dog Minh attacks teen at abandoned

8  
00:00:39,520 --> 00:00:36,440

Hospital in Kentucky I live in southern

9  
00:00:41,680 --> 00:00:39,530

Ohio near the Ohio River myself and a

10  
00:00:43,720 --> 00:00:41,690

few friends decided to go explore the

11  
00:00:46,120 --> 00:00:43,730

abandoned hospital that backed up to a

12  
00:00:48,460 --> 00:00:46,130

giant Hill and large forest across the

13  
00:00:50,979 --> 00:00:48,470

river in Maysville Kentucky it was a

14

00:00:53,140 --> 00:00:50,989

local spot for dumb teenagers to go and

15

00:00:55,750 --> 00:00:53,150

scare each other and play grab-ass with

16

00:00:57,970 --> 00:00:55,760

their girlfriends so running into other

17

00:01:00,100 --> 00:00:57,980

people wasn't uncommon but you could

18

00:01:02,020 --> 00:01:00,110

usually tell if other people were there

19

00:01:04,570 --> 00:01:02,030

because there would be cars parked near

20

00:01:07,270 --> 00:01:04,580

it that being said on this night we were

21

00:01:09,040 --> 00:01:07,280

the only dumb teenagers there the moment

22

00:01:11,410 --> 00:01:09,050

we got out of the car though everything

23

00:01:13,210 --> 00:01:11,420

felt wrong we knew we weren't allowed to

24

00:01:15,250 --> 00:01:13,220

be there because the building was

25

00:01:17,860 --> 00:01:15,260

condemned but this felt like we were

26

00:01:20,020 --> 00:01:17,870

actually in danger which of course we

27

00:01:22,660 --> 00:01:20,030

always were because it was condemned but

28

00:01:24,969 --> 00:01:22,670

it just felt different now by this point

29

00:01:27,240 --> 00:01:24,979

I had been to Hayswood Hospital 20 times

30

00:01:29,920 --> 00:01:27,250

or so and I was familiar with the layout

31

00:01:32,890 --> 00:01:29,930

once the three of us had gotten inside

32

00:01:34,810 --> 00:01:32,900

we had been there about 45 minutes we

33

00:01:37,300 --> 00:01:34,820

split up to tag some different places

34

00:01:39,850 --> 00:01:37,310

and explore I went to go take pictures

35

00:01:41,680 --> 00:01:39,860

of the morgue in the basement and to see

36

00:01:44,080 --> 00:01:41,690

if I could photograph any orbs or

37

00:01:45,940 --> 00:01:44,090

anything really cool I had been in the

38

00:01:47,920 --> 00:01:45,950

morgue for about ten minutes when I

39

00:01:51,040 --> 00:01:47,930

smelled the most foul odor I've ever

40

00:01:53,620 --> 00:01:51,050

smelled it was rot I don't know what it

41

00:01:55,930 --> 00:01:53,630

was that was rotting I imagine it was a

42

00:01:58,300 --> 00:01:55,940

large dog or a coyote but all I could

43

00:02:01,000 --> 00:01:58,310

make out was it was about 40 pounds of

44

00:02:02,860 --> 00:02:01,010

rotting meat I had just started to look

45

00:02:05,050 --> 00:02:02,870

at the meat chunk when I heard the slam

46

00:02:07,480 --> 00:02:05,060

of a steel door and what sounded like

47

00:02:09,249 --> 00:02:07,490

running through puddles of water this

48

00:02:11,350 --> 00:02:09,259

meant whatever it was it was in the

49

00:02:13,390 --> 00:02:11,360

basement with me because the floor had

50

00:02:15,940 --> 00:02:13,400

about three inches of water standing in

51  
00:02:17,860 --> 00:02:15,950  
it so naturally I figured it was my

52  
00:02:20,199 --> 00:02:17,870  
friends playing a prank on me

53  
00:02:22,300 --> 00:02:20,209  
that was when I decided to get them back

54  
00:02:24,880 --> 00:02:22,310  
and scare them before they could scare

55  
00:02:26,710 --> 00:02:24,890  
me now the way the morgue was set up you

56  
00:02:29,350 --> 00:02:26,720  
could actually climb on top of the

57  
00:02:31,210 --> 00:02:29,360  
coolers they used to store the bodies so

58  
00:02:34,030 --> 00:02:31,220  
I hopped up there and laid in wait to

59  
00:02:35,770 --> 00:02:34,040  
scare the sh-t out of my friend I had

60  
00:02:38,110 --> 00:02:35,780  
been there no more than a minute when I

61  
00:02:40,390 --> 00:02:38,120  
heard screaming now I've known my

62  
00:02:43,239 --> 00:02:40,400  
friends my entire life which at this

63  
00:02:45,100 --> 00:02:43,249

point had been 19 years I've never heard

64

00:02:46,900 --> 00:02:45,110

screaming like this the

65

00:02:49,000 --> 00:02:46,910

screaming stopped and I heard hard

66

00:02:52,060 --> 00:02:49,010

footsteps running above me and what I

67

00:02:53,950 --> 00:02:52,070

can best describe as pounding now I'd be

68

00:02:55,690 --> 00:02:53,960

lying if I said I wasn't freaking out a

69

00:02:58,360 --> 00:02:55,700

little because this wasn't like my

70

00:03:00,610 --> 00:02:58,370

friends it was usually hide behind a

71

00:03:03,250 --> 00:03:00,620

corner and jump out and go gotya

72

00:03:05,980 --> 00:03:03,260

this was different this was dread I was

73

00:03:08,200 --> 00:03:05,990

starting to feel as I continued to lay

74

00:03:10,270 --> 00:03:08,210

there about five minutes past when I

75

00:03:12,220 --> 00:03:10,280

heard panting and footsteps in the water

76

00:03:15,190 --> 00:03:12,230

they were getting closer

77

00:03:18,160 --> 00:03:15,200

that was when I smelled wet dog but it

78

00:03:20,920 --> 00:03:18,170

wasn't just wet dog I was smelling I was

79

00:03:23,110 --> 00:03:20,930

smelling that same smell of rock - then

80

00:03:24,910 --> 00:03:23,120

another steel door slammed and I could

81

00:03:27,790 --> 00:03:24,920

tell it was the same door I passed

82

00:03:29,949 --> 00:03:27,800

before I got to the morder the panting

83

00:03:32,020 --> 00:03:29,959

was even louder now and honestly it

84

00:03:34,690 --> 00:03:32,030

sounded more like labored breathing and

85

00:03:37,600 --> 00:03:34,700

sniffing now at this point I'm terrified

86

00:03:39,699 --> 00:03:37,610

I'm trying to slowly back away from the

87

00:03:41,710 --> 00:03:39,709

edge of the cooler I'm on so I can slip

88

00:03:44,560 --> 00:03:41,720

behind the wall the cooler backs up to

89

00:03:46,420 --> 00:03:44,570

and drop into the boiler room I'm almost

90

00:03:48,370 --> 00:03:46,430

to the end of the cooler when I hear the

91

00:03:50,289 --> 00:03:48,380

morgue door slam open and break the

92

00:03:52,720 --> 00:03:50,299

tiles on the wall with the door handle

93

00:03:54,490 --> 00:03:52,730

I'm less than thirty five feet from

94

00:03:57,430 --> 00:03:54,500

whatever is panting and smelling like

95

00:04:00,460 --> 00:03:57,440

death and all I can do is think run run

96

00:04:02,470 --> 00:04:00,470

run I could hear the sniffing and then I

97

00:04:04,840 --> 00:04:02,480

heard the deepest most menacing growl

98

00:04:07,090 --> 00:04:04,850

I've ever heard the movies and shows

99

00:04:09,910 --> 00:04:07,100

don't do justice to just how deep and

100

00:04:12,460 --> 00:04:09,920

rough a growl of the size sounds it was

101  
00:04:15,009 --> 00:04:12,470  
sniffing me out it was actually smelling

102  
00:04:16,630 --> 00:04:15,019  
where I had been I dropped down behind

103  
00:04:19,060 --> 00:04:16,640  
the wall in the boiler room

104  
00:04:21,130 --> 00:04:19,070  
I thank God the door that connected the

105  
00:04:23,170 --> 00:04:21,140  
morgue was blocked with old Gurney's and

106  
00:04:25,120 --> 00:04:23,180  
a locker on its side which I thought

107  
00:04:28,450 --> 00:04:25,130  
would stop this thing from getting in I

108  
00:04:30,550 --> 00:04:28,460  
was wrong so very wrong I hadn't been in

109  
00:04:32,500 --> 00:04:30,560  
the boiler room 30 seconds before I

110  
00:04:34,990 --> 00:04:32,510  
heard the pounding scratching on the

111  
00:04:36,940 --> 00:04:35,000  
steel door it sounded like Freddy

112  
00:04:39,280 --> 00:04:36,950  
Krueger was trying to carve his way

113  
00:04:40,870 --> 00:04:39,290

through the steel door then I heard the

114

00:04:43,750 --> 00:04:40,880

sound that still haunts me to this day

115

00:04:46,659 --> 00:04:43,760

it howled and I mean it bellowed a howl

116

00:04:48,460 --> 00:04:46,669

so loud I had to cover my ears now on

117

00:04:50,770 --> 00:04:48,470

the other side of the boiler room was

118

00:04:53,020 --> 00:04:50,780

the access to the generator and the dock

119

00:04:55,360 --> 00:04:53,030

doors trucks used to unload and the

120

00:04:57,130 --> 00:04:55,370

hillside that lead to the woods when I

121

00:04:59,020 --> 00:04:57,140

reached the other side of the room I

122

00:05:00,970 --> 00:04:59,030

could hear this thing slamming into the

123

00:05:03,220 --> 00:05:00,980

door and knocking the lockers away in

124

00:05:05,320 --> 00:05:03,230

the Gurney's I opened the door to the

125

00:05:07,180 --> 00:05:05,330

doc room and when I looked back I saw

126

00:05:09,040 --> 00:05:07,190

the arm of this creature sticking

127

00:05:11,500 --> 00:05:09,050

through the opening it had made and it

128

00:05:13,960 --> 00:05:11,510

was like a horror movie it was a grey

129

00:05:16,300 --> 00:05:13,970

and brown mass of fur that looked like a

130

00:05:19,150 --> 00:05:16,310

human arm but it didn't because the hand

131

00:05:21,250 --> 00:05:19,160

was all wrong the hand had five digits

132

00:05:23,920 --> 00:05:21,260

but the claws would have made a bear run

133

00:05:26,650 --> 00:05:23,930

in fear I slammed the door behind me and

134

00:05:28,480 --> 00:05:26,660

ran for the dock doors the dock doors

135

00:05:30,280 --> 00:05:28,490

wouldn't budge and I could hear the

136

00:05:32,620 --> 00:05:30,290

Gurney's overturning and the lockers

137

00:05:34,330 --> 00:05:32,630

sliding on the floor it was getting

138

00:05:37,030 --> 00:05:34,340

through and the only thing between me

139

00:05:39,160 --> 00:05:37,040

and it now was a single door I ran to

140

00:05:41,500 --> 00:05:39,170

one of the windows by the dock doors and

141

00:05:43,960 --> 00:05:41,510

proceeded to bust it out which mangled

142

00:05:45,550 --> 00:05:43,970

my hand from the glass then as I was

143

00:05:48,040 --> 00:05:45,560

pulling myself through the window I

144

00:05:49,870 --> 00:05:48,050

heard the door gets slammed into and one

145

00:05:52,480 --> 00:05:49,880

of the hinges completely flew off the

146

00:05:54,450 --> 00:05:52,490

door and hit the wall I tumbled out of

147

00:05:57,160 --> 00:05:54,460

the window and hit the cold wet ground

148

00:06:01,150 --> 00:05:57,170

when I stood up I saw it in the doorway

149

00:06:03,550 --> 00:06:01,160

now I'm 6 foot 4 inches and 250 pounds

150

00:06:05,890 --> 00:06:03,560

not little by any means and this thing

151

00:06:08,500 --> 00:06:05,900

took up the entire doorway an 8-foot

152

00:06:11,230 --> 00:06:08,510

tall 3-foot wide door it was covered

153

00:06:13,600 --> 00:06:11,240

head-to-toe in grey brown fur it had a

154

00:06:16,000 --> 00:06:13,610

very narrow snout almost like a Doberman

155

00:06:18,340 --> 00:06:16,010

Pinscher and its ears were just barely

156

00:06:20,140 --> 00:06:18,350

visible because of the doorway but I

157

00:06:22,540 --> 00:06:20,150

could tell they were pointing up just

158

00:06:25,810 --> 00:06:22,550

like a dog I couldn't believe what I was

159

00:06:27,730 --> 00:06:25,820

seeing I was completely paralyzed this

160

00:06:30,340 --> 00:06:27,740

thing was staring right into my soul

161

00:06:32,920 --> 00:06:30,350

then it snarled and that woke me from my

162

00:06:35,560 --> 00:06:32,930

disbelief of what I was seeing I turned

163

00:06:37,450 --> 00:06:35,570

and ran I ran up the hill into the woods

164

00:06:39,640 --> 00:06:37,460

to get around the hospital to get back

165

00:06:42,400 --> 00:06:39,650

to the street where the car was parked I

166

00:06:44,710 --> 00:06:42,410

hadn't made it 25 feet when I heard it

167

00:06:46,570 --> 00:06:44,720

clawing to get out the window I knew I

168

00:06:49,270 --> 00:06:46,580

would never make it to the car this way

169

00:06:51,820 --> 00:06:49,280

so I ran back towards the hospital where

170

00:06:53,620 --> 00:06:51,830

the fire escape ladder was I had used

171

00:06:56,010 --> 00:06:53,630

the ladder before to climb to the roof

172

00:06:58,360 --> 00:06:56,020

to take pictures of the entire town I

173

00:07:00,400 --> 00:06:58,370

completely skipped the first three rungs

174

00:07:02,740 --> 00:07:00,410

on the ladder and was now inside the

175

00:07:04,900 --> 00:07:02,750

enclosed part of the fire escape again

176  
00:07:07,900 --> 00:07:04,910  
this thing howled and I could feel waves

177  
00:07:10,000 --> 00:07:07,910  
of pure terror filling my body my hand

178  
00:07:12,430 --> 00:07:10,010  
was killing me at this point and I was

179  
00:07:12,820 --> 00:07:12,440  
getting blood on everything just as I

180  
00:07:14,620 --> 00:07:12,830  
was

181  
00:07:16,780 --> 00:07:14,630  
reaching the first-floor window I could

182  
00:07:18,850 --> 00:07:16,790  
climb into this thing slammed into the

183  
00:07:21,220 --> 00:07:18,860  
fire escape ladder knocking me down a

184  
00:07:23,650 --> 00:07:21,230  
couple rungs it leapt onto the outside

185  
00:07:26,140 --> 00:07:23,660  
of the fire escape and began clawing at

186  
00:07:28,630 --> 00:07:26,150  
my feet just as I reached the window I

187  
00:07:31,330 --> 00:07:28,640  
felt it pain like nothing I've ever felt

188  
00:07:33,520 --> 00:07:31,340

it had grabbed just above my ankle and

189

00:07:35,920 --> 00:07:33,530

yanked and in doing so shredded my boot

190

00:07:38,320 --> 00:07:35,930

the end of my jeans and into my flesh I

191

00:07:40,690 --> 00:07:38,330

was able to pull myself into the first

192

00:07:42,760 --> 00:07:40,700

floor window and I heard it push itself

193

00:07:45,610 --> 00:07:42,770

off the fire escape and head back the

194

00:07:47,770 --> 00:07:45,620

way it came I'm now dragging my left leg

195

00:07:50,140 --> 00:07:47,780

and trying to keep my right hand in my

196

00:07:52,870 --> 00:07:50,150

hoodie pocket the entrance we came in

197

00:07:55,210 --> 00:07:52,880

from is only about 150 feet away down

198

00:07:57,880 --> 00:07:55,220

the main hall and around a left turn as

199

00:08:00,670 --> 00:07:57,890

I'm halfway down the hall I hear the

200

00:08:03,010 --> 00:08:00,680

steel doors slamming again I'm dragging

201  
00:08:05,080 --> 00:08:03,020  
myself down the hall just trying to stay

202  
00:08:07,870 --> 00:08:05,090  
focused on getting out of this hellhole

203  
00:08:10,330 --> 00:08:07,880  
then the howling starts again and I can

204  
00:08:12,160 --> 00:08:10,340  
hear it getting closer I make the turn

205  
00:08:14,590 --> 00:08:12,170  
and hear the pounding coming up the

206  
00:08:16,240 --> 00:08:14,600  
stairs from the basement I make it to

207  
00:08:18,820 --> 00:08:16,250  
the entrance and hear the padding of

208  
00:08:20,740 --> 00:08:18,830  
hands and feet on the floor I made the

209  
00:08:22,870 --> 00:08:20,750  
mistake of looking back just as it

210  
00:08:25,900 --> 00:08:22,880  
rounded the corner and it was running on

211  
00:08:27,610 --> 00:08:25,910  
all fours like a real dog I bolted down

212  
00:08:29,980 --> 00:08:27,620  
the hill towards the street where the

213  
00:08:33,370 --> 00:08:29,990

car was parked and realized the car was

214

00:08:35,980 --> 00:08:33,380

gone they left me my only way of escape

215

00:08:38,320 --> 00:08:35,990

was gone I just zoned out and kept

216

00:08:40,900 --> 00:08:38,330

running down the hill my leg was

217

00:08:42,850 --> 00:08:40,910

throbbing my hand was in agony and all I

218

00:08:45,310 --> 00:08:42,860

could think was I'm going to be [h\_\_h]

219

00:08:47,650 --> 00:08:45,320

dog kibble finally I made it to the

220

00:08:49,750 --> 00:08:47,660

first house I could find and ran full

221

00:08:51,550 --> 00:08:49,760

force into the door and began pounding

222

00:08:54,130 --> 00:08:51,560

on it like a crazy person

223

00:08:55,900 --> 00:08:54,140

thank God this little old lady was home

224

00:08:57,370 --> 00:08:55,910

because she opened the door and I

225

00:08:59,680 --> 00:08:57,380

literally fell inside

226

00:09:02,020 --> 00:08:59,690

just before I kicked the door closed

227

00:09:04,510 --> 00:09:02,030

standing up on two legs at the end of

228

00:09:06,790 --> 00:09:04,520

her driveway was this monster I broke

229

00:09:09,490 --> 00:09:06,800

down in tears I didn't know what to do

230

00:09:11,710 --> 00:09:09,500

luckily the old lady had called the cops

231

00:09:14,200 --> 00:09:11,720

because a crazy person who was bleeding

232

00:09:16,030 --> 00:09:14,210

everywhere just fell into her home when

233

00:09:17,890 --> 00:09:16,040

the cops got there and asked me what

234

00:09:20,170 --> 00:09:17,900

happened I told them the same thing I've

235

00:09:21,880 --> 00:09:20,180

said here of course they didn't believe

236

00:09:24,520 --> 00:09:21,890

me and thought I was on drugs

237

00:09:25,960 --> 00:09:24,530

the EMTs took me to the hospital and

238

00:09:28,510 --> 00:09:25,970

when they did blood

239

00:09:30,580 --> 00:09:28,520

and found no substance in my system they

240

00:09:33,760 --> 00:09:30,590

then concluded I was attacked by a wild

241

00:09:36,580 --> 00:09:33,770

dog I ended up with 36 stitches in my

242

00:09:38,740 --> 00:09:36,590

leg and 17 in my hand I had to get

243

00:09:41,680 --> 00:09:38,750

rabies shots and tell the local wildlife

244

00:09:43,810 --> 00:09:41,690

officer my story he informed me that

245

00:09:45,640 --> 00:09:43,820

they had reports of wild dog packs

246

00:09:48,460 --> 00:09:45,650

running around the outside of town

247

00:09:50,980 --> 00:09:48,470

ransacking garbage cans and killing some

248

00:09:53,440 --> 00:09:50,990

of the local pets I informed him that it

249

00:09:55,990 --> 00:09:53,450

wasn't a pack of wild dogs and it was a

250

00:09:58,600 --> 00:09:56,000

giant dog Minh but they all just thought

251

00:10:01,480 --> 00:09:58,610

I was crazy the only thing I had in my

252

00:10:03,340 --> 00:10:01,490

favor was the claw mark on my leg even

253

00:10:06,190 --> 00:10:03,350

the doctors were confused about how a

254

00:10:08,020 --> 00:10:06,200

wild dog could make a mark like that now

255

00:10:10,150 --> 00:10:08,030

you know my story and you know why I

256

00:10:12,670 --> 00:10:10,160

absolutely know we are not at the top of

257

00:10:14,440 --> 00:10:12,680

the food chain I've never been back to

258

00:10:16,510 --> 00:10:14,450

hayswood hospital and I've deterred

259

00:10:18,460 --> 00:10:16,520

anyone from ever going there that

260

00:10:21,040 --> 00:10:18,470

experience has haunted me for the last

261

00:10:23,800 --> 00:10:21,050

11 years of my life it has made me into

262

00:10:25,660 --> 00:10:23,810

the overcautious man I am I always have

263

00:10:27,910 --> 00:10:25,670

to know where every exit is when I walk

264

00:10:30,010 --> 00:10:27,920

into a building and I always know where

265

00:10:32,170 --> 00:10:30,020

large clumps of woods are this

266

00:10:34,000 --> 00:10:32,180

experience changed me forever and it

267

00:10:36,640 --> 00:10:34,010

changed the way I look at the world we

268

00:10:38,710 --> 00:10:36,650

live in just because we all haven't seen

269

00:10:40,600 --> 00:10:38,720

something doesn't mean it doesn't exist

270

00:10:43,030 --> 00:10:40,610

it just means some people haven't been

271

00:10:45,040 --> 00:10:43,040

hunted for their life I have no doubt

272

00:10:52,300 --> 00:10:45,050

what stalked me that night was the dog

273

00:10:57,699 --> 00:10:55,360
