> 00:33:30,460

to put those troopers in that location

670

00:33:38,280 --> 00:33:34,360

that particular night and time and we'll

671

00:33:43,260 --> 00:33:38,290

see yeah it's really all you can do well

672

00:33:45,510 --> 00:33:43,270

yeah and I don't know I you know I keep

673

00:33:48,600 --> 00:33:45,520

keep going back and looking at this

674

00:33:49,950 --> 00:33:48,610

thing you know AK you know I keep and

675

00:33:53,880 --> 00:33:49,960

every one somewhere else something else

676  
00:33:56,520 --> 00:33:53,890  
will stick out like for instance you

677  
00:33:59,100 --> 00:33:56,530  
know we've got the witnesses who stated

678  
00:34:02,760 --> 00:33:59,110  
and hopefully they're they're truthful

679  
00:34:05,190 --> 00:34:02,770  
statements of seeing something being

680  
00:34:10,169 --> 00:34:05,200  
pulled up into this large disc craft up

681  
00:34:15,150 --> 00:34:10,179  
on them riding the ridge right now when

682  
00:34:19,409 --> 00:34:15,160  
his body was found or let's put it this

683  
00:34:21,020 --> 00:34:19,419  
way in the coroner's report his body had

684  
00:34:27,649 --> 00:34:21,030  
a lot of scratches on

685  
00:34:30,240 --> 00:34:27,659  
mmm-hmm now the wait it seems to me was

686  
00:34:32,220 --> 00:34:30,250  
he was trying I think he was trying to

687  
00:34:36,000 --> 00:34:32,230  
run away from whatever was up there

688  
00:34:38,250 --> 00:34:36,010

trying to grab him it was a bhima lair

689

00:34:40,680 --> 00:34:38,260

maybe there were some entities out there

690

00:34:42,589 --> 00:34:40,690

chasing him around but he got up there

691

00:34:46,169 --> 00:34:42,599

and that brush and got himself tore up

692

00:34:47,940 --> 00:34:46,179

I'm fine sure that's what happened but

693

00:34:50,040 --> 00:34:47,950

there's there's there's a there's a

694

00:34:53,520 --> 00:34:50,050

there's a little booger boo to that in

695

00:34:54,720 --> 00:34:53,530

the autopsy report now being up there

696

00:34:57,930 --> 00:34:54,730

and seeing that land

697

00:35:01,260 --> 00:34:57,940

I mean it's rocky and sharp and you know

698

00:35:03,900 --> 00:35:01,270

I I mean it's just you can't walk across

699

00:35:07,079 --> 00:35:03,910

there in good hunting boots that hurt

700

00:35:10,290 --> 00:35:07,089

your feet right now he would have had to

701  
00:35:13,710 --> 00:35:10,300  
run or walk or stagger whatever from the

702  
00:35:16,950 --> 00:35:13,720  
the ATV which was one mile away to where

703  
00:35:21,780 --> 00:35:16,960  
the body was found and in the autopsy

704  
00:35:24,630 --> 00:35:21,790  
report the heels the backs of his heels

705  
00:35:27,270 --> 00:35:24,640  
of his white socks were dirty but his

706  
00:35:29,250 --> 00:35:27,280  
feet and bottom of the socks were

707  
00:35:30,630 --> 00:35:29,260  
unremarkable which meant they weren't

708  
00:35:35,250 --> 00:35:30,640  
scratched they weren't cut and neither

709  
00:35:38,579 --> 00:35:35,260  
were the socks oh well now first if

710  
00:35:39,900 --> 00:35:38,589  
that's the case let's just say he was he

711  
00:35:43,410 --> 00:35:39,910  
didn't have his heel stuck to the ground

712  
00:35:46,260 --> 00:35:43,420  
was being dragged exactly yeah

713  
00:35:48,030 --> 00:35:46,270

I mean like maybe there was a beam

714

00:35:51,329 --> 00:35:48,040

pulling him or something this old name

715

00:35:55,430 --> 00:35:51,339

of boning yeah could be

716

00:35:58,650 --> 00:35:55,440

you know I even think about that yeah

717

00:36:03,170 --> 00:35:58,660

well you know like I said I I still

718

00:36:09,390 --> 00:36:03,180

believe that he was taken at some point

719

00:36:13,710 --> 00:36:09,400

he was kept for at least I don't know a

720

00:36:16,099 --> 00:36:13,720

day and a half or so wherever they took

721

00:36:19,079 --> 00:36:16,109

him because the craft wasn't still there

722

00:36:19,800 --> 00:36:19,089

you know they came back with him at some

723

00:36:22,230 --> 00:36:19,810

point

724

00:36:24,150 --> 00:36:22,240

and they were walking past the body they

725

00:36:26,160 --> 00:36:24,160

were walking past the body location for

726

00:36:28,770 --> 00:36:26,170

almost two days sure I mean that you

727

00:36:30,510 --> 00:36:28,780

know if he was there they had a you know

728

00:36:32,820 --> 00:36:30,520

did a discovered him because it was

729

00:36:35,690 --> 00:36:32,830

right there underneath that tree and

730

00:36:37,770 --> 00:36:35,700

that guy and

731

00:36:40,770 --> 00:36:37,780

people you know all these people were

732

00:36:45,390 --> 00:36:40,780

walking past there every damn day still

733

00:36:48,319 --> 00:36:45,400

away yeah so he got dropped off but

734

00:36:51,300 --> 00:36:48,329

unfortunately got dropped all dead

735

00:36:51,690 --> 00:36:51,310

unfortunately so you know No we'll keep

736

00:36:56,910 --> 00:36:51,700

looking

737

00:37:03,349 --> 00:36:56,920

well I mean you know in the big question

738

00:37:09,290 --> 00:37:03,359

is this is this is this a landmark case

739

00:37:12,480 --> 00:37:09,300

to where an actual death occurred Oh

740

00:37:17,700 --> 00:37:12,490

during an abduction and the body was

741

00:37:20,069 --> 00:37:17,710

recovered hmm is that could be that what

742

00:37:21,030 --> 00:37:20,079

is that what happened is that it Asli

743

00:37:24,180 --> 00:37:21,040

what happened

744

00:37:28,470 --> 00:37:24,190

yeah could be because all indications

745

00:37:31,349 --> 00:37:28,480

are to me and what I think is when the

746

00:37:35,430 --> 00:37:31,359

body was recovered it was kept away from

747

00:37:37,829 --> 00:37:35,440

the family from seeing it and we don't

748

00:37:42,480 --> 00:37:37,839

even know if the body was even returned

749

00:37:48,720 --> 00:37:42,490

to them because it wasn't returned in a

750

00:37:51,210 --> 00:37:48,730

sealed lead casket of some type and they

751

00:37:53,160 --> 00:37:51,220

weren't allowed to look at it yeah I I

752

00:37:55,710 --> 00:37:53,170

think most of that though it was the

753

00:38:00,750 --> 00:37:55,720

condition of the body well that may be

754

00:38:04,530 --> 00:38:00,760

either he was he was really into I mean

755

00:38:05,790 --> 00:38:04,540

you know he it was not something you'd

756

00:38:07,349 --> 00:38:05,800

have an open casket to because they

757

00:38:09,030 --> 00:38:07,359

wouldn't recognized him anyway I mean

758

00:38:11,010 --> 00:38:09,040

yeah bad the purification the

759

00:38:12,180 --> 00:38:11,020

purification was well advanced what it

760

00:38:15,690 --> 00:38:12,190

should have been that's the other thing

761

00:38:19,109 --> 00:38:15,700

well not only that but you know the the

762

00:38:21,150 --> 00:38:19,119

reason I say that is you know some

763

00:38:24,089 --> 00:38:21,160

people would want to see the body

764

00:38:26,099 --> 00:38:24,099

regardless how bad it is right but they

765

00:38:33,829 --> 00:38:26,109

weren't given an opportunity to do that

766

00:38:36,270 --> 00:38:33,839

no they were told not to look at it yeah

767

00:38:38,339 --> 00:38:36,280

and another thing was when we tried to

768

00:38:41,579 --> 00:38:38,349

pin down who actually found the body

769

00:38:43,650 --> 00:38:41,589

my for different people said that first

770

00:38:45,990 --> 00:38:43,660

it was the Sun then it was the chief of

771

00:38:47,779 --> 00:38:46,000

police then it was the corner and then

772

00:38:51,879 --> 00:38:47,789

it was one of the firemen

773

00:38:56,239 --> 00:38:51,889

so which one was it who identified you

774

00:38:59,329 --> 00:38:56,249

yeah I know yeah that's that's a big

775

00:39:01,039 --> 00:38:59,339

question - I mean and another thing why

776

00:39:02,499 --> 00:39:01,049

was the body taking over across the

777

00:39:11,299 --> 00:39:02,509

state

778

00:39:15,079 --> 00:39:11,309

downtown yeah you know anyway we got

779

00:39:19,309 --> 00:39:15,089

people asking about the the the winged

780

00:39:22,429 --> 00:39:19,319

humanoid reports III suppose they said

781

00:39:25,579 --> 00:39:22,439

Ross is saying here do I think the large

782

00:39:27,889 --> 00:39:25,589

bat report that you got on the blog can

783

00:39:30,259 --> 00:39:27,899

resolve the winged humanoid reports not

784

00:39:32,089 --> 00:39:30,269

and nothing gonna resolve this for a

785

00:39:35,539 --> 00:39:32,099

while I'm quite sure that that last that

786

00:39:39,759 --> 00:39:35,549

report he's referring to was from 2011

787

00:39:45,799 --> 00:39:42,319

now there was one I got a posted

788

00:39:49,579 --> 00:39:45,809

yesterday for southern Illinois from the

789

00:39:51,620 --> 00:39:49,589

midden the mid-90s now of course these

790

00:39:54,409 --> 00:39:51,630

are new reports these are older reports

791

00:39:56,329 --> 00:39:54,419

and and I do I do want to get older

792

00:39:59,509 --> 00:39:56,339

reports because I'm gonna get a better

793

00:40:01,339 --> 00:39:59,519

idea of what this whole phenomena is so

794

00:40:04,399 --> 00:40:01,349

we you know we do know at this point

795

00:40:07,339 --> 00:40:04,409

that this thing has been seen or these

796

00:40:11,749 --> 00:40:07,349

things have been seen for a quite a long

797

00:40:15,259 --> 00:40:11,759

time now sure but that you know people

798

00:40:17,389 --> 00:40:15,269

over the past eight nine years are

799

00:40:19,399 --> 00:40:17,399

starting to report them to the point

800

00:40:22,489 --> 00:40:19,409

that you know we're getting a whole

801  
00:40:25,099 --> 00:40:22,499  
swath of them now and now we're getting

802  
00:40:28,609 --> 00:40:25,109  
the old reports with and I'll be I'll

803  
00:40:31,399 --> 00:40:28,619  
tell you know I'll tell everybody you

804  
00:40:34,279 --> 00:40:31,409  
know when we get these reports and for

805  
00:40:37,009 --> 00:40:34,289  
the most part it's been myself Tobias

806  
00:40:42,529 --> 00:40:37,019  
and Manuel who have been getting the

807  
00:40:45,499 --> 00:40:42,539  
reports we before we post anything we

808  
00:40:48,469 --> 00:40:45,509  
talk to them if they don't want to talk

809  
00:40:52,819 --> 00:40:48,479  
to us nine times out of ten the reports

810  
00:40:54,799 --> 00:40:52,829  
not everyone I'm almost we're almost at

811  
00:40:57,559 --> 00:40:54,809  
the point now that we are requiring

812  
00:41:00,649 --> 00:40:57,569  
everybody to talk to us to get some

813  
00:41:02,120 --> 00:41:00,659

different some type of verification and

814

00:41:04,099 --> 00:41:02,130

it's usually

815

00:41:07,220 --> 00:41:04,109

multiple interviews with more than one

816

00:41:12,079 --> 00:41:07,230

of us so you know at this point now

817

00:41:13,880 --> 00:41:12,089

that's what we need to do you know you

818

00:41:15,440 --> 00:41:13,890

know I you know I don't know how far

819

00:41:17,539 --> 00:41:15,450

we're we're gonna get to trying to

820

00:41:20,779 --> 00:41:17,549

figure out what this is you know that

821

00:41:25,160 --> 00:41:20,789

report that we got a couple of weeks ago

822

00:41:27,440 --> 00:41:25,170

of the the flying being along with the

823

00:41:31,819 --> 00:41:27,450

the gray and and the two humanoid

824

00:41:36,410 --> 00:41:31,829

females I don't know what to even think

825

00:41:39,589 --> 00:41:36,420

about that yet you know I I don't know

826

00:41:42,049 --> 00:41:39,599

you know first thing you gotta ask is is

827

00:41:43,579 --> 00:41:42,059

something similar to that then

828

00:41:46,249 --> 00:41:43,589

associated with some of the other

829

00:41:51,700 --> 00:41:46,259

reports that were received but nobody

830

00:41:54,230 --> 00:41:51,710

happened to see that happening you know

831

00:41:56,420 --> 00:41:54,240

well you know the fact that we had all

832

00:41:59,890 --> 00:41:56,430

these reports and that report was in

833

00:42:02,630 --> 00:41:59,900

Rosemont as well you know we've had

834

00:42:06,319 --> 00:42:02,640

we've had five reports in the Rosemont

835

00:42:10,210 --> 00:42:06,329

area up into the airport and this last

836

00:42:16,549 --> 00:42:10,220

one that was actually at O'Hare

837

00:42:17,809 --> 00:42:16,559

you got a wonder what you know what you

838

00:42:21,460 --> 00:42:17,819

know there's a suit there's an

839

00:42:24,319 --> 00:42:21,470

association with these other entities

840

00:42:25,849 --> 00:42:24,329

with the other sightings from I don't

841

00:42:28,130 --> 00:42:25,859

know the fact that we're getting all

842

00:42:29,870 --> 00:42:28,140

these reports in the one area like that

843

00:42:32,150 --> 00:42:29,880

is pretty interesting to me

844

00:42:36,680 --> 00:42:32,160

you know week now we did you know during

845

00:42:38,180 --> 00:42:36,690

the flap back in 2017 we did have areas

846

00:42:42,349 --> 00:42:38,190

of the city where there were multiple

847

00:42:44,210 --> 00:42:42,359

reports and in fact the area little

848

00:42:47,359 --> 00:42:44,220

village area which is something I talked

849

00:42:51,620 --> 00:42:47,369

about many times we had eight reports in

850

00:42:53,569 --> 00:42:51,630

that one neighborhood so you know there

851  
00:42:56,089 --> 00:42:53,579  
have been certain neighborhoods in the

852  
00:42:58,940 --> 00:42:56,099  
city and the surrounding area that have

853  
00:43:01,880 --> 00:42:58,950  
had multiple reports Lincoln Park was

854  
00:43:06,289 --> 00:43:01,890  
another there were several areas along

855  
00:43:11,539 --> 00:43:06,299  
the along the lakefront downtown they

856  
00:43:14,079 --> 00:43:11,549  
had sightings some part there was one

857  
00:43:15,840 --> 00:43:14,089  
part of Indiana it had several sightings

858  
00:43:20,990 --> 00:43:15,850  
actually we sell report

859  
00:43:23,160 --> 00:43:21,000  
of Indiana that had several sightings so

860  
00:43:27,750 --> 00:43:23,170  
you know that's that's the one thing

861  
00:43:29,580 --> 00:43:27,760  
we're trying to figure out yeah well and

862  
00:43:32,130 --> 00:43:29,590  
it's just like you know what you know

863  
00:43:34,800 --> 00:43:32,140

best practices as you go back backwards

864

00:43:37,980 --> 00:43:34,810

and see what was there before or you

865

00:43:39,960 --> 00:43:37,990

know earlier years and I know that

866

00:43:41,640 --> 00:43:39,970

surprised me when you know I couldn't do

867

00:43:43,200 --> 00:43:41,650

that with UFOs and stuff but when I end

868

00:43:44,190 --> 00:43:43,210

up with the first my people reports and

869

00:43:46,470 --> 00:43:44,200

I started coming up at the whole these

870

00:43:49,350 --> 00:43:46,480

reports know like what yeah

871

00:43:51,630 --> 00:43:49,360

and same thing with these these winged

872

00:43:54,240 --> 00:43:51,640

beans I mean if if those reports go back

873

00:43:56,040 --> 00:43:54,250

you know before you you know you started

874

00:43:57,680 --> 00:43:56,050

to get them again there's a reason for

875

00:44:00,480 --> 00:43:57,690

that

876

00:44:04,650 --> 00:44:00,490

yeah well you know in these reports

877

00:44:10,530 --> 00:44:04,660

I put the 94th report up there on the

878

00:44:13,470 --> 00:44:10,540

map today Wow 94 but these reports are

879

00:44:17,160 --> 00:44:13,480

all between 2011 and to the present time

880

00:44:21,870 --> 00:44:17,170

and it reports of beings before that

881

00:44:26,520 --> 00:44:21,880

don't even go up on the map and I've had

882

00:44:31,140 --> 00:44:26,530

at least she would at least two dozen

883

00:44:32,910 --> 00:44:31,150

reports previous to that group you know

884

00:44:34,350 --> 00:44:32,920

now some of those sightings earlier

885

00:44:37,740 --> 00:44:34,360

societies could have been other type of

886

00:44:40,320 --> 00:44:37,750

winged beings there Illinois's with no

887

00:44:47,370 --> 00:44:40,330

well known for thunder burbs terrace or

888

00:44:51,480 --> 00:44:47,380

Light Beings other wing anomalies so you

889

00:44:54,480 --> 00:44:51,490

know I don't know you know but yeah that

890

00:44:57,600 --> 00:44:54,490

put the 94th setting up a day I've got

891

00:45:00,690 --> 00:44:57,610

four more that we're looking into

892

00:45:03,560 --> 00:45:00,700

I think Tobias got one recently that

893

00:45:08,660 --> 00:45:03,570

he's waiting to get more information on

894

00:45:13,410 --> 00:45:08,670

so that makes five right now hmm yeah

895

00:45:16,050 --> 00:45:13,420

it's not yeah hey that's nuts that whole

896

00:45:18,330 --> 00:45:16,060

thing up there is just it's unbelievable

897

00:45:20,940 --> 00:45:18,340

you know you can understand one or two

898

00:45:25,550 --> 00:45:20,950

or five reports but you know 94 oh my

899

00:45:28,080 --> 00:45:25,560

god yeah I mean and you know III

900

00:45:29,130 --> 00:45:28,090

understand I mean I do realize I'm

901  
00:45:32,039 --> 00:45:29,140  
actually

902  
00:45:35,039 --> 00:45:32,049  
putting ads out soliciting people to

903  
00:45:36,900 --> 00:45:35,049  
open up and come forward you know that I

904  
00:45:40,079 --> 00:45:36,910  
am doing it I knew it Tobias has been

905  
00:45:44,940 --> 00:45:40,089  
doing it and but you know it's not like

906  
00:45:48,720 --> 00:45:44,950  
we're just soliciting reports you know

907  
00:45:52,339 --> 00:45:48,730  
we do follow up on them and we do put

908  
00:45:56,819 --> 00:45:52,349  
the witnesses through some pretty strict

909  
00:45:59,160 --> 00:45:56,829  
interview and you know we don't want we

910  
00:46:01,650 --> 00:45:59,170  
don't want some type of hoax or

911  
00:46:03,240 --> 00:46:01,660  
something that you know we have we have

912  
00:46:04,650 --> 00:46:03,250  
tried to avoid all that from the very

913  
00:46:07,349 --> 00:46:04,660

beginning there have been some right

914

00:46:11,130 --> 00:46:07,359

where it's early that I never even put

915

00:46:15,660 --> 00:46:11,140

up in the map you know I I just ignored

916

00:46:19,160 --> 00:46:15,670

and you know because either either the

917

00:46:23,190 --> 00:46:19,170

witness wouldn't talk to us directly or

918

00:46:26,370 --> 00:46:23,200

the story changed oil mm-hmm there have

919

00:46:28,170 --> 00:46:26,380

been many yeah well with the by people

920

00:46:30,630 --> 00:46:28,180

only happened one time yeah you know

921

00:46:32,279 --> 00:46:30,640

we're right where we are I got one that

922

00:46:34,230 --> 00:46:32,289

got the story and it was a good story we

923

00:46:36,809 --> 00:46:34,240

traveled up to that area a long travel

924

00:46:39,529 --> 00:46:36,819

trip and we got there it was totally

925

00:46:42,859 --> 00:46:39,539

different story totally different

926  
00:46:44,759 --> 00:46:42,869  
scenario to a totally different area

927  
00:46:48,509 --> 00:46:44,769  
things that we're supposed to be there

928  
00:46:50,249 --> 00:46:48,519  
weren't there all kinds of excuses I

929  
00:46:52,859 --> 00:46:50,259  
mean you know it was just a waste of

930  
00:46:57,450 --> 00:46:52,869  
time but I called it for what it was

931  
00:46:59,880 --> 00:46:57,460  
yeah you know oh we got a question here

932  
00:47:05,779 --> 00:46:59,890  
has MUFON made any changes for the

933  
00:47:17,640 --> 00:47:08,999  
well I see king I see King answered the

934  
00:47:21,180 --> 00:47:17,650  
question properly you know I had talked

935  
00:47:25,049 --> 00:47:21,190  
about this countless times I always I

936  
00:47:28,799 --> 00:47:25,059  
and invariably I get somebody who will

937  
00:47:31,950 --> 00:47:28,809  
contact me about something that it

938  
00:47:34,920 --> 00:47:31,960

always involves an entity a possible

939

00:47:36,539 --> 00:47:34,930

non-terrestrial and the first thing

940

00:47:38,970 --> 00:47:36,549

they'll tell me is well move on would

941

00:47:41,069 --> 00:47:38,980

answer me wouldn't talk to me you know

942

00:47:42,690 --> 00:47:41,079

we did have a we did have a winged

943

00:47:46,769 --> 00:47:42,700

humanoid report

944

00:47:49,259 --> 00:47:46,779

in Rosemont from about a month and five

945

00:47:53,400 --> 00:47:49,269

weeks ago that was originally ported to

946

00:47:58,309 --> 00:47:53,410

MUFON and the field investigator went

947

00:48:01,019 --> 00:47:58,319

out there and pissed off the witness and

948

00:48:06,539 --> 00:48:01,029

the witness told them to pounce and and

949

00:48:08,430 --> 00:48:06,549

then came to us that happens that

950

00:48:12,180 --> 00:48:08,440

happens a lot people it really does

951  
00:48:15,720 --> 00:48:12,190  
unfortunately but then again fortunately

952  
00:48:20,489 --> 00:48:15,730  
for us we get it you know we get

953  
00:48:22,890 --> 00:48:20,499  
criticized for it but you know not that

954  
00:48:26,370 --> 00:48:22,900  
I care but that's the way it goes you

955  
00:48:29,809 --> 00:48:26,380  
know we're out there putting the time

956  
00:48:35,069 --> 00:48:29,819  
and the effort in defining the truth and

957  
00:48:37,229 --> 00:48:35,079  
I you know but you you used to be with

958  
00:48:40,440 --> 00:48:37,239  
MUFON used to be used to be a field

959  
00:48:44,190 --> 00:48:40,450  
investigator there aren't many more of

960  
00:48:47,039 --> 00:48:44,200  
them around anymore no you know I did my

961  
00:48:50,099 --> 00:48:47,049  
times field investigator star team guy

962  
00:48:55,739 --> 00:48:50,109  
and chief investigator for the state and

963  
00:48:58,940 --> 00:48:55,749

I just I had enough that was it no so so

964

00:49:00,930 --> 00:48:58,950

hold on it's a whole lot easier when you

965

00:49:06,059 --> 00:49:00,940

you know you're working with like-minded

966

00:49:10,109 --> 00:49:06,069

people and you know there's there's no

967

00:49:12,089 --> 00:49:10,119

hunt for fortune and glory so well

968

00:49:15,299 --> 00:49:12,099

that's what I like about our group

969

00:49:18,569 --> 00:49:15,309

because we do have a good group of

970

00:49:20,849 --> 00:49:18,579

people in this our phantoms of monster

971

00:49:26,309 --> 00:49:20,859

fortune research who like you said are

972

00:49:31,099 --> 00:49:26,319

like-minded who who are out to find some

973

00:49:34,620 --> 00:49:31,109

answers without the glory and you know

974

00:49:36,089 --> 00:49:34,630

sure we're get publicity and I get

975

00:49:37,950 --> 00:49:36,099

people tell me all the time

976

00:49:40,319 --> 00:49:37,960

oh you're doing it doing the blog and

977

00:49:44,599 --> 00:49:40,329

this and that for publicity now that

978

00:49:48,989 --> 00:49:44,609

just comes with the hard work right so

979

00:49:50,370 --> 00:49:48,999

you know if I figured a way to

980

00:49:53,789 --> 00:49:50,380

capitalize on it

981

00:49:55,739 --> 00:49:53,799

well I sure haven't found it because it

982

00:49:56,430 --> 00:49:55,749

ain't out there I'm not out there a

983

00:49:59,130 --> 00:49:56,440

little team

984

00:50:04,460 --> 00:49:59,140

shoes and stuff trying to capitalize off

985

00:50:08,250 --> 00:50:04,470

of that you know that's just not me

986

00:50:09,990 --> 00:50:08,260

well you know I see I just one of the

987

00:50:11,309 --> 00:50:10,000

things that bothers me is I can't figure

988

00:50:13,109 --> 00:50:11,319

out who some of these people do all

989

00:50:15,470 --> 00:50:13,119

these investigations and write all this

990

00:50:18,180 --> 00:50:15,480

stuff up and do all these speeches and

991

00:50:19,559 --> 00:50:18,190

appearances and stuff like that once

992

00:50:22,800 --> 00:50:19,569

they find time to actually do the

993

00:50:24,300 --> 00:50:22,810

investigation where I just did and if

994

00:50:26,640 --> 00:50:24,310

somebody tells me they they can do an

995

00:50:28,920 --> 00:50:26,650

investigation and you know they get this

996

00:50:30,569 --> 00:50:28,930

they can figure it out in a week that's

997

00:50:34,230 --> 00:50:30,579

just that's just a lot of bull

998

00:50:37,710 --> 00:50:34,240

yeah I mean I I've I have so many files

999

00:50:40,020 --> 00:50:37,720

in my library that you know that go back

1000

00:50:42,589 --> 00:50:40,030

in you know early 2000s and before that

1001  
00:50:46,800 --> 00:50:42,599  
in nineteen you know in nineteen

1002  
00:50:49,800 --> 00:50:46,810  
nineteen eighty-nine on up and you know

1003  
00:50:51,540 --> 00:50:49,810  
I never solved them I'm gonna put a lot

1004  
00:50:56,160 --> 00:50:51,550  
of work into them there's a big file but

1005  
00:50:59,490 --> 00:50:56,170  
I never came up with an answer but I

1006  
00:51:02,040 --> 00:50:59,500  
look at this way I tried yeah you know

1007  
00:51:05,280 --> 00:51:02,050  
and I know I know some people are gonna

1008  
00:51:07,859 --> 00:51:05,290  
listen to this this year tonight on the

1009  
00:51:09,329 --> 00:51:07,869  
podcast and they're gonna get upset by

1010  
00:51:11,670 --> 00:51:09,339  
some of the stuff we've been talking

1011  
00:51:15,920 --> 00:51:11,680  
about but you know that's just the way

1012  
00:51:20,790 --> 00:51:15,930  
it is I mean you know I don't do this -

1013  
00:51:22,079 --> 00:51:20,800

satisfied our Gator 's egos are what

1014

00:51:25,260 --> 00:51:22,089

they you know what they think is right

1015

00:51:27,870 --> 00:51:25,270

and wrong I just try to get you know my

1016

00:51:30,809 --> 00:51:27,880

commitments to the clients or someone or

1017

00:51:34,579 --> 00:51:30,819

through the witnesses their anonymity is

1018

00:51:37,589 --> 00:51:34,589

important to me we try to work together

1019

00:51:41,700 --> 00:51:37,599

to try to find answers about what is

1020

00:51:45,480 --> 00:51:41,710

actually going on regardless of where it

1021

00:51:48,120 --> 00:51:45,490

ends up and you know I'm not out there

1022

00:51:51,359 --> 00:51:48,130

doing it for anybody else's satisfaction

1023

00:51:53,309 --> 00:51:51,369

other than for the witnesses for the

1024

00:51:54,809 --> 00:51:53,319

team itself and that's it that's just

1025

00:51:58,200 --> 00:51:54,819

the way it hats the way I make it all a

1026  
00:51:59,790 --> 00:51:58,210  
bit well that's pretty much the way it

1027  
00:52:05,940 --> 00:51:59,800  
is where our guys yeah I mean it

1028  
00:52:07,530 --> 00:52:05,950  
everybody you know it's it's tough when

1029  
00:52:08,520 --> 00:52:07,540  
you're doing it by yourself and you have

1030  
00:52:10,350 --> 00:52:08,530  
no connections

1031  
00:52:12,930 --> 00:52:10,360  
and I knew that I did that in a very

1032  
00:52:16,650 --> 00:52:12,940  
very beginning starting in the 80s and

1033  
00:52:19,080 --> 00:52:16,660  
late 80s and it got me nowhere no yeah

1034  
00:52:22,290 --> 00:52:19,090  
and then you know as I started to you

1035  
00:52:24,840 --> 00:52:22,300  
know meet people know people read more

1036  
00:52:27,650 --> 00:52:24,850  
study more research more you know then

1037  
00:52:31,410 --> 00:52:27,660  
and you know that kind of sets your path

1038  
00:52:32,910 --> 00:52:31,420

so I know there's a lot of look there's

1039

00:52:35,940 --> 00:52:32,920

a lot of good investigators out there

1040

00:52:41,460 --> 00:52:35,950

and it really is and then there's some

1041

00:52:45,090 --> 00:52:41,470

that are not so really good but you know

1042

00:52:46,950 --> 00:52:45,100

it's it's nice that you have you know a

1043

00:52:48,930 --> 00:52:46,960

fellowship that you can I can make a

1044

00:52:50,790 --> 00:52:48,940

phone call to something that I made a

1045

00:52:53,340 --> 00:52:50,800

read about California that I had in

1046

00:52:54,630 --> 00:52:53,350

Pennsylvania mm-hmm and number I have a

1047

00:52:56,760 --> 00:52:54,640

number of people I can call and get that

1048

00:52:58,440 --> 00:52:56,770

information from how many times have I

1049

00:53:01,080 --> 00:52:58,450

asked you if you knew somebody on a

1050

00:53:01,650 --> 00:53:01,090

certain case sure it happens all the

1051

00:53:03,930 --> 00:53:01,660

time

1052

00:53:06,240 --> 00:53:03,940

I mean yeah you know we're always

1053

00:53:08,100 --> 00:53:06,250

digging looking digging and looking for

1054

00:53:11,640 --> 00:53:08,110

people that'll give us some information

1055

00:53:15,420 --> 00:53:11,650

that tries help us and in a case and you

1056

00:53:17,250 --> 00:53:15,430

know I think the frost is there to the

1057

00:53:19,800 --> 00:53:17,260

point where you can go out and do that

1058

00:53:22,040 --> 00:53:19,810

now or we can go out and do that now and

1059

00:53:24,690 --> 00:53:22,050

yeah it's some honest answers

1060

00:53:28,500 --> 00:53:24,700

and that's why I want to keep building

1061

00:53:31,110 --> 00:53:28,510

our team to the point where you know if

1062

00:53:32,670 --> 00:53:31,120

something if somebody has to beat have

1063

00:53:35,520 --> 00:53:32,680

put the boots on the ground and go out

1064

00:53:40,770 --> 00:53:35,530

there and actually look at it then we

1065

00:53:42,150 --> 00:53:40,780

can do that yeah and I think we've got a

1066

00:53:44,550 --> 00:53:42,160

pretty good start I think we're doing

1067

00:53:48,630 --> 00:53:44,560

pretty good right now we're what did I

1068

00:53:50,400 --> 00:53:48,640

say 16 17 people yeah yeah something

1069

00:53:55,950 --> 00:53:50,410

like that but you know we're still

1070

00:53:57,990 --> 00:53:55,960

expanding and I you know I think I think

1071

00:54:00,480 --> 00:53:58,000

things are getting much better and boy

1072

00:54:05,670 --> 00:54:00,490

but I know I know the reports have been

1073

00:54:06,780 --> 00:54:05,680

rolling in so that's what we're here but

1074

00:54:09,660 --> 00:54:06,790

I don't know if it's gonna get to the

1075

00:54:14,190 --> 00:54:09,670

point well I'm gonna have to learn I

1076

00:54:16,050 --> 00:54:14,200

need to start learning to start putting

1077

00:54:18,840 --> 00:54:16,060

some reports out there for others to

1078

00:54:22,260 --> 00:54:18,850

look into so because I try to do a lot

1079

00:54:24,810 --> 00:54:22,270

of myself and I get caught up in it

1080

00:54:27,000 --> 00:54:24,820

and just you know it's hard to it's hard

1081

00:54:29,970 --> 00:54:27,010

to keep track sometimes I'll open my

1082

00:54:33,600 --> 00:54:29,980

email up and I'll sit some mornings and

1083

00:54:35,340 --> 00:54:33,610

I've got 1215 reports in there and it's

1084

00:54:37,230 --> 00:54:35,350

like oh my god here I'm gonna be on the

1085

00:54:40,230 --> 00:54:37,240

phone all day before I even get the blog

1086

00:54:42,720 --> 00:54:40,240

back you know yeah it worked kind of

1087

00:54:47,130 --> 00:54:42,730

works out that way a lot yeah yeah well

1088

00:54:49,320 --> 00:54:47,140

you know that you know it is so you know

1089

00:54:51,720 --> 00:54:49,330

okay it's gonna get to the point where

1090

00:54:53,700 --> 00:54:51,730

we're gonna have to have something some

1091

00:54:55,130 --> 00:54:53,710

kind of central location or some kind of

1092

00:55:00,630 --> 00:54:55,140

hookup where we can talk to each other

1093

00:55:04,530 --> 00:55:00,640

I'm not thrilled about Skype at the time

1094

00:55:06,030 --> 00:55:04,540

you lose everything on skype yeah I will

1095

00:55:09,120 --> 00:55:06,040

figure something that you know we got to

1096

00:55:11,000 --> 00:55:09,130

do it in a conference thing or surround

1097

00:55:13,440 --> 00:55:11,010

cable or something yeah

1098

00:55:15,330 --> 00:55:13,450

well you know I was thinking I was

1099

00:55:18,360 --> 00:55:15,340

thinking today I need to get it I

1100

00:55:22,640 --> 00:55:18,370

actually need to get a website for the

1101  
00:55:29,850 --> 00:55:25,230  
everybody's information there that's on

1102  
00:55:32,670 --> 00:55:29,860  
the team all the contacts stuff and you

1103  
00:55:35,130 --> 00:55:32,680  
know instead of just doing it

1104  
00:55:39,810 --> 00:55:35,140  
willy-nilly on the on the blog you know

1105  
00:55:42,450 --> 00:55:39,820  
I need that I need to do it yeah yeah

1106  
00:55:45,300 --> 00:55:42,460  
you could password-protected yeah

1107  
00:55:50,390 --> 00:55:45,310  
absolutely has me that's no big deal

1108  
00:55:52,890 --> 00:55:50,400  
oh yeah so there's more projects you do

1109  
00:55:54,720 --> 00:55:52,900  
there's something else just something

1110  
00:55:57,360 --> 00:55:54,730  
else I just promised myself into doing

1111  
00:56:00,540 --> 00:55:57,370  
and I got to find time to do but you

1112  
00:56:02,190 --> 00:56:00,550  
know that's the way it goes BAM and if I

1113  
00:56:05,010 --> 00:56:02,200

didn't love doing this I wouldn't do it

1114

00:56:09,390 --> 00:56:05,020

and you know it's just you know it keeps

1115

00:56:15,540 --> 00:56:09,400

his old man busy I feel the same way we

1116

00:56:17,010 --> 00:56:15,550

get no younger man okay well butch I

1117

00:56:21,420 --> 00:56:17,020

want to thank you for coming on with me

1118

00:56:23,100 --> 00:56:21,430

tonight and you know these I like when

1119

00:56:26,010 --> 00:56:23,110

we had these kind of talks on the air it

1120

00:56:29,880 --> 00:56:26,020

kind of lets people get an idea where

1121

00:56:32,070 --> 00:56:29,890

we're at and what we're doing and you

1122

00:56:33,810 --> 00:56:32,080

know the let then we're just real people

1123

00:56:35,950 --> 00:56:33,820

and a lot we do have a lot of

1124

00:56:41,430 --> 00:56:35,960

investigators and researchers enlisted

1125

00:56:44,910 --> 00:56:41,440

show let then hey we're just like them

1126

00:56:47,050 --> 00:56:44,920
