

ARCANE RADIO 

Exploring the Unexplained 

Dec. 7th, 2018

Nick Redfern

**Author, Ufologist
& Cryptozoologist**

BXP

1
00:00:11,799 --> 00:00:08,019
the oldest and strongest human emotion

2
00:00:16,480 --> 00:00:11,809
is fear the oldest and strongest type of

3
00:00:18,970 --> 00:00:16,490
fear the trepidation of young when we

4
00:00:22,870 --> 00:00:18,980
were children our parents told us that

5
00:00:27,279 --> 00:00:22,880
monsters didn't exist but we were sure

6
00:00:31,650 --> 00:00:27,289
that something is lurking under the bed

7
00:00:34,600 --> 00:00:31,660
beer seeds even if our eyes are closed

8
00:00:38,380 --> 00:00:34,610
welcome to the realm of your cane

9
00:00:41,229 --> 00:00:38,390
my name's lon stripper join me as I

10
00:00:45,540 --> 00:00:41,239
examine unexplained creatures strange

11
00:00:48,880 --> 00:00:45,550
manifestations and remarkable realities

12
00:00:52,180 --> 00:00:48,890
imagine this next hour as a voyage of

13
00:00:55,299 --> 00:00:52,190

discovery to strange lands seeking not

14

00:00:58,329 --> 00:00:55,309

for new territory but for new knowledge

15

00:01:10,300 --> 00:00:58,339

of the supernatural come on board as we

16

00:01:11,890 --> 00:01:10,310

begin this adventure together hey folks

17

00:01:13,539 --> 00:01:11,900

good evening and welcome to another

18

00:01:15,760 --> 00:01:13,549

episode of arcane radio

19

00:01:17,350 --> 00:01:15,770

I'm your host lawn Strickler and I thank

20

00:01:19,840 --> 00:01:17,360

you for joining me here on the

21

00:01:21,219 --> 00:01:19,850

paranormal king radio network and before

22

00:01:23,880 --> 00:01:21,229

I introduce my guest I want to mention

23

00:01:25,990 --> 00:01:23,890

my account I recently received the

24

00:01:28,120 --> 00:01:26,000

following account is a strange

25

00:01:30,910 --> 00:01:28,130

experience that occurred to my mother at

26

00:01:34,120 --> 00:01:30,920

the age of 5 along with her family in

27

00:01:36,160 --> 00:01:34,130

the winter of 1957 the incident was the

28

00:01:39,010 --> 00:01:36,170

picking up of hitchhikers that may or

29

00:01:41,020 --> 00:01:39,020

may not have been human the incident it

30

00:01:42,910 --> 00:01:41,030

bears some similarities with accounts of

31

00:01:45,969 --> 00:01:42,920

phantom hitchhikers but goes much

32

00:01:49,810 --> 00:01:45,979

further to suggest that they were real

33

00:01:51,880 --> 00:01:49,820

flesh and bone beans now my mother and

34

00:01:54,310 --> 00:01:51,890

her family which consists of her parents

35

00:01:56,560 --> 00:01:54,320

and older sister that between the cities

36

00:02:00,460 --> 00:01:56,570

of Reidsville and Greensboro in North

37

00:02:02,560 --> 00:02:00,470

Carolina one day they had an errand in

38

00:02:04,330 --> 00:02:02,570

Reidsville and on their way they saw an

39

00:02:07,210 --> 00:02:04,340

older couple walking on the opposite

40

00:02:09,070 --> 00:02:07,220

side of the road a couple of hours later

41

00:02:11,410 --> 00:02:09,080

leaving reeseville on their way home

42

00:02:13,149 --> 00:02:11,420

they saw the same couple in the same

43

00:02:15,820 --> 00:02:13,159

spot heading in the same directions

44

00:02:18,550 --> 00:02:15,830

before almost as if they had been

45

00:02:21,250 --> 00:02:18,560

walking with a Tremec treadmill having

46

00:02:23,050 --> 00:02:21,260

gained new ground at all they pulled up

47

00:02:25,030 --> 00:02:23,060

and asked that they needed a lift and

48

00:02:27,699 --> 00:02:25,040

they said they were trying to get the

49

00:02:29,410 --> 00:02:27,709

Greenes bird to the bus station and my

50

00:02:31,929 --> 00:02:29,420

grandfather agreed to take them there

51
00:02:33,670 --> 00:02:31,939
but first they would have to go home to

52
00:02:35,679 --> 00:02:33,680
be there in time to pick up their oldest

53
00:02:40,390 --> 00:02:35,689
daughter from the school bus near their

54
00:02:41,020 --> 00:02:40,400
home now once inside the car it became

55
00:02:42,760 --> 00:02:41,030
painfully

56
00:02:44,199 --> 00:02:42,770
obvious that they were poorly dressed

57
00:02:47,080 --> 00:02:44,209
for the icy cold weather

58
00:02:48,820 --> 00:02:47,090
my mother was wearing it excuse me the

59
00:02:51,790 --> 00:02:48,830
woman was wearing a summer dress in

60
00:02:54,460 --> 00:02:51,800
sandals and a man a shirt in bib

61
00:02:58,479 --> 00:02:54,470
overalls and shoes along with a brimmed

62
00:03:00,010 --> 00:02:58,489
hat my mother being a small child sent

63
00:03:01,630 --> 00:03:00,020

between her parents and the front seat

64

00:03:03,640 --> 00:03:01,640

but turned around facing a couple

65

00:03:07,000 --> 00:03:03,650

staring at the strangers as children do

66

00:03:08,740 --> 00:03:07,010

taking in their appearance the one thing

67

00:03:12,220 --> 00:03:08,750

that stood out in her mind was the man's

68

00:03:13,990 --> 00:03:12,230

piercing beautiful blue eyes the man

69

00:03:16,210 --> 00:03:14,000

reached into his pocket and handed her

70

00:03:18,729 --> 00:03:16,220

red pencil with coca-cola written on it

71

00:03:20,940 --> 00:03:18,739

when they reached home it was decided

72

00:03:25,150 --> 00:03:20,950

that they were staying for lunch and

73

00:03:27,610 --> 00:03:25,160

that their names were Bradley now before

74

00:03:29,470 --> 00:03:27,620

before the drive back to Greensburg not

75

00:03:31,300 --> 00:03:29,480

considering their clothing my

76
00:03:32,979 --> 00:03:31,310
grandmother decided to give them more

77
00:03:35,470 --> 00:03:32,989
appropriate winter clothing and coats

78
00:03:37,390 --> 00:03:35,480
and shoes for the woman who had only

79
00:03:39,280 --> 00:03:37,400
sandals crammed a little bit also

80
00:03:43,000 --> 00:03:39,290
decided to pack them snacks and

81
00:03:45,009 --> 00:03:43,010
sandwiches for the trip now with their

82
00:03:47,140 --> 00:03:45,019
guests well-fed and with warmer clothes

83
00:03:49,810 --> 00:03:47,150
and snacks everyone piled back into the

84
00:03:51,550 --> 00:03:49,820
car to take them back to Greensboro now

85
00:03:54,520 --> 00:03:51,560
halfway on their trip the Bradley's

86
00:03:58,479 --> 00:03:54,530
insisted that they needed to be left off

87
00:04:00,310 --> 00:03:58,489
on the bridge on old US Highway 29 my

88
00:04:02,530 --> 00:04:00,320

grandfather protest is saying that

89

00:04:04,509 --> 00:04:02,540

they'd be able to likely not get another

90

00:04:06,940 --> 00:04:04,519

ride in being winner to be getting dark

91

00:04:09,819 --> 00:04:06,950

soon and insisted on carrying them all

92

00:04:12,400 --> 00:04:09,829

the way but they said no they must be

93

00:04:13,780 --> 00:04:12,410

left off on the bridge a sort of

94

00:04:15,400 --> 00:04:13,790

back-and-forth occur between a

95

00:04:17,759 --> 00:04:15,410

grandfather and the Bradley's with them

96

00:04:20,380 --> 00:04:17,769

asking to please be left off the bridge

97

00:04:23,770 --> 00:04:20,390

unable to change their minds he obliged

98

00:04:26,380 --> 00:04:23,780

and stopped the car they opened the door

99

00:04:29,320 --> 00:04:26,390

and got out and immediately disappeared

100

00:04:31,240 --> 00:04:29,330

leaving the door still open my

101
00:04:32,920 --> 00:04:31,250
grandfather was horrified jumping out of

102
00:04:36,190 --> 00:04:32,930
the car looking to see if they had fell

103
00:04:37,330 --> 00:04:36,200
down on the ice out of his view but they

104
00:04:40,000 --> 00:04:37,340
were nowhere to be found

105
00:04:43,570 --> 00:04:40,010
he looked all about and called for them

106
00:04:46,150 --> 00:04:43,580
but nothing but silence the whole area

107
00:04:47,860 --> 00:04:46,160
was clear as far as he could see but

108
00:04:49,930 --> 00:04:47,870
still nothing he got back in the car

109
00:04:52,750 --> 00:04:49,940
with his families really upset and

110
00:04:54,730 --> 00:04:52,760
confused as to what happened as was

111
00:04:56,710 --> 00:04:54,740
everybody else Fran

112
00:04:59,439 --> 00:04:56,720
they drove up and down the road looking

113
00:05:01,270 --> 00:04:59,449

for them wondering if there's somehow

114

00:05:02,710 --> 00:05:01,280

they had gotten to know the ride trying

115

00:05:04,930 --> 00:05:02,720

to rational and as the obvious to

116

00:05:07,839 --> 00:05:04,940

spectacular disappearance of the

117

00:05:10,839 --> 00:05:07,849

Bradley's a true fruitless search they

118

00:05:14,589 --> 00:05:10,849

drove back home confused as if what and

119

00:05:16,390 --> 00:05:14,599

what had it just occurred this made a

120

00:05:18,070 --> 00:05:16,400

huge impression on my mother having

121

00:05:20,650 --> 00:05:18,080

distinctly remember the incident all

122

00:05:23,050 --> 00:05:20,660

over life so the question remains who

123

00:05:24,909 --> 00:05:23,060

were the Bradley's were they ghosts but

124

00:05:27,219 --> 00:05:24,919

ghosts don't stay all at renew with

125

00:05:28,990 --> 00:05:27,229

you'd eaten lunch furthermore when they

126

00:05:31,570 --> 00:05:29,000

disappeared the clothes given to them

127

00:05:34,779 --> 00:05:31,580

disappeared as well even the sandwiches

128

00:05:36,730 --> 00:05:34,789

that were packed for them this suggests

129

00:05:38,980 --> 00:05:36,740

that they were salad beings also

130

00:05:43,120 --> 00:05:38,990

widening system being left off the

131

00:05:45,249 --> 00:05:43,130

bridge saying it must be done was this

132

00:05:49,589 --> 00:05:45,259

some sort of portal or gateway to their

133

00:05:52,050 --> 00:05:49,599

home the whole thing remains a mystery

134

00:05:55,029 --> 00:05:52,060

so let's get started with tonight's show

135

00:05:55,710 --> 00:05:55,039

tonight's guest is Nick Redfern there's

136

00:05:58,930 --> 00:05:55,720

an author

137

00:06:00,520 --> 00:05:58,940

cryptozoologist and ufologist Nick is a

138

00:06:02,649 --> 00:06:00,530

full-time author and journalist

139

00:06:05,260 --> 00:06:02,659

specializing in a wide range and

140

00:06:06,550 --> 00:06:05,270

unsolved mysteries including Bigfoot the

141

00:06:09,129 --> 00:06:06,560

Loch Ness monster

142

00:06:10,540 --> 00:06:09,139

yo fascitis government conspiracies

143

00:06:13,510 --> 00:06:10,550

alien abduction as a paranormal

144

00:06:16,779 --> 00:06:13,520

phenomena Nick works on the lecture

145

00:06:18,730 --> 00:06:16,789

circuit both in UK and overseas and has

146

00:06:22,209 --> 00:06:18,740

appeared in internationally syndicated

147

00:06:25,510 --> 00:06:22,219

shows discussing the UFO phenomenon his

148

00:06:28,240 --> 00:06:25,520

most recent title is top secret alien

149

00:06:31,870 --> 00:06:28,250

abduction files what the government

150

00:06:32,950 --> 00:06:31,880

doesn't want you to know so Nick it's

151
00:06:37,689 --> 00:06:32,960
always great to have you on the show

152
00:06:40,749 --> 00:06:37,699
thanks for joining me I'm pretty good

153
00:06:45,249 --> 00:06:40,759
you know I hear you've now written 50

154
00:06:48,999 --> 00:06:45,259
books is that true well it is but I mean

155
00:06:50,770 --> 00:06:49,009
it's it is but it's sort of two books a

156
00:06:55,360 --> 00:06:50,780
year and I've been doing it for like 25

157
00:06:58,050 --> 00:06:55,370
years like two books a year isn't that

158
00:07:01,270 --> 00:06:58,060
difficult to do and if you do it kind of

159
00:07:05,500 --> 00:07:01,280
regularly over 25 years you know it's

160
00:07:07,390 --> 00:07:05,510
its own it so racks up I guess look you

161
00:07:08,510 --> 00:07:07,400
know all these years I've been talkin

162
00:07:10,129 --> 00:07:08,520
ever asked how do

163
00:07:14,900 --> 00:07:10,139

good start researching and writing about

164

00:07:17,210 --> 00:07:14,910

the stranger explained well one of these

165

00:07:20,050 --> 00:07:17,220

people really had what I could call a

166

00:07:22,730 --> 00:07:20,060

UFO encounter you know I never seen a

167

00:07:24,619 --> 00:07:22,740

lake monster I've never you know been

168

00:07:26,330 --> 00:07:24,629

running around in the woods in Pacific

169

00:07:29,089 --> 00:07:26,340

Northwest and you know running into

170

00:07:32,420 --> 00:07:29,099

Bigfoot but what got me interested is

171

00:07:35,180 --> 00:07:32,430

that my dad was in the British Royal Air

172

00:07:38,869 --> 00:07:35,190

Force he was a radar mechanic and he was

173

00:07:41,210 --> 00:07:38,879

involved in several UFO incidents at the

174

00:07:43,309 --> 00:07:41,220

height of the Cold War when you know the

175

00:07:48,080 --> 00:07:43,319

Russians were still the big big threat

176

00:07:50,029 --> 00:07:48,090

and they still are but the the story

177

00:07:52,249 --> 00:07:50,039

basically what he was it was during a

178

00:07:56,089 --> 00:07:52,259

NATO exercise called Mainbrace

179

00:07:58,010 --> 00:07:56,099

and the radar operators at the base

180

00:07:59,930 --> 00:07:58,020

where my dad was stationed which was

181

00:08:02,360 --> 00:07:59,940

called Royal Air Force Nita said on the

182

00:08:04,580 --> 00:08:02,370

east coast of England they tracked these

183

00:08:06,469 --> 00:08:04,590

high-flying fast-moving objects and the

184

00:08:08,119 --> 00:08:06,479

first thought was well it's got to be

185

00:08:10,610 --> 00:08:08,129

the Russians and so they scrambled

186

00:08:13,520 --> 00:08:10,620

fighter planes to try and intercept them

187

00:08:15,100 --> 00:08:13,530

when the pilots got close some of them

188

00:08:18,770 --> 00:08:15,110

describes seeing these bright lights

189

00:08:21,499 --> 00:08:18,780

other people other pilots reported seen

190

00:08:23,629 --> 00:08:21,509

what looked like sort of classic flying

191

00:08:25,519 --> 00:08:23,639

saucers and this went on over the course

192

00:08:27,800 --> 00:08:25,529

of three nights where the planes were

193

00:08:29,180 --> 00:08:27,810

just simply unable to catch up with them

194

00:08:31,939 --> 00:08:29,190

and had to return to base

195

00:08:34,010 --> 00:08:31,949

whenever running low on fuel now at the

196

00:08:36,469 --> 00:08:34,020

end of the third night that was the end

197

00:08:38,899 --> 00:08:36,479

of all the encounters and everybody who

198

00:08:41,630 --> 00:08:38,909

was involved the pilots the ground crew

199

00:08:43,880 --> 00:08:41,640

the radar operators and the radar

200

00:08:45,710 --> 00:08:43,890

mechanics like my daddy was brought in

201
00:08:49,040 --> 00:08:45,720
to check out the equipment to make sure

202
00:08:51,490 --> 00:08:49,050
it wasn't faulty everybody was told you

203
00:08:54,199 --> 00:08:51,500
know you won't talk about this etc etc

204
00:08:56,630 --> 00:08:54,209
and my dad didn't say anything till I

205
00:08:58,360 --> 00:08:56,640
was about 11 or 12 and he told me the

206
00:09:01,130 --> 00:08:58,370
story and that sort of really got me

207
00:09:03,889 --> 00:09:01,140
interested not because it was my own dad

208
00:09:07,519 --> 00:09:03,899
but because he also had a background in

209
00:09:11,440 --> 00:09:07,529
the military on radar and so I started

210
00:09:15,319 --> 00:09:11,450
reading books like people by John Cale

211
00:09:17,600 --> 00:09:15,329
Brad stag people like that and I sort of

212
00:09:18,889 --> 00:09:17,610
took it from there and when I finished

213
00:09:20,990 --> 00:09:18,899

school I didn't really know what I

214

00:09:22,079 --> 00:09:21,000

wanted to do it wasn't that particularly

215

00:09:27,960 --> 00:09:22,089

good

216

00:09:29,549 --> 00:09:27,970

you know students at school and you know

217

00:09:34,079 --> 00:09:29,559

I didn't really do any good at school I

218

00:09:36,360 --> 00:09:34,089

ended up walking out again into the real

219

00:09:39,420 --> 00:09:36,370

world the big world so to speak and I

220

00:09:42,239 --> 00:09:39,430

just didn't enjoy it and I I just didn't

221

00:09:44,730 --> 00:09:42,249

see the point of learning about physics

222

00:09:46,019 --> 00:09:44,740

and biology and chemistry and algebra

223

00:09:47,939 --> 00:09:46,029

because I knew when I left school I

224

00:09:52,110 --> 00:09:47,949

would never need to know about any of

225

00:09:53,610 --> 00:09:52,120

that stuff ever again you know so I just

226

00:09:56,879 --> 00:09:53,620

didn't know what to do and actually

227

00:09:59,160 --> 00:09:56,889

stumbled luckily on a job as fate would

228

00:10:01,290 --> 00:09:59,170

have it in a little town I was living at

229

00:10:02,759 --> 00:10:01,300

the time where there was a job up for

230

00:10:06,769 --> 00:10:02,769

him for somebody straight out of school

231

00:10:08,790 --> 00:10:06,779

to work on a like a celebrity gossip

232

00:10:11,699 --> 00:10:08,800

entertainment magazine and they would

233

00:10:13,710 --> 00:10:11,709

train you from the base up if you like

234

00:10:16,559 --> 00:10:13,720

and you know I said I wasn't that much

235

00:10:19,920 --> 00:10:16,569

good at school but I did enjoy reading

236

00:10:21,960 --> 00:10:19,930

you know a lot of books and so works on

237

00:10:23,759 --> 00:10:21,970

that magazine for a couple of years and

238

00:10:26,309 --> 00:10:23,769

he closed down and then I thought well

239

00:10:28,259 --> 00:10:26,319

why not you know try and combine the

240

00:10:30,329 --> 00:10:28,269

background that are developed in in

241

00:10:33,210 --> 00:10:30,339

right and in journalism on the magazine

242

00:10:35,819 --> 00:10:33,220

but apply those sort of journalistic

243

00:10:37,439 --> 00:10:35,829

techniques to the interest that I've

244

00:10:40,049 --> 00:10:37,449

developed in the paranormal so that's

245

00:10:42,569 --> 00:10:40,059

how it all kind of sort of developed

246

00:10:44,489 --> 00:10:42,579

really it was just fate and being in the

247

00:10:46,949 --> 00:10:44,499

right place at the right time and and

248

00:10:49,169 --> 00:10:46,959

just deciding what I wanted to do what I

249

00:10:51,509 --> 00:10:49,179

didn't want to do really mmm

250

00:10:53,519 --> 00:10:51,519

you know it's kind of interesting

251

00:10:57,269 --> 00:10:53,529

hearing that your father had out you

252

00:10:59,639 --> 00:10:57,279

have the background I my dad was in the

253

00:11:03,689 --> 00:10:59,649

service as well he was a US Air Force

254

00:11:05,549 --> 00:11:03,699

and you know I had I would always been

255

00:11:08,819 --> 00:11:05,559

interested in the paranormal and the

256

00:11:12,809 --> 00:11:08,829

strange things and you know but I had

257

00:11:16,259 --> 00:11:12,819

never known until I found out from him

258

00:11:19,259 --> 00:11:16,269

later on that he was actually with the

259

00:11:23,280 --> 00:11:19,269

five-o ninth bomber wing of course

260

00:11:25,079 --> 00:11:23,290

that's the yes Roswell now he now of

261

00:11:27,179 --> 00:11:25,089

course they were going from Roswell by

262

00:11:29,669 --> 00:11:27,189

the time he was in they were actually at

263

00:11:34,410 --> 00:11:29,679

hunter Air Force Base in Savannah

264

00:11:36,150 --> 00:11:34,420

Georgia by then but he had heard quite a

265

00:11:39,300 --> 00:11:36,160

few stories because there was

266

00:11:41,340 --> 00:11:39,310

he went in in 1952 so there were there

267

00:11:44,699 --> 00:11:41,350

was still a lot of guys that were in the

268

00:11:49,710 --> 00:11:44,709

unit and in fact Tibbets was his

269

00:11:53,519 --> 00:11:49,720

commander so at that time so it that was

270

00:11:57,120 --> 00:11:53,529

very strange so yeah I got it I got a

271

00:11:59,269 --> 00:11:57,130

few stories out of that quite honest

272

00:12:02,310 --> 00:11:59,279

with you I believe I believe there was

273

00:12:04,110 --> 00:12:02,320

something really did happen Roswell from

274

00:12:07,740 --> 00:12:04,120

the you know from the stories I received

275

00:12:10,340 --> 00:12:07,750

over the years from these guys well it's

276

00:12:15,420 --> 00:12:10,350

funny should say that because my dad's

277

00:12:17,280 --> 00:12:15,430

encounter was also 1952 it was the NATO

278

00:12:20,880 --> 00:12:17,290

exercise we called Mainbrace

279

00:12:24,660 --> 00:12:20,890

and if you if you google NATO Mainbrace

280

00:12:26,160 --> 00:12:24,670

UFO you'll find a lot of stories even in

281

00:12:28,110 --> 00:12:26,170

the official files which have now been

282

00:12:31,259 --> 00:12:28,120

Declassified there was actually was a

283

00:12:34,350 --> 00:12:31,269

large wave of UFO activity at that time

284

00:12:36,030 --> 00:12:34,360

but you know some of the records have

285

00:12:38,670 --> 00:12:36,040

now been Declassified at the British

286

00:12:41,040 --> 00:12:38,680

National Archives so they've opened up a

287

00:12:43,530 --> 00:12:41,050

little bit but you know when I was given

288

00:12:45,780 --> 00:12:43,540

that story when I was about 11 or 12

289

00:12:48,090 --> 00:12:45,790

you know the files were still under

290

00:12:49,560 --> 00:12:48,100

wraps then so at least you know part of

291

00:12:50,220 --> 00:12:49,570

the stories coming out which is better

292

00:12:53,220 --> 00:12:50,230

than nothing

293

00:12:56,310 --> 00:12:53,230

hmm yeah he was part of the Strategic

294

00:12:59,430 --> 00:12:56,320

Air Command at that time and he was he

295

00:13:02,310 --> 00:12:59,440

was a bomber engineer so you know he

296

00:13:03,990 --> 00:13:02,320

heard a lot of flight stories and you

297

00:13:05,639 --> 00:13:04,000

know these guys were seeing all kinds of

298

00:13:08,699 --> 00:13:05,649

stuff up there because they were real

299

00:13:10,319 --> 00:13:08,709

high altitude and they had a lot of

300

00:13:16,110 --> 00:13:10,329

encountered a lot of calories you never

301
00:13:19,410 --> 00:13:16,120
hear about so your most recent book is

302
00:13:21,269 --> 00:13:19,420
the top-secret alien abduction files

303
00:13:25,650 --> 00:13:21,279
what the government doesn't want you to

304
00:13:29,370 --> 00:13:25,660
know so what do the governments Roy know

305
00:13:31,079 --> 00:13:29,380
about you alien abductions well well

306
00:13:33,780 --> 00:13:31,089
that's a good question now I mean

307
00:13:35,880 --> 00:13:33,790
whenever I'm sort of thinking about

308
00:13:37,829 --> 00:13:35,890
writing a book you know you I always

309
00:13:40,860 --> 00:13:37,839
sort of put my self in the perspective

310
00:13:42,420 --> 00:13:40,870
of a reader you know because as well as

311
00:13:44,850 --> 00:13:42,430
writing books you know I read him as

312
00:13:46,800 --> 00:13:44,860
well and so I always try and come up

313
00:13:49,120 --> 00:13:46,810

with something new or at least a new

314

00:13:52,480 --> 00:13:49,130

angle even if you can all Tommy you know

315

00:13:54,700 --> 00:13:52,490

- no angle on something you know right

316

00:13:58,480 --> 00:13:54,710

in a lot of books and articles you know

317

00:14:01,270 --> 00:13:58,490

you get a lot of feedback people want to

318

00:14:03,760 --> 00:14:01,280

share stories and over the years I'd

319

00:14:07,990 --> 00:14:03,770

collected a lot of accounts from people

320

00:14:10,330 --> 00:14:08,000

who had got an interest in the UFO

321

00:14:12,910 --> 00:14:10,340

subjects not just because of their own

322

00:14:14,320 --> 00:14:12,920

experiences but also family members and

323

00:14:17,350 --> 00:14:14,330

in some cases they were talking about

324

00:14:20,530 --> 00:14:17,360

the abduction phenomenon you know family

325

00:14:22,930 --> 00:14:20,540

members who'd been abducted or the or

326

00:14:27,010 --> 00:14:22,940

the person contacted me being abducted

327

00:14:30,240 --> 00:14:27,020

and it not a lot of cases to start with

328

00:14:33,280 --> 00:14:30,250

but a few cases the witnesses said that

329

00:14:35,500 --> 00:14:33,290

on various occasions only two or three

330

00:14:38,080 --> 00:14:35,510

occasions they were visited by military

331

00:14:40,060 --> 00:14:38,090

personnel not in sort of a sinister or

332

00:14:42,790 --> 00:14:40,070

threatening fashion but just more in the

333

00:14:45,700 --> 00:14:42,800

situation of you know we saw the article

334

00:14:47,350 --> 00:14:45,710

you wrote about your experience would

335

00:14:49,090 --> 00:14:47,360

you mind if we come in and talk to you

336

00:14:53,500 --> 00:14:49,100

about it it was actually quite a you

337

00:14:55,900 --> 00:14:53,510

know relaxed kind of situation and you

338

00:14:58,000 --> 00:14:55,910

know if it was just one case I'd be okay

339

00:15:00,160 --> 00:14:58,010

well you know it's just interesting but

340

00:15:01,900 --> 00:15:00,170

weird but over the over the years I've

341

00:15:05,380 --> 00:15:01,910

probably got somewhere in the region of

342

00:15:07,750 --> 00:15:05,390

25 to 30 cases now of people who were

343

00:15:11,650 --> 00:15:07,760

sort of quietly and to a degree

344

00:15:13,690 --> 00:15:11,660

clandestinely visited and they were a

345

00:15:15,610 --> 00:15:13,700

lot of them were people in the UFO field

346

00:15:18,940 --> 00:15:15,620

who'd have the abduction experience and

347

00:15:20,500 --> 00:15:18,950

who had been visited and and it made me

348

00:15:25,030 --> 00:15:20,510

realize that there was this trend

349

00:15:28,270 --> 00:15:25,040

developing what sounded like a small but

350

00:15:30,520 --> 00:15:28,280

sort of deeply deeply hidden funded

351
00:15:33,070 --> 00:15:30,530
group within the government which seems

352
00:15:36,220 --> 00:15:33,080
to have a deep interest in the abduction

353
00:15:39,370 --> 00:15:36,230
phenomenon and has basically sort of

354
00:15:42,100 --> 00:15:39,380
covered all areas to try and figure out

355
00:15:44,920 --> 00:15:42,110
what's going on and as you might imagine

356
00:15:47,710 --> 00:15:44,930
a lot of their data came from the UFO

357
00:15:50,530 --> 00:15:47,720
community itself which today you know

358
00:15:53,440 --> 00:15:50,540
with social media and the internet it's

359
00:15:55,630 --> 00:15:53,450
very easy you know just to see what this

360
00:15:57,370 --> 00:15:55,640
research or that researchers doing right

361
00:15:59,590 --> 00:15:57,380
now and what their latest information

362
00:16:01,900 --> 00:15:59,600
they've got which would you like you

363
00:16:03,639 --> 00:16:01,910

know much more difficult decades ago and

364

00:16:06,910 --> 00:16:03,649

there was no incident

365

00:16:09,220 --> 00:16:06,920

but there's no doubt in my mind at all

366

00:16:11,260 --> 00:16:09,230

that deep within the military in the

367

00:16:14,200 --> 00:16:11,270

intelligence community there is this

368

00:16:17,200 --> 00:16:14,210

small group there is sort of deeply

369

00:16:19,900 --> 00:16:17,210

concerned about the abduction phenomenon

370

00:16:22,900 --> 00:16:19,910

and is sort of taken a proactive but

371

00:16:25,440 --> 00:16:22,910

careful and stealthy approach to people

372

00:16:27,190 --> 00:16:25,450

who've had the experiences and and

373

00:16:28,780 --> 00:16:27,200

interviewed them I want to say

374

00:16:30,460 --> 00:16:28,790

interrogated and because for the most

375

00:16:33,060 --> 00:16:30,470

part it wasn't anything like that it was

376

00:16:35,440 --> 00:16:33,070

you know just question and answers

377

00:16:39,670 --> 00:16:35,450

because it seems the government is

378

00:16:41,470 --> 00:16:39,680

interested but concerned and doesn't

379

00:16:44,680 --> 00:16:41,480

really seem to have much of a bigger

380

00:16:50,590 --> 00:16:44,690

picture than we do only that they're not

381

00:16:53,050 --> 00:16:50,600

entirely sure that it's benevolent so

382

00:16:56,260 --> 00:16:53,060

what type of contactees interesting

383

00:16:59,760 --> 00:16:56,270

government you know and how these

384

00:17:04,299 --> 00:16:59,770

officials reacted these experimenters

385

00:17:05,890 --> 00:17:04,309

well I mean in terms of how the because

386

00:17:06,370 --> 00:17:05,900

of the questioning began is that what

387

00:17:10,720 --> 00:17:06,380

you saying

388

00:17:13,689 --> 00:17:10,730

yeah here's a curve well one of the

389

00:17:16,419 --> 00:17:13,699

things that I've noted is that the vast

390

00:17:19,480 --> 00:17:16,429

majority of the cases where there's been

391

00:17:22,720 --> 00:17:19,490

a government angle to it although it

392

00:17:24,760 --> 00:17:22,730

hasn't been sort of something that

393

00:17:28,770 --> 00:17:24,770

occurred on a massive scale in the 50s

394

00:17:31,960 --> 00:17:28,780

60s and 70s I have got probably about

395

00:17:34,390 --> 00:17:31,970

seven or eight to ten cases from that

396

00:17:39,370 --> 00:17:34,400

period from that era but the vast

397

00:17:41,919 --> 00:17:39,380

majority do come from the the last 15 to

398

00:17:44,320 --> 00:17:41,929

20 years and the reason why I think that

399

00:17:47,790 --> 00:17:44,330

is because particularly if you look at

400

00:17:52,660 --> 00:17:47,800

things today like Twitter Facebook

401
00:17:54,580 --> 00:17:52,670
blogging etc etc what you find is that a

402
00:17:57,970 --> 00:17:54,590
lot of these accounts you know people

403
00:18:00,400 --> 00:17:57,980
just put their own stories online so in

404
00:18:04,810 --> 00:18:00,410
other words the days of the government

405
00:18:07,900 --> 00:18:04,820
having to carefully follow around people

406
00:18:09,370 --> 00:18:07,910
around and you know survey telephones

407
00:18:11,770 --> 00:18:09,380
that kind of thing those days are

408
00:18:14,350 --> 00:18:11,780
largely gone you know I mean all you

409
00:18:16,659 --> 00:18:14,360
have to do to see what the average UFO

410
00:18:19,889 --> 00:18:16,669
research is doing in the latest cases

411
00:18:23,619 --> 00:18:19,899
found is to go to their Facebook page

412
00:18:25,869 --> 00:18:23,629
saying about story and that seems to be

413
00:18:28,539 --> 00:18:25,879

the way how the government is worked

414

00:18:31,119 --> 00:18:28,549

with this it's actually nothing hugely

415

00:18:33,580 --> 00:18:31,129

conspiratorial and felt like following

416

00:18:34,989 --> 00:18:33,590

people around or listening on the phone

417

00:18:38,080 --> 00:18:34,999

or anything like that

418

00:18:40,090 --> 00:18:38,090

it's just looking at the stories the

419

00:18:41,739 --> 00:18:40,100

latest information and if there's

420

00:18:44,680 --> 00:18:41,749

something that really catches their

421

00:18:48,159 --> 00:18:44,690

attention on occasion they've gone out

422

00:18:50,200 --> 00:18:48,169

and quietly and carefully spoken to the

423

00:18:53,019 --> 00:18:50,210

witnesses you know we saw your accounts

424

00:18:55,720 --> 00:18:53,029

would you mind sharing it with us we're

425

00:18:58,930 --> 00:18:55,730

looking into this we'd prefer you don't

426
00:18:59,919 --> 00:18:58,940
go public with this interview because we

427
00:19:02,259 --> 00:18:59,929
feel there could be

428
00:19:06,729 --> 00:19:02,269
national security issues that kind of

429
00:19:09,489 --> 00:19:06,739
thing and you know and if it was if it

430
00:19:11,859 --> 00:19:09,499
really was like something you know

431
00:19:13,359 --> 00:19:11,869
thousands of people running this you

432
00:19:15,700 --> 00:19:13,369
know sort of the equivalent to the FBI

433
00:19:17,739 --> 00:19:15,710
or the CIA but just an alien abductions

434
00:19:19,299 --> 00:19:17,749
I would be extremely skeptical of

435
00:19:21,729 --> 00:19:19,309
something like that because he would

436
00:19:24,369 --> 00:19:21,739
clearly have tumbled out into the public

437
00:19:28,509 --> 00:19:24,379
domain by now but a small group of

438
00:19:33,009 --> 00:19:28,519

perhaps 15 to 20 personnel carefully and

439

00:19:35,109 --> 00:19:33,019

sort of stealthily funded and keeping a

440

00:19:37,899 --> 00:19:35,119

careful eye on every aspect of the

441

00:19:41,169 --> 00:19:37,909

abduction phenomenon reviewing books and

442

00:19:43,119 --> 00:19:41,179

articles and on occasion going out and

443

00:19:47,019 --> 00:19:43,129

speaking to people if they feel some of

444

00:19:49,029 --> 00:19:47,029

the stories are very significant that

445

00:19:52,930 --> 00:19:49,039

seems to be the way they're doing it and

446

00:19:54,909 --> 00:19:52,940

to me that would explain I think why the

447

00:19:57,909 --> 00:19:54,919

story hasn't largely come out because

448

00:20:01,029 --> 00:19:57,919

it's not some huge organization it's

449

00:20:04,539 --> 00:20:01,039

actually quite a small one but there

450

00:20:06,519 --> 00:20:04,549

were some disturbing trends to the the

451
00:20:10,060 --> 00:20:06,529
cases that the the government

452
00:20:11,979 --> 00:20:10,070
investigated and I found this by when I

453
00:20:16,269 --> 00:20:11,989
was interviewing and tracking down the

454
00:20:19,090 --> 00:20:16,279
people what I found was a trend that one

455
00:20:22,749 --> 00:20:19,100
of the areas that the government asked

456
00:20:25,899 --> 00:20:22,759
the abductees about was that when you

457
00:20:28,330 --> 00:20:25,909
were having the abduction experience did

458
00:20:29,470 --> 00:20:28,340
you feel at any points that you're and

459
00:20:30,490 --> 00:20:29,480
this is going to sound really weird but

460
00:20:32,770 --> 00:20:30,500
there's the question they

461
00:20:35,200 --> 00:20:32,780
did you fail at any points that like

462
00:20:37,810 --> 00:20:35,210
your soul have been extracted out of

463
00:20:39,430 --> 00:20:37,820

your body no you know some people might

464

00:20:43,210 --> 00:20:39,440

some people might say well that's you

465

00:20:45,220 --> 00:20:43,220

know the agents actually sort of leading

466

00:20:48,250 --> 00:20:45,230

them down a path you know rather than

467

00:20:50,200 --> 00:20:48,260

just getting their story but there that

468

00:20:52,180 --> 00:20:50,210

was a question they asked quite a lot

469

00:20:54,340 --> 00:20:52,190

you know did you feel like your soul was

470

00:20:56,220 --> 00:20:54,350

being extracted did you have what you

471

00:20:59,770 --> 00:20:56,230

felt was like a near-death experience

472

00:21:02,320 --> 00:20:59,780

did you see yourself on the UFO like

473

00:21:04,150 --> 00:21:02,330

from above looking down at your body on

474

00:21:06,130 --> 00:21:04,160

the table with the so-called little

475

00:21:09,100 --> 00:21:06,140

greys around it

476

00:21:10,630 --> 00:21:09,110

and that was one of the areas that I

477

00:21:12,790 --> 00:21:10,640

found with these people have been

478

00:21:15,360 --> 00:21:12,800

visited that was one of the areas that

479

00:21:18,910 --> 00:21:15,370

they were focused on time and time again

480

00:21:20,950 --> 00:21:18,920

connections between abductees and what

481

00:21:24,660 --> 00:21:20,960

you might call the soul and life after

482

00:21:30,910 --> 00:21:24,670

death and they were also asked about

483

00:21:32,620 --> 00:21:30,920

dreams and nightmares not of you know

484

00:21:34,960 --> 00:21:32,630

sort of involved not necessarily always

485

00:21:37,540 --> 00:21:34,970

involving aliens but image you know did

486

00:21:40,950 --> 00:21:37,550

they have any nightmares and bad dreams

487

00:21:43,360 --> 00:21:40,960

of like nuclear war and images of

488

00:21:46,210 --> 00:21:43,370

gigantic mushroom clouds and all that

489

00:21:48,250 --> 00:21:46,220

kind of thing so a lot of what the

490

00:21:50,740 --> 00:21:48,260

government was looking at was sort of

491

00:21:54,220 --> 00:21:50,750

apocalyptic stuff in relation to

492

00:21:56,980 --> 00:21:54,230

abductions and matters relative to life

493

00:21:59,680 --> 00:21:56,990

after death which kind of suggests that

494

00:22:01,260 --> 00:21:59,690

the government or an agency a small

495

00:22:04,960 --> 00:22:01,270

group within government I should say

496

00:22:07,720 --> 00:22:04,970

seems but now you can find stories like

497

00:22:08,980 --> 00:22:07,730

this you know in in a lot of abduction

498

00:22:12,010 --> 00:22:08,990

books people have these a pop

499

00:22:14,500 --> 00:22:12,020

apocalyptic dreams but it seems to me

500

00:22:17,560 --> 00:22:14,510

that the government's has gone further

501
00:22:19,180 --> 00:22:17,570
than just you know speaking to people

502
00:22:21,160 --> 00:22:19,190
about their experiences you know where

503
00:22:21,730 --> 00:22:21,170
you implanted what did you see on board

504
00:22:23,650 --> 00:22:21,740
the craft

505
00:22:26,410 --> 00:22:23,660
they've gone far beyond that now and it

506
00:22:28,720 --> 00:22:26,420
seems they're more for whatever reason

507
00:22:31,750 --> 00:22:28,730
where they got more data but they seem

508
00:22:34,540 --> 00:22:31,760
to be focusing more on the the far more

509
00:22:36,610 --> 00:22:34,550
alternative aspects of the abduction

510
00:22:39,040 --> 00:22:36,620
phenomenon going far beyond just nuts

511
00:22:41,530 --> 00:22:39,050
and bolts craft and you know genetic

512
00:22:45,140 --> 00:22:41,540
experiments and implants they're going

513
00:22:47,660 --> 00:22:45,150

almost down like a wagon esotery

514

00:22:49,400 --> 00:22:47,670

like a supernatural path you know there

515

00:22:51,799 --> 00:22:49,410

seemed to be more interested in the

516

00:22:54,770 --> 00:22:51,809

supernatural aspects of as I said things

517

00:22:58,160 --> 00:22:54,780

like prophetic dreams and nightmares and

518

00:23:01,130 --> 00:22:58,170

and the soul and stuff like that well

519

00:23:04,070 --> 00:23:01,140

this brings me to an another question

520

00:23:05,450 --> 00:23:04,080

and I was intrigued in the from what you

521

00:23:08,450 --> 00:23:05,460

wrote in the book about these dream

522

00:23:10,549 --> 00:23:08,460

scenarios and the one especially the

523

00:23:13,610 --> 00:23:10,559

ones you received from many people

524

00:23:16,990 --> 00:23:13,620

during the Chicago winged humanoid

525

00:23:22,669 --> 00:23:17,000

sightings can you talk about that a bit

526

00:23:26,000 --> 00:23:22,679

yeah obviously no you know what 2017

527

00:23:28,540 --> 00:23:26,010

there was a huge wave of masked-man type

528

00:23:32,870 --> 00:23:28,550

activity in and around the Chicago area

529

00:23:34,880 --> 00:23:32,880

area scuse me and and it cause you know

530

00:23:37,130 --> 00:23:34,890

it provoked a lot of interest on the

531

00:23:39,080 --> 00:23:37,140

part of cryptozoologists and ufologists

532

00:23:42,080 --> 00:23:39,090

because you know the whole Mothman thing

533

00:23:44,690 --> 00:23:42,090

kind of straddles both domains ufology

534

00:23:46,270 --> 00:23:44,700

and cryptozoology and for a lot of

535

00:23:49,220 --> 00:23:46,280

people you know it's perceived as like a

536

00:23:52,160 --> 00:23:49,230

supernatural creature so you have you

537

00:23:55,250 --> 00:23:52,170

know various different angles to this

538

00:23:57,710 --> 00:23:55,260

now although I didn't ever sort of go

539

00:24:01,549 --> 00:23:57,720

out of my way at all to write any

540

00:24:03,530 --> 00:24:01,559

articles particularly on the Chicago

541

00:24:07,610 --> 00:24:03,540

Mothman sightings but what I did I

542

00:24:09,950 --> 00:24:07,620

mentioned that in an article in that

543

00:24:13,220 --> 00:24:09,960

same time frame that I'd received a

544

00:24:15,710 --> 00:24:13,230

number of I am sort of accounts and

545

00:24:20,390 --> 00:24:15,720

stories from abductees who in that

546

00:24:22,760 --> 00:24:20,400

period had apocalyptic dreams and I've

547

00:24:24,320 --> 00:24:22,770

actually wrote this article because I'd

548

00:24:26,330 --> 00:24:24,330

already started to get some of these

549

00:24:28,220 --> 00:24:26,340

Alberti stories in so I thought of put a

550

00:24:30,890 --> 00:24:28,230

an article out there which I did a

551

00:24:33,020 --> 00:24:30,900

mysterious universe and to see they

552

00:24:35,690 --> 00:24:33,030

would bring any other people forward and

553

00:24:37,760 --> 00:24:35,700

I was amazed at how many people did come

554

00:24:40,850 --> 00:24:37,770

forward I think in the first week there

555

00:24:45,290 --> 00:24:40,860

was like 27 people who said they'd had

556

00:24:47,960 --> 00:24:45,300

apocalyptic dreams within the past sorta

557

00:24:50,600 --> 00:24:47,970

like the last three or four weeks and I

558

00:24:54,049 --> 00:24:50,610

think out of that 27 five or six were

559

00:24:56,330 --> 00:24:54,059

based around Chicago and I think now the

560

00:24:58,130 --> 00:24:56,340

number of these apocalyptic dream

561

00:25:00,230 --> 00:24:58,140

stories of cities

562

00:25:04,510 --> 00:25:00,240

the u.s. is somewhere in the region

563

00:25:08,120 --> 00:25:04,520

about 60 to 65 I think it is now and and

564

00:25:09,410 --> 00:25:08,130

the the witnesses were basically all

565

00:25:12,740 --> 00:25:09,420

telling the same story

566

00:25:15,980 --> 00:25:12,750

and this also kind of tied in timewise

567

00:25:18,830 --> 00:25:15,990

when you had the you know the all the

568

00:25:21,080 --> 00:25:18,840

the fears that North Korea was going to

569

00:25:22,789 --> 00:25:21,090

be able to develop a nuclear weapon and

570

00:25:24,049 --> 00:25:22,799

there were you know that in the news

571

00:25:25,850 --> 00:25:24,059

they were saying you know it might be

572

00:25:28,880 --> 00:25:25,860

able to reach you at Seattle or it might

573

00:25:31,280 --> 00:25:28,890

be able to reach Chicago so kind of like

574

00:25:33,440 --> 00:25:31,290

with the masked man in Point Pleasant in

575

00:25:36,230 --> 00:25:33,450

the 60s which ended in tragedy with the

576

00:25:38,750 --> 00:25:36,240

collapse of the Silver Bridge you had

577

00:25:41,900 --> 00:25:38,760

Mothman turning up in Chicago where

578

00:25:44,900 --> 00:25:41,910

people were a associate in Chicago with

579

00:25:45,950 --> 00:25:44,910

nightmarish dreams a nuclear attacks

580

00:25:49,000 --> 00:25:45,960

that kind of thing

581

00:25:52,400 --> 00:25:49,010

so I wrote that first article and that

582

00:25:56,870 --> 00:25:52,410

actually provoked even the second one I

583

00:25:58,880 --> 00:25:56,880

wrote provoked even more responses again

584

00:26:01,610 --> 00:25:58,890

you know people seeing images of cities

585

00:26:03,919 --> 00:26:01,620

just flattened in seconds and millions

586

00:26:07,460 --> 00:26:03,929

of people dead in the sky like black for

587

00:26:11,930 --> 00:26:07,470

years now one person contact me to say

588

00:26:14,930 --> 00:26:11,940

did I read Whitley streamer's novel war

589

00:26:17,060 --> 00:26:14,940

day now for people having don't know

590

00:26:20,630 --> 00:26:17,070

that book it was written in 84 three

591

00:26:22,520 --> 00:26:20,640

years before streamer's first abduction

592

00:26:25,909 --> 00:26:22,530

book came out communion this was back in

593

00:26:29,090 --> 00:26:25,919

84 and war day it's a novel but he

594

00:26:30,680 --> 00:26:29,100

actually places streamer and his family

595

00:26:32,919 --> 00:26:30,690

in the story it's basically a

596

00:26:36,490 --> 00:26:32,929

fictionalized version of how they

597

00:26:39,320 --> 00:26:36,500

reacted or survived a nuclear war and

598

00:26:43,220 --> 00:26:39,330

what's particularly interesting is that

599

00:26:46,640 --> 00:26:43,230

in Ward a bear in mind that this was you

600

00:26:49,220 --> 00:26:46,650

know 84 in the story there are rumors of

601
00:26:52,130 --> 00:26:49,230
this huge flying humanoid creature with

602
00:26:55,640 --> 00:26:52,140
bat light wings flying around the

603
00:27:00,140 --> 00:26:55,650
landscape after the nuclear attack now

604
00:27:03,110 --> 00:27:00,150
what's also intriguing is that a number

605
00:27:07,820 --> 00:27:03,120
of people who had these prophetic dreams

606
00:27:11,090 --> 00:27:07,830
said that the u.s. was placed in like a

607
00:27:12,320 --> 00:27:11,100
vulnerable position because before the

608
00:27:16,700 --> 00:27:12,330
nuclear attack

609
00:27:20,060 --> 00:27:16,710
occurred that the country was hit with

610
00:27:22,180 --> 00:27:20,070
basically what's called electromagnetic

611
00:27:28,129 --> 00:27:22,190
excuse me

612
00:27:31,129 --> 00:27:28,139
forgotten the term electromagnetic pulse

613
00:27:35,029 --> 00:27:31,139

let's go am pace electromagnetic pulse

614

00:27:38,029 --> 00:27:35,039

weapon which basically will render just

615

00:27:41,779 --> 00:27:38,039

about every electrical base of electric

616

00:27:43,999 --> 00:27:41,789

equipments in the not just the immediate

617

00:27:47,089 --> 00:27:44,009

vicinity but for literally dozens and

618

00:27:50,149 --> 00:27:47,099

hundreds of miles and strategically

619

00:27:54,169 --> 00:27:50,159

placed a MP weapons can literally you

620

00:27:57,969 --> 00:27:54,179

know disable a country and a number of

621

00:28:00,919 --> 00:27:57,979

the people who had these dreams of

622

00:28:03,950 --> 00:28:00,929

nuclear war and atomic destruction and

623

00:28:06,499 --> 00:28:03,960

so on in their dreams they were seeing

624

00:28:08,539 --> 00:28:06,509

imagery where we were unable to fight

625

00:28:09,589 --> 00:28:08,549

back and they couldn't figure out how

626

00:28:11,659 --> 00:28:09,599

that could be the case

627

00:28:13,609 --> 00:28:11,669

and and it turned out that when they

628

00:28:15,700 --> 00:28:13,619

looked up you know on the internet as to

629

00:28:19,909 --> 00:28:15,710

how that could be it all came back to

630

00:28:23,029 --> 00:28:19,919

EMP weapons which again you know you if

631

00:28:25,279 --> 00:28:23,039

you launch EMP weapons as I said at one

632

00:28:28,299 --> 00:28:25,289

particular location it will literally

633

00:28:32,409 --> 00:28:28,309

render everything you know electric

634

00:28:35,180 --> 00:28:32,419

electrical systems cars internet

635

00:28:37,719 --> 00:28:35,190

everything will go out and you have no

636

00:28:39,589 --> 00:28:37,729

way really to do anything about it so

637

00:28:41,810 --> 00:28:39,599

you know at there are all these

638

00:28:45,729 --> 00:28:41,820

different threads coming from different

639

00:28:49,519 --> 00:28:45,739

people but they were all interlinked and

640

00:28:52,969 --> 00:28:49,529

and it all revolved around disasters

641

00:28:58,149 --> 00:28:52,979

nuclear explosions nightmares and dreams

642

00:29:01,849 --> 00:28:58,159

of the future but also EMP weapons and

643

00:29:03,589 --> 00:29:01,859

in several cases sort of like in that I

644

00:29:05,299 --> 00:29:03,599

receive I didn't receive a lot but I

645

00:29:07,430 --> 00:29:05,309

think I've got three or four cases where

646

00:29:09,379 --> 00:29:07,440

somebody dreamed of like a large winged

647

00:29:11,959 --> 00:29:09,389

creature and then of course there was

648

00:29:15,709 --> 00:29:11,969

one that I totally overlooked and that

649

00:29:16,279 --> 00:29:15,719

was the the ward a book of Whitley

650

00:29:19,609 --> 00:29:16,289

Strieber

651
00:29:22,129 --> 00:29:19,619
which contains a set of saga of a

652
00:29:25,620 --> 00:29:22,139
Mothman type creature and it just so

653
00:29:28,740 --> 00:29:25,630
happens that in war day the reason

654
00:29:31,020 --> 00:29:28,750
why the UI the US comes across after the

655
00:29:33,420 --> 00:29:31,030
war in just a state of total disaster

656
00:29:35,730 --> 00:29:33,430
and collapse is because the Russians

657
00:29:39,060 --> 00:29:35,740
launched an EMP weapon or a series of

658
00:29:41,220 --> 00:29:39,070
them which disables the entire electric

659
00:29:43,620 --> 00:29:41,230
grid in the US so we're unable to launch

660
00:29:46,050 --> 00:29:43,630
back so you put all those issues

661
00:29:50,670 --> 00:29:46,060
together and it really did come across

662
00:29:54,060 --> 00:29:50,680
sort of what really eerie you know you

663
00:29:55,410 --> 00:29:54,070

know it's interesting because I see in

664

00:29:57,150 --> 00:29:55,420

July and August

665

00:30:00,060 --> 00:29:57,160

well when I was you know during the

666

00:30:02,340 --> 00:30:00,070

middle of this flap in Chicago I was

667

00:30:05,520 --> 00:30:02,350

receiving phone calls up to 20 a day

668

00:30:10,260 --> 00:30:05,530

really for 24 hours any time at night

669

00:30:11,670 --> 00:30:10,270

from residents in Chicago who was scared

670

00:30:14,540 --> 00:30:11,680

to death that something was going to

671

00:30:18,470 --> 00:30:14,550

happen because of these sightings and

672

00:30:20,850 --> 00:30:18,480

I'd also get these dreams and areas of

673

00:30:23,250 --> 00:30:20,860

nuclear disaster but you know I never

674

00:30:26,250 --> 00:30:23,260

really thought much about it I just

675

00:30:28,230 --> 00:30:26,260

thought well you know you know I don't I

676
00:30:29,880 --> 00:30:28,240
don't know you know quite frankly when I

677
00:30:31,860 --> 00:30:29,890
read this in your book I was kind of

678
00:30:37,790 --> 00:30:31,870
shocked because I hadn't heard that

679
00:30:42,750 --> 00:30:40,890
no but I was just gonna say I guess it's

680
00:30:46,590 --> 00:30:42,760
one of those things that a lot of people

681
00:30:48,450 --> 00:30:46,600
don't necessarily associate with

682
00:30:50,580 --> 00:30:48,460
abductions because what I mean by that

683
00:30:52,770 --> 00:30:50,590
is a lot of the people who approached me

684
00:30:55,800 --> 00:30:52,780
with these stories of like futuristic

685
00:30:58,260 --> 00:30:55,810
nightmares of an atomic war a lot of

686
00:31:00,810 --> 00:30:58,270
them there was no UFO components or

687
00:31:04,050 --> 00:31:00,820
alien even an abduction component to it

688
00:31:06,390 --> 00:31:04,060

but in some cases there was where the

689

00:31:09,930 --> 00:31:06,400

witnesses or the people having the

690

00:31:12,420 --> 00:31:09,940

dreams were abductees and they were

691

00:31:14,360 --> 00:31:12,430

seeing sort of mass destruction here

692

00:31:18,420 --> 00:31:14,370

there and everywhere across the country

693

00:31:20,870 --> 00:31:18,430

and from there some of those abductee

694

00:31:23,430 --> 00:31:20,880

said that they were sort of approached

695

00:31:26,160 --> 00:31:23,440

again quite sort of clandestinely by

696

00:31:28,200 --> 00:31:26,170

government security people who said you

697

00:31:30,600 --> 00:31:28,210

know we saw this again this gets back to

698

00:31:32,820 --> 00:31:30,610

what I said about social media one of

699

00:31:34,620 --> 00:31:32,830

the people I spoke to said you know she

700

00:31:38,460 --> 00:31:34,630

posted something on her Facebook page

701
00:31:39,389 --> 00:31:38,470
about you know her fears that you know

702
00:31:42,029 --> 00:31:39,399
we could be hit by

703
00:31:44,789 --> 00:31:42,039
pay weapons and then would be disabled

704
00:31:46,739 --> 00:31:44,799
and she got a visit and said you know

705
00:31:48,950 --> 00:31:46,749
can you tell us more as to why you think

706
00:31:51,389 --> 00:31:48,960
this you know could we read your story

707
00:31:53,369 --> 00:31:51,399
and again it was not you know it's not

708
00:31:56,149 --> 00:31:53,379
an interrogation anything threatening it

709
00:32:00,469 --> 00:31:56,159
was just you know somebody who was

710
00:32:03,989 --> 00:32:00,479
ordered to go out essentially and and

711
00:32:05,579 --> 00:32:03,999
and look into the story and thinks the

712
00:32:07,379 --> 00:32:05,589
books come out three other people have

713
00:32:10,320 --> 00:32:07,389

contacted me to say that they had

714

00:32:13,849 --> 00:32:10,330

similar experiences which again leads me

715

00:32:17,029 --> 00:32:13,859

to believe that this this angle of life

716

00:32:19,349 --> 00:32:17,039

Armageddon and you know death and

717

00:32:22,829 --> 00:32:19,359

nuclear war and the soul and the

718

00:32:26,329 --> 00:32:22,839

afterlife somebody for some reason on

719

00:32:30,989 --> 00:32:26,339

the inside is really kind of antsy and

720

00:32:32,909 --> 00:32:30,999

concerned about that angle he doesn't

721

00:32:34,859 --> 00:32:32,919

even seem to be that the young the

722

00:32:36,719 --> 00:32:34,869

abduction angle per se you know just the

723

00:32:39,239 --> 00:32:36,729

issue of people being abducted that

724

00:32:41,930 --> 00:32:39,249

doesn't seem to be the primary thing nor

725

00:32:44,249 --> 00:32:41,940

did all these rumors and concerns about

726

00:32:46,469 --> 00:32:44,259

implants and tracking people and all

727

00:32:50,930 --> 00:32:46,479

that kind of stuff it really does seem

728

00:32:53,489 --> 00:32:50,940

to be far more connected to this this

729

00:32:55,709 --> 00:32:53,499

weird aside and far more in many

730

00:32:58,859 --> 00:32:55,719

respects like a far more disturbing side

731

00:33:02,839 --> 00:32:58,869

hmm you know that's interesting because

732

00:33:04,889 --> 00:33:02,849

I have been I have been visited by

733

00:33:07,829 --> 00:33:04,899

government officials on two occasions

734

00:33:11,159 --> 00:33:07,839

and on both occasions they were

735

00:33:14,029 --> 00:33:11,169

inquiring about something I wrote that

736

00:33:17,700 --> 00:33:14,039

referenced aid you know I can encounter

737

00:33:21,539 --> 00:33:17,710

an alien encounter supposedly that had

738

00:33:25,169 --> 00:33:21,549

come through portals both instances they

739

00:33:26,879 --> 00:33:25,179

asked about that you know and I really

740

00:33:30,629 --> 00:33:26,889

thought much about it though you know it

741

00:33:32,519 --> 00:33:30,639

kind of shook me up but they were

742

00:33:37,200 --> 00:33:32,529

interested I just didn't know that it

743

00:33:39,089 --> 00:33:37,210

was so widespread well I mean that's a

744

00:33:41,329 --> 00:33:39,099

good point and I think the only reason

745

00:33:44,399 --> 00:33:41,339

why I've been able to sort of develop

746

00:33:47,009 --> 00:33:44,409

kind of this the sheer scope and scale

747

00:33:49,589 --> 00:33:47,019

that this is going on is because you

748

00:33:52,649 --> 00:33:49,599

know it's like you write a book on any

749

00:33:53,260 --> 00:33:52,659

subject or an article on it whether it's

750

00:33:57,310 --> 00:33:53,270

big four

751
00:34:00,040 --> 00:33:57,320
or UFOs or Mothman men in black whatever

752
00:34:02,800 --> 00:34:00,050
what happens very often is that people

753
00:34:04,450 --> 00:34:02,810
will contact you and say hey Nick you

754
00:34:06,610 --> 00:34:04,460
know read your article read your book I

755
00:34:10,330 --> 00:34:06,620
wanted to share this with you because it

756
00:34:13,600 --> 00:34:10,340
was similar to my experience of ABC XYZ

757
00:34:15,639 --> 00:34:13,610
so in other words I think that's the

758
00:34:17,350 --> 00:34:15,649
only reason I was able to start putting

759
00:34:20,290 --> 00:34:17,360
this picture together because people

760
00:34:21,669 --> 00:34:20,300
were sort of generously enough to to

761
00:34:23,560 --> 00:34:21,679
share their experience and then you

762
00:34:25,590 --> 00:34:23,570
start to develop this picture in this

763
00:34:28,149 --> 00:34:25,600

pattern I mean I think that would be

764

00:34:31,270 --> 00:34:28,159

arguably pretty much exactly the same

765

00:34:35,560 --> 00:34:31,280

you know with your cases in relation to

766

00:34:37,300 --> 00:34:35,570

Mothman last year but one or two stories

767

00:34:39,040 --> 00:34:37,310

get to you you know you put the story

768

00:34:41,350 --> 00:34:39,050

out there and other people about the

769

00:34:43,659 --> 00:34:41,360

experience they put their story out

770

00:34:46,510 --> 00:34:43,669

there or send it to you and it develops

771

00:34:48,520 --> 00:34:46,520

and it was kind of like a similar thing

772

00:34:50,770 --> 00:34:48,530

you know you got dozens and dozens of

773

00:34:53,110 --> 00:34:50,780

Mothman cases I didn't get dozens and

774

00:34:55,750 --> 00:34:53,120

dozens of Mothman cases from Chicago at

775

00:34:57,790 --> 00:34:55,760

all in fact just one or two what I did

776
00:34:59,620 --> 00:34:57,800
was a lot of these prophetic dream ones

777
00:35:01,330 --> 00:34:59,630
because that's what I was writing the

778
00:35:04,690 --> 00:35:01,340
articles about that mysterious universe

779
00:35:07,480 --> 00:35:04,700
so I think I think that more than

780
00:35:09,250 --> 00:35:07,490
anything else is the way in which we're

781
00:35:11,350 --> 00:35:09,260
starting to see this bigger picture is

782
00:35:13,840 --> 00:35:11,360
because as I said you know the the

783
00:35:17,020 --> 00:35:13,850
witnesses the victims however you want

784
00:35:19,330 --> 00:35:17,030
to term them they're the ones who are

785
00:35:19,990 --> 00:35:19,340
willing to either on the record or off

786
00:35:22,660 --> 00:35:20,000
the record

787
00:35:25,360 --> 00:35:22,670
share their accounts and then you can

788
00:35:28,540 --> 00:35:25,370

start to build up this picture and as I

789

00:35:30,430 --> 00:35:28,550

said the picture is not what I thought

790

00:35:32,590 --> 00:35:30,440

it was going to be you know I thought it

791

00:35:34,540 --> 00:35:32,600

was just gonna be where do the aliens

792

00:35:37,990 --> 00:35:34,550

come from you know what are they what do

793

00:35:41,290 --> 00:35:38,000

they want no it was all about you know

794

00:35:43,060 --> 00:35:41,300

I'm far more unsettling stuff you know

795

00:35:46,660 --> 00:35:43,070

like as I said like the soul and the

796

00:35:49,900 --> 00:35:46,670

afterlife and what do you think you know

797

00:35:52,810 --> 00:35:49,910

the outcomes gonna be for or some just a

798

00:35:55,180 --> 00:35:52,820

lot of questions the questions that were

799

00:35:56,440 --> 00:35:55,190

being asked made me I have no proof of

800

00:36:00,100 --> 00:35:56,450

what I'm going to say now but the

801
00:36:02,350 --> 00:36:00,110
questions that they asked it seemed to

802
00:36:06,700 --> 00:36:02,360
me that they've been looking into some

803
00:36:10,060 --> 00:36:06,710
really alternative areas you know

804
00:36:12,370 --> 00:36:10,070
literally studying you know theories and

805
00:36:16,380 --> 00:36:12,380
concepts in relation to the whole the

806
00:36:23,800 --> 00:36:16,390
whole issue of the soul and religion and

807
00:36:26,380 --> 00:36:23,810
fate and Armageddon and you know just

808
00:36:27,730 --> 00:36:26,390
just things like that that you wouldn't

809
00:36:29,770 --> 00:36:27,740
necessarily think they were being

810
00:36:31,860 --> 00:36:29,780
applying their time to but but they

811
00:36:34,780 --> 00:36:31,870
actually were mm-hmm

812
00:36:37,360 --> 00:36:34,790
and that's that's interesting because I

813
00:36:39,400 --> 00:36:37,370

I would never think that a government

814

00:36:43,420 --> 00:36:39,410

agency would kind of be open-minded to a

815

00:36:45,190 --> 00:36:43,430

lot of this I mean I'll give you another

816

00:36:48,400 --> 00:36:45,200

perfect example of this

817

00:36:50,470 --> 00:36:48,410

well this one's actually documental is

818

00:36:52,060 --> 00:36:50,480

that you remember back in January 86

819

00:36:55,630 --> 00:36:52,070

when the space shuttle Challenger

820

00:36:59,380 --> 00:36:55,640

exploded on takeoff the crew all got

821

00:37:03,090 --> 00:36:59,390

killed well when that happened a number

822

00:37:05,800 --> 00:37:03,100

of people connect contacted the FBI and

823

00:37:07,540 --> 00:37:05,810

claimed that they'd seen like as if

824

00:37:09,010 --> 00:37:07,550

something had hit the fuel tank and

825

00:37:11,470 --> 00:37:09,020

exploded it so they were talking about

826

00:37:14,500 --> 00:37:11,480

my terrorists and things like that and

827

00:37:18,220 --> 00:37:14,510

five five or six people contacted the

828

00:37:19,900 --> 00:37:18,230

FBI and the FBI came out to interview

829

00:37:22,930 --> 00:37:19,910

these people you know what did you say

830

00:37:26,080 --> 00:37:22,940

etc etc one of them was a psychic woman

831

00:37:28,150 --> 00:37:26,090

and and the reason I'm mentioning this

832

00:37:30,820 --> 00:37:28,160

because this the file the Space Shuttle

833

00:37:33,490 --> 00:37:30,830

file has now been Declassified by the

834

00:37:37,600 --> 00:37:33,500

FBI and you can read it at their website

835

00:37:41,140 --> 00:37:37,610

the vault and in one case the one of the

836

00:37:43,060 --> 00:37:41,150

witnesses was a psychic and they

837

00:37:45,430 --> 00:37:43,070

actually went out to interview this

838

00:37:46,990 --> 00:37:45,440

woman who took the story very seriously

839

00:37:47,560 --> 00:37:47,000

they said well you know what were you

840

00:37:50,400 --> 00:37:47,570

told

841

00:37:54,910 --> 00:37:50,410

what were they she said she was Incan in

842

00:37:56,410 --> 00:37:54,920

conduct with a strange entity sort of

843

00:37:59,080 --> 00:37:56,420

ethereal entities she never actually

844

00:38:01,120 --> 00:37:59,090

called them aliens but that was for all

845

00:38:03,970 --> 00:38:01,130

intents and purposes what they were and

846

00:38:07,900 --> 00:38:03,980

the FBI listened very carefully and that

847

00:38:11,520 --> 00:38:07,910

became part of the FBI file so in other

848

00:38:15,550 --> 00:38:11,530

words government agencies you know don't

849

00:38:18,760 --> 00:38:15,560

necessarily investigate UFO encounters

850

00:38:20,590 --> 00:38:18,770

or deal with psychics because they have

851
00:38:22,420 --> 00:38:20,600
like you know the psychic project

852
00:38:26,770 --> 00:38:22,430
not like that they'll will basically

853
00:38:28,960 --> 00:38:26,780
follow up on any and all leads to figure

854
00:38:31,510 --> 00:38:28,970
out what they need to figure out to

855
00:38:34,210 --> 00:38:31,520
preserve national security and sometimes

856
00:38:37,480 --> 00:38:34,220
they will go down old very alternative

857
00:38:39,670 --> 00:38:37,490
pathways to try and find the answers and

858
00:38:42,910 --> 00:38:39,680
he doesn't necessarily that mean they

859
00:38:45,100 --> 00:38:42,920
believe that this is the answer but they

860
00:38:47,920 --> 00:38:45,110
feel that they have to cover you know

861
00:38:51,160 --> 00:38:47,930
every angle I mean that's like why in

862
00:38:54,850 --> 00:38:51,170
the 1970s you know you had the the

863
00:38:58,050 --> 00:38:54,860

psychic ASP phenomenon known as remote

864

00:39:00,820 --> 00:38:58,060

viewing you know the government tried to

865

00:39:02,800 --> 00:39:00,830

psychically sort of spy on the Russians

866

00:39:04,840 --> 00:39:02,810

now if you look at the Declassified

867

00:39:06,910 --> 00:39:04,850

files there are a lot of people in

868

00:39:08,560 --> 00:39:06,920

government who thought well this is

869

00:39:10,450 --> 00:39:08,570

actually gonna work and other people

870

00:39:13,510 --> 00:39:10,460

were like this is crazy we shouldn't be

871

00:39:15,340 --> 00:39:13,520

funding this so in other words you know

872

00:39:17,770 --> 00:39:15,350

you do have this situation where very

873

00:39:20,590 --> 00:39:17,780

often funding is given to government

874

00:39:22,960 --> 00:39:20,600

agencies where sometimes even the

875

00:39:25,150 --> 00:39:22,970

agencies themselves are dubious as to

876

00:39:26,590 --> 00:39:25,160

whether or not they should even be

877

00:39:27,880 --> 00:39:26,600

looking into this or should they'll be

878

00:39:30,460 --> 00:39:27,890

looking elsewhere and I think that's

879

00:39:34,180 --> 00:39:30,470

probably the case with what was going on

880

00:39:36,670 --> 00:39:34,190

in 2017 that there were a lot of people

881

00:39:39,550 --> 00:39:36,680

coming forward with these nightmarish

882

00:39:41,140 --> 00:39:39,560

dreams and and and some of them

883

00:39:43,960 --> 00:39:41,150

connected with abductions and somebody

884

00:39:46,510 --> 00:39:43,970

said well regardless of how wild this

885

00:39:48,250 --> 00:39:46,520

sounds because they're talking about EMP

886

00:39:50,620 --> 00:39:48,260

weapons and things like this we really

887

00:39:52,360 --> 00:39:50,630

ought to just check into it just to be

888

00:39:54,100 --> 00:39:52,370

safe because that's what they've always

889

00:39:57,520 --> 00:39:54,110

done they did it with remote viewing and

890

00:39:59,470 --> 00:39:57,530

with the space shuttle etc so I think

891

00:40:00,940 --> 00:39:59,480

that's what's going on now you know that

892

00:40:02,740 --> 00:40:00,950

may well be people in government who are

893

00:40:05,230 --> 00:40:02,750

thinking you know we should not be

894

00:40:08,710 --> 00:40:05,240

spending even a penny you know just a

895

00:40:11,590 --> 00:40:08,720

dime on this unable thing well you know

896

00:40:13,810 --> 00:40:11,600

the 7080 people are talking about this

897

00:40:16,450 --> 00:40:13,820

and they're very specific in terms of

898

00:40:20,590 --> 00:40:16,460

the locations it won't hurt to funnel

899

00:40:24,130 --> 00:40:20,600

you know 50 grand into high you know

900

00:40:26,350 --> 00:40:24,140

having five guys look into this for like

901
00:40:28,060 --> 00:40:26,360
six weeks or two months and at the end

902
00:40:30,730 --> 00:40:28,070
of it let's see what we've got I think

903
00:40:32,440 --> 00:40:30,740
that's probably you know the the

904
00:40:33,870 --> 00:40:32,450
approach that was taken something like

905
00:40:36,300 --> 00:40:33,880
that

906
00:40:38,700 --> 00:40:36,310
you think these are government agencies

907
00:40:41,010 --> 00:40:38,710
that you're talking about now

908
00:40:43,080 --> 00:40:41,020
is that connected to what the old

909
00:40:44,670 --> 00:40:43,090
phenomena would do men and black or is

910
00:40:48,240 --> 00:40:44,680
something called different

911
00:40:50,480 --> 00:40:48,250
oh well that actually gets into one of

912
00:40:54,480 --> 00:40:50,490
the weirdest parts of the book actually

913
00:40:57,000 --> 00:40:54,490

now most of the people who I spoke to

914

00:40:59,910 --> 00:40:57,010

said you know there was concern on the

915

00:41:01,980 --> 00:40:59,920

part of the interviewees excuse me the

916

00:41:03,960 --> 00:41:01,990

interviewers within the government that

917

00:41:06,180 --> 00:41:03,970

said you know we really don't want you

918

00:41:09,360 --> 00:41:06,190

to talk about this or at least not for a

919

00:41:12,360 --> 00:41:09,370

while but we just want you know see if

920

00:41:13,860 --> 00:41:12,370

you can help us and they did but when

921

00:41:16,920 --> 00:41:13,870

you talk about the men in black you know

922

00:41:18,900 --> 00:41:16,930

a lot of people take the image of you

923

00:41:20,850 --> 00:41:18,910

know Will Smith and Tommy Lee Jones from

924

00:41:23,970 --> 00:41:20,860

the movies but if you look at the

925

00:41:27,690 --> 00:41:23,980

original reports of me MIB going back to

926
00:41:29,940 --> 00:41:27,700
the fifties and to the present day you

927
00:41:31,350 --> 00:41:29,950
get a lot of reports where they just

928
00:41:34,380 --> 00:41:31,360
don't even look human

929
00:41:38,070 --> 00:41:34,390
they look very pale and gaunt and skinny

930
00:41:39,570 --> 00:41:38,080
and sometimes have these large eyes that

931
00:41:41,610 --> 00:41:39,580
they hide behind these wraparound

932
00:41:43,800 --> 00:41:41,620
glasses and they seem to have the

933
00:41:46,530 --> 00:41:43,810
ability to sort of control people's

934
00:41:48,810 --> 00:41:46,540
minds and hypnotize them so you know

935
00:41:50,280 --> 00:41:48,820
they don't come across as human now

936
00:41:52,590 --> 00:41:50,290
to get back to what you said about the

937
00:41:55,620 --> 00:41:52,600
men in black there are a number of cases

938
00:41:58,980 --> 00:41:55,630

that I've got where the the people who

939

00:42:02,040 --> 00:41:58,990

were visited by the government agents

940

00:42:03,510 --> 00:42:02,050

and were interviewed in in quite a it

941

00:42:05,730 --> 00:42:03,520

wasn't really you know like in an

942

00:42:07,920 --> 00:42:05,740

intimidating situation for the most part

943

00:42:12,750 --> 00:42:07,930

I would just you know can you help us

944

00:42:14,670 --> 00:42:12,760

but probably about 20% of those people I

945

00:42:18,150 --> 00:42:14,680

interviewed said they had sort of

946

00:42:20,610 --> 00:42:18,160

follow-up situations where they get home

947

00:42:22,560 --> 00:42:20,620

from work and they'd see this strange

948

00:42:25,320 --> 00:42:22,570

guy standing over the other side of the

949

00:42:28,260 --> 00:42:25,330

street with like a an old black suit and

950

00:42:31,070 --> 00:42:28,270

an old black fedora hat and looking

951
00:42:35,220 --> 00:42:31,080
really weird and just staring into the

952
00:42:37,590 --> 00:42:35,230
window and and other people just

953
00:42:40,260 --> 00:42:37,600
described similar things where they

954
00:42:42,840 --> 00:42:40,270
would see these MIB following them but

955
00:42:44,490 --> 00:42:42,850
they didn't seem like like in the movies

956
00:42:47,040 --> 00:42:44,500
you know they seemed up more like sort

957
00:42:47,849 --> 00:42:47,050
of cadaverous vampires was how they

958
00:42:49,259 --> 00:42:47,859
wanna

959
00:42:53,130 --> 00:42:49,269
personal actually describe them you're

960
00:42:54,900 --> 00:42:53,140
looking at our empire so it seems to be

961
00:42:58,170 --> 00:42:54,910
the case and this you may get really

962
00:43:00,299 --> 00:42:58,180
complicated is that there are people in

963
00:43:03,120 --> 00:43:00,309

governments who've been in interviewing

964

00:43:05,609 --> 00:43:03,130

clandestinely and quietly the abductees

965

00:43:09,059 --> 00:43:05,619

and then afterwards you got this

966

00:43:12,019 --> 00:43:09,069

creepier group of the men in black also

967

00:43:15,930 --> 00:43:12,029

keeping their eyes on the very same

968

00:43:18,509 --> 00:43:15,940

abductees so it's like you've got you

969

00:43:21,930 --> 00:43:18,519

know the the government angle and this

970

00:43:23,970 --> 00:43:21,940

weird MIB angle that nobody really I

971

00:43:26,099 --> 00:43:23,980

don't biggest fully figured out what

972

00:43:28,349 --> 00:43:26,109

they are except there there's no way

973

00:43:31,289 --> 00:43:28,359

they they're from the Pentagon or the

974

00:43:35,130 --> 00:43:31,299

DoD they just they're not you know that

975

00:43:38,630 --> 00:43:35,140

there's something much weirder but and

976

00:43:41,099 --> 00:43:38,640

maybe that too is sort of you know

977

00:43:43,529 --> 00:43:41,109

pushed the government to look into this

978

00:43:46,410 --> 00:43:43,539

angle as well I don't again I'm

979

00:43:48,660 --> 00:43:46,420

speculating there but it is kind of

980

00:43:50,999 --> 00:43:48,670

strange you know when you find that

981

00:43:52,769 --> 00:43:51,009

you've got the abductees being

982

00:43:55,259 --> 00:43:52,779

interviewed by the government and then

983

00:43:58,019 --> 00:43:55,269

followed by these other groups of people

984

00:43:59,880 --> 00:43:58,029

as well and so I'm sure there's a much

985

00:44:03,150 --> 00:43:59,890

bigger picture that which we're still

986

00:44:04,410 --> 00:44:03,160

really trying to figure out what's going

987

00:44:08,160 --> 00:44:04,420

on and put all the pieces together

988

00:44:09,870 --> 00:44:08,170

because right now and unfortunately even

989

00:44:12,839 --> 00:44:09,880

I have to admit you know I think which

990

00:44:15,390 --> 00:44:12,849

we're still got like strands of these

991

00:44:17,220 --> 00:44:15,400

stories but at least with state we're

992

00:44:20,039 --> 00:44:17,230

starting to say things come together you

993

00:44:24,660 --> 00:44:20,049

know well I tell you you know I've been

994

00:44:28,620 --> 00:44:24,670

I've worked with several supposed

995

00:44:30,630 --> 00:44:28,630

abductees over the years but there there

996

00:44:32,640 --> 00:44:30,640

are a few things in this whole phenomena

997

00:44:34,769 --> 00:44:32,650

just really bothered me and in

998

00:44:37,620 --> 00:44:34,779

particular like the MyLab intimidation

999

00:44:39,450 --> 00:44:37,630

that a company is an alien abduction

1000

00:44:42,539 --> 00:44:39,460

where somebody has had an actual an

1001

00:44:45,229 --> 00:44:42,549

abduction and then a military the

1002

00:44:50,099 --> 00:44:45,239

military either abducts them or really

1003

00:44:55,019 --> 00:44:50,109

intimidates them mind control of these

1004

00:44:59,339 --> 00:44:55,029

sainted abductees and then the

1005

00:45:01,660 --> 00:44:59,349

possibility that an abductee will never

1006

00:45:05,230 --> 00:45:01,670

return now I've had

1007

00:45:08,740 --> 00:45:05,240

one in particular one abductee who had a

1008

00:45:11,980 --> 00:45:08,750

lot of insight on this that actually saw

1009

00:45:17,799 --> 00:45:11,990

this where bodies were being disposed of

1010

00:45:21,760 --> 00:45:17,809

by these these non terrestrial beings so

1011

00:45:23,440 --> 00:45:21,770

I mean why is the government involved in

1012

00:45:27,370 --> 00:45:23,450

particular like this my lab you talking

1013

00:45:31,049 --> 00:45:27,380

about Dulce or another facility what

1014

00:45:33,960 --> 00:45:31,059

what's the deal with that well

1015

00:45:37,210 --> 00:45:33,970

interesting angle and I sort of make a

1016

00:45:39,670 --> 00:45:37,220

you know make a like a parallel between

1017

00:45:41,319 --> 00:45:39,680

these two groups because they seem to be

1018

00:45:42,579 --> 00:45:41,329

quite different with the mill herbs that

1019

00:45:45,400 --> 00:45:42,589

you're talking about which stands for

1020

00:45:47,140 --> 00:45:45,410

military abductions people claim that's

1021

00:45:49,720 --> 00:45:47,150

they've been taken to sort of

1022

00:45:53,079 --> 00:45:49,730

underground facilities and military

1023

00:45:54,910 --> 00:45:53,089

bases by guys in sort of almost like a

1024

00:45:57,549 --> 00:45:54,920

SWAT type outfit you know like black

1025

00:45:59,230 --> 00:45:57,559

outfits in a black cap and and

1026

00:46:02,859 --> 00:45:59,240

threatened and pushed around and

1027

00:46:04,660 --> 00:46:02,869

intimidated quite deeply and you know

1028

00:46:07,750 --> 00:46:04,670

there's no doubt that that's part of the

1029

00:46:11,859 --> 00:46:07,760

you know the alien abduction history and

1030

00:46:14,740 --> 00:46:11,869

law so to speak but there seems to be

1031

00:46:17,950 --> 00:46:14,750

this other group within government there

1032

00:46:19,210 --> 00:46:17,960

are clearly not the male up people you

1033

00:46:21,640 --> 00:46:19,220

know these are the ones I'm talking

1034

00:46:24,400 --> 00:46:21,650

about in relation to many of the cases

1035

00:46:25,990 --> 00:46:24,410

in the book where you know it really was

1036

00:46:28,630 --> 00:46:26,000

just like a knock on the door and hi

1037

00:46:30,280 --> 00:46:28,640

mrs. Smith you know we like to talk to

1038

00:46:32,020 --> 00:46:30,290

you don't mind about your experience

1039

00:46:34,569 --> 00:46:32,030

that you put on your Facebook page and

1040

00:46:37,180 --> 00:46:34,579

would you mind if we came in and talk to

1041

00:46:39,700 --> 00:46:37,190

you that's totally different to the male

1042

00:46:42,460 --> 00:46:39,710

a bangle you know where people basically

1043

00:46:44,559 --> 00:46:42,470

are pushed around so again it's

1044

00:46:47,309 --> 00:46:44,569

something I can't prove but I think what

1045

00:46:50,230 --> 00:46:47,319

it demonstrates is that there might be

1046

00:46:51,880 --> 00:46:50,240

maybe even two possibly even more groups

1047

00:46:55,120 --> 00:46:51,890

within government that are looking into

1048

00:46:57,940 --> 00:46:55,130

the abduction angle the agency a or

1049

00:47:01,059 --> 00:46:57,950

think-tank a isn't telling think-tank B

1050

00:47:02,859 --> 00:47:01,069

what they know and somebody else thinks

1051
00:47:04,930 --> 00:47:02,869
we should handle like this somebody else

1052
00:47:06,490 --> 00:47:04,940
thinks we should handle it like that so

1053
00:47:10,510 --> 00:47:06,500
I think that's why we're seeing this

1054
00:47:14,850 --> 00:47:10,520
really kind of large differentiation

1055
00:47:16,380 --> 00:47:14,860
between the the mill up stories and

1056
00:47:19,980 --> 00:47:16,390
what we would call these sort of far

1057
00:47:27,050 --> 00:47:19,990
more I would say laid-back but certainly

1058
00:47:32,700 --> 00:47:30,660
for this is because you know when we say

1059
00:47:35,970 --> 00:47:32,710
the government it really is like a

1060
00:47:38,790 --> 00:47:35,980
collective term for dozens of agencies

1061
00:47:40,320 --> 00:47:38,800
and within those dozens of agencies you

1062
00:47:43,350 --> 00:47:40,330
know there are small little projects

1063
00:47:45,450 --> 00:47:43,360

that get funded here and funded there so

1064

00:47:48,060 --> 00:47:45,460

in other words it's not really the

1065

00:47:50,550 --> 00:47:48,070

government's that investigate abductions

1066

00:47:53,610 --> 00:47:50,560

it's a small think tank or a small

1067

00:47:57,000 --> 00:47:53,620

project that has been funded by this

1068

00:47:59,640 --> 00:47:57,010

group or that agency and somebody else

1069

00:48:01,590 --> 00:47:59,650

is funding another agency but for

1070

00:48:04,860 --> 00:48:01,600

security reasons they don't necessarily

1071

00:48:07,470 --> 00:48:04,870

always share information and so for that

1072

00:48:11,670 --> 00:48:07,480

reason I think that probably explains

1073

00:48:14,880 --> 00:48:11,680

you know the distinct differences that

1074

00:48:16,890 --> 00:48:14,890

you see how has some paper interviewed

1075

00:48:21,840 --> 00:48:16,900

and others are sort of basically pulled

1076
00:48:25,830 --> 00:48:21,850
around and threatened you know I asked

1077
00:48:31,890 --> 00:48:25,840
researchers in especially in the UFO

1078
00:48:34,920 --> 00:48:31,900
phenomena how they how they deal with

1079
00:48:37,920 --> 00:48:34,930
the government as far as when they put

1080
00:48:40,410 --> 00:48:37,930
in a FOIA request you you have a lot of

1081
00:48:42,720 --> 00:48:40,420
cooperation do you have any push back or

1082
00:48:45,780 --> 00:48:42,730
what kind of problems do you face with

1083
00:48:48,270 --> 00:48:45,790
them well I have to be honest I mean

1084
00:48:51,150 --> 00:48:48,280
whenever I'd use the freedom Information

1085
00:48:53,250 --> 00:48:51,160
Act in the past I mean I've never had

1086
00:48:54,930 --> 00:48:53,260
honestly I've never had any problems

1087
00:48:57,840 --> 00:48:54,940
they've always said you know this is

1088
00:49:01,800 --> 00:48:57,850

what we can release to you and this is

1089

00:49:05,220 --> 00:49:01,810

what we cannot release to you now what I

1090

00:49:08,190 --> 00:49:05,230

found I mean the FBI are really good at

1091

00:49:10,380 --> 00:49:08,200

declassifying their files ever an online

1092

00:49:13,860 --> 00:49:10,390

website called the vault let's go to

1093

00:49:18,960 --> 00:49:13,870

vault gov you will find literally

1094

00:49:21,360 --> 00:49:18,970

millions of pages of files of thousands

1095

00:49:26,230 --> 00:49:21,370

of files on everything from celebrities

1096

00:49:28,640 --> 00:49:26,240

to Russian spies to

1097

00:49:31,100 --> 00:49:28,650

old-style gangster files

1098

00:49:34,550 --> 00:49:31,110

bonnie-and-clyde that kind of thing

1099

00:49:36,830 --> 00:49:34,560

and what you find is that you know the

1100

00:49:38,960 --> 00:49:36,840

FBI has been really good release of

1101
00:49:40,790 --> 00:49:38,970
these files and and you can download

1102
00:49:43,790 --> 00:49:40,800
them in PDF format

1103
00:49:45,320 --> 00:49:43,800
you didn't cost you anything so I felt

1104
00:49:46,730 --> 00:49:45,330
you know but people often say oh they

1105
00:49:48,950 --> 00:49:46,740
don't give you anything you know they

1106
00:49:51,560 --> 00:49:48,960
hold the best stuff back but I mean you

1107
00:49:53,600 --> 00:49:51,570
can go to the FBI's website the vault go

1108
00:49:54,860 --> 00:49:53,610
to the unexplained phenomenon section

1109
00:49:58,430 --> 00:49:54,870
click on that that's what it's called

1110
00:50:01,250 --> 00:49:58,440
and then you've got like nearly 2,000

1111
00:50:03,500 --> 00:50:01,260
pages of really interesting UFO files at

1112
00:50:06,740 --> 00:50:03,510
the FBI collected there's like a hundred

1113
00:50:08,450 --> 00:50:06,750

and fifty page file on their reports on

1114

00:50:10,310 --> 00:50:08,460

cattle mutilations which are filled

1115

00:50:13,820 --> 00:50:10,320

reports filled with reports of like

1116

00:50:16,640 --> 00:50:13,830

black helicopters and cattle with organs

1117

00:50:19,670 --> 00:50:16,650

removed and laser incisions that's all

1118

00:50:21,460 --> 00:50:19,680

in the FBI's Declassified files so so

1119

00:50:25,790 --> 00:50:21,470

they've actually been really good

1120

00:50:28,300 --> 00:50:25,800

declassified documents now of course

1121

00:50:32,150 --> 00:50:28,310

there are certain situations where

1122

00:50:34,310 --> 00:50:32,160

national security over overwhelms you

1123

00:50:37,670 --> 00:50:34,320

know just the public interest and so

1124

00:50:40,310 --> 00:50:37,680

very often files don't get Declassified

1125

00:50:43,070 --> 00:50:40,320

and any many occasions you know you it's

1126

00:50:47,180 --> 00:50:43,080

it's valid because you know you don't

1127

00:50:49,100 --> 00:50:47,190

want potential enemies to know you know

1128

00:50:53,180 --> 00:50:49,110

the extent to which our radar systems

1129

00:50:56,630 --> 00:50:53,190

can you know yeah and we don't want them

1130

00:50:59,540 --> 00:50:56,640

to find out you know the power and etc

1131

00:51:01,550 --> 00:50:59,550

of our missiles and our artillery and so

1132

00:51:04,100 --> 00:51:01,560

on so you know there are legitimate

1133

00:51:05,420 --> 00:51:04,110

reasons why certain stuff should not be

1134

00:51:07,970 --> 00:51:05,430

probably put in the public domain

1135

00:51:10,490 --> 00:51:07,980

because the public domain could mean

1136

00:51:13,610 --> 00:51:10,500

your potential enemy but when it comes

1137

00:51:15,170 --> 00:51:13,620

to UFOs and things like that I think you

1138

00:51:17,600 --> 00:51:15,180

know the because the government's

1139

00:51:19,580 --> 00:51:17,610

official stance has always been your

1140

00:51:22,040 --> 00:51:19,590

foes don't affect national security my

1141

00:51:28,070 --> 00:51:22,050

argument is well let's say everything

1142

00:51:30,050 --> 00:51:28,080

then you know right well you know now we

1143

00:51:32,600 --> 00:51:30,060

now we do know that the government is

1144

00:51:36,320 --> 00:51:32,610

interested in nailing abductions but

1145

00:51:38,810 --> 00:51:36,330

with other phenomena say Bigfoot for

1146

00:51:39,170 --> 00:51:38,820

instance now you know we all heard the

1147

00:51:41,750 --> 00:51:39,180

store

1148

00:51:45,020 --> 00:51:41,760

is that the government was you know

1149

00:51:47,530 --> 00:51:45,030

interested in in the in Bigfoot and you

1150

00:51:50,299 --> 00:51:47,540

know I had an experience many years ago

1151

00:51:54,069 --> 00:51:50,309

where there seemed to be a lot of

1152

00:51:57,020 --> 00:51:54,079

government interest in in citing but a

1153

00:51:59,660 --> 00:51:57,030

gee what's your feeling on that do you

1154

00:52:03,170 --> 00:51:59,670

think it kind of the government is

1155

00:52:07,569 --> 00:52:03,180

actually involved with the Bigfoot and

1156

00:52:10,520 --> 00:52:07,579

other type of cryptozoology phenomena

1157

00:52:14,510 --> 00:52:10,530

well I mean this is where it gets into

1158

00:52:17,839 --> 00:52:14,520

sort of really controversial situations

1159

00:52:22,250 --> 00:52:17,849

I mean I don't personally have more than

1160

00:52:23,660 --> 00:52:22,260

maybe one or two cases where you know

1161

00:52:26,270 --> 00:52:23,670

the witnesses claimed that there was

1162

00:52:28,790 --> 00:52:26,280

like a government connection to Bigfoot

1163

00:52:32,960 --> 00:52:28,800

but I mean I definitely know Stan Gordon

1164

00:52:35,410 --> 00:52:32,970

in Pennsylvania well Stan as a friend of

1165

00:52:37,940 --> 00:52:35,420

mine and he's he wrote a book about

1166

00:52:40,599 --> 00:52:37,950

eight or nine years ago called silent

1167

00:52:43,130 --> 00:52:40,609

invasion which was about a wave of UFO

1168

00:52:46,549 --> 00:52:43,140

Bigfoot activity in Pennsylvania in the

1169

00:52:48,289 --> 00:52:46,559

mid seventies and in there Stan got a

1170

00:52:51,140 --> 00:52:48,299

lot of really weird stories where

1171

00:52:53,569 --> 00:52:51,150

military people came out and MIB people

1172

00:52:58,520 --> 00:52:53,579

came out to investigate some of these

1173

00:53:03,289 --> 00:52:58,530

weird Bigfoot type cases there are one

1174

00:53:05,359 --> 00:53:03,299

or two odd cases in the UK where the

1175

00:53:07,400 --> 00:53:05,369

beam reports of what are known as alien

1176

00:53:09,559 --> 00:53:07,410

big cats or ABC's they're like these

1177

00:53:11,990 --> 00:53:09,569

huge black cats roaming around the UK

1178

00:53:13,579 --> 00:53:12,000

which should not be there you know

1179

00:53:16,160 --> 00:53:13,589

there's nothing like that that should be

1180

00:53:18,079 --> 00:53:16,170

natural to the to the UK and there

1181

00:53:20,359 --> 00:53:18,089

actually are a few weird stories where

1182

00:53:23,089 --> 00:53:20,369

people who reported to say their local

1183

00:53:24,859 --> 00:53:23,099

police that they've seen this you know

1184

00:53:27,650 --> 00:53:24,869

something like a black jag you were

1185

00:53:29,930 --> 00:53:27,660

roaming around the countryside and then

1186

00:53:31,760 --> 00:53:29,940

afterwards the person received like

1187

00:53:34,280 --> 00:53:31,770

weird phone calls telling them not to

1188

00:53:36,069 --> 00:53:34,290

talk about it I worried a couple of

1189

00:53:38,569 --> 00:53:36,079

cases actually like and there might be

1190

00:53:40,819 --> 00:53:38,579

knocking on the door and saying you know

1191

00:53:43,640 --> 00:53:40,829

please don't talk about this now that

1192

00:53:45,230 --> 00:53:43,650

could be legitimately the you know so

1193

00:53:47,680 --> 00:53:45,240

that one particular arm of the

1194

00:53:50,089 --> 00:53:47,690

government is a bit concerned about the

1195

00:53:52,400 --> 00:53:50,099

possibility that there are large big

1196

00:53:53,090 --> 00:53:52,410

cats possibly escaped or being released

1197

00:53:54,500 --> 00:53:53,100

into the why

1198

00:53:57,140 --> 00:53:54,510

and they just don't want people to know

1199

00:53:59,510 --> 00:53:57,150

well I have to say that that's very

1200

00:54:02,000 --> 00:53:59,520

small handful that I have of these alien

1201
00:54:05,500 --> 00:54:02,010
big cat stories in the MIB they do

1202
00:54:08,810 --> 00:54:05,510
actually sound more like MIB rather than

1203
00:54:10,940 --> 00:54:08,820
concerned government civil servants who

1204
00:54:13,220 --> 00:54:10,950
just don't want the public to panic you

1205
00:54:16,000 --> 00:54:13,230
know there does seem to be a more

1206
00:54:18,680 --> 00:54:16,010
weirder aspect to it mm-hmm

1207
00:54:21,350 --> 00:54:18,690
well other than that I really don't have

1208
00:54:25,160 --> 00:54:21,360
much of anything that sort of links the

1209
00:54:27,440 --> 00:54:25,170
MIB directly to like cryptozoology there

1210
00:54:29,150 --> 00:54:27,450
are a couple of things but not something

1211
00:54:33,200 --> 00:54:29,160
where I could definitely say you know

1212
00:54:37,610 --> 00:54:33,210
there's like a solid big phenomenon you

1213
00:54:39,400 --> 00:54:37,620

know now I want to get your thoughts on

1214

00:54:43,460 --> 00:54:39,410

this what what are your thoughts on

1215

00:54:45,440 --> 00:54:43,470

families generational alien abduction I

1216

00:54:46,790 --> 00:54:45,450

mean do you believe that it runs the

1217

00:54:49,400 --> 00:54:46,800

families because I've heard stories

1218

00:54:51,350 --> 00:54:49,410

where I've gotten to where I've gotten a

1219

00:54:54,590 --> 00:54:51,360

report from somebody and I talk to them

1220

00:54:57,080 --> 00:54:54,600

about it and invariably when I ask them

1221

00:54:59,600 --> 00:54:57,090

there it turns out one of the parents or

1222

00:55:02,780 --> 00:54:59,610

grandparents had a similar type of

1223

00:55:07,100 --> 00:55:02,790

phenomena I mean this this is actually

1224

00:55:09,530 --> 00:55:07,110

going on right oh yeah no doubt that's

1225

00:55:11,480 --> 00:55:09,540

part of the phenomenon you know of

1226

00:55:14,210 --> 00:55:11,490

course the big question is well how how

1227

00:55:15,980 --> 00:55:14,220

can it happen I mean some researchers

1228

00:55:18,470 --> 00:55:15,990

suggest this sort of ties in with the

1229

00:55:22,340 --> 00:55:18,480

whole implant angle as to how they can

1230

00:55:24,440 --> 00:55:22,350

track people around the country and and

1231

00:55:28,040 --> 00:55:24,450

follow you know families on a

1232

00:55:29,240 --> 00:55:28,050

generational level I mean you know

1233

00:55:30,860 --> 00:55:29,250

you've seen the last few years

1234

00:55:33,800 --> 00:55:30,870

particularly in sort of conspiracy

1235

00:55:36,500 --> 00:55:33,810

writing the affairs that people have

1236

00:55:39,470 --> 00:55:36,510

about being implanted you know we're all

1237

00:55:41,630 --> 00:55:39,480

going to get implanted or whatever well

1238

00:55:44,630 --> 00:55:41,640

you know I always say not that this is

1239

00:55:46,760 --> 00:55:44,640

actually gives us any help but you know

1240

00:55:49,670 --> 00:55:46,770

if you look today I always say to me

1241

00:55:51,860 --> 00:55:49,680

well there's no need really for any of

1242

00:55:55,070 --> 00:55:51,870

us to be implanted by the government

1243

00:55:57,800 --> 00:55:55,080

because we really are already implanted

1244

00:55:59,450 --> 00:55:57,810

but it's called it's called an iPhone

1245

00:56:02,720 --> 00:55:59,460

and instead of being implanted it's in

1246

00:56:04,940 --> 00:56:02,730

your party and that iPhone that iPhone

1247

00:56:05,910 --> 00:56:04,950

will allow someone to track your every

1248

00:56:10,440 --> 00:56:05,920

movement

1249

00:56:12,980 --> 00:56:10,450

I'll be able to essentially figure out

1250

00:56:15,599 --> 00:56:12,990

what kind of books you buy off Amazon

1251

00:56:20,039 --> 00:56:15,609

what kind of clothing you like to buy

1252

00:56:23,010 --> 00:56:20,049

online what terms you look up on Sperry

1253

00:56:26,490 --> 00:56:23,020

search engines or this or that so in

1254

00:56:29,910 --> 00:56:26,500

other words you know the days of people

1255

00:56:32,250 --> 00:56:29,920

worrying about implants I actually think

1256

00:56:34,170 --> 00:56:32,260

they're gone because like as I said you

1257

00:56:35,910 --> 00:56:34,180

know the vast majority people now do

1258

00:56:39,510 --> 00:56:35,920

have iPhones or at the very least a

1259

00:56:42,359 --> 00:56:39,520

smartphone you know literal iPhone but

1260

00:56:45,289 --> 00:56:42,369

what I would say is that because you

1261

00:56:48,900 --> 00:56:45,299

know it is so easy to monitor social

1262

00:56:52,710 --> 00:56:48,910

media there's no need for anyone to be

1263

00:56:56,220 --> 00:56:52,720

implanted because we've already given up

1264

00:56:58,770 --> 00:56:56,230

our privacy and a lot of people just

1265

00:57:01,980 --> 00:56:58,780

don't seem to care you know yeah you're

1266

00:57:06,450 --> 00:57:01,990

right about that you know you wrote a

1267

00:57:09,059 --> 00:57:06,460

book a while back about the the Rh

1268

00:57:13,079 --> 00:57:09,069

negative factor in a lot of these alien

1269

00:57:14,819 --> 00:57:13,089

abductees and you know this is something

1270

00:57:20,190 --> 00:57:14,829

I checked with with people when I talked

1271

00:57:23,280 --> 00:57:20,200

to them and I would say at least 80% if

1272

00:57:28,680 --> 00:57:23,290

not more so the people that I talked to

1273

00:57:32,210 --> 00:57:28,690

have own negative blood it just it's

1274

00:57:37,980 --> 00:57:32,220

almost every time it's no negative blood

1275

00:57:44,069 --> 00:57:37,990

yeah that's an interesting aspect back

1276

00:57:46,920 --> 00:57:44,079

in 2015 excuse me called bloodline of

1277

00:57:49,710 --> 00:57:46,930

the gods and basically that was a study

1278

00:57:52,049 --> 00:57:49,720

of the whole Rh negative blood and how

1279

00:57:55,170 --> 00:57:52,059

it ties in with the UFO subject and

1280

00:57:58,829 --> 00:57:55,180

abductions and so on now why don't you

1281

00:58:01,650 --> 00:57:58,839

tell you that that book provided the

1282

00:58:06,059 --> 00:58:01,660

most feedback that I'd ever got from any

1283

00:58:09,150 --> 00:58:06,069

book it was yummy mostly a Freddy book I

1284

00:58:12,539 --> 00:58:09,160

tend to write I probably get sort of I

1285

00:58:14,579 --> 00:58:12,549

know 50 or 60 people you know over the

1286

00:58:17,099 --> 00:58:14,589

course of the year that the book says

1287

00:58:18,990 --> 00:58:17,109

you know will contact me you know read

1288

00:58:19,710 --> 00:58:19,000

your book enjoyed it want to share this

1289

00:58:22,080 --> 00:58:19,720

story

1290

00:58:24,540 --> 00:58:22,090

and fifty to sixty no it's it's if it's

1291

00:58:26,609 --> 00:58:24,550

a fair amount of people you know to take

1292

00:58:29,010 --> 00:58:26,619

time out of their day to do that you

1293

00:58:31,080 --> 00:58:29,020

know I appreciate people doing that but

1294

00:58:33,359 --> 00:58:31,090

with bloodline of the gods I think I got

1295

00:58:35,430 --> 00:58:33,369

somewhere in the region of probably

1296

00:58:37,859 --> 00:58:35,440

about three to four hundred emails

1297

00:58:42,359 --> 00:58:37,869

messages you know Facebook messages or

1298

00:58:44,310 --> 00:58:42,369

message to my blog etc of people saying

1299

00:58:46,980 --> 00:58:44,320

either they'd had the experience and

1300

00:58:49,170 --> 00:58:46,990

we're Rh negative or a family member was

1301

00:58:52,170 --> 00:58:49,180

or they had questions for it but yeah

1302

00:58:56,040 --> 00:58:52,180

that that book actually provided the

1303

00:58:58,230 --> 00:58:56,050

most feedback that I've ever got book so

1304

00:59:00,510 --> 00:58:58,240

you know I find that kind of interesting

1305

00:59:04,070 --> 00:59:00,520

that as you said the more you look into

1306

00:59:07,349 --> 00:59:04,080

this Rh negative angle you do find that

1307

00:59:09,930 --> 00:59:07,359

there's this undercurrent of connections

1308

00:59:11,820 --> 00:59:09,940

that a lot of people didn't even realize

1309

00:59:15,390 --> 00:59:11,830

were there in the first place it's

1310

00:59:17,280 --> 00:59:15,400

fascinating so Nick how can people get

1311

00:59:21,830 --> 00:59:17,290

in contact with you and find your books

1312

00:59:26,130 --> 00:59:21,840

and what do you have on the horizon okay

1313

00:59:29,329 --> 00:59:26,140

well Amazon and for people who still

1314

00:59:33,300 --> 00:59:29,339

like to walk in bookstores about sixty

1315

00:59:37,620 --> 00:59:33,310

shelves in Barnes and Noble people can

1316

00:59:40,440 --> 00:59:37,630

reach me at various ways Facebook just

1317

00:59:43,770 --> 00:59:40,450

typed me in you'll you'll see me and

1318

00:59:46,170 --> 00:59:43,780

there's also Twitter Nick Redfern UFO

1319

00:59:48,359 --> 00:59:46,180

and I have a blog called world of

1320

00:59:51,810 --> 00:59:48,369

whatever so if you just type that in

1321

00:59:53,310 --> 00:59:51,820

you'll see the the link and as far as

1322

00:59:56,579 --> 00:59:53,320

what's coming next I've actually got one

1323

00:59:59,640 --> 00:59:56,589

coming out on on New Year's Day of all

1324

01:00:04,170 --> 00:59:59,650

times possible and and it's called area

1325

01:00:08,490 --> 01:00:04,180

51 and it's like a it's a 400 page study

1326

01:00:11,339 --> 01:00:08,500

of the history of area 51 but focusing

1327

01:00:14,640 --> 01:00:11,349

on the whole UFO angle and theories and

1328

01:00:18,150 --> 01:00:14,650

claims connected to it oh I'm definitely

1329

01:00:22,530 --> 01:00:18,160

read that one so Nick thanks again for

1330

01:00:25,250 --> 01:00:22,540

joining me it's been a pleasure you take

1331

01:00:30,570 --> 01:00:27,750

now listeners can show their support for

1332

01:00:32,250 --> 01:00:30,580

arcane radio by becoming a patron simply

1333

01:00:33,550 --> 01:00:32,260

go to phantoms of monsters comm and

1334

01:00:36,520 --> 01:00:33,560

click

1335

01:00:39,670 --> 01:00:36,530

being patron banner arcane radio also

1336

01:00:41,440 --> 01:00:39,680

accepts direct donations now if you

1337

01:00:43,420 --> 01:00:41,450

haven't I'll explain to counter sighting

1338

01:00:46,660 --> 01:00:43,430

feel free to contact me through the

1339

01:00:49,120 --> 01:00:46,670

phantoms of monsters blog site I won't

1340

01:00:51,430 --> 01:00:49,130

again thank Nick Radford for joining me

1341

01:00:53,650 --> 01:00:51,440

this evening and want to thank you for

1342

01:01:02,710 --> 01:00:53,660

listening to the show a good night and

1343

01:01:02,720 --> 01:01:16,830

[Music]

1344

01:01:16,840 --> 01:01:41,910

[Applause]

1345

01:01:41,920 --> 01:02:16,600

[Music]
