00:00:23,929 --> 00:00:21,300
monsters didn't exist but we were sure

6
00:00:28,099 --> 00:00:23,939
that something is lurking under the bed

7
00:00:30,040 --> 00:00:28,109

king Tom now before I introduce my

26

00:01:29,680 --> 00:01:26,720

guests I want to mention a recent

27

00:01:31,960 --> 00:01:29,690

account now the following report was

28

00:01:35,219 --> 00:01:31,970

provided by Manuel knob read over a UFO

29

00:01:38,830 --> 00:01:35,229

Clearing House it looks like we got

30

00:01:41,740 --> 00:01:38,840

another report of a winged demon oide in

31

00:01:47,440 --> 00:01:41,750

the Chicago area this occurred on Friday

32

00:01:49,060 --> 00:01:47,450

October 26 2018 at 12:30 a.m. the report

33

00:01:51,910 --> 00:01:49,070

was submitted by an older couple who

34

00:01:56,050 --> 00:01:51,920

worked at as an over-the-road team for a

35

00:01:57,730 --> 00:01:56,060

trucking company at Alsip Illinois they

36

00:01:59,980 --> 00:01:57,740

both have been driving together for over

37

00:02:02,499 --> 00:01:59,990

15 years I've been married for over 27

38

00:02:04,749 --> 00:02:02,509

years the gentleman was at the wheel the

39

00:02:07,919 --> 00:02:04,759

truck when the encounter occurred and

40

00:02:10,630 --> 00:02:07,929

his wife was in the passenger seat

41

00:02:12,160 --> 00:02:10,640

Manuel stated that he spoke to both of

42

00:02:13,930 --> 00:02:12,170

them at the same time at a local

43

00:02:17,110 --> 00:02:13,940

restaurant near the truck yard in Alsip

44

00:02:18,729 --> 00:02:17,120

Illinois him he said it both agreed to

45

00:02:20,680 --> 00:02:18,739

have the story submitted but asked that

46

00:02:22,960 --> 00:02:20,690

the names be kept confidential to the

47

00:02:24,580 --> 00:02:22,970

nature of the work and the fact that

48

00:02:27,850 --> 00:02:24,590

they did not want someone from their

49

00:02:30,490 --> 00:02:27,860

company who was also based in Houston to

50

00:02:33,240 --> 00:02:30,500

find out about their sighting now their

51
00:02:37,270 --> 00:02:33,250
initial sighting report was as follows

52
00:02:39,789 --> 00:02:37,280
we were on our way to Parker truck in

53
00:02:43,000 --> 00:02:39,799
the yard after being on the road for two

54
00:02:44,830 --> 00:02:43,010
weeks as we approached the railroad

55
00:02:46,600 --> 00:02:44,840
track crossing we noticed something

56
00:02:48,670 --> 00:02:46,610
standing in the middle of the road and

57
00:02:52,210 --> 00:02:48,680
thought it was a homeless person walking

58
00:02:53,789 --> 00:02:52,220
along the tracks we popped on the high

59
00:02:56,199 --> 00:02:53,799
intensity lights and to our surprise

60
00:03:00,340 --> 00:02:56,209
there was not a homeless person at all

61
00:03:03,729 --> 00:03:00,350
this thing looked like a large owl as it

62
00:03:06,640 --> 00:03:03,739
had what as in it had what looked like

63
00:03:09,580 --> 00:03:06,650

feathers and a flat rounded face with

64

00:03:13,780 --> 00:03:09,590

large eyes that reflected the LED lights

65

00:03:16,630 --> 00:03:13,790

on our truck this time this thing

66

00:03:19,410 --> 00:03:16,640

appeared to lunge at us while trying to

67

00:03:21,250 --> 00:03:19,420

cover its eyes with its left arm I

68

00:03:23,410 --> 00:03:21,260

pulled on the air hole

69

00:03:26,229 --> 00:03:23,420

and this thing turned his back on us and

70

00:03:28,449 --> 00:03:26,239

then took a couple steps and then took

71

00:03:32,530 --> 00:03:28,459

off into the air and flew off into the

72

00:03:34,179 --> 00:03:32,540

night we were left sitting there in

73

00:03:36,580 --> 00:03:34,189

complete shock and as we watched it

74

00:03:38,649 --> 00:03:36,590

disappear into the night after a minute

75

00:03:40,780 --> 00:03:38,659

or two of looking to see if the damn

76

00:03:43,569 --> 00:03:40,790

thing would come back around we

77

00:03:46,390 --> 00:03:43,579

continued into the yard we parked the

78

00:03:49,210 --> 00:03:46,400

truck and walked around towards the car

79

00:03:50,979 --> 00:03:49,220

and that knew and as we were almost at

80

00:03:53,890 --> 00:03:50,989

the car we heard what sounded like he

81

00:03:56,710 --> 00:03:53,900

screamed followed by another than then

82

00:03:58,930 --> 00:03:56,720

silence we hustled our tails of the car

83

00:04:01,839 --> 00:03:58,940

and left for home the manual states the

84

00:04:03,729 --> 00:04:01,849

area where the sightings occurred was

85

00:04:07,750 --> 00:04:03,739

heavily industrialized with a few

86

00:04:09,789 --> 00:04:07,760

industrial residential areas nearby the

87

00:04:12,430 --> 00:04:09,799

railroad crossing mentioned since

88

00:04:15,339 --> 00:04:12,440

approximately 3/4 of a mile from the

89

00:04:19,930 --> 00:04:15,349

entrance and is surrounded by wooded

90

00:04:22,350 --> 00:04:19,940

area at West 122nd Street and is across

91

00:04:25,390 --> 00:04:22,360

the street from the coca-cola plant

92

00:04:27,040 --> 00:04:25,400

Manuel said he had accompanied the

93

00:04:30,339 --> 00:04:27,050

couple to the location of the sighting

94

00:04:34,260 --> 00:04:30,349

and would be posting more information as

95

00:04:37,900 --> 00:04:34,270

it comes in the future he said that the

96

00:04:40,420 --> 00:04:37,910

investigation is still ongoing and he's

97

00:04:45,120 --> 00:04:40,430

in talks to talk to the local landowner

98

00:04:47,830 --> 00:04:45,130

to get permission to post a trail cam

99

00:04:52,689 --> 00:04:47,840

see if he can possibly catch something

100

00:04:54,180 --> 00:04:52,699

so here again this is a new report it's

101
00:04:58,629 --> 00:04:54,190
been a while since we've got a report

102
00:05:01,000 --> 00:04:58,639
I'd say the last report we received in

103
00:05:03,820 --> 00:05:01,010
the Chicago area has been over six

104
00:05:06,760 --> 00:05:03,830
months so let's see if this leads to

105
00:05:09,399 --> 00:05:06,770
anything else so let's get started with

106
00:05:11,460 --> 00:05:09,409

00:05:56,440 --> 00:05:53,050

in his quest of the strange and unusual

124

00:05:58,150 --> 00:05:56,450

is also the co-founder of Society of the

133

00:06:21,720 --> 00:06:17,000

supernatural

134

00:06:24,460 --> 00:06:21,730

so David thanks for joining me well

135

00:06:29,080 --> 00:06:24,470

you're tough God pinned down man I got

136

00:06:33,130 --> 00:06:29,090

to tell you you keep busy no doubt about

137

00:06:37,920 --> 00:06:33,140

that I mean yeah we tried to we tried to

138

00:06:40,570 --> 00:06:37,930

record a show earlier in the year and

139

00:06:43,450 --> 00:06:40,580

that just did pay now for some reason

140

00:06:49,090 --> 00:06:43,460

and we ran actually ran into each other

141

00:06:52,360 --> 00:06:49,100

back in May of 2017 and talked a bit it

142

00:06:55,210 --> 00:06:52,370

was in fact this uh Chicago winged

143

00:06:58,690 --> 00:06:55,220

humanoid phenomena was just beginning

144

00:07:01,420 --> 00:06:58,700

really and we were discussing a bit of

145

00:07:05,460 --> 00:07:01,430

that that was uh but that's the last we

146

00:07:07,930 --> 00:07:05,470

talked so so what's been going on lately

147

00:07:09,400 --> 00:07:07,940

man I got so many projects going on I

148

00:07:11,980 --> 00:07:09,410

can barely keep track of it at this

149

00:07:14,800 --> 00:07:11,990

point but it's all good as you know I

150

00:07:16,600 --> 00:07:14,810

love what I see and absolutely stay on

151
00:07:19,690 --> 00:07:16,610
the move doing this stuff I literally

152
00:07:24,280 --> 00:07:19,700
just got back home a couple days ago I

153
00:07:28,480 --> 00:07:24,290
spent a week living in a haunted

154
00:07:31,690 --> 00:07:28,490
location and it streams the active

155
00:07:33,660 --> 00:07:31,700
haunted location and it again something

156
00:07:36,250 --> 00:07:33,670
that no one has ever done before

157
00:07:37,840 --> 00:07:36,260
and I'm not going to get too in-depth

158
00:07:40,120 --> 00:07:37,850
about it we've got a project coming out

159
00:07:44,920 --> 00:07:40,130
on this place but I can tell you it was

160
00:07:48,370 --> 00:07:44,930
octagon Paul in Kentucky and this place

161
00:07:52,180 --> 00:07:48,380
Elan is just it is absolutely

162
00:07:56,710 --> 00:07:52,190
credible even the even the caretakers

163
00:07:58,900 --> 00:07:56,720

you know the owner and the the gentleman

164

00:08:01,030 --> 00:07:58,910

who manages the place you know they they

165

00:08:05,500 --> 00:08:01,040

both say everyone hands down sanam I

166

00:08:11,470 --> 00:08:09,280

you know Dave Spinks and I would do some

167

00:08:14,160 --> 00:08:11,480

research together and he and I had

168

00:08:18,130 --> 00:08:14,170

visited John Hall a couple years ago and

169

00:08:19,990 --> 00:08:18,140

had been just really wanting to get back

170

00:08:22,510 --> 00:08:20,000

there and it just had to be the right

171

00:08:24,550 --> 00:08:22,520

thing it took some timing you know

172

00:08:28,300 --> 00:08:24,560

because of so many projects going on and

173

00:08:30,250 --> 00:08:28,310

you know the right idea and it just kind

174

00:08:31,840 --> 00:08:30,260

of struck me one day that you know what

175

00:08:33,760 --> 00:08:31,850

I'm gonna see if they'll let us live in

176

00:08:37,089 --> 00:08:33,770

that place for a week and now they said

177

00:08:40,839 --> 00:08:37,099

yes right away and very gracious people

178

00:08:42,610 --> 00:08:40,849

that the owner Billy Boyd and the guy

179

00:08:44,560 --> 00:08:42,620

who manages the place buried gone who

180

00:08:47,470 --> 00:08:44,570

also is now a member of society to

181

00:08:49,180 --> 00:08:47,480

supernatural both outstanding gentlemen

182

00:08:51,430 --> 00:08:49,190

and just showed us a great deal of

183

00:08:53,110 --> 00:08:51,440

hospitality and I believe they thought

184

00:08:57,850 --> 00:08:53,120

we were a bit crazy you know living in

185

00:08:59,620 --> 00:08:57,860

the place but it is there it's one of

186

00:09:02,710 --> 00:08:59,630

those places that there's just so many

187

00:09:05,140 --> 00:09:02,720

layers of activity and it's also one of

188

00:09:07,390 --> 00:09:05,150

those places that if you're in there

189

00:09:10,030 --> 00:09:07,400

five minutes you're probably going to

190

00:09:12,600 --> 00:09:10,040

experience something it's just crazy I

191

00:09:16,480 --> 00:09:12,610

mean there's somebody voices sounds

192

00:09:19,870 --> 00:09:16,490

everything we we sat around we would

193

00:09:23,740 --> 00:09:19,880

just randomly turn on a recorder and get

194

00:09:25,450 --> 00:09:23,750

EVPs it's it's that intense and like I

195

00:09:27,100 --> 00:09:25,460

said fascinating the absolutely

196

00:09:30,610 --> 00:09:27,110

fascinating place history goes back

197

00:09:33,310 --> 00:09:30,620

before the Civil War so you know given

198

00:09:35,200 --> 00:09:33,320

its location which is on the Kentucky

199

00:09:38,380 --> 00:09:35,210

border not not far from the Tennessee

200

00:09:41,110 --> 00:09:38,390

border excuse me and into the amount of

201
00:09:43,000 --> 00:09:41,120
history and everything that occurred

202
00:09:45,160 --> 00:09:43,010
there it's just it was a phenomenal

203
00:09:50,440 --> 00:09:45,170
experience it really was yeah it was a

204
00:09:52,240 --> 00:09:50,450
busy area during the Civil War you know

205
00:09:54,220 --> 00:09:52,250
that'll be interesting when that project

206
00:09:57,460 --> 00:09:54,230
comes out I'll be looking forward to it

207
00:10:01,720 --> 00:09:57,470
you you've been involved in writing a

208
00:10:02,170 --> 00:10:01,730
series of haunted book series tell us a

209
00:10:04,829 --> 00:10:02,180
little bit of

210
00:10:08,710 --> 00:10:04,839
that I think your four books right now

211
00:10:11,290 --> 00:10:08,720
we have two published and another one a

212
00:10:13,870 --> 00:10:11,300
couple more on the way okay that's with

213
00:10:16,240 --> 00:10:13,880

another member of SOS that's a gentleman

214

00:10:22,750 --> 00:10:16,250

named Ross Allison he's my co-writer on

215

00:10:24,940 --> 00:10:22,760

that series and Ross Ross owns boots in

216

00:10:28,030 --> 00:10:24,950

Seattle goes to her company and

217

00:10:29,590 --> 00:10:28,040

obviously Seattle Washington and he has

218

00:10:32,550 --> 00:10:29,600

a lot of experience in the field and he

219

00:10:35,350 --> 00:10:32,560

you know I met quite a few years ago and

220

00:10:36,760 --> 00:10:35,360

it sort of talked back and forth you

221

00:10:41,380 --> 00:10:36,770

know online about doing a project

222

00:10:43,720 --> 00:10:41,390

together and we we started talking one

223

00:10:45,670 --> 00:10:43,730

day about doing something and you know

224

00:10:47,260 --> 00:10:45,680

how those conversations go it would

225

00:10:49,210 --> 00:10:47,270

around to something else and we came up

226

00:10:53,500 --> 00:10:49,220

with this idea for doing a book on on

227

00:10:56,680 --> 00:10:53,510

haunted toys which surprisingly no one

228

00:10:59,710 --> 00:10:56,690

had done before and you know we wanted

229

00:11:03,760 --> 00:10:59,720

to get a bit beyond just the dolls and

230

00:11:06,880 --> 00:11:03,770

explore some of the other topics of of

231

00:11:08,380 --> 00:11:06,890

interest in terms of toys and toys and

232

00:11:11,829 --> 00:11:08,390

games and things like that that are

233

00:11:14,829 --> 00:11:11,839

haunted so we did the first book haunted

234

00:11:16,900 --> 00:11:14,839

toys and it was pretty successful and

235

00:11:18,610 --> 00:11:16,910

you know in the course of that before it

236

00:11:21,280 --> 00:11:18,620

was even finished really we decided you

237

00:11:24,040 --> 00:11:21,290

know we should we can just take this

238

00:11:26,230 --> 00:11:24,050

into a whole series on different topic

239

00:11:29,199 --> 00:11:26,240

so the second one came up this year's

240

00:11:32,920 --> 00:11:29,209

haunted ships and lighthouses and that

241

00:11:34,390 --> 00:11:32,930

one's a lot of fun to write to so we've

242

00:11:36,280 --> 00:11:34,400

got that one and then the next one

243

00:11:39,910 --> 00:11:36,290

probably the next one out will be

244

00:11:41,800 --> 00:11:39,920

haunted churches and you know one of the

245

00:11:43,300 --> 00:11:41,810

goals Ross and I have a couple of goals

246

00:11:45,180 --> 00:11:43,310

where that one is that you know we want

247

00:11:48,600 --> 00:11:45,190

to get these stories out there and get

248

00:11:51,460 --> 00:11:48,610

hopefully correct versions of these

249

00:11:53,170 --> 00:11:51,470

tales of hauntings out there

250

00:11:55,420 --> 00:11:53,180

and sometimes that's a bit challenging

251

00:11:58,480 --> 00:11:55,430

you know the the hardships and

252

00:12:01,210 --> 00:11:58,490

Whitehouse's was a topic that fascinated

253

00:12:02,530 --> 00:12:01,220

that's both but it was I tell you it was

254

00:12:06,160 --> 00:12:02,540

something really going in and

255

00:12:08,680 --> 00:12:06,170

researching it because while while we

256

00:12:10,930 --> 00:12:08,690

had investigated a lot of the places in

257

00:12:12,940 --> 00:12:10,940

the book there were some that we hadn't

258

00:12:15,550 --> 00:12:12,950

and what you would find is going into

259

00:12:18,010 --> 00:12:15,560

these locations that have such a

260

00:12:20,410 --> 00:12:18,020

long history you'd get all these great

261

00:12:23,410 --> 00:12:20,420

stories but when you start digging in

262

00:12:27,220 --> 00:12:23,420

and finding the root of the story you

263

00:12:31,330 --> 00:12:27,230

sadly have to say well wait a minute you

264

00:12:32,800 --> 00:12:31,340

know there's no real evidence of this so

265

00:12:35,470 --> 00:12:32,810

what exactly is going on here

266

00:12:38,440 --> 00:12:35,480

and you know sometimes the history lines

267

00:12:39,850 --> 00:12:38,450

up you know sometimes you'll have you

268

00:12:41,860 --> 00:12:39,860

know lighthouse where a strange

269

00:12:43,450 --> 00:12:41,870

disappearance or a murder occurred or

270

00:12:47,170 --> 00:12:43,460

something like that but then you get

271

00:12:50,440 --> 00:12:47,180

other stories other locations that have

272

00:12:53,290 --> 00:12:50,450

and they have great stories but there's

273

00:12:54,880 --> 00:12:53,300

really nothing historically to back that

274

00:12:57,310 --> 00:12:54,890

up and that's what we look for you know

275

00:12:59,019 --> 00:12:57,320

now we present the information and we

276

00:13:01,360 --> 00:12:59,029

put it out there for people but you know

277

00:13:04,120 --> 00:13:01,370

to clarify alone talking about a great

278

00:13:06,430 --> 00:13:04,130

example of that is the Queen Mary I know

279

00:13:08,530 --> 00:13:06,440

the Queen Mary is known has as one of

280

00:13:09,910 --> 00:13:08,540

those haunted a lot of people touted as

281

00:13:11,829 --> 00:13:09,920

one of the most haunted locations in the

282

00:13:16,630 --> 00:13:11,839

country and so forth and you know it's a

283

00:13:18,400 --> 00:13:16,640

haunted ship and yes it is haunted I had

284

00:13:20,590 --> 00:13:18,410

no doubts about that I've investigated

285

00:13:23,110 --> 00:13:20,600

the Queen Mary a number of times however

286

00:13:26,970 --> 00:13:23,120

when you really start looking at at some

287

00:13:30,400 --> 00:13:26,980

of the stories they they are lacking in

288

00:13:31,870 --> 00:13:30,410

historical connections and for me you

289

00:13:33,040 --> 00:13:31,880

know a ghost story can be pretty

290

00:13:35,280 --> 00:13:33,050

fascinating

291

00:13:37,960 --> 00:13:35,290

without the history but when you find

292

00:13:39,700 --> 00:13:37,970

documentation that supports the

293

00:13:42,160 --> 00:13:39,710

purported horney that takes it to

294

00:13:44,079 --> 00:13:42,170

another level for me so with the Queen

295

00:13:46,170 --> 00:13:44,089

Mary one of the most famous stories

296

00:13:50,140 --> 00:13:46,180

there's enough a little girl who

297

00:13:51,400 --> 00:13:50,150

purportedly drowned in the pool but you

298

00:13:52,990 --> 00:13:51,410

know there's no evidence for that

299

00:13:56,380 --> 00:13:53,000

there's no historical documentation

300

00:13:58,480 --> 00:13:56,390

there's no ship's documentation there's

301

00:14:02,230 --> 00:13:58,490

no nothing in the news there's really

302

00:14:07,540 --> 00:14:02,240

nothing to prove yes this did indeed

303

00:14:10,620 --> 00:14:07,550

happen so you know sometimes what I find

304

00:14:12,579 --> 00:14:10,630

happens in some of these locations you

305

00:14:15,910 --> 00:14:12,589

get a great story

306

00:14:20,199 --> 00:14:15,920

and the source of it ends up being well

307

00:14:22,150 --> 00:14:20,209

a psychic came and told us this and I'd

308

00:14:26,710 --> 00:14:22,160

be not for a moment discount psychic

309

00:14:28,540 --> 00:14:26,720

ability however you know sometimes if

310

00:14:30,610 --> 00:14:28,550

you get a singular person who

311

00:14:33,910 --> 00:14:30,620

comes in and spends a great story you

312

00:14:37,780 --> 00:14:33,920

know where's the where's the support for

313

00:14:39,759 --> 00:14:37,790

that has a valid documented

314

00:14:42,490 --> 00:14:39,769

sighting of the ghost or the own

315

00:14:44,650 --> 00:14:42,500

experience and others just some of the

316

00:14:47,829 --> 00:14:44,660

things that you know we get to explore

317

00:14:50,050 --> 00:14:47,839

doing this haunted series well I'm all

318

00:14:53,759 --> 00:14:50,060

like you I you know I want to find out

319

00:14:57,579 --> 00:14:53,769

the history behind a phenomena if I can

320

00:15:00,550 --> 00:14:57,589

you know I can go into a location get a

321

00:15:02,319 --> 00:15:00,560

sense of something going on get a strong

322

00:15:04,300 --> 00:15:02,329

sense of something going on but I want

323

00:15:07,870 --> 00:15:04,310

to look back and be able to find the

324

00:15:10,660 --> 00:15:07,880

history of it like a verification or

325

00:15:20,050 --> 00:15:10,670

some type but yeah you're right I mean

326

00:15:23,350 --> 00:15:20,060

it's oh yeah we've ever talked much

327

00:15:24,550 --> 00:15:23,360

about pulpers on the show and I know

328

00:15:27,340 --> 00:15:24,560

I've been on with you a bunch of times

329

00:15:28,720 --> 00:15:27,350

it's been a while and we're going off on

330

00:15:31,350 --> 00:15:28,730

a different track here but this is

331

00:15:33,790 --> 00:15:31,360

something that really fascinates me and

332

00:15:38,260 --> 00:15:33,800

I'll give you another example of this

333

00:15:42,430 --> 00:15:38,270

whole court fabrication so the myrtles

334

00:15:43,840 --> 00:15:42,440

plantation yeah again another location

335

00:15:46,720 --> 00:15:43,850

that's tattered is one of the most

336

00:15:49,660 --> 00:15:46,730

haunted places in the country it is

337

00:15:51,130 --> 00:15:49,670

indeed extremely haunted it's kind of

338

00:15:53,470 --> 00:15:51,140

like octagon I've been there a lot of

339

00:15:55,810 --> 00:15:53,480

times and you can sit outside at the

340

00:15:59,130 --> 00:15:55,820

myrtles and and get EVPs out on the

341

00:16:03,730 --> 00:15:59,140

patio and yeah it's that kind of a place

342

00:16:05,410 --> 00:16:03,740

however the myrtles most famous ghost

343

00:16:09,430 --> 00:16:05,420

story one of those most famous ghost

344

00:16:13,090 --> 00:16:09,440

stories is about Chloe and has the tale

345

00:16:15,310 --> 00:16:13,100

goes there was a missile during slavery

346

00:16:21,100 --> 00:16:15,320

period there was a female slave named

347

00:16:25,300 --> 00:16:21,110

Chloe who was the mistress of the

348

00:16:26,829 --> 00:16:25,310

plantation owner and the first thing

349

00:16:30,610 --> 00:16:26,839

that happened was Chloe was caught

350

00:16:32,530 --> 00:16:30,620

eavesdropping and has a result one of

351

00:16:37,210 --> 00:16:32,540

her ears was cut off so from that time

352

00:16:39,880 --> 00:16:37,220

on she wore turban now after that Chloe

353

00:16:41,139 --> 00:16:39,890

got worried because she was getting

354

00:16:42,370 --> 00:16:41,149

older and thought she was going to be

355

00:16:45,250 --> 00:16:42,380

put out

356

00:16:49,900 --> 00:16:45,260

to working in the fields again so she

357

00:16:51,640 --> 00:16:49,910

contrived a plan to poison the children

358

00:16:55,360 --> 00:16:51,650

that weren't home

359

00:16:57,700 --> 00:16:55,370

and only give them a mild poison and

360

00:16:59,950 --> 00:16:57,710

then nurse them back to health so that

361

00:17:01,870 --> 00:16:59,960

she would be you know sort of seen as a

362

00:17:04,300 --> 00:17:01,880

hero figure you know and save kids and

363

00:17:06,880 --> 00:17:04,310

she made a mistake and used too much

364

00:17:11,940 --> 00:17:06,890

oleander has the story goes it's a very

365

00:17:16,570 --> 00:17:11,950

detailed story and the children died as

366

00:17:19,300 --> 00:17:16,580

a result the other slaves were very

367

00:17:20,050 --> 00:17:19,310

angry and afraid that they were going to

368

00:17:23,740 --> 00:17:20,060

be punished

369

00:17:28,150 --> 00:17:23,750

so they chased Chloe down and caught her

370

00:17:34,920 --> 00:17:28,160

and put her to death now this is an

371

00:17:38,800 --> 00:17:34,930

incredible tale that does not bear up to

372

00:17:41,850 --> 00:17:38,810

historical examination and I'll tell you

373

00:17:44,500 --> 00:17:41,860

a few years ago I was I was touring

374

00:17:47,080 --> 00:17:44,510

general extra tour and I was I was

375

00:17:49,360 --> 00:17:47,090

speaking on Tulpas the topic of help us

376

00:17:51,670 --> 00:17:49,370

and we'll get to that in science and I

377

00:17:54,220 --> 00:17:51,680

really activated some people when I

378

00:17:57,760 --> 00:17:54,230

started talking about and basically blew

379

00:18:00,220 --> 00:17:57,770

this whole myth away about Chloe because

380

00:18:02,020 --> 00:18:00,230

the thing is when we poke into the

381

00:18:03,280 --> 00:18:02,030

historical record you'll find that those

382

00:18:05,800 --> 00:18:03,290

kids did die

383

00:18:08,740 --> 00:18:05,810

yes but they died from yellow fever

384

00:18:10,900 --> 00:18:08,750

right because there was an epidemic in

385

00:18:14,860 --> 00:18:10,910

the region around that time furthermore

386

00:18:17,230 --> 00:18:14,870

it's proven that the plantation owner at

387

00:18:19,420 --> 00:18:17,240

the time was was well known in the

388

00:18:22,630 --> 00:18:19,430

region for being incredibly devoted to

389

00:18:25,270 --> 00:18:22,640

his wife and had no reputation at all of

390

00:18:28,150 --> 00:18:25,280

having relationships with any of the

391

00:18:30,280 --> 00:18:28,160

slaves or anything like that so you know

392

00:18:34,120 --> 00:18:30,290

while we don't always have records of

393

00:18:36,310 --> 00:18:34,130

the slaves who were forced to work on

394

00:18:38,290 --> 00:18:36,320

these plantations here's a case where we

395

00:18:41,830 --> 00:18:38,300

do have some records of the family that

396

00:18:45,630 --> 00:18:41,840

supports this whole tale not being true

397

00:18:48,910 --> 00:18:45,640

now a twist comes along in this because

398

00:18:50,680 --> 00:18:48,920

there is a photograph that to my

399

00:18:53,200 --> 00:18:50,690

knowledge has never been debunked

400

00:18:56,590 --> 00:18:53,210

it's an incredibly

401
00:19:00,010 --> 00:18:56,600
intriguing photograph is pre-digital and

402
00:19:04,380 --> 00:19:00,020
it is of the myrtles plantation that

403
00:19:07,510 --> 00:19:04,390
appears to show the ghostly form that

404
00:19:09,880 --> 00:19:07,520
matches the a ghostly form that matches

405
00:19:12,250 --> 00:19:09,890
the description of chloe standing

406
00:19:14,019 --> 00:19:12,260
outside of the village so you know this

407
00:19:17,019 --> 00:19:14,029
is this is pretty incredible and of

408
00:19:19,899 --> 00:19:17,029
course this begs you know another

409
00:19:22,269 --> 00:19:19,909
question how exactly is a spirit

410
00:19:23,019 --> 00:19:22,279
manifesting if it was never there to

411
00:19:26,200 --> 00:19:23,029
begin with

412
00:19:31,740 --> 00:19:26,210
well my belief for that is that we go

413
00:19:37,419 --> 00:19:35,590

entity that is manifested from pure

414

00:19:39,850 --> 00:19:37,429

thought now that sounds a bit out there

415

00:19:43,060 --> 00:19:39,860

to some people you know initially but

416

00:19:45,519 --> 00:19:43,070

there's a there's a rich history of this

417

00:19:48,460 --> 00:19:45,529

concept and if we step back for a second

418

00:19:51,039 --> 00:19:48,470

and think about okay you know at this

419

00:19:53,289 --> 00:19:51,049

point every year thousands of people go

420

00:19:55,600 --> 00:19:53,299

to visit the myrtles plantation and a

421

00:19:58,720 --> 00:19:55,610

good portion of them are there to try to

422

00:20:01,570 --> 00:19:58,730

catch up on support' right so you know

423

00:20:03,970 --> 00:20:01,580

what does what does that energy of all

424

00:20:08,200 --> 00:20:03,980

those people create what does it

425

00:20:11,470 --> 00:20:08,210

contribute to the location and to

426

00:20:12,880 --> 00:20:11,480

whatever is there so you know we have we

427

00:20:14,110 --> 00:20:12,890

can really go down a rabbit hole with

428

00:20:17,350 --> 00:20:14,120

this and think about all right well

429

00:20:18,789 --> 00:20:17,360

we've either got an entity that is being

430

00:20:21,250 --> 00:20:18,799

co-created by the collective

431

00:20:22,659 --> 00:20:21,260

consciousness or you know we could

432

00:20:24,399 --> 00:20:22,669

simplify that right well there's a

433

00:20:26,289 --> 00:20:24,409

spirit there that is just choosing to

434

00:20:28,090 --> 00:20:26,299

manifest in the form of corley because

435

00:20:30,220 --> 00:20:28,100

that's what everyone is expressing and

436

00:20:32,289 --> 00:20:30,230

you know these things to me are even

437

00:20:34,060 --> 00:20:32,299

more fascinating than just a cool ghost

438

00:20:36,760 --> 00:20:34,070

story in some ways because now we're

439

00:20:38,980 --> 00:20:36,770

getting into the human interaction the

440

00:20:40,659 --> 00:20:38,990

you know the human energy field the

441

00:20:42,820 --> 00:20:40,669

collective consciousness and a whole lot

442

00:20:44,159 --> 00:20:42,830

more things that really could start

443

00:20:46,960 --> 00:20:44,169

taking us in a direction of

444

00:20:49,810 --> 00:20:46,970

understanding more about ghostly

445

00:20:51,730 --> 00:20:49,820

manifestations in general well you know

446

00:20:54,130 --> 00:20:51,740

the top-line thought-form theory has

447

00:20:56,350 --> 00:20:54,140

been something I've been looking into or

448

00:20:59,260 --> 00:20:56,360

an aspect I've been looking into for

449

00:21:02,769 --> 00:20:59,270

quite a while now it's um and I you're

450

00:21:05,200 --> 00:21:02,779

right I believe a lot of what people see

451
00:21:07,010 --> 00:21:05,210
that manifest argue the thought forms at

452
00:21:09,830 --> 00:21:07,020
all or whatever you want to call

453
00:21:12,440 --> 00:21:09,840
but well just like just like poltergeist

454
00:21:14,570 --> 00:21:12,450
activity it's a thought form for the

455
00:21:17,210 --> 00:21:14,580
most part I mean there may be something

456
00:21:19,220 --> 00:21:17,220
there that may help it to manifest there

457
00:21:21,799 --> 00:21:19,230
may be an energy there that may increase

458
00:21:24,710 --> 00:21:21,809
it but for the most part it's it's a

459
00:21:30,380 --> 00:21:24,720
living person that's actually creating

460
00:21:33,159 --> 00:21:30,390
the manifestation and you know I this

461
00:21:36,620 --> 00:21:33,169
was a this was something that we were

462
00:21:38,990 --> 00:21:36,630
contemplating while we were investigated

463
00:21:42,680 --> 00:21:39,000

that Chicago winged humanoid phenomena

464

00:21:46,039 --> 00:21:42,690

were these becoming thought forms were

465

00:21:48,409 --> 00:21:46,049

these were these manifestations that

466

00:21:50,510 --> 00:21:48,419

people were actually looking for this

467

00:21:53,510 --> 00:21:50,520

thing and thought they actually saw it

468

00:21:55,880 --> 00:21:53,520

but you know they that they may have to

469

00:21:58,070 --> 00:21:55,890

actually created it and you know mm-hmm

470

00:22:00,169 --> 00:21:58,080

we weren't sure you know I didn't you

471

00:22:02,240 --> 00:22:00,179

know it was tough to really find out or

472

00:22:05,690 --> 00:22:02,250

know how many people knew of what was

473

00:22:08,779 --> 00:22:05,700

going on but it was just one of the many

474

00:22:11,750 --> 00:22:08,789

theories that we had bouncing around but

475

00:22:14,659 --> 00:22:11,760

yeah you're right I haven't I you talked

476

00:22:16,250 --> 00:22:14,669

about a location like the myrtles

477

00:22:19,100 --> 00:22:16,260

plantation where you've got a lot of

478

00:22:21,740 --> 00:22:19,110

people that go there and are expecting

479

00:22:23,659 --> 00:22:21,750

something to happen or to expecting to

480

00:22:27,950 --> 00:22:23,669

see something and their collective

481

00:22:32,120 --> 00:22:27,960

consciousness manifest something yeah we

482

00:22:35,930 --> 00:22:32,130

battle ardently absolutely and you know

483

00:22:37,130 --> 00:22:35,940

I think first of all it is the theory

484

00:22:40,340 --> 00:22:37,140

has been around for a long time

485

00:22:42,680 --> 00:22:40,350

of course Alexander David Miele in the

486

00:22:44,899 --> 00:22:42,690

early 1900s brought the concept of

487

00:22:48,880 --> 00:22:44,909

helpers back from to death brought it to

488

00:22:51,320 --> 00:22:48,890

the west and of course classical Western

489

00:22:53,899 --> 00:22:51,330

magical traditions talk about thought

490

00:22:55,940 --> 00:22:53,909

forms and really the two they don't

491

00:22:58,580 --> 00:22:55,950

quite correlate exactly but they're very

492

00:23:01,460 --> 00:22:58,590

similar the concepts are very similar

493

00:23:03,560 --> 00:23:01,470

but you know this this idea of Topher's

494

00:23:05,510 --> 00:23:03,570

within the realm of paranormal or

495

00:23:08,180 --> 00:23:05,520

supernatural studies there's something

496

00:23:10,399 --> 00:23:08,190

that comes around its cycles constantly

497

00:23:12,710 --> 00:23:10,409

and you see you know John keel wrote

498

00:23:14,149 --> 00:23:12,720

about pulpo's and and worked at the

499

00:23:16,430 --> 00:23:14,159

concept for a while even more and

500

00:23:18,650 --> 00:23:16,440

Coleman did for a while a lot of a lot

501
00:23:21,740 --> 00:23:18,660
of writers in the modern era

502
00:23:24,670 --> 00:23:21,750
look this concept now my theory on this

503
00:23:28,330 --> 00:23:24,680
is that we've really moved into a new

504
00:23:30,890 --> 00:23:28,340
era if you would or a new level of the

505
00:23:35,660 --> 00:23:30,900
possibility of these things manifesting

506
00:23:38,720 --> 00:23:35,670
and what I mean by that is that we now

507
00:23:41,000 --> 00:23:38,730
more than ever have a way for the

508
00:23:43,180 --> 00:23:41,010
collective consciousness of humanity to

509
00:23:45,140 --> 00:23:43,190
connect at the speed of light because

510
00:23:49,040 --> 00:23:45,150
now we have the Internet

511
00:23:53,240 --> 00:23:49,050
absolutely and you know a an idea or

512
00:23:56,150 --> 00:23:53,250
Tanja can go around the world in you

513
00:23:58,400 --> 00:23:56,160

know and no talk now you know where has

514

00:24:01,940 --> 00:23:58,410

you know in the old days of course it

515

00:24:03,740 --> 00:24:01,950

had to go you know and it's gradually

516

00:24:05,480 --> 00:24:03,750

gotten faster obviously as we progress

517

00:24:10,220 --> 00:24:05,490

you know now you can post something on

518

00:24:11,600 --> 00:24:10,230

on a you know social media and a few

519

00:24:13,880 --> 00:24:11,610

months later or someone on the other

520

00:24:15,650 --> 00:24:13,890

side of the world is probably reading it

521

00:24:17,990 --> 00:24:15,660

so we have to start questioning all

522

00:24:20,570 --> 00:24:18,000

right what is that link going to in turn

523

00:24:22,130 --> 00:24:20,580

create you know I again I don't know if

524

00:24:24,200 --> 00:24:22,140

we've talked about this topic or not but

525

00:24:26,480 --> 00:24:24,210

you know Slenderman that was anything

526

00:24:28,130 --> 00:24:26,490

but I talked about a lot a few years ago

527

00:24:32,150 --> 00:24:28,140

when I was doing the bless your own

528

00:24:36,260 --> 00:24:32,160

focused and you know Slenderman is a

529

00:24:38,960 --> 00:24:36,270

weird phenomena if you will and I know

530

00:24:40,850 --> 00:24:38,970

some people get aggravated that you know

531

00:24:43,010 --> 00:24:40,860

it gets linked in with paranormal stuff

532

00:24:45,470 --> 00:24:43,020

but here's a reality it was created it

533

00:24:49,280 --> 00:24:45,480

was completely fabricated on the

534

00:24:51,530 --> 00:24:49,290

Internet has has a part of a contest and

535

00:24:53,690 --> 00:24:51,540

for listeners who don't know the whole

536

00:24:56,750 --> 00:24:53,700

history of Slenderman and there was a

537

00:24:59,120 --> 00:24:56,760

forum called something awful these guys

538

00:25:03,500 --> 00:24:59,130

decided to have a contest and come up

539

00:25:05,630 --> 00:25:03,510

with a paranormal themed something that

540

00:25:07,490 --> 00:25:05,640

they could make go viral on the Internet

541

00:25:09,680 --> 00:25:07,500

that was national intent of the initial

542

00:25:10,610 --> 00:25:09,690

part of the contest and the course you

543

00:25:12,800 --> 00:25:10,620

know people are doing all these

544

00:25:15,410 --> 00:25:12,810

photoshop aliens and cryptids and all

545

00:25:18,710 --> 00:25:15,420

kinds of things and a long times this

546

00:25:25,700 --> 00:25:18,720

guy user named Victor Serge who created

547

00:25:28,990 --> 00:25:25,710

a very subtle image of this creepy

548

00:25:32,370 --> 00:25:29,000

figure lurking in the background of

549

00:25:35,490 --> 00:25:32,380

playground and he

550

00:25:37,980 --> 00:25:35,500

started developing this story and he

551
00:25:40,260 --> 00:25:37,990
really he brought us a modern boogeyman

552
00:25:42,600 --> 00:25:40,270
essentially is what he did he he he

553
00:25:46,290 --> 00:25:42,610
brought us the Slenderman which

554
00:25:48,180 --> 00:25:46,300
initially didn't even have a name was at

555
00:25:50,460 --> 00:25:48,190
one point called the operator and then

556
00:25:52,700 --> 00:25:50,470
what's called the Slenderman two words

557
00:25:55,140 --> 00:25:52,710
it all kind of morphed into Slenderman

558
00:25:57,150 --> 00:25:55,150
Slenderman took over that thread

559
00:25:59,490 --> 00:25:57,160
completely all these other people

560
00:26:02,550 --> 00:25:59,500
started contributing they created a

561
00:26:04,710 --> 00:26:02,560
modern mythos around this character they

562
00:26:07,080 --> 00:26:04,720
created you know wood blocks that showed

563
00:26:10,560 --> 00:26:07,090

him in the 15th century I was crazy

564

00:26:14,190 --> 00:26:10,570

and there was a video series created

565

00:26:17,040 --> 00:26:14,200

about this character know what became

566

00:26:20,730 --> 00:26:17,050

disturbing about this is that yeah their

567

00:26:24,540 --> 00:26:20,740

concept did go viral but what happened

568

00:26:27,120 --> 00:26:24,550

was people independently who had not

569

00:26:29,520 --> 00:26:27,130

seen this on the internet started

570

00:26:30,930 --> 00:26:29,530

reporting encounters with a figure that

571

00:26:33,510 --> 00:26:30,940

matched the description of the

572

00:26:36,450 --> 00:26:33,520

Slenderman then you tell me what the

573

00:26:38,130 --> 00:26:36,460

heck is going on with that now that to

574

00:26:41,180 --> 00:26:38,140

me I think that is the collective

575

00:26:44,540 --> 00:26:41,190

consciousness co-creating something into

576

00:26:49,110 --> 00:26:44,550

existence because sadly you know humans

577

00:26:52,500 --> 00:26:49,120

a lot of times default to fear you know

578

00:26:54,540 --> 00:26:52,510

the the negative emotions get a riddle

579

00:26:56,640 --> 00:26:54,550

spike in energy and a real reaction from

580

00:27:00,060 --> 00:26:56,650

people and when you throw these things

581

00:27:02,400 --> 00:27:00,070

out there it causes a chain reaction and

582

00:27:04,740 --> 00:27:02,410

I think that's what the cases with the

583

00:27:06,450 --> 00:27:04,750

Thunder man you know these

584

00:27:08,940 --> 00:27:06,460

manifestations that I was telling people

585

00:27:11,280 --> 00:27:08,950

it was really bizarre because the last

586

00:27:14,940 --> 00:27:11,290

lecture I gave on that tour the talk

587

00:27:16,530 --> 00:27:14,950

letoure was you know I was warning

588

00:27:20,670 --> 00:27:16,540

people I said we haven't seen the last

589

00:27:22,410 --> 00:27:20,680

of this Slender Man mythos and it has

590

00:27:24,180 --> 00:27:22,420

the potential for becoming something

591

00:27:26,430 --> 00:27:24,190

very disturbed and you need to be aware

592

00:27:28,650 --> 00:27:26,440

of it and just a couple of months later

593

00:27:31,260 --> 00:27:28,660

there was the case in Wisconsin where

594

00:27:35,040 --> 00:27:31,270

these two girls tried to kill their

595

00:27:36,870 --> 00:27:35,050

school their classmate because of this

596

00:27:38,850 --> 00:27:36,880

whole Slenderman they believe they

597

00:27:40,830 --> 00:27:38,860

bought into this mythos of the

598

00:27:43,620 --> 00:27:40,840

Slenderman and thought they were going

599

00:27:45,930 --> 00:27:43,630

to go live in his you know house in the

600

00:27:46,350 --> 00:27:45,940

forest or something so you know these

601
00:27:48,870 --> 00:27:46,360
are

602
00:27:51,720 --> 00:27:48,880
very disturbing powerful energies that

603
00:27:54,120 --> 00:27:51,730
were sort of tinkering around with and

604
00:27:56,280 --> 00:27:54,130
you know as investigators and

605
00:27:58,320 --> 00:27:56,290
researchers I think that's something

606
00:28:00,650 --> 00:27:58,330
that we're going to need to be aware of

607
00:28:03,780 --> 00:28:00,660
in the future

608
00:28:09,210 --> 00:28:03,790
you know just putting wild speculation

609
00:28:10,560 --> 00:28:09,220
out there without much proof can you

610
00:28:13,500 --> 00:28:10,570
know you can see right there with that

611
00:28:15,840 --> 00:28:13,510
phenomena what can happen and you're

612
00:28:18,320 --> 00:28:15,850
right I mean it it's something that I've

613
00:28:20,550 --> 00:28:18,330

been thinking about for quite a while

614

00:28:23,430 --> 00:28:20,560

you know when you when you hear of

615

00:28:25,170 --> 00:28:23,440

something well you hear of somebody's

616

00:28:28,110 --> 00:28:25,180

seeing what does say for instance a

617

00:28:31,440 --> 00:28:28,120

humanoid of some type or an unknown

618

00:28:32,760 --> 00:28:31,450

creature and the first thing one of the

619

00:28:36,600 --> 00:28:32,770

first things you got to think about it

620

00:28:40,950 --> 00:28:36,610

well is is is this real or is this

621

00:28:44,640 --> 00:28:40,960

something that's manifested you know for

622

00:28:48,840 --> 00:28:44,650

you know by a living or by human being I

623

00:28:51,450 --> 00:28:48,850

mean you know I think out some of the

624

00:28:53,220 --> 00:28:51,460

modern phenomena can be it can be

625

00:28:59,160 --> 00:28:53,230

attributed to that as well

626
00:29:01,920 --> 00:28:59,170
oh sure potentially yeah I mean you you

627
00:29:06,450 --> 00:29:01,930
did you bring back the the Myrtle's

628
00:29:08,250 --> 00:29:06,460
plantation sightings and you know you

629
00:29:11,310 --> 00:29:08,260
start thinking about somebody other

630
00:29:13,790 --> 00:29:11,320
haunted areas were people and am that

631
00:29:17,010 --> 00:29:13,800
being photographed as well it's just

632
00:29:20,340 --> 00:29:17,020
it's just mind-blowing it really is I

633
00:29:23,310 --> 00:29:20,350
agree with it this is this is something

634
00:29:28,470 --> 00:29:23,320
we're all gonna be to need to keep be

635
00:29:31,110 --> 00:29:28,480
aware oh you know you know Tim Renner

636
00:29:34,050 --> 00:29:31,120
you I think you had done a show with him

637
00:29:36,150 --> 00:29:34,060
and talking about TOPAS with him as well

638
00:29:38,910 --> 00:29:36,160

this is something him and I have talked

639

00:29:42,090 --> 00:29:38,920

about in particular we live in the same

640

00:29:45,120 --> 00:29:42,100

part of the state Pennsylvania and some

641

00:29:47,550 --> 00:29:45,130

of the stuff that just pops up as it's

642

00:29:49,470 --> 00:29:47,560

it's like why you can't believe what you

643

00:29:52,740 --> 00:29:49,480

saying you know where does that come

644

00:29:55,760 --> 00:29:52,750

from you know is this something I saw

645

00:29:58,940 --> 00:29:55,770

was this something I manifested you know

646

00:30:00,859 --> 00:29:58,950

it gets to the point where

647

00:30:05,720 --> 00:30:00,869

are these things manifesting and

648

00:30:10,279 --> 00:30:05,730

actually staying around our part of our

649

00:30:12,080 --> 00:30:10,289

reality tune those yeah that's that's

650

00:30:17,739 --> 00:30:12,090

certainly potentially I mean and then

651

00:30:19,669 --> 00:30:17,749

you know part of what is both

652

00:30:21,859 --> 00:30:19,679

frustrating for some people and

653

00:30:24,460 --> 00:30:21,869

fascinating for others in this field is

654

00:30:27,080 --> 00:30:24,470

that when you really start to question

655

00:30:30,470 --> 00:30:27,090

some of these things and seriously

656

00:30:32,960 --> 00:30:30,480

question the potential for the origin

657

00:30:34,789 --> 00:30:32,970

point or the you know the explanation

658

00:30:37,460 --> 00:30:34,799

for some of these things it really

659

00:30:40,909 --> 00:30:37,470

throws you down the rabbit hole because

660

00:30:42,680 --> 00:30:40,919

you have to consider these different

661

00:30:44,840 --> 00:30:42,690

concepts and this just being one of them

662

00:30:46,249 --> 00:30:44,850

I mean really you know if you go whole

663

00:30:48,560 --> 00:30:46,259

different direction and say okay well

664

00:30:51,320 --> 00:30:48,570

what about all of these things you know

665

00:30:53,629 --> 00:30:51,330

why are so many weird sightings it's a

666

00:30:56,180 --> 00:30:53,639

strange encounter one-off encounters you

667

00:30:58,749 --> 00:30:56,190

know what's going on here and you know

668

00:31:02,269 --> 00:30:58,759

how does this play in with a lot of

669

00:31:04,999 --> 00:31:02,279

tribal and native police that we've

670

00:31:08,810 --> 00:31:05,009

moved into a time where a lot of these

671

00:31:12,049 --> 00:31:08,820

portals and gateways to other dimensions

672

00:31:14,599 --> 00:31:12,059

are starting to open up and that's

673

00:31:16,549 --> 00:31:14,609

another fascinating topic I mean quantum

674

00:31:17,299 --> 00:31:16,559

science is now looking at that and

675

00:31:18,649 --> 00:31:17,309

saying oh yeah

676

00:31:21,099 --> 00:31:18,659

you know there's other dimensions of

677

00:31:23,810 --> 00:31:21,109

existence so you know just just

678

00:31:27,710 --> 00:31:23,820

acknowledging that and thinking about

679

00:31:31,220 --> 00:31:27,720

that saying whoa okay you know I I had a

680

00:31:33,080 --> 00:31:31,230

I had a tribal elder tell me many many

681

00:31:35,690 --> 00:31:33,090

years ago well well before this whole

682

00:31:37,999 --> 00:31:35,700

all the quantum science though you know

683

00:31:40,249 --> 00:31:38,009

he he told me he was telling me a story

684

00:31:42,409 --> 00:31:40,259

about this other race that used to live

685

00:31:44,409 --> 00:31:42,419

here and how they left and he said well

686

00:31:47,470 --> 00:31:44,419

they departed through you know

687

00:31:50,479 --> 00:31:47,480

translated has a shimmering doorway and

688

00:31:53,119 --> 00:31:50,489

you know of course my question was can

689

00:31:55,039 --> 00:31:53,129

they you know well you know where is

690

00:31:56,810 --> 00:31:55,049

that doorway you know and of course it's

691

00:32:00,080 --> 00:31:56,820

in an area that's taboo to Native

692

00:32:02,299 --> 00:32:00,090

Americans now and you know you start

693

00:32:07,849 --> 00:32:02,309

looking at these questions and you think

694

00:32:09,349 --> 00:32:07,859

okay well just because they you know we

695

00:32:10,999 --> 00:32:09,359

can't get to these other dimensions

696

00:32:12,860 --> 00:32:11,009

doesn't mean that they can't still get

697

00:32:15,140 --> 00:32:12,870

here and so

698

00:32:18,740 --> 00:32:15,150

those dents explained you know some of

699

00:32:20,450 --> 00:32:18,750

what people are singing okay because you

700

00:32:21,710 --> 00:32:20,460

know the reports I don't know about you

701
00:32:24,950 --> 00:32:21,720
I know you get a lot of reports and

702
00:32:27,500 --> 00:32:24,960
everything you know I've had people ask

703
00:32:29,299 --> 00:32:27,510
me in the past year people are always

704
00:32:31,580 --> 00:32:29,309
asking me on shows and interviews and

705
00:32:34,130 --> 00:32:31,590
stuff what do you think activity is on a

706
00:32:36,950 --> 00:32:34,140
downturn and I just kind of Chuck my no

707
00:32:40,670 --> 00:32:36,960
not at all it's far from it's on an

708
00:32:42,560 --> 00:32:40,680
upswing you know and really I mean III

709
00:32:44,510 --> 00:32:42,570
see it tracking there the last several

710
00:32:46,310 --> 00:32:44,520
years it just increases more and more

711
00:32:47,990 --> 00:32:46,320
each year as far as I'm concerned now

712
00:32:49,370 --> 00:32:48,000
the waves are more defined which is

713
00:32:52,040 --> 00:32:49,380

interesting because you know you'll get

714

00:32:53,720 --> 00:32:52,050

a whole flap of of UFO sightings and

715

00:32:55,760 --> 00:32:53,730

then that'll go quiet for a little bit

716

00:32:58,040 --> 00:32:55,770

but then over here you'll see a whole

717

00:33:01,280 --> 00:32:58,050

you know oh here we've got six months of

718

00:33:03,950 --> 00:33:01,290

intense Sasquatch encounters so it's

719

00:33:05,600 --> 00:33:03,960

really strange how you have to look at

720

00:33:07,640 --> 00:33:05,610

it holistically I think if you were

721

00:33:09,650 --> 00:33:07,650

looking at only one phenomena you might

722

00:33:12,950 --> 00:33:09,660

say well okay you know we've got kind of

723

00:33:14,660 --> 00:33:12,960

a low cycle right now but overall in

724

00:33:17,049 --> 00:33:14,670

terms of strange phenomena I think we're

725

00:33:19,549 --> 00:33:17,059

on an incredible upswing oh absolutely

726

00:33:21,410 --> 00:33:19,559

yeah I mean you know of course we had to

727

00:33:23,780 --> 00:33:21,420

flap in Chicago and that lasted for

728

00:33:25,700 --> 00:33:23,790

about seven or eight months we've had a

729

00:33:28,850 --> 00:33:25,710

few sightings all here and there while I

730

00:33:30,770 --> 00:33:28,860

read one beginning of show and we've had

731

00:33:34,250 --> 00:33:30,780

sightings in other parts of the country

732

00:33:35,630 --> 00:33:34,260

as well in particular down Florida where

733

00:33:37,970 --> 00:33:35,640

we had a group of settings down there

734

00:33:41,690 --> 00:33:37,980

and we've had several sightings up in

735

00:33:45,530 --> 00:33:41,700

Ontario so you know yeah you're right

736

00:33:47,000 --> 00:33:45,540

and this just keeps happening just like

737

00:33:47,840 --> 00:33:47,010

you're breaking on sightings in

738

00:33:49,820 --> 00:33:47,850

Pennsylvania

739

00:33:53,540 --> 00:33:49,830

something that has can you know we had a

740

00:33:55,460 --> 00:33:53,550

flat floor for about a year then it wind

741

00:33:58,430 --> 00:33:55,470

up but we're still getting sightings but

742

00:34:00,260 --> 00:33:58,440

you know you're right it has increased

743

00:34:02,840 --> 00:34:00,270

people you know I don't know why people

744

00:34:05,540 --> 00:34:02,850

are on the impression it has increased I

745

00:34:08,600 --> 00:34:05,550

don't know it's because well maybe we're

746

00:34:10,250 --> 00:34:08,610

getting more bizarre sightings and why

747

00:34:13,010 --> 00:34:10,260

is that going on is that an innard

748

00:34:15,290 --> 00:34:13,020

eventual phenomena or like you said

749

00:34:20,000 --> 00:34:15,300

before is a tall boat or something like

750

00:34:20,780 --> 00:34:20,010

that but it it is very strange yeah and

751
00:34:23,740 --> 00:34:20,790
you know you bring up something

752
00:34:26,690 --> 00:34:23,750
interesting there's this whole you know

753
00:34:29,809 --> 00:34:26,700
another crazy topic a dog man

754
00:34:32,270 --> 00:34:29,819
right because really you know if you

755
00:34:35,629 --> 00:34:32,280
look at dog man

756
00:34:39,169 --> 00:34:35,639
sightings overall there's there's some

757
00:34:41,210 --> 00:34:39,179
pretty big gaps of time you know whether

758
00:34:42,619 --> 00:34:41,220
it's really nothing reported and it

759
00:34:44,899 --> 00:34:42,629
doesn't seem much of anything is going

760
00:34:48,319 --> 00:34:44,909
on now we've got classic werewolf

761
00:34:50,599 --> 00:34:48,329
stories out of Europe and of course

762
00:34:55,309 --> 00:34:50,609
something I've looked at quite a bit as

763
00:34:57,410 --> 00:34:55,319

is early colonial times in America you

764

00:35:02,410 --> 00:34:57,420

actually there's quite a few sightings

765

00:35:05,150 --> 00:35:02,420

of werewolves and you know they're

766

00:35:07,849 --> 00:35:05,160

they're crazy accounts I mean there's

767

00:35:10,130 --> 00:35:07,859

five year your territory Pennsylvania

768

00:35:13,220 --> 00:35:10,140

you know there was one I wrote about it

769

00:35:17,030 --> 00:35:13,230

I found missed account that loggers were

770

00:35:23,030 --> 00:35:17,040

having trouble because these werewolves

771

00:35:24,170 --> 00:35:23,040

were harassing the logging parts that

772

00:35:27,680 --> 00:35:24,180

were coming down you know they were

773

00:35:30,920 --> 00:35:27,690

attacking the horses so they painted hex

774

00:35:33,079 --> 00:35:30,930

symbols on the wheels of the wagons in

775

00:35:35,059 --> 00:35:33,089

an effort to ward off these werewolves

776

00:35:36,559 --> 00:35:35,069

now obviously you know these are

777

00:35:37,819 --> 00:35:36,569

European settlers they're coming over

778

00:35:40,789 --> 00:35:37,829

and that's what they're identifying it

779

00:35:42,950 --> 00:35:40,799

has you know really we can equate the

780

00:35:44,720 --> 00:35:42,960

two you know okay werewolf dog man yeah

781

00:35:47,299 --> 00:35:44,730

pretty much the same thing you look at

782

00:35:51,079 --> 00:35:47,309

the descriptions if you leave out the

783

00:35:53,180 --> 00:35:51,089

whole movie folklore of you know being

784

00:35:57,740 --> 00:35:53,190

bitten and transformed and all that you

785

00:35:59,630 --> 00:35:57,750

know the fanciful story aspects so you

786

00:36:01,730 --> 00:35:59,640

know we've got that period and then we

787

00:36:05,630 --> 00:36:01,740

have a few sporadic things like the

788

00:36:07,220 --> 00:36:05,640

defiance werewolf and you know things

789

00:36:12,890 --> 00:36:07,230

like that but then we've got this whole

790

00:36:14,809 --> 00:36:12,900

modern wave of dog man signs and I just

791

00:36:17,359 --> 00:36:14,819

I find it pretty fascinating now

792

00:36:19,789 --> 00:36:17,369

initially you know I saw a lot of they

793

00:36:23,049 --> 00:36:19,799

thought well this is this is weird you

794

00:36:26,390 --> 00:36:23,059

know you take out the Bray Road stuff is

795

00:36:28,839 --> 00:36:26,400

sort of isolated and my friend Linda

796

00:36:32,299 --> 00:36:28,849

Godfrey has done incredible work on that

797

00:36:34,130 --> 00:36:32,309

but you know you go outside that you

798

00:36:36,440 --> 00:36:34,140

only get a few isolated incidents here

799

00:36:37,640 --> 00:36:36,450

and there until recently you know and

800

00:36:40,030 --> 00:36:37,650

now obvious things are popping up

801

00:36:41,830 --> 00:36:40,040

everywhere and you know

802

00:36:43,870 --> 00:36:41,840

my first inclination when they start

803

00:36:47,230 --> 00:36:43,880

showing up frequently was you know I

804

00:36:50,040 --> 00:36:47,240

wonder if people are seeing you know

805

00:36:52,540 --> 00:36:50,050

sasquatch-like creatures that are just

806

00:36:55,570 --> 00:36:52,550

you know for some reason they're

807

00:36:58,270 --> 00:36:55,580

equating it to you know werewolf or a

808

00:37:00,760 --> 00:36:58,280

dog man type of fame but they've just

809

00:37:01,990 --> 00:37:00,770

become too defined at this point and

810

00:37:04,390 --> 00:37:02,000

there's there's some of these encounters

811

00:37:06,610 --> 00:37:04,400

that you know that people are describing

812

00:37:10,300 --> 00:37:06,620

seeing these things very very clearly

813

00:37:12,430 --> 00:37:10,310

and it's it's obviously they're

814

00:37:15,070 --> 00:37:12,440

describing something that's an upright

815

00:37:17,800 --> 00:37:15,080

caiman as opposed to you know typical

816

00:37:22,240 --> 00:37:17,810

Sasquatch description so it's just an

817

00:37:24,010 --> 00:37:22,250

intriguing intriguing phenomena yeah you

818

00:37:25,810 --> 00:37:24,020

know butch Bukowski and I have been

819

00:37:29,350 --> 00:37:25,820

looking into this now for almost I guess

820

00:37:30,910 --> 00:37:29,360

about four years but when we started

821

00:37:33,100 --> 00:37:30,920

getting reports out of Pennsylvania

822

00:37:34,570 --> 00:37:33,110

that's one of the things we started

823

00:37:36,610 --> 00:37:34,580

thinking well people actually seen

824

00:37:40,630 --> 00:37:36,620

Bigfoot and I dismiss it you know

825

00:37:43,840 --> 00:37:40,640

identification or are their minds kind

826

00:37:45,880 --> 00:37:43,850

of you know making them thinking

827

00:37:48,100 --> 00:37:45,890

something other than a sasquatch or or

828

00:37:50,350 --> 00:37:48,110

whatever but no you're right they're

829

00:37:53,200 --> 00:37:50,360

very defined they're very defined

830

00:37:58,030 --> 00:37:53,210

descriptions they're not embellishing on

831

00:38:00,760 --> 00:37:58,040

this stuff these these upright canines

832

00:38:04,180 --> 00:38:00,770

are huge I mean for the most part

833

00:38:06,310 --> 00:38:04,190

they're taller than any Bigfoot sighting

834

00:38:09,190 --> 00:38:06,320

in that particular area we've had them

835

00:38:11,560 --> 00:38:09,200

up to nine to ten foot you know and the

836

00:38:13,210 --> 00:38:11,570

descriptions are coming up with and this

837

00:38:18,340 --> 00:38:13,220

is you know we started calling them

838

00:38:20,620 --> 00:38:18,350

lichens because they if you're familiar

839

00:38:23,050 --> 00:38:20,630

with the underworld series I mean the

840

00:38:25,810 --> 00:38:23,060

descriptions are very similar to what

841

00:38:28,510 --> 00:38:25,820

people see in that in and muta those

842

00:38:30,580 --> 00:38:28,520

movies so right I mean are they

843

00:38:31,780 --> 00:38:30,590

associated Matt with the movies I don't

844

00:38:34,540 --> 00:38:31,790

know it's hard to tell if that's it

845

00:38:37,690 --> 00:38:34,550

if that's actually what's going on but

846

00:38:41,010 --> 00:38:37,700

you're right he does pop up in waves and

847

00:38:44,500 --> 00:38:41,020

in fact down in Maryland back in the

848

00:38:46,930 --> 00:38:44,510

1960s and 70s in Frederick County

849

00:38:52,240 --> 00:38:46,940

Maryland there were like seven reports

850

00:38:53,470 --> 00:38:52,250

at that time just on break a night and

851
00:38:55,510 --> 00:38:53,480
they were

852
00:38:58,349 --> 00:38:55,520
very specific reports as well and in

853
00:39:01,690 --> 00:38:58,359
fact I talked to one of the witnesses

854
00:39:03,370 --> 00:39:01,700
who hadn't won an encounter with one of

855
00:39:07,500 --> 00:39:03,380
these things back in the nineteen it

856
00:39:10,359 --> 00:39:07,510
back in 1964 and when he was a boy and

857
00:39:12,300 --> 00:39:10,369
he saw something I don't know what

858
00:39:15,250 --> 00:39:12,310
exactly it was but it was something in

859
00:39:21,790 --> 00:39:15,260
his description and the way he talked

860
00:39:24,490 --> 00:39:21,800
about it was very disturbing yeah yeah

861
00:39:26,710 --> 00:39:24,500
but again you know some of those again

862
00:39:29,140 --> 00:39:26,720
they're set to these isolated cases you

863
00:39:31,180 --> 00:39:29,150

know I Bray Road and the Maryland

864

00:39:33,190 --> 00:39:31,190

sightings and things like that in the

865

00:39:35,530 --> 00:39:33,200

past but you know for some reason in

866

00:39:38,109 --> 00:39:35,540

recent times I mean we we've just got

867

00:39:40,510 --> 00:39:38,119

this massive wave of these things the

868

00:39:45,160 --> 00:39:40,520

cropping up everywhere and there are

869

00:39:47,109 --> 00:39:45,170

regional their regional explanations or

870

00:39:49,300 --> 00:39:47,119

some of you know I think the Bray Road

871

00:39:50,680 --> 00:39:49,310

stuff is something very unique now maybe

872

00:39:53,290 --> 00:39:50,690

those things spread out from there I

873

00:39:55,030 --> 00:39:53,300

don't know you know of course in my

874

00:39:57,190 --> 00:39:55,040

territory the Southwest we've got

875

00:40:01,599 --> 00:39:57,200

accounts of skinwalkers that go way back

876

00:40:04,330 --> 00:40:01,609

to you know early early European

877

00:40:06,849 --> 00:40:04,340

expansion days so you know those have

878

00:40:08,560 --> 00:40:06,859

always been there but you know

879

00:40:10,270 --> 00:40:08,570

whatever's going on now with all these

880

00:40:14,320 --> 00:40:10,280

dog man sightings it's just kind of

881

00:40:16,540 --> 00:40:14,330

crazy right you know while we're on

882

00:40:20,349 --> 00:40:16,550

together I want to mention that you and

883

00:40:23,470 --> 00:40:20,359

I both had a mutual friend passes past

884

00:40:26,620 --> 00:40:23,480

your Jesse Johnson I know you and Jesse

885

00:40:29,590 --> 00:40:26,630

were involved with some investigations

886

00:40:34,080 --> 00:40:29,600

in the past when you talk about weird

887

00:40:37,660 --> 00:40:34,090

phenomena canids

888

00:40:42,099 --> 00:40:37,670

Bigfoot a lot of other strange things I

889

00:40:47,320 --> 00:40:42,109

mean Jesse always comes to mind I'm

890

00:40:49,480 --> 00:40:47,330

telling you I mean some some of the

891

00:40:53,640 --> 00:40:49,490

investigations that he was involved in

892

00:40:55,960 --> 00:40:53,650

on the reservation were quite intriguing

893

00:41:00,220 --> 00:40:55,970

you know he gave me a lot to write about

894

00:41:04,180 --> 00:41:00,230

for good a good amount of time yeah I'm

895

00:41:06,190 --> 00:41:04,190

feeling that man I tell you because he

896

00:41:07,540 --> 00:41:06,200

was a good friend and a good

897

00:41:11,350 --> 00:41:07,550

investigator

898

00:41:12,940 --> 00:41:11,360

you know it was yeah I'm thankful that I

899

00:41:14,380 --> 00:41:12,950

you know that he was my friend and I got

900

00:41:18,640 --> 00:41:14,390

to spend time and field with him and

901
00:41:23,620 --> 00:41:18,650
everything and he's he's a good example

902
00:41:26,590 --> 00:41:23,630
of you know one of my one of the things

903
00:41:29,710 --> 00:41:26,600
I believe about investigating in this

904
00:41:31,690 --> 00:41:29,720
field is that there's always the human

905
00:41:33,640 --> 00:41:31,700
component in terms of who you choose to

906
00:41:36,730 --> 00:41:33,650
spend a lot of time in the field with

907
00:41:39,370 --> 00:41:36,740
and who you investigate with and whether

908
00:41:42,670 --> 00:41:39,380
it's a haunted location or whatnot you

909
00:41:46,180 --> 00:41:42,680
can have people who participate who

910
00:41:47,950 --> 00:41:46,190
would just not by their own fault but

911
00:41:53,530 --> 00:41:47,960
who are just the energy killers you know

912
00:41:56,380 --> 00:41:53,540
they just alter the interaction the the

913
00:41:58,840 --> 00:41:56,390

experience whatever it is and you know

914

00:42:00,670 --> 00:41:58,850

I've seen these people that you can take

915

00:42:02,290 --> 00:42:00,680

them into the most haunted location on

916

00:42:06,820 --> 00:42:02,300

the planet and nothing will happen that

917

00:42:09,070 --> 00:42:06,830

night this place doesn't live up to his

918

00:42:10,660 --> 00:42:09,080

height and they automatically assume

919

00:42:11,950 --> 00:42:10,670

that something wrong with the location

920

00:42:14,470 --> 00:42:11,960

and I always say well wait a minute

921

00:42:16,540 --> 00:42:14,480

let's back up and you know let's think

922

00:42:18,520 --> 00:42:16,550

about the people you were there with the

923

00:42:20,110 --> 00:42:18,530

combination of people you know sometimes

924

00:42:23,830 --> 00:42:20,120

not always a person sometimes it's the

925

00:42:26,920 --> 00:42:23,840

combination of people and you know I

926

00:42:30,340 --> 00:42:26,930

tried very hard to primarily investigate

927

00:42:32,230 --> 00:42:30,350

with people that you know I have a good

928

00:42:34,870 --> 00:42:32,240

connection with it I know you know

929

00:42:38,740 --> 00:42:34,880

things I will experience things with and

930

00:42:41,860 --> 00:42:38,750

no I tell you man in JC and I whenever

931

00:42:44,560 --> 00:42:41,870

we went out things just went nuts it was

932

00:42:45,570 --> 00:42:44,570

really you just never knew what to

933

00:42:49,030 --> 00:42:45,580

expect

934

00:42:53,050 --> 00:42:49,040

yeah I know I was one of a kind

935

00:42:55,600 --> 00:42:53,060

i I had seen some of the films and such

936

00:42:58,690 --> 00:42:55,610

and I've heard the stories and you've

937

00:43:02,550 --> 00:42:58,700

told me before it just seems like these

938

00:43:05,470 --> 00:43:02,560

things were drawn to JC for some reason

939

00:43:09,520 --> 00:43:05,480

you know I remember you you had all been

940

00:43:11,650 --> 00:43:09,530

at a campsite together and things

941

00:43:14,800 --> 00:43:11,660

started getting thrown into the campsite

942

00:43:20,890 --> 00:43:14,810

and all kinds of crazy stuff was gone

943

00:43:25,030 --> 00:43:20,900

yeah yeah well we had another

944

00:43:30,790 --> 00:43:25,040

we were on reservation territory and up

945

00:43:33,310 --> 00:43:30,800

in the Four Corners region and we we

946

00:43:35,560 --> 00:43:33,320

were pretty high elevation that was you

947

00:43:37,980 --> 00:43:35,570

know of course it's supposed to be clear

948

00:43:40,450 --> 00:43:37,990

but you know how that works right now

949

00:43:46,140 --> 00:43:40,460

we've got this rain that came in that

950

00:43:50,830 --> 00:43:46,150

night and I had grabbed the wrong tent

951
00:43:53,100 --> 00:43:50,840
what I left that weekend and this tent I

952
00:43:58,120 --> 00:43:53,110
was in started leaking like a sieve and

953
00:44:01,270 --> 00:43:58,130
middle of the of the night and yeah so I

954
00:44:03,760 --> 00:44:01,280
got up and well you know screw this I'll

955
00:44:07,540 --> 00:44:03,770
just go sleep in the Jeep I got in my

956
00:44:09,610 --> 00:44:07,550
Jeep put the seat all the way back you

957
00:44:12,420 --> 00:44:09,620
know and what went back to sleep to the

958
00:44:15,520 --> 00:44:12,430
sound of this pouring rain had a

959
00:44:18,910 --> 00:44:15,530
soft-top Jeep you know sale sell for top

960
00:44:21,250 --> 00:44:18,920
100 at the time and it was the weirdest

961
00:44:24,310 --> 00:44:21,260
thing because you know I'm - sleep and

962
00:44:27,040 --> 00:44:24,320
then you know that feeling like when

963
00:44:28,890 --> 00:44:27,050

you're like you know and you're on a

964

00:44:31,870 --> 00:44:28,900

boat or something not a gentle rocking

965

00:44:35,530 --> 00:44:31,880

and I'm kind of half asleep half awake

966

00:44:38,290 --> 00:44:35,540

and I'm feeling like I'm walking and you

967

00:44:40,930 --> 00:44:38,300

know I kind of bring myself back to

968

00:44:43,720 --> 00:44:40,940

consciousness on this thinking wait a

969

00:44:46,150 --> 00:44:43,730

minute and you know as I'm waking up I

970

00:44:49,600 --> 00:44:46,160

realized that the whole Jeep is rocking

971

00:44:51,550 --> 00:44:49,610

yeah and something was on the back

972

00:44:55,080 --> 00:44:51,560

corner of that Jeep just pushing it down

973

00:44:58,240 --> 00:44:55,090

up and down just like making it you know

974

00:45:01,840 --> 00:44:58,250

making the Jeep rock and of course you

975

00:45:03,520 --> 00:45:01,850

know I jumped up and I you know grabbed

976
00:45:06,670 --> 00:45:03,530
my sidearm because he knows what was

977
00:45:09,070 --> 00:45:06,680
gonna be out there and pitch black and

978
00:45:12,520 --> 00:45:09,080
of course as soon as I it upright you

979
00:45:15,490 --> 00:45:12,530
know the it stopped and whatever it was

980
00:45:18,160 --> 00:45:15,500
was you know took off and no I couldn't

981
00:45:19,780 --> 00:45:18,170
even really hear it over the way but you

982
00:45:21,610 --> 00:45:19,790
know just a brief glimpse of something

983
00:45:24,610 --> 00:45:21,620
kind of running away I knew it wasn't

984
00:45:26,050 --> 00:45:24,620
one of guys because it was porn ring so

985
00:45:27,730 --> 00:45:26,060
you know it's just one of the many

986
00:45:31,600 --> 00:45:27,740
things I mean there's always something

987
00:45:33,460 --> 00:45:31,610
like that and fortunately you know I've

988
00:45:34,870 --> 00:45:33,470

had a lot of I guess you could say

989

00:45:36,720 --> 00:45:34,880

fortunately yeah oh

990

00:45:39,700 --> 00:45:36,730

all of those types of experiences and

991

00:45:43,809 --> 00:45:39,710

you know try to I strive to work with

992

00:45:47,440 --> 00:45:43,819

people that the energy just kind of

993

00:45:50,200 --> 00:45:47,450

dives right one yeah one of the one of

994

00:45:54,130 --> 00:45:50,210

the stories that I never would kind of

995

00:45:57,910 --> 00:45:54,140

figured out with JC was when he was

996

00:45:59,259 --> 00:45:57,920

describing this winged Bigfoot now I

997

00:46:02,499 --> 00:45:59,269

don't know if you ever talked to you

998

00:46:05,230 --> 00:46:02,509

about that but on the mace the the

999

00:46:07,299 --> 00:46:05,240

Bigfoot up on the Mesa that was had the

1000

00:46:11,950 --> 00:46:07,309

wings on him and he swore up and down

1001
00:46:14,980 --> 00:46:11,960
that was he saw this thing and I don't

1002
00:46:16,990 --> 00:46:14,990
know what he saw I mean but you know

1003
00:46:20,710 --> 00:46:17,000
when JC talked about things it sounded

1004
00:46:23,559 --> 00:46:20,720
pretty convincing yeah I mean he you

1005
00:46:25,859 --> 00:46:23,569
know yeah I remember that story and it

1006
00:46:29,079 --> 00:46:25,869
was kind of you know it's like the whole

1007
00:46:31,539 --> 00:46:29,089
thing that happened up in the northwest

1008
00:46:36,990 --> 00:46:31,549
and it did just kind of leave you

1009
00:46:40,620 --> 00:46:37,000
shaking your head I'll say this you know

1010
00:46:44,740 --> 00:46:40,630
I've investigated all over the world and

1011
00:46:47,079 --> 00:46:44,750
the Navajo Reservation is one of the

1012
00:46:51,789 --> 00:46:47,089
strangest places on this planet hand

1013
00:46:54,009 --> 00:46:51,799

Audria because it just it's it is a it

1014

00:46:54,759 --> 00:46:54,019

really is a different world in more ways

1015

00:46:59,049 --> 00:46:54,769

than one

1016

00:47:01,710 --> 00:46:59,059

and it's hard for people of the conceit

1017

00:47:04,210 --> 00:47:01,720

of that unless they've experienced it

1018

00:47:05,799 --> 00:47:04,220

okay it's a spooky experience driving

1019

00:47:08,079 --> 00:47:05,809

across that reservation in the middle of

1020

00:47:10,450 --> 00:47:08,089

the night there's no you know unless

1021

00:47:13,269 --> 00:47:10,460

you're near a city there's no white

1022

00:47:18,430 --> 00:47:13,279

pollution there's you know the landscape

1023

00:47:21,700 --> 00:47:18,440

is almost alien and it has beautiful but

1024

00:47:23,890 --> 00:47:21,710

it also has a different quality of

1025

00:47:27,160 --> 00:47:23,900

different strangeness about it but you

1026

00:47:29,049 --> 00:47:27,170

just can't fully describe unless you

1027

00:47:31,599 --> 00:47:29,059

experience it yourself and the weird

1028

00:47:33,339 --> 00:47:31,609

thing is is that I'll tell you some of

1029

00:47:38,799 --> 00:47:33,349

the stories even to this day but I still

1030

00:47:40,660 --> 00:47:38,809

get from that region you know if if they

1031

00:47:42,970 --> 00:47:40,670

weren't being told to me by the people

1032

00:47:45,670 --> 00:47:42,980

that they are I would say get out of

1033

00:47:46,990 --> 00:47:45,680

here yeah but I mean these are people

1034

00:47:48,370 --> 00:47:47,000

you know I share these accounts from

1035

00:47:52,150 --> 00:47:48,380

people that have

1036

00:47:57,489 --> 00:47:52,160

no reason to fabricate no reason to you

1037

00:47:59,529 --> 00:47:57,499

know but they know no benefit to them

1038

00:48:03,400 --> 00:47:59,539

making up these stories or anything else

1039

00:48:07,089 --> 00:48:03,410

and I tell you weird weird things man

1040

00:48:11,229 --> 00:48:07,099

you know I had someone show me these

1041

00:48:11,859 --> 00:48:11,239

tracks a lot of these things are like 22

1042

00:48:16,630 --> 00:48:11,869

inches long

1043

00:48:18,809 --> 00:48:16,640

ya know you know just trying to wrap

1044

00:48:22,200 --> 00:48:18,819

your head around I mean you know we find

1045

00:48:25,120 --> 00:48:22,210

Sasquatch tracks are found all over the

1046

00:48:28,569 --> 00:48:25,130

planet right almost and you know you

1047

00:48:30,640 --> 00:48:28,579

hear of wide range of sizes and you get

1048

00:48:34,779 --> 00:48:30,650

into these ranges that are you know 15

1049

00:48:37,660 --> 00:48:34,789

16 18 it's just 22 inches this is much

1050

00:48:41,499 --> 00:48:37,670

these didn't stop to think okay how tall

1051
00:48:42,999 --> 00:48:41,509
is this place and you go back to you and

1052
00:48:45,069 --> 00:48:43,009
you hear these stories from people on

1053
00:48:47,229 --> 00:48:45,079
the reservation that report seeing these

1054
00:48:50,710 --> 00:48:47,239
creatures that are ten feet tall or more

1055
00:48:54,190 --> 00:48:50,720
oh yeah and you think oh my gosh you

1056
00:48:56,229 --> 00:48:54,200
know what what is going on and that

1057
00:48:58,450 --> 00:48:56,239
sounds absurd to people who don't

1058
00:49:01,959 --> 00:48:58,460
understand that

1059
00:49:06,279 --> 00:49:01,969
there's a lot of territory on that

1060
00:49:08,890 --> 00:49:06,289
reservation and not many people yeah

1061
00:49:12,729 --> 00:49:08,900
well that's true you know I mean that's

1062
00:49:16,209 --> 00:49:12,739
the one thing I should cherish with JC

1063
00:49:17,979 --> 00:49:16,219

was he went out with the camera and he

1064

00:49:22,329 --> 00:49:17,989

was interviewing people and it was

1065

00:49:24,940 --> 00:49:22,339

letting them tell what occurred yeah

1066

00:49:29,229 --> 00:49:24,950

especially with the furry one encounters

1067

00:49:31,359 --> 00:49:29,239

I mean if JC would would come on and

1068

00:49:33,039 --> 00:49:31,369

tell you about that you would think well

1069

00:49:35,019 --> 00:49:33,049

this guy's seeing stuff but you know

1070

00:49:37,959 --> 00:49:35,029

when when the property had the native

1071

00:49:40,989 --> 00:49:37,969

people coming on there who actually had

1072

00:49:42,519 --> 00:49:40,999

the encounter and he'd go to each family

1073

00:49:45,219 --> 00:49:42,529

member and you know they tell you

1074

00:49:48,180 --> 00:49:45,229

exactly what was going on it's like oh

1075

00:49:53,499 --> 00:49:48,190

my god I I believe he's people

1076

00:49:55,539 --> 00:49:53,509

something's going on out there yeah

1077

00:49:57,700 --> 00:49:55,549

because I mean you know like you said

1078

00:50:01,760 --> 00:49:57,710

you you hear him first you know out of

1079

00:50:05,810 --> 00:50:01,770

context and you think okay you know what

1080

00:50:09,430 --> 00:50:05,820

what's this diet know that waiting in to

1081

00:50:12,080 --> 00:50:09,440

come up with these stories but no it's

1082

00:50:13,940 --> 00:50:12,090

not at all man I mean what's up and you

1083

00:50:15,859 --> 00:50:13,950

know to put in context for people I

1084

00:50:21,320 --> 00:50:15,869

always like to point this out but not

1085

00:50:24,040 --> 00:50:21,330

the Navajo Nation it's oh now I can't

1086

00:50:28,930 --> 00:50:24,050

remember the figure it's around 27,000

1087

00:50:32,750 --> 00:50:28,940

it's just over 27,000 square miles

1088

00:50:36,620 --> 00:50:32,760

now with within that there's only about

1089

00:50:38,870 --> 00:50:36,630

300,000 people oh yeah so you know you

1090

00:50:40,880 --> 00:50:38,880

stop and think about those figures and

1091

00:50:42,710 --> 00:50:40,890

you know bear in mind like anywhere else

1092

00:50:46,970 --> 00:50:42,720

that people are concentrated around the

1093

00:50:49,250 --> 00:50:46,980

cities you know so you have a few big

1094

00:50:51,680 --> 00:50:49,260

cities on the rez and that's where most

1095

00:50:53,780 --> 00:50:51,690

people live you know I got a few people

1096

00:50:55,700 --> 00:50:53,790

out in the territories but there's large

1097

00:50:57,500 --> 00:50:55,710

portions of that reservation that you

1098

00:51:01,550 --> 00:50:57,510

can wander across all day and not see

1099

00:51:04,880 --> 00:51:01,560

anybody so you know this is one of the

1100

00:51:08,540 --> 00:51:04,890

reasons that I think that some of these

1101
00:51:10,280 --> 00:51:08,550
things are in existence on that

1102
00:51:12,470 --> 00:51:10,290
reservation it's one of the many reasons

1103
00:51:15,320 --> 00:51:12,480
but you know there's plenty of territory

1104
00:51:18,320 --> 00:51:15,330
for them to be there and you know just

1105
00:51:21,260 --> 00:51:18,330
not be encountered by humans a large

1106
00:51:23,599 --> 00:51:21,270
portion of the time well I gotta give

1107
00:51:25,310 --> 00:51:23,609
you one thing JC of mayest a lot of

1108
00:51:28,340 --> 00:51:25,320
different things one of the things I

1109
00:51:29,900 --> 00:51:28,350
never even thought existed but being

1110
00:51:32,480 --> 00:51:29,910
associated with him for the number of

1111
00:51:37,400 --> 00:51:32,490
years I was able to get the information

1112
00:51:42,200 --> 00:51:37,410
from him I I had to take everything in

1113
00:51:44,480 --> 00:51:42,210

consideration now because you know the

1114

00:51:47,330 --> 00:51:44,490

witness reports and then him going

1115

00:51:49,220 --> 00:51:47,340

firsthand and talking to people you know

1116

00:51:52,490 --> 00:51:49,230

it really brought it to me you know it

1117

00:51:55,700 --> 00:51:52,500

really brought it out there and it's

1118

00:51:59,500 --> 00:51:55,710

you're right it is and it is a stranger

1119

00:52:04,220 --> 00:51:59,510

it's a magical area it really is oh yeah

1120

00:52:09,040 --> 00:52:04,230

well investigators and JC was one of

1121

00:52:12,710 --> 00:52:09,050

those guys who you know his approach was

1122

00:52:15,470 --> 00:52:12,720

yeah there's the stories that you know

1123

00:52:17,810 --> 00:52:15,480

in in the old days he would have been

1124

00:52:19,550 --> 00:52:17,820

you know wisdom keeper of storytellers

1125

00:52:22,849 --> 00:52:19,560

you know who just gathered the accounts

1126

00:52:25,130 --> 00:52:22,859

and you know I think that's how I can't

1127

00:52:27,170 --> 00:52:25,140

speak for him but from my perspective I

1128

00:52:30,260 --> 00:52:27,180

think that was the role he was

1129

00:52:32,599 --> 00:52:30,270

fulfilling you know he was he put

1130

00:52:33,220 --> 00:52:32,609

himself out there and he he didn't judge

1131

00:52:37,820 --> 00:52:33,230

people

1132

00:52:40,190 --> 00:52:37,830

he wasn't critical you know or you know

1133

00:52:42,380 --> 00:52:40,200

he didn't bash people with his with

1134

00:52:45,530 --> 00:52:42,390

skeptical attitude or anything like that

1135

00:52:47,150 --> 00:52:45,540

he he took people at face value and he

1136

00:52:49,099 --> 00:52:47,160

should tell you know he would say tell

1137

00:52:53,810 --> 00:52:49,109

me what you experienced you know what

1138

00:52:56,510 --> 00:52:53,820

tell me what happened and just because

1139

00:52:58,420 --> 00:52:56,520

he did that I think he brought comfort

1140

00:53:03,050 --> 00:52:58,430

to a lot of people because I you know

1141

00:53:05,210 --> 00:53:03,060

some of these things that is you know

1142

00:53:07,099 --> 00:53:05,220

people are experiencing they just me and

1143

00:53:09,080 --> 00:53:07,109

I experienced that myself you know a lot

1144

00:53:10,520 --> 00:53:09,090

of people come to me they just want to

1145

00:53:12,710 --> 00:53:10,530

tell their story they want somebody to

1146

00:53:14,570 --> 00:53:12,720

listen to them that they know is not

1147

00:53:17,660 --> 00:53:14,580

going to say you're nuts you need

1148

00:53:21,230 --> 00:53:17,670

medication you know or anything like

1149

00:53:22,280 --> 00:53:21,240

that they just want to say this is what

1150

00:53:26,060 --> 00:53:22,290

happened to me

1151
00:53:27,530 --> 00:53:26,070
you know it's this that I just want to

1152
00:53:29,750 --> 00:53:27,540
tell somebody you know somebody who

1153
00:53:35,300 --> 00:53:29,760
doesn't think I'm crazy or anything else

1154
00:53:36,980 --> 00:53:35,310
so hmm yeah yeah well we're all gonna

1155
00:53:38,660 --> 00:53:36,990
miss him there's no doubt we you know

1156
00:53:42,830 --> 00:53:38,670
we're gonna miss him for a long time

1157
00:53:45,590 --> 00:53:42,840
quite frankly have to over so you you

1158
00:53:48,830 --> 00:53:45,600
had begun a project the wood knocks

1159
00:53:50,330 --> 00:53:48,840
project for a Bigfoot research you've

1160
00:53:56,080 --> 00:53:50,340
had three books come out you're gonna

1161
00:53:59,540 --> 00:53:56,090
continue with that I think so you know

1162
00:54:01,790 --> 00:53:59,550
what not series is subtitles a

1163
00:54:03,890 --> 00:54:01,800

journalist Sasquatch research and my

1164

00:54:07,730 --> 00:54:03,900

concept for that from the beginning was

1165

00:54:10,010 --> 00:54:07,740

to get out pieces from other people

1166

00:54:12,440 --> 00:54:10,020

other researchers in the cryptozoology

1167

00:54:14,390 --> 00:54:12,450

field who you know had something to

1168

00:54:16,130 --> 00:54:14,400

share that maybe it wasn't big enough

1169

00:54:17,780 --> 00:54:16,140

for a full book you know if they wanted

1170

00:54:19,460 --> 00:54:17,790

to do this for just one particular topic

1171

00:54:24,920 --> 00:54:19,470

or something like that or a series of

1172

00:54:27,290 --> 00:54:24,930

accounts and I'm really happy with the

1173

00:54:28,430 --> 00:54:27,300

ones that have come out so far it's you

1174

00:54:31,490 --> 00:54:28,440

know just had an

1175

00:54:32,720 --> 00:54:31,500

credible list of my friends and

1176

00:54:36,140 --> 00:54:32,730

colleagues from the field that have

1177

00:54:41,839 --> 00:54:36,150

contributed so far Lyle Blackburn Ken

1178

00:54:46,059 --> 00:54:41,849

Gerhard Josh Loren Coleman you know just

1179

00:54:48,710 --> 00:54:46,069

a whole litany people from the field and

1180

00:54:50,359 --> 00:54:48,720

provided you know people are still

1181

00:54:52,040 --> 00:54:50,369

interested in reading it which I think

1182

00:54:54,109 --> 00:54:52,050

they are because number three has done

1183

00:54:56,930 --> 00:54:54,119

very well and I've gotten a lot of

1184

00:55:00,079 --> 00:54:56,940

responses on it and provided people

1185

00:55:01,540 --> 00:55:00,089

still want to you know contribute yeah

1186

00:55:03,920 --> 00:55:01,550

we'll keep going with it

1187

00:55:07,099 --> 00:55:03,930

excellent you've got a book coming out

1188

00:55:10,900 --> 00:55:07,109

soon I want to state that you don't use

1189

00:55:17,780 --> 00:55:16,130

yeah you know living in the desert so

1190

00:55:22,339 --> 00:55:17,790

wrong you know I've really explored the

1191

00:55:24,470 --> 00:55:22,349

region and when I started digging into

1192

00:55:30,530 --> 00:55:24,480

stuff in Nevada I was pretty fascinating

1193

00:55:33,950 --> 00:55:30,540

because the like you said stated it you

1194

00:55:36,380 --> 00:55:33,960

rarely hear any yeah you know but man

1195

00:55:38,870 --> 00:55:36,390

there are reports there are reports now

1196

00:55:42,579 --> 00:55:38,880

I wrote a piece for one of the wood

1197

00:55:45,109 --> 00:55:42,589

knots on Bigfoot sightings in Nevada and

1198

00:55:48,109 --> 00:55:45,119

you know just kind of following the

1199

00:55:49,520 --> 00:55:48,119

trail and of course going back to some

1200

00:55:52,069 --> 00:55:49,530

of the native connections and

1201
00:55:53,930 --> 00:55:52,079
associations with encounters in Nevada

1202
00:55:55,910 --> 00:55:53,940
that was pretty revealing in and of

1203
00:55:58,690 --> 00:55:55,920
itself of course we have Lovelock cave

1204
00:56:01,640 --> 00:55:58,700
is in Nevada which is a really famous

1205
00:56:04,670 --> 00:56:01,650
location associated with Sasquatch type

1206
00:56:07,339 --> 00:56:04,680
creature and there's a lot more digging

1207
00:56:10,040 --> 00:56:07,349
in it was it was pretty surprising I

1208
00:56:17,270 --> 00:56:10,050
tell you what probably surprised me the

1209
00:56:19,700 --> 00:56:17,280
most there are a whole number of water

1210
00:56:23,240 --> 00:56:19,710
monsters in Nevada

1211
00:56:27,530 --> 00:56:23,250
now that's bizarre because Nevada is the

1212
00:56:29,480 --> 00:56:27,540
driest state in here so you would not

1213
00:56:32,829 --> 00:56:29,490

expect this for a moment

1214

00:56:36,079 --> 00:56:32,839

but man there's a bunch of so you've got

1215

00:56:39,500 --> 00:56:36,089

Tahoe Tessie which of course you know

1216

00:56:41,180 --> 00:56:39,510

Lake Tahoe and borders Nevada it

1217

00:56:42,410 --> 00:56:41,190

straddles the border of Nevada and

1218

00:56:44,780 --> 00:56:42,420

California

1219

00:56:46,940 --> 00:56:44,790

but there's a lot of sightings a long

1220

00:56:50,180 --> 00:56:46,950

history of sightings of something in

1221

00:56:51,770 --> 00:56:50,190

that Lake but then you go down a little

1222

00:56:54,410 --> 00:56:51,780

bit you've got Walker Lake which

1223

00:56:57,170 --> 00:56:54,420

purportedly has a serpent and then one

1224

00:57:01,070 --> 00:56:57,180

of my favorites these stories of water

1225

00:57:04,220 --> 00:57:01,080

babies up in Pyramid Lake and that's

1226

00:57:06,500 --> 00:57:04,230

just the bizarre set of tales and and

1227

00:57:09,020 --> 00:57:06,510

you know kind of puzzling G because

1228

00:57:12,200 --> 00:57:09,030

Pyramid Lake it's very picturesque it's

1229

00:57:15,320 --> 00:57:12,210

been using a lot of movies fairly famous

1230

00:57:18,470 --> 00:57:15,330

you know the image is famous but a lot

1231

00:57:20,500 --> 00:57:18,480

of strange deaths in that lake and a lot

1232

00:57:23,090 --> 00:57:20,510

of tales that go all the way back to

1233

00:57:26,620 --> 00:57:23,100

native-american times of some kind of

1234

00:57:28,970 --> 00:57:26,630

bizarre creatures dwelling in that lake

1235

00:57:33,940 --> 00:57:28,980

well I definitely look forward to

1236

00:57:37,190 --> 00:57:33,950

reading that should be honest with

1237

00:57:39,500 --> 00:57:37,200

what's there it should be out probably

1238

00:57:41,600 --> 00:57:39,510

with it within a few weeks to a month no

1239

00:57:43,520 --> 00:57:41,610

I'm great yeah you know you're thinking

1240

00:57:48,109 --> 00:57:43,530

about of you think of UFOs but you don't

1241

00:57:51,109 --> 00:57:48,119

think a whole lot else right yeah I look

1242

00:57:53,330 --> 00:57:51,119

forward to that so um so David how can

1243

00:57:56,120 --> 00:57:53,340

people get in contact with you and do

1244

00:57:58,340 --> 00:57:56,130

you have any if you have any other

1245

00:58:02,359 --> 00:57:58,350

1246

00:58:05,240 --> 00:58:02,369

blogspot.com

1259

00:58:35,330 --> 00:58:33,480

it hasn't been real active recently just

1260

00:58:40,400 --> 00:58:35,340

because I've been so dying on position

1261

00:58:43,970 --> 00:58:40,410

oh yeah I've been busy but I do try to

1262

00:58:46,580 --> 00:58:43,980

post things on there there is a video

1263

00:58:48,620 --> 00:58:46,590

project couple of them coming out after

1264

00:58:51,140 --> 00:58:48,630

the first of the year and I'll be

1265

00:58:52,849 --> 00:58:51,150

releasing more information about that on

1266

00:58:54,830 --> 00:58:52,859

social media of course I'm on Facebook

1267

00:58:55,820 --> 00:58:54,840

1295

01:00:13,880 --> 01:00:12,390

to get back to people at least and I'm

1296

01:00:17,690 --> 01:00:13,890

1306

01:00:45,710 --> 01:00:43,350

original use of dolls as well as

1307

01:00:48,410 --> 01:00:45,720
